300 Boys From Nine Schools Expected For Dist. Meet Saturday

Nearly 300 boys representing the nine member schools of District 8A will enter three divisions Saturday as Ozona hosts the Championship

Meet for the 9th consecutive year. Preliminaries in all divisions are set for 9 a. m. at Lions' Stadium, with finals to begin at 2 p. m.

In the addition to the varsity competition (Division I) there will be a division for district B-Teams composed of freshmen and sophomores, as well as a junior high division.

Directing the District Track Meet will be Lion Coach Chick Womack, aided by coaches Sam Mosley and Bill Gerber. Womack's Lions are the defending champs and will be trying to make it three in a row.

Kitty's Korner

By Kitty Montgomery

Easter has come and gone, but I must make mention of the beautiful spring clothes that blossomed forth in Ozona last Sunday. Fifth Avenue certainly had nothing on Ozona as families got together for church and Easter dinner. I am always impressed with spring hats but I believe they were prettier and more elegant this year than ever before. Ozona women seem to have more fashion sense as a whole than most any group of women anywhere.

Kids all over Ozona enjoyed the egg hunts sponsored by the Rotary Club and Southside Lions. The only casualty I've heard of was little Gloria Sands, who fell into some cactus. The children all found their share of eggs and the coveted prize eggs that brought \$1.00 each. However, I guess John L. Henderson would be considered the hunter with the most luck. He reached into a hole searching for eggs and found a baby rabbit. It isn't often you go to an egg hunt and find the Easter bunny.

All us avid Little League fans got a bang out of Harvey Jacobsen as he spoke to a group about Little League last Monday night. Harvey, a former professional umpire, must be the soul of patience. He certainly managed to keep his sense of humor during some trying times as the most hated man on the ball field. His little stories prompted me to resolve to go easier on the umpires this season. He is a diplomat as well. Although his statement about Little League mothers, being so agreeable and easy to get along with, got a big laugh from the male portion of the audience, we mothers appreciated it.

"The Thangs" were the highlight of the Jubilee meeting Tuesday night at the Civic Center. The four boys, David Lewis, Sandy Stokes, George Parker and David Jacoby, are quite talented. Besides being able to play this modern music that isn't music, the kids are all so gone on, they played some beautiful instrumentals that us "old folks" enjoyed. I think they would be ideal for the coronation ball.

I just couldn't wait to get home and try some of the modern dances after Jack and Jill Applewhite gave us their version of the "jerk" "chicken" etc. I can't recommend it for those past 30. I must have at least a dozen crushed vertebrae.

Members of the Woman's League are going all out for guest day this year. The annual tea, to be held at the Civic Center Saturday, will have a Jubilee theme and every little detail will be authentically old-fashioned. Most of the League members will be wearing fashions that were the vogue 75 years ago. The menu will feature delicacies popular in grand-

Sonora, Eldorado, Ozona, possibly Big Lake and Rankin have teams strong enough to cop the title and are expected to battle down to the wire for the coveted Championship Trophy. Sonora is rated a slight favorite but a win by Eldorado or Ozona would not be too surprising.

District officials are expecting several new records to be set Saturday with the biggest threats, coming in the shot put, discus, pole vault, half mile, mile run, and the 200 yard dash.

Lion vaulter Billy Carson has cleared 13 feet and the district record is 12'1". Geo. Cox, a favorite in the 200, could set the record — as this is the first year it has been run around the curve. Lion Miler Maggie Galindo is capable of cracking the mile record.

Entering for the Lions are Cox, Mike Prater, and Catarina Cervantez in the 100 yard dash; Cox, Prater, and Thomas DeHoyos in the 220; Dwight Childress, Derold Maney, and E. Vargas, 440; Rick Logan and Glynn Southard in the 880; Pablo Diaz, Galindo, and Joe DeLaRosa in the mile; Carson and Hank Miller, high hurdles; Carson, George Parker, and Randy Upham, low hurdles; Gary Sutton, shot put; Sutton and Cox, discus; Upham high jump; Carson and David Huff, pole vault; and Upham, Cervantez, and Vargas in the broad jump. The Lion 440 yard relay will be composed of DeHoyos, Prater, Carson, and Parker, and the mile relay will have Vargas, Maney, Parker, and Cox.

