Kitty's Korner By Kitty Montgomery

An article came to my attention this week that really brought home to me the fact that the \$600 a year exemption allowed taxpaying parents to feed, clothe, house and train a child is in reality a fantasy.

From the Highland, Ill., News Leader, the article states that Uncle Sam spends \$7,000 a year to feed, clothe, house and train a youngster in the federal government Job Corps. Under the Cuban refugee program Uncle Sam assumes, minimal upkeep requires \$1,200 a year, and if the Cuban boy or girl is attending school, an extra \$1,000 a year. Maintaining one person in a federal prison Uncle Sam estimates costs \$2,300 a year. Under his Aid to Dependent Children program Uncle Sam will pay more than \$800 a year to keep up an illegitimate child. Social Security will pay \$168 monthly to maintain the elderly.

After reading all this and mulling over the fact that we taxpaying parents are allowed \$50 a month for a child's upkeep, it didn't seem to make much sense, especially when the fact dawned on me that we taxpayers are actually paying for all these government programs.

The experts are predicting a tax increase after the November elections. Maybe Uncle Sam will weigh what he spends per year on one individual against what he allows the taxpayer to spend and increase the deduction.

The Lions encountered some pretty bad luck last Friday night in Bronte. However, we have just conducted a poll here in the Stockman office and the Lions are picked to win over Sonora Friday night unanimously, in spite of the fact that some of their best men may have to sit it out.

I don't know whether it came from a Madison Avenue advertising agency or whether it would have become a national pastime anyway, but the past few years on the political scene the majority party has obviously by-passed issues in favor of mud-slinging and the most alarming part of the whole thing is the fact that the American people seem to go right along with it.

It is so apparent in the press releases that come to this office that I thought I probably noticed it more than anyone else. However, after watching a political speech on television a week or so ago, my son, without a word from me, looked at me with astonishment and said, "Mother, he said some terrible things about his opponent. Can he do that on television?" I had no explanation. How do you tell a 12-year-old boy that honesty, fair-play and integrity have all fallen by the way somewhere along the road?

They are getting a late start at the bowling lanes this year, but they are working at it harder than ever. I've even been approached about joining a league and the only time I ever bowled, the ball went into the gutter every time except once when I got off balance and knocked them all down at once, I think they call it a strike. However, Lilly Elder informed me that I would have such a handicap (whatever that is) that any team would be delighted to have me.

Willena Holden is busy trying to get bowling leagues started for the kids on Saturday. (Continued on Last Page)

FIRST SINCE 1964 — 3 Screwworm Cases Confirmed In Crockett Co.

Three screwworm cases have been confirmed in Crockett county, two on R. A. Harrell ranches, one on his ranch south of Ozona and another on his place 8 miles northeast of Ozona, and the third on the Ralph Jones ranch east of Ozona.

These are the first screwworm cases reported since 1964 in the county, County Agent Pete Jacoby pointed out. There were no confirmed cases in the county in 1965.

Screwworm cases have been reported in Schleicher, Sutton, Val Verde, Terrell and Pecos counties this past week, all these counties joining Crockett, Dolph Briscoe, Jr., of Uvalde and chairman of the Screwworm Eradication Program, reports that the state is having its worst outbreak of screwworms since it achieved control in 1964.

Ranchmen are urged to watch for screwworm cases and send in a sample of suspected cases. All ranches with confirmed cases are receiving sterile flies by airplane in an effort to stamp out the infestation but need the help of ranchmen who should dope all cuts and wounds when possible. Spraying of livestock is recommended by screwworm officials to help control outbreaks.

Sample bottles for reporting and sending in suspected screwworm cases have been left with both wool houses if ranchmen are in need of a sample bottle.

Heart Condition Proves Fatal For 11-Year-Old Girl

Funeral services for Debra Kay Jenkins, 11, were held yesterday at 4 p. m. from the Ozona Church of Christ with burial in Cedar Hill Cemetery under the direction of James Funeral Home.

Debra Kay died in Crockett County Hospital Monday morning where she had been a patient a week after suffering a stroke at her home. The child had had a heart condition since birth.

Debra Kay was born September 17, 1955, in Snyder. She moved here with her family four years ago.

Survivors include her parents, Mr. and Mrs. T. H. Jenkins, a sister, Cheryl Ann; two brothers Tommy and Mike, all of Ozona; grandparents, Mr. and Mrs. O. H. Yake of Twain, Calif.

Ozonan's Father Buried In Austin

Mr. and Mrs. W. T. Goodson attended funeral services in Austin Saturday for Mr. Goodson's father, M. T. Goodson, 86, who died Friday in that city after a long illness.

Services were conducted at 3 p. m. with burial following in Capital Memorial Gardens. Mr. Goodson a retired farmer, is survived by his widow three sons and three daughters; eight grandchildren and seven great grandchildren. He had lived in Austin 30 years. He had farmed in the Burnet and Leander areas, serving for a number of years as County Commissioner of Williamson county after moving to Leander.

Crockett Ranchers Approve Fund For Promotion of Wool

Crockett county ranchmen who voted in the recent referendum on a proposed new agreement for the promotion of wool through deduction from incentive payments favored the new agreement with the American Sheep Producers Council and the Secretary of Agriculture.

The vote was 51 in favor of the deduction, representing a total of 116,000 sheep to 18 against, representing 31,000 sheep. Cliff Elder, office manager of the ASCS office here, announced this week.

The proposed new agreement, if approved in the nationwide referendum, would authorize payment deductions of up to 1 1/2 cents per pound on shorn wool and 7 1/2 cents a hundredweight on unshorn lambs, compared with 1 cent and 5 cents in the past. The higher deductions, available information indicated, was recommended by most state and regional sheep organizations and will be necessary to finance the proposed promotion program of the ASPC, the organization which administers the program.

Rutherford Open House To Show 1967 GM Models

A. R. Rutherford announced the showing of the 1967 General Motors automobiles at Rutherford Motor Co. starting today. On hand for the public to view are different styles in all lines except Cadillac, which will preview October 6. Besides the '67 Olds, Buick, Pontiac, Chevrolet, you may have a look at Chevrolet's all new Camaro, the jazzy low-priced sports car.

Open house at Rutherford Motor Co. will feature gifts for everyone who drops in, including balloons, candy and Indian head-dresses for the children. Today through Saturday you may register for free door prizes for a drawing to be held Saturday. Each day refreshments will be served along with entertainment, Rutherford said.

It will give everyone in town an opportunity to enter the nationwide Pontiac contest. All you do is sign a card. First prize gives the winner his choice of any model 1967 Pontiac. There are 1,124 valuable prizes in all.

This year's cars feature all new body styles, and are all equipped with General Motors new safety features, such as the energy absorbing steering column, soft plastic padding on all protruding hardware, along with double padding on the instrument panel and sunvisors.

Rutherford extends a special invitation to all to come by and look at the new models.

DUPLICATE BRIDGE

Four tables of players participated in Duplicate Bridge Club play Tuesday night at the country club. First place winners were Mrs. Robt. Cox and Mrs. Jake Short. In second place were Mr. and Mrs. Sam Fitzhugh. Mr. and Mrs. Evert White were third and Mrs. Carl North and Mrs. Lovella Dudley fourth.

WELDING SHOP MOVES

Lilly Welding Service will open Monday in its new location in the former Ford agency building.

They will move this weekend from their former location on Hwy 290 West, where they have been located for several years.

Bronte Cops Win After Key Lions Players Injured

The Ozona Lions dropped a 0-13 decision to the Bronte Longhorns last Friday night in Bronte as key injuries to halfbacks George Cox and Beto Ramos severely handicapped the Lion offense and defense.

