Kitty's Korner

Progress is fine in most instances and I'm all for it. Also independence. However I think the telephone companies are carrying both a bit too far. They must have some sort of gadget that buzzes the long distance operator, everytime I try to make a long distance call it's either out of order, or she is out for coffee. When she finally answers I have the uncomfortable feeling that I really should apologize for the interruption.

When you don't have the number or area code of the party you are calling, you're really in a mess. Trying to get a call through to my brother in Austin the other night was major operation. When his apartment number didn't answer, I knew I had "had it". Knowing several places I might locate him, but not having the numbers proved to be my undoing.

They don't go through the simple procedure of asking the operator for information and dialing it themselves anymore. Oh no, progress has taken over. The operator connects you with information in the city you are calling, you must get the number and try to get your local operator back on the line. That can be pretty time consuming, believe me.

After my fifth endeavor with my local operator giving me instructions to "flash her" when I got my number, I gave up and wrote a letter. I'm sure it got there before I would ever have figured out a way of "flashing her."

Everybody is happy about the re-opening of the Ranch Theatre. It is hoped that young and old alike will take enough pride in it to keep it clean and new. It is my understanding that precautions are being taken to maintain quiet during the showing of the pictures and that running up and down the aisles and tumbling over the seats will be prohibited. Offenders will be bounced out on their ears. This is indeed good news to some of us who like to hear sound as well as view the picture.

By all the yellow stripes painted up and down and across the street in front of North Elementary, I assume there will henceforth be parallel parking on both sides of the street, one lane for northbound traffic, one lane for southbound traffic and a passing lane besides the three pedestrian crosswalks. I'm only guessing, however, it could be a giant hopscotch.

I'm afraid the granny dress is on its way out. After the twirp dance last Saturday night Nannette Bailey who broke up a good bridge game with her early arrival, was giving the highlights and said a few granny dresses showed up but with the gyrations of the modern dance it was impossible to let one's self go while wearing same.

Tomorrow is Thanksgiving Day, the most traditionally American of all holidays. The amazing thing about this enduring day is the fact that all Americans still have things to be thankful for. At no point in history have so many had so much to be thankful for, thanks to free enterprise and the basic principles of freedom upon which this great country was built. Even the anti-American Americans, who would like to change it all, can be thankful they have the freedom to go about voicing their opinion while taking for granted their right to do so.

Fire Ravaged Ranch Theatre Reopened Sun.

The Ranch Theatre opened last Sunday, ten days ahead of schedule. A large crowd was in attendance for both the matinee and night show.

Theatre goers were able to enjoy the performances without distraction, thanks to the presence of a full time usher who will maintain orderly conduct during the showing of pictures.

There will be no smoking in the theatre except in the lobby, the management announced.

Prices will be \$1.00 for adults and 50c for children under 12. B. B. Adwell, theatre owner, asked the cooperation of parents and children in keeping the theatre and rest rooms clean. He also announced the purchase of new drive-in equipment and expects to open the drive-in theatre May 1.

Ozona FFA Wins Dist. Leadership Contest Places

Ozona FFA Chapter teams entered all six contests in the Concho District Leadership contests held at Eldorado last week and won two first places, two seconds, a third and a fifth place in the meet. Teams from seven schools composed the district were entered in the contest. Teams competing in the contests were from Ozona, Sterling City, Bronte, Robert Lee, Lakeview of San Angelo, Eldorado and Wall. All first place winning teams competed in the Area II contests held in Big Spring Saturday, Nov. 20.

The leadership contests are held for students of vocational ag classes as a means of improving proficiency in parliamentary procedure, to improve public relations and to promote more knowledge of agriculture and improved farm and ranch programs, Jimmy Davee, vocational agriculture teacher, explained.

The contests are divided into Junior and Senior divisions.

The Ozona chapter won firsts in both Junior and Senior conducting. Composing the Junior team were James Appel, president; Randle Clepper, vice president; Kirk Boyd, secretary; Jesse Deaton, treasurer; Fleet Coates, reporter; Dennis Douglas, sentinel, and Terry Lindsey, student advisor.