Ozona Tigers Win Season's Second At Eldorado 7 to 2

The Ozona Tigers won their second game of the new baseball season against Eldorado last Sunday afternoon at Eldorado. The score was 7-2.

Rudy Martinez went to the mound for the Tigers and held the Eldorado Eagles scoreless until the bottom of the 8th inning when the Eagles scored their only two runs of the game.

The Tigers scored in the first, chalked up two more in both the third and fifth and scored again in the 7th and 8th to win the game in a walk.

The Tigers will play the local club at Eden next Sunday afternoon.

T. J. Blackwell of Tyler, a Delta Drilling Co. official, was an Ozona visitor last Tuesday.

Miss Carmen Childress
... Miss Mohair Candidate

Carmen Childress Seeks Miss Mohair Title at Brownwood

Carmen Childress, daughter of Mr. and Mrs. James Childress, will represent Ozona in the Miss Mohair Contest to be held at Brownwood, April 29. Carmen, sponsored by the Ozona Lions Club, is a graduate of Ozona High School and a freshman student at Texas Tech. in Lubbock. Her major is home economics. She is a member of the Rodeo Club and Pi Beta Phi sorority.

Winner of the contest will be selected by a panel of three judges at the conclusion of the pageant on the night of the 29th. She will don the beautiful Miss Mohair crown and appear in style shows at major Texas markets and in New York during the coming year.

Jr. High Track Team Preps For District Meet

Coach Bill Lewis' Ozona Junior High track team is preparing to host other jr. high teams in the district at the three-level track meet to be held here Saturday. There will be eight events in the jr. high level, events and records are as follows: 100 yd. dash, 10.3, Ed Lee Renfro of Sonora; 330 yd. run, 37.7, Ed Lee Renfro; 100 low hurdles, 12.1, Humberto Diaz of Ozona; 440 relay, 49.4 and 880 yd. relay, 1:41.9, Ozona, 1965; Shot put, 50'2 1/4, Johnny Mayo, Eldorado; Discus, 136'5", Johnny Mayo, Eldorado; Broad Jump, 19'5", Gary Derrick, Eldorado; High Jump, 5'4 1/2", Ed Lee Renfro, Sonora; Pole Vault, 9', Tom Weigand, Sanderson.

To qualify in each event the jr. high participant must achieve the minimum standard and Coach Lewis' Cubs have been working toward this accomplishment all year. They have attended meets in Crane, Eldorado, McCamey and Big Lake.

In the Crane meet, a seventh and eighth grade meet Tony Cullins, eighth grader, came in 5th in the high jump event, Gregory Stuart, 4th in the shot put and David Pagan 2nd in the discus. Stuart and Pagan are both seventh graders.

The Eldorado track meet was an eighth grade meet, however, Ozona 7th and 8th graders participated. Tommy Connors tied for fourth place in the shot put, Ernest Rios place in the high jump and Joe Bob Fisher got a third in the 660.

At the McCamey meet Rios cleared 5' in the high jump and Cullins got 10' in the pole vault. Connors got a 4th in the shot put with Marvin McKeenan coming in 3rd in the 660. Gregory Stuart won a first in the discus.

From This Rugged Land Is Theme Of Jubilee Pageant

"From This Rugged Land" will be the name of the Ozona Diamond Jubilee's historical pageant.

The \$25 savings bond will be presented to the Crockett County Neighborhood Girl Scouts, in whose name the winning entry was submitted. Selection of the name was made by the Scenario and Title Committee. Mrs. Ira Carson is chairman of the committee.

The title was selected as emblematic of the theme of the Diamond Jubilee celebration — 75 years of community progress made possible by the rich produce of Crockett county soil — livestock and livestock products, and oil, gas and petroleum products. "From This Rugged Land" came the rich and full life enjoyed today and is the heritage which this and future generations must guard.

The pageant will be presented at the football field beginning Wednesday, June 15.

Little Leagues Promoters Make Plans For Season

A small, but enthusiastic, group met Monday night at the Civic Center to discuss plans for the coming Little League season. Bill Lewter, Little League president, presided.

Lewter announced that the new concession stand has been completed and will be ready for business when the first game gets underway May 5. The Lions Club will furnish snow-cone and popcorn machines while West Texas Utilities will donate a Frigidaire for use in the stand. Little League mothers and fathers will operate the concession stand this year with all profits going into the Little League fund which has been set up at the bank.