Trailing only 0-7 with seven minutes remaining in the fourth quarter, the Lions, with fullback Thomas DeHoyos and halfback Jack Applewhite doing most of the work on the ground, drove to the Bronte 20 on two occasions only to have the drives stopped when 4th down tries fell inches short of the necessary first downs.

Midway of the first quarter Ramos scooted 43 yards around left end to paydirt, but the play was called back and the Lions penalized 5 yards for offside. With only 4 minutes gone in the initial quarter, Cox, the Lions' high scoring All-West Texas halfback, was forced to leave the game with a painful hip injury. Ramos followed Cox to the sidelines early in the second quarter with an ankle injury.

The Longhorns' second period drive for a score followed an Ozona failure to get off a fourth down punt. Doug McCutchen, the Longhorns' 185 halfback, took a flare pass from David Glenn and hit the sidelines for 31 yards and a TD.

The Bronte second tally came late in the last quarter. Following a Lion fourth down attempt to pick up a first down, McCutchen hit off tackle on a quick opener for 73 yards and the second touchdown. This score came when it appeared that the fighting Lions might yet overcome the 7 point deficit.

Despite the 0-13 score, the Ozona forward wall was tough as usual, allowing only 5 first downs for the third week in a row. Seventy-three of the 161 yard rushing total for Bronte came on McCutchen's long TD run. The Lions rushed for 132 yards, counting losses of 15 and 20 yards on two failures to get off the fourth down punt. DeHoyos and Applewhite led the Lion rushers with 60 and 27 yards.

In the passing department, the Lions completed 2 of 7 with 1 intercepted, and Bronte 2 of 3. Both teams lost the ball once by fumbles. Ozona picked up 18 yards by passing, and Bronte 39 yards. Bronte was penalized 4 times for 20 yards; Ozona, 3 times for 35 yards. Ozona punted twice for a 33 yards average, and Bronte 4 times for 29 yards.

Mrs. Mary Leath Long Time Ozona Resident, Dies

Funeral services for Mrs. Mary O. Leath, 72, long-time Crockett County resident were held at 2:30 Sunday afternoon from the Ozona Methodist Church with burial in Cedar Hill Cemetery under the direction of James Funeral Home.

Mrs. Leath died Friday in Crockett County Hospital after a brief illness.

Mrs. Leath had lived in Ozona 39 years. Her husband, Clyde Leath, died here in 1953.

Survivors include a son Haskell Leath of Ozona; two brothers, J. J. and E. S. Hawkins, both of San Angelo; three sisters, Mrs. H. H. Myatt of Abernathy, Mrs. Henry Brent of Bonham and Mrs. N. E. Young of San Angelo, and a granddaughter.

Monday, Tuesday Picture Taking Days For Schools

Monday and Tuesday will be picture-taking days in Ozona schools, High School Principal J. A. Peltto announced this week.

Parents have been notified through students of the schedule of picture taking over the two day period, Mr. Peltto said.

Monday morning the photographer will take picture at North Elementary and Monday afternoon at the High School.

Tuesday morning will be picture taking day for South Elementary and Tuesday afternoon at the Junior High School.

5 Indictments Are Returned By Grand Jury Mon.

Crockett County grand jury met Monday, September 26. Of the nine cases presented to the jury, five indictments were returned.

Indicted for felony theft were Valentin Gonzales and Joe Galan.

Indicted for burglary of the Ranch Feed and Supply were Jim Burns and Wayne Lofton. They were tried in 112th District Court and each given 2 years probated sentence.

Harold Reed and Robert Enyeart, both AWOL from Ft. Sam Houston were indicted and tried for felony theft, they also received 2 years probated sentence.

Samuel Vargas Rivera was indicted for assault with intent to murder. The defendant named in the fifth indictment has not been arrested.

Grand Jurors were Bill Carson, foreman, Joe Williams, Dick Webster, Mrs. Bill Cooper, Sam Perner, Buddy Moore, Jake Miller, Mike Miller, Mrs. Frank James, Charlie Fuantoz, W. E. Friend, Jr., and Dempster Jones.

Mother-Daughter Tea Is Kick-Off Girl Scout Year

Crockett County Girl Scouts kicked off their new year with a very successful mother and daughter tea Saturday afternoon at the Civic Center. There were 200 in attendance.

Refreshments of cookies, punch and coffee were served by the Cadette Scouts. The cookies were made by girls in all the troops.

The program consisted of brief outlines of camping experiences by girls who attended Camp Jo-Jan-Van this summer. First year junior scouts sang the camping song and the group was shown color slides of the first and second day camp along with slides of the Halloween parade and the Girl Scout camp during the Jubilee.

Mrs. Lawrence Janes, retiring Neighborhood Chairman, introduced Mrs. Ron Pennington, who in turn introduced the Scout Leaders for the year.

Ray Piner, Jr., former Ozonan now living in Albuquerque, N. M., was visiting friends in Ozona the first of the week. Mr. Piner is district sales manager for American Petrofina, with headquarters in Albuquerque and serving southeastern New Mexico and a part of West Texas.

Crippled Lions Seen With Small Chance To Hold Powerful Sonora

Junior Hi and B Clip Eldorado To Remain On Top

Ozona's junior high Cubs and the Lions B remained undefeated Thursday night when they played the Eldorado teams here. The Cubs took a 13-0 victory and the Lions B smashed the Eagles 26-6. Both teams will travel to Sonora for a double-header this afternoon.

In the first game, the Cubs' outstanding defense really clicked and the Eagles found themselves being pushed back more times than they went forward. Gregory Stuart and Tom Davidson looked particularly good on defensive plays, with all the boys looking good.

On offense, some 15 yd. penalties at some crucial points held the Cubs to two touchdowns. David Pagan, the Cub's powerhouse halfback, picked up around 75 yds. in the air and around 100 yds. on the ground, to lead in yardage gained.

The Cubs first touchdown came in the second quarter when quarterback Jim Montgomery hit Pagan from the 20 and set up the scoring play on the 9 yd. line. Pagan ran the ball in for the touchdown and fullback Philip Perner drove over for the extra 2 points. After forcing the Eagles to kick on 4th down, the Cubs picked up a 15 yd. penalty, but Pagan ran 29 yds. for the 1st, pulled down a pass from Montgomery for another first and ran the same pass play for another 1st, which was called back on a penalty when half-time came up.

In the second half Perner recovered an Eldorado fumble and carried the ball over on the next play. The try for extra points failed. The remainder of the game saw several exchanges of fumbles and a fifteen yard penalty (Continued on Last Page)

The powerful Sonora Broncos will invade Lions Stadium tomorrow night to meet the Lions in a crucial 8-A clash. Game time is 7:30 p. m., and school officials are expecting an overflow crowd to jam the Stadium for the all-important game.

Rated no less than 5th on four state ranking polls, the Broncos have beaten two strong AA clubs in non-district tussles. Ozona, after two wins over McCamey and Big Lake, dropped a 0-13 decision to the Bronte Longhorns last Friday night.

With all the squad in good shape, the Lions appeared capable of upsetting the Broncos, but two vital cogs in the Lion offense and defense suffered injuries in the Bronte game and the Lions' hopes for a win have been somewhat dimmed.

George Cox, Ozona's All-District and All-West Texas speedster halfback, suffered a hip injury in the first quarter of the Bronte battle and is not expected to play tomorrow night. Beto Ramos, 182 lb right halfback, has been plagued with an ankle injury all season and is listed as "doubtful" by Lion Coach Sam Mosley. Several other Lions are bruised and may not be able to play full time.

Sonora relies heavily on the passing attack guided by 6'3" 185 lbs. Laney Cook and receivers Noe Chavez and Ben Perez. On the ground Mike Gosney and Ed Renfro lead a bevy of speedy backs. Three all-district performers of the 1965 team lead the experienced line.

