Monica Gonzales Wins First In Grid Contest

And the football contest tie goes on again this week. Still no one has come out ahead in the contest as this week Monica Gonzales won first place by getting all of the games correct and missing the tie-breaker by only nine points.

Second place went to T.L. Glascock of Muleshoe who only missed one game, New Mexico-Arizona State, and was off on the tie breaker only seven points.

Third place was a tie between Judy Wilbanks and L.C. Roddam, each missing one game

Tips For Planning A Safe Halloween

1. The specific date for "trick-or-treat" visits is Saturday, October 30, in Muleshoe.
2. The date chosen for "Trick-or-Treat" Day should be officially designated by the Mayor in a proclamation.
3. Schedule a specific period of time for "trick-or-treat" activities, such as from 3:00 p.m. to 7:00 p.m.
4. Encourage participation by young children, only. Youngsters older than 13 years of age should be discouraged from taking part.
5. Urge that parents or other responsible adults accompany young children on their "trick-or-treat" rounds.
6. Suggest that children's "trick-or-treat" visits be confined to their own neighborhood.
7. Request householders to give children wrapped or sealed treats only.
8. Urge children to wait until they get home to taste their "treats," rather than to eat the goodies while they are making their rounds.
9. Request that residents who wish to participate keep their porch lights on. Advise children to call only at lighted homes.
10. Warn against the wearing of Halloween masks by youngsters. (Masks restrict vision.) Colorful facial make-up can be used instead.
11. Advise children to wear costumes which are light in color, short enough to prevent tripping, and non-inflammable. For greater visibility, the costumes can be decorated with reflective tape or bands so that it "glows" in the beam of a car's headlights.
12. Promote the basic pedestrian rules of the National Safety Council through the press, radio, and television: (1) Cross only at corners, never between parked cars, never diagonally across an intersection; (2) Look in all directions before crossing the street; (3) Watch for and obey all traffic lights; (4) Walk, never run across the street; (5) Use sidewalks, not the street, for walking; (6) Wait on the curb, not in the street, until the street is clear to cross.
13. Issue a special warning to motorists to exercise extreme caution on "Trick-or-Treat" Day between 3:00 p.m. to 7:00 p.m.
14. Advise children to carry flashlights after dark. If a pumpkin is carried, it should be lit with a flashlight, not a candle.

Litter Problem Discussed

New Ordinance To Be Passed

The Muleshoe City Council met in regular session Tuesday.

Members present were Mayor St. Clair, Councilman Frank Ellis and Alex Williams. Councilmen Heathington and Murray were absent.

Others present were Albert L. Field, City Manager; Muleshoe Community Improvement Committee members, Rev. Walter Bartholf, Chairman of the Park and Recreation Board, and Marcia Henry, City Secretary.

A discussion concerning delinquent accounts for the months of May and June was held. Councilman Williams motioned to transfer the delinquent accounts to bad debts.

Discussions concerning the current months financial statements and the water revenue as compared to 1970 at the same date was held.

On motion of Councilman Williams and seconded by Councilman Ellis, the members present voted unanimously to change the time for both regular and special meetings from 8 a.m. to 8:30 a.m.

Corky Green, chairman of the Muleshoe Community Improvement Committee, appeared before the Council to discuss the committee activities for cleaning up Muleshoe. Green requested the City Council to pass an amended Ordinance on abandoned or junk cars, which would include requirements as adopted by the Texas State Legislature effective September 1, 1971.

On motion of Councilman Ellis and seconded by Councilman Williams, the members voted unanimously to change the existing Ordinance to include the state requirements and to comply with state statutes.

Also discussed was littering

MULESHOE LETTUCE . . . Harvesting of lettuce is in progress on the 60 acres of lettuce on the Stan Barrett farm. The crop, planted August 5, following potatoes, is being taken to Hereford to Marvin Schwarz Produce. The crop averaged 350 cartons per acre with 24 heads to the carton. The federally inspected lettuce has been classified number one grade. Shown left to right are Juan Ruiz, Casimin Galindo, crew leader, Abram Luna and Noe Anzaldia.

Area FFA, 4-H Youths Take State Fair Honors

Bailey County Junior exhibitors had many rewarding experiences and won several high placings in the Junior Barrow Show and the Junior Steer Show at the State Fair of Texas in Dallas last week, reports County Agent J.K. Adams.

Bill Bickel, vocational agriculture instructor, supervised the FFA members and their exhibits and J.K. Adams, County Agent, supervised the 4-H members and their exhibits. Mr. and Mrs. Reuel Kirby and sons, Brian and Craig, represented the Three Way 4-H Club and attended the week long show

with younger son Tommy showing in 4-H and older son Tim showing his FFA projects. The Kirby brothers did well in their first attempt with Brian Kirby keeping his 1225 pound steer in the heavy class and winning a red ribbon in the classification representing a good carcass. Craig Kirby also stayed in the show with a white ribbon for a good carcass.

In the barrow show Wednesday afternoon, Aaron Kelton, FFA member topped all exhibitors by placing his light crossbred barrow first and also took 17th in the class on a littermate to his blue ribbon winner, Tim Wheeler also brought honors to the local FFA by placing his crossbred barrow seventh in the light class and his best barrow took a bad limp and

still placed tenth in the medium weight crossbred class. The Bickel brothers, Steve and Johnny, also did well with their FFA projects. They showed Hampshires and Steve placed fifth in light weight barrows and 17th on his heavyweight. Johnny Bickel placed 12th on his FFA barrow and Paula Bickel stood thirteenth in Medium Hampshire barrows on her 4-H project.

The steers and barrows sold at auction on Friday and Saturday with steers selling for about 34 cents per pound and barrows that placed selling for 26 cents per pound.

Additional premiums will be put on these animals by the State Fair.

Trick Or Treat Is Saturday

From 3 p.m.
Until 7 p.m.

A new Halloween safety program, designed to preserve the best aspects of the age-old "trick or treat" tradition for the children of Muleshoe has been officially endorsed by the Mayor Pro-Tem Alex Williams.

