Kitty's Korner

By Kitty Montgomery

When I read a couple of weeks ago that the cost of living had gone up 1 and a fraction percent, I tightened my belt and braced myself.

What puzzles me is the margin of difference in my cost of living estimate and that of trained economists. I don't know just what they take into account when they figure the increase.

Whoever said two could live as cheaply as one must have been talking about a horse and a sparrow.

Among newcomers in town is Johnny Brown formerly of Dallas. He is the new head man at Wooten Motor Co.

With the record number of poll taxes sold for an off year election, it looks like we are going to have a record number of voters in the coming primary.

Speaking of elections and electioneering, I received a cleverly written poem in the mail last week.

Since it's a firm policy of the Stockman to ban anonymous letters, we couldn't pass it on to you.

Teenage Mexico-Married Couple, Trying For California Via Bad Checks, Paroled To Parents Here

A 16-year-old boy and girl were arrested here Tuesday and charged with forgery after they passed a worthless check at the Foodway Store.

An alert grocery checker, Mrs. Monroe Smith, became suspicious and called the sheriff's department after taking the license number of the car which the couple were driving west.

They were apprehended and made statements that they had run off from their respective homes in South Texas and were married in Mexico.

Johnny Brown, a former Dallas resident, yesterday assumed the dealership here for General Motors automobiles formerly held by Wooten Motor Co.

Brown has a wife, Marjorie, and a ten-year-old daughter, Lisa. His family will join him as soon as suitable housing is found.

Brown stated that he was most impressed with Ozona and anxious to get his family settled and become a part of the community.

Additional Postal Services Ordered

Economy measures adopted in May 1964 by the Post Office Department were ordered abandoned recently in a directive from the President to Postmaster General Lawrence F. O'Brien.

The President ordered the Postmaster General to take steps to increase window service where needed in some 15,000 postoffices.

Ozona Duplicate Bridge Club met at the country club Tuesday night for Master Point night.

Mrs. Pete North and Mrs. Lovella Dudley were first place winners. Second place went to Mrs. Jack Wilkins and Mrs. James Dockery.

well rounded discription of local politics and politicians.

writing and cashing worthless checks would get them gas money. They both stated that they had never done anything like that before.

However, reports from Brownsville concerning a young pair of worthless check artists fit their description, according to Sheriff Billy Mills.

After a night in jail they were tried in juvenile court and paroled to the boy's parents who had come to Ozona from their home when notified that their son was being held here.

They drove out of town yesterday after the trial mamma and papa close behind.

Lionettes Win Over Sanderson; Even Dist. Record

The Ozona Lionettes beat Sanderson 37-34 here last Friday night to even their district record at 2-2.

Leading the Lionette attack was Mary Payne, 5-foot forward, with 17 points. Lana Alford chipped in 16 points as the girls avenged an earlier defeat by the Eaglettes.

The fems will visit Rankin next Tuesday and host Iraan next Thursday to end the season schedule.

Award Contract For First 5 Mi. Segment RM 1973

A contract for 4.996 Miles of Construction on R. M. 1973 in Crockett County has been awarded to a Monahans firm, it was announced in Austin this week by the State Highway Commission.

The contract covers the first segment of construction on the Ranch to Market road which starts 15 miles south of Ozona, branching off from State Highway 163.

MOD BENEFIT GAME

A large crowd attended the March of Dimes basketball game last Saturday night when Bobby Vargas' Ozona Independents squeaked by the North Side All-Stars to win in the last few seconds with a score of 79-78.

Mr. and Mrs. C. O. (Lefty) Walker have returned from a week's visit with relatives in Elk City, Okla.

Second Mitchell Gasser Rates 90 Million Cubic Feet

The JM (Ellenburger) gas field of Crockett County gained its second producer and a 5/8-mile north-northeast extension with completion of Shell Oil Co. No. 2 Mitchell, 34 miles southwest of Ozona, in the extreme southwest part of the county.

It was finalized for a calculated, absolute open flow of 90 million cubic feet of dry gas per day, from open hole between 12,133 - 13,420 feet.

Location is 1,500 feet from the north and 1,700 feet from the east lines of 4-Q6-TCRR.

New Pay Zone Discovered In Midway Lane

A new pay opener was indicated in Crockett County and two fields gained extenders.

Atoka gas-distillate production was indicated in the Midway Lane (multipay Permian field with the flowing of 41 barrels of distillate, along with 5 1/2 barrels of water, in 21 hours at Ashmun & Hilliard, Midland, No. 1 Chambers County School Land, in Chambers csl No. 4, 12 miles northwest of Ozona.

