American Legion to Stage a Great Parade

THE AMERICAN LEGION PROGRAM FOR ARMISTICE DAY, NOV. 11TH

Anvil Firm, 4 a. m.
Sun Rise Breakfast, 7 to 8 a. m.
Parade, 10 a. m.
General Assembly, High School Auditorium, 11 a. m.
Flag Ceremony, Color Guard.
Invocation, Rev. J. E. Anderson.
Special Music, Brownfield High School Band.
Special Remarks and Introduction of Speaker, H. R. Winston.
Principal Address, To be supplied.
Announcements and Adjournment, Chairman.

The above program is planned by the Brownfield Post with the hope and desire that all our citizens will assemble together on the above occasion and express our firm desire collectively for a program of peace for our own nation and all people of the world. It is expected that every ex-service man in Terry county with their families make a special effort to be present.

It is expected that the parade in the morning will be the largest parade ever seen in Brownfield. It will be led by the Brownfield High School Band, followed by ex-service men, Boy Scouts, and the school pupils of all the schools of the county. Mr. Baze will have charge of arranging the schools in their proper places. Then last will come the different floats. Any school in the county, any business firm or individual or any church or service club are invited and urged to have a float in the parade. A prize of \$15 for 1st place, \$10 for 2nd place, and \$5 for 3rd place will be given. The awarding of these 3 prizes will be made by 3 judges based on the attractiveness of the float or if a theme is depicted on how well it is carried out.

The program in the High School Auditorium is open to all our people and hope you will be there. We are trying to secure an interesting speaker for the occasion.

New Fords Are Now On Display—Peaches

The new 1939 Ford will be on display today at the show rooms of the Tudor Sales Co. Be sure to see this new car. There is a world of value wrapped up in this package.

The Ford company is also showing a brand new production, the Mercury, priced half way or near so between the regular V-8 and the Lincoln-Zephyr.

The new production will not be shown here today.

Marie's Beauty Shop Opened This Week

Mrs. Marie Sietz of Temple, opened up a beauty shop Wednesday in the rear of Walker's Barber Shop, to be known as Marie's Beauty Shop.

Mrs. Sietz has had several years experience in the beauty business and on these merits she solicits a part of your business and asks you to come in and get acquainted.

She will be assisted in the shop by Miss Faye Dunn of Roscoe.

Terry Farms to Be All "Lit" Up Soon

The sum of \$304,000.00 has been appropriated by Rural Electrification Administration, for a portion of Terry and Garza counties and a considerable portion of Lynn county, to be known as the Lyntegar Electric Cooperative, with headquarters at Tahoka. Presumably, power will be purchased from the Texas Utilities Co.

Also, a small portion of Hockley county will be served in the Ropesville Settlement area, then the line enters Terry county, coming to Meadow, then west through the Harmony and Needmore settlements, and thence south to some point near Gomez.

A small area will also be served east of Meadow in Terry county before the line enters Lynn county. Most of Garza to be served is above the caprock.

A total of 329 miles of line will be built, serving 988 customers, and the construction of the line will give nearly 70,000 hours of employment. Right of way is to be secured without cost to REA.

Cublets Play Good Game With Lamesa

The Junior High Cublets played an interesting and thrilling game Thursday afternoon against Lamesa. The Cublets started off with a bang. Travis Pharr ran 45 yards and was brought down on the 50 yard line out of the danger zone which Lamesa had driven them to. In the second quarter Sonny Walls showed a grand piece of brokenfield running and went over for the first touchdown after running about eight yards. They converted on that one. At the end of the half the score was 7 and 7.

In the fourth quarter Lamesa sent in a much better team, and they outweighed the Cublets. Lamesa ran off with the game for a score of 18 to 7. It was a hard fought game, and it was too bad that the Cublets couldn't win.

Committee On Wild Life Appointed

Some time ago a few interested parties met at the Legion Hall with County Agent R. N. McClain in charge, to organize a local committee and membership for the preservation of Wild Life in Terry county, to be associated with the State Organization. Many otherwise interested forgot about the meeting, and to be honest, the Herald for one.

In the past few days County Judge Simms, the writer and probably several others have been urged to take membership in the organization in this county. The Herald will find out before next issue just what the status of the organization is at this time. Mr. McClain is out of town, and was unable to give us the information this week.

County Agent Attends Meeting in Lubbock

County Agent R. N. McClain was in Lubbock Tuesday and Wednesday attending the district meeting of County Agents of this district, which consists of nineteen counties on the south Plains. These meetings are held to get mutual information for the conduct of the business in the several counties.

We were told by the assistant county agent, Davis Pounds that they had received \$50,000 more of compliance money for Terry county farmers last week.

Oklahoma Landlord Sets Good Example

Not so long ago B. W. Ludeman, of Okmulgee, Okla., purchased a choice 480 acres in Terry county, laying in the Gomez school district, some 14 miles southwest of the city. Instead of throwing up a two room shack that wouldn't keep a polar bear warm in winter, and a little old stall or two for the mules, Mr. Ludeman put some real money into his improvements.

In fact, about the first hard work he did was to spend around \$2000 for a house, well and windmill, with most of the modern conveniences found in city homes, including running water. In fact, he had good land, and he wanted some improvements on the land that would attract the very best renters or leasees, so that he might depend on them to look after his stuff, and make good crops. Too, he did not wish to be changing renters each year. If he got a good one—keep him.

The Herald believes that Mr. Ludeman has such a man in the person of E. C. Griffith, who has had years of experience farming in this country, and knows how to farm here. When a boy, he had the instructions of his father who now lives in Cochran county. His father was about the first farmer in Terry county to practice deep plowing—bringing up the clay to mix with the sand, and thus save the soil.

There was a pretty good crop this year on the Ludeman farm despite the fact that rain came late, and we had the hottest and driest summer since 1917. But that good land is still there ready for better and more seasonable years.

We hope that more landlords take a lesson from this out-of-state man and put better improvements on their places. They will then get a better class of renters. In fact they will get the pick.

AMERICAN LEGION ELECTS OFFICERS

The American Legion met last Friday night and elected M. J. Craig, Post Commander; Jack Holt, First Vice Commander; Dr. Jno. R. Turner, Second Vice Commander; Chas. Leonard, Adjutant; J. E. Anderson, Chaplin; and Tom Howard Sergeant-at-Arms.

Mr. and Mrs. Earl Alexander of Plainview were visitors in town Thursday. Mrs. Will Alf Bell returned home with them for a week's visit.

Mrs. D. J. Harris was down from Meadow one day last week and had us put her son, Noble, on the mailing list. He is attending Abilene Christian College.

Moffitt Hayes leaves Saturday for Lubbock, where he will be associated with the Lubbock Daily Times.

Senator Tom Connally as honor guest, addressed Service clubs in Lubbock, Thursday at a lovely banquet in the Hilton Hotel. The Lions club, Rotary club, Kiwanis club and A. B. C. club, were joint hosts for the occasion. Those who attended from Brownfield were J. H. Dallas, W. H. Collins and J. E. Shelton.

Mr. and Mrs. Robert Trigg of Wellman are the proud parents of a big boy born at the Dr. E. C. Davis residence, Tuesday, November 1.

Mr. and Mrs. Harold Denton of Levelland were here Sunday the guests of relatives.

Sam Pyeatt and Travis Bynum were business visitors to Lubbock, Friday.

Mrs. McClutchin was in Monday shopping.

Old Timers Visit the "Old Home Town"

Mrs. Jess H. Harris of Comanche, Texas, better known here as Mrs. J. W. Welch, and two of her daughters, Mrs. N. L. Brandon, and little son, Horton, of Breckenridge, and Mrs. Albert George of Tahoka, are here not so much on a visit, as they are to attend the bedside of their son and brother, Robert Welch of Meadow, who is very ill at the local hospital. The youngest daughter, Mrs. Lee Orville Lewis, lives here.