The plan, which employs the Halloween safety rules of the National Safety Council, provides parents with a set of guidelines for protecting the safety of youngsters who take part in the annual Halloween custom of masquerading in costumes while visiting neighbors to collect candy and other treats.

The period from 3 p.m. to 7 p.m. on Saturday, October 30, is the time officially designated by Mayor Pro-Tem Williams for "trick or treat" visitors in Muleshoe. This is the day before Halloween but will be observed this year instead of on Sunday.

On that day, residents wishing to cooperate are requested to keep their porch or exterior lights on as an indication of their willingness to welcome young visitors and offer them treats. Children are encouraged to call only at lighted homes.

Other safety tips offered by Mayor Pro-Tem Williams to young "spooks" and "goblins" planning to participate in Halloween "trick or treat" activities, October 30, include the following: First, bring parents or other responsible adults along on visits; second, stay within your own immediate neigh-

Clocks To Be Turned Back

At 2 a.m. Sunday morning, October 31, clocks will be turned back one hour, as Daylight Savings Time is reversed.

The federal law setting Daylight Time calls for the change back to Standard Time on the last Sunday in each October. This year, there were five Sundays in October and just by chance, this year the time change comes on Halloween.

HALLOWEEN PROCLAMATION . . . Alex Williams, Mayor Pro-Tem, is shown signing the proclamation for the official Muleshoe Halloween and Trick or Treat Day to be Saturday, October 30, 1971. Hugh Young, co-chairman of the Jaycee Halloween Safety committee, is shown with him.

Jaycees Report Crane Hunt Ready To Go

Saturday, October 30, will be the first day of the annual Sandhill Crane Hunt in Muleshoe. The crane hunt is sponsored by the Muleshoe Jaycees who have arranged for land near the Muleshoe National Wildlife Refuge.

The costs for the hunt will be \$5 a day; \$7.50 a weekend; or \$15.00 for all three weekends, October 30 and 31; November 6 and 7; and November 13 and 14.

The Jaycees will provide directions and guides to the hunting areas. Shells and licenses will be available and the guides will leave the Dinner Bell Restaurant, 2101 West American Boulevard, which is hunt headquarters, one and a half hours before sunrise each day. There will also be a turkey shoot during the day while the crane are in the fields feeding.

The hunter who kills the largest bird during the hunt will receive a Browning Twelve-Gauge Automatic Shotgun.

Chairman of the hunt is Doyce Turner. Committee members are Ronnie Spies, Glen Watkins, Mac Brown, Leon Wilson and Dick Johnson.

For more information contact the Chamber of Commerce Office.

Because of the annual crane hunt, Muleshoe receives state and national publicity through news releases sent out. All

of the major newspapers in Texas and the nation's leading newspapers are informed of the annual event. Many of the TV stations in the state are also notified including local stations in Amarillo and Lubbock.

This has attracted hunters

Muleshoe Mules Will Host Tulia Hornets

The Muleshoe Mules will play the Tulia Hornets Friday night, October 29, here in the second district game for both teams.

Muleshoe stands 4 and 2 in season standings and 0 and 1 in district standings. Tulia is first in season standings with a 4-1 and 1 record, and last in the district standings with a 0 and 1 record.

Muleshoe Mule Bobby Hayes is now second in season scoring with 42 points and 7 touchdowns. He is led only by Suldivan of Dumas, Coming in third in the standings is Donnie Wheat with six touchdowns and 36 points.

The game will be played in Muleshoe at 7:30 p.m. at the annual publicity through Muleshoe High School stadium.

Civic-Wide Garage Sale Starts Friday

The civic-wide garage sale, sponsored by the Epsilon Chi chapter of Epsilon Sigma Alpha, will be held in Muleshoe at the old Poyner's building on Main Street Friday, Saturday and Sunday, October 29, 30 and 31. Hours will be from 9 to 5 on Friday and Saturday and from 1 to 5 on Sunday. All proceeds from the sale will be donated to the Friends of the Library for completing the furnishings on the new library building. Helping ESA will be the Muleshoe Young Homemakers and the Progress Home Demonstration Club.

This project is one way everyone in Muleshoe can help furnish the library by cleaning out closets and garages. Donations of old clothing and other salable odds and ends can be taken by the old library building. Also one can call Mrs. Corky Green and the merchandise will be picked up and taken to the sale.

Everyone is urged to help furnish the library by donating merchandise and by buying some of the useful items that will be sold.

Members of ESA, Young Homemakers and the Demonstration Club will be helping customers during the sale.

This project is shaping up to be the biggest civic project to be in Muleshoe for a worthy cause.

Three Way Wins District Game

Three Way defeated Cotton Center Friday night at Cotton Center in District 1-B grid play, 22-16.

Three Way scored first when George Duarte went 10 yards for the touchdown and Larry Neutzler ran the two point conversion.

Cotton Center then scored twice, once by Barrett and once by Burnett. Black and Burnett scored the extra points.

Three Way then scored when Manuel Nino connected with Robby Sowder for a 70 yard

Price Votes Grain Reserve Bill

During my five years of service on the House Agriculture Committee, there has been frequent debate on the advisability of creating a strategic grain reserve. The Committee approved such a bill last week. Actually, as adopted by an almost straight party-line vote, it is nothing more than a political move to artificially raise farm prices for a very temporary period of time.

I voted for an amendment to this bill which would truly have given us an emergency reserve and eliminated the market-depressing mechanism that is in the bill now.

The bill reported by the Committee directs the Secretary of Agriculture to purchase up to 25 million tons of feedgrains and 300 million bushels of wheat to keep on hand in case of a massive crop failure at some time in the future. While this might temporarily boost farm prices, there is little doubt in my mind that it would force

down commodity prices in the long run. Department of Agriculture officials warned the Committee about this, but to no avail.

The fact of the matter is, these reserve commodities may be forced onto the market in great quantities whenever the market price of feed grains or wheat reaches 120 percent of the past five-year average price. In my opinion, this bill could result in a short term benefit to prices such as the corn blight did last year. However, the end result would be the same as this year; prices went down because everyone overplanted for fear corn blight would hit again.

