Band Boosters Purchase Uniforms

Additional Uniforms Require More Funds

Ninety members of the Mighty 'M' Marching Band have been measured for new uniforms, announced Fine Arts Booster Club President Don Bryant.

He said the band uniforms have been ordered and it is hoped they will arrive in time for the concert band to wear for the Christmas Concert on December 12.

Bryant said, "Funds are still needed to help pay for the new uniforms."

There are approximately 100 members of the Mighty M Band this year; the number of band members vary from year-to-year, as members come in various sizes and shapes", Bryant added. Uniforms are needed for the concert band, and also additional members of the marching band. Because of the changes in the sizes required by students' growth

normal during the high school years, as well as necessary short-term retirements from use of uniforms which are in need of repairs and/or alterations, an additional 35 or more uniforms are needed to make the change-over to the new uniforms complete, the spokesman added.

"The 90 uniforms ordered will cost approximately \$9,350 and \$5,503.52 is the total amount collected in donations from business clubs and individuals in the Band Uniform Drive."

He added that the Fine Arts Boosters made \$550 on the barbecue last year and Band Director Jim Harvey budgeted \$2,000 from the '71-'72 school-allotted annual band operations budget, and which is to be applied to the uniforms purchase fund.

President Bryant praised Harvey for his interest and cooperation in trimming the band's \$5,000 operating budget to a minimum this year and allotting 2/5ths of the budget to go into the needed uniform purchase order. It will entail cutting regular operating expenses to a minimum by Director Harvey. The Fine Arts Boosters band members and band parents appreciate his interest in assisting us in fitting our local band with much needed new uniforms," he added.

Harvey indicated that the funds are part of the funds budgeted the band to purchase

BAC Slates 'Star' Show In Muleshoe

Popular Jeannie C. Riley, country and western singer, will appear in two performances in Muleshoe on November 8, according to an announcement made at the Business Activities Committee meeting Tuesday morning.

Bob Stovall, chairman of the Chamber of Commerce BAC, said Miss Riley will perform in the Muleshoe High School auditorium at 7 and 9 p.m. on Monday, November 8.

Tickets will go on sale for both performances on September 15 and advance general admission tickets will be \$2.50 and \$3 at the door. Reserve seat tickets will be \$4.

George Washington and his junior class will be handling publicity and advance sales on the tickets.

Tommy Black reported on the carnivals which were held in Muleshoe and approval was given for another carnival to be held during the last week in September.

According to the financial report, after expenses have been paid, BAC has a balance of \$1,133.64 on hand at this time.

A report on the highway parking situation was given by City Councilman Lindal Murray who brought the group up to date on prospective changes in parking and turning on highways 84 and 214.

Walter Bartholf reported on activities in the city park department and said an underground sprinkler system is to be installed at the location of the new city park.

Kid's Day was an immense success reported Chamber of Commerce Manager Jerry Hutton, and he commended his co-chairmen Smitty Aylesworth and Don Heh for their work on the project, as well as all the others who assisted during the afternoon.

Other minor reports and action was taken during the one hour meeting which was attended by 12 Muleshoe business and professional people.

Kid's Day Draws Huge Crowd

around Muleshoe with the journal staff More Than 200 Compete For Prizes

Colorado Supreme Court Justice William H. Erickson of Denver and Stephen F. Hurt of Lynchburg, Va. visited in the J.G. Arn home this past weekend. They also looked after extensive land interest in county.

Justice Erickson is the son of the late A.X. Erickson, well known, early land owner in Bailey County.

Spec. 5 and Mrs. Bobby Bishop and children of Ogden, Kansas, and Sgt. and Mrs. Richard Dickson and children of Cannon Air Force Base in Clovis visited with their parents Mr. and Mrs. Ray Clayton and James Ray of Muleshoe.

Mrs. Joyce Osborn and daughters, Linda and Karen, from Billings, Montana spent last week in Muleshoe with their parents and grandparents, Mr. and Mrs. Buck Taylor.

Mrs. Osborn and Karen accompanied Linda to Wayland Baptist College where she is a junior student this year.

Recent guests in the home of Mr. and Mrs. Buck Taylor were his four sisters and a nephew, Mrs. Maggie Hawkins and son David from Pleasant Hill, Calif.; Mrs. Ethel Copeland, Modestia, Calif.; Mrs. Pearl Hardy, Post; Mrs. Bub Hand, Friona, and a brother, Benny Taylor of Snyder.

Also visiting were Mrs. Taylor's two sisters, Mrs. Robert Servatus of Pleasant Hill, New Mexico and Mrs. Lucille Hargrove of Anton.

Mr. and Mrs. O.C. Kirk visited their son, Mr. and Mrs. Larry Kirk, at Kenai, Alaska

Won't You Please Let Our Pets Live?

Muleshoe has a new resident, Sebastian Thomas O'Malley Jr., was welcomed to Muleshoe with a housewarming Friday night. The shy young man was not sure how to take all the fuss and bother when a host of friends showed up with surprise gifts to make his life easier. He hid part of the time and peeked around the corner with his bright blue eyes and solemnly observed the celebration.

He was presented a new home, which was completed to include carpeting and 'mod' wallpaper. A fringed welcome mat was tested by Sebastian Thomas O'Malley Jr., and he found he liked the softness and texture of the carpet which was carefully installed in his house.

Sebastian was presented

Top winners in the boys' division during Saturday's Annual Kid's Day were Eddie Black in the six to eight year old division; Charles Briscoe, for the nine through eleven group and Ruben Gonzales for the 12-14 year old group. Second place winners overall in the divisions were Jessie Beversdorf, six to eight; Leslie White, nine to eleven and Victor Lopez, 12-14 year old group.

All overall winners received first place trophies. Hoping for a crowd at Kid's Day, the Muleshoe Jaycees were overwhelmed when around 200 boys and girls showed up for competition just south of the Muleshoe City Swimming Pool. They quickly regrouped and started the races, with several races being conducted over the field at one time.

Parents and onlookers, expecting to be at the races for perhaps an hour or hour and a half, found the races lasted more than two and a half hours in order to give all the boys and girls time to compete.

A large group of Muleshoe Jaycees turned out to coordinate the afternoon and conduct the races. They were assisted by several Muleshoe Jayceettes, who kept scores and wrote down winners.

Five races were featured: Laurie Seay, first; Brenda Woodruff, second and Donna Hawkins, third in the six to eight year olds.

Gaynell Williams, first; Shelly Dunham, second and Gloria Mallouf, third in the nine to eleven year olds.

Evelyn Grace, first; Doris Bartholf, second and Anita Wade, third in the 12-14 age group.

Malinda Presley, first; Laurie Seay, second and Stacy Vandiver, third in the six to eight year olds.

Parents and onlookers, expecting to be at the races for perhaps an hour or hour and a half, found the races lasted more than two and a half hours in order to give all the boys and girls time to compete.

