Spelling Bee Scheduled Here Today

Top Athletes Will Be Named At Banquet

Top Spellers Will Compete In Bee

The annual Muleshoe High School Athletic Banquet is scheduled for Friday night, March 29, at 7:30 p.m. in the Muleshoe High School cafeteria.

Tickets are priced at \$4 each and can be purchased at the door or in advance from Williams Bros. Office Supply or Smallwood's Real Estate.

Guest speaker at the annual banquet will be Dale Evans. He is a defensive back coach at Texas Tech University in Lubbock.

Dale Evans continues to turn out top-flight defensive secondaries for Texas Tech. His 1971 secondary led the nation in pass defense. Evans is a graduate of West Virginia University. One to emphasize studies, Evans' record is a fine example to his boys.

He received both his B.A. and M.A. degrees (guidance and counseling) within four years after enrolling at WVU.

After lettering as a quarterback and safety with the Mountaineers in 1960-61, he accepted an appointment of coach at Sisterville, West Virginia High School.

Spending three years at SHS, he led his team to the state Class A high school crown in 1964.

Following his coaching days

at Sisterville High School, Evans accepted the position of Dean of Men and head Football Coach at Salem College.

Evans and his wife, Joann, have two sons, Kelly and Tracy. His hobbies include golf, fishing and softball.

The highlight of the banquet will be the naming of the top athletes of the year at Muleshoe High School. All Muleshoe High School athletes will be recognized at the banquet.

New Patrolman Assumes Duties In Muleshoe

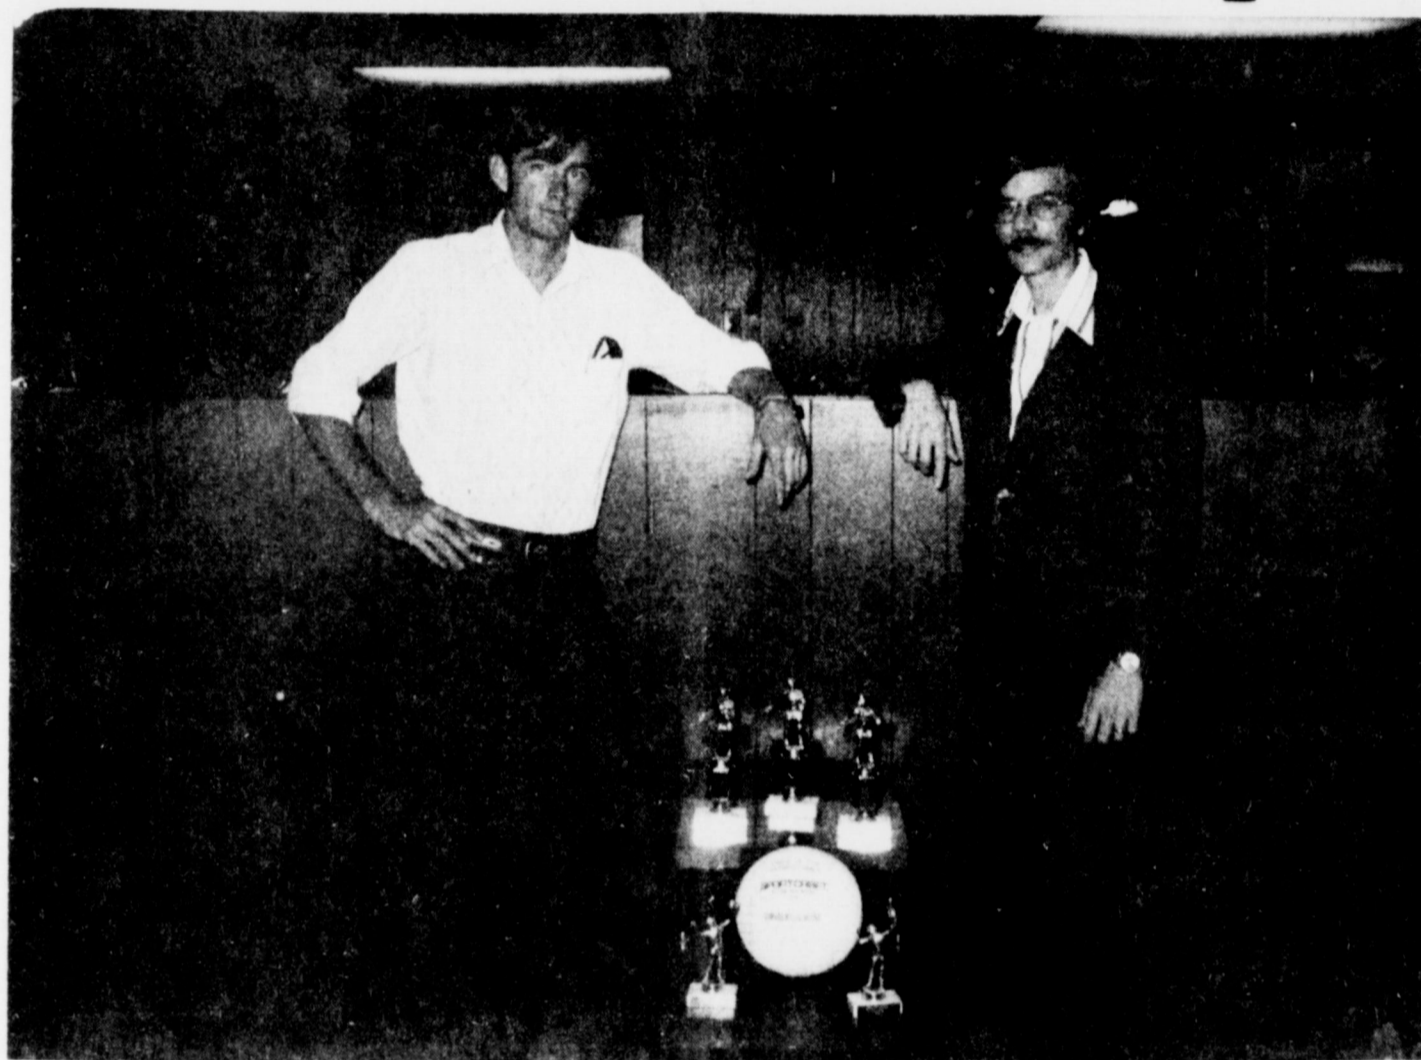

Muleshoe welcomes a new highway patrolman to the city, Louis Cardinal.

