'70 United Fund Drive Begins Soon

Area Farm, Livestock Tour Friday

Businessmen Urged To Make 5-Hour Tour

Because of the increasing importance of agriculture and livestock production to the economy of Bailey County and this area, the Muleshoe Chamber of Commerce Agriculture Committee will sponsor a farm tour

on Friday, beginning at 10 a.m. Buses will leave the Chamber of Commerce offices at the Muleshoe City Hall at ten a.m. A fried chicken lunch will be served during the tour and the tour is expected to conclude around 3:30 p.m.

Vegetable growers, corn, cotton, milo, sugar beets and seed growers will be included in the tour, along with feedlots, hog operations, sheep operations and dairy product operators in the area.

Also included will be circular type sprinkler irrigation systems and alfalfa growing.

Harmon Elliot, chairman of the C of C Agriculture committee said the purpose of the tour is to enable the merchants and businessmen who will be on the tour to become more informed of the different phases in the agriculture and related agri-business operations in this area.

He pointed out that area farmers will be on hand to explain how the various products are handled and produced. According to Elliot, our extensive and varied agri-business in this area, promises an excellent crop return and deserves the attention and investigation of our business community.

These crops, he further explained, are imperative to the growth of our economic structure and are the basis of our future development.

All businessmen have been urged to participate in this tour and see what this area has to offer.

around muleshoe with the journal staff

The Muleshoe Athletic Booster Club met in regular session Monday night at the Muleshoe High School cafeteria. Athletic Director Fred Hedgecock showed films of the Muleshoe-Littlefield scrimmage last Friday night.

Beginning Monday night, September 14, the regular meeting time will be 7 p.m. in the cafeteria.

Wednesday, September 16, will be the last day to acquire student school insurance, said Superintendent Neal Dillman. Two plans are available for the students. They are a nine-months at school plan for \$7 and a 12 month, 24-hour plan for \$18.

Elementary students took envelopes with a copy of the plan to their homes and junior high and high school students may purchase the insurance in the principal's office.

Mr. and Mrs. Travis Creamer, Dallas, were weekend visitors in the home of his parents, Mr. and Mrs. Buck Creamer. They returned to Dallas on Monday.

The 1970-71 school registration is still short of last year by 102 students.

High school has 552, as compared to 588 last year; junior high, 478, compared to 501 last year; Richland Hills, 404, compared to 427 last year and Mary DeShazo, 456, compared to 456 last year.

Total enrollment in the four schools as of Monday afternoon was 1,890 and at the same time last year, the enrollment figure for the schools was 1,992.

Mr. and Mrs. John Gunter, Mrs. Pat Vinson and Mrs. Marshall Head are attending the District II, 4-H Adult Leaders Forum September 8-10 at Ceta Canyon Methodist Camp.

The teacher-parents get acquainted coffees, held last week at Richland Hills Elementary School proved to be very successful. They were beneficial to the parents as the teachers explained the curriculum to them. The first PTA meeting at Richland Hills will be held September 14 at 7:30 in the Richland Hills Cafeteria. The program will feature a youth panel from Amarillo who will discuss drugs.

Visiting in the home of Mr. and Mrs. George Washington over the Labor Day weekend were her mother, Mrs. W.E. Brown and her brother and his wife, Mr. and Mrs. Lloyd Brown, all from Frederick, Okla.

Visiting in the homes of Mrs. Sam McKinstry, Harold Allison and Oscar Allison were Dr. and Mrs. Kenneth Osborn and family of Lovington, New Mexico; Dr. Osborn's mother and father, Mr. and Mrs. Sam Osborn, Dexter, New Mexico; and their daughter and husband, Mr. and Mrs. Barry Walker of Portales, New Mexico.

For a get-together Sunday night, the following were seated around a long table at the Corral Restaurant: Mrs. Mc-

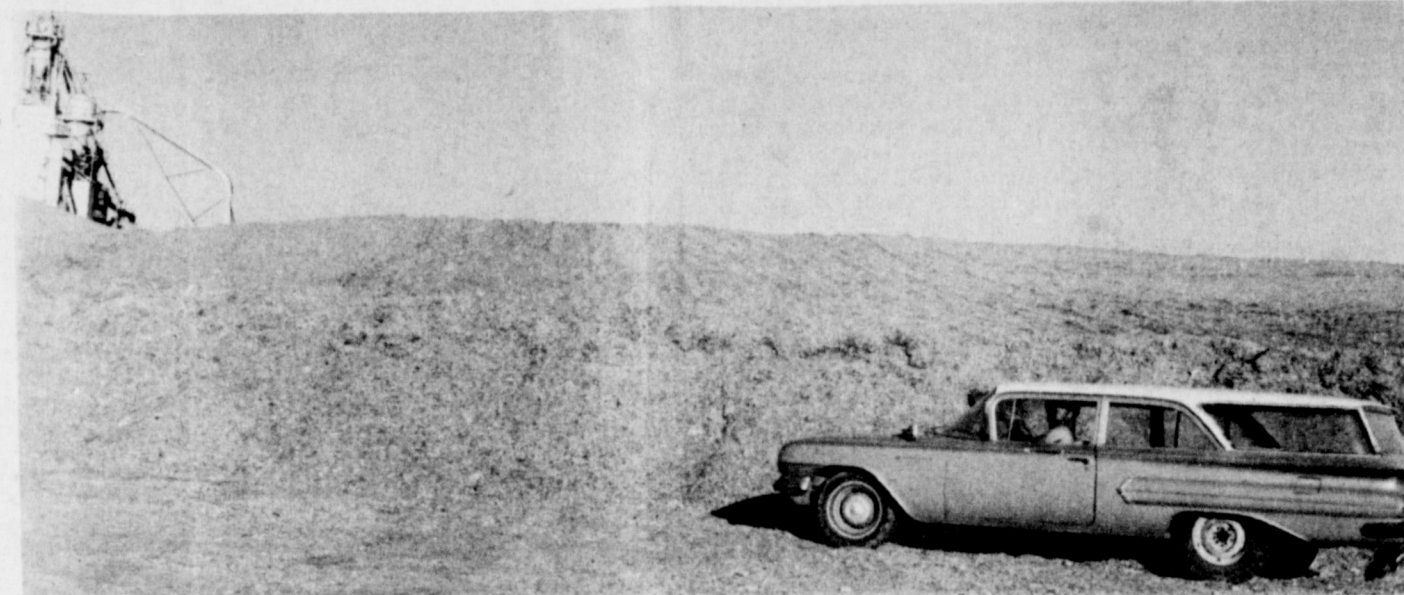

Alex Williams

Alex Williams Appointed To New Position

Muleshoe accountant and City Council member Alex Williams has been notified of his appointment to the National Service to Regional Councils. The notification was mailed by Thomas Bradley, who was named president of the group last March.

Williams was told in the letter that he has been named representative policy leader from the Lubbock Metropolitan Council of Governments. The letter stated in part, "You have been selected for the Task Force on Economic and Rural Development. I hope you will accept this appointment. We believe your interest and involvement in regional affairs will be a major contribution to this important goal setting effort. Your participation will require attendance at two or three meetings. The first will be in conjunction with the annual meeting of the Council of Governments, to be held in Lubbock, Texas, on October 13-14, 1970."

Cont'd. on Page 2, Col. 4

WORLD'S LARGEST ENSILAGE PIT--King Feed Lot, west of Muleshoe, has what is thought may be the largest ensilage pit in the world. The ensilage is more than 25 feet deep and several hundred feet long. Miniaturized in this station wagon which is shown at the front edge of the pit before it drops off. The pit

extends beyond the large feed mill shown in the left background. Lee Dunbar said 60,000 tons of ensilage is in the pit. It represents between 3,000 and 3,200 acres of corn. Bulldozers piled and scraped the ensilage together as trucks moved in assembly-line fashion in and out of the immense pit.

Everyone Welcome At Donkey Softball

Are you bored with staying at home? Would you like to enjoy an evening full of fun, excitement and thrills? Do you like to boost your hometown organizations, and at the same time enjoy yourself? If the answer is yes to these questions, be at Roger Miller Park Thursday (today) at 8 p.m. for the Jaycee-sponsored Donkey Baseball Game.

Battling it out (donkey-style) will be the Jaycees and the Lumberjacks, a local softball team. For approximately one and one-half hours, the two teams will be playing astride donkeys, specially trained for softball. Adding to the game will be a trick donkey which will be performing sporadically throughout the evening.

Chairman Jerry Hutton said the batter, pitcher and catcher will not be mounted. BUT...

when the batter gets a hit or base on balls, he must mount his donkey and ride to the base. As the batter reaches each base, he is required to dismount and touch the base with his foot. That may sound simple, but what if the donkey does not care to cooperate. And a lot of the time, they are not very cooperative. It has even been rumored that at times, they object to having a rider on their back, and lie down, or buck or balk. The fielders and basemen must be mounted, but may dismount to catch a ball, then remount to throw it.

At any rate, whatever happens, fun is promised for everyone, of all ages. According to the Jaycees, the show is rated "G" for "General Audiences" and suggest that everyone, from the toddler to grandpa and grandma will enjoy the game.

86 Area Dairymen Attend Chicago Meet

Mr. and Mrs. Jake Andringa and daughters, April and Lori, from A-J Dairy and Mr. and Mrs. Claude Gillis were among 86 persons who chartered a plane for the annual meeting of Associated Milk Producers, Inc. last weekend.

They joined 23,000 persons from over the nation for the Friday and Saturday meeting. The 86 persons from the local area attended the meeting in Chicago Stadium.

According to a story in the Chicago Tribune, the meeting of the giant marketing cooperative is the largest farm convention ever held in Chicago. Visitors arrived in 54 chartered planes, 346 chartered buses, four special trains and in private cars and planes.

Chicago Tribune staff writer Richard Orr said that about half of the cooperative's 31,000 members live in Northern Indiana, Illinois and Southern Michigan and supply milk to Chicago. Cooperative members live from Minnesota to Texas and the organization has its headquarters in San Antonio.

The Associated Milk Producers Inc. was organized nearly a year ago, and about 40 smaller cooperatives consolidated to improve marketing conditions and strive for better prices for dairy farmers.

Agriculture Secretary Clifford Hardin received a standing ovation during his address when he disclosed that the Nixon administration intends to spend the full \$104 million authorized by Congress for further information.

Also speaking were Senators Gordon Allott, Marlow Cook, Robert Dole, Thomas F. Eagleton, George McGovern and William Proxmire.

Rep. Gerald Ford was a speaker, as was Adlai Stevenson III and Art Linkletter. Andringa reported that the conventioners from the local area "enjoyed the meeting, the speakers and a tour of the Chicago area."

The sale of the 1970 football season tickets for the five home games continues, according to Merl Brown of the school business office.

He said that on Monday of this week, the tickets went on sale to the general public on a first come, first serve basis. The tickets are available in the business office of the school.

They are \$10 for the five home games. Reserved tickets at the gate will be \$2.50 each. Brown said a few choice seats are still available, and he may be contacted at the school business office for further information.

Football Tickets For Home Games Still Available

Football Tickets For Home Games Still Available

Monday Wreck Injures Five North Of Town

Seven persons from Lubbock and Farwell considered themselves very lucky Monday afternoon with their relatively minor injuries sustained in a one-car turnover approximately 10 miles north of Muleshoe around 4:20 p.m.