There were plenty of 'sidewalk supervisors' when Hazel Cunningham and Glenna Roney designed and constructed the new home for Sebastian, who lives with Mr. and Mrs. Cecil Cunningham. The newlyweds acquired Sebastian Thomas O'Malley Jr., who is an eight week old kitten, after their puppy Puddles, was run over by a motorist on West Avenue D.

The Cunninghams ask that not only Sebastian Thomas

Winners were:

GIRLS

Barrell Race

Stacy Vandiver, first; Laurie Seay, second and Donna Hawkins, third in the six to eight year old group.

Gloria Mallouf, first; Tony Beversdorf, second and Angie Wade, third in the nine to eleven year old group.

Potato Race

Brenda Woodruff, first; Stacy Vandiver, second and Donna Hawkins, third in the six to eight year olds.

Estalio Gonzales, first; Gloria Mallouf, second and Rose Ann Chavez, third in the nine to eleven year old group.

Anita Wade, first and Doris Bartholf, second in the 12-14 age group.

Bicycle Race

Malinda Presley, first; Laurie Seay, second and Stacy Vandiver, third in the six to eight year olds.

Gaynell Williams, first; Shelly Dunham, second and Gloria Mallouf, third in the nine to eleven year olds.

Evelyn Grace, first; Doris Bartholf, second and Anita Wade, third in the 12-14 age group.

Foot Races

Laurie Seay, first; Brenda Woodruff, second and Donna Hawkins, third in the six to eight year olds.

Gaynell Williams, first; Shelly Dunham, second and Gloria Mallouf, third in the nine to eleven year olds.

Evelyn Grace, first; Doris Bartholf, second and Anita Wade, third in the 12-14 age group.

City Council Hears Reports; Discuss Projects

First report given at the Muleshoe City Council meeting Tuesday morning was by Mrs. Larry Hall, who reported on activities of the Friends of the Library building presently under construction.

Mrs. Hall, who is president of FOL, gave up to date reports on expenditures and her summary report included a financial report of the state library and an itemized report of all funds received and expended for furnishings and equipment.

Proposed changes in highway parking and a traffic study were discussed by councilmen. After expressing a desire for public opinion on the parking problem, a public meeting will be held for all persons interested in discussing the problem and possible solutions. The date and time will be announced as soon as it is set.

A discussion was held on paving assessments, and a number of specific places were mentioned as having outstanding paving assessments. Texas Securities Commission plans to begin filing paving assessment suits in the near future, indicated the City Council.

Other discussions were held on adequate housing for Muleshoe and who was responsible, city, county or state health officers in restaurants and cafes in the city?

J.W. Coppedge Sunday Winner In Golf Tourney

J.W. Coppedge was winner of a Labor Day Holiday Handicap Tournament which was played at the Muleshoe Country Club Sunday. He won with a 132.

In second place was Jack Young, who had a 133 and Derrell Oliver and Charles Smith, split third and fourth after tying at 135.

STEADY, NOW--Don Heh, left who was co-chairman of the annual Kid's Day last Saturday watches as two girls practice for the potato race. He helped coordinate activities for the more than 200 boys and girls who attended the annual festivities. Assisting, along with Heh were Jerry Hutton and Smitty Aylesworth, who acted as co-chairmen.

Mules-Bobcats Will Clash Friday Night

It won't be at 'High Noon' and it won't be a shoot-out, but a showdown is due Friday night at Muleshoe. At 8 p.m. the Mules will be out to kick the Dimmitt Bobcats and attempt to stay away from their sharp claws.

It will be the first football game of the season, and grid fans will be on hand to take a look at the Mules and watch their actions in this, the season opener.

Athletic Director Fred Hedgecock and his coaching staff have been putting the Mules through workouts and are cautious about being over-optimistic during this beginning of the season.

Going into two-a-days, Bobby Hays, who was leading ground gainer for the Mules last year

FOL Asks That Banks Receive All Donations

Friends of the Library have announced that four places have been designated to receive funds or contributions for the FOL fund-raising drive for equipment and furnishings for the new library.

In order to facilitate funds and to provide convenience for donors, contributions may now be made to the Chamber of Commerce office in the Muleshoe City Hall. Jerry Hutton, manager is special gifts chairman, with newly appointed Clem Peden, co-chairman at Tri-County Savings and Loan Association. Tri-County will also accept contributions for deposit in one of the banks.

Any contributions made at Muleshoe State Bank may be given to a teller or to Jeff Smith, membership chairman. Harmon Elliott, newly appointed FOL chairman, or Sherri Russell, FOL bookkeeper at the First National Bank, will accept contributions, or they may be made to a teller and designated for FOL.

Memorial gifts may also be made to the banks or directly to Mrs. E.W. (Blanche) Johnson, FOL Memorials Chairman. For information or requests for pickup of funds, persons are asked to call the Chamber of Commerce office, 272-4248.

and top scorer in District AAA, did not come out for practice. He joined the team late and has been attempting to come out of a summer layoff. Hays looked good in scrimmage against Littlefield, although he did not seem as fast or agile as he was when the season ended last year.

Muleshoe will be starting a new quarterback this fall, Donnie Wheat, who saw limited quarterback action last year,

'71 Football Contest Begins This Week

How good are you at guessing? Do you have a favorite college team you predict will be winning their football games this fall? You will have an opportunity to enter the annual Back The Mules Football Contest each week for the next ten or eleven weeks.

Weekly cash prizes of \$5, \$3 and \$2 will be presented to the top winners, plus the names of the first three winners will be added to a list with the person accumulating the most points by the end of the season receiving two free tickets and \$50 expense money for the Cotton Bowl game on January 1.

In the point system, 10 points will be awarded for a first place, six for second and four for third place. An accumulation of points will determine the grand prize winner at the end of the season.

Football Game Tickets Ready For Friday

General admission tickets for Muleshoe High School's home games are available at Damron and Western Drug Stores in Muleshoe and will be on sale until 4 p.m. each Friday preceding the game.

Tickets are also available at the Muleshoe School system's business office where the master chart is posted on seating reservations.

There is still time to purchase general admission tickets for the Muleshoe-Dimmitt game. Prices are \$1.50 for adults and 50 cents for students. Student tickets will be 75 cents at the gate.

will be calling the signals, and looks good leading the team on the field. Quarterback Mike Riley did not come out this year. Someone to watch this fall is Ricky Black, who will be wearing No. 40 on his jersey. He should prove to be a strong runner and looks good on the field. Taking over No. 33 when Randy Field pulled off the team

Con't on Page 3, Col. 1

Entry rules are simple. Deadline for entry will be strictly enforced with all contest blanks brought to the Journal office due in the office by 5 p.m. on Friday. Entry blanks mailed to the office must bear a Friday postmark. Any entry blanks received after deadline will be disqualified with no exceptions.

