## Hospital Board Cites Medicare Redtape As Reason For Rejecting

### Kitty's Korner By Kitty Montgomery

We got quite a kick here at the Stockman out of a recent editorial in the San Angelo Standard entitled "Let Uncle Make A Profit." The last few lines in the last paragraph aroused our curiosity about the I. Q. of the author. In giving his proposal on what to do about the three million silver dollars presumed to be held by the Treasury Department, he says and we quote "since the numismatic value of the three million silver dollars is estimated to be as high as \$50 million, let the Treasury Department hold an auction in various states and sell them for what they will bring. Then the government would get the gravy it so richly deserves, but seldom gets."

And here we were laboring under the impression that Uncle Sam gets more of the gravy than anyone else. Most anyone who buys a gallon of gasoline, pays a telephone bill, buys a piece of jewelry, an appliance, an automobile and many other items on which the government has its tax on the price tag, is laboring under the same impression.

With all the wild government spending going on today, we feel that if it did "get the gravy it so richly deserves," it would only spill more of it.

Next week should prove to be an exciting one with the Little League All Star game being played here Tuesday night and the junior rodeo for three nights at the end of the week.

Speaking of baseball, there are plans afoot to form a pony league here in Ozona next year. That should be of interest to boys in the 13-15 year age bracket.

I am going to say one more word about the Jubilee, and then I am going to hush. The word is out about how much it went in the hole in hard cash, and everyone wants to blame everyone else for the failure to make money or at least break even. This is utter nonsense.

Everyone who was on a committee attended meetings, did their jobs and generally worked their heads off. Those who went out of town to promote the Jubilee furnished their own mode of travel. The cast and narrators of "From This Rugged Land" worked hard, did a good job and were well directed.

In my opinion it was just too big an undertaking for our small community, financially speaking. The plan of action was designed to cover a much larger trade territory and a more densely populated area. With small towns in Southwest Texas doing this same thing every year, we could hardly expect anyone who didn't have an interest in Ozona and Crockett County to be on hand. This talk of thousands of people coming into town was what's known as the old "hard sell" and a few of us voiced our opinion on this early in the year to no avail.

However, everyone who

Extensive regulations laid down by the U. S. Department of Health, Education and Welfare were the principal reasons given by the Crockett County Hospital Board for rejecting Medicare at this time. Board Chairman Nat Read announced this week.

In its monthly report to the Commissioners Court the board listed the following specific regulations.

The hospital would be required to pay a utilization committee composed of two outside doctors to come into our hospital at least once a month to go over any or all Medicare patients' records with the local staff physicians to decide whether or not hospitalization is necessary.

It would be necessary to install a cost accounting system which would entail the employment of another full-time office worker to handle the additional records.

It would be necessary to hire on a full-time, part-time, or consulting basis a qualified dietician and a registered medical record librarian.

In addition to these specific major regulations, the Department of Health, Education and Welfare publication that set out these conditions also indicated that others would be forth coming as the program progresses.

The board report stated, "Six months or a year from now the Medicare regulations might be changed to the extent that a small hospital such as ours would benefit from participating in the program. At present though, we feel that to meet the Medicare regulations in order to accommodate approximately five per cent of our population would not be in the best interest of our hospital and our county."

### Woman's Forum Progress Reports Given At Meet

The Ozona Woman's Forum met in a called summer session Tuesday at the Civic Center with Mrs. Kirby Moore, president, presiding. Progress reports were given by Mrs. Pete Jacoby, program chairman, and Mrs. J. B. Miller, treasurer.

Mrs. W. T. Stokes presented projects to be considered for the coming year. The budget was presented by Mrs. Miller.

Other members present were Mrs. Dempster Jones, Mrs. L. D. Kirby, Mrs. T. J. Bailey, Mrs. L. B. Cox, III, Mrs. B. B. Ingham, Jr., Mrs. P. C. Perner, Mrs. Bill Clegg, Mrs. John Coates, Mrs. Beecher Montgomery, Mrs. Bill Seahorn, Mrs. Marshall Montgomery and Mrs. W. H. Whitaker.

Visitors to the Crockett County Museum this week numbered 115. Of this number 22 were from here in town and 93 were from out of town.

participated in the celebration had a lot of fun and enjoyed every minute of it. Now that it's over, it seems pretty pointless to be passing the buck and trying to pin the blame for the financial disaster on any one person or committee.

## Bareback Bronc Riding Added To Junior Rodeo

Ozonans expect a big week next week as out of town visitors begin to arrive for the 9th Annual Junior Rodeo, sponsored by the Ozona Lions Club. Being the only AJRA approved junior rodeo on the circuit for this particular weekend, many contestants are expected and with the new arena, chutes and pens, the rodeo will be bigger and better than ever.

