Indian Summer Maturing Area Cotton

Undeclared Mules To Play Morton Friday

Charlie Vela Named Player Of The Week

The winning Muleshoe Mules will travel to Morton Friday night to take on the Indians for Muleshoe's last non-district contest of the year.

The rambling Mules have won five straight games this season in pre-conference play and are leading the district in several categories.

The Indians, coached by Doug Reed, have lost all of their games this year. They lost to Olton last Friday night by a score of 26-0.

The Mules are in the middle of an outstanding season this year and Friday night's game against the Portales Rams was certainly a highlight of the season.

The Rams, previously ranked number one in the state in District AAA in New Mexico, lost to the Mules Friday by a score of 27-12.

The Portales team was previously undefeated this season.

For Friday night's performance, Charlie Vela of the Mules was named last week's Amarillo Globe-News District Player of the Week.

"When running backs break for large chunks of yardage, fans usually marvel at the ball carriers, but coaches usually start looking for those less-recognized players, the blockers, like Muleshoe's Charlie

Vela", states Garet Von Netzer, staff writer for the Amarillo Globe-News.

He further stated, "The Mule senior offensive guard played a big role Friday night in his team's fifth consecutive victory, a 27-12 verdict over Portales, and had Muleshoe's outstanding individual game, according to Fred Hedgecock."

In District 1-AAA, Muleshoe is the only undefeated team. Perryton is the only other team that has even won one game this year and they have a 2-2 season.

In last Friday night's action in district play, Canyon lost to Pampa, 27-7; Dumas lost to Clovis, 35-20; and Levelland lost to Tahoka, 62-13. Perryton was idle this week.

Canyon, Dumas and Levelland all have 0-5 records for the season. David Wheat of Muleshoe is still the leading scorer in the district with eight touchdowns and 14 PATs for a total of 62 points. Ronnie Parker and Joe

Cont. on Page 3, col. 4

NEW CITY BARN . . . The new City Maintenance Barn and Shop is now under construction on Highway 84, near the east city limits. City Manger Albert Field reports that the new building should be completed in two to three weeks. Workers should be

putting the metal siding on the building sometime this week. The Metallic metal building is being constructed by Mills and King Contractors of Lubbock.

District Governor Speaks To Rotary

Rotary District Governor Farris C. Oden spoke to the Rotary Club of Muleshoe, Tuesday noon, October 10, in the XIT Steak House. He discussed the growth of Rotary in District 573 during the past ten years and the future plans for Rotary in the coming year.

In addition to discussing the four avenues of service that are offered in Rotary—that is Club Service, Vocational Service and International Service—he pointed out in International Service the unusual opportunities that Rotary has to extend international good-will and understanding throughout the world, calling to the club members' attention the good number of exchange students that have been sent to countries all over the world during the past twenty years, and the large number that have been received from those countries in this District during the same years.

Also, he mentioned the fact that this District has been approved for a Group Study Exchange and will be sending five men to Finland from this District. These will be businessmen, and they will go to Finland the last part of May and be there for six weeks. Alike number of businessmen will be sent from District 141 in Finland to our District during the Rotary year of 1973-74.

He also pointed out that Rotary has the great opportunity in the International Service field in aiding projects in underdeveloped countries. Rotary Clubs in these areas have more opportunities for community service than they can afford to handle.

Where they feel a project is justifiable, they report it to Rotary International and the clubs in this country have an opportunity to serve in this connection. These requests vary con-

siderably. The principal needs in the underdeveloped countries, South America and the Orient are for medical equipment, medical supplies, hospital equipment, hospital supplies, books in English, etc.

He further pointed out President Roy D. Hickman's program of "Let's Take a New Look -- each as an individual and ask -- are we actively and individually involved in the four avenues of service as represented in the four objects of Rotary. Have I done my share in building our club. Can I propose a man for membership this year. How can I, through my business or profession, serve society better -- what can I, as one man do to help international understanding."

FARRIS C. ODEN

Plains Cotton Crop Set At Two Million

The 1972 High Plains cotton crop again is estimated at just under 2 million bales by the joint cotton estimates committee of Plains Cotton Growers, Inc. and the Lubbock Cotton Exchange.

The exact October estimate for 25 counties surrounding Lubbock came to 1,978,000 bales, 15,000 below the September 1 projection of 1,993,000 bales. Standing acreage was unchanged from September, at 2,494,500. The average per-acre yield indicated by the October estimate is therefore 381 pounds as compared to 383 pounds on September 1.

Committee spokesmen noted that weather conditions in the month of September were excellent for crop development, and there would have been cause for higher production expectations except for a high incidence of verticillium wilt in many areas and severe weed problems in other. Some fields on the Plains may not be harvested at all because of weeds, and Bill Gunter, member of the committee and District Extension Agent said there is more wilt on the Plains than ever before.

"So," said PCG Committee Chairman Joe D. Unfred of New Home, "the beneficial effects of good weather have been just about cancelled out by wilt and weeds."

The highest producing counties on the Plains, according to the estimate, will be Lubbock and Dawson, with a volume production of 215,000 and 210,000, respectively. Some Dawson County observers are saying they may replace Lubbock County this year as the area's leading producer.

The most severe cut in county production from the September estimate shows up in Gaines County where the figure dropped 30,000 bales from 180,000 to 150,000. Committee informants in that county reported that after a re-assessment of overall crop conditions, particularly fields with severe weed problems, "we think the lower figure is a little more realistic."

A good sized drop in estimated production was also seen in Dickens County, from a 23,000 in Dickens County, from a 23,000-bale guess last month to 16,000 bales now forecast. Primary reason is given as the boll weevil infestations in that area.

Unfred said value of the crop to the area economy is still

Cont. on Page 3, col. 1

Fire Destroys Home Sunday

Four units of the Bailey County Volunteer Fire Department was called out at 8:30 p.m. Sunday night to a house fire on East Fifth Street.

By the time fire officials arrived on the scene, the flames were already coming out of the top of the house and the fire was too far gone for the fire department to save any of the belongings on the inside of the house.

Fire Chief Earl Ladd said one pumper unit, two booster units and one service unit were called out. He also stated that the cause of the fire was undetermined because the fire was too far gone.

Ladd pointed out that there

Cont. on Page 3, col. 4

SBA Meeting Scheduled For Thursday

Small business owners and managers interested in sharpening management skills are urged to attend a conference entitled "What is the Future of Small Businesses?" co-sponsored by the Muleshoe Chamber of Commerce and Agriculture and the U. S. Small Business Administration on Thursday, October 12, at the Chamber of Commerce and Agriculture office.

Speakers for the conference will be J. B. Hare, Management Assistance Officer, and Millard A. Townsend, Borrower Services Officer, both of the Lubbock District Office of the Small Business Administration. The conference will

Cont. on Page 3, col. 3

ASC To Hold Community Elections

The ASC Community Committee election this year will be held on December 1. Ballots will be mailed to voters about 12 days before the election. The voted ballots must be mailed or returned in person not later than December 1.

The ASC communities in the county are known as A Community, B Community and C Community.

A slate of at least six nominees will be developed for the community. Candidates are nominated by petition and letters have been sent out with petitions. Additional petitions can

Local Cotton Crops Have Bright Outlook

Bailey County has found itself right in the middle of an Indian Summer lately, with temperatures uncommonly warm for the middle of October.

So far this season, the area has experienced only a few cool mornings.

The best thing about this Indian Summer is that it's really benefiting the excellent cotton crops in the area and is making the cotton farmers extremely happy.

Glen King, manager of the Muleshoe Chamber of Commerce and Agriculture, reports that he saw some excellent crops in the southern part of the county the first of the week on a swing through that area.

He interviewed two farmers in the Maple area who both reported extremely good prospects for high yields in cotton. Don Lowe reported that this is his first prospect of a good crop in five years of dryland cotton. He stated that one of the reasons for the excellent outlook was that the rain fell in the right place at the right time this year. He further stated that if the frost holds off about 30 more days, the southern part of the county will have one of the best crops in many years.

Another farmer who talked with King Monday was Ronnie Richardson, a junior at Three Way, who has his first cotton crop planted this year.

His father, Homer Richardson, produced only 20 bales of cotton on this same 56 acres in the last 10 years. Ronnie believes he can make as much as 100 bales in this one year if the good weather holds out. County Agent Spencer Tanksley reports, "As a whole, I feel that the cotton here is real good with good yields expected this year."

He further stated that if the freeze hold off for three to four

more weeks, the dryland cotton in the southern part of the county could make more than the irrigated crops around Muleshoe. This due to the fact that the rain fell at more correct times in the south, while irrigated crops got more water that they needed due to the fact that they had just been irrigated when the rains came.

There seems to be more cotton in the southern part of the county with higher average yields per acre.

Tanksley said that the farmers couldn't have asked for better weather in the critical month of September. He further said that the cool temperatures damaged the m'ke, but he didn't know to what extent, and wouldn't know until the crop was harvested.

Bolls are opening up in the county now with between 50 and 75 per cent of the bolls now open. Most of the fields are running around 50 per cent.

The County Agent pointed out that the harvest is still three to four weeks away and that the

Cont. on Page 3, col. 2

ROGER de los SANTOS

Santos Will Speak To Local TSTA Unit

A representative of the Texas state Teachers Association, Roger de los Santos, is scheduled to speak to the local unit of the Texas State Teachers Association on Tuesday, October 17, at 7:30 p.m. in the High School cafeteria in Muleshoe.

He will speak on human relations. Roger de los Santos has served as a classroom teacher both at the elementary and secondary levels.

He has been active in both local and district professional association work. He has had much experience in the field of bilingual education. As a coordinator-counselor for the Neighborhood Youth Corps, he worked with culturally disadvantaged young people.

Santos is one of three staff consultants to the Texas State Teachers Association Human Relations Committee. This committee works to improve inter-group education and to improve pupil and teacher atti-

tudes and behavior.

Santos received his college education at Victoria Junior College and Southwest Texas State University.

He is a member of the Texas State Teachers Association, National Education Association and National Education Field Service Association. He is married and resides in Austin.

Jaycees Plan Crane Hunt

The Muleshoe Jaycees met Monday, October 9, at noon in the XIT Steak House with 30 members present.

James Brown reported that the annual Sandhill Crane Hunt will be sponsored by the Jaycees again this year and will run three consecutive weekends, beginning Saturday, October 28.

In Youth Football, sponsored

Cont. on Page 3, col. 3

around muleshoe with the journal staff

Mourning dove season will be over on Saturday, October 14, until the second season, January 6 to January 21, 1973.

Duck season, except for Teal, will be held October 5 through November 26, and then again December 9 through January 24.

In a cutline beneath a picture of Theresia Davis of the Muleshoe Clinical Massuse, in Sunday's Bailey County Journal, there was an error. It was erroneously reported that Mrs. Davis could perform physical therapy. This is untrue as she is not a licensed physical therapist.

Derrell Nowell of State Line Irrigation reports that construction on the company's new building in Muleshoe has just now reached the first stages. The location, on the Lubbock Highway, is now being cleared for the new building.

Cannon Air Force Base will hold its annual Open House on October 26, 1972. The Air Force will be celebrating its 25th anniversary.

Highlight of the Open House will be the appearance of the world famous "Thunderbirds". The Thunderbirds perform a 15-minute arrival show plus another show during the day.

RUTH MALONE

Ruth Malone Wins Weekly Grid Contest

Ruth Malone picked up the five dollars and 10 points in the football contest this week by predicting the outcome of all but two games and missing the tie-breaker by only 12 points.

Mrs. Malone missed the Princeton-Columbia tie and the Wyoming-New Mexico game.

