School Administration Changes Are Approved

*** 1970-71 Budget Up More Than \$150,000
Jinks, Ethridge, Mardis, Graves Switch Schools; Take New Responsibilities

Administration changes in Muleshoe High School and Muleshoe Junior High School were a major item on the agenda when the board members of the Muleshoe Independent School District met Monday night.

After the recent resignation of Special Programs Director Ralph Stevenson, MHS Principal Tom Jinks was shifted to the administration office to fill that position. Taking Jinks place as MHS principal is Fred Mardis, who previously served as principal at Muleshoe Junior High School.

Assistant MHS Principal Wayland Ethridge has moved to MHS as principal and Bobby Graves has shifted from high school teacher to part time assistant high school principal.

Mack M. Moore was also moved from senior high school English to junior high school. Jinks, who moved to Muleshoe from Clovis, has 15 years teaching experience, four of them in Muleshoe; Mardis has seven years experience with five of them in Muleshoe. Mardis was formerly assistant principal in high school and distributive education teacher. Wayland Ethridge has taught in Muleshoe for the past six years, and has a total of nine years experience. For the past two years, he has been assistant high school principal. Bobby Graves has 12 years of experience, all in Muleshoe.

All the educators have a Master of Education degree. Seven new teachers were approved by the school board. They included: George Been Marshall, senior high math. He holds a BS degree from Texas Tech University and had one year teaching experience prior to three years in the military service. He is not married.

Jarold Wayne Neuenschwander, choir director for both junior and senior high schools. He holds a bachelors degree in music from Texas Tech and is single. A new English I teacher for high school is Floyd Marion Teel. He holds a BA degree from Eastern New Mexico University and has ten years teaching experience. He is moving here from Stinnett and is not married.

Mrs. Sharron K. Jordan is the new librarian for Richland Hills Elementary school. She holds a degree from Eastern New Mexico University. Mrs. Patricia B. Young is

health and physical education teacher for high school. Mrs. Young is the wife of Joe Young, local highway patrolman. She has a degree from Eastern New Mexico University.

Martha Gayle Cleveland will be teaching first grade at Mary DeShazo Elementary School. She is moving to Muleshoe from Memphis. She has a degree from West Texas State University.

A graduate of Muleshoe High School, Virginia Bowers, is the new pre-school teacher for Mary DeShazo Elementary school. She has a degree from Cont'd. on Page 2, Col. 3

With at least 1,500 American servicemen in Vietnam unaccounted for, and no information being released by the North Vietnamese as to their location and wellbeing, the Muleshoe Jaycees have banded with the state Jaycee organization in an effort to secure information. Some of these servicemen have been on the 'missing' list for at least four years, said Jeff Smith, Muleshoe Jaycee who is heading the local campaign of 'Project Stop.'

Project Stop is a petition and letter campaign for the heads of state and governments of the world. The petitions ask that the names of all prisoners of war be published; all prisoners receive proper medical care and adequate food; regular impartial inspection of prisoner of war facilities be permitted and a free flow of mail between prisoners and their families be allowed.

Smith said letters and signatures on the petitions will serve as signatures that observe patriotism. He commented that the campaign was started by the Amarillo Jaycees who have several Amarillo Jaycees missing in Vietnam.

The Muleshoe Jaycee said that any organized club or group who wished to participate in the campaign is asked to contact him at the Muleshoe State Bank for further information. The direct aim of the local campaign is to help Amarillo Jaycees secure 70,000 names from this area, which includes several counties. The Jaycees feel that if enough people express their concern for the missing servicemen that the government will make a greater effort to force the North Vietnamese to release the names so mothers and fathers, wives and families will know where their sons, husbands and brothers are.

More than 20 local merchants will be displaying the petitions for signatures, including: Muleshoe State Bank; First National Bank; Tri-County Savings and Loan; Muleshoe Motor Co.; Brock Motor Co.; Crow Chevrolet; St. Clairs; Cobbs; Western Drug; Damon Drug; Chamber of Commerce; Justice of the Peace Morris Nowlin; Muleshoe Publishing Co.; Whitt, Watts and Rempe; Johnson-Nix Implement; Muleshoe Ford Tractor; Crossroads; Dinner Bell; Corral Restaurant; Leal's Restaurant; Radio Station KMUL; White's Cashway; Jim's Pay and Save Grocery and Cox Implement and possibly other locations in Muleshoe.

Petitions will be in need more at Eddie's Grocery and at Lazbuddie at Farmer's Union Co-op; Merritt Grocery and Foster Fertilizer.

Booster Club Will Sponsor Dinner Meeting

The Muleshoe Athletic Booster Club will sponsor a covered-dish dinner on Monday, August 31 at 8 p.m. in the high school cafeteria.

This is to enable the football players and coaches of Muleshoe High School to get acquainted with all parents and supporters of the football team. Anyone interested in the athletic program is urged to bring a covered dish and attend the dinner.

The coaching staff will welcome all questions concerning the athletic program.

A special guest at the Tuesday noon meeting of the Muleshoe Rotary Club was Charles Bucks, senior vice president of marketing for Continental Air Lines. He was visiting his father-in-law, Doyle Turner of Muleshoe.

He began his airlines career in Lubbock where he handled passenger luggage and moved from luggage to the customer counter, to the gasoline truck, to the parking blocks in order to keep scheduled flights on time and passengers smiling and on to his present position.

He says his job with Continental is simple: to fill seats. He says "That begins with advertising and continues to the ticket counter. Whenever the effort is made or a dollar is spent, the idea is to bring our customer back for another flight."

He will be guest speaker at the Inter-City Rotary meeting in September in Lubbock.

A fireside meeting and installation ceremony will be held at the home of Harvey Bass next Tuesday night. Two new members are to be installed.

During the Tuesday meeting, classification talks were made by Jimmy Ivy, Earl Harris, Morris Douglass and Ben Gramling.

Turkish SCS Engineer Visits County; Area

Pioneer Natural Gas Company made application to city officials on Wednesday asking for an adjustment in the company's general service rate for gas delivered to domestic and commercial customers in several West Texas cities.

Mayor Irvin St. Clair received application from the gas company Wednesday morning. The company application stated that if the cities accepted the rate increase as asked, within sixty days, they would accept a rate increase of 16.2 percent rather than the 19.4 increase which was asked.

In announcing the rate request, K. B. Watson, Executive Vice President of Pioneer said, "With the rising costs the company has sustained, it is in immediate need of additional revenue."

The Muleshoe Chamber of Commerce, and service clubs from the area ask that everyone who possibly can attend the Three Way Teacher Appreciation dinner on Friday night at 8 p.m.

This is the second of the four annual teacher appreciation dinners which are sponsored by the chamber of commerce, Lions, Rotary and Jaycees.

Mrs. Herbert Griffiths, publicity chairman for the Muleshoe Fine Arts Boosters, reminds that the Fine Arts Barbecue will be held Saturday, August 29 in conjunction with the annual Kid's Day celebration.

She said the barbecue will be in the Muleshoe High School cafeteria at noon.