Mesdames Welch and Brandon stopped at the Herald office for a few minutes, as this was one of the pioneer families, and many a youngster between the ages of 20 and 30, who were born here, had their first clothing put on them by Mrs. Welch, two of which work in this office, Ralph Bynum and Jack Stricklin, Jr. She lost her first husband many years ago, being buried in the Brownfield cemetery.

The Herald is always glad to have these old timers call and chat for just a few minutes, but regrets their visits here this time is to watch by the sick bedside of a member of the family.

Plains Youth Shoots Self With a Rifle

R. C. Anderson, 16, son of Rev. and Mrs. Anderson, of Plains, accidentally shot himself with a 22 rifle, while hunting on the A. C. Copeland ranch, Wednesday afternoon, about 6 o'clock. He was brought to the local hospital, where he is resting as well as could be expected.

According to Rev. Anderson, R. C. was trying to get a rabbit out of a hole with the butt of his gun, having his right hand over the end of the barrel. The gun discharged, the pellet passing through the palm of the hand, and entered the breast bone.

X-rays shows the bullet lodged just inside the breast bone, where it will probably have to remain, as probing might collapse the lung according to physicians. R. C. is a junior in the Plains high school.

Ginnings Low—But Not So Far Off

R. D. Copeland, special local agent of the Department of Commerce, Bureau of Census, was in this week to give the Herald a report on the ginnings of Terry county up to October 18th.

While the report is some behind last year, it stands to reason that it will be much further as the reason advances, providing the turnout this year don't fool a lot of folks. Most of the guesses this year place the crop from 10,000 to 12,000 bales, whereas, it was more than 55,000 last year.

Up to October 18th, there had been ginned in Terry county only 618 bales, as compared with 730 at the same time last year.

Mr. and Mrs. Marion E. Brown and little Joe are making their home in Canyon, Texas.

AN AVERAGE CROWD EXPECTED FOR TRADESDAY HERE NEXT MONDAY

Brownfield and section is looking forward to a great Tradesday Monday, as well as a huge crowd here Saturday, especially if the fine weather holds good till then, and if the weather gets too rough for crop gathering about that time. Fair or fowl, a good crowd is expected both days.

The merchants are fixing up to give a round of bargains on those two days, being represented by the dry goods, grocers, druggists, variety stores, and possibly you

WTCC Charges Rates Penalize This Area

Discrimination against West Texas by the present freight rate structure is penalizing this area \$100,000,000 annually, charges the WTCC traffic board in an exhaustive analysis of the freight rate question just released.

West Texas with the greatest wealth of natural resources of any similar area in the nation, is paying higher freight rates than any other section, comparisons of the five major railroad regions of the United States made in the WTCC report show.

Freight rates in West Texas are 72 per cent greater than in the Ohio-Indiana, or Official Territory, which is the lowest-rate zone in the nation. First class rate in Official Territory for 500-mile hauls is \$1.22 per 100 pounds as compared with \$2.26 per 100 for equal haul in extreme West Texas or Differential Territory, the report says.

West Texas' rates are higher in spite of the fact that statistics are presented in the report to show that expense of transportations is 17 per cent less in this zone than in any other region.

Nothing short of a legislative mandamus to the Interstate Commerce Commission will remedy the situation, the report states. The WTCC traffic board recommends that the regional organization and its 191 affiliates in 132 to the Interstate Commerce Commission champion an amendment which will "definitely instruct the Interstate Commerce Commission to revise the intraterritorial freight rate structure so as to bring the rates closer together in both level and scheme, said level not to exceed a maximum of 5 per cent as between any of the regions of the country, and to revise and blend the inter-territorial rates with the intra-territorial structures."

Car Accident Victim Buried Here, Tues.

H. F. Cottrell who was fatally injured in an auto accident west of Seagraves last Monday about 10 a. m. and later brought to the local hospital where he passed away at 12.27 that afternoon, was buried here Tuesday at 2:30. Funeral arrangements were in charge of the Brownfield Funeral Home, conducted at the Methodist church with Rev. Little, Pentecostal pastor of Seagraves in charge.

Mr. Cottrell, a former resident of this county, had recently moved to Allred and was associated in the plumbing business there.

He leaves a wife and four children, Wayne, Duanne, Carl Wayland and Jeanelle and parents, Mr. and Mrs. J. D. Cottrell, Seagraves, and sisters, Mrs. E. T. Fant, Mrs. R. L. Berryhill, Brownfield; Mrs. Bill Price, Borger; and a brother, H. J. Cottrell of Brownfield.

Miss Mozell Cobb of Lubbock visited her uncles Ralph and Travis Eynum a few minutes Friday.

BROWNFIELD PREPARES FOR LARGE ARMISTICE DAY CROWD—FIGHTING CUBS MEET SLATON TIGERS.

Cubs Win Their First Conference Game

Tickets on sale Wednesday and Thursday at all drug stores at reduced prices.

Preparations are going forward to take care of the largest crowd ever to see a football game in Brownfield when the Brownfield Cubs meet the Slaton Tigers in the game Friday, November 11. Negotiations are under way to have bleachers set up to seat some 1500 fans. The anticipated crowd has been estimated at from two to four thousand. Slaton is preparing to run a special train that will arrive at the local depot at 1:45, where the fans will be met by a delegation of local people and the Brownfield high school band.

Slaton's delegation will be accompanied by their seventy-five piece crack band. Tickets are being put on sale at Slaton and the local drug stores. The price of admission will be 20c and 40c up to Thursday night. The prices Friday of the game will be 25c and 50c. Ex-lettermen are invited to see the game as guests of the Brownfield High School.

Special invitations are being sent to the adjoining communities to celebrate with Brownfield and help bring victory to the local school. Especially are the schools and communities urged to attend, whose native sons are on the Cub football squad. Happy, Gomez, Johnson, Harmony and possibly other schools have native sons playing with the Cubs.

Local Tailors Go to Cash-Carry Basis

The three local tailoring establishments have gone into an agreement wherein they are sure of getting their pay for the work they put out, and at the same time, save their customers money. After Saturday, November 5, their business will be conducted on a strictly cash and carry basis.

These shops are the American Tailor Shop, City Tailor Shop and Noel's Tailors. The new prices on cleaning and pressing suits will be 60c, and on dresses 65c and up. As we understand it, they are having their phones taken, so there will be no need to call any of them over the phone.

In other words, you carry your work to them, and later call, pay the cash over the counter, and carry your work home. And they will not have any delivery cars.

Since being lambasted two weeks ago about getting off with a fine melon from Yoakum county...

Bert Ford, head of the enforcement department of the State Liquor Board is making it hot for the Honky-Tonks and Beer Parlors inclined to run "skys the limit" places in the cities where beer and liquor is sold.

The West Texas Chamber of Commerce is registering a vigorous protest against the discriminatory freight rate imposed on west Texas by the railroads with the seeming sanction of Interstate Commerce Commission.

Talking to a man back from California recently, he termed that state the place of the nut, prune and lemon. I asked him what he meant by that expression.

Although we believe this to be the best and greatest government on earth, yet all can see that there is room for improvement.

GOMEZ

The Baptist ladies of the First Baptist church at Gomez met Oct. 30th, Sunday afternoon at 2:30 p. m. for the purpose of organizing a W. M. U. The Associational Pres., Mrs. L. Lumsden of Wilson was in charge.

Song, "Bring Them In." Devotional, led by Mrs. Lumsden. Reading, Ex. 4-2. Prayer, by Mrs. A. A. Whitley. Talk on the Womans Missionary Society, by Mrs. Lumsden.

The following officers were elected: President, Mrs. F. L. Willingham. Sec. and Tres., Mrs. R. A. Whitley.

The organization voted to cooperate with the Brownfield Association and decided to meet each Tuesday afternoon. Motion made to adjourn. Mrs. L. Lumsden, acting as chairman.

Mrs. W. W. Price acting as Secretary. Far in excess of the previous expectations of the most optimistic, the Hallowe'en Carnival on Friday evening of last week was the best event of its kind ever staged by the local community.

