## Clayton Dinner Set For Thursday Night

### Place Changed To Local High School

Tickets will be available at the door tonight (Thursday) for the Bill Clayton Appreciation Dinner. The place for the dinner has been changed from the Mary DeShazo gym to the Muleshoe High School cafeteria for the convenience of those attending.

Tickets are priced at \$10 per person and all proceeds will go to Clayton's campaign for Speaker of the House.

People from all over Clayton's district, along with many state senators, representatives and officials are expected to be present.

Speaker for the evening will be Louie Welch of Houston, mayor of Texas' largest city.

Others who will speak include Roy Coffee, administrative assistant to Governor Dolph Briscoe; Senator Max Sherman of Amarillo; Rep. Tom Uher of Bay City; and Clayton will make

a brief speech.

Jack D. Young, District Attorney of the 154th Judicial District, will also make remarks. Grady Tunnell of Plainview will be master of ceremonies.

Rev. Glen Smith, pastor of the Springlake First Baptist Church, will give the invocation and Rev. C.B. Melton, pastor of the Muleshoe First United Methodist Church, will give the benediction.

Over 30 state representatives and senators have accepted invitations to the dinner.

Co-chairmen for the event are Gordon "Corky" Green and Harvey Bass.

Rep. Clayton has represented this district since 1962. He has been reelected every two years since. Clayton is the acknowledged water legislative leader in Texas having either authored or co-authored or played a key role in every major water legislation during his tenure. He currently serves as chairman of the Standing Sub-Committee on Water Conservation, Natural Resources and serves on Elections and Inter-governmental Relations committees.

The representative maintains farming and ranching operations in Lamb County, is a director of the Olton State Bank, President of Springlake Enterprises, Inc. and president of Texhold, Inc.

Clayton is a member of the Executive Committee of the Southern Environmental Resources Conference, on the Board of Directors of the Texas Water Conservation Association, Board of directors of Water, Inc., chairman of the Interstate Conference on Water Problems, and is a member of the West Texas Chamber of Commerce Water Resources Committee, and various other water-oriented associations and institutes. He is on the Executive Committee of the Southern Legislative Conference and is Chairman of the Intergovernmental Relations Committee of the National Legislative Conference. He is a Deacon of the First Baptist Church, Springlake, and past president of the Springlake Lions Club.

He is a recipient of many awards and citations including the Fort Worth Press "Outstanding Service Award in Water Conservation" and the First Award of the West Texas Water

COTTON IN BLOOM . . . Area cotton farmers were well pleased with the recent rains over the area. Cotton is in full bloom now and some farmers are reporting squares at this time. This year adequate moisture has been received over the area and makes

for a good looking crop. Dryland farmers are reporting their best crops in many years due to the wet summer. Rain fell in the county the first of the week and it seems that this area has a shower almost every week.

## Crusade To Be Held Here August 5-12

The Great Jesus Crusade will be held in Muleshoe on August 5-12 at the Muleshoe High School football stadium. Baptist evangelist, Michael Gott, will be the guest preacher for the campaign. This will be a community-wide campaign sponsored by several churches in the area.

Gott was born in Lubbock and was raised in Livingston, Texas, where he graduated from high school. While in school he was involved in athletics and FFA.

He attended Baylor University and graduated with a B.A. in religion. After graduation he received a scholarship to study under James Stewart, a chaplain to the Queen of England at the University of Edinburgh in Scotland. After

earning a master's degree from Southwest Baptist Theological Seminary at Fort Worth he entered full-time evangelistic ministry.

Gott has become widely known throughout the southwest United States as an outstanding young evangelist. During his ministry, the 30 year old Texas Baptist minister has conducted over 400 evangelistic meetings, preaching to crowds that have, on some occasions, exceeded 1,500.

During the last decade Gott has attended some of the most significant meetings on evangelism in the world. He attended both the World and the U.S. Congresses on Evangelism.

Rev. Gott traveled extensively in Europe and the Middle

East as well as traveling extensively in Russia, Poland, Yugoslavia and East Germany.

The growth of his ministry is marked by invitations to city-wide evangelistic campaigns in the United States as well as participating in two evangelistic campaigns in Great Britain. He will be engaged in similar type meetings in

## Shortage Of Baling Wire Critical

Texas Farm Bureau President J.T. (Red) Woodson said that a shortage of baling wire for hay could lead to a livestock feeding crisis this winter.

The farm leader said there are also shortages of fencing wire and cotton bale ties.

Woodson said Farm Bureau is encouraging steel mills to give high priorities to production and distribution of steel products necessary in the production of food and fiber.

