

A Week Of Scouting In Brownfield Brings To A Close Another Anniversary In The U. S.

Below, We Have Reproduced for the Readers, "Scouting" from the Pen of One, and Just What Happened in Brownfield Last Week, Written by Another Scout. Don't You Think They're Good?

Scouting

An Editorial, By James Rogers
During the British-Boer war, Lord Baden-Powell became so disgusted with the recruits from England, that when the war was over, he founded the first Boy Scout organization, to train the boys in how to camp, build fires, put up tents, and live out doors.

When a Chicago publisher, William Boyce, became lost in a London fog, a British Boy Scout in uniform came up and asked him where he wanted to go. He told him, and the Scout took him to his hotel. When Mr. Boyce offered him pay for his services, the lad refused, saying that he had only been doing his daily "good turn." This surprised Mr. Boyce so much that he had the boy take him to scout headquarters. Here he learned all about the scouts and the next year, 1909, he founded the first scout organization in America. In May, 1926, the National Council honored this scout with the award of the bronze buffalo. On it was this inscription. "To the Unknown Scout whose faithfulness in the performance of the 'Daily Good Turn' brought the Scout Movement to the United States of America."

Scouting has grown steadily since, and now has over a million members. It has expanded until now there are scouts in 47 countries over the world. Very often "World Jamborees" are held. The last was in the Netherlands. At these Jamborees, scouts from all over the world come together and get acquainted. They swap handicraft works, stamps and many other things. Sometimes boys of one nation give campfire programs for the benefit of boys of other nations. These are very important, for they sponsor goodwill and international friendship. It is only common sense that boys who have met each other and are corresponding, will not want to look at each other over the sights of a machine gun.

A scout is trained to look after himself at all times. He is expected to be able to step in and take charge in times of excitement and danger. A good scout would know what to do if there had been a wreck, or if someone had fallen in a lake or in any other emergency. Scouts receive training in camping, swimming, tracking, handicraft, first aid, nature study and many other subjects. A scout who has been trained properly, would not get lost in a forest. He would be able to provide his own shelter and cook his own food over a fire made without matches. He could make and read a map; make and follow a trail, and a great many other things.

It has been said that if one had no other way to get an education he could make a complete study of all the merit badges offered and when he finished have a fairly liberal education. Merit badges are offered on all subjects from agriculture to zoology. There are some that would be valuable to one training for practically any occupation. In order to obtain the rank of Eagle Scout one must qualify for 21 merit badges. This is the highest rank in scouting and by the time a Scout attains it, he is fairly well educated.

Scouting is a great character building organization. If a Scout lives up to the oath and law, he

EDITOR'S NOTE:

Last week was devoted to the Boy Scout movement throughout the nation, and perhaps the civilized world aside from those nations ruled by dictators. What the writer might say would be of little avail, as perhaps we would fail to catch the spirit of the occasion from the standpoint of the boys themselves. So we asked Dr. R. B. Parish, Scout Master, to have one of his boys to act as a reporter, and write what happened here in scouting last week from his viewpoint. The assignment was well handled. Then, we asked that he have another boy write us a front page editorial on scouting, and you may judge for yourself below how well James Ragan and James Rogers have handled these tasks:

Troop 49 Observes Scouting Anniversary

James Ragan, Scribe
Sunday, February 12, Troop 49 of Brownfield began its annual observance of Scout Week, which commemorates the 29th anniversary of scouting in America. The troop attended the church of Christ in a body. Brother Killion preached a fine sermon which was enjoyed and greatly appreciated by all.

The next day was Mobilization Day. The troop was held in readiness to mobilize from the time school was out until the call came to mobilize. This came at about 7:00 o'clock that evening. The troop mobilized in 5 minutes to take the banner for the Southwest district. Following the mobilization the regular meeting was held.

Tuesday was devoted to the home. All scouts attended school much as usual. They were requested to prepare at least one meal for their family and help with the other household duties. Wednesday was School Day. The plans were to show at some time during the day some movies of the Scout Jamboree, which was held in Washington two years ago. However the films didn't come and so Wednesday turned out to be just another day.

Thursday was the biggest day of all, Government Day. The Scouts took over the town with "a bang" as some of the local citizens found out. Approximately \$20 was taken in by this troop in fines for city and county offences. Most of the defendants pled guilty and paid off quietly, but some chose to argue. Everyone who was not acquitted finally paid off. One of the local businessmen was fined quite heavily in proportion to the other fines for contempt of court consisting of shooting a couple of firecrackers and paying off. He was given the "bum's rush" before he had time to light another.

I should like to express my appreciation and that of the Boy Scouts of Brownfield for the splendid spirit in which the public took the occasion. Most of the boys learned a great deal about how a city is run, along with a lot of fun. All in all, this was one will soon have a very strong moral character. Scouting is intended chiefly for boys from 12 to 16 years of age. Senior Scouting is for older Scouts who can take care of themselves anywhere. Sea Scouting is very popular with these boys. A fact about the kind of boys that Scouting builds is shown in the fact that out of the many who have been First Class Scouts, not one has ever gone to prison.

Scouting is a servant of democracy. The official uniform stands for service, outdoor life and democracy. In some countries, especially Germany, Scouting has been banned, and in its place are put organizations which teach the boys how to be soldiers instead of promoting peace and good will. In America stress is still laid on American Ideals.

City Again Gets 25 Per Cent Fire Reduction

The Herald is in receipt of a letter under date of February 16th, from the Fire Insurance Division of the Board of Insurance Commissioners, written by Marvin Hall, Commissioner, and addressed to Mayor Clyde C. Coleman of Brownfield, which is self explanatory:

Dear Mayor Coleman:
"After announcing that your fine city will again receive the good fire record credit of twenty-five per cent for 1939, I want to take this opportunity to commend your fire department to you for the effective work it has been doing in saving your citizens both from fire losses and from higher insurance costs.

"Any time this Department can assist you with any of your fire-fighting or fire protection problems please do not hesitate to command us."

With kind regards and best wishes, I am

Cordially yours,
Marvin Hall,

So, once again, we have the faithful volunteer fire boys of Brownfield to thank for this big reduction or credit. We still say that the citizens of Brownfield who have property insured, owe these boys a tip-top banquet, the best that a wide selection of foods, concocted by the best cooks procurable, and we'll still keep saying it till it is an accomplished fact.

