Kitty's Korner By Kitty Montgomery

Is it a trend of the times or just lack of talent that prompts an after dinner speaker to use ribald language and smutty stories in an effort to entertain a mixed gathering? Perhaps it's just lack of good taste. All of the women and most of the men were offended last Thursday night at the guest speaker's choice of words. Some of his stories would have been out of place down on the river at a men's fishing party.

I think his topic was "What a Chamber of Commerce is For", but after 30 minutes of off-color stories and nauseous language building up to his subject, I can't remember whether he brought out any worthwhile points or not. However, I do know that in urging everyone to be chamber minded including the housewife and garbage collector, went over big with all the housewives who were there. Wow, what a faux pas that was.

Oh well, the damage is done and I am sure that some red-faced C of C officials will be a little more selective when it's time to engage a speaker for next year's banquet.

Members of the Woman's Forum really outdid themselves for the Style Show-tea last Saturday and it was perfect down to the smallest detail. I was most impressed with the decorations, and the fact that members made the colorful paper flowers used in them. Professionals couldn't have turned out a better coordinated show and it was well worth all their efforts. I can't imagine what they will do next year to follow this year's show. It won't be easy.

As of this week, I will be the local correspondent for the San Angelo Standard Times and will be calling and mailing news items in to them. If you have any news or social event you'd like to have reported, I would be happy for you to call me here or at home. I will be doing most of my work for them at home during the evening hours so as not to interfere with my work here at the Stockman.

Television commercials are irritating at best, even though we all know they are a necessary evil. If it were not for the sponsor's advertising dollar, both the networks and local television stations just could not operate. However, there's one type commercial I just can't tolerate and I think the local stations would be better off without. That's the do-it-yourself kind where the local businessman takes it upon himself to sell his product on television. Usually he is ill at ease, with a nasal twang and none of the qualities of a professional announcer. By the time the one minute commercial is finished it seems that at least five minutes have passed, the viewer has forgotten what he was watching before the interruption and makes a mental note never to enter (Continued on Last Page)

Austin, Texas — The Texas Highway Commission today ordered construction of 22.6 miles of Interstate Highway 10 in Crockett and Sutton Counties.

Public Schools Week Observed In Tex. Mar. 7-11

Next week, March 7-11, will be the 15th annual observance of Texas Public Schools Week and plans have been made for observance of the week in Ozona Public Schools, Supt. L. B. T. Sikes announced this week.

Although visitors will be welcome in any of the schools during the week, Wednesday has been designated as special visitation day in both the North and South Elementary schools.

As a feature of the week's observance in High School and Junior High School, speakers from different fields of business and industry will be brought before students groups to tell about jobs and opportunities in their respective fields.

Persons interested in the schools are invited to visit classrooms anytime during the week. Operations will be carried on as usual so that visitors may see the schools in normal operation.

Man Charged In Theatre Theft Awaiting Trial

Bob Patrino, who is charged with theft of money and a pick-up from the Ranch Theatre, is lodged in the Crockett County jail awaiting trial. Sheriff Billy Mills picked him up in Phoenix last week after extradition procedures were complete.

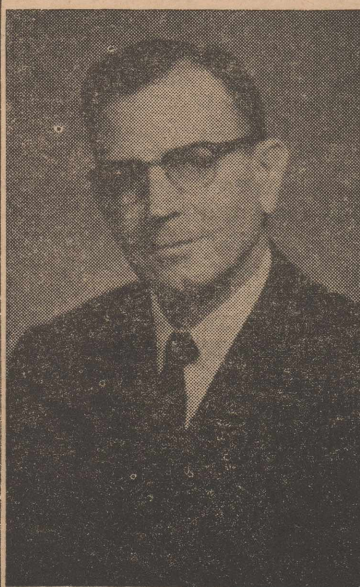

The stolen pick-up was found abandoned in El Paso several weeks after the theft. Sometime later Phoenix authorities notified Sheriff Mills that they had Patrino in custody where he refused to waive extradition.

Formerly employed as usher at the Ranch Theatre, officers discovered he came here from Pennsylvania where he had violated parole.

Harlem Stars To Play Lions Club Here March 12th

The hilarious Harlem Stars are coming to Ozona March 12. Advertised as the greatest and funniest basketball team in the country today, the Stars will compete with the local Lions Club team. The Stars are a combination of Negro players who tour the world making fans laugh and will be here under the sponsorship of the Lions Club.