This bill is a political animal which proposes to give a temporary price hike which will hopefully carry through next year's elections. Frankly, I am interested in the farmer's welfare beyond election days as well. It is a mystery to me why many of those who favor the bill,

such as the Congressman from Wichita Falls who has announced he will be a candidate in the new 13th District which includes most of our present 18th District, voted against setting the release point at 100 percent of parity.

This 100 percent of parity amendment would have created a real strategic reserve. Without this safeguard, I simply cannot support a bill which would force our grain prices to even lower levels.

NEW LEGISLATION

Last week I introduced legislation designed to aid handicapped children with their school work and a bill to improve the position of the American farmer in the international trade arena.

The bill to aid homebound handicapped children takes the form of grants to enable the states to hire college students as tutors for children who cannot attend school because of a physical handicap.

Also introduced was a resolution calling on the President to enter into negotiations with the Common Market countries to lower tariff barriers which bar American agricultural products from European markets. American farmers will possibly lose a billion dollars in foreign agricultural sales this year as a direct result of Common Market agricultural policy. The situation will worsen if immediate steps are not taken to correct this situation.

The House Agriculture Committee member noted that the European tariff cuts deeply into our farm exports to Europe, while at the same time, European exporters receive subsidies from their governments that allow them to export to mar-

kets in other parts of the world.

"My resolution directs the President to seek reform of Common Market agricultural policy during the present international monetary and trade review. It also directs him to attempt to have agricultural policy placed on the agenda of the 1972 meeting of GATT (the General Agreement on Trade and Tariffs)," Price said.

Ticket Sales For BAC Show Are Booming

Jeannie C. Riley, popular country and western singer, will make two appearances in Muleshoe Monday, November 8, at 7 and 9:30 p.m. in the Muleshoe High School auditorium.

Sponsoring the show will be the Business Activities Committee of the local Chamber of Commerce. Bob Stovall is chairman of the fund-raising event.

The junior class at Muleshoe High School are in charge of ticket sales. Tickets can be purchased from any member of the BAC or at the Chamber of Commerce office. Mail orders will be filled through check and money orders. Paid in advance orders will be accepted and tickets mailed out promptly.

Prices for advanced general admission are \$2.50. Reserved seats will be sold for \$4 each.

as long as they last with general admission at the door prices set at \$3.50.

Both the junior class and the BAC will benefit from what is expected to be a sellout for both performances of the well-known singer. The junior class will use proceeds from their part of ticket sales for the hosting of their annual MHS Junior-Senior Banquet next spring. The BAC profits received are slated to go into their treasury for the Christmas program (including expense for the huge tree by the Mule Memorial; Santa and his workshop; the parade and the manger scene) and for the annual Fourth of July Celebration projects.

Trio At Wayland

Three students from Muleshoe have enrolled for the fall semester at Wayland Baptist College.

Included in this group include Vicky Lynn Julian, daughter of Mr. and Mrs. Jack Julian, Route 1, Box 9; Deborah Gay Sain, daughter of Mr. and Mrs. W.F. Sain, 908 Gum St.; and Debbe Lee Schuster, daughter of Mr. and Mrs. Jack Schuster, Route 5, Box 13.

Miss Julian and Miss Schuster are both 1971 graduates of Muleshoe High School and are freshmen at Wayland. Miss Julian is majoring in physical education with a minor in psychology. Miss Schuster has not decided upon her major field of study yet. Miss Sain, a 1969 graduate of Muleshoe High, is a junior majoring in elementary education with an English minor. She plans to teach upon graduation.

Jaycees Meet Monday At XIT

The Muleshoe Jaycees met Monday, October 25, at the XIT Steak House.

Joe Bob Stevenson reported on the turkey shoot to be held Saturday, October 30, in conjunction with the crane hunt. It will be held south of town.

Freddie Savage reported on the family social and said that they had a good turn out and the kids really enjoyed it. It was also reported that the Jaycees will help with the Halloween Carnival October 30.

Doyce Turner reported on the crane hunt and said that the blinds had been built and everything is ready for the hunters.

Bill Russell asked that all Youth Football players who have not turned in their suit to bring it to Stovall's Printing as the Jaycees need these uniforms turned in.

Those present for the meeting were Glen Watkins, Max King, Mac Brown, James Brown, Tommy Black, Duane Seay, Hugh Young, Clarence Christian, Marshal Lee, Delbert Barry, Buck Campbell, Bob Stovall, Ronnie Spies, John Gentry, Bill Russell, Raymond Schroeder, Gene McGuire, Dwyan Calvert, Smitty Aylesworth, Corky Green, Bruce Little, Frosty Jones, Charles King, Jim Tucker, Ron Thompson, Joe Bob Stevenson, Gary Glover, Richard Hawkins, Wayne Peterson, Freddie Savage, Cary Purdy, Curtis Walker, Dick Howard, Derrell Oliver, Doyce Turner and guests Joe Patte, Monty Dollar and Bill Bruns.

Due to circumstances beyond the control of the Business Activities Committee, the carnival this week was unable to open as advertised.

FA Jerrell C. Otwell visited the past weekend with his parents Mr. and Mrs. J.R. Otwell.

His sister Narssia Lackey of Canyon visited. Otwell is attending welding school at the Naval Base in San Diego, California.

Mr. and Mrs. Irvin St. Clair and their son, Kelly were in Dallas recently to attend the spring fashion market.

Roger Albertson, Manager of Cobbs, attended the spring fashion market in Dallas this week. "Pet" Wingo and Frances Bell, employees of the Stores, also attended.

Billy J. Darnell and Raymond L. Scott, both of Muleshoe, have been elected directors for Bailey County in the Plains Cotton Growers, for 1971-1972.

in Muleshoe and it was decided that the committee would obtain copies of City Ordinances that had been passed by other towns and were working good and then present such a Litter Ordinance to the Council for consideration.

Jerry Hutton, committee member, requested help from the City Council through their suggestions on ways the Muleshoe Community Improvement Committee could work more efficiently and also thanked the Council and City Manager Albert Field for their help and cooperation in their program.

