Council Urges Water Conservation Use Jumps More

Fire Chief Hangs Up Hard Hat June 30

The chief of Muleshoe's Volunteer Fire Department for some 16 years will hang up his Chief's hat June 30, but will continue to help others protect life and property and utilize his experience of some 30 years as a fireman in the Muleshoe area.

Chief E: 1 Lade submitted his resignation as chief by letter. dated May 28, to the city council. He will stay on, he said, as advisor for the Muleshoe fire department and continue as the Maple team captain.

Three members of the fire department have been appointed to place names of nominees for a new chief before the city coun-cil, which must make the decision. On the nominating team are H. E. Reeder, Bill Kinard and Donald Harrison.

"It was one way I felt I could help other people when they act-ually were in need, Chief Ladd explained when asked why he chose fire fighting some 44 years ago when he and his family lived in Sudan.

Ladd, his wife the former Clemmie Cooper of Turkey, and their two sons Earl and Johnnie moved from Sudan to Muleshoe in September 1935, where he was associated with Muleshoe Elevator, Inc. In October 1940 Ladd acquired the Allis Chalmer Implement dealership, and in 1952 added the Pontiac and GM dealerships. The later was sold in 1973 to Town and

Country Auto, Inc. Seems all my life I've been associated with a fire department and I don't intend to quit as long as I can help others," he added. Ladd is retiring ? as chief, then, not as an experienced and dedicated fire-

When Ladd became chief of the Muleshoe department there was one 1938 model flathead

In Bailey County Criminal court cases heard Tuesday by County Judge Glenn Williams. Maria Elena Bustamente was tried by county petit jury for aggravated assalt and was found not guilty.

Twelve other cases were called and disposed of without jury, according to the County Clerk Mrs. Hazel Gilbreath.

County Deputy Bud Street apprehended two suspects for shoplifting Tuesday noon at Gibson's discount store.

Speaker at Tuesday's noon luncheon meeting of Rotary was W.L. Pip Pippitt of the West Sacramento, Calif. Rotary Club. Pippitt, safety engineer for the state of California, told that he had visited 188 other Rotary groups.

Ladies Night and Installation of Officers for the Muleshoe Rotary Club will be Tuesday, June 25. Kerry Moore is chairman of the event.

Bill Wimberly, manager of Texas Sesame, division of Paris Milling Company, said that 100,000 pounds of wheat were damaged Tuesday morning when a welder's sparks ignited the wheat bin. The fire department extinguished the fire.

Mrs. Sam Damron underwent surgery at St. Anthony's Hospital, Amarillo, Friday. She will spend several days this week in recovery at the Amarillo hos-

Mr. and Mrs. Gary Ethridge are back in Muleshoe after spending the past 18 months in Germany while serving with the U.S. Army. They made their home in Neckarsulm, living on the German economy. While in Germany, they traveled in France, Switzerland, Spain and Austria.

Sgt. and Mrs. Bryan Swain and Sharissa Manon of Tacoma, Washington are visiting her parents Mr. and Mrs. Jerrell Otwell and grandparents Mr. and Mrs. Jack Lee. They will visit his parents in Ohio next week. The Swains will return to Mule-Cont. on Page 3. col. 1

truck with a busted block and a 1942 model Dodge both pumper trucks. But neither would pass state inspection tests, so he had them taken to Lubbock to be rebuilt. Muleshoe then passed the inspection and the rates for all city insurance were retained at a lower key rate.

One time the chief and Mrs. in Muleshoe, those with shingle roofs and those with composition. They saved two cents key rate reduction for Muleshoe policyholders.

That key rate, set by Texas Fire Insurance Board, Austin, works to benefit all. If an insurance premimum is \$100 and if Muleshoe has a 20 per cent fire insurance credit rate as is does now, an individual or business policyholder only pays \$80 for the policy. In fact it is a good fire record attributed to the fire department, the city, which establishes the rate of credit. In the last five years the local key rate has ranged from 15 to 25 per cent credit.

"We're lucky but we work at it harder. The communications between the population and department, through such things as inspections, school visits and other education projects, has helped the department keep our good rate for Muleshoe,"Ladd

The Muleshoe Volunteer Fire Department has been fortunate to have such a dedicated chief. The people of the Muleshoe territory trade also share in appreciation to Chief Ladd and his volunteers, who serve Muleshoe, Lazbuddie and all of Bailey and the southern part of Parmer County.