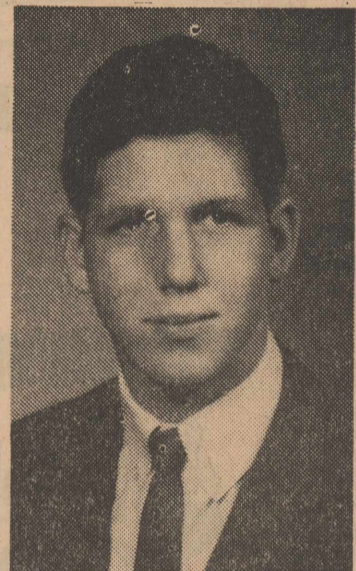

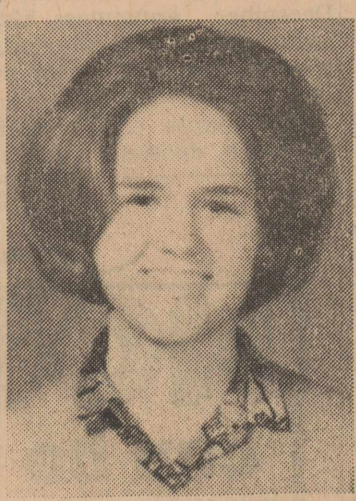

Senior team members were Larry Don Webb, president; Larry Kilgore, vice president; Wesley West, secretary; Fred Chandler, treasurer; David North, Sentinel; Duwain Vinson, reporter, and (Continued on Last Page)

High Sky Chapter Of 99's Meet Here

The monthly meeting of High Sky Chapter of the 99's International Women's Pilots Assn. met Saturday afternoon, November 13, in the home of Mrs. W. T. Goodson. The meeting got underway after a luncheon at the M & M Cafe.

Velma Copeland of Midland, president, presided at the meeting.

Other members and guests present were Pat Petoski of Midland, Nancy Brumlow of Kermit, Terri Copeland of Midland, Wanda Cutlip of Kermit, Brownie Petoski of Midland and Mrs. C. H. Lester of Austin.

October Youths of the Month, sponsored by the PTA, are Kay Kyle daughter of Mr. and Mrs. Arthur Kyle and Sandy Stokes, son of Mr. and Mrs. W. T. Stokes.

Kay, a junior is an honor student, member of the band and choral club and well known for her untiring effort in any project she undertakes.

Sandy, a senior, is active in the student council, a delegate to the State Youth Convention and a member of OHS football and basketball teams.

Transmission System Addition Planned by WTU

Plans to extend a 138,000 volt transmission system into the Trans-Pecos area was announced by West Texas Utilities Company. The company will build a new transmission line from its Rio Pecos plant at Girvin near McCamey to tie in with the Company's gas-turbine plant located five miles north of Fort Stockton.

The new 37 mile line will be built to handle 138,000 volt capacity. However, the new line initially be operated at 69,000 volts. This line is an extension of the Company's "back-bone" high voltage transmission system which now extends from the Oklahoma border near Quanah down through Abilene and San Angelo and on to McCamey in West Texas.

The line will supplement the existing lines connecting the two plants. Buck Construction Company of Lubbock will begin work on the new line immediately and plans are for it to be in service by March, 1966. The new line will make additional power available for the towns the Company serves in the Davis Mountain area; Alpine, Balmorhea, Fort Davis, Marfa and Presidio.

This new construction, it was pointed out, is a part of WTU's program of planning and building to provide the electrical power for the continued development of the towns and communities it serves.

Mrs. Flo Darling, dancing teacher, announced that classes will not be held this week due to the observance of Thanksgiving. Classes will resume next Thursday in the new studio in the Kersey building behind the B & B Grocery.

Big Lake Man's Leg Shattered In Hunting Accident

A hunting accident at the Ashby McMullan ranch near noon Saturday sent Frank Horton of Big Lake to the hospital with a shattered shinbone.

Getting into a pickup with a hunting companion, Horton was holding the rifle barrel down when it accidentally discharged, hitting him in the lower leg. Rushed to the Crockett County Hospital he was taken to San Angelo after x-rays for bone surgery. After 3 1/2 hours in surgery Saturday night doctors seemed to think they would be able to save the leg.

Former Ozonan Reports On Grass, Football In Colo.