Rev. Walter Bartholf, Park and Recreation Board Chairman, appeared before the Council to request their approval for three representatives of the Park Board to attend the Southwest Division of Parks and Recreation Seminar to be held in Albuquerque, N.M., on November 4, 5 and 6. On motion of Councilman Williams, the members present voted to approve sending three representatives to the Seminar and paying their travel expenses.

Discussion was held concerning the Park Board's suggestions for future development of all parks in Muleshoe. The Council requested the Park Board to make a long range plan of action so far as all the Park areas are concerned.

GUESS WHO . . . Shown above are two unidentified "spooks" who attended the ESA Halloween party in the Corky Green home recently.

Eastern Star Grand Assembly in Austin

The eighty-ninth session of the Grand Chapter of Texas, Order of the Eastern Star, was held in Austin, October 18-21. The theme was "The Key to Faith, Kindness and Humility", under the supervision of Frances Key Herrin, Worthy Grand Matron, Austin, and J. Victor Jones, Amarillo, Worthy Grand Patron. Registering were 6004 members representing 661 chapters in Texas.

An address was given by Robery Lybrook Clark, Virginia, Most Worthy Grand Patron, followed by an address by Joe W. Steed, Grand Master of the Most Worshipful Grand Lodge

of Texas, A.F. and A.M. Mildred Garlitz, Past Grand Matron, Fort Worth, representing the Ella Maude Landers Brady cancer research and education committee, was also on the program. She told the members how important cancer research is to everyone.

On Tuesday evening, a memorial service was conducted to tribute to the six past Grand Matrons and past Grand Patrons, and all members of subordinate chapters who have passed away since the last session.

On Thursday morning, an election produced the following results: Aliene Houston, Arlington, Worthy Grand Matron; Harold Todd, San Antonio, Worthy Grand Patron; Katherine Harbour, Shamrock, Associate Grand Matron; W.C. (Bill) Holmes, Lubbock, Associate Grand Patron and Agnes Lee Howard, Albany, Grand Secretary; Mrs. Howard replaced Rebecca L. Miles, Arlington, who had served as Grand Secretary for 24 years, and retired this year due to ill health. Jettie Hinton, Baytown, was re-elected Grand Treasurer and Thelma Joyce Alsop, Houston, was elected Grand Conductress with Patricia Majors, New London, as Associate Grand Conductress. Miss Nancy Blount, Pittsburgh, Grand Worthy Advisor of the Grand Assembly of Texas Order of the Rainbow for Girls, presented Mrs. Houston the Tradition of Rainbow Bible.

HEALTH AND BEAUTY

People who are intelligent, and whose thoughts run toward noble achievement and are benevolent and kind acquire countenances that bespeak superior men and women. As the years pass, their faces grow in charm not possessed in youth.

Those who spend their time in the pursuit of shallow amusements, who depend for pleasure upon that which pampers their vanity and affords passing entertainment, soon lose the attraction that they had in youth. Their faces become fat and heavy, with insane, stupid expres-

sions or else they grow thin, sharp and pinched, like their characters. Time has been busy etching their emotions and habits on their features.

The girl who is good natured and jolly, whose merry laugh falls pleasantly upon the ear, is sought as a companion far more frequently than one who has only good looks to recommend her.

To prove that the expression is moulded by environment and habits of thought, we have but to contrast the habitual crook with the philanthropist. The eyes of the former are shifty, cruel and crafty.

What a contrast is presented by the man whose life is honest, open and upright, who is helpful and considerate of his fellowmen. Even a little child or the dog on the street will trust him.

WSCS Plans Mexican Meal

The Women's Society of Christian Service of the Spanish Methodist Church will prepare a Mexican dinner in the fellowship hall of the First United Methodist Church on Thursday, October 28 from 6:00 to 8:00 p.m.

The tickets are now available from any member of the WSCS for \$1.50 for adults and \$1.00 for children up to twelve. The menu will include tamales, enchiladas, fried beans, Spanish rice, salad, dessert and drink. This is an effort of the WSCS to meet financial obligations of the church. Everyone is invited to purchase a ticket, and come and enjoy a Mexican dinner.

Rome. They will fly from Dallas to Rome via New York on a 707 charter flight. The trip will take eight days, during which many events are scheduled for all participants. While the couple is gone, their year-old son, Michael, has been left in the care of his grandmother, Mrs. N.L. (Red) Johnson.

Catfish are being farmed in Arkansas.

TOPS News

June Vinson presided at the weekly TOPS meeting on Thursday, October 21 at the REA meeting room.

Evelyn Harris called the roll with 24 members weighing in, and Tana Holmes read the minutes of the last meeting. Anna McDonald was named weekly queen for having lost the most weight. First runner-up was Clara Crane and second runner-up was Selma Redwine. Leta Hefner gave the pep talk before the meeting closed with the singing of the good-night song.

Shoes continue to have bulky heels and the tie is favored by many women.

Bovina Youths Meet

The Llanos Altos Youth Association will meet Monday, November 1, at 7:30 p.m. at Bovina First Baptist Church. Marge Caldwell, reports a youth association member, has been referred to as the "Phyllis Diller of Christianity" and will be special guest speaker.

Mrs. Caldwell, author of a book on charm, appears regularly on a Houston television station and has taught classes on charm and poise. She is now promotional vice-president of the Women's Missionary Union of the Southern Baptist Churches of Texas and has spoken to many youth groups. The inspirational program is recommended for all adults as well as young people.

Everyone who wishes to attend may meet at the First Baptist Church of Muleshoe at 6:45 p.m.

TFWC To Hold Conference

A \$5,000.00 grant has been given by the Texas Federation of Women's Clubs to hold a statewide Environmental Conference. The conference will be held in the Baker Hotel, Dallas, Texas, November 14-16, 1971. Mrs. Philip A. Carpenter, President of TFWC announced today. Outstanding speakers, both state and national levels, will appear on the program. Speakers will include: Senator John Tower; Governor Preston Smith; Judge Sarah T. Hughes; Mrs. Kermit V. Hougan, First Vice-President of the General Federation of Women's Clubs; Dr. Alvin F. Meyer, Director of Noise Abatement; Joseph Karaganis, Special Assistant to Attorney General, Environmental Quality for the State of Illinois, Phyllis George-Miss America; Mrs. Sherrod B. Stuckey, Chief, Women's Activities, National Air Pollution Administration; Dean Mathews, Environmental Protection Agency, Region VI; Mrs. Howard Kittle, First Vice-President of NCSG clubs of Fort Worth; plus many others.