Fans will see a great deal of fancy exhibition ball handling, intricate routines, comedy and all sorts of "shenanigans". They are unique in the fact they never try to run up a huge score against opponents. It is their policy to keep the game close devoting much time to comedy. It should be an entertaining evening, as the Lion's Club crew also have their share of comedy antics, as fans saw during their game with the Baptists earlier in the season.

There will be a preliminary game between fifth and sixth graders at 7 p. m. with the main event scheduled for 8 o'clock. Tickets will be \$1.50 for adults, \$1.00 for student and 50c for children.

Man Charged With Assaulting Officer Awaits Trial Here

Jesus Borrego, 20, is in Crockett County jail charged with assaulting a police officer and destroying public property. Charges grew out of an incident occurring last January at a dance in the southern part of town when a rock was thrown through the window of a Highway Patrol car. Borrego was taken into custody Tuesday for fighting.

The case is pending in County Court.

HEART FUND OVER

John Held, Crockett County Heart Fund Chairman, reported that the February Heart Fund drive was over its \$800 quota and a few donations are still coming in.

Held thanked everyone who worked with the Heart Fund and expressed appreciation for the donations.

Two More Seek Places On School Trustee Ballots

Two more candidates for the school board had filed with County Judge Bernice Jones to yesterday, bringing the total candidate list to seven seeking the four places on the board of trustees to be filled in the April 2 election.

Filing for places on the ballot this week were Perry Hubbard, Ozona businessman, and Armond Hoover, Jr., rancher.

Three present members of the board whose terms expire this year have filed for re-election. They are Bud Cox, P. C. Perner and Charlie Fuantoz. James Childress, whose term also expires this year, has not filed for re-election.

Henry Miller, superintendent of the Ozona Gas Processing Plant of Delta-Paulay, and W. P. (Bill) Seahorn, rancher, are other candidates for places on the board of trustees.

Today is the deadline for filing for a place on the ballot for trustees.

Sheriff Seeks To End Vandalism By Boys With BB Guns

Sheriff Billy Mills this week expressed concern over the loss of street lights in the city the past two weeks due to bb-guns, pellet guns and the like. He urged parents to cooperate with the Sheriff's department in putting a stop to this vandalism.

The West Texas Utilities Co. has been busy replacing lights almost daily and the incidents have occurred repeatedly in all parts of town creating a great deal of trouble and expense.

Sheriff Mills asked parents help in avoiding the unsupervised use of air rifles by young boys in town and reminded them that an air rifle is a lethal weapon in the hands of a careless child. He asked that they check on children who own these guns and advise them of the danger involved.

Funeral Mon. For Mrs. Lehmborg, Mother of Ozonan

Funeral services for Mrs. Aurora Johanna Lehmborg, 82, were held at 10 a. m. Monday from the Methodist Church with Leonard Garrett, pastor, officiating. Arrangements were under the direction of Janes Funeral Home. Services were held again at 3 p. m. from Davis Morris Chapel in Brownwood with burial in East Lawn Cemetery there.

Mrs. Lehmborg died late Saturday in Crockett County Hospital. A long time resident of Brownwood, she had made her home here with her daughter, Mrs. Bill Cooper, the past few years.

Born February 28, 1884, in Fredericksburg, she was married to C. W. Lehmborg on April 25, 1907. The Lehmborgs made their home in Brownwood until his death in 1955.

Survivors include Mrs. Cooper; a son, William H. Lehmborg of Weslaco; two sisters, Mrs. L. M. Snodgrass of Santa Cruz, Calif. and Mrs. C. C. Warren of Fort Worth; two brothers, O. V. Rabke of Fredericksburg and R. F. Rabke of Duncanville and two granddaughters.

Volleyballers To Big Lake Tonight, First Dist. Game

Ozona Lioness volleyball team will be a slight underdog as they face Big Lake for their first game of the 1966 district play tonight (Thursday). Ozona will have only 2 returning starters from last year's team but will be joined by one senior member who was sidelined during the season last year from a basketball injury. All three were delayed from volleyball practice sessions due to the prolonged basketball season. However, the team began to click in their second game at the Crane tournament last week end and show good prospects.

