### Kitty's Korner By Kitty Montgomery

Well, the election is over, at least for us. I must say I am a bit relieved, begging for a job every four years is not my cup of tea and with my ability to say the right thing at the wrong time I feel sure I'd never make a politician's wife. Tom's ego was a bit wounded, but he managed to bounce back after Shauna told him how nice it was that he received the votes he got and with a 5-year-old's logic pointed out the fact that he could have gotten no votes. Jim, being a typical adolescent, was pretty crushed but after mulling it over he came up with a real gem. He said "Daddy, don't worry about losing the election, you have lots of friends; it's just that you don't impress people as being the crooked politician type." With that, we decided to forget the whole thing.

However, we'd like to thank the little group of tried and true friends who voted for Tom and we'll be forever grateful to those who didn't for getting us out of politics before we got in.

Our four-day sojourn in Washington, D. C. last week was fast and furious. We flew all the way in heavy clouds on our way there. After arriving in Dallas on a Trans-Texas DC3, I fully intended to catch a bus back to Ozona but Tom talked me out of it. I was still looking for a place to rent a parachute when he dragged me on the American Airlines jet to D. C.

After being fastened in with my seat belt, I was startled by an eerie noise followed by a thump. I thought we were still on the ground and consoled myself that it was just a chug-hole in the runway, however, it recurred after I was positive we were airborne. My heart had stopped beating and I was paralyzed with fright when a fellow passenger across the aisle, noticing my stage of absolute terror, informed me that the noise and resulting thump was the landing gear being retracted. Just as I started to breathe again, the captain's voice came on the intercom. He announced that we had leveled off at 33,000 feet and were at that time over Memphis, Tenn., further adding that visibility was zero, pointing out the fact that passengers should familiarize themselves with all emergency exits, and signed off by admonishing everyone to keep seat belts fastened all the way.

Well... that did it, I panicked. I reasoned that we were about 6 miles above the ground and even if I did get the emergency exit open I wouldn't have any place to go, so I pulled myself together, asked the Hostesses for a glass of water and got out my tranquilizers when I heard a voice at my elbow saying "give me one of those things." It was Tom. I had completely forgotten about him. He was calmly smoking a cigarette, had his seat belt fastened around his chest and had the lighted end of the cigarette in his mouth.

On the trip back we were pretty resigned to our fate. They told us at the airport in Baltimore that we would arrive in Dallas before we left Washington, and sure enough we did, thanks to daylight saving time.

Everybody should spend some time in Washington. You could stay a month and not see everything. We were most impressed with Arling-

### Little Leagues Kick Off Season In Mon. Openers

Ozona's official Little League season opened Thursday night with a tremendous crowd on hand to see the Ozona Oilers down the B&B Grocers with a score of 3-1 in the first game and the Flying W Ranchers trounce the Moore Oilers to the tune of 18-6 in the second game. In Monday night's double header, the Ranchers beat the Ozona Oilers in a close one, 15-14, taking the league lead. The first game saw the luckless Moore Oil team downed by the B&B crew 12-5.

Moore Oil and Ozona Oil looked pretty evenly matched till the third inning when the Ozona Oilers picked up 2 runs. Pete Ybarra hit a home run in the fifth for Moore Oil's only score in the game, and Ruben Tambunga came on in the sixth to homer for the Ozona Oilers. Tambunga went all the way on the mound for Ozona Oil. Robert Lee Daniel started for the Grocers and was relieved in the fourth by Ybarra.

In the second game, Flying W gave up two runs on errors in the first inning to Moore Oil. Going into the fourth the Oilers held a 1 run lead when the Ranchers got hot with their bats and went ahead 9-4. ### Funds Assured For Ft. Lancaster Work and Care

A financial campaign conducted by R. A. Harrell on behalf of Fort Lancaster development plans has assured the necessary funds to assist in the exploratory excavation work to be done this summer under the supervision of Dr. Edward B. Jelks of the SMU department of Anthropology, and to provide a caretaker service at the site for the balance of this calendar year.

