# **Council Discusses Delinquent Taxes**

The Muleshoe City Council met Tuesday morning at 8:30 a.m. in the City Hall.

Present at the meeting were Mayor Irvin St.Clair, Councilmen Clarence Christian, Alex Williams, Max King, City At-torney Don Cihak, City Man-ager Albert Field, Assistant City Manager John Martin, and City Secretary Mary Watkins.

The council approved an ordiance closing the north-south alley in Block 6, original town of Muleshoe. The alley is located behind the present site of the Muleshoe Motor Company. City Manager Albert Field asked the city council to draw

up an ordinance concerning livestock being kept within the city limits. The city has had one for years

but it has recently been lost

or misplaced. The old ordinance has not been strictly enforced since the expansion of zhe city limits.

Councilman Williams made the motion to adopt the ordinance and was seconded by Clarence Christian. The ordiance will now be enforced if a complaint is filed.

The council then discussed the policy of collecting deliquent taxes with the city attorney Don Cihak. John Martin presented some ideas on the problem. are approximately There \$28,000 in delinquent taxes at the present time.

The council decided that on February 15, delinquent tax notices will be mailed and if not paid by March 15, a list will be furnished to the city attorney and he will mail letters notifying the party that the city will file suit. Then if still not paid by April 15, the city will begin legal proceedings against

the party. The council then passed a resolution to pay Clowe and Cowan for wash water line and sprinkler line to the sewer plant,

### Missionary **To Speak** At Revival

A well known Southern Baptist Foreign Missionary, Dr. C.L. Culpepper, who first went to China in 1923, will be bringing the messages for a four day spiritual growth revival at the Trinity Baptist Church Sept. 24-27.

GRAND CHAMPION MARE . . . Tim Wheeler of The Progress 4-H Club showed the Grand Cham-pion Mare at the Open Play Day held Saturday, September 16, at the rodeo arena in Muleshoe. 4-H youths from several surrounding areas participated in the events during the day. Trophies and ribbons for the play day were donated by local Muleshoe merchants and individuals.

# School Board To Decide On **Feasibility Of Rodeo Club**

The Muleshoe Independent School District Board of Trustees met Monday night, September 18, at 8 p.m.

The board heard the current financial report and checked all fund balances as of August 31, 1972, which was the end of the 1971-72 fiscal year.

A tax collection report for 1971-72 was heard with 95,46 per cent of taxes being collected for the year.

The board then approved the payment of current bills and approved the borrowing of \$50,-000 for one month. This is necessary in order to meet the September payroll obligation. Current taxes cannot be collected until October 1 and state funds are not available until the last of September.

Members heard, a presentation by William J. Keaton, Executive Secretary, Tri State High School Rodeo Association. The board then heard requests by a delegation of parents for the school to sponsor a Rodeo Club. Following this there was

a question and answer session. The board tabled action until clarification can be made of eligibility rules, responsibility, supervision and libility.

A request for the Muleshoe High School Band to march in the parade at the Lubbock Fair on Monday, September 25, was

approved. School will be dismissed at 2:30 p.m. Monday, September 25, to allow students to attend the fair.

The board approved the request by the Fine Arts Booster Club to purchase a van truck from Jim Milner, for the pur-pose of hauling band instruments to contests and football games. The Boosters will purchase the van from their funds and give it to the school. The school will be responsibile for maintenance

and operation. The current enrollment report in comparison with last year showed that there were 24 less students in Senior High School with 575 being enrolled

in September of 1971 and 551 this September; Junior High has an enrollment of 456 this year compared to 455 last year; Mary DeShazo Elementary had 479 enrolled this year compared to

495 last year; Richland Hill Primary has 426 enrolled this year compared to 455 last year and there are 28 enrolled in Special Education this year with only 27 being enrolled last year. This makes a total of 77 less

> students this year. The board approved the request to dismiss school at 2:30 p.m. Friday, October 6, to allow teachers to attend the annual TAIR Reading Conference at Lubbock, The first general session starts at 2:45 p.m. Friday. The conference ends Saturday at noon. The school board recom-

mended guidelines concerning Consultation Agreements, as submitted by the Texas School Administrative Coordinating . Council, composed of represen-

During this observance, Sunday School will be held as usual at 10 p.m. Following will be a special church service at ll a.m. Speaking in this ser-vice will be Rev. E.L. Merriott, founding pastor of the church. There will be special signing by Lonnie Dee Merriott for this service.

A special service is planned

for September 24 in observan-

ce of the 25th anniversary of the

Calvary Baptist Church of Mu-

leshoe.

