SOBIESKI

WENT BACK ON PROHIBITIO

IN A DISCUSSION WITH AN ARMEI BURGLAR.

Story of the Sensational Robbert Magnolia, III.

MALE AND FEMALE HOTEL GUESTS, IN SOANTY ATTIRE, Orowded Together in Beds at the Re

volver's Point-Col. Sobieski's

Horse Killed in Pursuit of

the Robbers.

Colonel John Sobieski, Prohibi tion candidate for Governor of Missouri, who is here as a delegate to the Prohibition Convention, had a most thrilling adventure with burglars while on his way to this city.

A brief accout of it appeared in esterday's Enquirer. He had at Magnolia, a little village in Illinois. He retired at his hotel, the telling me your politics." Magnolia House, shortly before midnight. He was aroused about 2:30 o'clock in the morning by hearing the sound of voices speak- ed the Colonel. ing in the hall. He

LISTENED FOR A MOMENT And concluded that it was the landford calling some of the other guests to catch a train. With that ne turned over and fell asleep again. Shortly after that he was startled from his slumber by a bang at his door, which fell in with a crash. He instantly leaped out of bed, but was confronted by a masked man pointing a revolver at him. He held a lantern in his hand and commanded the Colonel Springfield, O., July 13,-The to get back into bed and put his head under the bed-sheet.

of an obstinate nature and obeyed try Dr. John Bull's with an alacrity that was surprisportion of the city, the residence ing in a man of his age--50 years. portion, this morning at 11 o'clock He says that three other male

Hogg 5134; Clark 2774. The Houston Post's estimate is this: Hegg 507; Clark 272. Counties representing 150 votes is ue the following message from are to hold their conventions yet. R. Q. Mills:

Of these Hogg has to secure about

THE FORCE BILL

We are asked to explain what is meant by the Force Bill. It is a scheme of the republican party by which they propose to take charge of elections in the South for congressmen, and virtually of state and county elections too. Such a bill passed the house of representa-

ed States Marshals and their depu- THE COURTER for publication a careties, with power to place bayonets ful estimate of the cotton acreage better, yield 50 per cent. greater. electing the president and both probable mast crop and the supply

On the success or defeat of the republican party depends the success or defeat of the Force Bill. If that party succeeds, the Force Bill succeeds; if that party is defeated the Fcrce Bill is defeated. While this is true, it is likewise true, that whatever contributes to the success though indirectly, the consumma-

of re-construction days.

Southern States. Whatever movement tends to

fatally we fear, the ability of the hundred for cotton picking. party to make a successful resistance to the enactment of the bill. In other words, while they will not be able to muster strength enough to do anything themselves, they will be able in close states and close Ir is to be hoped that fairness districts to divert sufficient strength year, needing rain. Mast an aver-

TOMB OF CONFUCIUS It Is Surrounded by the Graves of This sands of His Pollowers.

founder of Confucianism.

revered philosopher began his teach- away from the lake bed. Some thouings and after many years spent in sands of acres of rich farming land other provinces of the empire. spread- will thus be obtained. ing the religion of which he was the founder, he returned to his native long made a study of underground city to die, and there now his tomb is water courses, has recently been exthe magnet for thousands of pilgrims ploring the caves and underground from all over this vast empire.

In love and veneration by his fol-lowers the tomb of Confucius is hardly second to that of Mohommed at It is kept in excellent preservation.

disciples being annually placed in charge of it who regard and keep this trust imposed up on them with a strictness and conscientiousness probably unknown in any other portion of the

Chu-fu-hsien is an ancient walled no reliable account is known of it pre-

vious to the birth of Confucius, 525, The tomb lies about three miles north of the city. A finely laid out avenue, arched over with shade trees, makes the trip

both pleasant and attractive.

At the northern end of this avenue is the gate of entrance to the burial ground. Entering the gate another avenue, shaded by tall cypress trees, leads by a large bronze bell, used in all Confucian temples, through a large doorway in a wooden palisade, richly carved and ornamented in Chinese style, and now we enter upon sacred soil Leading to the tomb on each side are huge animals cut in stone. Lions and tigers, elephants and horses, animals haif dog and half frog, and beasts that have never lived on earth, in the sky, or in the sea are carved and placed on each side.

The Egyptian sphynx, or something very similar, is also among the On each side, just by the last insize mounted on lofty pedestals, representing two wise men of the past, one on each side of the road, looking more solemn than a funeral, as if to remind the worshipers that here was no ground for merriment, no time for gayety and no place for thoughtless-

vilion stands the venerated grave of the world has ever seen. The grave is very simple, being sur-

by the wind, lends an additional

solemnity to the surroundings. Before the mound is a tablet about six feet broad and twenty feet high, upon which are inscribed the name and deeds of him who lies beneath. These inscriptions, translated, mean the Perfect Sage, the First Teacher, the Philosopher, etc., etc., and at its base is the sacred incense burner, with

About 300 yards from this tomb is a somewhat similar mound and tablet marking the resting place of Confu-cius' son. Kung Il-Pai, who was born B. C. 532 and died at the age of 40 years, and before his father.

No particulars of his life are given, but it is well known that Confucius was not so well satisfied with what his son accomplished, as he was with the promise which that son's son gave. The tomb of this grandson, Kingchi-Tzue, is about 50 yards from that of Confucius, and is very similar to it in general appearance.

early life became a disciple of Confu- but within three days was entirely could have shot four more."

pagators of the new religion. Upon the death of Confucius this disciple is said to have sat and wept for years over his master's grave. A small pavilion now covers the spot where he sat and wept, and a tablet in the wall records his years of

cius and was one of the principal pro-

tombs above mentioned are the graves of tens of thousands of the latter-day followers of Confucius, who have desired to be brought for burial as near as possible to the resting place of the founder of their religion.

It is the desire of all thorough Confucianists to have their ashes rest near this sacred spot, and almost Awake and a Hustler or a Rustler girls you will not be alone, for Mr. daily one or more followers are after News often degenerates into a Smith will be with you."-Texas Siftbrought to this already overcrowded | mere lak Fiend or lak Hustler. cometery to have their last wish grai- Ann, Ill., appropriately has a paper

When they came to set the clock up in the place assigned for it it was found this one of the greatest philosophers there were insurmountable objections to placing it in the "Old Brick," and it was decided to put it in the Old South steeple as being the more substantial structure, where it has remained to the present time. Browne Tived to quite and tall, stately cypress trees, whose an advanced age. He was considered dreamy and moaning sound, caused the most cross and ill-natured person put a charge of buckshot in the deer. in Boston, and died grumbling that he died August, 1807, aged 83.

LION OF ST. MARK.

The Famous Venetian Symbol Restored and Replaced on Its Column. The symbol of the Venetian republic -the famous lion of St. Mark-which, after being restored, has been replaced on its column in the Piazzetta in Venice, is made of bronze. There is a tradition among the Venetian people that its eyes are diamonds, but they are really white agates faceted. Its mane is most elaborately wrought, and its retracted gaping mouth and its fierce mustaches give it an oriental aspect. The creature as it now stands belongs to many different epochs. varying from some date previous to conjectured that it may have originally brought down a deer spiece, the dogs formed a part of the decoration of having put up four and sent them to The instructions he received from it certainly was not originally, for it we had eleven deer, and it wasn't 10 was made to stand level upon the o'clock in the forenoon yet. I de- no money and he had better get out. his fillustrious grandsire became was made to stand level upon the o'clock in the forencon yet.