He said steel industry officials give the following reasons for shortages of baling wire, fencing wire and cotton bale ties:

(1) Imports of steel and steel products have been drastically reduced because the U.S. has asked foreign countries to limit their exports to the U.S. This was done in order to reduce the balance of payments deficits. Also, these nations agreed to such agreements because they are not as anxious to acquire U.S. dollars which are rapidly dropping in value

## Police Report

Arrests logged in the Bailey County Law Enforcement Center over the past few days include the Highway Patrol arresting one alien and one for DWI; the police department arrested one for drunk and disturbance, one for drunk and two for breaking and entering; and the Sheriff's office arrested three for auto theft and three for being drunk.

## Moisture Contributes To Crop Outlook

An abundant supply of moisture this growing season has benefited area crops greatly. "In this stage, the crops look better than they have looked in many, many years," reports Lee Pool, a former Bailey County Agent.

The moisture and the lack of severe weather early in the growing season has contributed to the excellent look of the crops. There was very little hail damage experienced by farmers in this area back in the spring, and in this immediate area, none of the farmers had to replant late in the season due to hail as many have had to do in past years.

Pool said the only damage to cotton in this area was some by insects. He said the insects were in the cotton before the farmers noticed them and they caused the first blooms to fall off some

of the cotton. Rainy, cool weather has persisted in the area this week with up to one and a half inches of rain being recorded in eastern Bailey County and a half of an inch in other parts of the county.

Pool stated that dryland crops were doing excellent this year also. This is the first year in quite some time that dryland farmers have had adequate moisture for their crops.

July has been a very rainy month this year compared to past years when July would be the driest month of the year.

Now, with plenty of moisture, the farmers are looking for some nice, hot, dry weather for the next few weeks. The hot weather would allow the cotton to mature at a much faster rate than the cool cloudy weather that has prevailed this week.

## King, Moore Named Outstanding Young Men

Stanley Max King of 1814 West Avenue D, Muleshoe, and Kerry Grant Moore, 811 West Third Street, Muleshoe, have both been selected as Outstanding Young Men of America for 1973, according to Doug Blankenship, Chairman of the Board of Advisors for the national awards publication.

The two were nominated by the Muleshoe Chamber of Commerce and Agriculture.

Now in its ninth year, Outstanding Young Men of America is an annual biographical compilation sponsored by leading men's civic, service and professional organizations. The Awards Volume features the accomplishments of approximately 7,000 young men of exceptional abilities and achievements from across the country.

Criteria for inclusion in Outstanding Young Men of America are service to others, professional excellence, business advancement, charitable activities and civic and professional

recognition. The young men chosen for this distinction are between the ages of 21 and 35.

Ronald L. Zeigler, author of the introductory statement in the 1972 edition, has said of the publication, "the thousands of young Americans whose stories are told in these pages represent only a sampling of the talent that is powering this country into the Seventies . . . I know that to each of them this is less a book of praise . . . though praise it is, and well deserved . . . than a volume of challenge."

Nominations for the awards publication are made by civic organizations, Jaycee chapters, college alumni associations and military commandants.

The 1973 edition of Outstanding Young Men of America, scheduled for publication and national distribution in October, will include a special introductory message by Lieutenant General Alvan C. Gille, II, Commander, Maxwell AFB, Montgomery, Ala.

## Registration For Kindergarten Nears

In compliance with recent legislation, all children who will be five years of age on or before September 1, 1973 will be eligible to attend Kindergarten in the Muleshoe Public Schools. All five year olds will be able to attend on a voluntary basis, but it will not be compulsory for them to attend Kindergarten.

Registration for students will be Thursday, August 23, 1973 and the first day of school will be Monday, August 27, 1973.

When a child is brought to register in Kindergarten, Grade One or Grade Two, he will need to bring his birth certificate (unless he has attended the Muleshoe Schools previously) and also his health records. The school will need both the birth certificate and the health record (signed by a doctor), before he can be entered in class unless they have attended the Richland Hills School previously.

The immunizations that are required are Polio, Diphtheria

Tetanus, Rubella and Measles. If a child has not been started on his shots, there will be a clinic held at the Bailey County Courthouse on Tuesday, August 21, between the hours of 12 and 1 p.m. This clinic will be held each Tuesday thereafter at the same time at the courthouse so immunizations that are necessary can be completed.

Classes for pre-school will be same times as for grades one and two. They will need

## 4-H Record Books Due August 3

Bailey County Agent Spencer Tanksley reminds local 4-H'ers that the 4-H Record Books are due in the County Agent's office on August 3, 1973.

4-H members are reminded that in order to receive county achievement medals at the annual banquet in the fall, the record books must be turned in. Boys and girls who need more information on compiling their record books can receive assistance at the local county agent's office in the Bailey County Courthouse.

TO COMPETE AT STATE . . . Bobby Henderson, son of Mr. and Mrs. Bob Henderson of Muleshoe, will go to Odessa for the State 4-H Horse Show on August 2, 3 and 4. Henderson will be competing in Western Pleasure and Reining. He won first place in reining at district competition which qualifies him to compete at state. Others from Bailey County who will be competing at state are Sherman Presley and Tim Wheeler.