At the close of the morning worship service there will be dinner on the ground, After dinner is completed there will be a time of Gospel Singing and fellowship. These special services are scheduled to completed by 3 p.m.

a Everyone is welcome to come and join members of the Calvary Baptist Church in observing the 25 years of the church. CALVARY BAPTIST CHURCH OF Muleshoe, Texas, was o-rignally organized as the independent Baptist Church of Lazbuddy, Texas, on Sunday, September 22, 1946, with 15 charter members.

These members were: Frank D. Spitler, J. R. Harris, Mrs. J.R. Harris, B. Beasley, Della Spitler, Helen Beasley, Mrs. Deola Merriott. E.L. Merriott, O.D. Spitler, James R. Cont. on Page 7, col. 1

Harris, Bob Beasley, Bernice Beasley Frank Spitler, Jr., Lonnie Dee Merriott and Dorothy Spitler.

**Calvary Baptist Church** 

Frank D. Spitler, J. R. Harris and B. Beasley were appointed deacons, with Frank D. Spitwer as Chairman of the Board of Deacons, Mrs. B. Beasley was elected Church Clerk. Bro. E.L.

Merriott was called as pastor and accepted the call. J.R. Harris was elected as the first secretary and treasurer of the church. The following Sunday School Officers and Teachers were chosen with O.D. Spitler, Song Leader; B. Beasley, Superintendent; Dorothy Spitler, Secretary; Bro. E.L. Merriott, Teacher of Adult Class; Mrs. B. Beasley, Teacher of the Juniors: Mrs. J.R. Harris, Teacher of Beginners. At this meeting the church also voted to begin a building fund. The church held its first ser-

vice in the new church building on Sunday, January 26, 1947, after much hard work. The church building was located on the land of Rev. and Mrs. E.L. Merriott, between Clay's Corner and Lazbuddy. A deed for one acre of land in the S.W. Corner of W/2 of Sec. 13, Doud and Keefer, Parmer County, Texas, was presented to the church which indicated the land

CALVARY BAPTIST TO OBSERVE ANNIVERSARY . . . The Calvary Baptist Church of Muleshoe will celebrate its 25th anniversary with a special observance on Sunday, September 24. The church was first organized on September. Regular Sunday School services will be held at 10 a.m. with a special message being brought at II a.m. by the founding pastor of the original church, Rev. E. L. Merriott. Following this service there will be a dinner on the grounds.

# Double Ring Vows Read For Couple

The First Baptist Church was the setting for the Saturday evening wedding of Miss Karen Mayhugh and Richard Bomer.

Officiant for the double ring ceremony at 8 p.m. on September 16 was Rev. Glenn Harlan, pastor of the West Camp Baptist Church. Parents of the bride are Mr.

and Mrs. Charles Mayhugh. The groom's parents are Mrs. Louise Bomer of Muleshoe and James Bomer of Houston.

The couple stood before an altar decorated with a candle tree flanked by arrangements of yellow mums, red roses, and yellow, butterscotch and bronze pom pons accented with sea oats, wheat, cattails and autumn leaves. Seven branch candleabra holding honey gold tapers stood on either side of the floral arrangements. These in turn were flanked by fall arrangements.

Mrs. Ronnie Barrett registered the wedding guests preceding the ceremony.

A welcome to the wedding ceremony was extended to the guests from the couple in the form of a miniature scroll. These were given to the guests by cousins of the bride, Lisa Mison and Jennifer Williams. Musical selections were played by Linda Middlebrooks, organist, and Cassie Precure. pianist. A prelude of music before the ceremony by Miss M ddlebrooks included Schubert's "Serenade" and Back's "Prelude and Fugue in G Minor". Special slelctions were "Autumn Leaves' and "Summer of '42" by Miss Precure and "Ave Maria" by Miss Middlebrooks. The processional by organ and piano was "March from Aida"; the recessional, Bach's "Prelude in F Major". Attending the bride as matron of honor was Mrs. kalph Mc-Cain of Lubbock. Bridesmaids were Lee Ann Yerby and Linda Mason, cousin of the bride. They were attired in formal length gowns of autumn green crepe, featuring fitted bodices, scooped necklines and large standing, short puffed sleeves. They wore wrist length ecru gloves and each carried a brown tone rattan basket filled with straw flowers, cat tail, wheat and autumn leaves, accented with gold

and orange star flowers. Candelighter was Rance Williams of Tulia, cousin of the bride.

