Circle Irrigation Systems Growing

Winter Pasture Land Becomes Major Use

The use of circular sprinkling systems is increasing in this area, with a number of persons beginning to institute the process of reclaiming mar-

ginal grassy, pastureland and turning it into highly productive winter grazing land.

One of the newer and larger systems is at the south edge of Muleshoe where the Sanderson Land and Cattle Co. with home offices in California, purchased 1201 acres of land which was some of the roughest land cleared and leveled in this area.

Jake Diehl Dirt Moving and Paving moved bulldozers into the large acreage in September 1969 and in August, 1970 the land was ready to be planted. The 1201 acres were planted with rye and vetch, Stanley Williams, who is manager of the Sanderson operation, said approximately 30 inches of water will be used on the pasture during a season. The wells, which are operated by natural gas, will pump enough to put one and one half inches of water per acre and nine circles are in use on the acreage.

It is 25-35 feet down to water at this particular location in the edge of the sandhills, and Williams said the wells are 200 feet deep.

He added that the nine circles cover a large acreage, with seven of the circles having 14 towers and cover 139 acres each; a 13 tower circle

This is the first time that I have ever faced at a Chamber of Commerce banquet, and I attend 15 around muleshoe with the journal staff.

Roger Albertson and Mildred Wingo, from Cobb's Department Store, are attending the Ladies Fashion Market in Dallas this week.

Rev. and Mrs. Cecil Osborne, Jr., and daughter, Linda and friend, Hazel Strong, from Phillips, Montana, were in Muleshoe last week visiting their parents, Mr. and Mrs. Cecil Osborne, Sr. and Mrs. and Mrs. Buck Taylor, Linda had here returned to Waynes Baptist College Sunday and the Osbornes left for their home in Montana on Friday.

or 30 such banquets each year," began John McKee when the spoke to approximately 400 guests at the 21st annual Chamber of Commerce banquet in Muleshoe.

McKee said he was encouraged because the crowd at the Muleshoe banquet was the youngest group of people he had ever seen at such a banquet and it was something that every community should have: a large group of interested young people.

The guest speaker, who is in charge of regional public relations for the Ford Motor Company in Dallas, commented at the beginning of his talk, "If we had this type audience in every Chamber of Commerce activity throughout the country, we would not have to be concerned."

"And, what are we concerned about, Mr. Businessman? Crime, dope, minority problems, the blame lies with you, Mr. Businessman. All this was brought on by the business community who started dealing for

DIGNITARIES AT THE C OF C BANQUET--A number of "special" people helped with the 21st annual Chamber of Commerce banquet in Muleshoe last Saturday night. From left are outgoing Chamber of Commerce President Don Harmon, who will remain on the board of directors; special guest speaker, John McKee, with Ford Motor Company in Dallas; Mrs. Don

Harmon; Mayor Irvin St. Clair, who was master of ceremonies; Mrs. Frank Ellis, and new Chamber of Commerce President Frank Ellis. Ellis commended the outgoing president and asked for the continued support of the people in boosting Muleshoe and helping it to continue to progress.

Plans Complete For Volleyball Tournament

Dick Chitwood, who is in charge of obtaining the trophies to be presented at the upcoming volleyball tournament, said he will be receiving the trophies in the near future. He said he has decided where he will purchase the trophies and the order will be made soon.

Bill Russell is chairman of the Jaycee-sponsored event and said plans are to have the largest volleyball tournament ever held in this area. Invitations have been mailed to more than 40 individuals and teams to compete in the tournament which will be held February 22-27.

An added incentive is that invitations were sent to the Texas State Champions and New Mexico State Champions, so the competition could be rugged.

Both men and women's teams will be playing and the games will be held in the Muleshoe High School gym, Russell advises everyone to go ahead and mark their calendar for this time so there will be few conflicts, and start practicing to play or enjoy watching this good spectator sport.

Basketball Practice Begins February 15

Chairman of the newly formed Youth Basketball organization here, Ken Henry, has announced that physicals for boys interested in joining one of the teams, will be held at 2 p.m. Sunday, February 7, in the gymnasium at Mary DeShazo Elementary School.

Henry said that all boys interested in participating in the program should be at the gym at that time for physical examinations by Dr. Homer Allgood. Boys who are interested in the program who do not take their physicals at that time will be required to take a physical before they can play but, will be required to see their family doctor and at their own expense.