MRS. JOE BOB SIMS  
nee CANDACE VIRGINIA GABLE

## Gable, Sims Wed In Garden Ceremony

In a garden wedding at the home of her grandparents, Mr. and Mrs. H.M. Gable, Miss Candace Virginia Gable and Joe Bob Sims were married Friday evening, July 6, at 8:00 p.m. Rev. Charles Harvey, pastor of the Calvary Baptist Church of Muleshoe, officiated in the double-ring ceremony. Miss Gable is the daughter of Mr. and Mrs. Bill Gable of Rt. 1, Muleshoe. The groom is the son of Mrs. Alice Johnson, also of Muleshoe.

The couple stood before an archway entwined with ivy and emerald leaves accented by yellow bows. Red roses and white dahlias provided the background. Musical selections were "The Twelfth of Never," "A Time for Us" and "The Lord's Prayer," presented by Mrs. Lee Embry, pianist and soloist, Mrs. Jimmy Craft of Earth. They wore formal length gowns of mint green.

Given in marriage by her father, the bride wore a formal length princess style gown of antique silk organza featuring lantern sleeves of antique bridal satin. Alencon lace trimmed the gown and a pleated train was attached at the waistline. Her waist length bouffant veil of antique illusion fell from a jeweled crown. She carried a nosegay of yellow sweetheart roses, white carnations, baby's breath and green velvet leaves entwined with streamers of yellow and Nile green tied with love knots.

Following tradition, the bride wore a 63 year old locket belonging to her grandmother as something old and a blue garter. She also carried pennies minted in the years of their births in her shoe. Her gown and veil was made by her aunt, Mrs. Dorothy Humiston of Australia.

Miss Cheryl Gable of Muleshoe attended her sister as maid of honor. She was attired in a formal length gown of mint green silk organza over taffeta. Wide ruffles accented the bodice featuring long puffed sleeves and the hemline of the gathered skirt. She wore a picture hat of delicate mint swiss lace and carried a nosegay of yellow sweetheart

roses, white carnations, baby's breath and leather leaf entwined with mint green bows and streamers tied with love knots. Tracey and Debbie Lackey, nieces of the groom, were flower girls. They were identically dressed in formal length gowns of mint green and wore corsages of daisies on their wrists. Each carried a long stemmed yellow rose which the bride presented to her mother and the groom's mother during the ceremony.

Micky McCurdy of Imperial Beach, Calif. served as best man. Ushers were Carl Gable and Lee Gable, brothers of the bride, both of Muleshoe.

A reception followed the ceremony on the patio of the H.M. Gable home. The bride's table was laid with a green underskirt overlaid by white lace. Centering the table was a wedding cake in the shape of wedding bells decorated with white camillias, yellow rosebuds, lillies of the valley and yellow satin ribbons. The cake was also made by the bride's aunt, Dorothy Humiston. Yellow candles and yellow and green flowers completed the table decor. Green slush punch and assorted nuts were served from crystal appointments.

Presiding at the table were Mrs. Lee Gable and Mrs. Carl Gable, sisters-in-law of the bride and Mrs. Brenda Lackey, sister of the groom who also registered guests. They wore formal length gowns of yellow. The reception was hosted by Mrs. Sammie Ethridge and Mrs. Billy Embry.

For a short wedding trip to New Mexico, the bride chose a brown and white sleeveless knit pant suit with matching accessories. She wore a corsage of yellow roses lifted from the bridal bouquet. Mrs. Sims is a 1973 graduate of Muleshoe High School. The couple will reside in Imperial Beach, Calif., while the groom is stationed with the U.S. Navy on the U.S.S. Halsey at San Diego, Calif.

Out-of-town guests for the occasion were Mr. and Mrs. Edgar Humiston of New Milford, Conn., uncle and aunt of the bride; Mr. and Mrs. Jerry Ware of Clovis, N.M., sister of the groom; Miss Gayetta Gable of Amarillo, cousin of the bride; and Mr. and Mrs. Micky McCurdy of Imperial Beach, Calif. A rehearsal dinner was hosted by Mrs. Alice Johnson, mother of the groom, on the evening of July 5.

## Miss Madrid Feted With Bridal Shower

Miss Irene Madrid, bride-elect of Ruben R. Anzaldua, was honored Friday evening, July 27, from 8:00 to 10:00 p.m. with a come and go bridal shower in the community room of the Muleshoe State Bank.

The table was laid with a white lace cloth and centered by a candelabra featuring yellow candles entwined with yellow and white bells. White cake decorated with yellow flowers, pineapple punch, cookies, assorted nuts and mints were served. Mrs. Juan Madrid and Mrs. Joe Madrid presided at the table.