Every time there is a fire, they risk their lives in fighting it, and then sometimes don't even get thanks. And their salaries is simply overpowering — absolutely NOTHING.

L. A. Jett Shows Some Hadiwork

One of the prettiest pieces of wood carving and workmanship that we have ever seen, has recently been turned out by L. A. Jett, employee at the postoffice, but whose hobby is making things from wood. This tray was an odd shaped affair, displaying all the darkest colors from mahogany on down through the lighter shades to almost pure white.

These were so interwoven and polished, that it seemed to be only one kind of wood. These woods represented every continent in the world as well as perhaps some islands. Mr. Jett informed us that this one had been sold.

He is soon to start on another with a relief map of Texas as the center piece, and we understand will be made from Texas hardwoods. He has a well equipped work shop, and almost lives in it when off duty at the postoffice.

Dad Turner Passes

Dad Turner, 88, one of our oldest and most highly regarded citizens passed from this vale of tears and pain Wednesday morning, to reunite with his wife who passed a few months previous. Dad died after having a leg removed at the hospital. Obituary next week.

Funeral services Thursday at the Methodist church with Rev. R. T. Breedlove, former pastor, officiating. Burial in the Brownfield cemetery with Odd Fellows in charge. Arrangements by Brownfield Funeral Home.

swell day for the scouts. The week's activities closed with the Southwest District Court of Honor, which was held in the high school auditorium. In spite of the inclement weather there was a large crowd present. Troops from Ropes, Meadow, Plains and Brownfield were present.

Seagraves and Seminole failed to have representatives. The general attendance banner and the mothers attendance banner were both won by Troop 49. This Troop also maintained its standing at the top of the Court of Honor Ladder. The week's celebration was topped off by this Troop getting its first Eagle Scout, Odell Spear.

General Fund Behind \$12,000 After Cols.

In conversation with the County Treasurer, Mrs. O. L. Jones, recently, she stated that the General fund of the county was in the red more than \$12,000 at that time, even though tax collections for the year was over. However, other funds of the county are in comparatively good shape. Of course, no one is to blame for this condition, as this fund is expected to care for relief of those not able to get work on projects on account of age, sickness etc.

Then too, there must be medical care and sometimes operations to come out of this fund. Most of these deserving cases. But the general fund has run so far in the red that we understand the bankers are getting rather skittish of taking them at a 5 per cent discount, and may have to demand more. This in turn will make it hard on those who perform labor or furnish material for the county, and this, we understand includes the salary of all officials, as they come out of this fund. Unless they are able to wait several months or a year after the warrants are registered, a big discount must be taken.

Speaking of relief, there are relievers and RELIEFERS, the last spelled with capital letters. For instance, a lady informed us lately that she heard one man say that he was too old to work. He was a handout man at the courthouse. She described him as being healthy looking, and perhaps 45 years of age. A man at that age that talks about being too old to work, is just to darn lazy to work.

In fact, the writer is now fast nearing 59, and never feels better or rests better at night than after a hard days work. Realy at the age of 45, we were just in our prime, we believe, and we know others of the same opinion. We can site you to a retired ranchman in this city, who at 60 made his hired men get up and clink to follow him through the day. The very idea of a big, stout, healthy man claiming he is too old to work at 45. Makes us sick at the paunch.

Dorothy Lamour

Featured in 'St. Louis Blues' coming to the Rialto Sunday and Monday.

Rather Chilly

Yep! old man Winter bore down on us again this week, giving us one of the coldest spells of the season.

According to W. E. Stone, mercury stood at 18 Tuesday morning at seven o'clock, at his house, and 16 same time Wednesday.

Arlie Lowermore of the Star Tire Store, was a business visitor to New Mexico, Wednesday.

Huge Water Tower Going Up Rapidly

The new city water tower and reservoir under construction here by the Panhandle Construction Co., Lubbock, is now being rapidly completed. Steel for the tower and reservoir only began to arrive the last two weeks, but workmen are rapidly putting it together. The tower is now complete, with the oval section and the first straight section in place. Of course there is a lot of riveting, but air or electric hammers take care of that rapidly.

Obviously, the job of laying new extension to mains, and installation of new fire plugs, conveniently spaced over the city, is about complete, as well as the laying of extensions to the sewer mains. It is now believed that by April the new water and sewer system will be completed, and ready for use.

In the meantime, the job of paving several blocks on Tate street is well under way, and this street is being given a real paving job, as real concrete curbs are being built. What a pity this was not done on Main, Hill and Broadway paving. Already the edges of this paving is showing a frazzled edge because there is no permanent curbing to protect the edges.

We have always believed that a job worth doing is worth doing at the beginning. It is our understanding that Broadway will also be paved from the railroad to highway 51. This would take a lot of traffic off Main, which is also highway 84.

Yoakum Given Record Well

Record potential for Yoakum county was reported Thursday at the J. E. Mabee of Tulsa, Okla., No. 4 Willard, completed for an initial of 3,137 barrels of oil daily to extend the southwest extension area to the Bennett pool one location to the south.

The No. 4 Willard, located 2,200 feet from the north and west lines of section 741, block D, John H. Gibson survey, is a location south of Mabee's No. 2 Willard, completed recently for 3,116 barrels daily as the previous largest initial potential in the area.

The No. 4 Willard, acidized with 1,500 and 3,500 gallons of acid, at total depth of 5,230 feet, in lime, is the fourth large producer to be completed by Mabee, who drilled the discovery well in the southwest extension area to indicate the possible linking with the Denver pool to the southwest. The No. 4 Willard had flowed 60 barrels of oil per hour, natural.

On the west edge of the Bennett pool, Texas Pacific Coal and Oil Company No. 18 Bennett, section 677, block D, Gibson survey, was testing after shot with 600 quarts at total depth of 5,260 feet in lime.

Texas Pacific No. 1 Brownfield, section 692, block D, Gibson survey, wildcat test one and one-half miles north of the east side of the Denver area, was drilling below 4,119 feet, in anhydrite.