Acidized with 5,000 gallons through perforations at 7,384-434 feet and swabbed twice, it kicked off and flowed the above gauge on 14-64-inch choke with tubing pressure of 1,900 pounds. No gas was reported.

Drilled to 7,634 feet, it earlier tested the Ellenburger through perforations between 7,477-486 feet, making oil and water.

Shell Oil Co. completed two extensions to the Ozona (Canyon gas) field, 20 miles southwest of Ozona.

The No. 1-B Henderson, 3/4 mile southwest, was finalized for a calculated, absolute open flow of 950,000 cubic feet of gas per day, with gas-liquid ratio of 140,000-1.

Production was through perforations between 5,879-6,455 feet in 4 1/2-inch casing set at 6,565 feet, the total depth.

Location is 1,320 feet from the north and west lines of 7-2-1&GN.

The No. 1-C Henderson, 1/2 mile south, was finalized for a calculated, absolute open flow of 700,000 cubic feet of gas per day, with gas-liquid ratio of 42,000-1.

Production was through perforations between 5,986-599 feet, in 4 1/2-inch casing set at 6,709 feet, the total depth.

Basketball Game To Benefit Fund For Child's Eyes

There will be a benefit basketball game tonight between the Ozona Lions Club squad and the First Baptist Church crew at 8:00 in the high school gym.

Proceeds will go toward further surgery for little Sandra Fielder. The club has already financed one operation for the child to correct crossed eyes which was successful. However, further surgery is needed to correct an imbalance.

Donations will be taken at the door and the public is cordially invited to attend.

Lions Meet Owls In Zone Decider Here Fri. Night

The Ozona Lions will meet the Big Lake Owls tomorrow night in Big Lake in the most crucial game of the year. If the Lions can get by the Owls, they will virtually wrap up the West Zone title of District 8A.

Three previous meetings between the two clubs have been decided by a total of 4 points. The Owls won the first 39-37; Ozona then won 29-28; and the Owls slipped by 45-44 in the Ozona Tourney finals.

The Lions kept their zone record intact at 6-0 by beating Sanderson Friday night 57-40. Billy Carson, Win Saunders, and Pon Seahorn each had 12 points for the Lions.

Coach Brooks Dozier will probably start George Cox, David Jacoby, Carson, Saunders, and Seahorn against Big Lake tomorrow night.

Spirited Bidding Marks Auction at Annual 4H Show

Bidding was spirited and a large number of buyers were present at the 19th Annual Livestock Show lamb auction and Chinese auction held at the stock barn beginning at 3:00 p. m. Saturday.

The Chinese auction was full of action as usual with some fifty-four bidders doing some fast and furious bidding up to a grand total of \$750.00 for a lamb.

County Total Voting Strength Estimated At Record 1,500 In 1966

Over \$1,100 Is Contributed To March of Dimes

Mrs. Vic Montgomery, chairman of the Crockett County chapter of the March of Dimes, announced that this year's campaign netted over \$1,100 and that donations are still trickling in.

The Mothers' March last Sunday brought in \$597.38. Donations from local merchants amounted to \$354.32 with school donations totaling \$104.70. Coin containers yielded \$23.25 and \$23.51 was collected at a benefit basketball game last Saturday night.

Mrs. Montgomery expressed her appreciation to everyone who had helped in the campaign and especially to the marching mothers who braved the cold to go from house to house last Sunday afternoon. Also to Mrs. Napoleone Vitela who was in charge of collections on the southside of town.

Mrs. Montgomery stated that a sum had been sent to the Lloyd Blakesley family to help with medical expenses for their son, Keith, Keith, who has undergone brain surgery several times in vain efforts to correct a congenital defect, was flown from Houston to Big Lake yesterday in an ambulance plane, paid for by the Crockett County Chapter of the March of Dimes.

Conservation Is Study Topic For Woman's Forum

"Conservation" was the subject of the program given at a meeting of the Woman's Forum Tuesday afternoon in the home of Mrs. Pleas Childress with Mrs. Kirby Moore as co-hostess. Mrs. Fred Hagelstein was program leader.

Roll call was answered by a yes or no if we had paid our Poll Tax and if we had voted in the recent water board election.

Mrs. T. J. Bailey presided at the business meeting and chairmen of the different committees reported on the coming Fifteenth Style Show Tea, (Jubilee Fashions) to be Feb. 26th. at the Civic Center at 3 p. m.

A letter to the Forum from Mrs. Sam Logan, who is now living in Addis Ababa, Ethiopia, was read by Mrs. W. T. Stokes.

Mrs. L. B. T. Sikes was accepted into the Forum, as a new member.

