ATTEND LIONS CLUB PLAY AND HELP UNDERPRIVILEGED

They Will Entertain the Community For Two Nights—November 21st and 22nd

Net Funds Will Be Turned Back Into the Community In the Form of Aid to the Blind and Underprivileged And Every Citizen Should Patronize This Show.

It's here again!

The Brownfield Lions Club invites every person in Terry county and all those outside who have heard the date and hour to attend their 1938 home talent show on either the night of Nov. 21st or 22nd. The hour is 8:00 o'clock. The place is the Brownfield High School Auditorium. The cast is made up of 50 Lions and some 30 young ladies of the Brownfield community. The proceeds go to the Brownfield Lions Club fund for the aid of the blind and unfortunate people in Terry county.

What's it like this year? Well—now, you're getting down to the subject. The Club decided to deviate somewhat from previous shows and change the style of entertainment. This year, the first part is a Hay Loft Party! on a Dude Ranch! We couldn't find enough old time cowboys to really have a cowboy show, so we chose "dudes" like Ab Tittle, Boy Tarpley, Sam White, Emory Longbrake, and many others for characters. The Girls' Trio is with us again, singing new song hits as well as one request number that everyone who saw the Brownfield Lions show two years ago remembers—"A Rendezvous With a Dream."

Do you remember Wilton Thomason when he sang? Well, this year you'll hear him sing a song that you won't forget—"Dust." It's a beautiful song, and no one can sing it like Wilton Thomason. The quartette is revived and rejuvenated. The quart is Boy Tarpley, Wilton Thomason and Emmitt and Dennis Smith. You'll never forgive yourself if you miss hearing Mrs. Mon Telford sing "There's Silver on the Sage Tonight." This coupled with many other specialties under the able master of ceremonies, Emory Longbrake, cannot fail to give you your money's worth and more in entertainment.

An added feature this year comes in the form of an all male cast in the one act play "Submerged." This play is under the directorship of Bruce Zorns, who has had considerable experience in the dramatic field. The setting is in a sunken submarine and the cast consists of Ray Christopher, Arlie Lowmire, C. C. Primm, Troy Noel, and Tommie McWilliams. Don't miss this play.

Now, just a word about "where your money goes." Whether you know it or not, your local Lions Club has been discharging your

duty to society in the form of aid to a few of our unfortunate people for several years. Recently an expenditure of around \$100.00 was made to equip and stock the concession stand in the court house for Mrs. Chambliss, who is totally blind. Mrs. Chambliss has been able to make a living, although rather meager, from this stand for several months. She needs your patronage in the line of magazines, candy and tobaccos. The club has spent around \$75.00 this year in Boy Scout work. Thirty five or forty destitute people in the last three years have been able to buy spectacles for their children through the assistance of the Lions Club. It is safe to say that the local club has spent no less than \$800.00 in the last three years in social work among the unfortunate people in this territory. All Lions aid projects are well guided and the "dole" system is carefully avoided. People of Terry county, we want two full houses at our show this year. Tickets are 20c for children and all students, and 35c for adults.

Contract Let on New Waterworks System

The Brownfield city council Monday awarded a Works Progress administration waterworks project contract to the Panhandle Construction company of Lubbock, subject to approval of the regional director of the WPA.

The Lubbock company was awarded with a bid of \$56,191.50, according to H. N. Roberts of Lubbock, consulting engineer for the City of Brownfield.

Other bids submitted were: Texas Automatic Sprinkler company of Dallas, \$56,566.65; Sherman Machine and Iron Works of Oklahoma City, Okla., \$61,511; M. L. Friday of Dallas, \$59,775.00; and E. L. Dalton of Dallas, \$59,040.

The project includes extension of water mains, a new surface reservoir, and two new booster pumps. The government agency is furnishing 45 per cent of expenses and the city of Brownfield 55 per cent, it was announced.

Mayor Clyde C. Coleman stated to the Herald Tuesday that he expected work to start on the project by Monday, 21, as all surveys have been made, and plans and specifications drawn, and the project, which will employ many men at fair wages all through the winter and spring, will mean much to the city.

Mr. Coleman stated that he was not sure at this time just where the new water tower would be located, but that fact will be given out as soon as it is definitely decided.

Old Timer in Last Week to See Us.

J. E. Slaughter of Joshua, Texas, was in to see us one day last week, saying he could remember coming in with his father back 25 or 30 years ago, when he was a lad and renew for the Herald. The Slaughter family landed in Terry county the same year as the writer, 1909, and settled in the Willow.

J. E. stated that they landed in Wells community. Lubbock from down below the cap somewhere just before Christmas, spending the holidays with relatives in Lubbock, and came on down to their land in January. His father passed on several years ago, but the mother and some of the children still live on the place. However, his mother, Mrs. W. R. Slaughter, is returning home with him to spend the winter.

Corner Stone of Postoffice to Be Placed Saturday

Gomez Staging Second Annual Home Coming Banquet, Friday, December 2.

Above is a Picture of the Gomez School Building

Friday evening, December 2, beginning at 8 o'clock, has been designated as Gomez School's Second Annual Home-Coming Banquet. The evening is certain to be one packed with joyous reminiscence and jolly reunion, with food and hilarity aplenty.

Bring your family and friends for a plate on the fun, but BE SURE to get your reservation at the earliest possible date—Saturday, November 26, having been set as the dead line for making reservations. Reservations for a plate can be had by notifying either Miss Nellie Mae McLeroy, or Gomez school, Brownfield, Texas, or Mr. Ross Black, Bandy Building, Box, 395, Brownfield, and enclosing or handing her or him 50c for each plate that you wish to reserve. In case you wish to call and make your reservation, Mr. Black's phone number is 202.

Armistice Celebration Attracts Crowds

You have often heard that old expression, "The Biggest Parade Ever Pulled Off in Brownfield." Well the last biggest was last Friday, and it may remain the largest for some time. The program of the day was carried out just about as advertised, but of course no one could foresee just how that parade was going to look until the parade was all over.

The parade formed at the high school building and marched down Main street to the railroad crossing, turned back two blocks then around the square, and thence back to the high school auditorium where the program, as printed in the last week issue was carried out almost to the letter. At that time we were unable to give the principal speaker. He happened to be Hon. Louis B. Reed, our district judge from Lamesa, who is an ex-service man, and delivered a fine address, and spent the day here, taking in the football game in the afternoon.

Formation of the parade: Headed by Murphy May, who was mounted and acting Marshall of the Parade. Next came the high school band, followed by veterans of the World War; then the Boy Scouts, and the Junior high band. Then followed the school children from the various school districts of the county, followed by the floats.

ACCLAIM "SUEZ" AS A MEMORABLE FILM

Driven by the love of two women, Ferdinand de Lesseps conquered the desert's choking sands to create the canal that today is the jugular vein of the world. Above, TYRONE POWER as de Lesseps, ANNABELLA (left) and LORTTA YOUNG, in 20th Century-Fox's "Suez," beginning Sunday at the Rialto Theatre.

Trying to Club The Cubs Again

The Cubs won the district championship last year, only to be knocked out by the age of a boy, whose age is given several times in Lynn county, and different each time. So who knows. Now that the Cubs are apparently the winners again this year, work has started on one of our men, R. C. Morton, who comes from the Happy rural school.

Supt. M. L. H. Baze stated to the Herald that before the season began, the eligibility committee met, and he stated Morton's case to them, and asked them if they felt there was need of or any question of his eligibility to play, to make an examination, as Brownfield school did not want to play a man that was not eligible. No action was taken in the matter. Now, since the game with Slaton, all hell seems to have torn loose about young Morton.

The committee of the district is to meet tonight to thresh out the question, and we'll try to give you their decision. In the first place, the Herald doesn't believe that a committee from the schools involved should be allowed to pass on it. Their opinions will likely be biased. We believe the interscholastic laws should be so changed that a committee from some other district should do the passing.

Later: The committee met Wednesday night and found Morton eligible to play with the Brownfield Cubs. A case was brought against Eugene McCraw, but the evidence was insufficient, and it was left for the committee to decide on it at a Saturday morning session.

Ray Christopher Winner of Buffalo.

An oil sales Campaign put on by the Division office of Phillips 66 Corporation of Amarillo resulted in our fellow-townsmen, Ray Christopher, being declared winner of one of the three Buffalo given as prizes.

Mr. Christopher has been agent for Phillips 66 the past two years during which time he has built up a nice business and made many friends.

He feels that the cooperation of his customers and dealers, has made his percentage of oil sales ride high, and special mention is given Dealer, Horner Winston, owner of the Snappy Filling Station.

Of the three Buffalo given as prizes, two were awarded Agents in the Lubbock territory.

The prize Buffalo weighs about 700 pounds and true to its nature rather wild and unruly—but a fine animal and at present is making its home at the local stock yards.

Program of Federal Building Corner Stone Laying to Start at 4:00 P. M. Saturday.

Congressman George Mahon Will Deliver Principal Address. Masons in Charge of Ceremonies. Many Relics to Be Placed in Copper Container.

One of the outstanding events in the history of Terry county will take place on Saturday afternoon at 4 p. m., November 19, when the Cornerstone for the new Postoffice is to be laid. All of the traditional ceremony will be attendant, under the auspices of the Grand Lodge of Texas Masonic Order. Congressman George Mahon, a Mason of the highest rank, will deliver the Oration. Preceding the main event a fine program has been arranged as follows:

Invocation, Rev. Fred A. Walker, Pastor of the First Presbyterian Church.

Introductory remarks and introduction of visitors, James H. Dallas, Postmaster.

Music by the Brownfield High School Band.

Four minute speeches by J. E.

Shelton, Secretary of the Chamber of Commerce; Clyde C. Coleman, Mayor of Brownfield; Lela B. Toone, Former Postmaster; and Raymond Simms, County Judge.

Introduction of the Construction of the Construction Engineer, Richard W. Prendergast.

Introduction of the Supt. of Construction, Harry L. Crosby.

Placing of the Copper Box in the Cornerstone, by Lucien A. Greenfield, who is the oldest employee in the point of service.

Laying of the Cornerstone by the Grand Lodge of Texas.

Everyone in Brownfield and this trade territory is invited to be present for this it your Federal building. The date is November 19. The hour is 4 p. m. Postmasters from all of the neighboring towns will attend and many other well people will be here at this time.

Survey of Levelland Road About Complete

According to County Judge Raymond Simms, Mr. T. H. Anderson, the State Highway Engineer now located here, and his crew of men, will complete the highway survey to the Hockley county line, northwest of this city, connecting with the Hockley county survey, which will bring the new Brownfield-Levelland road through the Hockley county oil fields, or very near them. This will form what is known officially as the International Parks Highway, from Canada, through the Black Hills Park of South Dakota to the Big Bend Park of Texas.

The new road will enter Terry county about three or four miles northwest of the Needmore school, and thence assume a gentle angle for some 18 or 20 miles without a bend into Brownfield, coming into No. 51 about half a mile north of the north city limits, just skirting the Cook tract of land to the south.

Of course angling across the county was an extra cost, but it will give a bigger scope of country access to a paved highway. With demand for a right-of-way of 120 feet, it looks like Uncle Sam is considering making this a real road, probably to be used for military purposes.