He added that 62 boys have signed up to play and as other boys are being sought for teams, they will have until February 7 to sign and complete their application. Practices are scheduled to begin the week of February 15,

The Flying Queens Face 'Tough' Game

The Hutcherson Flying Queens of Wayland College, Plainview, will be playing the Parsons College (Iowa) Wildkittens in Muleshoe Tuesday, February 2 at 8 p.m. This will follow a contest between the two teams in Plainview on the preceding night at 6:30 p.m. The game here is being sponsored by the Muleshoe Rotary Club.

Wayland Coach Harley Redin said Parsons of Fairfield, Iowa is a newcomer in the women's basketball field. He said they have an exceptionally strong team as a result of the top performers from last season, Kennedy and Midwestern teams, now playing for Parsons. Parsons Coach Bob Spencer moved from Kennedy to Parsons and three of his top players suddenly decided they should have been at Parsons

all along, said Coach Redin. Two-time All-American, Lois Stuflik plus Sandy Conrad and Lea Smith were all starters for Kennedy last season.

This fall when Midwestern College closed its doors, the student body enrolled at Parsons, added Redin. Two more All-Americans, Ellen Mosher and Colleen Bowser and their other teammates joined Coach Spencer's new team at Parsons.

The Flying Queens (7-1) were recent victors over the depleted Kennedy team, 67-43 and 62-39,

and displayed their best team effort of the year. This weekend, the opponent for the Queens is the vastly improved Piperettes of Kansas City, Mo. The Piperettes have assembled a group of All-Stars including five, All-Americans. The Piperettes are undefeated with a 10-0 record and have not been extended. Parsons (13-3) lost three games early, but they are going strong now, said Coach Redin.

According to the coach from Wayland, "This will be the recent victors over the depleted Kennedy team, 67-43 and 62-39,

CofC President Urges Citizens Register; Vote

By Frank Ellis, President Muleshoe Chamber of Commerce

The United States of America is one of the few countries where each individual has the right to vote.

Voting in all elections, whether it be for an individual for the local school board, city council, hospital board or up to the President of the United States, is also the duty of all responsible persons.

With your vote, you have expressed your choice and have voiced your opinion of the person seeking any office on local, county, state or national level.

Although no major national elections are scheduled for this year, there are three important local elections scheduled for Saturday, April 3. There also may be other elections called throughout the year. If you fail to register to vote, you fail in your duty and responsibility to the community in which you live.

Saturday, January 30, is the last day you can register to vote in 1971. So register, then follow through by voting, in all elections.

School Schedules Migrant Program

A Parent's Night will be held for Mexican-American parents, and all other interested individuals in the Muleshoe High School cafeteria on Thursday (tonight) at 7:30 p.m.

This meeting will be the second meeting of this type held here to inform the community of the special school programs which are in operation for Spanish-speaking or Spanish-descent people at Richland Hills and Mary DeShazo Elementary Schools and Muleshoe Junior High School.

Local school personnel will explain and demonstrate methods, techniques and materials that are used in the classroom for Mexican-American children.

Richard Ybarra and Ray Garcia, who are consultants from Region XVII, will be at the meeting to aid in interpreting the program for non-English speaking parents and individuals.

The meeting is open to the general public and all interested persons are urged to attend, said Muleshoe School Superintendent Neal Dillman.

Rotary To Host Four Chileans On Study Tour

It was announced at the Rotary meeting Tuesday that four Chileans will be in Muleshoe on February 11-13 on a Rotary Study Exchange Tour. They will be shown items of interest in the Muleshoe area while here.

Burel Block, language teacher at Muleshoe High School, had the program and showed slides taken during his recent group study exchange in Chile.

He explained the background and cultural aspects of the Chilean social structure.

Drive Begins To Aid Badly Burned Girl

Five year old Latonna Northcutt, daughter of Mr. and Mrs. Wayne Northcutt, former Muleshoe residents was badly burned on December 26 at the home of her grandparents in El Dorado, Ark. She has just had her third skin graft since being burned and is in Warren Brown Hospital, Room 313 at El Dorado and faces a long hospitalization.

When they moved from Muleshoe approximately six months ago, the Northcutts moved to Levelland, Northcutt was employed by Hestington Lumber Company when they lived here and Mrs. Northcutt formerly worked for Morris Nowlin Studio.