At intervals throughout the evening melodious strains of both popular and classical tunes intermingled with the contagious laughter of the crowds. We wish to take this means of expressing and everyone who contributed in publically our appreciation to each any way to the success of the affair. Especially are we indebted to the Krinkle Bros. of Sparenburg, who furnished music throughout the evening, and to Mr. Charles A. Dial of the Brownfield News, for the use of his loud speaker, in making the program available to the large audience, and to the local Red Top Service Station for furnishing supplies for the Carnival at cost.

Volume II, Issue I, The Gomez Spotlight, a bi-weekly publication of local school was put into circulation on Friday of last week. The issue was one that would be a credit to a school of a much larger enrollment than the local one. Commendable recognition is due each one who had a part in the staff which is as follows:

Estell Swain, Editor in chief; Loyd Reece, Assistant Editor; Louise Daugherty, Business Manager; Glenna Key, Assistant Manager; Larance Whitley and Archie Waddell, Printers.

Mr. and Mrs. E. W. Liles and family also Mr. Frosty Earnest and son, Forrest were visitors in the W. J. Washmon home Sunday afternoon.

Mr. and Mrs. W. G. Swain visited in R. E. Welch's home at Meadow, Sunday afternoon.

Mr. and Mrs. Buzbee and children were guests in the W. G. Carter home Sunday.

Mr. and Mrs. Charles Boyd of Pecos, Texas were week end guests in Supt. X. R. Banks' home.

BARNEY CRAVEN AND WIFE KILLED IN CALIF.
Word was received here late Saturday afternoon that Mr. and Mrs. Barney Craven had been killed in an automobile wreck at Inglewood, Calif. Their baby, which was with them was not seriously injured.

Barney's parents, Mr. and Mrs. J. C. Craven have been residents of Terry county for quite a few years and he was born and married a girl from the Lahey section.

The Herald deeply sympathizes with his family in his untimely passing.

HARMONY—
The farmers of our community are very busy harvesting their crops.

The Hallowe'en party given by Mr. and Mrs. T. G. Sexton last Friday night was well attended and a pleasant evening was enjoyed by all.

It is reported that on last Saturday evening two of our popular young people were married in Brownfield. Miss Iva Hobbs, daughter of Mr. and Mrs. J. O. Hobbs and Mr. Hershell Hargrove, son of Mr. and Mrs. John Hargrove of our community.

It was announced at church last Sunday that Rev. Dale of the Primitive Baptist faith, who is pastor of that church at Gomez will preach here next Saturday night, November the fifth.

Rev. Jesse Young, pastor of the Methodist church filled his regular appointment here last Sunday.

Mr. and Mrs. L. B. Floyd had as their guest, Mrs. Floyd's father, Rev. J. A. Wethers of Lubbock last week. While he was here they visited relatives at Tahoka.

HARMONY P.-T. A. ELECT STANDING COMMITTEES

Mrs. Shade Daniel of Seminole was here this week the guest of her son, Dr. A. H. Daniel and daughter, Mrs. Elton Brewer.

Beware Coughs from common colds That Hang On
No matter how many medicines you have tried for your common cough, chest cold, or bronchial irritation, you may get relief now with Creomulsion. Serious trouble may be brewing and you cannot afford to take a chance with any remedy less potent than Creomulsion, which goes right to the seat of the trouble and aids nature to soothe and heal the inflamed mucous membranes and to loosen and expel germ-laden phlegm.

Even if other remedies have failed, don't be discouraged, try Creomulsion. Your druggist is authorized to refund your money if you are not thoroughly satisfied with the benefits obtained. Creomulsion is one word, ask for it plainly, see that the name on the bottle is Creomulsion, and you'll get the genuine product and the relief you want. (Adv.)

It was reported on the streets here Tuesday that State Senator G. H. Nelson of Lubbock had been fatally injured in an auto accident. It later developed that it was the Senator's brother, who lives at Linden, Texas, and occurred that night. Mr. Nelson died next day.

DRUGGIST'S WIFE MAKES DISCOVERY
For First Time Tells What She Found Out While Helping Husband

"My husband manages a drug store in Atlanta, Georgia," said Mrs. Harry Lefkoff recently, "and I see and hear about a great many different medicines. Sometimes I help out at the drug store rush hours, and have an opportunity to hear what people say about various products they buy."

"Last winter I saw so many people buying Mentho-Mulsion and speaking so highly of it, that I finally took a bottle home to see if it would really relieve me of a bad cough which I hold due to a cold. After taking a few doses of Mentho-Mulsion I understood why everyone spoke so highly of it. The large amount of Menthol used in Mentho-Mulsion opened my head and bronchial tubes almost immediately, and I felt better at once. My cough entirely disappeared in a day or two. We now keep Mentho-Mulsion on hand at all times and start taking it at the first sign of a cough or cold."

Mentho-Mulsion is recommended, sold and guaranteed by Corner Drug Store.

"BARGAIN CENTER OF THE SOUTH PLAINS"

What the Supreme Council Favors

1. The American public school, non-partisan, non-sectarian, efficient, democratic, for all of the children of all the people, and equal educational opportunities for all.
2. The inculcation of patriotism, love of the flag, respect for law and order, and undying loyalty to constitutional government.
3. The compulsory use of English as the language of instruction in the grammar grades of our public schools.
4. Adequate provision for the education of the alien population, not only in cultural and vocational subjects, but especially in the principles of American institutions and popular government.
5. The entire separation of Church and State, and opposition to every attempt to appropriate public moneys—federal, state or local—directly or indirectly, for the support of sectarian institutions.

I GIVE YOU TEXAS

By Boyce House

A little boy in an old Southern town went home from school sobbing because the son of the banker had poked fun at his homemade clothes. That was a good many years ago. A while back, the man returned to the town on a visit. He had become one of the most famous preachers in the nation. He was wearing a hundred-dollar suit of clothes and a fine hat that members of his congregation had given him. His smile, his handshake, his handsome features would have made him a stand-out in any gathering.

As he was talking to a group of former schoolmates, a shabby individual came shuffling forward. Someone said, "You remember Bill." It was the banker's son.

The minister was the Rev. J. Frank Norris, pastor of a huge church in Fort Worth, Texas, and another in Detroit, Mich. He commutes by airplane between the widely-separated congregations.

Seen in Austin recently: J. J. Gallaher, former mayor of Graham. Under a spreading oak that still stands in the yard of the hotel which Gallaher owns, the Southwestern Cattle Raisers Association was organized forty years or more ago.

More people have been lined up against a wall in Fort Worth and shot than in any plaza in

TERRY COUNTY HERALD

Central America. Of course, the "shooting" in Fort Worth is done with a camera. The wall is at the side entrance of Hotel Texas and is a favorite background of newspaper cameramen in making pictures of visiting notables.

Harry Brelsford was a captain during the World War when he was two months past 18. Do you know of a younger A. E. F. captain than that? When he left the army at the close of the war, he was commissioned as major in the reserve—at 19. Now an attorney in Tulsa, Major Brelsford was born and reared in Eastland.

Fort Worth dramatic critics are still chuckling about the famous columnist and scenario writer of Manhattan and Hollywood who, between cocktails, delivered a lecture on the etiquette—or lack of it—of the American people. Half-way through the discourse, he slumped forward and fell asleep with his head in a plate of scrambled eggs.

"Texas' foremost orator" is the way one newspaper writer referred to T. J. Holbrook, retiring Senator from Galveston. Which reminds one of the story concerning Caruso who greeted John McCormack with, "How's the world's greatest tenor this morning?" To which the Irishman replied, "When did you start singing bass?"

Similarly, when did Pat Neff move out of the State?

The ablest orator among the candidates in the recent primaries was Ralph Yarborough, who sought the Attorney Generalship. "The greatest speech I've heard since Jim Hogg" was the tribute that elderly East Texas citizens paid to his oratory.