Cardinal assumed duties in Muleshoe on February 8, 1974. He has been with the Department of Public Safety since September 25, 1973.

He is a graduate of Floydada High School and graduated from the DPS Academy in Austin after four and a half months of schooling. He has 846 hours of instruction.

Cardinal attended West Texas State University in Canyon for three years.

He is engaged to Susan Denise Gaston of Muleshoe, daughter of Mrs. Joann Lowery of Muleshoe.

VOLEYBALL TOURNAMENT TROPHIES. . . The annual Muleshoe Jaycee Volleyball Tournament will be held in Muleshoe on April 1-5. Pictured are some of the trophies that will be awarded to the winning teams. As of this date, there 25 teams signed up to

participate in this annual event. Pictured with the trophies are Hugh Young, right, chairman of the annual Jaycee sponsored event, and Mike Armstrong, left, a local Jaycee.

PAULINE GRIFFIN

Services Held Wednesday For Mrs. Griffin

Mrs. Pauline Griffin, 52, died at 6 p.m. Monday evening, March 25, in West Plains Memorial Hospital following a lengthy illness.

Mrs. Griffin had been a Bailey County resident since 1935 moving from Eldorado, Oklahoma. She was born in Eldorado on August 28, 1921.

She was a member of the Trinity Baptist Church in Muleshoe. She was the Muleshoe Junior High School Librarian and was a member of the Texas State Teachers Association.

She married Horton Griffin on November 7, 1948 in Muleshoe. Funeral services were held at 4:30 Wednesday at the First Baptist Church in Muleshoe. Officiating were Rev. V.L. Huggins of the Trinity Baptist Church, and Rev. Jim Green, pastor of the First Baptist Church of Portales. Interment was in the Bailey County Memorial Park under the direction of Singleton-Ellis Funeral Home.

Hugh Young, chairman of the project, reports that the tournament will be held April 1-5 at the Muleshoe High School gym.

At the present time, there have been 25 teams to sign up for the tournaments from Muleshoe and the surrounding area.

Men's teams to play in the tournament are the Over-The-Hillers, The Muleshoe Chamber of Commerce, Fire Fighters, Clum Sums, KMP Pump, Lariat Men, Tiders, Commanderos. Muleshoe Jaycees I,

Muleshoe Jaycees II, Brother-in-Laws, Lumberjacks, and Sledgehammers.

Women's teams that will be competing will be the Texanns, Bumpkins, Tidettes, Gruvey Vollettes, Three Way Girls, Lazbuddie Girls, Figurettes, Friona Consumers Company, Ketchersid Construction, Friona Teachers, Clovis National Bank and Enoch's Women.

The public is welcome to attend all or any of the games to be played April 1-5 in the Muleshoe High School gym.

Commissioners Court Discusses Tax Equalization

The Bailey County Commissioners Court met for a special meeting Monday at the courthouse.

Barney Baker, a professional appraiser, discussed equalizing taxes.

The court did not take any action, but will take steps reasonably soon to equalize the taxes.

The Agricultural-Civic Center Committee met with the court for the purpose of the county entering into a contract with an architect to help design the facility and figure a cost estimate with the thought in mind that they might utilize.

Chicanos Unidos-Compesinos Board Approves Housing Plan

On Saturday evening, March 23, 1974 the Board of Directors of Chicanos Unidos-Compesinos, Inc. met in Muleshoe Chicanos Unidos Offices to discuss and approve a planning grand proposal to the Rural Housing Alliance in Washington D.C. The grant is for a four month period to hire a consultant and secretary to help determine the housing needs of the poor in Bailey County. The Grand proposal which is for the planning stages was approved by the Board for a total of \$10,000.00.

Once the proposal is approved by Washington, reported President Armando Acosta, the consultant will work in determining how many poor families in Bailey County are in need of adequate housing, how many families are eligible for Self-Help Housing. He will also be responsible in getting cost estimates of materials on various house plans for individual family needs and financial capability.

The concept of Self-Help Housing is based on five or more families desiring to build their own homes with the guidance and help of professional people in the home building trades. Once the plans are formalized funding for such housing will be sought through FHA loans to families qualifying.

Self-Help Housing projects

have been successful for low income families in various areas of the United States. Self-Help Enterprises of Visalia, California has probably been the most successful and more widely known. Entire neighborhoods have been built by this organization in California. Tierra Del Sol, Inc. of Las Cruces, New Mexico is also involved in a successful program of Self-Help Housing. Florida and Utah have a similar program.

Viviendas Cuauhtemoc, Inc. of Muleshoe, Texas, is a spin-off corporation from Chicanos Unidos-Compesinos, Inc., will be the organization in charge of carrying out the Self-Help Housing Project for Bailey County. This is a single purpose corporation for housing which is a requirement of Rural Housing Alliance guidelines. Members of the Board of Directors for Viviendas Cuauhtemoc, Inc. are Armando Acosta, president; Domingo Ramos, first vice-president; Raul Sepeda, secretary; and Rev. Alfredo Padilla, Presbyterian Ministers, treasurer.