Opening night of the three-day rodeo will be next Thursday night. Adding to the excitement will be bareback bronc riding, a new event this year. There will be twice as many calves this year, assuring each participant a fresh active calf.

The stock will be furnished by Black Stock Co. of Marfa and will arrive this Sunday.

Applications are coming in fast at the Chamber of Commerce building, which is rodeo headquarters.

There will be a dance after the rodeo on Friday and Saturday nights at the rodeo platform. Music will be furnished by Johnny Dutton.

### Vote Unanimous On Admission Of Water Dist. Area

The vote was unanimous recently when residents outside the limits of the Crockett County Water Control and Improvement District sought admission to the District's confines.

Two separate elections, three in fact, were held, one for voters now within the district, and two for those living outside who wanted in. Eleven voters now residing in the district voted to admit the newcomers and 20 in the outside area seeking admission voted yea. The 20 voters also voted to assume liability for the outstanding indebtedness of the district, a prerequisite to their legal admission.

More than 40 residences and the Hospital and civic center were included in the district area by the vote, the area including the Chandler addition to Ozona, and the Henderson addition, which includes the hospital and civic center, as well as residences in the addition.

A. R. RUTHERFORD, in the automobile business for the past 20 years, the last five years as Chevrolet dealer at Cisco, has purchased the former Johnny Brown Motor Co. General Motors line dealer here. Mr. Rutherford has secured the local agency for Chevrolet, Oldsmobile, Cadillac, Pontiac and Buick cars.

## Davidson Bldg. Purchased For New Bank Home

A deal was completed during the past week whereby the Ozona National Bank purchased the two-story Davidson building adjoining the Wilson building, corner 11th Street and Avenue D, to make a front of 75 feet for the new building the bank soon will construct on the property.

The bank recently purchased the corner building and lot from Lee Wilson of Truth or Consequences, N. M., former Ozona auto dealer. The Wilson property is L shaped, extending 200 feet south to the alley and 100x100 to the west. The Davidson building is 25 feet wide by 100 feet deep.

William E. Parrish of San Antonio, prominent architect has been employed by the bank to draw plans for the modern banking building to be erected on the lot. Drive-in facilities and ample parking will be included in the plans, Lowell Littleton, executive vice president, said.

Mr. and Mrs. Bill Littleton and Mr. and Mrs. Barney Bedford, all of Abilene, were visitors in the home of Mrs. B. B. Ingham, Sr. over the weekend. Mrs. Littleton is Mrs. Ingham's daughter.

WHOSE BABY? — All dressed up for picture-taking, this young lady is a native of Crockett county and a member of a pioneer family. She married a rancher, now deceased, and today she is a busy club worker and hobbyist. Last week's dressed up charmer was Mrs. Stephen Perner.

An accounting of the results of the recent Crockett County Diamond Jubilee celebration, made in a preliminary financial report, showed the week's show resulted in a net financial loss of \$2,904.54, with some few invoice adjustments yet to be made which might result in a few hundred dollars additional reduction in the loss, according to James Baggett general chairman of the show.

A running account of the planning and development of the Jubilee celebration is made by the Committee in conjunction with the financial statement which is shown in an adjoining column. This statement, submitted by Mr. Baggett, is as follows:

"Six years ago the Ex-students Association voted to postpone their homecoming, scheduled for 1965, for one year so that they could cooperate and participate in the 75th Anniversary of Crockett County.

"The officers of the Student Association, County officials and School officials discussed ways and means of having a celebration where everyone could participate and also take pride. "A town meeting was called and it was voted to have a celebration. A corporation charter was applied for and accepted January 17, 1966. James Baggett, Bill Seahorn, L. B. T. Sikes and Mrs. Brock Jones were named the Corporation officers.

"The Rogers Company sent a representative to Ozona to meet with the officers and present a plan of action. They would be the producers. The second town meeting was called and each organization in Ozona was asked to send two representatives. The group voted to hire the Rogers Company and a budget of \$9200 was set. This money was to be raised through the sale of the history book, pageant tickets, two dances, the third dance was free, plates, buttons, bonnets, dresses, hats, vests and ties.

### Little League All-Stars Begin Practice Sessions

Ozona All-Stars began practice last Tuesday night at 7:30 p. m. and will play host to the Sonora All-Stars next Tuesday night.

Jamie Knox has been named all-star manager, by mutual consent of the other two managers who were in line for the job also, Byron Stuart of the Flying W Ranchers and Dub Reeves of the Ozona Oil Co. team. Coach for the team will be Jack Gillit.

The starting line-up has not yet been set up.

