Mules Named To All-District

Two Mules Tabbed For Dual Honor

Muleshoe High School was well represented on the All-District Football Team for District 1-AAA for 1970 when six Mules were tabbed for honors when the teams were named

this week. Named for the first team offensive back was Bobby Hayes, 170-pound junior Mule, who was the district's leading scorer with 50 points. Receiving honorable mention for backs was Donnie Wheat.

Named to the first team defense with the down lineman was Rand Baker, 185-pound junior. Donnie Wheat was named to the first team defense linebackers and Bobby Hayes was named to the second team defensive linebackers.

One hundred sixty pound Mike Riley was named to the second team for defensive secondary and receiving honorable mention were Tommy Clements and Johnny Hayes.

The Mules completed a 3-7 season this year, and were 1-4 in district competition.

Included on the offensive team for the district are for Center: Sid Johnson, Levelland and Monte Wright, Perryton; with honorable mentions going to Gary Schwebe, Tullia; Gary Quillen, Dumas and Sam Kerbel, Canyon.

Guards, Mike Sailors, Dumas and Craig Zollars, Perryton, on the first team and Ronald Charles, Tullia and Mike Smith, Dumas on the second team. Honorable mention went to Bill Byrd, Canyon and Gary Reasor, Perryton.

First team tackles included Steve Wright, Levelland and Larry Pritchard, Canyon, with Rex Thompson, Perryton and Steve Stafford, Dumas being named to the second team.

First team ends include Mickey Hartman, Dumas, and

Booster Club Slates Meeting On Basketball

President Jim Shafer, of the Muleshoe Athletic Booster Club, has announced a special meeting for Thursday (tonight) at 7 p.m. in the Muleshoe High School cafeteria.

The president of the club said special emphasis will be placed on boys and girls basketball during the meeting, and parents of all high school basketball players, both boys and girls, are asked to attend the meeting.

Among items to be discussed will be the upcoming basketball season, basketball programs and the athletic banquet which will be held later in the school year, said Shafer.

The coaching staff of Muleshoe High School and Muleshoe Junior High School will be on hand to answer questions.

Ronald Ivy, Mrs. Ivy guessed that TCU would win the tiebreaker game, but missed on Army-Navy and Baylor-Rice. She was 26 points off on the tiebreaker score.

All the other contestants missed at least three games for the week.

With another contest or two before the grand prize winner is decided for 1970, there is still time for someone to take the lead and the two tickets to the Cotton Bowl on January 1 and \$50 expense money.

Entries will be accepted for this weeks contest until the Friday, 5 p.m. deadline, so enter the contest this week. Weekly prizes are \$5 for first place; \$3 second and \$2 third place cash prizes, plus entering the pot for the largest point accumulation for the grand prize at the end of the contest.

In second place was Ricky King, who marked a miscue on the Iowa State-San Diego State game and missed the tiebreaker game. He was off 13 points on the tiebreaker.

Third place winner was Mrs.

Varsity Mules In 1970 Basketball

Eleven juniors and one senior are listed on the varsity boys' basketball team for 1970-71. Coach Raymond Schroeder said that although only limited practice has been held, the boys are doing well at this time. He added that the lack of experience may hamper his team to a certain extent this year, although the entire team has played together since their seventh grade in junior high school.

Last year, the varsity basketball team had their best year since playing in 1-AAA with a season record of 8-15 and 4-6 in district competition.

The senior player is Jerry Putman and junior players include Johnny Hayes, Larry Mitchell, Donnie Wheat, Mike Riley, Leroy Medlock, Tommy Clements, Randy Field, Rand Baker, Don Heathington, Bruce Bruns and Billy Riels.

In their first cage action this year, the Muleshoe 'B' team defeated the Dimmitt 'B' team 57-47 and the Muleshoe varsity team dropped their game to the Dimmitt varsity team, 51-68. The games were played at Dimmitt last Friday night.

Scoring for the varsity team, Mike Riley led the way with 14 points, with Leroy Medlock second with 12. Scoring eight points was Rand Baker, Randy Field, seven; Jerry Putman,

five; Don Heathington, three and Larry Mitchell, two.

In B team action, Raymond Davenport and Billy Riels tied for high scoring with 14 points each; Charles Young had 13; Bruce Bruns, 12; Rickey Faver and Paul Bell each had two points.

The varsity team hit 32 percent of their field goals and 54 percent of their free throws,

compared to 37 percent and 71 percent for the Dimmitt team. This was Dimmitt's fourth game of the season.

In the B game, the Mules hit on 41 percent of their field goals and 31 percent of their free throws, compared to 31 percent and 64 percent for the Dimmitt team.

Christmas Plans Discussed By BAC

Olan Burrows was the first person to give a report at the monthly BAC meeting at the Muleshoe State Bank Tuesday morning. Burrows reported on the trip to New Mexico to acquire the 58 foot Christmas tree for the Mule Memorial Site. He said this was perhaps the most uneventful trip undertaken by the several people who make the trip each year.

With the price of the tree skyrocketing as each year goes by, it was Burrows thoughts that the annual Christmas Tree may be priced out of sight for a small town such as Muleshoe within the next year or two.