Local friends are beginning a fund drive to help assist the family with the heavy expenses due to Latonna's accident and funds are asked to be directed in at Radio Station KMUL or sent to Mrs. Priscilla Alton at 2105 West American Blvd.

3-Way School To Host Harlem B-Ball Group

The Harlem Majestics will be playing an exhibition basketball game at the Three Way School on Monday, February 1, at 7:30 p.m. said Mrs. Dean Waltrip.

According to Mrs. Waltrip, the Athletic Department of the Three Way School is sponsoring the game, which will feature the Harlem Majestics against the outsiders. Outsiders are being sought to play in the game. Mrs. Waltrip said that anyone interested should contact Coach Bud Gray at the school by calling 927-3454.

Two of the players with the Harlem Majestics will be Allen 'Red' Davis, who is a veteran with the team and Aileen 'Smitty' Smith, a former Harlem Traveler and team shot specialist.

Everyone is asked to be as early as possible as the Majestics' pre-game drill, featuring the magic drill is supposed to be worth the admission price alone.

Tickets will be \$1 for adults and 50 cents for children.

Circle...

Cont'd, from Page 1

in use covers 113 acres and a 12 tower circle covers 106 acres.

Where it formerly took 4c acres of the marginal land to run a cow, Williams has figured that for nine months out of the year, two head of cattle can run per acre.

This operation is used to fill the space between stocker calf stage to feeder steers or heifers.

Williams added that stocker calves, approximately 350 pounds each, are purchased and kept on the land until they put on the early gain to the ideal heifer weight of around 500 and 650 for steers. He estimated that the gain cost per pound to feed the cattle is 10-15 cents.

The grazing season for feeder calves is generally from October to July of each year. Following the season on the improved pastureland, the cattle are shipped to feed lots in Texas and California. Once the cattle are removed from the pasture, irrigation begins around the first of July and con-

tinues intermittently throughout the year, according to the amount of moisture received. The local feeding operation manager said they are low on cattle at this time and are running approximately 900 head. He added that they have just moved out 1700 head to feed lots to finish out.

Sanderosa Land and Cattle Company has a similar operation underway north of Portales. Williams said they will operate nine circles there as soon as they can be completed by August. There are six circles presently in operation and one new system was completed last week.

Ralph Carter is an employee of the Sanderosa Land and Cattle Co. here.

Williams said the reason for breaking out and reclaiming the marginal land is that winter or 'green' pasture is short in the winter. The new method fills a void in pastures and fills a need for an operation that would supply or furnish winter pasture toward the end of the production of feeder cattle, to put on proper weight for the cattle to go into feed pens.

"This is a comparatively new operation," he continued, "and

where formerly wheat pasture was used primarily, weather kept wheat pasture short much of the time. Like this year, the weather is dry and wheat pasture is short. Thus, without an operation of this type, cattle will be short. With the new system, we can control weather and produce an assured amount of winter feed.

"Right now, our major problem is finding cattle of a quality and weight in the proper numbers to feed out. We will run approximately 3,000 cattle here and another 3,000 in the Portales operation when it is completed. This will be done in two different bundles. The first will be from the fall to January, take the first ones to the feed lot and come back with another bunch until July."

He added that approximately 3,600 cattle will be fed out on the fall and 5,000 in the spring in the Muleshoe and Portales operations.

"To put that many cattle together," he said, "we need storage space, much like storage for grain. To pre-condition them takes a lot of preparation and this seems to be the best method."

He added that Sanderosa Land

and Cattle Company is presently the largest individual user and owner of Farmhand circle sprinkler system equipment at this time.

The J.E. Birdwell Ranch is another operation which is beginning to utilize the circle sprinklers to assure winter grazing for their cattle. Most of their operation where circle sprinklers are in use is southwest of Muleshoe near Coyote Lake.

They have three Valley circle sprinklers and three Gifford-Hill 360 units and are watering two circles from each unit. They have a total of 12 units in operation and are breaking out the 13th unit at this time.