Judge Simms stated that the field notes and deeds to the right-of-way would be presented to the Commissioners Court, Monday, to be passed on, and it is hoped by all that the owners of land over which the new road passes will be as reasonable as possible in their assessments for damage, if

Local Couple Suffer From Food Poisoning

Mr. and Mrs. D. P. Carter ate some soup Thursday night that had been in a metal container in the frigidaire all day. This is nothing unusual for any family, and of course they thought nothing of the matter. But by midnight both were very sick people.

Mr. Carter was just about normal in a few days, but Mrs. Carter was carried to the hospital, where she began to show signs of improvement by Tuesday morning.

Physicians say there is nothing in the vessel that food is in, but if the ptomaine germ happens to reach any food, under any condition, it is dangerous for people to consume it. And many times physicians and chemists are puzzled how this germ reaches food.

Mesdames Roy Ballard and Arthur Sawyer accompanied Virginia May to Lubbock, Wednesday.

any. Pretty soon, a large crew of workmen on WPA jobs will be through with putting caliche on 84 to the Yoakum county line, and there will be no other work for them, unless this Terry-Hockley job is ready to go to work on.

In considering damage, if any, remember that your place will be put on an international highway, which will surely increase the value instead of decreasing it. Remember to that the other tax payers of the county are involved in the deal. The Herald, however, believes that it knows the land owners north of the city well enough to say they will not want "their pound of flesh."

Brownfield Cubs Win Over Slaton Tigers 27-6

By J. W. Chambliss

On a wind swept gridiron the "Mighty Fighting" Cubs of Brownfield put on a brilliant display of razzle dazzle football to overwhelm a stubborn Tiger eleven 27 to 6 here last Friday, Nov. 11. Although an old west Texas sandstorm raged, the Cubs took to the air in the fourth period to push over three touchdowns in quick possession. It was any ones game until the Cubs turned loose with long heaves of the pig skin by the spirited little field-general Peter Willis Brown. With great deception, the decoys managed to pull the Tiger defense out of position and allow the receivers to break out into the clear and take the passes unmolested and race for pay dirt.

The first three periods were about even with both teams presenting a forward wall that refus-

ed to be smashed. Even though sand blinded them, they dug their toes in and charged with terrific speed and power never once giving up. The backs played equally as hard, driving and smashing with all their might but never making much progress through the line. Striving desperately, to increase their lead, the cubs opened up the fourth quarter with a barge of passes that left the spectators, as well as the Tiger players dizzy. The Cub blockers gave Brown plenty of time to fade back, spot the receiver and chunk the pig skin with plenty of accuracy.

The Tigers opening kick off went to Capt. Hill who took the ball on his own five and returned it to the 30. On three plays the Cubs picked up six yards. On fourth down Murphy got off a good 35 yard punt into a stiff wind. On the first play from scrimmage the Tigers boxed the

Cubs right end and half in and Dickson raced seventy yards around left end being pulled down by Hill on the Cub 15. However, the Cubs settled down and held the Tigers to a five yard gain in three plays. On the next play a pass from Tucker to Ward fell incomplete over the goal line. Brownfield took over on its own 20, but failed to gain and Murphy punted on fourth down. Bryan substituted for McLeroy at right end and on the next play Ward was thrown for a 5 yard loss. On third down Tucker got off a 15 yard punt which was almost blocked by Rowden and Jenkins. The Cubs lost three yards on running plays and Murphy punted on fourth down to the Tiger's 30 yard line. Tucker and Dickson picked up a first down on three plays, and two downs later the

(continued on back page)

Help Us Get Out Early Next Week

We are asking as a special favor next week that our advertisers get in their copy the first minute possible so that we can go to press on Wednesday next week instead of Thursday.

We are also asking all community editors to get their reports in by at least Monday, for the same reason. Remember that editors and printers like to take off Thanksgiving Day and rest the same as other white people.

Thanks for your cooperation. —The Herald.

The Official Paper of Terry County and the City of Brownfield

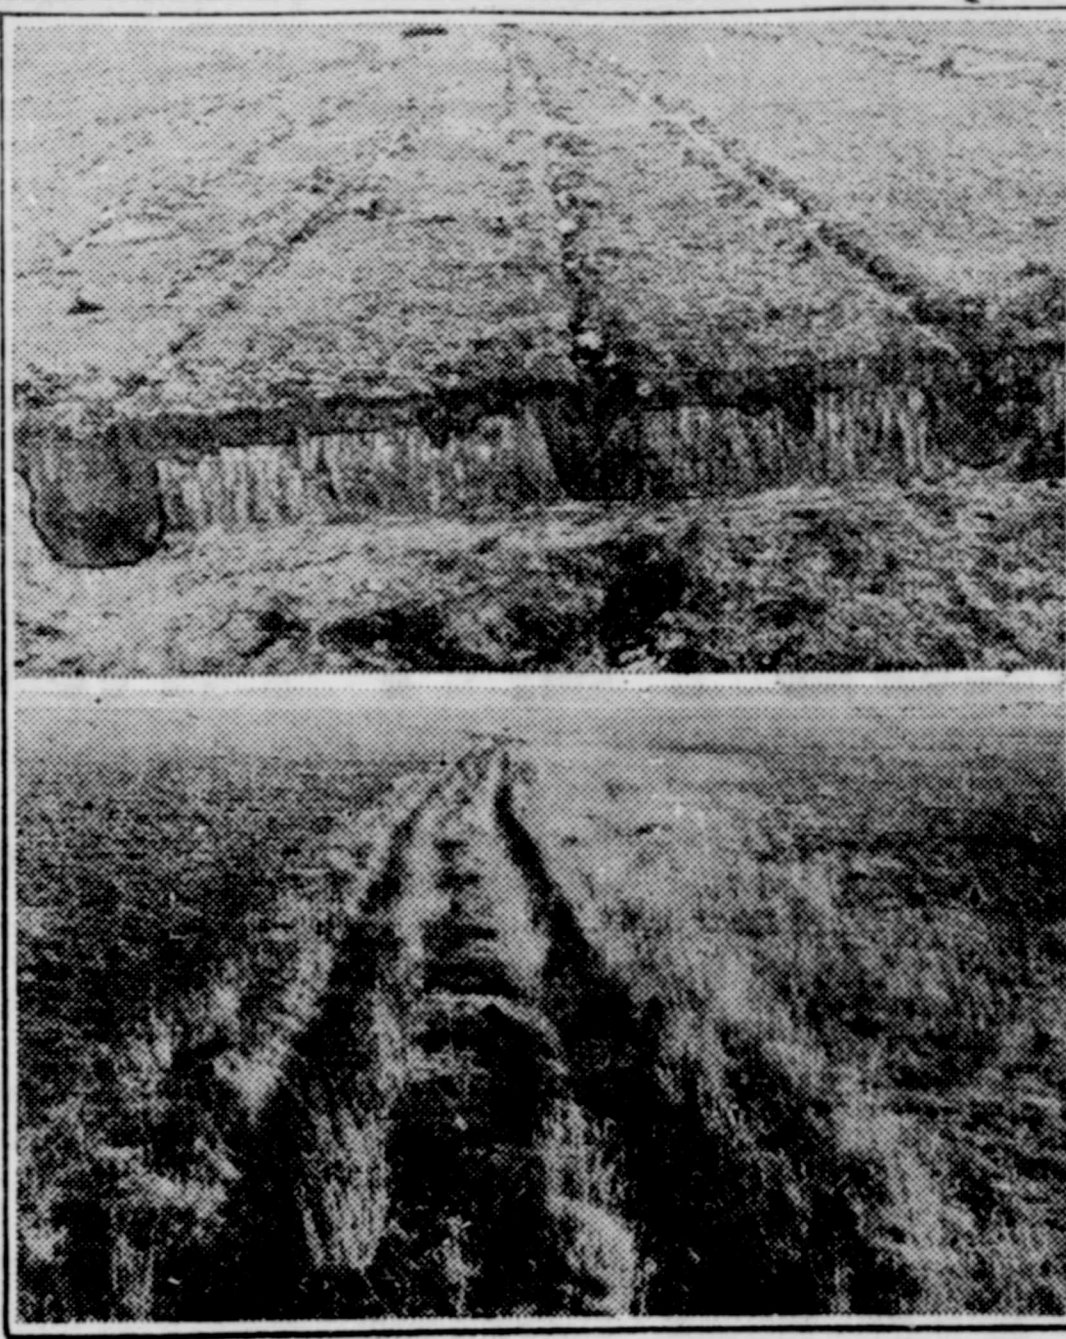

Our observation is that most people who come into our place soliciting funds on account of the fact that the husband is disabled or the wife has to be carried somewhere for treatment, is that if they would get on speaking terms with a bath tub, it would help matters some. In fact some of them give off odors that makes you think they have been sleeping in a pig sty for the past six months. We are pretty sure a bath would improve the health of some.

Sugar beets are now being shipped from a number of places just north of us in car load lots to sugar mills in Colorado. The day may come when this section will produce enough sugar beets to justify a sugar mill in the area. When that time comes, we'll have to quit telling our cooks to insist on cane sugar, as that product is produced in Texas (down near the Louisiana line) and tell them to buy beet sugar. Some of these beets raised in Hockley, Lamb, Floyd and Hale counties test out 22 1/2 percent sugar content, which is regarded as high in any man's country.

The Veterans of the World War, whether soldier, sailor or marine, had another great day here Friday, observing the 20th anniversary of the signing of an armistice, which led later to a peace treaty. All honor to those lads that offered themselves as targets that the "world might be made safe for democracy." While the world seems to be in a rumble now to get to cannonading and bombing again, there has been no major conflicts since that time, and the very bulliest of the bully nations seem cautious in entering a conflict with a well armed and well financed country, depending rather on sword rattling to get their wishes. So, we may say that our boys did not entirely fight in vain, as they have put the dread of a great war in the hearts of the warlords. At home, they have made our best, most law abiding citizens, discouraging any leaning of people toward extremes of either rightist or leftist. They have taught all of us love of country and love of our flag. All honor to our overseas men or those who prepared to go.

Germany under dictator rule, has been turned to mob rule, and one of these days that mob will just as surely turn and rend the dictator as it is now rending the helpless and hapless Jew. In the south or elsewhere, when men take the law into their hands, they become uncontrollable, and oftentimes kill peace officers, as well as the victim to be lynched. All mobs get beyond control, because they are outlaws. All civilized nations should show the better class of Germans, if there is a better class left, that they do not approve of mob rule, by withdrawing all association, political, financial, trade or otherwise from them. We are aware of the fact that there are a lot of Gentile Americans who do not have any great love for the Jews, and many won't trade with them, but a lot do, and in our time we have met many fine, patriotic Jews, who love our country as sincerely as any one. But Americans have never been brutal to any race, just because some member of that race happened to make a breach of etiquette. In fact, we are glad that Americans as a whole are strictly opposed to the mistreatment of a dog, much less a member of the human race. Imperial Rome had its arena where lions and other wild beast devoured people who dared differ with the government, and it perished. Spain had its Inquisition, and it has never been a major nation since. Germany and Italy are headed for the junk heap.

Conserved Water Aids Grass

Contour furrows and ridges catch and hold water where it falls so it can soak into the soil to become available for grass growth. In the upper picture a cross-section of a furrowed area is shown. The outlined dark area at the top shows the depth of moisture penetration. Observe that moisture has penetrated much deeper near the furrows. Bottom picture shows increased grass growth resulting from furrows in a Soil Conservation Service demonstration area.

