#### BUILDING READY FOR LAUNDRY.

Another Brick House in Crockett—Garage Nearly Ready—Waterworks Plant Busy.

The brick building, to be occupied by the Crockett steam laundry, is ready for the machinery. Carpenters have finished the inside work, the roof is on and the brick work was finished several days ago. The machinery will be installed right away and in a short time the people of Crockett will be independent of indolent wash-women. And they will not have to send their laundry away, either. It can be done right at home and called for and delivered. They will no longer have to haul it around in their buggies and carriages. J. W. Arledge, the foreign laundry agent, is going to be with the home laundry company, and when the home laundry is started he will take no more orders to be sent away from Crockett. That is the right spirit. Every dollar that is sent away from the town is a blow at some home institution, and no institution is in a better position to appreciate this than is the Courier. No matter if the agent does live here, the home institution should be considered before the individual.

Another enterprise that is nearing completion is the garage being put in by the Planters' Cotton Chopper Company. The building is finished and the cement floor is being laid. The garage equipment will be complete—pits for the men to work in, extension electric lights, drainage pipes, etc., including all necessary machinery to supply the demand for this kind of work.

Right across the street the waterworks plant is bringing to the surface a flow of pure, crystal water that is adequate for all city uses and purposes. This water is pumped from a natural sand filter and is unequalled for purity. This is an important item when it is considered that many towns are now having trouble with their water supply on account of the continued drouth.

#### Jacksonville at Crockett.

The Jacksonville baseball team played Crockett Monday and again on Tuesday. Both games resulted in a complete shut-out for Jacksonville. Monday the Crockett team scored six times, but on Tuesday the home team was held down by the visitors to one run. A feature of Monday's game was Wakefield's pitching for the Crockett team, ten men being struck out. Brailsford pitched for the home team Tuesday and struck out a number of men. The umpires were LeMay and Ellis for the two days respectively.

#### FLOYD STANTON HANGED. Negro Explicated Crime of Uxoricide on the Gallows.

Dallas, Texas, August 2.—Evince no signs of fear or fright, without a quiver of the voice or body, Floyd Stanton, negro, self-confessed wife-murderer, was hanged from the gallows in the Dallas county jail at 12:02 o'clock Friday. He was pronounced dead 12 minutes later. His neck was broken.

Stanton was one of the coolest men that has ever gone to the gallows in Dallas county jail. Just prior to the execution he spoke to the crowd outside of the jail expressing his guilt and declaring he was ready to die to pay for the crime which he committed last December, when he fired seven bullets into the body of his wife. Floyd formerly lived in Crockett.

#### Drouth Damaging Cotton Crop.

From information gathered by the Courier from farmers, the cotton crop is not going to be as large as was expected a few weeks ago. The drouth of the last few weeks

has cut the crop short in many sections. Crops along the Trinity river valley have not suffered as have those on the uplands. Good rains fell Saturday at Kennard and Ratcliff and extended to within six miles of Crockett on the south. Showers are reported from the southwestern part of the county. But the rest of the county is awfully dry and much complaint is heard.

#### Plenty of Building in Crockett.

There is plenty of building going on in Crockett and all mechanics are busy. Six brick stores are going up on Main street and two brick livery and feed stables have just been completed, one on Main and the other near-by on Washington street. A substantial laundry building of brick has just been completed on Arch street and a new brick jail is to soon be erected on Tchopitoulas.

#### New Lumber Yard.

We handle everything in the building line; rough and dressed lumber, mouldings, shingles, brick, lime, cement, crushed rock, gravel, sewer pipe, etc.

## To the Public

It is my pleasure to announce that I have just visited the Crockett Bottling Plant, the same being under the management of Mr. A. M. Carleton, and after thoroughly inspecting this plant I feel it my privilege as city health officer to report the conditions to the public. I found everything exceedingly clean and sanitary. The water, coming from the city well, is forced through large rocks, completely filtering all the dirt and trash from same. The sugar, one of the greatest foods which is absolutely necessary to human life, is thoroughly cleansed by percolation before it is made into syrup. It is my opinion that the products of this plant are in perfect harmony with the pure food laws of the state and harmless to those who use them.

J. B. Smith, M. D.,  
City Health Officer, City of Crockett, Texas.

**DISCOURTEANCE ZONE IDEA.**

**Would Tie Up 2,500,000 Acres of Cotton Land and Cause Loss of \$105,000,000 to Cotton Growers of South.**

Washington, August 4.—Diversify crops, plant hogs and clover, rush the cotton so as to get the biggest part of crop in ahead of boll weevil, burn the stubble and practice fall plowing.

That is what the department of agriculture experts told the senators and representatives from the cotton states at the second boll weevil conference at the department of agriculture today. The conference was held to ascertain the views of the department on the proposal by Senator E. D. Smith of South Carolina to create a five-mile zone on the edge of the boll weevil territory in which no cotton shall be planted for a number of years. The experts gave it as their opinion that such a zone would hem in the weevil and prevent a spread to new territory, but it would tie up 2,500,000 acres that might grow cotton and cause an annual loss of \$105,000,000 to the cotton crop each year.