All entry blanks mailed to the office should have 'Football Contest' written in the lower left corner of the envelope, although entries will not be disqualified for failure to do so. No one under the age of 12 will be eligible to enter the weekly contest, nor will Journal

Con't on Page 3, Col. 4

GETTING IN SHAPE--Bobby Hays, No. 44, right, eludes Littlefield pursuers as he begins a long downfield run for a 60 yard plus touchdown during the Muleshoe-Littlefield scrimmage last Friday night. The Mules will play the first game of the season this Friday when the Dimmitt Bobcats will journey to Muleshoe for the clash.

MY NEW HOME -- Sebastian Thomas O'Malley Jr. the doorway of his 'custom-built' home which was him in a housewarming last Friday night. Friends the home for Sebastian and held a housewarming ad food, dishes and toys.

Lubbock Field Day Slates Special Tours

"Research for Progress" is the theme of the 62nd Annual Field Day and Open House, slated for September 14 at the Texas A & M University Agricultural Research and Extension Center at Lubbock.

Activities at the Center are coordinated by Dr. George McBee, resident director or re-

Band...

Cont'd from Page 1
new music, horns and expenses of operating the band, Fine Arts Boosters will provide the balance of the needed funds, he said, to complete the necessary funds to pay for the original 90 uniforms ordered.

The old uniforms are to be renovated for the junior high band, who has not had uniforms up to now. The Fine Arts Boosters will need to raise approximately \$4,000 more in order to complete the renovation, added the FAB president.

FAB asked that anyone who would like to make a contribution or help in anyway should contact President Don Bryant, or Mrs. Herbert Griffiths, who is chairman of the band uniform fund drive.

"The Fine Arts Boosters and the band students would like to thank all of the individuals, businesses and clubs who have helped secure funds for these uniforms. We also appreciate the interest the Friendship Club and Jaycees have shown," said Bryant.

Several money-making projects have been planned by the Fine Arts Boosters to raise funds to purchase the remaining uniforms needed to complete the change-over to new uniforms for the band. Deadline for the order to be placed in October, a spokesman added. Projects will be discussed during the first regular Fine Arts Boosters meeting for the fall on September 20 at 8 p.m. in the High School Band room.

Fine Arts Boosters represent Speech, Art, Choir and the Band Departments at MHS and support both with services and money, which supplement the MHS budget as set by the school board and administration at an annual meeting on the budget, added the FAB president.

Booster officers for 1971-72 are Don Bryant, president; Frank McCamish, first vice-president; Buddy Blackman, second vice-president; Mary Pool, secretary; Don Harmon, treasurer; Mrs. Lloyd Throckmorton, membership chairman; Carleton Newell, publicity and Mrs. Herbert Griffiths, chairman of the permanent uniform fund.

Mules...

is David Wheat, younger brother of Donnie Wheat. The young runner is a top ground gainer and a top scorer for the Mules.

Handling chores in the line will be returnees Tommy Clements, Rand Baker, Don Heathington, Larry Shafer, Ricky Favor, Gary Lackey, Tony Jaramillo, Mark Long, Julian Vela, Roger Williams, Larry Vinson, Joe Bara, David Favor, Delmer Bleeker, Lusky Green, George Mitchell, and Robin Richardson.

According to a comment by Brown Smith, head coach at Dimmitt, the Bobcats are going to have to play power football.

"I don't think you are going to see much passing, and you won't see many long touchdowns because we're slow. Our boys realize this, but they're a good bunch of talented boys, and they have a lot of determination and good size," he stated, "and we're going to win some ball-games."

All in all, the Mules should be getting off to a good start this year, and Athletic Director Hedgecoke has urged that everyone back the Mules, and support the athletic program at Muleshoe Schools.

Gametime is 8 p.m. at the Muleshoe football stadium.

Pets...

Cont'd from Page 1

O'Malley Jr., but all kittens, puppies, and their adult counterparts be given a chance to survive.

For some time, there have been many instances of dog and cat poisonings in Muleshoe, including some animals being poisoned include a dog belonging to Robert Kelly, which was tied in his back yard and an Alaskan Husky, owned by Mrs. Hazel Cunningham, and was tied in her front yard.

A number of other poisonings have been reported to the Bailey County Law Enforcement Center. Officers believe that poisoners do not fully realize the potential danger to small children who may pick up food lying in a yard or alley. Toddlers are too young to realize the possibility that food lying in a yard, street or alley is not to be touched by them, theorize officers, and eventually, there may be tragic circumstances from poisoned food which was intended for animals.

Fully recognizing there is a dog problem in Muleshoe, City Police Chief Harold White and his patrolmen diligently attempt to control the problem, and urge citizens not to resort to poisoning. Chief White said his patrolmen check out dog calls as closely as possible and many dogs are picked up for the dog pound each week.

A dog ordinance, passed by Muleshoe City Council officials several years ago, is enforced as much as possible for city officers who have multi-duties to perform.

Muleshoe Community Improvement Board, a recently formed committee to help improve all conditions in Muleshoe, is presently attempting to come up with a workable solution for the dog and cat problem here, and are working with city police and local government officials to alleviate the problem.

"Please don't destroy our pets," asked the young Cunninghams, "we think all animals such as Puddles, our puppy who was run over, or Sebastian Thomas O'Malley Jr., our young kitten, deserve a chance to live."

Mrs. James Gary Phillips, the former Reba Higginbotham

Reba Higginbotham Weds Gary Phillips

Miss Reba Higginbotham became the bride of James Gary Phillips in a double ring ceremony performed Friday evening, September 3, at 7 p.m. in the Trinity Baptist Church. Rev. V.L. Huggins performed the ceremony.

C.D. Alexanders Celebrate 60 Years Of Marriage

Mr. and Mrs. C.D. Alexander celebrated their 60th wedding anniversary Friday, September 3. Mr. and Mrs. Alexander are pioneer residents of Bailey County having lived here 46 years. They were married in Ringgold, Texas September 3, 1911. They moved to a 160 acre farm near West Camp in 1925. They farmed there for 31 years and raised eight daughters. Alexander was considered an "expert mule-skinner" and raised and trained mules and horses for many years when Bailey County was mostly wild prairie. For the past 15 years they have been living just outside Muleshoe.

P-TA To Sponsor Pre-Game Supper

The Muleshoe Elementary P-TA will be sponsoring their annual pre-game supper Friday night, 6-8 p.m., at the Muleshoe High School cafeteria. The menu will include Sloppy Joes, potato salad, beans and cobbler.

The fourth grade students will sell tickets for the supper. The student selling the most tickets will win a prize and the room selling the most tickets will receive \$5.

Cost of the tickets will be \$1.25 per person.

The Muleshoe Elementary P-TA was organized last year and this is the first school term it is in effect. New officers are Mrs. Robert Hunt, president; Mrs. Don Harmon, first vice-president; Mrs. Bobby G. Free, second vice-president; Mrs. Salter Bartholf, third vice-president; Mrs. Herb Rammage, secretary; Mrs. Jimmy White, treasurer; Mrs. W.T. Watson, historian; and Mrs. Kenneth Stice, parliamentarian.