Bringing minor league baseball back to Ozona was discussed and Lewter stated that the only obstacle was the expense of insurance for this group of boys. As soon as details are worked out on the insurance, minor league teams will be a reality. The minor league will enable boys from 8 through 12 years of age to play baseball this summer. Boys who do not get a place on the major league teams and eight-year-old boys will make up the four minor league teams.

Team managers and coaches this year will include Bob Stephens and W. W. Higginbotham for Moore Oil; W. O. (Dub) Reeves and Jimmy Evans for Ozona Oil; Byron Stuart and George Olson for Flying W Ranchers, and Jamie Knox and Jack Gillet for B & B Grocers.

It was finalized for a calculated, absolute open flow of 6 million cubic feet of gas per day, with gas-liquid ratio of 227,300-1. Gravity of the liquid was 58.2 degrees. Production was through perforations between 7,669-8,202 feet, which had been fractured with 183,000 gallons and 164,000 pounds of sand. Drilled to 8,009 feet, 5 1/2-inch casing was set at 8,688

EDITORIAL

By Celia Houston

Around OHS, spring fever has hit full force. The hot weather is marked by the whirl of fans and the nodding of students' heads. Teachers find it difficult to make the students listen in class and turn in assignments on time. Noises outside seem to be more interesting than any thing a teacher has to say.

For some, students, vacation is nearly beginning for three whole months. For others, responsibilities of jobs face them. School begins only a few days after finals for those bound for summer school. All too soon, the doors of OHS will open again, ending another session.

Before wandering into the future, students have six weeks of school left. Weekly tests still be scheduled, and finals must be taken in only a few weeks. The rare trait called effort must continue for only a short while more.

BAND COMPETES IN UIL EVENTS AT CRANE FRIDAY

By Jaque Meadows

The Ozona High School Band leaves for Crane in the morning at 7:00 to compete in the University Interscholastic League concert playing and sight reading contest. The three numbers played for concert are "Springtime Festival," "Fantasy for Band," and "Danse Pavane". The sight reading number will be one that has not yet been released for publication so that all schools can compete on an equal basis. There will be separate ratings given in both divisions to be added to the ratings received in marching.

"I am in hopes of our receiving a high rating although we can't be too confident until the ratings are announced because the judging and competition have changed so rapidly," Mr. Tommy Sanders, band director, said when he was asked about the band's chances.

SENIOR BARBECUE SAT.

Saturday, the sixteenth of April, the Seniors of Ozona High School will sponsor a barbecue at the district track meet to be held here in Ozona. The barbecue which begins at 11:45 will cost \$1.00 per plate. Tickets can be purchased from any of the seniors.

The profit made from this barbecue will help to pay for the Seniors' future trip to Dallas.

CELIA HOUSTON PLANS HYGIENIST'S CAREER

While in high school, Celia has participated in band, basketball, and volleyball. In her four years of band, she has entered the solo and ensemble contest for three of the years, winning a second for solo this year. Celia is presently serving as Band Secretary. She played basketball for one year, and served as volleyball manager for one year.

Being an honor student while in OHS, Celia was chosen by the teachers as Student of the Month of March.

SENIOR CLASS HISTORY

By Barbara Kirby, and Donna Moore

In the year of 1954, the Senior Class of 1966 began their long, twelve-year journey to graduation. The kindergarten students were divided into blue birds and red birds.

Our second grade year added a few members. They were Fannie Everett, Suzanne Lewis, and Joe Jacobs.

The students composing the kindergarten class were: Patricia Allen, Fred Baker, Linda Cervantez, Lucille Childress, Milton Colquitt, Lynn Cox, Pablo Diaz, Shirley Fielder, Chuck Franklin, Matias Flores, Melissa Harvick, Helen Hayes, Celia Houston, David Jacoby, Barbara Jones, Barbara Kirby, David Lewis, Jacque Meadows, Marilyn Millsbaugh, Vicki Lynn Montgomery, Donna Moore, Linda Parker, Kay Patterson, Jessie Reina, Win Saunders, Pon Seahorn, Sandy Stokes, Steve Tallafarro, Rusty Thompson, Clifford Tubbs, and Larry Williams. Other than merely drinking milk and eating graham crackers before a nap on mats, the kindergartens also constructed a huge, paper machet elephant. Milton Colquitt and Pon Seahorn added a little excitement of our kindergarten year when they stole the turtles and goldfish from the aquarium . . . but their mothers made them take them back!