Despite the likely loss of Cox and Ramos the staunch Ozona forward wall is strong enough to slow the Sonora attack considerably. Linemen Gary Sutton, Marlin Farris, Larry Kilgore, Wesley West, John DeHoyos, Oscar Flores, and T. DeHoyos have been extremely tough against opponents' ground attacks.

Senator Hardeman To Speak at TMA Meet In Corpus

Texas State Senator Dorsey B. Hardeman of the 25th Senatorial District will address the Texas Manufacturers Association's 44th Annual Conference of Texas Industry, October 27-28, at the Robert Driscoll Hotel, Corpus Christi.

Senator Hardeman, who has served in the Senate continuously since 1946, will present the conservative point of view on the proper relationship of State Government and business, and the action needed by the next legislature to promote continued prosperity in Texas at the Friday morning session, October 28.

Two Fire Calls Answered Tues.

Ozona firemen were called out twice Tuesday. At mid-morning a wash house caught fire located on Ave. I. The fire was extinguished with a small amount of damage.

Tuesday night electrical wiring caught the insulation on fire in an electrically cooled box at Lilly Welding Service. Firemen contained the blaze, but the box and equipment it held was damaged.

WATCH THIS NEW LINE

We suspect that you'll be hearing more and more of a new propaganda line that is starting to make its appearance.

For a long time we were assured that with a schism inevitable between Russia and China, we would do well to play it smart and cozy up to the Russians. An essential part of this propaganda assured us that whereas the Chinese were "hard" Communists the Russians were rapidly becoming "democratized." The proof? Well, look at all the new consumer goods in GUM, the official department store in Moscow. Wasn't this proof positive that the Russian people wanted butter and not guns (and stylish clothes)? So, arguing from this shaky premise, the propagandists said we'd be smart to be nice to the Democracy-loving Russians, do more trading with them, and stop being so hard-nosed.

That was the line until recently

The new line makes an abrupt switch. The basic idea is that our big opportunity lies not with Russia with the Red Chinese. Why is this? Well, look at those Red Guard outbreaks in China. Did you notice how those rampaging young Reds made a special target of certain European Reds? And damaged official property of European Communist nations? That, according to the propagandists, give us our opportunity. The tension between Moscow and Peiping is greater than ever. This is where we should step in, extend the hand of friendship to Mao Tse-tung, and show him that the United States can be much nicer to him than the Stalin, Khrushchev, Kossygin, etc. ever were.

Of course, these about-face propagandists point out, we mustn't extend an empty hand. When we extend it, we should have it full of lots and lots of foreign aid. After all, as they lay it on the propaganda line, the U. S. is in much better shape than Russia to extend the necessary billions of dollars that Mao must have if he is to build a democratic nation, presumably made up of properly prosperous agrarian reformers.

So far the line has made no mention of admitting Red China to the United Nations, as part of the friendship pitch, but you may be sure that that part of the line will be advanced one of these days. Real soon.

Meanwhile, notice how the "liberals" go to work on this one.

THE GRAND HOAX

Inflation is a phenomena that most people have lived with a good share of their lives, and yet, few know what causes it or have been interested in learning. It has undermined every dollar of savings in the country and is responsible for the vicious contest between wages and the cost of living.

An Arizona Farm Bureau Federation news release has something to say about inflation and farmers that should be of interest to anyone who has a dollar in his pocket: "Inflation can be generated only by government. Business firms, labor unions, or consumers with excessive market power can do many objectionable things that are contrary to the public interest. But, they cannot cause inflation. Only government — with its power to tax and to mint and print money, with its dominant position as a consumer of goods and services in both domestic and foreign markets can do that."

Girl Scout Troop Elects Officers

Girl Scout Troop No. 160 met at North Elementary Monday afternoon and elected officers. Nancy Appel served as chairman.

Elected as parliamentarians were Gayla Cutright, Debbie Deaton, and Polly Dixon. Caper chart keepers are Lynn Thompson, Mary Sparks and Debra Pitts. Other officers elected were Rebecca Seahorn, scrapbook keeper; Nancy Appel, first aider; Mary Jo Hayes, refreshment checker and Marla Davis, reporter.

The meeting was adjourned and games were played. Refreshments were served by Shelley Jones and Nanda Dozier. Those present were Denise Deaton, Lou Cox, Gayla Cutright, Debra Sue Pitts, Stacy Dockery, Judy Mosley, Nanda Dozier, Kay McMullan, Debbie Deaton, Nancy Appel, Mary Sparks, Patty Schroeder, Shelley Jones, Polly Dixon, Rebecca Seahorn, Lynn Thompson, Mary Jo Hayes, Marla Davis and Troop leaders, Mrs. Frank McMullan, Jr., and Mrs. Demp Jones.

GIRL SCOUT TROOP 13 TO HAVE RUMMAGE SALE

Girl Scout Troop 13 will have a rummage sale next week in the old Baker Jewelers Bldg. The girls have requested that anyone having any articles to donate, call Mrs. Sam Fitzhugh at 392-2565 and they will be picked up promptly. Any and all donations of clothing and other useful articles will be appreciated.

The girls plan to start the sale Saturday, October 8 and continue through Wednesday, October 12, with the exception of Sunday.

Government attempts to control inflation by setting up "guidelines", and imposing controls on the free market are a grand hoax that if attempted by private citizens would mean jail.

GIRLS AUXILIARY WELCOMES NEW GIRLS

The 6th and 7th grade members of the Girl's Auxiliary of the First Baptist Church met Tuesday afternoon to welcome the new girls who had been promoted into the group and to elect officers for the first half of the new year.

Kathy Williams and Nikki Henderson were promoted into the Intermediate group,

but presided at the business meeting as a final duty.

Elected to the office of president was Lynn Thompson; vice-president, Beverly Fisher; secretary, Cathy Lewter; forward steps, Debbie Pitts; program, Cathy Evans; community missions, Deborah Mathews; prayer, Gilda Graves, and stewardship, Candy Lewter.

Plans were made for attending the School of Missions in order to hear a mis-

sion book taught and to meet the missionaries who will be speaking at the church next week.

Ride the Wide-Track winning streak!

From the same drawing board that gave you Grand Prix, GTO and Overhead Cam Six now come the newest Pontiacs since the invention of Wide-Track!

You're looking at the most beautiful Pontiacs ever to ride on Wide-Track. The incomparable GTO returns with a 335-hp 400 cubic inch engine under a magnificently refined new skin. Or you can order the 255-hp version or the fabulous new 360-hp Quadra-Power 400. And for the first time, you can order your GTO with our famous three-speed Turbo Hydra-Matic.

The Le Mans and Tempests come back better than ever. Bright new interiors. Bold new colors.

A 165-hp Overhead Cam Six is standard. Or you can specify a 215-hp version, a 250-hp regular gas V-8 or its 285-hp premium gas cousin. Or step into the neatest grand touring car this side of the Atlantic with our OHC 6 Sprint package.