Big Lake is sporting 5 returning starters from their 1965 a team, a consolation title from the Colorado City Tournament and another consolation title from the Crane Tournament. They beat Ozona 15-4 and 15-9 to advance to the consolation finals.

Game time is 6:30 and 7:30.

The Ozona team will then travel to Sonora on Tuesday night to face the Bronchos. Game time being 6:30 and 7:30.

ship trophy could go to Sonora, Eldorado, or the Lions of Ozona. Each of these schools is hoping for a strong track season — once squad members have rounded into shape.

Teams expected to be on hand Saturday are Sonora, Iraan, Big Lake, Menard, Eldorado, Junction, Sanderson, Bronte, Bandera, Comstock, Robert Lee, Christoval, Mertzon, Rocksprings, Garden City, and Ozona.

The Lions entered a limited squad at the Comanche Relays in Fort Stockton last weekend, and Billy Carson, district pole vault champ and 1965 state finalist, copped the pole vault title for Division III with a leap of 12 feet and 6 inches. Gary Sutton grabbed a 6th place spot in the discus.

In addition to Carson and Sutton, the Lions are hoping to be strong in the 100 yard dash with George Cox, who ran a 10.1 as sophomore and was a close 3rd in district. Beto Ramos should be a contender in the 220 yard dash, and George Parker could be a threat in the low hurdles. The 440, 880, and mile relay teams will see a combination of four from Parker, Cox, Ramos, Derold Maney, and Ernest Vargas. Both Pablo Diaz and Maggie Galindo could go under 5 minutes in the mile run. Several other Lions could come through with vital points.

Fred Stallings, Superintendent of Schools at Miles will serve as starter for the meet.

Little League Meeting Called For Monday Nite

Bill Lewter, newly appointed president of the Ozona Little League, has called a meeting for next Mon. night at 7:30 at the Chamber of Commerce building. All coaches and men who are interested in Little League are urged to attend.

The Lions Club Little League committee for the coming season consists of Hank Wellman, chairman, Weldon Maness and Harold Shaw.

CONSISTENT SENATOR

One outstanding characteristic of both of Texas' Senators, Ralph Yarborough and John Tower, is that they are consistent.

This was proven once again last week when the United States Senate refused to invoke its cloture rule to shut off debate on the administration's proposal to repeal Section 14b of the Taft-Hartley Act.

Senator Yarborough, following his usual line of voting against individual initiative, free enterprise and constitutional government, voted to cut off debate on the right-to-work proposal, and in effect, voted to repeal Section 14b.

Senator Tower, on the other hand, voted against the efforts to retain Section 14b gag rule and continued his and the right of every individual to choose whether or not he wants to join a union.

Fortunately for the people of Texas, we at least had Senator Tower there to kill Senator Yarborough's vote. It is too bad that we didn't have two senators on the job representing all the people of the state — instead of just one.

Senator Yarborough evidently felt that he owed greater allegiance to the union bosses than he does to the people of the Lone Star State. Perhaps Texans will remember this when our liberal senator comes up for re-election next time.

800,000 New Texas Hiway Maps Being Distributed Free

Austin, Texas — The largest single order for the Official State Highway Map of the Texas Highway Department is now rolling off the presses.

The initial order for 800,000 of the full-color maps is up 200,000 over the first order for 1965 maps. In past years, substantial reprints have been required to fill the ever-increasing demand from both Texas motorists and out-of-state visitors.

The maps are produced for free distribution by the Travel and Information Division of the Texas Highway Department. They provide tourists and Texans with up-to-date information on highways, mileages, lakes accessible to the public, Safety Rest Areas, city route maps, and to distinguish Interstate U. S. State and farm and ranch-to-market roads in the state.

The growth of the Interstate Highway network is graphically shown, as the 1966 map shows 521 more miles of divided highways than appeared on the 1965 map. The majority of this increase is the Interstate System.

Over 22,000 miles of farm-to-market roads are shown some 7,500 more miles of this type road than appeared on the 1965 map.

A luncheon in the home of Mrs. T. J. Bailey honored members of the Philia Club of San Angelo before the style show last Saturday.