Jeff Smith, who will be heading up the annual Christmas Parade this Friday as parade marshal, reported on plans for the parade and said things seem to be working out smoothly at this time.

He also spoke of a 12 minute film made by NBC television camera crewmen from Fort Worth. He said the film had been made available for the use in 'any way the community sees fit' to promote the area and the annual Jaycee Crane Hunt.

Jaycee Duane Seay also reported on the crane hunt and said it was better than last year, with a larger number of birds killed by hunters.

Mildred Howell, outgoing president of the Ladies Auxiliary of the Chamber of Commerce said the auxiliary has had a 'real good year' involving a small number of active workers and several ladies

Firemen Slate Annual Dinner, Guest Speaker

The Bailey County Volunteer Fire Department will host their annual Christmas dinner for firemen, their families and invited guests Saturday night, December 5, at the Muleshoe High School cafeteria. The dinner will begin at 7:30 p.m., according to Fire Marshal Owen Jones.

Guest speaker at the dinner will be Bob Murphey of Nacogdoches.

Of Murphey, Jones commented, "Bob Murphey of Nacogdoches, County, Texas, has often said that he speaks perfect East Texas . . . and fair English! He enjoys life on a small ranch in the Piney Woods region of East Texas where he was born and reared."

"When asked for biographical information, Murphey usually replies that his background will stand anything but talking about," continued Jones, "or, he might add, 'The less you

D L Patrolmen Clarifies His Local Schedule

C.D. Fitzgearld, driver's license patrolman for the Texas Department of Public Safety, has released his weekly schedule to clarify times he will be in Muleshoe to give driving tests.

Patrolman Fitzgearld is in Muleshoe each Monday from 9 a.m. to 5 p.m., and the first, third and fifth Tuesday of each month during the same hours. On the second and fourth Tuesdays he is in Silverton from 9 a.m. to 5 p.m.; in Tullia on Wednesday and Thursday from 9 a.m. to 5 p.m., and is in Dimmitt each Friday, 8 a.m. to 5 p.m.

He reminds that written tests and renewals can be obtained at the Muleshoe driver's license office from Mrs. Eugene Black, secretary, Monday through Friday from 8-12 a.m. and 1-5 p.m.

Santa Will Lead Floats And Bands

Hold on to your hats, kids! It's that time again. Santa Claus is coming to town. He will make his first official appearance in Muleshoe on Friday, December 4. That's tomorrow . . . and what a gala reception is planned.

The annual Christmas Parade will be held in Muleshoe at 4 p.m. with the entire area invited to attend the spectacle. Included will be Santa Claus using his newest innovation to traverse the streets of the city, bands marching and playing, floats in the Christmas theme, Scouts, beauties on display as they wave to the crowds from

convertibles, antique cars and trucks and perhaps another display, or two, or three . . . such as the extremely tall Uncle Sam who marched in the Fourth of July parade.

Beauties featured in the parade will include Deborah Williams, standing in for Miss Muleshoe; Mitzi Altman, Little Miss Muleshoe; Becky Sain, Rotary Club Sweetheart; ESA Sweethearts Mrs. Eugene Howard and Mrs. Mack Brown and the Ambassadors, Cathy Mardis, Cathy McCormick and Becky Milner, and Beta Sigma Phi Sweetheart Glenda Gregory.

Parade Marshal Jeff Smith said that eight floats had signed up by Tuesday afternoon, including float entries from the Muleshoe Jaycees; ESA Sorority; the Muleshoe High School Choir; Woodwork Training; Baptist Youth of the First Baptist Church; Young Homemakers; Llano Estacado Club and the Muleshoe G-1 Scouts.

Marching will be both the Muleshoe High School and Muleshoe Junior High School bands, with possibly a band or two from out of town.

Joe Carroll indicated that four or five antique cars will be in the parade, as well as an antique truck.

Three judges will be in Muleshoe to judge the floats. Included are Gil Patschke of KZOL, Farwell, Gabriel Carl, KMTY-FM Radio, Clovis and Billy Jones, Chamber of Commerce Manager, Friona.

A color guard from Cannon Air Force Base, Clovis, will lead the parade, along with local law enforcement officials and the Businessmen Activities Committee of the Chamber of Commerce who sponsor the parade, will be sporting their bright red jackets during the parade.

Parade Marshal Smith said the parade route will begin at the Boy Scout Hut on South Main, travel north on Main to Highway 84. From Highway 84, the parade will travel down South First Street to Avenue J, then east to the Babe Ruth Baseball Park where trophies for the winning floats will be presented.

County Water Inc. Seeks New Members

A Tuesday morning kickoff breakfast for a new Water, Inc. membership drive was held at the Corral restaurant with 27 members of the more than 100 in the Bailey County Unit attending the breakfast.

Joe Harbin, chairman of the

Award Program Essay Contest Rules Outlined

Water Inc. was organized on May 24, 1967, according to Harbin, when 1,000 businessmen, agriculturists and professional men organized with an eye toward importation of supplemental water from Northeast Texas and from out-of-state sources.