At the conference, representatives of business, civic organizations, and all levels of government will be called upon to examine the current status of our environment and to make recommendations for the improvement and acceleration of control efforts throughout the State of Texas.

Conference planning will be conducted by Texas Federation of Women's Clubs, National Women's Program, Environmental Protection Agency and the EPA Regional Office, Region VI, Dallas.

The program will cover solid wastes, noise, radiation, pesticides, air and water pollution. It is designed to attract educators, industry, labor, youth, and community leaders from all Texas districts. All concerned citizens, city and student leaders are urged to attend.

In Fashion

This summer season has been a hatless one. Many of the church congregations have numbered very few hats but with winter coming on and the honey-comb hair-dos passe', women are beginning to look for felts and fur bonnets.

Some of the felts are rather large with bands or buckles of a different color. They are flexible and brims can be turned in the way most becoming to the wearer.

Civic Club Hosts A Harvest Hoedown

On Saturday, October 23, the Llano Estacado Civic Club sponsored a "harvest hoedown" western dance. Using a fall theme, members and their guests danced to the music of Jay and the Splendors from Ft. Sumner, New Mexico.

Prior to the dance, which was held over the XIT Steakhouse, fifty-eight couples were treated to charburgers with all the trimmings. Beginning at 7:30 p.m., with dinner and visiting, couples stayed on to dance from

nine till one. Proceeds from the dance will go into the club's civic fund.

Rainbow Service Held On Monday

The Rainbow Girls of the Muleshoe chapter met Monday night, October 25, at the Masonic Hall. All the young ladies present participated in an initiation service for Sheryl Rasco. Miss Rasco is the daughter

of Mr. and Mrs. Odell Rasco of 322 East Chicago.

At a business meeting held after the initiation, the chapter voted to have a Halloween party with the local DeMolays to be held Tuesday, October 26.

REVIVAL SET . . . Calvary Baptist Church, 18th and Ave. C, has scheduled a revival for November 1-5. The speaker will be Dr. W.L. Bryant, left, pastor of the Fairfield Drive Baptist Church of Pensacola, Florida. He has also held pastorates in Ft. Worth, Texas and Warren, Michigan. Pastor of the Calvary Baptist Church is Reverend Charles Kenneth Harvey, right, a graduate of the Bible Baptist Seminary in Arlington, Texas.

Food And Fiber Week Observed

What is "Texas Food and Fiber Abundance Week"? It's that week (Nov. 15-21) just before Thanksgiving when special emphasis is being placed on the blessings of the abundance of food and natural fibers that come from the farms and ranches of Texas.

"Texas Food and Fiber Abundance Week" represents a concerted effort on the part of virtually every segment of the vast agricultural industry to gain consumer appreciation for the abundance, quality, variety and value of Texas agricultural products.

Involved are representatives of farm organizations, agribusiness firms, commodity groups, federal and state government agricultural agencies and institutions, universities and their research and extension arms, farm news media, trade associations, chambers of commerce, banks, utility companies, political leaders and many others, including a lot of individual farmers and ranchers.

C.G. Scruggs, Dallas, vice president and editor of The Progressive Farmer, is chairman of the TF & FAW Council; and Leon Slaughter, Abilene, special projects director for the West Texas Chamber of Commerce, is co-ordinator. Vice chairmen include: Dr. H.O. Kunkel, College Station, Dean of Agriculture, Texas A & M University; Dr. Wayland Bennett, Lubbock, vice president for academic affairs, Texas Tech University; Don Blacketer, Honey Grove, farmer; James L. (Curley) Hays, Abilene, West Texas Utilities Co., is treasurer. Governor Preston Smith and Agriculture Commissioner John

C. White are serving as honorary chairmen. All of the publicity and other work being carried on by the Council is being done by volunteer workers from the involved organizations. Money to finance the promotion is being raised by voluntary contributions from interested organizations and individuals. Activities planned include statewide publicity through newspapers, magazines, radio and television, billboards and special displays in supermarkets. A speakers bureau will take the story to garden clubs, civic clubs, etc.

On the county level, the county judges have been asked to appoint a committee of local leaders to spearhead countywide observances of the special week. Co-ordinator Slaughter said the purpose of all these activities is to "imprint in the public mind a positive image of Texas agriculture by drawing attention to the abundance, quality, variety, and value of Texas agricultural products."

In pointing up the importance of the observance Chairman Scruggs said, "In this day and age of confusion and confrontation, drugs, pollution, etc., all of us tend to forget that through the unparalleled efficiency of agriculture, America is the best-fed, and at the least cost, of any nation in the world."

Young People Hold Rally In Hereford

A "Jesus Festival" will be held in Hereford, October 30 and 31. It is being sponsored by a group of teenagers and young adults from that city. Plans at this time are to hear testimonies, hold prayer groups and sharing sessions. Free food and lodging is offered to anyone who wishes to attend.

The main speakers at the function will be Irving Rutherford and Ray Johnson from the

Teen Challenge Center in San Antonio. Accompanying them will be several young people who, reports a spokesman, are "kids who have been set free from drugs by the power of Jesus Christ".

Market Report

Yummy pie or jack o'lantern, which will it be?

To help you in choosing just the right pumpkin for the job, here are some suggestions from Gwendolyn Clyatt, Extension consumer marketing specialist at Texas A & M University. For eating, choose a bright orange pumpkin, well formed and heavy for its size. A heavy pumpkin will have more meat, thus less waste. And, the specialist says, it is more likely to have a sweet taste.

But for a Halloween jack o'lantern, choose a light weight pumpkin. The less it weighs, the less it costs. It will also have a tough skin and a thinner layer of flesh for easier carving.

If your pumpkin is for pie, Mrs. Clyatt suggests the following procedure: Clean seeds from the inside of the shell, then scoop out the flesh.