The bride is the daughter of Mr. and Mrs. Ben Higginbotham of Muleshoe and the groom is the son of Mr. and Mrs. J.L. Phillips of Stegall.

Given in marriage by her father, the bride wore a street length dress of white trimmed in silver. It featured an empire waist and V-neck. She wore silver shoes to complete the costume.

Her bouquet was atop a white Bible and featured love knots.

Attending the bride as maid

of honor was Vicki Smith of Muleshoe. Her dress was made along the same line as the brides but was blue trimmed in white. James Johnson of Muleshoe was best man.

The couple was honored with a reception immediately following the ceremony in the Fellowship Hall of the church. Carmen Bond registered the guests. She served the guests from a table laid with a blue cloth and centered with the wedding cake which was decorated with blue and topped with a bride and groom.

After a wedding trip to New Mexico, the couple are at home at 815 West Avenue E, Muleshoe.

The bride attended Muleshoe schools and the groom graduated from Dora High School in Dora, New Mexico in 1969 and is employed by the Bell Station in Muleshoe.

YOUNG HOMEMAKERS FLOAT . . . This is the float entitled "Cook Room Follies" that the Muleshoe Young Homemakers entered in the Lamb County Festivities at Littlefield recently. The float won second prize and a check for \$50. Riding on the float were Mrs. Robert Hunt, Mrs. Elmer Downing, Mrs. Kenneth Powell, Mrs. Bobby Newman and daughter, Judy, and Mrs. Jimmy White.

Young Homemakers Host Convention Here

The Muleshoe Young Homemakers will host the Area I Convention of Young Homemakers of Texas Saturday, September 11, in Muleshoe.

Approximately 35 chapters will be represented.

The theme for the convention will be "Backtracking 1971 for better trails in 1972." A luncheon and style show will kick off the day's program. Mrs. Charles Weatherford, Area president from Hereford, will preside during the afternoon session. Highlights of the day will be the election of new officers. Mrs. Ed Whittner of Plainview will be the guest speaker. Her topic will be "The Art of Liking Yourself." Mrs. Whittner will also bring special music selections.

The Young Homemakers will join the Young Farmers at the Awards Banquet in the Muleshoe High School cafeteria in the evening. Don Williams, Minister of Youth, Broadway Church of Christ, Lubbock, will be the guest speaker.

The Young Homemakers will announce the winners of the Outstanding Chapter. Cash prizes will be provided by the Electric Utility Companies of Texas and Pioneer Natural Gas. A hundred dollar scholarship will be awarded to the Area I Little Sister by Pioneer Na-

tural Gas. The Little Sister chosen by the Muleshoe Young Homemakers is Peggy Carter. Officers of the Muleshoe Young Homemakers are Mrs. Jimmy White, president; Mrs. Darrell Nowell, first vice-president; Mrs. Robert Hunt, second vice-president, and second vice-president of the district; Mrs. LeRoy Hughes, secretary-reporter; Mrs. Kenneth Powell, treasurer; and Mrs. Eugene Shaw, historian.

New Covenant Church To Have Fellowship

The New Covenant Church of Muleshoe, located at First Street and Avenue B, will have Fellowship Services Friday evening, September 10, at 7:30 p.m.

Visiting ministers are to be Rev. Billy Van Zent, of the New Covenant Church of Midland; Rev. Jimmy Low of the New Covenant Church of Plainview; Rev. Bobby Chaney of Christan Temple of Colorado City; and Rev. Billy Williams of Andrews; along with the pastor of the New Covenant Church of Muleshoe, Rev. Gene Snodgrass.

People of all denominations are welcome to attend and join in the spiritual fellowship.

The man or woman without faith in anything or anyone gives evidence against themselves.

American Association Of University Women Meets

The Muleshoe Branch of the American Association of University Women had a salad supper Monday, September 6, in the First National Bank.

Mrs. Oscar Rudd, president, and Mrs. Jim Shafer, membership vice-president, were hostesses.

Mrs. Robert Hooten, program

chairman, and Mrs. Neal Dillman, implementation chairman, showed slides and narrated a script relative to "What AAUW Is and What It Does."

AAUW members are helping to build better communities, and are fostering an intelligent approach to world problems.

All women who hold degrees from colleges and universities approved for AAUW membership may join the Association.

The AAUW Branch offers not only stimulus and congenial associates, but great possibilities for individual usefulness. Each member contributes to a program which gives focus to the influence of college women locally, nationally, and internationally.

The Muleshoe Branch gave \$100 to the Muleshoe Area Public Library. Mrs. Ed Johnson gave a report on the Summer Reading Program at the Area Library sponsored by AAUW.

The years programs were previewed by Mrs. Hooten and other Branch projects were discussed by the members.

The program topic for the year, "A Dollar's Worth," concerning budgets and economics, was highlighted in the serving table and individual table decorations. English ivy entwined with play dollar bills was on each table.

Guests attending were Mrs. Tom Jinks and Mrs. A.T. Henderson. Members attending were Miss Virginia Bowers, Mrs. Joe Costen, Mrs. Neal Dillman, Mrs. John Gunter, Jr., Mrs. Lena Hawks, Mrs. Robert Hooten, Mrs. Ed Johnson, Mrs. W.O. Rudd, Mrs. Robert Sanders, Mrs. Jim Shafer, Mrs. John Watson, and Mrs. Mabel Wolfe.

Women who have completed four years or more of college work and have received a bachelor degree or above upon graduation, and are interested in making use of their college training and influence are asked to contact Mrs. Jim (Joyce) Shafer. Mrs. Shafer, membership chairman is available to any interested college graduate women who wishes more information concerning AAUW, its aims and local programs.

The operation of a power lawn mower requires certain precautionary measures, including protection for the operator's hearing mechanism. Officials point out that many power mowers generate sound levels exceeding 105 decibels, which is intense enough that it could cause temporary deafness. As a safeguard, the Crusade urges power lawn mower operators to use properly fitted ear plugs when operating mowers that generate high sound levels.

Ida Tapp Celebrates 78th Birthday

Mrs. Ida Tapp was honored on her 78 birthday, Sunday, September 5, with a party held in the home of her daughter. Mrs. J.R. Otwell.

Her granddaughter, Narssia Lackey, served birthday cake, which was orange with white frosting trimmed in orange, and ice cream.

Those attending were Mrs. H.H. Williams and granddaughter and great-granddaughter of Roswell, Mrs. J.W. Holmes, Mrs. Harold Maxwell and Kenneth, Alice Fowler and La'Dawn, and Mrs. Jack Lee and grandson Matt.

From The Journal's Files

FIVE YEARS AGO,
September 1966
Sometime in the next few days, folk in Baton Rouge, La., will start eating just about the best tasting tomatoes they have ever bitten into.

Because they will be tomatoes that are grown in and near Muleshoe, Texas, several hundred miles northwest of the city in the Pelican State.

The tomatoes, 40,000 bushels worth, rolled out of Muleshoe last Thursday night, the first of the "green" tomato shipments to leave the local area so far as is known.