Chicanos Unidos-Compesinos, Inc. is a multipurpose organization for the planning and carrying out various programs for the migrant and farm worker, according to president, Manuel Rios of Muleshoe. A co-op grocery store for such people in the area has also been organized and will be opening soon

here in Muleshoe, said Rios. Lots of volunteer hours have been given to get the building ready by men, women and youth from Bovina, Earth, Friona and Muleshoe.

Pat Shafer Attends Photo Seminar

Pat Shafer of Pat's Photo Parlor, is attending classes in Perryton this week on advanced professional portrait techniques.

The classes are being taught by Joe Zeltsman, master photographer from Morris Plains, New Jersey. Zeltsman has earned several degrees, making him one of the most widely recognized portrait photographers in America today. Zeltsman often shares his knowledge and skills with fellow photographers will be doing just that in the classes he is teaching at Schuler Studio this week, March 25-29.

Included in the curriculum are lighting, masculine and feminine posing, groups, color harmony in clothing, and special retouching techniques. Classes run from 9 a.m. until 7 p.m. through Friday and will feature live models.

The Annual Bailey County Spelling Bee will be held today (Thursday) at 2 p.m. in the Muleshoe High School auditorium.

Students from Mary DeShazo Elementary, Muleshoe Junior High School, Bala School and Three Way School will compete in the annual event.

The pronouncer this year will be Mrs. Horace Blackburn. Judges for the event will be Mrs. Fred Johnson, Jack Young and

Kenneth Henry.

Prizes this year will be \$25 for first place, \$15 for second place and \$10 for third place. The Bailey County Spelling Bee is sponsored annually by the Bailey County and Muleshoe Journals.

The winner of the county bee will participate in the Regional Spelling Bee to be held in Lubbock in April. The winner of the Regional Bee will go to the National Spelling Bee held annually in Washington, D.C.

Other prizes to be awarded include ribbons and pens to the participants. The champion will also win a plaque for winning the bee.

Eliminations have been held in the respective schools to determine the top spellers who will compete in the County Bee.

Everyone is welcome to attend the annual Bailey County Spelling Bee to be held Thursday, March 28, at the Muleshoe High School auditorium beginning at 2 p.m.

County Gins 82,267 Bales From 1973 Crop

A report from the U.S. Department of Commerce, Social and Economic Statistics Administration, Bureau of the Census, shows that Bailey County ginned 82,267 bales of cotton from the 1973 crop. This is compared to 64,851 bales ginned in 1972.

Reports from ginners of cotton show that there were 12,374,223 bales of cotton ginned in the United States through January 31 from the crop of 1973 compared to 12,268,545 for 1972.

Job Corps Center Deemed Successful

McKinney Job Corps Center Director, Dr. George S. Kadera, rates the past twelve months of operation at the McKinney Center as a period of great success. During this period of time, the Women's Job Corps Training Center, which is located in McKinney, Texas, reached the placement figure of 5,000 which represented the Center's total placement effort since 1967.

Since the Center's last Annual Report in March of 1973, a total of 924 Corpswomen have been trained and placed into a productive cycle of the economy by the Center's Placement Department and the Employment Security Offices throughout Texas, the Southwest and the nation.

McKinney Job Corps Center officials have worked closely with business and industry to

insure that the training programs offered at the Center are relative to the employment needs of the business and industrial community. During the past year's operation, thirty-seven percent of all Center placements were made in Dallas, Texas. Placement representatives at the McKinney Center point out Dallas has always maintained one of the lowest unemployment rates in the nation and therefore provides a great many employment opportunities for McKinney Corpswomen. The other factor responsible for the placement success in the Dallas labor market is the joint working relationship that has been developed between industry and the McKinney Center.

Miss Katherine Prince, Coordinator of Placement, and

General Telephone Rural Rates Modified

SAN ANGELO -- Rates resulting from a rural repricing program, inaugurated in Texas earlier this year by General Telephone Company of the Southwest, have been modified, but basic philosophy of placing the cost on "cost causers" has been retained, according to a statement released on March 13, 1974 by the company.

Announcement of the change followed a reevaluation by the company after customers in some of the more than 50 exchanges where rural rates had been upped under a new repricing system complained that the price increase was too great. The reevaluated rural rates

which result in decreases will be retroactive and the effects of the changes will be shown on customer bills as soon as possible; however, it is anticipated that it may be June 1 before the work required to make the change is completed. Reevaluated rates which result in increases will not be retroactive.

Notices will be included with bills when the revised or reevaluated repricing program becomes effective.

The revised repricing of rural rates involves changing from five to seven zones, the near-

RECP Program Has Been Developed Here

The 1974 Rural Environmental Conservation Program has been developed for the county and there will be two sign-up periods, according to the Bailey County ASC Committee. The first sign-up for requesting cost-shares will be April 1 through April 15, 1974, for practices to be completed by September 1, 1974. A second sign-up period will be held September 1 through September 15, 1974 for practices to be completed before January 1, 1975.