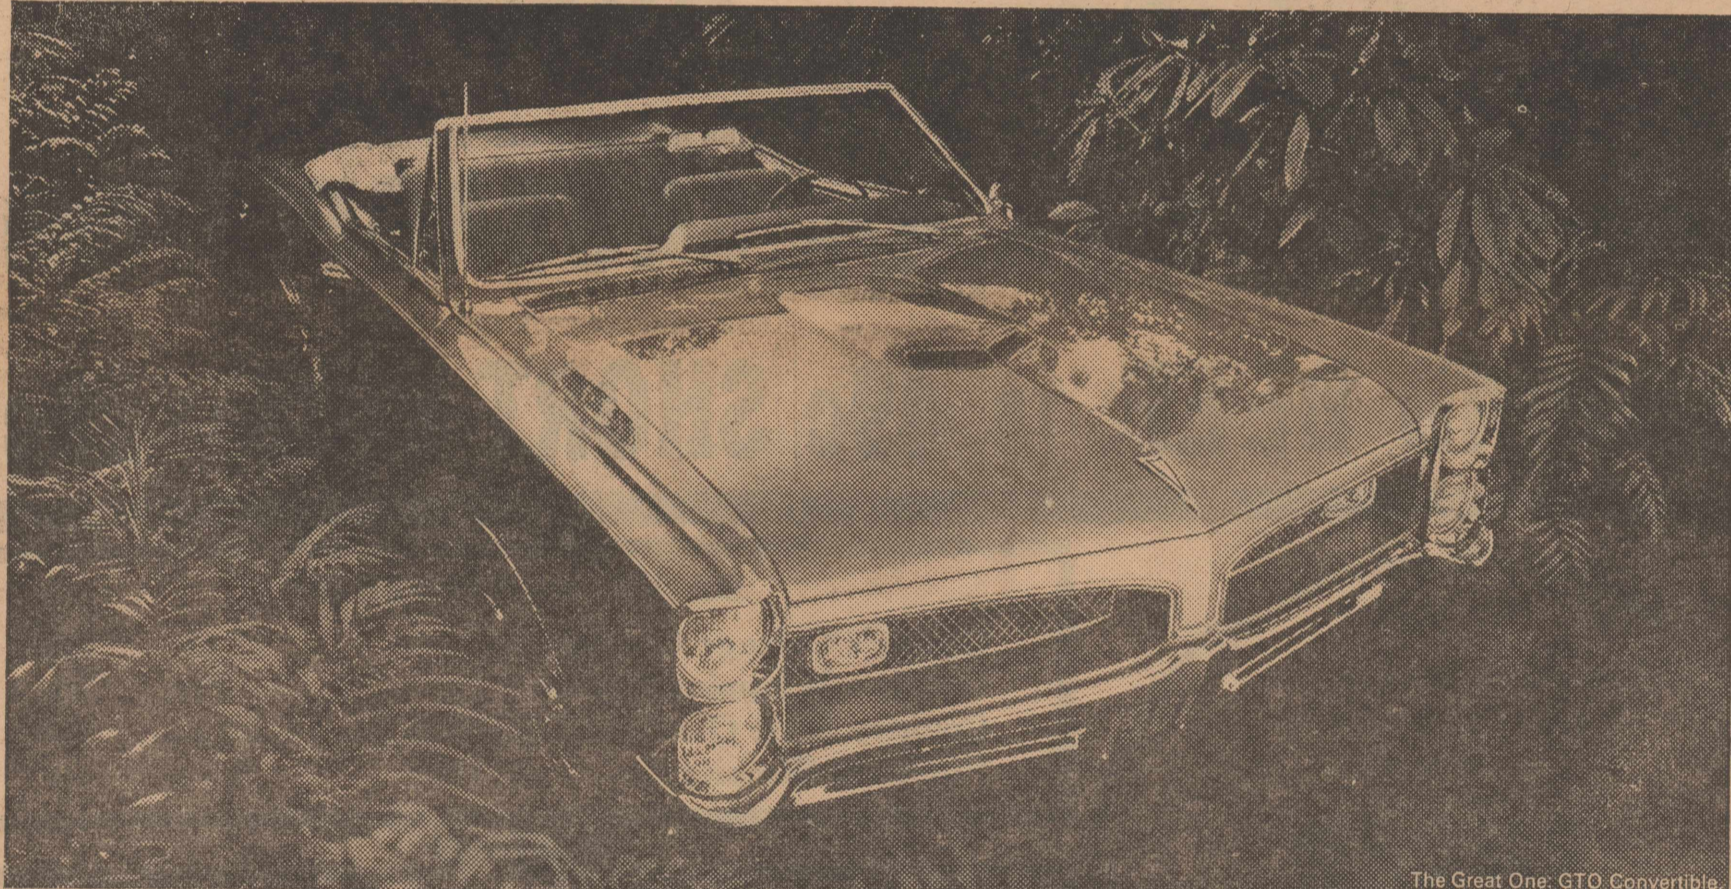

Our big Pontiacs are new from the famous split grille to the slickest innovation of the year — disappearing windshield wipers! They're less subject to freezing. And only Pontiac has them.

Also new: a Grand Prix convertible!