Other individuals having circle sprinklers in the surrounding area include R.D. Nix, who has four Valley and Farm Hand systems; Roy Harvey Snodgrass, northwest of Muleshoe, six circles; Herb Ramage, one Ulysses circle, Ted Harrison, one Gifford Hill circle system east of Muleshoe; Clyde Krebs, a Hydromatic circle, east of Muleshoe; Jimmy Presley, one Farmhand circle; and Ward Golden, who has one Gifford-Hill system with two circles on Stanley Seagraves' land west of Coyote Lake on the Arch highway.

Also using circle systems are J.R. Johnson of the Y-L community; he has one system with two circles northeast of Clay's Corner; H.D. King on Highway 1760, has one circle; John Gunter, has one system with two circles; Halsell Ranch, south of Earth has one system with two circles; M.C. Mason, has one Gifford Hill system northwest of Muleshoe; Jack Baker and Kenneth Nesbitt have a Valley circle west of Muleshoe; W.E. Medlock has one Valley circle; Bill Jim St. Clair has a Raincat circle on the Plainview Highway east of town; Stan Barrett has two Raincats, one north of town and one north of Progress; Bill Miller has the oldest system in use. He put in a Valley circle in 1957 and it is still in use.

South of Muleshoe, Jim Crouch has two Valley circles on his Needmore farm; Lester Howard has a Valley system with seven circles and Sam Hopper has a Valley circle, John Clark,

toughest four games the Queens have ever faced in regular season play.

"You can bet these three teams, Wayland, Parsons and Pipettes, will finish high in the National Tournament, probably one, two and three.

Preceding the Wayland Queens-Parsons College game at 8 p.m., the Muleshoe Muffettes will meet the Wayland Queen Bees in competition at 6:30 p.m. in the Muleshoe Junior High School gym.

The Flying Queens were the top team in the national year, having won that title in the AAU playoffs.

Tickets for the game are on sale by the Rotary at this time and are \$1.25 for adults and 75 cents for high school students and down in age. Selling the tickets are members of the Rotary, Muleshoe State Bank, First National Bank, Harvey Bass Appliance, Pioneer Natural Gas Company and Radio Station KMUL.

Prior to the game, the Rotary Club will be serving a chicken dinner in the Muleshoe High School cafeteria. Tickets are available for \$1.25 from the Muleshoe Junior High School student council, members of the Rotary or at Muleshoe Publishing Company.

"There is no such thing as a communication gap either, such a thing is just not so, I am not talking about minorities or color, but the upper income groups. And I bring this up only to show you what direction the country is moving. The day will come real quick when you'll be called on because such a young, interested group as the one I see here in front of me has good principle."

McKee spoke on planned Communist projects and said, "Was this planned, was this deliberate. Look at the churches, attend the churches, don't allow dope and crime to move into your neighborhood, become interested in the activities of your neighbors."

He admonished the group to closely examine their own conduct and emphasized that the final answer will be when everyone decides to go back to a Christian society.

He had repeatedly complimented the local group on their progressive ideas and involvement.

His talk was preceded by the welcome by Mayor Irvin St. Clair, who also introduced out of town guests.

Henry Stoneham, work unit leader of the Blackwater Valley Soil Conservation office in Muleshoe, presented the Conservation Farmer of the Year. He was Charles L. Glover, who farms west of Muleshoe.

He and his wife, who is a schoolteacher, have two sons, Mike, 14 and Steve, 15.

The Glovers moved to Bailey County in 1956 from Vernon and he is presently farming 887 acres.

A total of 155 of the acreage Glover farms is in seed land. He plants and tests seeds from foreign country for adaptability, germination, forage and production.

Stoneham said Glover won the annual award for his extensive and carefully planned conservation activities on his farms.

Outgoing Chamber of Commerce President, Don Harmon, who will stay on the C of C board as a director, gave his final address as president. He commended his board of directors for their work and said he felt much progress was made during the past two years in creating a better town.

Outgoing directors Olan Burrows, Bob Stovall and Harvey Bass were presented plaques for recognition of their service as directors.

He also recognized Chamber of Commerce Manager Jerry Hutton, secretary Nita Coppege, the Women's Auxiliary of

Ellis presented Harmon a plaque for services and introduced his board of directors and officers, including Bill Loyd, vice president, Clarence Jones, secretary and treasurer and directors, R.A. Bradley, Bill Wimberly, Joe Pat Wagon, Hanev Poyner, Don Rempe, Max King, Derrell Oliver, Roger Albertson, Doyce Turner and Don Harmon.