Carroll Jackson, former minister of the Lariat Church of Christ, was killed in a logging accident in Kallispell, Mont. Tuesday afternoon.

Survivors include his wife and three children. Funeral services are to be announced.

Wilburn Gray and grandson, Coby Shay, brought Mrs. Scott Gray and Paul to spend a few days with Mr. and Mrs. E.W. Gray, Mr. and Mrs. Jessie Gray and Geraldine and Mr. and Mrs. Dennis Teague. Mrs. Gray is the mother of Wilburn, E.W., Jessie and Paul Gray.

Guests in the home of Mr. and Mrs. Roy Short the past week were Mr. and Mrs. A.L. Jackson, mother of Mrs. Short; Mr. and Mrs. Arnes Jackson, Karen Carol and Sammie, brother of Mrs. Short; Marquita Heath and Tracy, sister of Mrs. Short; Mr. and Mrs. Harold McAllister and Marquitta Marie all of Amarillo; Lt. Sandra Jackson of Stuttgart, Germany and Linda Gregory of Earth.

Visiting with county Soil Conservation Service officials in Muleshoe this week is Kenan Ovaryurt, who is an agricultural engineer with the Soil Conservation Service in Ankara, Turkey.

He is touring irrigated farms and ranches in the area to make a comparison survey with irrigation which is presently used in Turkey.

Ovaryurt said that much of Turkey can be compared with the United States as far as farming is concerned. They have crops which would compare to the crops planted in the U. S. with vegetables, fruit, sugar beets, cereal grains and corn leading the list of crops.

Like the U.S., Ovaryurt said Turkish crops vary with the locale and soil conditions but added that some 80 percent of their irrigation is from canals or other surface type irrigation. Only five to ten percent of the farms are irrigated by sprinkler type systems.

Turkey also has dryland farmers the same as dryland farmers in the United States. Unlike completely mechanized farms such as are prevalent in the U.S. farms in Turkey are done by manual labor due to the fact that most farms average around 20 acres. Some of the farms, the large acreage farms, have tractors, and five tractors may have two to five tractors which the farmers use together. Most of the individually owned tractors, said the engineer are on the large citrus farms in southern Turkey.

He said the Turkish government is presently attempting to consolidate a farmers land, which may be quite scattered, into one larger farm. The Soil Conservation Service in Turkey goes from village to village reworking the farm process.

Where a farmer may own 20 acres in one place and a few miles away, own an additional 15 or 20 acres, then perhaps the same amount of land in yet another location. Through adjusting and trading, the government is attempting to locate a farmer with all of his land in one place.

The Soil Conservation Service in Turkey does not work with an individual farmer as is traditionally done in the U. S. The SCS moves into a village and reworks an entire village and area before moving on to the next village. They level the land and institute irrigation practices.

The irrigation process is one Cont'd. on Page 2, Col. 7

Emergency Celia To Aid Families Along Coastline

Hurricane Celia blasted the Texas coastline late in July, and has sparked a Muleshoe Jaycee campaign. 'Emergency Celia' has been designed to obtain canned foods to help displaced persons in the devastated area. In conjunction with the state Jaycee organization, the Muleshoe Jaycees will soon conduct a door-to-door campaign in an effort to obtain as many canned foods as possible to ship to the immobilized area.

Delbert Berry is chairman of the Emergency Celia campaign and is being assisted by co-chairmen Marlin Mills and Marshall Lee.

Containers will be placed in the local grocery stores and the Jaycees ask that any person who can drop a can of food into the container as they leave the grocery stores.

All food collected will be shipped to Corpus Christi to a central warehouse to be distributed to the hurricane victims.

Muleshoe's Postmark Catches World's Eye

The eyes of the world continue to be focused on Muleshoe. Since the United States Postal Department removed Muleshoe's postmark and consolidated the Muleshoe mail with the Lubbock mail, and processed out-of-town mail through that city, much has happened to Muleshoe.

First, press wires throughout the country picked up Muleshoe's story of losing their postmark and the Muleshoe Chamber of Commerce and local citizen effort to reobtain the local postmark.

Major newspapers over the nation ran front page stories of the petitions, telegrams, letters and telephone calls which were being sent to congressmen about the loss of 'Muleshoe's identity.'

The order was rescinded and the postmark restored, but the story did not end there.

A letter was mailed to Chamber of Commerce President Don Harmon from Mary Nell Hanks of Ankara, Turkey. She said she read of the Muleshoe's identity.

Judge Boone Hears Civil Court Cases

Ten civil cases were scheduled for hearing in 154th District Court before Judge Pat Boone beginning this week, but the first case was in its third day Wednesday, two had been settled and three cases have been passed for this session of civil court.

Roy T. Bratcher, Charles L. Saylor, Darrell Stephens, Linda Nowell, Houston Hart, W.E. Meyers, Eugene Howard, Ted Harrison, George E. Hicks, James Roy Jones, Curby Brantley and Lewis Wayne Shafer are the jurors hearing the first case during this term of court. The suit is Charles L. Laster versus Dee Clements, Joe Smallwood, Walter Rickert and John Fried.

Wayland Baptist College and has taught for the past two years at Floydada.

Three resignations were accepted during the meeting. Mrs. Rhonda Pummill, health and physical education teacher at Muleshoe High School, is moving to Temple; Mr. and Mrs. Fate D. Harris are moving to Odessa, where both will be teaching in the Odessa Public Schools. Harris was junior high physical education teacher and coach and Mrs. Harris was special education teacher at Richland Hills Elementary school.

Following lengthy discussion, the school board approved an operating budget for the Muleshoe School System for 1970-71. The total budget reflects an increase of \$174,071 over the

1969-70 budget. The proposed or estimated budget is for \$1,427,525 and the 1969-70 budget was \$1,253,454.

According to the budget figures, the greatest increase was for salaries, with the increase reflecting \$158,021 over last year. From a \$944,939 budget for salaries last year, the figure has moved past the one million mark to \$1,102,960.

All other areas except insurance noted an increase. The figure for insurance was down from 1969s \$7,600 to \$3,200 for 1970-71. Muleshoe School Superintendent Neal Dillman said this saving was made through a revamping process.

Mrs. Herb Griffiths appeared before the board to ask questions about how representatives from commercial colleges were screened before being permitted to confer with high school students on campus. She also asked specific questions about the United Electronic Institute, at Dallas.

Board members asked Tom Jinks and Ben Gramling to appear before the board to answer her questions. There was no official action taken by the board.

Mrs. Griffiths also left a written request asking that the board reply in writing, as to whether or not the members of the Junior Class of 1971 would get the opportunity to vote on who the class would like to invite as guests to the Junior-Senior Banquet.

Board also heard maintenance reports, financial reports, opened bids and heard a contract proposal for collecting delinquent taxes from Jack

Visiting in the J.W. (Shorty) Holmes home Monday through Wednesday was Mrs. W.O. Jordan and her daughter, Thresa, from Roswell.

