Indeed, we in Texas have been in the vanguard of the fight against inflation and recession. We operate under a spend-asyou-go budget, unlike the federal government's inflationary policy of deficit spending, which put this nation more than \$20 billion in the red last year.

We have cut spending wherever possible and even vetoed the entire second year of the biennial appropriations bill

### Progress 4-H Horse Club Has Trail Ride

Reporter: Joie Carpenter

The Progress 4-H Horse Club had its annual overnight campout and trail ride Saturday and

Sunday, September 11 and 12.
Fifty-two Bailey County
4-Hers and 4-H parents traveled caravan style to their campside located 13 miles north of Vega, Texas on the 44 section Tom Green Ranch. Their camp was located 10 miles off the main highway over winding ranch road. The camping place was located in the Canadian River brakes alongside a sandy creek

The 4-Hers enjoyed lots of good food, hiking, wading, arrow head hunting, campfire singing, accompanied by one of the trail

bosses on guitar. I might add this was something wonderful to hear. The trail ride the next morning was something else to see, 45 horseback riders mounted and trailing of through the brakes, on up to higher ridges, made you wonder if you weren't being watched by a tribe of Indians.

The trail they followed and made was nothing less than pure excitement for the 4-H youth and most of their parents. Highlights of the occasion were the campfire singing, finding a perfect Bird Point arrow-

head, getting dunked in the creek, and of course the trail ride. One of the funniest things that happened was when Mrs. Frank Ellis told at the beforedawn breakfast Sunday morning that her husband fell off of his cot during the night. The funny

part came in when he tried to visiting were Tom Green and get back on it, still zipped up daughter Lucy. in his sleeping bag.

The \$100 Scholarship Award winner of Pioneer Natural Gas Co.'s "Little Sister" award, Teresa Creswell of Idalou, is pictured at center with her award plaque. Peggy Carter of Muleshoe, runner-up, is to Teresa's right. Other entrants shown: Toni Key, Danita McDermatt and Marilyn Miller. Each girl was presented a gift by the sponsors.

Presentations were made by Walker Nichols, Amarillo, Argi-Business Representative for Pioneer Nautral Gas Co., and Jess Winn, local manager.

Outstanding Chapter Awards for both the Young Homemakers and Young Farmers were presented by Pioneer Natural Gas and othe Public Electric Utility Companies of Texas, as sponsors.

P.S.

You're right if you guessed that electric heat costs twice as much as gas heat. No wonder many electric utilities let their customers spread the cost of electric heat over several months-like time payments!

Gas heating, on the other hand, is so reasonable that you can pay for it as you enjoy its special comfort. Also, gas heat doesn't require special contracts. Or extra insulation. Or restrictions on the way you live or heat your home.