The interesting program was presented following the business meeting by Mrs. Fred Hagelstein on The Public Gardens and Arboretums of the United States, by Martha McMillian Roberts.

Others present were Mmes. Carl Appel, Jack Baggett, W. R. Baggett, Jr., John Coates, Ele Hagelstein, Pete Jacoby, Oscar Kost, Lowell Littleton, J. B. Miller, Marshall Montgomery, P. C. Perner, W. H. Whitaker and Charles Williams, Jr.

Mrs. Joe King and Mrs. Phillip Smith of King's Hair Fashions will leave Saturday for Dallas where they will attend a hair stylist convention. They will return to Ozona Tuesday.

Perhaps inspired by the big rush for public office in this county, or a revived sense of public duty, but the fact remains that a record number of potential voters registered and qualified for voting in the coming primaries and general election in Crockett county at the close of the poll tax paying period Monday night.

An off-year record total of 1,245 regular poll tax receipts were issued at the close of the paying period Monday, a check of the tax collector's office reveals. This is only 42 less than paid poll tax in the 1964 presidential election year and is within 100 of the estimated total potential poll tax payers in the county.

In addition to the regular poll taxes paid, there were 39 under-age exemptions issued, and with an estimated 20 percent of over-age exemptions, not requiring registration, the county's total voting strength this year will be an estimated 1,500.

The tax collector's office was a scene of bustling activity throughout the week-end and especially Monday as taxpayers flocked in to beat the Monday midnight deadline.

Childress Jacoby Heavy Winners In Annual 4H Show

The Nineteenth Annual Crockett County 4-H Livestock Show was unveiled Saturday as forty-six 4-H members paraded over two hundred head of livestock before the show judges.

Dwight Childress and David Jacoby were major winners in the commercial hundred and sixty-five lambs were exhibited by forty-one 4-H members. In the crossbred lamb division, Dwight Childress had the champion crossbred lamb, champion group of three lambs, tied for second for gain on three lambs and captured the Grand Champion Group of three trophy with his crossbred group.

David Jacoby showed the champion and reserve champion finewool lambs, champion group of three finewool lambs, first place gain on three finewool lambs and took Reserve Grand Champion with his finewool group of three lambs. Breeders of the champion lambs were John Childress on the cross-breds and Eugene Miller bred the finewools. Both champion lambs were purchased from their proud owners by the Ozona National Bank for \$200.00 each.

Several young beginning feeders gave veteran feeders plenty of competition. David Joe Bean showed the Reserve Champion Crossbred lamb and Jimmy West Exhibited the Reserve Champion group of Three Finewool lambs. Fred Deaton exhibited the Reserve Champion Group of Three Crossbreds.

In the Quarter Horse Division, Charlene Strickland exhibited the Champion Quarter Horse, a 1965 filly bred by Jerry Hayes. Reserve Champion Quarter Horse was exhibited by Fleet Coates, a filly bred on the Coates Ranch.

LENGTHENING THE COATTAILS

We're not at all surprised that a good many Congressmen are enthused about President Johnson's proposal for a Constitutional amendment extending a Congressman's term of office from two years to four. Since they gave themselves that pay raise a couple of years ago, we suppose it's only natural they'd like a little more "job-security" once they've managed to get elected. We're grateful, therefore, that the proposed amendment has to be ratified by the States. It may be that there's

some merit in the President's argument for a four-year term. Tending to the job in Washington probably does interfere with some Congressmen's campaigns for reelection — or vice-versa. But on the other hand, let all those Representatives get really settled in Washington, with no professional need to visit the folks back home and it just might be that an increasing number would forget whose interests it is that they are supposed to represent.

Also, we're not convinced that Mr. Johnson's proposal derives entirely from his concern for the campaigning

problems of the members of the House. Even though the proposed amendment, if passed, would not take effect during his own term in office, we can't rid ourselves of the thought that maybe the President thinks it both unfair and inconvenient for a President to haul a pack of cooperative Congressmen into office on his coattails only to have them fall by the wayside two years later. Can it be that the President is trying to double the length of the coattails for his successors in the Executive Office?

He could, of course, very easily prove us wrong on that point. He needs only to revise his proposal to provide that those four-year Congressmen should seek reelection in the off-years, between Presidential elections. If this would result, as Mr. Johnson has contended, in a lighter turnout of voters, so be it. No voter deserves to be represented if he is too lazy to go to the polls. And surely any self-respecting aspirant to a Congressional seat would prefer making it on his own two feet.

Or, there's another possible amendment. Earlier this month, the Government in Italy had to undergo three votes of confidence in six days. It failed to survive the third vote. Would our Congressmen like to consider that "sudden death" system?