Mrs. Pilar Valdez of Friona was the driver of a 1960 Buick enroute from Friona to Lubbock when the left rear tire on the car blew out. Skidding out of control, the car overturned one time and ended up straddling a muddy ditch with some of the accident victims strewn out of the car in the ditch. The accident was in Farmer County on Highway 214.

It is thought that the soft, muddy ditch may have prevented serious injury to the three who were thrown from the vehicle. A Singleton ambulance brought three victims to West Plains Memorial Hospital in Muleshoe and a private car brought in four additional victims. Five of the seven were treated for lacerations, abrasions and bruises. None of the accident victims were hospitalized and following emergency treatment were released to await relatives from Lubbock.

The persons included Pilar Valdez and Melissa Garcia, both of Friona and Gloria Valdez, Victor Juarez, Esmeralda Juarez, Jessie Juarez and Roy Juarez, all of Lubbock.

Mrs. Valdez said she was Cont'd. on Page 2, Col. 2

Truant Officer W.E. Young Gives Ruling

W.E. Young, who was named truant officer for the 1970-1971 school year for the Muleshoe Independent School District, has given the regulation on school attendance.

He said that all youngsters between the ages of six and 17, as of September 1, 1970, are required by State Law to attend school regularly.

Young has been instructed to give one warning to the parent and student, then if they do not enroll in school, and attend regularly, they will be filed on in County Court.

OFFICIAL DE ASISTENCIA:
El districte escolar y independiente de Muleshoe ha empleado un oficial para investigar a los alumnos que están ausentes poro el año escolar de 1970-71 este hombre es el señor W.E. Young.

Todos los jovenes entre las edades de 6 y 17, desde el 1 de Septiembre, 1970, son exigidos por la ley del estado que asistan a la escuela regularmente.

Estes oficial ha sido instruido de dar una advertencia a los padres y al alumno, desde luego, si no se ingresa a la escuela regularmente, se lo presentarán en el tribunal del condado.

Largest Budgeted Amount Is \$3,700

With a budget of \$14,886.00 for the Muleshoe Area United Fund during 1970-71, the annual United Fund drive will get underway early in October. This is \$936 over the 1969-70 budget of \$13,950. Derrell Oliver, chairman of the 1970-71 United Fund said an extensive drive will begin to allow the 14 participating agencies to have their budgeted amounts.

For the fourth year in a row, \$3,700 has been budgeted for the Bailey County Junior Livestock Show. This represents the largest single item on the budget and affects more than 125 youngsters each year.

During the past several years, the Bailey County Junior Livestock Show has grown from 75 individuals, showing 161 animals and no budgeted amount, to more than 130 exhibitors, showing nearly 300 animals.

Nearly 100 percent increase in the number of livestock exhibited in the show has been denoted since its inception. Consistently, the Bailey County Junior Livestock show has shown increasing crowds, along with a large number of exhibits in the two-day show.

According to an official in the annual show, "The Bailey County Junior Livestock Show serves as a challenge for the interests and abilities of more than 500 boys and girls active in 4-H Clubs and FFA Chapters in Bailey County. More than 100 of these youngsters enter the show each year, showing animals they have fed and cared for from four to 12 months.

"Constructive activity, character development and vocational training for the youth of our area are stressed by the competition. The county agent and agriculture teachers cooperate with the BCJLS by properly supervising the boys and girls who undertake to feed and show hogs, lambs and beefs during the show."

He concluded, "The money budgeted by the United Fund is used entirely for prizes and materials. Presented are trophies and ribbons. All labor is supplied by a board of dedicated, Cont'd. on Page 2, Col. 3

Lobster Party Fetes Contestants In Spot-Landing

Approximately 45 persons attended the annual lobster party hosted by Mr. and Mrs. Morgan Locker on their patio.

Traditionally, the patio party winds up the annual spot landing contest at Muleshoe Airport. Mr. and Mrs. Locker serve lobsters they catch in Florida when they are visiting their summer home.

This year, first in the commercial pilot division was Don Locker; second, Glen Cardwell and third, Kenneth Lowe. In the private pilot division, first was Ronnie Spies; second, Fred Locker; third, John Black; fourth, Bill Bruce and fifth, Ted Harrison.

Preliminaries were late in the week with the finals being held Saturday afternoon.

Don't Forget! Enter The Football Contest

Today (Thursday) the annual "Back The Mighty Mules" Football Contest begins. Each year, various local merchants and businesses sponsor the popular contest which begins the week of local football.

In order to be a contestant, the eligibility rules are relatively simple. Contestants must be above the age of 12 years and only one entry per person may be turned in each week. The 5 p.m. Friday deadline rules must be strictly enforced.

All contest blanks must be filled out and turned in at The Journal office by 5 p.m. on Friday after the contest comes out in the paper. The only exception to this rule is that entries sent by mail must be in the mail and postmarked on Friday in order to be counted. Mail entries will be accepted as long as they bear a postmark prior to the deadline. All other entries received after deadline will be

automatically disqualified.

The tiebreaker game MUST include the score you think will be made by each team in the tiebreaker. If no score is shown, the entry will be disqualified.

Winners will be decided on the point system. Weekly first place winners will receive \$5 and 10 points; second place winners, \$3 and six points and third place winners, \$2 and four points. The person accumulating the most points in the season will be declared the grand prize winner at the end of the season. Awarded for the grand prize will be two tickets to the Cotton Bowl and \$50 expense money.

In the event of a tie in any one game, the winner will be decided by the toss of a coin, and decision of the Publisher and Sports Editor of The Journal will be final. All contests will be graded weekly by the Sports Editor and staff of The Journal.

FIVE INJURED IN TURNOVER OF VEHICLE--Five of the seven persons in this 1960 Buick received varied degrees of injuries, mostly minor, in an accident Monday afternoon. The accident occurred approximately 10 miles north of Muleshoe on Highway 214. The car overturned after the left back tire blew out and the driver lost control of the careening vehicle. None of the accident victims were hospitalized. Three were brought by Singleton Ambulance to West Plains Memorial Hospital in Muleshoe and a private car brought the other four victims in to the hospital for treatment.

Absent Balloting Procedure Outlined

According to County Clerk Hazel Gilbreath, any Texas voter eligible to cast an absentee ballot by mail, may not make application to his county clerk for an absentee ballot for the November 3 general election.

In order to vote absentee by mail in this election, a voter must: (1) be unable to appear November 3 at the polling place because of sickness or physical disability; or (2) expect to be absent from his county of residence on November 3 and during the county clerk's office hours throughout the period October 14-October 30, inclusive.

All applications for absentee ballots must be received in the county clerk's office not later than October 30.

Details as to absentee voting procedure may be obtained from Mrs. Gilbreath in the county clerk's office. Generally, these provisions will apply:

A voter applying for an absentee ballot by reason of sickness or physical disability must mail his application to the county clerk. It should be accompanied by the voter's registration certificate, and by a certificate of a duly licensed physician, chiropractor or physical disability.

A voter desiring to vote absentee by reason of absence from the county may either deliver or mail his application for absentee ballot to the county clerk. In the application, the voter must state that he expects to be absent from the county on election day and during the clerk's regular office hours for the entire period of personal appearance absentee voting (October 14-October 20). The absentee ballot then must be mailed to the voter at an address outside his county of residence.

Also, the envelope in which the voter returns the ballot must be postmarked from a point outside his county of residence.

Voter registration in Texas this year hit an all-time high of 4,150,645. On November 3, voters will express their preference in state, district and local races, as well as on seven proposed state constitutional amendments.

Donkey...

hardworking men who are interested in the future of our rural youth and city youth who show their interest in the livestock operations.

"We hope that whenever a business or an individual is making their pledge to the United Fund that they remember most of the budgeted funds in United Fund go to help the youth of our area."

The second largest budgeted amount for 1970-71 is \$2,500 for the Boy Scouts of America with the Salvation Army scheduled to receive \$1,800. Other amounts budgeted include Girl Scouts of America Caprock Council, \$1,600; Babe Ruth League, \$700; Senior Babe Ruth League, \$200; 4-H Youth Leadership, \$150; Texas United Community Service, \$100; United Service Organization (USO), \$200; Texas Association of Mental Health, \$100; Muleshoe Area Senior Citizens Organization, \$350; Southwestern Diabetic Foundation, \$350; Muleshoe Service Unit of Girl Scouts, \$500; American Red Cross, \$1,000; Reserve for Contingencies, \$700 and campaign and operation expense, \$950.

Prior to the time the drive begins, captains and team members will be named. Oliver urged everyone to support the United Fund and send the campaign "over the top" within a short time.

Williams...

Cont'd. From Page 1

tion with theregional workshop session in your geographic area."

The Task Force on Economic and Rural Development is based on the following, said Williams. The basic regional council programs in this area have been limited to overall development. This task force will deal with the questions of regional council development and programs primarily in non-metropolitan areas.