### Mrs. E. A. Jacoby, Mother of Ozonan, Buried In Junction

Funeral services were held for Mrs. E. A. Jacoby, 75, Saturday morning at 10:00 a. m. in Hodges-Fife Funeral Chapel in Junction with burial in Menard Rest Haven Cemetery at 11:30 a. m. She was the mother of Pete Jacoby of Ozona, County Agent for Crockett County.

Mrs. Jacoby died in Menard Hospital at 5:30 p. m. Thursday on her birthday after being a patient there two and a half months.

She was born July 7, 1891, in Goldthwaite and was married in Eden May 12, 1913. Her husband died in May 1958. She was a longtime member of the Church of Christ and had lived in Junction about 25 years.

Survivors include four sons Earl Jacoby of Mountain Home, Harold Jacoby of Junction, T. J. Jacoby of San Angelo and Pete W. Jacoby of Ozona; three brothers, V. Armstrong of Menard, Jack Armstrong of Houston and W. L. Armstrong of Muskogee, Okla.; one sister, Mrs. Ed Kinder of San Antonio; and seven grandchildren.

### North Grocery Stock Liquidated

Mr. and Mrs. Ollie Whitley of Beaumont are here this week. Mrs. Whitley and her sister, Miss Janet North, daughters of the late Mr. and Mrs. Hilton North, are here to close out the North Grocery, operated by their mother until her recent death and by their father before his death.

The grocery stock remaining in the store has been sold as a lot and now efforts are being made to dispose of the fixtures and equipment.

## Tonight's Games To Decide Little League Champs

With the end of the Little League season in sight, tonight's games will be the deciding factor in the second half championship. Ozona Oil plays Flying W, first-half champions, and a win will give them a clear-cut title to the second half championship. In this event, Flying W Ranchers and Ozona Oilers would have to share the championship honors for the season, having no time to have play-off game before the All-Star game with Sonora next Tuesday night, July 19.

B & B Grocers, one game behind for the second-half championship, plays cellar dwelling Moore Oil tonight. A win by the B & B team and a loss by the Ozona Oilers would throw the two teams into a tie for the second half, leaving the Flying W Ranchers with the only championship and that of the first half.

Last Thursday night B&B downed Moore Oil by a score of 9-4 even though Saul Torres and Dean Shaw of the Oilers both got one over the fence. In the second game Ozona Oil took a 6-3 win over Flying W. With the score tied 3-3, Ruben Tambunga homered in the 5th with two men on to win the ball game.

Tuesday night B & B beat Flying W 3-0 by picking up three runs in the first inning including a home run by Mike Schneider. Neither team scored during the remainder of the game. The second game between Ozona Oil and Moore Oil ended 10 to 2 in favor of the Oilers.

After the games Thursday night, Rusty Smith treated both the minor and major league teams with a watermelon feast, an annual affair.

### Rick Hagelstein Named To Honor Roll At A. C. C.

Abilene — Rick Robinson Hagelstein, a graduate of Ozona High School, and the son of Mr. and Mrs. Fred Hagelstein of Ozona, has been named to the Dean's Honor Roll at Abilene Christian College for the spring semester.

Members of the Honor Roll must take a minimum of 12 hours per semester and must maintain a 3.5 grade point

## Jack Wilkins To Take LL Team to See Astros Play

Jack Wilkins, sponsor of Flying W Ranchers Little League team, announced this week that he would foot the bill for an all-expense paid trip to the Astrodome in Houston for all the boys on the team, the manager, the coach and their wives.

Reserved seat tickets have been purchased for the group on the second level along the first base line for August 5 and 6. Reservations have been confirmed for the entire group at the Ramada Inn, according to Wilkins.

The group will leave here Friday and see the night game between the Dodgers and the Astros, staying over for the Saturday game between the same two teams.

The Flying W team, winners of the first-half championship, consists of Timmy Evans, Mike Jenkins, Jeffery Stuart, Gerald Olson, Jim Montgomery, Joe Martinez, Steve Wilkins, Rick Hunnicutt, Steve Bland, Luis Torres, Dennis Hester, Craig Taliaferro, Eric Fitzhugh, Gene Castro and Stanley Flanagan. Byron Stuart manages the Ranchers with the help of coach George Olson.

**IT PAYS TO LOOK BACK**

To paraphrase the homely philosopher and baseball player Satchel Paige — don't ever look back, something might be gaining on you. But irrespective of his advice, it might pay to look back instead of spending so much time looking beyond our borders and bemoaning the spread of dictatorships and oppression.