It is the fact that local firemen serve, not that they have to Cont. on Page 3, col. 1

Sidewalk Sale To Proceed

The merchants of Muleshoe are most accomodating.

Not only are the various stores competing to have the best bargains but they have also changed the date for the convenience of their customers.

The annual Fourth of July sidewalk sale will be held June 29, the Saturday prior to the Fourth, with the feeling among participating merchants that this would give everyone plenty of time to come into Muleshoe to gather up needed bargains. Then everyone can picnic and celebrate the following Thursday's Independence Day not worrying about the sales they are

Representatives from most of the downtown stores and some of American Blvd. Businesses met Wednesday, June 12, at the chamber offices, with over a dozen present.

There will be no special theme this year; no costumes required. Emphasis will be on the bargains offered rather than the trimmings. Time for the sale is set at 9 a,m.

Watch for the sale bargain advertising in the Journals, and when participating stores

Charles D. Ball Retires From SCS

A gold engraved pocket watch and chain was presented to Charles D. Ball at a retirement dinner party Friday, June 14, in the community room of the Muleshoe State Bank, Ball is the retiring technician of the Soil

Conservation Service. He began with the service in 1937 as a Civil Conservation core worker and supervised the breaking of land for irrigation. He also built terraces, fences and helped in setting out trees. While in the Soil Conservation

Service Ball took time out for his military service. Ball was associated with district operations such as ditch breaking, dryland practices, irrigation practices, pipelines

and sprinklers. Special guests at the dinue. were Charles D. Ball and wife, Hazel; his son, Charles and wife Jeanette and his grandson,

FIRE CHIEF TO RING SIREN LAST TIME JUNE 30 - - For 16 years; Chief of the Muleshoe Volunteer Fire Department Earl Ladd has lead his dedicated firemen to protect and serve the people of the Muleshoe territory. Ladd and his men have been good neighbors to not only Bailey and Parmer Counties but area towns in time of need, Sunday they joined 200 other firemen in assisting in the Littlefield twin-fires.

Local Fire men Lend Fourth Of July Neighbors'A Hand'

Muleshoe firemen are good neighbors - whether in Littlefield Sunday, or Hale Center, Plainview, Lubbock, Whiteface, Friona or in their home Mule-

shoe territory. Off at 4:10 a.m. Sunday were units 8, 14, 11, 30 and command unit 13, to join Littlefield and six other neighboring towns in battling an estimated \$200,000 worth of raging fires. Two central town businesses were the major fires, but additional fire-fighting, rescue and service work included four minor fires, a string of burglaries, several false alarms and even a passing train had a fire

which had to be estinguished. During the height of the fire which lasted until about sunrise Sunday, firemen feared that three tanks containing diesel and gasoline located at Wilemon Oil Company would rupture and explode. Higginbotham-Bartlett lumber warehouse was left with only a few salvagable items: a few planks of lumber, Manager Harold Clement said. Clements is the father of Mrs.

Don Cihak of Muleshoe. Charged Monday was a 26men fight the fires he allegedly

Fire Chief Leon Durham of Littlefield and Clement were

CHARLES D. BALL

shoe fire department's assis-

Forty-five per cent of the fires covered by the Muleshoe department are outside the city limits, Chief Earl Ladd said. Because of the toll free telephone lines from the Lazbuddie area and South Parmer County. and because of a desire to hew those in need any where in the Muleshoe territory, 45 to 50 miles is common territory for the local units.

The good neighbor policy also extends further than the immediate area. The local firemen were first with a water supply. rescue service, and fire equipment at the Hale Center tornado. The most devastating tornado they have covered was in Lubbock. Assistance has been given to Plainview, Whiteface, Friona "blow" and the recent Littlefield fires.

One year ago the rescue and service truck was put into operation. It contains two dozen new litters, ropes, bunker equipment, special clothing and toquickie saws, electric generators, smoke ejection blowers,

foam ejectors and Scott air packs, rederal law requires firemen to have breathing equipment - their own air supply to enter a burning building.

Commissioner's Interview Firms For Equalizations

Last Monday during their regular meeting the Bailey County Commissioners Court interviewed J.W. McMorris and associates of Hereford, a firm that does property and land evaluation. This is the third firm to be interviewed by the County Commissioners Court. Professional Appraisal Company and Southwestern Professional Appraisal Company Inc. has been previously interviewed. This firm was interviewed with respect to cost and approach to land evaluation for a pending Con't on Page 3, col. 1

year-old Littlefield man, Johnny Lee Hutchin, who came back to Lee Hutchin, who came back to

Dr. Roy C. McClung will be the guest speaker at the First Baptist Church, Muleshoe, Sunday morning, June 23, at 11 o'clock.