Miss Geneva Madrid, sister of the honoree, registered the guests. The register table was laid with a white lace cloth and centered by a flower arrangement accented with a yellow

low candle. Special guests of the honoree were Mrs. Salomon Madrid of Muleshoe, her mother; Mrs. Luis Gauna of Clovis, N.M.; and the ladies of the Muleshoe State Bank.

The hostess gift was a set of stainless steel cookware. Hostesses for the occasion were Mrs. Juan Madrid, Mrs. Joe Luis Madrid, Mrs. Amado Aguirre, Sr., Mrs. Amado Aguirre, Jr., Mrs. Joe Luis Elizarraraz, Mrs. Jose Elizarraraz, Mrs. Joe Yuregas, Mrs. Noe Anzaldua, Mrs. Phil Montoya, Mrs. Freddie Anzaldua, Miss Geneva Madrid, Miss Evelyn Whisenhunt, Miss Ana Castorena, Miss Adlea DeLeon, Miss Merced Puente, Miss Betty Pedroza and Miss Virginia Ybarra.

## Miss Boren Feted In Albuquerque

Miss Kathy Boren, bride-elect of Bill Farley, was feted with a gift tea Tuesday evening, July 24, in the pool side garden of Mrs. Nita Thompson of Albuquerque, N.M. Mrs. Hazel Vaughn, also of Albuquerque, assisted with the hospitalities.

Refreshments of orange punch and white cake decorated with red roses were served to the guests.

Special guests attending were Mrs. Wilford Boren of Muleshoe, mother of the bride-to-be; Mrs. Frank Farley of Albuquerque, N.M., mother of the prospective groom; and Mrs. John Matlock of Albuquerque, N.M., sister of the prospective groom.

Hostesses, Mrs. Vaughn and Mrs. Thompson, presented the honoree with a set of crystal and matching pitcher.

## Bridal Shower Honors Miss Tisa Haberer

Miss Tisa Haberer, bride-elect of Gene Whitfill, was honored with a bridal shower Friday afternoon, July 27, in the home of Mrs. Irvin St. Clair.

The serving table was laid with a yellow nylon dotted swiss cloth edged in nylon lace. An arrangement of carnations, daisies and baby's breath placed in a bowl of crystal and brass and featuring yellow candles centered the table. A miniature bride completed the table decor. Punch and finger sandwiches were served from crystal appointments. Presiding at the table were Mrs. Bill Jim St. Clair and Mrs. Carl Bamert.

Special guests for the occasion were Mrs. Ben Whitfill of Silverton, mother of the prospective groom; Mrs. Russell Haberer of Plainview, mother of the honoree; Mrs. Bonnie Haberer of Muleshoe and Mrs. Opal Davis of Earth, grandmothers of the honoree; and Miss Leslie Haberer of Plainview, sister of the honoree.

The hostess gift was a Bates bedspread. Hostesses for the occasion were Mrs. Carl Bamert, Mrs. Irvin St. Clair and Mrs. Bill Jim St. Clair. Guests called during the afternoon from Earth, Lubbock, Silverton and Plainview.

WEDDING PLANS REVEALED . . . Mrs. Lucille Cherry of Muleshoe announces the engagement and approaching marriage of her daughter, Tanya Lynn, to James Elwyn Chadwick, son of Mr. and Mrs. W.O. Chadwick of Farwell. Miss Cherry is a 1970 graduate of Muleshoe High School and is presently employed at the First National Bank of Muleshoe. The prospective groom graduated from Farwell High School in 1970 and is engaged in farming in the Farwell area. The couple will wed August 31 at 7:00 p.m. in the First Baptist Church of Farwell.

## Annual Summer Reunion Held Recently By Redwines

The Redwine family held their annual summer reunion Sunday, July 15, at the Hereford Bull Barn.

Before a picnic lunch, a devotional was led by Mark Redwine of Port Arthur. It was taken from Matthew 6:19-34. Prayer was led by J.B. Sneed of Sunray.

Five sons and four daughters of Mrs. Minnie Redwine were able to attend. Family members attending were from Hart, Lubbock, Littlefield, Ozona, Port Arthur and Muleshoe. Guests attending were Mr. and Mrs. Rene Sneed of Friona; Lyndon Findley of Littlefield; a guest of Denise McCurry; and Mark Bearden of Muleshoe, a guest of Bobbie Henry.

## Judy Lee Named Weekly Queen Of TOPS Club

TOPS Chapter No. 34 met Thursday evening, July 26, at 7:00 p.m. in the meeting room of Bailey County Electric with 23 members weighing in.

Judy Lee was named weekly queen. First runner-up was Becky Sain. Linda Vinson was second runner-up.

Leavell Parker celebrated her birthday and received a gift from the birthday box.