The great trouble with this plan, it was pointed out, is that all farmers cannot be kept from planting cotton in the prescribed zone, and therefore the scheme would fail. On the other hand, agents showed the great work of diversification already in progress in the South. One agent showed that in 1910 there were eleven head of hogs to each farm in Louisiana and that the number is steadily increasing. An agent from Alabama told how the Alabama farmers have gone in for clover, showing that 1,100 farmers had planted clover this year.

Five of the department's field agents in the South, who have made a careful study of the boll weevil problem, were present to explain the situation and tell what they thought best to be done in the fight against the pest. They were W. F. Proctor, Texas; Mason Snowden and L. M. Calhoun, Louisiana; R. S. Wilson, Mississippi, and B. L. Mose, Alabama, all state agents for the department of agriculture in its farmers' co-operative demonstration work in the South, except Mr. Calhoun, who is a district agent. Secretary Houston, W. A. Taylor, chief of the bureau of plant industry; Bradford Knapp and J. A. Evans of the co-operative demonstration office were also present.

**Corn Advances Seven Cents in One Week.**

Chicago, Aug. 1.—Excitement in the corn market sent prices up more than 2 cents a bushel today. This made the advance about 7 cents during the last week.

Reports indicated that the corn crop as a whole had suffered a loss of 200,000,000 to 300,000,000 bushels in the last month, owing to the damage from lack of normal moisture.

The greater part of the injury has been in Kansas, Oklahoma, Missouri and Nebraska.

Davenport, Iowa, sent word that all drouth records for July had been broken with no signs of relief.

Peoria, Ill., dispatches today said corn in the fields near there was fired two to three feet up and not likely to produce any grain.

**Remarkable Cure of Dysentery.**

"I was attacked with dysentery about July 15th, and used the doctor's medicine and other remedies with no relief, only getting worse all the time. I was unable to do anything and my weight dropped from 145 to 125 pounds. I suffered for about two months when I was advised to use Chamberlain's Colic, Cholera and Diarrhoea Remedy. I used two bottles of it and it gave me permanent relief," writes B. W. Hill of Snow Hill, N. C. For sale by all dealers.—Advertisement.

Greeting: You are hereby commanded to summon the Unknown Heirs of Joseph Hodges, and the Unknown Heirs of Wm. G. Logan, deceased, by making publication of this Citation once in each week for eight successive weeks previous to the return day hereof in some newspaper published in your County, if there be a newspaper published therein, but if not, then in any newspaper published in the nearest County to your County, to appear at the next regular term of the District Court of Houston County, to be held at the Court House of said Houston County, in the town of Crockett, on the fifth Monday after the first Monday in September, A. D. 1913, the same being the 6th day of October, A. D. 1913, then and there to answer a petition filed in said Court on the 2nd day of August, A. G. Logan, deceased, and Louise Williams are Defendants, and said petition alleging that the plaintiffs are the owners in fee simple, being lawfully seized and possessed of the following described tracts or parcels of land lying and being situated about four and one-half miles South East from the City of Crockett, in Houston County, Texas, same being a part of the Joseph Hodges League, and described as follows:

Plaintiffs set out in their original petition all of the deeds under and by virtue of which they claim title to said land. Plaintiffs further plead the five and ten years' statutes of limitation alleging that they and those under whom they claim title to said land have had and held the peaceable, continuous and adverse possession thereof, cultivating, using and enjoying the same under deeds duly registered, paying all taxes due thereon, for periods of five and ten years respectively immediately preceding the filing of this suit. Plaintiffs further allege that the deed from Joseph Hodges, the original grantee, to Henry Raguet and Wm. G. Logan, of date November 20th, 1887, only an undivided one-half interest in said league is conveyed, and that no partition has ever been made between the owners of that part of said league acquired under said deed, and the owners of the other part of said league, though all of the various owners of said league have taken possession of the specific portions thereof claimed by such owners, and that by reason of the failure of such partition, a cloud is cast on plaintiffs' title. That Henry Raguet purporting to act as administrator of Wm. G. Logan, by deed dated January 5th, 1898, conveyed the interest of said Logan to Jacob Snively, but there being no administration proceedings in the estate of said Logan and no orders of court authorizing such administrator to convey, a cloud is cast on plaintiffs' title. That in the deed from Louise Williams and Tony Williams to Thomas Felder, dated January 1st, 1894, one note for the sum of \$100.00 was executed to said Louise Williams, which note has been paid, but no release being obtained, a cloud is cast on plaintiffs' title. Plaintiffs pray judgment for said land, removing all clouds therefrom and quieting their title to same.

Herein fail not, but have before said Court, at its next regular term, this writ, with your return thereon, showing how you have executed the same.