"Alex" To Visit Relatives in Bulgaria

Last week, Alexander Damoff, "Alex" to you, sold his hamburger and hot dog stand on Highway 51 to T. P. Newton, and left Wednesday of this week for Bulgaria, in southern Europe, where he was born and raised for a few months visit.

Alex said he had no idea how long he would be gone, as he didn't want to get mixed up in army maneuvers while over there.

He has been a citizen of the United States for years, coming here from Hobbs, N. M. He has proven to be a good lawabiding citizen here, and has made many friends. He is regarded as one of the best hot dog makers that ever lived here.

He will sail from New York in the next few days, and says when he comes back to the states, he will make his home in Brownfield.

Hancock Cafe One Year Old and Growing Fast As They Complete First Anniversary

Buying Careful, this Cafe is Able to Put Out a 40c Meal that is Equal to Many at Twice the Price. Constantly Improving to Meet the Demand of An Up-To-Date Eating Place.

There are cafes, restaurants, hamburger stands and just plain old "eating joints" but unless one happens to be very hungry at meal time the "eating joints" is no enticement to draw up your chair and put your feet under the table. Then there is a big risk to run in the patronage of the cheap eating place. To begin with, in order to sell cheaply, they must of necessity buy the cheapest cuts of meats, and the seconds of other foods. You have to run the risk, therefore of a good case of ptomaine poisoning, and a good sized doctor bill.

While the Hancock Cafe serves meals within the reach of all, they are high enough to enable them to put the best of foods on the table, and every care is made in handling, preparing and the cooking them, so that when you sit down in this cafe, you do so without any mental reservation as to their purity, and the smell and taste convince you that they have been prepared by a chef that knows his foods. Yet, when you pay the cashier, you know that you have not had to stand the shock of modern "coverage" and other unnecessary additions.

The present Hancock Cafe opened for business Feb. 22, 1938, just one year ago the past Wednesday. From that time to this, they have had a consistent increase in business, but the longer they have been in business, the more rapid the increase. Will state that the owner, Bruce C. Hancock has been connected with the cafe business in one way or another since 1911, except two years that the family was on the farm in the Union community, and Mrs. Hancock has had almost as much experience. Therefore they are not novices, but years of actual

experience has prepared them for business of serving foods.

This cafe was the first in Brownfield to install air conditioning to make their place cool and comfortable in the hot weather, and we are almost sure that they were the first business to install air conditioning. In fact, as fast as they learn of anything new that will add to the comfort of their customers, it is installed immediately.

Recently they have installed upholstered seats in the booths, chairs at the tables, and stools at the counter. New tables and counters have been ordered of the latest design, and will be installed as soon as they arrive. The interior has but recently been remodeled and redecorated in pleasing colors. No expense has been spared to make this the favorite eating place of their many customers. The cafe is open day and night, so that customers may be served at any time they wish, as well as the tourist trade.

To help out in making the place attractive outside as well as inside at their own expense, a Vitrolite trimming has been added to the wall, window and door facings, and beautiful Neon sign adds to this attractiveness, especially at night. Mr. Hancock himself is the chief cook, being assisted by his son, George Bruce, and Bob Brown.

Other members of the personnel, aside from Mrs. Hancock mentioned above, are, Miss Ione Moreman, Mrs. Ola Mae Hamilton, and Miss Geraldine Martin, who recently moved here from Roswell. These young ladies are always on the job, giving their customers the best of service and courteous treatment.

Miss Whitney Takes Position With FSA

Miss Mabel Whitney of Valley Mills, Texas, came in Sunday to take a position as Rural Farm Habilitation supervisor of the Farm Security Administration program, taking the place of Miss Myrtle A. Peden, who goes to Levelland. Her area will be Terry and Yoakum counties. She will be under the direction of Mr. Dennis Lilly, head of that department in the two counties, and office with him in the courthouse.

Miss Whitney attended the grammar schools of Valley Mills, graduating from high school at Clifton, Texas. She then attended the North Texas State Teachers college at Denton, where she graduated, majoring in home economics, and is therefore well fitted for the place. For the past two years she has taught the home economic department in the Coahoma high school, but resigned to take the position here.

It is believed that this as well as the county agent, and perhaps a few other governmental offices will be moved to the new post-office when it is completed.

Perry's Looking for Another Newspaper

Two of the Perry brothers were here last week looking for another newspaper to add to their string of five weeklies in central and west Texas. Finding the Herald not for sale, the brothers announced they were heading for Seagraves, as one of the Seagraves papers was advertised for sale in the Dallas News recently.

The five papers already owned are: the Arlington Journal, Arlington; Polytechnic Herald, Fort Worth; Dublin Progress, Dublin; Nocona News, Nocona, and the Bowie News, Bowie.

Womack Jones accompanied by his sister, Miss Sue Jones and Jim Cousineau, left Wednesday for Nashville, Ark., where they went after Womack's wife and daughter. They will return Sunday.

Emmett Smith To Be New School Supt.

At a meeting of the school board of the Brownfield School District last week, Mr. Emmett Smith was tendered the place of Supt. of the schools for the next twelve months. We are pretty sure that he has accepted the position, as we have heard no rumor to the contrary.

Mr. Smith came here from Panhandle section several years ago, and was given the position of high school principal on the faculty, which position he held until the last term, when he resigned to enter the grocery business.

Surf. Baze, who has held the position for the past four years has not stated to us what his intentions are for the future, whether he intends to enter business or continue the teaching profession.

Moore Has Contract To Rebuild Burned Building

Moore & Moore, Charley and Loyd, are busy with a crew of men rebuilding the Odd Fellow-Barrier two story brick building on the north side of the square, that was gutted by a fire a few weeks ago.

Work of rebuilding will be rushed in order that those burned may be back in business by April 1, if not sooner.

LITTLE THEATRE TO STAGE SOW AT NEEDMORE

We have been requested to announce that the Little Theatre Guild, of Brownfield will put on a show at Needmore school house, tonight, February 24th at 7:30 p. m.

The show is entitled "The Spark of Life," and is said to be a howling comedy. Everyone invited. Admission 10c and 15c.

Mrs. Bill Beatenbough of Andrews, Texas, is here the guest of her aunt and uncle, Mr. and Mrs. L. E. McClish.