Dr. Roy C. McClung became president of Wayland Baptist College July 1, 1963. He has been enthusiastically working with trustee committees looking toward expansion of campus facilities to meet the needs of the ever increasing student body. Much remodeling of facilities has taken place and new buildings are being completed.

Dr. McClung had been pastor at First Baptist Church, Plainview, Texas, for five years when Wayland trustees invited him to become Wayland's eighth president. Before that he was pastor at First Baptist Church, Ada, Oklahoma, and had served as pastor in Kentucky and Indiana.

He was chosen as Plainview's Citizen of the Year for 1966. Dr. McClung holds the Th.D.

degree from Southern Baptist Seminary, which he has served as trustee. His B.A. degree was earned at Oklahoma Baptist University. He has ser-ved on the Executive Board of the Baptist General Convention of Texas and was regional director for the Texas Baptist Christian Education Crusade when he became president. Other responsibilities have included chairman of the Texas Baptist College Administrators Association, and section director for Baptist Education

Study Task. Dr. McClung has an active interest in Boy Scouts of America, and served as chairman of the Haynes District for three years. He is a 32nd degree Mason. He is a member of the Plainview Lions Club, Plainview Ministers' Association and Chamber of Commerce.

Dr. McClung and his wife, the former Genelle Buckelew, have three children.

Rabies Clinic For Dogs, Cats Set June 27

The annual Rabies Clinic, sponsored by the City of Muleshoe in cooperation with Jerry D. Gleason, DVM, will be held from 3 p.m. until 5 p.m. Thurs-

day, June 27. Charge for the rables shot will be \$3, a discount price. Also immunization for distemper. hepatitis, and leptospirosis will be be available, Dr. Gleason City tags for the animals may

also be purchased at \$1.00 per animal. City ordinance requires the licensing of all animals, in order to obtain a city tag. In order to obtain a city tag license, each animal must have

Diseased Plants Clinic Planned

Spencer Tanksley, County Extension Agent, announced this week that a clinic on diseased ornamentals and vegetables will be held at the Muleshoe State Bank Community Room on Thursday, June 27. The clinic will start at 10 a.m. to 12 noon, and in the afternoon from 1:30 p.m. until 3:30 p.m.

The purpose of the clinic is to give home owners and producers an opportunity to bring samples of either ornamentals or vegetable plants that have diseases or insect problems with them to have the diseases diagnosed by a team of spec-

Three Lubbock based specialists will be on hand to analyze They are Dr. Roland Roberts, Area Vegetable Specialist, Dr. Robert McIntyre, Area Entomo-logist; and Dr. Robert Berry, Area Plant Pathologist.

This type of information is free to the public and everyone is encouraged to bring plants and visit with the specialists about their problem.

Coaches All-American Game Kickoff Saturday

The 14th annual coaches All-America Game will be played for the fifth straight year in Jones Stadium, Texas Tech University, Lubbock on Saturday, June 22. Tickets are on sale at the Texas Tech Ticket Of-

Locally, tickets are available at the Gordon Wilson Appliance and Fry & Cox.

For Lubbock and the Texas South Plains, this grid classic has become "All Americans on the Line for Handicapped Americans". Many needy charities in Lubbock, on the Texas South Plains and throughout the Lone Star State have benefitted through over \$160,000 of the net proceeds shared in the first four years at the game's Lubbock site by the co-sponsoring non-profit Lubbock Chamber of Commerce and the Texas Lions District 2-T2 (2700 Lions in 67 West Texas Lions clubs) including the Muleshoe chapter of Lions Club.

The Lubbock State School for the Mentally Retarded received a large amount of the Lubbock Chamber of Commerce net game fund share for the school's new \$61,000 specially-designed

Anthony Stores Local Man

A local man, graduate of Muleshoe High School class of 1968, Jim Bruton has been named manager of the C.R. Anthony store in Coleman.

Bruton worked for the local Anthony Company for two years as distributive education student while attending MHS. He became assistant manager here in May 1972, following his graduation from West Texas State University, Canyon, where he received a BBA degree in marketing.

