THURSDAY, JULY 6, 1972

COLOR GUARD LEADS PARADE...The Marine Color Guard from Lubbock led the annual Fourth of July Parade through Muleshoe Tuesday afternoon. A slow rain that had been falling intermittently throughout the day stopped as the parade started to make parade watchers and participants happier. Both Main Street and

First Street were lined with enthusiastic parade watchers who had come to Muleshoe for the all-day July 4 activities. The day started off with a ride-in breakfast at the Muleshoe Airport and ended with a gigantic fireworks display at the football stadium that night.

July 4 Celebration Draws Huge Crowd

★★★★

Little League All-Stars Named Friday

Local boys named to the Muleshoe Little League All-Stars this year included: Doug Fowler, Marcus Beaversdorf, Mike Windham, Billy James, Danny Wilson, Mark Washington, Billy Vinson, Joe Don Praher, Mike Griffin, Dean Northcutt, Dickey Sudduth, Johnny Estep, Mark Phipps, Rayburn Wenner and Mark Foster, alternate.

Manager of the All-Star Team will be George Washington and the coach will be Elvis Powell.

The boys were named Friday night after the final game at Roger Miller Park.

Plans Final For Olympics

The West Texas AAU Junior Olympic Track and Field Championships, scheduled for July 8, 1972, at Bulldog Stadium, Borger, Texas, is creating good interest throughout the West Texas District.

The Borger Chamber of Commerce announced today that the deadline for entry forms has been extended to 5:00 p.m., July 6, 1972. This extension of the deadline was made in order to accommodate people who are involved in the July 4 holiday.

Officials of the West Texas Association will be in Borger on Friday night before the Meet and will be available at the Stadium on Saturday morning to process application blanks for individual memberships in the West Texas AAU.

Mr. E.J. Webb, Meet Director, announced today the pre-Cont. on Page 2, col. 6

Rain Cancels Air Shows, Has Little Other Effects

Intermittent rain and cool temperatures had little effect on the huge crowd attending Muleshoe's annual Fourth of July Celebration Tuesday.

There was a good crowd out early for the Jaycee sponsored ride-in breakfast at the airport beginning at 7 p.m.

Most of the air show activities were cancelled due to the heavy, low overcast and slow rain that fell for the most part of the day. The Babe Ruth double header against Morton was also rained out.

The Needmore to Muleshoe Pony Express race was another early event with the Needmore Outsiders outriding the Muleshoe Roping Club.

Ed Nuetzler held on to his World Champion Mule Shoe Pitcher title by defeating second place winner, R.L. Scott. Patty Pena, 16, was named the winner in the women's division.

Next on the agenda for the day was the kid's activities including several kid oriented contests.

Winning the target shooting contest was Shellie Dunham, first, daughter of Mr. and Mrs. Jack Dunham; Cecil Mardis second, son of Mr. and Mrs. Fred Mardis; and Russell Ham, third, son of Mr. and Mrs. Duane Ham.

In Archery, Royce Clay, son of Mr. and Mrs. Royce Clay, won first and Benny Pena, son of Mr. and Mrs. Benny Pena won second.

Winner of the Girl's Side-Walk Skate Race was Tina Landers, daughter of Mr. and Mrs. Cecil Landers.

In the boy's bicycle race, Terry Coleman, son of Mr. and Mrs. Julian Coleman, won second; Terry Burton, son of Mr. and Mrs. Alton Burton; and Royce Clay, son of Mr. and Mrs. Royce Clay, third.

Stephanie Brantly won first in the girl's bicycle riding. She

is the daughter of Mr. and Mrs. Curby Brantly, second place winner was Brenda Clay, daughter of Mr. and Mrs. Royce Clay; and third place winner was Tina Landers, daughter of Mr. and Mrs. Cecil Landers.

Terry Coleman won first in the bicycle trick riding contest; Royce Clay, second; and Curby Brantly, third.

In the girl's yo-yo contest, Stephanie Brantly won first and Brenda Clay, second.

Royce Clay won first in the boy's yo-yo contest and Curby Brantly and Terry Coleman took second and third places.

Stephanie Brantly won the jump rope contest with Tina Landers placing second and Barbara Goodman, third.

In the sack race, junior boys, Wade Ham, first; Chucky Lynch, second; and Ricky Rasco, third.

In the senior boy's sack race, Johnny Estep won first; Paul Faver, second; and Benny Pena, third.

At 2 p.m., the Bailey County Old Settlers Reunion was held in the Methodist Fellowship Hall with over 125 present.

Some of the pioneers and former Muleshoe residents traveling the longest distances were Mr. and Mrs. Daiton Beardon of Dancouver, Washington; Mr. and Mrs. Clifton Cont. on Page 2, col. 1

Men's Softball League Will Re-organize

The Muleshoe Men's Softball League will have a re-organizational meeting on Thursday night, July 6, at 8:30 p.m. at the Corral Restaurant.