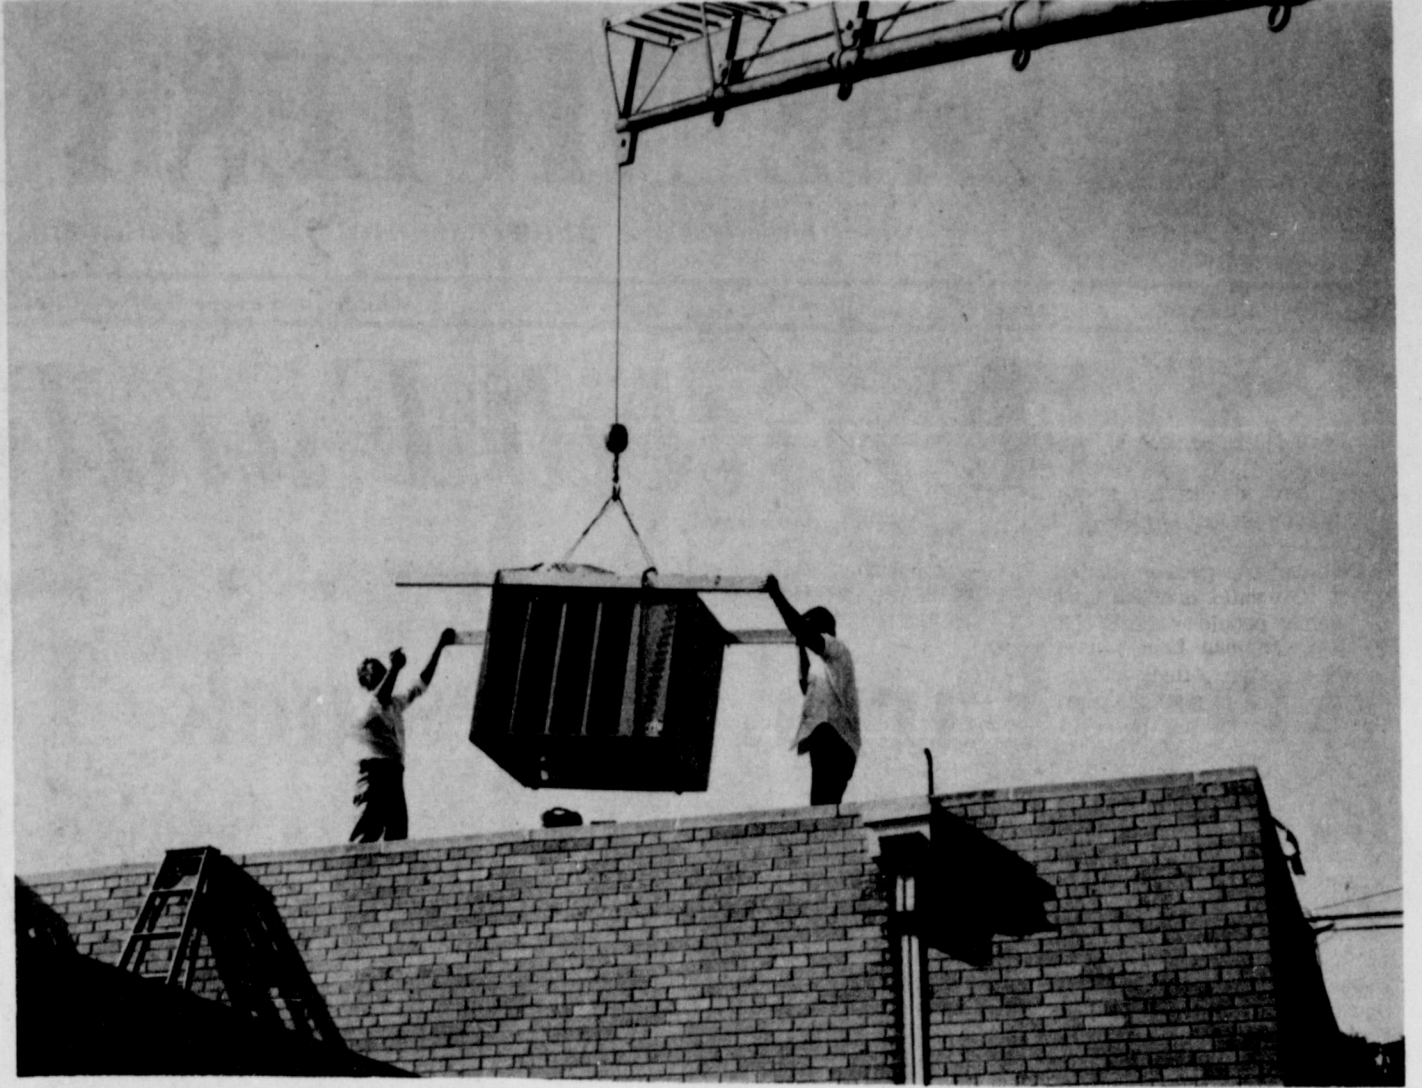

The issues to be defined include: What are the needs and what should be the agenda for development of non-metropolitan areas? How do non-metropolitan areas relate to metropolitan areas? What should regional councils be doing in non-metropolitan areas? What impact does a dispersal settlement pattern or new town have on rural areas? and What can a regional council do to strengthen local government in these areas?

Williams was one of 21 representatives named from the 21 regional council districts in the state of Texas. He will represent the 15-county area in the Lubbock Metropolitan Council of Governments.

He said he will attend the first fall workshop which will be held November 9-10 in Des Moines, Iowa. States to be represented in the fall workshop include Texas, South Dakota, Oklahoma, North Dakota, Louisiana, Missouri, Nebraska, Arkansas, Iowa and Kansas.

He has long been associated in the area with various civic and governmental affairs and an associate commented, "Muleshoe should be honored because of the appointment of a conscientious person such as Councilman Williams to this planning council."

The majority is not necessarily right.

BANK IMPROVEMENTS--Friday, workmen were busy with a large crane, removing old air conditioning units and putting in new gas refrigerated air conditioning units at the First National Bank. A spokesman for the bank said two new units were being installed on the roof of the bank. The large crane and boom

was working from the parking lot at the rear of the bank and provided several sidewalk superintendents the advantage of watching the boom lift the outmoded units from the roof and take the new units up to the top for installation.

Kinstry, Mr. and Mrs. Sam Osborn, Dr. and Mrs. Kenneth Osborn, Beth, Steve and Ken-ni Osborn; Becky and Barry Walker; Mr. and Mrs. Harold Allison, Fred, Carolyn, Jack and Jim Allison; Mr. and Mrs. Oscar Allison, Sam Allison and

Nan Pool and children, Allison and Greg.

They all visited over Monday and returned to their homes late Monday.

Recent visitors in the home of Mrs. Mae Provence have been an aunt, Mrs. Estella McCauley of Waxahachie, Texas and a life long friend, Mr. and Mrs. W.E. Stevens of Resida, California. They also visited Mrs. Fannie Sain in the Muleshoe Nursing Home.

Police activity was lighter over the past weekend than it has been for recent weeks. Only six arrests have been logged by the three local law enforcement agencies.

The Texas Highway Patrol logged two arrests. One for speeding and one for driving while intoxicated. The Bailey County Sheriff's office arrested one person for drunk and the Muleshoe City Police Department had three arrests. One was for drunk and two for being drunk and in the country illegally.

Why is it that the ignorant talk and the intelligent so often remain silent?

Dear Editor:

Dear Editor:

May I put in another word as I have had a visit with a man and his wife while they were having a tire changed at the station that have been working at one of these so called HIGHLY PROGRESSIVE District hospitals and they did not seem to know that Bailey County had fallen apart over one. And I did not tell them about what was being done about one here, I ask them how they were getting along with it. And she said, we seem to have a RACKET going on and no way to stop it.

As everyone knows, if you live in the district the Hospital cannot refuse to give you treatment. And she goes on to tell about if a child is to be born by some people outside the district the man brings here into the district, finds a relative or place to stay and when the time comes for the child to be born, she goes to the Hospital (NO HUSBAND, NO MONEY) and in a few days he comes after her, from may be another state, and some instances he is driving a new car.

Then he said, that is not all of it. If we have an emergency case such as some accidents, and the Hospital needs to send the patient to another Hospital, then the Hospital that sends has no say as to what is being done or when the patient will be dismissed, and sometimes the bill can run easily into THOUSANDS OF DOLLARS.

Then this Hospital sends the District Hospital the bill then the District Hospital PINS it on the tax payers. Then I ask him if this was not a little rough on the tax payers. And he gave me this reply, (THEY ASK FOR IT AND NOTHING CAN BE DONE ABOUT IT).

Therefore we don't know how we are getting along until all the bills come in. We did think we would be able to buy a piece

or two of new equipment but now we may come out in the red!

Now don't get me down wrong, I know we need a Hospital as well as every one knows, BUT JUST WHY did we go into it like this.

Muleshoe went in debt to have the voting place in town, then why could the other precincts not have done the same and if I hear it straight Needmore would not of had a box had it not been for ONE other man. And as to the Muleshoe voting place, was there ample room for the voters of the remainder of the county. Anyone would have to say there certainly was not, for before 10 o'clock some had to go back to their place of business or irrigation because the waiting line was entirely too long for them to wait.

Then what has happened that about one-half of the population of this county has lost confidence in the other one-half. I am persuaded to think, if all the precincts had their voting boxes this would not have happened.

We are not only placing the CART BEFORE THE HORSE, but we are buying a very expensive CART and not a HORSE in sight, so I think the proper thing to do is to cancel the whole thing, and have an election that no one could contradict even though they get defeated. Our people can take a defeat if they think it is done fairly. But if you want to get your HOOK HUNG, just try something they think is unfair.

And I wish the instigators of this would try to do something to prove to people they did not intend to take the advantage in order to get done what they wanted done. We can easily spend the cost of a Hospital in Law Suits.

And thanks for the compliments by phone and other ways for my other letter to the Journal.

A.F. Robertson

Cowsills Schedule Concert Appearance

The highly popular family rock-group, The Cowsills, will appear in concert on the South Plains College campus on Saturday, October 17. The South Plains College Student Senate and the Student Activity Office will sponsor the event.

The Cowsills are a family group consisting of the mother, Barbara Cowsill, four sons and one daughter. They have been singing as a group for three years, and have had six million selling single records and four albums that have received the coveted gold record for selling a million copies. Their first big hit was THE RAIN, PARK AND EVERYTHING followed by their very popular INDIAN LAKE. However, their biggest hit came in 1969 with their recording of HAIR which was the number two song for the entire year, and is among the top fifty selling songs for all-time.

Recently the Cowsills have confined their time to concert appearances and television work. They have been seen recently on the Ed Sullivan Show, Merv Griffin, Johnny Carson Show, the Glenn Campbell Good-time Hour, Dean Martin Show and the Tom Jones Show. This summer the group has been accompanying Johnny Cash on concert appearances and making separate appearances of their own at fairs, rodeos, and rock concerts.

The Cowsills's concert is two hours of solid entertainment that is enjoyed by people of all ages. Their music is popular,

yet not too heavy for adults to enjoy. They are one of the few groups on the recording scene today that have managed to appeal to youngsters, teenagers, college-aged youth, and adults. Also, their music is of a wide variety with occasional ballads, some country songs, and of course the current popular hits of their own and other groups and artists.

Further details will be released by the SPC student Senate in the next few days concerning the acquiring of tickets, prices, and other pertinent information. The concert is planned for a Saturday night to allow families, school kids, and all working people to attend the concert.

Mrs. Ingham, Mrs. Rennels Nominated For Publication

The Muleshoe Branch of the American Association of University Women announced today that Mrs. Betti Ingham and Mrs. Magann Rennels have been selected to appear in the 1970 edition of "Outstanding Young Women of America". Nominated earlier this year, these women have been chosen for the awards publication on the basis of their achievements.

Now in its sixth year, the Outstanding Young Women of America program, designed to recognize the abilities of women between the ages of 21 and 35, was conceived by the leaders of the nation's major women's organizations. This program recognizes those young women who contribute to the betterment of their communities, professions and country. Serving on the program's Board of Advisors are the national presidents of women's clubs, headed by Mrs. Dexter Otis Arnold, Honorary President of the General Federation of Women's Clubs.

Each year over 6,000 young women are nominated as Outstanding Young Women of America by leading women's organizations, college alumni associations, and churches across the country. These young women's complete biographical sketches are featured in the national volume, "Outstanding Young Women of America". These women are now in competition for their state's Outstanding Young Woman of the Year Award. This fall, fifty of the young women included in Outstanding Young Women of America -- one from each state -- will be named as their state's Outstanding Young Woman of the Year.

NBC news correspondent, Nancy H. Dickerson, who wrote the introductory message for last year's edition, said, "The young women honored by recognition in this book have made a good start... They can recognize the new acceptance they

have and go forward to contribute even more in a more meaningful way than in the past, and hopefully ennoble a world which is so much more in need of their talents than ever before."

Guidelines for selection as an Outstanding Young Woman include unselfish service to others, charitable activities, community and civic and professional recognition.

Mrs. Betti Ingham is a former Muleshoe resident and has recently moved with her family to Amarillo where she is teaching school. She and her husband, Jeff, are members of the Methodist Church. She is a former school teacher in the Muleshoe Public School System, and a member of the American Association of University Women.