A long time between reports, but former Ozonan Dock Lee, in a note accompanying a subscription payment, has come through with a report from his neck of the woods. Lee is a son of the late Mr. and Mrs. Pat Lee of Crockett County.

"Thought our friends in Ozona might like to hear from us," he began. "Had a very good year, after about the middle of May when it started raining. Had the wettest year since I have lived here. There is more grass and feed than I have ever seen."

And then, we get a peek at what's really on Dock's mind — football, and he reports on "our team".

"Hugo has the longest undefeated, untied record going in the state. They won their last two games in the 1963 season, were state champions in 1964 and have won the district this year. Last week, Hugo played Flagler, which was undefeated and had given up only 18 points. The score was 59 to 14, Hugo. That was their 21st win. The state playoff is next."

"Pat, my youngest son, plays offensive tackle and defensive end. He is a junior this year. I sure hope he gets to play on two state champion teams, but we just don't know. Look what happened to Texas."

And without knowledge of Colorado football, we must leave the story unfinished at this point.

Unbending Courage, Strength And Freedom Virtues Of America As Seen By Writer of Winning Essay

Marsha Moore, daughter of Mr. and Mrs. Kirby Moore, won first place and \$5 in the Americanism Essay Contest sponsored by the Ozona Woman's Club for all members of the freshman class.

Patricia Lucas, daughter of Mr. and Mrs. Henry Lucas, won second and Candice Clingan, daughter of Mr. and Mrs. Sam Whitten, won third place.

The following is Miss Moore's theme.

"What's Good About America" As I stand on the rocky shores at sunset and gaze at the mighty ocean, I see beautiful ships gracefully sailing along with an air of royalty about them. They seem so harmless but in time of aggression they can leap to America's defense. This reminds me of America's desire to protect her own.

I walk along quiet paths wind through the meadows and lift my eyes skyward to see the tall murmuring trees. They remind me of the unbending courage of America's great leaders and the thought of it makes me swell with pride.

State FFA Head Ozona Visitor; Bags Two Deer

Kenneth Graeber of Brenham, Texas, President of the Texas Association of Future Farmers of America, visited in Ozona over the week-end.

Graeber attended the Area FFA Leadership contests in Big Spring Saturday, and returned with the Ozona FFA Chapter delegation. He spent the week-end as a guest of George Cox, Ozona FFA Chapter president, and his parents, Mr. and Mrs. Bud Cox. His visit was topped off with a deer hunt Saturday on the Cox ranch, with the visiting state president chalking up a 100 percent successful hunt by killing two deer.

Before leaving Monday, Graeber spoke to the Vocational Agriculture classes at High School Monday morning. Jimmy Davee, vocational ag teacher, introduced him.

Ozona Club Tours S. A. Art Centers

Ozona Woman's Club toured some of the art centers of San Angelo Saturday.

The group met in the home of Mrs. George Bean, a former member of the club. Coffee was served to the group and two guests, Mrs. Percy Pace and Mrs. R. M. Cavness.

An art exhibit by William W. Brown was viewed at Angelo State College after which the club members visited the Civic League Garden. They attended the federation luncheon at noon. Mrs. J. O. Mills was the speaker.

After the luncheon, the group toured the Fort Concho Museum, Kendall Art Gallery and the Browser.

Members attending were Mrs. Ira Carson, Mrs. Joe Pierce, Jr., Mrs. Stephen Perner, Mrs. L. B. Cox, Mrs. John Bailey, Mrs. Ted White, Mrs. Tom Clegg, Mrs. J. W. Henderson, Mrs. Max Schneemann, Mrs. Roy Killingsworth along with guests, Mrs. Joe Bean and Mrs. J. O. Mills.

Stock Market Expert To Speak Here Nov. 30

Mrs. Ruth S. Brewster has accepted an invitation to speak to people of Ozona on Tuesday, Nov. 30, at the Civic Center. Topic of her address will be "Investments in the Stock Market," and will be aimed primarily at persons interested in conservative investments for future financial security.

Associated with the firm of Sanders and Company, Incorporated, whose home offices are located in the Republic National Bank Building, Dallas, Mrs. Brewster has been connected with the securities business for the past ten years. She recently completed a term as board member of the National Housing Conference, has been an officer and board member of the Dallas United Nations Association, the League of Women Voters of Dallas and Texas and Altrusa International. She has traveled extensively in addition to accepting speaking engagements.