Bruton, the son of Mrs. Jewell Bruton, and his wife, the former Linda Ashford, daughter of Mr. and Mrs. Ancel Ashford, were reared in Muleshoe.

LUCKY NUMBER W.E. English of 218 East Birch, is shown with Kay Bynum and the terrarium of money he won recently from Tri-County Savings and Loan. The contest was started during their grand opening Sunday, May 12, when people of the community began guessing the amount contained by the terrarium. English calculated his guess from his age of 69 and he was born in May, the fifth month. His guess of \$169.05 was the closest guess to the actual \$168.74 in the terrarium. He is employed by Higginbotham Bartlett and has lived in Muleshoe since 1946.

TEXAS PRESS ASSOCIATION

AUSTIN, Tex. - Constitutional Convention delegates are entering the make-or-break last laps of

their work. Delegates last week completed first-draft approval of the proposed new state charter after final agreement on the delayed judicial article

President Price Daniel Jr. said he hopes all articles will be pushed through the third-reading stage by the end of June.

After that, the document will go to the convention's "Submission and Transition Committee,' which will wrap up all proposals in package form and return them to delegates.

At this stage, the document and related separate-submission items (like right-to-work) must be approved by a two-thirds majority (121 votes) to be submitted to voters.

The Submission and Transition Committee will serve as a kind of conference committee, seeking compromises which can rally approval of the necessary majority of delegates.

After months of stormy debate and close votes, the convention began to receive praise from many quarters for its efforts to improve the 1876 constitution.

Kind words were still being withheld by the governor, however. Aides to Gov. Dolph Briscoe said he would "find it very difficult" to support the revision in its present form, because recommended changes infringe on gubernatorial powers in areas of veto and calling special legislative

TRADING STAMP - The State LIMIT? Finance Commission may ban use of trading stamps and other inducements by savings and loan associations to help attract deposits.

The panel's savings and loan section is scheduled to rule on the long-standing issue June 22

Opponents argue the regulation would curtail advertising by savings and loan associations, would not benefit consumers and would be meaningless to federallychartered institutions.

An earlier version of the proposed regulation included exemption associations competing with other financial institutions which offer stamps and other

Savings and loan associations are divided on the issue. Several consumer groups have indicated they will offer testimony in opposition to the proposal.

WASTE HEARINGS SET Texas Water Quality Board has scheduled 12 public hearings over the state to explore problems concerning disposal of industrial solid wastes, a controversial issue.

The first hearing will be held July 11 in Fort Worth with the final one in Austin October 24.

Other hearings are slated for Dallas July 12, Port Arthur July 25, Beaumont July 26, Houston August 6-7, Corpus Christi August 22-23, Brownsville August 30, El Paso September 20, Midland September 26, Amarillo September 27 and Longview October 2.

Legislative committee probes of TWQB, with special attention to its procedures in processing applications for waste disposal sites are scheduled to begin after the Constitutional Convention adjourns.

COURTS SPEAK - A man who entered a Fort Worth hospital with a cut thumb, fainted, fell off the operating table and suffered a brain concussion and loss of two teeth is entitled to \$7,211 damages, the State Supreme Court ruled.

The high court held a Houston ironworker should get workmen's compensation benefits due to inhalation of lead and zinc fumes.

The Court of Criminal Appeals held that a policeman who sees a driver making a movement before stopping is not justified in searching the traffic of-

fender's car. The Court of Criminal Appeals ruled a common law husband is entitled to have a jury pass on whether he was justified in killing his wife's lover though he did not catch

shoe for two weeks returning to Washington the middle of July.

Three young people were involved in an automobile accident within the Earth city limits Saturday night at 10 p.m.

Most seriously injured was Kim Jones, daughter of Mr. and Mrs. Dewayne Jones of Earth. Kim, a sophomore at Earth-Springlake high school, was taken to Littlefield hospital. Following x-rays she was transferred to Lubbock's Methodist Hospital. Kim remained unconscious Tuesday night but was responding.

Tina White, daughter of the Rev. and Mrs. Walter White, was an overnight patient in Littlefield hospital and then released. She and Miss Jones were in one automobile. Ronnie Haberer, son of Mr. and Mrs. Johny Haberer, was the driver of the other car. He was uninjured.

Mr. & Mrs. Bill Heaine from Fort Worth spent the weekend with Mr. & Mrs. Ted Thedfore. They were on their way to Colorado.