Around 40 women attended the first meeting of the TOPS Club last Tuesday evening in the Civic Center. Each person was given a name tag and as an ice breaker, a few club songs were sung. The hostesses, Mrs. John Boyd and Mrs. George Glynn, served coffee and diet-cola.

Guests from the Shrinking Bluebonnets Chapter of the San Angelo TOPS Club were on hand for a panel discussion and to answer questions about club procedure.

After the delightful discussion by the panel, election of officers was discussed and application blanks were filled out. The club will meet every Tuesday evening at 7. BASIS OF COMPARISON—All models are two-door hardtops equipped with V-8 engine, automatic transmission, power steering, power brakes, radio and heater. Monthly payments have been computed on manufacturer's suggested retail price, 1/3 down and 36 monthly payments. Not included are the extras you pay for on practically any new car: whitewall tires, deluxe wheel covers, destination charges, state and local taxes, interest, insurance, and licensing fees.

CHRYSLER'S 5-YEAR/50,000-MILE ENGINE AND DRIVE TRAIN WARRANTY WITH THIS COVERAGE: Chrysler Corporation warrants, for 5 years or 50,000 miles, whichever comes first, against defects in materials and workmanship and will replace or repair at a Chrysler Motors Corporation Authorized Dealer's place of business, without charge for required parts and labor, the engine block, head and internal parts, intake manifold, water pump, transmission case and internal parts (excluding manual clutch), torque converter, drive shaft, universal joints, rear axle and differential, and rear wheel bearings of its 1966 automobiles, provided the owner has the engine oil changed every 3 months or 4,000 miles, whichever comes first; the oil filter replaced every second oil change and the carburetor air filter cleaned every 6 months and replaced every 2 years, and every 6 months furnishes to such a dealer evidence of performance of the required service, and requests the dealer to certify (1) receipt of such evidence and (2) the car's then current mileage.

The hard facts are all in the chart. You can practically pay the price of a Chrysler and get a lot less car all the way around. Doubt was expressed here this week that this city would be represented in the coming Permian Basin baseball league conference slated for Sunday in Crane.

The general opinion among local Giant boosters is that the Permian Basin league is a too expensive circuit for the city to join. If the Giants

Conservation, Key To Plenty In This Land, Is In Hands Of People

Fourth Place winning essay contest sponsored by the Crockett Co. Soil Conservation District.

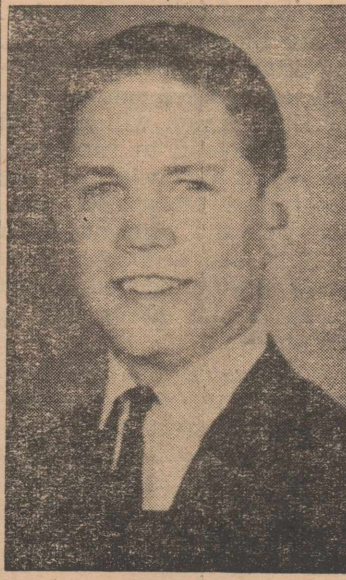

By Rex Bland

Conservation is the key that the people are needing to open the door to success and plenty. We, the people, can use conservation in almost any occupation or subject, but it begins in the big world of agriculture. The key to plenty is held by the people, and all they have to do is use it. Conservation saves time, land, forests, vegetation, minerals, water, and many other things, and all of these to the people means survival to some and success to others.

In agriculture the last twenty to forty years have made quite a difference to many people. Long ago a farmer or rancher had no interest in conservation for two main reasons — one was because he was interested in money more than anything else, and two was that there was such an abundance of things he needed he did not use conservation. Lately, in the world of agriculture, conservation has become a must to a successful man in any field of agriculture. Very recently, many large cities in the United States have felt what it is like to have a need of conservation. Even now, some are still in a panic about the shortage of water.

The United States of America's federal government was probably the main reason for the almost sudden interest in conservation. Our government had many experiments and surveys run when they began to worry about feeding our growing population. These showed so much improvement that the government trained men and sent them across the country to show the people how conservation can open the door to plenty.

The key to plenty is in the hands of the people, and, to become successful and improve, all they have to do is

School is well on its way to being out, and, as the end draws near, the students are plagued with more work than there seems to be time in which to do it. At this time, there is an old saying that seems to apply: "Don't put off until tomorrow that which can be done today."