Harrell has secured donations totalling \$1,177 plus pledges totalling \$50 per month for one year to go toward caretaker salary.

Dr. Jelks and Dr. Curtis Tunnell, state archeologist, who visited the Ft. Lancaster site recently, had estimated that the extra labor expense necessary to do the summer work at the Fort would reach \$600 and this amount was pledged by the Crockett County Historical Survey Committee, headed by Mrs. R. A. Harrell. The \$600 has been paid to SMU which in turn will carry all liability insurance on workmen employed on the project. The balance will be apportioned to paying the caretaker's salary until the first of the year.

The local committee is making efforts to find a trailer house to be used as a residence by the caretaker on a temporary basis. The committee is interested in receiving the use of a trailer house as a donation or on a rental basis.

Dr. Jelks will arrive late this month and expects to work through June 18. He plans to have the works open all day the 18th so that persons attending the Ozona Diamond Jubilee may tour the site to view the work accomplished. The Permian Basin Historical Society plans to hold its quarterly meeting in Ozona for the first time the last of the Jubilee week, and members will tour the fort site.

### Vocational Nursing School Planned By Crockett Hospital

The hospital board will select students from the list of applicants. The cost of the 12-month course will be approximately \$100 to the student, payable on the installment plan. Students must be able to devote full time to the school.

All persons interested in enrolling in the school are asked to contact N. L. Olson, administrator, or Mrs. A. K. Johnston, director of the school.

A record breaking 1,281 voters went to the polls Saturday in the Democratic Primary to select their nominees for the general election coming up in November for state district and county offices.

Judge Bernice Bailey Jones in her bid for a first elective term, was forced into a run-off with Troy Williams. Judge Jones led the ticket with 433 votes, followed by Williams with 384. Carl Conklin was close behind Williams with 338 and W. W. (Woody) Mason trailed with 107 votes. Jones and Williams will vie for the 445 votes cast for the other two

candidates in a run-off election to be held June 4.

The nominee for commissioner of precinct 4 will also be determined in the June 4 run-off. Glenn D. Sutton, incumbent, polled 121 votes, forcing him into a run-off with Jake Young, who polled 83. Other candidates and vote counts included Al Ramirez, 34, Bekie Diaz, 26 and Basil Dunlap, 22.

Other county officials, who were up for re-election, were uncontested in the primary.

At the state level Crockett County voters gave Governor Connally a lead of 837 votes over his nearest opponent, Stanley Woods. Connally received 1,000 votes to Wood's 163 and Johnnie Mae Hackworth's 33. For Lieutenant Governor, the incumbent, Preston Smith received 947 votes to Bill Hollowell's 181.

For United States Senator Waggoner Carr with 936 votes won over Jack Willoughby, who polled 203 votes. Carr won the nomination state-wide and will oppose Republican Senator John Tower in November's general election.

Crockett County voters went along with the remainder of the state in their choice of nominees for Attorney General, by forcing Franklin Spears and Crawford C. Martin into the June run-off election. Voters here gave Spears 398, Galloway Calhoun 190 and Martin led the ticket with 542.

For Commissioner of General Land Office, the incumbent, Jerry Sadler got 609 to Fred Williams 526. In this race the vote over the remainder of the state was heavily in favor of Sadler.

Byron Tunnell carried Crockett County as well as the rest of the state and will be returned to the office of Railroad Commissioner providing he wins in the general election this fall. Tunnell polled 840 votes here with Haring getting 161 and Ervin trailing with 107. (Continued on Last Page)

Recipe of the Week

From Kitty's Kitchen

Correction in last week's gingerbread recipe; add enough brown sugar to molasses to measure 1 cup, not sugar. It will not work with white sugar. I hope no one has tried it yet.

Cherry Crown Cake

2 cups (7 oz.) packaged grated coconut  
2 1/4 cups flour  
1-1/2 cups sugar  
1 tablespoon baking powder  
1 teaspoon salt  
1/2 cup butter  
1 cup milk  
1 teas. almond extract  
2 eggs  
1/2 cup pecans  
1 — 1 lb. 5 oz. can prepared cherry pie filling, chilled.