The next meeting will be held August 2 at 7:00 p.m. It has been designated as "awards night."

## Freezing Hints For Vegetables

Have good, fresh-tasting vegetables next winter--by freezing them now, Mrs. Robin Taylor, county Extension agent, said.

Almost any vegetable can be frozen, from asparagus to zucchini, and it doesn't take much time or a lot of equipment.

All you really need is a big kettle of hot water for blanching, a wire basket, cold water for cooling and packaging containers.

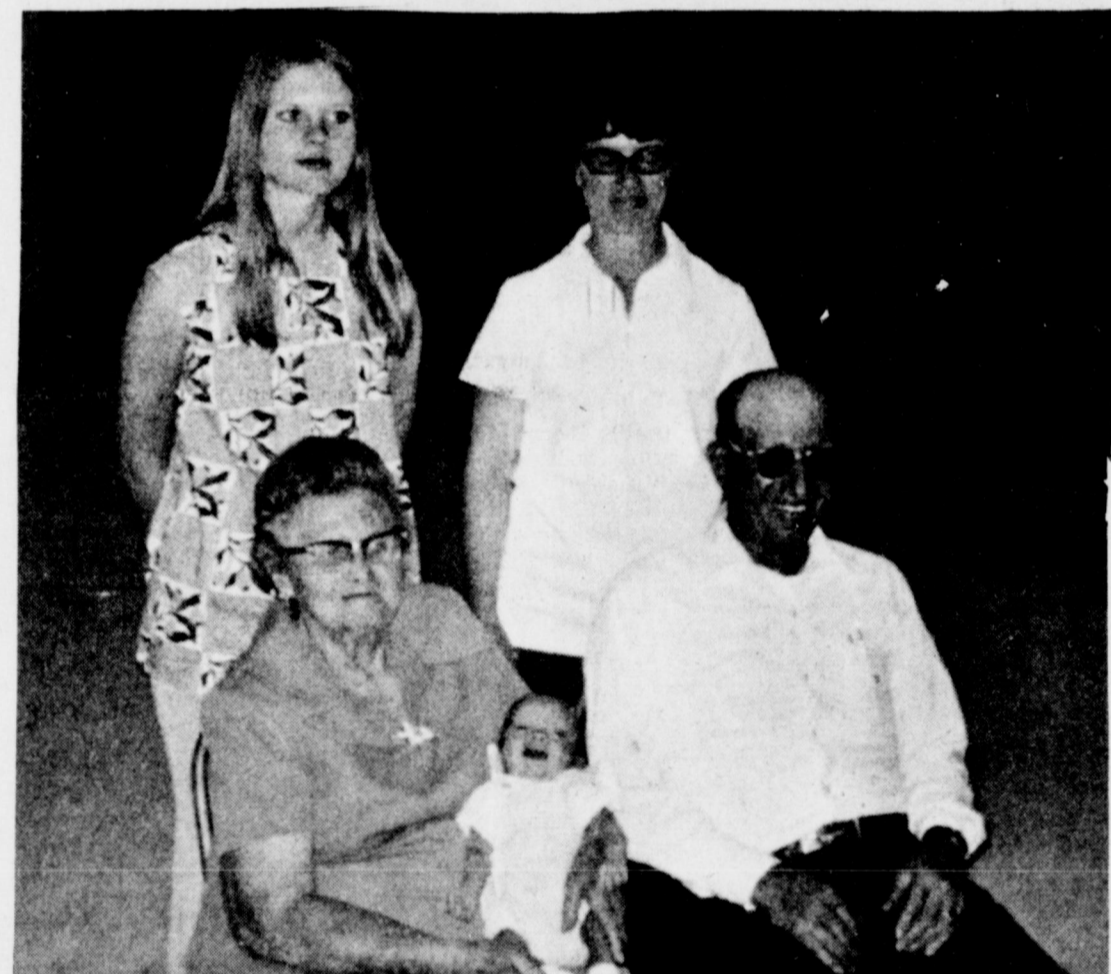

Despite the simplicity, some people have problems with frozen food being of poor quality. To resolve this, there are four simple steps essential to excellent quality.

First use young and tender vegetables. Then freeze them immediately. Leaving them in the garden even a day too long can mean the difference between tough and tender condition next winter.

After washing and preparing the vegetables comes blanching--the most important step. This brief plunge into boiling water is the big secret to successful home freezing.

Its whole purpose is to stop the action of enzymes. Needed for the living plant's growth, these enzymes continue to work--even in the freezer--unless stopped by blanching. Their action results in off-flavor, toughness or mushiness and off-colors.

