On first introducing this world-famed medicine to the afflicted, and for many years thereafter, it was sold under a Positive Guarantee of giving entire satisfaction in every case for which it is recommended. So uniformly successful did it prove in curing the diseases, derangements and weaknesses of women that claims for the return of money paid for it were exceedingly rare. Since its manufacturers can now point to thousands of noted cures effected by it in every part of the land, they believe its past record a sufficient guarantee of its great value as a curative agent, therefore, they now rest its claims to the confidence of the afflicted solely upon that record. No Unmistakable Sound. A good story is told of Sig. Foli, the famous basso. Once upon a time he was singing "The Raft," when a childish voice in the audience suddenly piped himself under a table. The table was promptu duet. Foli kept his gravity with some difficulty until he came to the line "Hark! What sound is that \$ .92.093.45 which breaks upon my ear?" This so 24,985.34 tickled the fancy of the vocalist that 12,500,00 he interrupted himself with a hearty roars of laughter by exclaiming in true laugh and left the platform, followed dramatic style: "Ha! theovillain has and attempted the song, but finally