E. D. Ballard and family are entitled to a pass to the—

The Official Paper of Terry County and the City of Brownfield

Now comes Alalfa Bill Murray, ex-governor of Oklahoma, with the statement that in Russia they kill 'em, and in this country the new deal lets 'em starve. Yes, it has been quite awhile since Alalfa Bill got to the pie counter himself, so he must be getting hungry.

Since we are on the subject of judges, what makes a judge issue an injunction preventing state officials from performing their sworn duty? And again! Why have laws? Or should we reverse the question and ask why have judges? If the judge is not on the side of law enforcement, the state really has no use for his kind of services. Then why not get rid of him? Texas has had all too much of this tommyrot the past few months. Nobo'y has mentioned money yet.—Clarendon Leader.

When we came to Terry county 30 years ago, we heard the expression many times, that all the sandy farms of the county would be "blowed away" in a few years. But those same farms are still in cultivation, and many of them, that have been carefully cultivated, are making just as good crops now as then. It is true that sand blows, but then again it will blow right back in the original place when the wind changes. Reminds us of a remark of an old timer some 30 years ago to a new comer who happened to be caught here in a three day sandstorm, and asked if the wind blew that way all the time. "No, it will change to another direction by tomorrow, perhaps," remarked the old timer. No, the county is no more "blowed" away than it was 30 years ago.

The newspapers are being flooded with propaganda from the State Liquor Board, who naturally want to perpetuate themselves in office. On the other hand, there is a line up to discontinue the liquor enforcement department, leaving that up to local officers. The best minds of the state, including strong prohibitionists, say that as long as we have liquor, that it must be controlled, and to be well controlled, it must be in the hands of men who know not county lines, and who know very few people in any county. The state enforcement staff, being constantly changed from one area to another, have no time to become bought off, even if they could be. On the other hand, local officers generally have their hands full with matters closer home. Yes, it costs extra money, but maybe it is money well spent to have men that will really bend down when occasion presents itself.

That Scout Week was a decided success, no one will deny. In fact, there is not a citizen of the city but who is proud of the scout organizations of the town. As city officials, they conducted themselves in a dignified and fair manner. Some that consistently violate the city ordinances day by day, especially traffic laws, were hauled into court by these sharp eyed boys, and made to pay fines. Late in the afternoon, "just for fun," charges that did not exist were trumped up on some of our old stingy citizens, and fines collected that were beyond the law. We are pretty sure that the Scouts themselves, or their leaders didn't think of this, but some one that wanted to have some fun. It is fine for the boys to have these extra fines, they need it. But, in teaching the boys good government, is it entirely right to start them on the "gangster method" route? We think not, but believe that the boys should always be allowed to go by their rituals, pledges, oaths, etc., rather than some suggestion of "railroading" some one to the hoosgow.

Why should the legislators saddle upon the people of the whole state debts imprudently and unwisely incurred by counties and road districts ten or fifteen years ago, or any other time, for the building of sections of highways and lateral roads in their respective counties or road districts? There was doubtless graft in the handling of much of these funds. Some of these roads were poorly built to start with and are now nearly worn out. It would be all right and proper for the State to assume the indebtedness for roads honestly and wisely built that then were or later became a part of the state highway system, but why should the other counties of the state be now required to pull these wasteful counties out of the hole?—Tahoka News.

Mr. Hitler, like all his predecessor totalitarian governments, is given to much "bulling" as we in America express it sometimes. In fact, he is in every way a fit successor of Bismarck and the late Kaiser Bill in that line of government, at least. Recently he tells us that America could not get ready to help the European democracies in time to save them from his and the Italian dictator's wrath. They say that history repeats itself. We are sure that we heard that same expression 22 years ago, coming April, when America entered the world war, or at least that America could put no men in Europe. By the fall of 1918, there were some two million

fighting Americans on the firing line. But Hitler says the next war will be over in a few months. The same was expressed by both sides during the Civil War, the World War, and all wars that we have ever heard of. Italy took more than a year to conquer some roving bands of unarmed negroes. Japan has had her hands full for near two years, and hasn't conquered unorganized and unarmed China. Possibly America will never send another army to European shores; we hope not anyway, but usually wars are won by the amount of money a nation has, or group of nations, and certainly Uncle Sam has the gold, and his sympathy is with the world democracies.

GLAMOROUS OPERA PRIMA DONNA RETURNS TO LONE STAR STATE TO SING IN DENTON PREMIERE

DENTON, Texas — Glamorous Lenora Corona, whose face and figure are one pleasant bit of testimony that an opera star may photograph well and still reach the top in the musical world, will come to Texas this week for the final rehearsals of Julia Smith's opera, "Cynthia Parker," in which she sings the title role for its premiere performance on February 16-17 at the North Texas State Teachers College in Denton.

Flying down from New York City, Miss Corona plans to land in her native city, Dallas, at 2:22 on the morning of February 10.

One fellow says I will pay you tomorrow, but seemingly tomorrow never comes. Another says I will pay you in a day or so, and it has been six months and he has not paid yet. Another said "I will pay you Saturday, but we think he meant Saturday after death calls on him, when he will leave it for Jesus to pay. You have heard the old song, "Jesus Paid It All." Anyhow plenty men are liars as well as the Editor.—Jayton Chronicle.

Every time Governor O'Daniel takes a fling at wasteful extravagances in public affairs, crooked politicians get down the code book of greed and look up the schedule of escape. The Governor, being human, will make mistakes, but the people from the forks of the creek are with him and for him. Don't forget that. And another thing! The Governor is going to find out that a whole lot of newspaper folks are backing him to the limit hoping for better days for Texas and her people.—Clarendon Leader.

OIL REFINERY FOR LEVELLAND

W. D. Richardson, formerly with Cosden is head of the Motors Fuel Co. and announces his company plans to build a refinery of 3,000 barrels of crude oil capacity and costing \$185,000 at Levelland to serve the oil pools in Hockley and Cochran counties—Big Spring News.

Legume hays are high in protein and minerals and therefore the amount of protein supplements and minerals may be cut down where legumes are fed as roughages in fattening beef calves.

Silage is the easiest roughage to feed in all kinds of weather conditions, and the trench silo is the cheapest and most efficient way of storing feed.