Fortunately, blanching is easy. All that's needed is a gallon of rapidly boiling water in a kettle, about a pint of vege-

**FIVE GENERATIONS . . . . .** Pictured above are the five generations of the Redwine family who attended the annual summer reunion held recently. L. to r. counter-clockwise, they are: Mrs. Minnie Redwine, Michael Nicky Rodriguez, her first great grandchild; G.E. Redwine of Hart, her son; Mrs. Oral Gulley of Clovis, her granddaughter; and Mrs. Nicky Rodriguez of Bovina, her great granddaughter. Mrs. Redwine has 34 grandchildren and 54 great grandchildren.

tables and a wire basket. Put the vegetables in the wire basket and plunge them in to the water. Cover the kettle and start timing immediately.

Exact timing is important. Too much or too little will hamper the quality. For recommended times on each vegetable, consult a cookbook or freezing manual.

The third key to successful freezing is quick cooling. A pan of ice water or even cold running water will do the job. Check a cookbook or freezing manual for exact times. But generally it takes about as long or longer to cool as it does to blanch.

Next, drain the vegetables and pack in airtight containers. Milk, ice cream or cottage cheese cartons can be used only if the vegetables are first sealed in plastic freezer bags.

Then, quickly set the containers in the freezer, making sure it is set at zero degrees

F, or lower to maintain quality. Follow these four main steps and use recommended blanching and cooling time for better quality vegetables.

## HOME

Take advantage of meat specials by freezing extra portions. Be sure to separate steaks, chops, etc., with two layers of plastic or wax paper.

Plant a variety of herbs in individual hanging pots for your sunny kitchen window. They'll be a conversation piece as well as useful in cooking.

Now is the time to plan where you want to add spring-blooming bulbs. Choice selections are arriving at your garden shops.

## Silver And Pewter Need Special Care

COLLEGE STATION--Silver and pewter need more than a "lick and a promise."

These metals require special care to preserve desired patina, cleanliness and gloss, Patricia A. Bradshaw, housing and home furnishings specialist, Texas Agricultural Extension Service, Texas A&M University System, said.

"Clean silver with a sponge, warm water and a silver polish. You may choose a commercially prepared product or make the following polish yourself.

"Add one part ammonia or castor oil to three parts whiting to make a paste. Apply with cloth to silver that has been soaking in hot sudsy water. Rinse and dry well.

"Rinse it in clear, warm water and dry with a soft cloth.

**Local Man Shows Prize-Winning Dog**

Lee Ann's Little Doll, owned by W.B. Wagnon, Jr. of Muleshoe, won Best of Breed in competition held recently in San Angelo.

The two year old Shetland sheep dog also won a first prize ribbon, a Winners ribbon and a Best of Winners ribbon at the show which included various breeds from across the nation.

W.B. Wagnon showed two other dogs at the show; one winning a first prize ribbon in the puppy class and the second taking first in the Bred by Exhibitor class. All three dogs then competed against one another in the Female Winners class. Lee Ann's Little Doll won that class and went on to compete against the males and to win the Best of Winners class and Best of Breed class.

Wagnon has raised Shetland sheep dogs for the past six years. He describes the raising and training of them as "very enjoyable." His wife, Betty, and three daughters occasionally lend a hand in the care of the dogs.

**Feeders Need Pollution Permit**

COLLEGE STATION--Livestock and poultry feeders with more than 1,000 animal units must now comply with water pollution control regulations established by the Environmental Protection Agency.

The new regulations became effective July 5 and set up a water pollution control permit program for agriculture, explains Dr. John Sweeten, agricultural engineer in animal waste management for the Texas Agricultural Experiment Station.

Those concerned feeders in Texas can apply for a permit through the EPA regional office in Dallas located at 1600 Patterson Ave., Suite 1100.

Although the 1,000 animal units are used as a general guideline for the permit program, smaller operations can also be regulated if they are believed to present a pollution problem, the Texas A&M University System specialist

 to be at school by 8:45 a.m., and their classes will end at 3:15 p.m. The students who ride a bus will stay at the school until 4 p.m.

The following are a few of the stipulations that will be included in the Kindergarten Program of the Muleshoe Independent School District:

Teach an appreciation for the cultural and family traditions of the child's parents; assistance provided to the child to develop appropriate language skills; teach an awareness and appreciation of the broader world in which the child must live; preparation for the child to participate in the world of his peers and the broader cultural stream into which he will progress more as he matures; a beginning in the development of the mental and physical skills and cooperative attitudes needed for adequate performance in a school setting; and a beginning in the development of his unique character and personality traits.