Always to bear in mind my obligations as citizen to my nation, my state and my community, and to give to them my unwavering loyalty in word, act and deed. To give them freely of my time, labor and means.
To aid my fellow men by giving my sympathy to those in distress, my aid to the weak, and my substance to the needy.
To be careful with my criticisms and liberal with my praise, to build up and not destroy.

GRATITUDE

The city's lure! . . . For years it was my goal, Its glittering show I longed to see and hear, But when at last my fervent dream came true I fretted till returning time was near. The big town's loud assurance frightened me And all its offerings seemed like sawdust fare; Sophistication stalked in open pride Deriding all the friendship I would share. I thought of nothing but our quiet hills, The morning sun upon the meadow's face . . . The tinkle of a cowbell far away . . . A vision of the best and only place. And as the rolling car wheels brought me back From fearsome streets, where once I longed to roam, With quickened love, I saw it through the trees . . . And I was thankful for my country home! —Helen McMahan in Farm and Ranch.

SEASONAL RISE IN SCARLET FEVER HERE

Austin, Texas, Nov. 14.—"The seasonal rise in prevalence of scarlet fever has been, Doctor Geo. W. Cox, State Health Officer, reports. Each year as cold weather approaches, reports of scarlet fever cases tend to increase in number. This year, a slight increase in recorded prevalence was noted in September, with a larger rise recorded for October and the first week of November. Fever, headache, sore throat and vomiting are early signs of invasion by the scarlet fever germ. The incubation period, or the phase between exposure and onset of illness, is usually from two to six days. On the second day, as a rule a rash appears which may cover the entire body. The rash of scarlet fever is usually but not always present. The patient who has symptoms and signs of the disease, but without rash, should be isolated as well as the patient who shows the rash. A disease such as scarlet fever is dreaded whether in severe or mild form, because of the frequent development of secondary complications especially those of septic nature. Among complications, the most frequent are those affecting ears, neck glands, kidneys or the heart. Convalescent human immune serum prepared in laboratories can be used in many cases to prevent and modify the

disease. Scarlet fever is a disease of the colder months and may be expected to continue until late spring. The current increase in prevalence is not cause for alarm but emphasizes the importance of early recognition, prompt reporting of cases and careful isolation of infected persons.

Meadow

Our school had half holiday for Armistice Day. Miss Thelma Jones, teacher in Roswell, New Mexico and Mrs. Milton Greer and children of Cooper school visited Mrs. D. J. Harris Thursday night. Mr. and Mrs. A. L. Hicks and Mrs. Addie Pulley returned Saturday afternoon from the Baptist convention in Dallas. Mrs. Rockley and Miss Bonita Chandler, teachers, spent Saturday in Lubbock. Mr. O. B. Pool and Edith Meryle visited relatives in Oklahoma, Armistice day and over the week end. Mr. and Mrs. J. A. Wheeler attended church at the Primitive Baptist church Saturday and Sunday.

Messrs. Neal Turnbough, student at Draughon's college and Vanoy Turnbough, student at Tech spent Sunday with their parents, Mr. and Mrs. W. M. Turnbough. Miss Gene Bain, teacher in Home Economics, accompanied by Messrs. Marcelle Tuckness, Vir-

Willie: "My greatest sin is vanity. Only this morning I looked into the mirror and thought, 'How handsome I am.'"
Saint Peter: "Go in peace. To be mistaken is not a sin.—Pointer.

The Terry County Sing-Song will meet Sunday, Nov. 20th at Union, according to the secretary, C. Chambers. Everyone cordially invited.

Lawyer: "All right, I'll take the case, I feel assured that I can get you justice."
Litigant: "Well, if that's the best you can do I'd better get another lawyer."

IT'S A CRIME TO NEGLECT A COUGH
When a Common Cold Can Be Relieved So Easily.

Thanks to the work of a great scientist, the dean of Pharmacy of a large midwestern university, there is obtainable at most drug stores a combination of Genuine Beachwood Cresote, Methol and five healing ingredients combined in a base of pure fig syrup, that gives almost instant relief to that hacking cough due to cold. This formula is sold under the name of Mentho-Mulsion, and unless Mentho-Mulsion relieves your trouble, your money is promptly refunded upon request. It is not genuine Mentho-Mulsion unless the formula is printed on the carton. Mentho-Mulsion is recommended, sold and guaranteed by Corner Drug Store.

ginia Britton, Marie Hicks and Mary Margaret Harris were shopping in Lubbock, Wednesday afternoon. Mr. and Mrs. Wyle had visitors Sunday. Mrs. Rackley had as her guest Sunday, her sister-in-law from Lubbock. Mrs. Jones, solicitor for the Curtis Publishing Co. was in town Monday.

EXCESSIVE ROOM MOISTURE

With winter comes the annual problem of moisture forming on the furniture and walls of heated rooms. Each year many letters come to Texas A. and M. College in this connection. "When the air in a house contains as much moisture as it can carry at the room temperature, some of the moisture condenses and settles on the cooler furniture and walls, just as dew forms outside," Mrs. Bernice Claytor, Extension Service home improvement specialist, explains. This is especially true when the source of heat is natural gas, she said. The gas contains considerable hydrogen and when hydrogen burns it forms water which is absorbed by the air until it reaches the saturation point. Without the hydrogen, the air would be too dry for comfort, and engineers carefully calculate the best proportion of hydrogen.

"Dr. F. E. Giesecke, director of the Texas Engineering Experiment Station tells me that the

BROWNFIELD, TEXAS
natural gas of Texas contains enough hydrogen to form 6 gallons of water when, 1000 cubic feet is burned. Under some conditions, this overloads the air with moisture," Mrs. Claytor stated. "The remedy is to attach stovepipes to gas heaters so that the products of combustion from the stove are carried outside through chimneys. If it is not convenient to have stovepipes, it may be advantageous to install a floor furnace of the type that has stovepipes under the floor. A damper in the stovepipe may be used to regulate the moisture content of the air, she suggested.

X-RAY and RADIUM
PATHOLOGICAL LABORATORY. SCHOOL OF NURSING

Pleasant Valley

Several people from this community attended the football game at Brownfield Armistice day.

Mr. and Mrs. Sonny Hart and children and Little Miss Billie Hart visited relatives at Lahey, Sunday.

Mr. and Mrs. Eldon Gipson of Union and Mr. and Mrs. Jess Damron of Shawnee, Okla., visited in the Cave home Sunday.

Mrs. E. L. Cave received word

last week that her grandmother, Mrs. Printice Caddo, Okla., died in Wichita Falls. No particulars were learned and Mrs. Cave received the word too late to attend the funeral.

Miss Jim Smith spent the week end at Wellman visiting with Miss Dowe and Mrs. J. B. Bell.

Mr. and Mrs. Leo Willis have just had a Philco radio installed.

Mr. and Mrs. Montgomery's daughter from Roswell, N. M., is visiting in this community for a few days.

Mrs. Jaunita Moffatt and Miss Nora Mae Kerby entertained visitors from Union and Wellman during the week end.

Mrs. W. H. Hare and sons, Meers and Lester, visited Mrs. Hare's mother, Mrs. Lannis of Brownfield, Sunday afternoon.

Little Sue Glasco who has been ill for the past few days is able to be back at school this week.

Mr. and Mrs. Jess F. Blair and little daughter Barbara Dell spent Saturday night and Sunday with Mr. and Mrs. J. E. Liles of Loop. They attended church at Loop Sunday.

Mr. and Mrs. Virgil Kinard have a new radio.

Mr. and Mrs. A. H. Glasco spent Sunday afternoon visiting Mr. Eates of Brownfield, who has been confined to his bed for some time. They also visited Miss Lois Everett, a patient in the Brownfield hospital.

Mr. and Mrs. H. M. Perkins and family attended the funeral services of Mrs. Perkins' father, Mr. J. M. Jolly, who died Tuesday in California. The body was brought to Childress for funeral services, and then on to Hollis, Okla. for burial.

Mr. and Mrs. Perkins accompanied the ambulance from Childress to Hollis. The funeral rites were not said until Saturday because of a relative's delay.

Mr. W. R. Gandy of this community and Mr. and Mrs. Charley Shumake and Mr. and Mrs. Everett all formerly of this community, attended the funeral services for Mr. Gandy's step-father of McAlister, Okla., Thursday.

Mrs. Vernice Minton returned to her home in Nogales, Arizona, Saturday, after a visit of several weeks with her parents, Mr. and Mrs. W. P. Forbes and other relatives of this community.

Mr. and Mrs. Charlie Shumake and family are visiting in the Gandy home.

WELLMAN

Visitors in the D. B. Oliver home Sunday afternoon were, Mr. and Mrs. W. A. Smith and Harvey, Mr. and Mrs. A. A. Lawrence, Mr. and Mrs. Tommie Emerson and family. Billie Newton Emerson spent Sunday night with Junior Lawrence.

Miss Ione Bishop and Miss Wanda Faye Carmachiel visited Miss Vanena Stark, Sunday.

Mrs. Harris Carmachiel's brother, J. F. White of Tahoka spent the day with her Sunday.

Mrs. Pendleton and Mrs. Wilson Roberts and son Bobbie Ray visited Mrs. Pendleton's relatives at New More Thursday. They also attended a bride's shower.

Mr. and Mrs. Bishop and family visited in the Carmachiel and Roberts homes Sunday afternoon.

Wellman school students were represented in the parade at Brownfield, November 11. They attended a program at the high school auditorium, after the parade. Due to the fact that school is out a half day, the buses could not stay for the football game.

day night and Sunday.

Mrs. E. J. Cobb and daughter of Tatum, N. M., visited her parents, Mr. and Mrs. L. D. Camp last week.

W. M. Taylor who is attending Tech college was home for the week end.

Mrs. Bettie Crizwell, Mr. and Mrs. Jesse Crizwell and Mrs. Edna Blackenship visited relatives in Brownfield last Sunday.

Mr. and Mrs. W. H. Hague visited in Dallas last week end.

Mrs. F. M. Cox, Jr., and baby were shopping in Lubbock, Monday.

Mrs. Read and son, Bob, of Deport, Texas, are here visiting their son and brother, Till W. Read and wife.

Mrs. Roy Elmore of Seagraves is visiting her sister, Mrs. Aaron Morris.

FIRST PRESBYTERIAN CHURCH

Fred A. Walker, Pastor
 Sunday School, 10:00 o'clock.
 Morning Worship, 11:00 o'clock.
 Senior C. E., 6:45 o'clock.
 High Service, 7:30 o'clock.

Subject of the sermon for the morning service is, "The Christian's Use of Leisure Time." The Women's Choral Club, directed by Mrs. Jacobson, will furnish special music for this service. The subject of the night service is, "The Love of God."

We are planning a Harvest-Home Thanksgiving Day service. This service will be at 10 o'clock on Thursday, November 24th. The church will be decorated with the fruits of the harvest and these will be delivered to the needy after the service. Let this truly be an expression of Thanksgiving. The public is cordially invited.

PLAINS

Mrs. Donald Cotten of Amarillo is here visiting her parents, Mr. and Mrs. W. S. Pruitt.