Preheat oven to 350 degrees, grease 2 nine-inch layer pans and sprinkle two-thirds cup coconut in each of two pans. Combine in mixing bowl, flour, sugar, baking powder and salt. Add butter and milk and blend at low speed. Beat at low speed 1 1/2 minutes, add almond extract and eggs and beat 1 1/2 minutes at low speed. Blend in pecans and spoon batter carefully over coconut in two pans. Sprinkle one-third cup coconut over batter in each pan. Bake 35 to 40 minutes or until cake springs back when touched. Cool on wire rack. Fill and top with cherry pie filling, spreading to within one inch of edge of top layer. Frost sides and top edge with butter cream frosting below:  
Butter Creme Frosting  
2 tablespoons flour

1/2 cup milk  
1/2 cup butter  
1 cup sifted confectioner's sugar  
1/2 teaspoon almond extract

Combine flour with milk in a small saucepan and stir until smooth. Cook over low heat, stirring constantly, until very thick, cool completely. Cream butter and powdered sugar along with almond extract until light and fluffy. Beat in flour mixture until smooth. After frosting cake, refrigerate.

This is a most elegant cake and truly 'fit for a king', however, its full of calories and very rich so if you are a weight watcher, you'll want to pass this one up.

## LION'S ROAR EDITOR'S NOTE

In September of last year, ten students, knowing nothing about writing for the paper, became the Lion's Roar staff. On several occasions during the year joking remarks were made about both students and teachers, but these were all in fun.

Since this is the final edition of the Lion's Roar, as Editor I should like to take this time to speak for the entire staff in saying how much we have enjoyed putting out the school paper. Also, we should like to thank all the students who have helped with the paper by sharing their juicy tidbits of gossip with us to be printed. Without the help of the student body and the Ozona Stockman, the Lion's Roar wouldn't be possible.

We are very grateful to Mr. White and his staff for their patience during the year and especially to Mr. White for the space for the Lion's Roar.

Jacque Meadows, Lion's Roar Editor.

## STUDENTS HOLD FOND MEMORIES OF OHS

By Lynn Cox

With only one more week of school left, OHS students realize that this school year has come and gone very quickly. Academically, there was plenty of midnight oil burned and tests that were painfully taken which resulted in either cries of happiness or moans of despair. It wasn't too long ago that football was in full swing; then, it was basketball season that saw the gym filled almost full during home games. Track, golf, tennis, and volleyball each had a big part in the spring sports scene, and now, they, too, have been forgotten.

What lies ahead in the future? For the Seniors, the college life or a job is the next step for these graduating students. The upcoming "Fish" will join the ranks of OHS and begin the four year cycle which so many have gone through before. This year's Freshmen, Sophomores and Juniors, will have all the activities to look forward to again next year. However, all students that walk through the school halls, hoping to graduate and working to do so, have one thing in common. Each has a special place in his heart for OHS. However, the years spent there and the lessons that were learned.

**Diamond Jubilee Doings**

The downtown headquarters of the Jubilee will be open tomorrow in the Nettleton Building, formerly Collett's Trading Post. Mrs. Pat Wood has been engaged to run the downtown headquarters, where visitors may buy bonnets, hats, badges and all jubilee paraphernalia. Information on jubilee activities will also be available. A telephone was installed yesterday.

Tuesday and Wednesday have both been designated "Youth Day" during the jubilee, because of the wide variety of activity for the young people. Among other activities there will be a double header girl's softball game, bowling tournament, swimming meet and a takeover of county offices.

The Women's and Men's Participation Division and committees met Monday night and set up schedules for Kangaroo Court. The first Court will be held this afternoon at 5 p. m. at the park.

Laws will start being enforced May 21. A person may be arrested for having no

jubilee button, an unlicensed vehicle, disorderly conduct, Kourt traffic violation, incorrect attire, loitering and gambling among other things. Fines will be set by Judge Al Fields or Judge Clarence Key.

To avoid arrest, everyone must have a button from high school age and up.