Regulations require that a dog must be at least 13 inches in height and no taller than 16 inches to be eligible for competition. Shetland sheep dogs, which originated in the Shetland Islands, are "not too common in this part of the country and good ones are very rare," he said.  
 Since her first competition at Big Spring on January 22, 1972, Lee Ann's Little Doll has been shown at Lubbock, Abilene, Wichita Falls, Corpus Christi, Galveston, Houston, Dallas, Ft. Worth, McAllen, Waco, Beaumont, Amarillo, Austin, San Antonio, San Angelo, Lake Charles, La. and New Orleans, La.  
 She has won a total of 15 first prize ribbons, three second prize ribbons, four third prize ribbons and two fourth prize ribbons. Other awards she has won are four Reserve Winner; three, Winners Ribbon; one, Best of Opposite Sex class; two, Best of Winners; and two, Best of Breed.

Regarding specific animal numbers, permits are required for the following feeding operations holding the listed number of animal units for more than 30 days: slaughter and feeder cattle--1,000; mature dairy cattle--700; swine weighing more than 55 pounds--2,500; sheep--10,000; turkeys--55,000; laying hens and broilers where unlimited continuous overflow watering systems exist--100,000; laying hens and broilers where liquid manure handling systems exist--30,000; and ducks--5,000.  
 According to Sweeten, individuals or organizations who discharge irrigation return flow from 3,000 or more acres through a conveyance such as a ditch or culvert, and certain fish production operations, must also obtain a permit.  
 New facilities must apply for a permit six months before operation begins. An opportunity for public hearings will be provided on each permit application. Facilities built since Oct. 18, 1972 which meet all standards of the regulations will not be subject to more stringent standards for 10 years after the completion date.

# STATE CAPITAL Highlights AND Sidelights

by Bill Boykin

AUSTIN, Tex.--Texas may be better off under its present type of government than the so-called cabinet form being advanced in preparation for constitutional revision, according to Texas Research League.

League staff members in a new report to the Constitutional Revision Commission point to advantages of the present system and offer these key observations:

While there is room for improvement, Texas government is not the "administrative jungle" portrayed by critics. There are 174 legal entities which might qualify as state agencies, but fewer than 30 of them control 99 per cent of money and personnel in state government.

Texas still has one of the most economical big state governments in the nation. Ohio and Missouri rate slightly lower, but Texas spends more in support of its schools than those two states. Major suggestions by the League for economies have been in the areas of education and welfare financing.

Overhead administration and control functions costs 1.9 per cent of Texas' total budget, while the national average is 2.6 per cent.

Major Texas agencies such as the Highway Department, Education Agency, Department of Corrections and Department of Public Safety rate high nationally. The League found few agencies in other states "clearly superior" to Texas counterparts.

While advocates of the cabinet theory claim it provides for holding the governor accountable for all aspects of government administration, political realities dictate that he can be held accountable at the polls only once or twice. Further, it is difficult for voters to assess thousands of acts by the chief executive during any four years.

Whether authority to appoint 20 cabinet officials but no sub-cabinet-level personnel would strengthen the governor in policy-making is debatable. Merit system employment to insulate state employees from the spoils system is considered part of the cabinet theory. This means echelons below the cabinet level are beyond the governor's control.

The present pattern of part-time boards, according to the League, provides opportunity for participation in government by many key citizens, who, in turn, provide a powerful reservoir of support for a governor's policies. The League suggests more fiscal power for the governor and authority to order governmental reorganization subject to legislative veto.

**TOP 100 PRESCRIPTIONS STUDIED**--Computers are being used by the Texas Pharmacy Board to determine the top 100 prescription drugs being sold in this state.

Under new state law, H.B. 750, druggists must post the prices of the 100 most prescribed drugs at their counters this fall.

The new law will also prohibit advertising about "wholesale" "cut rate" prices, and limit drug stores to advertising about services, keeping "family records" and dangers of mixing certain types of drugs.

Consumers will be able to check the prices of the top 100 most common drugs at each prescription counter, states Joe Arnette, Texas Pharmacy Board, who is using the computer method to make the state-wide survey.

**AUTO RATES CUT**--True to its promise, the State Board of Insurance ordered an average statewide reduction of 4.3 per cent in private auto coverage premiums, estimating 90 per cent of motorists will save at least \$25 million. New rates are effective August 27.

Further, according to Board Chairman Joe Christie, the competitive rating law September 1 will mean further savings for many. Christie said one company has indicated it will ask authority to cut its rates 15 per cent across the board when the competitive rating law takes effect.

Another law passed by the legislature this year, however, may cancel out the savings for some and actually bring a slight increase. The personal injury protection coverage of at least \$2,500 for medical expenses and lost earnings or services due to accident, regardless of who was at fault, will be added to all policies automatically unless motorists reject it in writing.

Christie said even rejections written on "brown paper sacks" will be considered valid, P.L.P.

coverage costs \$22 to \$44, but many will substitute it for medical coverage which already costs \$15 to \$22 a year.

**WATER QUALITY STANDARDS APPROVED**--Texas Water Quality Board agreed on compromise standards hopefully tailored to meet federal Environmental Protection Agency approval.