The new president asked for continued support to "help keep Muleshoe the progressive community it is."

YL 4-H Club News

Reporter: Pam Vinson
The YL 4-H Club met on January 25, 1971, at 7:00 p.m. in the YL Methodist Church. The meeting was called to order by President Larry Vinson. Paul Harbin led the pledge of allegiance and Susan Head led the 4-H pledge and motto. Secretary Kirk Lewis called the roll with 25 members being present. Two new members

were added to our roll. The secretary read the minutes of the last meeting and also the treasury report. A report was given by Kelly Head on the leather craft project. Susan Head gave a report on the senior food group. Diana Vinson gave a report on the junior food group. Larry Vinson gave a report on the meeting of the District Council.

The program for the meeting was given by Beverly Evins and Larry Shafer on communism. After the program, Jo Ann Head, assisted by Larry Vinson and Kirk Lewis, handed out a year book to each family. This told the plans of the year.

Mrs. Harbin gave a report on who the Christmas gifts were given to.

The meeting was adjourned at 8:00 p.m. after David Head led in the 4-H prayer. Refreshments were served following the meeting.

Llano Estacado Civic Club Hears Clay Speak

The Llano Estacado Civic Club met in regular session January 12, 1971, at the First National Bank.

Members present were Mrs. Ronnie Black, Mrs. Ken Angeley, Mrs. R.D. Angeley, Mrs. Jerry Gleason, Mrs. Richard Hawkins, Mrs. Eugene Hawkins, Mrs. Lee Kimbrough, Mrs. Wayne Peterson, Mrs. Billy Reese, Mrs. Henry Stoneham, Mrs. Buddy Embry, Mrs. Dewayne Calvert and Mrs. Jim Tucker.

Members of the club would like to extend thanks to Roger Albertson of Cobb's Department Store for sponsoring the float for Christmas.

Pat Angeley reported that Mr. Cook of the West Plains Hospital has ordered the whirlpool that the club will help pay for.

Llano Estacado Civic Club will have a bake sale the week before Easter to sponsor the Girl Scouts of Muleshoe for the coming year and other projects for the community.

Royce Clay, minister of the Muleshoe Church of Christ, talked to the members of the club about the problem of men-

tal health. Clay was on the board of the Mental Association for the State of Oklahoma before moving to Muleshoe. He expressed great concern and need for a Bailey County Mental Health Association. All members enjoyed the informative program and expressed wishes for other civic groups to have Clay at their meetings for a talk.

YL Methodist Church Will Host Lay Witness Mission

The Lay Witness Mission at the YL United Methodist Church will be held February 5 through 7 beginning Friday between 4:00 and 5:00 p.m. with the arrival of visitors at which time they will be welcomed and shown to the homes where they will be staying. At 6:30 p.m. Friday, a covered dish dinner will be held at the church for every member of the congregation, followed by a program in Fel-

lowship Hall where visitors will be introduced, hymns sang, and several witnesses will give their testimonies.

On Saturday morning, February 6, coffees will be held in various homes for laymen and members of the congregation. At noon a ladies luncheon will be held in the Fellowship Hall, men's luncheon, and a noon hamburger cookout for the youth will be held. At 7:30 p.m., a congregational meeting will be held in the church where three to eight witnesses will give their testimonies.

After morning worship Sunday, a victory dinner and farewell to the visitors will be held in the Fellowship Hall. Sunday, at 7:00 p.m., there will be no MYF, but will have a Congregational Evaluation meeting for the entire membership to close the mission.

Baptist Church Has Church-In

The GA's and Act-teens of the Trinity Baptist Church had a Church-In at the church Friday night, January 22. The group met at the church and had a spaghetti supper and slumber party. The pastor, V.L. Higgins, met the group at the church for the meal and fellowship.

The group baked cookies for the nursing home. They also had home mission study from "The Red Brick Friend" for the older group, and from "Toni's Triumph" for the younger ones.

The group enjoyed games and midnight snacks at the slumber party and had breakfast the following morning.

Sponsors are Mrs. Derrel Kenner and Mrs. John Harris.

Act-teens attending were Debbie Kenner, Tonya Hardaway, Janet Hopper, Diana Vinson and Beverly Gray.

GA's attending were Lisa Payne, Montiene Smith, Vicky Gatewood and Dana Holmes.

There was one visitor, Lori Seay, attending the church-in.

