World Meat Situation Termed 'Shaky'

recent worldwide boom-bust cycle experienced by meat and poultry producers has left the demand-supply balance for meat on "skaky" grounds.

That view comes from Dr. Don E. Farris, a livestock and meat marketing researcher for the Texas Agricultural Experiment Station, who recently visited with international livestock and meat interests in London.

"Producers have been afflicted by drastic 'ups and downs' at the marketplace due to such things as sharp changes in consumer demand, high feed prices and sudden changes in govern-

Motherly Advice

The mother lion opened her eyes lazily and saw her young son chasing a hunter

Trim Holiday Pounds

COLLEGE STATION --- For many people, the holiday season is directly follwed by the "January Blues' -- when they're trying to lose those excess pounds gained during the holidays.

'Cutting down on calories, not valuable nutrients, is the important thing to remember when reducing,' Sally Springer, food and nutrition specialist with the Texas Agricultural Extension Service, The Texas A&M University System, said this

The four sources of calories in a daily diet are fats, carbohydrates, protein and alcohol. But in addition to supplying calories, fat, carbohydrates and protein also perform specific body functions. For that reason, they souldn't be completely eliminated from the diet,' the specialist advised.

She suggested trying to avoid high-calorie foods such as concentrated sweets or fats that supply few other nutrients.

"Remember that enriched whole-grain breads, cereals, vegetables and fruits generally supply generous amounts of vitamins and minerals along with the carbohydrates. But it's what goes on these foods that adds excess empty calories -- butter, margarine, jellies

Some other points to remember when dieting are:

-- Trim the visible fat from your meat, or select lighweight beef, poultry or lean fish since

these meats are lower in fat. -- Don't cut out milk, but drink fortified low-fat or fortified skim milk for fewer calories with the same valuable nutri-

ents whole milk has. -- Just eat a little less, resist second helpings and don't expect overnight results.

Stork Shower Fetes Mrs. Gary Mac Brown

Mrs. Gary Mac Brown and son, Brandon were honored with a Pink and Blue Shower Saturday, January 25 in the home of Mrs. Woodie Lambert from 2:00 to 3:30 p.m.

Study Club **Studies Indians**

The Muleshoe Study Club met Thursday, January 23 in the home of Mrs. Jewel Griffiths. Mrs. Walter Bartholf served as president, in the absence of Mrs. C. F. Partan, who was ill. Mrs. Levina Pitts led the club collect and Mrs. Mildred Neely read the minutes of the last meeting and called the roll with each member answering by naming the Indian Tribe they considered most interesting.

Mrs. R. O. Gregory, the director, introduced Mrs. Neil Dillman, who gave the program on the history of the American Indian. She discussed the names of the numerous tribes, their living habits and hunting habits, some amusing ways they acquired their names and finished the discussion by a film over Indians.

The hostesses served refreshments to the following members: Mrs. J. G. Arnn, Mrs. Walter Bartholf, Mrs. Joe Costen, Mrs. Lewis Embry, Mrs. Rufus Gilbreath, Mrs. Ed Johnson, Mrs. T.L. Kent, Mrs. Mildred Neely, Mrs. Levina Pitts, Mrs. Sena Stevens, Mrs. Doyle Turner, Mrs. Mae Wilterding, Mrs. Wilson Witherspoon, Mrs. R.O. Gregory, and guests, Mrs. Neil Dillman and Mrs. J. B. Smith.

Fashion > Perhaps the greatest style

change this year is in hairdos. No longer is the long, straight hair popular. Curls and waves have come back and long hair has been cut off about chin level or even shorter.

The pleasingly plump figure should avoid clothes which have the strips running around the garment. Up and down stripes or panels are much more slenderizing.

Special guests were the honoree, her mother, Mrs. Jackie Merritt; Mrs. Dee Brown, mother-in-law and Mrs. Edna Dilland of Roaring Springs, grandmother of the honoree. The honoree received a baby

corsage. The table was covered with a white cut work cloth. The centerpiece was a yellow daisy flower arrangement accented by a stork. Refreshments were served from milk glass appointments.

Hostess gifts were a high chair and a walker.

Hostesses for the occasion were Mrs. Lee Lewis, Mrs. Boyd Magby, Mrs. Jerry Har-rison, Mrs. Gary Glover, Mrs. Nicky Nickels, Mrs. Bobby Dodd, Miss Mitzi Bass and Miss Judy Lambert.

ESA Has Social Night

The Epsilon Chi Chapter of Epsilon Sigma Alpha met Tuesday, January 21 in the home of Mrs. John Blackwell and Mrs. Jack Rennels as co-hostess. Each member brought her favorite meat dish, vegetable

or cassorole and her recipe to give the other members. The hostesses served spiced tea, cokes and strawberry des-After the meal they played

a game with the baby pictures of each member that was brought. Mrs. Darrell Matthews won a prize for quessing every baby picture of the members. The girls attending also gave Mrs. Jack Rennels ideas for baby names.

Members attending were