The first grade year was a step forward with longer hours and more work. This year we were joined by Linda Collins, Lana Alford, Gary Elmore, Ray Bouregard, Carol Coates, Billy Carson, and Wesley Eversole. During the year we lost Milton Colquitt, Barbara Jones, and Jacque Meadows. One of the special privileges of the first grade was participating in the Christmas Operetta. The girls were lovely little snowflakes.

Our second grade year added a few members. They were Fannie Everett, Suzanne Lewis, and Joe Jacobs.

We lost Rusty Thompson that year. Lana Alford and Sandy Stokes were our Student Council representatives for the year. Those students who were fortunate enough to be in Mrs. Shahan's room made a hospital as a project.

The girls made their nurses' caps and uniforms and even the boys made their doctors' suits. Pon Seahorn and Vicki Lynn Montgomery have memories of Mrs. Stubblefield twisting their ears as punishment. We rode a train from Barnhart to Big Lake for a field trip that year.

Losing no one in the third grade, we were fortunate to have Buddy Farris join us. Lucille Childress and Billy Carson were our Student Council representatives. This year the girls were dolls in the Christmas Operetta while Pon Seahorn and Ray Bouregard were elves for the main actress, Celia Houston.

Milton Colquitt, Larry Mills, Jimmy Donham, Ronnie Mason, George Parker, Mary Jo Walker, Mary Payne and Dora Payne joined us in the fourth grade, and Linda Collins moved away. Ronnie Mason was Vice President of the Student Council, and Barbara Kirby was Secretary. Our representatives were Marilyn Millsbaugh and David Jacoby.

The fifth grade carries memories of Greek mythology and studies of the planets which were hung from the

ceiling in Miss Ellington's room. Some of our boys started basketball a little early, but the weren't strong enough to stand Mr. Dozier's workouts. Is that right, Billy? New students included Linda Wollam, Jacque Meadows, Linda Collins, and Jim Conway. We lost Clifford Tubbs and Ray Bouregard that year. One of the most exciting events of the year was a field trip to San Angelo to visit the Fort Concho Museum, and to try our luck at roller skating. The girls had a club in the fifth grade which explored the old theatre at noon, but the meetings were abandoned when someone mentioned the possibility of rats being in it!!

One of the largest steps our class took was the honor of moving to the basement of the Junior High for sixth grade. As the year progressed, however, we began to doubt our luck because we were never really a part of any Junior High event. Candy Griffin, Rusty Thompson, and Danny Valadez joined us while we lost Jim Conway and Celia Houston. Our last year of recess was enjoyed by tennis, baseball, and the "Who Stole The Cookie From the Cookie Jar?" game. Our last field trip was spent in Brackettville at the movie setting of the Alamo. Many people have remarked that this was our most exciting (Continued on Page Five)

Turbulent weather Wednesday night produced isolated showers and at least one hail storm in the ranch country around Ozona.

Hail larger than golf balls caused several hundred dollars worth of damage to the ranch home and bunk house at Mrs. Ashby McMullan's ranch southeast of town. Trees and plants were stripped of foliage. Neighboring ranches also reported extensive hail damage.

South of town James Baggett reported a thunder-shower dumped a half inch of moisture on ranch country surrounding his home.

ages of 9 through 12 are eligible to participate in the tryouts and must bring their birth certificates. Buying of the players for the four major league teams will take place April 25 and official league practice will get underway April 26.

The first official game will be on Thursday night, May 5. Major League teams will play as they have in the past, a double header every Monday and Thursday night with the minor leagues playing on Tuesdays and Fridays. The only change will be during Jubilee week when games are scheduled for Tuesday and Friday nights. During Jubilee week, special activities will be held between the first and second game on Tuesday night to commemorate Youth Day. These activities will include the crowning of a Little League Queen.

After a short question and answer period, Lewter introduced the guest speaker

Harvey Jacobsen of McCam-Jacobsen, a former professional umpire, semi-pro team manager and scout for the St. Louis Browns, entertained the group with some humorous baseball stories and impressed them with the importance of the Little League program to the youth of the nation. Jacobsen reminded local officials of the importance of knowing the rules of the game and cautioned them about letting personal feelings show on the ball field.

Mrs. Lewter and Mrs. Bob Stephens served refreshments at the close of the business meeting.