Progress WSCS Meets In Home Of Mrs. Wedel

The Progress Circle of WSCS met January 18 in the home of Mrs. James Wedel. A very informative program was presented for Call of Prayer and Self Denial in which all members participated.

Those present were Mrs. Albert Davis, Mrs. Johnie Westbrook, Mrs. M.O. Stearns, Mrs. Velma Hogan, Mrs. H.H. Snow and Mrs. James Wedel. The next meeting will be February 1, in the home of Mrs. H. H. Snow.

Fancy Teens Prepare Salads

The Fancy Teens of the YL 4-H Club met for the third meeting Saturday, January 23, in the home of Mrs. Lloyd Throckmorton. Salads was the food project for this week.

The girls prepared a complete salad meal including a salad dessert. The object of the meeting was to learn to use the meat chopper and to learn nutritional values to prepare lettuce and tomato salads.

For lunch, the girls served salads decorated to be appealing to the appetite.

Those present were Susan Head, Pam Vinson, Danita Throckmorton, Belinda Throckmorton and Vowery Throckmorton, who is the junior leader. One visitor, Susie Cousatte, was present for the meeting and luncheon.

Square Thru News

Reporter: Alisa Dollar

We had such a good turnout again! Out of town visitors were the Cliff Gossetts of Clovis; the George Coopers of Clovis; the Willard Davis of Clovis and the Ed Barbers of Lubbock. We had several square dancing couples visiting from Muleshoe also. They were the Don Laymans, the Bob Copelands and the Carl Ellingtons. As spectators, we had visiting Mrs. Mary Sweatman, the Paschall Pelews of Vernon and the Byron Phillips of Vernon. All three were guests of Laura Jean and Jim Presley.

Our members present were the James, Hunts, Gunnels, Wilcoxs, Wisians, Presleys, Brantleys, Shaws, Bickels, Praters, Dollars, and John McDonald. Our teenagers present were Judy Newman, Gary Wrinkle, Misti and Derek Prater, Dan Ellis, Sherman and Melinda Brantley, Stephanie and Curby Brantley, Joey Carpenter, Darin and Della Shaw, Lee Ann and Elaine Gunnels, Tim and Billy James, Sheila, Curtis and Tory Hunt, Jimmy and Mike Wisian, Ricky, Sheila and Singer Wilcox, Debbie Purcell and Terry Gunter.

The Hunts and Brantleys served the refreshments. We plan to have a special dance on February 22 - a George Washington Special! The admission is one dollar per person, 50 cents per person under 12 years. A supper of fried chicken, potato salad, beans and cherry cobbler will be served from 7:30 to 8:30 p.m. From 8:30 on, area callers will call square dancing. We welcome all square dancers and spectators as well!

Our February 8 regular dance night will be cancelled in order to prepare for our special.

There are two of our lady members who sort of forgot the smaller details of their history! They wanted to serve apple pie in honor of George Washington cutting down the apple tree! However, they have gotten it straight now and are working hard on those cherry cobbler.

That's all for now, don't forget - 7:30 p.m., February 22, 1971, at the American Legion Hall.

Ladies Auxiliary of C of C Meets

The Ladies Auxiliary of the Chamber of Commerce met Tuesday, January 26, at noon in the Corral Restaurant. The following members were present: Pat Keesee, Dorothy Woods, Marie Bass, and Sharon Gilliland.

They met to discuss projects for the coming year. The Auxiliary meets the fourth Tuesday of each month at noon. Anyone interested in becoming a member should contact Pat Keesee, 272-4521.

TIQUEWOOD
fine wood reproductions

TIQUEWOOD pieces are polyester duplicates of FINE HARDWOOD CARVINGS hand made by master craftsmen. Use them to create interesting designs on a chest of drawers, a wastepaper basket, as a frame for a mirror, furniture pieces of all kinds, doors, walls, wainscoting and cabinetry. It can be applied to any surface, wood or metal, flat or contoured, where an intricate design is desired.

They can be finished by painting, antiquing, or wood toning in any color. The resultant beauty of detail and grain will truly add quality and style for the surface to which applied.