Harbin continued, "Included in the goals and aims of the organizers are the creation of interest and support for water resource development and conservation projects and to promote, conduct and participate in studies, surveys and research programs for the importation, distribution, reclamation, reuse utilization and storage of water, and to make such programs available to the public."

The present membership drive is being made in an attempt to contact as many prospective members as possible in the county, including farmers, business and professional people. W.T. 'Bill' Millen, membership drive chairman, com-

who did not get to attend, but everyone working willingly.' It was announced that Pat Keesee will be the new president of the Ladies Auxiliary.

Several reports on present and future projects were given by Chamber of Commerce Manager Jerry Hutton. Among the things he discussed briefly were the trophy for the best decorated business place in Muleshoe; the traveling trophy for the most courteous employee; the Christmas Home Light Tour; Santa's workshop repairs; the Water Inc. membership drive; the United Fund drive, which he said was 97 percent complete at this time; the Chamber of Commerce Banquet which will be held in January and thanked Mrs. Howell for her part in the Ladies Auxiliary for the past year.

It was agreed by members of the BAC to spend up to \$125 for the BAC's part of repairing Santa's Workshop, or split the cost with the Chamber of Commerce.

Reporting on city activities was Lindal Murray. He said the city has been working on several projects, including working with the Airport Board in working out a few problems and easing a traffic problem at the crossroads by stopping parking on the east side of the 100 block of South Highway 214.

Rev. Walter Bartholf, chairman of the Muleshoe Park and Recreation Board, said preliminary work is now underway at the new city park site on West Avenue D and park representatives are preparing to go to work. A technical supervisor is to be obtained to oversee work at the new park and to work out master work plans.

Incoming Chamber of Commerce President Frank Ellis announced that he had named Bob Stovall as chairman of the Businessmen Activities Committee for 1971 and Roger Albertson will be co-chairman. He also announced that Pat Keesee incoming president of the Ladies Auxiliary and present secretary of the BAC, wished to resign. Becky Stoneham was named as secretary of the BAC for 1971.

Stovall said of his appointment, "At the January meeting I will present a work program for the coming year and I hope to be able to get more participation from our local businessmen."

Harvey Bass recommended a round of applause for outgoing R.A. Bradley and commended him for his outstanding job during the past year.

Although the possibility of closing local retail stores on December 26, the day following Christmas, was discussed, no decision was reached during the meeting.

As Murphey stated it, "There ain't much to see living in a small town, but what you hear makes up for it."

"Like the country woman who said she didn't enjoy spreading gossip," concluded Jones, "but didn't know what else to do with it, Bob has passed along his quiet humor, wit, and wisdom as a public speaker."

Life would be simple if everyone was unselfish.

Yields from 13 early maturing (Midwest) corn hybrids averaged 129.7 bushels per acre in variety tests at the High Plains Research Foundation at Halfway this year.

Highest yielding variety in the test produced 168.2 bushels and lowest yield was 105.7 bushels per acre. Varieties in the test included Excel E8244, Taylor-Evans 6916, WAC 44Y, Pioneer 3369-A, McNair X210V, Asgrow IXL9, Asgrow ASX 92, ACCO 4600, ACCO 8900, Coker 12, McNair S 140, McNair Exp 7090 and Funk's G4333.

The nine late maturing (Southern) corn hybrids averaged 106.3 bushels per acre with yields ranging from 122.5 bushels to 87.2 bushels.

Varieties in the test included Texas 28A, Funk's G4697, Pioneer 511A, Funk's G4550, Texas 40, McNair 6904, Texas 42SX, McNair 440V and McNair 508.

Eighteen corn hybrids produced for ensilage averaged 26.7 tons per acre with individual yields from 30.2 tons to 22.5 tons per acre.

Varieties in the ensilage test included Texas 42SX, Asgrow IXL9, Excel E944, McNair 340V, Asgrow A122, Funk's G711 AA, Taylor-Evans Bushelmarker, Pioneer 3306, Asgrow ATC 450A, Texas 40, Funk's G5757, Coker 52, PAK 492, Asgrow ATC403W, Coker 12, ACCO 1030, Texas 28A and McNair 440V.

Information on the individual yields and other data from the Foundation's continuing studies on hybrid corn production is detailed in the annual Foundation Report to be available to Foundation members early next year.

mented that he was surprised that everyone did not already belong to the organization, citing how vital water is to the High Plains farmer and added, "We can get water to the High Plains cheaper than putting a man on the moon."

Harbin urged the membership drive workers to complete the campaign by December 15 and make an attempt to contact all possible prospects before the campaign ends. He reminded the members that a person can become a member of Water, Inc. for a minimum \$25 membership fee, and said that membership in the 'grass-roots' organization is vitally important for the future water needs in this area.

Membership is now nearing 2,500, continued Harbin, and is representative of the area it serves. It is governed by a board of directors, 27 of them representing specific geographical regions within the area. The day-to-day operation is carried out by a professional staff headed by the executive director. The staff includes an attorney, a director of public relations, and a director of field services.