Mrs. Brewster states that she hopes to show her listeners that by investing safely now, they will be assured of maintaining their standard of living after retirement. She feels that the more Americans owning shares of industry the more it helps to counteract foreign influences which could become detrimental to our way of life. The meeting is scheduled for 7:30 p. m. and the public is invited to attend. Refreshments will be served by the sponsoring organization, The Ozona Woman's Forum.

Surviving are the widow, one daughter, Elizabeth, and two sons, Brock, Jr. and Johnny; three brothers, J. R. Jones of New Orleans, John D. and A. B. Jones, both of Houston; and three sisters, Mrs. Neal Madely, Mrs. Will McKinny and Mrs. E. B. Shellenburger all of Houston.

Morton Brock Jones was born January 23, 1912, in Corrigan, Polk County, Texas, the son of Mr. and Mrs. S. M. Jones. He was married to Bernice Bailey, daughter of the late John Bailey and Mrs. Bailey, September 1, 1936. Judge Jones was a civil engineer with the Humble Oil & Refining Co. in Houston until moving to Ozona in 1945 where he began ranching operations and later sold insurance and real estate.

Always active in community affairs, he was elected to the office of county judge in 1962 and served in that capacity until his untimely death.

Funeral services were held from the Methodist Church at 3 p. m. Wednesday, with Rev. Leonard Garrett, pastor officiating. Burial was in Cedar Hill Cemetery under the directions of James Funeral Home. The body lay in state at the church from 10:00 a. m. until the services began.

League's Bazaar Scores Success

After a request from the family of Brock Jones, the Ozona Woman's League proceeded as planned and held the club's annual gift bazaar yesterday.

Far from the gala affair it has been in the past, the bazaar catered to a subdued crowd and was successful in spite of the tragedy that affected the entire town.

Willie Rowe Reed, Fort Stockton artist, was a great success with her etchings and paintings, a generous percentage of the sales went into the treasury of the League.

The drawing for the lamb pelt rug was held at 4:00 p. m. The winner was Mrs. Percy Craddock of Andrews.

Mrs. Jim Harvey and children have been visiting in the Dan McBroom home the past week. Mrs. Harvey's husband, a highway patrolman, was formerly stationed in Ozona.

Mr. and Mrs. Pete Hickman of Ft. Stockton, and sons Terry and Grant, visited friends and relatives in Ozona the past weekend.

Crockett County Judge Brock Jones died of an apparent heart attack Monday afternoon around five o'clock after being involved in a wreck on a county road near his ranch east of Ozona. He and his daughter, Elizabeth were deer hunting when he spotted a deer and told his daughter, who was driving, to stop the pick-up. The vehicle skidded and overturned in the loose gravel, severely lacerating the girl's arm. The judge was apparently uninjured and fired several shots with his rifle in a vain attempt to summon help. After applying a tourniquet to his daughter's arm and leaving his watch with instructions to loosen the tourniquet at intervals, he set out for help.

He was found by the roadside a short while later about a mile from the scene of the wreck, by Pete North who rushed to the Bailey Ranch and called for help. Having no knowledge of the wreck, officers and a James ambulance came upon the scene and picked up the injured girl before arriving at the spot where the Judge had apparently collapsed and died instantly.

Funeral services were held from the Methodist Church at 3 p. m. Wednesday, with Rev. Leonard Garrett, pastor officiating. Burial was in Cedar Hill Cemetery under the directions of James Funeral Home. The body lay in state at the church from 10:00 a. m. until the services began.

Morton Brock Jones was born January 23, 1912, in Corrigan, Polk County, Texas, the son of Mr. and Mrs. S. M. Jones. He was married to Bernice Bailey, daughter of the late John Bailey and Mrs. Bailey, September 1, 1936. A LEADER PASSES

A pall of gloom seemed to settle over Ozona Monday night when word was spread of the sudden death of County Judge Brock Jones.

In small towns or large, community leaders are a community treasure and their loss a jarring shock to community spirit.

A man of many talents, Brock Jones had contributed leadership and dignity in the top position of county government, making his position unequivocally clear on all issues, taking a firm stand in support of his convictions, devoting full time and energies to execution of his duties and contributing liberally of his time and talents toward community advancement.