If one keeps putting things off until tomorrow, chances are they'll never be done. Tomorrow has no more hours than today, and one still won't be able to find time to do the necessary tasks.

Organization seems to be the key to success. Therefore, one must learn to organize the work that must be done into the time available for doing it.

This problem of "not enough time" will not get better as time elapses, but it may get worse if we don't discipline ourselves to manage our time. When this self-discipline is learned, then the problem will be greatly reduced!

1966-67 STUDENT COUNCIL REPRESENTATIVES TO BE ELECTED

By Celia Houston

Once again the time for campaign speeches for Student Council Representatives is here. Students heard the speeches yesterday for assembly and as usual, they ranged from humorous to all kidding aside.

Elections began today and final results will probably be posted tomorrow, according to Mr. Peltó.

Those running for 1966-67 Senior representatives are Randy Upham, Derold Maney, Gloria Gilbert, and Jill Applewhite. Randy is the son of Mr. and Mrs. Norman Upham. Derold is the son of Mr. and Mrs. Orval Maney. Gloria is the daughter of Mr. and Mrs. G. G. Gilbert, and Jill is the daughter of Mr. and Mrs. Charles Applewhite.

Candidates for next year's Fred Chandler, son of Mr. and Mrs. Early Chandler, Duane Childress, son of Mr. and Mrs. John Childress, Peggy Hagelstein, daughter of Mr. and Mrs. Fred Hagelstein, and Sharon Jones, daughter of Mr. and Mrs. Lawrence Jones.

Next year's sophomore class nominated Randal son of Mr. and Mrs. Roy Clepper, Donald Huff, son of Mr. and Mrs. Vance Huff, Judy Barber, daughter of Mr. and Mrs. M. A. Barber, and Debbie Moore, daughter of Mr. and Mrs. Bob Moore.

Fresh-to-be candidates are Mary Frances and Mary Jane Martinez, both daughters of Mrs. Elvira Martinez, Arturo Torres, son of Mr. and Mrs. Mrs. Arturo Torres and

Richard Sanchez, son of Mr. and Mrs. Jose Sanchez. Each class elects two representatives, a boy and a girl.

COMMERCIAL TWISTS

By Connie Bradford

Suppose everything that was seen on commercials was true. Unreal? Well, here are a few samples of what it would be like —

Mommy, Mommy come, look in our washing machine!

Not now, Dear, I'm much too busy.

But Mommy, it's a —

I said not now, run along and play!

But, oh, never mind.

Later — the Mother goes to the washing machine to get the clothes! They're gone. The giant in her washer stole them and ran.

Here it is seven o'clock and I still don't have a date for tonight. What am I going to do? Wait! I've got it!

He goes to the store, buys a tube of Brylcreem marked Red and has a gorgeous red-head for the evening.

Boy, the wife's gonna kill me. I told her I'd be home early, but when I got together with the boys at Joe's, the time just got away from me. What's that. That girl on the billboard — she's singing! Look Mister!

I don't see anything, you must have had one too many. The man goes home to his wife, makes a full confession and joins the AA the next morning.

Ah, finally I'm here in the jungle where I can eat my Rice Krispies in peace and silence. They sure look good. What's that noise I hear?

Ah a ah a ah a ah!

Tarzan, Tarzan, you come back here with my Rice Krispies!

None of these things could happen, but they do make eye-catching commercials.

Novella Thomas wishes to report that she has lost her watch. It is white-gold with two stones and a safety chain. This watch is valuable and a reward is offered for its return.

SR. TRIP DRAWS NEAR

By Lynn Cox

Dallas or bust! One might call this the war cry of the Senior class of 1966 as it is the foremost (well, besides research papers) subject in each of their minds. The Senior trip, one of the highlights of four years of high school, is certainly an approaching dream-come-true for this year's class.

With two remaining projects left, the Invitational Track Meet this Saturday and the District Meet on April 16, time is running out for the Seniors to collect money. So far, the Seniors have managed to pull through when it seemed that "everybody" just couldn't make it about the time that the concession stand would be opened; yet, a few always managed to show up to keep the popcorn poppin' and the cokes pourin'.

This weekend will probably present the same problem, but a guaranteed - opened concession stand will be there for everyone's use during that rather cool and windy 5th of March.