Mrs. U. L. Wheeler and children of Odessa, Mrs. Troy Wheeler of Longview, Texas spent Wednesday night with Mr. and Mrs. J. H. Morris.

A birthday party was given Wednesday in the home of Mrs. Sallie Forrest honoring her son Harold's sixth birthday. Twelve children enjoyed the occasion.

Mr. and Mrs. W. S. Pruitt spent last week end with relatives in Amarillo.

Mr. and Mrs. Aaron Morris visited relatives in Seagraves, Saturday night and Sunday.

the middle, with its substantial old furniture, and its old clock with the loud ticking. Sometimes she used a cane with a silver head of William Jennings Eyan (her father was a "free silver" man).

"The oil was a long time coming," she declared, "but I am thankful for it."

Jefferson was a gay place, back in the 70's and 80's, Mrs. Henderson said, adding, "I love Jefferson. I never want to live anywhere else. Yes, I would like to see the boats come back"—a reference to the palmy days when Jefferson was at the head of navigation and had a population of nearly 30,000.

In the front yard, stood a lime tree, a gift from her uncle, Congressman Dave Culberson, one of the most picturesque political figures in the history of Texas. She set out the exotic tree and it grew and flourished. Dave Culberson died; his son, Charles A. Culberson, carried on the tradition of public service as Governor and as United States Senator; years ago, Senator Culberson died. And now Mrs. Henderson is gone. The tree still stands.

The anti-nepotism law ought to be amended so that the spirit of the statute can not be trampled under foot. As the law now is, if you are at the head of a state department, you can't give your father-in-law a job but you can hire the brother of another state official and that official can hire your father-in-law. The state payroll has become loaded down with kinfelks, many of them lazy, incompetent and performing no real service for the taxpayers' dollars. This job-swapping should be prohibited by law.

Those attending the church conference at the Methodist church at Brownfield were, Mr. and Mrs. J. M. Trussel, Mr. and Mrs. Coker, Mr. and Mrs. B. W. Young, Mrs. Coker and Mrs. J. W. Young.

Foy Gunter spent Sunday with Curtis and Victor Trussel.

Miss Hazel Sterling spent the week end with her parents, Mr. and Mrs. Sterling.

James Trussel was also home over the week end.

Geneva and Wanda Aldridge visited with their sister, Mrs. Arnold Waters, Sunday.

L. J. Coker spent Sunday at the home of Mr. and Mrs. Pete Kyle.

Those visiting in the home of Mr. and Mrs. J. A. Tate, Sunday, were, J. T. and Nettie Jean New-some, Billie and Henry Rowe, and Pearl Harbin.

Mr. and Mrs. Lee O. Allen had as guests Sunday, Mr. and Mrs. M. J. Allen and little son, Berry Marion, of Levelland.

Mr. and Mrs. D. P. Carter have been quite ill from ptomaine poisoning.

I LIVE ON A FARM..YET MY ZENITH FARM RADIO GIVES ME THE SAME SERVICE AS A CITY SET AND IT COSTS 25% LESS MONEY

ZENITH FARM RADIOS GIVE CITY SET RECEPTION

Zenith's Farm Radios are built for farm use. They are not city radio with a "Farm Radio" tag on them. They are the result of long research by engineers who know farm conditions.

4B213-6 Volt, Superheterodyne, receives American Broadcasts, operates from a 6 Volt Storage Battery, 5-inch Electro-Dynamic Speaker, 13 1/2 inches wide, battery drain of only 2 1/2 amperes. **\$29.95**

6B225-110 or 6 Volt, 6 Tube Superheterodyne, Automatic Tuning, receives American and Mexican Broadcasts, Battery Converter, operates either from 110-Line or 6 Volt Storage Battery, 8-inch Permanent Magnet Dynamic Speaker 19 1/2 inches wide, Cabinet in wood. **\$54.95**

EYE to EYE in your own living room, Your Mileage Merchant would unblinkingly talk this same good sense about saving your car's battery and oil by changing now to WINTER OIL-PLATING

NO BRASH "sounding off" by Your Mileage Merchant, because he can easily be specific about his patented Conoco Germ Processed oil. It specifically OIL-PLATES your engine for winter... no other oil does. And winter OIL-PLATING specifically cuts down on draggy "starts," battery exhaustion and oil extravagance, for these specific reasons:

The Germ Process adds in to this oil a patented man-made substance that sets up a strong force of attraction between Germ Processed oil and every engine surface it touches. Even the upright surfaces instantly attract and hold Germ Processed oil in the form of lasting OIL-PLATING. This OIL-PLATING can never drain down—any more than chrome plating—during the longest, coldest parking. No question then, about winter OIL-PLATING speeding your starter from the first, because before you've even got out your key, your engine is ready-lubricated by slippery OIL-PLATING. Never letting loose, OIL-PLATING can't shoot out of the engine, but remains a constant help to your oil-level—one of the smartest reasons for changing to Your Mileage Merchant's Conoco Germ Processed oil. Patented—your one way to change to WINTER OIL-PLATING!

OIL-PLATING GUARANTEED TO LUBRICATE BEFORE ANY OIL CAN CIRCULATE

Switch in Time!

CONOCO GERM PROCESSED OIL

Pool Community

News is scarce at Poole this week, as every one is very busy trying to get their crops gathered.

Our school has been put off another week.

Mr. and Mrs. Jack Brown gave the young people a party Saturday night. There were 35 present. All enjoyed the evening.

Leola Trussel spent Sunday with Thelma Sterling.

S. F. Coker and Edna Redding spent Sunday afternoon in the home of Mr. and Mrs. J. J. Gunter.

BAPTIST CHURCH NEWS

There was an increase in attendance at the services Sunday. There is an effort being made to have an average attendance of 300 per Sunday for a period of three months. Let the number surpass 300 for the Sunday School at the Sunday service. The pastor will be present to preach at both the services.

Sunday School, 9:45.
 Preaching, 11:00 and 7:30.
 B. T. U., 6:30.
 Mid-Week Services, 7:00.
 Monday Night Young Peoples Service, 7:00.

You are welcome to attend all of these services.
 —Avery Rogers, Pastor.

CHURCH OF CHRIST

Our Fall meeting begins on Sunday, Nov. 27th, with evangelist James F. Black doing the preaching. Further details of the meeting will be in next week's paper.

Sunday School, 10:00 a. m.
 Preaching, 10:50 a. m. and 7:00 p. m.

Prayer meeting, Wednesday 7:30 p. m.

Ladies Bible Class, Thursday, 2:30 p. m.

You will please note the change in our schedule. Preaching will begin at seven o'clock on Sunday evening instead of 7:30.

The sermon subject for Sunday morning will be: "The New and Living Way." The public is cordially invited.

I GIVE YOU TEXAS

By Boyce House

A dog with a bank account. Bingo, who is mainly German Shepherd, lives in Jefferson and is a universal favorite. Offer him a nickel and he will take the coin in his mouth and jog to the butcher shop or the drug store—depending on whether he craves meat or sweets.

If he isn't hungry, he will not accept the nickel—but this doesn't happen often. The result is that he has eaten so much ice cream that he has become a semi-invalid. So now, if the druggist thinks Bingo shouldn't partake, the money is deposited in a bank in the dog's name.

His collar and license tag were bought from this fund which is growing steadily to assure Bingo a secure old age.

The recent death of Mrs. Lizzie Henderson, on whose land the discovery well of the Jefferson field was drilled, brings back memories of an interview a year ago Mrs. Henderson, then 84, came to the county when she was only 4, her father bringing 40 slaves from Alabama. He was a surgeon in the Confederate army.

For 60 years, Mrs. Henderson had lived in the same house with the open hallway running down

How Safe Are You at Home? Red Cross Warns of Hazards

1. Loose rug at top of stairs is a dangerous hazard.
2. Keep medicine cabinets locked or out of reach of youngsters.
3. Teach children not to put safety pins or other small objects in their mouths.
4. Good luck if you hang it up, but bad luck if you step on the nails in this horseshoe.

DURING the month of October, the American Red Cross will carry a safety message into ten million homes and farms throughout the nation, urging a check-up on accident hazards.

Do you know these hazards? How safe are you at home? Do you know that deaths from injuries on the farm are steadily increasing? What are the causes? These are a few of the questions the Home and Farm Accident Prevention Service of the Red Cross will send into homes, on an accident check list to be distributed through Chapters, by millions of school children and members of the Junior Red Cross. And the answers are provided on the check list, too.

National attention was concentrated on the Home and Farm accident problem in 1935-36 by the Red Cross. In that year, 37,000 men, women and children lost their lives in home accidents, which were largely preventable. In 1937, this toll of life was reduced, and only 32,500 lives were sacrificed to carelessness. The spread of knowledge on hazards which were subject to

correction was everywhere credited with this cut in the death toll.

The 1937 deaths from home accidents were divided as follows, according to the National Safety Council: falls, 17,500; burns and explosions, 5,600; poisonings, 1,700; firearms, 800; mechanical suffocation, 1,000; poison gases, 1,100.

The Red Cross appeals to those in the home and on the farm to carefully check hazards which may exist inside and outside their houses, and perhaps save a life or prevent a life-long injury.

lacked a heap of making 55,000 bales of cotton this year, or that the price is as good, or that the farmers will get as much for their feed and corn. They are leaving all this behind, and are determined by the help and cooperation with the community, that every little fellow in Terry county shall receive a Christmas package, and that all of them will get to see a tree show, complimentary of Earl Jones.

Already, some of the merchants and business men are enlarging on the donations of last year, in order to put the big celebration, Santa Claus and all, over in a big way.

The date agreed on at the meeting presided over by Tor Cobb, president of the Chamber of Commerce, will be December 16th, at which time all children under 16 years of age will be the special guests of the city of Brownfield. All communities in the county are urged to cooperate especially to see that the children of their community get a way to town that day.

In the meantime, all these children shall have had mailed to them a letter in the Christmas colors, inviting them to attend. These invitations will all be mailed out prior to that time, and as we understand it, will have the entire programs of the day printed thereon. As usual, the parade will start at the school grounds, headed by the local high school band, and march down town and around the principal streets. Santa Claus will appear in the parade, also.

The business men have asked the Maids and Matrons to take the responsibility of soliciting the funds, only, and the business and professional men will see to it that the program is carried out to the letter. Thousands of packages will be handed out to the children down town, and a jolly day is expected.

After the parade and handing out of packages, the youngsters will be admitted to the shows by Mr. Jones free of charge. Last year, lots of little fellows, and some of them not too little, told Mr. Jones and others that was the first moving picture show they ever saw.

It should make all of us feel good that we can in some small way show the little fellows of our community a great time, and impress on them that somebody besides mom and dad really cares for them. They are our future citizens.

As the program advances, more about the matter will be printed in these columns.

We are requested to announce that there will be a pie and box supper at the Challis school house Thanksgiving night. Funds to go for paying on piano.

Mrs. J. C. Revler of El Paso is here visiting her father, L. A. Jett.

OFF THE DOLE— ON THE PAYROLL

Last week we discussed the folly of keeping livestock and poultry "on the doles"—just enough fee to keep them alive. Everyone will agree that they don't pay until they are on the payroll, which means placing them on a producing ration. Thinking of the farm as a factory turning raw materials into commercially finished products, the livestock may be considered both as machines and as labor. As machines they transform materials into new forms; as labor they do part of the work for themselves.