Witness, John D. Morgan, Clerk of the District Court of Houston County.

Given under my hand and the seal of said Court, at office in Crockett, this 2nd day of August, A. D. 1913.

Goodwin is Plaintiff, and the Unknown Heirs of William White, deceased, and the Unknown Heirs of Edward Currie, deceased, are defendants, and said petition alleging that the plaintiff is the owner in fee simple, being lawfully seized and possessed of the following described tract or parcel of land, lying and being situated in Houston County, Texas, about four miles North 45 West from the town of Crockett, same being a part of the William White League of land, on Hurricane Bayou, and more particularly described by metes and bounds as follows, to-wit:

Beginning at the South West corner of T. J. Waller's 145-33-100 acre tract on said White League, an iron stake for corner on the East Bank of Hurricane Bayou, from which a white hickory (dead and down) 10 in dia mxd X brs N 30 E 9 1/2 vrs. Thence North at 319 vrs, crossed Crockett and Palestine

Thence North 89-36' West with said line 307-8-10 vrs to an iron stake for corner from which a Pine 28 in dia brs S 47 E 4 vrs. (The same being the North East corner of Gray's 40 acre tract on said White League.) Thence South at 451-63-100 vrs passed Gray's South East corner and Dr. Stokes' North East corner at 2452 vrs, set stake for corner on North Bank of Hurricane Bayou. Thence down said Bayou with its meanderings as follows: S 61 1/4 W 42 1-10 vrs, S 78 W 157-10 vrs, S 33 1/4 W 58 8-10 vrs, S 69 1/2 E 15 9-10 vrs, N 68 1/4 E 32 1/4 vrs, N 82 1/2 E 38 1/2 vrs, N 67 1/4 E 60 vrs, N 39 1/2 E 24 1-10 vrs, S 74 1/2 E 49 1-10 vrs, N 50 E 52 8-10 vrs, N 25 1/4 E 43 1/2 vrs, N 70 E 31 8-10 vrs, S 63 1/4 E 28 vrs, S 1 E 39 vrs, to the place of beginning, containing 136 3-10 vrs.

Plaintiff sets out in his original petition all of the deeds under and by virtue of which he claims title to said land. Plaintiff further pleads the five and ten years statute of limitation, alleging that he and those under whom he claims title to said land have had and held the peaceable, continuous and adverse possession thereof, cultivating, using and enjoying the same under deeds duly registered, paying all taxes due thereon, for periods of five and ten years respectively immediately preceding the filing of this suit. Plaintiff further alleges that there is no deed from William White, the original grantee of said property, conveying the same, which casts a cloud on plaintiffs' title. Plaintiff further alleges that said tract of land was a part of a certain tract conveyed by F. H. Bayne, Trustee for Edward Currie, to J. C. Wootters, the said F. H. Bayne purporting to convey same in and by virtue of a deed of trust executed to said J. C. Wootters by said Edward Currie, by said Deed of Trust has been lost or destroyed, and there is no authority, as shown by the records of Houston County, for the conveyance by the Trustee to said J. C. Wootters, which casts a cloud on plaintiff's title. Plaintiff prays for judgment for said land, substituting all missing deeds, removing all clouds therefrom, and quieting his title to same.

Herein fail not, but have before said Court, at its aforesaid next regular term, this writ, with your return thereon, showing how you have executed the same.

Witness, John D. Morgan, Clerk of the District Court of Houston County.

To the Sheriff or any Constable of Houston County.

Greeting: You are hereby commanded to summon the heirs of Moses Gregg, deceased, whose names are unknown, the heirs of Wm. Y. Lacy, deceased, whose names are unknown, the heirs of Wm. Lacy, deceased, whose names are unknown, and the heirs of Charles McH. Ellis, deceased, whose names are unknown, to appear at the next regular term of the District Court of Houston County, to be held at the courthouse thereof, in the City of Crockett, on the first Monday in October, 1913, being the 6th day of October, A. D. 1913, then and there to answer a petition filed in said court on the 4th day of August 1913, in a cause numbered 5471 wherein Fannie Beller, joined by her husband, Fred Beller, Dee Ellis, a minor, Bizie Ellis, a minor and Cal Ellis, a minor, suing herein by their legal guardian, Fred Beller, and Jennie Caldwell, joined by her husband M. F. Caldwell, are plaintiffs and the unknown heirs of Moses Gregg, deceased, the unknown heirs of Wm. Y. Lacy, deceased, and the unknown heirs of Charles McH. Ellis, deceased, are defendants the cause of action being alleged as follows: Plaintiffs represent that they are the owners in fee simple and are seized and possessed of the following described tracts or parcels of land to-wit: All that certain tract or parcel of land situated in Houston County, Texas, about 9 miles South from the town of Crockett, a part of the Moses Gregg league and being a part of the Chas. McH. Ellis homestead tract. Beginning at the S W corner of said homestead tract at a Post Oak marked X. Thence East 800 varas to a rock for corner (bearing trees 2 post oaks mxd X.) Thence North 224 varas to stake and rock for corner. Thence West 800 varas to rock for corner (bearing tree a pine mxd X). Thence South 224 varas to place of beginning and containing 40 acres of land.