It is necessary that at least one representative of each team be there to help make plans for the season which is to begin the week of July 10.

The Men's Softball League will play its games at Roger Miller Park and Diel Field again this year, if there is sufficient interest and enough teams can be formed, according to League President Eugene Howard.

City Council Will Hold Open Meeting Jr. Rodeo Names Top Competitors

The Muleshoe City Council will hold an open meeting Thursday night, July 11 at 8:30 p.m., in the council chambers of the Muleshoe City Hall.

The purpose of the open meeting will be to discuss and find solutions to problems encountered with the new parking ordinance now in effect in Muleshoe. Interested citizens are urged to attend.

4-Hers Qualify For State Horse Show

POST...The top 20 4-H horsemen in Extension District 2 qualified here Wednesday, June 28, to compete in the State 4-H Horse Show slated for July 19-22 in San Antonio.

The annual event, held this year at Post's Stampede Arena, had as its superintendent Leo White, county agricultural agent from Yoakum County. Judges were Tommy Buckner of Hereford, William R. Murrell of Gruver, Billy Reager of Stanton and Robert Henard of Lovington, N.M.

The show attracted 165 contestants from throughout the South Plains area. K'Lynn Boyer and Dianne Woodul tied for high point individual honors, while Floyd County scored the most points as a team.

The grand champion mare was exhibited by Ginger Henderson, 17, of Floyd County, and the reserve mare was exhibited by her sister, Mona Henderson, 12. Cont. on Page 2, col. 4

Results of the Muleshoe Junior Rodeo held here Friday, Saturday and Sunday are as follows:

CROPS HAILED OUT...This picture taken near Sudan shows the intensity of the severe hail storm that moved through this area Sunday night and Monday morning. Heavy rains accompanied by damaging hail and high winds struck several portions of the panhandle and south plains regions. Several funnel clouds were also reported in the area of Lazbuddie, Earth and then moving on to Olton, Halfway and Plainview. A large portion of the cotton crop in the Sudan area was hailed out. Many of the fields as well as roads were underwater for several days in the area.

Gospel Music Spectacular Set For July 8 In Clovis

The First Annual Sundown to Sunup Gospel Music Spectacular will be held Saturday, July 8, in Williams Stadium in Clovis in honor of Otis (Pop) Echols, Sr. All proceeds will go to help retarded children.

Beginning at 6 p.m., and lasting until 8 p.m., will be the amateur talent contest. All area singers are urged to enter with the winner receiving a free recording session and 500 free albums, courtesy of the Stamps Quartet. They will also win the right to compete in the national contest where the winner there will receive a free recording contract.

From 8 to 9:30 p.m., there will be semi-professional talent and group singing.

Miss Ford Country To Visit Muleshoe

Miss Ford Country, Sandy Lankford, will visit Muleshoe on July 13. She will be making a personal appearance at the Earth Rodeo that day.

Sandy has been traveling the State of Texas wearing the specially designed Ford blue western outfit representing Ford Dealers at rodeos, civic events and personal appearances. In addition to her personal appearance schedule, Miss Ford Country has been featured in Ford Dealers' radio and television commercials as well as newspaper advertisements and billboards throughout the state.

Besides her title of Miss Ford Country, Sandy is the reigning Miss University of Texas at Arlington. A junior physical education major, she is also a member of the Tri Delta sorority. At the university she has been a varsity cheerleader, a school favorite and Reville Beauty of 1970.

Past honors held in her hometown, Graham, Texas, include FFA Sweetheart, Homecoming Queen and Possum Kingdom Roundup Rodeo Queen.

Beginning at 9:30 will be the parade of professional groups starring J.D. Sumner and the Stamps Quartet of Nashville, Tenn.; James Blackwood and the Blackwood Brothers Quartet from Memphis, Tenn.; Hovie Lister and the Statesmen from Atlanta, Ga.; and the Four Gallies from Dallas.

The Governor of New Mexico has proclaimed July 3-9 as Gospel Music Week in New Mexico.

Clovis Mayor Chick Taylor declared July 8 as Pop Echols Day in Clovis.

Advance tickets are now on sale at Phillips Music and Hi-Tone Music stores, Montgomery Ward in Clovis and Clara's Spur Restaurant in Texico. Tickets are \$2 for adults and \$1 for children in advance and \$2.50 and \$1.50 at the door. Amateurs are urged to participate. Cont. on Page 2, col. 3

Textbooks Available Now For Inspection

A detailed list of textbooks and publishers for adoption by the Muleshoe School System is now on file at the office of the Superintendent.

Textbooks adopted for this list will become available for distribution to Texas school children for the school year beginning September 1, 1973.