Earl Richards, a previous first place winner, came in second missing only two games, but being 15 points off of the tie-breaker. He missed the tie game, as did all of the other entries since no one picked the tie, and also the Duke-South Carolina State game. This puts Richards in the lead in the contest. He has 16 points total. He will also receive three dol-

Cont. on Page 3, col. 2

NEW FORD HOUSE GOING UP . . . Siding has been put on the sides of the metal frame building that will soon be the new home of Muleshoe Motor Company. Construction is progressing very rapidly on the new building and it shouldn't be too long before the building is completed and the Ford Company's place of business changed from the Crossroads to this new location on West American Blvd.

FIRE DESTROYS HOUSE . . . A fire Sunday night completely destroyed the inside of this house on East Fifth Street. Firechief Earl Ladd reports that four units of the Bailey County Volunteer Fire Department were called out at 8:30 p.m. Sunday night, but flames were going out the top of the house when fire officials arrived. The cause is still undetermined.

Fertilizer Use On High Plains Increased 525,000 Tons

Fertilizer use on the Texas High Plains has increased from approximately 50,000 tons in 1955 to 575,000 tons in 1971. This represents an investment of more than \$50 million. Since application of fertilizer to any crop is an economic investment, it should be made with sufficient background knowledge to insure a good possibility of reasonable monetary return. Failure to supply a crop with the kind and amounts

of nutrients needed is expensive in lost production; however, the application of unnecessary fertilizer materials represents an unwarranted production cost.

Plant nutrients must be supplied by fertilizer applications in order to obtain plant yield potentials within the limitations imposed by soil, climate and available water most years under both irrigated and dryland production. Fertilizer respon-

ses are more likely when weather conditions are such that a high yield potential exists rather than when conditions are such that yields are restricted. Responses of plants to fertilizer applications are not only cultural and management practices. For example, cotton planted late (June) or grain sorghum improperly irrigated would not make efficient use of applied fertilizer because of reduced yields resulting from

other cultural practices. On the other hand, when soil fertility restricts yields, full benefit from other practices cannot be expected.

Thus, a producer must integrate all cultural practices into a system that best fits with his management scheme and resources of capital, soil, and water. Soil fertility research conducted by personnel of the Texas Agricultural Experiment Station is designed to provide the necessary information from which producers can make the appropriate decisions. Use of this information in conjunction with fertilizer recommendations based on soil tests by personnel of the Texas Agricultural Extension Service Soil

Testing Laboratory provides the best opportunity for the producer to best insure a good return on monetary investments in fertilizer materials.

In order to obtain the necessary information for producers and soil test correlations, personnel of the Texas Agricultural Experiment Station at the Texas A&M University Agricultural Research and Extension Center at Lubbock conduct some 15 to 20 field trials on the South Plains each year. Several of these trials are conducted at off-station locations in cooperation with area farmers and county agricultural agents. In 1972, a total of 6 tests were located in Dawson, Terry, Cochran and Floyd Counties

in addition to 10 conducted on the Texas A&M Research and Extension Center at Lubbock. Thus, soil fertility research is being conducted each year on all the major soil types with the major crops of the area.

These tests are designed to determine proper rates, ratios and sources of fertilizer materials. Timing and methods of application are also studied. Information is not only obtained from the standpoint of fertilizer effects on yields but also on water use efficiency and nutrient build-up and depletion patterns in the various soils of the area. Further, soil samples and yield data from each test are furnished to the Texas

Agricultural Extension Service Soil Testing Laboratory so that soil test correlations can be made. With crops currently maturing, now is a good time to view the results of fertilizer applications. County agricultural agents of the various counties where tests have been established will be happy to assist anyone who would like to look at the results of these treatments that have been applied. The tests that are being conducted at the Research and Extension Center may be viewed at any time anyone would wish to see them.

Results of each year's research is published in mimeographed form and periodically several years' research is summarized and printed. All these publications are available at the Research and Extension Center.

How Sweet It Is... Harvesting Ahead of Last Year... Cotton Price Declines... Sheep, Lamb Feeding Declines...

This is a sweet story. The Texas 1972 honey crop is estimated to be 88 percent above a year ago. Total expected is 6,440,000 pounds of honey compared with only 3,432,000 pounds in 1971.

Colony condition of bees is reported good due to adequate moisture during the honey flow season over most of Texas. South Texas is reporting an excellent crop. Nationwide, an increase of 13 percent in honey production is forecast for this year compared to 1971.

A DROP of six cents per pound in cotton has been reported in Texas during a 30-day period. Cotton price in Texas as of September 15 as reported by the Texas Crop and Livestock Reporting Service was 24 cents; the price the previous month was 30 cents per pound. Effective parity is 55.67 cents per pound.

Only the price of sheep is above effective parity prices. Sheep prices were reported at \$11 per hundredweight; the effective parity is \$10.80. Calves at \$44 per hundredweight are only slightly below parity which is \$44.60. Beef cattle prices were at \$32.40 per hundredweight; parity is \$37.20. Hog prices in Texas average \$27.70 compared with parity price of \$30.90.

The price of wheat jumped 23 cents per bushel to reach \$1.78 average. Parity is \$3.05 per bushel.

Corn averaged \$1.37 per bushel compared with \$2.01 parity. Grain sorghum averaged \$2.10 per hundredweight compared with parity price of \$3.36.

Egg prices averaged 38 cents per dozen; parity is 56.4 cents per dozen. Wool averaged 57 cents per pound and mohair averaged 80 cents per pound.

The all-farm products index of prices was six points below last month, but still 39 points or 13 percent above a year.

DRYLOT sheep feeders with a lot capacity of 2,000 head or more had 124,000 sheep and lambs on feed for slaughter as of October 1; this is four percent below the number on feed a month ago but four percent above the number on feed last year.

Placements during September totaled 54,000 head with a total of 14 feeders reporting 1,000 or more head on feed.

Current intentions to market are: October, 54,000 head; November, 49,000 head; December, 21,000 head.

HARVEST of most crops in Texas continues ahead of last year at this time. Corn harvest is more than 70 percent complete; grain sorghum harvest is 50 percent complete; peanut harvest is 35 percent finished.

Wheat seeding for the state has reached 64 percent completion compared with 60 percent last year. Early planted fields on the High and Low plains are making rapid growth. Moderate to heavy concentration of fall armyworms have shown up from Low plains to East Texas.

Pecan harvest is running three weeks to a month earlier. Harvest is now underway in south and central Texas counties with good yields reported.

REMEMBER to visit the Food and Fiber Pavilion at the State Fair of Texas October 7 to 22.

ASCS...

Cont. from Page 1

be obtained at the Bailey County ASCS Office. Each petition submitted must be limited to one nominee; signed by at least three eligible voters in the community; include a certification that the nominee is willing to serve if elected; and received at the County ASCS Office not later than October 27, 1972.

If six or more eligible candidates are nominated by proper petition, no further nominations will be made. If less than six are nominated by petition, the present Community Committee will add the number of nominees needed to complete the slate of six. If a person who is nominated by petition is found ineligible, he will be so notified and given 15 days in which to appeal.

Persons nominated should be currently engaged in the operation of a farm or ranch and be well qualified for committee work. In general, a farmer is eligible to be a Community Committee member if he lives in the community in which he is eligible to vote. The duties of Community Committee members include: Informing farmers of the purpose and provisions of the ASCS programs; keeping the County Committee informed of local conditions; recommending needed changes in farm programs; participating in community meetings as necessary; and performing other duties as assigned by the County Committee.

ASC Committee elections are

Million...

Cont. from Page 1

a big question mark under currently declining market prices, "but with anything like a reasonable price and if the quality of the crop is fairly good, its value should approach \$350 million, including government payments.

The joint PCG-LCE committee will look again at crop prospects and issue revised estimates as of November 1 and December 1.

The county-by-county chart below shows estimated standing acres this year, estimated per-acre yields and the September 1 and October 1 estimates of total production.

County	Acres	Yield Sept. 1	Oct. 1
Adair	40,000	400	20,000

AVG. YIELD

open to all eligible voters without regard to race, color, sex, or national origin.

Ballots will be mailed to registered voters on November 20 and December 1 will be the last day to return voter ballots. Ballots will be counted at the Bailey County ASCS office on December 5 and the County Convention will be held December 15 at the Bailey County ASCS office.

New committeemen and alternates will take office on January 1.

Cotton...

Cont. from Page 1

farmers could use some hot days to mature the cotton out. Another interesting point explained by Tanksley was that the farmers are not faced with a good price situation this year as they were last year when they had excellent prices for a short crop. This year the yield may make up for the lower price.

Tanksley said that he hoped to see at least 50,000 bales in the county this year.

He also pointed out that farmers were fortunate to have as little hail damage this year as they did, but there were more disease problems this year due to the cooler, wet weather during the summer months. But this not too bad as farmers are faced with many problems.

Some of the irrigated cotton crops should make from one to two bales per acre this year if everything goes all right and the freeze holds off.

As far as the grain sorghum crops go, people should take a drive down to the south part of the county and see this uncommonly good grain sorghum crop. Again, dryland farmers got the rain at the right time and in the right amounts this season. The grain harvest has just begun in the south this week.

Corn harvest will be over this week, with only some very late fields left.

Contest...

Cont. from Page 1

lars for this second place win. Third place went to Floy Coleman who missed two games, but was 16 points off of the tie breaker. She will receive two dollars and four points in the contest.

The one accumulating the most points during the contest will receive two tickets to the Cotton Bowl in Dallas in January plus \$50 expense money. There were quite a few entries missing three games, but only the above three who missed two.

Three missing three games this week were Judy Wilbanks, Mrs. Cecil Bahrman, Hattie Ray Jones, Irene Splawn, Frosty Jones, Mrs. Fred Wilbanks, Steve Van Zandt, Mrs. Clark McCamish, Howard Splawn, Craig Baker and Cliff Buckner.

STATE CAPITAL

Highlights

AND Sidelights

by Bill Boykin

TEXAS PRESS ASSOCIATION

AUSTIN, Tex.--Ten members of a 12-member jury can decide civil cases under new rules of civil litigation procedure adopted last week by the State Supreme Court.

Unanimous verdicts are now required of juries, and the change is regarded as one of the most far-reaching in many years.

An effort in the last Legislature to authorize 10-2 jury verdicts fell under weight of defense attorney opposition.

Retiring Supreme Court Chief Justice Robert W. Calvert called the revised rules "the greatest reform measure during my term (22 years) on the court."

Rules deal with appeal motions, depositions, evidence discovery motions, and other matters.

Calvert said chances would do away with some elements of the adversary system and open up evidence. Rules will take effect Feb. 1, 1973.

Unanimous verdicts still will be required in criminal cases, but in civil litigation 10 or more jurors can decide a case. Five-to-one verdicts will be

SBA...

be held from 7:30 to 9:30 p.m.

The conference is designed to assist the small businessman in analyzing his increasingly competitive situation, identifying his problem and exploring possible solutions to the problem.

This conference is open to the public and there will be no registration fee.

Conferences of this type have been held in Plainview and Levelland recently and there will be another held in Brownfield on October 19 and one in Littlefield on October 26.

Jaycees...

Cont. from Page 1

by the Jaycees, The Cowboys beat the Packers Sunday and the Chiefs beat the Saints.

Next Sunday, the Packers will play the Chiefs and the Cowboys will play the Saints.

It was also announced that four Muleshoe Jaycees, Carter Reed, Max King, Jeff Smith, and Jimmy Bruton, attended the Regional Jaycee meeting in Amarillo Saturday and Sunday, October 7 and 8. The president of the Texas Jaycees, Rick Clayton, was the principal speaker.

permitted in municipal, justice of the peace and county courts at law where six-man juries now decide cases.

