Kitty's Korner By Kitty Montgomery

Well, anyone can tell it's rodeo time again. There are more cowboys in town than civilians. Oscar Kost will probably be able to pay his electric bill with all the profit he has made selling western hats this week.

The rodeo is the annual event all the youth in town look forward to and enjoy. This year with the new arena, pens and chutes and more contestants than ever should provide an exciting three nights of entertainment.

With all the pretty girls in Ozona, who have horses and ride so well, it's a mystery to me why we never have more than three or four entrants in the annual rodeo queen contest. I would think the more the merrier.

The Little League season ended abruptly last Tuesday night with the Sonora all stars really putting it on our all stars. The boys took it pretty well, but there sure were a lot of upset mamas and papas. They say the game is for the kids, but that's not true, it's for the adults. If you don't believe it, just ask any Little Leaguer's mama or papa.

It's just as well that it's over, because I don't think the all-stars uniforms would have held up for another game and the stars were falling off Jim's cap when he got home last night. It seems they just don't make all-star caps like they used to.

Joan Nicholas brought an ancient cook book by the office recently. It was published in London in 1894 and is complete with illustrations of the latest cookware and kitchen ranges in that day. It not only has recipes for food, but an entire section of recipes for housework and a section on the duties of servants. It's just priceless.

From the page entitled "Kitchen Maxims" come such good bits of advice as, "Water boils when it gallops; oil when it is still" - "A stew boiled is a stew spoiled" - "Clear as you go, muddle makes more muddle" and many more.

The national news was pretty dull this week, nothing but riots and some controversy over Supreme Court Justice William O. Douglas' fourth marriage to a girl in her early twenties. It seems that Congress is in the process of passing a resolution to look into the 67-year-old justice's private life. The marriage probably won't last as long as the investigation so I doubt that they accomplish much.

It brings to mind an old saying I've heard many times "there's no fool like an old fool."

I'll leave you with this thought "Phony people are pretty much like a steamed up window glass, when the sun comes out or the light dawns, everyone can see through both."

Ozona Girls Get Training At T. W. Twirling School

Seven girls from the Ozona High School band have just returned from El Paso where they received instruction at the Twirling and Drum Major school at Texas Western College.

Attending the school were Cynthia Mahon, Drum Major Deborah Mills, Peggy Hagelstein, Marjorie Carnes, Marsha Moore, Chris Clegg and Debbie Moore.

LL All-Stars Bow Out Before Sonora Stars 18-4

Ozona's Little League All-Stars took a terrific beating Tuesday night at the hands of the Sonora nine, losing by the lopsided score of 18-4, for their first and final game of the season.

Things looked rosy for the Ozona team in the first inning. It was three up and three down for Sonora when Ruben Tambunga got a solid hit to right field, scored Jim Montgomery from first base and made it home himself, ending the inning 2-0 in their favor.

However, the complexion changed considerably in the top of the second and when the smoke cleared it was 8-2 in Sonora's favor. Ozona eked out another in the third, but the top of the fourth gave Sonora 7 more runs, with errors and walks accounting for most of the score.

Ruben Tambunga relieved Mike Jenkins on the mound in the fifth and retired the Sonora team with no runs. However, Ozona was unable to make a comeback and the well coached Sonora nine racked up three more runs in the sixth to Ozona's one to end the slaughter 18-4.

Jamie Knox was manager and Jack Gillit coach for the all stars this year. In the past, the manager and coach of the championship team have had the all stars. However, Byron Stuart of the first half champions, Flying W Ranchers, and Dub Reeves of the second half champions, Ozona Oilers, declined the job, leaving it with the third place B & B manager and coach. Due to a prolonged season and several lost games, the all stars had only a few days of practice before the Tuesday night disaster.

Little Leaguers May Get To See Astrodome Game

Bill Lewter, president of the Ozona Little League, reports that he is the process of raising money to take every boy who played on a Little League team this year to see a major league ballgame in the Astrodome in Houston. The money will go toward tickets, motel rooms and meals for three teams, the managers and coaches. The other team will go in a separate group as plans for them had been made in advance.

