Kitty's Korner

By Kitty Montgomery

"Writing a newspaper column is like giving birth to a porcupine." I found this expression in a story about a man who had been writing a weekly column for sixteen years and immediately wondered why I hadn't said it first. It's certainly more truth than poetry.

I have found in my two and a half years of writing this column to always expect the unexpected. If I have a mental block and just fill up the page with words one week, everyone I see after the paper comes off the press showers me with compliments and declares it's the best I have ever turned out. When I labor over the darned thing for a week and feel it's really pretty good, I get no comment.

It is impossible to write a column without offending someone, somewhere, every week. Many times I have written my weekly offering with one thing uppermost in my mind, "to avoid at all costs offending anyone." I found early in the game that this didn't work and the only result was a lousy column with someone mad at me rather than an interesting column and someone else mad at me.

Now I never waste time wondering if something I've said is going to make someone mad, I just wonder how many and go on about my business.

Another thing is what I say, and what people think I say. I have certainly found that my column can be translated as many different ways as the Bible.

However, writing a weekly column has its compensations. I have found that the good so far outweighs the bad that it makes it worthwhile, most of the time.

Don't forget the tasting tea today, sponsored by the Garden Club. You'll get some new recipes and if you take the whole family, you won't have to cook tonight. A taste of everything is really a plate full.

Received a delightful note from former Ozonans, Mr. and Mrs. Lee Wilson, who now reside in Truth or Consequences, N. M. Enclosed was a check for membership in the Historical Society.

I didn't really mean to be soliciting memberships last week when I mentioned the plight of the museum, but if there are other out-of-

Lamb Feeding Projects Begun By 4-H Members

Thirty nine 4-H members have lamb feeding projects underway for the county 4-H livestock show in January. Commercial type feeder lambs were selected from local producers for the feeding projects. All the lambs have been shorn, weighed placed on feed.

The youthful feeders, which include ten girls, will compete for numerous awards furnished by local business firms and individuals.

At the conclusion of the meeting, the Heart of Texas District, TFWC, pledged its support to securing more traffic safety legislation, and

Both Engines Dead, Falling Jet Aircraft Narrowly Misses Ozona

SAYS 7-YEAR-OLD SON —
Bravo, Pop!
You Finally Got
To Use The Chute

Major Wm. E. Hitchcock, who escaped without injury Monday afternoon when he and Lieut. Col. James Mullins were forced to eject from their two motored jet fighter plane over Ozona, found some consolation in his experience.

It was the first time for either officer to parachute from a plane.

"My 7-year-old son will be proud of me," Major Hitchcock said. "I have been flying planes in the Air Force for 14 years and my son can't understand why I have never used my parachute."

Two Arrested On Charges Of Cattle Theft

Two men were arrested in Big Lake Monday and charged with cattle theft in connection with the killing of three cows and the butchering of one at the Vic Montgomery ranch northwest of town late Friday night or early Saturday morning.

Arrested were Robert D. Hutchinson of Big Lake and James R. Hill of Big Spring. Hutchinson made bond and was released. Hill is still in Crockett County jail, in lieu of bond.

Sheriff Billy Mills was notified when the ranch foreman found a cow near one of the ranch roads that had been shot and had the hindquarter removed. Investigation revealed two more dead cows. One had apparently been hit by a car and had its throat slashed.

Sheriff Mills was alerted by Big Lake authorities by radio on his way back to town. An investigation of one of the men's lodgings led to the arrest in Big Lake.

Supper To Honor Past Masters Of Masonic Lodge

A buffet supper, sponsored by Ozona Masonic Lodge, will honor all Past Masters and widows of Master Masons of the Ozona Lodge Monday at 7:00 p. m. at the Civic Center.

Guest speaker will be H. W. Fullingim, Past Grand Master of the Grand Lodge

What might have been a major tragedy for Ozona was narrowly averted shortly after noon Monday when a U. S. Air Force jet fighter plane lost both engines at 20,000 feet directly over the city and plunged to earth just 3½ miles southeast of downtown Ozona.