Serving his brother as best man was Robert Bomer of Okmulgee, Okla, Groomsmen were Mike Bomer, brother of the groom, and Tim York

THE LARRY

Presented in marriage by her father, the bride wore a formal length gown of white organza with an overlay of heavy Venise lace on the empire bodice with a scalloped edge outwining the square neckline. Lace caps accented the lantern sleeves which ended in deep lace cuffs. The gown featured a double sheer A-line skirt, A full length illusion Mantilla edged in matching lace flowed to a chapel length train. The bride carried a cascading bouquet of daisy cushion and ball type pom pon mums and yellow baby roses accent-

ed with English ivy, straw flowers and wheat. The bride wore a gold bracelet belonging first to her maternal great-grandmother and worn by all the brides in the family since that time. Attached to her traditional blue garter was the gold wedding band of her maternal great-greatgrandmother.

The reception was held in the home of the bride's grandparents, Mr. and Mrs. Vance Wagnon. Guests were greeted outside

the front entrance by the bride and groom and their mothers. Decorations outside the home were white satin streamers and bows attached to hurricane lights and tiki lanterns.

Inside, the bride's table was covered with a white heirloom lace cloth. The centerpiece was a candelabra centered with the bridal bouquet. The threetiered bride's cake was decorated with antumn leaves, English ivy, mums and ribbon and topped with a small arrngement of chrysantemums and silver bells. English ivy ringed the silver punch bowl. Serving at the bride's table were Mrs. Johnny St. Clair of Lub-

bock and Martha Jane Chapman. An autumn green crushed velvet cloth covered the groom's table which was centered with a silver compote filled with fall flowers. Chocalate cake, decorated with ivory frosting and Marazipan fruit, and coffee were served from silver appointments. Presiding at the groom's table were Mrs. Robert Bomer, sister-in-law of the groom, and Mrs. Tim York, sister of the groom.

Members of the houseparty were Mr. and Mrs. Vance Wagnon, Mr. and Mrs. Clarence Mason, Mr. and Mrs. James Williams of Tulia, Mr. and Mrs. Morris Douglass, Mr. and Mrs. Chester Yerby, Mr. and Mrs. W.M. Horton, Mrs. Buck Wood, Mrs. Robert Jones and Bill Jones.

For travel, the bride chose an ivory crepe dress with an inset waist and long full sleeves. The dress featured miniature tucks on the front and back of the bodice. She chose ivory and bitterscotch accessories. A corsage of pom mums and yellow roses accented with fall tones of velvet completed her ensemble.

Following a honeymoon to Red River , N.M. the couple will be at home in Okmulgee, Okla.

Mrs. Bomer, a graduate of Muleshoe High School, attended Texas Tech University and will continue her education at Oklahoma State Tech.

Bomer graduated from Muleshoe High School and is a student at Oklahoma State Tech. Out of town guests from Spearman, Shallowater, Midland, Houston, Tulia, Ft. Worth and Amarillo attended the ceremony. A rehersal breakfast was held

Saturday morning at the Corral Restaurant.

### Wedding Plans

#### Announced

Mr. and Mrs. J. M. Holloway of Lubbock announce the engagement and approaching marriage of their daughter, Cassandra, to Lowry Lee Lewis, son of Mrs. Noble Holt of Lubbock and Barry T. Lewis of Muleshoe.

The bride is a 1968 graduate of Monerey High School in Lubbock and Texas Tech University. She is presently teaching in Welch.

Lewis a 1969 graduate of Muleshoe High School, is a senuor accounting major at Texas Tech University.

The couple plans to be married December 29 at the Lubbock View Christian Church.

## **Reception Honors** Mr., Mrs. Gulley

Mr. and Mrs. Davis Gulley

were honored on their 25th wedding anniversary with a reception held in the community room of the Muleshoe State Bank on Sunday, September 17, from 2:30 to 5 P.M. Guests were registered by

Mrs. Eunice Crume of Farwell. Mrs. Gulley's sister. The couple's wedding picture was dis- Accepted In played on the registration table. The serving table was cover-

ed with a white net, felt appliqued cloth over white. A silver candelabra holding two white tapers and an arrangement of white daisies, mums and spider mums centered the table. The three-tiered, columned white cape was trimmed with white and silver and topped with a white bell and heart which were centered with a silver 25. A pink orchid was nestled between the columns. Cake, fruit punch, nuts and mints were served from silver and crystal appointments. Mrs. Eddie Wilson of Sudan and Mrs. Gary Little of Lubbock presided at

the serving table. The reception was hosted by the couple's sons, John, high school teacher at Midland, and James, a student at Texas Tech. Friends of the couple presented them with a silver tea ser-

### **Reading Certificates** Awarded At Assemblies 150 books(highest of all the

At assembly programs at three schools Tuesday reading certificates and awards were presented to all boys and girls who qualified by reading the required number of books during the three Summer months.