Also another tract or parcel of land situated in Houston County, Texas, about 10 miles South from the city of Crockett and being a portion of the Y. W. Lacy 200 acre tract on the Moses Gregg league and being a part of the 100 acre tract sold to J. R. and S. C. Hairston by J. T. and Green Hart. Beginning at the N W corner of said 100 acre tract. Thence South 65 yards to a stake bearing a Post Oak 12 in dia marked X and a red oak about 18 in dia. Thence N East 440 yds to stake bearing a black jack 8 in dia X. Thence N 256 yds to Dr. Charles Ellis South line to a stake no bearings. Thence West with said Ellis line 400 yards to place of beginning containing 30 acres of land.

That plaintiffs claim title to said land under and by virtue of the following conveyances, decrees and documents, to-wit:

1. A title from the Mexican Government to Moses Gregg of date the 28th day of May 1835.
2. A deed from J. R. Hairston and wife to W. M. Ellis, of date January 11, 1894 conveying thirty acres of the above land which deed is duly recorded in Volume 15 page 402 of Houston county deed records.
3. A deed of partition between W. M. Ellis, J. C. Ellis and Ida M. Kelley, and her husband T. E. Kelley of date January 15, 1897, under which W. M. Ellis receives 40 acres of the above described land.

Plaintiffs further allege that they claim title to the land above described under and by virtue of the statute of limitation of five years. Also that they claim title to said premises under and by virtue of the statute of limitation of ten years.

Plaintiffs further allege that the fact that there is no deed from Moses Gregg, the original grantee of said land to any one conveying said land, and that there is no deed from all of the heirs of Charles McH. Ellis, deceased, to said land, and that the defendants are setting up and asserting some kind of pretended claim of title to said land, the exact nature of which is unknown to plaintiffs, creates a cloud upon plaintiffs' title thereto.

You are further commanded to serve this citation by publishing the same once in each week for eight successive weeks previous to the return day hereof, in a newspaper published in your county; but if no newspaper is published in said county, then in the nearest county where a newspaper is published.

Herein fail not but have you before said court, on the said first day of the next term thereof, this writ, with your return thereon, showing how you executed the same.

Statements That May Be Investigated. Testimony of Crockett Citizens.

When a Crockett citizen comes to the front, telling his friends and neighbors of his experience, you can rely on his sincerity. The statements of people residing in far away places do not command your confidence. Home endorsement is the kind that backs Doan's Kidney Pills. Such testimony is convincing. Investigation proves it true. Below is a statement of a Crockett resident. No stronger proof of merit can be had.

Mrs. B. Tunstall, Bruner's Addition, Crockett, Texas, says: "I have used Doan's Kidney Pills, procured from Sweet's Drug Store for backache, headaches and other symptoms of kidney complaint and have had good results. I feel justified in recommending Doan's Kidney Pills." Mrs. Tunstall is only one of many Crockett people who have gratefully endorsed Doan's Kidney Pills. If your back aches—if your kidneys bother you, don't simply ask for a kidney remedy—ask distinctly for Doan's Kidney Pills, the same that Mrs. Tunstall had—the remedy backed by home testimony. 50c all stores. Suit to remove cloud from title to the following described tracts or parcels of land to-wit:

All that certain tract or parcel of land, situated in the county of Houston and State of Texas, about two and one half miles west of the town of Crockett, being a part of the Daniel Harrison survey and bounded and described as follows: Beginning at a rock for corner in the Halls Bluff road, a red oak 48 in mkd X brs S 69 E 14 varas. (Magnetic variation 8 degrees East.)

2. All that certain tract or parcel of land, situated in Houston County, Texas, about two and one half miles west of Crockett, being a part of the Daniel Harrison survey and bounded and described as follows: Beginning at the S E corner of the tract of land of twenty acres owned by George Leroy out of said Daniel Harrison survey, a stake for corner in the Halls Bluff road N 77 E 250 varas from Buchanan's S E corner. Thence N 20 E with the E B line of said 20 acres tract to the N E corner of same, corner on Pine 20 in dia. Thence S 77 W with the N B line of said 20 acres tract, 250 varas corner on the E B line of said Buchanan tract, a pine 20 in brs East 3 varas, being

the N W corner of said 20 acres. Thence N 20 E with the East line of said Buchanan tract at 926 varas corner in Navarro road at N E corner of Buchanan tract a red oak 20 in mkd X brs S 20 W 16 varas. Thence N 62 1/2 W with said Navarro road to where the N line of the said Harrison survey crosses said road. Thence E with N line of Harrison survey to N E corner of same on S B line of White league a P O brs S 30 W 10 4-10 vrs. do brs S 33 E 10 6-10 vrs. Thence S with the W B line of the A. E. Gossett headright at 950 vrs. corner on N W line of F. Johnson league. Thence S 55 W with N W line of F. Johnson league corner where said line crosses Hall's Bluff road. Thence with the meanders of said road in a westerly direction to the place of beginning containing 110 acres of land, more or less.