Mr. and Mrs. Claud Heath of Lazbuddie had as their guests last week Mr. and Mrs. James Fontenot of Mesquite, Texas. Mrs. Fontenot is the niece of Mr. Heath and lived at one time on a farm near Littlefield, Texas. Mrs. Fontenot enjoyed recalling the times her uncle would load up the kids in a school bus and ride across the fields with them shooting rabbits from the windows. This was about 40 years ago. Mr. Fontenot is a representative of the Metro Associated Services, Inc. of New York City. They were returning from El Paso where they attended the West Texas Press Meeting.

of the major reasons for the agricultural engineers visit to the U.S. He arrived in the states in March and plans to return to Turkey in October. He is one member of an eight-man team presently touring the various systems of irrigation in the country.

He has visited in Nebraska, Colorado, Oregon, California, Wyoming, and Washington. When he leaves Muleshoe next week, he will visit for a week in Canton, Ohio before returning to Washington, D.C. where he will return to Ankara. He has also visited Levelland, Floydada and Lubbock in this area during the tour.

Cost and methods, along with efficiency, are the main interests of the engineer. He said he is trying to learn the most effective methods of irrigation which could be applied in his country.

He noted that it was his thought that all farmers in the U.S. used more efficient irrigation methods than his

countrymen, but, with a smile, said they hoped to learn during the tour what it has taken the U.S. more than 30 years to work out.

Teens & Alcohol

Alcoholism among Britain's teen agers has become a more serious medical and social problem than narcotics addiction, the respected Medical Council on Alcoholism recently warned.

The same problem exists in the United States, several fact-finding and medical reports in recent months have declared. Much of the blame can be laid to television and films, plus advertising.

Straight liquor is gulped by the hero and heroine in practically every television drama. It is pictured as the solution to worries, problems and disappointments, in addition to its traditional role for celebrating. This flood of propaganda, like the flood of crime, naturally has its effect on the young and unknowing as it enters almost every home in the nation daily.

Plans Jelling For Hi Plains Field Days

Activities are beginning to jell for the 14th Annual Field Day and Farm Equipment Show to be conducted at the High Plains Research Foundation, September 10-12, 1970.

As usual area residents are cooperating in efforts to present one of the best research farm showings ever.

Presenting exhibits of agricultural information and ideas will include members of Women's Cotton Promotion Clubs with a display of some of the latest styles in cotton clothing. Other exhibits will include sewing and cooking hints from the Hale County Home Demonstration Council and special displays sponsored by the Hale County Noxious Weed Control District, Hale County Farmers Home Administration Service and the Hale County Soil and Water Conservation District.

Water, Inc. also has been invited to exhibit its program on supplemental water plans.

The Field Day activities will feature guided tours through research plots and a guest speaker on opening day.

Highlighting the event will be a three-day farm equipment show featuring the latest farming equipment by some of the top agricultural equipment manufacturers in the nation.

According to Dr. Tom Longnecker, director, the Field Day is shaping up as a top attraction. "We feel confident that our cooperation with the Plainview Chamber of Commerce on this Farm Equipment Show will promote one of this year's leading attractions," he said.

Observers of Field Day activities annually come from all over the area. Longnecker pointed out that many of those attending are "flying farmers."

"As in the past, the Hale County Farm Bureau has volunteered its services to make sure that farmers and other persons flying in to attend Field Day activities have transportation to the Research farm at Halfway," he added.

Dear Editor:

Dear Editor: All veterans and ex-veterans should appeal to President Nixon on the way the VA administration are treating the veterans at our VA hospitals.

The VA administration has a way to turn away all veterans who do not have a disability on their discharge. They are not able to get in our hospitals. Also, they will not furnish any medicines to veterans that are out of our hospitals. All they have to do is have the VA doctors give us a discharge that takes all our qualifications away from us.

It is time that the American Legion, VFW, World War One and every ex-serviceman and their fathers, mothers, brothers, sisters and wives get a petition started to see that our men that is in service as well as those that are out are taken care of.

The way HEW is going to work in the Health, Education and Welfare does not have any funds to take care of our soldiers that went to war and left their blood, guts and soul over in those foreign countries and when they get home what are they going to do for them. There will be no funds left. They are allowing thousands and millions to our private hospitals, colleges and welfare.

Miss Wyer, Evins United In Ceremony

The altar of the First United Methodist Church, banked with a bouquet of bridal flowers flanked by spiral candleabras with lighted tapers and bridal greenery was the setting for the wedding of Miss Brenda Carol Wyer and Mr. Derrel Keith Evins at three p.m., Sunday, August 16th. The Reverend J. Frank Peery of Canyon of-

ficiated. Parents of the couple are Mr. and Mrs. Davis S. Wyer of Lubbock and Mr. and Mrs. J.H. Evins of Muleshoe. The bride, given in marriage by her father, wore a formal length gown of white peau de soie featuring a French lace panel in the front, unpressed pleats formed a wide chapel

train from which cascaded a satin bow. The shoulder length veil of white illusion fell from a headpiece of satin petals, accented by embroidered lace and seed pearls. The bride carried a cascade of sweetheart roses, surrounded by tinted stephanotis and lily of the valley entwined with piquot tied in love knots. The bouquet was car-

ried on a Bible belonging to the bride's great aunt, Mrs. Harold Wyer, and was carried by the brides' mother in her wedding. Mrs. Bill Martin of Hurst, Texas, served as matron of honor. Miss Kathy Wyer, sister of the bride, was maid of honor. Bridesmaids were Miss Timmye Wyer, sister of the bride and Miss Lindy Kerr. They wore formal length gowns of sheer pink dotted swiss over pink taffeta featuring a self train and cap sleeves. Their ensembles were highlighted by coordinating head pieces of pink bows with a small illusion veil. They carried nosegays of snowball flowers and bristol fairy with satin streamers. Flower girl was Miss Leslie Cowan who was attired in a dress matching those of the bridesmaids. Ringbearer was Curby Brantley.

Organist, Miss Susie Tanner, provided traditional wedding marches and accompanied Mrs. Bob Black, of Dumas, and Miss Beverly Evins, sisters of the bridegroom, as they sang "Whither Thou Goest" and "The Wedding Prayer". Miss Beverly Evins sang "The Lords Prayer" as the couple was served communion.

Kenneth Evins served his brother as best man. Grooms-men were Velton Lynn of Amarillo, Gus Taylor and Royce Harris of Muleshoe. Serving as ushers were Bob Black, of Dumas, David Dillman and Fred Allison of Muleshoe.

A reception honoring the couple was held in Fellowship Hall immediately following the ceremony. Assisting in the hospitalities were Mrs. Wayne Edwards and Miss Beverly Clark, of Tulia, at the serving table. Guests were registered by Mrs. Kenneth Evins. Other members of the houseparty were Tracy Cowan, Marilyn Black, Ricki Stockard, Lana Moore, Patsy Peery, Mrs. Earl Harris, Mrs. Eugene Black, Mrs. Jimmie Skipworth, Mrs. Harold Cowan, and Kim Cowan.