A number of new members are expected to be included in the Bailey County Unit of Water, Inc. by the time the drive concludes on December 15.

Aerial Photographs Displayed At Tech

A collection of remarkable aerial photographs made by the Manned Spacecraft Center of NASA is on display at the Museum of Texas Tech University. The display is the work of Dr. Gene Beardsford, Dean of Engineering, explained. "The University has contracts with NASA, with very close working relations with the Manned Spacecraft Center. For example, the Texas Research Center is engaged in work with NASA on researching testing and fabrics for use in space."

The color transparencies on display at the Museum are on long-term loan from the Manned Spacecraft Center in Houston. There are two different groups of photos in the exhibit. A series of thirty-nine continuous stereoscopic shots of the southwestern portion of the United States and Mexico, beginning with Baja, California and moving eastward across the lower part of the U.S. to just east of Abilene, were made by astronauts Ed White and Jim McDivitt on Gemini IV flight in June, 1965.

It represents one of the most intensive photographic coverages of the Southwestern part of the United States. The series was made during a four-minute flight over the U.S., during which time both astronauts were extremely busy. While White guided the spacecraft and kept it in proper attitude, McDivitt took roughly forty pictures, around ten per minute, or one every

Mrs. Leota Wilterding Honored At Reception

MRS. LEOTA WILTERDING

Mrs. Leota Wilterding was honored with a birthday reception Sunday, November 29, on her 79th birthday. The reception was hosted by members of the CWF of the First Christian Church and friends of Mrs. Wilterding.

The reception was held at the First Christian Church from 2:30 to 4:30 p.m. Mrs. Mervin Wilterding registered over 100 guests at the reception. Punch, coffee and cake were served by Mrs. Walter Bartholomew from a table laid with a white cloth and centered with a floral candle arrangement. Mrs. Wilterding has lived in Bailey County for 62 years. She moved to Washington once and stayed a little over a year, but "had to come back to this good land". She has spent the rest of her time here.

Miss Leota Bearden came to this area in 1908 with her family. She became the first school teacher in Bailey County. She taught at the "old" Hurley School.

She was 16 years old when she started her first class. She taught kids from "the little bitty ones to one in the eighth grade. They were all ages and sizes and came from Missouri, Kansas and Nebraska. Some of the children had not attended any school for a couple of years".

Jaycee-Ettes Have Meeting

The Muleshoe Jaycee-Ettes met Thursday, November 19, in the home of Mrs. Curtis Walker. Mrs. Spencer Beavers gave the program on Christmas decorations and gave demonstrations on how to make them. Final plans were made for the Nursing Home Christmas party to be held December 12. Mrs. Clarence Christian was winner of the door prize.

Members present were Mrs. Curtis Walker, Mrs. Marlin Mills, Mrs. John Blackwell, Mrs. Larry Combs, Mrs. Clarence Christian and Mrs. Duane Seay. Guests present were Mrs. Spencer Beavers and Mrs. Wayne Peterson.

There will be no meeting in December and the next meeting will be January 28, 1971.

The first school term was closed in January because some of the pupils and the teacher contracted scarlet fever.

"It was a new and difficult job for me. I had to study real hard to pass the exam, but I passed".

She had to go to Dimmitt to take the exams because, at that time, this area was attached to Castro County before organizing Bailey County in 1917.

Some of her family attending the reception Sunday were her children; Jim A. Wilterding, assistant professor at Texas Tech; Mr. and Mrs. E.A. Wilterding and daughter and their son, Mr. and Mrs. David Wilterding, all from Amaril-

lo; and her daughter, Mr. and Mrs. Russell Harmon and son, Mr. and Mrs. Robert Harmon and three children, all of Portales.

Other relatives attending were Mr. and Mrs. Mervin Wilterding, Mr. and Mrs. Robert Hooten, Mr. and Mrs. Calvin Embry, Mr. and Mrs. Cleve Bland and children, Mr. and Mrs. W.R. Bearden, Mr. and Mrs. Don Bearden and children from Lubbock; and Mr. and Mrs. B.W. Yearly, Lubbock.

Mrs. Wilterding's "most special" guest was her brother, C.E. Bearden, of Washington, who "traveled 1567 miles just for my birthday".

Osborns Visit In Muleshoe

Dr. and Mrs. Kenneth Osborn and family drove to Muleshoe from Lovington, New Mexico for the day, Saturday, Beth, Steve and Kenni are studying music with Mrs. McKinstry.

The Osborns, Mrs. McKinstry, and the Oscar Allisons had lunch with the Harold Allisons; then, after visiting, and before the Osborns returned to Lovington, they had Mexican dinner together at Leal's Cafe.

Mrs. Osborn, Mildred, is a daughter of Mrs. McKinstry and sister of Sammy and Jean Allison.

MISS PAMELA PYLANT

Miss Pamela Pylant Honored With Shower

Miss Pamela Pylant, bride elect of Joseph Allen Holley, was honored with a bridal shower Saturday, November 28, from 10:00 to 11:30 p.m. in the home of Mrs. George Haskins, Jr.