The house organ of the Central Illinois Public Service Company has had the temerity to take a look at a pet project of the socialists in our own country — the TVA. It finds that "The Tennessee Valley Authority, first established to improve navigation and provide flood control and only secondarily to produce hydroelectric power on a "yardstick" basis, now is providing almost 10 per cent of all electricity produced in the United States . . . It has long since far outdistanced any pretense of being a "yardstick" and is a frank competitor to every investor-owned utility in the southeastern United States . . . If TVA paid

local taxes and federal income taxes on the same basis as investor-owned companies, and paid the cost of the money appropriated to it by the federal government, its rates would have to be raised by about 50 percent, according to Edison Electric Institute."

TVA is about to move into a new phase of growth. It has asked for bids on a giant nuclear power plant. With due credit to Satchel Paige those of us who cannot run fast enough to keep ahead of the tax collector might do well to look over our shoulder occasionally to see where some of the tax money is being spent.

Troy Williams represented Ozona and Crockett County at the Action Forum for Directors of District 8 of the West Texas Chamber of Commerce held in McCamey Wednesday. WTCC vice-president C. W. Brown headed the meeting.

WTCC president John Ben Sheppard outlined the program which covered growth potentials of West Texas.

**HO'S THREE ACES**

Ho Chi Minh lost a few chips as a result of recent bombings of supply areas near Hanoi and Haiphong. But he still holds at least three aces. They were handed to him by the same "dealers" in Uncle Sam's Potomac River "gambling palace" who have at long last allowed our pilots to hit a few really significant targets in North Vietnam.

Ace number 1: Mo and his cohorts are still assured a personal sanctuary. Defense Secretary McNamara said during his dramatic TV performance explaining the bombings: "Our objectives in South Vietnam are limited. Our objectives are not to destroy the Communist government of North Vietnam."

Ace number 2: In addition to the fact that he had lots of time beforehand to disperse supplies from those areas which were finally attacked, Ho apparently can count on some time for resupply and further dispersal, while the dealers in Washington wait, as they have said that they will, to see he might now want to negotiate. Mr. McNamara said during his TV appearance that he intends to continue the same policy of "military restraint" he has followed in the past and not to interfere with any ships hauling supplies into North Vietnam and allowing no air strikes in the North except when and as approved by the political croupiers in Washington.

Ace number 3: Ho's trump ace: According to present rules of the game, as set by the house (White House) manager himself, should the strikes in the North become more damaging than Ho wishes to bear, he needs only to agree to negotiate in order to get them stopped completely. At the same time, no condition has been set by the house manager that attacks by the Communist forces in South Vietnam must be stopped before Ho can

play that trump ace. Recent history speaks vividly on the tragic consequences of that kind of game. During the Korean conflict, far more men were killed and wounded — on both sides — after peace negotiations were started than before.

Recent history also indicates that, so long as dealers like McNamara and Rusk are left in charge of the game, Ho Chi Minh can count on all his aces remaining playable.

**WOMAN'S SOCIETY OF CHRISTIAN SERVICE**

The WSCS met Wednesday morning at the Methodist Church. Mrs. J. A. Fussell opened the meeting with prayer. The study "Claimed by God for Mission" by Eugene Stockwell, was under the direction of Mrs. Evart White, who spoke on "Heresy in our Midst", quoting from Matthew where Jesus said "Upon this rock I will build my Church."

Mrs. S. M. Harvick closed the meeting with prayer.

Other attending were Mrs. Bailey Post, Mrs. M. C. Couch, Mrs. Stephen Perner, Mrs. Fred Chandler, Sr., Mrs. Joe Pierce, Jr., Mrs. Joe Tom Davidson, Mrs. Bill Cooper, Mrs. L. B. Cox, Jr. and Mrs. Jim Ad Harvick of Midland.

Mr. and Mrs. A. R. Kline and daughter, Debbie, of Dallas were weekend guests of Mr. and Mrs. Lloyd Beard. The Klines are Mrs. Beard's parents. Her sister, Debbie, will visit here in Ozona the remainder of the month.

**DAUGHTER TO CARDENS**

Mr. and Mrs. Ralph Carden of Albuquerque, N. M., are the parents of a daughter, Marianne Joy, born June 27 in Albuquerque. They have a little son, Larry. Mrs. Ralph Watson of Ozona is the great grandmother and Col. and Mrs. Henry H. Carden of San Antonio are grandparents.

**Tippett Field Named, Production Allowable Fixed**

A new Crockett County oil field has been named and assigned production allowable by the Railroad Commission, Oil & Gas Division.

The Tippett (4,950 Wolf-camp) field was opened June 25 with completion of Standard Oil Co. of Texas, Midland, No. 1-40 J. H. Tippett, 14 miles south of McCamey.

It was finalized to flow 80 barrels of 37.6 gravity oil, with gas-oil ratio of 1,103-1, through a 16-64-inch choke and perforations between 4,948-5,016 feet, which previously were identified as Huecc.

