Winter Storm Blasts Into Area

Levelland Next Opponent For Mules

Its back to action for the Muleshoe Mules Friday night after an open date last week.

The Mules will play the thus far winless Levelland Lobos at Levelland beginning at 7:30 p.m. Levelland is the only winless team in District 1-AAA, having lost eight straight games.

The Mules have a 5-2 record for the season this year, having lost their last two games, against Morton and Dumas.

The Mules are tied with Perryton in season play as Perryton has also won five and lost two.

In district play, Muleshoe is 0-1 and Levelland is 0-2. Dumas is leading the district this year with a 2-0 record so far. Friday night, Dumas will have an open date.

Perryton is second in the district with a 1-0 record, followed by Canyon with a 1-1 record and then Muleshoe and Levelland.

Muleshoe still sports the leading scorer in District 1-AAA, David Wheat, with 64 points.

The Mules have racked up 244 points this season and given up 73 to lead the district in scoring.

Perryton has made 124 points, while giving up 97; Dumas has made 127, giving up 173; Canyon, 218, giving up 169; and Levelland, 74, giving up 278 points.

Friday night's game should be an exciting one and everyone is urged to go to Levelland to back the Mules.

Muleshoe will have only two more games this season after

Temperatures Drop To Lower 20's Tuesday

Citizens of Muleshoe woke up to a world of ice Wednesday morning after a blustery ice storm blew into the area the first of the week.

Drizzle and rain began falling in Muleshoe around 8:30 Monday night and was freezing on the ground by midnight, Tuesday morning, ice greeted area people and intermittent sleet and rain fell during the morning hours. Snow began falling late Tuesday afternoon, but did not accumulate in great amounts.

The ice storm caused electrical failures in the area and at least one weather related automobile accident between Muleshoe and Friona.

Trees and shrubs in the area were weighed down with ice during the day Tuesday causing numerous limbs and large branches to break off. Streets and yards were littered with limbs.

Hazardous driving warnings were issued for the area both Monday and Tuesday nights as streets and highway began freezing over.

Moisture from the storm system varied in amounts over the area. Locally .82 of an inch was recorded by the official weather station here in Muleshoe.

Across the country, amounts ranged from .50 to 1.0 of moisture. This included rain, sleet and snow.

Temperatures dropped Tuesday morning to 27 degrees here in Muleshoe and the thermometer stayed right around the freezing mark all day Tuesday.

Wednesday morning dawned clear and cold with the thermometer showing 24 degrees officially. Ice covered the area and streets in Muleshoe were slick and hazardous.

Temperatures were expected to climb back up during the day Wednesday and a warming front was expected in the area.

Farmers were concerned about their crops during the storm, as the ice caused the grain sorghum to start falling.

County Extension Agent Spencer Tanksley reports that if the weather goes ahead and

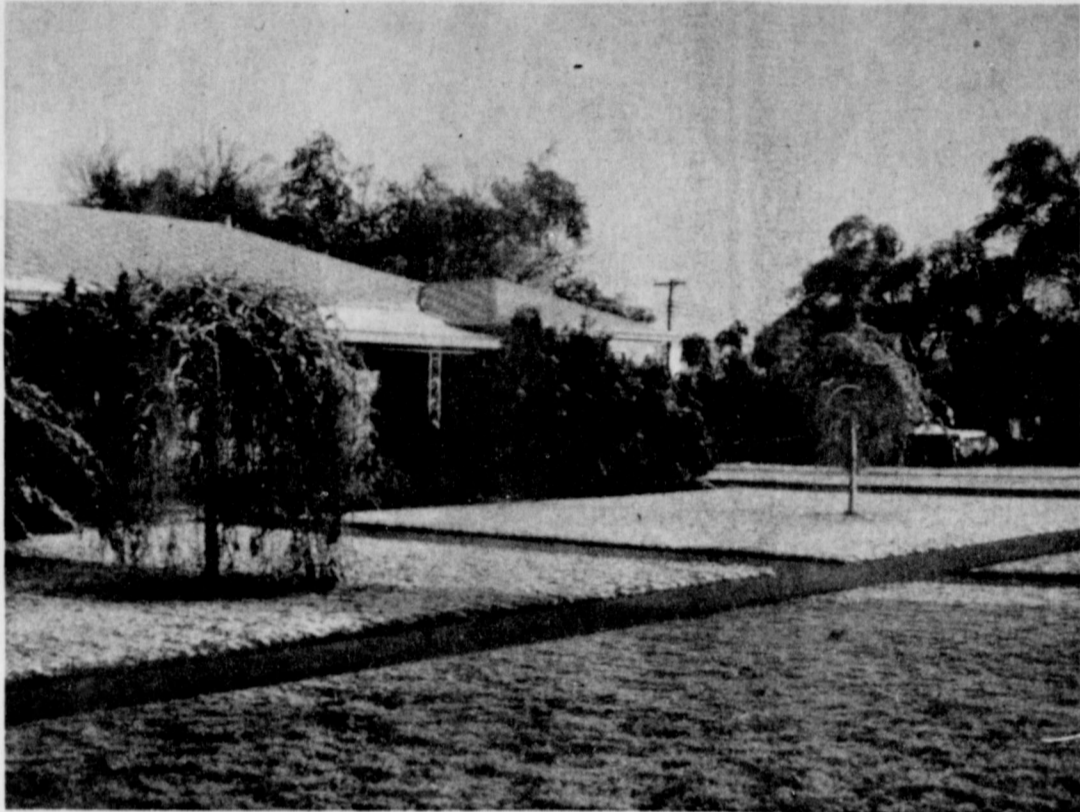

clears off and the sun starts warming and drying up the area, most crops will not be damaged a great deal.