Speaking of spellbinders, C. C. McDonald is no slouch and neither is Alvin Owsley, American minister to Denmark. For humor, Mark McGeen is hard to beat. Jimmy Allred is not to be sneezed at, although he may find that the federal bench cramps his evangelistic style.

WELLMAN

Mr. and Mrs. McWhirter from Newhome visited the Baptist Sunday School, Sunday.

Mr. and Mrs. Charley Hester and family visited Mr. and Mrs. Thomas, Sunday.

Wilber Lee Hight, seven pound son of Mr. and Mrs. W. H. Hight was born in the hospital at Brownfield, Friday, October 28. They are at home now. This morning Wilber Lee's aunt, Opal Hight was in the room talking about the things they did last Halloween and observing little Wilber was looking straight at her, the proud father put his finger to his lips and said, "Not so loud sis, I don't want my son to be as mean as I used to be." We all wonder if he really means that.

Deaths

The Cravin family of Lahey and the Manos family of Wellman received a shocking telegram Saturday from California.

Mr. and Mrs. Cravin, Jr., were killed instantly in a car wreck. Mr. Cravin, Jr., was the son of Mr. Cravin at Lahey. Mrs. Cravin, Jr., was formerly Miss Manos. Their infant was in the car with them but escaped uninjured.

Their remains will be shipped back to Terry county for burial.

Wellman senior basketball teams are playing Union senior teams Friday night, November 4, at Union.

Halloween night the high school students of Wellman could be seen on their way to a Halloween party at the Home Economics cottage. There was about fifty present.

On their way home they noticed the highway markers and discovered they were not in Wellman. Some were utterly lost but others went on to Brownfield and when they came to the little town they had always known as Lahey they discovered it had changed to Wellman.

Mr. and Mrs. Ralph Carter and Mrs. Clyde Cave attended the T. C. U. - Baylor football game in Fort Worth, Saturday. They went down Friday.

A. L. Carson has sold his two rent apartments that are located west of his home, which he intends to live in. Mr. and Mrs. Carson are going to Christoval for a few days this week prospecting.

Uncle Joe Bryant of the Union community, visited his daughter, Mrs. Cleve Williams last week and while here called on the Herald.

MARINES CELEBRATING THEIR 163RD BIRTHDAY

On November 10th the United States Marine Corps will celebrate its 163rd birthday. On that day in the year 1775 a corps of Marines was created by a resolution of the Continental Congress. Since then, many thousand men have borne the name Marine. In memory of them it is fitting that the marines should commemorate the birthday of the corps by calling to mind the glories of its long and illustrious history.

The record of the corps is one which will bear comparison with that of the most famous military organizations in the world's history. From the Battle of Trenton to the Argonne, marines have won foremost honors in war that our country and its citizens might enjoy peace and security.

In every battle and skirmish since the birth of the corps marines have acquitted themselves with the greatest distinction. With it, the marines also receive from the eternal spirit that which has animated the corps from generation to generation and has been the distinguishing mark of the marines in every age. So long as that spirit continues to flourish marines will be found equal to every emergency in the future as they have been in the past, and the Nation will regard them as worthy successors to the long line of illustrious men who have served as "Soldiers of the Sea" since the founding of the corps.

FARMER FOUND DEAD IN HOME

E. T. Hall, 55, Monday morning was found dead lying across his bed at his farm residence in the Lakeview community about 10 miles east of Meadow.

He had been last seen Saturday afternoon and it was believed he died late that day. His clothes had not been removed. Condition of his body indicated, it was reported, that he died late Saturday or early Sunday.

Hall, a resident of the Lakeview community several years, was found by a neighbor, Elmer Northam. A Tahoka justice of peace conducted an inquest and it was indicated a verdict of death from natural causes would be returned.

Hall's wife was visiting in Taft, Calif., and Hall was alone at the farmhouse. Mrs. Hall left immediately for home when learning of her husband's death.

Funeral Wednesday

Funeral services will be con-

ducted at 3 o'clock Wednesday afternoon at the Lakeview Methodist church with Rev. Newt S. Daniel, pastor of the First Methodist church officiating.—Lubbock Avalanche.

FEEDER CATTLE IN GREATER DEMAND

FORT WORTH, Oct. 22—Large shipments of feeder cattle to northern and southeastern states today were outstanding among the fall movement of Texas ranch products to markets.

"Southeastern states are going heavily into the cattle business," said W. L. Pier, vice-president of the Fort Worth National Bank. "Farmers there are coming to Texas and paying good prices for livestock, being forced to this course by the AAA program which has cut cotton and tobacco acreage by some 60 per cent."

Much more feeding will be done in Texas this winter because of the great supply of feed produced, low prices for which make it necessary to consume at home, he said.

"Feeder calves and yearlings are in active demand at an advance of about \$1 a hundred pounds over a year ago, bringing \$7 to \$8 now. Feeder lambs, however are about

BROWNFIELD, TEXAS

\$2 lower, selling at \$5.50 to \$6. "Prospects are pretty fair and most livestock producers are cheerful over the outlook," he said. "With the coming of winter better prices should prevail on all classes of meat animals."

Mesdames W. E. Lyle, W. W. Ditto, Irene Duke and daughter, Beverley Ann Duke and Don Lyle, of Lubbock were visitors of Miss Vona Lee Ditto and Mrs. A. J. Stricklin, Sunday afternoon.

Mrs. W. A. Bell is visiting in Plainview, Texas this week, the guest of Mrs. E. G. Alexander.

NOBODY'S BUSINESS

By Julian Capers, Jr.

AUSTIN — Legislators who made their campaigns this summer on a platform of "economy in the State government," will get an opportunity to make good on that campaign promise when the new Legislature starts in to make appropriations for the fiscal year beginning Sept. 1, 1939.

Sen. John S. Redditt, of Lufkin, chairman of the special senate economy committee, and his aides, have about completed their long task of looking into all the State departments, and writing an appropriation bill that will cut out

unnecessary employees, do away with overlapping and duplicating functions of government, and save some money. But they will not recommend any pay cuts for state employees, because they have found Texas does not pay any higher average salaries to its workers than other Southern states. Redditt hopes and believes his committee can present a bill that will lop off about \$3,500,000 from departmental appropriations each year of the biennium, and that additional reductions of about \$1,500,000 can be made in elementary, educational and judiciary appropriations. This would result in a total saving of around \$10,000,000 for the biennium, or a cut of \$5,000,000 a year — the maximum figure which has been suggested by those who know anything at all about State government. Redditt and his committee

feel this can be done—if the Legislature will do it — without any material reduction in the quality and scope of necessary governmental functions. It would be sufficient to take care of the State's share of the social security program not yet financed, and possibly the teachers' retirement obligation. Whether the affected departments can muster enough strength to keep the legislature from making the reductions remains to be seen.

Power Agreement Reported Near
Negotiations between officials of the Colorado River Authority and the Texas Power & Light Co., for the sale of the latter's plants and facilities in 14 Central Texas counties to the CRA are reported progressing favorably, and informed sources expect to see the deal completed. John Carpenter, head of TP&L, who has always believed in a policy of compromise and negotiations instead of fighting when interests conflict, offered to sell the properties of TP&L in the natural territory of CRA to the latter, and withdraw from the field, as a better plan than a costly war between CRA and TP&L in the area. The policy which Carpenter has found so successful in maintaining good relations between his concern and the public is also being adopted nationally by some of the larger utility concerns, notably Electric Bond & Share Co., which according to Washington dispatches, has worked out a plan under the Federal holding company act voluntarily to break up its holding of integrated companies, through the efforts of C. E. Grosbeck, chairman of Electric Bond & Share.

Clean as a Hound's Tooth

POINT THE NOSE of your car toward a Phillips Service Station, and your hunt for a trustworthy lubricant is over.

Tell the man to drain and refill with Phillips 66 Motor Oil. It is our finest quality, the highest grade among all the oils we make. 100% pure Paraffin base... 100% Phillips value... scientifically refined... wax-free, gum-free, and stabilized.