The highest reader in this years club program was Kevin Howard, third grade student at Mary DeShazo, and the son of Mr. and Mrs. Eugene Howard. In addition to his certificate and award ribbons, the Library presented Kevin with a book and pen for his reading achievement. Books were also

presented the highest readers from the other two schools. They are listed below with the number of books each read: Richland Hills; Abbye Kennedy, 105 books; Lori Stoud, 49 books, 105 books; Lori Stroud, 49 books; and Martina Valdez, 48 books.

Announcing the COMPLETE color TV! Zenith 25" SOLID-STATE

enough for mixture to bubble. The meal is complete with a salad and bread

Complete with every feature you want!

COMPLETE with new, brighter Chromacolor picture tube!

Now the famous Chromacolor picture is even brighter, even sharpe Because Zenith has discovered a way to enlarge the color dot area, while still illuminating every dot on a black background. The result: the brightest, sharpest giant-screen color picture in Zenith history!

#### COMPLETE with 100% solid-state chassis!

Zenith's new 100% solid-state chassis has no tubes to burn out. It's designed to set new standards of Zenith performance and dependability. Zenith Dura-Modules help make this possible. Each Dura-Module is thoroughly pre-tested, then securely positioned in the chassis. They are immediately accessible and easy to remove.

### COMPLETE with

tuning! If the viewer mistunes the color picture, all he has to do is simply ouch the Chromatic button . . the picture is instantly re-tuned. Chromatic One-Button Tuning provides automatic control of picture brightness, contrast, tint and color level.

#### COMPLETE with full one-year warranty! one-button Chromatic

If any Zenith solid-state color TV doesn't perform satisfactorily due to a manufacturing defect, the cost to replace or repair the defect, including labor, will be paid for by Zenith Radio Corporation. The labor to be performed by a Zenith dealer or servicing contractor. This guarantee covers a period of one year from the date of original consumer purchase of the set, and it applies only to the original consumer purchaser.

The picture tube is guaranteed against manufactur defects for two years from date of purchase, Labor to install the replacement tube is covered during the first year of warranty.

**One Year** Warranty

The warranty does not cover set installation, set adjustment of customer controls, or installation o repair of antenna systems.

#### Cont. from Page 1

belonging to the church as long as a Fundamental, Independent **Baptist Church remained active** there.

On Halloween night, October 31, 1952, a fire was reported raging in the church building. Men of the church worked all night putting it out and watching for new outbreaks. The united effort of themen soon repaired the building and services were again held in the church building.

In May of 1953 Rev. J.M. Moore was called as pastor. In July of 1953 the church purchased Lots 15, 16 & 17 in Block 45. Original Town of Muleshoe, on which to locate the church building. On October 2 and 3 1953 the building was moved and the pastor and his family were feted with a surprise shower and food pounding. On Oct. 11, 1953 the church voted to change its name from Independent Baptist Church of Lzdependent Baptist Church of Lazbuddy to CALVARY BAP-TIST CHURCH.

Rev. A.C. Graham succeeded Rev. J.M. Moore as pastor of the church in Feb. 1954. In Awas called as pastor due to the resignation of Rev. Graham, In April of 1954 the church decided to build a parsonage on lots adjoining the church and owned by the church. On August 4, 1954 the pastor and family moved into the newly completed parsonage. A new addition was added to the church building for Sunday School rooms in Sept. 1955. Rev. Jack Darrow followed Rev. Coffman as pator of the church in January of 1956. On Easter Sunday, April 21, 1957 the church recorded a record attendance of 103. Rev. Jack Darrow purchased song books for the church as a memorial to hsi mother. In 1957 the church began a weekly radio broadcast on KMUL. This year the church building was given a new face with fresh coat of stucco, Rev. J.M. Moore was recalled as pastor of the church following Rev. Darrow's resignation in March of 1958. (Rev. Moore was pastor of the church in 1953 when was moved into Muleshoe.) The church discussed moving the church building to the West part of Muleshoe in 1958 and in 1959 lots were purchased at 8th and Avenue C. On September 23, 1962, dedication ser-

vices were held in the new church building.

Rev. Wayland Murray was the floor space to provide adechosen to pastor the church on quate enclosed recreation for October 10, 1962 and in this year the children of the Children five new missionaries were adthe children of the Children's Center during inclement weatded. models. Nineteen different models to choose from.

(above) Caprice Coupe. Our new uppermost Chevrolet. Its luxury, comfort and quiet ride rival the most expensive cars you can buy

(below) Monte Carlo S Coupe, America's newest road car. With the handling of the finest European cars, and the looks and comfort of an American car.

New Nova Hatchback Coupe.

#### Look what we hatched

You know us for our little Vega Hatchback. Now dependable Nova has one. Which literally makes it half trunk with the backseat down. It's a feature as practical as Nova itself.