The bride elect and her mother, Mrs. Gordon Pylant, were presented novel corsages of gold nylon net, pyracanthus and measuring spoons.

The honoree, her mother and her sister, Miss Sue Pylant, welcomed approximately 30 guests.

The serving table was spread with a winter green linen runner, trimmed in fringe. The table was centered with an artificial arrangement of fall colored flowers. Hot spiced cider and coffee were served at one end of the table from the silver service; and a silver tray of pumpkin, banana nut and date nut breads, was at the other end of the table.

Guests were registered by Miss Annette Williams and served by Miss Val Moore and Miss

Lyna Pitts. Hostesses included Mrs. Kirk Pitts, Mrs. Kenneth Wells, Mrs. Wayne Williams, Mrs. James Glaze, Mrs. Alex Williams, Mrs. C.E. Moore, Mrs. Houston Hart, Mrs. Stan Barrett, Mrs. Cleon Davis, Mrs. O.J. Lorraine, Mrs. A.T. Henderson, and Mrs. George Haskins, Jr.

The hostesses presented the honoree with a seven piece set of avocado teflon cookware and the artificial floral arrangement.

Neighborhood Of Girl Scouts Has Meeting

The Muleshoe Neighborhood of Girl Scouts met Monday, November 30, at 9:30 a.m. Attending were Mrs. Joel Nowlin, Mrs. Ronnie Shafer, Mrs. Royce Clay, Mrs. Kenneth Stice, Mrs. Dean Morgan, Mrs. Wayland Harris, Mrs. Elbert Estep and Mrs. Odell Rasco.

The cookie orders from each troop must be turned in to Mrs. Morris Nowlin, the neighborhood cookie chairman, by December 15, 1970. Training for the troop cookie chairmen will be included in the area meeting in Farwell in January.

Council open house will be held December 17, 1970, at the council office, 2600 Ave. P., Lubbock, Texas, from 10:00 until 4:00 p.m. Volunteers are needed to bake cookies and help serve refreshments. If your troop has Christmas things they have made that you would like displayed, please contact Mrs. Joel Nowlin. This would be a good opportunity to get acquainted with the Girl Scout professional workers.

Personnel units for training will be requested for Muleshoe January 19, 1971 as the first choice and January 26, 1971, as second choice. The requested program will be "Songs and Games" as first choice and "Ceremonies" as second choice. To have this training there must be a minimum of 15 present, so the leaders are asked to set aside these days now, it should be a wonderful opportunity, Farwell and Friona will also be invited to attend.

The Girl Scout float for the Christmas parade will be a tribute to Marie White who was responsible for bringing Girl Scouting to Muleshoe. The theme will be "Her Gift To Her Community".

A Knowing Needle, if creative stitchery is your thing, can guide you in the choice of kits for needlepoint or crewel designs that do more than just sit there! Tennis racket covers, desk sets, belts, pin cushions, tote bags will be used as well as admired!

ENGAGEMENT ANNOUNCED . . . Mr. and Mrs. Olen M. Edwards of Route 1, Plains, Texas, announce the engagement and approaching marriage of their daughter, LaVern Edwards, to Earl Wayne Peugh, son of Mr. and Mrs. Joe W. Peugh of Route 2, Muleshoe, Texas. They will be married December 26, 1970 at the First Baptist Church in Plains, Texas. The bride graduated from Plains High School and is now a freshman at South Plains Junior College in Levelland, Texas. The bridegroom graduated from Muleshoe High School, and is a sophomore student at South Plains College where the couple will continue their education.

December Plentiful Foods Lists Includes Turkey, Pork

College Station--Include both turkey and pork in your Christmas plans.

These popular meats are included on the U.S. Department of Agriculture's plentiful foods list, according to Texas Agricultural Extension Service.

Eggs are also plentiful, as well as such standard table items as potatoes, onions and rice. Christmas wouldn't be the same without the cranberries -- and cranberries and cranberry sauce are abundant. You can also plan to fill Christmas stockings with apples, oranges, grapefruit and tangerines, as marketings of these fruit favorites will be heavy during December.

Too, there'll be lots of apple-

sauce and apple juice, frozen concentrated orange juice and walnuts, completing the December lineup of plentiful foods reported by USDA's Consumer and Marketing Service.

Apple juice will come in handy for holiday beverages. Serve hot or cold, it's a real flavor treat. Just think of the many ways you can utilize the abundance of walnuts for the holidays. They're delicious in salads and baked goods -- and you'll enjoy them toasted for between-meal munching.

Foods in plentiful supply usually indicate a good selection for quality -- and attractive price tags, too.

'People who cook with pride cook with GAS. Janice Constantine does.

Some of the world's best cooks are found in the kitchens of America, and they give themselves every cooking advantage, like gas range cooking. Good cooks like Janice Constantine and 9 out of 10 professional cooks agree that precise temperature control makes the difference in good cooking, and with gas you get exactly that. Gas also gives immediate response and constant temperature, so important in oven cooking.

So, give yourself every advantage and cook with gas. Remember, people who cook with pride cook with gas.