Plaintiff claims title to said land under certain deeds, conveyances, and orders of court which are fully set forth and described in plaintiff's said original petition.

Plaintiff further alleges that he and those under whom he claims title to the land above described, have had peaceable, continuous and adverse possession of said land, under deeds duly registered, cultivating, using and enjoying the same, and paying all taxes due thereon for a period of more than five years before the commencement of this suit, and he claims title to the said land under the five years statute of limitation.

Plaintiff further alleges that he and those under whom he claims title to said land have had peaceable, continuous and adverse possession of same, cultivating, using and enjoying the same for a period of more than ten years before the commencement of this suit, and he claims title to the said land under the ten years statute of limitation.

The fact that there is no conveyance from Daniel Harrison or from the heirs of Daniel Harrison to any one and no conveyance from I. D. Adams, Isaac Adams, S. E. Loeb, Lem Haas, S. Frank, Henry Bur, Ferdinand Bur, M. W. Ellis, L. J. Crow, S. D. Drennan, L. D. Drennan, Jacob Allbright, Benjamin Ellis, Joel D. Leathers, I. W. Burton, S. B. Lacy, Isaac Adair, R. J. Blair, John Blair, Lizzie J. Blair, Mrs. L. J. Blair, Ruby J. Blair and that the probate proceedings in the guardianship of John Blair, Berta Blair and Addie Blair are defective and that the defendants are setting up and asserting some kind of title or claim to the above described premises the nature of which is unknown to plaintiff, creates a cloud upon the title of plaintiff to said land.

The plaintiff further alleges that having sold and conveyed portions of the above described land to J. L. Hail, and H. A. Baughman by deeds retaining an express vendor's lien upon the land sold them, sues as well for the benefit of the said J. L. Hail and H. A. Baughman as for himself to remove cloud from the title thereto as he has obligated himself to do.

You are further commanded to serve this citation by publishing the same once in each week for eight successive weeks previous to the return day hereof, in a newspaper published in your county; but if no newspaper is published in said county, then in the nearest county where a newspaper is published.

Herein fail not but have you before said court on the said first day of the next term thereof, this writ, with your return thereon, showing how you have executed the same.

Witness John D. Morgan, Clerk of the District Court of Houston County.

Given under my hand and seal of said court in the City of Crockett this the 12th day of July A. D. 1913.

John D. Morgan, Clerk District Court, Houston County, Texas.—Adv.

**The Pious Mussulman Artist Painted Only Dead Birds.**

According to one of the tenets of the Mohammedan religion, it is a sin to make a picture of any living thing. The elaborate decorations of the palaces and mosques of the east are almost exclusively made up of ingeniously interplacated geometric designs, arabesques or flowers, intermixed with sentences of the Koran.

There is a belief among the Mussulmans that at the day of judgment Allah will demand that the artist who has made the image of a living thing shall endow that image with life and that, failing to do this, the artist will be sent to perdition for his sin.

A gentleman who visited the mosque in Algiers found that the tiles with which the building is decorated, which are very old and very beautiful, are adorned with flights of birds. He expressed surprise at this and asked if the command against such representation were a modern edict.

"Oh, no," answered the pious Algerian to whom he addressed the question. "These are not pictures of living birds."

"But they are painted as if flying across the tiles," the other said in some astonishment.

"Yes," the Mussulman replied, "but do you not see about the neck of each there is a fine black line? That is to show that the artist painted only dead birds, and the command of the Koran is not violated."—London Chronicle.

**The Word "Almanac."**

The etymology of the word "almanac" has been more disputed than that of any other in the English language, and from the opinions expressed upon the subject, Verstegan's has been accepted as probable, though there cannot be the slightest doubt that the Saxons, from whom he obtains his derivation, took their term from the Arabic. The Saxons, he says, "used to engrave upon certain squared sticks about a foot in length or shorter or longer as they pleased the courses of the moons for the whole year, whereby they could always certainly tell when the new moons, full moons and changes should happen, as also their festival dates, and such a carved stick they called an almon-acht—that is to say, al-moon-head—to wit, the regard or observation of all the moons, and hence is derived the name of almanac."—London Tit-Bits.

**Discouraged.**

"That last thing you sent in was good," said the editor; "we all enjoyed reading it very much."

"Well, in that case," said the youthful poet, "I take back what I said in the letter I wrote to you yesterday about my determination never to send you any of my work again."

The editor slowly shook his head. "Don't do that," he murmured. "That letter is what I referred to!"