#### We've been thinking about your legs

One of the few things people asked us to improve in our popular Chevelle was leg room in the backseat. Well, your knees will be pleased with the '73s. There's almost 31/2 more inches in the sedans.

#### So what else is new

Naturally this is only a taste of what's new for '73.

Among other things, we're introducing larger gas tanks for longer cruising range, a new Exhaust Gas Recirculation system, a hatchback for wagons, and a highly refined flowthrough power ventilation system.

Plus a reading light for front seat passengers, improved suspension systems, engines that give you performance combined with gas economy, reclining seats and scores of dramatic styling changes.

We invite you to see it all at your Chevrolet dealer's.

'New, he didn't throw me - he wuz pitchin' so high I passed out fer need of oxygen!"

### **Oldsmobile Features 1973 Lineup**

LANSING, Mich.--Oldsmobile Division's 1973 lineup features

a new compact car, completely redesigned Cutlass models and a long list of engineering advancements. From its compact Omega to the luxurious 98 and Toronado, Oldsmobile spans the automobi-

le market with 27 models, two more than in 1972, All 1973 Oldsmobiles will be in dealer showrooms September 21. Following are highlights of the 1973 lineup:

OMEGA Oldsmobile's new entry, the Omega, is built on a lll-inch wheelbase and has an overall length of 197.5 inches. It is offered in three body styles ... a two-door coupe, a four-door sedan and a hatchback coupe that has a rear door that opens upward to reveal a flat carpeted load floor extending from the front seat to the rear end when the rear seat back is folded down.

rigidly mounted to meet new requirements. The bumpers protect the car's safety systems in front-end barrier impacts up to five miles per hour and rear barrier impacts up to 2.5 mph.

der and 350 V-8 four-barrel is optional. Other Omega options include power drum and power disc brakes, variable ratio power steering and Turbo Hydramatic transmission. CUTLASS MODELS

All intermediate Cutlass models have been completely redesigned for 1973. The design of these cars is new and contemporary, but still readily identifiable as Oldsmobiles.

tures seven models ... two Vista Cruisers, two Cutlass Supremes, one Cutlass 'S' and two Cutlass models. The F-85 nameplate has been discontinued. feature single seven-inch headlamps in place of dual lights. These single sealed beam units have more candle power on low

The new energy-absorbing front bumper meets the five mph barrier impact requirements. Grilles are hinged at the bottom and retract with the bumper during a low-speed impact. The Cutlass and Cutlass 'S' have rectangular pattern dual grilles, while the Supreme and Vista Cruiser have a dual ver-

nal lever. The 4-4-2 is optional on the Cutlass and the Cutlass 'S' colonnade hardtop coupes. The package includes a specific grille, hood louvers, side striping. hood and deck lid striping. The specially adapted suspension includes front and rear stabilizer

bars, higher rate springs and shock absorbers. Front disc and rear drum brakes are standard on all intermediates. Power brakes are optional on all models except the Vista Cruiser where they are standard. Variable-ratio

88's and 98's Sixteen models are offered in Oldsmobile's 1973 88 and 98 lineup, including a new addition...the Regency sedan. Introduced as a limited option on the 98 last year, the Regency has become a full-fledged model in 1973.

power steering is also optional.

Among the special features of the Regency are extra-luxurious interior trim and upholstery, a 60/40 front seat and a specific clock.

Design modifications are evident in all new 88's and 98's Hoods and fenders on these cars have been revised, and front end panels and parking lamps are new.

Also new is a hydraulic front bumper system with more impact-absorbing capabilities than last year's system. This bumper is built to protect the safety systems in a five mile per hour barrier impact in conformance with federal standards.

The 88's and 98's have new dual grilles that are hinged at the bottom and retract with the bumper on impact into the front end pane.

At the rear, the 88's have revised deck lids and rear quarters and new taillamps. A new rear bumper with integral vetical taillamps enhances the 98 models. Rear bumpers on the 88's and 98's are rigidly mounted and meet the 2.5 mph barrier impact requirement. All full-size models are equipped with power front disc

extensions, parking lamps, a grille and an energy-absorbing brakes, power steering and Turbumper. bo Hydra-matic transmission. a new bumper and new vertical taillamps that complement

The Delta 88 and Delta Rovale have the 350 V-8 two-barrel as standard, while the 98 and modified rear quarters and deck Custom Cruiser have the 455 V-8 four barrel. The 455 fourbarrel is optional on the Delronado is available with a speta 88 and Royale. cial Brougham interior trim TORONADO

are the same, just juggled around a bit. Didn't quite think we would see Oklahoma at the top of the heap, at least not this early in the season. Nor would we have figured Southern Cal and Tennessee to be so high so soon. That's football!