The freeze was not unexpected as it had been predicted for several days prior to the storm, so most farmers were prepared for it.

Cotton crops were not damaged, as the freeze will cause the leaves to drop and if the sun comes out and stays out, the cotton will go ahead and continue maturing. The late patches of cotton will be hurt as far as quality goes, but the quantity yields will not be hurt that much.

Stockman were busy during the storm taking care of livestock as they had to be fed during the ice storm.

Now the farmers are just hoping for some drying weather so they can get back into the fields and harvest the grain sorghum that was started several weeks ago.

WINTER WONDERLAND . . . An icy storm moved into the Muleshoe Country Monday night leaving .82 of an inch of moisture and pounds and pounds of ice on the trees, lawns, cars and streets. After a cold, snowy day Tuesday, Wednesday dawned clear and cold and Mother Nature showed off some very unusual ice formations. Trees and shrubs were loaded down with ice Tuesday and Wednesday causing limbs and branches to break off, littering lawns and streets in Muleshoe. The ice storm also caused electrical failures in the area and at least one weather related auto accident.

Muleshoe Youth Killed By Truck Early Saturday

Donald Wayne Brown, 14, of Muleshoe was killed instantly at 6:10 a.m. Saturday morning when he was struck by a semi-truck about three miles east of Muleshoe on Highway 84.

The youth was pronounced dead at the scene by Justice of the Peace Morris Nowlin.

Highway Patrolman Richard Loter investigated the accident and reported that Brown and two companions were apparently resting on the side of the road when the truck ran into the path of the truck. Evidently the boys' car had broken down and they were walking back to Muleshoe. The truck was driven by King Vincent Lowden of Cedar Hill.

Brown was born March 25, 1958 in Muleshoe and was a lifelong resident of Muleshoe. He was a student at Muleshoe Junior High School and a mem-

BAC Will Sponsor Play On November 11

Residents of the Muleshoe area are in store for a real treat November 11 at the Muleshoe High School auditorium beginning at 8 p.m.

The Businessmen's Activities Committee of the Muleshoe Chamber of Commerce and Agriculture have arranged with the drama department of Lubbock Christian College to bring a group of their top performers to Muleshoe to put on a currently popular performance, which has made headline billing in many of the nation's leading theatres.

The play is entitled "What Did We Do Wrong?", written and arranged by Henry Kenker. The play will be directed by Mrs. June Bearden, who has been drama director for LCC for a number of years.

It has been reported that this is a hilarious comedy, which pertains to trying to bridge the generation gap. Some of the highlights include - a bewildered father deciding to fight back,

but against terrific odds, such as his college drop-out son and his friend; his cultured wife and an irate boss - It's about a father pressed against the wall.

Will he conquer the unsurmountable odds against him? The father adopts the slogan of "Fathers of the World Unite".

The performance will require a little over an hour. There will be a break in which candy will be sold as usual, with many useful and valuable prizes given with the purchase of the candy.

The prize will be furnished by the progressive minded merchants of Muleshoe.

Tickets for this event will be only \$1.50 for all seats, with the exception of children under six.

It will be the type of show that the entire family, young and old, will enjoy. It runs parallel to many personal problems of live and will be a clean, above

Five Members Of The Arthritis Foundation To Attend Meeting

Five members of the Muleshoe Unit of the West Texas Chapter of The Arthritis Foundation plan to attend the annual meeting of the chapter in Amarillo on Saturday, November 4. The meetings will be held in the Amarillo Country Club.

Attending from Muleshoe will be Mrs. Sam Damron, Bailey County Chairman for 1972; Mrs. Randy Johnson; Dr. and Mrs. B. E. Sanderlin; and Dorothy Lee.

The panel for a Symposium on Arthritis, to be held in the morning for area physicians will present Dr. J. Donald Smiley, rheumatologist and professor in the Department of Internal Medicine, Southwestern Medical School in Dallas;

Dr. Jackson E. Upshaw, orthopedic surgeon of Corpus Christi, a member of the five man team which evolved a new prosthesis being used now in knee surgery; Dr. William A. Riley, rheumatologist, of Big Spring; and Dr. Charles W. Seward, rheumatologist, Amarillo.

Presentations will be made by Dr. Smiley and Dr. Upshaw during the first half of the symposium, which is acceptable for three and a half elective hours by the American Academy of Family Practice, and case histories will be discussed by all of the members of the panel during the last half of the program.

While the Symposium for physicians is being held, the members of the West Texas Chapter will be attending workshops and the Annual Meeting of the chapter. Mrs. Damron of Muleshoe will present a workshop at this time on how Bailey County achieved such a successful arthritis drive last year. This will be of particular interest to other small towns that will be having their first arthritis drive this year.

Following the morning meetings, the entire group will attend the luncheon at which Dr. Smiley and Dr. Upshaw will speak. During this time, awards will be presented and a progress report on the chapter will be made by the president, W. Cecil Bybee, of Midland.

Friday night, November 3, an open meeting for arthritics, members of their families and any other interested persons will be held in the auditorium of the Tascosa High School, Amarillo, at 7:30 p.m. Dr. Smiley will be the featured member of the panel of doctors for this meeting. All arthritics of the area are urged to attend this meeting.

The Chapter Board of Directors and the Medical Committee of the Chapter will meet on Friday night in the Travelodge, Amarillo West.

Bill Johnson completes A & M Training Course

COLLEGE STATION--Billy Johnson of 421 W. 8th St., Muleshoe was among 12 Texas Highway Department employees from four state-wide districts completing six weeks of heavy equipment training at Texas A&M University.