**You Live Better Than Kings of Old**

By HOLLAND.

ALL the great rulers of the earth from King Solomon to Peter the Great were at a disadvantage compared with the citizens of today. Not one of them had a bathroom with a porcelain tub and modern plumbing in his palace. Not one of them used a safety razor, had an appetizing breakfast food, used a telephone or enjoyed the comforts of an electric light. All these are within the reach of rich and poor today. All are enjoyed by rich and poor.

You are better off than Emperor Napoleon, Rameses II. or Louis XIV. You have conveniences they never imagined or dreamed about. Chief among them are the modern newspaper and its advertisements and advertised wares. Are you getting all the good out of life that is possible?

You are not if you neglect to read the advertisements and to buy the articles that are advertised. Comforts, luxuries and necessities are offered to you in great profusion, and the fact that they are advertised proves that the articles are reliable.

**STATES ARE HUSTLING --- EXHIBIT SPACE FREE.**

Exhibit space is absolutely free to all exhibitors at the Panama-Pacific International Exposition in San Francisco in 1915. All the capital that is being put into the great Exposition and all the benefits to be derived from the millions of visitors who will view the exhibits are at the disposal of the exhibitor without any cost whatever to him, except the cost of transportation, installation and maintenance. Every state in the United States will be represented at the Exposition. In most of the states the legislatures have made direct appropriations for participation. In the few that have not done so commercial interests are co-operating to raise large sums in order to have their states represented. This is being done in Iowa, Oklahoma and other commonwealths which feel that as they here a part of the expense of building the Panama canal their citizens should participate in the Exposition that is to celebrate the canal's completion.

D. 1913 in a suit, numbered on the docket of said Court No. 5462, wherein Bettie Erwin and J. B. Erwin, and Tobe Pruitt are plaintiffs, and the Unknown Heirs of Martin Lacy, dec'd, the Unknown Heirs of C. L. Wall, dec'd, the Unknown Heirs of W. F. Wall, dec'd, the Unknown Heirs of H. W. Brown, dec'd, the Unknown Heirs of A. D. Roper, dec'd, the Unknown Heirs of D. M. Coleman and H. W. Beeson, both dec'd, the Unknown Heirs of Milton Gary, dec'd, the Unknown Heirs of W. R. Brown, dec'd, the Unknown Heirs of J. Q. Brown, dec'd, the Unknown Heirs of Amelia Musson and husband J. Q. Musson, both dec'd, the Unknown Heirs of G. A. Floyd, dec'd, the Unknown Heirs of C. T. Burtis, dec'd, the Unknown Heirs of James F. Ford, dec'd, the Unknown Heirs of Eliza F. Heard (alias) Mary E. F. Heard and husband S. A. Heard, both dec'd, are Defendants and said petition alleging that plaintiffs are owners in fee simple of the following described tract of land, lying and being situated in Houston County Texas, about 20 miles S. W. of Crockett, the same containing about 296 acres of land, out of the Arthur Henrie headright, and bounded as follows: Beginning at the S. E. corner of M. J. Chamar labor. Thence North 67 East 100 vrs to corner of James Murphy and Arthur Henry. Thence S 23 E 860 vrs to Arthur Henry's S. E. corner on J. Durst north boundary line. Thence South 55 West with J. Durst line 1770 vrs to corner on Alligator Slough to pin oak mkd X for corner. Thence North 27 West 500 vrs to M. Bromberg's S. E. corner. Thence North 15 East with Bromberg's E. B. line 930 vrs. to M. J. Chamar S. W. corner. Thence North 67 East with Chamar's S. B. line 1000 vrs to the place of beginning. Plaintiffs allege that they and those under whom they claim title to said land have been in the actual, continuous, peaceable and adverse possession thereof, under title, and deeds duly registered for periods of five and ten years, respectively, and specially plead the five and ten years statutes of limitation in bar of any adverse claim

to said land by the defendants or any of them.

Plaintiffs claim title to said land under certain deeds, conveyances and transfers, which are fully set forth in plaintiff's original petition.

The fact that there is no deed or transfer out of Martin Lacy to any one of any part of said 1-3 of a league of land, that the records do not show any authority in the Admr. of C. L. Wall's estate to make deed to Milton Gary, that there is no authority shown in the Admr. of the Estate of W. F. Wall to make deed to Milton Gary, that there is no authority shown in D. M. Coleman and H. W. Beeson to make deed to James F. Ford guardian of Mary E. F. Jacobs after the death of said Milton Gary, that there is no deed or order of court transferring the legal title from James F. Ford to his ward Eliza F. Heard (nee Jacobs), that the deed from Eliza F. Heard to Mattie Hopkins is not signed by S. A. Heard husband of the said Eliza Heard, and that the acknowledgement to same is defective, that there is no release of the deed of trust from G. A. Floyd to C. T. Burtis, that there is no deed or transfer out of G. A. Floyd to any one of said tract of land, that there is no judgment, order of sale or sheriff's return to support the sheriff's deed from A. D. Roper to H. W. Brown, that there is no deed from H. W. Brown to any one of said tract of land, that the acknowledgments to deed from W. R. Brown, J. Q. Brown, and Amelia Musson and John Q. Musson to Bettie Erwin, Jim Erwin, Birdie Allee and S. T. Allee is defective, and that the claims of all others of the defendants are unknown to plaintiffs, create and cast a cloud upon plaintiff's title, which plaintiffs would show should be cancelled and held for naught. Plaintiffs would show that none of the defendants have any right, title or interest in said land.