Mrs. Magann Rennels is married to Jack Rennels and makes her home in Muleshoe where she works in the news department at Radio Station KMUL. Her husband is an equipment technician in the engineering department of Bailey County Electric and Five Area Telephone Cooperatives.

Born January 26, 1943, she is the daughter of Gilbert Lamb and the late Olabelle Singleton Lamb. She graduated from Muleshoe High School in 1961; attended Texas Tech two years studying journalism and speech; attended summer school at Los Angeles City College; received B.S. degree from West Texas State University, Canyon, Texas in 1965. Her major was speech and she minored in sociology and secondary education.

Mrs. Rennels is a member of the Methodist Church where she teaches Sunday School; administrative board and a charter member of the Joyce Hill Circle of WSCS; 1969-70 Vice Chairman of the Board of Trustees of Muleshoe Area Public Library; 1968-70 Library Memorial Fund Treas-

urer; Friends of the Library; membership chairman in Muleshoe for the Lubbock Theatre Center for the past six years; 1968-70 Epsilon Chi Chapter of Epsilon Sigma Alpha treasurer; District IX ESA treasurer; vice-chairman of the Bailey County Republican Party; American Association of University Women, cultural interests chairman; Mule Memorial Association; and West Texas Ex-Students Association.

She is the president of ESA this year and was Outstanding ESAer of 1970. Last spring she co-ordinated the efforts of four organizations in bringing the Amarillo Symphony to Muleshoe. Her awards have been the First and Second Degree Palas Athene and First Pearl Award in ESA, and was nominated by the Muleshoe Study Club as an Outstanding Young Woman in 1969.

Her advocacy is working with families of alcoholics and talking to groups about the effects of alcoholism and drug addiction on the family. In 1965, she spoke at Goree Unit for Women, Texas Department of Corrections, Huntsville, Texas.

Her hobbies are preparing gourmet dishes and entertaining in the home which she has furnished with family antiques. These two women join two more women from Muleshoe who have been selected for this edition, Mrs. Charles Lewis and Mrs. W.T. Watson.

YL Saddle Tramps Elect Officers

The YL 4-H Saddle Tramps met Monday, September 7, at eight p.m. with 15 members present. New officers were elected for the coming year. President is Aubrey Pitts; vice-president, Bruce Peterson; secretary, Linda Head; reporter, Kathy Boren and queen is Belinda Throckmorton. The adult leader will be Jack Bates.

The club went to nine parades this year and brought back three First Place Trophies and five Second Place Trophies. The club decided to have a trophy case built and to be left at John's Custom Mill.

All members are urged to attend the next meeting which will be held the second Monday in October at eight p.m.

De Shazo P-TA

The Mary DeShazo P-TA held its first meeting Monday, September 7, in the cafeteria.

President Mrs. Kenneth Stice brought the meeting to order followed by the Pledge of Allegiance led by Curtis Carpenter. The order of business was read and approved.

Mrs. Mitchell, music teacher at the school, presented the program. She accompanied herself on the piano and sang "Wayfaring Stranger" and "Swing Low, Sweet Chariot." Principal Bill Taylor introduced the teachers.

A new phase in the P.E. program was explained. All of the students will participate in a P.E. program at least twice a week. Gymnastics and tumbling will be taught.

Mary DeShazo P-TA is looking forward to an exciting and eventful season and invites people to join and take part in the activities.

SADDLE TRAMPS--These are some of the trophies won by the Y-L 4-H Saddle Tramps this year. They participated in nine parades and brought home three first place trophies and five second place trophies. The trophies are on display at John's Custom Mill in Muleshoe.

Epsilon Delta Chapter Of Delta Kappa Gamma Has Salad Supper

The Epsilon Delta Chapter of the Delta Kappa Gamma Society had a Salad Supper, Saturday, September 5, at seven p.m. in the Community Room of the First National Bank.

After the supper, Mrs. Joe Costen, president, welcomed the members and presided during the business session. Committees were named and a preview of the year's work was given by Mrs. Pat Donnelly, Littlefield, first vice-president. Mrs. Ed Johnson was appointed treasurer of the chapter.

Mrs. Kenneth Houk presented the scrapbooks for the 1968-70 biennium to the past president, Mrs. Lenton Smith. She then

presented the books to Epsilon Delta.

Mrs. Willis Hedges, Mrs. Ray Blessing, and Mrs. W.C. Risinger presented the program, "How Much Do We Know?" Questions relative to the organization's constitution Committee.

Mrs. Dorene Harbin was welcomed as a transfer member.

The Regional Meeting of the Delta Kappa Gamma Society will be October 17 in the Tulia High School. The theme will be "This time, like all times, is a very good one if we but know what to do with it." This year the seventh purpose of the Society will be implemented "to inform the membership of current economic, social, political, and educational issues to the end that they may become intelligent, functioning members of a world society."

The international theme of the Delta Kappa Gamma Society is "The Critical Analysis of Values-A Basis for Action."

Thirty members representing a two county area including Littlefield, Amherst, Sudan, Olton, Springlake, Bula and Muleshoe attended.

Muleshoe hostesses were Mrs. John Miller, chairman; Mrs. Joe Costen, Mrs. Clifton Finley, Mrs. Ed Johnson, Mrs. Jack Obenhaus, Mrs. John Watson, Mrs. Wilson Witherspoon, Mrs. Eric Smith and Mrs. Harbin.

4-H Photo Fun Club To Make TV Debut

SPECIAL - A new 4-H photography television series composed of six half-hour instructional shows will be ready for nationwide viewing early this fall, announces the National 4-H Service Committee.

Titled "4-H Photo Fun Club," the six programs are geared for 9 to 12 year olds. They will teach basic photography from how to hold and aim a camera to telling a story with pictures. Eastman Kodak Company

produced the series in cooperation with the Extension Service and the National 4-H Service Committee. Kodak also sponsors the fast-growing national 4-H photography program.

Since the photography program was launched six years ago, enrollment in the 50 states has doubled to more than 110,000 members.

4-H leaders predict that adding the new TV series to the program will add thousands of budding picture snappers, especially among urban youngsters. Members of the TV cast are bona fide 4-H'ers from Milwaukee County, Wisconsin, where the filming was done.

Getting professional tips on cameras and how to take better pictures should be its own reward. And it is, say the 4-H youths. But ambitious shutterbugs can have even more.

Kodak offers a medal to the four best 4-H photographers in a county. Funds are provided for a trip to the National 4-H Congress in Chicago for the boy or girl showing the top photography project in the state. The national prize is a \$600 scholarship for each of the six most outstanding youths selected annually from state winners. The records are judged by the Cooperative Extension Service which supervises the program.

Recently Kodak, the Extension Service and the National 4-H Service Committee developed a training kit for adult and teen volunteer leaders. Manuals covering the step-by-step progress in picture taking are used by leaders and members as well. More information about 4-H photography is available from the County Extension Office, Phone 272-3913.

Pleasant Valley Social Club Meets

The Pleasant Valley Social Club met in the home of Claudine Embry recently with Judy Cox co-hostess.

Mrs. Kenneth Duncan presided over the meeting and the roll call was "The First Day of School". Plans were made for a "come as you are" breakfast to be held soon.

The club voted to contribute \$30 through the Lamb County Red Cross for ditty bags for the soldiers.

Those attending were Mrs. Harold Allison, Mrs. Kenneth Duncan, Mrs. Kirk Pitts, Sena Stevens, Bonnie Haberer, Eula Calhoun, Mrs. Attie Hetinger, and the hostesses.

ENGAGEMENT ANNOUNCED--Mrs. Shirlee Richardson, Muleshoe and Jack Richardson, Pinedale, Wyo. announce the engagement of their daughter, Ricki Dawn, to Danny Lynn Kelly, son of Mr. and Mrs. F. Kelly of Bowie, Tex. Miss Richardson is a senior in Muleshoe High School. Kelly is a graduate of Springlake-Earth High School and attended West Texas State University. He is presently serving in the U. S. Army and is home on leave before reporting for duty in Vietnam. The wedding date will be announced later.

MRS. JOE LUIS ELIZARRARAZ

Mrs. Elizarraraz Given Baby Shower

Mrs. Joe Luis Elizarraraz was honored with a baby shower at the Muleshoe State Bank Community Room Friday night, September 10. The table was covered with a white lace cloth and a stork formed the centerpiece. A white cake, trimmed in green and featuring the words "Welcome Baby", was served to the guests. Yellow punch, nuts and cookies were also served. Mrs. Joe Gonzales registered the guests and Mrs. Juan Madrid pinned favors on each guest. Approximately 40 guests were registered.

Nan Allison Pool Breakfast Honoree

Nan Allison Pool was the honored guest at a Sunday breakfast in the home of Mrs. Bonnie Haberer, Nan Pool graduated from West Texas State University in early summer of this year and she is teaching in the Brownfield School System. The table was laid with a lace cloth and centered with a pyracantha arrangement in a brass vase. The honoree was presented with a carnation of pink roses. Enjoying the occasion were Bonnie Pat Cheek, Ronnie Stovall of Plainview, John O. Haberer, Edward Wuerflein, the honor guest and the hostess.

PROMOTION--With new bars in place, Captain David Mathis (c) gets a happy kiss from his wife, Cynthia, as Colonel Charles G. Ives (l) looks on with a smile after having done the honors. Captain Mathis is the son of Mr. and Mrs. Houston Bert Mathis, Route 5, Muleshoe, and is assigned as Staff Band Officer, USA.

Area I Young Homemakers Plan Annual Convention

Two hundred and fifty Young Homemakers from Area I Chapters are expected to convene in the Hereford High School Auditorium for their annual convention, Saturday, September 19, 1970. Mrs. David Prewitt, Area President from Ralls, will preside throughout the day. The business session will begin at 10 a.m., at which time the new area officers will be elected by delegates from the thirty-seven area chapters. The afternoon session will begin at one p.m. with the Muleshoe Chapter in charge of registration. Mrs. Liz Tankersley, Executive Director of KXTV, Educational Channel, Texas Tech University, Lubbock, will be the speaker. She will discuss and demonstrate "Shaping Up for the 70's."

The Little Sisters from local chapters, members of Future Homemakers of America, will be introduced and they will entertain during the afternoon session. Newly elected area officers will be installed by Mrs. Ben Holcomb, State Young Homemaker Vice President, from the Dimmitt Chapter. The contestants for the Area I Little Sister will be honored with a luncheon in the home-making department of Hereford High School at noon. The awards banquet for Young Homemakers and Young Farmers will begin at 6:30 p.m. in the Hereford High School Cafeteria. Bill Sarpius, Past State Future Farmers of America President from Canyon, will be the speaker. Cash awards will be presented to Outstanding Young Homemakers Chapters by Pioneer Natural Gas Company, and the Electric Utility Companies of Texas. A \$100.00 scholarship will be presented to the newly selected Area I Little Sister. She must attend a four year Texas college and plan to major in some phase of home economics. The FHA member entering college on this scholarship in Vicki Davis, Roosevelt High School.

Muleshoe Branch of AAUW Previews Year

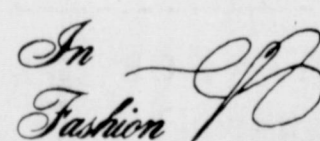

The Muleshoe Branch of the American Association of University Women met Monday, September 7 at 7:30 p.m. in the Community Room of the First National Bank for a Salad Supper. Mrs. Eric Smith, president and Mrs. Jimmy Shafer, membership vice-president, were hostesses. Fall flowers and gold and orange tones were used on the serving table and individual tables.