Location is 7,400 feet from the northeast and 660 feet from the southeast and 660 feet from the southeast lines of 40-31-H&TC.

Daily allowable assigned to the field is 80 barrels.

A pitcher, Hugh Daly, of the last century, during his Rookie year, won 15 games and his second season came through with 26 winning games. For 8 years Daly performed many outstanding feats in the Majors. Among these was a no-hit, no-run game. He struck out nineteen men in a single game, which still stands on the record book. He also played second base and shortstop . . . The most astounding thing about this is that Hugh Daly was physically handicapped. He had only one arm.

**Recipe of the Week**

From Kitty's Kitchen

Outdoor cooking is the main feature of most households this time of year. As a departure from hamburgers and steaks you might try the following two outdoor recipes:

**Barbecued Pork Loin**

1 five pound center-cut loin or pork  
1/2 cup light corn syrup  
1/4 cup soy sauce  
1/4 cup lemon juice  
2 tablespoons sugar  
1 teas. dry mustard  
1 teas. ground ginger  
1/4 teas ground cloves  
2 tablespoons bottled steak sauce

Place pork on spit, following manufacturer's directions. Set spit in position over hot coals; start rotisserie. Roast 1 1/2 hours.

Mix remaining ingredients in a small saucepan; heat to boiling; brush part of mixture over pork. Continue roasting, brushing often with sauce, 1 hour, or until pork is tender and richly glazed. Remove to a cutting board, take out spit and carve pork into chops; serve with any remaining sauce. Serves 8.

**Barbecued Pork Chops**

8 to 10 center cut pork chops 1 inch thick (salt and pepper to taste)  
Above sauce  
Brush chops with sauce and place on grill over hot coals. Turn, basting with sauce until tender. Do not overcook.

Both these recipes are delicious.

**New Boat Ramps Being Built By Highway Dept.**

Austin — The Texas Highway Commission today approved the 1966 Boat Ramp Program which will increase the number of State-maintained launching facilities for thousands of Texas pleasure boats by more than one-half.

Thirty-three new ramps were authorized in the program. Another is slated for widening and reconditioning. The work, to cost an estimated \$241,832, will bring to 94 the number of boat ramps built or planned by the Texas Highway Department.

The program is in line with the Highway Department's

efforts to furnish access to and encourage the use of recreational areas. The Department also constructs park roads affording access to and within state parks.

The program also illustrates the new role being played by the Texas Farm and Ranch-toMarket Road system in development of the recreational potential of the State. Twenty of the projects are adjacent to FM or park roads.

**From Your State Capitol**

Austin, — Texas, with its what why, where, who and because — raised its unpopular head in the Texas capitol this week.

Texas Committee on State and Local Tax Policy presented a report to Gov. John Connally and the Texas Legislature.

Everybody's request for more money indicates that the spending program to be presented the 1967 Legislature will eat up the \$75,000,000 state surplus — and require new money to finance.

Higher education, pay raises for teachers and state employees, water development, state park and recreation expenditures, Texas Highway Patrol — all want in on the act.

The tax policy committee is headed by Rep. Ben Atwell of Dallas, who asked the Texas Research League to list possible sources for new taxes.

Proposed were:  
Increase the state sales tax from its present two per cent to two and a half or three per cent, raising \$72,400,000 to \$144,800,000 a year;

Corporation income tax of 4.4 per cent (average of those in the 37 states which levy

it), raising from \$18,000,000 to \$106,000,000 a year;

Graduated personal income tax, raising \$75,000,000 a year. (There are 36 states with personal income taxes.)

**More Boat Ramps** — Thirty three new boat ramps across the state, making a total of 94 such ramps, have been approved by the Texas Highway Commission.

Twenty of the new ones are adjacent to farm-to-market or park roads.

These new ramps will increase launching facilities by more than one-half and will cost \$241,800, or an average of \$7,327 each. Source of money, provided for under the Texas Water Safety Act, comes from Certificate of Number fees collected from Texas boat owners.

And, speaking of boats, new boat inspection fees and unclaimed boat gasoline sales taxes are reaping about \$100,000 a month for the state.

According to the State Parks and Wildlife Department, a new system is being

set up so that fines collected for boat safety law violations will go to a State fund, rather than to county funds where most other law-breakers' fines are deposited.

**Big Thicket Endorsed** — State Parks and Wildlife Commission endorsed "in principle" the creation of a Big Thicket State Park. It will embrace some 15,000 acres of the 300,000 acres in Liberty, Hardin, Tyler and Livingston Counties known as the "Big Thicket."

Will Odom of Austin, commission chairman, said endorsement would be made "specific" after the Parks and Wildlife staff has studied the proposal. Then all the Commission needs is legislative approval.