The brides' table was laid with a white tulle cloth over pink satin. The table was decorated with a three tiered wedding cake, accented with cascades of pink roses and topped with wedding bells. A memory candle lighted by the bride and groom was used as the

center piece. Pink punch was served from a crystal bowl. For a wedding trip to Austin, the new Mrs. Evins wore a beige sheath with a matching jacket accented by brown accessories and a corsage of sweetheart roses lifted from the bridal bouquet. Following the wedding trip, the couple will be at home in Canyon

where Mrs. Evins will be a student at West Texas State University and Mr. Evins is employed by Shurfine Foods of Amarillo. REHEARSAL Mr. and Mrs. J.H. Evins, parents of the groom, were hosts at a rehearsal dinner Saturday, August 15 at Leals Restaurant.

Mrs. Sam McKinstry Attends Workshop

Mrs. Sam McKinstry has returned home after having spent a month visiting in her old home with her aunt, Mrs. Girdner, who lives north of Greenville, Texas.

Mrs. McKinstry also attended the "Piano Teachers Workshop" at East Texas State University at Commerce, which was conducted by Ylva Novik on the infinite "Horizons of Piano Teaching".

Mrs. Novik, Hungarian born pianist, teacher and critic, received her B.M. at the Cleveland Institute of Music. Her post graduate work was at the Juilliard School of Music. She has appeared in recitals and given workshops throughout the United States and in Latin America, Europe, Israel and Japan under State Department sponsorship. At present, in addition to her private teaching she is a faculty member of Montgomery College and a con-

tributing critic for the "Washington Evening Star", and Piano Editor for the "American Music Teacher". Mrs. Novik is a specialist in twentieth century music, particularly Barok and by North and South American composers. Articles in her specializations have appeared in professional journals internationally and she is listed in the current issue of "Who's Who In American Women".

The highlight of the workshop was when 15-year-old Eugene Gauh was presented in recital for the workshop.

Mrs. Novik was assisted in her workshop by 14-year-old Sharon Locke and Eugene Gauh. Mrs. McKinstry is now registering piano students and plans to begin her fall classes September 1. This weekend she will visit her daughter, Mildred Osborn and family at Lovington, New Mexico for a few days.

VISITS WASHINGTON . . . Miss Judy Lust, daughter of Mr. and Mrs. Glenn Lust of Muleshoe, and her aunt, Mrs. Carolyn Pilgrim of Linthicum, Maryland are shown with Congressman Bob Price on the steps of the United States Capitol Building in Washington, D.C. Judy is spending several weeks visiting with her aunt and has been sightseeing in the Washington, D.C. area.

Goodwill Kindergarten To Register Thursday

The Goodwill Center Kindergarten will have registration Thursday, August 27, from 8:45 to 12 noon, at the Spanish Baptist Mission, 222 E. Avenue E. The old location of the kindergarten was at 413 E. Ave. F. This building has been sold, therefore, the kindergarten will be held at the Spanish Baptist Mission where plans are being made to build a new building to house the kindergarten in the near future.

All Spanish-speaking children who will be at least four and one half years of age by September 1, 1970, may register. Mrs. Charles Bratcher and Mrs. George Washington will be teachers for the school again this year. Classes will begin Monday, August 31, at nine a.m.

Garth Reunion Held Sunday Dr. and Mrs. Pummill Honored At Reception

On Sunday, August 16, the Garth family reunion was held in the home of Mr. and Mrs. James (Woody) Dobbins of the Needmore Community.

Those attending were: Mr. and Mrs. D.C. McDaniel, Denver City, Texas; Mr. and Mrs. Wayne Garth, Dirk and Tab, Dumas, Texas; Mr. and Mrs. Claude Garth, Rhonda and Matt, Friona; Mr. and Mrs. Herbert Garth, Farwell; Mr. and Mrs. Raymond Garth and Dennis, Alamogordo, New Mexico; Mr. and Mrs. James Garth, Pattie and Cynthia, Trudi Reneau and Jill Aubrey all of Albuquerque, New Mexico; Mr. and Mrs. Bob Garrett and Mark, Midland, Texas; Mr. and Mrs. Rudolph Moraw and Charles; Mr. and Mrs. James Dobbins, Jo Ann and Christie; Mrs. Anita Wilson, Wade and Denise; Mr. and Mrs. Earl Schmitz; Mrs. Judy White and Melissa, all of Muleshoe.

A host of friends called Monday, August 17, from 7:30 to 9:30 at the First United Methodist Church Fellowship Hall to show their appreciation for the service Dr. Charles Pummill has given Muleshoe, Dr. and Mrs. Pummill were honored guests at this community-wide reception.

The occasion was hosted by the West Texas Hospital

Jenny TOPS Meet, Plan To Hold Garage Sale

The highlight of the Thursday night meeting of the Muleshoe Jenny TOPS, Chapter 34, was the decision to hold a garage sale in the garage of Mrs. Bob Solomon at 703 W. Ave. G on August 21 and 22. The twenty-six members attending met in the Bailey County

Board, the Bailey County Hospital District Board and the Muleshoe Chamber of Commerce.

The serving table was laid with a white cutwork cloth and was adorned with a tall gold epergne holding an arrangement of carnations, chrysanthemums and other assorted fresh flowers, and white tapers.

Banana slush punch was served from a cut crystal punch bowl. Assorted cookies were served to the many friends and guests from a crystal platter.

The hosts presented Dr. and Mrs. Pummill a gift certificate for their services in the community.

The Pummills will be moving to Temple, Texas, where Dr. Pummill will be a resident in radiology at the Scott-White Clinic. Mrs. Pummill will teach P.E. in the junior high school there in Temple.

Electric meeting room at 7:30 p.m.

Mabel Wolfe, leader, opened the meeting and pledge was repeated. Following was the singing of the TOPS fellowship song.

Selma Redwine, weight recorder, called the roll with each member answering with the amount of weight lost or gained.

Rose Sain, secretary, read the minutes of the previous meeting which were approved after a few additions.

A discussion was then held on having a garage sale to make money to send the 1970 TOPS yearly queen to convention. Everyone attending agreed to the idea of having the garage sale. All members are asked to bring their sale items to Mrs. Bob Solomon's garage with the price marked on them, on Thursday.

The eleven winners of the previous contest received their prizes.

The club members have started out very well on the new contest. This contest is based strictly on weight loss.

Crowned queen for the week was Lily Rodriguez. First runner-up was Leta Hefner and second runners-up were Evelyn Harris and Ann Vinson.

Mabel Wolfe dismissed the meeting with the singing of the goodnight song.

Keep It Cool with a refreshing drink of Ocean Spray cranberry juice—serve it straight, on the rocks or mix it with other fruit juices and/or carbonated beverages for a long frosty drink.

STATE CAPITAL Highlights AND Sidelights by Vern Sanford TEXAS PRESS ASSOCIATION

AUSTIN, Tex.--More than 2.7 million Texas students soon will be heading back to public schools again. There will be a lot of changes in store for them, although most probably will fast adjust or barely recognize the differences. Teachers will begin work a little earlier, and classes in some areas will start earlier.