Weekend visitors in the home of Mr. and Mrs. T.C. McWilliams were Mr. and Mrs. Mike McWilliams of Lubbock.

Red Johnson was transferred from West Plains Memorial Hospital to the Methodist Hospital of Lubbock, where he was placed in the intensive care.

MULESHOE

Miss Murrah Services Held Sunday June 16

A resident of Bailey County since 1925, Miss Jennie Jerene Murrah was buried Tuesday, June 18, at Muleshoe Cemetery under the direction of Singleton-Ellis Funeral Home.

Services for Miss Murrah, 51, where held at 3 p.m. in the First Methodist Church with the Rev. C.B. Melton officiating. Miss Murrah died about 7:40 p.m. Sunday in West Plains Memorial Hospital.

A native of Iowa Park she moved to this country 49 years ago. She was a member of the

County Crop Reports Needed

Over 24,000 Texas farmers will recieve an acreage and production questionnaire from Charles Caudill, Agicultural Statistician for the Texas Crop and Livestock Reporting Service, Austin.

Information from this survey will be used to determine harvested acreage and production of early harvested crops for the state of Texas and for each county. There are 254 counties in Texas, and reports are needed from many farmers so that each county will be well represented. Accurate estimates are of great importance to farmers in planning production and marketings and in providing an unbiased picture of Texas agriculture.

The Texas Legislature has provided a program of estimates for each county. Texas covers such a wide area that state totals alone do not provide adeequate information on Texas' most basic industry -- agriculture. This is a cooperative effort of USDA's Statistical Reporting Service and the Texas Department of Agriculture.

Water...

Cont.from Page 1

the water conservation effort within the city of Muleshoe, officials explained. Practices such as turning off water on evaporative coolers when no one is at home, turning off the cooler and airconditioning when the night is cool, elimination of the washing of cars, etc. were listed.

With the cooperatin by the citizens at this time, the council feels that the city can supply the citizens with adequate water and with adequate water pressure, officials added.

DISMISSALS:

taste may be rejected. Each artist may submit as many as four paintings in each catagory at \$1.00 per entry. All paintings must be framed West Plains Hospital

and wired for hanging. Any artist may recieve only one cash award.

Members may participate it they

wish to join the Association, by

paying the membership fee of

\$5.00 plus the entry fee of \$1.00

per entry. Entries must be or-

igional and done without sup-

ervision. Any work not in good

School students are invited to participate in showing their paintings in all media, with no entry fee. No cash awards will be given to students. Ribbons will be presented for first, second and thrid place as well as Honorable mention ribbons as selected by Juror.

Chris Gikas, chairman of the department of art and art education of Eastern New Mexico University at Portales, will be judge of the event.

The juror is director of ENMU Art Gallery, a member of the New Mexico Arts Commission and served as director of Eastern New Mexico Arts and Crafts for five years. He recieved the ENMU Presidents Faculty Award in 1969, was named to "Outstanding Educators in America" in 1971 and to "Leaders in Education in America" in 1972. He is listed in "Who's Who in Art" and other biograph-

Market Report

Forequarter beef cuts take the economy spotlight this season, one expert says.

These cuts are comparatively the best value now, although some stores will feature round cuts at lower prices, according to Mrs. Gwendolyne Clyatt, consumer marketing information specialist, Texas Agricultural Extension Service, The

Texas A&M University system. Pork values include smoked hams, picnics, shoulder roasts and steaks, end-cut loin roasts and chops, she added.

Fryer chickens remain the money-stretcher in many meat departments, and grade A, large size eggs generally are the economy-quality egg value.

Turkey, whole bird and parts, s are plentiful and economical. Turning to fresh fruits and vegetables, Mrs. Clayatt cited peaches, apricots, cherries, plums and nectarines as priced on the high side.

Cantaloupe, watermelons and honeydew melons have more attractive price tags as supplies increase, and pineapple, strawberries, apples and oranges are worth considering.

Vegetables items in largest supply at the most economical prices are cabbage, carrots, sweet corn, okra, green beans, dry yellow onions, radishes and green onions.

CONSUMER WATCH WORDS: Cottage cheese is featured at dairy counters. One and a third about the same amount of calcium as one cup of milk.