SHERIFF SALE

THE STATE OF TEXAS COUNTY OF TERRY

WHEREAS, on the 18th day of September A. D. 1930 the State of Texas recovered a judgement in the District Court of Terry County, Texas, against W. T. Criswell as Defendant for the sum of Thirteen and 92-100 (\$13.92) with interest thereon at the rate of 6 per cent per annum from the 18th day of September A. D. 1930, until paid, and the further sum of Twenty Eight and 71-100 (\$28.71) costs of suit; and

WHEREAS, said judgement decree described the foreclosure of the lien created, established and continued on the lands, lots and property hereinafter described, by reason of the levy and assessment of taxes and of the delinquency therein, the said taxes remaining unpaid and due to the State of Texas and the County of Terry, and as the same lien then existed and at any time thereafter existed by reason of such levy and delinquency and at the dates and for the years 1926, 1927, and 1928, and against the property so described and set forth as follows, to-wit:

Lots 1-2-3, Block 15 of the Original Townsite of Brownfield, Terry County, Texas.

WHEREAS on the 27th day of October A. D. 1930 the then duly elected and qualified Sheriff of Terry County, Texas levied upon the above described land as the property of the defendant, W. T. Criswell, and afterwards, advertised the same for sale at the courthouse door of Brownfield, Texas, such sale to be held, and the same was held, on the 2nd day of December A. D., 1930, being the first Tuesday of said month, and the same was sold to the highest bidder for cash, all the right, title and interest of said State of Texas in and to said property.

DAVID at Brownfield, Texas the 8th day of February A. D. 1939

C. D. Gore, Sheriff, Terry County, Texas. 30c

SHERIFF SALE

THE STATE OF TEXAS COUNTY OF TERRY

WHEREAS, on the 12th day of September A. D., 1930 the State of Texas recovered a judgement in the District Court of Terry County, Texas, against W. V. Chapman and unknown heirs as Defendants for the sum of One Hundred Twenty Four and 94-100 (\$124.94) Dollars with interest thereon at the rate of 6 per cent per annum from the 12th day of September A. D. 1930, until paid, and the further sum of Twenty Nine and no-100 (\$29.00) Dollars costs of suit; and

WHEREAS said judgement decree described the foreclosure of the lien created, established and continued on the lands, lots and property hereinafter described, by reason of the levy and assessment of taxes and of the delinquency therein, the said taxes remaining unpaid and due to

of ten o'clock A. M. and four o'clock P. M. on said day at the courthouse door of said county, I will offer for sale as under execution, in behalf of the State of Texas, and sell at public outcry to the highest bidder for cash all the right, title and interest of said State of Texas in and to said property.

DAVID at Brownfield, Texas the 8th day of February A. D. 1939

C. D. Gore, Sheriff, Terry County, Texas. 30c

Starting Trouble

DOES your engine merely groan when you touch the starter button?

THE WRONG WAY to remedy the trouble is to yank the choke until a pool of gasoline gathers underneath the car... jump up and down on the starter until the poor battery gives up the ghost... burn your fingers pouring hot water into the radiator.

THE RIGHT WAY, the easy way, is to keep the tank filled with Phillips 66 Poly Gas, which is extra high test without extra cost. This high test does the trick every

time, because any engine in good mechanical condition will start provided that the gasoline in the tank is "hot" enough.

Phillips 66 Poly Gas is plenty "hot." Rarely exceeded in high test even by higher priced motor fuels. Packed with extra wallop and extra miles. Yet it costs nothing extra, because Phillips is the WORLD'S LARGEST PRODUCER of natural high test gasoline.

We sincerely believe it is this winter's best buy in cold-weather gasoline. Get a trial tankful, and then just feel that difference.

POOL

The League Council met at the home of Mr. and Mrs. J. J. Gunter last Tuesday night. Those present were: Mr. and Mrs. H. C. Zorns and family, Mr. and Mrs. J. M. Trussell and family, Mr. and Mrs. Jack Brown and family, Mr. and Mrs. W. C. Aldridge and family, Miss Mildred Jones, and Price Tate, Mr. and Mrs. H. Harbin and family, Billie and Henry Rowe, Nettie Jean, J. T. and Dorothy Dean Newsome, Anna Lou, Edna and Holland Redding, Miss Mason of Tahoka and J. W. Young, also Joe, Jeff and R. M. Ruran.

Mr. and Mrs. Jack Brown spent the week end in Lubbock county with relatives.

Mrs. Wright of Lubbock is spending a few days with her sister, Mrs. A. L. Waters.

Those visiting in Mr. and Mrs. G. B. Sterling's home last Sunday were: Mr. and Mrs. J. M. Trussell and family, Mr. and Mrs. H. C. Zorns and family.

Mrs. Leroy Fincher visited Mrs. A. L. Waters, Sunday.

J. T. Newsome visited Curtis Trussell, Sunday.

Miss Hazel Sterling of Lubbock

spent the week end with her parents, Mr. and Mrs. G. B. Sterling.

ANOTHER OLD TIMER PASSES

Mr. and Mrs. Ray Brownfield and Mr. and Mrs. B. L. Thompson of this city attended the funeral of Mrs. N. B. Hollan, 81, at Levelland last Saturday. Mrs. Hollan passed away at the home of her grandson, Fletcher Benbow, Levelland druggist, supposedly Friday morning, being found dead in her bed. Burial in Levelland cemetery.

Mr. and Mrs. Hollan were early settlers of Yoakum county, and were highly respected, living in what is now known as the Tokio section. Mr. and Mrs. Hollan had been married more than 64 years. For the last nine years, they have resided in Levelland.

Survivors other than her husband, are, Mrs. Jim Key, of Crane, who attended the funeral, two sons, one in the navy, and another somewhere in Kansas, neither of which could be reached and her grandson, Mr. Benbow.

Little Jackie Greenfield has been quite ill the past week.

BAPTIST CHURCH NEWS

Only 220 in the Bible study hour due in large measure to the sand storm which came just in time to prevent many from coming, but calmed down later and many others came on to preaching hour.

Good services for the day and a number of visitors were welcomed.

The B. T. U. group under Mr. Newman are growing in attendance and much more should be made of this teaching hour in the church, as many of the young, especially do not know the great doctrines of the Bible and this is the place to learn them as well as how to render service in the Kingdom.