If the EPA rejects the state standards, presumably it would take over issuing waste discharge permits, leaving the state agency little to do but take samples and offer recommendations.

A main point at issue is whether the state's fines for violators are high enough to amount to a "substantial economic deterrent." The Texas maximum civil penalty is \$1,000 a day, and the federal agency wants civil penalty fines up to \$25,000 a day and maximum criminal penalties of \$10,000 a day.

The state Air Control Board's proposed standards have been rejected by EPA.

**COURTS SPEAK**--A Palestine packing plant worker who was fired from light work as a supervisor after he was injured in his earlier job cannot force his employer to keep him on, the Supreme Court held. The worker accepted the supervisory job as part of an agreement not to seek workmen's compensation.

In other actions, the high court held: A cigarette distributor whose stock was stolen from his warehouse is entitled to review of his case for state tax forgiveness.

Grown sons and daughters of a Dallas woman are entitled to \$10,000 damages each from an undertaker whose work embalming her body "shocked and revolted" them.

**AG OPINIONS**--Occupants of a boat floating in tidal water, even though over submerged private property, are not trespassing, Attorney General John Hill stated.

Hill's opinion held private property submerged by lake or waterway construction, in absence of some special provision affecting title, remains private property, however.

In another recent opinion, Hill concluded a bill abolishing the office of Culberson County auditor is an unconstitutional special or local act "attempting to achieve what must be achieved by general legislation."

**PRICES SOARING**--Disruption of normal buying habits is pushing poultry prices up to the level of some cuts of beef, Texas Department of Agriculture's market news analysts reported.

Broiler prices are expected to reach the 80-cent bracket this week, according to the department's projections.

"Hoarding" and "panic buying" are contributing to runaway prices, commented Mike Walton, Agriculture Department market news chief. Walton said a return to normal buying habits will help return prices to more-normal levels.

**CONSTITUTIONAL REVISION RECOMMENDATIONS EYED**--All seven sub-committees of the Texas Constitutional Revision Commission reported their tentative recommendations at a three-day meeting near here last weekend.

Proposals were taken under advisement along with suggestions of 3,000 advisory committee members in 19 areas. Actual voting by the full, 37-member commission on matters for inclusion in its report to the legislature will begin next month. Meanwhile, House and Senate planning committee members held their first joint meeting in preparation for the 1974 constitutional convention.

**JOB AID PROMISED**--Disaster unemployment assistance will be paid to those unemployed as a result of storms and flooding in Jefferson, Orange, Red River and Upshur counties last March 23-April 30.

Governor Dolph Briscoe advised those who think they are eligible to apply to their nearest Texas Employment Commission office. Applications must be filed within 30 days of July 24 when Briscoe made his announcement of the assistance offer.

**SHORT SNORTS** Mills Cox of Houston has been named special supervisor-manager for Lo-Vaca Gathering Company in new court action. His job is to try and get additional gas supplies for 400 big customers.

President Nixon recently declared flooded Matagorda and Newton counties as major disaster areas, Nixon earlier de-

clared Jefferson, Orange, Upshur, Red River, Brazoria, Galveston, Hardin, Harris, Jasper, Liberty, Montgomery, Polk, Tyler and San Jacinto counties in that category. Briscoe has asked Nixon to add San Patricio county to the list.

Texas Water Rights Commission approved annexation of Richardson by the North Texas Municipal Water District. The second annual Texas Folklife Festival will be held at the Institute of Texan Cul-

tures in San Antonio September 6-9.

A runoff election for the 14th state senate district vacancy in Travis, Blanco, Burnet, Caldwell and Hays counties has been set for August 14.

The State Health Department warned of possible eye burns from a "space laser game" found in bus stations, bowling alleys and coin-operated amusement places.

## Three Way News

By Mrs. H.W. Garvin

Mrs. Johnnie Wheeler attended the shower honoring Miss Suzan Barrett, bride-elect of Terry Wheeler, Thursday afternoon in the home of Mrs. Alice Ramm.

Visiting in the H.W. Garvin home this past week were Arilla Flinn of Milano, Italy, Steve

Flinn of Phoenix, Ariz., and Jimmy Gilentine of Lubbock. All three are grandchildren of the Garvins. Also visiting from Phoenix was Danny Payne.

The community received rain the past week. Amounts were from .7 up to two inches.

Mr. and Mrs. George Tyson spent the weekend in El Paso on business.

The garage sale held at the Dubree home by Mrs. Dubree and Mrs. Tommy Terrell was

a success.

Mr. and Mrs. Andy Vinson of Clovis and Lanita Powell of Lubbock visited their parents, the Dutch Powells, Friday night.

Debby Furgeson, Shannon Sowder, Cindy Hanna and Etta Warren attended the cheerleader workshop at E.N.M.U. this past week. The girls are the cheerleaders for the Three Way pep club.