ESA Shopping Spree

The Epsilon Chi Chapter of Epsilon Signa Alpha is selling chances on a three minute shopping spree at Cashway grocery. For a dollar your name will be put in the drawing box, and on June the 21 the drawing will be held on radio station KMUL,

The lucky winner will be able to shop to their hearts content for three long minutes, with a hundred dollar limit on groceries. So ladies and gentlemen get your track shoes on and buy a ticket from any ESA member.

Fair Question Small fry to father - "How come soda pop will spoil my dinner and martinis give you

Volunteers Are Needed

Do you have a few hours a week you could spare? Everyone has a deep feeling of wanting to be needed... are you aware of such a feeling? Well, someone definitly needs you . . . that much we are aware of. The elderly residents of the nursing home need you very badly. They need you to walk with them out in the sunshine and fresh air, and hold on to their trembling hands so they won't trip or stumble; they need you to read to them from their favorite scriptures in the Bible because their eyesight is getting dim and the print just doesn't show up as clearly as it used to; they need you to pick up things in town for them, or better still, let them ride down there with you and see all the changes that have taken place since they were last out; they need you to just sit and talk to them or visit with them and listen; they need a professional hairdresser, sometimes, to give them a hair cut and a permanent. There are so many thoughtful things you can do with those few hours you may have. You can volunteer your time at the Nursing Home, but not necessarily be a member of an organized group if you'd rather

ed about that you will leave behind you at the Nursing Home. If you're interested, and no matter how little time you feel that you have it will be

important to someone, call Mrs.

not, but just give your time as you can. You just can't

realize the good feeling you

will go home with, and the good

feeling of being loved and car-

Henry Malone, the Activities Director at the Nursing Home. She will tell you how you can begin to spend your spare time in a very meaningful way. Her telephone is 3583, or she can be contacted at the Muleshoe Nursing Home.

Loretta Gale Edwards

Mr. and Mrs. Camillo Villa of Muleshoe are the proud parents of a new baby boy born June 16, at 8:24 a.m. in the West Plains Memorial Hospital of Muleshoe. The baby weighed seven pounds and was named Junior.

He is the couple's third child

Methodist Church Finishes Vacation Bible School

The United Methodist Church of Muleshoe concluded their Vacation Bible School Monday evening with a covered dish supper and program presented by the children. A large number of parents, grandparents and friends attended the program at the fellowship hall of the church.

Mrs. Max King, Vacation Bible School director, acted as mistress of ceremonies. Her assistant directors was Mrs.

A total of 163 persons were involved in the Bible School, including 97 children, 51 adults and teenagers assistants, and 15 nursery age infants.

The program begun with the pledge of alligance and the singing of America. Each class participated in the program by singing, showing slides they

had drawn or a quiz program. Mrs. Corky Green, music director lead the intire group c. children as they sang to conclude the program.

The pastor, Rev. C.B. Melton thanked directors and leaders and gave the closing pray-

With many weddings being planned for the coming months, beautiful dresses for brides and attendants are

being shown.

A lovely outfit for the mother of the bride, or for the grandmother, is the clinging long dress with its jacket of the same material. Crystal beads or sequins on the

jacket add to its elegance.

SPC Slates **Band Camp**

second annual South Plains College Junior Band Camp for sixth through eighth grade band students will run from Monday, June 17 to Friday, June 21, according to Jack Nolwin, SPC band director and camp director.

The camp is for students in grades 6, 7 and 8 who have had a minimum of one year's training in a school band, Nowlin said. Classes for the fiveday camp will be from 9 a.m. to 3 p.m. in the Fine Arts Building at SPC.

Camp participants will receive instruction in band, music history and appreciation and instrumental music. Twirling also will be offered, as will private instrumental instruction. Supervised recreation also is included in the camp program.

This year, in anticipation of a large enrollment, the camp will be divided into two bands. Band I will be for first year students and Band II will include second and third year students. At the conclusion of the camp, a concert will be presented at 3 p.m. June 21 by all camp participants. The concert will be open to the public without charge.

Band directors in the area have been notified of the camp and can give information to students who plan to commute, Nowlin explained. Staff for the camp will be Marlin Lindsay, Levelland High School band director; Jim Hutson, Level-land Junior High band director; Barbara Lindsay, who will teach the twirling sessions, and Now-

Complete information about the camp is available by writing Jack Nowlin, Band Camp, South Plains College, Levelland, Texas 79336.