TIPS FOR OUTDOORSMEN

By Vern Sanford

A friend of mine went fishing recently with a buddy who really could hook the big bass. In one morning of angling he tied into at least a half-dozen bass that went over six pounds.

However, he didn't land any. He just knew they weighed more than six pounds because he was using six-pound-test line and every one of them broke the line.

Now that's reasoning! Light lines have their places, but certainly not in big bass waters that are full of old trees stumps or lined with moss or lily pads.

Not so long ago there was a tremendous push on light line. It's sporting the fishermen said, to tie into a fish

on a light rig and light line. Furthermore you can cast a greater distance, they said.

As to distance yes, except in some of our Texas wind. But it's a doubtful sport if you hook a fish and let him get away with the lure still in his mouth.

That is what happens when a six-pound line, or any other line for that matter, gives away when the fish gets into the brush.

Fish are smart. Many times they can throw the lure. But its easier after they have broken the line. However, at times they cannot disengage themselves from the hook. In that event they finally die with the hooks still in their gills or down in their throat.

Several times we've seen a bass, that had broken the line, try to throw the lure from his mouth by jumping into the air. Occasionally it is possible to tie into one of these artful dodgers and get him back. But not often.

A fishing friend once told me of hearing a bass jump under a willow at the edge of the water. He cast several times and got no action. But the bass continued to jump.

Finally the angler paddled over to it. By this time the bass had jumped a little too high and one of the hooks on the lure caught a small limb and left the bass dangling there.

My friend said he didn't have the heart to string the bass. He liberated it with the hope that it's experience would not stop it from hitting some other time.

What is the best weight line to use? There is no single answer to this question. It depends upon what you want to catch and the type of water in which you're fishing.

In most cases a 10 pound line is about the lightest that should be used on bass for successful landing. However, makers of spincast reels now generally are loading their equipment with 12 pound test.

New manufacturing processes today make it possible to use line of much greater strength and in smaller diameter. Many lines of 20 pound test now, are no larger than 12 pound test lines just a short time back.

Fishermen who continually land big bass, however, stick to 15 to 20 pound test line. Especially is this true around impoundments rimmed with lily pads or with dead forests on the bottom.

Sam Welch of Bull Shoals, who has caught more than 400 lunker bass, in addition to thousands of smaller ones, says he always wants a 20 pound test line for bass fishing, especially at night.

Fishermen who prefer the smaller line resort to another method which is helpful. They use a 20-pound test

shock leader. This piece of 20-pound monofilament is at least 20 feet long an dis attached to the lighter line.

Many fish are lost as they make one last surge. If you are using a shock leader, you have a better chance of "horsing him in" those last few feet.

Then too, your bass may be down only a few feet when it heads for the bramble. If you have 20 feet or more of shock leader, you may be able to maneuver your boat over him and bring him out by main strength.

So far we've been talking about bass. However, speckled trout quite often are taken successfully on 12 or 15 pound test line in the bays and Gulf.

Here again the shock leader idea is very good. This because quite often you catch a heavy jackfish, or some other rough fish, that will give you a tough fight. While you are playing it, you're losing good trout-fishing time.

Another advantage of the

heavy shock leader, (unless you've attached a light steel leader) is that it won't be cut on shell on the bottom.

A salt-water fish, especially a red snapper, will head for a reef or channel as soon as it is caught. Sharp shells then sever the line and the fish is gone.

Moral there of course is—use a heavy line AND a steel leader.

Magna Carta Hall is one of several halls at the Douglas MacArthur Academy of Freedom depicting the history of freedom from 4,000 B.C. to the present time. It was designed specifically to establish the Northern European and English tradition in the development of America. Osborne Robinson, one of England's outstanding designers and authorities on historical fashion has been commissioned by the Academy to paint a mural in the hall. Robinson began the work in early July after completing some eight months of research on the project. The Academy of Freedom is an honors program operating under the Department of Social Sciences at Howard Payne College in Brownwood, Texas. Non-political and non-sectarian, its basic philosophy is to make freedom meaningful and real to those who follow its course of study.

HIGHLIGHTS AND SIDELIGHTS

From Your State Capitol

Austin, Texas — Gov. John Connally is going along with forecasts that a "substantial mounta" of new government spending in the next fiscal period is "almost inevitable."

However, Connally declined to join in predicting specific new taxes. He called such forecasts "premature", although the Committee on State and Local Tax Policy earlier had indicated it agrees with the predictors.

Connally to South America — Governor Connally is considering a week's tour of major South American countries starting February 21 to drum up participation in San Antonio's 1968 HemisFair.