As machines they must have all the raw material for which they have the capacity; as labor they must work regularly at the job, if they are to pay a manufacturing profit to the owner. It is the owner's job to see that the raw material is supplied as needed, in the proper combinations, in productive quantities, and at regular hours, so that there will be no idle time for the machines and laborers.

If it takes twenty-five pounds of feed daily to keep a cow giving a gallon of milk, she must have more feed to produce two gallons, and still more for three gallons. Authorities estimate that twenty-five-pound hens can get along on seven pounds of digestible nutrients a day, but it will require nine pounds for the same twenty hens in full laying. Since no feed is totally digestible this means that allowance must be made for the indigestible waste materials in the feed, which varies widely in different feeding materials. Production for sale, whether of eggs or milk, comes from the surplus of feed above a living ration.

The substance of this theme is to take the animals and fowls off the dole and put them on the payroll. The quicker the feed is turned into a saleable product the better the chance of profits—always with the reservation that the ration is properly balanced for the purpose it is intended, and that it shall be supplied at the rate at which it will be most efficiently utilized.

It is a common saying that "a fat hen won't lay," but it is certain that a poor one can't lay. The "fat hen" theory is putting the cart before the horse—the hen gets fat because she isn't laying, and therefore turns her food into fat instead of into eggs. This may be her own fault (lack of laying capacity) but it is just as likely to be because the feed she gets is better adapted to fattening than to egg production.

Now is a good time to start the light weight turkeys on full feed for the Christmas market. Ross M. Sherwood, Chief of the Poultry Husbandry Division, Texas Agricultural Experiment Station, quotes a man who has handled a great many turkeys as saying that "my records show that the profit in turkey raising is almost in direct proportion to the size of the birds."

It other words it costs about the same to raise a small framed turkey to the finishing period as a larger one, and the latter has a larger capacity for putting on edible meat. Since a pound of turkey is practically always worth more than the several pounds of feed required to make it, the bird which will use the most feed in the finishing period is the best market for the feed.

Whatever the size of the skeleton, it is only the fat turkey which will bring the top market price.

Great Response To WTCC Fight on Rates

ABILENE, Nov. 15.—Favorable response has been received not only from all parts of West Texas but from the entire Southwest by the West Texas Chamber of Commerce's recently released study and analysis of freight rates, says H. S. Hilburn, Plainview, president of the regional organization.

Requests for copies of the pamphlet containing the complete report on the freight rate question issued by WTCC traffic boards have poured into the Abilene office from all sections of Texas and from other states, Hilburn said.

The widespread response indicates the people are ready for a change in rate making principles and policies, Hilburn thinks. Numerous editorials have appeared in newspapers in support of the reports, he added.

The report, which points out that West Texas pays the highest freight rates in the nation—72 per cent higher than rates in the lowest zone or Official Territory—recommends a complete overhauling of the entire freight zone policies and practices. It also recommends that the Interstate Commerce Commission Act be amended to require equality in rates as between zones.

"Too long have cities in West Texas, and all of Texas for that matter, been satisfied to fight for adjustment of rate differences in their own zone," says D. A. Barden, WTCC manager. "This is not the solution. After a town has received an adjustment in rates, what does it have? It is still paying rates that average 72 per cent higher than those in Official Territory (Ohio-Indiana zone). We must realize this to see the astounding discrimination against this area. This discrimination can be removed only by equalization of rates as between zones," Barden declares.

Terry county farmers, who at one time lived in the Plainview section himself, is very anxious that Terry county have a good delegation there that day.

LEARNS LIFE SAVING FROM OIL CO. MANUAL

BIG, SPRING, Tex., Nov. 6.—First aid knowledge gained from the safety manual of the Continental Oil Company today brought Mary Elizabeth Davis, 13 year old schoolgirl, the Life Saving Certificate of the American Red Cross, the President's Medal of the National Safety Council and commendation together with a \$150 wrist watch from the Board of Directors of Continental in honor of her heroism in saving her 11 year old brother from death by asphyxiation last May.

The awards were made in ceremonies at the Presbyterian Church here this afternoon, with Mary's schoolmates, members of her family and city officials present.

Mary saved her brother, Vyrlon after he was overcome by gas which he had settled in a ravine where he was hunting rabbits with a younger brother, aged 8, and a dog. The dog died instantly but the younger brother scrambled clear and fled to the house to call Mary and the neighbors. Mary pulled Vyrlon clear and administered artificial respiration for thirty-five minutes while adults looked helpless.

production Darryl F. Zanuck, has poured all his skill and 20th Century-Fox's resources—and "Suez" looks it.

The story is of heroic proportions. It tells of the amazing Ferdinand de Lesseps, who dreamed of creating the short route to the East, sought vainly by Columbus and Magellan, by tearing continents apart and joining the Mediterranean with the Red Sea. The great canal he built has become the jugular vein of the world.

Out of choking sand, from the clutch of the raiding Bedouin, in the face of the terrifying Sahara simoon—with blood, tears and passion—de Lesseps built his canal, driven by the love of two women to realize the dream men scoffed at.

Tyrone Power gives thrilling realism to the central character, with Loretta Young and Annabella startlingly appealingly in the feminine leads. Allan Dwan directed "Suez," which is one of the Movie Quiz \$250,000 contest pictures.

Mrs. Money Price had the misfortune to cut her finger so badly that it was necessary to take eleven stitches. The accident occurred Sunday morning.

NEVER HEARD OF IT

Boogey: "There's only one honest way of making a living."
Woogy: "Why, how's that?"
Boogy: "I thought you wouldn't know."

A CORRECTION

In the list of new correspondents listed last week, we had it that Mrs. W. J. Carter was the correspondent from Pool. It should have been Mrs. J. J. Gunter. Our mistake.

The schoolmaster was angry with the doctor's small son. "I will certainly have to ask your father to come and see me," he remarked.

"You'd better not," said the boy; "he charges \$5 a visit."

"Suez," Truly One Of Great Pictures

Produced with the magnitude possible only on the screen, one of the most memorable pictures ever to come out of Hollywood, "Suez" opens Sunday at the Rialto Theatre.

"Suez" is truly a great picture. In spectacle, emotional experience and sheer entertainment it is unsurpassed. It is said that into its

Important Ag. Meet At Plainview

According to C. H. Day, Waco, president of the Texas Agricultural Association, one of the most important meetings for farmers and stockmen ever held on the Plains, will take place Monday, November 21st, at Plainview, in the City Auditorium. For the principal address, one of the outstanding men of the nation has been secured to address the farmers.

Many important meetings for farmers under their own leadership have been held, but Mr. Day considers it a Red Letter day in Texas when under secretary W. L. Wilson, of the department of Agriculture agreed to deliver the principal address. The speaker is not just a theoretical farmer, but knows farming by actual experience, and is a great speaker. Mr. Day, well known by many

Brownfield to Stage A Great Christmas Celebration.

Last year the city of Brownfield, and sponsoring merchants, together with the prestige of the Chamber of Commerce and such civic clubs as the Lions, Rotarians and Maids and Matrons, put on a Christmas cheer and parade that was the talk for months. Well, this year they are going to repeat, only in a bigger way if possible.

The dozen or so men who met in the office of County Judge R. A. Simms Tuesday morning to formulate plans for the celebration are forgetting that Terry county

MEDICAL ASSOCIATION MEETS

The Dawson, Lynn, Gaines, Yoakum and Terry Medical Society and Women's Auxilliary met last Tuesday in Brownfield with the local Doctors and their wives as hostes and hostesses.

A lovely 8 o'clock dinner was served at Terry's White Kitchen after which the ladies enjoyed the movies and the doctors met in their regular business session.

The honor guest of the evening was Dr. F. E. Hudson of Stamford who was also the principal speaker of the evening. Other guests included Drs. J. C. Loveless and A. H. Smith of Lamesa, Jerome Davis of O'Donnell and Dr. E. P. H. Prohl, Jr., of Tahoka.

The Seventh District Convention of Federated Women's Club met in Amarillo last week and was well attended by Brownfield representatives including the following ladies: Mesdames W. B. Toone, W. H. Dallas, E. D. Jones, M. E. Jacobsen, John Turner, M. G. Tarpley, Ike Breedlove, Roy Herd, Mon Telford, J. M. Teague, Bob Brown and D. P. Carter.

THANKSGIVING DINNER

parted immediately for Lockney. Mr. and Mrs. Spear of Lakeview in Hall county, spent the week end with their daughter, Mrs. Geo. Long and family, they were accompanied by another daughter, Mrs. Patton and little son who also visited in the home of Mr. and Mrs. Geo. Long. Bro. Curtis Jackson will fill his regular appointment Saturday night, Sunday and Sunday night. Everybody come to Sunday school. Mr. and Mrs. John Garner had as their guests last Saturday evening Mr. and Mrs. Geo. Murry and Mr. and Mrs. Ocie Murry. The Parent-Teacher State convention is in session at Lubbock and several from our community have planned to attend. More will be reported later about their visit. The reporter wishes to make a correction in last week's newsmitem from this place read. Happy, instead of Harmony. Now as we do not have the authority to speak for other communities will say we are sorry it happened. We are now announcing a combination box, pie and sock supper to be given at the Harmony school house next Friday night, Nov. 19, sponsored by the Parent-Teacher Association. Everybody is invited we hope you will be here.

Several Hurt When Grandstand Collapsed

There was a bad accident here Armistice day when the temporary grandstand built at the football grounds collapsed with its weight of humanity, injuring several people badly, and one seriously. Perhaps the seating arrangement would have stood had there been no great plays to cause people to rise and sway and cheer. Mr. Hickman from Slaton had his back broken in the cave in, and was rushed to the local hospital where his injuries were treated, and put in a cast Monday afternoon. He was doing as nicely as could be expected Tuesday, having a fair night Monday. Another young man from Lamesa, a former Brownfield boy had three ribs broken, and other skins and bruises were treated by local physicians and sent home, a lot being local people. We understand the special on which the Slaton people came ran into a trailer at Ropesville, smashing it, but did not hurt the tractor pulling it, or the occupants. So, glorious Armistice was not without its hurts and injuries, all of which Brownfield is very sorry.

TANKERSLEY AND PHARR ARE STARS IN GAME

Guy Tankersley and Robert Pharr, Brownfield boys, were very important cogs in the Ployboys machine from John Tarleton which swept over the Weatherford Coyotes 7 to 0 last Friday. Tankersley took a long pass and ran over the goal in the first period for the only score of the hectic game. Pharr, playing at his guard position, was a definitive star throughout the contest. Tankersley and Pharr are being counted upon in the Tanksgiving Day classic between the Ployboys and the Hornets from N. T. A. C. The game, which will be played on Hays field in Stephenville, is expected to be a very torrid battle. As the two teams are tied for the loop lead, the game will decide the championship of the Central Texas conference. In addition to the game, the day will be homecoming day for a large number of Tarleton ex-students.