Local school officials may choose one or more of the textbooks adopted for each subject, which means that final decision as to the specific texts that will be used in each school system will be made by local selecting committees and local boards.

A multiple list of textbooks for kindergarten subjects include the following categories: Language (Library or Media) Center, Block Building and Manipulative Activity Center, Homemaking Center, Outdoor Activity Center, Science Center, Art Center, Music Center, and

Woodworking Center. Elementary Subjects include multiple lists of supplementary readers for grades four, five

and six, basal readers for grades four, five and six, history textbooks for grade five, American history textbooks for grade eight, and Civil Government (Citizenship) textbooks for grade eight.

High School subjects include multiple lists of textbooks for World Geography Studies, American History, Civil Government, Economics, Trigonometry, Homemaking, Business Education, Beginning Typewriting, Advanced Typewriting, Health Education I, Health Education II and Advance Physiology and Hygiene, Vocational Industrial Education, Graphic Arts Trade, French Level IV, and German Level III.

The list is available for public inspection and review.

BEST PARTICIPATING MERCHANT...Main Street Beauty Shop was chosen Saturday as the Best Participating Store in the annual Sidewalk Sale. The presentation was sponsored by the Muleshoe Chamber of Commerce and Agriculture and the selection was made by the Muleshoe Jaycee-Ettes. Pictured left to right are Creston Faver, Lou Knowles, Bernice Holderman, Josie Gonzales, Naomi Owen and Marie Lamb. Employees not pictured are Mary Lou Taylor and Evelyn Cunningham. Mae Provence of Cobb's Department Store was named the Best Dressed during the Sidewalk Sale.

July 4...

Cont. from Page 1

Lewis, Longview, Washington; Vivian Lewis of Medford Oregon; Ace Bearden, Wahsougai, Washington.

Former school teachers, Mr. and Mrs. W.C. Cox of Winnsboro, Texas and Irene Bradley of Oklahoma City, were also recognized.

Special music was provided by Jack Canada and the Needmore Singers. Tani Murrah presented the Pledge of Allegiance and Bill Moore gave the invocation.

Guest speaker was Corky Green.

New officers elected were Cecil Davis, president; John Blackman, vice-president; and Mrs. Gordan Murrah, secretary-treasurer.

The benediction was given by

Charlie Pruitt. W.L. Key of Amherst was recognized as being the oldest present. Beaver's Flowerland presented a single flower to all those over 70 attending the reunion.

Beginning at 4 p.m. was the annual parade in downtown Muleshoe.

The Lamb County Sheriff's Posse won the overall excellence award and the first place award for riding clubs. Second place winner was the Friona Riding Club and Bovina Riding Club winning third.

Allan Guinn of Muleshoe won the trophy for the antique car division.

Best dressed cowboy and cowgirl awards went to Starla Black, daughter of Mr. and Mrs. Ronnie Black and Dickie Hunter, son of Rev. and Mrs. H.D. Hunter.

After the parade, the participants were served free bar-

beque with the beef being donated by Chow-Tex Feed Lot. A family picnic was held at 6:30 p.m. at the football grounds followed by an exhibition by the Amarillo Gunfighters at 9 p.m. and the annual fireworks display at 10 p.m.

Spectacular...

Cont. from Page 1

Participants and must register before the performance Saturday at Hi-Tone Music Store, 1614 Main, Clovis. Semi-professional groups should also register Saturday.

All interested persons over the area are urged to attend and or blankets to sit close to the bandstand or sit in the bleachers.

The bill-paying habit is expensive.

4-H...

Cont. from Page 1

They are the daughters of Mr. and Mrs. Deanie Henderson of Lockney.

Owner of the grand champion was John Bill Hedrick, 10, son of Mr. and Mrs. J.L. Hedrick of Post. Gregg Taylor, 13, son of Mr. and Mrs. Joe Taylor of Lockney, exhibited the reserve champion gelding.

Showmanship winners were Melvena Stewart, 18, of Post, daughter of Mr. and Mrs. Melvin Stewart, and K'Lynn Boyer, 12, daughter of Mr. and Mrs. Jerry Boyer of Lamesa.

In the western pleasure competition, Mona Henderson and K'Lynn Boyer came out first and second, respectively. Brad Smith, 18, son of Mr. and Mrs. Gene Smith of Ralls in Crosby County, won first in reining, and was followed by Del-

sey Cooper, 15, daughter of Mr. and Mrs. Bobby Cooper of Lubbock.

In the timed events, Diann Woodul, 12, came away with first place in pole bending. She is the daughter of Mr. and Mrs. Arvis Woodul of Lamesa. Second in the pole went to Dale Mitchel, 16, daughter of Mr. and Mrs. W.G. Mitchel of Coahoma in Howard County.