Some attorneys said the key rules change would eliminate hung juries in civil cases, speed up trials and ease the backlog of civil cases jamming metropolitan courts. Others said the changes in discovery of evidence will reduce the number of actual trials. The latter change will allow all parties to a case to see what both sides have as evidence.

Another change would allow the State Supreme Court to reverse or modify a lower court finding or enter a new decision without awaiting formal arguments of contesting parties. AGENTS GROWS AND GROWS-Gov. Preston Smith continued to open the special session call

were two children at home at the time of the blaze. One of the kids ran all the way to the Bailey County Law Enforcement Center to report the blaze instead of reporting it by phone. Ladd said that this contributed to the fact that the house was engulfed in flames by the time firemen arrived.

The Fire Chief stated that 272-4200 is the emergency number and this line is used solely for the purpose of reporting emergencies. In case of an emergency, phone 4200 to get immediate assistance.

Elizarraraz of Muleshoe are also leading scorers in the district with 24 points each.

Other games to be played Friday night in Muleshoe's district will be Palo Duro at Canyon, Altus at Dumas, Levelland at Floydada, and Perryton at Woodward.

On October 20, Muleshoe will play its first district game with Dumas in Muleshoe.

to new subject matter before any final action was taken on competitive insurance rates or gubernatorial fiscal powers.

Last Tuesday he dropped 16 more bill proposals on lawmakers for attention in a session due to wind up October 17. Among them were the following: A An \$8 million appropriation for a Fort Worth school for the mentally retarded, changing hunting and fishing license fees, allowing bond financing of voting machines in counties over one million population, allowing subdivisions to issue bonds for air control facilities and lease the facilities to private interests, amending retirement statutes to allow credit for certain military, state employment and judicial services, allowing the State Board of Control to make purchases for political subdivisions and defining "child" under juvenile court procedures as one over 10 and under 17 years of age.

Key legislators began to question whether the variety of subjects permitted the focus of Legislative and public attention on insurance reform which Smith claimed he wanted. SUPERPORT COMING?--Texas may be getting a new offloading terminal for supertankers whether the Legislature approves a state commission to plan and construct one or not. Oil company spokesman told a joint House-Senate committee they propose to have their own facility (known as "seadock") operative by 1975 or 1976 and feel there is no need for a state expenditure.

A bill submitted by Governor Smith to create a state authority to formulate plans for the offshore terminal won support of many witnesses who claimed a vital segment of the Texas economy depends on a superport's being constructed along the coast.

A governor's office report said marine transportation and deep water ports are essential to maintaining the state's maritime trade.

VOTER REGISTRATION HIGH--Voter registration for the November 7 general election ended at midnight Saturday, with indications the total number of Texans eligible may reach a record 4.8 million.

At that however, the total percentage of eligible voting age Texans may be less than 1968 and 1970. There are now about 7.5 million Texans of voting age. The expected 4.5 million to 4.8 million sign-up would represent a 60 per cent showing. A 4 million registration in 1968 and a 4.1 million figure in 1970 amounted to about 64 per cent of the eligible population.

An estimated 660,000 voters have been added to rolls since the voting age was lowered. There are an estimated 1.5 million now eligible to vote who were not eligible in the 1968 presidential election. COURT SPEAK--Texas Supreme Court handed down more than 100 rulings as it opened its new term last week. Among them were the following:

*Upholding a Fort Worth district court injunction prohibiting students at Tarrant County Junior College from disruptive conduct.

*Affirming Alaredo women's claim to damages because J.C. Penney store detective took her to a police station on unfounded suspicion.

*Agreed to adding \$50 to a father's child support payment until he catches up with a \$2,000 delinquency.

*Held Southwestern Bell Telephone Company must pay gross receipts taxes on income from electric companies and cable TV pole rental.

*Concluded an El Paso photo supply store must pay for four million labels even though it intended to order only 4,000.

APPOINTMENTS -- Governor Smith named Associate Justice Joe R. Greenhill chief justice of the State Supreme Court on retirement October 4 of Judge Robert W. Calvert, and selected Hawthorne Phillips of Austin to fill Greenhill's place.

R. J. Blach of Seymour was appointed district judge of the 50th district.

Robert J. Glasgow of Stephenville was named 29th district attorney.

John B. Latchford is new field operations director of Texas Water Quality Board.

Dr. Joseph C. Schooler was elevated to director of Texas Research Institute of Mental Sciences, Houston.

AG OPINIONS -- Atty. Gen. Crawford Martin told the State Highway Commission it can go ahead with construction of its controversial new state headquarters building on a site near the Capitol.

In other new opinions, Martin held:

*More stringent Texas law applies on navigable vessel lighting over federal law on inland waters until the Coast Guard commandant terminates a waiver.

*The amount a state agency can contribute for insurance for employees is limited to \$12.50 multiplied by the number of fulltime employees on its payroll.

*The comptroller is authorized to spend money out of funds for the payment of salaries of positions in state government which have been exempted from the position classification plan by executive order of the governor or direction of the legislature.

Board sold a \$25 million bond issue for local water supply project aid.

Seguin Independent School District board of education was cited as the "outstanding school board of Texas" for 1971-1972. Secruiters registered for public sale in Texas during the fiscal year which ended August 31 soared beyond \$1.5 billion. Construction is underway on Terrell State Hospital recreation and training building and a Big Spring State Hospital maintenance building.

Texas State Textbook Committee began a series of hearings on \$18.6 million worth of public school materials Tuesday (Oct. 10). Milton C. Campbell of Ralls, Cullen Luttrell of Sonora, Herbert Smith of Rusk, Melvin E. Bayless of La Grange, and Rinaldo Rivera of Falfurrias were finalists for the Lady Bird Johnson highway beautification award.

RETIREMENT & EARNINGS

The Senate has voted to allow people who desire to work past age 65 to earn \$3,000 a year and still draw full Social Security retirement benefits. Earlier the House approved a \$2,000 level. A compromise is expected.

MEDICAL AID BILL

The Senate passed an omnibus bill to extend several important health programs scheduled to expire next June 30. If fully funded, authorized items would cost an estimated \$1.37-billion in the fiscal year 1974.

MRS. CHARLES MORAW, the former Sheila Ann Kelley

Lubbock Vows Unite Couple

The Forrest Heights United Methodist Church of Lubbock was the scene for the Saturday evening wedding of Miss Sheila Ann Kelley and Charles Moraw. Rev. O.A. McBrayer, pastor, read the double ring vows at 7:30 p.m. on October 7.

Parents of the couple are Mr. and Mrs. T.L. Kelley of Lubbock and Mr. and Mrs. Rudolph Moraw of Muleshoe. Wedding music was provided by Mrs. Chris Collier, organist.

The bride, given in marriage by her father, wore a street length navy and white two-piece suit. Her accessories were blue shoes and hat with a corsage of red feathered carnations. The bride wore the

traditional blue garter to which were attached pennies with the dates of the couple's births. For something old, she wore a pearl ring, a gift of her parents. She borrowed a watch that belonged to the groom's grandmother, Mrs. Garth. Her wedding attire was new.

Mrs. Randy Calcate of Lubbock was matron of honor.

George Moraw of Houston was his brother's best man. Ushers were Kendrick, Morris and Kiernan Kelley, brothers of the bride.

A reception followed the ceremony in the fellowship hall of the church. The serving table was covered with a white linen cloth and centered with a silver candelabra holding white tapers.

The three-tiered wedding cake, decorated with red icing roses, was topped with the bride and groom which was used on the bride's parents' wedding cake. Presiding at the serving table were the groom's sister and sister-in-law, Mrs. Elizabeth Levy and Mrs. George Moraw, both of Houston; Mrs. Richard Brown of Lubbock and Mrs. Gerald Kelley, cousin of the bride, of Houston.

The bride was a 1969 Lubbock High School honor graduate and has been employed as an office clerk for National Linen Service.

The groom, a 1967 Muleshoe High School graduate, attended South Plains College in Levelland and West Texas State University in Canyon. He is currently employed by Fry and Cox Implement of Muleshoe.

Following a wedding trip to Houston the couple will be at home in Muleshoe.

A rehearsal dinner was hosted by the groom's parents at the Seven Knights Restaurant in Lubbock.

NOVEMBER WEDDING PLANNED . . . Mr. and Mrs. Bobby Newman of Route 3 announce the engagement and approaching marriage of their daughter, Judy Kay, to SSC Jackson Edward Lee, son of Mr. and Mrs. David Lee of Alamo, N. M. Lee is stationed in San Diego. The couple plans a November wedding at the Trinity Baptist Church with Rev. V. L. Huggins officiating.

Gayla Hooten Installed As Rainbow Worthy Advisor

Gayla Hooten, daughter of Mr. and Mrs. Robert Hooten, was installed as Worthy Advisor of the Muleshoe Assembly No. 161, Order of the Rainbow for Girls, on Saturday, October 7.

Miss Hooten is dedicating her term of office to her grandmothers, Mrs. Paul McNabb of Mesa, Ariz., and Mrs. Mervin Wilterding, and in memory of her grandfather, Mervin Wilterding.

Miss Hooten's theme was Rainbows of Faith with the symbol of the Rainbow and Pot of Gold. Her scripture was Hebrews 11:1, "Now faith is the substance of things hoped for, the evidence of things not seen". The pink rose was her chosen flower and color. Her song was "I Believe" and her motto "Belief is a truth held in the mind, faith is a fire in the heart".

Mrs. Wayne LaGrone, Mother Advisor, presented the following installing officers: Tracy Cowan, installing officer; Kathy Williams, installing marshal; Debbie Kerr, installing chaplain; Christy Ford, installing recorder; and Mrs. W.T. Watson, installing musician.

The invocation was given by Ernest Kerr. Incoming officers registered in the Book of Time as Christy Ford read a poem giving the duties of each. DeMolays escorted the Rainbow Girls into the assembly hall for the installation service. Miss Hooten then presented her family, Mr. and Mrs. Robert Hooten, Gary and Lary; and

grandmothers, Mrs. Mervin Wilterding of Muleshoe and Mrs. Paul McNabb of Mesa, Ariz. Other family members presented were Mrs. M.M. Barefoot of Mesa, Ariz.; Mr. and Mrs. Reece Wilterding, Shelley and James of Tulsa; Steve Wilterding of Levelland; Miss Aleene Embry of Lubbock; Mr. and Mrs. Calvin Embry, and Mrs. D.B. Head, Mr. and Mrs. Marshall Head and Susan, and Mr. and Mrs. Norman Head and Karen, all of Muleshoe.

Debbie Kerr and Christy Ford sang "I Believe" accompanied by Mrs. W.T. Watson. Miss Hooten then presented the past and present Mother Advisors, the Rainbow Board, and past Worthy Advisors. A flower drill honoring Miss Hooten was led by Kim Cowan. The past Worthy Advisor's pin was presented in appreciation to Christy Ford by Miss Hooten. Rev. J.B. Fowler gave the benediction before the Rainbow Girls closed the service with the Retiring March and the singing of "My Rainbow".

Those assisting Miss Hooten with her installation were her brother, Lary, who served as a greeter; and Leslie Cowan, Becky Fowler and Kay Prather, who registered guests and gave out programs. Petit Fours and punch were served during the reception by Terri Bryant, Cindy Chandler and Denette Mann. Miss Hooten's theme family, Mr. and Mrs. Robert Hooten, Gary and Lary; and

centerpiece with a large rainbow backing a bouquet of pink roses in a pot of gold.