*School year will stretch out from 175 classroom days to 180. *Teachers will be on duty 10 more days of non-teaching work for in-service training and to help with school opening and closing. *For 224,500 little ones, the school experience will be brand new. They are the first graders and (30,000) five-year-olds in a new state-supported kindergarten program. *A drug education program also will be initiated, seeking an effective two-way communication between youth and adults. Utilized in the effort will be modern techniques and teaching methods which encourage students to express themselves rather than relying

IT'S THAT TIME AGAIN--Parents and youngsters flocked to Muleshoe High School and Muleshoe Junior High School Monday and Tuesday for registration for the 1970-71 school term. On Tuesday afternoon, the camera caught parents, teachers, students and school personnel during seventh grade registration at junior high school. An estimated 2,000 students will be on hand for the first day of school for the new year, August 31. Elementary school registration will be held on Thursday, August 27 at both Muleshoe elementary schools.

on lectures, preaching or moralizing. Training of local teaching teams in 1,206 school districts is slated to start in September and October.

*Twenty-two school districts in major population and geographic areas will be pilot testing three key facets of the state's emerging plan for special education. These districts will serve as a proving ground for efforts in comprehensive special education, early childhood programs for exceptional children and teaching tailored for children with language and/or learning disabilities.

Even broader changes may be in store for pupils of 16 school districts sued in federal courts at Austin and Tyler for racial segregation. Districts held conferences at Texas Education Agency last week to prepare plans for conversion to non-discriminatory systems. Plans are due to go to courts by Friday (Aug. 21). Hearings may begin Monday.

EAGLE MAY BE OUT
A Railroad Commission examiner has prepared a report recommending Missouri Pacific Railway Company be permitted to discontinue its St. Louis Eagle passenger train.

Finding came after extensive hearings in several cities. Opponents of shutting down the train have 30 days to reply and restate their case.

Eagle was one of the last three passenger trains on a regular run across the state from Texarkana to Laredo and back once a day.

MP claimed a revenue loss and asked permission to cut it off its routes.

DRAFT CALL UP
September draft call for Texas is 704--a considerable increase from 560 in August. But no man will be ordered for induction with a random sequence number higher than 195.

Col. Charles M. Duncan, deputy state Selective Service director, said it appears unlikely the ceiling will go higher than 195 for the rest of the year. Duncan said new manpower, mainly from formerly-deferred students, helped hold the level on sequence numbers.

September quota for pre-induction physical and mental examinations is 7,171, an increase from 1,490 in August. Texas' induction quota of 704 is the state's share of a national call of 12,000 men, all for the Army.

PARKS ADVANCED
Outstanding new Lyndon B. Johnson State Park near Stonewall, and across Ranch Road 1 from the famed LBJ Ranch, will be officially dedicated on August 29 at 2 p.m.

Former president will attend the festivities which include a reception and luncheon in Stonewall.

Parks and Wildlife Department also announced approval of a \$355,050 federal grant for a development project in Abilene State Park.

Funds will be matched by the state on a 50-50 basis in the \$710,000 project which includes building of a headquarters, visitors' center, campsites, a group shelter, wading pool, playground equipment, roads, and parking.

INSPECTION TIME AGAIN

Another auto inspection deadline is approaching for vehicles with red stickers and the large numeral "9".

These cars, warned Col. Wilson E. Speir, director of the Texas Department of Public Safety, must be reinspected before midnight September 30.

Texas now has a 12-month inspection system. Sticker in the lower left-hand corner of each automobile windshield contains a large numeral showing the month of inspection and expiration.

Speir said cars with red stickers and a number "10" must be reinspected before midnight on the last day of October, those with an "11" by the end of November and those with a "12" by December 31. Fee remains at \$2, with adjustments or repairs extra if required.

LAND RECOVERY SOUGHT

Land Commissioner Jerry Sadler has called on Atty. Gen. Crawford C. Martin to take whatever legal steps are necessary to recover lands of Calhoun County Navigation District not being used for navigation purposes.

Sadler noted that 47,000 acres

were purchased by the district from the state in 1956 for \$1 an acre. In 1961, Sadler said, he refused to approve the district's application to buy additional lands, after officials admitted 20,000 acres of the original purchase were considered surplus acreage not needed for navigation purposes. Some of this land was sold, and has gone into private real estate development.

Commissioner said he urged the attorney general's office as far back as December 28, 1961, to take steps to recover the 20,000 acres for the permanent school fund but got no action. School Land Board, he related, has now requested that the land be recovered.

GRANTS APPROVED

Gov. Preston Smith has approved a federal grant for \$114,389 for operation of a family planning program for migrant farm workers in 26 Texas counties and six other states where they migrate.

Counties benefitting are Val Verde, Kinney, Uvalde, Bexar, Jim Wells, Maverick, Zavala, Dimmit, Frio, LaSalle, McMullen, Duval, Webb, Live Oak, Bee, Refugio, San Patricio, Nueces, Kleberg, Zapata, Jim

Hogg, Brooks, Starr, Willacy, Hidalgo and Cameron.

Smith also announced approval of a demonstration grant of \$72,344 to Las Colonias Del Valle Inc. in San Juan, Hidalgo County, for youth development program.

A state regional planning assistance grant of \$14,930 went to the South Plains Association of Governments (SPAG) serving 33 cities, eight special purpose governments and 11 counties.

AG OPINIONS

An off-duty policeman may not conduct a private enterprise, employing other off-duty policemen or officers, to perform guard duty or patrol without securing a license, says Attorney General Martin.

In other opinions, Martin ruled that: *An alarm agency, approved by the State Board of Insurance,

may perform certain activities -- send their representative to answer the alarm, furnish a key to policy officers for entrance to the premises, assist the police as they may request in their check of the premises, and reset the alarm after the police have finished their work--without its personnel having obtained a license.

*Commission on Fire Protection Personnel Standards and Education has authority to hire an executive director, provided that his duties are solely administrative or ministerial, and do not call upon him to exercise discretion or judgment concerning the powers and duties required to be performed by the members of the Commission.

Derrell Matthews Sparks Classic Win

(From the Amarillo Globe-News, Monday, August 17.)
By ART ALBRACHT
Staff Writer

CHILDRESS -- Judging from the statistics of the 21st annual Greenbelt Football Classic won by the East here Saturday night, a group of defensive stalwarts from the Panhandle area controlled the outcome.

The West, which lost the game 19-14, outgained the winners 253 to 129 in total offense and ran a remarkable 65 offensive plays compared to only 29 for the East. On that basis,

one might figure the West simply blew the game, but, thanks to the brilliant defensive play of Lazbuddie's Derrell Matthews, Palo Duro's Leon Savage, Floydada's Jack Gregory, Perryton's Gene Dougherty, Crosbyton's Rodney Robertson and Childress' Carl Holtman, that wasn't exactly the case.

Although Vernon's elusive tailback Bennie Wilson, who rushed for 196 yards and was named the Outstanding Back, fumbled at the East's one-yard line on what could've been a

game-winning touchdown for West with 3:35 left in the game, credit must be given to the East defensive unit.

The defensive wall of Dougherty and Robertson along with Holtman and Wichita Falls Hirschi's Jim Talley rocked Wilson on his trust at the heart of the line and knocked the ball loose. Holtman recovered and saved the West temporarily.