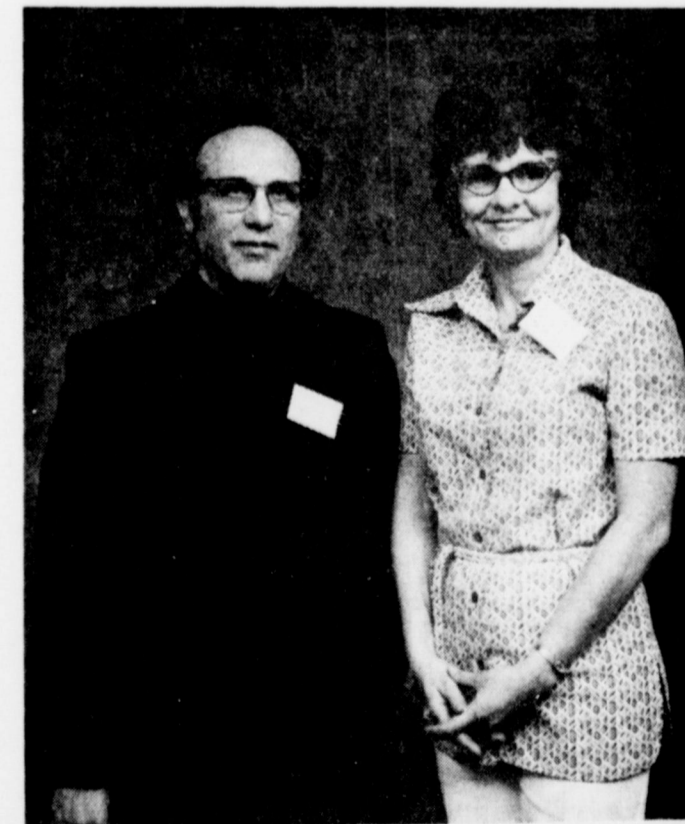

The county allocation available for cost-shares is \$15,653,000. The maximum payment limitation is \$250,000 per person.

Applications will be considered until you provide positive

assurance that you are ready to perform the practice. Due to the limited amount of funds, applications will be approved on the basis of conservation priorities and not on the first come first served method.

Practices for Bailey County will be at the rate of 50 per cent of the average cost as determined by the County Committee. Practices established for the county are: RE-1, Established Grass Cover on Croplands; RE-5, Livestock Water; RE-7, Standard and Parallel Terraces; RE-8, Diversion Terraces; RE-14, Reorganizing Irrigation System; and RE-10, Establishing Permanent Wildlife Habitat

These centers offer physical therapy, medical diagnosis, speech and hearing programs and related services to help the disabled build happier and more useful lives.

As Easter Seal Representative, Jimmie Crawford is the person to contact for services from the Easter Seal Society. He can be contacted at Muleshoe State Bank.

When contacted for services, Crawford will provide the request form to be sent to the Texas Easter Seal Society in Dallas to determine the needs of the disabled person. The Society will provide the service where possible or will advise the handicapped person of the best resources available to help him.

Crawford added that contributions to the Easter Seal Appeal should be sent to him as soon as possible.

increases under the reevaluated program will vary from customer to customer and may still range up to 100 per cent in zones 15 miles and more from BRA, where only three per cent of the rural customers reside.

General Telephone of the Southwest earnings in 1973 were the lowest in 20 years and many services throughout the company are being repriced under the philosophy of placing the cost of service on cost causers -- or those using the service.

Charges for new installations, moves, coin telephones, specialized PBX, PABX and other telephone services used by business customers have been or are being increased.

The administrative costs of arbitrary name changes in the telephone directory, handling non-published telephone numbers, reserving telephone numbers, processing of returned checks, are other charges that have been or are being adjusted by the company as rapidly as possible to more nearly cover the cost of these services.

For example, why should the customer who never moves subsidize the cost of customers who do move?

Before the new rural rates were placed in effect, several exchanges had been "priced out", but the full impact of the cost on customers was not known until all customers had been billed.

"The company is still soundly behind the new pricing philosophy of putting the cost on cost causers; however, the re-evaluated rates do not provide the revenue necessary to cover the cost of service in rural areas," the statement said. "While our revenue needs are urgent, we are not going to be able to move as quickly as the first review indicated is needed."

With the technology now available it is not possible to provide the existing four and eight party rural customers with one party service at the same cost as in urban areas. The cost of providing service has been spiraling rapidly and must be reflected in the charge for service.

"Golden" Tar Sands
There has been a great deal of publicity recently about oil shale deposits in the U.S. and the aggressive bidding for leases on Colorado oil shale acreage by the major oil companies. But the Granddaddy of them all is the tar sands of Alberta, Canada. Total known world-wide oil reserves are about 600-billion barrels, two-thirds of which are in the Middle East. The Alberta tar sands are estimated to have reserves

before it can be used commercially.

The refining process of the tar sands is rather lengthy but the finished product is a high-grade synthetic crude oil that can be refined into a wide range of petroleum products.

Present production of synthetic crude from the sands is 45,000 barrels per day with plans to raise this to 65,000 barrels per day immediately. A syndicate of four major U.S. oil companies is building a 125,000 barrel per day plant which should be on stream by 1977. Estimates by engineers indicate a cost of \$3 per barrel of crude oil from a plant that size. The cost of the plant is high, a cool \$1-billion. The syndicate has already sent \$50-million in the past 15 years just researching how best to get the oil out of the tar sands.

A second group composed of Shell Oil subsidiaries have a 100,000 barrel per day plant under construction with hopes of getting this \$900-million venture on stream by 1980. A Belgian controlled group plans to file application for a 100,000 barrel per day plant.

It takes five to six years to get a tar sands plant built and on stream. Large amounts of capital are required but large numbers of workers are also necessary and this is regarded as the one single factor which will limit the size and number

of tar sand plants over the next several years.

Some experts predict as many as 20 to 30 plants in production by the end of the century producing as much as 3-million barrels of synthetic crude per day. The chief advantage of the tar sands over the U.S. oil shale deposits is the ecology. Oil shale residue after the oil is extracted occupies more space than the shale did before being treated and this poses a serious problem in what to do with the shale residue. It's serious enough to severely limit rapid development of the U.S. oil shale deposits.