Here's one of Janice Constantine's favorite recipes.

QUICHE LORRAINE

Janice Constantine, 108 Ridglea, Midland

One 10" cooked pastry shell

Fill with:

4 tbs. grated Parmesan cheese

1/2 lb. crisp bacon pieces

Put in a bowl:

2 whole eggs plus 2 yolks

Mix in:

1 level tsp. Dijon mustard

1 tsp. dry mustard

1/2 tsp. salt

1/2 tsp. Cayenne pepper

1/2 c. strained bacon fat

1/2 c. grated Parmesan cheese

Pour onto this mixture:

2 1/4 c. scalded heavy cream

Stir well. Fill shell with mixture. Bake at 350 degrees for 25 minutes. When custard is set, scatter 1/2 lb. crisp bacon pieces on top. Sprinkle with chopped parsley.

Do You Know The Whole Story?

(From December 15, 1950 Hee Haw)

By Judy Dearing

By chance we were glancing through an old issue of Hee Haw. We came up with some

interesting things and we thought you would enjoy knowing about them.

To start with, everyone enjoys fashions Leatrice (Martin) Mardis led the fashions for the month of December. She is Mitzi Mardis' mother. She was seen in a red wool jersey blouse. It seemed to be very appropriate for December weather and the approaching Christmas.

Then, there's band, Holly Ann (Cox) Millsap who is Debra Millsap's mother, went to a band clinic. Also, Ted Millsap, Debra Millsap's dad went to a two day band clinic as an observer. We wonder if they were together?!

There's not much that can top band but we can try with sports. Basketball seems to do the job. Kay (Malone) Kimbrough, Cindy Kimbrough's mother, led the scoring on the night of December 8, 1950 against Olton with a grand total of 23 points.

And finally there is the Linerups for Muleshoe High School Boys Basketball for 1950-51. Glen Harlin, Jan Harlin's dad, Charles Lewis, Lashelle Lewis' dad, Pat Vinson, Diane and Pam Vinson's dad, Bobby Nickels, Brian and Lance Nickels' dad, Bub Barbor, Jack Barbor's dad, Keith Bray, Gene Keith Bray's dad, and Roald Johnson, Carrol Johnson's husband.

Lazbuddie News

Mrs. Richard Engolking

Congratulations to Mr. and Mrs. Jerry Don Glover of Hereford on the arrival of their first son, Jerry Brian, born November 23 at Deaf Smith County Hospital weighing eight pounds and eight ounces. Maternal grandparents are Mr. and Mrs. A.E. Redwine and paternal, Mr. and Mrs. Charlie Glover, Mrs. Minnie Redwine of Muleshoe is the great-grandmother and this makes her 48 great-grandchildren.

Doana and new son came home from the hospital Thanksgiving Day with Mom Mildred Redwine there to help for a few days and sisters Susan, age 6 and Sharon 4, to assist with baby brother to make it a wonderful Thanksgiving.

Mr. and Mrs. Billy Hardage and children of Plainview were holiday guests in the home of his parents Mr. and Mrs. Lacy Hardage.

Guests in the home of Mae and Otis Davis were her daughter, Mr. and Mrs. Don Jordan, Pamela and Joe Don of Lubbock and Mae's granddaughter Lester of Lubbock. From Enid, Oklahoma came Otis' daughter and husband Mr. and Mrs. Jerry Barton, Mrs. N.M. McCurdy was also present to enjoy the day and some of Mae's good cooking.

Owen Broyles is enjoying being home from the hospital and guests in their home Thanksgiving were a son Mr. and Mrs. Pearl Dean Broyles and Larry of Hub and Jewel's niece, Mrs. Jerry Gordey, Joe and Debbie of Denver City.

Mr. and Mrs. Freeman Davis were host to her brothers and mother for a Thanksgiving feast in their home. They were the Glen Simmons of Albuquerque, Roy Simmons of Vion and mother Mrs. Pearl Simmons also of Vion, Oklahoma and the Floyd Simmons of Farmington.

Grade School Principal Fred Wilbanks ordered some 40 tickets recently for the annual treat to the Jr. High Football team. They journeyed to Lubbock for the Tech-Arkansas football game. The boys along with selected pep squad members and sponsors Mr. and Mrs. Errol Johnson and Mr. and Mrs. Joe Bryan Jennings really enjoyed their outing.

Our hearts were saddened at the passing of Mrs. Lucy Jesko who had been ill just a few months. Services were held Wednesday, in Hereford at St. Anthony's Catholic Church conducted by Father Norman Boyd and interment at St. Anthony's Cemetery there, by her husband, Alex, who passed away in 1966. The community extends deepest sympathy to the children.

Mr. and Mrs. Walter Steinbock, Mr. and Mrs. Wayne Moore and family were dinner guests, Thanksgiving, of Irene's sister, the Lenord Talley of Portales, New Mexico.