Then it was time for safety Gregory to save all the marbles. Abernathy quarterback Bobby Klatt tossed a pass ball toward Amarillo High's two-way star

Joe Foran on the goal line with 29 seconds left to go but Gregory leaped into the air and batted down a sure TD pass.

Foran, who will attend the University of Kentucky as a law student, grabbed the Outstanding Lineman award as it was his defensive play that kept the West in the ball game. Foran recovered two fumbles, caused another, drilled Gregory as he attempted to pass in the second quarter and led the East in tackles.

Savage, headed for Pratt, Kans. Junior College, came up

with the biggest play of the game when he rambled 72 yards on a pass interception return with 48 seconds left in the first half and lifted the East into a 13-7 halftime advantage and a lead it never relinquished.

Robertson, a 225-pound noseguard, picked up the most tackles in the game followed closely by left end Dougherty.

Almost lost in the tangle was a near flawless performance by left halfback Matthews, expected to attend Angelo State. The Longhorn star, who enjoyed a phenomenal offensive year in 1969, intercepted two West passes, ran a blocked field goal attempt 13 yards and made a pair of saving tackles on Wilson. He also showed his quickness in the fourth quarter when Matthews dived at Wilson on a

tackle attempt, missed, but recovered in time to catch up and make the play.

White Deer's Lonnie Lane, like Foran a newcomer to the defensive end position, recovered a fumble for the West.

Clarendon's tailback Charles Louis was the East's key offensive weapon with 107 yards and a 45-yard TD gallop which proved the difference as the winners improved their series record to 14-5-1.

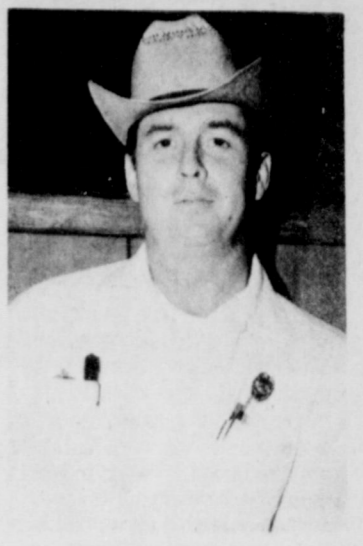

Childress quarterback John Baker, injured in the third quarter, was haunted by an East rush all night and completed only five of 15 passes for 48 yards. The injury wasn't believed serious and he should be able to join the Angelo State camp on schedule.

B. F. Foster Assumes Duty With City Police

B.F. 'Butch' Foster, an Alabama native, has recently assumed duty in Muleshoe as a city police officer.

He lived in Clovis for the past five years and in Arizona for seven years before moving to Muleshoe. The experienced officer formerly was Texico town marshal before taking the Muleshoe officer post.

He is married and he and his wife, Linda, have three children: Bill, nine; Chris, four and July Lynn, two years of age. The officer said he liked the

Tom Porter In Golf Action

(From the Amarillo Globe-News, Monday, August 17.)

Dick Weston of Plainview, who took the first round lead with a 66 and fired a 68 Saturday, won the 14th annual Muleshoe Invitational Golf Tournament here Sunday with a 54-hole score of 207--three strokes ahead of defending champion Tom Porter of Amarillo.

Porter, who trailed Weston by six strokes entering the final round, fired a 70 while Weston skied to 73. Weston, in winning the tourney for the first time, was hampered by inconsistency on the front when he had only one par hole. The rest were either birdies, eagles or bogies.

The West Texas State golfer settled down on the back nine on the way to victory.

Bob Coleman of Denver City, Stan Fox of Dallas and Ted Haberer of Muleshoe fired identical 79's to tie for the first flight title.

CHAMPIONSHIP FLIGHT
Dick Weston -- Plainview, 207; Tom Porter, Amarillo, 210; Ricky Botkins, Levelland, 212; Glen Carlisle, Hobbs, 212 (tie).

The Sandhills Philosopher

Editor's note: The Sandhills Philosopher on his Johnson grass farm comes out with a bold new plan this week to aid farmers. He's a farmer.

Dear editor:

According to all the newspapers that have turned up out here on this Johnson grass farm lately, the annual squabble is now going on in Congress over government payments to farmers, some people wanting to limit the payments more, others wanting to wipe them out completely.

Personally I have never objected to paying farmers for not growing anything, we pay Congressmen and Legislators for not passing bills, don't we, but since the idea rubs some city people the wrong way I thought I'd try to satisfy everybody. Instead of paying us farmers for not producing certain things the government would instead pay us for producing something every city man can't get enough of.

And what's that? It's

OXYGEN.

Everybody knows that oxygen is produced by plants, crops, grass, weeds, brush, trees, etc.

Everybody knows that the average city doesn't produce a fraction of the oxygen it needs. Paved streets and crowded tall buildings just don't produce the stuff. Let the wind stop blowing and a mass of dead air settle over a city like New York say and in 30 minutes the people are choking for air. It gets so bad doctors urge the people not to exercise and parents, lest they use up more oxygen than the room has to spare, are afraid to shout at their children.

Where would the cities be without us oxygen-producing farmers? It's something they've never thought about.