HARMONY—

Rev. J. A. Wethers, a Baptist minister of Lockney, father of Mrs. L. B. Floyd died last Friday morning, and was buried last Sunday. We extend our heart felt sympathy to the bereaved of our community. Mr. and Mrs. L. B. Floyd de-

Soil Conservation Checks Arriving

Over at the County Agent's office this week, they reported that subsidy checks had kinder let up, but that \$3,410.28 had arrived to be distributed for 1937 Soil Conservation. They seemed as busy as bees over there however, working on papers which gave the appearance they were holding a hot democratic primary somewhere in Texas.

Makes Tour Thru Northern U. S. A.

Miss Fern Sawyer, daughter of Mr. and Mrs. Uyless Sawyer of Cross Roads, N. M., where Mr. Sawyer is a prominent rancher, has just returned from a tour of the north and east in company with a Midland young lady and a New Mexico young man. Dressed in their cowboy and cowgirl habits, they were the center of attraction wherever they went. While away, they visited the national capitol, and many places of interest near there, and made New York for the big Madison Square garden show, where they were shown every courtesy, and had a great time. They also visited many places of interest in the middle west on their return home. Miss Sawyer is a graduate of Texas Technological College at Lubbock, and has been in many cowgirl contests, especially at Stamford and Midland, where she has always placed at or near the top. She is a granddaughter of Mr. and Mrs. M. D. Sawyer of this city, pioneer ranch-people of Terry county. Miss Fern was born and spent her childhood years in Brownfield before the family moved to their New Mexico ranch.

Two Santa Claus Letters Received

The Herald has already received two Santa Claus letters from its many little friends, which have been put aside to be used when we start publishing them with the first issue in December, which has been the custom of the Herald for some 30 years. We appreciate these little requests, most of which are simple and easily filled by most parents or friends, and we hope none of the little fellows are disappointed this year. Times may not be as good as we wish, but they are a lot better than we have seen, and the modest requests of the little people should be respected.

"SOCK SUPPER" TO BE HELD AT JOHNSON

There will be a "Sock Supper" at Johnson, Friday night, Nov. 25, for the purpose of raising funds to help pay for the piano. Everyone is invited to come.

New Readers: Rev. J. D. Anderson, Plains; Little Theatre Guild, city; Terry Redford, city; Mrs. Jaunita Moffatt, city; Mrs. Massengill, city; Mrs. Jess D. Harris, Comanche; R. M. Buchanan, Tokio; Mrs. Hardin Joyce, Rt. 2, city.

Only 2625 Bales Ginned to November 1st.

R. D. Copeland, special agent of the department of Agriculture reported only 2625 bales of cotton ginned in Terry county this year up to November 1st, compared to 7893 same date last year.

This is getting way behind fast and will be faster from now on. But, there is a whale of a lot of cotton been ginned since Nov. 1, if the cotton yard just out of the city limits in the north part of town is any indication. But, 'taint what it usterbe."

Ass'n For Childhood Education Speaker.

DR. JEAN BETZNER
DENTON, Texas — Principal speaker at the state meeting of the Texas Association for Childhood Education at the T. S. T. A. convention in Dallas November 25 is Dr. Jean Betzner, authority on elementary education at Teachers College, Columbia University, New York. Dr. Betzner will talk on "Who Educates Our Children"

The remodeling of the Lester McPherson residence goes on, and will soon be finished. This will be one of the prettiest homes in that section of the city when finished.

Rev. Breedlove Off For Conference

Rev. Ike Breedlove, accompanied by Rev. C. A. Duncan of Plains, will leave this week to attend the annual Northwest Methodist Conference of the Methodist church, which meets at Memphis, Texas, this year. Rev. Jessie Young and wife of this circuit will also attend, going in their own car.

Several hundred delegates and ministers are expected to attend this year, and the appointments will be read at noon Sunday instead of Sunday night as heretofore, in order that afternoon and early night dailies may carry the lists in their papers at the earliest moment.

The many friends of the Breedloves are in hopes that he will be sent back here for another year. Bro. Breedlove has asked us to state that Sunday School and Young People's work, will all be the usual hours.

Service Officer Here To Assist War Vets.

Floyd L. Sloan, of Amarillo, Field Representative of the Veterans State Service Office, will be in Brownfield to assist War Veterans and their dependants who have problems with their claims growing out of war service. Mr. Sloan has visited here several times within the past twelve months and each time he has been able to assist veterans and veteran's dependent in securing Government benefits they are entitled to receive, under the law. This time Mr. Sloan is very anxious to see war widows and Gold Star mothers who may not be in receipt of all the benefits to which they may be entitled under recently liberalized laws pertaining to widows and Gold Star mothers. The services of the Veteran's State Service Office are directed by Mr. George C. Betts, whose headquarters are located in that Land Office Building, Austin, Texas.

as. All persons desiring to see Mr. Sloan, Field Representative for this district, while he is in Brownfield, may contact him on November 23, in the forenoon.

Recent renewals: Mrs. A. E. McBroom, Paul McDermott, S. K. Grimes, J. H. Eubanks and W. T. Lamb, city and routes; Scott Walker, Meadow; Oliver O. Eberly, North Lawrence, Ohio; Geo. D. Cleveland, Plains. We could receive about 500 or 600 others without wearing out the credit sheets about this place.

Mr. and Mrs. Guthrie Allen were Lamesa visitors Sunday. John Edmission of Lamesa was transacting business in Brownfield Monday.

J. F. Winston says he guesses he and the lady have decided to settle down in Brownfield for another 30 years. He started a new home on south Fourth street, Monday. It will be a frame, five-rooms and bath, and be built to stand for time.

Freak Autumnal Storms Kill 500, Red Cross Aids Hundred Thousand

At top—Hurricane-wrecked home and motor car on Long Island; thousands were similarly destroyed. Lower right—One thousand fishing and pleasure craft were beached by tidal wave; a glimpse of Long Island coast. Lower left—Refugees from storm, seated on an overturned chimney, fed by Red Cross.

SIX New England states and Long Island are engaged in digging out from under the debris of wrecked buildings, roads and utilities, of destroyed homes and forests, as a result of the worst hurricane storm damage to visit that section of the nation since 1821.

The storm, known as a West Indies hurricane, swept in from the Atlantic on September 21, virtually without warning, attained a wind speed of 100 miles an hour at some points, and was accompanied by high seas. Fire followed in some sections, and rivers already rising, were soon in flood. Lives lost numbered 475 identified persons, with many still reported missing. More than 56,000 families suffered grave losses, and today the Ameri-

can Red Cross is engaged in rehabilitating 21,000 of these families in their homes, their occupations, and on their farms, because they are unable to restore their losses without some outside help.

The Red Cross is in a race with approaching winter to get families back into their homes. Work to be done ranges from mending roofs and chimneys to completely rebuilding and refurbishing modest homes. Fishermen and farmers were heavy losers, because boats, nets, lobster pots were washed away, and tobacco crops, barns, poultry, maple sugar and fruit trees were destroyed. Red Cross Chapters rescued, housed, fed and sheltered the storm victims, and more than 100 disaster relief workers of the Red Cross were

In the stricken area within three days, arriving by airplane, boat and bus, despite disrupted communications. Mobilization of Red Cross workers to aid victims of this storm was not completed before a series of three tornadoes struck Charleston, South Carolina, September 29, killing 30 people and making 600 families homeless. Red Cross provided shelter, and now is engaged in rebuilding homes and aiding the families. Thus these two September catastrophes claimed more than 500 lives. The annual roll call for members in the Red Cross which occurs from Armistice Day to Thanksgiving provides the funds which keep the Red Cross Chapters and national organization prepared to meet emergencies such as these.

Around the Clock

by e. g. d.

Would the Haberdashers who promoted the short trousers vogue, please change their style perspective and give us back the "Longies," besides looking nicer, we wouldn't have to be so particular about keeping the hubby's socks darned.

And its going to be cold on ankles too, so please Mr. Style Arbitrator, do something about it and do it quick.

And no comeback now, you like the girls in short skirts, you know you do.

Nelson Eddy, of the golden voice, has an aversion to wearing white shorts and is afraid of women.

The laying of a cornerstone is one of the Big Moments in the Building Profession—and a fine new Federal Building is a highlight in the history of our little city. The special occasion Saturday will attract great crowds.

RECENT BRIDE SHOWERED

A twilight tea and shower was given by the West Ward faculty, Friday evening, Nov. 4, from 6 to 8 p. m., in the home of Mrs. H. R. Winston, in honor of Mrs. P. R. Cates, who before her marriage was Miss Cordia Mae Shepherd. The house was beautifully decorated with cut flowers in bridal colors. The receiving line was made up of Miss Willa B. Sloan, Wynona Burnett, the honoree, Mrs. Cates and her sister, Mrs. M. C. Butler of Lubbock.

The guests registered in the beautiful bride's book presided over by Mrs. John Bost, after which they were served hot, spiced tea, cookies and mints. The table was beautifully laid in a lace cloth, centered by white and pink flowers, and lighted by candles in crystal candelabras. Miss Mozelle Treadaway, Mrs. Emmett Smith and Miss Viola Brown presided at the tea service.

Mrs. J. A. Tankersley, Mrs. Chick Lee and Mrs. Vernon Brewer displayed the many beautiful and use gifts that Mr. and Mrs. Cates received.

LEAVES FOR BUENA VISTA

Miss Virginia May left to attend Southern Seminary Homecoming at Buena Vista, Va., last Wednesday. She will visit friends in Philadelphia, New York and Little Rock, Ark., while gone and will return just before the holidays.

Tom May and Bob Bowers left Sunday for the Big Bend country on a deer hunt. They went with a party composed of three other cars of Magnolia dealers from over the district.

WEST WARD P-T. A.

The "Bean Dinner," sponsored by the West Ward P-T. A. was a great success. Many mothers were willing workers, just as many pupils were ready "eaters." We appreciate the cooperation of all who helped in any way and the benefits received from such an undertaking prove the value of the organization.

Ruth Tinkler of Lamesa was a guest of Earlene and Evelyn Jones on Friday of last week.

MRS. BASIL WEBB HOSTESS TO MUSIC CLUB

Mrs. Redford Smith was leader of the program on "Our American Music" when Mrs. Basil Webb most charmingly entertained members of the Cen-Tex Harmony club on Tuesday afternoon, Nov. 8 at 4 o'clock.

The lovely home lent a charm to the entertaining program presented by Mesdames Turner, Walker, Teague, Hardin, Smith, Wingerd and vocal group directed by Mrs. Jacobson.

Mrs. Smith led the club music collectively.

"Our Contemporaries" was heard in review, "The Parents of our Contemporaries," "When our great granddaddies went to concerts."

"Long, Long Trail," Mrs. Telford, piano songs in unison.

Three beautiful poems read by Mrs. Wingerd.

Bright Spots in Settlement Work, Mrs. Ferd Walker.

Reports from District Convention was given by delegates to Amarillo, Nov. 3 and 4.

Following the interesting session and program, the hostess assisted by Mrs. Smith and Mrs. Hardin served dainty sandwiches, congealed salad, butternut slices, pickles, and hot coffee to Mesdames, Paul Stevens, guest from Arizona, L. M. Wingerd, E. D. Jones, M. E. Jacobson, J. M. Teague, John Turner, R. B. Parish, Bob Brown, L. Nicholson, W. H. Dallas, M. B. Tarpley, W. B. Toone, Mon Telford, D. P. Carter, Walker, J. C. Powell, Misses Fitzgerald, Fields, Brown, Huff.