The plane's pilots, Lieut.

Record Numbers Attend Firemen's Assn. Convention

A larger attendance than was expected marked the Hill Country Fireman's Assn. Convention last Saturday here in Ozona. In expressing his appreciation to the merchants, local organizations and others who helped make the affair a tremendous success, Fire Chief Jim Marks said about 60 more participants than were expected arrived Saturday for the all-day affair.

Approximately 215 people had registered by noon Saturday and around 310 attended the barbecue after the races Saturday afternoon.

The races, which highlighted the convention, were held Saturday afternoon at North Elementary School. A large crowd of spectators watched the Brownwood Fire Department capture most of the first-place awards.

The six-man race was the third win in a row for Brownwood, giving them the revolving trophy to keep. In turn, they will donate another trophy. They also took first place in the one-man race and the men's water polo, taking home \$60 in money.

Santa Anna won the three-man race, collecting \$15 in prize money and were awarded the \$25 prize for the most man miles traveled.

In the ladies auxiliary races, Eldorado made a clean sweep. Eldorado took the \$10 first place prize in both the ladies pumper race and water polo. Bell Harris of Eldorado collected first place prize money for the ladies nozzle race.

Other towns represented included Ballinger, Bangs, Brady, Coleman, Del Rio, Eden, Junction, Mason, Sterling City, Winters, Early and Sonora.

State Rep. Hillary Doran Jr. of Del Rio spoke at the morning business session. A dance at the country club climaxed the fall convention.

Col. James Mullins of Austin and Major William E. Hitchcock of Sacramento, Calif., parachuted safely from the stricken plane at 8,000 feet and landed without serious injury about a half mile from where the plane crashed on the W. E. Friend ranch. Colonel Mullins suffered a slight back injury and was flown back to their base at Bergstrom Air Force Base in Austin by ambulance plane. X-ray examination at the Crockett County Hospital revealed no bones were broken.

The Air Force officers reported that both engines "conked out" simultaneously while they were flying west at 20,000 feet directly above Ozona. The delta winged fighter craft, the type now in use in Vietnam, fell in a circular dive that barely veered away from the center of Ozona. The fuel laden craft exploded with terrific force on impact with the ground, blasting out a crater about five feet deep, down to solid rock. The plane disintegrated from the force of the explosion, bits and pieces of the craft from the size of a dime to a shattered motor being scattered as far away as 1,000 feet.

Remains of the craft in the crater burned and fire singed grass and brush for several hundred feet around the point of impact. Two trucks from the Ozona Volunteer Fire Department went to the scene and extinguished the flames.

Sheriff Billy Mills and his deputies, Highway Patrolmen and members of the Border Patrol unit stationed here rushed to the scene. Witnesses reported seeing the men parachute from the plane and officers spread out over the area to find the pilots.

Major Hitchcock was unhurt except for a small cut on his nose caused when the rush of air crushed his glasses to his nose upon ejecting from the plane. Colonel Mullins landed about a half mile from the spot where the plane struck and Major Hitchcock, communicating via walkie-talkie included in the parachute kit, found him and made him comfortable until the Janes ambulance arrived to bring him to the hospital. Major Hitchcock rode into Ozona with Sheriff Mills.

Sheriff Mills said Major Hitchcock was high in his praise of Ozona. "I have never seen a prettier place nor one with finer, more friendly people," he said.

FAST ACTION was the order of the day at the firemen's races which was the afternoon feature of the Hill Country Firemen's convention here Saturday. Participants in the ladies nozzle race are shown above poised for action.

None Seriously Hurt In Rash Of Area Accidents

A rash of accidents in the area kept Highway Patrolmen Orville Perry and Dale Copeland busy the past week.

The officers investigated an accident just east of Barnhart in which a 1962 international truck and a 1965 GMC pickup figured in a rear-end collision. The truck was driven by Robert Allen Davis of Big Lake which up driven by Ira A. Wright struck the rear of the pick-up of Goldthwaite. There were no injuries and damage was light.

