I have known for quite some time that our town is in dire need of special education courses, but didn't realize to what extent untl hearing Jeanette Bailey speak at Woman's League last week. The fact that some of our junior high and high school students cannot read nor write was apalling. This should concern the parents or the bright child as well as parents of the slow student. Time spent by the teacher trying to get the slow student caught up is time lost by the better student.

Tire Tracks Lead To Arrest Of 4 Theft Suspects

Sheriff's Department officials investigated a theft at the R. L. Flowers Ranch last Thursday night, and thanks to the wet weather, the loot was recovered and the suspects arrested the next day.

Intruders cut a chain on a locked gate to gain entrance to the ranch. They took around \$150 worth of tools, filled the gasoline tank of their car and 3 fivegallon cans out of the ranch gas tank and fled.

Officers discovered tire tracks when they arrived upon the scene and took pictures. Because of deviations in two of the tries, they were able to find the car early the next day. AWORLD TROUBLE

What has happened to this marvelous world of ours in this twentieth century of God's grace? Mankind seems to be passing through a sea of troubles which has no counterpart in human history.

There are wars and rumors of wars among the nations, and many of the nations themselves are split into warring factions, each faction striving for supremacy, and each intolerant of the views, hopes, and rights of others.

The great trouble with the world is that men have forgotten God. They no longer seek spiritual guidance, but follow the vain ways of the modern world. We have become a cynical, materialistic generation.

If this drift toward world tragedy and chaos is ever stopped, the churches of the world must do it. The world's hope—our hope—is in God and His Church. He alone can save mankind from a sorrowful fate.

The Church seeks to turn the hearts of men from the ways of war and fear and hate to the ways of peace and love.

THE CHURCH FOR ALL ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.