Officers serving with Miss Hooten are: Kim Cowan, Worthy Associate Advisor; Beverly McCamish, Charity; Prisca Young, Hope; Jana Oyler, Faith; Faith Free, Chaplain; Debbie Dunbar, Drill Leader; Marcia Rudd, Recorder; Kim Small, Treasurer; Maribeth Dillman, Love; Rhonda Stevenson, Religion; Frances Dunbar, Nature; Lawren Hall, Immortality; Carol Brown, Fidelity; Cynthia White, Patriotism; Sherrell Rasco, Service; Cheryl Johnson, Confidential Observer; Joyce Camp, Outer Observer; Patricia Grogan, Musician; and Sheryl Brown, Choir Director.

Life would be very simple if more people were willing to be themselves.

Saddle Tramps Elect Officers

The YL 4-H Saddle Tramps met Monday, October 9, and elected officers. Those elected were Kelly Head, president; Paul Harbin, vice president; Shelly McGlaun, secretary and treasurer; Karen Head, reporter; Chana Eubanks, queen; and Jack Bates and Doyle Eubanks, adult leaders. A business meeting was held

following the election of officers. A committee composed of Kelly Head, Paul Harbin, Gary Hooten, Aubrey Pitts and Jim Allison was appointed to work on a money making project. Other business was discussed and the meeting was adjourned.

Refreshments were served to Shelly, Holly and Casy McGlaun; Chana and Steve Eubanks; Kelly and Karen Head; Linda, Susan and David Head; Jimmy Gleason, Paul Harbin, Toby Tucker, Gary Hooten and guests.

RAINBOW INSTALLATION . . . Gayla Hooten, front row, left, was installed as Worthy Advisor of the Muleshoe Assembly, Order of the Rainbow for Girls in an installation service held on Saturday evening, October 7, in the Masonic Hall. Pictured with Miss Hooten are other members of the Muleshoe Assembly.

LOUISA'S LETTER

Dear Louisa, I have been going with this guy for almost a year now. I like him very much, but I have a slight problem. I am here and he is in another state working. I was wondering if there was any way I could get him to come home more often and let me see him. I haven't seen him in some time because he has been in the service. He is a very nice guy and I would like to see him. When school starts I will be

even farther away from him. Please tell me what I can do to help the situation. I need an answer quick because I really like him. Also I am the first girl he has ever been interested in. L-Ky.

Answer: If your friend is still in the service he is probably limited as to his leave periods and the extent of time he can be away. So I assume his visits would depend on a great deal on "Uncle Sam". Also, his visits would depend on how far away he is from your home and as to what kind of transportation is available for his use.

If he has a car and the distance is not very far there is no reason why he couldn't come to see you if he wishes to. On the other hand if he has to depend on trains or a bus and the distance is considerable he would have to limit his visits.

Louisa.

Address your letter to Louisa, P.O. Box 532 Orangeburg, S.C. 29115

MISS LEE ANN YERBY

Bridal Shower Honors Miss Lee Ann Yerby

A bridal shower honoring Miss Lee Ann Yerby, bride-elect of Larry Baker, was held Saturday afternoon, October 7, from 3 to 5 p.m. in the home of Mrs. Roy Wrinkle.

Receiving guests were the honoree, her mother, Mrs. Chester Yerby; her prospective mother-in-law, Mrs. Lester Baker; and Mrs. Wrinkle.

Special guests were the bride-elect's grandmothers, Mrs. Doyle Ferrell and Mrs. B.B. Yerby, both of Plainview. Guests were registered by Sharon Martin.

A white cutwork linen cloth

covered the serving table which was centered with an arrangement of pink and pomegranate asters and snapdragons and pink tapers in a silver candelabra. Pink finger sandwiches, cheese balls, fresh strawberries, spiced cider and coffee were served from crystal and silver appointments. Presiding at the serving table were Mrs. Richard Warren and Mrs. Ronnie Barrett.

Members of the houseparty were Mrs. Gary Little, Mrs. Tony Young and Miss Babs Haire.

The hostess gift was a set

of cookware.

Hostesses for the occasion were Mrs. Tim Campbell, Mrs. Joe Ferris, Mrs. Joe Pat Wagon, Mrs. Wiley Moore, Mrs. Ben Gramling, Mrs. Homer Redwine, Mrs. Ed Little, Mrs. S.P. Stockard, Mrs. Roy Wrinkle, Mrs. S.M. Ethridge, Mrs. Charles Lewis, Mrs. J.D. Evans, Mrs. Charles Mayhugh, Mrs. Royce Turner, Mrs. Ernest Martin and Mrs. Fred Mardis.

Courtesy Fetes Mrs. Roberts

A bridal shower honoring Mrs. Mike Roberts, the former Rhonda Field, was held Saturday, October 7, from 2 to 4 p.m. in the hospitality room of the Muleshoe State Bank.

The serving table was decorated with an arrangement of fall flowers. Orange punch and cake decorated with icing fall colored mums were served by Terri Crane and Susie Cousatte.

Guests were registered by Mary Field, sister of the honoree. Special guests were the honoree's mother, Mrs. Albert Field; her paternal grandmother, Mrs. Tim Field of Dahlart; and her aunt, Mrs. Robert Field of Olton.

Young Homemakers Plan Pecan Sale

The Lazbuddie Young Homemakers are selling pecan chips as a fund raising project for their organization. The pecans sell for \$25 a case, \$12.50 for 1/2 case, or \$2.10 pound.

The pecans must be ordered before November 1. To place your order, phone Mrs. Jimmy Dale Seaton, 965-2185; Mrs. Kenneth McGhee, 965-2252; Mrs. Harold Redwine, 965-2247; or Mrs. Carrol Redwine, 965-2718.

Jaycee-Ettes To Hold Bake Sale

The Muleshoe Jaycee-Ettes will sponsor a bake sale on Saturday, October 14, beginning at 10 a.m. at Piggly Wiggly. The Jaycee-Ettes will take phone orders until noon Thursday, October 12. Call 272-3382 after 5 p.m. or 272-4396 for phone orders.

MRS. MIKE ROBERTS

Silverton Will Host Study Club Workshop

Caprock District, Texas Federation of Women's Clubs, will hold its thirteenth annual Board Meeting and Workshop at the Silverton High School on October 14, 1972, with registration beginning at 8:30 a.m. in the school library.

Mrs. O. C. Rampley, chairman of the 19-county area of Caprock District, has announced that there will be workshops in areas of interest to all club women.

Guest speaker for the luncheon meeting will be Mrs. A. C. Hughes, TFWC State President, who will address the club women on her theme: "Our American Heritage—Rights, Responsibilities, Respect, Reverence."

Hostess clubs for the annual meeting will be the three Federated clubs of Silverton, The March of Time Study Club, Mrs. A. L. Redin, president, will host the early morning get-acquainted coffee; the L.O.A. Junior Study Club, Mrs. Randall Edleman, president, will host the luncheon, and the Century of Progress Study Club, Mrs. John Gill, president, will close the activities of the day with a reception honoring the District

and State Officers at the Pioneer Room of the First State Bank.

Interested club women from

other Districts are also invited. Although advance registration was requested, it will not be necessary in order to attend.

Friendship Club Meets At Corral Restaurant

The Friendship Club met Thursday, October 5, at the Corral Restaurant with Mrs. George Johnson as hostess.

The opening prayer was given by Mrs. E.W. Johnson. Mrs. Bert Mathis presided over the meeting. Minutes were read by Mrs. Beryl Wingo. The project chairman gave a report. Plans were made for the Club's "Red Dress Christmas Party" to be held on December 18 at the Corral Restaurant.

Mrs. W.T. Andrews gave a book review "God in the White House". Refreshments were served from tables decorated with fresh cut flowers.

Members attending were Mrs. Bert Mathis, Mrs. E.W. Johnson, Mrs. J.W. Witherspoon, Mrs. Beryl Wingo, Mrs. W.T. Andrews, Mrs. C.M. King, Mrs. Scott Swafford, Mrs. Joe Dam-

ron, Mrs. W.E. Young, Mrs. Mary Young, Mrs. Jewell Griffiths, Mrs. Gladys Darsey and the hostess. One guest, Miss Agnes Young of Chillicothe, also attended.

FINGER SALAD PICKUPS. When eating outdoors, it's easier and more fun to have finger salad pickups than a tossed or gelatin salad. They are novel and nutritious. Cherry tomatoes are full of Vitamin A and C as regular tomatoes and more fun to eat as finger food. Fresh strawberries can easily take the place of a fruit salad bowl and still supply lots of Vitamin C. Many finger foods can even add to the protein for the day. Try stuffing celery stalks with peanut butter or colorful cheese spreads, or boil eggs and serve cold with seasoned salt.

Lazbuddie News

By Mrs. C.A. Watson

Several friend of Greta Paul surprised her with a gift tea in the Fellowship Hall of the Methodist Church, Lazbuddie on Tuesday morning. She was presented with a flower plant and Swag Lamp. Greta Paul is moving to the Amarillo area. She will be greatly missed in the Lazbuddie area.

Congratulations to the Lazbuddie Longhorns for having won their fourth game in a row. The score was 12-6 over Amherst.

The Lazbuddie Young Homemakers met Tuesday Oct. 5 to plan the programs for the following year. Seventeen members were present for the meeting.

Elder and Mrs. S. B. Gowens, and Lomie Hopper of Lubbock and the Bernice Gowens family of Friona accompanied by Elder Danny Parker from Benton, Ky. were Thursday evening guests in the Charlie Watson home.

Mrs. Jimmie Seaton reports they received a phone call visit from Mr. and Mrs. J. G. Ward Sunday evening. Ward is still teaching in the Kaymae school system. You will remember Ward was school superintendent at Lazbuddie for many years. The Wards are doing real fine. Both John and Mike are married and Paul is a sophomore this year. Can you believe it?

Ronald Mayfield was home over

the weekend to visit his parents, Mr. and Mrs. J. T. Mayfield. Ronald is the agriculture advisor teacher in the Loraine school system. Two of Ronald's students accompanied him to Lazbuddie and were weekend guests in the Mayfield home.

Birthday Greetings go to: Greg Gregory, Lillian Smith, Tressa Patterson, Margaret Wilson, Lee Bond and Alzada Guiley.

LAZBUDDIE NEWS OCT. 1960 The Lazbuddie Who's Who are Class Favorite, Pasty Marrow and Roy Max Miller; Most Beautiful, Judy Brown, Marlene Carrol and Janice Darline; Most Handsome, R. L. Porter, Roy Max Miller, and Jerry Don Glover.

LAZBUDDIE 12 YEARS AGO The WMU of the Baptist Church observed the week of prayer last week. The Theme for the week was "Good Tidings To All People." Monday the members met at 10:30 a.m. for the program "Tidings Of Great Joy" Mrs. Thomas Carroll was in charge of the program. A covered dish luncheon was served at noon, followed by a quilting in the afternoon. Tuesday the program was "Tidings to All People." Other studies following during the week was "Tidings of Peace," "Tidings of Redemption" and "They That Publish The Tidings."

Mrs. W. S. Menefee, May Green, Carrie Withroe and Mrs. Wimberly presented a study on "With Partnership With God." Mrs. E. E. Mason was in charge of the last program. Mrs. John Agee brought special music throughout the week for the meetings.

Baby Shower Honors Mrs. Spencer Tanksley

The Three Way, Progress and YL 4-H Clubs of Bailey County honored Mrs. Spencer Tanksley with a baby shower in the community room of the Muleshoe State Bank on Monday

Market Report

COLLEGE STATION --- While other citrus supplies decrease, grapefruit is on the increase in produce sections of supermarkets.

About three per cent of the year's crop came to market last month, and about 10 per cent will appear during October, according to Mrs. Gwendolyn Ciyatt, consumer marketing specialist with the Texas Agricultural Extension Service, Texas A&M University.