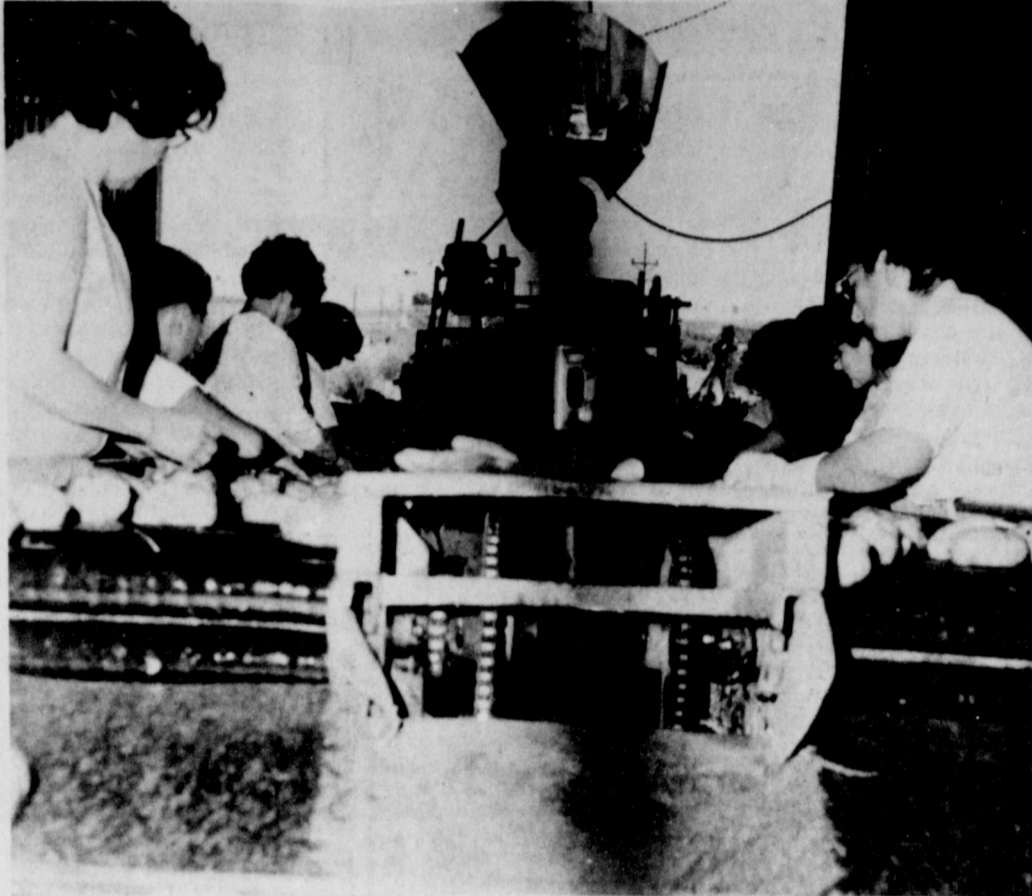

Why I've had city people come out here to this Johnson grass farm and criticize the amount of weeds on the place, little knowing in their ignorance that one acre of my weeds might be the margin between their breathing and kicking the bucket.

All right, Cut out all the subsidies to farmers, everybody knows food now comes from the supermarket anyhow, but pay them for supplying oxygen to a short-winded nation.

I don't know how the Agriculture Department will figure the price, but I know this one Johnson grass farm produces enough oxygen for at least 25 city blocks, and depending on the city, that's anywhere from 1000 people to 50,000. Call it 25,000 in round numbers. Any city man in his right mind would pay a dollar a year for his oxygen and that comes to, let's see, \$25,000 a year. In advance, of course. With their crime rate, too many of them aren't good credit risks.

And I'll guarantee to deliver this oxygen to them via upper air currents in its original, pure, breathable state. What they do with it after it crosses their city limits is none of my affair.

Yours faithfully,
J.A.

POTATO SHED STEADILY SHIPPING--Although the potato season has only two weeks for workers to stay busy, these sorters at Gregory Produce in Lariat continue at a steady pace. Thousands of pounds of potatoes have been shipped from the area, both by rail and by large truck. As the conveyor moves the potatoes through the line, they are automatically sized, graded and sacked for loading. Eastern and southern markets are receiving the potatoes from the Lariat operation.

Potato Harvest Nearing End For This Year

Potatoes have both a fair grade and quality this year, according to Buck Gregory of Gregory Produce at Lariat.

With 15 years of experience behind him at the Lariat location, Gregory has increased his operation from approximately 200 acres of contracted potatoes to a present acreage of around 500 acres.

He processes 100-pound sacks of potatoes for wholesalers throughout the country. This year, Gregory increased the size of his potato processing sheds and added some new equipment.

When the season first began,

he was shipping potatoes to Eastern markets by rail, but most all shipping now is by large trucks. On Thursday afternoon, trucks were loading out for Baton Rouge, La.; Monroe, La.; Arkansas and Mississippi.

Gregory said he employed around 30 people in the shed during the height of the season which is expected to end in approximately two more weeks.

He added that by this time,

some of the potatoes processed are rather skinny from the dry, cloddy ground.

The process at the potato shed includes washing, separating and grading the potatoes according to size, sacking and loading.

A local grocery store reports that 10 pounds of number one white Muleshoe potatoes are selling for 69 cents on special. A week ago, the same potatoes were selling for \$1.09 for ten pounds.

Hunter Safety Course Slated

Jerrell Otwell, Commander of Ben Richardson Post #403 of the American Legion in Muleshoe, said a hunter safety course will be conducted by members of the American Legion at the American Legion Rifle and Pistol Range in Lubbock. Location of the range where the six-hour course will be presented is at 66th Street near the Brownfield Highway in southwest Lubbock.

The safety course will begin at 7:30 p.m. on Friday, August 21 with two hours on Friday, August 28 and concluding with two hours of instruction on Friday, September 4. Total cost for the six hour course is \$9.

Utilized will be film strips, posters, static displays, lectures, rifle collections, pistol collections and cartridge collections. Included will be how to care for, clean and handle firearms.

Otwell said that if enough per-

sons from the area are interested in attending the course, a car pool will be formed. He stated that each person completing the course will receive a certificate and National Rifle patch. NRA certificates are required in many states before a person can get a hunting license.

For further details you may contact Otwell at Muleshoe Motor Co.

Proposed CONSTITUTIONAL AMENDMENT

General Election Nov. 3, 1970

NUMBER FOUR ON THE BALLOT (HJR15)

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Article III, Section 51-b, Subsection (a), Constitution of the State of Texas, be amended to read as follows:

"(a) The State Building Commission is created and succeeds to the powers and duties heretofore vested in the agency of the same name by this Constitution and to the powers and duties the Legislature has vested or may vest in the Commission. Its membership shall consist of three Texas citizens appointed by the Governor with the advice and consent of the Senate. The term of each member shall be six years except in the first appointments to the Commission the Governor shall appoint one member for two

years, one for four years, one for six years, and thereafter one member biennially. The Governor shall biennially designate one member as Chairman. Vacancies in the Commission shall be filled by appointment by the Governor for the unexpired term. The provisions of this paragraph shall be self-enacting."

Sec. 2. The foregoing constitutional amendment shall be submitted to a vote of the qualified electors of this state at an election to be held on the first Tuesday after the first Monday in November, 1970, at which election the ballots shall be printed to provide for voting for or against the proposition: "The constitutional amendment reconstituting the State Building Commission as a three-member appointive commission."

Proposed CONSTITUTIONAL AMENDMENT NUMBER ONE ON THE BALLOT (HJR30) General Election Nov. 3, 1970