The Seniors do realize, however, that without all the parents' help, what we are fortunate to have probably wouldn't even exist. It is hoped that the mothers will feel that the tuna-fish sandwiches and the fried pies will have been worth it when they wave good-bye to us as we leave for the metropolis of Big D.

GOSSIP

By Vicki Montgomery

Did win Saunders really have a parade at noon Monday, or was he just showing off his pretty new car?

Barbara K — Who is your friend in that funny looking car?

Carol C — Who was that letter from that was post-marked Sonora?

What happened to Kay Kyle's sunglasses Sunday? How about it Esther?

What two girls ran out of gas in front of the show Saturday night? How about it Linda and Jessie?

Are the Seniors about to push the panic button?

Seems if Mike Prater is getting his graduation early?

Does David L. really have the best part in the play?

Has Helen Hayes really quit wearing shoes, or are they just new?

Did Randal get scared in the show Friday night or is he just gaining weight?

What did you do Friday night, Connie?

Who were Sam and Joe that the Ozona girls were hollering for at the track meet Saturday?

Why are all the students looking forward to April?

What two girls were asked to buy a Kermit boy a sandwich in Ft. Stockton?

Some of Ozona's transfer students were seen at the track meet in Ft. Stockton Saturday. They were Joe Jacobs, Marshall Williams, and Jim Conaway.

Is it true that it's gotten quite hard to get an excused absence? What about it, Randal and Cynthia M.?

Does Mr. Gerber censor all his Dictionaries? Has David L. started wearing make-up?

SPORTS WHIRL

By David Lewis

The Ozona Lions will be host to the Ozona Invitational track meet this Saturday.

The Lions attended the Ft. Stockton relays last Saturday, and gained valuable experience which will be used this week-end in the meet.

Although not winning the meet, the Lions' Bill Carson won the polevault with a 12'6" leap, and sophomore Gary Sutton copped a 6th place in the discus with a 132' heave.

The Ozona Volleyball girls attended the Crane volleyball tournament last week-end, but failed to win. They lost their first match against the Crane A team and were taken from the consolation race with losses to Big Lake.

Tonight the volleyball team travels to Big Lake, before returning to host the Ozona Invitational Volleyball tournament Friday and Saturday of this weekend.

A few early hackers have been seen on the golf course. Soon the Ozona golf season will be under way, with its first meet at Brady, the 19th.

Also the Tennis season will be under way soon, and a few anxious members are already practicing.

OF SIN

Sin is a disagreeable word that millions shun. It casts a shadow of separation. It raises chill thoughts of an impenetrable and eternal barrier between humanity and God . . .

Forgiveness on the other hand is a warm and inspiring word. It promises that life's slate can be wiped clean. It brings us close to God — and to one another.

An Execution on a Friday centuries ago . . . an Empty Tomb in the dawn of the first Easter Day . . . a Faith that has gripped human souls for all the generations since — these are forever entwined with the stark realization of man's *sin* and the blessed assurance of God's *forgiveness*.

That is why, when we think deeply of the meaning of these words — of their implication in our own lives — we find ourselves at the very heart of the Christian religion.

And it is why these soul-stirring weeks at the threshold of Christ's suffering have long been the time for such searching thought!

...and FORGIVENESS

THE CHURCH FOR ALL • ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regu-

larly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Southwest Crockett Wolfcamp Discovery

A lower Wolfcamp gas discovery was virtually assured in Crockett County with the flowing of gas at the maximum rate of 562,000 cubic feet daily through perforations at Socony Mobil Oil Co. Inc., Midland, No. 1 Blakney-Krueger, in 35-Q3-TC RR, 32 miles southwest of Ozona and eight miles east of the JM (Ellenburger gas) field.

Operator ran logs, perforated from 4,322-468 feet, acidized with 1,000 gallons and swabbed five hours, recovering 13 barrels of acid water and 18 barrels of load water in five hours. It then flowed 22 hours, making nine barrels of acid water and 12 barrels of load water, plus gas at the daily rate of 562,000 cubic feet and decreasing to 480,000 cubic feet daily. No choke was reported.

It then flowed an unreported time on a 40-64-inch choke, making 13 barrels of acid water, plus gas at the daily rate of 390,000 cubic feet.

There are 111 barrels of load water remaining to recover.