The club will present the next program on Nov. 22, with Mrs. McGowan hostess.

MRS. JIM GRAVES ENTERTAINS TWO BRIDGE CLUBS

The beautiful new home of Mr. and Mrs. Jim Graves was the background for two of the largest holiday parties when Mrs. Graves was hostess to two lovely bridge parties Thursday, Nov. 10.

The Kolonial Kard Klub enjoyed a bridge breakfast at 9 a. m. Mrs. Garrett Daugherty won high score and received Coty perfume.

Mrs. Roy Wingerd won second high and received Houligant bath powder. Four tables of players were entertained in the morning, including Mesdames E. C. Davis, Cecil Smith, Roy Wingerd, A. A. Sawyer, Mon Telford, T. L. Treadaway, Herman Heath, G. Daugherty, Earl Jones, Clyde Cave, Anderson, J. J. McGowan, Roy Herod, R. L. Bowers, Ralph Carter, Everett Latham.

Members of the Laf-a-Lot club were the afternoon guests at 3 p. m. and included the following ladies:

Mesdames W. R. McDuffie, Jack Bailey, Lee O. Allen, Spencer Kendrick, Clovis Kendrick, Vance Glover, Earl Anthony, Howard Swan, Frank Ballard, Ike Bailey, Jack Stricklin, Jr., Wilson Collins, Clarence Hudgens, Raymond Taylor, E. G. Akers, James Harley Dallas.

Mrs. Jack Bailey was winner of high score and Mrs. Wilson Collins was winner of second high. Both were presented lovely perfume and bath powder as prizes.

Miss Sue Jones returned from Prescott, Arkansas, Monday. She was called home last Wednesday in response to a message stating that her father had been seriously injured in a car wreck.

Margaret and Elizabeth Travis visited in Clovis over the week end.

MISS QUEENELLE SAWYER LISTED IN WHO'S WHO AMONG COLLEGES

In response to a recent request from the publishers of Who's Who Among Students in American Universities and Colleges, an eight-member faculty-student committee of Texas Technological college has chosen 19 students.

Selection of the list nominated by Tech is completed. Names of the students are to appear in a directory to be published in December. Among the nineteen chosen at the Tech is Miss Queenelle Sawyer, daughter of Mr. and Mrs. Arthur Sawyer of Brownfield. Miss Queenelle was always an honor student all during her school days here and we would have been disappointed had her name not been among the others.

To be listed in the Who's Who publication, a student must be a junior or senior and must have shown a combination of qualities to indicate he is outstanding and an asset to the school. The qualities considered were character, leadership in extra-curricular activities (athletics, society, religion, government), scholarship, and potentialities for future usefulness to business and society.

All at present hold or have held prominent student offices or have otherwise distinguished themselves. The number of nominations from each college or university is determined by the enrollment. It was estimated that more than 500 colleges and universities of the United States will be represented in the December publication, which will include the names of approximately 3500 students.

Mr. Long of the Little Theatre Guild informed us this week that they were getting ready to make a motion picture featuring Little Deanie Ballard with a cast of one-hundred-fifty children. Among others taking part in this picture are Sonny Treadaway, Tommy Adams, James Yates and Betty Holmes. Mr. Long says the real Movies has come to Brownfield, see him if you want to place your child in this cast.

Will Fitzgerald was a business visitor in Midland, Monday.

THE COURTESY CLUB

The Courtesy Club met November 10, 1938. The President, R. B. Walls, Jr., took charge. The Good Manners gave the following program, led by Mae Belle Roper: Poem, "In Flanders Field," Glynna Faye Ross.

Poem, "America's Answer," Corrine Thrasher.

Song, "Danny Boy" Corrine Thrasher, Glynna Faye Ross, Willie Merle Jackson, Ollie Faye Cooper, Jackie Lee Seale, Alvis Bradley, Dorothy Copeland and Idella Brown.

Poem, Mildred Patterson. Reading, Alvis Bradley.

The following were selected as best citizens:

Jackie Lee Seale, Dale Hill, Mae Belle Roper, Corrine Thrasher, and Clyde Perry, Jr.

The next meeting will be Tuesday, Nov. 22. The Character-Study Committee under the leadership of Alvis Bradley will give the program.

—By Glynna Faye Ross.

MAID AND MATRONS CLUB

Miss Olga Fitzgerald entertained the Maids and Matrons club at the home of Mrs. Redford Smith on Tuesday afternoon at four o'clock.

Mrs. John Randal in her very charming way gave a report of the Texas Federation of Womens Clubs that met in Austin the first of the month. She was delegate from this club, and brought back some very instructive information.

The club was signally honored when they were visited by Messrs. Tom Cobb and Ike Bailey when they called during business session and asked them to help with the program that the Chamber of Commerce is sponsoring again this year for all school children of Terry and Yoakum counties, in that they might share the joys of Christmas.

Eighteen members and one guest, Mrs. Clyde Coleman, enjoyed the Parliamentary and Government program. T salad plate with coffee and cake was served.

—Club Reporter.

Mr. and Mrs. A. Reeves were in shopping Monday.

BROWNFIELD SENIOR CHORAL CLUB RECEIVES PLAUDITS

The Senior Choral club, with Mrs. M. E. Jacobson director, organized and federated in April 1938, appeared on the Fine Arts program, when they sang "The Holly Hour," by Ethelbert Nevin. This group of singers is to represent the club December 10th at Lubbock, when the Lubbock Music club entertains Brownfield Music club and the Levelland Music club at the Girls Dormitory of Texas Tech.

Mrs. Townsend, pianist of note will present a piano program.

BAPTIST W. M. U.

The Lockett and Reagan circles met with Mrs. Ame Flache, with fine present. The Annie Long circle met with Mother Green, with nine present. The Lottie Moon circle met with Mrs. W. L. Bandy with nine present. All circles studied the Mission book, "For this Cause."

Next Monday the Lockett cir-

cle meets with Mrs. Heath. Reagan with Mrs. J. C. Bond; Annie Long with Mrs. Jenkins. The Lottie Moon circle will meet at the church to quilt for Buckner's Orphans Home. This will be Industrial Day.

TECH BOARD TO MEET IN FORT WORTH, NOV. 26

LUBBOCK, Texas, Nov. 14.—Texas Tech Board of Directors will meet in Fort Worth Saturday, November 26, Secretary W. T. Gaston announces. The meeting, originally scheduled at the college November 12, was postponed because several members were unable to be present.

Board members are: Clifford B. Jones, Spur, Chairman; Secretary Gaston and Spencer A. Wells, Lubbock; Mrs. John A. Haley, Midland; Charles C. Thompson, Colorado; Joe T. Sneed, Jr., Amarillo; Mrs. W. R. Potter, Bowie; Tomas G. Pollard, Tyler; James M. West, Houston; L. L. Steele, Mexia.

FAIR RETURN

A clergyman who was getting his hair cut came to himself with a start. "Finished, eh?" he said. "Yes, sir," said the barber. "I finished some time ago."

"Then I must have been indulging in a nap. It was very kind of you not to wake me. The rest has done me good, and I am grateful to you for what was quite a restful sleep."

"Don't mention it, sir," responded the barber. "It's only a fair return. I attended your church last Sunday."—Exchange.

Mrs. Floyd Stark of Seminole visited the 11th, with her sister-in-law, Mrs. Travis Bynum, who is in the local hospital.

Mrs. W. B. Tudor and Mrs. Bitt Copeland were Sunday visitors in Lubbock.

Mr. and Mrs. Claude Hudgens and Billie were visitors from Levelland, Thursday.

Come In and See the Exclusive Convenience Features of this "Table-Top" PERFECTION Oil RANGE

The Mark of Quality

HERE, at last, is a "table-top" oil range that is CONVENIENT. Many new and exclusive features make this beautiful "High-Power" Perfection, with its gleaming white porcelain finish, more convenient to operate than any other oil range of this type.

Burners within easy reach, no groping or straining. Oven burners mounted on a slide that draws forward for easy lighting and can be lifted out for outside cleaning... large "Live-Heat" air-insulated oven, full porcelain finish... two-gallon cooking-top fuel reservoir and one-gallon reservoir serving oven burners, BOTH easily lifted out from the FRONT, for outside filling.

There's no finer range made, no matter what the fuel. Be modern, and be INDEPENDENT, with the modern ECONOMICAL fuel... no tying yourself down to one source of fuel supply... you can buy kerosene everywhere, and the cost is always low.

This beautiful range is available with or without cooking-top cover, lamp, timer and condiment set shown here.

If you prefer a range with an elbow-high oven, be sure to see the cabinet model illustrated below—the largest selling Perfection oil range of all time. There's a Perfection for every need—one-burner to five-burner stoves for use with portable Perfection ovens and a wide choice of ranges with built-in ovens. Come in and see them today. Convenient terms.

and this beautiful Cabinet Range... also a PERFECTION

NOBODY'S BUSINESS

By Julian Capers, Jr.

AUSTIN — A lengthy message, reporting in considerable detail upon the "state of the commonwealth," reviewing the accomplishments of the past four years, and

making recommendations for the coming biennium, will be sent up to the Legislature by Gov. James V. Allred when the 46th Legislature convenes in Austin January 10. This is in accordance with constitutional procedure. The new governor, who will be inaugurated January 17, will send up his first message shortly thereafter, if he conforms to custom. Thus the solons will have the benefit both of the experience of the out-going governor, and the ideas of the in-

coming governor, to formulate a legislative program.

Allred Already At Work
Allred already is at work on his message. He will dwell only briefly upon the triumphs of the past, but will outline rather extensively, according to informed sources, his idea of needed legislation. Paramount among his recommendations, these sources say, will be that the Legislature go forward toward completion of the unfinished phases of the social security program brought into existence in Texas during his administration. He will urge payment of teachers' retirement, aid for blind, aid for dependent children, and probably the creation of a permanent welfare organization, to deal with what is now recognized as the permanent problem of relief.

Another important recommendation, his advisors say, will urge the Legislature to clarify the conflicting legal procedure for setting the state per capita school apportionment. There has been a conflict of authority between the State Automatic Tax Board and the Board of Education, resulting in confusion, which Allred wants cleared up.

Would Revise Compensation Laws
Allred has an expert at work studying the present code governing payment of benefits to injured workmen, under the workmen's compensation act, and he is convinced here are glaring injustices.

Still Coughing?
No matter how many medicines you have tried for your common cough, chest cold, or bronchial irritation, you may get relief now with Creomulsion. Serious trouble may be brewing and you cannot afford to take a chance with any remedy less potent than Creomulsion, which goes right to the seat of the trouble and aids nature to soothe and heal the inflamed mucous membranes and to loosen and expel germ-laden phlegm.

Even if other remedies have failed, don't be discouraged, try Creomulsion. Your druggist is authorized to refund your money if you are not thoroughly satisfied with the benefits obtained. Creomulsion is one word, ask for it plainly, see that the name on the bottle is Creomulsion and you'll get the genuine product and the relief you want. (Adv.)