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS: Section 1. That Subsections (5), (6), (7), (8), (9), (11), (12), and (13), Section 1-a, Article V, Constitution of the State of Texas, be amended to read as follows: "(5) The Commission may hold its meetings, hearings and other proceedings at such times and places as it shall determine but shall meet at Austin at least once each year. It shall annually select one of its members as Chairman. A quorum shall consist of five (5) members. Proceedings shall be by majority vote of those present, except that recommendations for retirement, censure, or removal of any person holding an office named in Paragraph A of Subsection (6) of this Section, shall be by affirmative vote of at least five (5) members. (6) A. Any Justice or Judge of the Appellate Courts and District and Criminal District Courts, any County Judge, and any Judge of a County Court at Law, a Court of Domestic Relations, a Juvenile Court, a Probate Court, or a Corporation or Municipal Court, and any Justice of the Peace, and any Judge or presiding officer of any special court created by the Legislature as provided in Section 1, Article V, of this Constitution, may, subject to the other provisions hereof, be removed from office for willful or persistent conduct, which is clearly inconsistent with the proper performance of his said duties or casts public discredit upon the judiciary or administration of justice; or any person holding such office may be censured, in lieu of removal from office, under procedures provided for by the Legislature. (7) Any person holding an office named in Paragraph A of Subsection (6) of this Section who is eligible for retirement benefits under the laws of this state providing for judicial retirement may be involuntarily retired, and any person holding an office named in that paragraph who is not eligible for retirement benefits under such laws may be removed from office, for disability seriously interfering with the performance of his duties, which is, or is likely to become, permanent in nature. (8) The Commission shall keep itself informed as fully as may be of circumstances relating to the misconduct or disability of particular persons holding an office named in Paragraph A of Subsection (6) of this Section, receive complaints or reports, formal or informal, from any source in this behalf and make such preliminary investigations as it may determine. Its orders for the attendance or testimony of witnesses or for the production of documents at any hearing or investigation shall be enforceable by contempt proceedings in the District Court. (9) After such investigation as it deems necessary, the Commission may in its discretion issue a private reprimand, or if the Commission determines that the situation merits such action, it may order a hearing to be held before the Commission, or retirement of a person holding an office named in Paragraph A of Subsection (6) of this Section, or it may in its discretion request the Supreme Court to appoint an active or retired District Judge or Justice of a Court of Civil Appeals as a Master to hear and take evidence in any such matter, and to report thereon to the Commission. If, after hearing, or after considering the record and report of a Master, the Commission finds good cause therefor, it shall issue an order of public censure or it shall recommend to the Supreme Court the removal, or retirement, as the case may be, of the person in question holding an office named in Paragraph A of Subsection (6) of this Section and shall thereupon file with the Clerk of the Supreme Court the entire record before the Commission. (10) The Supreme Court shall review the record of the proceedings on the law and facts and in its discretion may, for good cause shown, permit the introduction of additional evidence and shall order public censure, retirement or removal, as it finds just and proper, or wholly reject the recommendation. Upon an order for involuntary retirement for disability or an order for removal, the office in question shall become vacant. The rights of an incumbent so retired to retirement benefits shall be the same as if his retirement had been voluntary." (11) The Supreme Court shall by rule provide for the procedure before the Commission, Masters and the Supreme Court. Such rule shall afford to any person holding an office named in Paragraph A of Subsection (6) of this Section, against whom a proceeding is instituted to cause his retirement or removal, due process of law for the procedure before the Commission, Masters and the Supreme Court in the same manner that any person whose property rights are in jeopardy in an adjudicatory proceeding is entitled to due process of law, regardless of whether or not the interest of the person holding an office named in Paragraph A of Subsection (6) of this Section in remaining in active status is considered to be a right or a privilege. Due process shall include the right to notice, counsel, hearing, confrontation of his accusers, and all such other incidents of due process as are ordinarily available in proceedings which are not in remissiveness is charged, upon proof of which a penalty may be imposed. (12) No person holding an office named in Paragraph A of Subsection (6) of this Section shall sit as a member of the Commission or Supreme Court in any proceeding involving his own retirement or removal. (13) This Section 1-a is alternative to and cumulative of, the methods of removal of persons holding an office named in Paragraph A of Subsection (6) of this Section provided elsewhere in this Constitution." Section 2. The foregoing constitutional amendment shall be submitted to a vote of the qualified electors of this state at an election to be held on the first Tuesday after the first Monday in November, 1970, at which election the ballots shall be printed to provide for voting for or against the proposition: "The constitutional amendment relating to the removal, retirement, or censure of Justices, Judges, and Justices of Peace under prescribed circumstances."

Mr. and Mrs. Herbert Clay attended a family reunion at Stephenville last weekend.

Red River, New Mexico was the site of the recent Barnes sisters family campout. Attending were the David Donells of Houston, Mr. and Mrs. Jo Menefee of Friona, Mr. and Mrs. Jimmie Seaton, Thresia

and Rickie, Mr. and Mrs. Jimmie Dale Seaton and girls, Mr. and Mrs. Keith Menefee and girls, and little friend Fawn, of the Portales Childrens Home, and from Friona Mr. and Mrs. Dwayne Menefee and family with friend Clint Cox of Bovina.

Church retreats were in full swing last week. Kids were so eager to take advantage of those few days before the start of school this week.

The old mayor of west main himself, Roy Farley and wife, Charlene were the youth sponsors for the United Methodist Youth Fellowship held in Tres Ritos, New Mexico last week. They were treated with a 'Pome' Party and other surprises for being able to cope with these kids who attended. Leatrice, Dale, and David Gallman, Johnnee and Olena Seaton, Donnie and Connie McDonald, LeAnn, Susan and Scotty Farley, Thresia Seaton, Letha Elliott and Debbie Engelking.

The community extends sympathy to the families of Mrs. Glen Carter in the passing of her father Rev. Green in Hollis, Oklahoma last week. Also to Mrs. Betty Bruns Strevin in the loss of her brother, Bub Snell of Clovis, Tuesday of this week.

The Baptist youth encamped at Cowles, New Mexico where they really 'roughed it'. But also enjoyed fellowship and Bible study as only can be done in the woods and wonderful nature of God's handiwork. Adult sponsors were: Rev. and Mrs. Johnny Timms, Mr. and Mrs. Ted Treider, Mr. and Mrs. Gary Hicks, Mr. and Mrs. Errol Johnson, and Music director Bob Vest and wife Sue. Youth attending were: Rhonda and Raygena Treider, Cynthia and Brenda Johns, Mary and Gilbert Longoria, Janie and Jimmie Harvey, Randy and Ricky Hardage, Mark, Monte and Marilyn Barnes, Frank Hinkson, Mark Beach, Tim Smith, Bart Burnett, Brad Treider, Jack Finley Smith, Neil Moore, Sheila Kyle, Jeanne Morris, Karen Hamilton, Ronald Mayfield, Bobby Redwine, Wesley Barnes Jr., Larry Hodges, Doyle Weir, Mike Winders and Larry Cox.

COTTON TALKS

FROM PLAINS COTTON GROWERS, INC.

"Designers and textile technologists must be able to tell cotton breeders what properties they want in a cotton fiber and cotton growers must become more aware of the demands of industry beyond the yarn spinning stage."

This was the observation of Don Anderson of Crosbyton, Chairman of the Board of Plains Cotton Growers, Inc., on his return from the first International Cotton Breeder-User Conference in Manchester, England. The conference was sponsored by the International Institute for Cotton and Anderson attended at the invitation of IIC Executive Director Read Dunn.

Purpose of the conference was to assemble expert opinion and to discuss how cotton as a raw material and cotton's properties are related to breeding, growing, processing and performance standards in the finished product. Anderson said recent developments in all these fields were explored, including breeding techniques and chem-

ical and mechanical processing of cotton.

Anderson pointed out that the cotton industry is largely a "horizontal" industry and that there is a definite need for more "vertical thinking."

He said "The cotton producer is primarily concerned with his customer, the spinning mill. Spinners in turn are concerned with the weavers to whom they supply yarn. And weavers then attempt to satisfy the finishers. "But if cotton is to retain its present markets and gain new ones," Anderson believes, "each segment of the industry must become concerned with the operations of all other segments, and breeders and growers in particular need to be aware of the demands of processors from spinners through finishers."

Some 60 delegates from more than 20 countries took part in the conference at the University of Manchester Institute of Science and Technology on July 20 and 21.