Other fruit and vegetable items in good supply at the most economical prices include oranges, bananas, lemons, grapes and apples.

Also potatoes, celery, cabbage, carrots, hard shell squash, tomatoes, dry yellow onions, honey dew melons, cantaloupes, and sweet potatoes.

"Fryer chickens remain a number-one bargain in most meat departments," the specialist noted.

Egg prices increased a few cents a dozen last month, but grade A large-size eggs continue to be the best combination of quality and economy.

Turning to meat markets, the specialist advised looking for best beef values on round steaks and roasts, chuck roasts and steaks, ground beef, beef and calf liver.

Pork prices continue at the higher level with best values on hams, picnics, shoulder steaks, Boston butt roasts and pork liver.

Birthday Party Honors Beth Harvey

Beth Harvey was honored on her ninth birthday with a Lollipop Birthday Party on Saturday, October 7.

The honoree and her guests played the Lollipop Hunt Game and a balloon relay before refreshments were served.

The birthday table was decorated with a large Lollipop Flower Pot centerpiece. Ribbons attached smaller individual favor Lollipop Flower Pots to the centerpiece, Cherry Supreme Cake and ice cream were served to Miss Harvey and her guests, Leslie Cowan, Tina Landers, Starla Black, Kay Lynn Prather and Stacy Schroeder.

For extra cabinet space, pull out a cabinet drawer and put your pastry board or a tray across the open drawer.

TOPS Area Recognition Day Slated In Muleshoe Saturday

The Muleshoe TOPS Chapter No. 34 met Thursday evening, October 5. Twenty-five members weighed in. There were also two renewal members attending, Auro Mata and Lucille Harp.

The weekly queen was Lenoa Evans. First runnerup was Lanel Skaggs and second runnerup was Polly Clark.

Crowned monthly queen and receiving a fruit basket was

Ann Vinson. First runnerup was Jewel White and Ann Newman was second runnerup.

Ann Vinson received a hair set for losing weight for six consecutive weeks.

Plans were finalized for the Area Recognition Day to be held in the Muleshoe High School Cafeteria on Saturday, October 14. The program will begin at 9 a.m. with registration from 8 to 9 a.m.

TOPS DAY IN MULESHOE . . . Ann Newman, left, and Selma Redwine watch as Mayor Irvin St. Clair signs a proclamation declaring Saturday, October 14, as TOPS Day in Muleshoe. A TOPS Area Recognition Day will be held at the Muleshoe High School Cafeteria beginning at 9 a.m.

BAZAAR ITEMS . . . Seated 1. to r., are Ana Berry, Ruth Clements and Selma Redwine, and standing 1. to r., Clara Crain and Dellie DeLoach as they paint ceramic pieces to be sold at the bazaar table at the TOPS Area Recognition Day Saturday. Many homemade craft items including TOPS emblems, TOPS gavels, mule souvenirs, aprons and shoe bags will be for sale.

DISTRICT ROTARY GOVERNOR VISITS . . . Receiving guests at a covered dish supper Monday night in the Harvey Bass home honoring the District Rotary Governor are; left, Mr. and Mrs. Gil Lamb and Mr. and Mrs. Farris C. Oden of Amarillo. Oden is the District Rotary Governor. Oden also spoke at the noon Rotary meeting Tuesday.

Seventy-five clubs have been invited. Approximately 250 out of town TOPS members have pre-registered.

The program will include inspirational talks, skits, entertainment, a buffet luncheon, success stories, big dress parade, special awards, a KOPS graduation and the crowning of royalty.

Local TOPS members have

been responsible for the planning of the program and other arrangements.

Theme for the meeting will be "Harvest Gold".

Homemade craft items, including Mule souvenirs, will be for sale at a bazaar table.

Following the discussion of the Area Recognition Day, the meeting was adjourned with the singing of the good night song.

Neal Dillman Gives Program To Muleshoe Elementary PTA

The Muleshoe Elementary Parent - Teachers Association met Monday, October 9, at 4:15 p.m. in the Mary DeShazo cafeteria. The meeting was preceded by hospitality time from 4 to 4:15 p.m.

The meeting was called to order by the president, Mrs. Herbert Ramage. For the invocation, the Parent-Teacher Prayer was read in unison. Mrs. Curtiss Smith, secretary, read the minutes from the last meeting.

Mrs. Jimmy White, treasurer, gave a financial report. Mrs. White also reported on the PTA supper held before the Muleshoe-Friona football game. She presented gifts to Mike Northcutt and Shelli Dunham for selling the most tickets to the supper. A \$5 check was given the Mrs. Pierce's room for selling the most tickets.

It was announced that the Get-Acquainted Coffees would be held at the Mary DeShazo Elementary School on October 16, 17 and 18 for Grades 3, 4 and 5, respectively.

Mrs. Ramage showed a sample of the PTA commemorative postage stamp which is now available at the Post Office.

Bill Taylor, Mary DeShazo principal, announced that the week of October 23 will be Public School Week. Open houses will be held at Junior High and High School on Monday, October 23, from 7 to 9 p.m. and at Richland Hills and Mary DeShazo Schools on Tuesday, October 24, from 7 to 9 p.m.

Neal Dillman, superintendent of Muleshoe Schools, presented the program. His program concerned the problems in our nation today, including venereal disease, drugs, welfare, permissiveness, pornography and loneliness. He related these to the youth and discussed the parents role in these problems. Dillman then discussed the school dress code and the reasons why dress guidelines are necessary in the schools.

Mrs. Gordon Wilson read a letter of resignation from Mrs. Kenneth Stice as secretary of PTA. In accordance with the PTA By-laws, the executive committee had elected Mrs. Curtiss Smith as the new secretary.

Mrs. Ramage gave a report on the Lamb-Bailey Bi-County Council meeting that was held in Amberst on October 3.

Winning the room count at Richland Hills was Mrs. Spradling's room with nine parents present. Mrs. Wilma Smith's room and Mrs. Costen's room tied at Mary DeShazo, each with five parents attending.

Avoid embarrassment and flattened noses by placing decals at eye level for adults and children on your glass partitions opening up on the patio or swimming pool.

Wedding Policy

The Muleshoe and Bailey County Journals will hereafter print wedding stories and pictures under the following guidelines:

1. Newspaper reproduction is best with black and white photographs which have good contrast. Color prints often do not have enough contrast to reproduce well and are slower to be developed and must be done by professional studios. Those taking pictures at the wedding should have at least one black and white picture taken of the bride before the altar, to be ready immediately following the ceremony, to be submitted with the wedding story. Pictures submitted for publication should be of the bride only.

2. Photos and stories must be in the office by noon Monday for the Thursday Muleshoe Journal and noon Thursday for the Sunday Bailey County Journal.

3. Story with picture must be presented by deadline for publication in issue no later than two weeks following the ceremony.

4. Stories without photos will be printed if received in time for publication within the same two weeks deadline.

5. All information will be printed as desired and as space allows with the exception of out-of-town guests. The immediate family of the bride couple will be printed as out-of-town guests, as space allows. If serving in some capacity at the wedding, names will not be repeated in the guest list.

6. Information preferably should be typed, either on a form provided by the paper, or in story form, in which case it should be double spaced, on one side of the paper only. The paper will not be responsible for misspelled names taken from handwritten stories or forms.

7. Photos are returnable following publication and appropriate arrangements should be made with the Society Reporter.

8. When announcing engagements, the Journal's wedding form may be obtained from the Society Reporter. The staff is available to assist brides-to-be and her family.

9. As with all copy, the Journal reserved the right to edit all stories to fit newspaper standards and policies.

10. Any society story received after deadlines will be subject to further editing or publication in later issues.

B.J. Crowley's HOROSCOPE

LIBRA -- Love, beauty and the fine arts are important to those born under this sign. The Libran is energetic and enthusiastic. His lucky numbers are 5 and 8. His lucky day is Friday. His best colors are gold and orange.

LIBRA -- Sept. 23 to Oct. 22 -- Do what you can for friends and neighbors, but don't let your good nature permit them to impose upon you. Stand up for your rights.

SCORPIO -- Oct. 23 to Nov. 22 -- You are wrong to assume that you are always right. You must listen to the wishes and demands of others, giving them the same consideration you want for yourself.

SAGITTARIUS -- Nov. 23 to Dec. 21 -- Become diet conscious! Weight control and balanced diet are the key words for your good health. Planned menus are the answer.

CAPRICORN -- Dec. 22 to Jan. 19 -- Change for the better is indicated. If you are unhappy in your profession, explore the possibilities of getting into something you enjoy.

AQUARIUS -- Jan. 20 to Feb. 18 -- Be sympathetic with those who need sympathy, but don't be "easy" when someone asks for a loan. Start a savings program for yourself.

PISCES -- Feb. 19 to March 20 -- There is a good chance of mutual recognition that you have a great deal in common with someone you care about! Happiness abounds!

ARIES -- March 21 to April 20 -- Buy the things you need for your home. Painting the outside of your home, adding

to your kitchen equipment or purchasing new carpet may be examples of those things which need to be done.

TAURUS -- April 21 to May 20 -- A pleasant week may be expected. Someone for whom you care will reciprocate with signs of deep affection.

GEMINI -- May 21 to June 20 -- Curb your aggressiveness! Circumstances are changing. New ambitions will arise. Your wishes will be granted.

CANCER -- June 21 to July 22 -- You cannot achieve your goals if you let modesty overtake you. Put your timidity behind you and go after what you want.

LEO -- July 23 to Aug. 22 -- A new attitude needed now. Financial matters are favorable. Friends are helpful.

VIRGO -- Aug. 23 to Sept. 22 -- Someone close to you offers a workable plan. Adopt their idea for it will set a good trend in business for you.

George Mahon

As a result of redistricting your county is now back in the District which I have the honor to represent in Congress. I do not have an opponent in the election for which I am grateful. I am grateful also for your friendship and goodwill. I shall do everything in my power to do a good job for you in the U. S. Congress. Thank you.

GEORGE MAHON

Representative in Congress
19th District of Texas

ESA RADIOTHON . . . Pictured, 1. to r., are Mrs. Jerry Harrison and Mrs. Jerry Caswell, local ESA members, and Mrs. Joyce White, District Director of the Muscular Dystrophy Association, as they make plans for the radiothon Saturday, October 14, sponsored by the Epsilon Chi Chapter of Epsilon Sigma Alpha. Mrs. Caswell is philanthropic chairman of the Sorority and Mrs. Harrison is co-chairman for the radiothon. All funds raised will be for the benefit of Muscular Dystrophy.

ESA Schedules MD Radiothon

Muscular Dystrophy is no respecter of age or class. Its most frequent victims are children. Someone in your town, on your block, or in your own family could be its next victim. Research is a long, costly process. It involves the employment of skilled professionals and the purchased of expensive equipment. Their dream can only be realized through donations to the Muscular Dystrophy Association of America.

On Saturday, October 14, the Muleshoe chapter of Epsilon Sigma Alpha Sorority will sponsor a radiothon for Muscular Dystrophy. New items, art work, and homemade bake goods will be auctioned off on KMUL radio from 6 a.m. to 1 p.m. Different items will be announced throughout the day for your bids. All you have to do is call KMUL at 272-4273. An E.S.A. member will be there to take your call. If you are the high bidder, your item will be delivered and your bid collected by representatives of the Muleshoe DeMolay Chapter. The DeMolays are national supporters of Muscular Dystrophy.