A genial and loyal friend, his inspiring presence will be sorely missed among his associates and, indeed, throughout this community. He commanded respect for his sound judgment and honest convictions and earned for himself a place in the affections of this community which will endure for many years to come.

While counting their own loss of a friend and leader, people of Crockett county are not unmindful of the greater loss to his family, a devoted husband and father, and the big community heart of us all goes out to enfold them in our sympathy. He cannot be replaced, but community and family alike must carry on, and God helping us, we will.

Girl Scout Assn. In Meeting Here

The Crockett County Neighborhood Association of Girl Scouts met on Monday November 15, in the home of Mrs. Lawrence Janes, Neighborhood Chairman. Mrs. Joyce Smith, Council Field Advisor, from San Angelo was present to conduct the meeting. The group discussed plans for a Neighborhood Christmas Caroling Program in the City Park on Tuesday Dec. 21. Mrs. Max Morris, and Miss Ethel Wolf, chairmen for arranging the program, will announce further plans later. It was brought to the attention of the group that the District IV meeting was held here several weeks ago. Mrs. Charlie Davidson, III, attended the meeting for the Crockett Co. Association. She reported on tentative plans made at that meeting. She advised that there will be an exhibition of arts and crafts in Big Lake on Saturday Feb. 12 for all Brownies and Girl Scouts in the district, consisting of Sonora, Big Lake, and Ozona neighborhoods. Girls will go Saturday morning, set up exhibits, eat sack lunches and return home in the afternoon. A District IV Camporee has been planned for April 23 to be held on a

ranch near Sonora. Cadettes and Juniors will camp overnight and Brownies may visit during the day, bringing sack lunches. Tentative plans have been made for Day Camp following the closing of school to be held in Ozona. Mrs. Sam Fitzhugh has agreed to be director of both Camporee and Day Camp. More definite plans will be made later.

Mrs. Davidson gave a report on the Council and Finance Committees meetings which she attended in Sonora and Mrs. Ronald Peirnington reported on the meeting of the Personnel Committee that she attended at the same time and place. At these meetings district camping and established camp at JoJanVan were discussed, and annual cookie sale plans were made.

Girls of District IV will not take pre-orders this year. The Cookie workshop for the Crockett County Neighborhood will be held on Jan. 17, 1966.

Another matter of discussion was the organization of a senior Girl Scout troop in Crockett Co. Several girls interested in Senior Scouting attended the meeting with Mrs. Jackie Womack and Mrs. Smith gave them advice concerning the forming of a troop. They met Tuesday Nov. 23 in the home of Mrs. Womack to organize their troop.

Mrs. Smith advised that the annual Council Meeting will be held in Sonora in January. Six delegates from this neighborhood will be eligible to attend the meeting and vote on all decisions. All members are encouraged to attend, but only delegates may vote.

The meeting was adjourned following a film on "The Cadette Troop". Leaders present were Mrs. James Marks, Mrs. Claude Montya, Mrs. Joe Tom Davidson, Mrs. Joe Boy Chapman, Mrs. Leon Robinson, Mrs. Cecil Stroppe, Mrs. Charlie Davidson, III, Mrs. Max Morris, Mrs. Lawrence Janes, Mrs. Sam Fitzhugh, and Mr. and Mrs. Ronald Pennington, and Mrs. Lawrence Sands. Grace Ann Tabb and Georganne Janes gave their time as baby sitters for the children of the troop leaders during the meeting.

Recipe of the Week From Kitty's Kitchen

With hunting season in swing we felt some venison recipes were in order. One each for sausage, steak and roast.

Venison Sausage
15 lbs. good quality pork (not too fat)
15 lbs. venison
2 teaspoons grated garlic
8 ounces salt
8 ounces pepper
Double grind pork and venison, adding seasonings mixing well. Stuff into casings and store in refrigerator.

Venison Swiss Steak
1 1/2 lbs. round venison steak (1 1/2 inches thick)
3 large onions
1 large celery stalk, cut up
1 cup tomatoes
2 tbs. Worcestershire sauce
salt and pepper to taste
Dredge steak with flour, season with salt and pepper, then brown in fat. When brown on both sides, add other ingredients. Cover tightly and cook in medium oven (350 degrees) until tender, about 1 1/4 hours. Remove meat to platter and make gravy from drippings in pan.

