### "SUNBEAM."

The Pathetic Tale of a Locket, an Inscrip tion and Somebody's Sweetheart.

She was such a pretty girl with a fuff of hair and a stylish hang to her gown-though, to be sure, one did not

notice that until afterward. Her eyes so brimful of happiness, of real infee- dew of the sea-that is to say, sea- the better shot. tious joyousness. It spoke, too, in the spray. Another cause of confusion, surve of her pretty mouth, and in her perhaps, was that the leaves of the quick, "springy" motion as she walked. All the clerks in the jewelry store looked up and smiled as she entered, says the Jewelers' Review. She was smiled still more-there was something at which to be amused. She had left a locket to be engraved-"Sunbeam" on one side and a name, a man's name, on the other. He, the man, must have dimple to her cheek as she spoke to the clerk, and she blushed rosy red | ferent uses. when he asked her to repeat the lowtoned order.

There was a small sigh of relief on the girl's part as the door swung to behind her. If it were not such a very thus precious thing she would send her brother after the locket. Somehow she felt shy about it, and the namehis pet name for her-had been diffi cult of utterance before all those men. They told her it would be done to- The Cresture Really Does Secrete Polson, morrow. "She would call? Very well,"

She did not call; the clerk half unconsciously watched for her, and wondered. It had been nearly a week now. One day a young man came in-a young man who had her look without the sunshine in it. He showed the check for the locket and took it away. pered to him about the locket before most accura cly descriptive.