The special school, conducted by TAMU's Engineering Extension Service, prepares THD employees for new opportunities in heavy equipment work and trains the men to teach similar skills within their district.

Al Jones, chief instructor for the Heavy Equipment Operators Training School here, noted each of the highway department men were hand selected for the program. Included were five weeks of equipment operation and maintenance and one week in a teacher education course.

TAMU began the training sessions for the THD in 1967. There are two six-week on-campus sessions each year and extension maintenance courses held across the state.

Fire Damages Home Sunday

Fire damaged a house owned and occupied by I.R. Garza at 418 West Ninth at about 10:30 a.m. Sunday morning.

Fire Chief Earl Ladd reported that there was heavy smoke damage and minor fire damage.

Largest Turnout Ever Reported For Hunt

The Muleshoe Jaycees met at noon Monday at the XIT Steak House for their regular weekly meeting. Thirty-eight members and one guest, David Pitcock, were present.

A report given on the crane hunt showed a very good attendance for the hunt. There were 120 hunters on the first morning, Saturday, which was the largest turnout ever. The estimated kill for the first two

days was 20 birds. It was reported that there was a very large bird population on the hunting preserve.

The heaviest bird killed was by Paul Dale Ivy of Olton, and it weighed eight pounds and 15 and a half ounces.

The hunt continues through the next two weekends.

A report was also given on the Jaycee Turkey Shoot by Ken Box. He reported an outstanding turnout with 41 turkeys being won. The shoot will be held again next Saturday and Sunday, on the west edge of Muleshoe, just past the roadside park.

All one needs for the shoot is a gun and a good aim; the Jaycees furnish the rest.

There is no age limit and turkeys are awarded as prizes. Crane hunters are welcome to come out after the morning hunt.

The Senior Bowl of Youth Football, Inc. was held Friday night, October 27, with the Cowboys and Packers players defeating the Chiefs and Saints players, 12-0.

The Cowboys went the entire season this year unscored upon and undefeated.

Youth Football is sponsored each year by the Muleshoe Jaycees and they report that they appreciate the parent cooperation that makes the program available to the youth and also the sponsors of each team.

Jeff Smith and Dick Howard went to Plainview Saturday night and met the Texas Jaycee President, Art Oswald, who was in Plainview for a fly-in membership drive.

Also during the half time activities, the Three Way Booster Club held a drawing for a goose gun that was won by R.L. Davis.

Kandy Sowder Crowned Queen At Three Way

Kandy Sowder was crowned Homecoming Queen at half-time during the Three-Way - Borden County football game Friday night at Three-Way.

Israel Zapata was named Football Hero for the Three-Way Eagles for 1972. Three Way was defeated by Borden County 38-6 before a large crowd of returning exes.

Miss Sowder is the daughter of Mr. and Mrs. Joe Sowder of Maple and is a senior at Three Way High School.

Attendants were Connie Richardson, escorted by Jerry Rodriguez; Debbie Ferguson, escorted by Robbie Sowder; and Cindy Hanna, escorted by Ronnie Richardson.

Also during the half time activities, the Three Way Booster Club held a drawing for a goose gun that was won by R.L. Davis.

Van Zandt, Malone Tied In Grid Contest

The annual football contest is now all tied up with Steve Van Zandt winning another big first place this week. He and Ruth Malone who has also won the contest twice, are in a dead heat for the grand prize this year, both with a total of 20 points in the contest.

Van Zandt picked nine of the ten games this week to take the five dollars and ten points for first place. He missed the Memphis State-Tulsa game and was only off six points on the tie-breaker.

Three other men picked nine of the ten games this week but were further off of the actual tiebreaking score.

W. E. English, a previous first place winner who tied for the place two weeks ago, came in second, missing only the Rutgers-Colombia game and being off 24 points on the tiebreakers. This makes him a total of 11 points in the contest.

Dudley Malone and C. O. LaRue, Jr. of Dimmitt, tied for third place, each missing one game and being off 25 points on the tiebreakers. They will each receive a dollar and two points for their effort. Malone missed the Rutgers-Colombia game and LaRue missed the Syracuse-Pittsburg game.

There were a number of entries missing only two games this week, as the citizens in this area proved to be quite knowledgeable about college football.

Those missing two games were Tracy Cowan, Frosty Jones, Harold Cowan, Mrs. Clark McCamish, L.C. Roddan, Tony

THREE WAY HOMECOMING QUEEN . . . Miss Kandy Sowder, daughter of Mr. and Mrs. Joe Sowder of Maple, was crowned Homecoming Queen for 1972 at the Three Way Homecoming game Friday night at Three Way. The Three Way Eagles were defeated in the football game against Borden County, 38-6.

COMPLETE TAMU COURSE--Two Texas Highway Department employees from Lubbock District 5 have completed a six-week heavy equipment operators course at Texas A&M University. Shown at the graduation ceremonies are, left to right, Wendell Ashley, district official; John Gray, employe from Lamesa; James King, district official; Billy Johnson, employe from Muleshoe, and Joseph B. Sparks.

At Muleshoe Junior High The Band Plays On

On October 21, at 7:30, MJHS band members got together for a party. The event, held in the MJHS gym, was full of fun and excitement for all. Games were played and a skit was given

by eleven of the girls. Refreshments were furnished and served by the eighth grade members.