Venison Roast
3 to 4 lb. venison roast, shoulder or ham
1 pkg. Lipton's Onion Soup Mix
salt and pepper
Salt and pepper roast, place in center of large piece of heavy duty foil, sprinkle soup mix over meat, seal in foil, bake at 350 degrees 3 hours.

The News Reel

A re-run of "The Ozona Story" as gleaned from the files of The Ozona Stockman

November 26, 1936

The usual Thanksgiving Day fare will face Ozonans on the annual holiday — gridiron classics one place or another deer and turkey hunting leisure and rest to bear the turkey dinner are among the schedules of Ozona folks as the day dawns.

—30 years ago— Ozona High School's gridiron gladiators finished their 1936 season with a crushing defeat at the hands of the powerful Eldorado Eagles, runner-up for the district championship, in a one-sided contest on the local field Saturday afternoon. The score was 27-0 with the Eagles apparently able to score almost at will throughout the hour's play.

—30 years ago— Invitations went out this week to a score or more basketball teams in West Texas high schools to Ozona's sixth annual basketball tournament announced for January 15 and 16. In his letter of invitation, Coach Ted M. White of the Ozona Lions, announced a "finer array of trophies than ever before." The regular schedule of the games will be played as in previous years, the letter of invitation also announced.

—30 years ago— Mr. and Mrs. Vic Pierce and son Miles, will spend Thanksgiving in New Orleans, where they will be met by a daughter, Miss Vicky Pierce, who is a student in Gulf Park College at Gulf Port, Miss.

—30 years ago— Dr. and Mrs. H. B. Tandy will spend Thanksgiving in Abilene visiting relatives and witnessing the San Angelo-Abilene high school football classic.

—30 years ago— With the drive already "over the top" in the matter of reaching the assigned quota of the local chapter, leaders of the annual Red Cross Roll Call Drive, which

started here the end of last week, are keeping the drive open until the last minute to allow everybody an opportunity to subscribe, it was announced yesterday by Mrs. Scott Peters, Roll Call Chairman.

—30 years ago— But little damage resulted from a grass fire which flared up on the Fleet Coates ranch north of Ozona. The fire, believed to have started from a camp fire in the lane, was brought under control quickly and very little acreage was burned off.

—30 years ago— Mr. and Mrs. Joe T. Davidson and Haskell Leath will witness the Texas-A&M game in Austin Thanksgiving Day, and on to Ft. Worth for the TCU-SMU game Saturday.

—30 years ago— Members of the Ozona Music Club met last Thursday afternoon at the home of Mrs. Ira Carson, with Mrs. Bright Baggett and Mrs.

Neal Hannah as hostesses. The program, led by Mrs. Morris Dudiey, was devoted to the study of the "Transitional Period."

—30 years ago— Miss Tommy Smith was hostess to Las Amigas Club at her home Friday afternoon. Miss Wayne Augustine held high score and Mrs. Hugh Childress, Jr., second high. Others present were Miss Carolyn Montgomery, Mrs. Bob Weaver, Mrs. Joe Sellers Pierce, Mrs. Marshall Montgomery, Mrs. Clifton Brooks, Mrs. Richard Flowers, Mrs. Doug Kirby, Mrs. Ralph Jones and Mrs. Bill Conklin.

NOTICE OF PUBLIC HEARING

A Public Hearing will be held in the District Court Room, Crockett County Court House, Ozona, Texas, November 29, 1965 at 2:00 p. m. to discuss the possibility of changing the existing coun-

ty road from the east side of Live Oak Creek to the west side of Live Oak Creek. The proposed road change now serves the Jeff Owens Ranch, Hoover Ranch and others to the north of proposed Interstate Highway 10. All land owners and persons affected by the proposed road change are invited to attend and participate in the hearing. M. Brock Jones, County Judge, Crockett County, Texas 35-2tc

How to make a holiday last all year long

"How often do you call Long Distance to friends or members of the family?"

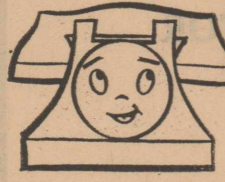

"Well, I expect to make some calls on Thanksgiving and maybe on Christmas."