The same day a 1963 Mercury driven by Wm. C. Shirley of Odessa overturned on a double curve 34 miles south of Ozona on Highway 163. Shirley and a passenger, Dub Green, also of Odessa, were scratched and bruised but suffered no serious injury. Damage to the car was estimated at \$1600.

Another freakish accident occurred 9.7 miles west on U. S. 290. Euna Lee Covington was towing a 1953 Chevrolet belonging to Albert Lee Moody of Mobile, Ala., to Ozona for repairs in his father's garage. A Buick car driven by Isaac C. Corns of Northridge, Calif., was attempting to pass the double rig when the Chevrolet veered toward the center of the highway and sideswiped the Buick, throwing it into a bridge abutment. Corn's car was damaged about \$150 and about \$100 to the Chevrolet.

A minor collision on the Dairy Mart parking lot involved a 1961 Ford driven by Byron Stuart and a 1956 Plymouth driven by Mrs. Annie Bell Patrick. A bent fender and door resulted.

Yesterday morning, Mrs. Dorothy Friend intercepted a deer crossing Taylor Box road about 9 miles east of Ozona. Mrs. Friend was not injured, her car was damaged about \$100 and the deer was a total loss.

H. O. Akin, Jr., of Big Lake and Raymond Shattuck of Mertzon miraculously escaped serious injury yesterday afternoon when Akin lost control of the 1967 Ford, belonging to Shattuck, in attempting to miss a Crockett County road department dump truck. The car swerved off the highway to the left and then crossed back over the highway and turned over on the right barrow ditch. Akin and Shattuck wore safety belts and were only slightly hurt. Bobby Sanchez of Ozona was driving the highway truck.

WON'TS FOR HI SCHOOL STUDENTS

By Cheryl Jenkins

Don't get to school until 8:07 in the morning, for the tardy bell won't ring until 8:08, and it will give the teacher lots of pleasure to mark us present after having marked you absent.

Don't neglect to slam your door whenever you can; there is the halls, any emotion in the halls, and such a slight noise can't make much difference.

Don't fail to whisper in study hall; no one goes there to study anyway.

Don't pick up any waste paper that may be lying in the hall because janitors are hired to pick them up.

Don't fail to deposit your gum in the fountains; the sight of it adds pleasure to those who come to drink.

Don't fail to drive fast around the school; who cares if anyone gets hurt anyway.

Dear Gabby,
I have a problem that is very, very bad, and it is very embarrassing to me.

When I was about 8 years old I started drinking chocolate milk all the time. Well about 3 years later, I started getting hair on my chest!!! I'm 15 now and I look like a bear. It wouldn't be so bad

if I was a boy, but I'm a girl! I've tried shaving it, but it just grows back thicker. Please help!

Hairy
Dear Hairy,
Have you tried the spoiler. They work miracles.
Dear Gabby

I am a senior girl and I am besieged with dates. I have at least 2 dates a week-end and sometimes more. My problem is that all of the Fish girls are jealous of me because they never have any dates. Other Senior girls have this same problem. What can we do?

Got to take a little of that. All Seniors girl go through it!

Dear Gabby,
I have a problem. I enjoy reading. The problem is, I like to read Mother Goose. All of the kids in high school laugh at me and say I'm immature. Gee, Gabby I don't like to be laughed at and made fun of, but I love all the characters in M. G. and if my mother doesn't read me at least one M. G. story a night I get very upset and cry myself to sleep. Should I save face or continue in my pleasure of reading Mother Goose?