The children of the late Mr. and Mrs. Leonard Smith gathered at the old family home for the holiday weekend with Mr. and Mrs. Barney Floyd hosts to 63 family members at dinner Sunday. They all attended church services at First Baptist: as a group, the first time they had all been together in some time. The children present along with their respective families were: Laverne Smith, Las Vegas, Nevada; Faye and Roger Lamkie, Friona; Chuck Smith, Elkhart, Kansas; Gene, Jerry, and Dan of Lazbuddie; Joy and Donald Runyon of Earth, Kay Ann and J.D. Handley of Lubbock. Also present were Barney and Mary's daughter and family and Betty and Junior Stout of Plainview. Afternoon visitors were the Glen Scotts, Duane Derlings and J.D. Baughns.

John L. Swigert Jr., Apollo 13 astronaut: "You cannot describe the barrenness and ruggedness of the moon. Some day I hope you all get there yourselves."

SP Cotton Harvest Over 1 Million Bales

The South Plains cotton harvest passed the one million bale mark this week, according to W.K. Palmer, in charge of the Lubbock Cotton Classing Office of the U.S.D.A.

Samples from 1,079,000 bales of cotton had been received by the Lubbock, Brownfield, Lamesa and Levelland offices through Friday, November 27th. Harvesting and ginning continued at a peak but were expected to begin a gradual decline during the next week. Estimates indicate that 80 to 85 per cent of the South Plains crop is now out of the fields. Samples from 302,000 bales were classed at the four area classing offices during the week ending Friday, November 27th. This brought the total classed this season to 857,000, compared to 364,000 at this time last year.

Strict Low Middling was the predominant grade at Lubbock last week with 35 per cent of all cotton classed. Middling Light Spotted made up 18 per cent, Strict Low Middling Light Spotted 19 per cent and all Spots and Tinges 14 per cent. Staple length averaged between 31/32 and 1-inch. Three-fourths of the cotton classed at Lubbock had staple lengths of 31/32 and longer.

Sixty-nine per cent of the cotton "miked" in the Lubbock Office was in the 3,5 and better micronaire category, 11 per cent "miked" 3,3 and 3,4, 14 per cent was 3,0 through 3,2 and 5 per cent was 2,7 through 2,9.

Ninety-one per cent of the cotton classed at Lubbock last week had Pressley readings of 80,000 pounds and higher. Pressley is an indication of fiber strength and the most desirable Pressley reading is 80,000 pounds and above. Trading increased on the Lubbock market and prices were slightly higher on most qualities. Prices ranged from the loan or near the loan on high grade, long staple cotton up to \$25.00 per bale over the loan for low grade, low micronaire cotton. Most lots were selling at 19 to 20 cents per pound. Prices quoted by the Lubbock Cotton Exchange for the most predominant qualities in the 3.5 to 4.9 micronaire range were: Strict Low Middling 15/16 - 19.65, Strict Low Middling 31/32 - 19.90, Strict Low Middling 1-inch - 20.55, Middling Light Spotted 15/16 - 19.75, Middling Light Spotted 31/32 - 20.10, Middling Light Spotted 1-inch - 20.65, Strict Low Middling Light Spotted 15/16 - 19.30, Strict Low Middling Light Spotted 31/32 - 19.60 and Strict Low Middling Light Spotted 1-inch - 19.90. Prices paid farmers for cottonseed were steady and ranged from \$56.00 to \$62.00 per ton.

Tax Man Sam Sez

CHECK THOSE TAX RECORDS

Within a few days (if he hasn't already done so) Ellis Campbell, Jr., the District Director for Internal Revenue in North Texas, will offer his annual end-of-the-year advice. Campbell will recommend that you review your tax records for 1970 and get your papers in order to file your 1970 tax return. In checking over your tax records you should make sure that you have a cancelled check or a receipt on each tax deduction you plan to claim on your income tax return.

Since IRS will owe taxpayers (2 out of 3) in this area about 200 million dollars come January 1, it may pay you to be ready to file that tax return as early as possible.

Auto Insurance Accelerates Soon

AUSTIN, Tex.—Car owners in Texas got the expected bad news when the staff of the State Board of Insurance recommended a 23.4 per cent average increase in auto insurance rates.

Board took no immediate action, but will set new rates by January 1.

If the agency holds to its past policy of allowing no increase in any line of coverage greater than 25 per cent, the staff proposal may be scaled down to an effective 18.6 per cent boost.

Earlier the regulatory body committed itself to a new rate-making formula taking into account investment income of companies and guaranteeing profit on underwriting after taxes.

Staff recommendations would build into the rate base a 4.7 per cent profit on policy writing and an 8.7 per cent allowance for state and federal taxes.

Industry representatives, still not satisfied, argued their case for a 27.7 per cent average statewide increase and removal of the arbitrary maximum change limitation of 25 per cent for any line. They claimed serious underwriting losses of \$45.7 million over the last decade.

Proposals brought angry rumbles from legislators. Sen. Oscar Maury of Dallas predicted that lawmakers "will not allow this economic miscarriage of justice to stand unchallenged." Rep. Joe Allen of Baytown also called the proposed rate increases "tragic abuse of government regulation and free enterprise system."

Texas AFL-CIO has called on drivers to appeal to the Legislature for a change in the rate system, and reportedly is studying possible legal action.

