I heard all "I don't know." said Noah with a the dyes. As Mr. Jollife was agreetransformed into by an artistic use of able, the student boiled his dyes and with a large brush stained the borse's

Well, if you will not tell Mary that time (1872) in Persia a wood was al center of East Texas. ous. I told you I'll explain. You see discovered similar to the Turkish or when I fell in love with my wife and Albanian boxwood, and as much as proposed I didn't have \$10 to my 8,000 tons have, in some years been name and she was rich. She had imported from that country,

When in the course of human events it becomes necessary to recommend some brand of Smoking Tobacco, we unhesitatingly pronounce

**Blackwell's Bull Durham Smoking** Tobacco

to be the best in the world, Many times imitated, but never equalled. Get the genuine. Made only by

Blackwell's Durham Tobacco Co Durham, N. C

### LOVELADY

to the South, on the I. & G. N. R. R., is an entorprising town of 500 people good society, several churches and a splendid High School maintained all the year in one of the finest high school building in Eastern Texas

# GRAPELAND

to the North is another enterprising town of several hundred people fully alive to the demands of the hour and supported by a superior section of country. They have in course of erection a very fine high high school building in which the public spirited citizens of that place propose to sustain during the entire year a high school second to none in the County.

of the County are cheap and can be bought on easy terms.