The W. M. U. were entertained in a social hour Monday by the Annie Long circle with twenty-five women present. It was much enjoyed by all present.

The entire W. M. U. which should be all of the women of the church will meet at the church next Monday evening for business meeting and the beginning of the week of prayer held annually for the Home Mission work of Southern Baptist Convention. This week of prayer is held each evening next week except Thursday when all are expected to attend the association which meets at Meadow. A large attendance is desired at these meetings which will be interesting and informational as well as devotional.

The entire church is requested to join the women in prayer for the Home Mission work. Many do not know of the great work known as Home Mission's which employs missionaries in the South to the deaf, Italians, Chinese, French, Spanish, Indians, Negroes, Southern cities and Cuba. This week of study and prayer is followed by a church-wide offering to this great work of evangelization of the foreigners coming to our shores. If we do not make Christians of them they will no doubt heathenize many of the present generation and those coming on.

May next Sunday bring good weather and a large attendance to which visitors are always welcome.

—Church Reporter

Mr. and Mrs. Sam Houtchens attended a banquet in Big Spring last Saturday night given in honor of the representatives of the agents of the American National Life Insurance Co.

HARMONY

Mr. and Mrs. Geo. Long and little son, George Ross, visited Mr. Long's parents at Lakeview in Hall county the past week end. Mrs. J. F. Brigance and Mrs. John Hyles of our community are on the sick list this week.

We are glad to be able to report Mrs. John Garner, who had an operation two weeks ago at the local hospital improving.

Mr. and Mrs. Harvey Davis are moving on the farm which belongs to Mrs. Jesse Coe this week.

Mrs. T. E. Hobbs visited in the home of Mr. and Mrs. John Hyles Monday.

Miss Velma McMannis spent the week end visiting home folks at Lakeview.

Bro. Curtis Jackson spent Sunday afternoon visiting the sick of our community.

The Harmony Parent-Teacher Association will meet Friday night, February 24, at eight o'clock. An interesting program has been planned, one for "Founder's Day." A program "as told by candles." A play, "We Resolve," and other numbers. The Founder's Day cake will be an interesting feature of the hour.

Come and be with us. Everyone is invited. We don't charge for any P-T. A. program, you are welcome, whether you are a member or not.

We are happy to see those who have moved in to our community coming to Sunday school. We have a good Sunday school. Come and join us.

GOMEZ

Mr. and Mrs. W. G. Swain and daughter, Estella, Miss Louise Daugherty, visited relatives at Meadow, Sunday afternoon.

Mr. and Mrs. Otis Kelly of Brownfield and Miss Billie Jean Swain were guests in the H. N. Key home, Sunday.

Mr. and Mrs. Walter McNabb and son, Buster, of Southland, and Mrs. Eugene Draper of Need more were visitors in the Kenneth Furr home last week.

Mr. and Mrs. J. J. Whitley returned home Monday after a week's visit with relatives in several different parts of Oklahoma.

Those on the sick list are: Mr. D. A. Key, Sr., and R. A. Whitley. Mr. and Mrs. Kenneth Furr and children visited relatives in Post and Southland, Saturday.

Mr. and Mrs. Wayne Rutherford and children visited in the W. G. Moore home Sunday.

Mr. and Mrs. Robert Young spent Sunday with relatives at Tokio.

Don't forget to attend the Stunt Show and pie supper in the local school auditorium tonight, Friday, Feb. 24.

Mr. and Mrs. B. O. Black and children, Mrs. Cryme Black, Mr. F. F. Bozeman and daughters, were guests in the W. H. Black home Sunday.

Guests in the A. L. Tittle home Sunday were Messrs. and Messdames X. R. Banks and son, Douglas Buchanan and daughter, Arlie Larriemore of Etownfield.

Mr. and Mrs. W. H. Key and children, Mrs. A. W. Fore and children visited Mr. and Mrs. Geo. Black, Sunday afternoon.

Mr. and Mrs. Mayes Jenkins and children visited in the Waters home, Sunday.

Mr. and Mrs. W. G. Carter visited in the W. B. Burke home, Sunday afternoon.

Supt. X. R. Banks and the local Board of School Trustees made a trip to Lubbock, Tuesday afternoon in the interest of the local school.

You have a special invitation to attend services at the local Baptist church this week end; also W. M. U. meeting, Monday afternoon at 2:30 o'clock.

Misses Arma Dean Phillips, Geraldine Key, Lucille Walker, Jewell Decker, Eerie Mae Martin, Messrs. Ed Walker, Thurman Lacke, Gordon Walker, W. G. Walker, Milford Condra, Jewell Asquen, visited friends and relatives at Ropesville, Saturday evening.

Mr. and Mrs. Jno. R. Baggett and children visited Sunday in the Ed Newsom home.

Messrs. Raymond and Billy Green, Loyd and Royce Irvin, Bobbie Condra, Preston Draper and Roy Lacke were guests in the Lee Walker home Sunday.

Roy Collier, local mortician and funeral director, attended a meeting of the West Texas Funeral Directors Progressive Service convention, Wednesday at Amarillo. Roy said the meeting was fine and really instructive.

FOURSQUARE CHURCH

The revival comes to a close Sunday night, of which Rev. and Mrs. Warren Johnson have been doing the preaching, and gospel singing.

We have had a glorious revival thus far, many souls have been saved.

Come hear Rev. Johnson as he brings his final message, and as they sing the heart stirring songs. You are sure to enjoy them, if you have never been to the revival, come now.

Friday, 7:30, "The Super Natural in Christian Religion."

Saturday, 7:30, "A Night Visitor."

Sunday, 10 a. m., Sunday School.

Sunday, 11 a. m., Morning Worship. Subject, "Sanctification."

Sunday, 7:30, "Two Roads."

Come, bring your friends. Everybody welcome.

—Rev. Irene Lee

Fred Smith, manager of the Cicero Smith Lumber Co., attended FHA meetings held in Lubbock last week.

Spring is in the air despite the bitter cold the past few days. We note school boys playing "keeps" with marbles these days.

METHODIST CHURCH

Church school opens its session at 9:45 a. m. and closes at 10:50 a. m. For each there is a class, some place which suits your size and age. Join us at 9:45 a. m. sharp.