WELFARE CHANGES URGED
A raise in welfare benefits, removal of the constitutional ceiling on payments, reorganization of the Department of Public Welfare and a new approach to problems of needy families with dependent children were recommended by the blue-ribbon Senate Welfare Study Committee.

Committee said the state must aim at development of children rather than simply maintaining them on aid rolls to break the poverty cycle. These additional recom-

mendations were included in the 85-page report:

A constitutional amendment to permit garnishment of wages for court-ordered child support.

A vendor drug program to supply medicines to Medicaid outpatients.

Renaming the Welfare Department the Department of Human Resources and reorganizing it with a head named by the Governor and confirmed by the Senate.

Complete overhaul or streamlining of department administration with increased use of computer methods.

Committee Chairman William P. Hobby Jr. said that the Legislature next January will have to pass an emergency appropriation of more than \$40 million just to carry the welfare program at present levels to the end of the biennium.

AG OPINIONS
County jury wheels must be re-filled from tax renditions, as well as voter registration lists, Atty. Gen. Crawford C. Martin has held.

In other recent opinions, Martin concluded that:

*Penal code provision requiring a \$25 license fee for fish farm operators who grow fish for sale is constitutional.

*Estate of a deceased state employee should be paid for the same number of days to which he would have been entitled had he lived and claimed his vacation and sick leave, beginning the day following his death.

Martin has been asked to rule on the legality of a verbal contract for the first phase of construction on Mustang Island fish pass.

APPOINTMENTS
Gov. Preston Smith named his former executive assistant Harold K. Dudley chairman of the Texas Employment Commission, succeeding Mrs. Nancy Sayers, TEC's first woman chairman.

Smith also appointed Charles Weldon Kirk of Sweetwater as district judge of the 32nd district, effective January 1.

He picked Frank Ginzler of Colorado City, county attorney for Mitchell County, to replace Kirk as 32nd district attorney.

Bill Doggett of Brownwood was confirmed as deputy commissioner for mental health of the Texas Department of Mental Health and Mental Retardation. Dr. Bill R. Walker of San

Angelo was appointed superintendent of the Austin State School replacing Larry W. Talkington.

J.W. (Bill) Irwin, Denton State School business manager since 1960, will succeed Walker at San Angelo.

Dr. Arch M. Connolly of Austin was appointed superintendent of Wichita Falls State Hospital, replacing Dr. Bernard A. Rappaport who accepted a teaching job at the University of Illinois Medical School.

Walker and Irwin's appointments are effective December 16, Connolly's February 1.

ISLAND CONTROVERSY RAGES
Governor Smith urged the Texas Conservation Foundation to call a special session and review the facts surrounding the controversy over purchase of Mustang Island park land.

Parks and Wildlife Commission Chairman Pearce Johnson has refused to sign an application for federal aid to buy 3,900 acres from Mrs. Sam E. Wilson Jr. of Corpus Christi, claiming other areas have higher priority for the state's limited parklands. Two other members of the Commission disagree and want to buy the Wilson property now.

Conservation groups have called for Johnson's removal as liaison officer to break the impasse.

TRAFFIC SAFETY PROMOTED
Legislative measures to get more problem drivers, especially drunks, off Texas highways were urged at the second annual Governor's Traffic Safety Conference.

Col. Wilson Speir, Department of Public Safety director, said the 12-month minimum suspension law for drunk driving now opens the door to an excessive number of probated sentences. He suggested a 60- to 90-day mandatory suspension without probation.

DPS head also proposed statutory fixing of .10 per cent blood alcohol level as the presumptive test of intoxication, broadened support for driver education, prescribed safety equipment for motorcycles and updating of the uniform traffic code.

RETURNS CERTIFIED
Official canvass of returns of the general election showed Democrat Lloyd Bentsen beat Republican George Bush for U.

S. Senate by 155,334 votes and Governor Smith defeated GOP Paul Eggers by 156,675 votes. Total turnout exceeded 2,3 million.

There was one upset in the canvass. A constitutional amendment allowing the Governor to appoint a three-member State Building Commission, believed to have passed, actually was defeated by 6,337 votes.

SHORT SNORTS
Traffic deaths on interstate highways, down early in the year, took a big jump in recent weeks -- seven per cent above 1969 -- according to the Department of Public Safety.

Texas Hospital Association applauded the U.S. Senate finance committee amendment authorizing waiver of the requirement that Medicare hospitals have a registered nurse on duty 24 hours a day.

LI. Gov. Ben Barnes said the state tax bill next year may be the highest in Texas history, but he will make an all-out effort to get the Legislature through with its job in 140 days.

A seminar on package tours will highlight the fifth annual Governor's Tourist Development Conference on December 1 here.

Governor's scientific advisory panel has recommended the creation of a pesticide review board and updating of pesticide laws.

A Sure Thing
"Wung Nung," said the magistrate, "you are charged with conducting games of chance. Have you anything to say for yourself?"

"Yes, your honor," replied the Chinaman. "Me no play game of chance. Cards all marked, dice all loaded, me win every time. No chance at all."