All the returns are finally in from the games of the September 9th weekend, and everything came up roses. Of 134 games, we had 110 winners, just 22 losers, and there were two ties. So...a fat .833 forecasting average starts off 1972. "roof' caves in very (The shortly!) Oklahoma goes after win num-

ber two, meeting Oregon in Norman. The Ducks may wish they'd stayed in bed...the Sooners are favored by 36 points.

On the re-bound after losing its opener to U.C.L.A., Nebraska will meet the Cadets of Army at West Point. The 9thrated Cornhuskers will probably give the Cadets a long afternoon...Nebraska to win by 34 points.

Top game of the day? 5th ranked Michigan plays 8th rated U.C.L.A. If the Wolvejines plan to redeem themselves for their Rose Bowl loss. this is the game. And if the Bruins are going to prove that their upset of Nebraska was not a fluke, this is also the game! So, with an extra-long peek at the crystal ball, we'll pick Michigan to win the big one by eleven points. Texas and Notre Dame are

both missing from the ratings of the Top 20 simply because they haven't played a ball game. The Longhorns will open their season with a 26-point win over Miami, and the Irish will just nudge Northwestern by 2 points.

JOURNAL

### Page 10, The Muleshoe Journal, Thursday, September 21, 1972 **Chevrolet Will Offer New Product Lines**

Chevrolet, which sells more cars and trucks than any other manufacturer in the world, in 1973 will offer three product lines that are completely new from the ground up...the Monte Carlo, the division's personal luxury car; and all-new Chevelle; and a completely restyled line of pickup truck, Chevrolet's first new pickup truck in six years.

The 1973 Chevrolets, featuring seven car series...from the top-of-the line Caprice to the versatile Vega...give America's automobile buyer the greatest choice of styling features and safety innovations ever offered in the division's 62-year history.

In the model year that just ended, Chevrolet broke its all time past sales record. Along the way new sales records were established for the Corvette, the Monte Carlo, the Caprice, the Nova, and Vega ... which gives some idea of the breadth of Chevrolet's current sales strength.

John Z. DeLorean, a General Motors vice president and general manger of Chevrolet, stated that "the '73 models are substantially improved in roadability, comfort and styling."

"In addition," DeLorean added, ' Chevrolet dealers are undertaking an all new service program, called Service Supremacy, which should result in a giant step toward better service.

"The addition of an improved product and improved service to the momentum built in the past year should guarantee a super year for Chevrolet in 1973.' he concluded.

The 1973 Chevrolet passenger cars and trucks are scheduled for public introduction on Thursday, September 21.

All told, Chevrolet will offer 47 passenger car models in '73, eight more than in the previous year.

The new Monte Carlo...one of the industry's strongest candidates for Car-of-the-Year honors...has outstanding handling and roadability characteristics. From its new impact resis-

tant bumper and new roofline to its sculptured taillights, the Monte Carlo has redesigned interiors, instrument panes and steering wheel.

Also new is an acoustically engineered double-panel roof while a power-operated all-metal sliding roof is optional. Another customer-plus is a

new 22-gallon fuel tank. The full-size standard Che-

vrolet ... the industry's top selling car...offers a new luxury series...the top-of-the-line Caprice Classic.

New styling and handling highlight, too, Chevelle for 1973 along with the introduction into the line of the Colonnade hardtop design. The Chevelle is offered in three series ... top-ofthe-line luxury Laguna, popular Malibu and a new base deluxe model.

In addition, the SS option is available on Malibu Colonnade hardtop coupes and Malibu station wagons.

Wheelbases for the Chevelle include 112-inch for coupes, and 116-inch for sedans.

At the same time, new names adorn Chevelle's wagon line-up including the Laguna Estate and Laguna; Malibu Estate and Malibu; and Deluxe.

Two and three-seat wagons are offered in all Chevelle series.

A new, improved Vega offers eight new exterior colors ... four exclusive to this car line. Four Vega models are the hatchback coupe, notchback coupe, Kammback wagon and panel express truck.

America's only production America's only production sports car ... the Corvette ... features evolutionary changes which include an impact-resistant front bumper, side guard beams, hide-a-way windshield wiper, a new air induction system for the engine, steel-belted radial ply tires and a new Turbo-Jet 454-cubic-inch V8 power plant.