Tourist Seminars Set — Texas businesses will get tips on how they can get a bigger share of \$30,000,000,000-a-year U. S. vacation market in series of tourists seminars

scheduled for 20 Texas communities March 7-May 13. University of Texas Department of Distributive Education and Texas Tourist Development Agency will co-sponsor the meetings in places yet to be selected.

Oil and Gas Arguments — Oil and gas operators in 15 West Texas counties have been given a chance to show why they shouldn't be ordered to stop using open unlined surface pits for salt water disposal.

Texas Railroad Commission set Feb. 24 for hearings on fields in Young and Archer Counties.

A March 10 hearing has been set on fields in Hemphill, Swisher, Andrews, Martin Bailey, Hale, Cochran, Dawson, Gaines Hockley, Lynn, Terry and Yoakum Counties.

Hearings are a part of the commission's activity in the water pollution control field. Chairman Ben Ramsey says such hearings now are consuming 04 per cent of the time of the commission's

field inspectors.

Water Rights May be Cancelled—At a March 15 meeting in Austin, the Texas Water Rights Commission proposes to cancel water rights for all who fail to exercise them by that date. Only five rights are scheduled to be heard at this time.

This is the first of more than 200 hearings expected

to be held in 1966 as the state move to erase "paper rights" to use stream water. Then the state will be able to show how much water really is available for future use in Texas rivers.

Interest Earning Up — Texas state government now has \$228,800,000 in time account deposits.

CREDIT -- A FINANCIAL ASSET

More than 95% of the families in this area use credit in one form or another, from the simple weekly payment to the purchase of a home on a 20 to 30 year payment plan. Wisely used credit can provide any family with a better standard of living.

The credit advantages listed below are yours through the use of the Retail Merchants Association — your Credit Bureau — where your payment record is maintained for the local merchants who are members.

1. You have an immediate means of identification
2. You have the privilege of opening an account "on the spot" if you have established a prompt paying record.

3. When you buy from the firms that are members of the local Credit Bureau, you establish further recommendations as all firms that use this service report your rating promptly to the Credit Bureau.
4. The ratings files by the firms that use this service, become part of your Credit Record which is available through the Credit Bureau to every community in the country where you may have occasion to buy.

TREAT YOUR CREDIT AS A SACRED TRUST
IT IS MORE VALUABLE THAN GOLD

LETTERS OF THANKS RECEIVED BY COACH

By Lynn Cox

The 35th Annual Invitational Basketball Tournament was indeed a success. There were some exciting games, good food, and best of all, the Lions played so well. Not only did the Ozonans feel the tournament was a hit, but many people from out-of-town thought it so, too. Coach Dozier received a nice letter from the Van Horn Coach thanking him for everything. The letter has been printed below so that everyone can read it and be proud of our tournament.

Jan. 25, 1966
 Coach Brooks Dozier
 Ozona High School
 Ozona, Texas

Dear Coach Dozier:

Your 35th Annual Ozona Basketball Tournament was an outstanding success this year, and our Van Horn group enjoyed their part of the participation to the fullest.

We are proud that you invited us to take part in your fine tournament, and we appreciate the good people who shared their homes with our basketball boys during the tournament.

The organization of the bracket players were the best ever, and Coach Jesse Walker and myself thoroughly enjoyed every minute of the Basketball Tournament, and wish you extended success in the future.

Sincerely yours,
 Coach Jesse Walker

SENIOR CLASS EXPRESSES APPRECIATION

By Lana Alford

The Senior Class of 1966 would like to express their appreciation for the assistance that they received in making their concession stand a success during the Annual Basketball Tournament.

The class could not have operated the concession stand if it were not for the co-operation of the mothers in that they spent much of their time making the food that was sold. Also thanks go out to all those that made both food donations and money donations.

Class members would like to give special acknowledgment to their sponsors, Miss White, Mr. Moody, and Mr. Tyler, for the time and energy that they gave in helping the Seniors.

In spite of Old Man Winter and his helpers Snow, Wind, and Drizzle, the concession stand did very well in that they took in over \$700 in the three day affair.

OHS AND OJHS STUDENTS TO ATTEND SAN ANGELO CONCERT

By Kathy McAlister

Several members from the OHS and eighth grade bands are going to San Angelo this afternoon to hear the 41st San Angelo High School Annual Band and Orchestra Concert. The concert is to be held in the Sarah Bernhardt Auditorium at Central High School.

The band will play several selections including "Band Finale from Fourth Symphony" by Tschaiakovsky, and "Selections from Mary Poppins." The orchestra will also play several selections including "Komm, Susser Tod" by Bach, and "Introduction to Act III Lohengrin" by Wagner.