**REEVES FAMILY REUNION**

Mr. and Mrs. W. O. Reeves and their son, Cris, attended a two-day Reeves family reunion recently at Lamesa. Their other son, Diz, and his family were also present.

Diz, an Ozona High School graduate, and outstanding athlete will move from Odessa, where he is presently teaching and coaching, to take up the duties of head baseball coach and B-team football coach at Azle, when the fall school term begins.

The reunion was held in the Thad Reeves home, and ten of the eleven children of the late Mr. and Mrs. W. O. Reeves, Sr. attended along with several grandchildren.

**THE CHURCH FOR ALL  
ALL FOR THE CHURCH**

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

That's what my parents said when I asked if I could go to Eddie's Sunday School.

You see, there are lots of churches in town. And my parents haven't decided which one we ought to attend. These are important decisions. They take time!

But that doesn't make Sunday mornings much fun. With all my friends at church, there's nobody to play with except that bully up the street. And Dad and Mother say I shouldn't play with him.

That's funny! How come parents can decide what kind of boys we should play with, but they can't decide what church we should attend?

Seems to me that going to church next Sunday might help us all decide.

**LETTERS TO THE EDITOR**

**Writer Analyzes Graduation Speech**

Dear Editor:

I wrote to you once before expressing my concern for those who are not as proud of America and all that it stands for as I am. Now, once again, I am distressed by something much closer to home. At the 1966 Commencement of OHS a speech was given by one of the graduates which should be considered further and questioned greatly.

The speech was entitled "A New Deal for A New Age." The phrase "A New Deal" was used by Franklin D. Roosevelt in his presidential campaign. Roosevelt didn't think of this phrase by himself. It was taken from the title of a book, "A New Deal", by Stewart Chase. This means very little unless you investigate the background of Stewart Chase. Mr. Chase is a Fabian Socialist and to define the difference between a Fabian Socialist and a Bolshevik (Communist) is like stepping on a merry-go-round. Both stem from original ideas of Carl Marx in 1848. The Fabian Socialists first formed their group in a church in England, and adopted their emblem of a wolf in sheep's clothing which corresponds to their theories of undercover deceit. The Bolsheviks are violent and outward; the Fabian Socialists are non-violent and undercover workers. Don't let the idea that they congregated in a church deceive you, because they are by no means Christian people. A church was used because it offered protection from suspicion.

Another phrase I found in the speech was "The Great Society" which is President Johnson's slogan. Again, this slogan comes from a book, "The Great Society," by Graham Wallace, another well-known Fabian Socialist.

To look more into the contents of this Commencement speech, my estimation shows two major themes: Compromise, and the idea of "I'd rather be Red, than Dead." One particular sentence in my opinion shows this idea clearly. "An age-old American diplomatic tool the compromise, must be used to perhaps its greatest and fullest extent by tomorrow's leaders..." In my way of thinking, there can be no compromise with the communists, because there is no such thing as a Christian atheist or a Republic dictatorship. Pour water into acid and you'll have an explosion.

The speech suggested compromise "... not because of a lack of faith in our way of life, but, because there exists in today's world nuclear forces which could destroy, not only our way of life, but the whole existence of the human race."

I do not believe this will ever happen, because it wouldn't attain what they have set out to get. If a thief tries to steal my car, he will first have to get rid of me. He is not going to burn my car to get me out, because then he will have nothing to steal. Instead, he would probably wait until I am not looking and then drive it away. This is the basic tactic of communists infiltration. They froth at the mouth for all the wealth in America, and to devastate the country would put them back in the bread lines.

The plea for peace rings throughout the world and yet the definition of peace differs considerably. The Americans want freedom from the responsibility of fight-

ing communism, and the communist definition of peace is "world communism". To compromise is to give in to the "comrats", and give up our American heritage, freedom, and honor. I am wondering how many Americans would be willing to work for 39 hours and be paid \$10, when you can work under the American system for 6 and 2-3 hours and receive the same pay.

The only peace Communism can offer is the peace after the firing squad has fired, the peace of a prison cell, or the peace of a mass grave. There can be no room for compromise.

As reported in the Chicago Tribune, May 7, 1966, a Romanian clergyman stripped to the waist before a Senate hearing and bared the scars of torture he received under 14 years of communist imprisonment. He and many others were kept in windowless cells for as long as two years, only to be removed for questioning periods of 17 hours during which they were beaten with whips, slashed with knives, and hit with iron rods. This is peace?

They were required to chant endlessly that "communism is good" or "Christianity is dead". In his testimony, the Reverend Wurmbrand stated "I received these scars from the communist oppressors you are defending. I have seen many men die under torture rather than turn against God and yield to atheism and communism. There can be no compromise with communism."