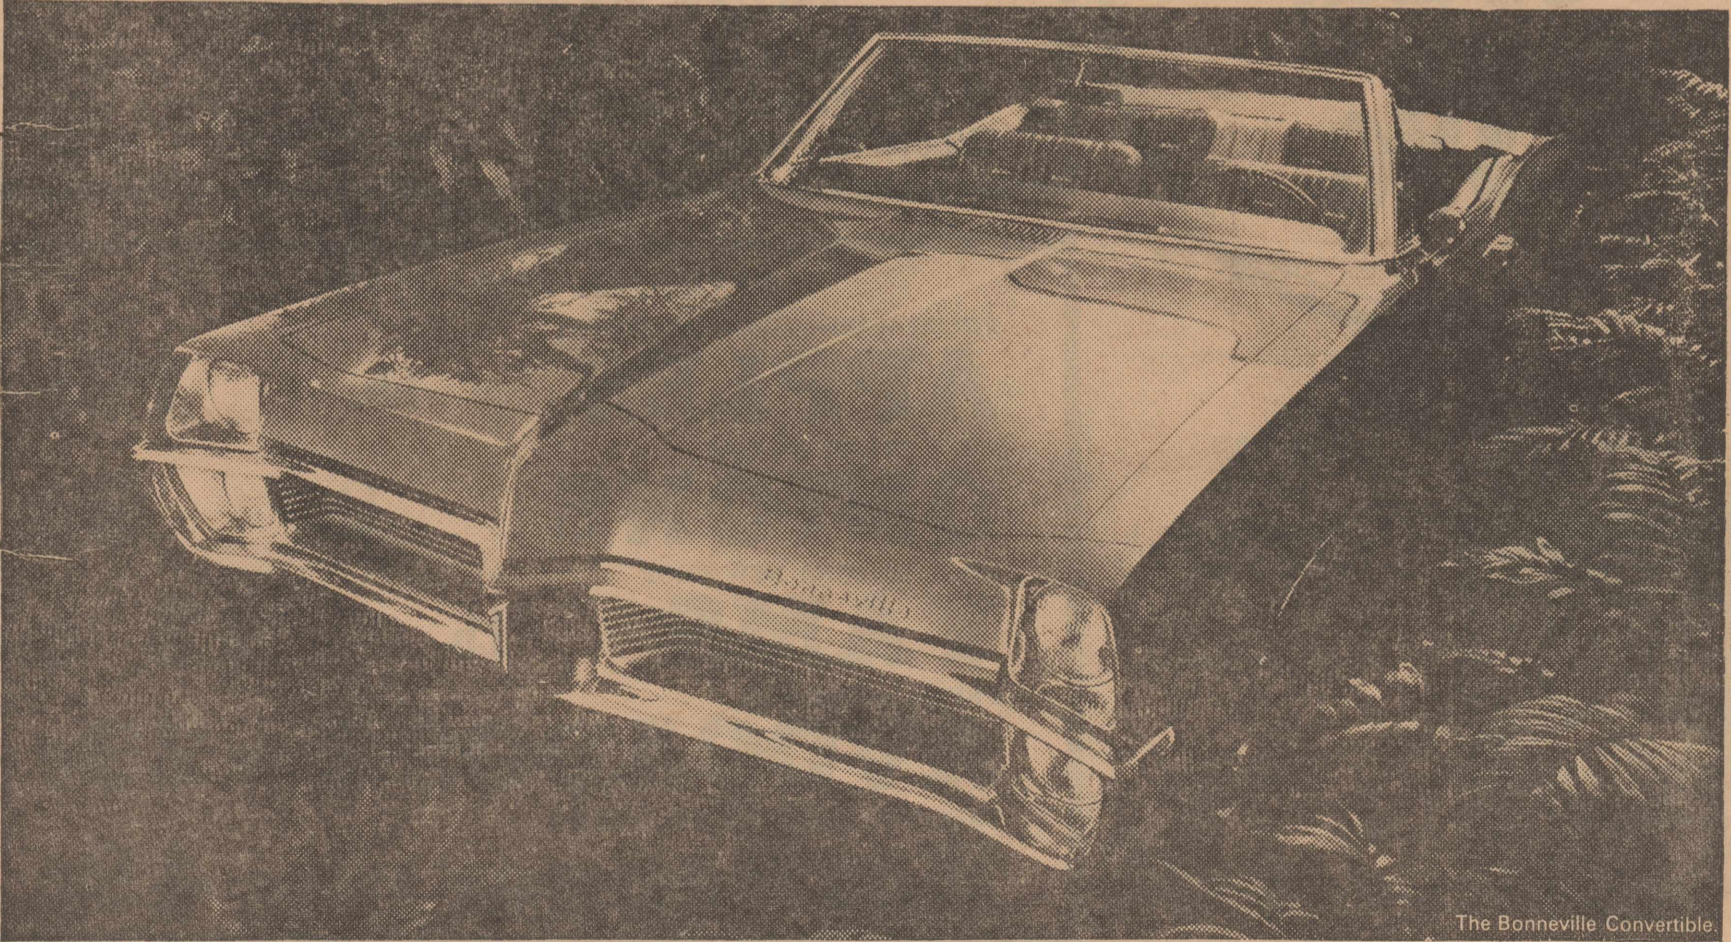

There are new 400 and 428 cubic inch V-8s. New safety features such as front seat belt retractors, a four-way traffic hazard flasher, folding front seat back latches and General Motors' new energy absorbing steering column.

Of course, all Pontiacs come with the road-hugging security of Wide-Track.

Six Distinct Car Lines for Chevrolet in 1967

Five 1967 Chevrolet models appear to be standing at attention as the CAMARO, newest member of the family, makes its introductory bow to the public (foreground, CAMARO Super Sport). While each Chevrolet model has distinctive styling motifs, the all new CAMARO features a new approach to the "long hood-short deck" design so successfully introduced to U.S. buyers by the Corvette. All Chevrolet-built passenger cars go on public display at dealers' September 29.

THE LION'S ROAR

PUBLISHED BY STUDENTS OF THE JOURNALISM DEPT.—OZONA HIGH SCHOOL

EDITORIAL

By Kay Kyle

With our homecoming this weekend, we all need to stop and think about our school spirit. Do we just back the Lions when we are winning or are we always loyal to OHS?

Everyone in high school needs to put forth his best effort to help the football team. Without the support of every student and teacher, the spirit will be lacking. People who write on signs and don't yell with the cheerleaders are the ones who cause the spirit to be low. Everyone should be proud of Ozona and show it by participating in every activity this weekend and the entire season!

Our football team is great and deserves the best backing — the entire student body of Ozona High.

NO PARKING, THERE'S NO ROOM

By Connie Bradford

In the 1920's the problem that the students of OHS face, wouldn't have been much of a problem. Today it has become a regular contest to find a parking place around Ozona High. The majority of the students have cars, or drive their parents cars, and with space for about 30 cars (at the most), it is a matter of first come first serve for a parking place.

School starts at 8:03 but by 7:45 there is usually not a vacant place to be seen. Pretty soon it will get to the point where students leave their cars parked at school all night and walk to school the next day.

At lunch time if a student is seen eating a sandwich in his car, it's probably not because he has a thing on picnic, he just wants to keep his parking place.

Students aren't supposed to park: 1. in front of the doctor's office; 2. in front of the library; 3. in Shell Oil Company's area; 4. in the teachers' parking places; 5. in any area marked in red; 6. where another car is parked.

The students sorta fudge though, and they usually average getting about three cars parked in restricted areas.

Parking is a big problem. There are however two solutions — start a taxi service or everyone buy Volkswagens so there will be room for more cars.

OHS GAINS NEW FRESHMAN ENGLISH TEACHERS

Mr. Ellis received his B. S. degree from Florence State, in Florence, Alabama, and his M. ED. from San Marcos. He has not always wanted to be a teacher. In his earlier years he despised school but later learned to appreciate education and now loves boys and girls. Mr. Ellis first started teaching school in 1956. He taught English, speech, dramatics, in Temple and Orange, Texas before he moved here.

Mr. Ellis and his wife Lois, have two sons David and Timothy.

When Mr. Ellis is not teaching, he likes to eat, sleep, and pester his little family. When asked what he thinks of Ozona he said, "It's a fine place — wonderfully hospitable." When asked if there was anything else he said, "Sure is a long way to 3rd floor from the teacher's lounge."

QUESTION OF THE WEEK

By Janie Edgerton

What do you find exciting about school this year? Jill A. — the bat room. Kay K. — all the handsome boys.

Coach Gerber — the fact that all the young hungry minds are dying to be fed. Hank — Nothing. Thomas — Pep Rallies. Oscar — Not very much. Judy B. — Law Suits.

Patricia W. — Cheerleading.

Chris — No Comment. Debra A. — Nothing. Buddy C. — Nothing. Tony C. — Girls. Brenda B. — me! Dan S. — Running from class to class. Joe Bob S. — Box collecting.

Pam T. — Freshman Day. Diana D. — Just being in High School.

12 NEW STUDENTS ENTER O. H. S.

By Kathy McAlister

This year there are 12 new student in Ozona High School. At this time we would like to recognize them and welcome them into the great and mighty "Lion" school.

There was only one senior to join the class of '67' this year. Jessie Villarreal enrolls in OHS from Sonora.

This year we have five new students. Judy Davee joins us from Beaumont. Coming from Coleman, is Terry Glen Dobbs. Terri Lynn Ferguson transfers to OHS from Eunice, Louisiana. Tommy Allen comes to us from Austin. Janet Fox rejoins us after having been ill last year.

Five new sophomore students enrolled in OHS for the '68-'69' school year. From Crane comes Jackie Ray Copeland. Alan Rodney Rutherford enters the class of '69' after going to school in Brady. Pamela Jane Thompson enters the Lion's World from Pratt, Kansas. Linda Villarreal comes from Sonora and Dennis Clark transferred from Colorado City.

The class of '70' had one student to join them this year. Brenda Copeland joins the freshmen "fish" class coming from Crane.

Again we would like to welcome you into our school, and hope you will enjoy and come to like it as much as we do. Welcome!

UNDER THE LIONS PAW

By Jill Applewhite

Jerri Lynn, what do you think about during 3rd period English class?

Diana D. what were you doing in the halls Wednesday?

Donna and Lynn left for Tech. Hope they have fun! Beto R. what do you do in your spare time, at night?

Wesley K. do you still have a red light bulb in your bedroom?

Was there a rash going around Tuesday? Seems that somebody in first period English class had caught it.

How come all the Seniors were dressed on Wednesday? Could it be Senior pictures?

How are the H. E. III and IV girls doing on their boundbutton holes?

Carolyn L how come you're so fast in shorthand?

Patsy W. is your drive-in speaker working well?

Betsy D. and Becky B. how do you like riding in convertibles?

Where were all the Freshmen girls Saturday night?

Mr. Fife did you have fun at the bull fight?

Lellee won't you be glad when this year is over?

Mr. Ellis, how's your TV reception?

Seems Rex had a lot of fun Saturday. What about it, Rex?

Beverly, what new word did you learn in English class?

Wonder why Connie and Jill want Friday to get here?

Wonder how many cops will turn out for the Bomb Fire.

Mahon, so glad to hear you were on a diet Friday night.