A new shipment of shaving permits have arrived and are on sale at the headquarters building.

The T-V and Radio committee headed by Mrs. Tom Mitchell have made arrangements for live shows on T-V and radio spots on area stations.

Max Brown, chairman of the promenade and caravan committee, announced that promenades will start on May 19 and will be held every Thursday till the Jubilee is over. The promenades will be strolls through the business districts of town by Ozonans dressed in jubilee wardrobe. All members of the Brothers of the Brush and Jubilee Belles are asked to participate each Thursday afternoon. The promenades will begin at the Village Shopping Center and move toward the park in the center of town.

The first caravan to neighboring towns to publicize the jubilee will begin May 28. The caravan will leave at 9:30 and go to Sonora and Eldorado, arriving back in Ozona at 12:30. Participants are urged to take

their own cars and dress in Jubilee attire. All chapters of the Brothers of the Brush are urged to make these caravan trips.

Don't forget the progress report meeting for all division heads, committee chairmen and committees to be held Monday night at 7:30 at the Civic Center.

How wonderful to see God through the eyes of a child. The wonder of bright blue eggs in a nest of twigs, the path of the wind through tossing treetops, moonlight dancing on a lake. All these are to him the fingerprints of God.  
Too often we are caught up in a world of worry and concern. Worrying how to make ends meet, we forget to stop and see God in the world around us. Jesus said, "Whosoever shall not receive the Kingdom of God as a little child shall in no wise enter therein."

Your church offers you moments of worship and inspiration, so that you may see all things bright and beautiful and find for yourself the Kingdom of God as He reveals it daily through the beauty of His earth.

**THE CHURCH FOR ALL • ALL FOR THE CHURCH**  
The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

## Series Of Musical Events Mark Music Week Observance

National Music Week, May 1 through 7, sponsored in Ozona by the Ozona Music Club, was observed with a number of unusually good events.

On Monday evening of last week, a large group of local musicians presented a most enjoyable program in the Civic Center Auditorium. Using the theme "Music Hath Charms", Mrs. Sherman Taylor opened the program with a reading entitled "Those Old Songs of Long Ago."

Piano solos by Miss Judy Barber, Mrs. L. B. Cox, III, and Miss Kathy Lynn Russell showed to advantage the new Steinway grand piano bought for the Civic Center by the Ozona Woman's Club and the Ozona Music Club. Piano duets by Mrs. Leonard Garrett, Miss Cleona Quiet, Mrs. Opal Oehler and Mrs. George Russell, Jr. were well received.

The group enjoyed vocal duets and solos by Rev. and Mrs. Max Brown and Tom Simms. Other entertainment included men's quartets composed of L. B. Cox, III, Cral Conklin, Jack Baggett, and Ross Hufstедler and of Dean Rippetoe, Max Brown, Tom Simms and Tommy Sanders.

A sextet and a quartet of women's voices included Mrs. J. C. Schroeder, Mrs. Roy Killingsworth, Mrs. Frank James, Mrs. Tom Sanders, Mrs. Leonard Garrett, Mrs. Joe Williams, Mrs. Brooks Dozier and Mrs. Pete Broadway.

A flute solo by Miss Celia Houston and a massed chorus composed of all the singers and directed by Simms completed the evening's program.

A band concert commemorating National Music Week was held Tuesday night at the high school auditorium, featuring the junior high and high school bands under the direction of Tom Sanders.

Thursday evening the Ozona Music Club held its annual family night program in the social hall of the Methodist Church.

Voice and piano pupils of Miss Cleona Quiet, and piano pupils of Mrs. L. B. Cox, III, participated along with club family groups.

Included in the family groups were Mrs. George Russell with her daughters, Susan and Kathy Lynn; Mrs.

J. C. Schroeder with her daughter, Patti; Sharon and Shawnee Fierro, and Nikki and Richard Harrison. Other performers were Karen Williams, Lou Cox, Cral Barber, and Hill Phillips.