Public worship both morning and evening—11 a. m. and 7:30. At each hour every comfort within reach will be awarded and the warmest welcome be given.

MORNING WORSHIP will feature a large choir rendering well rehearsed and careful selected hymns. The pastor will deliver a sermon using as theme, "SHEEP HERDERS WANTED." The church of today—the modern church—stands sorely in need of an extra supply of tenders of the flock, herders of faith and loyalty. Here's where you can get a job.

EVENING WORSHIP comes on with a big sing—your favorite song may be sung if you request it. This features a young people's choir, and they sing with zest and enthusiasm. The pastor will de-

liver a sermon using as theme, "THE CHALLENGE OF THE LONG ROAD." Are people afraid of hardships? In fact, do our youth seek the easy way?

The Hi-League meets at 6:15 p. m. and the other—the Young People meet at 6:45 p. m. Many interesting things are in store for these groups. Last Sunday evening they had charge of the evening service in a most interesting program. If featured, for one thing, their explanation of THE YOUTH CRUSADE. In it was music and poems, song and prayers.

CARD OF THANKS

We thank our many old friends of Terry and Yoakum counties, who expressed words of sympathy or sent flowers upon the death and burial of our dearly beloved wife and mother at Levelland, last Friday. May God bless each of you, is our prayer.

N. B. (Dad) Hollan and family.

PANHANDLE-PLAINS IS SHIPPING BUTTER WEST

AMARILLO, Feb. 11. — The Panhandle-Plains dairy cow is helping to make—or break Hollywood figures and news.

From the Tri-State area centered at Plainview, and Portales, N. M., goes more than 2,000,000 pounds of butter yearly to the West Coast—almost the exclusive market for Panhandle-Plains butterfat.

Chances are the golden butter fat reluctantly rejected by Hollywood dieters, or the generous serving so liberally spread by moviedom's stouter eaters, came from the Plains Cooperative, Inc., which has plants at Plainview and Portales, and ships 95 per cent of its 2,000,000 pounds of butter to West Coast markets.

In addition to these creameries, plants at Lubbock ship 300,000 to 400,000 pounds to California.

Dr. M. C. Bell writes in from Quemado, New Mexico to tell us that he has been practically snow bound for the past 30 days. He will visit Brownfield soon, he states.

MAY SHIP SOON

SEAGRAVES — Movement to market of the 3,000 head of cattle in the pens here, being fed by Ray Brownfield of Brownfield, is expected to begin soon, possibly the last of February. Jim J. Williams is supervising the operations.

THE POPE IS DEAD

Pope Pious is dead. "Holy Unction" was administered to him, and members of the Roman Catholic church over the world are praying for his soul. It is not our purpose to condemn the Pope, nor to glorify him. To the 331 million Roman Catholic people he was Pope, the vicar of Christ, the head of their church. To us, he was Achilles Ratti, an Italian and a subject of Mussolini. To nature he was a human creature, having the same impulses and emotions as other human beings, and subject to the same weaknesses. Natural diseases preyed upon his mortality just as they do upon the beggar on the street. BUT the question is "How did he stand with God?" No doubt in our mind that the Pope was a great and good man, but when his eyes were closed in death, he stood before the all-seeing eye of God stripped of all earthly robes. His soul was naked before God just as plain-ly and as much alone as did the poor wanderer who died upon the RR right of way between Anton and Roundup one cold night a few years ago. And in spite of all the honors that men had conferred on him, Ratti was just as dependent on the grace of God as "the forgotten man." What men may say about us, or do for us, is very important to us while we stay here, but such things are unimportant to God. The old wanderer who dies an outcast out on the desert will have just as good an introduction to the glory

world as Achilles Ratti. Surely, "death will disrobe us all of what we here possess."—Anton News.

Johnson grass hay, sudan grass hay, and prairie grass hay are excellent roughages to go with the grains and protein supplements in fattening beef calves. Hays made from the small grains, oats, wheat, and barley, are also good roughages when cut in the dough stage.

Mrs. Percy Spencer of Austin, is here this week visiting her mother, Mrs. John L. Randal.

C. P. Buchanan dropped in Saturday for a nice chat. Says they are still boarding at home and sleeping at the same place out Tokio way.

Some local people had a card from G. W. Chisholm recently. He and wife are domiciled at Harlingen, Texas, and write that there are oranges ripening in their back yard. Strange how some folks try to punish their friends.

ALLRED IS 'VERY HAPPY' OVER CONFIRMATION

HOUSTON, Feb. 16. — Former Governor Allred Thursday expressed pleasure over his confirmation by the Senate as a federal judge in the Southern District of Texas.

"I am very happy, the new judge said.

The former Governor said he would take the oath of office as soon as the formal papers confirming him to the lifetime \$10,000 a year job are received here.

His first term of court probably will be held at Laredo, federal court attaches said, probably the last week of February.

PASSAGE COMPLETED FOR BILL FOR BIG SPRING HOSPITAL

AUSTIN, Feb. 16. — The legislature today completed passage of a bill appropriating \$199,916 to equip and begin operation of the new state insane hospital at Big Spring.

Action became final when both houses adopted a conference committee report on the bill.

The committee agreed on an \$8,750 appropriation for a water tower and \$750 for hogs and sheds.

AREA TEACHERS TO MEET IN LUBBOCK

LUBBOCK, Texas, Feb. 20 — More than 2,000 delegates from 24 counties in West Texas are expected to attend the West Texas Teachers Association meeting in Lubbock March 10 and 11, according to Mr. Hayes Holman, of Post, president of the association.

School teachers, trustees, superintendents, principals, and PTA officials and members are urged to attend the two Friday afternoon sessions. Beginning at 3 p. m. at the Lubbock high school auditorium there will be discussed the relationship of school trustees to superintendents, by Dr. Harris Cook of Canyon. At the same meeting, J. Slaughter of Post will discuss school finance and school legislation. Following these discussions there will be a general round table discussion for all attending the meeting.

The second meeting to be held that afternoon will also begin promptly at 3 p. m. at the high school. This will be a Safety Meeting. Every school superintendent and principal have been asked to appoint one or more representatives from their schools to attend this meeting. Also each PTA council has been requested to have representatives attend this group meeting. Carl J. Rutland, of the State Safety Association, will be the principal speaker.