M. Pitts and D. Bland, did your laughing get the best of you Wednesday afternoon?

Congratulations go out to Jerri Lynn who is the new F. F. A. Sweetheart.

Who kept Mr. Sikes up Tuesday night trying to steal boxes?

Typewriter ribbons at the Stockman office.

NOTICE!

Sometime in the near future the students of OHS may have some problems which they don't know exactly how to solve. To help with these problems, Miss Blabby Egg-garten has generously volunteered to set up an answering service in OHS.

She will have a "problem box" in the office and anyone who has a problem they would like to have some help with, may write it down and put it in the box. The answers will appear in the Lion's Roar as soon as there are enough questions for an edition.

LIONS DEFEATED 13-0

Friday night the Ozona Lions traveled to Bronte where they were defeated 13-0. Several of the players were injured early in the game which handicapped the Lions on offense as well as defense.

During the first quarter, Ramos skirted around left

for 50 yards, and a Lion outdawn but it was called back due to penalties.

Kingore was outstanding on defense. Applewhite also showed some of his abilities Friday night.

The Ozona Lions will meet the Sonora Broncos, a traditional rival, tomorrow night.

PICTURES WILL BE TAKEN NEXT MON. AND TUES.

The photographer for the Provine Company of Houston will be in Ozona Schools on Monday and Tuesday, October 3 and 4 to take school pictures for the 1967 yearbook.

The following schedule will be followed: Monday, October 3, 8 til 12 North Elementary.

Tuesday, October 4-8-12, South Elementary.

Tuesday, 1-3, 3:30 — Junior High.

Please look your best, clean and neat, and wear dark or bright clothes since the pictures will be in color.

Onion, Skin Paper, at the Stockman office.

OZON IS THE NEW HOME OF MR. BOB WALLACE

Mr. Bob Wallace teaches Jr. High Shop and General Science in High School. He moved here from Silver, Texas, where he taught Jr. High Science and Shop.

He attended Sul Ross College where he majored in Industrial Arts. He planned on being a teacher when he first entered college. When he is not teaching, he is interested in any sports activity.

Mr. Wallace is married and has two children. His wife's name is Barbara and his children are Debbie and Richard.

Mr. Wallace likes Ozona fine. He enjoys it immensely.

HOMECOMING GAME SET FOR SEPTEMBER 30

By Esther Williams

Ozona's first district game has been set for homecoming. Friday night the Ozona Lions will corral the Sonora Broncos in the Ozona Lion football stadium marking the 1st district game.

This past week preparation has been made to make this possible. Inside of each student a certain amount of

school spirit has been building up. There will be a big "dancing party" tonite giving each a chance to express themselves. The winners of the box contest will be announced at this time.

Everyday this week the spirit stick has been given to the class with the most school spirit. At Friday's pep rally it will be awarded to the class who has won it the most. The winner will keep the spirit stick with him at all times eating, bathroom, sleeping, etc. The spirit stick is to be thought of as something sacred. It shall never touch the ground. When raised those seeing it should let out a sudden outburst for the Lions.

At Friday's pep rally the

winners of the car and sign contest will also be announced. Some of the teachers will judge the signs, but the cheerleaders will be judging the cars.

DECISION

There's a difference of opinion here. Both of these Little Leaguers stand ready to put up a good argument, even though it is a foregone conclusion that the "ump" is going to win. But when the game is over, differences will be forgotten and umpire and catcher will go down to the drug store together for a banana split.

In doing so, they will be reflecting something that is a basic part of our heritage — the ability to lose, without holding a grudge . . . the ability to yield.

These are qualities important not only to sportsmanship but to life. And this importance is stressed in the most powerful of terms again and again throughout the Bible.

Little Leaguers learn the rules of sportsmanship — and of life — in one way on the playing field and in another, deeper way when they attend church with their families on Sunday. Are you taking your Little Leaguer to Church?

THE CHURCH FOR ALL ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

For the past decade the cartridge industry has been in a great state of unrest. New cartridges have been introduced, some old favorites discarded. Armed services adopted a new military cartridge. But there have been several time-honored cartridges which have rocked right along. They continue to be best-sellers, despite all the fanfare accorded to their so-called replacements. The venerable .30-06 is one cartridge that has had its supremacy challenged. But it has successfully stood off all comers. Today it continues to be the best selling cartridge on the market. Quite a record for an ancient fellow that's almost 60 years old. Of course there has to be a reason for this august position on the cartridge list. And with the .30-06 there is

no mystery. It continues to sell and be used because it is one of the most versatile cartridges on the market. Texas deer hunters, for example, find it works quite well on local whitetails, and also does a good job on the bigger mule deer of Colorado, Utah and Wyoming. It will serve as an antelope weapon and even can be used to plunk jackrabbits or maybe woodchucks. It works equally well on the open prairies or in brush, at long ranges and short. Ever so often a cartridge is introduced that, according to the publicity, will "replace the .30-06." Latest to make this challenge, and closest to carrying it out, is the .308. It has replaced the .30-06 as our official U. S. military cartridge. But the .308 hasn't come close to overtaking the .30-06 yet, and perhaps it never

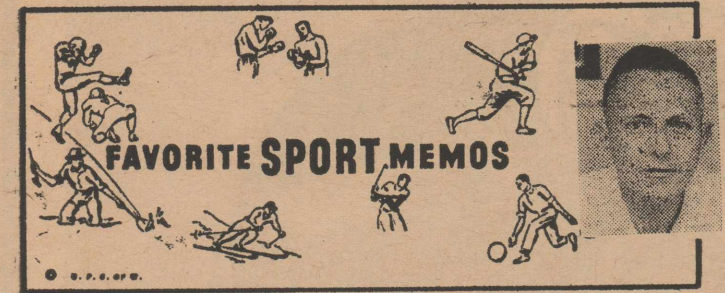

will. One cartridge that is stocked wherever ammunition is sold is the .30-06. You can go into the smallest town where a few boxes of ammo are collecting dust on the shelves of the general store, and sure enough, there it will be, in the most prominent spot. This is one reason why the .30-06 has been popular. Gunners know there never will be any problem obtaining ammo for it. History of the .30-06 dates back to 1903, although it wasn't officially named until 1906. During the Spanish-American war over Cuba, the United States forces used the .30-40 Krag. After the shooting was over, military men decided something more potent was needed. Result of this was the 1903 Springfield and the .30-06 cartridge chambered for it. But the results weren't entirely satisfactory. When the Germans far surpassed it with the Model 1905 version of their 8x57 military cartridge designers scoured back to their planning boards. From this experience came the Model 1906 rifle and the .30-06 cartridge. Actually, all that happened was the .30-03 cartridge had its neck shortened 1-10th of an inch; a 150-grain sharp-point bullet replaced the original 220-grain bullet; and velocity was jacked up to 2,700 feet-per-second. As a sporting cartridge the .30-06 got its biggest boost when Theodore Roosevelt took a slightly modified version of the rifle on a big-game hunt to Africa in 1910. Its biggest popularity came when the .30-06 was chambered for bolt-action rifles. But back in the early days Winchester even had a lever-action gun chambered for it, the Model 1895 being converted to take .30-06 ammo. For a long time hunters stayed with the 150-grain bullet, although the 220-grain bullet could be fired in the 1903 rifles. Then some 20 to 25 years after it was introduced, the .30-06 started to get a new look. Many new cartridges were designed for it, making the rifle more versatile. The 150-grain bullet was

supplemented with a 180-grain bullet. Then some better 220-grain bullets began showing up. For example the Western boattail, with just a bit of lead exposed at the tip, and the Remington delayed mushroom. After World War I there were some bolt-action guns available chambered for the .30-06, most of them imported from Europe. First American bolt-action gun chambered for it was the Newton, built in 1915. But it never really enjoyed success. Remington came out with its Model 30 Express for the .30-06 right after World War I, and in 1925 Winchester brought out its Model 54 in both .30-06 and .270. All along, the .30-06 had been the official military cartridge until the 1950's .308 was introduced. But even this official military sanction of another cartridge hasn't slowed down the sporting sales of the .30-06. Only other cartridge that has seriously challenged it down through the years has been the .270. But it never has quite caught up to the .30-06 in sales. Yes, that's quite a record for a cartridge that's some 60 years old.