The money in the concession stand will not be used for this trip, Lewter stated. He asked that anyone wishing to donate, contact him, Joe Williams or Mrs. Bob Stephens. Tickets have been purchased and reservations made at the Manor House Motel. Cars are being used to transport the group, and all those taking cars have agreed to pay their own expenses, according to Lewter.

Plans have been made to leave Ozona Saturday morning, August 6, see the game that night and return the next day.

DWI Charge Filed Against Driver In Car-Camper Crash

Rodolfo (Rudy) Enriquez, 19, driver of the automobile involved in the accident with a camper and pick-up on July 2, 2 miles east of Ozona, has been charged with driving while intoxicated and will be tried in county court here.

Enriquez is presently out on bond.

AUTO SALESMAN - New in Ozona is Gene Henderson, native of Brady, who has just joined the Rutherford Motor Co. here as salesman. Mr. Henderson, recently out of the service, has been with Taylor Chevrolet in Abilene the past two months.

Jumping Combos To Charm Teens In Appearance Here

"Rock N' Roll Holiday for Teens 1966", a roadshow featuring 4 rock n' roll bands, will be in Ozona at the high school auditorium on Saturday night, July 30, sponsored by the Lions Club. Tickets will be on sale at the door for \$1.50.

The show is produced by Robert Cox, talent scout and producer of "Holiday for Teens", the first production that traveled completely around the world and appeared before more than 50,000 people. His discoveries have appeared on CBS, ABC and NBC.

Local fans will be entertained by four hours of this type music by The Ledgens, The Fugitives, The Abalons, The Sonics and The Iiks. Each combo features five members.

The entire musical entourage and their staff are on a tour of the United States Canada and Mexico. They are being transported in 1966 Oldsmobile Toronados and Vista Cruisers, courtesy the Oldsmobile division of General Motors.

DUPLICATE BRIDGE

Mrs. Ashby McMullan and Mrs. Jack Brewer were first place winners in Tuesday night's Duplicate Bridge Club play at the country club. In second place were Mr. and Mrs. Evert White and third, Mrs. Joe Pierce and Mrs. J. M. Baggett.

WHOSE BABY? - This solemn faced fellow is a member of a large Crockett county pioneer family. He operates a ranch in Crockett county but mostly makes his home where he has another livestock operation under way. His leadership has done much to advance the interests of the livestock industry.

Furniture Being Installed In New Library Bldg.

Acceptance by the school board of the new high school library and classrooms at both South Elementary and North Elementary finalized improvements begun last summer under the \$320,000 bond issue passed in the spring of 1965.

The newly completed library building is a two-story air conditioned structure with two large classrooms located on the lower floor. Addition of these two rooms and two classrooms made available out of the old library space in the high school building will provide needed space if the High School enrollment is as large as school officials anticipate.

Housed on the second floor will be the library, with one room of 18' by 34' to be used as an Adult Reading Room. Superintendent L. B. T. Sikes expressed hope that the library furniture could be completely installed by the end of the week and the move of books and supplementary materials could be completed by August 1st.

Under the 1965 bond issue, rooms were added to four teacherages, a superintendent's home was purchased, new lighting equipment was installed at Lion's Stadium, and repairs made in the Jr. High School building, in addition to the library and the three classrooms added at North Elementary and two classrooms and restroom facilities at South Elementary.

Pelto's Mother Dies In Minnesota

Mrs. Arthur Pelto, mother of J. A. Pelto, Ozona High School principal, died at her home in Virginia, Minn. early last Thursday morning. Services were held Friday. Mrs. Pelto had been in ill health for some time.

Mrs. Pelto came to this country from Finland after her marriage to Mr. Pelto. He died three years ago. Surviving besides J. A. Pelto, the son, are a daughter, Mrs. Mike Majetick of Virginia, Minn., and 6 grandchildren.