Ronnie Bullock, 17-year-old son of Mr. and Mrs. Wyle Bullock, was elected West Texas Area Master Councilor of the Order of DeMolay in Amarillo June 14-15. A senior at Muleshoe High School, Bullock holds the Representative DeMolay Award, the Leadership Correspondence Course, Certified Degree Judge, Past Master Councilor Meritorious Service Award, and Knighhood and Degree of Chevilker.

and Reserve Champion, two first and one second in western pleasure, a first in English pleasure, first in junior reining, and three seconds in open barrels. He was shown by Jim and Georgia Pearson

explains Spencer Tanksley, county agent for the Texas Agri-

Studies have shown that plants

can absorb small amounts of

fertilizer nutrients through the

leaves. Since high concentra-

tions of salts or nutrients in

the solution will damage leaves

only small amounts of nutrients

can be applied per application.

This usually amounts to 1 to 4

pounds per acre. Thus crops

such as grain sorghum or cot-

ton that may use 60 to 80

pounds of nitrogen per acre

during the growing season would

require many applications if

folair feeding was substituted

for regular soil applications

as a method of applying trace

elements which are needed in

very small amounts. However,

to meet the nitrogen, phosphorus

and potassium requirements of

field and forage crops through

the folair feeding technique is

generally uneconomical, Folair

feeding is most often used as

a temporary or emergency

treatment to correct a specific

such as iron chlorosis.

problem or nutrient deficiency

With folair feeding, nutrients

cultural Extension Service.

What About Foliar Feeding Of Crops

Foliar feeding is the process of applying a dilute solution of fertilizer on the leaves of plants

Public Notice CITATION BY PUBLICATION

THE STATE OF TEXAS TO, Guadalupe Cortez, Jr., Defendant, Greeting: YOU ARE HEREBY COM-

MANUED to appear before the Honorable District Court of Bailey County at the Courthouse thereof, in Muleshoe, Texas, by filing a written answer at or before 10 o'clock A.M. of the first Monday next after the expiration of fortytwo days from the date of the issuance of this citation, same being the 22nd day of July A.D. 1974, to Plaintiff's Petition field in said court, on the 28th day of andary A.D. 1974, in this cause, numbered 3680 on the docket of said court and styled IN THE MATTER OF THE MARRIAGE OF ANNA MARIE CORTEZ AND GUADALUPE

CORTEZ, Jr., Defendant. A brief statement of the nature of this suit is as follows, to-wit:* DIVORCE

as is more fully shown by Plaintiff's Petition on file in this suit. If this citation is not served within ninety days after the date of its issuance, it chall be re-

turned unserved. The officer executing this writ shall promptly serve the same according to requirements of law and the mandates hereof. and make due return as the law

directs. Issued and given under my hand and the seal of said court at Muleshoe, Texas, this the 3rd day of June A.D. 1974.

Attest: Nelda Merriott Clerk, District Court Bailey County,

Public Notice NOTICE TO ALL PERSONS

HAVING CLAIMS AGAINST ES-TATE OF LEWIS STEWART Notice is hereby given that letters testamentary upon the estate of Lewis Stewart were issued to me, the undersigned on the 17th day of June, A.D. 1974.

In the proceeding indicated below my signature hereto which is still pending, and that I now hold such letters. All persons having claims against said estate, which is being administered, in the county below named, are hereby required to present the same to me respectively at the address below given before suit upon same are barred by the general statues of limitations, before such estate is closed, and with the time prescribed by law, my residence and post office address is 1529 Clovis Road, Muleshoe, Bailey County, Tex-

Dated the 17th day of June, A.D. 1974.

Ella Stewart, Independent Executrix of the Estate of Lewis Stewart, deceased, No. 1073, in the County. Court of Bailey County, Tex-

are absorbed through the leaf surface. Therefore, only those leaves on the plant at the time of application can absorb the nutrient. As new tissue forms, the small amount applied to older leaves may have been used so another application is required. Fertilizers prepared for fo-

liar feeding are often market ed as liquids. The label must show the analysis similar to solid fertilizers. The percentages of nutrients are also on a weight basis. For example, a liquid fertilizer containing 10 per cent nitrogen and weighing 12 pounds per gallon would contain 1,2 pounds of nitrogen per gallon.

To supply 60 pounds of actual nitrogen would require 50 gallons of the fertilizer or 600 pounds, the same as any other fertilizer containing 10 percent nitrogen.

A careful evaluation of costs and expected returns is essential before fertilizer is applied to field and forage crops by foliar feeding.