In the barrels, Joanne Whitehead earned the right to represent her district in the State Horse Show by having the district's fastest time in that event. The 14-year-old Cochran County 4-H'er is the daughter of Mr. and Mrs. James Whitehead. Second best time in the district belonged to Denise Johnson, 13, daughter of Mr. and Mrs. L.N. Johnson of Lockney.

The five first place performance winners, along with the four top halter horses will compete at state. Other 4-H'ers who did

not win any events but scored enough points to qualify for state competition are: Sam Fortenberry, Floyd County; Cynthia White, Lynn County; Brenda Boggan, Gaines County; Ken Weise, Hale County; Randy Courtney, Scurry County; Brenda Mote and bill Pearson, Swisher County; Claudia Swann, Borden County; LuAnn McMurtry and Brenda Payne, Briscoe County; and Delsey Cooper, Lubbock County.

Olympics...

Cont. from Page 1

liminaries for the running events will begin at 10:00 a.m. on Saturday, July 8. The finals for the field events will also begin at 10:00 a.m. The finals for the running events will begin at 3:00 p.m. July 8.

Special interest to track fans throughout the West Texas area will be a "special" 220 yard race, Randy Lightfoot and Tim Son of Plainview, both well known track figures, will be two of the participants. Borger Texas' Willie Johnson will also be running in this special event. Invitations have been extended to other outstanding dashmen to participate in this race. This Meet will serve as a qualifying meet for the Region IX AAU Junior Olympics Meet to be held in San Antonio, Texas, on July 22, 1972. The first two finishers in both the intermediate and senior divisions will be qualified to enter the Region IX Meet. From these contestants will qualify for the National Meet to be held in Spokane, Washington, on August 15-18 of this year.

HOT, HOT PANTS

New Orleans—U.S. customs agents had to turn back a shipment of 10,000 pairs of "ladies disposable paper panties" seeking entry at a Gulf Coast port because they didn't pass the Flammable Products Act requirements.

Election Costs of Last Two Primaries

It costs anywhere from \$4.83 to 36¢, depending on where you lived, to cast a vote in the two recent primary elections,

Screwworm Total Hits Weekly High

MISSION---Last week was the worst in the history in the 10 year old Screwworm Program, Mission Lab officials gloomily announced Tuesday.

Texas was hit with a soaring 3,879 cases, nearly 900 more than the previous record of 3,023 established the first week of July, 1962.

The surging caseload bore out the predictions of an unjovial Dr. M.E. (Cotton) Meadows, program director, who warned two weeks ago that an unexpected drop in the count--the first after 11 successive weeks of increases--was probably only temporary.

"Weather conditions hadn't changed that much so I felt sure it was strictly a fluke," he commented, "but I didn't think it would climb so high so fast."

The biggest day was Monday with 1,019 cases, the smallest was Wednesday with 416.

Texas' 1972 total is now 16,196, second only to the 49,484 cases of 1962.

The voracious fly struck in seven new counties to raise that count to 162. The newcomers were Childress, Crane, McLennan, Oldham, Palo Pinto, Swisher and Wichita.

Arizona's worsening situation continued to become just that as 50 more cases there raised the 1972 figure to 166. New Mexico had six more outbreaks and now has 24 cases for the year. Two more cases from Oklahoma were the first there since May 10 when the first case in nine years was confirmed in Jefferson County. The new cases were in Cotton and Comanche Counties in southcentral Oklahoma.

California's modest outbreak remained at two cases where it has stood for several weeks.

The five-state figure through the last Friday (June 23) rests at 16,391 cases, the Lab reported.

Secretary of State Bob Bullock said Thursday.

"Some county chairmen simply managed a thrifter, better organized election," Bullock said, "while others spent the maximum amount authorized. In many of the latter instances, a county may have been allowed 400 voting machines, for example, but looking at the situation more realistically, half as many machines probably would have done the job."

Bullock said that the per voter cost was higher for Republicans than for Democrats. "That's only logical, though, since there are fewer Republicans."

Average costs per voter were figured on the basis of the largest vote-getting race. That was the gubernatorial race in both parties.

The \$4.83 total was what it cost Texans to pay for the Republican primary elections in El Paso County. El Paso County Democrats' per voter cost ran 50¢.

In Travis County (Austin), on the other hand, it cost 36¢ per Democratic voter while the Republican individual vote tallied out at \$2.50.

"The wide variations indicate that some county chairmen were simply better organized. I compliment those county chairmen who recognized the need for frugality in conducting our primaries."

"These figures have reaffirmed our belief that single polling places (for both parties), with the primaries financed through the county clerk's office, would be a positive step toward reducing our primary election costs," he said.

Rodeo...

Cont. from Page 1

exander and in the Junior Division, Vicki Snodgrass was named best All-Around.