Visitors to the Crockett County Museum this week numbered 88. Out-of-town visitors accounted for 76 and 12 were local.

Parade At 4:30 Today Kicks Off Ninth Annual Ozona Junior Rodeo

Accidents Result In Damaged Cars But No Injuries

Two accidents over the past weekend between Ozona and Big Lake left some badly damaged vehicles, but all occupants escaped unharmed.

The first mishap occurred Friday afternoon at 3:45, when a 1948 Volvo driven by Todd Aaron of Midland overturned when it ran off the road about 6 miles west of here on Hwy. 865. The car was damaged, but the driver unhurt.

About the same time Saturday, 7 miles south of Big Lake in Crockett County, a car-truck accident occurred. A 1966 Ford driven by Murdock Hinton of Odessa attempted to pass a Ford truck and trailer driven by Chas. A. Shafer III of Big Lake, as it was turning off the highway onto an oilfield road. Edward Tanner, an occupant of the car, was bruised but otherwise no injuries were sustained. The wrecked car was towed into Big Lake. The truck was not damaged.

Hospital Report To Commissioners, Tax Rate Fixed

Crockett County Commissioner's Court met recently in regular meeting and received a hospital report from Nat Read, president of the Crockett County Hospital Board of Directors, in which the reason for the rejection of Medicare was discussed with the court along with a report of a new ice machine having been installed in the hospital. He also reported that the hospital was in the process of being repaired.

Kent Johnson, county geologist, gave a complete water report on the county.

Tax rates were set for county property at the following rates: County \$1.25, School \$1.62 and State \$4.7. The county and school tax is the same as last year with the state tax up five cents from last year's \$4.2 rate.

Launch Move To Pay Off Deficit Left By Jubilee

A movement to liquidate a community indebtedness, the deficit piled up by the recent Diamond Jubilee celebration, was launched here this week with personal contributions, some given as memorial gifts, to pay off the \$2,900 deficit left after the final check-up of the mid-June celebration.

Feeling that the deficit falls as an obligation on the entire community, the movement to pay it off was initiated by County Judge Bernice Bailey Jones, with a personal contribution in memory of her father, John R. Bailey. Others who may wish to contribute to the fund may send checks to Jim Dudley, treasurer, noting their wishes as to memorials.

The contributions list to date: Mrs. Bernice Bailey Jones, in memory of John R. Bailey. Mr. and Mrs. Early Chandler in memory of Tom Smith. Mr. and Mrs. Evert White in memory of N. W. Graham.

Little League All-Stars were guests of the Lions Club today at the regular weekly luncheon at the El Sombrero Cafe.

A rodeo parade at 4:30 this afternoon will kick off the 9th Annual Lions Club sponsored Junior Rodeo. Geo. Bunker, Jr. and Bill Black will lead the parade as flag bearers. Miss AJRA, Lolly Mills, of El Paso, will be a highlight of the parade. Other features of the parade will be a local string band, the queen contestants and the Lions Club sweetheart, Miss Esu Williams.

Lolly Mills is the daughter of Mr. and Mrs. Woodrow Mills of El Paso. Lolly, 18

2 Ozona Youths To Attend Range Camp at Junction

Two Crockett County youths, Jesse Deaton, representing the Crockett County 4-H Club and Donnie Edgerton, representing Ozona FFA Chapter, will attend the twelfth annual Youth Range Camp for outstanding 4-H and FFA boys of Texas. The camp will be held at the Texas A&M Adjunct at Junction, August 1-6.

Sons of Mr. and Mrs. Charles Edgerton and Mr. and Mrs. Buster Deaton, the two were selected on basis of outstanding 4-H and FFA work and their interest in range management. Local sponsors of the boys are the Ozona National Bank and Mrs. H. C. Noelke, Jr.

The week's camp is sponsored by the Texas Section of the American Society of Range Management and is designed to give youths an opportunity for additional training in range management, leadership and recreation. The program will include study, judging range conditions, wildlife management, ranch planning and field trips to Kimble County ranches and area experiment stations. A well planned recreational and entertainment program is planned for the group between instruction periods.