Vikings Edge By Redskins

by Edwin Watson
Wednesday, Oct. 25, the Vikings edged by the Redskins by a score of 8-6. The Redskins made the first touchdown as Marcus Beversdorffran over the goal-line. The extra

points failed. Kirk Lewis, substituting for Martin Nowlin who broke his collar bone, made the Vikings touchdown. Doug Fowler ran over for the Vikings extra points. Again the final score was Vikings 8, Redskins 6.

Little secrets are commonly told again, but great ones are generally kept.

Tie 0-0

by Edwin Watson
Monday Oct. 23 the Vikings and the Redskins fought it out to a zero zero tie. The game was hard and tough on the part of both teams. Both teams had to punt several times. Again the final score was Vikings 0 and Redskins 0.

MJHS Holds Open House

by Cherylee Bryant and Rhonda King
MJHS Open House was held from 7 to 9 Monday night, October 23. The students and their parents were greeted at the door by our Principal, Mr. Wayland Ethridge and the members of the Student Council. The Student Council members presented the visitors with brochures. The brochures contained information and pictures explaining the activities of our school. At this time the parents had the chance to visit the rooms and talk with the teachers. The faculty was delighted with the success of Open House.

Muleshoe Hosts La Plata

by Larry Free
Thursday Oct. 19, the Muleshoe Mules hosted the La Plata Whitefaces. The score at half-time was Whitefaces 18 and Mules 0. The second half the Mules held the Whitefaces until the fourth period of play. The Whitefaces made another touchdown in the last quarter. The final score was Whitefaces 24 Mules 0.

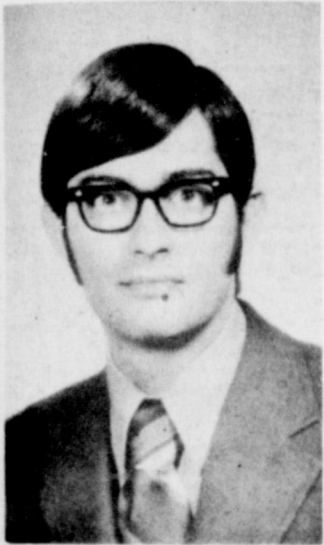

Seventh Grade Football Games

by Edwin Watson
Thursday, Nov. 2, the Colts play the Vikings, then the next day Friday Nov. 3 the Colts again play but this time against the Redskins. Good luck to both teams.

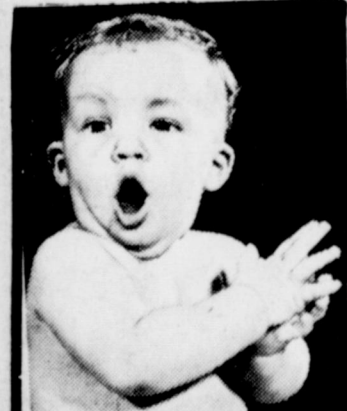

Junior High Welcomes New Math Teacher

The MJHS Journalism Staff would like to present Mr. Britt Gregory, the new eighth grade Math instructor at Junior High, who has reconstructed and modernized the eighth grade Math program.

Mr. Gregory is a native of Floydada, Texas. He received his Bachelor of Arts Degree at Texas Tech University. He enjoys such sports as water and snow skiing, golf, and tennis. We would like to welcome Mr. Gregory to Muleshoe Junior

Fiscal Responsibility

One of the more significant issues faced by the 92nd Congress was the proposal to allow the President to reduce federal spending approved and financed by Congress. This would give the chief executive the power to economize, when necessary, for the first time.

Debate on the move was bitter in the House, and the Senate Finance Committee initially deadlocked on reporting it out. That's because voting the President power to act unilaterally to reduce congressionally-approved programs delegates, in a sense, legislative authority. This objection blocked adoption of the proposal in the closing days of the last session of the 92nd Congress.

The President, under this concept, is not allowed to increase spending and, of course, Congress can always restore programs reduced. But he would be given authority, which President Nixon has said he needs, to limit total spending to an amount which would not cause inflation and be irresponsible.

For the current fiscal year Congress was to have set a spending limit of \$250,000,000,000. Because some federal programs are tied to varying factors, so that the exact cost cannot be known in advance, and because Congress sometimes votes to spend more money than the treasury collects, both the spending ceiling and the proposed authority to be allocated to the President to limit programs were sound approaches to the recurring U.S. problem of a lack of fiscal responsibility in Washington.

FIRST SCHOOL BUS . . . One of the first school busses for the Muleshoe School District was a makeshift truck covered with a wagon sheet. Pictured from left, an unidentified girl; Rev. Dean, the bus driver; Dalton and Gordon Murrah; and an unidentified boy.

Mr. and Mrs. J.M. Murrah

J. M. Murrah brought his family to the Muleshoe area from Iowa Park in Wichita County and bought 80 acres on the advice of friends who were proud of Bailey County and its farming potential. The family arrived on January 1, 1925, moving here in a Model T truck.

Murrah was born August 6, 1885, in Grimes County. He married the former Eva Bartley on January 14, 1915, in Tahoka. Mrs. Murrah was born December 3, 1896 in Grayson County. Moving to Bailey County with the Murrahs were four of their children, Dalton, Gordon, Claudis and Jerne. A. L., Jesse and Dorothy were born in Bailey County.

The family moved first into a one-room adobe house, later building a two room frame home. The family got its mail from Hurley. In those days the train did not stop there; the conductor merely kicked the mail-bag off the train and the outgoing mail was picked up by a mechanical arm.

The first school bus was an old truck covered with a wagon sheet. Later the Muleshoe School District bought two busses and Murrah was a contract bus driver for seven-teen years. "During that time, there was only one day the bus did not run," remembers the Murrah's son, Gordon.