Sincerely,
A Humpty Dumpty Fan
Dear Humpty,

Try True Confessions. They are just as interesting.
Dear Gabby,

I have a problem. Let's see now, what was my problem? Oh, yes. I have a one track mind and I can't remember anything. I even forget — now what is it I even forget? Oh, yes, I even forget what I am going to, uh, say. This is a problem.
This is a problem, I think. What is a problem? Oh, yes, my forgetting. What should I do about my problem.
Signed Forgetter

Dear Gabby,
I'm a Sr. in High School and I have a problem. My boyfriend Gary Sutton says that I should go on a diet. But when I diet I get very crabby and I don't think I'm that much overweight. I'm 5'15 and weigh just 205 lbs. Gary is fatter than me.
Help, Crabby

Dear Crabby
It's obvious your letter is a fraud. The only Gary Sutton we have in OHS is a sleek, slender handsome gentleman with no faults at all therefore, if you really were Gs girlfriend, he wouldn't be crude enough to tell you you were overweight.

OPEN HOUSE
By Lorraine Payne

The members of the Ozona School Board were host to an open house which honored members of the teaching

staff and introduced them to the public Monday night, October 16, at the civic center.

The teachers were given a tag which gave their name and the school where they taught. The teachers were then introduced to the members of the school board.

Cake and coffee was served to the teachers and parents while they became acquainted with each other.

The attendance was very good at the open house, and everyone seemed to find it very enjoyable as well as beneficial.

The Ozona High School Choir traveled to Stephenville for a Choir Clinic at Tarleton State College last Saturday.

Four songs the choir sang were "Holy, Holy, Holy", "The Laughing Song", "Hear the Murmuring Waters," and "Gloria Patri."

Out of ten schools, Ozona had the largest attendance. The trip was very enjoyable except for one brain concussion.

THE FIRST PAGE OF Adventure

THE CHURCH FOR ALL . . .
. . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake, (2) For his children's sake, (3) For the sake of his community and nation, (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read you Bible daily.

I have to confess that once I thought mothers read to their children to entertain them—and keep them quiet. But it wasn't long before I began to see the results of storytime in my own youngsters' interests and understanding.

Obviously a child's imagination just keeps pace with the growth of his mind and body. Apparently it is in well-chosen stories that he first encounters the challenging adventures that will later become part of his own life.

Now I fully appreciate the skill and experience that underlie my Church's program for moral and religious training. Bible stories aren't some harried teacher's solution to a disciplinary problem. They are fundamental steps in the development of character and conviction.

So I am grateful to God who has given us the cherished narratives of man's spiritual discoveries. For my youngsters they have been the first page of adventure . . . and of faith!

Lions Gobble Junction Eagles, Sanderson Next

The Ozona Lions surprised the Junction Eagles with a 31-0 thrashing last Friday night in Junction, and tonight will be out to stretch their winning streak to three in a row when they meet the winless Sanderson Eagles at Lion Stadium at 8 p. m.

Coach Sam Mosley's crew is expected to handle the hapless Eagles with ease, and the Lions are in good physical shape.

Ozona rushed and passed for 425 net yards against Junction while holding the Eagles total to a mere 54 yards, all on the ground as the Eagles could not connect with a pass.

Although the Lions dominated play in the first half, they could not get on the scoreboard, and the first half ended scoreless. But in the second half, the Lions roared across the goal line 5 times, three via the airways and two on the ground.

Scoring for the Lions were ends Larry Kilgore (2 TD's) and Danny Maness and halfbacks Fleet Coates and Rodney Pagan. David Huff passed for two of the scores and Randal Clepper hit for one TD. Larry Webb added 1 extra point.

The most serious Lion threat in the first half came after a 72 yard sprint by Be-to Diaz that carried to the Junction 14 yard line. A fourth down try at the five failed, and the Eagles stopped the Ozona threat.

On the second play following the second half kickoff, the Lions picked up a loose Junction fumble at the Eagle 43. David Huff hit Kilgore along the sidelines with a pass, and Kilgore pushed aside the Eagle defensive back and sprinted to the end zone. The pass and run was good for 43 yards. The extra try was no good.