The Muleshoe Branch projects were reviewed: The Summer Reading Program at the Muleshoe Area Library; co-sponsoring the Amarillo Symphony Orchestra and Lee Ann Yerby to Girls' State; the Senior Girls Tea; and contributions to the Muleshoe Area Library and Fellowships for advanced education. The program topic for the 1970-71 year is "American Foreign Policy: Dilemmas and Realities of Power". Mrs. Robert Hooten is the Program Development Chairman. A resume' of the 1970-71 programs and the purposes of AAUW were given by Mrs. Jimmy Shafer.

Mrs. Oscar Rudd, treasurer, gave a report and reminded the members about the deadline for paying dues. Mrs. Smith announced that Mrs. Jack Rennels and Mrs. Jeff Ingham have been selected as the two Outstanding Young Women sponsored by AAUW. Their names will appear in the publication "Outstanding Young Women of America" and they will compete with other nominees in the state. Mrs. Jack Rennels was nomi-

inated to be the representative from AAUW to serve on the Cultural Interests Board of Directors for this area. Mrs. Eric Smith and Mrs. Joe Costen attended the Governor's Conference on the Status of Women in Austin, August 21. Judge Sarah T. Huges, Bonnie Angelo, and editor of "Time", and Governor Smith were three of the speakers for the Seminar. Legislative Day for AAUW will be February 17, 1971, and the Texas Convention will be March 25-27 at Abilene, Texas.

The Association (National) Convention will be in Dallas in June, 1971. Guests attending the Salad Supper were Mrs. Kenneth Powell and Mrs. J.D. Small. Members attending were: Mrs. Joe Costen, Mrs. Neal Dillman, Mrs. L.B. Hall, Mrs. Lena Hawkins, Mrs. Ed Johnson, Mrs. Charles Lewis, Mrs. Jack Rennels, Mrs. W.O. Rudd, Mrs. Eric Smith, Mrs. Jimmy Shafer, Mrs. Addie Mae Spence, Mrs. John Watson, Mrs. Mabel Wolfe, and Mrs. Wayne Gilliland.

The midi coat will probably be a very popular item in the fall wardrobe of young women. The best part about it is that it is warm and protects the legs. It can be worn over pants suits or over short dresses.

Calling All Clubs And Church Groups

WEEKLY RECIPE

By Sarah Anne Sheridan
Autumn means pear time--succulent sweet pears have a place at almost any fall meal. There are many ways to serve them. These recipes are enjoyed in our home.
Pear Marmalade
1 peck of pears grated
5 lbs. sugar
1 qt. grated pineapple
1 pt. marishino cherries
Mix pears and sugar. Let boil 3 hours. Add pineapple and cherries which have been cut fine. Let cook 5 minutes. Pour into sterilized glasses and seal.
Baked Stuffed Pears
Pears
Pitted dates, seeded raisens or chopped nuts, tart marmalade or shredded cocoanut.
Pare and core pears. Stuff with dates, raisins or nuts mixed with either marmalade or cocoanut. Place close together in a baking dish, cover bottom of pan with water. Bake slowly until tender.

Put yourself in the driving seat... finance with us now.' Includes bank logo and member FDIC.

Harmon Highlights High-Rated Stanford Razorbacks To Meet

We've been having wild rating nightmares ever since the bowl games closed out the 1969 football season. And we've also been eating various breeds of crow since the teams we ranked 4th through 8th were all upended in post-season games!

Missouri, #4 - Auburn, #5 - Michigan, #6 - Notre Dame, #7 - and Arkansas, #8 - as well as Tennessee, #11 - were all beaten. Only Notre Dame lived up to point spread expectations in their loss to national champion Texas.

So - it's a brand new season - and we're ready to lead with our chin again for another unpredictable thirteen weeks of college football.

Penn State dumped fourth-ranked Missouri in the Orange Bowl, so it might be that the Tiger will take it out on Baylor in the 1970 major college opener this Friday. The spread is big: 38 points.

In a real wild Sugar Bowl,

10th-rated Mississippi survived a thriller over 8th-ranked Arkansas. The Razorbacks run in to another toughie to start this season - 16th-rated Stanford. Just add about four points to Stanford's offensive total last fall, and they would have been undefeated and the host in the Rose Bowl. Arkansas will drop the Indians, but only by four points.

And the Trojans of Southern Cal, winners over Michigan in the Rose Bowl, bump into a determined Bear Bryant and Crimson Tide of Alabama. Southern Cal was #12, Alabama, #20. The West Coast champs should hand the Tide its first opening game loss since 1965 - the difference, 6 points.

Fourteenth-rated Nebraska was favored to nip Georgia in the Sun Bowl, but since when is winning by 39 points called nipping! They'll have a bit of a breather in their opener as they're expected to beat Wake

Forest by 33 points.

Another spoiler in the bowl contests was 15th-ranked Florida. The Gators whipped Tennessee in the Gator Bowl. They should start 1970 on a winning note, clipping Duke by 24 points.

In a Pacific Coast Conference opener that may be an indication of things to come, last year's number 13 team, U.C.L.A., is a slim favorite over Oregon State, 1969's 27th-rated eleven. On the strength of the crystal ball, the pick is U.C.L.A. by just nine points.

PILE-UP--When the Saints and Chiefs met Sunday afternoon, the action was fast, and the boys played hard. Here is a typical pile-up on the ball carrier. The entire game was a defensive game, with neither side scoring.

IN ON THE ACT--Everyone wants in on the act, and a piece of the action in a Youth Football opener Saturday night. Providing entertainment and fast action were the Cowboys and Packers in the opening game of the six-game Youth Football schedule. The 10-12 year old football players will meet each Saturday night in Babe Ruth Park.

A good conscience is a continual feast.

Cowboys Tromp Packers; Saints-Chief In Tie Game

It was a great night for football! Saturday night, the Muleshoe fall football season was officially kicked off with a one-sided tilt between the Cowboys and the Packers. Both teams are in Youth Football Inc. The Cowboys rambled and roamed over the hapless Packers, 44-0.

Prior to gametime, in an opening celebration at the Babe Ruth Ball Park, all four teams in the Youth Football League were introduced to a good crowd who took advantage of a cool evening and an interest in football to attend the game.

The shortest player introduced in opening ceremonies was four feet two inches and the tallest was five foot, three inches. The lightest player was 52 pounds and the heaviest 160 pounds. But, all the players proved to be all heart, muscle and action in the first two games on Saturday night and Sunday afternoon.

The boys are from 10-12 years of age and are fifth and sixth graders.

Cowboy quarterback Tony Vela set the pace for the Cowboys as he plunged over from the one yard line early in the game, then followed with two extra points to make it an 8-0 game. The TD was set up after Johnie Vaughn intercepted a Packer pass in Packer territory.

Derrell McDaniel, 68 pounder, skipped in from the 14 yard line for the second Cowboy TD. Quarterback Vela failed in his attempt for the PAT and the score was 14-0 at the one-quarter mark.

The Packers were unable to move the ball smoothly and the Cowboys Kevin Smith plunged over from the right side after a 23 yard scamper to score again for the Cowboys in the second. Vela slipped over for two more points to make it 22-0.

Mike Griffin and Matt Phelps, who both proved to be strong carriers for the Packers, kept a Packer drive going before finally losing the ball on downs to the Cowboys.

On a keeper, Vela moved the ball to the Packer 22 then pass from Vela to Don Brown proved to set up the next Cowboy TD as Brown slipped into the end zone after latching onto the pass. Vela ran the extra points and the halftime score was 30-0.

Kevin Smith powered over from the three yard line for the next Cowboy TD and Vela failed on the extra point try. Martin Lopez recovered a Packer fumble and the third ended with a score of 36-0.

Final points in the game were in the fourth when a Vela-Brown pass play put the ball on the 11, where Terry Mick scampered over and quarterback Vela went over for two more points to make it a 44-0 game.

Big fat zeros showed up on the score board Sunday afternoon when the Saints and the Chiefs met in a 2:30 game at the Babe Ruth Ball park. It was hot, dry, windy and dusty as the two teams played an outstanding defensive game.

Keeping the ball on the ground throughout the game, each quarter went by with both teams threatening at times, but tight defenses keeping the opposing team from scoring, and the fast game ended, 0-0.

Nicky Bamert proved to be strongest runner for the Chiefs while Gary Gunter and Tarrhman Kirven shared ball carrying chores for the Saints.

Just before halftime, the Chief defensive line held the Saints on the six inch line and stubborn youths refused to budge enough to let the Saints slip over for the TD.

Ricky Hays for the Chiefs and Ricky White for the Saints provided several thrills for fans throughout the game with their

professional-type handling of the game.

Gary Gunter added thrills near the end of the game as he broke loose and flew downfield for more than 25 yards before he was hauled down from behind with 40 seconds left in the game.

The youngsters proved they could effectively learn the sport as penalties were at a minimum for both nights, with no penalties for unnecessary roughness, personal fouls or other acts of unsportsmanlike conduct.

In their eagerness to play, the fouls were for offside, and these were at a minimum.

Several fans commented that the coaches who are spending their time and efforts working with these youth are to be commended for their actions.

Youth Football, Inc. is sponsored in Muleshoe by the Jaycees.

It was announced Sunday afternoon that in the future, all Youth Football games will be played on Saturday night. On Saturday, September 12, the Packers will meet the Saints and the Cowboys and Chiefs will clash.

Gametimes will be announced at a later time.

WHOA NOW, SLOW DOWN--Coming out of bounds and knocking down the sideline markers, the Cowboys and Packers battle it out during the first game of Youth Football Saturday night. The Cowboys romped over the Packers, 44-0, but the Packers have promised to retaliate before the end of the season.

BULLDOG STADIUM HAS NEW GRANDSTAND--For the first time in the history of the Bula school, this fall fans who attend home football games at Bulldog stadium will have a grandstand. Bula business people and individuals in the Bula area donated the materials and the labor was provided by Coaches

Loyd Halbrooks and Pat Risinger, assisted by several Bula area boys. Pictured admiring the new stadium seating are from left, Iva Noble, Judy Snitker and Jolene Cox. Before the seating was constructed this past summer, football fans either stood along the sidelines or sat in cars.

Texas Corn Not Affected By New Disease

COLLEGE STATION--Southern Corn Leaf Blight, the fungus disease playing havoc with corn crops in some states, reached Texas just a little too late.

The fungus disease is reported to be a serious problem in Mississippi, Alabama, Georgia and Florida, however, its occurrence in Texas was too late in the season to cause substantial yield losses, Dr. C. Wendell Horne, Extension plant pathologist, said.

"The infection of Southern Corn Leaf Blight that hit most of the major corn-producing areas of the U.S. is caused by a suspected new race of the

fungus parasite, *HELMINTHOSPORIUM MAYDIS*," he said, "Greatest yield losses have been observed when severe infection occurred at the beginning of the milk and tassel stage; however, Texas corn was past this stage before serious infestation problems began."

Many corn growers are probably asking themselves if they should forget about raising corn next year and grow another crop.