Murrah, also a farmer, bought the first rubber tired Farmall tractor sold by E.R. Hart Company of Muleshoe. He first experimented with irrigation in 1925-26, but the result was almost a complete failure. No further attempt was made to irrigate until 1937.

Two of the Murrah's sons served in World War II, Claudis in the Philippines and A. L. in Germany. A. L. was married to Betty Rackley; Claudis to Maxine Daily; Dalton to Auden Smith; Gordon to Ada Hogan; and Dorothy to Wayne Stark.

Why You Should Re-Elect President Richard Nixon Nov. 7
LET'S LOOK At AGRICULTURE And STOCK RAISING

WE HAVE one of the most abundant supplies of food in history. Our exports of livestock, fresh meats, grain sorghums and grain are going to add many dollars to the general economy.

WE'RE SELLING COMMODITIES of which we've had surpluses—and we're helping provide jobs on trucks and ships at the same time.

HERE ARE SOME OF THE REASONS

PRESIDENT NIXON'S AGRICULTURAL ACT OF 1970 gave producers more flexibility and freedom in operations.

PRESIDENT NIXON'S ADMINISTRATION has turned around the farm situation that saw farmers get an increase in income of 6 per cent between 1951 and 1969 while wage rates went up 6 per cent every year.

PRESIDENT NIXON gave agriculture one of the most effective spokesmen in recent history by appointment of Earl Butz as Secretary of Agriculture.

Taylor Awarded Scholarship

Tommy Taylor, son of Mr. and Mrs. A. G. Taylor of Muleshoe, received a Tuition Equalization Grant scholarship for the current 1972-73 term at McMurry College, according to Wilford Moore, director of financial aid.

This new TEG scholarship was enacted by the Texas State Legislature in 1971. It provides funds to assist students to attend private institutions.

The maximum TEG scholarship grant is \$600 per year. All students with 89 hours or less are eligible to apply for TEGS now. A student to qualify must be a resident of Texas and enrolled for at least 12 hours.

Taylor is a 1971 graduate of Muleshoe High School and is majoring in chemistry and minoring in math.

Esther-Dorcas Circle Hears Study Of Romans

The Esther-Dorcas Circle of the Women's Society of Christian Service of the First United Methodist Church met in the parsonage home of Mrs. J. B. Fowler on Tuesday, October 24, at 9:30 a.m.

Members discussed having a bazaar next year. A recommendation will be made to the next general meeting of the Women's Society of Christian Service which will be held on November 7.

Mrs. J. A. Nickels presented the program and led a discussion of the fifth and sixth chapters of Romans.

Mrs. H. L. Armstrong will be the guest speaker at the November 7 general meeting. She is a missionary to Sumatra.

Members attending the Tuesday morning meeting were Mrs. Lewis Shafer, Mrs. Robert Hooten, Mrs. Oscar Allison, Mrs. Harold Allison, Mrs. Ona Payne, Mrs. J. A. Nickels, Mrs. Sam Fox and the hostess, Mrs. Fowler.

The next meeting of the Esther-Dorcas Circle will be November 14 in the home of Mrs. Sam Fox. Mrs. Oscar Allison will act as group leader for the continuation of the study of Romans.

Piano Workshop Scheduled In Lubbock

Why do 50 percent of all children who start piano lessons give up after just a year or two? That's a question piano teachers throughout the U.S. ask themselves, and some answers to the question are forthcoming for Lubbock area teachers on Nov. 7.

On that date, David Kraehenbuehl and Richard Chronister of National Keyboard Arts Associates, a nationwide organization of music educators based in Princeton, N. J., will visit Lubbock to tell local piano teachers their ideas of what music study should be all about.

In the Keyboard Arts basic music study program, children aged 7 to 12 are taught in groups to read music fluently, on their own, in 2 to 3 years. Keyboard Arts has a new adult beginner program designed around the pieces adults want to be able to play, not just reworked children's material. The organization also has a school music program in which children are taught singing at sight, and pitch memory. Finally Kraehenbuehl and Chronister will be explaining the new Keyboard Arts Repertoire Series, an answer to the problem of where to find the first good, easy pieces to introduce the student to the classical repertoire.

The Keyboard Arts presentation will be held at the Holiday Inn of Lubbock-2600 Parkway Drive from 9 a.m. to 1 p.m. There is no fee--all piano teachers and others concerned with music education are welcome.

Market Report

COLLEGE STATION--Cranberries, tangerines, grapefruit and orange supplies are increasing, and quality is good, according to Mrs. Gwendolyn Clyatt.

The consumer marketing specialist with the Texas Agricultural Extension Service of Texas A&M University reported these and other values for end-of-October shoppers.

"Fresh vegetable items in good supply at the most economical prices include potatoes, carrots, celery and cabbage. Also mustard, collards, turnips and greens, rutabagas, hard-shell squash, dry yellow onions and sweet potatoes."

Beef prices remain about the same as the past few weeks with best values on round steaks and roasts, ground beef and chuck roasts and steaks.

With pork prices about the same, look for best values on hams, picnics, shoulder roasts and steaks and pork liver.

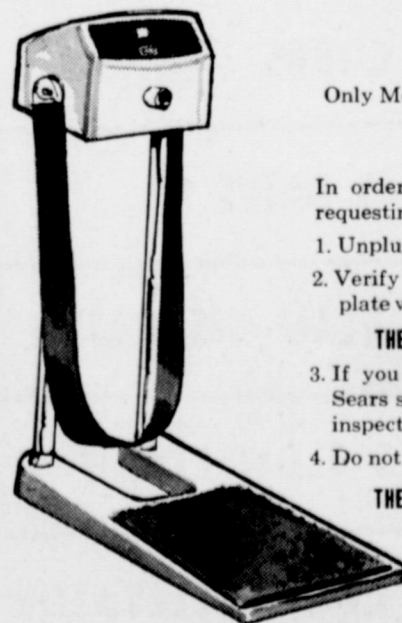

"Fryer chickens are providing splendid selections at reasonable cost, while prices on chicken hens and turkeys are edging upward," she noted.

