THE PRICE OF COTTON.

These third party politica clackers who sit around on streets and go around over the country telling the people that the democratic party are responsible for the low price of cotton do not believe what they say or are grossly ignorant of the facts. The fact is they know better but prefer to he about it because lying serves their ends and promotes their schemes better than telling the truth. If we were to tell the colored people of the country that the Third Party plan for raising the price of cotton is to get control of dred thousand bales. By a study Africa and thereby cut down the the price of cotton per pound the truth than they do when they price; a small yield by a high price. say that the democratic party is These are facts that will not be the cause of the decline in the price denied by any one except a popworld that these third party fel- Even those know them to be true. lows have for the negroes is to use Just now, however, a lie serves them as stepping stones to power them better than the truth and for or an agency to help them to office. that reason they will have none We have'nt a doubt that they of it would rejoice to morrow to see the last one of them exported from the MORE ABOUT THE PRICE OF South to Africa or some other want the people to know the truth about this cotton busines they

white garment of the regulation spook, and frightened the Spurien family nearly out of their few wits. Spurien finally summoned his brother to aid him, who had the reputation of fearing neither man nor devil, and had moreover a savage bulldog. At the hour when the spook commonly put in an appearance the dog was turned loose and pretty soon had the apparition by the throat. The ghost yelled lustily for help, and the Spurlens had great difficulty in making the dog let go. It proved to be Mrs. Daniel Garad, "a most beautiful woman, and a member of one of the most prominent families in the county."