The second score came on the Lions' next possession when Coates darted 23 yards off tackle to make the score 12-0. Only four minutes later QB David Huff passed from the Ozona 32 to Maness who grabbed the ball behind the defender at the Junction 35 and raced untouched into the end zone. The play covered 68 yards. Webb added the extra point as the Lions took a 19 point advantage at the end of the third quarter.

The Lions added 12 more points in the final stanza on a five yard pass from QB Clepper to Kilgore and a twisting 22 yard scamper by Pagan, which ended a Lion drive of 47 yards.

RECENT BRIDE HONORED

Mrs. Pleas Childress, III, recent bride, was honored with a party at the James Childress home Tuesday afternoon. Hostesses were Mrs. Fred Hagelstein and Mrs. James Childress.

Guests included Miss Katrina Hardburger, Mmes. George Bunger, Roy Henderson, Floyd Henderson, Johnnie Jones, Bob Childress, Leon Burk, Earl Acton, Jim Evans, Bud Hoover, Boyd Clayton, Joe Clayton, John Childress, Hugh Childress, Jr. Lefty Walker, Bill Clegg and W. T. Gerber.

Mr. and Mrs. Leonard Drago and Mrs. Fritz Eckert and son of Midland spent last Saturday in Del Rio and Ciudad Acuna. They also visited the Amistad Dam construction project.

The Ozona defense was tremendous. Only 54 yards was permitted on the ground and the Lion secondary, playing their best game of the year, did not allow a single completion out of 12 Eagle attempts.

On the ground the Lions had 293 to 54; in the air 132 to 0; first downs, 19-4; passing, 10-6, to 12-0-3; the Lions fumbled once and Junction lost the ball twice; Ozona was penalized 5-40 and Junction 3-45; Ozona punts, 4 for 33 and Junction 7 for 38.

Cubs And Lion B Teams Drop Pair To Iraan Braves

The Cubs and Lion-B will go in opposite directions tonight when the Cubs meet the Eaglets in Eldorado at 6:00 o'clock and the B journey to Ft. Stockton for a 7 o'clock game.

Both teams went down to defeat last Thursday night in Iraan. The Cubs suffered their second loss of the season by a score of 18-20. Their first also was dealt by the Iraan eleven. The Lion-B took a 36-12 thrashing, their fifth straight loss in as many starts.

The Cubs started the scoring when three plays saw them on the 10 yard line of Iraan. Ruben Tambunga ran in for the score. The Braves took the kick-off and drove down to even the score 6-6, neither side hitting for the extra points.

The teams traded scores until the half, when it was tied 18-18. Tambunga did all the scoring for the Cubs.

The Cubs ran into hard luck the second half and fumbles and penalties at crucial moments ended their scoring for the night, while the Braves managed to get loose for two more tallies, ending the game 30-18.

Mass confusion reigned in the second game from the time the whistle was blown until the last few minutes of the last quarter.

Calling on the reserves the last 2 minutes and 59 seconds, Coach Ned Fowler got some action and the offense began to move.

The Lions got on the scoreboard twice, when quarterback Jim Montgomery hit Richard Sanchez on the 5 yard line with a 25 yard pass and again on the next possession when Montgomery connected with David Pagan from mid-field. Pagan ran over from the 15

We must bow to the fact that this is the computer age. There is no getting away from it. We know how elections are going to turn out after 1% of the votes are counted, long distance telephone calls are done through a computer, in some instances mates are found through information fed to a computer, a computer in the Pentagon assigns military men to duty and I found out just yesterday that shortly I will receive a message in the mail from a computer about what my son's calling in life should be.

My discovery came about when Jim came home after spending a day taking differential aptitude tests (whatever that is) and informed me that as soon as the computer reached a decision, I would receive the result in the mail. He didn't think he did very well over all.

I am secretly horrified that the machine will point out some completely unacceptable calling. However, I am more horrified that the computer, being only a machine, is unable to allow for human error.

Future generations will come to rely so heavily on computers to do their thinking for them, that they will undoubtedly become unable to think for themselves. This might be good in a way. When the machines wear out, nobody will be able to think how to build another batch.