The prison commandant in the Bucharest prison addressed the men frequently, saying, "You fools! You expect the Americans to come some day and release you. They are coming now to do business with us! If you beg Americans to help you, they ignore you. If you insult them they help you."

There are more people un-

der communism and yet it just does not provide the life of equality it says it can give. There is no such thing as classlessness because there must always be the middle man that is strong enough to take from one man and give to another. There always has to be a dictator.

No empire, nation of kingdom had ever ruled for more than 200 years and our time is coming in 1976 — the same year the Communists predict. We will fall into their hands like ripe apples. The downfall of every nation resulted from placid self-satisfaction. They were so content with their castles that they didn't notice the termites destroying the foundation.

Willard Willson, Pelham, New York, said this: "If you feel you are too busy to take an interest in government... feel that getting mixed up in politics is beneath your dignity or bad for business — then, at least take time for one thing:

Teach your children to count in rubles — they'll

need to with the inheritance you're leaving them."

**Construction Is Started On 7 Mi. Section Of RM 33**

The Texas Highway Department has announced the reconstruction of R. M. 33 in Crockett County from 7.3 miles south of Reagan County line to R. M. 865, a distance of approximately 7.0 miles.

Proposed work consists of grading, structures, base and surfacing. The Texas Highway Department and the contractor, Strain Brothers, Inc. of San Angelo, stated that construction which began June 27, will be completed by November, 1966.

H. L. Bailey, supervising Resident Engineer, in charge of construction on this project, said that traffic will be routed through the construction. Although adequate barricades and warning signs will be prominently displayed and the project has been

Miss Margo Pogue

zoned for 45 mph speed limit, motorists should use extreme caution while passing through the area as it will be heavily traveled by large construction equipment.

The entire length of this project will be patrolled to minimize inconvenience to motorists. Cooperation of the public is requested in obeying all traffic signals, warning signs, and speed zones.

**Interest Grows In Fort Preservation Programs In Texas**

Interest in the preservation of Texas Forts and Missions sites continues as various committees make tours of inspection throughout the State. In June, Representative Gene Hendryx, of Alpine, Chairman of the State Legislative Committee on Forts and Missions, inspected Fort Lancaster while archeological work was being done there. He expressed appreciation for what had been accomplished at the site so far.

In a letter, this week to the Crockett County Historical Survey Committee State Archeologist Dr. Curtis Tunnell wrote:

"I want to express appreciation for your able assistance and warm hospitality during the excavation of Fort Lancaster. We recovered a wealth of data and specimens which will greatly supplement our knowledge of the site and the people who lived there.

"The success of this project has been due in a large part to the citizens of Crockett County through their support of the work at the site and their providing a permanent caretaker.

"We will keep you informed during the analysis of the data recovered and the preparation of the final report."

The local committee reports that many visitors from throughout the country are now stopping daily at the Ft. site even though it is still undeveloped and not yet prepared to adequately serve those who do stop.

**Houston Astros To Play On First Man-Made Field**

The Houston Astros will return to their home in the Astrodome and a new playing field on Tuesday, July 19, to meet the Philadelphia Phillies, Pittsburgh Pirates and New York Mets in a nine game home stand.

The nine games with the Eastern clubs will be the first game played on an entirely man-made playing surface. The complete outfield will be covered with the synthetic AstroTurf in time for the July 19 game.

Gene Mauch's Phillies, led by Richie Allen and John Gallison, play the Astros in three straight night games Tuesday, July 19, Wednesday July 20 and Thursday, July 21.

The Astros will try to get back at their 1966 nemesis, the Pirates, in a weekend series Friday and Saturday night, July 22 and July 23 and Sunday, July 24 at 1:30 p. m.

The colorful and improved New York Mets close the stand with night games Mon-

**WHAT DOES THE TENTH MEAN TO YOU?**

What does the tenth of the month mean to you? Has it no significance — other than another day has dawned? Have you stopped to think — and count your bills? Consider this is the day your merchants have depended upon?

They have depended upon You the last thirty days — For purchases you've made and promised to pay — They were glad to extend credit as a convenience for you — Now you must cooperate in the good old American way.

We are too prone to accept our blessings and privileges, too. In fact — we are too ready to say "charge it please"

With never a thought as to the day of reckoning — That day is here — the merchants in you believe.

So let us all make an honest and sincere effort, To pay our obligations on time — It will strengthen our economy — make our future secure — Otherwise, CREDIT is not worth a dime.

As you have read the above doggerel or verse — What did it do to your thinking or views? Did it remind you and make you realize your pledge: To pay on the tenth your just dues?

