Friona Here For Homecoming

Schools To Dismiss For Lubbock Fair

Approval was given at the monthly meeting of the Muleshoe Independent School for early dismissal of school on Monday, September 28. Schools will be dismissed at 2:15 p.m. to give parents and students who wish, the opportunity to attend the Lubbock Fair on School Day.

Excused absences will be

around

muleshoe

with the journal staff

Approximately 50 planes will land at the Muleshoe Airport on Tuesday, October 6 around 11 a.m. for a coffee stop.

The plans are with the All-Texas Air Tour and some two to four people will be on each plane and be at the airport for approximately 40 minutes.

A red coat delegation is planned to meet the tour.

The women of the Muleshoe Country Club announced that their club tournament is in progress until October 11. The entry fee for the handicap tournament consisting of three 18-hole rounds will be five dollars.

Mr. and Mrs. Harvey Bass visited last weekend in Dallas with their daughter, Mr. and Mrs. Ronnie Johnson.

Their other daughter, Vina, is at home this weekend from Texas Tech.

The Bernis Camp family was in Winters (Tex.) Sunday for the funeral of Mrs. Camp's brother, W.P. McFarland.

McFarland died at his home in San Angelo on Friday, September 18.

Mrs. Don Rempe entered Lubbock Methodist Hospital Monday and had back surgery Tuesday morning.

New residents of Muleshoe are Mr. and Mrs. Dan Cornett who are residing at the old home of the T.L. Kent family on Route 2, Muleshoe. The Cornetts are recent graduates of Texas Tech University. Cornett has a masters degree in Animal Nutrition and is employed by Bovina Feeders. His wife, Caroline, has a B.S. in Animal Science.

Chamber Manager At Industry Meet

Muleshoe Chamber of Commerce Manager Jerry Hutton attended a meeting of the Texas Industrial Commission in College Station last Thursday and Friday. Hutton commented, "It was a good meeting and it made me feel better about our situation in Muleshoe. Several people commented on the good industry commission team in Muleshoe and added that it looked good for Muleshoe to get industry in the future."

He was among the 305 Texans who registered for the meeting and attended several workshops and informational sessions. Hutton attended the meeting after being sponsored by the Muleshoe Area Industrial Foundation.

According to the chamber manager, the civic leaders and industrial commissions represented during the two-day meet, got an up-to-date look at the progress made by industry in moving to Texas locations.

He said the Texas Industrial Commission and Southwestern Public Service Company personnel complimented Muleshoe on their Muleshoe Area Industrial Foundation and Chairman Harmon Elliott. He said the industrial teams in Muleshoe rated higher than many other towns in the area, both of com-

parable size and larger.

Pollution consumed much of the discussion during the meeting. Several officials, said Hutton, said that there tended to be an over-emphasis placed on pollution. He said the Houston Ship Channel had spent more than \$1 million cleaning up the channel and that new national pollution standards are being worked out at this time. The auto industry is expected to be given until approximately 1975 to drastically reduce pollution from motor vehicles, stated the chamber manager.

The Small Business Administration discussed how they are loaning funds for industrial development and said that 82 percent of new industry in Texas is not on a sale basis, but through a lease agreement with the developer.

SBA also told of new programs which are being set up or in the planning stage to induce industry to move to Texas.

Vocational training and the increase in such training also was discussed during the meeting. Hutton said that, in the past, all the state money was spent on 20 percent of the kids and now vocational training is expanding the percentage of

Cont'd., on Page 3, Col. 7

FA Booster Club Schedules Meet

The Muleshoe Fine Arts Booster Club will hold a meeting on Monday, September 28 at 8 p.m. in the Muleshoe High School Band Hall.

Publicity Chairman Mrs. Herbert Griffiths said parents of all students in junior high and high school who have students in any of the school fine arts departments are urged to attend the meeting.

She said that during the meeting the Fine Arts Boosters will be making plans for the Halloween Carnival and discuss a number of other important subjects.

Freak Accident Claims Life Of Local Resident

A freak accident on the D.L. Redwine farm six miles northwest of Muleshoe took the life of a 21-year old farm laborer Tuesday afternoon. He was Roberto Gonzales.

Investigating officer Gene Simmore said Valente Jurado of Muleshoe was backing a grain truck into a garage on the farm when Gonzales stepped into the garage through a back door and was crushed between the grain truck and a bolt bin in the garage.

Gonzales died minutes after he was taken to West Plains Memorial Hospital in Muleshoe. Funeral services are pending.

Cont'd., on Page 3, Col. 8

Candidate Bush To Be Honored In Plainview

Mrs. John J. Kirchhoff, area campaign manager for George Bush, candidate for the United States Senate, has announced that a hamburger supper will be held honoring Bush in Plainview on October 3.

Cont'd., on Page 3, Col. 7

THRILL TIMES RIDES OFFERING NEWEST THRILLER--Thrill Times Rides, a carnival which is in Muleshoe for the second time this year, sponsored by the Businessmen Activities Committee of the Chamber of Commerce, has a ride just three weeks old and is pictured here. The ride is the Round-up, and it proved to be quite an attraction at the carnival this week.

Bonds Forfeited For Two Persons

When 154th District Court convened Monday, District Judge Pat Boone called for two defendants who did not appear in court. He forfeited bonds for John Mock, who is charged with theft and a woman from Brownfield, Bobby Black, who is also charged with theft.

The case of Kevin Bond, charged with burglary, was dismissed.

Marie Ansley, who had been charged, along with Mrs. Black, will not be tried, as she is presently serving a term in the penitentiary.

Freak Accident Claims Life Of Local Resident

A freak accident on the D.L. Redwine farm six miles northwest of Muleshoe took the life of a 21-year old farm laborer Tuesday afternoon. He was Roberto Gonzales.

Investigating officer Gene Simmore said Valente Jurado of Muleshoe was backing a grain truck into a garage on the farm when Gonzales stepped into the garage through a back door and was crushed between the grain truck and a bolt bin in the garage.

Gonzales died minutes after he was taken to West Plains Memorial Hospital in Muleshoe. Funeral services are pending.

Mrs. John J. Kirchhoff, area campaign manager for George Bush, candidate for the United States Senate, has announced that a hamburger supper will be held honoring Bush in Plainview on October 3.

Cont'd., on Page 3, Col. 7

Knowles Opening Furniture Store

Jack Knowles announces he will open a furniture store at 322 Main Street in Muleshoe. The location is where Perry Brothers Variety Store was formerly located. The store is to open within the next two weeks, said Knowles and will be called Muleshoe Furniture.

Knowles, who has held auctions throughout the state, has been in the auction business in Muleshoe for the past six years. He plans to continue his auction service.

Football Contest

With a complete switch-about this week, none of last week's winners placed in the weekly 'Back The Mules' football contest.

The new set of winners included Ronald K. Ivy, who missed the Nebraska-Southern Cal tie game and was 29 points off on the runaway Lazbuddie-Tatum, N.M. tiebreaker game. He was 30 points off on the tiebreaker game. He was first in the contest, Young David McVicker, who showed up in the winner column last year in the contest, was second. He also missed the tie game and was 44 points off on the tiebreaker score. Third place winner Kenneth Henry missed the tie game and the Boston College-Villanova game. He was 30 points off on the tiebreaker game.

No one accurately predicted the Nebraska-Southern Cal game and most contestants missed the tiebreaker score by high numbers. Several of the entries missed only two games, but the nearest tiebreaker scores to Henry's 30 points were 36 points and above.

Only one of the numerous entries received predicted that Tatum would win the tiebreaker game, although most of the contestants were predicting a much closer score than the 64-6 which was racked up by Coach Pat Casey's Longhorns.

Contestants are again reminded of the simple entry rules. All entries were received by the 5 p.m. Friday deadline this week, but two new problems cropped up in the entries. One had no name or address and the other contestant failed to put an estimated tiebreaker score. Both entries were dis-

qualified. For persons who might have a question about the weekly contest, you are invited to call or come by at any time. The entries received each week are kept intact until the end of the football season. No entries are destroyed until the Cotton Bowl winner is decided following the final contest for the year.

The grand prize winner at the end of the football season will be

Cont'd., on Page 3, Col. 8

Rotarians Plan Lubbock Trip For Meeting

Guy Walden and Alex Williams' brother, J.D. Williams were special guests at the Tuesday meeting of the Muleshoe Rotary Club.

It was revealed at the meeting that the Rotary Club will share 50 percent of all sales on 'Back The Mules' stickers sold at football games with the Muleshoe Athletic Booster Club.

John Crow was in charge of the program and presented Muleshoe School Superintendent Neal Dillman who gave a report on the school financial budget for 1970-71.

On Tuesday, September 29, Rotary members will leave from the Muleshoe Chamber of Commerce office at 4:30 p.m. for the Annual Intercity Meeting at Lubbock.

Charles A. Bucks, senior vice president for Continental Airlines will be special guest speaker.

Homecoming Queen Candidates Named

Muleshoe's Mighty Mules will clash with the Friona Chieftans at Homecoming in Benny Douglass Stadium Friday night. Although the Mules have yet to win a game, halfback Bobby Hayes leads 1-AAA scoring with 20 points. He has been credited with three touchdowns and two points on conversion. He made one touchdown in the Muleshoe-Dimmitt game which opened the season and two touchdowns and two points on conversion in the Muleshoe-Oilton game last Friday night.

School officials said no other player in the 1-AAA district has accumulated this many points during this season.

It is quite evident to all persons who have attended the two opening games that the Muleshoe Mules are staging a fantastic comeback following last year's disastrous season. In 1969, the Muleshoe-Dimmitt score was 50-0 and the score this year was 22-8. In 1969, the Muleshoe-Oilton score was 40-0 and this year it was 21-14.

Friona is a new team for the Mules to take on, but the Friona Chieftans have racked up a good season at this stage in the game. They defeated their first rival Farwell with a score of 27-16 and downed Bovina the following week, 27-7. Averaging four touchdowns per game, the Friona Chieftans will be a team to watch during the home-

coming game.

Starting out as underdogs themselves this young season, Friona has proven the oddsmakers to be far wrong as they have won their two openers with respectable scores.