Clayton Reports On Constitution Meeting

The Texas Constitutional Convention resumed consideration of the proposed article on the Executive Branch on Friday, reported State Representative Bill Clayton (D-Springlake).

The Convention delegates had completed work on the major portion of the article before the tragic death of Convention Delegate Hawkins Menefee on Wednesday, after which the delegates recessed two days for memorial services.

Once finished with the article on the Executive, the Con-

Cantata Scheduled In Plainview Church

"The Seven Last Words of Christ," a sacred cantata by Theodore Dubois, will be staged by the First Baptist Church of Plainview April 5, 6, and 7 at 8:30 p.m. in the church auditorium.

There will be no admission charge, and the public is invited to attend.

The presentation, one of the most dramatic and unforget-

table ever presented, was last given by the Plainview church in 1970, and is being redone at the request of the area people.

Featured soloists include not only local musicians, but several out-of-towners as well. Included are Sam Brown of the Tullia High School Choral Department; Ric Hunt, minister of Music at the First Baptist in Floydada, and Harold Lewallen of Lubbock, baritone soloist at First Baptist in Lubbock.

Plainviewans who will be featured include Mrs. Paul Lyle, voice teacher and First Baptist soloist; Mrs. Danny Murphy, teacher at Kress High School and soloist at First Baptist; Mrs. Jim McClendon of First Baptist; Walter Wright

of Wayland College; and Gary Lloyd, tenor soloist at First Baptist.

Music Director for SEVEN LAST WORDS will be Ed Wither, minister of music at First Baptist, with Mrs. Rex Ram-sower serving as stage director.

SPECIAL GUESTS HONORED AT SUPPER.....Bill Russell, Jaycee president; Mrs. Bill Blackburn, area vice president of Jaycee-Etts; Mrs. Jerry Tustison, State Jaycee-Etts President and Tommy Black, Chamber of Commerce and Agriculture manager, were honored at a Mexican supper Friday, March 22. The supper was hosted by the Muleshoe Jaycee-Etts.

Supper Honors Mrs. Tustison

The community room of the Muleshoe State Bank was the sight of a Mexican supper Friday, March 22, honoring State Jaycee-Etts President, Mrs. Jerry Tustison of Irving.

Other special guests were Mrs. Bill Blackburn, area vice president of Amarillo; Tommy Black, Chamber of Commerce and Agriculture manager and Jaycee President, Bill Russell. After a Mexican supper of Mexican casserole, salads, beans and chips Mrs. Tustison spoke on the main purpose of Jaycee-Etts, which is to aid the Jaycees.

Tommy Black presented Mrs. Tustison a "honorary citizenship of Muleshoe." The Jay-

cee-Etts presented her a charm for her charm bracelet. Bill Russell spoke on family life development which is the Jaycee's state program. Perryton won the traveling trophy for traveling the farthest and having the most members on the floor.

Clubs represented were Perryton, Amarillo, Plainview, Borger, Friona, Hereford and Muleshoe.

Goodness may be the chief end of human endeavor, but it has to be mixed with brains to mean anything to the world.

Mothers Set Jr.-Sr. Prom For May 18

Saturday evening, May 18, will be a gala evening for Muleshoe High School Junior and Seniors.

A Message to the High School and College Age Students of Muleshoe . . . (and those who love them) From the President of West Texas State University

You are standing on the threshold . . . perhaps the threshold of greatness, but at least on the threshold of what can be a rewarding career. West Texas State University is also on the threshold . . . we think it is the threshold of greatness.

There is a new excitement on our campus. Everyone associated with the University tells me they feel it, students, faculty, alumni and our many boosters throughout the Panhandle.

The excitement started ten years ago when we achieved University status. We began getting many new facilities including a new library, science building, research center, classroom and administration buildings and a new Student Activities Center which is second to none in the United States. We have new programs of a dozen different kinds . . . even one for horsemanship.

Much of the money for these programs and facilities has come from individual citizens, companies and foundations. These benefactors say, in effect, that our area should be the site of a significant university . . . a university with facilities and programs which attract outstanding faculty and students from all over the nation, even the world.

WTSU is growing but it is not so big but that our teachers can take a personal interest in each student and relate to him as the individual he is. Though we have a higher percentage of Ph.D.'s on our faculty than most universities, (over 50% .) our classes average fewer students than most, (under 20).

Our students are very much a part of making things happen at WTSU. They are interested, involved and excited. Their learning experience is bigger than the classroom . . . it is as big as life itself.

Tell us which of these areas of study interests you and we will tell you more about that program at WTSU. Clip this coupon and mail it to me personally. I'll see that you get the whole exciting story without obligating you in any way.

Nursing Class Completes Phase Of Training

LEVELLAND -- The 1973 fall vocational nursing class at South Plains College, having completed the academic phase of their training, will begin work Monday (March 25) in six area hospitals as part of their clinical experience.

The nursing students will receive training in Littlefield Hospital and Medical Arts Hospital, both in Littlefield; University Hospital in Lubbock; Cook Memorial Hospital in Levelland; Cochran Memorial Hospital in Morton; and West Plains Hospital in Muleshoe.

The 12 female students and one male student received their caps and pin Thursday afternoon (March 21) during ceremonies at the SPC Student Union Building auditorium. Mrs. Helen Brown, coordinator of

the vocational nursing program at the College, presented caps and pin, while Mrs. Barbara Bennett, assistant program coordinator, lit candles carried by each student.

White bibles were given to the students by representatives of the Gideon organization.