Operator set a bridge plug and perforated opposite the middle Wolfcamp from 3,025-245 feet and was preparing to acidize and test.

It earlier tested the Ellenburger in open hole between 13,538-14,250 feet, making gas at the rate of 704,000 cubic feet daily.

While being drilled it flowed gas from the Wolfcamp at the maximum rate of 2.52 million 3,807 to 4,281 feet; and at the daily rate of 1,790,000 cubic feet on a drillstem test between 4,300-4,445 feet.

Washington Newsletter

By Congressman O. Clark Fisher

The War on Poverty took a new twist recently when it was suggested that the Congress enact a law which would guarantee a "minimum income for everyone." Sargent Shriver, director of the poverty war, came forth with a recommendation that our income tax system be turned into a wondrous handout for all who make less than \$3,150 a year. Described as a sort of "negative income tax," the Shriver brainstorm would cost an estimated \$4 billion a year.

This proposed dole, with no qualifications by recipients other than lacking money, presents a perfectly ridiculous concept. But the idea is not to be treated lightly in this day when many sins are committed in the name of poverty and the "have-nots" are getting an ever bigger slice of what the "haves" are able to make. It is maintained that as a result of these new schemes a new society is being created.

As far back as 1964 Shriver's idea was contained in a report of an "Ad Hoc Committee on the Triple Revolution," which declared that the government should guarantee every American an adequate income "as a matter of right," whether he worked or not. Some top professors were on that committee.

Then, more recently, a committee of liberal House Democrats called for a guaranteed income for everyone, and described it as a "negative tax on income." A product of the Democratic Study Group, composed of about 150 House members, the report called for an annual outlay of about \$5 billion to finance the scheme. Among other things, the plan would provide one million new "pu-

blic jobs" largely for Negro teenagers.

Further proof that this monstrous proposal is not to be treated too lightly was furnished only last week with another report. This one, by the National Commission on Technology, Automation and Economic Progress, called for a \$2 billion program to provide work for 500,000 hard-core jobless and another multi-billion-dollar plan to insure needy families a minimum annual income.

This Commission, appointed by the President last year, said there should be a floor under the income of families without breadwinners, physically and mentally handicapped, and people too old to work. And it would guarantee Federal payments to persons with incomes below a certain standard.

Thus, the "economic counselors" are at work. They are people who seem to know the price of everything but the value of nothing.

LADIES GOLF ASSN.

Mrs. W. E. Friend, Jr., was hostess for the Ladies Golf Association bridge Thursday afternoon at the Country Club. Winning high was Mrs. Gene Williams and Mrs. J. B. Parker in a tie. The party prize went to Mrs. Jake Short.

Others attending were Mrs. Ashby McMullan, Mrs. John Childress, Mrs. Bill Carson, Mrs. V. I. Pierce, Mrs. Sherman Taylor, Mrs. Byron Stuart, Mrs. Wayne E. West, Mrs. Frank McMullan, Mrs. Jack Baggett, Mrs. Q. A. Brentz, Mrs. Joe Pierce, Jr., and Mrs. Byron Williams.

Peggy Rutherford, niece of Mrs. Roy Pearson, who was a senior in Ozona High School until recently, underwent surgery last week in a Lubbock hospital. Peggy is living with her parents in Lubbock.

If the first part of your car registration number is here, you might be a winner.

Here's how it works. Look at the first symbols (the prefix) on your vehicle identification slip. Then look at the symbols listed above. If you find yours on the list, you've taken the first step toward being a winner. Now go see your Buick dealer. He has a list of 72 winners posted in his showroom. If you see your entire vehicle identification number on the poster—the symbols plus the rest of the numbers—\$2332 cash is yours. (If your prefix isn't listed in this ad, don't give up. Your numbers may have been posted during the past few weeks. And every week there are 72 new winners posted on the showroom wall. So watch for next week's list of new symbols in this newspaper.) No slogan to invent, no puzzles to solve. In fact, you don't even have to own a Buick to have a winning number. While you're in the showroom, get a good look at the Buick Special. The \$2332.00* happens to be its price. *Manufacturer's suggested retail price for Special V-6, 2-dr. coupe. Price includes Federal Excise Tax and suggested dealer delivery and handling charge.