Eggs are priced at bargain levels with grade A large showing greater egg value this week.

STATE CAPITAL Highlights AND Sidelights

by Bill Boykin
TEXAS PRESS ASSOCIATION

AUSTIN, Tex. -- Rising welfare costs will demand another \$60.9 million increase in the state budget during the next two years, the State Board of Public Welfare concluded last week.

The Board also approved a budget request asking an additional \$71.1 million in federal matching funds for the 1974-75 biennium.

State Welfare Commissioner Raymond Vowell blamed the increase on congressional regulations and a two per cent cut in the federal government's share of welfare program costs for Texas.

Welfare Board member Louis Sarazan of Corpus Christi also pointed to increases in medical care for welfare beneficiaries. Even with the increase recommended, benefits would be cut at least temporarily next fall. State funds for welfare totaled \$212.5 million in 1972 and \$267.8 million in 1973.

The Texas constitution limits money actually paid to welfare recipients (not including medical assistance, operating costs, special services, food stamps, counseling, child care and job training) to \$80 million a year.

Voters last year rejected a proposal to remove state aid to the aged, blind and disabled from the ceiling.

If President Nixon signs the revised welfare reform bill, only aid to families with dependent children would be left under the state ceiling by Jan. 1, 1974. The federal government would assume the cost of aid to the aged, blind and disabled, although the states would administer programs until July 1, 1975.

The federal act, if signed, would also phase back into the Medicaid program 19,000 old folks who lost their eligibility when social security benefits were raised October 1.

UNITARY PRIMARY URGED--Secretary of State Bob Bullock recommended unitary primary elections to replace the old system of separate primaries for Democrats and Republicans.

At the same time, the state chief election officer advised a Senate election law study committee that unless the legislature enacts new legislation next year there will be no laws on the books for financing 1974 primaries.

Bullock estimated the state could save at least \$800,000 under the \$2.8 million spent on dual primaries this year if it uses the same polling places and officials for both major parties.

The Secretary recommended state and local officials, rather

that county political party chairmen, be designated to hold primaries. He also urged re-evaluating the whole Texas Election Code's provisions on political advertising and campaign expense-financing reporting. He said the election code should be reworked.

RATE STUDY ASKED -- The House sponsor of competitive home and auto insurance rates in the recent special session announced he will ask the House speaker to direct a committee to make a rate study.

Rep. Don Cavnes of Austin said he hopes his bill, which died in conference committee last month, will be revived by the 63rd Legislature next year.

Cavnes said he does not think lawmakers received an accurate analysis of competitive rates from the State Board of Insurance. He said he hopes to obtain more nearly accurate facts on auto insurance costs. He said he also wants some meaningful comparisons on premiums for homeowners' rates, which "on routine examination appear extremely high."

ODOMETER ABUSES HIT -- Fifteen hundred car dealer and leasing companies in Texas signed voluntary agreements not to "roll back" odometers (mileage indicators) on used cars in Texas, Atty. Gen. Crawford Martin said.

Earlier, the attorney general's Consumer Protection Division obtained 39 permanent injunctions against El Paso firms and individuals for turning back the odometers so used cars would seem to have "low mileage."

Martin claimed substantial progress in the odometer control era after the 1,500 who handled the bulk of used car business in Texas filed voluntary compliance assurances.

COURTS SPEAK--An Austin district court denied former West Texas State Sen. David Ratliff's plea to have his trial for two state paycheck thefts moved from Travis County.

Texas Supreme Court set arguments December 6 on whether Denton County Judge Tom Todd could cancel an election he set earlier to incorporate Corral City in the county.

Supreme Court upheld lower court decisions that Houston was liable for damages for injuries to a child who fell on sharp rocks in a drainage ditch.

AG OPINIONS -- Atty. Gen. Martin said an 82-acre tract of land owned by the Church in the Hills Inc. in Kerry County is not exempt from taxation.

In other recent opinions, Martin concluded:

*County tax office motor vehicle license receipt records are public records and must be preserved for five years. They may be examined by interested persons, and telephone questions about them can be answered at discretion of the tax office.

*A water supply corporation establishing a drinking water supply for public use is subject to State Department of Health jurisdiction.

*Unexpended balance of a Ford Foundation grant for a state legislative intern training program which has been terminated must be returned to the Foundation. Interest earned on

investment must be deposited to the state's general revenue fund.

*An act to abolish the Hutchinson County school superintendent's office is unconstitutional.

*Texas Cosmetology Commission does not have authority to renew licenses, and can't issue two separate renewal licenses together for combined time span of more than one year.

RURAL AID HEARINGS SET--Texas Industrial Commission will hold public hearings in four cities during November to determine which areas are eligible for industrial development aid under a new law.

Hearings will be held in Austin November 9, Big Spring November 14, Kingsville November 16 and Henderson November 21.

The program provided under the Texas Rural Development Act will help 230 non-profit industrial foundations get up to 40 per cent of cost of financing a new or expanding industry in rural areas.

REVENUE SHARING PLAN--Gov. Preston Smith formed a council to plan for orderly administration of the new federal revenue sharing act.