The Sandhills Philosopher

Editor's note: The Sandhills Philosopher on his Johnson grass farm encounters a problem which he soon abandons. Dear editor:

It makes you stop and think. Twenty-eight Congressmen, according to an article I read in a newspaper last night, are quitting Congress this year. That's right. Twenty-eight

are just not going to run again, not counting 13 others who're going to run for something else. Some of the 28 are quitting because of old age and a sat-

isfactory pension but a lot of them, including some young ones, are quitting because they just don't like the job, and I got to wondering: what if the trend continues? What if Congress convenes next January for a new session and discovers half the seats are empty? What kind of a country would we have if we couldn't get a quorum to serve in Congress? It's like asking what kind of a university could you have if nobody came out for the football

Now I can understand why a man maybe wouldn't want to serve in Congress and risk ruining his reputation when he could stay at home and probably never get caught, but somebody's got to do it. You can't have unpassed legislation piling up in Washington any more than you can un-collected trash in a city. Of course some will argue the two aren't parallel, that at least a city does have a place to bury its trash but when Congress passes a law it spreads all over

the county. However the more I contemplated the problem the more I concluded it's like most problems - more awful in contemplation than in reality. I have a notion a swarm of candidates will be contesting for those 28 vacated Congressional seats and when the roll is called in January 28 new faces will show up.

As I have long contended, there never was a man some women wouldn't marry or an office somebody wouldn't run for. Yours faithfully,

& CHH & **TUNE-ING**

MULESHOE,

4-H Youth VieAt Horse Show

4-H'ers from Bailey County will be among 180 youngsters competing for a berth on the top 20 list of winners at the District 2 4-H Horse Show in Tulis, on June 24, County Extension
Agent Spencer Tanksley announced. The winners of the
district event will compete in
the State 4-H Horse Show at

Dallas in August.
The 4-H'ers are: Curtis

Wheeler, son of Mr. and Mrs. George Wheeler; Toby Tucker, son of Mr. and Mrs. Jack Bates; Jimmy and Kenny Hen-derson, sons of Mr. and Mrs. Bob Henderson; David Head, son of Mr. and Mrs. Marshall Head; Curtis and Sharon Carpenter, son and daughter of Mr. and Mrs. Jimmie Carpenter; Melinda Presley, daughter of Mr. and Mrs. Jimmy Presley; Tom-

my and Trey Stoneham, sons of Mr. and Mrs. Henry Stoneham; Bill Hodnett, son of Mr. and Mrs. J.L. Hodnett; Tommy Wheeler, son of Mr. and Mrs. George Wheeler; Tommi John-son, daughter of Mr. and Mrs. Jim Johnson; and Sharla Farmer, daughter of Mr. and Mrs. Charles Farmer.

Already winners of county competition, the youth will be competing in halter, showmanship and performance classes. Site of this year's horse show is the Tulia Rodeo Arena in

Last year, of 15 first place awards, 10 were won by girls,

Tanksley, added.
Tom Gibbs of Wichita Falls and Douglas Wilson, Hardeman County Extension agent from Quanah will serve as official judges. Ken Cook, Swisher County Extension Agent will be superintendent.

The quota of entries is based

on the number of active 4-H members with horse projects in each county, Tanksley said.

R.L. Meason

BANDGLADESH (Special) Marine Lance Corporal Ronald L. Meason, son of Mr. and Mrs. James W. Meason of 2206 W. American Blvd., Muleshoe has reported for duty at American Embassy here.

"Texas" will open the ninth season on June 19, 1974 with the '74 version of the musical drams.

The special feature for the evening will be railroading on paper: locomotives and cabooses, lanterns and trestles, tracks and long trains, stations and signals - all in the finals of the Railroad Art Competition. They will hang at the Gala Opening in the Palo Duro Can-

AVORIT

von State Park at the theatre and the winners will be announced from the stage. In addition, winning entries will be exhibited at the Panhandle Plains Historical Museum in Canyon from

June 23rd through July 27.

Three judges are making the selections. They are Olive Vandruff Bugbee of Clarendon, art curator of the museum; David Sanders of Austin and F.M. Stuppi, General Manager of the

Artists Invited To Present Railroad Art Santa Fe who lives in Amarillo. Special ceremonies for rec-ognizing the artists, as well as the presentations of the Bicentennial flags, will start at 8 p.m. Curtain time for "Texas" will be 8:30.

An optimist is usually an individual who feels good.