Camp directors and instructors are specialists in the field of range management. The camp will close on Saturday, August 6, at 10:30 a. m. with a program in which outstanding boys attending the camp will be rewarded for their efforts and achievements during the week.

102 Boys Take Part In Minor League Season

Minor league was a big success this year in Ozona, with 102 boys playing on the four different teams. Five of these boys were moved up to the regular Little League program.

The Yankees won the season with the Astros in second place followed by the Dodgers with the Giants in the cellar.

Carl Conklin managed the Yankees with Leroy Cooper as coach. The Astros were managed by Perry Bean and coached by Winston Koerth. Randy Upham and Larry Don Webb managed and coached the Dodgers and Alfred Alee and Dean Scott worked with the Giants.

Some good prospects for the 1967 Little League Season are expected out of this group of boys.

years of age, was selected by popular vote of AJRA contestants for Miss AJRA of 1966. She is past world champion barrel racer and all-around cowgirl.

Lolly was the "most beautiful girl" selection in Ysleta High School the past year and has been a cheerleader the past two years. She will appear in the parade as well as the rodeo.

The rodeo queen contestants will be feted with a brunch Thursday morning, hosted by Lions Club officers and Miss Betty Henderson, last year's queen. Contestants for this year include Diltzie Bland, daughter of Mr. and Mrs. R. L. Bland; Lellee Mitchell, daughter of Mr. and Mrs. G. K. Mitchell; Nanette Bailey, daughter of Mr. and Mrs. Bob Bailey, and Connie Hubbard, daughter of Mr. and Mrs. Perry Hubbard. The winner will be crowned tonight.

Work has been completed on the new chutes and pens, which give Ozona one of the finest rodeo facilities in this part of the country.

Louis Powers of Sonora will head up the judging and P. C. Perner will be arena director. Tommy Sheffield of Rankin will be the featured clown of the rodeo, assisted by John Bland, son of Mr. and Mrs. R. L. Bland.

Sheffield is a bull rider as well as a bull fighter and has been active all summer in clowning and protecting the bull riders.

John Bland has been clowning as a barrel man several years. He is thirteen years old and the present world champion bull rider in the 13-15 age group.

Two big western dances will highlight the three-day rodeo with Johnny Dutton and his band playing both Friday and Saturday nights. The dances will be held at the rodeo platform.

Out of town merchants who contributed money and trophies and whose names were received too late to get on the official program were B & W, Kentucky Fried Chicken and Reed Tire and Appliance, all of San Angelo.

Everett Receives Lone Star Farmer Degree at Austin

Bill Everett, son of Mr. and Mrs. Tom Everett of Ozona, received the Lone Star Farmer Degree at the 38th Texas Association Convention held in Austin, July 13-15.

The degree is the highest a Texas FFA member can win on the state level. Only two percent of the FFA membership in the state is eligible for the honor.

The award was based on Bill's project program, leadership activities, participation in contests and cooperation in other school activities.

Other members who attended the convention were Keith Mitchell, who is to receive the American Farmer Degree in October at Kansas City, Missouri for his outstanding accomplishments in FFA work, and George Cox, who was elected by chapter members to serve as voting delegate.

Highlights of the convention were addresses made by Dr. William Paul Gray, National Executive Secretary for the FFA and Howard Williams, National FFA President.

NOTED AND PASSED

On Eliminating Poverty:
 Sargent Shriver says that if
 the Congress will just pro-
 vide him with \$40 billion,
 more or less, he can elimi-
 nate poverty in this county
 entirely in the next ten years.
 At first we didn't think he
 could do it, but now after
 further thought we think
 maybe he can. Our first re-
 action was that extracting
 \$40 billion from the produc-
 tive, tax-paying citizens
 would simply impoverish
 them while lifting the other
 type out of the poverty bracket,
 thus making it necessary
 for Shriver to start another
 ten-year-plan to reverse the
 flow of money from the new-
 ly-prosperous to the newly-
 impoverished. But now, not-
 ing the rapid rise in food
 prices, we rather think that
 poverty - eliminator Shriver
 must be counting on those
 who provide the first \$40
 billion to have starved to
 death during the first ten-
 year plan.