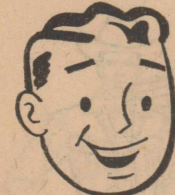

"Why wait for a holiday or special occasion to call — that's the old fashioned way!"

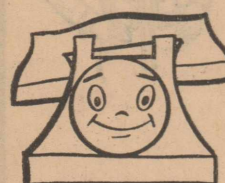

"How come? Is the phone company having a sale just now?"

"No, not that. New low-cost long distance rates are now in effect all day Sunday and every night after eight — so now for a dollar or less, you can keep in touch more often."

"Say! That's a good idea! Tonight I'll make some important calls I've been putting off."

"Fine! Thanks to new low rates you can call anywhere in continental U. S.* station-to-station and talk three minutes for \$1.00 or less. This is the big communications bargain — the modern way to keep in touch at all times."

THE CHURCH FOR ALL ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

We dare not forget that when our forefathers celebrated the first Thanksgiving Day they weren't at all sure that their meager harvest would be adequate to sustain the little community through a long hard winter. About all they could give God was thanks!

Gratitude for our blessings in time of abundance discovers a new dimension. We can become partners with the Almighty in His mighty aims.

For the very season in which Christians give thanks to their Lord is the season in which they plan their stewardship—their support of the Church's continuing work.

If you are a church member, demonstrate your thanksgiving in earnest commitment to your congregation's spiritual opportunity. If you are not a church member, express your thanksgiving by discovering your own spiritual opportunity.

Spiritual dedication is about the only life resource of which we do not have more than we absolutely need!

HIGHLIGHTS AND SIDELIGHTS

From Your State Capitol

Austin, Texas — Texas' first major state government program for widespread coordination of public service activities is being activated.

Gov. John Connally soon will reveal his initial plans of the project that will "range across the entire spectrum" of governmental services.

PACT, the Planning Agency Council for Texas, was authorized by the 1965 Legislature — primarily to implement the statewide water program. However, Connally wants to broaden its scope into many other areas.

Legislation authorizing a central state planning agency cited the need to coordinate state efforts in the fields of water supply, recreation, transportation, highways and other programs financed with federal, state and local funds.

Eight major agencies — health, highway, parks and wildlife departments, industrial commission, soil conservation board, Texas employment commission, railroad commission and water development board — were designated by the Legislature as members of the initial PACT.

Oil Allowable Hiked—Texas oil production may hit a six-year high in 1965. This thanks to a jump in December allowable to 31.4 per cent of apotential.

COLD WEATHER DRIVING EXPERT PREPARES FOR WINTER

Why more motorists switch to the Tiger when it gets cold.

Many cars that ran just fine all summer get into trouble when ear-muff time rolls around — stalling at stoplights and coughing and chugging halfway into town. That's when a lot of people switch to the Tiger. Winter-formula Enco Extra gasoline is blended to match the weather conditions in your area — including a special additive to help guard against icing. Result: easier starting, faster warm-up and a lot less worry about stalling. You'll like the way new Enco Extra behaves on the open road, too. It's the High-energy gasoline with the: (1) cleaning power; (2) firing power; (3) octane power to help preserve the performance of new cars and restore lost power and mileage to many older cars. Switch to the Tiger and get that nice warm feeling. **Happy Motoring!**

minds me of the strength and stability of America.

I view the golden fields of grain and see the stalk waving gently in the breeze. Each is different in its own way but lives in brotherhood with its neighbor. They remind me of the progressive people of America.

I walk the streets of the city, observing people working at jobs they themselves have chosen, enjoying a united family life, and taking advantage of leisure time in varied recreation. This reminds me of our right to choose our leaders by popular vote.

I look upward toward God's heaven that has endured in men's hearts through the corridors of time. This reminds me that each American is privileged to pay homage to God in his own way.

No agitator, troublemaker, rioter, nor extremists will ever be able to undermine my faith in, or subvert my loyalty to, my country, my homeland, my America.

Mr. and Mrs. L. B. T. Sikes will have as guests for the Thanksgiving holidays their son and daughter-in-law Mr. and Mrs. Richard Sikes from Commerce, and her parents, Mr. and Mrs. Marshall Moore of Gainesville.