Are you in the fascinating world of

Antiquing

THE ORIGINAL, COMPLETE SYSTEM FOR ANTIQUING

Tone 'n tique is the simplified system for imparting a warm, mellow patina to ANY PAINTABLE SURFACE, developed by professional finishers. The heart of the system is the Tone 'n tique Antiquing material, a SUPERIOR glazing material which is applied over the now famous Tone 'n tique Base colors, then partially wiped away.

This technique produces subtle striations, accents carvings and details, and—since the Antiquing material serves as a filler—heightens the beauty of open-grain woods.

To preserve the "antique" touches, a coat of Tone 'n tique Finish is applied as the final step in the process.

Designed for the person that insists on professional quality, this Tone 'n tique system is simple to use with positive results always—this same system is used today by many professionals that are experts who must achieve superior quality every time.

Always keep in mind that OLD FINISHES DO NOT HAVE TO BE REMOVED to apply this Tone 'n tique system so long as the surface is not flaking, peeling or chipping.

Olton Ceremony Unites Miss Withrow, Price

MRS. WILLIAM PAUL PRICE and William Paul Price in the Olton Church of Christ with Douglas Lawyer, minister of Olton Church of Christ, officiating. The bride is the daughter of Mr. and Mrs. J.C. Withrow, Sudan, Route One, Price is the son of Mr. and Mrs. D.S. Price of Olton.

Miss Cynthia Lawton Withrow became the bride of Joseph Edwin Price in a double ring ceremony at 2:00 p.m. Friday, January 1, 1971, in the Bula Church of Christ with Douglas Lawyer, minister of Olton Church of Christ, officiating.

The bride is the daughter of Mr. and Mrs. J.C. Withrow, Sudan, Route One, Price is the son of Mr. and Mrs. D.S. Price of Olton.

The ceremony was read before an arch of greenery centered with a large white bow and wedding bells, off set by baskets of white mums and blue daisies.

Given in marriage by her father the bride wore a white floor length gown of bridal satin, with motifs of re-embroidered lace and seed pearls. The gown featured an empire bodice with a rounded neckline and bell sleeves. The skirt of the gown fell into a chapel train and was accented with beaded lace appliques. Her shoulder

length veil of illusion fell from a bandeau of seed pearls. She carried a bouquet of white carnations, centered with an orchid atop a white Bible. For something old and borrowed, she carried a handkerchief belonging to her grandmother; something new was her wedding gown and she wore the traditional blue garter.

Miss Sherry Withrow, sister of the bride, was maid of honor and bridesmaid was Miss Jodie Withrow, also a sister of bride. They wore identical dresses of royal blue crepe, trimmed in darker blue satin ribbon. The dresses were fashioned with a high fitted bodice, short sleeves and self fabric belt in the back. Their head pieces were shoulder length royal blue net, fastened to blue satin bows. They carried a long stem white carnation.

Best man was Carl Olson of Amarillo, Groomsman was Jeff Withrow, brother of bride, Gary Luckabee of Littlefield seated

the guests.

Musical selections, "Faithful and True", "Whither Thou Goest", "Be With Us Lord" and the recessional were given by a group of singers.

Miss Jackie Withrow, sister of the bride registered the guests.

Following the ceremony a reception was given in the church parsonage with Miss Jackie Withrow and Miss Ann Harlan as reception assistants.

The bride's table was laid with a white lace cloth, hand crocheted by the groom's grandmother, over blue. It was centered with a white flower arrangement and the four-tiered wedding cake. The groom's table was laid with white linen and centered with a blue candle. Coffee and chocolate cake were served from the groom's table by Miss Carol Noble, cousin of the bride.

For their wedding trip to points of New Mexico, the bride chose a two piece royal blue knit suit with black accessories and a white orchid corsage lifted from her bridal bouquet.

For the wedding, the groom's mother wore a navy two piece suit with black accessories and an orchid corsage.

The bride's mother was attired in a navy blue two piece knit suit with navy accessories and a white corsage.

The couple will reside in Olton where he is engaged with his father in the wrecking business.

The groom is a graduate of Olton High School, attended Wayland Baptist College and West Texas State University. At WSTU he was a member of Alpha Phi Omega service fraternity.

The bride is a graduate of Sudan High School, attended L.C.C., Lubbock and received her BS degree from Abilene Christian College. She is employed by the Olton School system.

Relatives and friends attended the wedding from Littlefield, Sudan, Lubbock, Kyle, Olton, Portales and Amarillo.