Don Yarbrough, dean of the Office of Continuing Education at SPC, gave the invocation, and Frank Hunt, dean of the vocational-technical division at the College, gave the welcoming address. Members of the SPC vocational nursing advisory committee were platform guests.

Vinda Alexander, soloist, sang "The Little Candle," accompanied by pianist Connie Alexander, both from Brownfield.

A reception for nursing students and their families was held in the carpeted lounge of the SUB following the ceremonies. Hostesses were members of the SPC Faculty Women's Club.

Students receiving caps were Mrs. Lillian Brown of Reese Air Force Base; Mrs. Sandra Comer, Mrs. Sue Beth Hudson, Mrs. Patricia Platt, Mrs. Linda Roberts and Mrs. Vickie Townes, all of Levelland; Miss Leta Havens and Miss Angelina Luebanos, both of Crosbyton; Miss Pamela Linder of Morton; Miss Marla Martin of Seagraves; Mrs. Lois Posey and Mrs. Jean Seiber, both of Muleshoe.

John Beal of Lubbock received a pin.

Students Perform For Teachers

The Muleshoe Classroom Teachers Association met Thursday, March 14 in the music room of Mary DeShazo School. A group of students from the band entertained with solo and ensemble selections. Those performing for the program were Kim Cowan, Sharon Wrink-

le, Patty Pena, Maribeth Dillman, Patricia Grogan, Fran Dunbar, Kim Milner, Mr. Pierce and Tony Clines.

Mrs. Mimms then held a short business meeting. A slate of officers were presented by the nominating committee for consideration. The following people were chosen to be officers for the year of 1974-75, Mike Richardson, president; Mrs. Tom Jinks, president-elect; Ramona Pollard, vice-president; Mrs. George Mitchell, secretary; El-

len Flower, treasurer and Mrs. Ernest Kerr, parliamentarian. The initiation will be at the next meeting.

Reports were given on the T.C.T.A. convention in San Antonio by delegates Mrs. Tom Jinks, Mrs. Fred Mardis and Mrs. Dalton Mimms. Refreshments were served by Mary DeShazo teachers.

Market Report

COLLEGE STATION ---- "Real" specials on beef and pork will be "relatively few" in upcoming weeks, according to one authority's predictions. Mrs. Gwendolyn Clyatt, consumer marketing information specialist with the Texas Agricultural Extension Service, The Texas A&M University System, made the forecast.

"Best beef values generally will include chuck roast and steaks, rib and round steaks, ground beef, boneless stew meat and beef liver," she said.

"Smoked picnics, ham portions, Boston butt roast and shoulder steaks highlight some pork cases."

Noting that many markets offer special prices on whole turkeys and turkey parts, the specialist said that trend is likely to continue due to a currently larger turkey supply than expected.

"Egg prices may decline slightly during the weeks preceding Easter," she added.

The specialist termed vegetable supplies "fairly liberal" and cited lower prices on lettuce, cabbage, celery and carrots.

"But because of strong demand and a smaller supply than last year at this time, prices have increased considerably for potatoes, dry beans and peas. "Turnips, mustard and collard greens, and rutabagas are among the most economical vegetable choices."

Fruit sections are still dominated by citrus fruits with grapefruit in ample supply and fairly consistent quality. Valencia oranges are "juicy" fruit choices, while apples, bananas and strawberries provide added variety, Mrs. Clyatt said.

CONSUMER WATCHWORDS: Buy only enough dry onions for a week to ten days this week. Late March or early April will signal the start of new crop season for dry onions, but at present we're seeing an end-of-storage-year decline in their quality.

STATE CAPITAL Highlights AND Sidelights

by Bill Boykin
TEXAS PRESS ASSOCIATION

AUSTIN, Tex. — An extensive property tax study is beginning in 35 of 1,113 Texas school districts as a guide to overhauling the public education finance formulas.

The Legislative Property Tax Committee approved the survey by C.B.M. Inc. of Cleveland, Ohio, and Marshall and Stevens, a worldwide tax appraisal service.

About \$382,900 is available for the work, although apparently not all of the money will be spent.

Gov. Dolph Briscoe had requested a top-to-bottom study of tax values in all districts in preparation for his recommendations to the 1975 Legislature on school finance reform.

However, the property tax committee said such a study would cost \$8 million, and a 325-district spot-check proposed by Texas Research League \$2 million.

Committee Chairman Sen. H. J. (Doc) Blanchard of Lubbock said he is hopeful the 35-district survey "can be used as a model by which we can set a formula for

allocating state school aid that provides equitable support and maintenance."

Consultants have a November deadline for completing their work, and a first phase report is anticipated April 18.

Districts to be covered range from 18 in Terlingua to 26,884 at Northeast of Bexar County. They include:

Friendswood; Little Cypress-Mauriceville; Overton Hitchcock; Blue Ridge; Darrouzzett; Cross Plains; Presidio; Celeste; Sonora; Glen Rose; Rusk; Joshua; Mumford; Carthage; Arlington; Clarksville; Midlothian; Buffalo; Atlanta; Northside of Wilbarger; Alvin; Elysian Fields; Central Heights of Nacogdoches; Somerville; Silled; Bruni No. 22; Bowie County CSD No. 42; Lindale; Alvord; Devers; Strong and Leakey.

A "SAD" TAIL — Texas printers are having problems with the new campaign reporting law, because the name and address of the printer — name and address of the candidate have to appear on

each printed item. Latest problem comes from candidates who are having "t-shirts" printed for campaign workers.

It works the name and address of the candidate and name and address of the "t-shirt" printer must be printed on the tail of the shirt.