Hence it resists chemical change under heat and pressure. Clings to metal like the paper on the wall. Stays fluid and flowing in cold weather, and does not become dangerously thin at high engine heat in any weather.

Remember, when you have motor trouble, it's too late to get good clean oil. So the next time you drain and refill... stop at the Orange and Black 66 Shield.

Ernest O. Thompson, Chairman of the Railroad Commission and Chairman of the Interstate Commission, with President Roosevelt at Hyde Park. Roosevelt, it is said

summoned Thompson, whom he regards as the best informed oil administrative official in the nation, and the red-headed Texan is said to have discussed both problems fully with the President. If a commission to arbitrate the oil property seizure is named by Roosevelt, best informed sources here regard Thompson as almost certain to represent this country. Meanwhile, Mexican "dumping" is one of the chief topics of discussion among oil men who gathered at San Antonio for the Mid-continent Oil and Gas association's convention, and officials of the North Texas Oil and Gas Association announced they would vigorously press their charge of violation of the Federal Anti-Dumping Act, in an effort to halt imports of confiscated Mexican oil.

Aged Judges Problem
From several lawyer-legislators this week came a suggestion that may result in an effort by the next Legislature to provide a retirement act for Texas high court judges, similar to the Federal judges' retirement act passed by out that the Texas Supreme Court the last congress. They pointed and the Court of Criminal Appeals are both handicapped at present by the prolonged illness of one judge on each court, which has prevented either performing the duties of his office for many months. The same situation frequently arises in the Courts of Civil Appeals, but a state law permits the Governor to appoint a special commissioner, when a judge on the latter courts is incapacitated. The judges apparently never feel like resigning until death calls them, and the work of the courts suffers as a consequence. A retirement provision, carrying a lifetime pay arrangement for judges after a certain age limit is reached, would prove an economy in the long run, the legislators point out, through saving in operation of the courts.

Capital Punishment Row
Gov. Nominée W. Lee O'Daniel picked one of the most highly controversial issues in Texas, when he told San Antonio reporters he favored abolition of capital punishment in Texas, but didn't know whether he would recommend such action to the Legislature or not. Members of the Board of Pardons and Paroles immediately replied with a statement, declaring capital punishment is a real deterrent to criminals, and prevents lynching. They pointed out that so long as criminal assault cases occur in Texas, there will be capital punishment, whether by law or by mob rule, and asserted abolition of capital punishment would be a big boost for a Federal anti-lynching law which Southern congressmen and senators fought off successfully or years.

Mr. and Mrs. Matt Williams were in town Monday from the ranch in Yoakum county. Mr. Williams' mother is visiting him from Abilene.

EXPECTING MIRACLES OF THE LEGISLATURE

Senator Clint C. Small of Amarillo, long an astute student of State affairs told a chamber of commerce gathering at Pampa last week that the Legislature should levy no new taxes, pass as few laws as possible and then go home.

This is a very simple formula, but it would do more to stimulate business and restore the people's confidence in the State government than four months of heated debate, high speed spending and aimless legislative efforts to regulate everything by statute.

Mr. Small is correct in his contention that people these days place too much reliance in the efficacy of legislation. Too many citizens believe that economic, social and moral ills of the country may be cured instantly by passing a law. They look to government for benefits which can be obtained only through concentrated private effort.

The people's blind faith in the power of laws has been reflected in Texas in recent years by a record breaking number of special sessions. The chief accomplishment of these extended lawmaking sprees has been to develop new ways of spending money by new taxes.

Today a large percentage of the people are over-taxed and over-regulated under existing laws. In addition they are worried to the point of exhaustion by threats of more taxation and more laws.

Citizens who bear the burdens would welcome with much enthusiasm a few years of Senator Small's program calling for a minimum of legislative activity. —Houston Post.

HOSPITAL FOR DRUG ADDICTS OPENS IN TEXAS

WASHINGTON, Oct. 26. — The public health service announced today it would, open its second hospital for the cure of narcotic addicts at Fort Worth, Texas, Oct. 28.

The new hospital, which will supplement the one at Lexington, Ky., has 300 beds and was built at a cost of \$4,000,000.

Dr. Thomas Parran, surgeon general, and other federal officials will participate in the dedication.