**Jubilee —**

(Continued from Page One)  
pointed by the Jubilee was the historical committee. They had the biggest job of all writing the history for the Jubilee, to be produced as a pageant and a testimonny to 75 years of progress. Through advertisements of the merchants this history was to be published. The Historical Society did publish this book but the merchants advertisements had to be used in a brochure and program. The Jubilee did not participate in the revenue from the book, "Ozona."

"Then began the work of setting up divisions and committees: Headquarters, Ozona Chamber of Commerce; Treasurer, Jim Dudley; General Chairman, Byron Williams; Secretary, Mrs. A. O. Fields; Revenue, Lowell Littleton; Chairmen, J. G. Hufstедler, Bobby Halydier, G. L. Young; Celebration Balls, Joe Couch; Concessions, Dick Webster; Participation Division, Mrs. Eldred Roach and C. O. Spencer, Chairmen, Mrs. John R. Hunnicutt, Mrs. Dick Kirby, Mike Clayton, Woody Mason, Max Brown, Mrs. Max Brown, Mrs. Mike Clayton, Jee B Logan; Ticket Division Jack Baggett Chairman; Tom Montgomery, C. E. Davidson, III, Brooks Dوزير; Pageant Division, Mrs. James Baggett, Mrs. Frank McMullan, Sr., Chairmen, Mrs. Ira Carson, Haskel Leath, Sam Perner, Gene Williams, Mrs. Charles Applewhite, Charles Gotcher; Publicity Division, Mrs. Tom Ed Montgomery, Oscar Kost, Chairmen, Mrs. Tom Mitchell Bill Lewter, T. J. Bailey, Armond Hoover, Jr.; Special Events, Carl Conklin, George Bunker, Jr. chairman, Bill Watson, Mrs. W. E. Friend, Mrs. R. A. Harrell, Mrs. T. J. Bailey, Mrs. Lowell Littleton, Mrs. Pleas Childress, Miss Letta Powell, Mrs. James Dockery, Mrs. Eddie Arnold, Billy Mills; Youth, Mrs. Taylor Deaton, Mrs. Charles E. Davidson, III; Decorations, Rotary Club; Fire works, Bill Cooper; Merchants, Jim Marks; Insurance, Bud Meinecke; Corporation Attorney, Dixon Mahon; Homecoming registration, Mrs. J. C. Marley. All of these were

Chairmen, they each had their own committee.

"May 1, 1966 the Jubilee office was opened in the Nettleton building, through the courtesy of James Nettleton, and Mrs. Pat Woods was hired as secretary.

"May 17, Judi and Mel Eckerstrom, from the Rogers Company arrived and work on the pageant started. The job was to find a cast of 250 and this was done through the clubs, churches, and civic organizations.

"The Jubilee week was opened, June 15, with the queens ball at the Civic Center and Esther Williams, daughter of Mr. and Mrs. Gene Williams was crowned queen. Sunday, June 16 was Church day, a community Church service was held at the football field, planned and conducted by the churches of Ozona. Youth day was Tuesday and Wednesday. The Pageant was presented four nights, Wednesday thru Saturday. Friday and Saturday ex-students began to arrive and there was a dance following the pageant. Saturday morning the ex-students association met in the high school auditorium and new officers were elected for the term of five years and the next homecoming. Pres. Carl Conklin, V-Pres., Sam Perner, Secretary, Mrs. Joe Clayton.

"The Odessa Chuck Wagon Gang served a barbecue dinner in the park which was followed by the parade. "More than 500 Ozona citizens worked to make all of this possible. True, we do

have a deficit and how it will be met we do not know. We are open to suggestion and help. This is a non-profit organization and tax exempt, so keep this in mind. This deficit is not to overshadow the good that has come from the Jubilee. There is closer town unity, an awareness of our heritage and the wonderful part of getting to know and working with one another. When a majority of a town is pleased and says so — that spells SUCCESS."

**Woman's League Plans Program**

A called meeting of the Ozona Woman's League was held recently in the home of Mrs. Hillery Phillips, Jr., president.

Members voted to have the bazaar again, as they have for the past several years, for the League's only fund-raising project. Date for the bazaar has been set for November 22.

The budget and projects were presented and voted on. It was decided that the Community Center contribution be given in memory of Shauna Montgomery.

Mr. and Mrs. Bob Meinecke of Tyler, Bill Meinecke and his fiance, Miss Judy Brown, both of Houston, were recent visitors in the home of Mr. and Mrs. Hurst Meinecke. Bill and Bob are twin sons of Mr. and Mrs. Meinecke.

Mr. Rancher:**

Too many short-term debts can cripple your total credit program, tie up operating capital and cause you to miss opportunities that require immediate funds. For these reasons, it can pay you to consolidate your short-term obligations with a long-term, low cost Land Bank loan on your farm or on your ranch.