Muleshoe's Mules will not be easy on the field as their 1969 season has prepared them to play hard and play to win. Athletic Director Fred Hedgecock said his team is showing marked improvement and the good crowds at the two prior games have helped the spirit of the team.

A big pep rally will precede the game on Thursday night. Muleshoe High School Principal Fred Mardis said that the pep rally parade will begin immediately following the 5:30 p.m. Sophomore game Thursday.

The band, various school clubs and football players will meet on the high school parking lot. They will march east on Avenue G to the hospital, Cont'd., on Page 3, Col. 8

Richland Hills P-TA To Serve Barbecue Supper

Proceeding the first home game for the Muleshoe Mules, the Richland Hills P-TA will serve a barbecue chicken supper in the Muleshoe High School Cafeteria. They will serve before the Muleshoe-Friona homecoming game Friday night.

Serving time will be from 5:30-7:30 p.m. and tickets are available for \$1.25 per person. On the menu will be barbecue chicken, potato salad, beans, cherry cobbler, coffee, tea and rolls.

All proceeds will be used for P-TA projects.

Booster Club Serving Coffee Following Game

The Muleshoe Athletic Booster Club will serve coffee immediately following the Muleshoe-Friona homecoming game Friday night.

The free coffee and spudnuts will be served to all exes, athletes and supporters of the Muleshoe School athletic teams. Anyone interested in school sports is encouraged to attend the aftergame coffee in the Muleshoe High School Cafeteria.

Athletic Boosters and fans are reminded also of the regular meeting of the Muleshoe Athletic Booster Club in the Muleshoe High School Cafeteria at 7 p.m. Monday night. Homemade ice cream will be served following the meeting.

Stolen Pickup Found Wrecked Tuesday Noon

A 1969 GMC pickup which was reported stolen Sunday morning was found at noon Tuesday, wrecked and abandoned.

Phil Garrett, a farmer in the West Camp community, reported to the Bailey County Law Enforcement Center that he had found the pickup. It was located about one-half mile east of the West Camp Grocery.

Investigating officer Gene Simmore found that it was the same pickup which Francisco Villanueva of Edinburg had reported as stolen.

Villanueva said he had left the pickup parked near a laundry on Main Street around 9:30 p.m. Saturday night and left the keys in it. He added that when he returned Sunday around 4:30 a.m. it was gone.

In the back of the pickup was a 135 gallon diesel tank and approximately \$700 in tools. Villanueva is a custom combine operator from Edinburg working in this area.

Officers are continuing their investigation of the theft.

Rotarians Plan Lubbock Trip For Meeting

Guy Walden and Alex Williams' brother, J.D. Williams were special guests at the Tuesday meeting of the Muleshoe Rotary Club.

It was revealed at the meeting that the Rotary Club will share 50 percent of all sales on 'Back The Mules' stickers sold at football games with the Muleshoe Athletic Booster Club.

John Crow was in charge of the program and presented Muleshoe School Superintendent Neal Dillman who gave a report on the school financial budget for 1970-71.

On Tuesday, September 29, Rotary members will leave from the Muleshoe Chamber of Commerce office at 4:30 p.m. for the Annual Intercity Meeting at Lubbock.

Charles A. Bucks, senior vice president for Continental Airlines will be special guest speaker.

JUNIOR TWIRLERS IN A PRETTY POSE--The Muleshoe Junior High School band twirlers strike a pretty pose for the camera as they go through their paces. The junior twirlers, from left, Ginger Johnson, Ellen Shafer and Debbie Dunbar, are helping the junior high school band in the annual magazine and newspaper subscription sale. Junior High Bandmaster Bob Badger urges everyone to purchase their magazine and Journal subscriptions from the members. Junior high proceeds will be used to help purchase uniforms for the junior high band.

PINT SIZED SPACE AGENTS--Noe and Jesse Navarette of Muleshoe swing around in one of the space ships at Thrill Times Rides, the carnival which is in Muleshoe this week. The youngsters are just two of many who packed the carnival Monday night.

Tuesday, September 29 will be a big day in Lubbock for High Plains cotton producers, allied businessmen and their ladies. Item -- The Fourteenth Annual Meeting of Plains Cotton Growers, Inc., the area's 25 county, 25,000 member cotton producer organization, will be held from 9:30 to 11:30 a.m. in Lubbock Municipal Auditorium on the campus of Texas Tech University.

Item -- The PCG Board of Directors will meet at 11:30 a.m. to elect officers for the 1970-71 year.

Item -- PCG will host a luncheon and program for the ladies attending its annual meeting, including members of 12 area women cotton promotion clubs from Noon to 2:30 p.m. in the Student Union Building, Tech campus.

Item -- Cotton Producers Institute will hold a "Leadership Conference," at which lunch will be served, from Noon to 2:30 p.m. in Red Raider Convention Center, Lubbock.

Theme for the PCG Annual Meeting will be "Looking Today at Cotton's Tomorrow," with two noted speakers on the program, Charles G. Scruggs, "Action Editor" of Progressive Farmer Magazine, is expected to issue a stern challenge to High Plains cotton people. Title of his address will be "Run With The Ball -- Or Get Out Of The Game."

Scruggs will be followed on the program by J. Dukes Wooters, newly appointed executive vice president and general manager of Cotton Producers Institute, who will speak on "The Forward Look For Cotton." CPI is the national organization carrying out a \$10 million a year, producer-financed program of consumer and technical research and market development for cotton.

Wooters came to CPI in June of this year from the top echelon merchandising staff of Readers Digest, and since that time has stimulated considerable new thinking within the industry. PCG Executive Vice President Donald Johnson said "Coming as he does from outside the cotton industry, Mr. Wooters has some refreshing and encouraging ideas about cotton product development and merchandising, and it will be well worth our time to get better acquainted with those ideas."

The PCG Board will meet immediately after adjournment of the membership meeting to elect officers for the 1970-71 year. Current officers are Donnell Echols of Lamesa, president; Ray Joe Riley of Hart, vice president, and Paul Bennett of Littlefield, secretary-treasurer. All are eligible for re-election.

The luncheon for the ladies at the Student Union Building will feature a three part program. Mrs. Meda Johnson, internationally known textiles author and lecturer, will give a presentation titled "Methods of Applying Design to Cotton Fabrics." Miss Lawanna Walker, Home Economist with the National Cotton Council, will do a fabric fashion bit called "Fall In With Cotton." And a foods demonstration, emphasizing the utilization of cottonseed flour in food for human consumption, will be given by Mrs. Margarette Hardin, Instructor and Research Associate with the Foods and Nutrition Department at Texas Tech.

Door prizes will be given at both the PCG Annual Meeting and the ladies luncheon.

The CPI meeting will cover a broad outline of that organization's past, current and plan-

ned activities in building cotton markets. Mr. Wooters will be joined in his part on the CPI program by various members of the CPI and National Council staffs.

These functions related directly to cotton will conclude by about 2:30 p.m., leaving time for those who are so inclined to attend the Panhandle-South Plains Fair.

Disappearance of cotton in the United States declined in 1969-70 for the third consecutive year, but USDA projections indicate slightly improved prospects for 1970-71.

Although exports for the cotton marketing year just passed, at 2,768,000 bales, were slightly above the 1968-69 total of 2,731,000, domestic consumption fell to a 21-year low of 8.0 million bales to bring total consumption down to less than 10.8 million. Domestic and export consumption for 1968-69 came to just over 11 million bales.

According to USDA's latest figures, U.S. cotton disappearance for 1970-71 could reach 11 to 11.5 million bales. The U.S. export outlook appears brighter in view of a little larger supply of cotton available for export from this country, larger prospective worldwide cotton use, and smaller supplies of cotton available for export from foreign free world countries.

On the domestic front an anticipated recovery in general economic activity is expected to aid U.S. mill consumption of cotton to some extent, but domestic consumption still is expected to exceed only slightly the 8.0 million bales of 1969-70.

Use of cotton in the foreign free world in 1970-71 may exceed production by a wider margin than last season. Beginning stocks are smaller and production is now expected to trail last year's 25.3 million bales, while consumption may increase slightly to a little over 27 million. This should favor some increase in U.S. cotton exports, hopefully to between 3 and 3.5 million bales.

Several factors reduced U.S. mill demand for cotton last season. Smaller military needs, down the equivalent of about 75,000 bales of raw cotton, and a continuing high level of textile imports were partly responsible. A slowdown in general economic activity also meant reduced demand for many textile fiber products. And it all-time goes without saying that competition from man-made fibers remained at a high level. Consumption of non-cellulosic stable fibers more than cancelled any gain cotton might have made from a lower use trend in rayon and acetate fibers.

Price Meets With North Viet Deputy

On September 11th I met in Paris for one hour and forty minutes with NGUYEN MINH VY, Deputy Chief of the North Vietnamese delegation at the Paris Peace Talks, for the purpose of exploring possibilities for peace in Southeast Asia.

The North Vietnamese negotiator was firm in his position that it is the United States who is the aggressor in Vietnam, and that American troops must be withdrawn before peace could be achieved. I, in turn hammered home several points in the clearest terms: First, the United States is fighting in Vietnam to preserve the freedoms of the Vietnamese people and to enable them to choose their own form of government free from outside influences. Second, President Nixon, the Congress, and the American people will not accept anything less than an honorable resolution to the conflict. Third, a standstill cease-fire agreement would provide an excellent basis on which to revitalize the Paris Peace Talks. Fourth, unless the North Vietnamese soon indicated thought, word and deed that they were interested in seeking a peaceful solution to the war, the nations of the world would become convinced that North Vietnam was using the Paris talks merely as a propaganda forum rather than a negotiating base.

Much of my remarks centered on the Prisoner of War issue. I have introduced legislation on the subject, written letters, held meetings, and explored every path open to me in this country, and I hoped that by personally confronting the North Vietnamese with the issue I could achieve an understanding which could lead to the better treatment and earlier release of our captured countrymen.

The North Vietnamese representative advised me there are a number of Americans who

have been captured, but that they are being humanely treated by their captors and are allowed to correspond with their families.

I questioned the accuracy of his statements in an uncertain terms and offered to go to Hanoi and personally verify the conditions of imprisonment. I also informed him the North Vietnamese were very ill-advised to deal with what the American people considered kooks and social outcasts on the prisoners of war issue and that if they were truly interested in resolving this matter they should try dealing with representatives of the American people such as myself.

On that note I asked him specifically about information concerning five men flew combat with in Korea. All that is known about them is that three are confirmed prisoners and two are listed as missing in action. While he did not promise any information about the five, he took their names and other information regarding the men that I have prepared in advance of the meeting.

At the conclusion of the meeting I informed NGUYEN MINH VY that if he were interested in exploring the matter of my going to Hanoi I would hope to communicate with him further and that I would even consider the possibility of returning to Paris for a second meeting.

Looking back on the meeting, it is difficult to determine precisely what gains, if any, were made. The North Vietnamese, although extremely cordial and polite, are very tough, unyielding negotiators. Accordingly, I

feel compelled to pursue this faint possibility with good faith. It may prove to be but another blind alley, but then again, it may prove to be the crack in their resistance to our peace overtures. In this connection, I cannot help but feel encouraged by the fact that the latest proposals put forth at the Paris talks by the North Vietnamese contain certain similarities to several of the points I had stressed so vigorously at my meeting with VY the week before. The tone if not the substance of the proposals were much less harsh than any the Communists have dropped on the conference table for some time. For the first time a cease-fire has been mentioned in explicit terms. And, the Communists indicated they would be willing to begin immediate negotiation of the release of prisoners if the U. S. would agree to withdraw all its troops by June 30, 1971.

While these proposals are not acceptable in their present form, it must be noted that the Communists seem to have relaxed somewhat their previously totally inflexible positions. Perhaps my efforts were not completely in vain.

Dear Editor:

Dear Editor: Recently I attended the "Citizenship Seminar" in Waco sponsored by the Farm Bureau. At the Seminar my life came to an abrupt stop and I took a long look at myself, my friends and my country.

There is a great danger in America today. I became a great advocate of Americanism at the Seminar and rightly so. Look at the people who opened my eyes: Mr. Cleon Skousen, author of "The Naked Communist", former F.B.I. agent, lawyer, and educator; Dr. Clifton Ganus, president of Harding College, Searcy, Arkansas; Richard Perigo, executive director "Help is Possible", Dallas, Texas; Dr. C.L. Kay, assistant president, Lubbock Christian College, Lubbock, Texas; and Mr. John Noble, author of "I Found God in the Soviet Union" and "I Was a Slave in Russia", lecturer and Russian prisoner for nine and one-half years. These are my references along with others. All that I say is true and has been proven.

People are asking more and more today questions such as "why can't the young people communicate with their elders?" and "what is happening in America today?" There is nothing unusual about the first question. Parents and

their children have always had problems and people have asked the second before too. This time however when they ask these questions there is an outside force that magnifies the controversy all out of proportion and causes it to mushroom until it causes riots, peace marches, burning of buildings, and even murders. This force is the danger, communism. Led by

Dear Editor: How could Southern Bailey County have stayed out of the hospital district, or how could we have gotten out once it was formed? The representative from precinct 4, Mr. Eddie Bene, told me that when the board was discussing possibly boundary lines that he pointed out that the southern part of the county wouldn't benefit from the proposal and there could be some hard feelings. He was an excellent prophet, but he didn't see the full extent of the damage that would be done to county relations. He added that his objections were disregarded by Dr. Lewis who insisted the "proper" way to draw the district lines was on a county wide basis. The main reason as I pointed out last week was to raise enough money to make such an elaborate proposal look good on paper. Even then the county evaluation was doubted so that enough money could be raised to make the payments. So there was no way we could have stayed out of the district. Period.

Could we have gotten out of the district once it was formed? As has been pointed out before, the Needmore box voted 277 against to 62 for the district. This means that in the southern two thirds of the county 81.6% of the residents voted against the district and yet there is nothing that we can do except to try to defeat the total issue. Just think, 81.6% of the voters of two thirds of the county area do not favor the district yet we have no recourse but to kill the total issue. The proponents have asked us to be "understanding" and "tolerant" but not to be bitter. Once we have defeated the total issue, I will ask the same of them. So, there is no way we can get out of the district. Period.

The proponents of any bond election have everything in their favor. They draw the boundaries, they decide how many ballot boxes, they decide where the boxes will be, and if defeated, they can call another election each year for several years. Yet if the opponents of a bond election lose the election, their only recourse is in court. Please bear with us, but we will work to defeat this issue as long as there is any avenue open to us.

Remember, once the district lines were drawn by the board, there was no way, I repeat NO WAY that we could have gotten out of the district. Richard E. Black

Congressman George Bush for United States Senate

Congressman George Bush said last week that Texas voters will not "fall for the phony vote-the-straight-ticket line" when choosing their next Senator this November.

"All the polls show the Texas voter being more independent," Bush said. "Clearly, today's Texas voter will not fall for the phony 'vote-the-straight-ticket, let someone else think for you' line."

Rep. Bush is the Republican candidate for the U.S. Senate. The Houston Congressman said that Texans will vote for the man they feel can be more effective in Washington.

"This is a new decade," Bush said. "Voters are tired of the old. The old answers will not do. The old 'vote her straight' cliches will not do. The old way of doing things isn't good enough for the 70's."

The country is calling out for social fair play, for sound economic answers and for constructive change, Bush said, "but change within the 'can-do' Texas philosophy."

Bush noted that he supports programs in Congress to decentralize the government, to reform ethics, and to "pry

out of the Senate" strong crime legislation.

Rep. Bush was critical of persons who attack the President purely for political reasons. "When President Johnson was President I voted my convictions," Bush said. "I voted against his national programs on many occasions, but I never attacked the President or tried to add to the personal burden of the Presidency."

"I don't believe Texans want a man in the Senate who for pure party politics will kick the President of the U. S. A. as he tries to solve our country's tough national problems," he said.

"I will support the President when he is right," Bush said, "and I will oppose him when he is wrong. But I will not kick the President. I simply will not do it."

THE 1971 BUDGET The Nixon Administration plans to send to Congress in January a defense budget of about \$73.6 billion. The budget, the same as this year, was not reduced because it was felt to be unsafe to cut military spending below that figure.

School...

get for 1969-70 and noted that the amendment was filed with County Clerks in Lamb and Bailey Counties and with the Texas Education Agency. Total revenue for the year was \$1,318,183 and the total expenditures totaled \$1,317,178.

In other action the school board heard the current financial report and approved payment of current bills; heard a report on bank balances of various funds; approved and signed the tax roll for 1970; reviewed the report on tax collections for 1969 and noted that 95.8 percent of taxes have been collected.

Industry...

Cont'd. From Page 1

state money spent and adding trained personnel for the industrial fields.

He commented that vocational schools are searching for teachers who have practical knowledge and experience, someone who has knowledge of their subject and able to convey their knowledge and experience to the student.

Governor Preston Smith was keynote speaker during the meeting and told how Texas is Number One in Industrial Development; Number One with pretty girls; Number One in football and leads the nation in pollution control.

The Governor was highly optimistic about the future in industrial development in the state.

Hutton said he left the meeting with the thought, "Industry will come-it is just a matter of time."

Beef Nutrition Aids Given By Extension

COLLEGE STATION -- Beef cattle need help in getting required minerals when grazing conditions are well below average. It is true that rains have greened up pastures and ranges in many areas of Texas, but, said U.D. Thompson, Extension beef cattle specialist, the long hot and dry summer has taken its toll.

The cattleman cannot solve all of his nutrition problems by buying and feeding all of the minerals and vitamins which are available. First, said Thompson, he must decide which are available. First, said which minerals and/or vitamins are needed. This choice is complicated by the many types and forms available. Single minerals, mixtures, minerals fortified with vitamins and minerals high in protein are available in any feed store.

Thompson said all cattle should have access to common salt year-round. Salt contains sodium and chlorine and aids in digestion, he explained. The form or color makes little difference to the cow, but both forms should be protected from the weather to prevent waste. Salt, he added, is usually cheaper when purchased alone rather than in a mixture.

The major mineral problem in Texas is the lack of phosphorus, said the specialist. Phosphorus deficiency reduces the calf crop, and those born weigh less at weaning time. When green grazing is available, so is phosphorus, but when the grass is brown this mineral declines very rapidly, he said. Vitamin A and protein also are deficient in dry pastures. The specialist said the most practical way to supply phosphorus is to keep bone-meal out the year-round in a weather protected trough. Animals will eat what they need. Only on rare occasions, Thompson noted, are trace minerals deficient.

They also approved borrowing of \$60,000 from Muleshoe State Bank for one month. This was necessary, it was explained, because under new state legislation, teachers were put under ten months contracts, starting August 21, 1970. Their first pay period ended September 18, 1970 and the local school district has no income during September. Local taxes cannot be collected, explained Superintendent Neal Dillman, until October 1 and the state money is not issued until the last day of September.

Also discussed and approved was the preliminary application for foundation funds for 1970-71 which determines the amount of the first payments to the local school district from state funds and approved and reviewed changes in the Special Milk Program. After raising the price of one-half pint of milk to 10 cents, the school would be reimbursed by the federal government until October 15, so the price of milk was lowered to five cents per half pint.

The next meeting of the school board will be Monday, October 19, at 8 p.m. in the school administration office.

Football...

turn left to Highway 84 on 214, then go one block to the right and turn down Main Street to the Boy Scout grounds where a bonfire and pep rally will be held. Leading the parade will be a city police unit and a fire truck.

The time will be approximately 7 p.m. when the parade will start. Lyndal Murray will be guest speaker at the bonfire and pep rally.

During halftime at the game, the 1970 homecoming queen will be crowned. Candidates this year are Judy Winn, Cathy Mardis and Marilyn Pool.

The Richland Hills P-TA will serve a barbecue chicken dinner preceding the game on Friday, with tickets of \$1.25 per person and the Muleshoe Athletic Booster Club will serve free coffee following the game.

UF...

locations. More than 50 'ditty bags' are usually mailed through the auspices of the Red Cross.

Although services to servicemen is the predominant function of the local Red Cross, they are also called to serve in disaster areas, such as the devastating tornadoes which blasted the South Plains earlier in the year. Units of the Red Cross moved in and set up food and drink stations and handled housing, clothing and supplies for people who had lost their belongings in the tornadoes.

The Red Cross units are one of the first emergency organizations to move into a disaster area.

Derrill Oliver, publicity chairman for the Muleshoe Area United Fund, said it was UF's hope that everyone will back the United Fund drive this year and help the UF workers put the quota over the top within a short time.

Contest...

Cont'd. From Page 1

be the person who has accumulated the most points during the annual contest.

Ten points are awarded for first place; six points for second place and four points for third place wins. The weekly cash prizes for the top three winners are \$5 for first; \$3 for second place and \$2 for third place winners.

Anyone over the age of 12, except for Journal employees and their families, are eligible to enter the weekly contest.

Freak...

United Fund Proclamation

GREETINGS: Our United Funds, Community Chests or United Way organizations are our State's largest voluntary human service effort. Last year over 200 United Community Campaigns in Texas raised more than \$40 million.

Local United Funds contribute significantly to the preservation and strengthening of the voluntary approach--the essential ingredient of a free society. They serve as a rallying point for citizen action to help unite and improve the total community.

This year we must make every effort to meet the increasing needs of our voluntary health, welfare and character-building agencies.

THEREFORE, I, as Governor of Texas, do hereby designate the months of September, October and November, 1970, as UNITED COMMUNITY CAMPAIGN MONTHS in Texas, and urge all people of our state to participate generously in the campaigns in their local communities.

In official recognition whereof, I hereby affix my signature this 9th day of May, 1970.

(s) Preston Smith
Governor of Texas

1971. You've changed. We've changed. Chevrolet

Worth seeing. Worth owning. Worth waiting for.

Vega. Not just another little car, but one little car that does everything well. You get more room, more weight and more power than most little cars give you, yet the gas mileage is right in the same neighborhood with the best of them. Vegas come dressed up, too, not stripped to the bone so you have to add a lot to make them liveable. Drive one. You'll see.

Caprice. There's a double layer of steel in the roof, a steel guard beam in each door, power disc brakes up front, a new power ventilation system inside, a wheelbase two and one-half inches longer. You get the looks and comfort of a six- or seven-thousand-dollar car, but at Chevrolet prices. And that's the kind of change during these tight-money times that all of us can appreciate.

Avanishing tailgate. A big change in our big wagon. The window goes up into the roof, the Glide-Away tailgate vanishes beneath the floor. Out of sight. Out of your way for easy loading even in a closed garage or when you have a trailer hooked on.

See what we mean by putting you first? September 29 at your Chevrolet dealer's.

NOW IS THE TIME

TO CHECK YOUR HEATING SYSTEM

Don't wait until the cold weather is here to see if your heating system is in tip-top shape. Check it now before the first cold snap.

For complete heating service call your plumber or heating contractor. Ask him to change filters, oil the fans, and check the vents. But call early and avoid the rush.

PIONEER NATURAL GAS COMPANY

Any wrecking contractor who'll give you a raze

is in the Yellow Pages

WORTHY ADVISOR . . . Miss Dellinda Henry will be installed as Worthy Advisor of Muleshoe Assembly No. 161, Order of Rainbow for Girls in a public installation Saturday, September 26, at 7:00 p.m. in the Masonic Hall. Miss Henry is the daughter of Mr. and Mrs. Earl Henry and is a senior at Muleshoe High School.

Kappa Kappa Iota Holds First Meeting

Kappa Kappa Iota held their first meeting of the year September 17 in the First National Bank. Hostesses for the meeting were Elizabeth Wilson, Mrs. Fred Hedgecoke, Mrs. Fred Mardis, and Mrs. Jim Harvey.

New officers for the year are: Mrs. Fred Mardis, president; Elizabeth Wilson, vice-president; Mrs. Imogene Til-

ler, secretary; Mrs. Raymond Schroeder, treasurer; Mrs. Jim Harvey, reporter; Mrs. Fred Hedgecoke, chronicler and Mrs. Lewis Scoggin, executive board. After a business meeting, members enjoyed a buffet of refreshments. The members played a "Back to School" word game with Mrs. Kathleen Francis, winner. Elizabeth Wilson gave an analysis of each member's handwriting.

Members attending were Lena Hawkins, Mrs. Fred Hedgecoke, Mrs. Joe Costen, Mrs. John Watson, Margaret Slemmons, Mrs. Ed Johnson, Mrs. Jack Obenhaus, Mrs. C.E. Moore, Mrs. Bob Badger, Mrs. Eerie Smith, Mrs. Neal Dillman, Elizabeth Wilson, Mrs. Fred Mardis, Kathleen Francis, Mrs. Lewis Scoggin and Mrs. Jim Harvey.

We haven't seen many midis on the street as yet but most skirts are down about the knees—probably the hems of shorter skirts have been let out as far as they can be lowered.

Gas Lights Dedicated At Girlstown, U.S.A.

The Avenue of Opportunity is the main street of Girlstown since 64 gas lights were presented during dedication services at 2:30 p.m. Saturday, September 19.

It took Pioneer Natural Gas four weeks to install the lights purchased by the Caprock District of Federated Women's Club.

At the ceremony, the invocation was given by Mrs. J.W. Walker, Plainview. The Pledge of Allegiance was by Kim Piazza, of Girlstown. Mrs. Leroy Johnson, president of the Caprock District introduced the guests and read the correspondence from Governor and

Mrs. Preston Smith and Mrs. Lyndon Johnson.

During the ceremony, a memorial marker was unveiled in honor of the J.A. Craft family of Lubbock. It was presented by Mrs. Bill W. Davis of O'Donald, Speaker was R.B. MacAllister, a member of the House of Representatives and a past member of the board of Girlstown.

Response was by Miss Betty Fore, Miss Girlstown, USA. She said "The lights will give warmth and friendliness to our home".

Girlstown was started some 22 years ago because someone cared. The platform was decorated with a rainbow featuring

the girls pictures and a pot of gold at one end. On one end of the platform was a tree with slips of paper containing a girl's name and birthday. Each lady was asked to pick a name from the tree and remember this girl on her birthday.

A reception was held after the ceremony in the dining area of Girlstown. The Cochran County Women's Club was in charge.

Six ladies from the Muleshoe Study Club were present to see the light that they purchased dedicated. They were: Mrs. J.G. Arnn, Mrs. G.L. Splawn, Mrs. Ed Johnson, Mrs. R.O. Gregory, Mrs. Ed Manning and Mrs. Walter Barthol.

The Caprock District consists of 19 counties including 89 clubs. Approximately 200 women attended the dedication ceremonies.

Young Homemakers, Farmers Have Joint Convention

The Young Homemakers of Texas held their joint convention Saturday, September 19, with the Young Farmers of Texas. Mrs. Charles Weatherford of Hereford was elected president of Area I Young Homemakers of Texas for the next term. Outstanding Chapter awards went to Ralls Young Homemakers and Friendship Young Farmers of Texas.

Jerry Cluck of Dimmitt was winner of the Star Young Farmer award, top achievement for an individual, with Jerry Dale Williams of Lockney and Tommie Wages of Abernathy as runners-up.

The radio and television award for Young Farmers went to Dimmitt while Silverton and Dimmitt were first and second in publicity awards.

For Young Homemakers chapters, Roosevelt was second and Muleshoe third in designation as outstanding; Cooper was in second place for Young Farmers.

Awards were all presented at a dinner Saturday evening in Hereford High School cafeteria with Bill Sarpalius of Canyon, past state president of Future

Farmers of America, as speaker.

Plaques, electrical appliances and cash were awarded the winners, given by Southwestern Public Service Co., Production Credit Association, Pioneer Gas Co. and Sears Foundation.

Mrs. David Prewitt of Ralls, completing her term as YHT area president, presented the awards to the women's group and Glenn Odum of Dimmitt made the YFT presentations. Jimmy Myers of Silverton, YFT president, was master of ceremonies.

Roy Hartman, Hereford school superintendent, greeted convention visitors after the invocation by Jimmy White of Muleshoe. Buster Terrell of Plainview introduced the guests.

Mrs. Ben Holcomb of Dimmitt, retiring state officer of the YHT, paid tribute to area officers whose terms are ending.

Separate business meetings and daytime programs were conducted by the two organizations. Mayor Jim Sears extended the city's welcome to

Young Farmers who met at Community Center, and Jerry Don George, Hereford High School principal, welcomed the Young Homemakers.

The latter group had its business session in the morning, naming officers including Mrs. Jimmy Roberts of Dimmitt as state officer, Mrs. Wayne Stephens of Silverton and Mrs. Robert Hunt of Muleshoe as vice-presidents and Mrs. Pete Laney of Hale Center secretary-treasurer.

Mrs. Weatherford has served as area secretary the past year. Choice of the area Little Sister by FHT chapters which each may nominate a high school homemaker student to compete for a scholarship, and election of FTA officers were scheduled at the closing business sessions Saturday afternoon.

Attending from Muleshoe were: Bill Bickel, Mr. and Mrs. Jay Harbin, Joe Harbin, Mr. and Mrs. R. D. Angeley, Mr. and Mrs. Jimmy D. Black, Mr. and Mrs. Jimmy White, Mr. and Mrs. Pat Vinson, Mrs. Eugene Burhrman, Mrs. Elmer Downing, Mrs. Robert Hunt and Mrs. Roland McCormick.

Church of Christ Group Meets, Serves Supper

The ladies visitation group of the Muleshoe Church of Christ had a covered dish supper at the church Monday night, September 21. The young people of the church entertained with singing. Mrs. Dollie Harmon and Mrs. Georgia Lowe spoke to the approximately 40 people attending.

The congregation will be in charge of the devotional at the Muleshoe Nursing Home Sunday, September 27.

Downings Observe Triple Birthdays

E.L. Downing and twin brother, Almer, and Horace Downing were honored with a birthday dinner on Sunday, September 13, at the home of Mrs. E.L. Downing.

A brother and sister attending besides the honored ones were W.L. Downing of Lubbock and Mrs. Dora Bohannon of Childress.

Others present were: Mr. and Mrs. Littleton Havens and Carolyn of Childress; Mrs. Jerry Behrens and Phill of Odessa; Mr. and Mrs. Horace Downing and Steven; Mr. and Mrs. Almer Downing; Sheila Downing; Mary Downing; Mr. and Mrs. Jimmy White and Jimmy Lee; Mrs. Mary Justice and John McDaniel of Lubbock; Mrs. Pauline Vaughn of Amherst; Mr. and Mrs. Elmer Downing, Jr. and Twila; Mr. and Mrs. J.S. Kimbrough and children; Mr. and Mrs. E.L. Downing of Muleshoe; Danny Havens and Don Farr, students at South Plains College, Levelland.

Baby Girl Born To Pat Leonard's

Mr. and Mrs. Pat Leonard of Albuquerque are the parents of a girl born September 19 at 8:00 p.m. She weighed eight pounds.

Grandparents are Mr. and Mrs. Joe Leonard of Lubbock and Mrs. W.F. Birdsong of Muleshoe.

Viva Mexico Is Theme For Alpha Zeta Party

"Viva Mexico" was the theme carried out at the Alpha Zeta Pi rush party September 17. The Country Club was decorated to carry out the theme. Mexican casseroles, beans, salad, tea and coles were served by the hostesses Mrs. C.J. Feagley, Mrs. Doyce Turner and Mrs. Max King.

Members present were Mr. and Mrs. Benny Splawn, Mr. and Mrs. C.J. Feagley, Mr. and Mrs. Max King, Mr. and Mrs. Tom Flowers, Mr. and

MRS. MARSHALL FOUGHT, the former Miss Jean Haskins

Mrs. Fought Honored At Bridal Shower

Mrs. Marshall Fought, the former Miss Jean Haskins, was honored with a bridal shower Monday, September 21, from 7:30 to 9:00 p.m. in the home of Mrs. Arnold Gross.

The serving table was laid with a white cloth and centered with a bouquet of yellow roses flanked by two yellow tapers. Milkglass and silver appointments were used to serve the white cake, decorated with yellow roses, and the yellow punch.

The honoree was presented a corsage made of a kitchen utensil surrounded by yellow net. Special guests at the shower besides the honoree were her mother, Mrs. George Haskins;

Hostesses for the shower were Mrs. G.L. Taylor, Mrs. C.H. Holderman, Mrs. C.I. Thomas, Mrs. Roy Dyer, Mrs. Karl Lovelady, Mrs. Howard Cox, Mrs. Joel Nowlin, Mrs. Cleon Davis, Mrs. Joe Smallwood, Mrs. Oscar Rudd, Mrs. Vernon Bleeker, Mrs. Owen Powell, Mrs. Alton Carpenter, Mrs. Earl Harris and Mrs. R. A. Gross.

The hostesses presented the honoree with a gift of cookware.

Miss Damron Marries Ward

A double ring ceremony Friday, August 28, at 8:00 p.m. united Miss Loretta Damron and Ken Ward, The Rev. D.S. Moore, minister of Castle Avenue Baptist Church of Hobbs and uncle of the bride, performed the ceremony in the home of the bride.

Parents of the bride are Mr. and Mrs. C.G. Damron of Needmore. The bride is a junior at Eastern New Mexico University.

The groom is the son of Mr. and Mrs. Daniel Ward of Hagerman, New Mexico. Ward is also a junior at Eastern New Mexico University.

Presented in marriage by her father, the bride wore a white bridal gown accented by white brocade.

Mrs. Richard Eddings, of Littlefield, served as matron of honor. She was attired in a dress of blue antique satin. Serving as best man was Benny Trujillo of Hagerman, New Mexico.

Following a reception in the brides home, the couple traveled to Ruidosa.

Mr. and Mrs. Ward will be at home in Portales.

In Fashion

Boots will be very popular this winter. They seem to be compliments to the longer skirts and coats.

One lovely dress I saw a few days ago was of tan wool with panels from the waistline outlined in one inch wide cream colored wool.

VIVA MEXICO . . . Partaking of the Mexican dishes served at the Country Club Thursday, September 17, for the Alpha Zeta Pi rush party are l. to r. Mrs. C.J. Feagley, C.J. Feagley, Mrs. Benny Splawn and Benny Splawn.

Mrs. Algood Honored At Baby Shower

Mrs. Homer Algood was honored with a welcoming coffee and baby shower at the hospital meeting room Tuesday, September 15. The coffee was given by the people at the hospital.

Coffee and cake were served from a table centered with a stork surrounded by pink and white flowers.

Hostesses for the occasion were Mrs. H.H. Malone, Mrs. M.C. Street, Jr., Mrs. R.B. Chappell, Mrs. Glen Stevens, Mrs. John Blackwell, Mrs. Harold White, Mrs. Frank Ellis, Mrs. Kenneth Nesbitt and Mrs. Bub Barbour.

Mrs. Algood and her husband, Dr. Homer Algood, have recently moved to Muleshoe.

Something Fishy Going On At The State Fair

There will be something fishy going on at Fair Park when the "Exposition of the Seven Seas" opens in October for a 16-day run.

A sailing vessel, the S. S. Seven Seas, lies at anchor in the Women's Department ready to launch a bevy of beautiful models who will be in the swim with "See-Worthy Fashions of the 70's."

These lovely "mermaids" will make a big splash with the crowds who will attend the daily free fashion shows in the auditorium.

To further implement the "Seven Seas" theme, a blond, blue-eyed hula dancer from the "Paradise of the Pacific" will dance the hula on the mid-stage; galley costumed Czechs will be doing a boucy polka on the maxi-stage and Texas cowgirls wearing western togs will gallop into view riding Texas-size sea horses.

A marine setting will be achieved in the decor of the auditorium where the stage curtains have been changed to shades of blue, sea green and sand, and the walls ornamented with such sea creatures as finny fish, playful dolphins, crabs and over-size turtles.

Auxiliary Plans

Bridge Tournament

The Hospital Auxiliary will host a bridge tournament on Thursday, October 8, at 2:00 p.m. The tournament will be held at the day room of the Muleshoe Nursing Home. Tickets will be \$3.00 per person. The tournament is open to all area bridge players. For more information contact Mrs. Travis Bessire, 965-2757 or Mrs. Doyce Turner, 272-4642.

Area Singing

There will be an area singing on Friday night, September 25, and all day Saturday, September 26, at the Springlake, Texas Primitive Baptist Church. A covered dish luncheon will be served at noon on Saturday. The singing is open to the public and all singers are urged to attend.

BIRTHDAYS . . .

Observing birthdays at the Muleshoe Nursing Home this month are from 1. to r. Mrs. Sulpher, Mrs. Hulse, Mrs. Curry, Mrs. Light, Mrs. Day, Mrs. Newton and Mrs. Pharn.

Tea Planned By Homemakers

The Muleshoe Young Homemakers of Texas will sponsor a tea in the Muleshoe State Bank Community Room Thursday, September 24, from 2:00 until 3:30 for all young women between the ages of 18 and 35 who are interested in becoming members of the Young Homemakers.

The Young Homemakers will present a program explaining the plans, purposes and activities of the club which is open to all young women in the Muleshoe area.

Stepanuks Visit Miss Wilterding

Visiting in Muleshoe recently were Mr. and Mrs. Tony Stepanuk of Ontario, California. Mrs. Stepanuk has been visiting with her aunt, Mrs. Dottie Wilterding, of the YL Community.

Visiting also at Miss Wilterding's with the couple Sunday were: Mrs. Leota Wilterding, Mr. and Mrs. D.B. Head, Mr. and Mrs. Marshall Head and family, Mr. and Mrs. Norman Head and family, Mr. and Mrs. Reece Wilterding and

James of Tulia, Mr. and Mrs. Robert Hooten and family, Mrs. Nora McCormack, Mr. and Mrs. Buddy Embry and Jerry, Alene Embry of Lubbock and Mr. and Mrs. Calvin Embry and Derrall, rail.

The Stepanuks left Monday for Nashville, Tennessee.

One unusual cape seen in smart shops is of tweed edged with fur.

Capes fall below the knee and can cover any costume. Knickers complete some of the cape and blouse ensembles.

Lubbock Area Reading Conference Scheduled

Miss Trula Maud Jetton, Area vice president of Texas Association of International Reading, announces that the Lubbock Area Reading Conference (LARC) will be Friday and Saturday, October 16 and 17, at Estacado High School, Lubbock.

The theme for the conference will be "Rx's for Reading". Dr. Walter Barbe from Honesdale, Pennsylvania, editor of "Highlights", and Claude Zevly, Assistant Professor of Education at West Texas State University, Canyon, will be the speakers.

Following is the program for the conference: Friday, October 16: Registration from 2:00 - 2:30; First General Session, "Personalized Reading Instruction" - Dr. Walter Barbe, Honesdale, Pennsylvania, Editor of "Highlights". Exhibits will be from 3:30-4:00. Interest Groups - Prescription for reading in specific areas are from 4:00 to 4:45. Joint meeting of TEPSA and ASCD, "Examining New Methods of Teaching Reading", Dr. Walter Barbe, Second General Session is from 7:30 - 8:45 and features "Children's Literature: A Gift That Lasts A Lifetime", Claud Zevly, West Texas State University, Canyon.

On Saturday, October 17 Exhibits will be from 8:00 to 9:00; Interest from 9:00 to 9:30; Coffee Break and Exhibits from 9:45 to 10:15; and from 10:15 to 11:30 will be the Third General Session - "Putting Good Teaching Methods into Practice", Dr. Walter Barbe.

Miss Jetton adds that the planning committee has tried to schedule interest groups, speakers, and exhibits to capture the interest of all educators interested in improving reading in the 70's.

All administrators, teachers, librarians, and ancillary personnel are encouraged to attend.

what does it take to be a winner?

Any ball player will tell you that it takes just a little "extra of that something" to be a winner. At our bank "that something" is high earnings on insured savings. Be a winner at our bank. Join our savings team, the biggest winner around.

Harmon Highlights

Tennessee-Auburn In Close Match

We really don't think you'll need a dictionary or a copy of "Who's Who" to read our first top 20 of the 1970 season. Most of the faces are probably all too familiar.

Texas is still unchallenged for that number one position, and the Longhorns will solidify the top spot with a 28 point spanking of Texas Tech this Saturday.

Sixth-ranked Notre Dame will be waiting to boil the 15th-rated Riveters of Purdue, the only game the Irish lost during the regular 1969 season. The "spoiler" will be played in South Bend, and it looks like a five-point revenge victory for Notre Dame.

The Air Force, #19, may be Victim The Third for the Tigers of Missouri, ranked fourth. Rolling with a full head of steam, Mizzou will have to keep the fire hot in order to clip the Falcons. The spread could be 11 points.

Though a little late in appearing onstage for the 1970 football season, the Ohio State

Buckeyes plan to make up for lost time. Texas A & M is the first guest, and they'll be treated rather poorly. The Bucks will whip the Aggies by 22 points.

And after a breather last Saturday, seventh-ranked Stanford moves into Pacific Coast Conference action against Oregon. The Ducks may be tough, but the Indians will be much tougher - Stanford by 26.

Mississippi, Southern California, and Nebraska, No. two, No. eight, and No. nine respectively, should have things fairly easy Saturday. The Rebels take on Kentucky as they start their quest for the Southeast Conference crown, Mississippi will beat the Wildcats by 27 points. The Trojans bump into Big Ten competition, but they'll have little trouble beating Iowa by 21. And Nebraska will conquer the Cadets of West Point by 26 points.

Rated third in our national rankings, Penn State travels to Colorado for an intersectional

battle. The Buffaloes are Big Eight title contenders. Penn State is out to keep its amazing undefeated streak alive. The Nittany Lions will win by six-teen.

Two prides of the Southeast Conference bump head-on in The Big One of the day. Eleventh-ranked Tennessee will just slip by 12th-rated Auburn by a single point. You've heard us mention grandma's red tricycle occasionally. . . well, don't wager it!

Michigan, No. 14, will whip Washington by 12, and powerful Houston, rated fifth, is 20 points stronger than Oklahoma State. Tenth-ranked Arkansas will bury Tulsa by 38 points.

Fighting Bula Bulldogs

By Bula Senior Class
The Bula Bulldogs traveled to Wellman, Friday, September 18. The Wellman Wildcats came out ahead of the Bulldogs with a 42 to 14 victory. Bula had two penetrations and Wellman had seven. The Wildcats had 267 yards rushing; the Bulldogs had 236 yards rushing. The Bulldogs topped the Wildcats with 13 first downs compared to Wellman's 12 first downs. The Bulldogs fumbled seven times with Wellman recovering six of them. Bula recovered one of six of Wellman's fumbles.

This Friday night, September 25, the Bulldogs will clash with the Dawson Dragons. It will be the Bulldog's annual Homecoming. The Bula High School graduates of 1961, will be honored this year.

The program will begin at 3:00 p.m. when the Exes will hold their meeting. The pep rally will begin at 4:30 till 5:00 in the Bula Gym. Following this will be a Barbecue Supper; serving will begin at 5:00 and last until 7:15. The game will begin at 7:30. Everyone is invited.

Thursday, September 24, the Bulldogs will have a Bonfire. It will start after the sun goes down.

Greenbug Research Procedure Outlined

A consolidated report on research programs conducted the past two years on greenbug control in grain sorghum is now available to producers in West Texas.

The booklet contains data from 1968 and 1969 which is some of the most recent research on the control of greenbugs attacking grain sorghum and wheat in several areas of the state, points out J.K. Adams, county agricultural agent. Research programs were conducted at Bushland and Lubbock and in the Trans-Pecos area.

Included is information on the control of greenbug and certain other pests with insecticides applied as seed, foliar spray and soil treatments. The effects of this control program on plant damage and beneficial insects and the differential response of several grain sorghum hybrids to greenbug infestations are also discussed.

Adams says the report shows that several of the insecticides currently available commercially and registered for use on grain sorghum will control greenbugs effectively. These include disulfoton (Dis-Syston), parathion, malathion, diazinon, carbofention (Trithion) and demeton (Systox). All gave good control when applied as foliar sprays and were not damaging to the plants. However, most of the materials greatly reduced beneficial insect populations attacking greenbugs. Several non-registered insecticides also were effective for greenbug control.

The report indicates that the greatest danger from greenbug damage is to smaller plants six inches or less in height. Larger plants can tolerate many more greenbugs before insecticide control is necessary. The number of greenbugs on older plants, in the pre-boot or later stages of plant growth, must be extremely large for yield

Cotton Harvest Hints Outlined For This Fall

COLLEGE STATION -- Dry, high quality cotton harvesting time is more than luck. According to B.G. Reeves, Extension agricultural engineer, cotton should not be harvested with a moisture content of more than eight percent. Otherwise, the extra cleaning and drying required in ginning can lower the value.

Cotton should not be harvested before dew has dried from the lint. This means producers should usually wait until about 9:30 a.m. before getting into their fields. At about 6:00 p.m. the lint moisture will begin to rise and stripping or picking should be delayed until the next day, the cotton ginning and mechanization specialist points out.

"Even on the smallest farms a hygrometer can be important in preserving the quality of the product. For about \$15 a cotton producer can get a hygrometer and set it in the field on a stake to observe the relative humidity," Reeves continues.

Stainless Helps Keep Meat Fresh

Because they are non-porous and easy to clean, nickel stainless steel platters and preparation equipment in the meat departments of supermarkets help reduce bacteria that cause meat discoloration.

LOCKING AIDS HALFBACK--Skittering through with good blocking is Bobby Hayes (No. 44). Clearing the way with good blocking is Randy Field (No. 33) and Donnie Wheat (No. 22). The Mules will meet the Friona Chieftans in Muleshoe's Homecoming game this Friday night.

Soybean Referendum Scheduled Saturday

AUSTIN--Soybean producers in 23 Texas counties will vote Sept. 26 on a proposed assessment of themselves of a half cent per bushel for research, disease and insect control and sales promotion.

Each county will have a central voting place, and only actual producers are eligible to vote. Texas Soybean Association, headquartered at Plainview, was authorized by Texas Agriculture Commissioner John C. White to hold the election.

W.B. Tilson, president of the association, said that absentee ballots may be obtained at the county agent's office in each county and must be returned not later than September 26.

Results of the election will be announced by Commissioner White. Counties in the soybean area include Bailey, Bowie, Briscoe, Castro, Crosby, Deaf Smith, Farmer, Swisher, Lamb, Hale,

One Minute Sports Quiz

1. Who is the new Yankee first base coach?
2. Who won the U.S.-German Davis Cup finals?
3. What boat will defend the America Cup for the U.S.?
4. What team won the Bengal-Brown pro football clash?
5. Who is Jim Plunkett?

The Answers

1. Mickey Mantle.
2. The U.S.
3. Intrepid.
4. Paul Brown's Cincinnati Bengals.
5. Stanford U.'s highly-touted quarterback.

Texas Jaycee President Visits Area Jaycees

By Leroy Maxwell, reporter
Malcolm Tallmon, president of Texas Jaycees, was guest speaker at a regional visitation held at the Muleshoe country club, Sat. Sept. 19. This is the first time in the history of Muleshoe Jaycees that a state officer visited the Muleshoe meetings or conferences. Tallmon was well received by some 115 Jaycees and their wives. Curtis Walker, Chairman of the visitation gave this report to the Jaycees at their regular meeting, Mon., Sept. 21.

Other reports at the meeting were: Youth football by Dick Johnson; Crane hunt by Dick Johnson; Mortcycle scramble by Marshall Lee, Coach Fred Hedgecock, Head football coach at Muleshoe High School, presented the program on the possibilities of the Muleshoe football team if the community would just give some support to the team.

Guests at the meeting were: The Muleshoe High School coaching staff, Mark Gist-Distributive Education Coordinator at Muleshoe High School, Mac Brown-newest member and James Brown.

Members present were: Derrell Oliver, Curtis Walker, Bob Stovall, Dick Johnson, Marshall Lee, John Gentry, Duane Seay, Marlin Mills, John Blackwell, Delbert Berry, Bill Russel, Leroy Maxwell, Ken Petree, Maxing, Charles King, Charles Smith, Glen Watkins, Jeff Smith, Ken Henry, Jerry Hutton, Donald Shanks, Bill Dale, Cecil Campbell, Roger Gorrell, and Raymond Schroeder.

Bula News

By Mrs. John Blackman

Mr. and Mrs. P.R. Pierce attended the 26th annual Cal Farley rodeo Monday at the ranch near Old Tascosa.

The senior class will sponsor an enchilada supper Friday night before the eight man football game with Gall.

Mr. and Mrs. Obie White of Quail spent Saturday and Sunday in the Cecil Jones home. They are uncle and aunt of Mrs. Jones.

Jack Withrow accompanied by his father, J.W. Withrow of Sudan visited Friday at the Nesbit Hospital in Canyon with J. W. Withrows sister, Mrs. Herman Taylor.

Mr. and Mrs. Paul Young visited Sunday afternoon in Littlefield in the home of Roy Young. Other guests were Mr. and Mrs. Edd Haynes from San Antonio.

Richard Wright, son of Mr. and Mrs. R.B. Wright left Sunday after a 20 day leave with his parents. He reported to Oakland, California and is to be sent this week to Vietnam. Richard is in the Army medic division.

Mr. and Mrs. Gene Brannon of San Antonio spent Labor Day holiday with her parents, Mr. and Mrs. V.C. Weaver.

Mr. and Mrs. Lloyd Pollard visited Sunday afternoon in Lamesa with their son Mr. and Mrs. Larry Pollard. They brought home with them their two children Tanya and Lance to spend the week.

SAFER SCHOOL BUSES
The National Transportation Safety Board reports inadequate construction of most school buses unnecessarily endangers children's lives. The board said the use of too few rivets, bolts screws and welds causes school-bus bodies to disintegrate in crashes, contributing to injuries and deaths. There were some 39,000 school bus accidents in 1969 that killed 30 children, according to a rough estimate.

STATE CAPITAL Highlights AND Sidelights

by Vern Sanford
TEXAS PRESS ASSOCIATION

AUSTIN, Tex.—State Republican and Democratic parties have put their appeals to Texas voters in writing -- via the platforms drafted at their separate conventions last week.

Democrats, party veterans said repeatedly, "wrote the most progressive planks ever."

Republicans put the emphasis on attacking crime, campus disorders and drug use.

Highlights of the Democratic statement of party goals include:

*A far-reaching vocational-technical education program, repeal of annual voter registration requirements and substitution of "registration by voting" every four years, opposition to a tax on groceries, a minimum foundation program for policemen with state standards of qualification and pay, state civil service, expansion of unemployment insurance benefits.

*Increase in workmen's compensation benefits, creation of a public utilities regulatory commission, establishment of an office of consumer protection, elimination of the \$80 million a year welfare outlay ceiling, an increase in minimum wage, sweeping insurance reforms and creation of a state management research commission to promote governmental efficiency.

Republican platform highlights are:

*Legislation to end discrimination in state government employment and to insure equal pay for equal work, creation of single-member legislative districts, realistic technical and vocational courses commencing at junior high school level and offered in nearly all high schools, condemnation of forced busing of students to achieve racial balance;

*Opposition to a tax on groceries, later voter registration deadlines, inclusion of all insurance company income in calculating auto insurance rates, admission of oral confessions in trials, and life sentence without parole for murdering a policeman.

AFL-CIO "BACKS" DEMOS

Following the conventions, Texas AFL-CIO leaders "urged" support by labor of all statewide candidates of the Democratic party in the general election.

Decision, AFL-CIO President H.S. (Hank) Brown explained, left union members free to do as they pleased, since there was no formal "endorsement" carrying monetary support or mandatory vote.

Big labor's hang-up was in the U.S. Senate race. Some union spokesmen were reluctant to back Democrat Lloyd Bentsen but were likewise unenthusiastic about Republican candidate George Bush.

Committee of Political Education (COPE) gave "special recognition" to Gov. Preston Smith, Lt. Gov. Ben Barnes, Agriculture Commissioner John White and Land Commissioner nominee Bob Armstrong.

MIXED DRINK STUDY URGED

Alcoholic Beverage Commission directed its staff to study liquor-by-the-drink laws before the mixed drink constitutional amendment is voted on November 3.

ABC officials expressed concern that the liquor-by-the-drink law, if approved by the voters and Legislature, be tightly enforced.

Meanwhile, "Texans for Enforceable Liquor Laws," sponsors of the liquor-by-the-drink amendment, announced a statewide publicity and advertising campaign to put over its amendment.

"Texans Who Care" organization will conduct an opposition campaign.

OIL ALLOWABLE UP

Texas Railroad Commission bumped the state oil allowable for October to 87 per cent of potential.

This would be the highest since January, 1949. Increase was granted on the understanding of strict compliance with the order directing record allowable.

Order provides for no viola-

RIDE 'EM COWBOY--Five year old Winston Allen, son of rodeo performer Cliff Allen, (riding sidesaddle in the picture) took advantage of the merry-go-round at the Thrill Times Rides Carnival Monday night for a little off-the-cuff practice for the young cowboy.

tion of the no-flare regulations, no gasoline plant processing casinghead gas to flare gas in October, and a curb on excessive brine production.

UNEMPLOYMENT PROGRAM CHANGED

Texas Employment Commission has called attention to a new federal law which will result in the biggest single increase in worker coverage since the federal-state program began.

An estimated 400,000 Texas workers will be covered, and 100,000 more employers will be liable for unemployment insurance tax beginning Jan. 1, 1972.

Federal law provides for payment of extended unemployment insurance up to a maximum of 13 weeks in times of high unemployment. Federal government will pay half the extended benefits -- once regular benefits are exhausted.

Bill also makes more jobholders eligible for benefits, makes more employers subject to insurance tax and increases the federal unemployment insurance tax paid by employers who already are covered by the law. About 100,000 jobs in non-profit organizations are added to the coverage in Texas. These organizations employ four or more in 20

weeks of the current or preceding calendar year, and have the option of paying taxes or reimbursing the state for benefits paid.

ATTORNEY GENERAL RULES

A person whose photograph is taken for speed enforcement or traffic surveying purposes has no actionable invasion of privacy rights, Atty. Gen. Crawford Martin has held.

In other recent opinion, Martin concluded that:

*Texas Air Control Board has the power to certify facilities as constructed for the purpose of achieving control of air pollution.

*Texas Education Agency can make appropriate adjustments in a school district's professional allotments to consider average daily attendance required to be transferred from one district to another. All allotments must be made without regard to race, creed or color.

*Legal provisions relating to standards and specifications of public buildings are applicable to the Old Land Office (Museum) Building.

*Texas Water Rights Commission may employ an Examiner in its proceedings.

*Texas State Technical Institute's "all income" refers to

all funds received over direct, reasonable and necessary costs of production of income.

*The 1966 election to board of trustees of Tyler Junior College district was validated by law.

*Dallas Commissioners' Court has power to act in establishing a community action agency.

TEXTBOOKS REJECTED

State textbook committee rejected four of six proposed literature textbooks written for minority group students in high school.

Committee chairman expressed disappointment that only one of five books recommended for 11th and 12th grades was specially written to appeal to minorities.

One committee member complained of language used in one of the controversial texts.

INDUSTRIAL WINNERS ANNOUNCED

Six industries were named winners of the Governor's Industrial Expansion award for 1969.

Winners are Friedrich Refrigerators Inc. of San Antonio, Johnson Manufacturing Company of Lubbock, Kilgore Ceramics Corporation, Laredo

Packing Company, Celanese Chemical Company of Clear Lake and Missouri Beef Packers Inc. of Friona.

All will receive awards in a special program here at the Governor's Conference on Industrial Expansion on October 13.

SHORT SNORTS

State Banking Commission has received an application for a new bank charter from Huffman, Harris County.

Juan Manuel Bozquez of Sinton is new community action specialist in the Texas Office of Economic Opportunity technical aid branch.

State Board of Education has received a 12-point vocational-education plan including a recommendation for licensing private voc-tech schools.

Railroad Commission's hearing on Mobil Oil's request to raise most efficient rate in the East Texas oil field resumed after a delay caused by Hurricane Ella.

Mrs. Phyllis Burson of Corpus Christi, Richard O'Keeffe of Houston and Dr. Glenn Sparks of Denton were named by Texas Library and Historical Commission to serve on Texas Library Systems Advisory board.

*Texas Water Rights Commission may employ an Examiner in its proceedings.

*Texas State Technical Institute's "all income" refers to

Fun for all - all free! Hurry - Registration ends September 26!

SIGN UP TODAY FOR PP&K IN OUR SHOWROOM MULESHOE MOTOR CO.

"At The Crossroads"

At least a half million people will assemble in Washington, D.C. on Saturday, October 3, 1970, to participate in MARCH FOR VICTORY down Pennsylvania Avenue and a rally at the Washington Monument and the Ellipse according to the Reverend Dr. Carl McIntire, Chairman of the March For Victory Committee and President of the International Council of Christian Churches.

Leading the parade of dignitaries, heads of veterans organizations, church representatives, government officials and military heroes will be the Vice President of South Viet Nam, Nguyen Cao Ky, Madame Chiang Kai Shek of Free China and President Park of South Korea have also been invited to attend and to address the rally.

Dr. McIntire stated today that the march and rally are for the purpose of undergirding the American and allied forces which are fighting the Communists in South Viet Nam and to persuade the Nixon administration to take the restrictions off American military commanders and allow them to win the war which he said commanders in the field had told him recently, while he was in Saigon as the guest of General Abrams, could be won within a few weeks' time.

"We are for peace through total victory," Dr. McIntire said. "Why should we send our best youths ever to fight in a 'No-Win' war and then have them sent home either in caskets or to fill up veterans hospitals as casualties? We believe as the late military genius General Douglas MacArthur told the Congress of the United States, that 'in war there is no substitute for victory.' We are at war whether the doves in the United States Senate, in the State Department or among the so-called opinion molders of American thought will admit it or not. We are at war in South Viet Nam and in the streets of America where revolutionaries are attacking our law-abiding citizens and our law-enforcement officers, all on the pretext that they do not like what we are doing in trying to save a small country from being taken over completely by a godless, materialistic communism."

When business was bad, he said he couldn't afford advertising.

When business was good, he said he didn't need advertising.

For the life of us, we can't remember his name.

Enochs News

By Mrs. J.D. Bayless

Mr. and Mrs. Sammie Nichols of Plainview, are the parents of a baby daughter, Tanya Lynn. She was born at 5:18 p.m. Tuesday, September 16 in the Central Plains Hospital in Plainview, and weighed seven pounds and four ounces. This is the first child for the couple. Grandparents are Mr. and Mrs. Donald Grusendorf and Mrs. L.E. Nichols. This is the first grandchild for the Grusendorfs, and the second granddaughter for Mrs. L.E. Nichols. She has six grandsons.

Mrs. J.C. Pearson and Mrs. C.H. Byars were in Clovis, N.M. Wednesday to be at the bedside of Mrs. Linda Nowell as she had surgery. She is the daughter of Mrs. Pearson.

Dinner guests in the home of Mr. and Mrs. J.C. Pearson Saturday were her brother, R.L. Hill and Dale Hill of Levelland, and Bobby Henderson of Muleshoe.

Mr. and Mrs. Loyd Pollard and son Lamar Pollard and family of Levelland, visited their other son Mr. and Mrs. Larry Pollard and children, at Lamesa Sunday. Their grandchildren, Tanya and Lance returned home with them for a visit. Enroute home Sunday afternoon after the big rain, the roads were under water at Pep and Morton so they returned to Levelland and spent the night with Lamar and family.

Guests in the home of Mr. and Mrs. J.D. Bayless Tuesday were her sister, Rev. and Mrs. Ray Cunningham of Wells.

Burl Johnson of Groom, visited in Enoch Saturday.

Mr. and Mrs. Donald Grusendorf and Mrs. L.E. Nichols were in Plainview, Wednesday afternoon to be with their daughter and son, Mr. and Mrs. Sammie Nichols and see their new granddaughter, Tanya Lynn.

The Enoch's W.M.S. observed their week of prayer Monday and Tuesday at 9:00 a.m. for State Missions, Mrs. L. E. Nichols was in charge of the program. There were 13 in attendance each day.

Mrs. E.N. McCall and Mrs. Fred Locker spent Friday and Saturday at the bedside of an aunt, Mrs. J.M. Knight of Ft. Sumner, N.M. who was a patient at the Eastern New Mexico Center at Roswell, N.M. with a broken knee.

Mr. and Mrs. Junior Austin and children spent last weekend in Lubbock, with Mr. and Mrs. Robert George and family.

Mr. and Mrs. L.G. Fred, Mr. and Mrs. Bob Newton and sons, Steve and Tom and Carolyn, attended the wedding of Carolyn Frey, daughter of Mr. and Mrs. Bennie Frey at the First Christian Church at Levelland, 4:00 p.m. Sunday September 20. She became the bride of Bill Rogers who is stationed at West Point in Florida, serving in the Navy. Carolyn is the granddaughter of Mr. and Mrs. Fred.

Mrs. C.H. Byars and Mrs. J.O. Dane attended an Eastern Star tea at the home of Mrs. Carroll Shelton at 2:00 p.m. Sunday afternoon in Morton.

E. F. Campbell underwent surgery at the Nichols Clinic in Plainview, Wednesday.

Sure Test
One sure test of will power is to see a friend with a black eye and not ask any questions.

-News, Dallas.

CARNIVAL FROM THE AIR--The Round-up, at the left, and the Tilt-A-Whirl, at the right, are two of the most popular rides at the carnival which is in town this week. Hundreds of young people, teenagers and adults are jamming the midway and enjoying the carnival which is sponsored by the Businessmen Activities Committee of the Chamber of Commerce.

John Tower United States Senate COMMITTEE ON ARMED SERVICES

THE ENERGY CRISIS

We are continuing to hear of fuel shortages in our nation and, indeed, I fear that these shortages will only become more severe through the winter months.

Lest anyone suggest that the blame for this shortage should be placed with the nation's fuel producers, I would like to take this opportunity to explain again the causes of this shortage as I have on several occasions earlier this summer.

Historically, the United States has enjoyed ample supplies of its fuel resources to enable it to meet its growing needs. Producers readily located, extracted, processed and transported these fuel resources because there was sufficient demand to make production a profitable operation.

With growth in population and the demand for increasing conveniences and services, the demand for energy has greatly increased. The demand for natural gas, which is now in critically short supply, has particularly increased because it is a cleanburning, low-pollutant fuel. We have only recently realized the necessity for keeping sulfur and other pollutants out of our air, and an additional and new demand for natural gas is resulting.

While forces have been at work to increase demand, there have been other forces at work, mainly governmental forces, which have succeeded in holding down the price for natural gas. Governmental regulation has had the effect of denying the free market economy to work effectively.

Even though natural gas prices were being held artificially low, production costs

EDITORIAL

"College Bound"

Emile Cammaerts wrote a book entitled "Flowers of Grass" in which he traces his own progress from complete Atheism to a full and glowing faith. What he has to say, in the following, should make all of us students -- young and old -- take time for thought:

"The best advice which could be given to any young man or woman would be to urge him not to allow his present beliefs, whatever they may be, to harden into prejudices; to keep an open mind, to watch eagerly what happens to him and around him, and never to close the book of life before reading the last page.

There is no more fatal error than to imagine that an education is completed in school and university. We should always be at school, we should always prepare for some examination till the final examination.

A material-minded, self-absorbed life tends to narrow our outlook because it induces us to close the book after reading the first chapter.

A better way life compels us to leave the book open to the end."

--Selected

ting imports. While the East Coast market found it could obtain cheaper fuel oil from abroad, the domestic producer found fuel oil one of his least profitable products. Domestic producers therefore concentrated on other refinery products. The continued importation of fuel oils to the East Coast, actually meant that a portion of the oil production market was not available to domestic producers. This contributed to the factors which have discouraged producers from exploration for oil.

Now we are experiencing the combined effects of various international factors which have served to reduce the amount of imported fuel oil. Simultaneously, the demand for fuel oil has continued to rise. Consumers are now looking back to the domestic oil industry for fuel oil, but the transmission lines and the storage and terminal facilities are already operating at capacity.

In order to meet the demand over the next few months, we will have to seek ways of temporarily increasing imports; but the long term solution lies with the domestic industry. We must provide the domestic industry with the incentives and the prices required to again make fuel oil production profitable. The domestic industry will respond with the necessary increase in production capacity.

It is also important to remember that heavy dependence upon foreign oil is unwise. Such dependency makes world diplomacy even more difficult. I would not want our dependence upon foreign oil to become a deciding factor, for example, in our diplomatic efforts in the Middle East, or elsewhere.

GI Bill Trainees Enroll In Colleges

Current GI Bill trainees are more likely to be enrolled at the college level than were their counterparts under the World War II and Korean Conflict GI Bills, according to Jack Coker, Director of the Veterans Administration Regional Office in Waco.

Commenting on a recent VA study of the education level of the nation's veterans, Coker said only 54 percent of the 7,800,000 World War II veterans who trained under the original GI Bill, had completed high school prior to military service.

This compares with 56 percent of the Korean Conflict veterans (service between June 27, 1950, and January 31, 1955) and 70 percent of the Vietnam era veterans (service after August 4, 1964) who were high school graduates when they entered service.

Coker said more recent statistics show an even larger percentage of recently separated Vietnam veterans had completed high school at the time of their separation—over 80 percent for those separated in the past two years.

Another comparison, he said, revealed that about 66 percent of the current GI Bill trainees were high school graduates when they entered training, and another 11 percent had completed four or more years of college.

Coker also pointed out that although 53 percent of the current GI Bill trainees had dependents, only about 39 percent were drawing additional allowances for them.

This is because servicemen

Lazbuddie News

Mrs. Richard Engelking

A family birthday dinner was held Sunday in the Pete Jesko home. The honorees were Maureen Jesko (their daughter) Larry Acker from Tullia (nephew), and Mrs. Betty Bagley (sister) of Amarillo. Others completing the family gathering were Mr. and Mrs. George Jesko, DeAnna and Tammy of Amarillo, Mr. and Mrs. James Acker of Tullia and children, Carri, Sherri, Larry and Gary, Mr. and Mrs. C.W. James, Mr. and Mrs. Herman Hund and Tina of Hereford, and Mr. and Mrs. Joe Jesko of Lazbuddie.

Mr. and Mrs. Luther Hall returned this week from a visit with their daughter and family, Mr. and Mrs. Troy Sharrock and boys of Lordsburg, New Mexico.

United Methodist Church hosted their annual watermelon 'bust' Sunday night, Roy Farley supplied the watermelons.

Miss Marie Engelking was a recent visitor in her brothers home, the Ike Engelkings. She also visited briefly in the homes of her nephews and niece, The Jerry Engelking's, Richard Engelking's and the Floyd Embry's of Farwell on her way back to Many Farms, Arizona where she teaches on the Indian Reservation. Marie had many interesting stories to tell of her just completed world tour. She also visited with her sister-in-law Mrs. Vera Engelking of Muleshoe.

Lazbuddie Young Homemakers attended their area convention in Hereford, Saturday. Those going were President Mrs. Jerry Engelking, Mrs. Steve Young, Mrs. Darrell Mason and Mrs. Ronald Elliott. They also enjoyed going shopping afterwards and the special discounts they were given by the merchants in the Mall.

First Baptist hosted a fellowship for all area youth after the ballgame Friday night. Plenty of good food and fun was had by a large number of teenagers.

And speaking of that ballgame, oh me! I just can't think of enough good things to say about our boys. When you score 64 points, you surely deserve some praise, as well as Coach Pat Casey. A jam packed Lazbuddie stadium saw a 77 lb. lad run for the two extra points after one of the exciting touchdowns, a fast-back run for a 92 yd. touchdown play and then they play switch-a-round and the quarterback makes an exciting catch for another score.

Of course, I especially enjoyed the game, after being cooped up (that's for the birds!) for what seemed like all summer and half of next year, recuperating from my spinal fusion. But the Doctor says I am now free to drive and go-go.

and veterans taking correspondence courses, and those going to school less than half time are not eligible for these additional benefits, he explained. Coker urged veterans interested in applying for educational benefits to contact their nearest VA office. The VA Office in Lubbock is located at 1612-20 Nineteenth Street, In-

formation may also be obtained by writing the VA Regional Office, 1400 North Valley Mills Drive, Waco, Texas 76710. ON GUARD DEFERMENT A former chief of manpower and reserve affairs, Alfred B. Fitt, has called for an end to draft deferments for Guardsmen as a step toward changing the Guard's image "as a way to avoid the draft."

State Bar-B-Q For Contestants Slated Soon

A barbecue honoring all statewide officials is slated for September 26 in Lubbock. Those officials who will attend are Governor Preston Smith, Lt. Governor Ben Barnes, Speaker of the House, Gus Mutscher, Attorney General Crawford Martin, Candidate for Land Commissioner, Bob Armstrong, and Candidate for the United States Senate Lloyd Ben-

tsen. Congressman George Mahon of the 19th District has expressed hopes that he will be able to attend if his schedule will permit. Also, a special invitation has been issued to former President Lyndon Baines Johnson. The barbecue will be held in Lubbock Municipal Coliseum, across from Jones Stadium, at 4:30 p.m., prior to the Texas

Tech-University of Texas football game which will begin at 7:30 p.m. Parking spaces will be reserved in the Coliseum parking lot for those who will attend the barbecue. The Church Wagon Gang of Odessa will cater the affair with special entertainment provided by the Blue Ridge Special of Lubbock. Also, there are hopes of obtaining top name entertainment

for the affair. Tickets for the barbecue may be purchased at the door at a price of \$5.00. There will be no formal speeches as the barbecue has been planned so that those attending the Texas Tech-University of Texas football game may meet our state officials and enjoy a good meal and top entertainment prior to attending the game.

12-month school in Missouri called a success. Stainless steel is used in new furniture. Nickel Helps Cool Gotham Because it resists high-temperature combustion gases, 700,000 pounds of nickel will be used in alloy form for the fabrication of 102 gas turbines that will provide 20 per cent of New York's electricity requirements. This is the quantity of electricity needed to operate Gotham's air conditioners during peak summer usage.