The band members will leave at 5:30 and are expected back around 11:30.

IT'S THAT TIME AGAIN

By Helen Hayes

It's term-paper time again, and the junior and seniors are rushing around like chickens with their heads cut off. There is usually a cluster of students around the table at the back of the library who are frantically hunting sources for material.

There are frequent squabbles over who will get which magazine and who will use which Reader's Guide. Dozens of hands scramble thru stacks of magazines hunting for the only one that has disappeared (which immediately arouse faint suspicions of foul play.)

Most juniors and seniors are also blessed with two research papers to write instead of just the usual one. It is to be understood that some people will have to write three; and pity the one boy who has to manage four at one time.

After seventh period, students stand three deep around the magazine check-out book while arguing over the Reader's Digest or the Saturday Evening Post. Some people even use friends names in order to be able to check out more and more magazines.

After all the material has been gathered, the lines queue up for a chance at one of the two typewriters in the library. Many will frantically type all night before the paper is to be handed in. What little sleep they will snatch will be broken by nightmares of stolen research papers.

All in all, it is a very trying time, and all will breathe a sigh of relief when the ordeal is over.

LIONS TO MEET OWLS FRIDAY NIGHT

Around OHS, school spirit is mounting. It's all because of the big game tomorrow night when the Lions meet the Big Lake Owls. A large crowd is anticipated to attend the game, many of whom are ardent Lion-boosters.

The game will be a big factor in determining the champions of the West zone. If the Lions win the clash, they have practically cinched the title; however, the Owls must be the victors in order to remain in title contention.

Each time these two West zone teams meet, they show a great deal of enthusiasm. Fans for both teams rise in shouts, cheering their team on to victory. The final score has always been very close this year, causing sad hearts to the defeated team. In a matter of a few seconds, the final scoring of two points can either make the champs or break them.

NATION TESTS GIVEN IN FEBRUARY

By Vicki Lynn Montgomery

Two national tests will be given this month by J. A. Pelt, High School Principal, On Saturday, February 19, the A. C. T. test will be given to certain juniors and seniors who have sent their registration fee in previously. The American College Testing Program is one of the two tests required for entrance into college. While a few colleges require both tests, most designate one as required and recommend the taking of both for college placement. Some colleges such as: Abilene Christian College, Angelo State College Baylor, North Texas State, and many others require this test.

The National Merit Scholarship Test will be given on Saturday, February 26, by J. A. Pelt to all the juniors of Ozona High School. This is a test given searching for intellectual talent. Joel Huff is the only student from Ozona High School to rate in the finals.

CRUNCHY CANDY CREATES CHAOS

By Connie Bradford

"Crunch, Munch, Chomp Gurrrip!"

The teachers of OHS may have been hearing these strange sounds coming from their students during the last few months. The cause of these sounds is the candy purchased from the machine which was installed not too long ago.

The candy is not supposed to be eaten in class, but as the old saying goes, "Rules are made to be broken." (Besides a person gets awfully hungry before dinner time.)

Typing class seems to be a favorite place for the candy-eaters. Here, the candy can be hidden in the desk drawers or under the typewriters.

Coarh Gerber's class is also popular for eating candy. Coach Gerber is always singing to himself so he can't hear the candy wrappers being opened.

The teachers thought that when the candy machine was installed there would be less gum stuck under the desks. This proved to be untrue. Pounds of gum are still scraped out from under the desks every day.

The general opinion is that the candy machine is one of OHS's most valued possessions. It makes school a little more bearable and the hours between breakfast and supper a little bit shorter.

The News Reel

A re-run of "The Ozona Story" as gleaned from the files of The Ozona Stockman

From The Ozona Stockman Feb. 1937

The fact that 1937 is an off year in so far as state and national elections are concerned served to pare Crockett County's voting strength for the year. Reports from the tx collector's office indicate 472 poll taxes paid with five exemption certificates issued. Last year's total voting strength was well in excess of 800.

Recipe of the Week
From
Kitty's Kitchen

STOLLEN
(German Origin)
Everybody will love this delightful German coffee-cake, even the cook when it's made by the following easy-bake recipe
1 pkg. hot roll mix
¾ cup warm (not hot) water
1 unbeat egg
½ cup chopped blanched almonds (I use pecans)
½ cup chopped candied cherries
¼ cup chopped citron

½ cup raisins
1 cup sifted confectioners' sugar
1 tablespoon melted butter
4 to 5 teaspoons milk
Sprinkle yeast from hot roll mix over warm water in large bowl; stir to dissolve. Add egg and dry mix. Mix well. Let rise in warm place until light and doubled in size, 30 to 45 minutes. Turn out on floured surface. Knead in almonds, cherries, citron and raisins until evenly distributed.
Divide dough in half. Roll out one half on floured surface to an oval 10-inches long and ½ inch thick. Fold in half length-wise; form crescent. Place on well-greased baking sheet. Repeat with second half. Let rise in

warm place until light and doubled in size, 30 to 60 minutes. Bake in moderate oven (375 degrees) 20 to 25 minutes, until golden brown. Combine confectioners' sugar butter, and milk. Glaze warm stollens. If desired, decorate with chopped nuts or candied fruit. Makes 2 stollens.