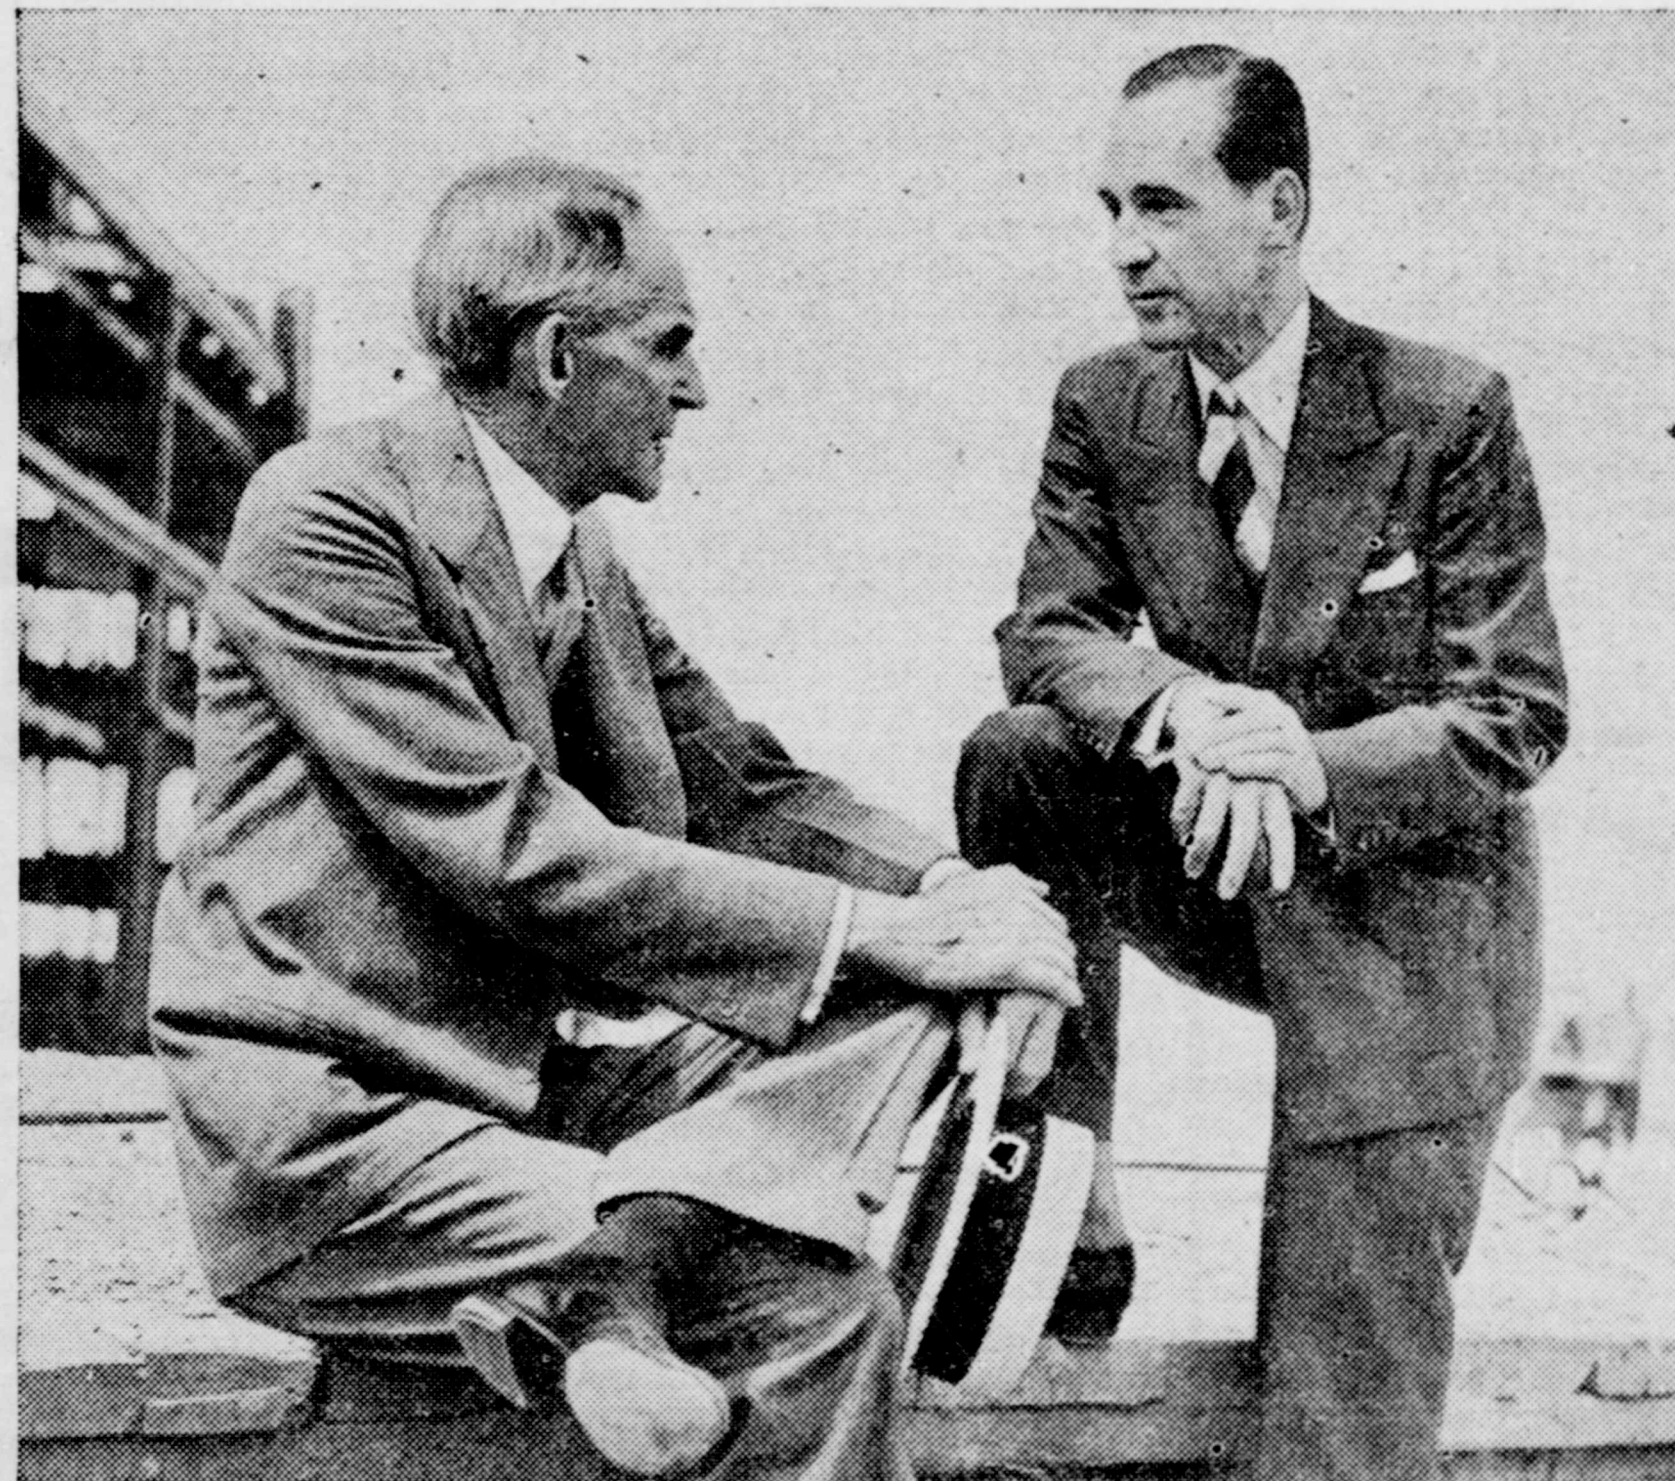

President Taft was the first president to receive the \$75,000 annual salary.

Bill Collins was down from Lubbock, Thursday night visiting his parents, Mr. and Mrs. W. H. Collins.

E. Brown returned last week from California, where he had been the past few weeks prospecting.

Mrs. Cye Tankersley and two children left Tuesday for a visit with her sister, Mrs. Bill Stitt, of Seattle, Wash. Mr. Tankersley will drive up in a few weeks for them.

The Fords Tell Their Plans for 1939

Henry and Edsel Ford, on the occasion of the 35th anniversary of the founding of the Ford Motor Company, June 16, 1938

IF WE KNEW anything better we could do for the country than make good motor cars, we would do it.

By every one doing his best in the job he thinks most useful, this country is going to regain its momentum. We have tried to do our best in our job.

When business was suddenly halted in its recovery more than a year ago, we determined that we should keep going anyway, if not at full-volume motor car production, then at getting ready for greater motor car values that would help future production.

EXPANDING FOR THE FUTURE

We began to build 34 million dollars' worth of new plants and equipment. We felt that if we could not employ all our men building motor cars, we would employ as many as we could building better production facilities.

We were told, of course, that this was no time for expansion, that a wiser business policy would be to "hold everything"—which means, stop everything. But no one ever got anywhere standing still.

Besides, we are not defeatists. We do not believe this country has seen its best days. We believe this country is yet in the infancy of its growth. We believe that every atom of faith invested in our Country and our People will be amply justified by the future. We believe America is just beginning. Never yet have our People seen real Prosperity. Never yet have we seen adequate Production. But we shall see it! That is the assurance in which we have built.

Business is not just coming back. It will have to be brought back. That is now becoming well understood in this country; for that reason 1939 will be a co-operative year. Manufacturers, sellers and buyers will co-operate to bring back the business that is waiting to be brought back.

This construction program is almost completed. It has increased activity and payrolls in a number of related industries. It has given us better facilities for building better cars and trucks, and eventually our new tractor which is being perfected.

THIS MEANS MORE VALUE

The current program has provided a new tire plant, which will turn out a part of our tire requirements... a new tool and die plant that will help us cut the cost of dies... and a steel-press plant that will enable us to make more of our own automobile bodies. These are in addition to the plants we already had for producing glass, iron, steel, plastics, and many other things.

We don't supply all our own needs, of course, and never expect to. The Ford engine is one thing

that no one's hand touches but ours. Of nearly everything else we use we build some quantity ourselves, to find, if possible, better and more economical ways of doing it. The experience and knowledge we gain are freely shared with our suppliers, and with other industries.

We take no profit on anything we make for ourselves and sell to ourselves. Every operation, from the Ford ships which first bring iron ore to the Rouge, is figured at accurate cost. The only profit is on the finished result—the car or truck as it comes off the line. Some years, there is no profit for us. But we see to it that our customers always profit. A basic article of our business creed is that no sale is economically constructive unless it profits the buyer as much as or more than the seller.

Our new plants have helped us build more value into all our cars for 1939. That means more profit on the purchase to the purchaser.

We have not cut quality to reduce costs.

We simply will not build anything inferior.

NEW TESTING EQUIPMENT

While we were putting up new plants to produce cars, we constructed new equipment to test them. The first weather tunnel of its kind ever built for automobile research went into operation at our laboratories this year.

It makes any kind of weather to order. The weather it delivers every day would take months to find in Nature. Our cars are weather-tested to give you good service in any climate anywhere.

In other tests, every part of the car is punished unmercifully. Then our engineers tear it down to see if they can find abnormal wear or any sign of weakness.

The money we spend on tests saves you money on repairs. And your family car is safer and more dependable when we put it in your hands.

THE NEW CARS

We have two new Ford cars for 1939—better cars and better looking—but we also have an entirely new car.

