Good for Sam Jones.

Washington, July 5 .- Rev. Sam ly, in the course of an interview folks who think they can do anything with the Federal election bill are mistaken. A free ballot and fair count in the South means negro domination, and the South won't have it. The election law will be a reduce term or salary or to increase dead letter, like the Fifteenth amendment. It would take \$500,-000 to enforce it, a regiment in every county. A negro is killed in the South once in a while-killed with lead. In Indiana they kill white voters with silver. You buy voters up North with money. In the become after a year's experience, It is cheaper, but a hundred are purchased in the North when one is killed in the South, and the purchasing of votes is as dangerous to the republic as the killing of voters.