Demonstration Cities: This
 is a wonderful idea, with
 just a few amendments. We'd
 keep the title just as it is:
 "Demonstration Cities." We'd
 need a dozen or more of
 them scattered throughout
 the country, where demon-
 strators for any cause could
 gather and demonstrate to
 their hearts' content. There
 should be some wide streets
 for big demonstrations, and
 narrow streets for just a
 handful to successfully block.

There should be fireproof,
 air-conditioned buildings for
 safe and comfortable sit-ins.
 There must also be plenty
 of fast-igniting wooden
 structures for more riotous
 occasions.

Perhaps the toughest prob-
 lem will be that of equip-
 ping those Demonstration Ci-
 ties with citizens to harass,
 tourists to stare, policemen
 to throw rocks at, elderly
 folks to mug and rob after
 dark, and cameramen to re-
 cord it all. Without camera-
 men, there'd be little point
 in demonstrating. Would it
 be out of line to suggest that
 maybe those who are so fond
 of demonstrating could take
 turns being each other's tar-
 gets?

On Federal Employment:
 Figures just released show
 that there are now more peo-
 ple on the Federal payroll in
 Washington than ever before
 in history. That's good. We
 have been mindful for some
 time that anybody who
 works actually works for the
 Federal government. It's nice
 that a few more are now
 getting paid for it.

Here's listing of where the
 U. S.'s \$104,220 Million in
 foreign aid has gone since
 1945. It is interesting for A-
 mericans to consider how
 many of these nations have
 failed to support U. S. inter-

 peace.

I believe our expenditures
 for foreign aid can be con-
 siderably cut. There has been
 much waste in the program.
 I expect Congress this year
 to reduce these costs and to
 look more closely than ever
 at the program, keeping only
 that which is obviously
 working, discarding that
 which is wasteful.

Directors Fail To
 Hire New CC Mgr.

The board of directors of
 the Chamber of Commerce
 met last Thursday night. Af-
 ter considering seven appli-
 cations for chamber man-
 ager, they decided not to hire
 a new manager at this time.

Kenneth Mitchell, who re-
 tired after holding the job
 for three months, left June
 30.

The hiring of a new man-
 ager will be decided at a pub-
 lic meeting to be held some-
 time in August. The date has
 not yet been set, but the pub-
 lic will be invited along with
 present members.

David Jacoby To Attend National Range Forum

College Station — David Jacoby of Ozona and Glen Lich of Comfort will represent Texas 4-H and FFA youths at the first Range Fact Forum scheduled for Logan, Utah, July 27-30. Delegates from 10 or more states are expected to attend.

The Forum will be a part of the summer meeting of the American Society of Range Management and is under their sponsorship. The objectives of the Forum are: serve as a national awards program; promote knowledge and interest of youth in range management and develop leadership of youth in promoting youth programs within the Sections of the Association.

The Texas representatives have outstanding records in their respective organizations, also academically, and their local churches. David is the son of Mr. and Mrs. Pete Jacoby and a 10-year 4-H member. Range management and related projects have been completed each year. He has been a member of 35 different 4-H judging or demonstration teams and three times has been a member of a state winning team, grass judging, range judging and junior wool and mohair judging. He attended National 4-H Conferences in 1965 and currently is chairman of the District 6 4-H Council.

He was valedictorian of his high school class; a National Science Foundation scholarship winner; a three sports letterman and active in student affairs. He graduated in 1966. He is active in his church and sings in the choir.

David attended the State Range Camp in 1963 and took top honors with his plant collection. He also holds many other 4-H honors on all levels of competition.