These four received buckle trophies and the first, second, third, fourth and fifth places received rosette ribbons.

The mistake some businessmen make is in preparing for business they hope to get while neglecting the business they already have.

What this seal means to us is important to you.

At first glance, it's only a membership seal. It tells you we belong to the National Automobile Dealers Association, the official organization of dealers who sell and service new cars and trucks.

But it means far more -- to us and to you. It means that we subscribe to the N.A.D.A. Code of Business Practices. This code is our pledge to you that we maintain the highest standards of ethical business practices at all times, in all transactions.

You can depend on the dealer who displays the N.A.D.A. seal. What it stands for is never taken lightly, for your sake as well as ours.

N.A.D.A. CODE OF BUSINESS PRACTICES

- * To advertise our products honestly, avoiding any claims or statements which could be misleading to the public.
- * To price our products fairly, offering a reasonable allowance for used vehicles we take in trade and charging a reasonable amount for new and used vehicles we sell and service.
- * To thoroughly inspect and service our new vehicles before delivery, and to follow up with the warranty work necessary for customer satisfaction.
- * To conduct our service department operations in a way that will assure quality workmanship and full value received.
- * To do everything possible to reflect credit on the automobile industry and enhance our own reputation in the community.

Muleshoe Motor Company

ART SHOW WINNERS...Winners in the Muleshoe Art Association Art Show are, from left, Blanche Lenderson, Pauline Jamison, Lillian Smith, Marie Lenau, Syble Ericson and Beth Watson. Other winners not pictured are Rhetta White and Elizabeth Black. The painting in the foreground by Beth Watson won the Muleshoe State Bank award of \$100.

Art Assn. Announces Winners Of Art Show

Rod Parkenson, instructor of art at Texas Tech University, judged the annual Muleshoe Art Association exhibit on Friday afternoon at 3:30 p.m. The awards were presented in a ceremony held at 4 p.m. on Tuesday, July 4, to the following: Muleshoe State Bank award of \$100, Beth Watson; first place of \$75, Rhetta White; second place of \$50, Blanche Lenderson; third place of \$25, Syble Ericson; membership award of \$25, Lillian Smith; fourth place Art Loft framing award of \$25, Pauline Jamison; fifth place Higginbotham-Bartlett Lumber framing award of \$25, Elizabeth Black; and Williams Bros. Office Supply merchandise award of \$15, Marie Lenau.

Parkenson stated that "in the remaining entries there were so many good qualities in so many needed recognition that 15 honorable mention awards were presented. Each honorable mention entry had a different quality and style of work that

needed some recognition." Honorable mention ribbons went to Arlene Phelps, Lynn Campbell, Blanche Lenderson, Lillian Smith, Inez Bobo, Elsie McMillian, Lucy Lewis, Mattie Hicks, Ruth Hammock, Beth Watson, Barbara Carpenter, Mildred Williams, Rhetta White, Syble Ericson and Velma Davis. Special thanks from the Art Association goes to the Johnson brothers for donating the use of their building, the Southwestern Public Service for making electricity available, and the City Water Department for turning on the water in the building. "These businesses, in addition to Radio Station KMUL and the Muleshoe Publishing Company, who furnished publicity for the show, and the merchants who donated the awards, helped to make this a most successful show," reported Lillian Smith, a spokesman for the Art Association. "For these services we (the Art Association) are truly grateful," concluded Mrs. Smith.

Scouts Have Day Camp At Wild Life Refuge

The Girl Scouts of Muleshoe had Day Camp at the Wild Life Refuge the week of June 26 through June 30. Approximately 20 Brownies and Girl Scouts participated in the Camp.

Each morning the group met at the Scout Hut and the Leaders transported them by car to the Refuge. Upon arriving there each day, there was a

flag ceremony, with different girls being in the Color Guard each time. Upon being dismissed, the girls went to their units for the day's activities. Sherrell Rasco helped with all the songs and taught new ones to the Brownie unit.

Monday each person brought a Nosebag Lunch. Each unit cooked their lunch the rest of the week. The units were divided into four Kapers--Fire-builders, Cooks, Hostesses and Cleanups. These were rotated so that each girl learned to do each job.

Henry Stoneham and Monty Dollar from the Soil Conservation office came to the Refuge and presented a program to the Scouts.

Crafts were constructed each day or hikes were taken.

Wednesday night the junior unit girls spent the night at the Refuge. It was reported that they had an enjoyable camp out.

Anna Langley and Darlene Buckberry, representatives from the Lubbock office of the Caprock Council, visited the Day Camp on Wednesday.

Each day ended with a closing flag ceremony with different girls in the Color Guard than were in the morning ceremony. This gave each girl an opportunity to learn how to correctly handle and carry the flag. After the ceremony, the group returned to the Scout Hut to wait for their parents to pick them up.