"Every Winter had Terrible Colds"

Nurse's Grateful Letter
"I want to thank you for the wonderful cough and cold medicine, BUCKLEY'S MIXTURE. I bought the first bottle last winter, for the old gentleman whom I am taking care of. He had had terrible colds every winter. The first dose helped, and after the third dose cold was gone. It does such quick work." Mrs. G. Davis.
Don't take chances, for even the most stubborn, racking cough swiftly yields to the powerful influence of BUCKLEY'S MIXTURE (triple acting), the largest selling medicine for coughs, colds and Bronchitis in all of cold Canada. Get a small bottle at any druggist anywhere. Safe and satisfaction guaranteed always.

retiring secretary, mustered sufficient votes to block election of Sybert, and wanted to re-elect Kennedy. But the Austin newsman declined the honor, and the committee, including 31 new women members who proved a decisive factor against Sybert, elected Clarence Butcher, of Plainview brother-in-law of W. Lee O'Daniel, as secretary. Sybert was named vice chairman of the committee as a harmony gesture.

The Gerner boom was dropped at the request of backers of the Vice President, who felt the time was inopportune, too early to launch a campaign. Chairman E. B. Germany of Dallas, presided and won plaudits of all the delegates and visitors, who praised him as a worthy successor of Myron Blalock, of Marshall, chairman for the past four years.

Behind the Scenes in American Business

NEW YORK, November 7 — BUSINESS — Accelerated by government spending the 1938 industrial recovery continues to gain ground with experts predicting an even sharper upward movement in business indices after the elections. Evidence of better business is seen in many lines. Dealers in office equipment and supplies report improved sales, and expect fourth quarter volume to be 20 per cent over 1937. Helped by warm weather which has allowed new building to go ahead rapidly, plumbers and heating equipment salesmen say that business is about 15 per cent ahead of last year. During November department store sales will more closely approximate 1937 records than in any month since last April, according to present predictions.

WASHINGTON — Tomorrow's general elections had Capitol Hill's population and all the agencies in a dither last week, and discussion of national problems came to almost a complete standstill. When Washingtons do get together to talk about subjects other than politics the gossip they circulate includes: U. S. retaliation against Japan's closing of the Open Door in China is indicated; increased taxes on business in the next session of Congress are inevitable, despite fast-rising business and trade indices; no railroad employee strike, but rather an exhaustive study of the whole national transportation problem.

BATTERY BONANZA — Every shopowner would like to report that his sales are better than they were in 1929 and that is exactly what the battery merchant will be able to say this year, if he shares the increased business predicted last week by S. B. Robertson, president of the B. F. Goodrich Company. Mr. Robertson estimated that battery sales this year would exceed \$92,000,000 or 18 per cent better than last year and 7 per cent more than 1929. For such a common every-day product as the electric storage battery, Mr. Robertson gave an interpretation which is astounding to those of us who think in terms of a single battery in our car. He pointed out that the 29,913,000 automobile batteries now in use produce fully one-sixth as much energy as turned out annually by the nation's powerful turbines. Research has made it possible to make a storage battery guaranteed to last as long as a motorist's car, Mr. Robertson added. This has been done by developing non-flood devices, cedar separators, and flexible, porous, sun glass retainer mats, one of which is now placed on each side of the positive plates.

Speculate on Appointments
Speculations a sto who will be the new member of the Highway Commission under O'Daniel still occupied Austin observers this week. Despite the apparently well-founded report that Carr P. Collins of Dallas would be offered the post, active booms are under way for several others, including R. L. Lucas, Fort Worth mortician; Paul Whitley, Austin former contractor; Oscar Burton, Tyler independent telephone executive; R. J. Potts, Waco gravel dealer, and several others. Some of these campaigns are evidently based upon the belief Collins will not accept the place, if it is offered him.

State Demo Committee Meets
The State Democratic committee held its first meeting at Mineral Wells, for the announced purpose of electing W. A. Sybert, of Hallsville, brother-in-law of Carr Collins, as secretary, and beginning organization plans for a campaign to pledge delegates to John N. Garner for president in 1940. It did neither.

free as the air we breathe. Money can't buy inward peace—peace is the result of a conservative philosophy of life.

Money can't buy character—character is what we are when we are alone with ourselves in the dark.

Continue the list yourself. You'll agree that among the things money can't buy are some of the most valuable treasures life has to offer. It is a good thing to check up now and then to be sure we are not missing these things.

1939 COTTON ALLOTMENTS

The AAA's 1939 farm program for Texas goes into high gear this week with the release of cotton acreage allotments for individual farms. Sixteen counties have already received the 1939 cotton allotments and an additional 50 or 60 will have them this week, according to information released at the state AAA headquarters at Texas A. and M. College.

Geo. Slaughter, chairman of the Texas Agricultural Conservation Committee said the state office is able to handle allotments at the rate of 10 to 15 counties a day if

the necessary material from county offices is sent in. He figures on getting the needed material from 30 to 40 additional counties this week.

"It's our intention to issue the acreage allotments for each farmer by December 10, when the cotton marketing quota referendum is called, so that producers will be able to vote with all the cards on the table," Slaughter declared.

Miss Elizabeth Upton visited her mother in Portales, N. M. over the week end.

Brownfield Friday-Saturday Texas

B'field Cubs Sweep Over Slaton Tigers

Cubs were offside and received a 5 yard penalty which gave the Tigers another first down. The Cubs tightened up and held for three plays, knocking down a pass from Tucker to Dickson on third down. Tucker got off a beautiful 50 yard punt but it went over the goal line and Brownfield again took over on its own twenty. The Tiger forward wall held and forced Murphy to punt on fourth down as the quarter ended. Score 0-0.

The Tigers punted on 3rd down but Brownfield was offside and was penalized 5, giving Slaton a first down. However, Slaton was again forced to punt on 4th down, with Rowden and Jenkins coming in and partially blocking it. Hill picked up 9 yards around right end and on the next play a pass from Brown to Morton fell incomplete. Brown punted over the Tiger's goal line on the fourth down.

The Tigers were granted only one yard in two plays and Tucker punted to the Tigers 40 on third down. Brown picked up 4 yards for the Cubs and on the next play he faded back and tossed a 25 yard pass to Rowden who was smothered on the Tiger 10. Hill netted two yards on two plays and failed to gain on a lateral around right end from Brown. On fourth down, Brown with plenty of time, faded back and tossed a five yard pass to Morton who broke into the clear as he raced across the goal line for the first counter. Jenkins converted making the score 7-0.

A few minutes later, in which the Cubs managed to pick up another first down the half ended with the Cubs leading 7-0.

Slaton, with the wind to their backs, opened the second half by kicking to Murphy who pulled the oval in on his five and returned it to the 30. In three plays with Hill and Brown carrying, the Cubs gained 8 yards and on fourth down, Murphy dropped back and punted twenty-two yards to the

Tiger 40. On first down a pass from Tucker to Austin, netted 12 yards and a first down. Tucker lost 3 on an end sweep and Bowers intercepted Tuckers pass on second down. Tigers held for three plays and Murphy got off a beautiful 40 yard punt into the wind to the Tiger twenty-eight yard line. After an exchange of punts with neither side making much headway the third quarter ended with the Cubs still leading 7-0.

With the opening of the fourth period the fireworks started. Tucker punted over the Cubs goal line and after three plays in which the Cubs failed to gain, Brownfield was forced to punt. Brown dropped back to punt but his blockers were bolted backwards by the whole Tiger line and the punt was blocked. Clack came charging in, scooped up the ball, and raced for a touchdown. The attempt at conversion failed and the Cubs still led by a margin of one point 7-6. This seemed to arouse the fighting spirit in the Cubs and Brown took the Slaton kickoff back twenty yards to his own 40 yard line. Warren knifed through the Tiger line for 11 yards and on the next play he netted 4 more for the Cubs. A pass from Brown to Morton fell incomplete. On the fourth down, Murphy's punt was knocked into the aid by a Tiger lineman and it traveled only about fifteen yards. The Tiger safety came in to take it and was hit hard by a Cub, causing him to fumble. Brownfield covered it making a first down on the play Hill and Brown failed to gain on two line drives, then Brown dropped back and arched a long pass to Rowden who had worked his way down across the goal line. Jenkins again converted. Score Cubs 14, Slaton 6.

Brownfield kicked to Slaton but the Tigers were forced to punt. Five minutes later after an exchange of punts the Cubs worked the ball down to the Tiger thirty. Brown again faded back and when Rowden broke into the clear, threw another pass which netted the Cubs their third tally. Jenkins failed to convert. The Cubs now

led 20-6. Brownfield again kicked to Slaton with Gentry returning the kick to his 20. Gentry picked up one yard around left end and on the next play the Tigers fumbled and the Cubs took the ball on the enemy's 30 yard line. Hill made 20 yards on a wide end sweep and on the next play Brown shot a bullet pass over the line to Bowers for 10 yards and a counter. Jenkins converted making the score 27-6 with the Cubs on the big end. This terminated scoring. On the kickoff, Jenkins booted the ball clear over the end zone for an automatic touchback. The ball was brought out to the twenty and the game ended with a pass from Gentry to Martendale for 10 yards.

Rowden, Bryan and Jenkins were outstanding linemen for the Cubs. Bryan went down hard under punts to pull the safety in before he could get started. The entire forward wall played a whale of a game both in the offense and defense. Hill and Brown did most of the ball toting for the Cubs with Murphy doing some fine punting. Morton, playing with a bum leg, also turned in an excellent game.

Clack and Shelton did outstanding work for the Tiger line with the work in the backfield.

A Brief Summary of the Game is as Follows:

Tigers	Cubs
5	6
120	Yards gained running 137
24	Yards gained passing 120
3 of 8	passes completed 5 of 7
0 for 0	penalties 4 for 30
11 for 323	Punts 12 for 363

Starting Lineup, Slaton: Ends, D. Robertson and L. Scott. Tackles, Shelton and Brown. Guards, Kahlick and Haliborton. Center, Clack. Quarterback, Ward. Halfbacks, Dickson and Stotts. Fullback, Tucker.

Cubs: Ends, Rowden and McLeroy. Tackles, Jenkins and Murry. Guards, Bagley and Rambo. Center, McCraw. Quarterback, Brown. Halfback, Hill and Murphy. Fullback Bowers.

Scoring: Tigers: Clack, touchdown. Cubs: Touchdowns, Rowden (2), Morton (1) Bowers (1). Points after touchdowns, Jenkins (3).

Mr. and Mrs. Ben Hilyard and little three months old son were up Armistice, visiting her parents, Mr. and Mrs. J. M. Williamson. This was the first time many of their friends or even the grandparents had seen the youngster, which is a fine boy. Mrs. Hilyard was an employee of the Herald for some ten years, and Ben, now in the auditing department of the liquor board, was bookkeeper for the Brownfield State Bank for some eight years.

PROTRACTED MEETING
A protracted meeting will begin at Tokio tabernacle Saturday night November 19th. W. H. Francis of Blair, Oklahoma, will do the preaching. Everybody invited.

Otis Moore, son of Mr. and Mrs. J. E. Moore of Brownfield, has gone to Chillicothe, Mo., where he enrolled Monday (Oct. 31) at the Chillicothe Business College. He will take a course in commercial and machine bookkeeping training there.

Tourists: "It is far to the next town?"
Native: "Well, it seems farther than it is, but you'll find out it ain't."—The Pathfinder.

Mesdames J. L. Cruce and John L. Cruce accompanied Mr. and Mrs. B. W. Cruce to Clarksville last week after the later's household goods. They are recent newcomers to Brownfield.