It's called the Mercury 8. It fits into our line between the De Luxe Ford and the Lincoln-Zephyr. It is larger than the Ford, with 116-inch wheelbase, hydraulic brakes, and a new 95-horsepower V-type 8-cylinder engine.

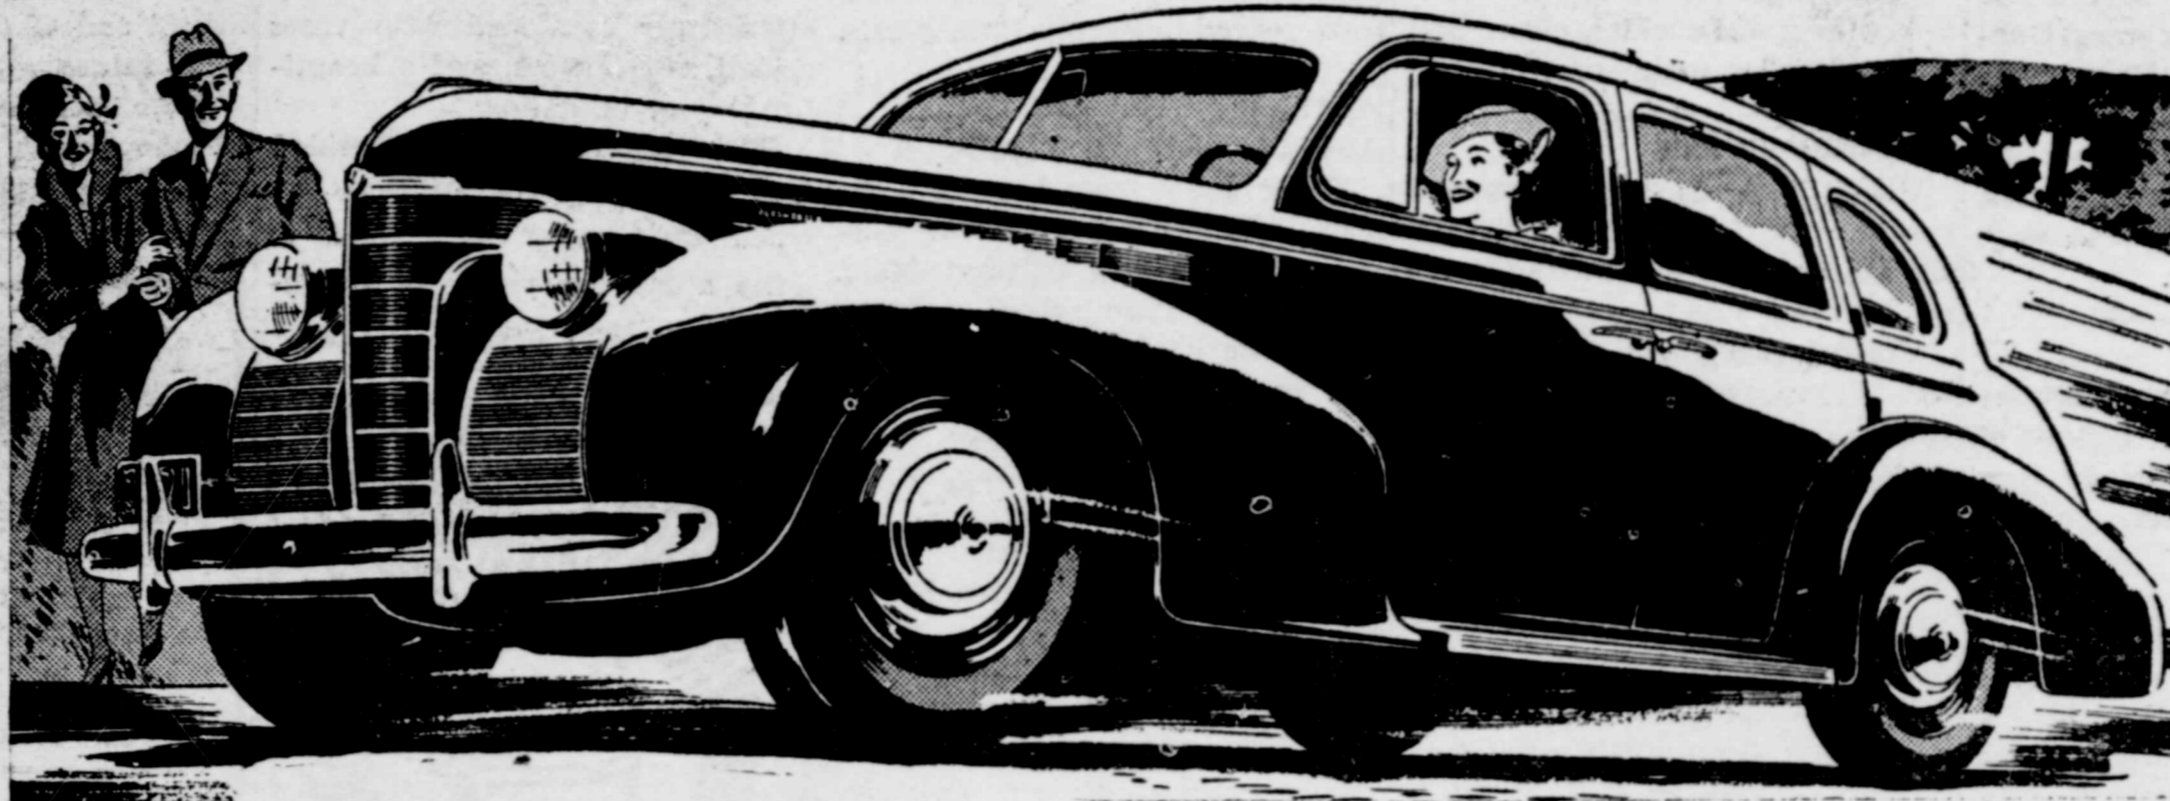

We know that our 1939 cars are cars of good quality. We think they're fine values in their price classes.

With new cars, new plants, new equipment, the whole Ford organization is geared to go forward.

MAIDS AND MATRONS CLUB

Mrs. Redford Smith was hostess to the Maids and Matrons club Tuesday afternoon, November 1. The entertaining suite was reminiscent of Argentina, the lesson study being Venezuela and Argentina, was very interesting.

Present Status of the Church in Venezuela, Bailey.
Review Resolute Marches, Rasco. Buenos Aires Commercial Conference and Results, Jacobson. Life on the Argentine Pampas, Parish.

The hostess served pumpkin pie topped with whipped cream, sandwiches and coffee to the following:

Mesdames Bailey, Bell, Brownfield, McGowan, Daugherty, Jacobson, Moore, Parish, Perry, Price, Tarpley, Teague, Turner, Wingerd, and Misses Fitzgerald, Sloan and Rasco. Mrs. Frank Wier and Mrs. Andersen were special guests.

HALLOWE'EN DANCE

Mrs. Roy Wingerd entertained 25 couples at her home on East Cardwell Street, Monday night, complimentary to her sister Jane Brownfield.

The home was beautifully decorated in keeping with Hallowe'en. Dancing was enjoyed from 9

till 12. Dainty eats were served at midnight. Openface sandwiches, oranges, candy, chocolate cake and punch, and the gay young crowd attended the mid-night matinee at the Rialto Theatre.

KOLONIAL KARD KLUB

Mrs. E. C. Davis, charmingly entertained the Kolonial Kard Klub last Thursday afternoon.

Prizes of Lucien Lelong perfume were awarded Mrs. Roy Wingerd for high score and Mrs. Roy Herod for second high.

Dainty plates consisting of nut bread sandwiches, shoestring potatoes, stuffed olives, doughnuts and apple cider were served the following guests: Mesdames Garrett Daugherty, Roy Herod, L. Nicholson, Cecil Smith, Herman Heath, Money Price, Jack Stricklin, Arthur Sawyer, Glen Akers, Roy Wingerd, T. L. Treadaway, and Raymond Taylor.