REHEARSAL DINNER

A rehearsal dinner was given by the bridegroom's parents at the church parsonage on Thursday noon, following the rehearsal at 10:00 a.m. Attending were the prospective bride and groom, Mr. and Mrs. J.C. Withrow, Sherry and Jodie, Douglas Lawyer, Betty Withrow, Sharon Wilson, Gene Gee, Alton Wimberly, Mr. and Mrs. J.D. Rowland, Mrs. John Hubbard and the hosts, Mr. and Mrs. D.S. Price.

The Muleshoe Fine Arts Boosters met Monday, January 25, at the Band Hall. President Don Bryant presided. It was reported that the annual Fine Arts Banquet will be held March 20. Millie Throckmorton is the chairman.

Lyndal Murray, fruit cake sales chairman, reported that \$189 profit was made on the cakes. The boosters would like to extend a word of appreciation to the merchants for buying the cakes.

The all-region band concert will be held this weekend in Lubbock. There are 14 members from the Muleshoe High School band in the concert which will be held Saturday, January 30, at 7:00 p.m. in Monterey High School Auditorium. Rehearsals will begin Thursday, January 28 at Texas Tech and will continue Friday and Saturday.

In Fashion

The designers of new clothes seem to feature casual clothes in their spring showings. Fabrics are washable or wrinkle free.

Double knits are quite popular, particularly for travel, due to its wrinkle free feature.

A soft look is evident in most of the dresses and the knee length seems to be favored.

NEW HOSPITAL LAW APPROVED

A bill introduced by Congressman Bob Price in October to change staffing requirements for small hospitals has been signed into law by President Nixon.

"Under previous regulations hospitals could not collect payments from Medicare unless at least one registered nurse was on duty during each of the three eight-hour hospital shifts," Price explained. "This new law will make it possible for 50-bed and under hospitals to treat Medicare patients if they provide 24 hour nursing service by licensed vocational nurses when registered nurses are not on duty."

Price introduced the legislation on behalf of the many hospital administrators, doctors, nurses, and concerned citizens throughout the 19th District and Texas who have been concerned about the problem.

"It would be a great blow to the residents of small towns if community hospitals would have been forced to close their doors because of unrealistic Federal regulations," Price said.

"I am very pleased that my colleagues in the Congress and the President had the foresight to take such quick action on this legislation," he added.

Bill Clayton On Committee

AUSTIN--House Speaker Gus F. Mutscher today announced the appointment of State Representative Bill Clayton of Springlake as Chairman of the House Committee on Counties.

The Springlake Representative is one of only five House Members who will serve as both a Chairman and a Vice Chairman of House Standing Committees. The Committee on Banks and Banking will have Clayton as its Vice Chairman. Mutscher said that eight-year veteran member will return to two committees on which he served last session: State Affairs and Conservation and Reclamation. He has also been asked to serve on the Rules Committee.

The 21-member Counties Committee has jurisdiction over all matters relating to Counties, their creation, organization, boundaries, government and finances, and the compensation and duties of their officers.

"The Committee system is the heartbeat of the Legislative process. It is at this level that the citizens of Texas have an opportunity to express themselves concerning legislation," Mutscher said.

"This 62nd Legislature will be faced with many difficult challenges and I feel fortunate to have Mr. Clayton in the leadership of these two important House Committees."

The greatest producer of real work is necessity.

Medicare Beneficiaries

"If you are a Medicare beneficiary, please examine the explanations of benefits you receive showing payments for medical services," urged Wayman E. Register, Social Security Regional Commissioner in Dallas, Texas. "Any discrepancy noted should be reported to the nearest social security office. Most mistakes are just honest errors but occasionally there is an attempt to collect for services not performed," Register said.

The alert eye of a Medicare beneficiary in Oklahoma recently led to the apprehension of an ambulance company operator who had submitted bills for four ambulance trips when only one took place, Register said.

Following a plea of guilty, the former operator of the Osage Ambulance Company of Pawhuska, Robert M. Williams, was convicted and placed on three years probation by the U.S. District Court in Tulsa.

Since suppliers of any medical services covered by Medicare may be reimbursed directly for services rendered, Register explained, it is extremely important that all people covered by Medicare check the explanation of benefits paid which they receive, thereby insuring that only valid claims are honored and that anyone attempting to falsify claims is brought to justice.