Plaintiffs would show that there has been no deed of partition between plaintiffs of the interest of each in said land and that they are authorized to join herein as plaintiffs.

Plaintiffs pray that citation issue, and for judgment for the title and possession of said land, quieting plaintiffs' title to same, removing all clouds therefrom, substituting all missing links, and for such other and further orders and decrees, both in law and in equity, as plaintiffs may be entitled to, for costs, and for special and general relief.

Herein fail not, but have before said Court, at its aforesaid next regular term, this writ, with your return thereon, showing how you

have executed the same.  
Witness, John D. Morgan, Clerk of the District Court of Houston County.

Given under my hand and the Seal of said Court, at office in Crockett, this the 28th day of July A. D. 1913.

John D. Morgan, Clerk,  
District Court, Houston County.

**Coca Cola Habit, a Ghost.**  
We have all heard of ghosts, but none of us has ever seen one. It's the same way with coca cola "fiends;" you can hear about them, but you might search for them until doom's day and you would never find one. Physicians who have treated hundreds of thousands of drug-habit cases, including opium, morphine, cocaine, alcohol, etc., say that they have never seen a case where the use of Coca-Cola has so fastened itself upon the individual as to constitute a habit in the true sense of the word. Although millions of glasses of Coca-Cola are drunk every year, no Coca-Cola fiends have ever made themselves visible at the doors of the sanitariums for the treatment of drug habits.

The Coca-Cola habit is analogous to the beefsteak habit and to the strawberry habit and the ice cream habit. People drink Coca-Cola first because they see it advertised and thereafter because it tastes good and refreshes their minds and bodies. They drink it when they can get it and contentedly do without it when they can't get it. If you had ever witnessed the ravings of a real drug fiend when deprived of his drug, if you had ever observed the agony he suffers, you would never again be so unfair as to mention Coca-Cola in the same breath with the "habit-forming" drugs.—Adv.

**Remarkable Cure of Dysentery.**  
"I was attacked with dysentery about July 15th, and used the doctor's medicine and other remedies with no relief, only getting worse all the time. I was unable to do anything and my weight dropped from 145 to 125 pounds. I suffered for about two months when I was advised to use Chamberlain's Colic, Cholera and Diarrhoea Remedy. I used two bottles of it and it gave me permanent relief," writes B. W. Hill of Snow Hill, N. C. For sale by all dealers.—Advertisement.

**"Tales of Honey and Tar" from West and East.**  
Wm. Lee, Paskenta, Calif., says: "It gives universal satisfaction and I use only Foley's Honey and Tar Compound for my children." E. C. Rhodes, Middleton, Ga., writes: "I had a racking lagrippe cough and finally got relief taking Foley's Honey and Tar Compound." Use no other in your family and refuse substitutes.—I. W. Sweet.—Adv.

## HUSBAND RESCUED DESPAIRING WIFE

**After Four Years of Discouraging Conditions, Mrs. Bullock Gave Up in Despair. Husband Came to Rescue.**

Catron, Ky.—In an interesting letter from this place, Mrs. Bettie Bullock writes as follows: "I suffered for four years, with womanly troubles, and during this time, I could only sit up for a little while, and could not walk anywhere at all. At times, I would have severe pains in my left side.

The doctor was called in, and his treatment relieved me for a while, but I was soon confined to my bed again. After that, nothing seemed to do me any good.

I had gotten so weak I could not stand, and I gave up in despair.

At last, my husband got me a bottle of Cardui, the woman's tonic, and I commenced taking it. From the very first dose, I could tell it was helping me. I can now walk two miles without its tiring me, and am doing all my work."

If you are all run down from womanly troubles, don't give up in despair. Try Cardui, the woman's tonic. It has helped more than a million women, in its 50 years of continuous success, and should surely help you, too. Your druggist has sold Cardui for years. He knows what it will do. Ask him. He will recommend it. Begin taking Cardui today.

When a man has suffered for several days with colic, diarrhoea or other form of bowel complaint and is then cured sound and well by one or two doses of Chamberlain's Colic, Cholera and Diarrhoea Remedy, as is often the case, it is but natural that he should be enthusiastic in his praise of the remedy, and especially is this the case of a severe attack when life is threatened. ### AUTOMOBILES RUIN RACE TRACK.