When Millie goes to bed she stops by the stairway window to say good night to her favorite star. It twinkles in the frosty evening sky, and to me it seems remote and cold. But to Millie, the star is a warm and glowing friend. It's just a matter of viewpoint. A grown-up sees through the eyes of experience. The child gazes through the eyes of innocence. And as we all know, it isn't easy to exchange our experience for innocence again.

Yet, this is exactly what many of us need to do. Many of us need a new approach, a new look at the old things, the old truths. We need to open our eyes, and let ourselves see; to open our ears, and let ourselves hear.

There is no better place to discover this new approach than in your church. In church next Sunday you will find a new point of view. Let yourself see, let yourself hear. You will be surprised at the results.

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Showmanship awards were won by Fleet Coates in the high school division, Jim Bob Bailey in the junior high school division and Jim Williamson in the elementary school division.

Best gain awards on three lambs for the 120 day feeding period went to Mike Baker on crossbred with 197 pounds of gain. Mike had one lamb that weighed 53 pounds on October 2nd and weighed 162 pounds on January 29th, gaining 109 pounds in 120 days. David Jacoby won the finewool best gain award with 134 pounds of gain on three lambs.

Archie Elmore was named the champion ticket salesman and received the 4-H western belt buckle for selling 42 tickets for the benefit barbecue served at the 4-H Livestock Show. David Joe Bean came in a close second with 35 ticket sales.

One of the largest crowds in several years attended the show and lamb sale, climaxed by the Chinese lamb auction sale of a 4-H lamb for \$750.00.

The Ozona Lions Club furnished the ribbons, rosettes and banners for the show winners.

Mrs. Brock Jones, Jr.
... nee Miss Ann Camille Adams

Miss Camille Adams Weds Brock Jones, Jr.

Miss Ann Camille Adams, daughter of Mrs. Clay Addison Adams and the late Mr. Adams, and Martin Brock Jones, Jr., son of Mrs. Martin Brock Jones and the late Mr. Jones, were married Saturday, January 29, in a lovely candlelit ceremony at the home of the bride's mother, Rev. Leonard Garrett, pastor of the First Methodist Church, officiated.

The bride, escorted by her brother-in-law, Charles Gary Garlitz of Midland, wore a gown of antique beige satin. The moulded empire bodice was fashioned with a high bateau neckline and elbow length flared sleeves edged in a banding of jewel embroidery of pearls. The slim skirt, enhanced by a deep banding of the jewelled embroidery, was complemented by two watteau panels which formed the court train.

She wore an imported silk illusion turban with a banding of jewelled alencon lace framing her face. The bride carried a prayer book topped with a gold cattleya orchid and carried a wedding handkerchief that had belonged to her maternal grandmother. Her jewelry was a strand of pearls, a gift from the bridegroom.

Mrs. Charles Gary Garlitz of Midland, sister of the bride, served as matron of honor. Miss Elizabeth Jones, sister of the groom, was maid of honor. Brides matron was Mrs. Joe David Ross of Sonora.

The bride's attendants wore gowns of Paris blue crepe. The empire bodice was fashioned with a square neckline and brief sleeves edged in satin-back crepe. The slim skirts, enhanced with deep tucks of the satin back crepe were floor length. They wore large dior bows of satin and carried a red long-stemmed anthurium.

Mrs. L. B. Cox, III, was the organist.

John Robert Jones, brother of the groom, served as best man. Groomsmen were Earle Harrison Chandler, Jr. and Burrell Day of San Antonio.

William Wade Garlitz of Midland served as usher.

The staircase, from which the bride made her entrance,

was garlanded with smilax attached with white calla lilies.

The ceremony was performed before a fireplace decorated with garlands of smilax and white calla lilies. The mantle was centered with a large arrangement of white calla lilies flanked by bronze sconces with white tapers. Bronze candelabra holding five white candles were placed on each side of the fireplace.

A reception was held in the home immediately after the wedding.

Arrangements of white calla lilies were placed throughout the house. The groom's table was centered with red roses.