30 YEARS AGO
September 1936
More than 3200 children started to school in five area schools Monday, four of them in Bailey County and one in nearby Farmer County at Lazbuddie. Most school reported Tuesday that enrollments are slightly below the early 1955 figures but all anticipate a considerable increase of transient pupils the approaching harvest season.

Forty-five Muleshoe school teachers and perhaps 100 towns-folks and school patrons enjoyed a watermelon feast and a session of games Friday night in the football stadium on the occasion of the annual reception for teachers sponsored by the Muleshoe Chamber of Commerce.

20 YEARS AGO
September 1951
Mr. and Mrs. Carl Bamert were honored by the Muleshoe Junior Chamber of Commerce as the Farm Family of the Month, Monday night, with Don Jones of the Lubbock Experiment Station as principal speaker of the evening.

Work on an addition to the grade school in Muleshoe has begun and foundations have been poured under the direction of Johnny Johns, who is supervising construction. Three new classrooms and a room to house an additional heating unit will be built.

This addition was provided for in a bond issue recently voted by the people.

The bond issue also provided funds to remodel the Junior High School building which work has been completed.

Voting on the establishment of an underground water conservation district will be September 29. All farmers are urged to find out about the conservation district and to get all the information they can so they will understand how to vote.

Muleshoe Mules football squad will begin their new 1951 season Friday, September 7, here with the Olton Mustangs. Other teams they will play this year are Hereford, Crosbyton, Tulia, Sundown, Springlake, Littlefield, Levelland, Brownfield, and Morton.

Miss Muleshoe for the next year will be Miss Jeanette Kirk. She was picked from 11 entries

Thursday night in the first annual Will Rogers Memorial Roundup at Muleshoe. The 18 year old Sweetheart of the Muleshoe American Legion will represent the town at civic functions for the next year in the Tri-state area.

Miss Jayne Damron, bride-elect of Jimmie Reese, was honored with a shower Thursday evening in the home of Mrs. O.D. Ray. Hostesses were Mesdames R.L. Jones, George Johnson, W.B. Vignon, W.B. McAdams, Naomi St. Clair, R.L. Hobbs, Jesse Osborn and O.D. Ray.

30 YEARS AGO
September 1941
Still minus the services of a regular coach, but with prospects bright otherwise for a fairly successful season, about 25 candidates for this fall's

Llano Estacado Has Sandhills Social

Thursday, September 2, the Llano Estacado Civic Club had a Sandhill Party as a membership drive and social combined. Guests attending were Dr. and Mrs. Gary Albertson, Dr. and Lucian Armand and Mr. and Mrs. James Brown and family.

Members of the Llano Estacado Civic Club and their families attending were Mr. and Mrs. Buddy Embry and Jarrett; Mr. and Mrs. Ronnie Black and girls; Mr. and Mrs. Henry Stoneham and boys; Mr. and Mrs. Tub Angeley and family; Mr. and Mrs. Wayne Peterson and family; Mr. and Mrs. Duane Seay and family; Mr. and Mrs. Peanut Hawkins and family; Mr. and Mrs. Lee Kimbrough; Mr. and Mrs. Mike Miller and Curt; Mr. and Mrs. Jim Tucker.

Follow 3 R's, Save Nutrients

COLLEGE STATION.--Practice the three R's of cooking, and you'll save nutrients in vegetables, reminds Frances Reasonover, Extension foods and nutrition specialist.

Miss Reasonover says the three R's are to reduce the amount of water used, reduce the cooking time, and reduce the amount of surface area exposed. To decide how much water to use, consider the color and flavor of the vegetables, she explains. The size and shape of the pan, the length of cooking time, and the use of a pan cover are also important.

Quick cooking vegetables need only a small amount of water, she adds. Starch vegetables need longer cooking and require more water. It is better to add water during cooking than to have more than needed when vegetables are done.

Vegetables should be cooked in the shortest possible time, Miss Reasonover continues. Bring the water to a boil, add the vegetables, and again bring the water quickly to a boil. Cook only until tender.

The specialist advises cooking vegetables in their skins whenever you can. Slicing and dicing will increase the loss of nutrients, especially if the cooking water is discarded and the vegetables are overcooked.

The high noise levels found in many occupational situations require the use of properly fitted ear plugs or protective earmuffs, or a combination of both, if the hearing ability of workers employed in such noisy locations is to be protected.

Muleshoe Yellowjackets football team checked out equipment and begun practice Monday morning. Two sessions of drill a day are being held under the direction of Principal Jack Williams and Dick Standefor, a star of the 1940 Yellowjacket eleven.

Estimates disclosed this week by Volney T. Jennings, Lubbock cotton man, indicate that Bailey County will produce at least 26,000 bales of cotton from the 1941 crop.

Bailey County is ranked twelfth among 20 South Plains counties in the estimated production.

The government weather station recorded a total of 2.09 inches of rain for the month of August bringing the total precipitation for the year to 32.39 inches.

The next meeting will be September 14 at 8 p.m. in the First National Bank community room.

Lazbuddie Class Of '64 Has Reunion

The 1964 graduating class of Lazbuddie High School held a class reunion Sunday afternoon and evening, September 5, in the First National Bank community room of Muleshoe. Of the 13 original class members, most were in attendance.

Those attending were Mr. and Mrs. Jerry Hutton (former Pat Chitwood), Mr. and Mrs. Steve Young, Mr. and Mrs. Michael Bean, Dr. and Mrs. Gary Albertson (former Twila Gallman) all of the Muleshoe area; Mr. and Mrs. Kenneth McGehee, Mr. and Mrs. Darrell Mason of the Lazbuddie area; Mr. and Mrs. Don Roberts (former Gayla Seaton) of Houston; Mrs. Harold Pruitt (former Elaine Embry) of Hobbs, New Mexico; and Mr. and Mrs. Kelly Mimms of Avilene.

Those unable to attend were Mrs. Joe Tarter of the Lazbuddie area; Mrs. Larry White (former Wynell Barnes) of Madison, Virginia; Richard Gordon of Pampa; and Mrs. Gene Alameda (former Linda Weaver) of Massachusetts.

Sandwiches, chips, dips and cake were enjoyed by all along with conversation about families, vacations and past events.

Enochs News

By Mrs. J.D. Boylston

Mr. and Mrs. Clyde Price were in Lubbock Saturday. They visited relatives and also visited in the N. O. Sullivan home. Mrs. Sullivan is a patient in the University Hospital.

Youth Football Now Underway For Season

A large crowd was on hand for the first two games in the 1971 Youth Football season. George Washington introduced players, manager and coaches for the first game and Bill Russell handled introductions in the second game.

Opening game was at 7 p.m. Saturday at the Muleshoe Babe Ruth Park. First game score was Packers 12, Chiefs 6. David Rush scored the first touchdown and Mike Griffin added the PAT. The Chiefs then received the kickoff and Dickey Sudduth ran 65 yards for a touchdown. The score stood at 8-6 at halftime.