The automobile owners and drivers of this city are put on their honor to keep off the race track of the Houston County Fair Association. Mr. Deupree, acting for the association, gives ample notice through the Courier this week. The automobile owners and drivers of this city are honorable men and the Courier has no sort of a doubt that the request will be agreeably complied with. But should there be any among them who find pleasure in knowingly trespassing on the property of the Fair Association, then other measures to prevent further trespassing will have to be resorted to. However, nothing of that kind is anticipated, and suggestions along that line are needless. Automobiles cut up and ruin the race track, and as the racing season is approaching the track must be put end kept in the best of order. The Courier takes it that all have a pride in the track and that none would wantonly injure the race course.

### EVERY MERCHANT SHOULD ADVERTISE.

No store is so small or town so insignificant that it does not pay the merchant to advertise. He should send a weekly message into the homes of the people in his trade territory. They are all interested in bargains, and consistent and conscientious advertising cannot fail to pay for itself over and over again during the year.

The country merchant oftentimes takes it for granted that the people know his line of goods and will come to the old stand to make their purchases, but the wise merchant knows that business follows an ad.

The merchant who does not advertise cannot do business in competition with one who advertises.

No business is so small that a merchant cannot afford to take a half page or a page ad the year around. Try it and watch your business grow.

### A WOMAN'S WAY.

Many men do not fully appreciate their wives, or perhaps it would be more courteous to say they do not understand them. A woman is God Almighty's greatest handiwork and the triumph of creation. Her mental faculties are highly developed and distinctively feminine. She is by nature more lofty, refined and cultured and has a higher sense of duty and devotion. There is nothing that so deadens womanly nature as a home that is commercialized and surroundings that are compelled to yield to the demands of a dollar.

A swing for the children may not be a revenue producer, pictures upon the walls may not pay annual dividends, musical instruments cannot be fattened and sold, and good books and periodicals will not swell the bank account, but they build character, make happiness and contribute towards our enlightenment. A mother with her ideals stifled by business greed is a queen robbed of her crown.

### A Lecture to Girls.

Now I am going to be cross. I may even scold a little. For a young girl writes to tell me that her mother is curious about her

friends, and always asks her whom she is going out with at night, what time she will be home, and other things along the same line. The girl obviously expects me to tell her that she has a right to be very much annoyed, but I am inclined to agree with the mother. I girl should take a mother into her confidence just as she would a chum. For a mother is—a mother, and it is her right to know everything. If she cares to ask questions and give opinions about the boys that call on her daughter, she is perfectly right. It is not only her privilege, but her duty.—The Christian Herald.

The reception hall was embanked with ferns, and here the young men found the refreshing punch bowl, presided over by Miss Beatrice Bayne of Trinity. After all had assembled they were invited into the dining room, which was decorated with beautiful daisies and orange and white ribbons. Each guest's place at the table was marked by a card bearing his name on one side and a toast to the young men of Lovelady on the other. At each place was found a dinnergram, and after the reading of these a most delicious seven-course dinner was served by Misses Monday and Collins in their most charming manner. After dinner cigars were enjoyed by the young men on the spacious porches, while music was rendered by the host assisted by Mr. Eugene Lee. Those composing the party were Messrs. Willie H. Collins, Joe N. Collins, Roy Mainer, Dan S. Williams, Jr., Wirt Murray, Harry Wakefield, Raleigh Atkinson, Eugene Lee, Owen Lee,

Chas. J. Niissle, Norman Moore, Willie Harris, Ira J. Young, George McCullar.

### Saw Brother Scalped by Indians.

Normangee, Texas, August 2.—Mrs. Elizabeth Ann Batson, familiarly called "Aunt Betsey," is among the oldest settlers of Normangee and at this time is hale and sprightly, even at the advanced age of 79 years.

"Aunt Betsey's" father, Robert Rogers, and his brother, Stephen Rogers, accompanied by their families, came to Texas from Missouri in 1834 and settled on the old San Antonio road at a point which has since become known as Rogers' Prairie, in Leon county. While making the trip from Missouri the party stopped at Nacogdoches for a visit and while there, August 3, Mrs. Batson was born.

When the Rogers families first settled in Leon county the Indians were still in the country and "Aunt Betsey" tells many interesting stories of the early days when the Indians would attack and often murder the early settlers. For the first few years the Rogers lived in block houses for protection from roving bands of redskins. Aunt Betsey well remembers the time when she would go to sleep at night while her father and brothers would set up to guard the family when Indians were on the warpath.

On April 10, 1841, she, with the rest of the family, witnessed an attack on her brother, Stephen, by the Indians when he was killed and scalped in sight of the house. She also tells of the murder of a family by the name of Gregg by the Indians in the same year that her brother was killed. The Gregg family consisted of the mother, three or four boys and girls, and several slaves. The party was en route from Alabama to the Brazos River