Chevrolet in 1973 offers a wide variety of new colors. Availability includes 16 paints and

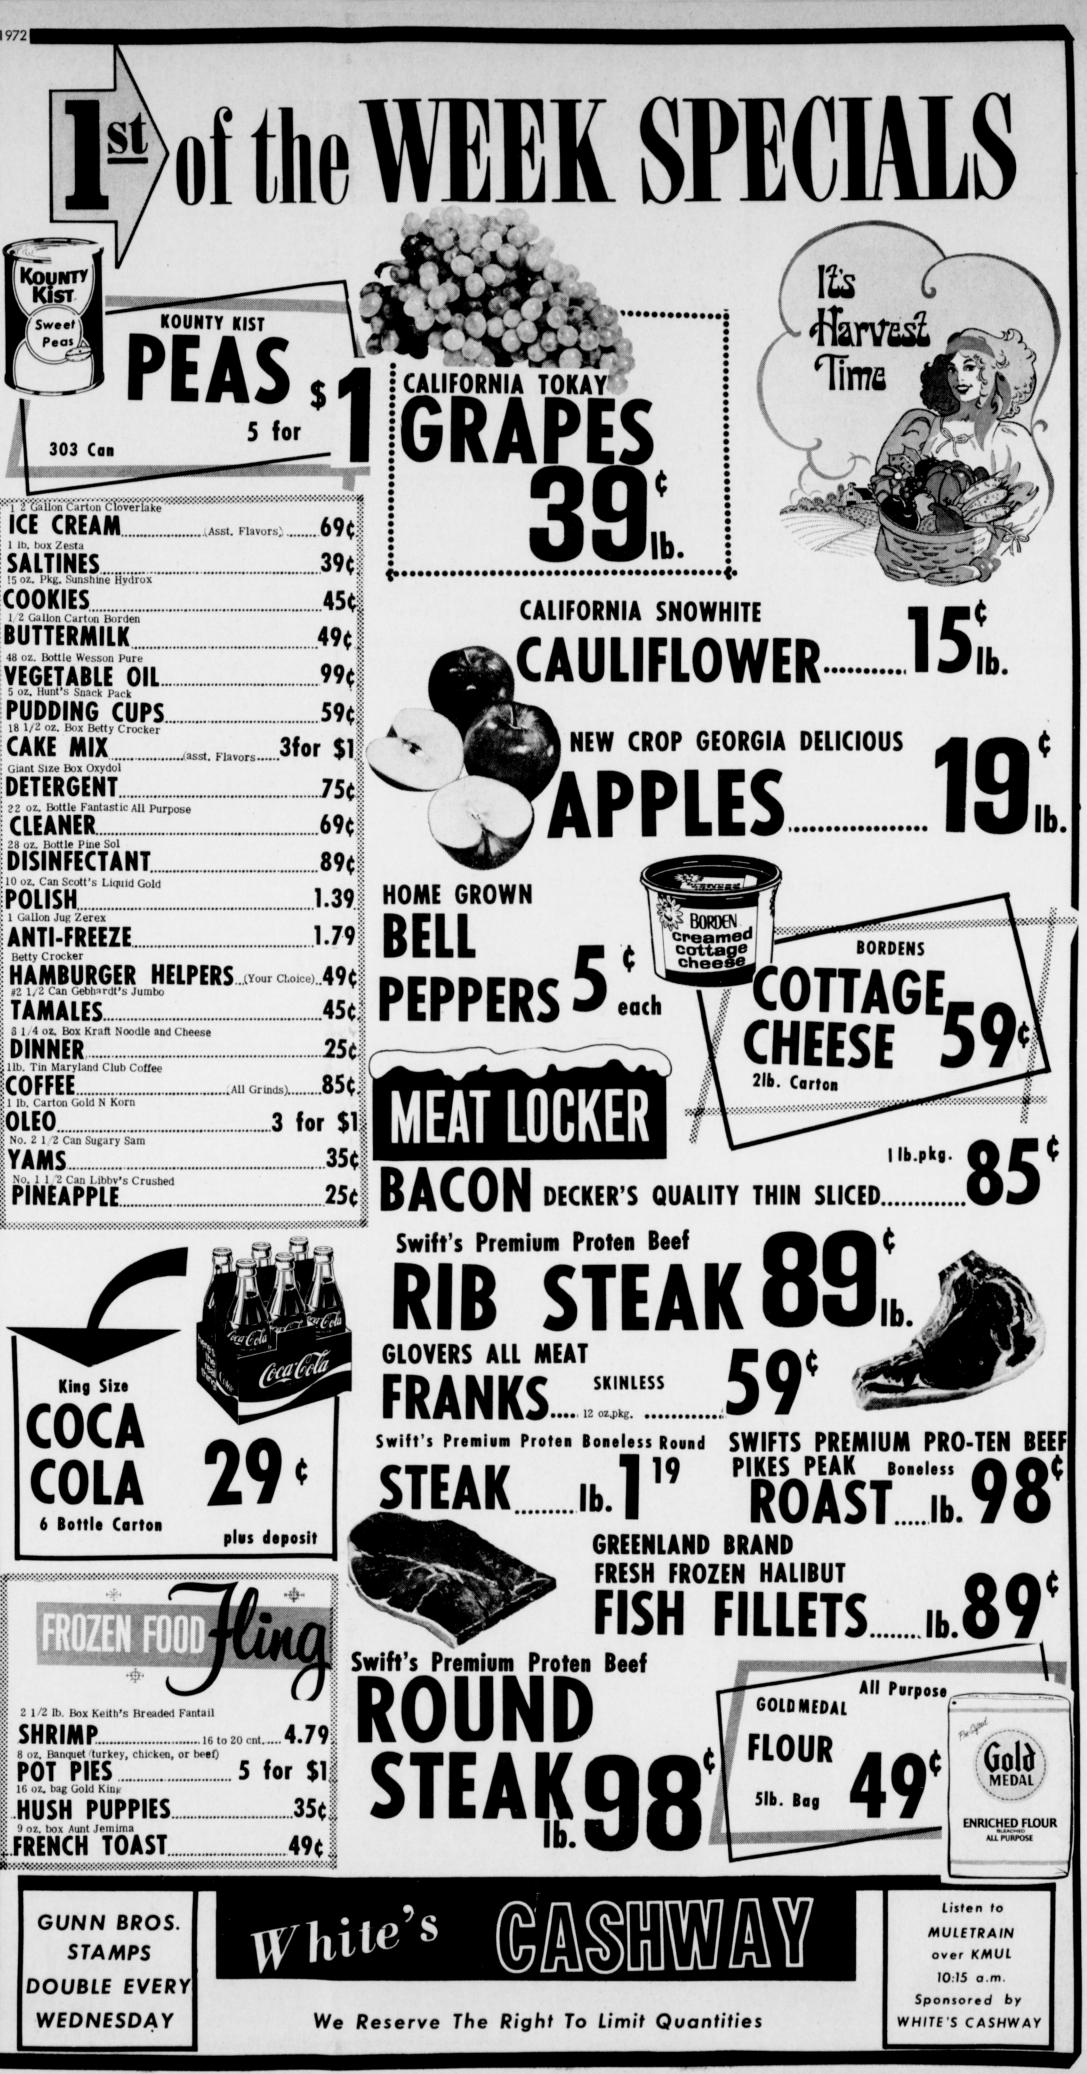

seven extra-cost vinyl tops. All paint and top colors except black (new for the Chevelle) and white are new. Fifty-three color combinations are obtainable with the new paint and vinyl top offerings.

### Chamber Corner By Glen King

Thrill Time Rides is the carnival now going on at the south end of Main Street this week. The carnival, sponsored by the BAC will be in operation until Saturday.

Glen King, manager of the Muleshoe Chamber of Commerce and Agriculture, along with Gene Rogers, is now a correspondent for Channel 11, KCBD, Lubbock, Channel 4, KGNC, Amarillo television stations and for the Amarillo Globe-News.

Rogers is a sophomore at Muleshoe High School and is the son of Mr. and Mrs. Clinton Rogers of Muleshoe, He is a cor-

The Classic sports a convertible model for the first time along with two and four-door hardtops and a four-door sedan. Also offered are two and three-seat Caprice Estate Wagons which have a 125-inch wheelbase and the popular Glide -Away tailgate.

New station wagon names in 1973 are keyed to comparable Chevrolet series. Thus the former Kingswood becomes the Impala wagon and the Bel Air replaces the former Brookwood station wagon in the Chevrolet lineup.

Both Nova and Camaro have new model entries in 1973.

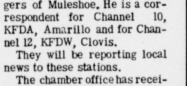

The Nova hatchback coupe features a lift-away deck and six-feet pf f;at f;ppr wjem tje six-feet of flat floor when the rear seat is in a downward position. Utility is the hallmark of this remarkably-handling small-family car either for intown shopping or for country cruising or camping.

The newest member of the Camaro family is the Camaro Type LT coupe, a luxury touring model which has a 145horsepower, Turbo-Fire 350 cubic inch engine.

are experts in our field and our prices are reasonable. Fast courteous service is yours when we do your work.

ved a letter recently from Luke F. Starnes who is writing a book about various places in West Texas. The office had sent Starnes some information on Muleshoe and a picture of the Mule Memorial. Ballots have been mailed for

election of the 1973 Chamber of Commerce officers and directors.

> The birds, animals & flowers are dying to tell us... "Give a hoot, don't pollute."