Harold "Red" Grange is one of the most fabulous members of Football's Hall of Fame. His feats on the football field were fantastic. In 20 college games, he gained over two miles of ground. In one game against Michigan, he handled the ball 5 times in the first 12 minutes and made 4 touchdowns. In 1925, Sports promoter, Charley Pyle, got him to turn pro. He was paid by the game and the first year earned \$12,000. Next, he went on tour and earned \$100,000. In December, he played in New York to a crowd of 73,000, which at that time was a record, and earned \$35,000 for that day's game. So, in his first year of professional play, he earned a fortune of \$150,000 plus \$150,000 from movie and advertising endorsements. **Rutherford Motor Company**

The News Reel

A re-run of "The Ozona Story" as gleaned from the files of The Ozona Stockman

From The Stockman Sept. 30, 1937

With eighteen boys indicating enthusiastic interest in the program, organization of a 4H Club in this county may be perfected by the end of this week, it was announced yesterday by C. J. Van Zandt, Crockett County agricultural agent.

—29 years ago— Joe Tom Davidson and James Childress, both former Ozona High School football players, are both out for the Freshman team at Southern Methodist University in Dallas this year.

—29 years ago— A light and inexperienced Rankin High School team found the Ozona High Lions a bit too rugged here Saturday and emerged on the small end of an 18 to 7 count in the afternoon's encounter.

—29 years ago— W. J. Grimmer left yesterday for his home in Winfield, Iowa, after a visit here with relatives. Mrs. Grimmer and children remained on the Davidson Farm at Winfield while Mr. Grimmer was here on business and to visit.

—29 years ago— Rain, the most potent ton-

ic that the ranch industry knows, visited the livestock territory the past week-end in generous quantities, covering a wide section, much of which was beginning to feel the pinch of drouth. The fall ranged from an inch to better than three inches.

—29 years ago— Their backs to the wall, the Ozona-Sonora combination needing but one game to cop the Permian Basin championship, the Iraan Oilers dug in on their home lot Sunday afternoon to take both games of a double-header. The fifth and deciding game of the championship will be played in Sonora Sunday afternoon.

—29 years ago— Mrs. W. B. Robertson entertained the Friday Bridge Club at her home last week.

—29 years ago— Miss Mildred North was hostess to teachers of Ozona school at a Mexican supper served as her home Saturday evening. C. S. Denham and C. E. Nelson won prizes in the bingo games.

—29 years ago— Mr. and Mrs. Scott Peters were hosts to their contract club at their home Tuesday night. Mrs. Lee Childress and Dr. H. B. Tandy took high score prizes.

—29 years ago— Jane Augustine celebrated her seventh birthday Tuesday with a party to which she invited nearly sixty of

her little friends. Prize packages were given as favors and ice cream cones and cake were served.

—29 years ago— Six pound of CRISCO for \$1.09 at Williams Grocery also full quart pickles for 15 cent.

—29 years ago— The Ozona Woman's Club met Tuesday afternoon at the home of Mrs. W. R. Baggett with Mrs. B. B. Ingham as assistant hostess. Mrs. N. W. Graham and Mrs. George Bean conducted the English lesson and routine business was transacted.

—29 years ago— Mrs. Wayne West entertained with a luncheon complimenting her daughter, Mary Frances, on her birthday recently. A big birthday cake centered the table. Guest included Eloise Carson, Crystelle Carson, Mary Louise, Harvick, Mary Alyce Smith, Billy Jo West, Betty Lou Coates, Catherine Childress, Doris Bunger, Posey Baggett, Adelia Willis, Miss Mildred North and the honoree.

Mrs. R. A. Harrell Named Member Of Methodist Council

San Antonio — Dr. J. Barcus Moore, pastor of St. Andrew's Methodist Church, San Antonio, has been elected chairman of the conference council of the South-west Texas Conference of the Methodist Church.

Dr. Moore succeeds the late Dr. Ennis B. Hill as chairman of the council. Dr. Hill, pastor of Laurel Heights Methodist Church, died several weeks ago. Dr. Moore had been vice-chairman of the council.

The Rev. C. Jordan Mann, pastor of Tarrytown Methodist Church in Austin, has been elected to the vice-chairmanship vacated by Dr. Moore, and Mrs. Stanley Etter of San Antonio has been elected secretary. The Rev. James E. Ferguson, San Antonio, continues as treasurer.

In addition to the changes brought about by the death of Dr. Hill, the council has added 12 new members as the result of a revision of the constitution of the conference council voted at the 1966 annual conference meeting in Dallas this summer.

The constitutional revision authorized the addition of two laymen from each of the six districts in the conference. They are announced as follows.

Mrs. Etter, the conference council secretary, San Antonio; Gene Vivrouz, Seguin; William B. Warner, San Angelo; Mrs. Alvin Harrell, Ozona; Wendell Phillips, Marble Falls; Mrs. Paul Pope, Hondo; George Byfield, McAllen; Fred Erck, Alice; Judge Tom Reavley, Austin; Howard Urbantke, Austin; G. G. Somers, Corpus Christi; and Mrs. Edward Shinn, Victoria.

There are some 300 churches in the conference and some 120,000 members in 110 counties.

Dr. Jelks To Do Archaeological Artifacts Salvage

A \$49,000 research contract for continuation of archeological salvage projects at two reservoirs and the start of such work at a third has been awarded to a member of Southern Methodist University's faculty.

The contract is the second to be given by the National Park Service to Dr. Edward B. Jelks, associate professor of anthropology at SMU, for the salvaging of archaeological and historical artifacts from areas of the state being covered by the waters of man-made lakes.

The earlier contract financed excavations at the Toledo Bend Reservoir, which eventually will cover a 100-mile span of the Sabine River along the Texas-Louisiana border, and at the Forney Reservoir east of Dallas.

The new contract will finance a continuation of those two projects and the start of salvage work at three prehistoric sites at the Pat Mayse Reservoir in the East Texas county of Lamar.

Dr. Jelks, who holds a Ph.D. and two other degrees from the University of Texas, served with the National Park Service from 1953 to 1958, and participated in the restoration projects of Jamestown and Yorktown. He currently is working under the sponsorship of the Canadian government in the investigation of historical sites at Signal Hill National Historic Park in Newfoundland.

Working under state and local sponsorship, he also is working to help plan the restoration of Fort Lancaster, Texas, in West Crockett County.

Mr. and Mrs. T. A. Kincaid, Jr., were brief visitors to Ozona last week. They were here to work sheep on their ranch south of Ozona. Mr. Kincaid operates an irrigated grass farm near LaVernia.

Recipe of the Week From Kitty's Kitchen

Chocolate-Marshmallow Ice Box Pie

20 marshmallows
1/2 cup milk
3 plain Hersheys
1 cup whipping cream
Melt 20 large marshmallows in 1/2 cup milk over low heat. Add Hershey bars, mix well and let cool. Whip 1 cup cream until stiff, fold into chocolate mixture. Pour into chilled graham cracker shell. Sprinkle with chopped pecans or top with sweetened whipped cream.

This is one of my favorite recipes I lost several years ago, and just happened to find it in a cook-book loaned to me by my neighbor, Georgia Kirby.

Another delicious chocolate pie recipe follows.