In the third quarter, the Packers scored two points on a safety. At the end of the half and also at the end of the game, the Chiefs were within five yards of paydirt and moving toward the goal posts when time ran out on both occasions.

The second game was at 8:30 p.m. and the score was Saints 12, Cowboys 0. Markus Beversdorf scored the first touchdown and the PAT failed. This was in the first quarter. In the third, Dean Northcutt scored the sec-

ond TD and again the PAT failed to jell.

Saturday night, the Chiefs will meet the Saints at 7 p.m. followed by the Packers at 8:30 p.m.

"The trustees, coaches and players welcome everyone to come out and watch the games," said Ken Henry. "The fifth and sixth grade boys play very well and enjoy the game of football. There are 67 boys from Muleshoe schools and two boys from Lazbuddie schools on the team."

"Officials for both games were Jim Young and Mark Gist. Both did a very good job," concluded Henry.

NOTES, COMMENTS

Sunshine friends can rarely stand the heat.

A good neighbor knows how to live and let other people alone.

Everyone advertises whether he or she knows it or not.

COME ON, NOW - - Waiting for the pigskin to fall into his hands is Ollie Kierin, No. 29, during pre-practice scrimmage with Littlefield last Friday night.

Top Football Forecast Begins In This Issue

The Harmon Football Forecast, one of the country's most popular sports features, will appear in the Muleshoe Journal each week during the 1971 football season, starting on Thursday, September 9.

In addition to forecasting the results of some 180 games each week, as well as the New Year's Day bowl games, Harmon will rate the top 20 college teams in the nation each week beginning with the forecast for September 25th.

This public-information series, which is one of the most requested and well-read regular features of the Journals, is sponsored this week by two of the several civic-minded and sports-enthusiastic local business firms. This week's Harmon Forecast is sponsored by James Glaze Company and Texas Sesame, Bill Wimberly manager.

Starting his fifteenth year of football forecasting, Bob Harmon has seen the publication of his prognostications grow from three newspapers in 1957 to over 300 newspapers in 1970. His rather fantastic football "snowball" now appears in newspapers of all sizes . . . dailies, weeklies, and college publications . . . in 47 states.

Harmon uses a formula to arrive at the rating for each of the more than 640 football teams that he follows each fall. The score that is predicted is simply the interpolated difference between the numerical rating of one team and the numerical rating of its opponent.

And, though boasting a college forecasting accuracy equal to any in the nation, The Harmon Forecast makes no wild claims of unbelievable guessing percentages. Harmon has a proven accuracy over the past fourteen

PLOTTING STRATEGY--A couple of coaches and managers plot strategy before the first Youth Football games for the 1971 football season. Listening closely are the team members who are fifth and sixth graders in the Muleshoe schools and two from the Lazbuddie schools. A large crowd was on hand to watch opening festivities and the first two games Saturday night.

years of between 75.2% and 77.0%. His pro forecasting average is between 68.3% and 71.8%. Robert S. Harmon, born in Marshall, Minnesota, is a 1943 graduate of the University of Minnesota. While he was in high school and college, the powerful Gophers under their great coach, Bernie Bierman, were national champions five years out of eight. The Harmons live in Circleville, New York.

Why is it that the people who should listen always talk?

It's easier to consolidate debts than to pay off the larger loan.

Harmon Highlights

Big Point-Spread To Start Season

Never in the history of football have so many collegiate powers moved into high gear so early in the season. Fourteen of last year's Top Twenty do battle Saturday in season curtain-raiser, and we've hardly gotten by Labor Day!

Orange Bowl champ, Associated Press National

Champion, and our number two team from 1970 (we conclude our ratings before the bowl "season") - loaded Nebraska takes on one of the West Coast's pre-season favorites, the Oregon Ducks. We rated Oregon 27th in our final rankings. Until they prove otherwise, they're 25-point underdogs to the C-huskers.

Graduation took its toll from third-ranked Ohio State, but Woody Hayes has a way of pulling replacements out from under his rolled-up shirt sleeves. The Big Ten opens conference play the earliest in its history, and in this early one, the Buckeyes are favored over the Iowa Hawks by 29 points.

Top attraction in the Big Ten has to be the game between the two pre-season favorites, Michigan and Northwestern. The Wolverines were seventh in our final ratings for '70, the Wildcats, 16th. The first rose goes to Michigan . . . they'll win by 14.

Sonny Sixkiller, 13th-rated Washington's key to a climb to the top of the Pacific Coast Conference, leads the Huskies against Santa Barbara in their 1971 opener. If there is a one-sided game on the schedule, this could be it . . . Washington by "many."

Friday night, Alabama travels to Southern Cal to officially open the major college football season. The Tide was 14th in '70 . . . the Trojans, 21st, Graduation hit Southern Cal harder than it has in many years. Alabama will win by three points.

Two more West Coast football powers rumble into action Saturday: Rose Bowl champ Stanford, rated 11th last fall, tangles with Missouri, and 15th-rated UCLA meets Pitt. The Plunkett-less Indians may have trouble . . . they're favored by nine . . . but the Bruins should whip the Panthers by 21.

In the South and Southwest, three powerful gridiron neighbors, Louisiana State, Arkansas, and Mississippi, should start their '71 campaign in the win column. L.S.U., rated sixth last year, entertains Colorado, #17. The Tigers will be tough again . . . L.S.U. by ten. The Razorbacks finished in the number eight position, but are supposedly rebuilding. California will be the underdog here by 13 points. And Ole Miss may have a bit of a surprise toughie in Long Beach State. The Rebels are favored by 16 points.

STATE CAPITAL Highlights AND Sidelights

By Bill Boykin
TEXAS PRESS ASSOCIATION

AUSTIN, TEX.--Gov. Preston Smith sprang one surprise after another in announcing appointments to key state positions. One of the biggest was selection of his longtime legal aide and top political campaign worker Robert D. (Bob) Bullock, formerly of Hillsboro, as Secretary of State, succeeding Martin Dies Jr.

A few days earlier, he selected another staff assistant, V. Larry Teaver of Lubbock, to the State Board of Insurance. Surprise here was that Teaver did not replace Durwood Manford, veteran member of the board.

Manford got a new six-year term and Charles D. Matthews, a Dallas trucking executive and attorney until two years ago, was moved from the board to an Austin district judgeship. Teaver replaced Matthews when the freshman board member became judge of the new 200th Travis County district court.

Smith stirred some controversy by naming a successor to Brig. Gen. James M. Rose

as assistant adjutant general, he picked Lt. Col. Belisario D.J. Flores of San Antonio for the Air National Guard command.

Smith's other appointments included:

*T.E. (Gene) Mitchell of Plainview as chairman of the governor's committee on Human Relations. Dies previously doubled in that job before his appointment to the Ninth Court of Civil Appeals at Beaumont.

*Robert W. Kneebone of Houston for a new six-year term as a member of the Texas Youth Council.