The law provides an estimated \$244.5 million for Texas state and local governments during calendar year 1972. During its five-year life, Texas governments are expected to get \$1.3 billion. Local governments will receive \$163 million and state government \$81.5 million

(estimated) in calendar 1972, \$185 million and \$94.4 million in calendar year 1973.

SHORT SNORTS--State Sen. Charles Wilson of Lufkin will serve as acting governor December 2 in ceremonies at the Alabama-Coushatta Indian Reservation near Livingston in his district.

Governor Smith traveled to six cities -- Palestine, Fort Worth, Lubbock, Kingsville, Houston and San Antonio -- to sign acts of the special legislative session important to those communities.

Col. Wilson E. Speir, director of the Texas Department of Public Safety, was named general chairman of the division of state and provincial police, International Association of Chiefs of Police.

Secretary of State Bob Bullock estimated Texas voter registration will soar to an all-time-high of 5.5 million this year, nearly two million above the previous record.

Nineteen seventy-two is the peak year in history of the Texas securities industry, according to a University of Texas publication. The total volume issued rose to \$323.5 million.

Really Lovely Lieutenant (roaring with rage)--Who told you to put flowers on the table?

Steward--The commander Sir!

Lieutenant--Pretty, aren't they?

LETTERS TO THE EDITOR

Dear Sir,

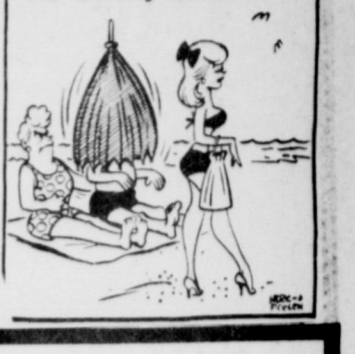

I want to urge all people to vote for Amendment No. 1 on November 7. This amendment would increase the salaries of the members of the Texas House and Senate from \$400.00 per month to \$700.00 per month.

The Legislative responsibility has become a full time job now. The \$400.00 salary was set in 1960 when the job was truly part-time.

It is true that the Legislature only meets in alternate years, but during the interim there are numerous committee meetings, area meetings and general Legislative work that requires a great deal of time. These functions are necessary and must be attended by the

membership in order that they may be properly informed and prepared to do their job when the legislature is in session. I am one of the defeated members of the Legislature and speak sincerely from experience when I say the present salary is inadequate. Please lend your support to better government by voting for Amendment #1 on November 7.

Sincerely,
Delwin L. Jones

AMERICAN GRAIN AND CATTLE INC.

A NEW CHARTER COOPERATIVE IN GRAIN and CATTLE

IT'S TIME FOR A CHANGE IN AGRICULTURAL MARKETING... in fact it's past time. The present agricultural marketing system has only worked at the local and national level to the advantage of the huge international grain corporations; not for the farmer.

AMERICAN GRAIN AND CATTLE, INC., a new Marketing Association, through its integrated Grain Producer-Cattle Feeding program will feed part of your grain through feedlots for more grain profit. For instance, a two cents (2¢) per pound profit per finished animal should bring you fifty cents (50¢) per cwt. for your milo.

IN ADDITION YOU WILL SHARE IN THE PROFITS of fat cattle, feedlots, and grain handling locations. This is a well rounded program with plenty of capital to producers of grain and cattle... A FARM PROGRAM FOR FARMERS.

DON'T BE LEFT OUT... Join now with you neighbors who have already made membership agreements. Bring you present crop to American Grain. One price for in and out handling and storage - eight cents (8¢) per cwt. Check your storage and handling cost anywhere else. Are their prices competitive? Any grain stored at this rate may be transferred to the new grain and cattle feeding program.

CALL OR COME BY AMERICAN for further details and help make this the greatest program in America for farmers.

By
Mrs. John Blackman

Tuesday, Oct. 31, the photographer will be at the Bula School to make all the school pictures.

Mrs. C. A. Williams had charge of the study Tuesday when the WMU met for their weekly study. This was the day for Bible study and taking care of the business problems. The scripture lesson was taken from Mark 1:13. Mrs. Richardson read the prayer calendar and Mrs. Black gave the opening prayer.

Attending were Mrs. Rowena Richardson, Mrs. C. A. Williams, Miss Vina Tugman, Mrs. F. O. Battles, Mrs. P. R. Pierce, Mrs. E. W. Black and Mrs. Dewitt Tiller.

Superintendent James Sinclair and the teacher personnel were in Lubbock Friday for the Teachers meeting, while all

the students enjoyed a holiday.

Hazel House, pastor of the Bula and Enoch Methodist Churches, attended a District Preachers meeting at the First Methodist Church in Plainview Thursday afternoon.

Mr. and Mrs. R. B. Wright have received word of the birth of their first granddaughter. Melissa Ann Wright was born to Mr. and Mrs. Bill Wright at 8 p.m. Friday, Oct. 20, at the Air Force Base Hospital in Biloxi, Miss. She weighed six pounds four ounces. She has two brothers, Eric and Micah, to welcome her home. The maternal grandparents are Mr. and Mrs. Clyde Moss of Lubbock.

Mr. and Mrs. Bill Black of Lubbock spent the weekend visiting with his parents, Mr. and Mrs. H. M. Black and Mrs. E. W. Black, his grandmother.

Shelly Salyer, daughter of Mr. and Mrs. Glenn Salyer of Lubbock, and Miss Salyer of Lubbock, came home with her grandmother, Mrs. L. H. Medina, Tuesday to spend the rest

with him Thursday, Oct. 19 to help him celebrate his 14th birthday. The boys also spent the night. Mr. and Mrs. Nolan Harlan and children, Ann and John, visited in the evening and helped him enjoy his birthday cake and homemade ice cream.