Officers for next year were installed by Mrs. Ottis Pridemore and include president, Mrs. Tommy Sanders vice-pres., Miss Lucille Farmer; treasurer, Mrs. J. W. Howell; secretary, Mrs. Pete Broadway; auditor, Mrs. Frank James; reporter, Mrs. R. A. Harrell and parliamentarian, Mrs. Q. A. Brentz.

Mrs. Brentz, as retiring president, was presented a past-president's pin by the club in appreciation of her service the past two years.

It was announced that Miss Cleona Quiet will present her pupils of voice and piano in a recital in the high school auditorium next Friday night. The public is invited to attend.

The high school choral group performed Friday night at the auditorium under the direction of Tom Simms.

All in all, Ozona music lovers celebrated National Music Week to the fullest last week and turned out for more musical entertainment than in any year previously.

### Postal Savings Holders Urged To Cash Certificates

Postmaster Floyd Hokit today urged depositors with postal savings certificates to withdraw their accounts from Post Offices as soon as possible, as the Postal Savings System was abolished last March by President

Johnson. Hokit pointed out that no new accounts can be opened and no deposits accepted and that interest will end on the anniversary date of each certificate.

For convenience, all certificates held by a depositor may be cashed at the same time and interest will be paid for each full month they

have been outstanding beyond three months from interest date.

Unpaid deposits remaining in the Post Office beyond June 30, 1967, will be transferred to the Treasury Department in a trust fund and will be available for payment with out time limitation when proper claims are received.

However, we were appalled at the billion dollar construction projects underway. They were tearing down a building on one side of the street and building another on the other side. While driving around the Federal Triangle, our driver pointed out the old Federal Post office building and announced that it would soon be torn down because it did not match the design of the other federal buildings, not because it was inefficient or no longer usable, mind you, but because it didn't match. A new matching building will be constructed on the site at a cost of several million dollars of taxpayer's money.

third inning.

The second game that saw the Flying W Ranchers take a 1 game lead in the league was a real thriller. In a wild battle full of hits, runs, errors and walks the Ranchers held an 8-2 lead until the Ozona Oilers came on in the third to tie the game and go ahead 1 run in the fourth. With the score 11-8 the Ranchers came back to life in the fifth and scored 5 runs to go ahead 13-11. The Oilers forged ahead in the top of the sixth 14-13. With the bases loaded and no outs, the Ranchers got 2 across in the bottom of the sixth to end the game 15-14.

Mike Jenkins pitched for the Ranchers. Billy Turland started for the Oilers, was relieved in the second by Michel Fox. Cris Reeves relieved Fox in the fifth with Ricky Webster taking over for him.

Tonight Flying W and B & B will play first game with Moore Oil and Ozona Oil to follow. Game time is 6 p m.

For State Senator of the 25th District, Dorsey B. Hardeman enjoyed a comfortable lead in Crockett County, polling 669 votes while his opponent, Pete Snelson, received 483. This race was much closer in the remainder of the district and the official canvass last Tuesday of returns showed Hardeman the winner by a 60 vote margin.

Doran received 930 to 186 for Smith.

The Democratic Primary has always been tantamount to victory for the winners. However, in the Republican Primary held last Saturday also, Roger Dudley, became eligible to run on the Republican ticket in November for the office of Commissioner Precinct 4. The winner of the June run-off in that race will run against Dudley in the fall. Only two votes were cast in the Republican Primary, which was set up primarily to qualify Dudley as a candidate.

You're a skeptic. Good. Then you're going to be a good customer, if we can ever win you. We showed you proof on television that High-energy Enco Extra cleans your carburetor while you drive.

(You drove right on by.)  
It's frustrating to develop a gasoline that gives this kind of performance and then not even have you try it.

That the Tiger is now the favorite of motorists all over the world? And that Jimmy Clark became the World's Champion Race Driver with a Tiger in his tank?  
So why not "Put a Tiger in Your Tank!" "Happy Motoring!"

(Probably you said, "So what? My car still runs.")  
We told you it improves firing power, helps

Did you know new High-energy Enco Extra is more powerful than aviation gasoline of just a few years ago?