REDISTRICTING MOVES ON-- A two-way legislative redistricting fight moved toward a Supreme Court decision last week.

Atty. Gen. Crawford Martin filed briefs in appeal from the August 2 Austin district court ruling that House of Representatives reapportionment this year is unconstitutional because it improperly violates county lines. Martin said the "one-man-one-vote" rule of federal courts eliminates state constitu-

tutional provision safeguarding county lines.

At the same time, 53rd District Judge Herman Jones refused to prevent the Texas Legislative Redistricting Board from reapportioning the State Senate and said the Board may also do preliminary House realignment. Time for attack on board's work, concluded Jones, is when it finishes.

Rep. Fred Head of Henderson brought suit in Jones' court to prevent the Board from redistricting House and Senate. He contended new census data is not complete and that reapportionment should be left until 1973. Head indicated efforts will be made to get his suit before the Supreme Court at the same time as the attack on House reapportionment of the regular session.

TAX STUDY LAUNCHED--New Legislative Property Tax Committee began a four-year study of how property taxation can be made "fair, viable and efficient."

Sen. Jim Bates of Edinburg was named chairman of the group and Jack Hart of Midland, staff director.

Hart noted a recent decision of the California Supreme Court may make the Texas committee's job more difficult. California court held reliance on property taxes alone to finance public schools is unconstitutional.

Committee's work is being financed by a charge of \$1 per delinquent tax receipt authorized by the Legislature this year. Among goals is compu-

terization of ad valorem tax records on a statewide basis.

TEACHER PAY HIKE OK-- Up to 90 per cent of 138,000 Texas teachers will get their pay raises as approved by the Legislature in spite of the 90-day wage freeze, under a Texas Education Agency ruling.

Ruling by State Education Commissioner J.W. Edgar is subject to approval by federal authorities. It would go to 1,200 local school districts on September 8 unless reversed in Washington, but is subject to further interpretation at local school board level.

Edgar said teachers signed contracts prior to August 15, many were at work July 1, and others had reached an agreement and established eligibility to perform with a local school before the president's freeze order. Commissioner Edgar concluded that raises were in order also in local school districts which pay salaries above the state minimum where agreements were reached before August 15.

Texas Public Employees Association filed a petition for exceptions from the freeze since the Legislature last June passed an appropriations bill calling for state worker pay raises.

AG OPINIONS-- Appropriations bill limitations on extended state pay to aliens do not prohibit the Texas Industrial Commission from hiring a Mexican National to work in Mexico full-time in a Texas Industrial Commission branch office there, Atty. Gen. Crawford Martin held.

In other recent opinions, Martin concluded:

*A justice of the peace who is not an attorney must have served a minimum of two terms of four years each to be exempt from attending a 40-hour course of instruction for non-lawyers.

*Texas Rehabilitation Commission is authorized to deposit funds received from local depositories.

Martin said a governor's veto of funds for payment of court costs will handicap his office in prosecution and defense of state cases.

WATER PLAN ALIVE--Master \$10 billion water plan to move surplus Mississippi River waters to Texas High Plains farms is still alive, according to Harry Burleigh, executive director of the Texas Water Development Board.

Burleigh urged campaign to win congressional support of plan in 1973, when federal agency water conservation report is due.

Although Texans rejected \$3.5 billion bond issue to finance state's share of giant project, it is believed much of the money can now be obtained from the federal government, Burleigh indicated. Two groups, West Texas Chamber of Com-

ROLL OUT THE BARREL - - This young man precariously perches on a barrel during Kid's Day last Saturday afternoon. More than 200 youngsters showed up at the annual celebration and 96 prizes were presented.

Cotton Exempted From Price Freeze

Cotton and other raw agricultural commodities were given a special exemption from the 90-day price freeze announced August 15 by President Nixon. So at first glance it was tempting to assume cotton and cotton producers would not be affected, one way or the other, by the sweeping "new economic game plan."

But such is not to be the case according to Donald Johnson, Executive Vice President of Plains Cotton Growers, Inc., Lubbock-based cotton producer organization.

"While the price of cotton will be allowed to fluctuate up or down with changes in the supply-demand picture," Johnson said, "the prices at which mills can sell cotton yarn and gray goods and finished cotton products are frozen, and this can't help but have a significant effect on raw fiber prices and on raw fiber consumption."

Most textile mills are thought to already have bought enough raw cotton to carry them through, or almost through the immediate 90 day period covered by the President's proclamation. But Johnson points out there is widespread belief the period will either be extended as a total price freeze or else there will be a "tapering off" of the freeze after November 12.

Should the price freeze be lifted on November 12, just before the High Plains begins massive harvest operations, the effects in this area would be greatly mitigated. But this is not now considered likely.

"Mills, like farmers, prefer to operate at a profit, and can't operate for very long any other way," Johnson reasons, "and with the prices for their finished product restricted, they may well be forced to restrict the price they will pay for raw materials."

"In this situation only two things can happen," he continued. "First, the anchoring effect on cotton price increases at the gin, exerted by the freeze on prices for cotton textile products, could reduce farm income from the 1971 crop. Second, if the supply-demand situation becomes such that cotton prices rise to a level at which mills cannot spin cotton and show a profit, mills will almost certainly switch to competing fibers, and producers lose markets."

Synthetic fiber prices are frozen along with other industrial products at the August 15 level, and mills will not have to be concerned about price increases for other than natural fibers.

Officials of Cotton Incorporated, the organization charged with building markets for cotton through research and aggressive merchandising of cotton products, are extremely concerned about the potential effects of this cotton "predicament." Reminding that cotton lost markets at an alarming pace during the 1967 price run-away, Cotton Incorporated General Manager Dukes Wooters said in Lubbock recently "if cotton's price goes to a level that mills can't afford to spin it during this period when the price of their cloth is frozen, the markets lost for years to come will far more than offset the one-shot boost to producer income in 1971. So I would personally hope that the price of cotton will hold close to the range seen during the first 15 days of August."

On the plus side of the new economic plan, Johnson notes that if the overall program suc-

Mobile Home Tie-Down Urged By Insurance

DALLAS--"Mobile homes are like popcorn in a whirlwind when a major storm such as a tornado, windstorm or hurricane strikes unless they are properly tied down," Tom B. Lee, general manager of the Texas Insurance Advisory Association (TIAA) said today in advising the owners of mobile homes to anchor their dwelling securely and take proper precautions prior to the storms.

Mr. Lee pointed to the 1970 census which shows a great and growing expansion in the purchase of mobile homes. He also stressed that when a storm such as occurred in both hurricane Celia and the Lubbock tornado hits a trailer court or park where the tie-down procedures have been less than adequate the effect is one of utter destruction.

"In hurricane Celia, which devastated Corpus Christi last year," Mr. Lee said, "eighty-five per cent of the estimated 7,000 to 9,000 mobile homes were damaged; half were total losses. The dollar loss was estimated at nearly \$16 million."