In addition to the auction, special guests will be on hand throughout the morning. Mrs. Joyce White, District Director of M.D.A.A. from Lubbock, will be at the radio station all day. She will be speaking about M.S.

and the action being taken in this area to help its victims Mrs. White will be accompanied to Muleshoe by two very special young people, Nine Year old Wesley Edwards, son of Mr. and Mrs. Dale Edwards, of Lubbock will speak to you about Muscular Dystrophy on a personal level. Wesley is a victim of Muscular Dystrophy. Ray Billings, nineteen, of Lubbock will also have some information for the listeners. Ray is a member of the M.D.A. A. National Youth Committee. He also works as a volunteer at summer camp for dystrophy children. This coming summer, two youth from Muleshoe will have the opportunity to work as volunteers at this camp. In addition to the guest speakers you will hear local talent on the radiothon. At 9 a.m., Kim Smith, Jan Black, Mike Hunt, Danny Vela, and Scotty Burton will play for your enjoyment. These young people are all Muleshoe High School students.

The success of this radiothon will depend on the response of the listeners in the Muleshoe area. "The members of E.S.A. Sorority encourage the public to tune to KMUL, October 14, beginning at 6 a.m. to E.S.A. for Dystrophy," says Mrs. Jerry Caswell, philanthropic chairman.

U.S. Tour For English Couple Includes Visit To Muleshoe

Mr. and Mrs. Bob Nicholas, residents of Mildenhall, a Suffolk village in England, visited recently in Muleshoe while on a tour of the United States.

The Nicholases were visiting with Mrs. Jerry Hicks and children of Clovis, N.M. Mrs. Hicks is the former Shirley Matthiesen, daughter of Mr. and Mrs. R. L. Matthiesen of Muleshoe. Major Hicks, presently serving a tour of duty in Korea with the United States Air Force, is the son of Mr. and Mrs. T.B. Hicks of Muleshoe.

Mildenhall is located between two Air Force Bases, Mildenhall and Lakenheath. The Nicholases have served as substitute grandparents for Air Force families for 17 years. It all started when an American Air Force wife asked her English friend to babysit.

The Nicholases are touring the United States and seeing Virginia, Ohio, Texas, New Mexico and Florida, courtesy of six Air Force families for whom they are substitutes grandparents.

Their first visit, was with Maj. and Mrs. L. J. Murphy of Fairfax, Va., a suburb of Washington, D. C. Murphy is now assigned to the Pentagon.

"Our tour in England was a memorable one, primarily due to our adoption by Nick and Bob," Mrs. Nicholas explained. "We didn't want to

babysit for more than one at a time because we never wanted to have to say no to a couple wanting a babysitter."

The Murphys wanted to do something nice in return for these good friends. A year ago, they contacted Maj. Jerry Hicks at Lakenheath. Hicks and his family were the adoptees of the Nicholases at that time. Through Hicks and RAF Lt. Ken Nicholas, the couple's son, Murphy was able to find the addresses of several couples with whom the Nicholases had maintained contact. He wrote to all those couples suggesting they split the costs and have the English couple over to the States for a visit and tour.

A tour was set up taking them to Florida and the Harry Boughners, to New Mexico and the Hicks at Clovis and Mr. and Mrs. Robert L. Warren in Albuquerque, to San Antonio and Mr. and Mrs. Malcolm Lancaster, and to Dayton Ohio, with Capt. and Mrs. Robert Riggs. Joining in the effort are TSgt. and Mrs. James E. Bolter of Altus AFB, Okla., who will go to San Antonio for their reunion with the Nicholases.

Mrs. Nicholas commented that what they were looking most forward to seeing in America was their friends.

They've lost touch with many of their adopted families, but know that they must be scattered throughout the Air Force.

The Nicholas home is down the road from RAF Mildenhall, but all the adopted families were with the fighter wing at Lakenheath.

Mr. and Mrs. Nicholas have lived in the family home at

47 Kings Way for 37 years. Nicholas watched the development of both bases and recalls, "Mildenhall was built in the early thirties, and the RAF came in 1935". He remembers various incidents through the years. "On Sept. 3, 1939, 24 bombers took off on the first raid. Only 14 came back." The British, who often confused the Nazis, built a phony air base on the Lakenheath site. Nicholas recalls, "It was too sandy for building houses. It was a dummy base to draw bombers away from Mildenhall. When the bombers came, they would turn on runway lights over at Lakenheath and the Nazis would drop bombs on it. Then reports would come over the German radio that Mildenhall had been bombed again."

The Americans came to the area with the organization of NATO, after World War II.

Nicholas was truck mechanic by profession, but retired before the trip to the States. Since being in America, Nicholas has decided to begin working again when he returns home. "I'm going to drive a school bus," he said.

The Nicholases have made their village in Suffolk a real home for Americans away from home. *****

Discover what that old finish really looks like. An old toothbrush and mild soap will quickly strip away dirt around carvings and moldings, revealing the true condition of the finish. You can use a damp rag on other surfaces. Just make sure it's not dripping wet, or it may loosen the joints or the glue on veneer, says the National Paint and Coatings Association.

ENGLISH COUPLE VISITS MULESHOE . . . Mr. and Mrs. Bob Nicholas Mildenhall, England, visited recently in Muleshoe as guests of Mrs. Jerry Hicks. The English couple is touring the United States courtesy of six Air Force families for whom the Nicholases were "adopted" grandparents while the families were stationed in England.

WTCC Will Host Its Annual Mid-Year Meet

West Texas Chamber of Commerce Director Don Harmon and members from Muleshoe have been invited to attend the annual Mid-Year Meeting of the Board of Directors of the West Texas Chamber of Commerce.

The two-day meeting will be held in Lubbock, October 19-20 at the KoKo Inn in Lubbock.

More than 200 directors, members of the West Texas Chamber of Commerce and their wives are expected to attend.

Claude W. Brown of McCombs, president of the West Texas Chamber of Commerce, has announced that the Hon. Omar Burleson, U.S. Congressman from the 17th District, and a member of the powerful House Ways and Means Committee, will be the principal speaker at the noon luncheon on October 20.

Following registration Thursday afternoon in the patio of the KoKo Inn, some of the WTCC committees will meet to formulate plans for the next six months of work. All meetings will be held in the First National-Pioneer Building.

The State Affairs Committee will meet in the Genghis Khan Room and the Executive Committee will hold its meeting in the Directors Room.

The Thursday evening activi-

ties will start at 6:30 with the Lubbock hospitality reception at the KoKo Inn. The annual WTCC Cultural Achievement Awards Banquet will be held in the main gallery of the Museum on the campus of Texas Tech University.

The Quota Busters Breakfast is scheduled for Friday morning in the KoKo Convention Center. As usual, there will be a lot of good entertainment and a large array of valuable prizes for the lucky winners.

President Brown will preside at the meeting of the Board of Directors which has been scheduled for 9:30 Friday morning at the Lubbock Country Club.

One of the highlights for the ladies will be a brunch and fashion show by Hemphill-Wells Company in the Hob-Nob Room at its store in the Monerey Center. Miss Amy McCarty, fashion coordinator for Hemphill-Wells, will serve as hostess.

The 1972 Mid-Year Board Meeting will close Friday with the noon luncheon in the ballroom of the Lubbock Country Club and the address by Congressman Burleson.

To be informed people must first be willing to listen and respect the opinions of others.

Farm Bureau Favors The Moncrief Bill

AUSTIN--(Sp)--Texas Farm Bureau favors the principles embodied in the Moncrief Bill on farm trailer light and brake requirements, a spokesman told a Legislative committee recently.

Pat Smith, TFB director of state affairs, testified Thursday, Sept. 28, before the Senate Committee on Natural Resources and is scheduled to present the organization's testimony before the House Committee on Motor Transportation on Monday, Oct. 2.

The Moncrief Bill has been introduced in the House of Representatives as House Bill 1 and House Bill 2. Senator Wayne Connally of Floresville had introduced the same legislation in the Senate as Senate Bill 20 and Senate Bill 21.

Smith told the legislators that voting delegates at the Texas Farm Bureau convention held last November in Amarillo were unanimous in their declaration that farm trailer brake and light regulations adopted by the 62nd Legislature as part of Senate Bill 183 are much too harsh and impractical.

"These regulations fail to recognize or take into consideration the excellent safety record of farm trailers, the highly seasonal use of farm trailers, or the unusually punishing circumstances under which they are normally operated," he said. The TFB spokesman pointed out the cotton and grain trailers are used primarily during harvest period each year which last from one to four weeks at most.

"The rest of the year these trailers are generally parked in the open, subject to all the vagaries of weather," he added. "Any lighting system installed on these trailers is probably not going to work when the trailers are next put in use."

Smith said that when cotton and grain trailers are in use, they are pulled through cotton, maize, or corn stalks continuously, "and this kind of treatment is guaranteed to tear up any lights or wiring installed on them. When a load of cotton or grain is ready to go to the gin or elevator is no time to stop and rewire the lighting system," he said.

The original cost of installing lights on farm trailers is not the critical factor, Smith said. "It is the cost of maintaining lights in good working order that becomes critical in

terms of time, money, and frustration." "We recognize that farm trailers should and must have lights if they are operated on busy highways at night," Smith said. "However, there is no real justification for requiring lights for daytime operations."

The cost of installing brakes on all axles as required by Senate Bill 183 is proving to be excessive "simply because the cost is very often exceeding the actual value of the trailer itself," Smith pointed out.

"Unless solid evidence can be introduced to prove beyond question that additional braking power is necessary for the safety of all concerned, we believe that present braking require-

ments can only be described as punitive," he declared.

"In the event that evidence available proves conclusively that additional braking power is necessary on farm trailers, then we believe that trailers already constructed and operating should be exempt from such requirements, and that only those trailers constructed or manufactured in the future should be forced to comply," he said and added that a provision of the Moncrief Bill "adequately takes care of this problem."

Stir paint from time to time as you apply it, says the National Paint and Coatings Association. This will assure uniformity and consistency in color from start to finish.

CONGRESSMAN Bob Price 18th Congressional District

MINIMUM WAGE This week the House again rejected efforts of the labor-liberals to stack a conference committee on the minimum wage. Spurred on by the Senate, this group hoped to increase the minimum wage immediately to \$2.20, a figure which would place an enormous burden on the small businessman.

I believe people should be able to earn a decent living wage; nevertheless wages must be set at a realistic level and ought to be determined by agreements between labor and management, and not be the dictates of government.

I fear the adoption of this extravagant \$2.20 proposal would, in the long run, mean the closing of thousands of small businesses as well as the loss of thousands of jobs and millions of dollars in wages.

MEAT INSPECTION Under pressure of the Meat Cutters Lobby and their cohorts, the House voted down a measure which would have given financial assistance to State meat inspection programs.

This legislation, designed with the federal government underwriting 80% of meat inspection costs, would have left control of these programs at the local level.

venting passage of this legislation has been aimed at causing the failure of the small processors (who do not wish to be unionized), the folding up of the state programs, and the complete federalization of meat inspection. This will make it possible for the unions to organize the larger processors vastly increasing their membership, fattening their treasury with dues and greatly enlarging their power.

The defeat of this measure will almost guarantee their goal. It is unfortunate that the interests of some Congressmen seem to lie with the unions instead of the housewife who buys meat for the family table or the small businessman and his employees.

RAILROAD RETIREMENT BENEFITS I voted with an overwhelming majority to override the President's veto of increased benefits for retired railroad employees.

I feel it is only fitting that these people be given the same benefit of an increase as that given to retirees who are on Social Security. The cost of living is the same for all our senior citizens and it would be totally unjust to ignore the needs of this group.