"It would be somewhat shortsighted to not plant corn because the disease might occur again next year," Dr. Horne said, "Three factors must be present before there can be

another disease occurrence. "There must be a susceptible host, and we know that this is present because of this year's disease problem.

"The pathogen, or infecting agent, must be present in sufficient quantities to cause infection, and this depends on many factors, which just happened to all be favorable this year.

"And, the weather conditions must be conducive to this disease; in other words, favorable moisture."

The disease may occur again next year or it may be several years before the disease again occurs, he said. It depends on all conditions being present and favorable at one time. Dr. Horne said, adding that seed corn producers, very concerned about the disease, are making every effort possible to make resistant hybrids available in case this disease continues to be a problem.

News of Our SERVICEMEN

John Crowley

AGANA, Guam--U.S. Air Force Senior Master Sergeant John D. Crowley, son of Mr. and Mrs. O.M. Crowley, Route Three, Booneville, Ark., has arrived for duty at Andersen AFB, Guam.

Sergeant Crowley, an aircraft maintenance supervisor, is assigned to the 79th Air Rescue and Recovery Squadron, a unit of the Aerospace Rescue and Recovery Service which performs combat and mercy air rescue and evacuation.

The sergeant who has served in Vietnam, was assigned at Seymour Johnson AFB, M.C. prior to his arrival at Andersen. Sergeant Crowley attended Three High School and completed requirements for his diploma after entering the Air Force. His wife, Patsy, is the daughter of Mrs. Marie Baker, Morton.

Hard work makes almost any job easy; backing off and delaying the start makes success almost impossible.

The annual meeting of Plains Cotton Growers, Inc. has been set for 9:30 a.m. September 29 in the Municipal Auditorium on the Texas Tech campus.

According to Donald Johnson, PCG Executive Vice President, speakers for the two hour morning program will include J. Dukes Wooters, newly appointed General Manager of Cotton Producers Institute and Charles G. Scruggs, Editor of Progressive Farmer magazine and chairman of the Texas Legislature's interim study committee on natural fibers and textile development.

The program calls for adjournment of the PCG meeting at 11:30 a.m. to permit those interested to attend a Cotton Producers Institute presentation scheduled for noon in the Red Raider Convention Center. A separate luncheon program is being planned for the ladies, with details to be announced later. Johnson said.

The first application of low volume malathion in the High Plains Diapause Boll Weevil Control Program was successfully completed on Friday, September 4. And according to Ed Dean, Field Service Director for Plains Cotton Growers, Inc., the organization responsible to producers for the program, "this is an excellent start."

Dean said "It rained August 31, the first scheduled day of spraying, but after that the weather cooperated beautifully and spray planes flew with only minor interruptions for the next four days." The first dose of weevil-killing insecticide this year covered just under 100,000 acres, about a third less than was covered by the first application in 1969.

"Extensive surveying this year discovered fewer infested acres than were found last year," Dean explained. He cautioned however that it is impossible to tell at this stage to what extent the control zone may have to be enlarged as the season progresses. "But," he said, "we know from past experience that additional infestations will crop up and the control base will have to be broadened."

In 1969 it became necessary to add over 50,000 acres to

the control area that was sprayed in the first application.

Weather permitting, program officials hope to begin aerial spraying again on September 7 in order to complete the second application on approximately the same acreage by September 11. These first two rapid-fire shots are designed to reduce populations and either stop or reduce migration by breaking the weevil's reproductive cycle. Subsequent applications, on a 12 day schedule, will continue until the end of the season to kill remaining weevils before they can attain "diapause," the stage in which they hibernate through the winter.

The farm bill recently reported by the Senate Committee on Agriculture and Forestry is now slated for consideration on the Senate floor during the week of September 14. The outcome remains in doubt.

Amendments will doubtless be offered to change the Committee's bill in several respects, but the major conflict is expected to build around the limitation of payments to individual farmers. The Senate Committee version goes along with the \$55,000 per crop per farmer limit passed by the House. But the body of the Senate, in an amendment to the agricultural appropriations bill, previously endorsed a limit of \$20,000 per person. And proponents of a limit at that level will mount a strong effort to override the Committee's recommendation.

Also, the Committee's version of a farm bill differs substantially from the bill passed by the House and contains features to which the Administration is strongly opposed. Some of these differences may be worked out on the Senate floor. But it now appears that if programs for cotton, wheat and feed grains are to be passed this year, some of the important provisions may have to be written by a House-Senate Conference Committee.

Tax Man Sam Sez

Congress has carefully provided a number of hearings and appeals if you disagree with Internal Revenue over the amount of tax that you owe. Naturally the Internal Revenue Agent who audits your tax return discusses your case with you. He has as much responsibility to see that you get all of your deductions and tax benefits as to see that the Government gets all the tax that is due. If you disagree with the Agent you can ask for a conference with an independent conferee and get an independent impartial hearing on your tax. If you don't agree with the conferee there is an Appellate advisor who will hold another hearing. Then you can go to Tax Court. Eventually you can pay your tax and sue in District Court, and finally, you can appeal all the way to the Supreme Court. It is probably safe to say that you don't have to march in the street carrying a sign to be heard on what you think about your income tax--you can tell it to Internal Revenue and the Courts, in hearing after hearing.

Editorials

All letters to the Editor of reasonable length are welcome and will be published. Letters to the Editor must be signed, however, names will be withheld upon request.

Back To School

We have come a long way from the little red, country schoolhouse where readin', writin' and 'rithmetic were taught to the tune of a hickory stick but today's students, naturally enough, fail to appreciate how much progress they enjoy as they begin the new school year.

In the current confusion over school reorganizations, controversy, financial difficulties, etc., in some states, Americans should keep in mind that the public school has been a great democratic influence.

While in some of the metropolitan and northeastern parts of the country there exists an old pattern of the more affluent sending their children to private and exclusive schools, in most parts of the nation in the small towns and rural areas, the majority of local citizens, rich and poor, send their children to the same, public school. Racial patterns of the past are now largely eliminated. Children in these schools live together, learn together and work together, accepted as having equal rights and opportunities (though not necessarily equal).

This public school system is experiencing an ironic evolution today. As private schools, such as church schools, suffer and even close because of costs rising in most areas, the public schools take on a greater percentage of the educational job. Yet in the Deep South private schools have sprung up quite rapidly in recent years primarily because of rapid integration.

Thus the public school student of 1970, beginning the 1970-71 school year, returns to a school in a period of transition. He has better facilities than his father or grandfather enjoyed. Those in private schools also usually enjoy better facilities than their parents. All should remember that in this free country, with its free-enterprise economic system, there's no limit to achievement or earnings for the student who really applies himself.

Tax-Sharing Dead?

One of the proposals of Richard Nixon which helped win the Presidency in 1968 was his advocacy of a plan whereby some federal revenue, a small percentage of the total, would be shared by the states. The theory is that states would be able to get more value for a dollar than the federal government operating from Washington.

The latest word on Capitol Hill is that tax-sharing for this year is a lost cause, that even in a new Congress next year the President will encounter tough going in seeking to have the program enacted into law.

The greatest negative influence is the fact that the federal government is now operating in the red; a budget deficit for the current fiscal year is a certainty. With not enough tax monies to finance its own operations, the treasury will have nothing left over to share.

This is unfortunate because only a trial of the plan would prove its merits or demerits.

Born Too Late

Only in America would it happen. An enterprising firm is currently advertising a television cabinet with three television screens--for the viewer who wants to see three programs at once.

This proves things can get worse.

In fact, a good case can be made for the proposition that watching too much U.S. commercial television on one screen addles the brain.

If there is now to be a three-screen malady, some of us were born thirty years too late.

CHEVY'S NEW LITTLE CAR IS OPEN FOR BUSINESS.

We call it Vega.
We also call it "the little car that does everything well."
Because it does.

Everything? Everything.

Vega moves well, stops well, steers well, rides well, handles well, responds well, passes well, travels well, parks well, wears well, and is priced well under what you'd expect to pay for such a talented little car.

In our highway tests, Vega has been getting gas mileage in the neighborhood of the little imports, which isn't a bad neighborhood.

Yet unlike your average little car, ours steers right out when you step on the gas.

The engine is a specially designed overhead cam four with a lightweight aluminum alloy block. It turns slowly and quietly at turnpike speeds, with power to spare.

Disc brakes are standard in the front. So are bucket seats, except on the truck.

How we doing so far?

Numbers speak louder than words.
The wheelbase is 97 inches.
Total length is just under 170 inches, or nearly four feet shorter than a full-size Chevrolet.

Height of the coupe is just 50 inches, nine inches lower than the leading import.
Width: a nice stable 5 1/2 feet.
Weight: 2,190 lbs. for the sedan.
Engine displacement: 140 cubic inches.

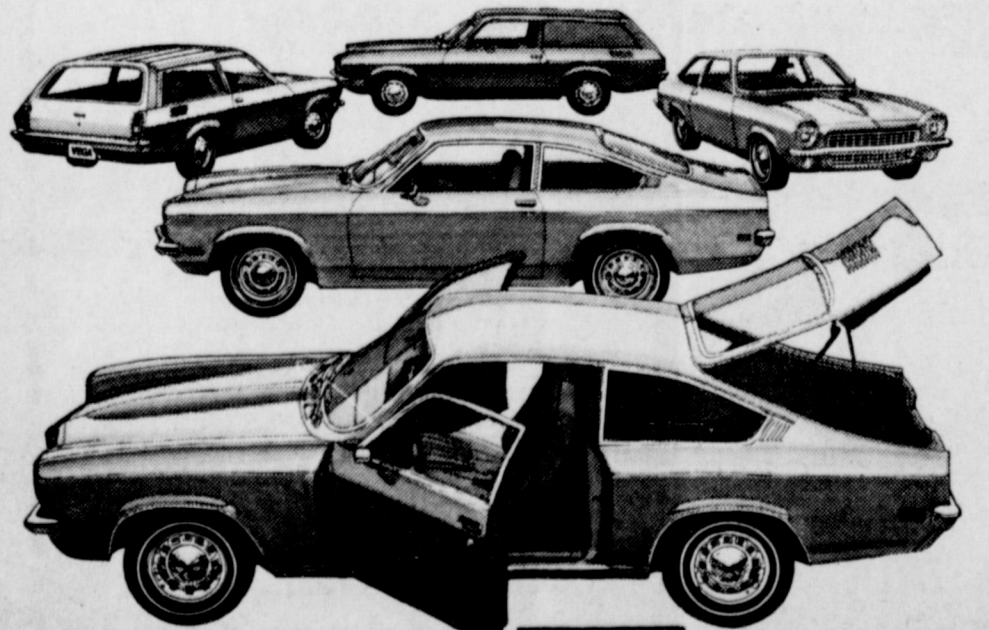

Fuel economy: about 25 mpg, with the standard engine and transmission, in our highway tests.
Horsepower: 90. You can order 110. (80 and 93 hp, SAE Net.)
Seating capacity: 4 adults.
What it all adds up to is a lot of little car.

Three cars and a truck.
Vega turned out so well that we couldn't turn out just one.

So we're turning out four: the sporty little hatchback coupe shown open and closed in the foreground below; the sedan, on the right; the Kamback wagon, on the left; and the little panel truck, in the rear.