Cut the pumpkin into small pieces and cook in a small amount of water until soft. Strain through a colander or food mill.

Remember pumpkin is a vegetable -- it can be baked and used like squash too, she says.

**** Visiting in the J.D. Bayless home last Sunday afternoon was his brother, Roy Bayless of Muleshoe. Visiting with them Monday afternoon were her brother, Mr. and Mrs. Clyde Coffman of Morton.

**** The Enochs W.M.U. met at their regular time for their Mission program taken from the Royal Service. The meeting opened with a song, "All Hail the Power" led by Mrs. Troy Price and a prayer by Mrs. Welma Petree, Mrs. Sandra Austin in charge of the program. Mrs. L.E. Nichols read the missionaries names having birthdays, and Mrs. J.D. Bayless offered the closing prayer. There were 12 women present. Mrs. Sandra Austin, Mrs. Wanda Layton, Mrs. Troy Price, Mrs. L.E. Nichols, Mrs. J.O. Dane, Mrs. Welma Petree, Mrs. Olive Shaw, Mrs. Loreta Layton, Mrs. J.W. Layton, Mrs. Rose Nichols, Mrs. C.H. Byars and Mrs. J.D. Bayless and one child, Jeff Austin.

**** The school children enjoyed a long weekend since school was dismissed Friday for the teachers meeting.

The sessions will be held at the Oddfellows Lodge in Hereford at 205 East 6th. Three sessions will meet on Saturday, October 30, at 10:00 a.m., 2:30 p.m., and 7:30 p.m.; and on Sunday, October 31, at 9:30 a.m.

Farmer as Consumer

Like everyone else, the American farmer is a consumer and a tax-payer, as well as a producer.

He pays \$2.3 billion in farm real estate taxes, \$450 million in personal property taxes, \$1.9 billion in Federal and State income taxes, and about \$350 million in sales taxes.

He spends about \$55 billion a year on goods, services and living expenses. Of that total, \$42 billion goes for the things needed to produce crops and livestock. The balance is needed for the same items nonfarmers

buy, including food and clothing which the farmer once largely drew from his own land when each farm was nearly a self-sufficient unit.

Also, like everyone else, the farmer feels the pinch of inflation. In the last 10 years the wage rates that he pays have gone up 85 per cent; motor vehicles cost 38 percent more; taxes are up 129 percent; and feeder livestock cost 27 percent more. Overall, the average cost of commodities, interest, taxes, and farm wage rates has climbed 33 percent in the last 10 years.

LOUISA'S LETTER

Dear Louisa,

I have been going with a girl friend who is very good company. We have lots of fun together at school but my mother will not let me double date with her because she has a bad reputation. I think someone has made up these stories about her because they are jealous of her and because she is so popular. When I ask my mother who told her these things she won't tell me. There is one thing that she does that might make people think she doesn't behave and it is that she will date anybody. She dates one boy who has been arrested for drugs and that makes people think she might use drugs herself. But that doesn't affect me and I think my mother is very unfair not to let me double date with her. Mother lets me double date with another

friend of mine. What do you think about this.
Dot--Ala.

Answer:

Your friend may be perfect but if she goes with people who have bad reputations she will suffer by that association in the eyes of other people.

I can understand why your mother doesn't let you date with this friend. If, on that date you are liable to have as this friend's date, a drug user or pusher. I do not know how old you are but it seems to me that it would be wise for you to confine your association with this girl to daytime activities.

Louisa.

Address your letter to Louisa, P.O. Box 532 Orangeburg, S.C. 29115

Top Football Teams To Play This Week

It seems as though Colorado hasn't been satisfied this fall to go just from one frying pan into another. They've bounced from one pressure cooker into another . . . from L.S.U. to Ohio State to Oklahoma . . . and now to Nebraska! The 11th ranked Buffaloes, in spite of a heated up schedule, have lost just one. However, to whip top-ranked Nebraska, they're going to have to cook on every burner. The Cornhuskers are favored by 21 points.

Ohio State, after its loss to Colorado, has been rolling without trouble. The Bucks are ranked 12th and are tied for the lead in the Big Ten with Michigan, Minnesota, after taking a whumping from the Wolverines last week, does a bit of the frying pan act too as they run into the Buckeyes this Saturday. Ohio State will top the Gophers by 21 points.

And speaking of a team that is rolling: since Arkansas was unexpectedly spanked by the Tulsa Hurricanes, they've bounced right up the national ladder. Ranked in the #6 spot

point underdogs.

And the awesome offensive power of 2nd-ranked Oklahoma will meet an Iowa State team that is a breather for nobody. The Cyclones are just on the fringe of out top twenty group. The Sooners, however, will keep pace with Nebraska, clipping Iowa State by 28 points.

Returning to Southeast Conference warfare after a week's lay-off, Louisiana State, #9 in the nation, goes after the Mississippi Rebel. Mississippi is also just outside the top group this week. The Tigers will win it by fourteen.

Auburn, #8, and very much in the title chase, will bump Florida by 23.

W. J. Bryan Dom, Congressman (D-SC):

"In America, every person should be guaranteed the right to the best health care."

LIVING COSTS UP

The Labor Department has reported the cost of living rose by three-tenths of 1 per cent in August. The government said this was about average for the year.

this week, the Razortacks will blast Texas A & M Saturday by 34 points.

Hey, how about that old forecasting average! Thanks to a delightfully polished crystal ball a couple of weeks ago, we're now batting a rather respectable .763 through the weekend of October 16th. The totals: 890 right and 277 goofs.

The Indians of Stanford were slowed down a bit last week in their race for that second consecutive West Coast Conference championship and a berth in the Rose Bowl against the Big Ten. Stanford, 5 and 2 after losing to Washington State, is ranked 14th this week in the Harmon ratings, and it should make Oregon State victim number 6. The Beavers are 15-

MORE TAX BREAKS
The House Ways and Means Committee has approved a revised version of the President's tax program—trimming his proposals for business tax relief by \$4.9 billion over three years and increasing individual relief by \$3.4 billion.