If you see someone pulling off a "t-shirt" at a political rally, don't worry about a streaker, it's just someone fulfilling the request of the Secretary of State's inspector.

STATE OILSHARE BIGGER — The State School Land Board revised oil and gas lease terms for public lands in an effort to increase the state's income and encourage more drilling.

The Board, by a two-to-one vote, raised minimum royalty interest on state leases from one-sixth to one-fifth royalty and reduced the leasing term from five to three years.

Quarterly lease sales will be held, and minimum bonus bid payment will be reduced to \$10 an acre in all areas for the right to hold a state lease.

Terms adopted by the board will go into effect with leases awarded at the next oil and gas lease sale July 2. Nominations of state tracts for that sale will be open until April 19, and the School Land Board will determine terms and conditions of leases to be awarded on nominated tracts at its meeting May 7.

"With oil prices doubling

and gas prices tripling, I think it is an appropriate time for the state to realize higher royalty for production of its mineral resources," said Land Commissioner Bob Armstrong.

ENERGY "SAVED" — Governor Briscoe claims the state's voluntary energy conservation program has brought "significant savings" in gasoline, middle distillate fuels and electricity, and ought to be continued.

Total gasoline sales increased 3 per cent for December and January, over the same period a year ago, but historical growth rate for gasoline sales is about seven per cent per year. Briscoe calculated 81.5 million gallons of gasoline or about six and a half per cent of expected demand has been effectively saved.

Electrical production was reported up 2.3 per cent in January over January 1973, but down seven and a half per cent from the projected demand.

Briscoe urged continued cooperation by individuals and called on oil companies to plow more of their profits into research and exploration.

AG OPINIONS — Financial information on individuals collected by the Legislative Property Tax Committee in a market value study is open to the public, Atty. Gen. John Hill held.

In other recent opinions, Hill concluded:

A dozen prisoners can testify before a legislative committee studying prison re-

form. Marijuana possession offenses committed before last August 27 should be tried in district courts, although the offense may be a misdemeanor.

Candidates for Congress and other federal offices must comply with the Texas campaign reporting and disclosure act except where federal laws are in conflict.

Licensing system for use of aircraft in control of predatory animals is controlled by an act covering 155 counties passed last May 18.

The City of Eagle Pass's lease agreement with private investors for commercial development is presumed to be public information and should be released to the party requesting it.

Members of the Texas Youth Council and State Board of Examiners in the Basic Sciences don't have to file financial statements under the ethics act.

A juvenile court has authority to allow a federal agency access to its files. Texas Department of Public Safety is not a "consumer reporting agency" within meaning of the federal fair credit reporting act.

Secretary of State Mark White Jr. reminded April 1 is the filing deadline for executive heads of state agencies to submit affidavits discussing interest in state-regulated businesses.

White also ruled it is legal to make photo copies of political ads for distribution if the name and address of the original printer is clear.

COURTS SPEAK — The State Supreme Court ordered a third trial for a suit over a loan against a Lubbock bank.

The Court of Criminal Appeals reversed a conviction of Abilene men for conspiracy to commit theft in a dispute over computer cards.

A Federal Court jury convicted Duval County political boss George B. Parr of income tax evasion.

An Amarillo man won a Supreme Court ruling in a \$4,000 damage suit against an auto dealer accused of using incorrect procedures in a motor repair.

APPOINTMENTS — Norman Moser of DeKalb was named chairman of Texas Animal Health Commission.

Hall E. Timanus Sr. of Houston was appointed by the governor to the Texas Amusement Machine Commission.

LETTERS TO THE EDITOR

Dear Sir or Madam:

Words do not come easy when one tries to express gratitude and thanks to those one hardly knows. However, in this instance, I shall try.

Last month, the congregation of the Alder Street Baptist Church of Centralia, Washington was blessed with the presence of Brother John Jacques of the Temple Baptist Mission and Brother V. L. Huggins of Trinity Baptist Church, both of Muleshoe.

For one week, these two good men of God ministered to our hearts in message and song, bringing revival to our church family and a rededication of lives to the service of the Lord.

By this letter, I do not propose to minimize the devotion and loyalty of our own Reverend Holt Soderman, who is likewise an inspiration and who ministers faithfully each day to his church family and community.

The sole purpose of this letter is to let these men know we do appreciate them leaving their homes and loved ones to come so far to share these truths with us.

In times when much of what we see and hear is so depressing, it is refreshing indeed to be reassured that God is still in his heaven and that there is a beautiful promise for tomorrow for the believers.

I am positive our church family would agree with the sentiments expressed above, so on behalf of each and everyone of us, I want to say publicly to

Brother John and Brother Buster, "God bless you and thank you and please do come again." We feel blessed for having known you, even for so short a time.

Very sincerely yours,
Mrs. Margaret J. Donaldson

He was a resident of Phoenix for the past five years and previous to that, he was in Saudi Arabia from 1949-1968. He was a diesel engineer with Trans-Arabian Pipeline.

He was born February 17, 1913 in Glendale, California and was a protestant.

Funeral services were held at 4 p.m. Wednesday in the Singleton-Ellis Chapel of the Chimes. Royce Clay of the Muleshoe Church of Christ officiated. Burial was in the Muleshoe Cemetery under the direction of Singleton - Ellis Funeral Home. Pallbearers were Lloyd Miller, Ira Martin, Jake Roberts, Luther Hall, Clinton Rogers and Fred Hall.

Survivors include his wife, Marie; one daughter, Carolyn of Tucson, Arizona; his father, Lamar Crosthwaite of San Antonio; and one brother, David Crosthwaite of Tyler, Texas.