Those attending in the Brownie unit were Starla Black, April Green, Jacinda Gleason, Donna Hawkins, Kristi Henry, Doyla Hight, Laura Leal, Terrie Martin, Sondra Parker, Denese Peterson and KayLynn Prather. Leaders were Joan Green, Mrs. Ronnie Black, Mrs. Odell Rasco, Mrs. Don Martin and Sherrell Rasco.

In the junior unit were Beverly Copeland, Linda Nowlin, Brenda Parker, Sally Lunsford, Angela Davis, Shelly Hawkins, Glenda Rasco, Terie Wilemon, and Rhonda Parker. Leaders were Mrs. J.O. Parker, Mrs. Alton Parker, Mrs. Joel Nowlin and Mrs. Sherry Stevenson. Lisa Black, Ricky Rasco, Benny Parker, Robert Nowlin, and Charles Martin were papooses that came with their mothers.

Mrs. Robert Lunsford served as Day Camp director and Mrs. Don Martin was the assistant. Joan Green was the registered nurse.

The Scouts express their appreciation to Bert Blair and his staff for their help during the Day Camp as well as others who helped make the Camp possible.

A History Of Bailey County Pioneer Families

EARLY DAY CENTURION...M.D. Marsh, grandfather of Mrs. Carl Evans, is pictured in 1917 at the age of 107. Marsh, a veteran of three wars with no wounds, lived to the age of 114 without having glasses or false teeth.

Mr. and Mrs. Carl Evans

Mr. and Mrs. Carl Evans arrived in Muleshoe on October 1, 1925, moving to Muleshoe from Littlefield. The first residence for the Evans was a tent which they lived in for a month before moving to Y L. The Harry Wiltedings were the Evans' neighbors at Y L.

Carl Evans was born in Dardnell, Arkansas, January 26, 1895, later moving to Oklahoma, New Mexico and then Texas. Mrs. Evans, the former Mary Marsh, was born in Hill County, Texas, in November of 1896. The couple was married in Lubbock on November 1, 1914. They have seven daughters, Oleta Hamlin, Jerry Yonaka of Tuscon, Mary Jane (Sunshine) Thurmond of Jacksboro, Josephine Holmes of Plainview, Dorothy Morton of Edinburg, Athalee McKillip of Amarillo and Ivydell Curtis of Big Fork, Montana. The Evans also have 24 grandchildren and 25 great-grandchildren.

When first moving to Muleshoe, Evans worked for the Rice Construction Company, helping to build Mary DeShazo School and the jail part of the Courthouse.

Evans recalls riding the first train from Texico, N.M. to Lubbock. "The train was one hour and 40 minutes late because of tossing off ties between Texico and Littlefield. The conductor said, 'Grab your hats, we're going to Lubbock.' We made up one hour's time between Littlefield and Lubbock. It was the roughest ride I can remember. I'd rather ride a pitching mule."

The Evans remember the Muleshoe area receiving 14 inches of snow on April 7, 1936, and 10 inches on Thanksgiving in 1930.

The Evans also recall "Mr. Shofner wading waist deep in ice water to retrieve the first goose he every killed."

Evans said that the first meal he ate in Texas was a hamburger and a cup of coffee with Blondie Puckett, who was in Lubbock then.

This is one in a series of historical biographies of Bailey County pioneer families who arrived prior to 1930.

COW POKES By Ace Reid

"Naw, it wasn't the big flood, er the locust plague, drought or the hydrogen bomb that caused the most damage, it wuz the feller that invented the check book."

From The Journal Files 30 Years Ago

Saturday night, July 4, Mr. and Mrs. E.J. Calloway Jr. entertained a number of friends with a party at their home. It was a festival of masqueraders, with girls in long dresses, boys in spurs and chaps, and others dressed otherwise. Numerous games were played and enjoyed, and cookies and lemonade were served to the following:

Odell and Etoile Holley, Gordon and Ada Murrah, Cowan and Laverne Hutton, Joe Smith, Imogene Hutton, Carol Dean Black, Mable Thomas, Alred Hicks, Mary Frances Farley, Duane Holley, Maurine Malby, Junior Dilli, Mattie Hogan, Jack Hicks, Evadna Holley, John Farley, Dean Thomas, Sidney Callaway, Mary Margaret Gulley, Jeanne Hogan, Dorothy Murrah and the host and hostess.

10 Years Ago

Mr. and Mrs. W.B. Wagnon Jr. and family left July 5 for a two week trip around the Conchos River.

The Wagnons have taken this annual family fishing outing for six years and before that, Betty and June took the trip since their marriage.

This is the time of year cute things look cuter.

Your Child

Dr. C.L. Goodpasture
D.C.