LAF-A-LOT CLUB

Mrs. Clovis Kendrick entertained members of the Laf-a-Lot Bridge Club in her lovely new home on Thursday afternoon at 3 o'clock.

A delicious salad course and individual caramel pies topped with whipped cream were served to the following guests: Mesdames Jack Stricklin, Wilson Collins, Earl Anthony, Thomas Cadenhead, Howard Swan, Lee

O. Allen, Frank Ballard, Glenn Webber, Pete Tiernan, Ike Bailey, Jack Bailey, Dick McDuffie.

Beautiful pillow cases were presented Mesdames Earl Anthony, and Ike Bailey for high and second high score, respectively.

Mrs. Spencer Kendrick was a tea guest.

HALLOWE'EN PARTY

Friday night at 8 o'clock Miss Mary Lena Winston entertained with a Hallowe'en party. Thirty-five guests were present. Hallowe'en decorations and chrysanthemums were used throughout the home.

Games were played and delicious refreshments of cookies, punch and mixed candies were served.

MATINEE PARTY

Patsy Ruth Carter entertained twelve little friends, six girls and six boys with a Hallowe'en party on Monday night.

Cleverly costumed, the youngsters played games, enjoyed sandwiches, orange soda pop and marshmallows, and attended the mid-night matinee featuring the spooky Frankenstein picture.

SIX O'CLOCK DINNER

Misses Earlene and Evelyn Jones and Mary Nell Adams were co-hostesses to a lovely six o'clock dinner party at the Jones home on Main Street, last Friday night.

The guests were Misses Mary and Alma Fay Ballard, Joyce Lee Evans, Jane Brownfield, Wanda and Twilla Graham, Geraldine Helms, Rosa McKinzie and the hostesses.

After the diner hour the young ladies and their escorts attended a game party at the Ballard home.

MUSIC CLUB MEETS WITH MRS. E. D. JONES

Using the colorful Hallowe'en motif in pretty decorations and in serving, Mrs. E. D. Jones charmingly entertained members of the Cen-Tex Harmony Club, Thursday afternoon at 4 o'clock. American music was reviewed beginning with "Spread of Musical Culture" by Miss Olga Fitzgerald. "Whispering Hope," vocal solo, by Mrs. E. D. Jones and Miss Dona Huff. "Listen to the Mocking Bird," piano solo by Mrs. W. H. Dallas. "Specia War Songs," by Mrs. W. G. Hardin. Experiences in Settlement Work in Chicago," Mrs. Fred A. Walker. AUSTIN, Texas, Oct. 31. — To minimize the danger of carbon monoxide poisoning during winter weather, motorists are urged by Dr. Geo. W. Cox, State Health Officer, to check up now on the exhaust systems of their automobiles for defective connections and leaks.

"This unseasonable weather will give way to winter soon and it will be necessary to drive in closed cars. Carbon monoxide may seep inside from leaky connections and overwhelm occupants of the car," Doctor Cox warned.

He said that "warming up" a car in a closed garage is the greatest cause of carbon monoxide deaths. Leaks from manifold connections, cracked manifolds, defective mufflers, leaks from loose muffler connections and leaks from hot air heater connections are potential sources for release of carbon monoxide and should be checked, Doctor Cox pointed out.

"Pay particular attention to these items and remember that proper carburetor adjustments causes minimum production of carbon monoxide and that the highest proportion of this gas is produced by an idling motor.

The State Health Officer said that headaches which occur during long drives may be an indication that carbon monoxide is leaking into the car. Sleepiness, dizziness, fatigue and in extreme cases, paralysis are other symptoms of carbon monoxide leaking into the car. Truck drivers making long drives are particularly vulnerable, he state.

Doctor Cox described this gas as being, odorless, and tasteless. When in the air it gives no sign of its presence and is taken into the blood instead of oxygen. Suffering or collapse result from lack of oxygen.

We're for you Cubs. November 11.

BAPTIST CHURCH NEWS

CHURCH OF CHRIST

There were 306 present for church service last Sunday morning. We have a few more folding chairs in the Sunday school rooms that we can put in the aisles to take care of the over-flow, so let's set our goal at 325 for next Sunday morning.

All services will be at the regular hours during the week. The public is cordially invited to attend.

Mrs. Perla Cardwell of Big Spring is here the guest of her daughter, Mrs. Irvin Rambo.

November 21 and 22 are red letter days.

3 Treated For Accidents This Week

Elvin Shumake, the little two year old son of Mr. and Mrs. O. H. Shumake of the Needmore community, was kicked by a horse out on their farm last Thursday, and the front part of the upper forehead fractured. The little fellow has been carried home, but of course is still under care of hospital physicians.

An eight year old son of Mr. and Mrs. O. H. Griffith of this city was hit by a truck late Tuesday afternoon and rushed to the local hospital. His nose was split, and the skull just above one eye was slightly fractured. He is apparently doing nicely.

O. H. Holloman got a finger mashed Monday, and had the tip of it amputated at the local hospital. Hospital nurses did not know how the accident happened.

C. J. Bonham was up from the Willow Wells section recently and called. Said things might be a lot worse with him.

DINNER

We Use Women Cooks

The Baptist ladies were hosts to the twenty-three ladies of the different church, who gathered for their last Federated meeting of this year, Monday, Oct. 21st.

A worthwhile, informal discussion on "The Christian's Holidays" was begun by Mrs. Laurence Green.

A message in song was beautifully brought by Mrs. Gladys Green and Miss Lavern Mullins.

The following officers were elected:

President, Mrs. David Perry. Vice-President, Mrs. W. W. Price. Secretary, Mrs. W. G. Arnett.

A list of the new committee members will appear in next week's issue.

Refreshments of orangeade, and ark chocolate cookies were cleverly carried out the Hallowe'en color scheme, used by the Baptist ladies in decorating.

Our next meeting will be in Jan., and we hope it will be a New Year's resolution of every woman of the different churches to attend Federated meetings throughout 1939.

THE METHODIST CHURCH

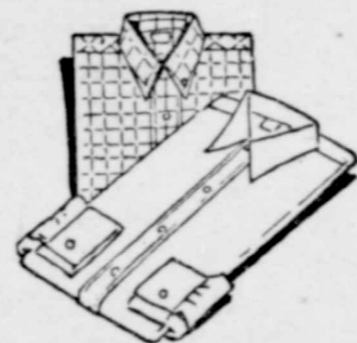

Two Sundays only remain before the session of the Northwest Texas Annual Conference at Memphis. Every member who possibly can be present Sunday morning is under a sacred obligation to do so. Every member is needed and can help by simply being there in his place.

A steady increase of attendance has been helping very greatly, and we are now having the best in many years. Let's all help to make this the rule—steady growth will build a church.

Subjects for the day are: morning, "The Stubborn Fool," and at night, "The Godless Fool." You will find a welcome at both these hours. Evening preaching begins now at 7:30. "Train up a child in the way he should go."

Emmitt and Dennis T. Smith will sing a duet in the eleven o'clock service. These two young men have no superiors in gospel singing. Hear them.

Our old friend Sam Davison was in to see us Monday, and actually caught us at work. Mr. Davison is getting up in years as time goes, but still walks erect. But like the editor, is getting a bit hard of hearing.

Sunday 11 a. m. Morning worship and communion. Sermon topic "Setting at the Feet of Jesus."

Sunday 7:30 p. m. Evangelistic service. A service in which souls are getting saved and a great interest is being taken. Sermon topic, "The Search for a Bride."

If you like the plain preaching of God's word, you will enjoy these services.

Services as announced by the pastor, Rev. Irene Lee:

Friday, 7:30 p. m. A special service that will be of interest to all.

We will have several visiting ministers with us. Among them will be Rev. Frank A. Cummings, D. D. of Kansas City, Mo., who is the mid-west district supervisor, and he will be bringing the message of the evening. You can't afford to miss hearing this great man of God. Also the young people will have part on the program. J. D. Glasco leading the song service. Come and bring your friends. North of Main Street on Lubbock Highway.