FEEDBACK INFORMATION

History Fair Winners Named

By: Shari Harlin & Shelly McGlaun
The Journalism Staff would like to congratulate the History Fair winners. Prizes were given to the sixth grade individual, group, and class projects. Sixth grade winners are Grand Prize, fifth period class, first, first period class; second, Monty Gafford; third, Joe Flores; fourth, Joey Blair; Honorable Mention, fourth and second period. Prizes were given to the seventh grade winners as individual and group. The

winners are as follows: Grand Prize, Steve Turner and Keith Hawkins; first, Shannon Kennedy; second, Trenea Bass; third, Jeff Carpenter; fourth, Beverly Copeland; fifth, Mike Dale; Honorable Mention, Glenda Rasco; Honorable Mention, Sandra Faver.
The eighth grade prizes were given to individual and pairs. The winners are as follows;

Grand Prize, Dean Northcutt and Danny Wilson; first, Brent Gunter and Trey Stoneham; second, Marcus Beversdorf; third, Elizabeth Torres and Melody Mauldin; fourth, Faye Glass; fifth, Curtis Carpenter and Johnny Estep; Honorable Mention, Jamie Small and Susan Crittenden; Honorable Mention, Marvin Davenport and Leon Phillips. Some of these students will take their projects to the Regional Fair at Plainview. Good Luck to these people at Plainview.

Seventh Grade History Project

By: Dickey Sudduth & Dave Poynor
Mrs. Beddingfield, who teaches seventh grade history, elected seven of her students to make a class history project to enter at Plainview. The students are, Dave Poynor, Mark Harmon, Danny Kemp, Doug Cowan, Shari Harlin, Bettina Roming, and Terie Wilmon.
The project is "The Story of Muleshoe" and will tell about and have pictures of Muleshoe from 1913 to 1974. This

project will be entered along with the winners of the Muleshoe History Fair at Plainview on March 28. If the project wins an award, it would be \$15 for first place, \$10 for second and \$5 for third place.

Instant Replay

At MJHS

Recently, Coach Payton and Coach Clifton have been helping Coach Flowers with a videotape machine. They have taped the sixth, seventh, and eighth graders doing several different drills. They are taping them so they can see their faults and correct them. The video-tape is similar to the instant replay that is used on television. After the girls are taped, they are able to see the tape on a viewing screen. The coaches will tape the girls later in the year to see if they have improved.

Seventh Grade Attend Track Meet At Olton

By Dickey Sudduth & Dave Poynor
Last Saturday, March 9, the seventh grade boys athletics attended a track meet at Olton. Some of the people that placed were: Leslie White, Johnny Gutierrez, and Johnny Densman. The team ended up with a poor score of 21 and came in fourth place.
Friday the 15th, the team will go to a meet at Levelland and hope to do much better.

Faculty Volleyball Game Held

By: Shari Harlin
On March 8, the faculty at Muleshoe High School and Muleshoe Junior High played a volleyball game in the Junior High gym. Students from both High

School and Junior High watched the game. The teams played the best out of five games. All the students seemed to enjoy the game.

April Showers

Bring

May Flowers

By: Jamie Small & Vicki Williams
For almost a month, spring has been in the air but officially it arrived Thursday, March 21.

We asked some of the students at M.J.H. how they felt about the arrival of spring and what it made them think of. Here are some of the responses: It makes them feel happy, good, day-dreamy, and like being nice! The mention of spring made them think of girls, flowers, tornadoes, school letting out, wearing sandals, birds, boys, warmth, Easter, and rain.

We hope everyone has a very happy spring!!!

Mules Hold First

Track Meet

The Mules held their first track meet last Saturday at Olton. The eighth grade placed fourth overall. Those who placed were Robert Flos, shot put, fifth place. Greg Hernandez won third in high jump. In the pole vault, Randy Burton won sixth. David Gutierrez placed sixth in the 50 yard dash. In the 400 yard dash Dean Northcutt won third. In the 1320 yard run Brad Baker placed fifth. The 440 and 880 yard relay teams both came in fourth. In the 60 yard high hurdles Ricky Woodard placed third and sixth in the 100 yard low hurdles. We wish the Mules good luck in the coming track season.

MJHS Track

Season Starts

The Mules have started track and have been working very hard for the coming track season. About 25 out of 40 students will be able to participate in the track meets. The running events will be the 50 yard dash, the 100 yard dash, the 440 yard dash, the 880 yard run, 1320 yard run, the 60 yard high hurdles, the 440 yard relay, and the 880 yard relay. The field events are broad jump, high jump, pole vault, shot put, and discuss. The Mules held their first track meet at Olton last Saturday. We wish the Mules good luck at all future track meets.

Choir Clinic

By Vicki Williams
Thursday, March 14, the choir students were very busy. Miss Greeson, the choir director of Dunbar High School and Struggs Jr. High in Lubbock, visited the Muleshoe Junior High choir to give them pointers. She has helped them mostly with their vowel sounds. The choir is getting ready for their spring concert which will be held April 18. There will be one performance for the public and one for the Junior High students and faculty. We can look forward to hearing Black and White, Give It Away, The Candy Man, and more from the choir. We would like to wish them luck in getting ready for this year's spring program!

Seventh Grade Boys Begin Track

The seventh grade boys athletics began track last week and have been working out every day at the football field on track and field events preparing for a track meet this Saturday. There are two groups, the distant group and the sprinters. The distant group run events such as the 880, the 1320, and the mile. The sprinters run shorter events such as the 50 yard dash, the 100 yard dash, the 440 yard dash, and the 440 and the 880 yard relays. Both groups do the field events and hurdles. They'll pick the best three people from each event and they will go to the track meet this Saturday at Olton.