Oh, and a special GT version of the coupe and wagon which we'll show you later on.

September 10th is Opening Day.
All 6,300 Chevrolet dealers are handling Vega, so you shouldn't have to go very far to see and drive one.
Chevy's new little car is open for business. Look into it.

STATE CAPITAL

Highlights AND Sidelights

by Vern Sanford

TEXAS PRESS ASSOCIATION

AUSTIN, Tex. -- A veteran state tax bill author predicts that the Legislature will be levying more new taxes on Texans next year than the king-sized \$348.6 million revenue bill of 1969.

Forecast was offered by Rep. Ben Atwell of Dallas, chairman of the House Revenue and Taxation Committee and head of the Committee on State and Local Tax Policy.

Bolstering Atwell statistically was James W. McGrew, research director of Texas Research League, who acknowledged that his original estimate of a \$400 million tax bill "looks smaller all the time."

Lt. Gov. Ben Barnes frankly concedes that a "major" tax bill is looming -- unless the federal government agrees to some form of unrestricted revenue sharing with the states or picks up the entire tab for welfare aid. Barnes further acknowledged that he is not optimistic about prospects for a federal rescue in the nick of time. This view was heartily concurred in by Atwell.

Although Barnes and Atwell did not appear far apart in their estimates of revenue need, they were speaking a different language as to sources. Atwell, who declined recommendations at this point, told newsmen he thinks an increase in the sales tax rate is likely and that the Legislature properly should look to broad-based taxation in 1971.

While going along with the possibility of a sales tax boost, the Lieutenant Governor said flatly that the Senate would insist on balancing any revenue bill with a corresponding tax on business.

Difference in viewpoints perhaps illustrates to some extent the divergence in House and Senate philosophies.

But, once more in harmony, Barnes and Atwell agreed that Texans will be facing state corporate and personal income taxes something during this decade.

INSURANCE HIKE DELAYED
Further delay in a public hearing on auto insurance rates or investment income makes any rate increase this year even more unlikely than ever.

State Board of Insurance changed to October 19 the September 9 hearing on whether to consider insurance company investment income in determining insurance rates.

A three-way hearing on auto insurance rates, manual rules and policy forms will be held at a still later date to be announced in the future.

Investment income hearing originally had been slated for July 14 and the rate hearing August 17. One delay already had been ordered.

Companies had hoped to put any new rate increases into effect by September 1, but the delayed meetings made that impossible.

CRIME RATE UP
Major crime rate in Texas rose 19.9 per cent for the first half of 1970, Col. Wilson E. Speir, Texas Department of Public Safety director, reports. Latest statewide report re-

ffects a major crime is committed every minute from January through June, Sheriffs and local police chiefs furnish the information.

Increase actually is 20.9 per cent in urban areas and 10.5 in rural territory.

Robbery shows the biggest jump --40.2 per cent. Rape increases 28.7 per cent, murder 28.1 per cent, theft 21.6 per cent, burglaries 17.9 per cent, auto thefts 16.5 per cent and aggravated assaults 10 per cent.

Speir said an estimated 233,599 major criminal offenses occurred during the January-June period. Comparison-wise, it was 4,404 per 100,000 population. Crime clearances (solutions) declined from 27 per cent during the first half of 1969 to 26 per cent for 1970, but the clearance rate for murder and robbery increased slightly.

ATTORNEY GENERAL OPINIONS

Attorney General, on request of the Air Control Board, can take action based on violation of Board rules, but local government can take action to institute legal proceedings without Board approval, says Atty. Gen. Crawford D. Martin.

In other recent opinions, Martin concluded that:

* Any person receiving probation for driving while intoxicated who refuses to take a chemical breath test for d.w.i. is subject to administrative proceedings to revoke his license.

* Neither the State Commissioner of Education nor the State Board of Education has power to determine unliquidated damages on appeal by a teacher dismissed without cause by a school district.

* Governor may use his staff to provide direct planning aid to cities.

* Higher education Coordination Board's plan for junior college development lays out service areas, and a junior college district can be expanded under provisions of an applicable statute.

* Parks and Wildlife Department can sell development bonds at par and accrued interest for cash only, and is not authorized to exchange bonds for land to be developed as a park site.

* Mother of a school board member may not be promoted to the position of tax assessor-collector of the school district.

* American Revolution Bicentennial Commission members on official business are entitled to 10 cents a mile and \$25 a day per diem.

* Red River County Commissioners have no right to prohibit people from carrying rifles or pistols around Langford Lake near Clarksville.

* Where there is no change in school district boundaries, there is no requirement that an election be held to assume outstanding bonds or other debt of a district as existed prior to consolidation or annexation; nor is there requirement that bond or maintenance tax be voted.

* Hemisfair's skyride in San Antonio is taxable although city-owned and leased to a concessionaire.

APPOINTMENTS

Dr. David Wade, Austin psychiatrist and member of Gov. Preston Smith's health planning staff, has been named commissioner of the Department of Mental Health and Mental Retardation.

John Simmons, longtime Sabine River Authority manager, of Orange will become the governor's special consultant for water affairs.

Former Atty. Gen. Waggoner Carr heads a 100-member committee studying the duties, responsibilities, compensation and ethics of state legislators.

Warren C. Woodward of Dallas will represent Governor Smith on his committee studying use of state-owned aircraft.

Austin attorney Will Davis is chairman of a 15-member Texas Criminal Justice Planning Council.

Dr. George G. Killinger of Huntsville heads a select, seven-member committee that will make recommendations for core curriculum in law enforcement education.

Representatives of an Equal Opportunity for Women's group ask that the Governor's Commission on Status of Women be made a permanent, legally-constituted agency with \$100,000 biennial budget.

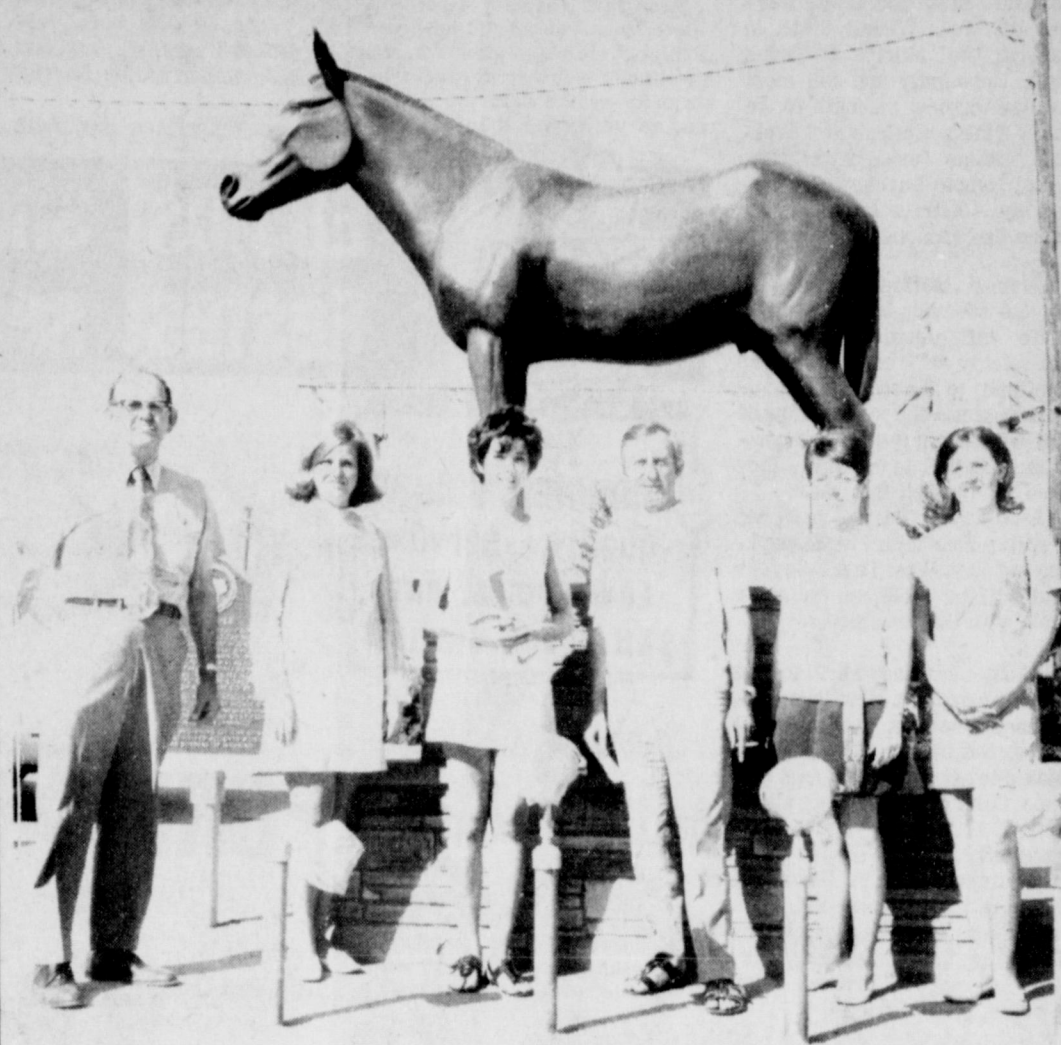

Commission members also requested governor to direct state agencies to make all appointments to jobs without regard to sex and to appoint a significant number of women as regents and on the Coordinating Board, Texas College and University System.

SHORT SNORTS
Texas Highway Commission approved a \$50.4 million safety and betterment program for highways and farm to market roads for next year.

Deadline for cotton stalk plowup in Willacy and Cameron Counties and southern halves of Hidalgo and Starr Counties has been extended to September 15 in the pink bollworm fight.

An Austin district judge cancelled 40,000 insurance policies following the bankruptcy filing of Texas Consumer Finance, a loan chain.

Texas Fine Arts Commission approved federal grants of \$51,363 to 17 cultural groups and organizations.

TOURIST OF THE WEEK--A German native, now living in Dallas, was the last Tourist of the Week for 1970. Gerhard Bethe and his wife, Andrea, were stopped by the Muleshoe City Police and members of the Muleshoe Chamber of Commerce and feted recently. Bethe said he has an import company and he and his wife were enroute to their home following a vacation. Pictured are from left, Olan Burrows, Muleshoe Chamber of Commerce; Becky Milner, Ambassador; Mrs. Bethe; Bethe; Devona Bradley and Kathy McCormick, both Ambassadors. The Bethes were given informational brochures about the area, free gas, food and lodging.

The Sandhills Philosopher

Editor's note: The Sandhills Philosopher on his Johnson grass farm seems alarmed over the census report.

Dear editor:
I have been reading the census figures for the whole country and find them almost completely alarming.

While the total population is increasing, some of the big cities are losing people, some of them as much as 15 per cent, and you know what that means. It means they're moving out to the suburbs.

Now that in itself is all right, I never could see why people wanted to crowd up in inner cities, after all, the country is now safe from Indian attacks, no use in everybody huddling up inside the fort, but if you look ahead you know what's going to happen. The people who over-crowded the inner cities will before long over-crowd the suburbs. They're just moving from one un-liveable spot to another.