STATE CAPITAL Highlights AND Sidelights
by Vern Sanford
TEXAS PRESS ASSOCIATION

AUSTIN, Tex. --Ballot order has been selected for 14 proposed constitutional amendments to be voted on at the November 7, 1972, election.

Major changes, including authorization for a constitutional convention, four-year terms for major state officials, higher state bond interest ceilings and equal rights for women are included in the list.

The amendments, in the order they will appear on the ballot, follow:

1. A salary raise for legislators from \$4,800 to \$8,400 a year.

2. To abolish Lamar County hospital district.

3. To provide for compensation of all justices of the peace on a salary basis.

4. To establish a constitutional revision commission and call a convention to revise the state constitution in January, 1974.

5. To allow tax exemptions for disabled veterans, their surviving widows and children and widows and children of armed forces personnel killed on active duty.

6. To provide a minimum \$3,000 property tax exemption for resident homesteads of those 65 and over.

7. To guarantee that equality under the law shall not be denied or abridged because of sex, race, color, creed or national origin.

8. To provide four-year terms for governor, lieutenant governor, attorney general, comptroller, treasurer, land commissioner, secretary of state and other statutory state officers.

9. To allow soil and water conservation district directors to hold, or be compensated for, more than one office.

10. To require that proposed constitutional amendments be described twice in clear language by statewide newspaper publication (633 papers).

11. To fix an annual salary of \$22,500 for speaker and lieutenant governor.

12. To permit state employees to serve on local governing boards.

13. To set a six percent weightier average annual interest rate for constitutionally authorized bond issues.

14. To allow counties to reduce their permanent school fund and distribute money to independent and common school districts on a per-scholarship basis.

DEMOCRATS ELECT --Reuding Democrats settled a row over election of a new chairman with unexpected calm.

At a Dallas meeting, the State Democratic Executive Committee named Roy Orr, 39, mayor of DeSoto, chairman, rejecting Gov. Preston Smith's preference for Agriculture Commissioner John C. White.

Orr won by razor-thin 32 votes to 30 over the veteran statewide official. Backers of both argued that their man would be the best choice to unify the state party for election-year battles ahead. White had backing of liberal and some moderate and conservative members of the committee. Orr drew support of most SDEC conservatives and some moderates.

Both candidates, the winner and the loser, pledged future cooperation with all factions.

FOR SALE: 14 ft. new Jon boat. Flat bottom. Never used. Reg. \$139.95, \$99.95 sacrifice. Call 272-4536 or see at local airport.
15-26t-tfc

THIS AND THAT: What's that? To see at 101 Main, Muleshoe, anytime between 9 a.m. and 5:30 p.m. Monday thru Saturday. Variety of interesting things for entire family. Phone 272-4437.
15-43t-tfc

Carl Albert, Speaker of the House: "The revitalization of our national economy must be our paramount domestic objective."

Orr succeeds Dr. Elmer Baum of Austin as SDEC chief until the September, 1972, state party convention.

APPOINTMENTS --Dan S. Petty, 31, formerly of Texarkana, was selected by Governor Smith as his executive administrative assistant to succeed Otice A. Green who resigned October 1.

Among other recent appointments by Smith were the following:

University of Houston Board of Regents --Dr. J. Davis Armistead of Lubbock, Robert Lee Grainger and Mack H. Hannah Jr. of Houston; reappointed, James A. Elkins Jr. of Houston.

Board of Regents, North Texas State University --William W. Jamar Jr. of Brownwood.

Texas Civil Air Patrol Commission (new) --Louis C. Ways, George E. Haddaway and D. Harold Byrd of Dallas; John A. Goolsby Jr. and Frank T. Cox of Austin; William I. Williams Jr. and Luther C. Bogaard of Tyler; Claude L. Chambers of Irving and Mike A. Burkholder of Pecos.

State Board of Barber Examiners --Thomas J. Hullum of Burnet.

Joe Reeder Jr. of Knox City was named 50th district judge succeeding Lewis Williams of Knox City who resigned.

COURTS SPEAK -- The State Supreme Court affirmed lower court findings that state employees are constitutionally banned from city council service.

In another new decision, the High Court set a hearing November 3 in the controversy over whether 588 acres were legally acquired at Odessa for a new University of Texas of the Permian Basin campus.

Third Court of Civil Appeals here held a law preventing vending machine owners from holding financial interests in taverns is constitutional.

The death penalty conviction of a Refugio County man for alaying a sheriff and a deputy sheriff in 1969 has been upheld by the Court of Criminal Appeals.

DISASTER AID APPROVED -- Texas Employment Commission will pay disaster unemployment compensation to persons made jobless by tropical storm Fern September 9-September 30 in 14 South Texas counties.

Counties covered in the assistance plan are Aransas, Bee, Brooks, Duval, Nueces, Refugio, San Patricio, Jim Wells, Hidalgo, Starr, Willacy, Jim Hogg, Live Oak and Calhoun.

Special aid determined in accord with U.S. Labor Department regulations will correspond in amount and duration to benefits paid under the state unemployment insurance and manpower development and training act. Maximum is \$45 a week for 26 weeks.

Eligible include those who no longer have jobs or a place to work as a result of the storm or who were unable to reach work, who were injured or who were made heads of households as a result of deaths in the disaster.

ALLOWABLE REDUCED -- For the seventh consecutive month, Texas Railroad Commission reduced the statewide oil allowable.

A cut of .7 of a per cent sets the November production factor at 62.5 per cent of potential. The allowable has been slashed 19.6 per cent since last April.

A maximum production of 3,275,749 barrels daily will be permitted under the November controls, compared with 3,305,129 this month.

BOND SALE OFFERED -- A total of \$31.5 million in veterans land program bonds will be offered for sale November 1.

Land Commissioner Bob Armstrong said sale of additional bonds is necessary to continue the program under which 20,000 applications for low interest rate land purchase loans have been made since last February. The interest ceiling on the bonds is 4.5 per cent.

APPEAL FILED --Texas is appealing U.S. Secretary of Trans-

portation John A. Volpe's decision to impose a 10 per cent penalty on the state's share of highway construction money from the federal trust fund.