Contest Rules. Residents of Kansas, Missouri and Nebraska may, if they prefer, send in a postcard to R. L. Polk and Co., P.O. Box 1347, Detroit, Michigan 48231 and receive the weekly list of winning numbers by mail for comparison with their own vehicle identification number. An official entry form will be included. Sweepstakes limited to persons over 21 living in the continental U.S. Not valid in Florida or states where prohibited by law.

the man's business establishment for fear of being bored to death.

Of course, there are exceptions, but the fact that a man or business can have a trained announcer for the same money that they pay to do the commercial themselves never ceases to amaze me and I'm sure the do-it-yourself commercial will never prompt me to buy a thing. Television is tricky anyway, I always will think Nixon would have been president except for television.

Finals are set for 6:00 p. m. to decide the consolation winner and 7:30 p. m. to determine the championship.

Two new teams are in the line up this year. Wink competing in the district with Plains, who has been the State Class A Champion for 4 years in succession and defeated Ozona 3 of those years in the regional meet, could be a pre-tourney favorite. Colorado City is a Class AA school and comes from a district that does not play much volleyball. However, they have played in the Odessa College Invitational Tournament for high school girls and their own invitational tournament.

Charlene Atkinson of Ector High school, Odessa, will referee all games while ex-volleyball players from teams in the last 5 years will be scoring, timing and umpiring.

The Ozona team, coached by Miss Geneva Knox, will have only 2 of the 1965 team returning this year as 4 members of that team were lost through graduation. How

New Fashions Paraded Before over 200 Guests at Forum's Style Show

Jubilee Fashions '66, the Woman's Forum's annual Style Show-tea, got underway last Saturday afternoon at the Civic Center with the president, Mrs. T. J. Bailey, welcoming guests. Around 200 were in attendance. The Philia Club of San Angelo, who came as a group, were introduced. Other towns represented were Sonora, Big Lake, Rocksprings, Barnhart, Wichita Falls and Big Spring. After a clever discourse on fashion changes the past 75 years, Mrs. Bailey presented Mrs. L. B. Cox, III, who took over at the microphone to do the fashion commentary after modeling her outfit.

The stage was a riot of color with large paper flowers, made by Forum members, entwined on a white picket fence and trellis. A replica of an automobile of ancient vintage was in the background. Colorful paper flowers decorated the auditorium along with relics of the past, such as a wicker baby carriage with a doll of many years dressed in an old fashioned christening robe.

Family groups modeled fashions from granddaughter or grandson to grandmother.

ever, one member of the 1964 team will be ready to play, having had to lay out during the 65 season due to an injury in basketball. Those playing in the tournament will be Seniors Lynn Cox, captain; Lana Kay Alford; Vicki Lynn Montgomery; Carol Coates; juniors, Kathy McAlister and Lenora Farris and Sophomores, Pam Sutterfield, Cheryl Jenkins, and Jerri Lynn Morrison. Managers are Peggy Hagelstein and Patty Walker.

All white ensembles were modeled by one group with all pink and navy and white shown by other groups of models.

Children's clothes were shown from sportswear through dress-up by children and grandchildren of Forum members.

Everything from suits to after five and formal attire was shown with members of the Forum and representatives of other clubs modeling.

Vicki Lynn Montgomery and Barbara Kirby modeled the wool garments that won them each a place in the Make-It-Yourself-With-Wool State Contest earlier in the year, a wool coat by Miss Montgomery and a wool suit by Miss Kirby.

Rev. and Mrs. Max Brown entertained at intermission with selection from Mary Poppins.

The second half of the style show centered around wedding fashions showing fashions for the bride's mother, little sister, the trousseau and the wedding gown, beautifully modeled by Sandra Whitaker including veil and bouquet.

Mrs. Buddy Russell furnished the background music.

Winning door prizes were Mrs. Jack Brewer, a silver cake stand from Baker Jewellers; Shauna Montgomery, a smoked turkey from Lefty's; Mrs. Joe Henderson of San Angelo, a planter from The Garden Shop; Mrs. Tom Seal of Rocksprings, a piece of Tupperware; Mrs. Joe Williams, a handbag from Barnes; Mrs. Jack Wilkins, a bon-bon dish from the Forum; Sherry Webster, Sarah Coventry costume jewelry, and Mrs. Audra Moore won