So what's going to happen? Some real estate man, when his suburban development gets chocked up, is going to start saying, "Look, for kids to run, no traffic congestion, no smog, etc. Get out of the un-liveable suburbs and move to the country. Now I've got this tract of land about 20 miles out..."

This is what's alarming about the whole thing and if our country people are smart we'll start a campaign to frighten the people away.

Point out, for example, that country living is exaggerated. Water wells are always going dry, water pumps break down right when you have guests, septic tanks clog up, snakes and other varmints are dangerous, you have to gravel your own road, you're too far from the fire station and besides there

aren't any fire plugs, if you think it's hard to get a repairman in town try to get one in the country, there aren't any neighborhood schools, there aren't even very many neighbors, you'll get lonesome out there, you're ten times as far from your job or the supermarket, there aren't any buses or taxis, there's no garbage pick-up, no home-delivery of newspapers, say, the last thing you want to do is move to the country. Life is miserable where you are and save the cost of moving.

Yours faithfully,
J.A.

FOR ATHLETE'S FOOT USE KERATOLYTIC ACTION BECAUSE—
It sloughs off and dissolves affected skin. Exposes deep infection to its killing action. Get quick-drying T-4-L, a keratolytic, at any drug counter. FAST relief or your \$66 back. NOW

Lazbuddie News

Mrs. Richard Engelking

Recent LHS seniors who now find themselves classified as freshmen at various colleges are as follows: Terry Scott, Thesia Seaton and Monte Barnes at West Texas State in Canyon; Gail Morris at Texas Tech University and the most popular choice seemed to be South Plains College at Levelland, Elaine Jesko, Vicki Robinson, Debbie Burch, Kathy Cooper and Leatrice Gallman, all those that campus.

Darrell Matthews is in San Angelo studying at San Angelo State with doctors orders to get plenty of rest as he was confined to Lubbock's Methodist Hospital the week before he left with a light case of Encephalitis. Football is out of the picture for Darrell this year.

Also Monte Barnes suffered a collar bone injury while working out with West Texas players and will be sidelined for some time with that fracture.

Those heading west to the mountains for a few days vacation before the start of school were the Bobby Broyles and Max Steinbocks who found Lemon Lake near Durango, Colorado an enticing spot. Gene and Betty Smith, Tim and Tammy camped at Tres Ritos and Billy and Sue Reese and girls and Sue's brother, The Larry Murphey's of Tatum, New Mexico enjoyed the view around Cowles, New Mexico.

Services were held Saturday in the Lazbuddie United Methodist Church for Emil Hansen, a resident here since 1934, who passed away suddenly with a heart attack Tuesday evening. Our condolence is extended to the family.

Alfred Scott has enjoyed having his twin sister, Mrs. Alice Moothart of Webster City, Iowa visiting him this summer. She was a guest in Mr. and Mrs. Scott's home for about one month.

Jerry and Louise Engelking returned Saturday from an extended tour of several states out west.

Most all the teachers of Lazbuddie School were present Sunday night for the annual teachers reception hosted by the United Methodist Church. Everyone enjoyed visiting and meeting the new teachers.

Visiting Mr. and Mrs. Pete Jesko last Thursday and Friday were Mr. and Mrs. Jerry Slovacek, Mike and Christy of San Diego, California. Mrs. Jesko had not seen her cousin, Jerry, for 20 years.

Mr. and Mrs. Elvis Powell and boys were visiting Six Flags over Texas this past weekend.

Everyone remember the revival services set for next week at two of our local churches.

First Baptist is hosting The Reverend James Hester Evangelism and Crusade Coordinator from Dallas and song leader Mack Moore of Muleshoe's First Baptist, in a meeting to be held Sunday, September 13 through 20. Rev. Johnny Timms is host pastor. Services are set for 7:30 a.m., 10 a.m. and 8 p.m.

Rev. Roy Patterson of the United Methodist Church announces a series of services set for September 13, 15, 16 and 17 beginning at 8 p.m. with the exception of the Sunday night service which will be at the regular hour of 7:15 p.m. Rev. Clifford Trotter and his song director Raymond West both of First Methodist in Hereford will be the guest speaker.

Mr. and Mrs. Owen Broyles along with the Tom Berries of Muleshoe and L.W. Emfingers of Lamesa returned Monday from a fishing trip in the Tres Ritos area with a nice trout catch being reported.

The sandhills was the scene of a recent FHA hayride. Two truck loads of girls and their guests were driven to their destination by John L. Seaton and Duane Darling and their wives. Other parents and chaperones were Mr. and Mrs. Bill Jennings, Mr. and Mrs. Scotty Windham, Mr. and Mrs. Muri Johns and Sponsor Miss Audrian Martin.

With a winning record in both scrimmage sessions, Lazbuddie Longhorns will journey to Hart Friday night for their first scheduled game in the

'70 season. Everyone that can go and back our 'Orange Horns' to another winning district contest.

Mr. and Mrs. Gary Nevin from Houston are visiting the R.L. Davis family.

Stainless-Local and Express
New York City's Transit Authority has ordered 250 new cars of nickel stainless steel for the metropolis' subway system. The majority of the cars are scheduled to be delivered in 1971.

Obituaries

Lulu Johnson

Mrs. Lulu S. Johnson, 90, died at 7:30 p.m., Saturday, September 5 in the Muleshoe Nursing Home. She had lived in Muleshoe for 35 years, moving here from Sweetwater, Okla. Mrs. Johnson was born July 13, 1880 in Faulkner, Ark. and was a member of the Baptist Church. Funeral services for Lulu

Johnson were held at 3:30 p.m. Monday in Singleton Funeral Home Chapel of the Chimes. Officiating was Doug Dubose, pastor of the First Baptist Church in Muleshoe. Burial was in Muleshoe Cemetery under direction of Singleton Funeral Home.

Pallbearers were grandsons. Survivors include six sons: N.L. "Red" Johnson and Randy Johnson, both of Muleshoe; Terrell, Wilcox, Ark.; John, Springdale, Ark.; Rudolph, Buna Park, Calif.; H.V., Claremore, Okla.; two daughters,

Mrs. Woodrow Gaede, Memphis, Tenn. and Mrs. Letha Browning, Little Rock, Ark.; one sister, Mrs. Cora Johnson, Conway, Ark.; one brother, Henry McMillan, Conway, Ark. and 17 grandchildren.

U.S. Main Nickel User
The United States continues to be the main consumer of the metal nickel. During 1969, the country used some 310 million pounds of a free world total of 820 million pounds in fabricating consumer and industrial products.

Guy Smyer

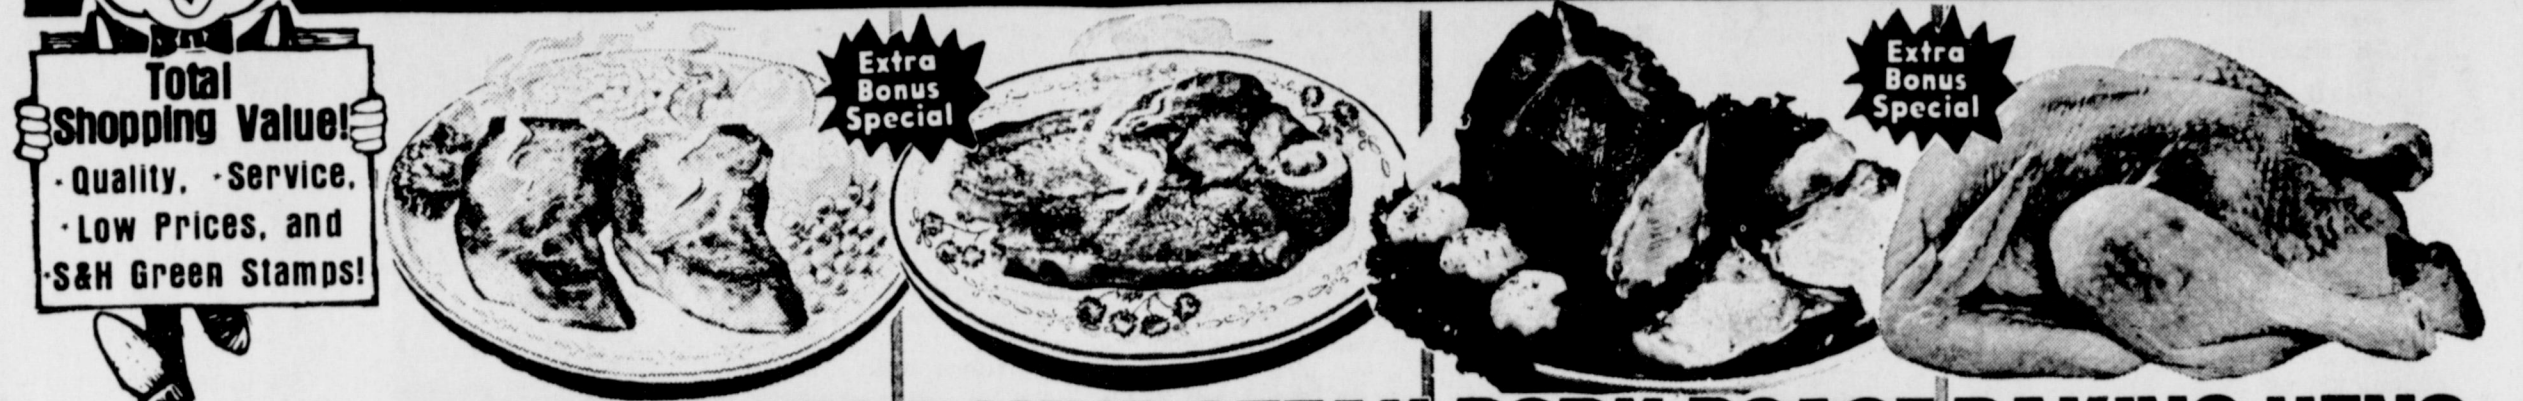

Guy S. Smyer, 83, was pronounced dead on arrival at 7:45 a.m. Monday at West Plains Memorial Hospital. He had suffered a heart attack at his home 24 miles southwest of Muleshoe a short time earlier. He moved to Bailey County in 1949 from Ralls, Guy Smyer was born April 1, 1887 in Whitner, Ark., was a farmer and a member of the Baptist Church. Funeral services for Guy S.

Smyer were at 2:30 p.m. Wednesday in the First Baptist Church at Ralls. Officiating were Rev. Jim Green, pastor of the Immanuel Baptist Church at Portales, N.M. and Rev. Bob Morrow of the Longview Baptist Church. Burial was in Ralls Cemetery. Local arrangements were by Singleton Funeral Home of Muleshoe. Pallbearers were Orville Lackey and Homer Lackey, O. D. Killingsworth, Bob Byrd, Stanley Seagroves and J. O. Phillips. Survivors include his wife,

Retta; one son, A.G. of Lubbock; one daughter, Mrs. Wayne Cash, Lubbock; three sisters, Mrs. Bertie Vaughn, Ralls; Mrs. Grace Adams, Lubbock and Mrs. Eula Taylor, Lorenzo, six grandchildren and four great-grandchildren.

DIAL-A-LESSON
Farmingdale, L.I.--Education has joined forces with the telephone at the State Agricultural and Technical College here. Students are able to dial from anywhere off campus day or night and get up to an hour-long lesson by phone.