Glen is the son of Mr. and Mrs. Perry Lich, Com-

fort, Kerr County and holds outstanding records in both FFA and 4-H. Soil and water conservation work has been a major interest. He attended the State Range Camp in 1955 and was recognized as an outstanding camper. He was Greenhand President in 1963-64 and holds many Chapter awards.

In 4-H, he was state and national winner in 1965 in the Conservation of Natural Resources Awards program, attended National Club Congress and was awarded a \$500 scholarship by John Deere, donor for the program. He is a past president of the Kerr County Junior Wildlife Association and is co-chairman of the county 4-H council.

Among his academic achievements are a ranking in the top 10 percent of all the American students taking the National Educational Development Test in 1965 and a similar ranking in the National Merit Scholarship Qualifying Test in 1966.

He is also active in his church and is the first person under 21 years of age to become a member of the governing board of the Comfort Historical Society.

David and Glen will have an active role in the Forum program as will their chapter G. O. Hoffman, range specialist for the Texas Agricultural Extension Service. Hoffman was one of the originators of the activity and for five years served a chairman of the Society's Youth Committee. They will be accompanied on the trip by Pete Jacoby who will also appear on the Forum program.

Mr. and Mrs. J. B. Miller attended the Golden Anniversary Tea Sunday afternoon in Lubbock for Dr. and Mrs. J. S. Anderson. The Anderson's are parents of Mrs. B. E. (Sonny) Cleere, of San Angelo, Texas, former Ozonan.

Mrs. Jerry Pace and Mrs. Hiram Brown of Austin, accompanied their mother, Mrs. Monroe Baggett, to Floydada Saturday for a visit with her sister, Mrs. E. P. Nelson.

Daughters Honor Mrs. Baggett At Birthday Party

Mrs. Jerry Pace and Mrs. Hiram Brown, both of Austin, honored their mother Mrs. J. M. Baggett, with a luncheon at the El Sombro Cafe Friday, on the occasion of her birthday. Guests included members of the Friday bridge club and relatives.

The tables were centered with arrangements of flowers of various colors made by Mrs. Brown.

Those attending were Mrs. Max Schneemann, Mrs. V. I. Pierce, Mrs. Henry Miller, Mrs. J. W. Henderson, Mrs. Bailey Post, Mrs. Stephen Perner, Mrs. Fred Chandler,

Sr., Mrs. O. D. West, Mrs. Sidney Millspaugh, Jr., Mrs. Early Baggett, Mrs. Joe Davidson, Mrs. Jake Short, Mrs. Sherman Taylor, Mrs. Joe Pierce, Jr., Mrs. Evart White, Mrs. Clay Adams, Mrs. Richard Flowers, Mrs. W. R. Baggett, Mrs. Billy Baggett, Mrs. Bill Griffiths and Mrs. James Baggett.

Hiway Dept. Plans Two New Roadside Parks In Crockett

J. A. Snell, District Engineer for the Texas Highway Department has announced the State will ask for bids in August for the construction of two roadside parks in Crockett County. One park will be located on S. H. 163

approximately 8 miles north of Ozona. This park will be built on land donated to the State by Mr. and Mrs. John W. Childress. The other park will be on S. H. 29 about 4 miles east of the Pecos River.

Plans, in addition to a table, arbor, etc., include the drilling of a water well to provide water for plants and a drinking fountain.

All this glory from one tiny seed! The sunflower towers taller than a man, its huge golden head filled with thousands of seeds . . . and every seed contains the mystery of life and growth that science cannot explain.

We are surrounded by miracles that man did not create. Who created them? Who created us? By the reasoning powers of our own marvelous minds we can be guided to see that God the Creator has made all things according to His plan, and that we can only achieve our highest development by living in harmony with it.

How can we know God's will for us? We need only a small seed of faith, for He will lead us in His way if we ask Him . . . and that seed will grow and flourish under His loving care.