Chocolate Chess Pie

2 c. sugar
1 tbs. flour
1 tbs. meal
1/4 cup cocoa
4 eggs
1 c. milk
1 tsp. vanilla
1 c. chopped pecans
1/4 cup melted butter
Mix and pour into unbaked pie shell and bake 1 hour in preheated 340 degree oven.

BEALL COMPLETES COAST GUARD STINT

Yorktown, VA. — Seaman Ronald E. Beall, USCGR, son of Mr. and Mrs. Pink Beall of Ozona, Texas, was graduated from the Dangerous Cargo Handling School at the Coast Guard Reserve Training Center in Yorktown, Va.

He attended the school for his two-week annual active duty. While at school, he studied the safe ways to load and unload ships carrying explosives and other hazardous cargo. The course also included practices in operating winches, adjusting booms stowing cargo and fighting fires. Students also study the federal regulations governing the handling of dangerous cargo.

Mrs. J. M. Baggett has returned from Floydada where she visited with relatives.

(Continued from Page One)
 against Ozona put the Eagles right on the goal line, but the Cub defense held and the game ended without a score for the Eldorado team.

Montgomery passed 11 times and completed 7.

In the second game the Lions received and drove downfield for two first downs when Eldorado's Wayne Doyle intercepted a Lions pass. The Lions held the Eagles on downs. A short kick to the Eldorado 38 yd. line set up the Lions for their first score and Carlos Sanchez hit paydirt on a wide sweep off left end. The kick for the extra point failed and the first quarter ended with the Lions ahead 6-0.

Eldorado scored in the second quarter when the Eagles' Page connected with Page for a short pass and he ran 81 yards for the touchdown. The kick for the extra point was no good and it was a tie ballgame.

Huff completed a pass to Beto Vargas and he was stopped at the Eagle 5 yard line. Fullback Conners powered in for the touchdown. The kick was no good for the extra point and at halftime Ozona was ahead 12-6.

In the third quarter Sanchez intercepted an Eagle pass on the 50 yd. line and behind splendid blocking ran all the way for another Lion touchdown. A pass for the

2 points was no good. Ozona held the Eagles in the fourth quarter and took over on the Eagles 45. A pass from David Huff to Vargas set the Lions up to score from the Eagles' 20 yard line. Huff passed to Vargas for five more yards and passed to Donald for 15 yards and a Lion touchdown. Danny Maness received a Huff pass in the end zone for the extra 2 points, giving the victory to the Lions 26-6.

Some five defensive playing on the part of the Lions' Vargas, Tommy Jenkins, Conners, Donald Rowen, Fred Chandler and Terry Lindsey was a big factor in holding the Eagles to one touchdown.

Starting line-up for the Cubs included Jim Montgomery, qb; David Pagan, hb; Gregory Stuaart, hb; Phillip Perner, fb; Cuatro Davidson, end; Chuck Womack, end; Ray Tambunga, tackle; Curtis Weant, tackle; Fred Deaton, gd; Jim Bob Bailey, guard, and Tom Davidson, center. Chick Womack coaches the Cubs along with Grosse Mohler, assistant coach.

Line-up and coaches for the Lions B may be found on the Football page, weekly.

League Observes Federation Day

The Ozona Woman's League met Tuesday, Sept. 27, at the Civic Center to observe Federation Day. Hostesses were Mrs. Ronald Pennington and Miss Loretta White.

Mrs. H. M. Phillips, Jr., president, presided and informed members of the State Board meeting to be held in Austin at the Terrace Motor Hotel on October 3-5. She said all club members would be welcome to attend all sessions.

PLAN WEDDING — Mr. and Mrs. George C. Brown of 7631 Vista Verde in Houston are the bride and groom.

Bill is a graduate of Ozona High School and the University of Texas, where he was a member of the Texas Longhorn Band. He is presently employed as an accountant with Gulf & Western Industries, Inc. He is a member of the Army Reserve.

The couple will be married on November 20 at Epworth Methodist Church in Houston.

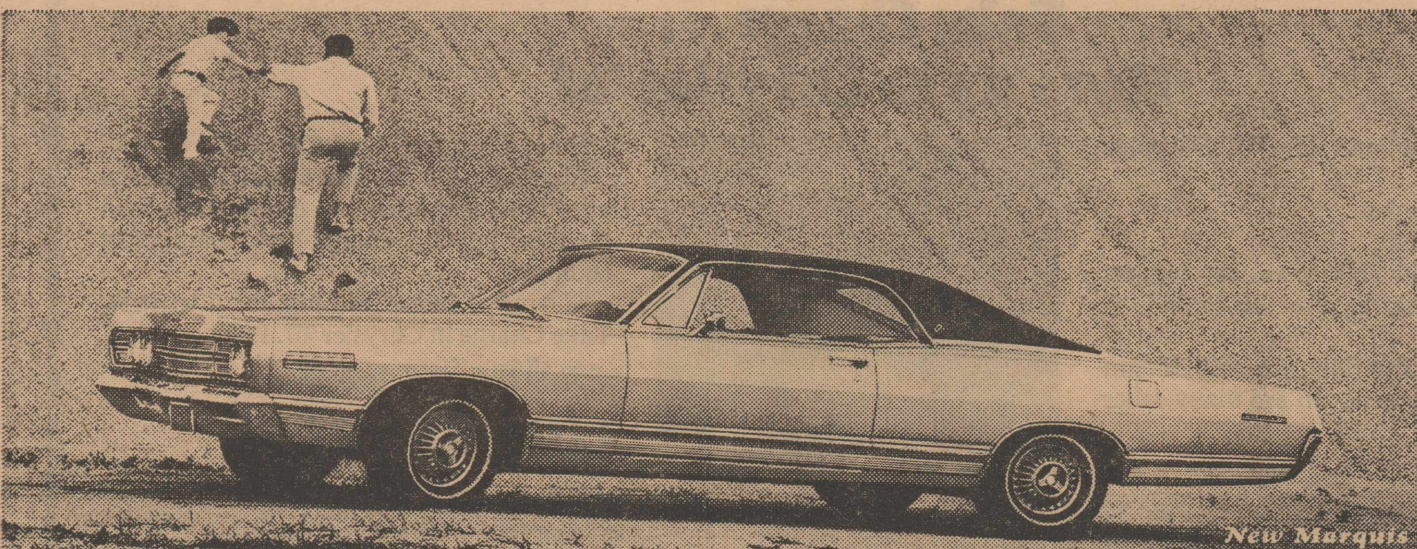

The bride-elect is a native of Houston and attended the University of Houston.

Mrs. Tom Mitchell introduced the program. Mrs. Joe Bean gave the story of the Collect. The second part of the program was a playlet entitled "On the Parliamentary Beam", a comedy skit in which club members took part. Included in the cast were Mrs. Bill Black, Mrs. Lawrence Scott, Mrs. Geo. Bunker, Mrs. Perry Hubbard, Mrs. Sam Fitzhugh, Mrs. Roy Coates, Mrs. Ron Murdock and Mrs. Bean.

Other members present were Mrs. Bob Childress, Mrs. Joe Couch, Mrs. Buster Deaton, Mrs. Jim Dudley, Mrs. H. O. Hoover, Mrs. Jess C. Marley, Mrs. Bruce Mayfield, Mrs. Mike Miller, Miss Katrina Hardburger and Miss Fern Mikeska.

A man expects a lot from his car. Good looks that are a constant source of pride. Performance that won't let him down. A quiet, authoritative ride. Integrity of workmanship. Unique features that add to the joy of driving. A car that pampers and protects the ones he loves. It takes a lot of car to satisfy a man. Mercury does it... 28 different ways!

Introducing the all-new '67 Mercury... the Man's Car!

Completely new! Mercury Marquis! A man's kind of luxury!

A man expects a lot from his car. This entirely new top-of-the-line Marquis gives it to him. Prime examples:
