Kitty's Korner By Kitty Montgomery

We are going to have to delete "where the air is pure" in our caption describing Ozona if the dump ground continues to send up its putrid smelling black cloud of air pollution.

For nights I have investigated every corner of my house, thinking something electrical was on fire, even went so far as to go out and check my car. Other night I felt sure every neighbor I had was burning garbage during the wee hours, from the smell of things. Then on Saturday I was horrified to see a tremendous black cloud covering the town. I thought it must be an oil well on fire and then someone told me it was merely the dump ground burning.

Good grief, and here I never thought that the problem of air pollution would concern Ozona. Guess all we can do is pray for a steady north wind.

If the United Nations peace-keeping force fails to settle the dispute in the middle east, maybe the world will wake up to the fact that this organization serves no useful purpose and consign it to the rubbish heap where it is long overdue.

After looking at the map of the trouble spot, one need not be a strategist to realize that our commitment there is extremely unsound, at least in the military sense. A small country completely surrounded by the enemy with the mad-man of Egypt, Nassar, calling the shots adds up to a highly explosive situation. Since our national policy has become "let us fight a war, but let us use every means at hand to avoid winning a war," I hope to goodness that somehow we manage to stay out of it. We have already spread ourselves pretty thin, trying to feed the world, educate the world and keep peace in the world. And, what do we get for our efforts? A big fat black eye.

Hope everyone gets his subscription to the Stockman paid before the new rates go into effect June 15. I won't get the subscription billing done before then. So having no computer, I will be billing subscribers at the new rate even for past due years. This will no doubt create a problem, but I am used to problems since we have at least one a week. Somehow we always manage to find a solution of some sort. After weathering the zip-code, I am sure we will survive the rate raise.

I had rather come face-to-face with a hungry lion, dodge the atom bomb or go to the dentist than do battle with the irate parent of a little league ball player because of something we did print or did not print in our coverage of Little League ball games.

We are bound to err here and there, but for some reason everybody else seems to accept this as human and forgive us with the exception of parents of little leaguers. If it weren't for the kids, we'd just print the standings and forget it.

I'll admit there is plenty of room for error. Bill Lewter, another human, brings in the game reports (no compensation); I, who am completely unqualified to write sports stories, write the story, which in turn is edited, set in print by the line-

Wool & Mohair Judging Team Is Fifth In State

The Crockett County Senior 4-H Wool & Mohair Judging team placed fifth in the State Wool & Mohair Judging Contest held at Angelo State College last Saturday. Members were, Buddy Couch, Jesse Deaton, Don Edgerton and Alton Everett.

By winning fifth place, the Crockett County 4-H Wool Judging team qualified for the National 4-H Wool Judging contest to be held during the Sonora wool show in June. Members of the qualifying team were, Buddy Couch, Alton Everett, Eugene Vinson, and Cyndie Whitehead.

A Crockett County 4-H team won the National contest last year, edging out a Colorado team by the slim margin of one point. Members of the National Champion wool team were, Steve Taliaferro, Jesse Deaton, Don Edgerton and Duwain Vinson.

The Junior Wool & Mohair Judging team failed to place in the State contest. Team members were, Jim Bob Bailey, Craig Barber, Kathy Williams and Craig Taliaferro.

Ozonan's Stolen Pickup Found In Ciudad Acuna

Officers recovered a pickup, stolen from the home of Al Loudamy Saturday morning, in Ciudad Acuna late Saturday.

They returned to Del Rio Sunday and took a statement from John Peacock, who is in jail there on charges of car theft. The man, who gave his home address as Arkansas City, Ark., was arrested in Uvalde while in possession of a car stolen from Del Rio.

The suspect allegedly abandoned the pickup in the Mexican city, walked across the border and took a car from the Texas town. The pickup was stolen here sometime between midnight and 5:30 a. m.

County Receives Scattered Rains

Ozona received from .38 to .50 of an inch of moisture early Monday morning, while other portions of West Texas recorded upwards to 6 inches. The rainfall, coming on the heels of a weak front, was accompanied by high wind.

The heaviest fall reported in the county was north of town where the Vaughn ranch reported 1½ to 2 inches. Southeast of Ozona the Ashby McMullan ranch reported 1.12 inches. An unconfirmed report said 6 inches fell on a ranch between here and Sonora.

South of town the James Baggett ranch reported .32 of an inch of rainfall, while further south the George Montgomery ranch received only .2 of an inch. No appreciable amount was reported west of town.

A thunderstorm early Wednesday left a trace of rain on Ozona, but the McMullan ranch and Demp and Ralph Jones ranches all reported another 1.3 inches.

5 Hospitalized After Car-Pickup Crash On Hiway

A car-pickup collision at the intersection of Hwy 290 and the Pandale road around 9:15 Monday morning sent five persons to the Crockett County Hospital.

The accident occurred when Mrs. Walter Capps, with Mrs. E. C. Alford a passenger in the 1965 Dodge automobile, attempted to make a left turn onto the Pandale road while traveling west on Hwy 290. A 1965 Chevrolet pickup, driven by Richard E. Reynolds of Ft. Sam Houston and accompanied by his wife and her mother, Mrs. Gerdyne Kalandar, traveling east on the highway collided almost head-on with Mrs. Capps' car. Reynolds swerved the pick-up in an attempt to avoid a collision and hit the right front fender of the automobile, overturning the pickup twice.

Both vehicles were demolished, according to investigating officer, Orville Perry.

Reynolds was treated for lacerations and bruises in the emergency room of the hospital and released, while all four women were hospitalized. Mrs. Capps and Mrs. Alford are in satisfactory condition. Mrs. Reynolds and Mrs. Kalandar, who was most seriously injured, were reported to be in satisfactory condition yesterday, after being taken off the critical list late Monday.

Ozona Methodists Attend Conference

Rev. and Mrs. Leonard Garrett are in San Antonio this week attending the Southwest Texas Annual Conference of the Methodist Church, in session from Wednesday through Sunday afternoon. The Conference will close with the reading of appointments of ministers Sunday afternoon.

Mr. and Mrs. Alvin Harrell are attending the Conference as delegates from the local church.

Rev. Garrett will be the guest preacher Sunday at the Highland Terrace Methodist Church in San Antonio.

There will be no morning service at the church here Sunday while the pastor is away. Sunday School classes will be at the usual hour.

Crockett 4-H Range Team Wins Area Invitational Judging Meet

Murder Charge Filed In Death Of Aged Man

Juan Rodriguez, Jr. was jailed Friday afternoon on charges of murder and bond set at \$5,000. The charges were filed after an autopsy report from a San Antonio pathologist indicated that the death of Thomas Mar, about 88, could be due to an alleged attack by Rodriguez.

The incident occurred a week ago Saturday when Rodriguez entered the home of Mar, where his small daughter was crying. Rodriguez admitted to slapping the old man when questioned by officers. Both Mar and the little girl were examined by a local physician. The child was found to be unharmed and bruises about Mar's face were thought to be superficial.

Immediately after the incident, Mar was placed in the Crockett County Hospital while officials instigated a move to have him placed in the State Hospital at Big Spring as a senile demented. Mar died late the following Monday night and Sheriff Billy Mills ordered the autopsy.

The case will be brought before the next session of the grand jury. District Attorney Dixon Mahon indicated earlier this week that there might possibly be a called session soon, because of other cases needing the attention of the grand jury.

Ozona To Host Area Golfers At Week-End Tourney

Ninety-six golfers are expected to take part in the Ozona Country Club's annual Invitational Golf Tournament this weekend. Early Thursday morning a total of 65 had registered.

Defending champion, Ed Handley of Midland, will defend against some of the top golfers in the area.

Sets of woods will be awarded to flight winners and runners-up, consolation winners will receive golf bags and runners-up will be awarded golf balls.

Supper will be served at the country club Saturday evening to contestants, club members and their families.

7 Crockett 4-H Members To Attend A&M 4H Round-Up

Seven Crockett County 4-H members will attend the State 4-H Round-Up at Texas A&M June 6-8, and participate in the State 4-H contests. Representing Extension District 6 as first place winners in district elimination contests will be, Mary Jane and Mary Frances Martinez in Vegetable Preparation and Use Team Demonstration; Janie Edgerton in Natural Resources Demonstration; and the Grass Identification Team of Duwain Vinson, Jesse Deaton, Eugene Vinson and Don Edgerton.

Accompanying the 4-H members to A&M will be County Agent Pete Jacoby and Donna Taylor, C. H. D. A. at-large of Ft. Stockton.

A Crockett County 4-H Range team won the annual Crockett County Invitational Range Judging contest held last week and San Saba FFA took top honors in the Grass Identification contest.

High individual Range Judging honors went to Jesse Deaton, Crockett County 4-H; and top grass judge was

Crockett Worm Case Is 39th In State This Year

Mission — Texas recorded its 39th screwworm case here today, May 30, when a larval sample sent in by a Crockett County rancher proved to be positive.

Bud Hoover, who operates the Bill Hoover Estate Ranch 35 miles southwest of Ozona on the Pecos River, said the worm sample was taken from the navel wound of a new-born calf in his herd. Crockett County, in Extension Service District 6, lies immediately north of Brewster and Val Verde Counties where recent worm cases have been confirmed.

Officials at the Mission Screwworm Laboratory, in cooperation with County Agent Pete Jacoby of Ozona, announced immediate plans for treating the ranch. They plan to drop 300,000 sterile screwworm flies over the area at the rate of 100,000 a week for a three-week interval.

Twelve non-screwworm samples arrived at the Mission lab for checking Tuesday, officials, reported. The worm samples were taken from sheep, horses, cattle and wildlife. "We need to keep the samples coming in at a rapid rate so that we can identify and treat cases immediately and keep the infestations from spreading," Dr. M. E. Meadows, Jr., veterinarian in charge of field operations, explained.

Suburban Co. Acquires Interest In Area Property

Suburban Propane Gas Co. Whippary, N. J. has expanded its gas properties in West Texas.

A 50 per cent working interest in 69 gas wells in Crockett County and a 37½ per cent interest in the Ozona gas processing plant were acquired from Pauley Petroleum Inc., of Los Angeles. Purchase price was not disclosed.

Wells and plant are in the same area where Suburban has a 70 per cent interest in 31 gas wells on more than 12,000 acres in the Ozona gas field.

Suburban now has a gross interest in 172 gas wells, two gas-processing plants, 146.8 miles of gathering lines, and 70,000 acres of oil and gas leases. It has a gross interest in 60 million cubic feet of well-stream gas, with residue-gas sales of 51 million cubic feet daily to two pipelines.

Wells and plant involved in the sale are operated by Delta Drilling Co.

The Ozona plant currently processes 40 million cubic feet of gas daily, and produces 50,000 gallons of condensate and 80,000 gallons of LP-gas daily.

Mark Jacoby, Sutton County 4-H. Each top judge received a trophy from the Crockett County Water Control District.

Members of the Crockett County Champion Range Judging team were, Jesse Deaton, Don Edgerton, Eugene Vinson and Alton Everett. Members of the top San Saba FFA Grass team were Melvin Hale, Billy Lynn, Roy Maultsby and Jerry Kidd.

The Crockett County 4-H Range team received the Ozona National Bank Revolving trophy as top range team of the contest.

High individual and team awards in range and grass were furnished by the Crockett Soil Conservation District Supervisors, sponsors of the annual event. R. A. Harrell and Troy Williams, district supervisors, made the presentations to the winners.

The 4-H Mother's Club and the Ozona FFA served a barbecue supper in the City Park to all the contestants leaders and special guests.

Mrs. Ruben Whitehead served as chairman of the barbecue committee.

The contests were set up and supervised by Sam Fitzhugh, Crockett County Soil Conservation Work Unit Specialist and G. O. Hoffman and B. J. Ragsdale of Texas A&M University.

Fourteen 4-H and FFA judging teams participated in the contests.

Complete results of the contests are as follows: Senior Range Judging, (Continued on Page Seven)

Oil Well Blowout In West Crockett Field Controlled

A blow-out in a northwest Crockett county well was quickly controlled and resulted in no fire or injuries to personnel late last week.

James G. Brown & Associates, Midland, No. 1 C. T. Harris, in 12-3-WCRR, unidentified prospect, 22 miles southwest of Big Lake and 1 1/2 mile north of the Escondido (Ellenburger, Fusselman and lower Pennsylvanian) field, has indicated production in a second unidentified zone with the flowing of gas at the estimated rate of 15 million cubic feet and oil at the estimated daily rate of 600 barrels per hour while the well was out of control for eight hours.

Operator had drilled to 8,437 feet when the project blew out. There was no fire and no injuries. It was brought under control by pumping in a large quantity of heavy mud.

Eighth producer and a 1 1/2-mile south extension was indicated in the JM (Ellenburger) field of southwest Crockett with the flowing of gas at the maximum rate of 22 million cubic feet daily when drilling reached 13,278 feet at Shell Oil Co. No. 11-1-A Mitchell, in 11-Q3-TCRR, 35 miles southwest of Ozona.

It flowed 1 1/2 hours on a 1 1/2-inch choke, making gas at the rate of 9.2 million to 12.5 million cubic feet daily. It then flowed through two 3-inch lines on two 1 1/2-inch chokes, making gas at the

Strictly speaking, the game of bridge can't be classified as a sport in the generally accepted sense of the word. There are those, nevertheless, whose efforts at winning the game seem every bit as strenuous as those exerted by the rugged athlete. A relatively recent arrival on the Western recreational scene, despite its long-standing success, bridge was not played in Europe until the 1860's. It was first known in Russia, in fact, little is known of its background and history. Some experts, however, believe that the game was originally Turkish, and was imported to Europe via India.

Crockett Water Resources Ample Survey Reveals

Much more underground water is available for development in Crockett County than now is being pumped, according to Texas Water Development Board's latest report, titled "The Occurrence and Quality of Ground Water in Crockett County." Copies of the report were presented to the Commissioner Court here last week by Fred Osborn of the Texas Water Development Board.

Total pumpage of water in the county in 1963 was about 5,670 acre-feet. Approximately 45,000 additional acre-feet could be pumped annually from the Edwards-Georgetown aquifer alone, the

publication notes. Report 46, "Occurrence and Quality of Ground Water in Crockett County, Texas," was written by Hilary H. Iglehart. It was prepared by the Water Development Board in cooperation with Crockett County Commissioners Court.

Water quality in area wells varies greatly, but generally is good. Typically, water is hard and high in fluoride content. Only a few wells are considered unusable.

At several places in the county, oil-field brine has been disposed of by undesirable methods such as dumping it directly on the ground or storing it in open unlined surface pits. Locally, lower water quality has resulted from these practices.

The report says injection of brine deep into the ground is the best method of disposal at present. Disposal by

injection into overflowing wells or wells with corroded casing, however, may contribute to water contamination. Unplugged or inadequately plugged oil or stratigraphic test holes may also be a source of contamination in the future.

The report reveals an amazing volume of brine produced from oil producing wells in the county in the year 1961. In that year, the report reveals a total 47-187,814 barrels of brine were produced. Of this ocean of sea water, all but 1,873,984 barrels were pumped back into deep formations but those near two million barrels were disposed of in open, unlined pits to become a threat to pollution of the county's fresh water supply.

Copies of Report 47 may be obtained from Texas Water Development Board, P. O. Box 12386, Austin, Texas.

No! It doesn't happen in one day. It takes four years. And it's not really the years that count. It's the days ... and the hours.

For when the scroll is in our hand ... what are we? We are what we have become ... gradually ... through all those hours, days, and years.

So the wiser among us recognize a degree for what it is; a recognition of knowledge and proficiency that have been attained.

And while we're acquiring that knowledge ... and while we're applying that proficiency ... we build into our hours, days and years the spiritual fibre of religious conviction and Christian service.

For gradually — we are becoming the men and women that one day we will be!

THE CHURCH FOR ALL • ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Shower Honors Miss Judy Ingham

Miss Judy Ingham, bride-elect of J. W. Aley, Jr., was honored with a gift coffee Saturday morning at the home of Mrs. James Childress.

Mrs. Bob Childress greeted guests.

Receiving guests were Mrs. James Childress, the honoree, the honoree's mother, Mrs. B. B. Ingham; Mrs. J. W. Aley of Winters, mother of the groom; Mrs. B. B. Ingham, Sr., grandmother of the bride-elect, and Mrs. Neville Smart of Rocksprings sister of the bride-elect.

Presiding at the bride's book was Mrs. Tommy Johnson of McCamey.

At the serving table were Mrs. S. R. Selby, of McCamey and Mrs. Dudley Ingham of San Angelo, both aunts of the bride-elect, and Mrs. B. B. Ingham, II of Sonora, the honoree's sister-in-law.

Other members of the house-party were Miss Bonnie Carson, Miss Chris Clegg, Miss Cora Coates, Miss Janice Walker and Mrs. Joe David Ross of Sonora.

Hostesses with Mrs. Childress were Mrs. James Baggett, Mrs. Beall Barbee, Mrs. Bill Clegg, Mrs. Bill Carson, Mrs. D. F. Coates, Miss Jacqueline Couch, Mrs. Jerry Davenport, Mrs. Fred Hagelstein, Mrs. J. B. Miller, Mrs. H. C. Noelke, Jr., Mrs. Sam Perner, Mrs. Arthur Phillips, Mrs. Mahlon Robertson, Mrs. W. T. Stokes, Mrs. C. O. Walker, Mrs. O. D. West and Mrs. W. H. Whitaker.

The serving table was laid with a white embroidered organdy and linen cloth and centered with an arrangement of white stock with puffs of blue tulle. Serving pieces were of white iron-

stone. Floral arrangements throughout the house carried out the bride-elect's chosen colors of blue and white.

Miss Ingham was also honored with a gift tea earlier this month in the home of Mr. and Mrs. George F. Lloyd in Winters.

Recent Bride Is Luncheon Honoree

Mrs. Floyd Henderson, Mrs. Jake Short and Mrs. James Burnett were hostesses in the Henderson home Wednesday at a luncheon honoring Mrs. William David Pender, Mrs. Henderson's granddaughter. Mrs. Pender is the former Betty Henderson, daughter of Mr. and Mrs. Dick Henderson of Yuma, Ariz.

Mrs. Pender is here for a few days visit before leaving for Long Beach, Calif., where she will attend school this summer and where she will be joined by her husband, now is stationed in Hawaii in the U. S. Navy. They were married recently in Yuma.

Guests for the luncheon were Misses Debra Mills, Connie William, Kay Kyle, Jill Applewhite, Lucille Childress, Cynthia Mahon, Bonnie Carson, Peggy Hagelstein, Jamie Edgerton, Esther Williams and Helen Henderson.

Mr. and Mrs. Chris Perner and son, Mike, were here for a few days visit early in the week with Mr. Perner's parents, Mr. and Mrs. Stephen Perner, and his brother, Sam Perner, and family. Chris is employed with the NASA program in Houston.

Girl Scout Day Camp Draws 102 In Attendance

The 3rd Annual Girl Scout Day Camp was held last week with an attendance of 102 Crockett County Scouts. Highlights of the week were a progressive dinner, camp crafts, sing-songs, camp skill demonstrations and open house.

Parents and friends were treated to "open house" Friday night, the last day of the week-long affair. They visited each unit and then gathered around the flag pole, where Brownie Unit II conducted the Flag Ceremony.

The camp-fire program, planned by Unit VII and including a skit from each unit, featured Christy Davidson as master of ceremonies.

The planning unit began the program with a ceremonial fire, using the Girl Scout laws, and echo groups singing "Cum Bah Yaw."

Units I and II sang "A-wuni Kuni" with motions and wore Indian head dresses made by Scouts from turkey feathers.

Unit II performed a successful operation with Jennifer Nicholas as the patient. After the removal of a very long chain, the patient was greatly improved.

The history of the Clorox bottle was shown by Unit IV and many items made from discarded bottles were shown. A fashion show of the new paper dresses by Unit V followed with all dresses made of newspaper.

A skit by Unit VI entitled "Bubble Gum" depicted what happens in a camp when

bubble gum is chewed.

Diana Tijerina presented Mrs. Ernest Dunlap, camp nurse, with an appreciation gift. Teresa Shaw presented the camp director, Mrs. Sam Fitzhugh, with a gift and Sandra Sands presented Mrs. Charles E. Davidson III, business manager, with a gift.

Open house was closed with the playing of Taps by Charlene Strickland. Some of the older Scouts camped out overnight.

During the week of the camp the Cadette troop provided an exciting spook trail for the fifth and sixth graders. The sixth grade entertained the fifth grade with a snipe hunt. Second year brownies received their Girl Scout fly-up wings during a lantern lit ceremony.

Scouts and leaders expressed their appreciation to Bill Baggett for the use of his land for the camp and to Jim Marks, who donated ice for the entire week.

Day camp program aides were Marla Barbee, Skookie Edgerton, Connie Ellis, and Kathy Lynn Russell.

Adult leaders and helpers were Mrs. Jimmy Jones, Mrs. Doyle Lovell, Mrs. George Bunker, Jr., Mrs. Dick Kirby, Mrs. Jim Marks, Mrs. Sam Perner, Mrs. Mike Clayton, Mrs. Joe Boy Chapman, Mrs. Mike Miller, Mrs. Frank McMullan, Jr., Mrs. Dempster Jones, Mrs. Bill Seahorn, Mrs. Taylor Deaton, Mrs. Lawrence Janes, Mrs. Ronald Pennington, Ronald Pennington, Miss Dorothy Price, Miss Ethel Wolf, Mrs. Norma Flores and Mrs. Katherine Fuantoz.

Gary Pagan is home on leave, after finishing his basic training in the Army at Ft. Bliss. He will leave here June 11, for Ft. Benning, Ga.

GOTCHERS HONORED BY FACULTY CLUB

Mr. and Mrs. C. W. Gotcher were honored by the Faculty Club Tuesday night in the home of Mr. and Mrs. Claud Leath. A covered dish luncheon was served and a gift presented to the Gotchers from members of the club.

Mr. and Mrs. Gotcher, who have been in the public school system here for 15 years, retired this year.

Others attending were Mr. and Mrs. Ron Murdock, Mr. and Mrs. L. B. T. Sikes, Mr. and Mrs. M. A. Barber, Mr. and Mrs. W. F. Gerber, Mr. and Mrs. Tommy Sanders and Mr. and Mrs. Roy Killingsworth.

Moore Oilers, Flying W Tied For League Lead

Moore Oilers and Flying W Ranchers are tied for the championship in the first half of Little League play, each winning 5 and losing 3. The two teams are pitted against each other tonight and the winning team will take the honors. B&B Grocers hold second place with a 4-4 record and Ozona Oilers are trying to climb off bottom, winning their last 2 games, after a 6-game losing streak.

Thursday night Moore Oil, suffered its second straight loss at the hands of B&B by a score of 7-4. The Grocers led all the way behind the fine pitching of Melecio Martinez, who also collected a grand slam home run. Ned Stephens was the losing pitcher. In the second game, Ozona Oil won its first game of the season after 6 losses by pounding Flying W Ranchers 11-1. The game was called in the fifth on the 10-run rule. Leading hitters for the Oilers were Gerald Huff and Mike Williams with three hits each, while Lesley Russell and Jack Baggett collected 2 apiece. Chris Reeves slammed a three-run homer and was also the winning pitcher. Jeff Stuart took the loss for the Ranchers and led their hitting with 2.

Ozona Oil won its second game Monday night, while handing Moore Oil its third defeat of the season, 7-2. Chris Reeves was the winning pitcher and Ned Stephens the loser. Gerald Huff, Lesley Russell and Jack Baggett paced the Ozona Oilers' attack with 2 hits apiece. Flying W defeated B&B 6-5 in the second game to tie the Moore Oil for the league lead. Gerald Olson was the winning pitcher and Melecio Martinez the loser. Gary Mitchell of B&B led in the hitting department with three hits.

In minor league play Friday night the league leading Yankees defeated the Dodgers 25-5 and the Astros downed the Giants 10-7. Tuesday night the Giants pounded the Dodgers 20-4 and the Yankees beat the Astros 14-2. The Astros' Ray Galindo collected another home run, his third of the season.

Mrs. James Dockery and daughters, Stacy and Shannon, along with Mrs. George Montgomery, left yesterday for a visit with relatives and friends in Comanche, to attend a show at Fort Worth's Casa Manana and a tour of Six Flags.

type operator (another human) and then hastily proof read by whoever happens to have time on Wednesday afternoon (probably another human).

So after giving it some thought, we have decided that anyone who wants the job can have it. From beginning to end along with their by-line, I feel sure Bill Lewter will agree. But if we have no takers, no more complaints. **OK?**

We have a sad situation in our neighborhood. Our kind-hearted neighbors, the Colletts, took on the job of caring for a mother dog and seven puppies while their owners were out of town. A short time later, the mother dog was poisoned and for weeks now they have taken turns feeding the puppies. However, every cloud has its silver lining and the puppies are all healthy, cute and eating well. And, they are ready for adoption. Anyone wanting one call 392-2090 and have the pick of the litter. They have all colors, shapes and sexes.

While Owner Hunts For Fishing Spot, Fire Destroys Car

Mrs. Kay Blackman of Sheffield parked her 1965 Buick automobile on the side of Red Bluff Rd. in Crockett County late Saturday and walked down to the Pecos river in search of a fishing spot. Glancing back at her car, she noticed smoke coming from the dash.

She hailed a ride from a local rancher and called the Iraan Fire Department. However, by the time the firemen arrived the car had burned completely.

Investigating officer Orvil Perry estimated the vehicle a total loss.

unable to attend and Mr. Carson who was slightly ill, all members of the Planning Board were present for a covered dish supper in the backyard garden at the home of Mr. and Mrs. Harrell Friday night.

With all members present, the Planning Board met at the fort Saturday morning to organize and to begin its planning. Dr. Jelks was named chairman of the group and Mrs. Clayton as secretary.

Dr. Jelks told the committee that their first step would be to decide on the disposition of the fort site. Mr. Meadows suggested that the land be offered the state park and historic site. The Meadows deeded the 3 acres of land to Crockett County and the county is expected to make the offer of the deeded land at the proper time.

Dr. Jelks then named committees to work on specific parts of the master plan for the partial restoration and development of the fort site between now and August 1 when the planning committee will hold its second meeting.

Named to study and report on construction costs was Mr. Clift, the architect, from Odessa. To estimate needs, planning, construction and interpretation, Dan Scullock of the State Parks and Wildlife Department was named by the chairman. Dr. Dukes, ASC historian, was appointed to do the historical research on the project and to estimate the archaeological work at the site. Dr. Jelks named himself and Dr. Tunnell, the state archaeologist.

The state legislature in the last days of the just closed session, appropriated \$250,000 to further acquisition and development of historic sites and parks, includ-

ing Fort Lancaster and four other historic sites for first attention. Mrs. Harrell has given outspoken praise to State Senator Dorsey B. Hardeman of San Angelo and Representatives Hilary Doran of Del Rio and Gene Hendrix of Alpine for their efforts in behalf of Fort Lancaster's inclusion in this appropriation.

While on the site, members of the planning committee studied ways of making the site more attractive in its present state and marked a layout of trails for tourist guidance. Plans were also discussed for securing attractive temporary signs to be placed on the fort grounds and preparations of a brochure on the fort for distribution to interested persons.

In discussing plans, members of the committee pointed to the urgency of making the site ready as a tourist attraction by the time the Hemisfair is ready in San Antonio and as a part of the statewide effort to provide more and more attractions for tourists visiting the state.