The whole scheme of pre-

Farmer Says USDA Misled Cotton Farmers

Plainview farmer Frank Moore says cotton farmers were misled by the U.S. Department of Agriculture last spring when they were advised to plant more cotton. "The farmers followed recommendations of the USDA in the spring of this year and increased their acres of cotton considerably. Now after this recommendation had been considerably. Now they are blessed with a bumper crop but cursed by low prices. And after this recommendation had been followed by farmers, the Nixon administration is doing nothing to relieve the disastrous price situation." The price on some cotton has dropped to 12 cents per pound since the record crop was announced.

Moore is co-chairman of Rural Texans for McGovern-Shriver. He said, "I see where Red Woodson, Farm Bureau President, is trying to talk Secretary Butz into authorizing a price support program for cottonseed. Not only is the price for cotton very low this year, but also, the price on seed is way down. Texas farmers are only receiving 52.6 percent parity on their cotton

seed. This is a particularly harsh blow because of the low price of fiber this year."

Moore said he thought farmers would be less likely to listen to the USDA in the future in light of the bad advice given on cotton and because of the wheat scandal. "They will certainly not want to listen to anyone in the Nixon administration for advice on their farms," Moore concluded.

Fall leaves may be pleasing to the eye, but disastrous to your house if allowed to clog outside drains and downspouts. The National Paint and Coatings Association suggests you check all drains, gutters and downspouts for signs of clogging and clean them before winter's onset. Clogged downspouts can cause rain and snow to back up under your roof. This lets moisture seep into the house to damage the paint and plaster inside.

If you want people to believe something you have to repeat it over and over; this is the secret of advertising.

Advertisement for Yellow Pages featuring a row of bowling pins and the text "IS LINED UP FOR YOU in the Yellow Pages".

DON'T TAKE RURAL TEXANS FOR A RIDE... AND DON'T TAKE US FOR GRANTED.

HERE'S WHAT NIXON IS DOING TO RURAL AMERICA

WHEAT SCANDAL - Giant wheat exporters made huge profits at the expense of individual wheat farmers, many in Texas, on Soviet trade.

TAXES - Wall Street Journal says federal laws favor the corporation or investor who farms on the side for a tax write-off.

FARM ISSUES - Under Nixon, parity dropped the lowest since 1933. Nixon held up payments of nearly \$400 million for feed grains in 1970, forcing farmers to borrow at highest interest rates in history.

CONGLOMERATE SCANDALS - Big Business first, the public second - that's the Republican philosophy. Anti-trust suit against ITT dropped at the same time ITT pledged \$400,000 to finance Republican Convention.

Harry S. Truman said, 'The Republicans admire our government so much they want to buy it.'

Let's face it. The Republicans just haven't changed much since the days of our grandfathers. They still favor Big Business over the average working man and woman. And while they're taking us for a ride, they keep telling us what a 'dangerous radical' Senator McGovern is.

That's what they said about Harry S. Truman.

HERE'S WHAT McGOVERN IS DOING FOR RURAL AMERICA

HIS STANDING - George McGovern has been elected time and again as a Democrat from a Republican farm state . . . because they know where he stands.

TAXES - His tax proposal would end the loopholes for tax-loss farming by giant corporations and the wealthy individuals who compete unfairly with family farmers. McGovern's proposal calls for the same tax on capital gains as on earnings.

FARM ISSUES - He sponsored and co-sponsored: Meat Import Limitation Law; Dairy Import Act; Wheat, Feed Grain, and Soybean Emergency Reserve Bill; Rural Development, Rural Job Development, and Rural Telephone Acts; Farm Credit Act; and other pieces of important legislation.

HIS BELIEFS - George McGovern knows that the answers to many of our most pressing problems in America today can be found by developing genuine opportunities for everyone in our small towns and rural areas throughout the country.

Let's not be taken for granted by the Nixon Republicans. Rural America has always fared best under a Democratic administration. If you want to stand up and do something good for rural America, the answer is to help put a Democrat in the White House. We need George McGovern . . . and George McGovern needs us.

RURAL TEXANS NEED A DEMOCRAT. RURAL TEXANS NEED McGOVERN

Improving the individual
remains the cardinal pur-
pose of life.

Glazing compounds will cre-
ate an effective, weathertight
seal where minor movement
takes place between glass and
framing. There are many va-
riations of glazing compounds
available, each for specific pur-
poses and performances. Use
each type only where specified
and in accordance with man-
ufacturer's instructions if the
best performance is to be re-
alized, advises the National Paint
and Coatings Association.

Sadat urged to maintain
Soviet friendship.

Enochs News

By Mrs. J.D. Bayless

Mrs. Gaylene Hooper of
Brownfield and Mrs. Benny Frey
of Levelland visited their pa-
rents, Mr. and Mrs. L.G. Fred,
Tuesday.

Mr. and Mrs. Joe Milsap were
in Lubbock Monday and visited
Mrs. N. O. Sullivan.

Mrs. E. F. Campbell received
word Sunday night, Sept. 24,
of the death of her sister, Mrs.
Claudie Averett, at Tyler, Her-
son, Lynn Campbell, took his
mother to attend her funeral at
2:30 p.m. Tuesday at Rock-
dale.

Mr. and Mrs. Claud Coffman
of Muleshoe, accompanied by
Mrs. J. D. Bayless of Enoch's,
were in Amarillo Friday to vi-
sit with the George Hendersons,
Henderson is in the St. Anthony's
Hospital, in intensive care.

C. C. Snitker has been going
to Muleshoe to see about his
father, F. C. Snitker, who is ill.

Dale Nichols was in Canyon
Wednesday and spent the night
with his son, Jerry, who is go-
ing to college there.

Mrs. George Fine was a pa-
tient in the Medical Arts Hos-
pital all this week for tests and
X-rays.

Mrs. Dub Elliott has been a
patient in the Morton Memorial
Hospital with an asthma attack.

Mr. and Mrs. W. M. Bryant
left Friday for a visit with their
son, Mr. and Mrs. Duane Bryant
and family, at Clayton, N.M.

"Take a Giant Step" was the
Theme for the Llanos Altos
annual meeting and workshop at
the First Baptist Church in Lit-
tlefield on Thursday, October 5.

The meeting began at 9:30 a.m.,
with congregational singing led
by Mrs. Sandra Austin and pray-
er led by Mrs. A. T. Morgon.
The welcome was given by Mrs.
John Agee, The business session
was presided over by Mrs. Agee.
Special music, reports and pro-
motions were given by the fol-
lowing age-level directors;
Baptist women, Mrs. R. H. Lay-
ton, Enoch's; Baptist Young Wo-
men, Mrs. Phil Phipps, Friona;
Acteens, Mrs. Jimmy Cowan,
Amherst; Girls in Action, Mrs.
Dale Nichols, Enoch's; Mission
Friends, Mrs. Thomas Par-
sons, Sunnyside and special
music by Sandra Austin, Mrs.
Horace Sandlin, Lubbock, was
guest speaker.

Lunch was served by the host
church.

Workshop conferences in the
afternoon were taught by Mrs.
Sandlin, Mrs. Sandra Austin,
Mrs. H. B. King, Mrs. Keith
Garner, Mrs. R. H. Laton, Mrs.
Garner, Mrs. R. H. Layton,
Mrs. Phipps, Mrs. Helen Fer-
guson, Mrs. Pat Livengood,
Mrs. Cowan, Mrs. Nichols and
Mrs. Parsons.

Those attending from Enoch's
were Mrs. J. E. Layton, Mrs.
L.E. Nichols, Mrs. J.D. Bay-
less, Mrs. J. W. Layton, Mrs.
Loretta Layton, Mrs. Welma
Petree, Mrs. Rose Nichols,
Mrs. Decie Snitker, Mrs. W.
M. Bryant, Mrs. H. B. King,
and Mrs. Sandra Austin. Those
from Bula attending were Mrs.
Mrs. R. P. Pierce, Mrs. Ro-
wena Richardson, Mrs. Opal
Locker, Mrs. E. O. Battles,
Mrs. E. W. Black and Miss
Vina Tugman.

Mr. and Mrs. J. W. Layton,
Mr. and Mrs. J. E. Layton and
Mr. and Mrs. Harold Layton
attended the funeral services of
Homer Ellison, brother of Ear-
nest Ellison, at 2 p.m. Friday
at the Emma Church of Christ
at Ralls. Burial was in the Ralls
Cemetery.

She has three children;
Gene, Keith, and Allen. Her hus-
band, Keith Bray, teaches Vo-
cational Agriculture at Mule-
shoe High School. The Jour-
nalism Staff would like to wel-
come Mrs. Bray and thank her
for making this better school.
We wish her and her family the
best of luck in the future!

Teachers Attend TAIR Reading Conference

On Friday, October 6, Mule-
shoe Junior High Reading Tea-
chers attended the area reading
conference, known as "TAIR".
This meeting was held at Es-
tacado High School. It showed
our teachers new reading tech-
niques to be used in the class-
room for further advancement

Colts Beat The Redskins

Edwin Watson

Thursday Oct. 5 the Colts and
the Redskins played to final
score of 12-6 Colts favor, Edwin
Watson made the Colts first
touchdown, but the extra points
were not completed. In about
four minutes the Colts again
scored as Alex Antrevares
broke through the Redskins of-
fensive line and intercepted a
Redskin pitch. Again the extra
points were not completed. In
the last few minutes of the game,
Marcus Beversdorf carried the
ball in for the Redskins only
score. The extra points were
not completed. The final score
was Colts 12 and Redskins 6.

"B" Team Ties Farwell

Larry Free

Thursday September 28 the
Muleshoe B team went to Far-
well. The two teams had a very
hard clash from the defensive
standpoint. Neither team could
make any yardage on offense.
The final score was Farwell
0 and Muleshoe 0.

Seventh Grade Football News

The Vikings and the Colts
fought it out with the Vikings
coming out on top 6 to 0. Doug
Fowler made the only touch-
down with the extra points were
not completed. Next game will
be against the Redskins.
Trey Stoneham

New Teacher Welcomed At MJHS

One of the new faces at MJHS
is that of Mrs. Jo Anne Bray.
Mrs. Bray graduated with a
B.S. Degree at Texas Tech U-
niversity in Lubbock. She has
previously taught one year at
Muleshoe High School in Ack-
erly, Texas, and two and half
years at Sudan High School, Mrs.
Bray teaches Special Education
and two classes of Home and
Family Living.

She has three children;
Gene, Keith, and Allen. Her hus-
band, Keith Bray, teaches Vo-
cational Agriculture at Mule-
shoe High School. The Jour-
nalism Staff would like to wel-
come Mrs. Bray and thank her
for making this better school.
We wish her and her family the
best of luck in the future!

Definitely!
Speeches are like steer
horns, a point here, a point
there, and a lot of bull in
between.

-Tiger, U.S.S. Barry.

Outstanding Football On Tap For Saturday

Fans in four specific areas
of the country are going to be
treated to some particularly
outstanding football this Satur-
day. The Southeast Conference,
the Pacific Eight Conference,
and the Big Eight all feature
games that involve not only
top-ranked teams, but games
that will give the winners big
strides toward possible confer-
ence championships. The fourth
"area" is the clash between
undefeated, top-ranked Okla-
homa, and undefeated Texas,
ranked 11th.

The 67th renewal of the
Sooner-Longhorn series will
be played in Dallas, with Texas
holding a 42-22 lead in games
won. However, this should be
The Year of the Sooner with the
powerful Oklahomans a strong
33-point favorite over the
Steers.

In the Southeast Conference,
the game in the spotlight mat-
ches L.S.U. and Auburn. The
Louisiana Tigers are rated #7
in the country, the Auburn Tig-
ers, #12. This series has only
been going on for twenty years
with L.S.U. holding an 11 to
8 lead in games won. No
doubt it will be a typical South-
east Conference pea-pickin'
struggle, both on the field and
off. We'll pick L.S.U. to win
by 9 points.