Mr. Lee urged that all trailers be securely anchored by means of high strength cable which can be attached at a nominal cost without detriment to the appearance of the mobile home. He also indicated that, in addition to the cables, mobile homes can be anchored by a clamp on the I-beam under the unit which can be sunk into concrete trailer court foundation. "This kind of protection would be ideally provided by the trailer court owners and builders," Mr. Lee said, "if it is done while the concrete is being poured the cost is negligible."

Stressing the need for such undertakings on a major scale as soon as possible, Mr. Lee noted that some seven million Americans live in more than three million mobile homes and that an estimated 400,000 new units will be added this year.

merce and Water Inc., are spearheading the new drive for financing.

WELFARE CUT DELAYED-- Start of new state fiscal year September 1 did not bring reduced aid to fatherless welfare families, even though Texans refused to raise \$80 million a year categorical benefit ceiling last spring.

Cuts are expected in a few months, however, State Welfare Department reports. Average of \$118.53 per month assistance for families with dependent children is expected to remain through January.

New program for paying medicine bills of welfare recipients through separate program helped postpone reduction, Welfare Department said.

SHORT SNORTS

Texas motor vehicle registrations topped \$7,515,053, plus 120,295 exempt registrations.

New Texas Film Commission launched drive last week to get more movie production companies to work in state.

Top government and business leaders will brief Texas industrialists on economic and manufacturing developments at governor's conference here October 13-14.

Texans spent \$283 million on new autos from 1,700 franchised dealers last year. All new car dealers after December first must have special license from new Texas Motor Vehicle Commission.

Leaving keys in a car is a misdemeanor under new state law. Overcrowding a car is also prohibited, as is failure to set brakes.

U.S. Attorney General intends to hold busing to "absolute minimum" in school integration a state Republican official reported.

Plans, specifications and bidding documents may be secured from the office of the City Secretary, City Hall, Muleshoe, or at the office of Bill R. McMorris & Associates, Inc., 6300 Canyon Drive, Amarillo, on deposit of Fifty Dollars (\$50.00) per set, which sum so deposited will be refunded, provided:

(1) All documents are returned in good condition to Bill R. McMorris & Associates, Inc., not later than 48 hours prior to the time for receiving bids; or (2) The Contractor submits a bid and all documents are returned in good condition to

Alfalfa Profitable Feedlot Ration

"There is no substitute for alfalfa hay in a feedlot ration," said John Henry Baumgardner, animal nutritionist at Texas Tech University. "Texas, and especially the Panhandle, feedlots have provided a big, new opportunity for alfalfa hay."

Hay is big business. Of all the crops produced in this country, hay is second only to corn in farm value. And yet the efficiency of production and harvesting is very low. The average hay yield for Texas and Oklahoma is only 1.73 tons per acre. Profit opportunities are available to farmers who will grow quality hay and are able to produce up to ten tons per acre of alfalfa. The demand is there. The adoption of new varieties and better management practices can put more profits in the picture.

"The most obvious production problem is water. Alfalfa needs 40 inches of irrigation water per season to produce maximum yields," said D. Frank Petr, Texas Extension Service agronomist. "Many producers figure they must average six tons per acre to make money with alfalfa. Five tons per acre is the break-even point."

"The selection of a good variety is another managerial 'must' to produce quality hay," said Bruce Rigler of Rigler Brothers Jersey Farm, near Plainview, Texas. "We have planted common alfalfa for 50 years, but in 1970 we planted Dawson variety as recommended by Browning Seed Co. of Plainview, Texas. It is a good yielding, leafy hay that withstands aphids damage. We are pleased with it. It has performed as well as all advertising said it would. The first cutting of Dawson in 1971 yielded 2-2 1/2 tons per acre, and we expect to cut five times."

Crop specialists recommend planting alfalfa in late August behind most of the serious weed problems.

Soil fertility is another man-

Governor Says Hire A Student In Proclamation

Canyon, Tex.--Gov. Preston Smith has designated next week as Hire A Student Week in Texas and urges employers to "put an education to work" by hiring a student.

Due to higher costs brought on by inflation, students are having to seek parttime employment, Smith said. Many of these young people are skilled or semi-skilled and are anxious to put their skills to use, he added.

"Many businessmen are able to convert parttime student workers into fulltime, career employees upon graduation," the governor said.

Therefore, it is of mutual benefit to students, employers, and the State of Texas that they be brought together, he said.

Nature is a great teacher, if you care to take lessons.

ALIMONY REVERSE
Los Angeles - Superior Court has ordered Jacqueline Ward, a singer and voice coach, to pay her husband \$1,602 in monthly alimony. The court ruled that Mrs. Ward earned \$5,700 a month more than her husband and that she should help her divorced husband support two of their four children.

Social Security Aids Students With Benefits

More than 500,000 students are presently receiving benefits from social security each month under the child-student provisions of the law, John G. Hutton, district manager of the Lubbock office, reported.

Children, between the ages of 18 and 22 who are unmarried and fulltime students in an accredited school, are entitled to these student benefits on the accounts of their insured parents, he explained.

Hutton stated that one out of every 12 students attending school is receiving assistance toward the advancement of his education as a result of these benefits. Students attending professional and business schools, as well as educational institutions, may qualify for these benefits.

Hutton said that many children eligible for student benefits, as well as routine children benefits (under age 18), may not be getting them because of a failure to understand amendments which were enacted in 1967.

Prior to February 1968, a child could qualify for benefits on his mother's account only if the mother was currently insured (work six quarters in the 13-quarter period prior to her death) or she was contributing more than one-half of the child's support when she died. The amendments allow a child to qualify on his mother's account if she was fully insured at the time of her death, the same provisions under which the child may qualify on his father's account.

Hutton emphasized that any student eligible for benefits on his mother's account and presently not receiving them should contact the nearest social security office by phone or in person to file the necessary application as soon as possible.

Food, rest, mental peace and exercise are the four golden keys to old age. Why not take advantage of this advice?

Texas FHA Loan Volume Largest In United States

J. Lynn Futch, Texas State Director of the Farmers Home Administration, announced here today that the agency extended credit to rural Texans in the amount of \$155,456,817 during the 1971 fiscal year ending June 30, 1971. This credit was furnished farmers and rural residents through the many loan programs administered by the agency with rural housing leading the way with \$72,302,453. Loans for community services facilities such as rural water systems and sewer systems totaled \$22,205,192. Credit extended to individual farmers and ranchers for operating expenses, capital purchases and land purchases totaled \$58,949,172. This was the largest yearly volume of loans in the history of the organization, which has as its overall mission the development of rural areas. Futch said that there was a sizeable decrease in the percentage of loan delinquencies as compared to previous years. Due to the severe drought in the spring and early summer of this year, it is expected the demand for emergency credit to farmers and ranchers this fall and winter will substantially increase the volume of farm loans in fiscal 1972, with all other programs also expected to be expanded. The program is administered in Texas through 144 county offices and the state office in Temple. Changes urged in water pollution law.