Many parents ask: "Do you think you could help my child? Her appetite is so poor and she gets cold so easily." Many people are of the opinion that "Children's diseases" are from different from those of the adult. In reality there is little difference the child's body is the same functionally as the adult's. You were once a child.

A child, as a rule makes about the best patient... mainly for the reason that he has not carried nerve interference as long and since his body is in the formative stage will respond better and more quickly than the adult.

It is only sound reason that if Chiropractic will work for one person (adult) it will work for another (child). The principle is immutable; and is applicable to any condition. As we have said before, Chiropractic is good for any part of the body which nerves supply, and nerves supply every part.

It is very well worth your while to have your children checked by a Chiropractor if there is any suspicion of disease of lack of ease in the body. For the sooner the block to that vital life energy is removed, the less damage will be done and the quicker the response.

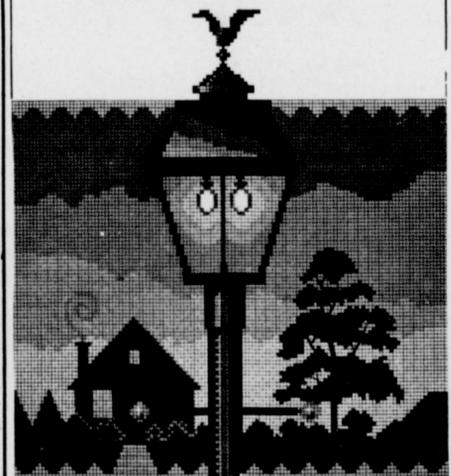

Your Chiropractor will welcome you and your children in his office, for a healthy generation will make a better nation.

By Dr. Goodpasture
1538 American Blvd.

BEST DRESSED...Mrs. Mae Provence, an employee of Cobb's Department Store, was named the best dressed participant in Saturday's Sidewalk Sale. Mrs. Provence is being presented a plaque by Creston Faver on behalf of the Muleshoe Chamber of Commerce and Agriculture, sponsors of the event. The winners were chosen by a committee of the Jaycee-Ettes as they visited the Sidewalk Sale.

A
GAS
LIGHT
gives a little feeling
of HOME to your house

... adds something to its personality... feels friendly when you return home at night or guests come over. A gas light casts a gentle glow that doesn't attract insects and adds a touch of safety that can make you feel a little more secure and sleep a little softer. And for lasting beauty, it's crafted from rust-free aluminum.

Call Pioneer Natural Gas Company or ask a Pioneer employee you know about an outdoor gas light.

It's a touch to your home...
you'll like the feel of.

PIONEER NATURAL GAS COMPANY

HOBBY CLUB DISPLAY...The Muleshoe Hobby Club arranged a display in the community room of the Muleshoe State Bank for viewing on July 4. Items displayed included rock, hobby and bottle displays, gifts, hand painted china, quilts, barbed wire display, antiques, driftwood, hand carved wood, decalitte, and a miniature windmill made by Vernis Snyder.

Theories are good if they work. Few can resist gossip or flattery.

John Tower United States Senate COMMITTEE ON ARMED SERVICES

RURAL DEVELOPMENT ACT UNDER CONSIDERATION IN THE SENATE.
I am pleased that the Senate has taken action on a bill which can prove to be very beneficial to the rural areas of Texas and the nation.

For many years we have seen a trend of people moving from the rural communities of America into the already congested areas of the cities. A major cause of this movement is the lack of jobs available and the lack of adequate financing to promote new business interests in the rural areas.

Our challenge today is to prevent the hundreds of smaller towns from becoming even smaller; to help them begin growing instead of decreasing in population each year. A large number of these smaller communities will be eligible for assistance under the proposed Rural Development Act of 1972.

A major necessity for growth in a small community is the development of new businesses and opportunities for business expansion, as well as improved financial assistance to the vital agricultural economy.

This bill would offer that assistance by providing funds to all types of eligible businesses and agricultural enterprises. It provides for an increase in farm operating loan limits to individuals from the Farmers Home Administration from \$35,000 to \$50,000. The bill also provides for loans to cities for water improvements. Needless to say, good water is a very important factor in promoting new business and industry, and is one of the basic necessities of any city.

Environmental aspects of rural living will also be improved by providing funds for conservation efforts and pollution control practices. We will improve the environment by making funds available to those agricultural-related firms which are required to adopt pollution control procedures.

Rural areas are excellent places to live, work and raise a family. They offer ideal conditions for industrial expansion as well as numerous attractions unavailable in the cities. Nevertheless, without proper facilities, this expansion is almost impossible. The Rural Development Act will make funds

available for these needed improvements which are so important in promoting rural growth potential.