The West Coast features
10th-ranked Stanford and 16th-
rated Washington. The Huskies
are still undefeated while the
Indians lost their first game of
the season last week to Southern
Cal. We're going with the ocea-
beaten Indians to win by 13
points.

And in the Big Eight, there'll
be another center ring attrac-
tion, Iowa State, in past years
known more for outstanding
wrestlers than for its football
players, bumps head-on into
Colorado. The Cyclones are
undefeated and rated 9th. The
Buffaloes are 17th, and have

been beaten once. Earlier in
the season, Colorado might have
been the favorite. Now we're
not so sure. So... Iowa
State to remain undefeated with
a big three-point victory over
the Buffaloes.

In spite of these games, the
rest of the country won't starve
for good football. The Air
Force, ranked 15th in the nation,
meets Boston College, and the
Falcons are favored by 17.
Alabama, #4, plays Florida in
Tuscaloosa... the Tide will
win by 12.

Sixth-ranked Nebraska will
whip Missouri by 40 points, and
UCLA #38, will be 22 points
stronger than Oregon State,
Southern Cal and Michigan (1973
Rose Bowl opponents?) will
keep on winning. The Trojans,
#2, will down California by 37
points, and the Wolverines, #3,
will beat rival Michigan State
by 22.

Mr. and Mrs. J. W. Layton
spent Friday night with his
daughter and family, Mr. and
Mrs. Earnest Ellison.

BIBLE VERSE

"If meat make my brother
to offend, I will eat no flesh
while the world standeth..."

1. Who made the above
statement?
2. To whom was he writing
at the time?
3. What is its meaning?
4. Where may it be found?

Answers To Bible Verse

1. Paul the Apostle.
2. The Christians in Cor-
inth.
3. It sets forth the principle
of Christian responsibil-
ity and influence.
4. I Corinthians 8:13.

IceLand says she won't
seek U.S. troop pullout.

Improving the individual remains the cardinal purpose of life.

Glazing compounds will create an effective, weatheright seal where minor movement takes place between glass and framing. There are many variations of glazing compounds available, each for specific purposes and performances. Use each type only where specified and in accordance with manufacturer's instructions if the best performance is to be realized, advises the National Paint and Coatings Association.

Mr. and Mrs. J. W. Layton, Mr. and Mrs. J. E. Layton and Mr. and Mrs. Harold Layton attended the funeral services of Homer Ellison, brother of Earnest Ellison, at 2 p.m. Friday at the Emma Church of Christ at Ralls. Burial was in the Ralls Cemetery.

Sadat urged to maintain Soviet friendship.

Six Weeks Tests Taken

Last Wednesday, Thursday, and Friday, MJHS took their First Six Weeks Tests. At this reading, Doms day has fallen. Cards were issued yesterday, Wednesday. Good luck to everyone.
 Edwin Watson.

Enochs News
 By Mrs. J.D. Bayless

Mrs. Gaylene Hooper of Brownfield and Mrs. Benny Frey of Levelland visited their parents, Mr. and Mrs. L.G. Fred, Tuesday.

Mr. and Mrs. Joe Milsap were in Lubbock Monday and visited Mrs. N. O. Sullivan.

Mrs. E. F. Campbell received word Sunday night, Sept. 24, of the death of her sister, Mrs. Claude Averett, at Tyler. Her son, Lynn Campbell, took his mother to attend her funeral at 2:30 p.m. Tuesday at Rockdale.

Mr. and Mrs. Claud Coffman of Muleshoe, accompanied by Mrs. J. D. Bayless of Enochs, were in Amarillo Friday to visit with the George Hendersons, Henderson is in the St. Anthony's Hospital, in intensive care.

C. C. Snitker has been going to Muleshoe to see about his father, F. C. Snitker, who is ill.

Dale Nichols was in Canyon Wednesday and spent the night with his son, Jerry, who is going to college there.

Mrs. George Fine was a patient in the Medical Arts Hospital all this week for tests and X-rays.

Mrs. Dub Elliott has been a patient in the Morton Memorial Hospital with an asthma attack.

Mr. and Mrs. W. M. Bryant left Friday for a visit with their son, Mr. and Mrs. Duane Bryant and family, at Clayton, N.M.

"Take a Giant Step" was the theme for the Llanos Altos annual meeting and workshop at the First Baptist Church in Littlefield on Thursday, October 5. The meeting began at 9:30 a.m., with congregational singing led by Mrs. Sandra Austin and prayer led by Mrs. A. T. Morgan. The welcome was given by Mrs. John Agee. The business session was presided over by Mrs. Agee. Special music, reports and promotions were given by the following age-level directors; Baptist women, Mrs. R. H. Layton, Enochs; Baptist Young Women, Mrs. Phil Phipps, Friona; Aetecns, Mrs. Jimmy Cowan, Amherst; Girls in Action, Mrs. Dale Nichols, Enochs; Mission Friends, Mrs. Thomas Parsons, Sunnyside and special music by Sandra Austin, Mrs. Horace Sandlin, Lubbock, was guest speaker.

Lunch was served by the host church.

Workshop conferences in the afternoon were taught by Mrs. Sandlin, Mrs. Sandra Austin, Mrs. H. B. King, Mrs. Keith Garner, Mrs. R. H. Laton, Mrs. Garner, Mrs. R. H. Layton, Mrs. Phipps, Mrs. Helen Ferguson, Mrs. Pat Livengood, Mrs. Cowan, Mrs. Nichols and Mrs. Parson.

Those attending from Enochs were Mrs. J. E. Layton, Mrs. L. E. Nichols, Mrs. J.D. Bayless, Mrs. J. W. Layton, Mrs. Loretta Layton, Mrs. Welma Petree, Mrs. Rose Nichols, Mrs. Dicie Snitker, Mrs. W. M. Bryant, Mrs. H. B. King, and Mrs. Sandra Austin. Those from Bula attending were Mrs. Mrs. R. P. Pierce, Mrs. Rowena Richardson, Mrs. Opal Locker, Mrs. E. O. Battles, Mrs. E. W. Black and Miss Vina Tugman.

Mr. and Mrs. J. W. Layton, Mr. and Mrs. J. E. Layton and Mr. and Mrs. Harold Layton attended the funeral services of Homer Ellison, brother of Earnest Ellison, at 2 p.m. Friday at the Emma Church of Christ at Ralls. Burial was in the Ralls Cemetery.

Speeches are like steer horns, a point here, a point there, and a lot of bull in between.

Definitely! Tiger, U.S.S. Barry.

Teachers Attend TAIR Reading Conference

On Friday, October 6, Muleshoe Junior High Reading Teachers attended the area reading conference, known as "TAIR". This meeting was held at Estacado High School. It showed our teachers new reading techniques to be used in the classroom for further advancement

Colts Beat The Redskins

Thursday Oct. 5 the Colts and the Redskins played to final score of 12-6 Colts favor. Edwin Watson made the Colts first touchdown, but the extra points were not completed. In about four minutes the Colts again scored as Alex Antrevaers broke through the Redskins offensive line and intercepted a Redskin pitch. Again the extra points were not completed. In the last few minutes of the game, Marcus Beversdorf carried the ball in for the Redskins only score. The extra points were not completed. The final score was Colts 12 and Redskins 6.

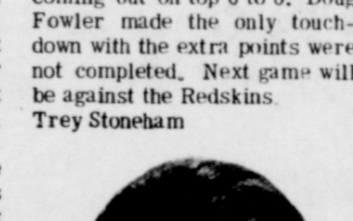

"B" Team Ties Farwell

Thursday September 28 the Muleshoe B team went to Farwell. The two teams had a very hard clash from the defensive standpoint. Neither team could make any yardage on offense. The final score was Farwell 0 and Muleshoe 0.

Seventh Grade Football News

The Vikings and the Colts fought it out with the Vikings coming out on top 6 to 0. Doug Fowler made the only touchdown with the extra points not completed. Next game will be against the Redskins.
 Trey Stoneham

New Teacher Welcomed At MJHS

MRS. JOANN BRAY

One of the new faces at MJHS is that of Mrs. Jo Ann Bray. Mrs. Bray graduated with a B.S. Degree at Texas Tech University in Lubbock. She has previously taught one year at Sands High School in Ackery, Texas, and two and half years at Sudan High School. Mrs. Bray teaches Special Education and two classes of Home and Family Living.

She has three children; Gene, Kim, and Allen. Her husband, Keith Bray, teaches Vocational Agriculture at Muleshoe High School. The Journalism Staff would like to welcome Mrs. Bray and thank her for making this better school. We wish her and her family the best of luck in the future!

Definitely! Tiger, U.S.S. Barry.

Outstanding Football On Tap For Saturday

Fans in four specific areas of the country are going to be treated to some particularly outstanding football this Saturday. The Southeast Conference, the Pacific Eight Conference, and the Big Eight all feature games that involve not only top-ranked teams, but games that will give the winners big strides toward possible conference championships. The fourth "area" is the clash between undefeated, top-ranked Oklahoma, and undefeated Texas, ranked 11th.

"Smile"

September 26 the M.J.H.S. students and faculty had their pictures made. Every one was dressed up and some went as far as practicing their smile and poses. When the time came every one became nervous and couldn't smile.

Last Week Of Annual Sales

The Journalism Staff has been selling annuals since September 25th! Sales end tomorrow, October 13th! HURRY!! Get your annual before it's too late! We hope to sell many ANNUALS even if it is -----FRIDAY the 13th!

BACK THE JR HIGH MULES

October 12 at 5:00 Here against Morton.

In the Southeast Conference, the game in the spotlight matches L.S.U. and Auburn. The Louisiana Tigers are rated #7 in the country, the Auburn Tigers, #12. This series has only been going on for twenty years with L.S.U. holding an 11 to 8 lead in games won. No doubt it will be a typical Southeast Conference pea-pickin' struggle, both on the field and off. We'll pick L.S.U. to win by 9 points.

West Coast features 10th-ranked Stanford and 18th-rated Washington.

The Huskies are still undefeated while the Indians lost their first game of the season last week to Southern Cal. We're going with the unbeaten Indians to win by 13 points.

And in the Big Eight, there'll be another center ring attraction.

Iowa State, in past years known more for outstanding wrestlers than for its football players, bumps head-on into Colorado. The Cyclones are undefeated and rated 9th. The Buffaloes are 17th, and have

been beaten once. Earlier in the season, Colorado might have been the favorite. Now we're not so sure. So... Iowa State to remain undefeated with a big three-point victory over the Buffaloes.

In spite of these games, the rest of the country won't starve for good football. The Air Force, ranked 15th in the nation, meets Boston College, and the Falcons are favored by 17. Alabama, #4, plays Florida in Tuscaloosa... the Tide will win by 12.

Sixth-ranked Nebraska will whip Missouri by 40 points, and UCLA #38, will be 22 points stronger than Oregon State. Southern Cal and Michigan (1973 Rose Bowl opponents?) will keep on winning. The Trojans, #2, will down California by 37 points, and the Wolverines, #3, will beat rival Michigan State by 22.

Mr. and Mrs. J. W. Layton spent Friday night with his daughter and family, Mr. and Mrs. Earnest Ellison.

BIBLE VERSE

"If meat make my brother to offend, I will eat no flesh while the world standeth..."

1. Who made the above statement?
2. To whom was he writing at the time?
3. What is its meaning?
4. Where may it be found?

Answers To Bible Verse

1. Paul the Apostle.
2. The Christians in Corinth.
3. It sets forth the principle of Christian responsibility and influence.
4. I Corinthians 8:13.

Iceland says she won't seek U.S. troop pullout.