THE CHURCH FOR ALL • ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Mohair Promotion Fund Plan Sought At Council Meet

A proposed mohair referendum will be the main topic when the Mohair Promotion Council of America meets Saturday, July 16, in Junction. Meeting site will be the Junction High School, starting at 10 a. m. A lunch will be served. The referendum would al-

low mohair producers to vote on a check-off from mohair incentive payments. Funds from such a check-off system would be used for the promotion of mohair.

Members of the program and planning committee to the MPC have agreed to recommend the incentive check-off program to the council. Committee head Al Dishman of Uvalde said, "Immediate action must be

taken on this project if any kind of automatic financing can be made available in the near future."

For the referendum to be placed before the voting public, to coincide with the wool referendum vote already set for September 9 to 23, a majority of mohair producers must first voice approval. "The Junction meeting will give such a privilege, and I urge all mo-

hair producers to attend," stated Dolph Briscoe of Uvalde, MPC chairman.

Recipe of the Week
From
Kitty's Kitchen

Strawberry-pink Mousse
1 pint strawberries, washed and hulled
3/4 cup sugar
1 tablespoon lemon juice
1 1/2 cups whipping cream
Set aside a few whole berries for garnish. Use blender to puree remaining berries or press through a sieve. Mix with sugar and lemon juice in a medium-size bowl. Beat cream until stiff and fold into strawberry mixture; spoon into 2 ice-cube trays. Freeze until firm about 1 inch in from edges. Stir until smooth and pour into a 5-cup oiled mold or bowl. Freeze again until firm. When ready to serve, loosen mold around edge with a knife, invert onto serving plate and place hot towels over mold until it is loosened. Garnish with saved strawberries and more whipped cream if you wish. Serves 6.

Strawberry Swirl Shortcake
2 cup biscuit mix
3/4 cup milk
2 tablespoons butter, melted
2 teaspoons grated lemon rind
2 tablespoons sugar
2 pints strawberries, washed, hulled, sliced and sweetened
1 cup cream for whipping
Prepare biscuit mix with milk, following label directions for rolled biscuits. Roll out to a rectangle, 18x9; brush with melted butter. Sprinkle with mixture of lemon rind and sugar, roll up jelly roll fashion; cut into 12 slices. Place on greased cookie sheet and bake in 425 degree oven 15 min. or until golden. Cool slightly, and put two pinwheels together with berries between in serving dishes. Spoon whipped, sweetened cream on top. Serves 6.

Damage To Hiway Signs By Shooters Costs Taxpayers

Austin, Texas — Highway signs are erected for the safety and convenience of the motoring public — not to provide gun-toting punks with a handy target for plinking.

Yet, a major share of the \$450 thousand vandalism to Texas highways signs annually is caused by gunfire, according to D. C. Greer, State Highway Engineer.

Bullet-riddled roadside markers accounted for 85 percent of all signs which had to be replaced in one Texas Highway Department District in West Texas in one year.

Even a small highway sign costs about \$10 to replace. Larger, more elaborate signs costing hundreds of dollars have been targets for wanton vandalism too, Greer said.

If apprehended, vandals can be made to pay for the destruction they cause. But the persons who operates a motor vehicle in Texas foots the greater portion of the bill for replacement through his motor fuel taxes and licensing fees, Greer said.

More important, destruction of signs causes inconvenience — and many times deadly peril — to motorists using the highways.

Federal LAND BANK Association
Mr. Farmer — Mr. Rancher:
Too many short-term debts can cripple your total credit program, tie up operating capital and cause you to miss opportunities that require immediate funds. For these reasons, it can pay you to consolidate your short-term obligations with a long-term, low cost Land Bank loan on your farm or on your ranch.

The Chrysler savings season is here—
now's the time to
test price a CHRYSLER

Our year-end inventory of models and colors is still good. And our deals are even better. Right now, you can own a full-size Chrysler for just a few dollars a month more than the most popular smaller cars, comparably equipped. That includes power steering, power brakes, automatic transmission, radio, heater, seat belts front and rear, and a big V-8. See us now.