The threatened cut -- because Texas has not enacted a bill-board under the highway beautification act -- would cost the state about \$24 million a year. The appeal to Volpe noted legislative efforts to comply with the federal requirement and asked a decision of the penalty be withheld until the next regular legislative session.

SHORT SNORTS

The Legislative Redistricting Board barely made its October 23 deadline for reapportioning the House of Representatives. The new Senate districts were announced a week earlier.

Enrollment in Texas junior and senior colleges reached an all-time high of 479,807 this fall.

The School Land Board will offer 401,847 acres of state land for lease at its oil and gas lease sale December 7.

John W. Berry of Conroe received the 1971 Lady Bird Johnson Highway Beautification

Award and \$1,500 cash prize. Agriculture Commissioner White says pink bollworms and too much rain are threatening the Texas cotton crop.

Atty. Gen. Crawford Martin held that the bailiff of a district court need not be a deputy sheriff and that Bexar County Hospital District may not change the month of selection of its depository after selection for a two-year term in February, 1970.

Gerald McCathern of Hereford and Worth Jones of Hart were selected to the Board of Directors of the Grain Sorghum Producers Association.

MJHS Has Open House

On October 25, Muleshoe Junior High had open house.

The Junior Historical Society were the hosts. They also had a living display of early Pioneer Life, at the front door.

In the lobby of the gym were the 6th grade geography projects, 7th grade Texas History Projects, 8th grade American History projects.

These projects were judged and ribbons were given to 1,2,3 place winners in all grades. Grand Prize was given to the best project out of all grades. Remember National Educational Week.

GAIL BRUNNS

Gail Brunns New Teacher At MJHS

This year M.J.H.S. has a new teacher, Mrs. Gail Brunns. Mrs. Brunns teaches Reading and English. This is her first year to teach.

Mrs. Brunns attended Muleshoe Schools and graduated from Muleshoe High School. After graduation here, she attended Abilene Christian College where she earned a BS degree with a major in Elementary Education.

Mrs. Brunns is married to Benny Brunns, who is also from Muleshoe. This past summer, she served as Life Guard at the Muleshoe City swimming pool. She enjoys swimming and water skiing as a past time. Muleshoe Junior High School is enjoying having Mrs. Brunns as a member of the faculty.

The amazing thing about man's intelligence is his failure to use what he has.

Alta Ramm Featured

Alta Ramm is the daughter of Mr. and Mrs. Earnest Ramm. She has two sisters and one brother. She lives at Lariat, and likes to be around livestock. She is a member of St. Johns Lutheran Church, and an active member of Progress 4-H Club. She enjoys activities such as sewing, cooking, leathercraft, and riflery.

A favorite is reading or practicing basketball. She hopes to make the team, playing as a guard. Alta is a member of the Jr. Historical Society. This year she was elected as secretary-treasurer of the Society.

Alta sews some of her clothes. She has won a lot of ribbons this year on the clothes she has made. This year she has a light blue pant suit. She won a blue ribbon and was alternate to district. In the picture Alta is shown modeling her "blue ribbon" suit.

Seventh Grade Intramurals

On Wednesday the 20th of October Seventh grade football players on the Rams and Vikings squared off in a hard fought football game. The score reflected that fact as the teams fought to a 0-0 tie. Thursday the Lions took on the Colts with the Colts coming out on top by a score of 6 to 0. The lone score of the game came on a sneak of 2 yards by Ricky White.

These boys are learning a lot about football and are getting ready for the highlight of their season, the Super Bowl.

Seventh Grade History Plays

A history play was presented on Oct. 19, in each period of 7th grade history. Every student took part in the play. The play was entitled, "The Beginning of Texas." It was witnessed by teachers of Junior High and Mrs. Watson, Curriculum director of the Muleshoe School System. The play had many historical men such as Christopher Columbus, Cortez, Pineda, Cabeza De Vaca, Coronado, and many more. The play was a great experience for the people who observed it and the students who participated in the production.

SCIENCE EXPERIMENT . . . Wednesday, October 20, the Seventh Grade Science Classes got an example of life science in action. The class observed as a live frog was dissected so that the heart could be seen beating. It was an unforgettable experience!

Quail Season Short In Some Texas Areas

AUSTIN -- The Texas Parks and Wildlife Commission has set a statewide closing date of Feb. 15 for the 1971-72 quail season.

This action added two additional weeks to the seasons. However, the seasons still will be two weeks shorter than last year in many areas due to a later start.

The season in two regulatory districts will be two weeks shorter than last year's because of reports of low bird populations from Parks and Wildlife Department field personnel.

Only one regulatory district -- the Oak Prairie along the lower reaches of the Guadalupe and Brazos Rivers -- was given a longer season than last year. It was increased by two weeks, and will be Nov. 13 through Feb. 15.

A dry early spring, followed by heavy rains and some flooding through the summer teamed up to cause erratic nesting conditions for quail in most areas. This caused widespread late nesting and late hatches.

In the Permian Basin Regulatory District the Dec. 1-Feb. 15 season is two weeks shorter than in 1970, and the 12-bird limit is three less than in 1970. Possession limit also is down from 45 birds to 36.

The season is also two weeks shorter in the Possum Kingdom district in the North Central portion of the state. Its season and bag limit are the same as for the Permian Basin.

Districts which have two weeks later than last year's season are the Edwards Plateau, Panhandle, Northeast Texas, Trinity-Brazos and Southeast Texas. They are all Dec. 1-Feb. 15, with bag and possession limits at 12 and 36.

In the South Central District, the season is also two weeks later than in 1970, from Nov. 13 through Feb. 15. Bag and possession are 12 and 36. The Trans-Pecos district season will also be Nov. 13-Feb. 15, but with bag and possession limits at 12 and 24.

The commission's action on the quail seasons applies only to counties under the commission's regulatory authority. However, there are some exceptions even in these counties, and some quail seasons are subject to commissioners court approval.

Counties not under regulatory authority have their seasons set by the Texas Legislature. As in the past, the season is closed on Mearns' quail, or fool's quail, in all counties west of the Pecos River.