SPACE SHUTTLE WILL REDUCE COST OF SPACE EXPLORATION
We have only one manned flight to the moon remaining in the current series. It will be quite awhile before we return there. But, we will go back, because we have more to learn for the benefit of all mankind.

In the decade of the Seventies, we will be conducting manned flights in close proximity to the Earth and will, as a consequence, be learning a great deal more about our atmosphere and the environment of our planet.

Development of a re-usable Space Shuttle is our next step. The Space Shuttle will enable us to do this exploration more often, with greater ease and at less cost than would otherwise be possible.

The Space Shuttle will give us routine access to Space, and offer substantial economies in Space operations. Satellites that are dead because of component failure can be retrieved, refitted and reflown. The Shuttle will also give us a rescue capability. It will further provide logistic support to orbiting space stations, bringing relief crews, fuel and consumables. Or it can be used as a spacecraft itself for multipurpose, short duration missions in what is called its sortie mode.

Rites Held Wednesday For Ellison

Wilbert A. Ellison, 61, of Muleshoe was dead on arrival at St. Anthony's Hospital in Amarillo about 8:25 p.m. Monday after suffering an apparent heart attack.

Ellison, en route to his daughter's home in Panhandle, stopped his truck when it caught fire about two miles from Panhandle. A Texas Highway Department employee found him, took Ellison to his daughter's home in Panhandle, and Ellison died in an ambulance en route to Amarillo.

Services were held at 2 p.m. Wednesday in Singleton-Ellis Chapel of the Chimes with the Rev. Doug DuBose, minister of the First Baptist Church officiating, assisted by Nelson Stark, minister of the Church of Christ in Panhandle.

Burial was in Bailey County Memorial Park.

A native of Crosbyton, Ellison had lived in Muleshoe for three years, moving here from Portales, N.M. He was a cowboy employed by King Feedlot near Muleshoe.

Survivors include his wife, Jewel; a daughter, Mrs. Don Cummings of Panhandle; two sisters, Mrs. John Dunn of Hereford and Mrs. Roy Hogard of Big Spring; a brother, Jimmy Ellison of Andrews; and two grandchildren.

The Space Program has been of significant benefit to Americans not only in scientific data that it has uncovered, and the understanding it has given us of our Earth and our universe, but also in the improvement of the movement of violent weather.

The Space Program has been of great benefit to this nation and will continue to be. The Space Shuttle is a very important part of the overall program and is necessary for its continued success at the least possible cost to the American taxpayer.

COTTON GROWERS MAY GET PROTECTION FROM ACCIDENTAL CROP LOSS.

I have introduced a bill designed to protect cotton growers against complete or partial crop losses due to accidental causes. In Texas, the time for planting cotton and the optimum time for spraying brush often come within the same period of weeks. The spray used to kill brush is naturally quite dangerous to new cotton plants, Wind drifts, accidental spraying of neighboring fields, miscalculating spraying equipment, and many other factors beyond the control of an individual producer, can result in the loss of a cotton crop.

Loss by natural causes is protected under the Agricultural Adjustment Act. Passage of my bill will provide the needed protection of yields from other accidental causes.

The struggle of today's farmer is very difficult indeed. Farm operations are expensive and the profit margins are small. One of the most important phases of a farm operation is the price support program. Many producers incorporate price supports into their complete yearly financial structure. These support payments are based upon the production of an individual tract of land, the rate of payment,

TOURIST OF THE WEEK... Tourist of the Week for the past two weeks is Dow Sherry, left, weatherman for KSAT, channel 12 TV station in San Antonio. He is welcomed to Muleshoe by Glen King, manager of the Muleshoe Chamber of Commerce and Agriculture, Sherry and his wife, Beth, acted as official parade marshalls at the annual Fourth of July Parade Tuesday afternoon. The Sherrys visited Muleshoe as official guests of the Chamber of Commerce and Agriculture. They are the parents of three children, Sharon, 20; Ronald, 18 and Lee, 16. Sherry is a retired Chief Master in the United States Air Force. He gives the weather for Muleshoe each day at 6 and 10 p.m., and commented that "when leaving off the Muleshoe weather after giving it for several weeks, he received over 100 phone calls from people wanting to know the weather in Muleshoe, so he has given it for the past two years."

and the number of acres devoted to a particular crop. If by accident, beyond the control of a producer, all or part of a cotton crop is lost, the yield, and in turn the price support payment, can be drastically reduced.

My bill would amend the Agricultural Adjustment Act to extend protection to include accidental losses. PROCESSORS LARGELY RESPONSIBLE FOR RISING FOOD

COSTS. The controversy over rising food costs has been tempered somewhat by the findings of the Price Commission during its recent hearings.

It was determined that price ceilings on raw agricultural products were not the answer to rising retail food costs. Because of these findings, a number of supermarkets have imposed their own price freezes.