After a wedding trip to Santa Fe, New Mexico, the couple will be at home at 4010 Cherrywood in Austin.

The bride attended the University of Colorado, University of the Americas in Mexico City and the University of Texas. She was a pledge of Kappa Alpha Theta social sorority.

The groom, a graduate of the University of Texas, is now attending law school there and is a mid-law student. He is a member of the Phi Alpha Delta, legal fraternity.

Out-of-town guests here for the wedding included Mrs. W. A. Adams, the bride's grandmother, Mr. and Mrs. Elton Holland and children, Jeanette, Mary Gail and Robert Bland; all of Ft. Stockton; Mr. and Mrs. Worth Odum of Dryden, Mr. and Mrs. Albert Bailey and Mrs. Bailey Green of San Angelo, Mr.

and Mrs. Edward Reynolds, Miss Judy Reynolds and Mr. Edward Reynolds, Jr. all of Dallas; Mr. and Mrs. Wade Madeley, David McKenny and Will McKenny, Jr. all of Houston.

Also, Miss Diane Phillips of Greeley, Colorado, Dr. Joe David Ross of Sonora, Mr. and Mrs. A. T. Carlton and children, Cathy, Elaine, and Phillips and Christa Adams Garlitz all of Midland, Mrs. Lela Nussbaumer and daughter, Maycee of Del Rio.

The rehearsal dinner was given for the wedding party at the home of Mr. and Mrs. L. B. Cox, Jr. Mr. and Mrs. Albert Bailey and Mr. and Mrs. Worth Odum were co-hosts are uncles and aunts of the bridegroom. Also attending was the bridegroom's grandmother, Mrs. John R. Bailey.

Other parties honoring the bride included a brunch given last week at the Civic Center with Mrs. Pleas Childress, Mrs. Bill Childress and Mrs. Joe David Ross of Sonora as hostesses.

The table was centered with red geraniums in a brass and copper epergne. The bride-elect was presented with an evergreen pot plant decorated with kitchen gadgets. 30 guests attended.

A kitchen linen party honored the bride - elect last week at the home of Mrs. Mike Clayton. Co-hostesses were Mrs. George Bunger, Jr. and Mrs. Jesse C. Marley. Eleven guests attended.

Today is the day of predictions. Tomorrow is the day of "I told you so." Excelsior (Blakesburg, Iowa).

Polara

Kick the dull driving habit in a car that's really going places. Polara is loaded with looks, luxury and performance. It's big and solid, with wide sweeping lines. And Polara gives you a lot of standard extras (like a 383 cubic inch V8).

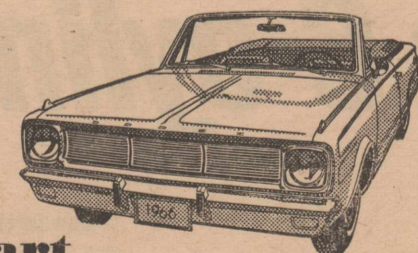

Monaco

Take a look at Dodge's top gun. For luxury performance this is the one. Combines performance, comfort and glamour at a reasonable price. By far the most dazzling car in the '66 Dodge lineup of dazzlers. Monaco! Hardtop, wagon or sedan.

Coronet

Here's a car that fills the bill for Rebels who want a brand new thrill. The Coronet is sharp, smart and zippy — and it goes like no other car in its class. Coronet is also loaded with luxury the higher-priced cars haven't caught onto yet. Lots of power in a spunky Six — and a fistful of brawny V8's.

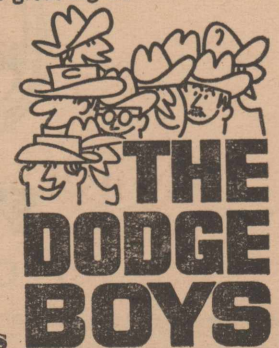

Dart

This is a rebel in the compact class — bigger than any, with a lot more sass. Big on the inside. Big on the outside. Beautiful any way you look at it. (About the only way it resembles an ordinary compact is in the way it saves you money). Your choice of two quick Sixes and two great Eights.

Six horse-sense reasons for buying a 6-cylinder Mustang

- 1. Low initial cost** . . . if you can afford any new car, you can afford this racy Mustang!
- 2. Gas economy** . . . you'll think the gas gauge is broken until you learn its miserly habits!
- 3. High resale value** . . . you'll value it for years, get more value at trade-in time!
- 4. Hot performance** . . . just sample the sock, the sass of a Six that think it's an Eight!
- 5. Mustang style** . . . includes smart, sporty buckets, stick shift—all standard!
- 6. Fast delivery** . . . in many cases, just drive the one you want right off our floor!