Mr. and Mrs. P. R. Pierce and Rev. and Mrs. Ronnie Green attended the Annual Association meeting at the Springlake First Baptist Church Thursday.

Mr. and Mrs. John Blackman spent Sunday night and Monday visiting in Lovington in the home of Mr. and Mrs. R. L. Blackman, Mrs. Pat Carter and Mr. and Mrs. Clarence Carter.

Mr. and Mrs. P. R. Pierce attended the 40th wedding anniversary Sunday for friends, Mr. and Mrs. John Wheeler, at their home at Shelp, near Abilene. Their daughter, Miss Alma Lou Pierce of Lubbock, accompanied them.

back, came home with her grandmother, Mrs. L. H. Medina, Tuesday to spend the rest

of the week.

Mr. and Mrs. W. T. Thomas returned Tuesday afternoon from a two weeks visit with their daughter and family, Mr. and Mrs. Leon Kessler, at Fort Worth. They also visited with two of her brothers, Mr. and Mrs. Felix Woodard from Kerrville and Jasper Woodard of Fort Worth.

Mr. and Mrs. Paul Young drove down to Anson Monday afternoon and spent the night with his sister, Mrs. Bert Killingsworth. Tuesday morning they were with his step-mother, Mrs. Tompsy Young, while she had surgery.

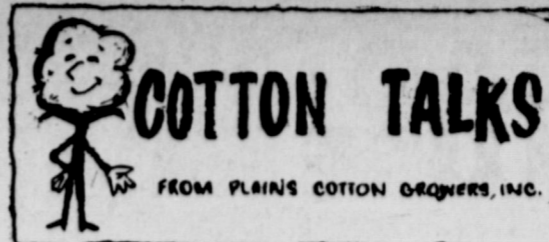

Mr. and Mrs. John Hubbard drove to Grants, N.M. Friday and spent weekend with their daughter and family, Mr. and Mrs. Barney Oldfield and girls, Kimberley, Jacque and Shannon.

Mr. and Mrs. R. B. Wright drove to Amarillo Monday and spent the day with Mrs. Nora Wright.

Mr. and Mrs. J. L. Latham spent the past week visiting relatives. Mrs. Latham did some genealogy hunting for the future planning of a family tree. They visited with several of her late father's people. Among those were Mr. and Mrs. Garlon Flowers at Colorado City; an aunt, Mr. and Mrs. Sam Waltrip at Decatur; Earnest Flowers and Mr. and Mrs. Grover Splawn at Boyd; Mrs. Mamie Oats at Fort Worth and a step brother of her father's, Fred Wilkerson at Rhomb. Also in Wichita Falls they visited with Jack Holder, Mrs. Maggie Holder, Mr. and Mrs. John Holder, Mr. and Mrs. Vic Wilcox, and Mr. and Mrs. Selby Williams.

Her mother, Mrs. Lillie Flowers, and sister, Mrs. Pauline Eaker of Ira, made the trip with them.

Difficult
Our politicians are perfectly familiar with all the questions of the day. The difficulty is that they don't know the answers.
-Democrat, Davenport, Ia.

The 'anniversary' loan program for cotton may be a useful marketing tool for producers in 1972 for the first time, according to officials of Plains Cotton Growers, Inc., the organization most responsible for institution of the new concept in 1971.

The anniversary loan permits farmers to hold title to their cotton for up to 12 months from the date of ginning. Previously, all Commodity Credit Corporation loans on cotton expired at the end of each marketing year on July 31, with CCC assuming title to all cotton not redeemed before that date.

PCG had long maintained that the loan should permit farmers to retain control of their production for a least a full year, thereby giving them the opportunity to benefit from market price swings over a longer period. PCG's arguments were recognized with anniversary loan provisions in the Agriculture Act of 1970.

CCC loans now mature 10 months from the first day of the month in which the loan is made. And, since CCC will forgive up to 60 days storage charges on cotton entering the loan, the effective 'holding period' can be up to a year. For example cotton ginned on December 2 this year can be held by the producer for 60 days until February 1, 1973.

then placed under a CCC loan which won't mature until December 1, 1973.

Throughout this period from harvest to loan maturity the producer holds title to the cotton. If market prices improve enough to more than cover interest and storage costs, he can redeem the cotton and sell it in the market, a practice commonly called 'selling his equity.'

Interest cost to farmers on CCC cotton loans is 30 cents per \$100 per month, an annual rate of 3.6 percent. Storage charges are 60 cents per month.

The anniversary loan was available to producers in 1971, but market prices were such that it wasn't needed. 'But the situation is different this year,' notes PCG President Ray Joe Riley of Hart. 'If prices continue to fall and we can get only a little over loan value for our cotton at harvest time,' he says, 'it may well be to our advantage to put cotton into the loan and hold it against possible price advances during the coming year.'

He points out that feed grain producers in 1971 found prices depressed at harvest time and wisely used the loan to significantly improve income from that crop. Cotton producers might be able to do the same this year, Riley thinks. Riley is not advising every producer to use the loan in

1972. Instead he states 'Each individual will have to make the loan-or-market decision based on his own circumstances and his assessment of chances for price improvement in 1973. But every farmer should be aware that we now can keep cotton in the loan for a longer period, which in itself increases the possibilities.'

'The size of each year's crop is the major factor affecting cotton prices,' he continued, 'and with the anniversary loan we can keep control of this year's crop until November or December of 1973, at which time 1973 production will be pretty well established.'