Holman stated that in all probability all schools will dismiss Friday in order that teachers and officers may attend this annual convention.

MANY BELIEVE LIQUOR BOARD A NECESSITY

AUSTIN, Feb. 20. — Jeff Davis of Dallas, spokesman for the United Texas Drys, today joined other prominent Texans in support of the Liquor Control Board's policy of strict enforcement.

"The Liquor Control Board has done a fine job of enforcing our state liquor laws and it should be retained and its powers enlarged," Mr. Davis declared in a statement at Dallas. "If we are to have regulation in some counties in our state, we need an enforce-

ing agency to do the job of regulating.

"The expense of maintaining the Liquor Control Board is a small item in comparison with the services rendered. Fines assessed and illegal properties confiscated amount to almost as much as the cost of maintaining the Board."

Mr. Davis said his statement "expresses my personal views, as well as the views of the Executive Committee of United Texas Drys."

It followed similar statements by Mrs. Claude De Van Watts of Austin, president of the Texas Women's Christian Temperance Union, and former State Senator V. A. Collins, a dry leader for 30 years.

Mrs. De Van Watts said that "If those who oppose the Board investigated the splendid work it is doing they would know it is a necessity for enforcement of the law."

PNEUMONIA COLD WEATHER DISEASE

AUSTIN, Texas, Feb. 20. — "Pneumonia is a seasonal disease in that its incidence and mortality are much increased during wet, cold weather," according to Dr. Geo. W. Cox, State Health Officer. Last week 234 cases of pneumonia were reported to the State Health Department. The disease is most prevalent and serious in urban centers where contact with people is most frequent. Pneumonia is always dangerous but it is especially so to persons in a run-down condition. This accounts for the number of cases following illness from some other disease.

The germs that cause pneumonia are spread by careless coughers, sneezers, spitters and objects they thus infect. The first symptoms are usually a severe chill and fever, a very sick feeling, loss of appetite, rapid breathing and a heavy sensation in the chest. Sometimes coughing brings up blood from the inflamed lungs. Any of these symptoms should be the signal for going to bed at once and sending for your family doctor.

The rules and prevention of other respiratory diseases apply to pneumonia. These rules should become personal habits and not put on or off at times or prevalence or absence of disease. Persons should avoid careless coughers and sneezers even if it means rudeness. Wash your hands thoroughly before each meal. Keep your hands, pencils, money and such objects away from your mouth and nose. Get plenty of fresh air day and night. Exercise and eat in moderation and wear clothing suitable for the weather. Pneumonia ranks second as a cause of death in Texas. In 1938, 5,432 persons died of this disease. It should be remembered that contagious and infectious diseases cannot be decreased or eliminated without the cooperation of the people and this means the people who are sick with contagious and infectious diseases should be isolated and visited as little as possible by relatives and friends.

Bruce Knight, Harold Denton and Earl Denton attended a hardware convention in Big Spring, Sunday.

Legal Notice

Notice is hereby given that as of date February 20, 1939, the partnership business of I. A. Stephens and W. E. Latham doing business in the town of Brownfield, Terry County, Texas, under the firm name of Stephens-Latham Dry Goods was dissolved and that the said W. E. Latham purchased the interest of I. A. Stephens in said business, and the said W. E. Latham assumed the payment of all outstanding obligations of said partnership and also acquired all accounts and notes receivable owned by said partnership.

I Give You Texas

The little red schoolhouse versus the rich and powerful State University—these are the principals in a battle now raging for ownership of a tract of land which has produced millions of dollars in oil.

Arrayed with the University are numerous oil companies while on the side of the public schools, is R. L. York, well known West Texas rancher.

A great deal of criticism has been heaped on "vacancy-hunters," who have pictured as infesting Austin, waiting until land has become valuable, then pouncing on some little tract in the heart of an oil field with a suit in Austin to try to take it from the original settler.

But, whatever the situation may have been in other cases, the condition is exactly the reverse this time. Buck York belongs to those straight-shooting, hard-riding cattlemen who have built the West. He lives in Midland and has owned a ranch in Ector County for many years. The tract which he contends is a vacancy (unsold public school land) consists of 2,652 acres and adjoins his ranch.

It is true that the outgoing Land Commissioner, on Dec. 28, made an award in favor of York while a suit was then pending involving the land but it is also pointed out that York has been claiming there was a vacancy and has been trying to buy the land from the State for 10 years, long before there was a single oil well within miles. In the records is a copy of the appraisal made by a surveyor named by the Land Office in 1928 soon after York filed his application and his attorneys have a letter written in 1936 (under the administration of Commissioner J. H. Walker) stating, "The Land Office accepted and filed his (York's) application and field notes, and I might add that we have heretofore made awards under the same condition."

There are now 61 wells on the land but while they were being drilled, York visited the tract and told oil company representatives in effect, "You are drilling on my land."

In the Fall of 1937, Commissioner McDonald was holding an open hearing when a representative of

the State suggested the proceedings stop and he would file a stakeholders' suit in Ector County, not taking sides but letting the courts decide between the University and the public schools. York agreed but, instead, the case was filed in Austin, almost in the shadow of the University tower which stands higher than the State Capitol itself, and the suit sided with the University.

The constituted authorities have not hesitated to sue for the schools when an individual citizen has occupied an alleged vacancy for many years but, if there is a question as to whether the University is always favored—about the only exception being the action of Bill McDonald in awarding the vacancy to York (and thereby favoring the claim of the schools) after York felt that the agreement had not been lived up to and renewed his fight. Following the award, York filed a suit against the oil companies in Ector County where the land is.

And so on one side we have the University, one of the richest

institutions of higher learning in the world, paying its football coach \$15,000 a year and with 11,000 students; on the other side are the public schools with 50,000 teachers, some paid as little as \$65 a month, and with 1,500,000 students attending schools—in some instances that run as little as six months—because of the lack of funds.

Mr. and Mrs. Sawyer Graham visited in Clovis, N. M., over the week end.

Mrs. Kyle Graves and daughter, Miss Sharleer, were Lubbock visitors Friday.

A calf that is being fattened for beef will drink from five to ten gallons of water a day. Be sure that plenty of clean, fresh water is available at all times.

The most profitable way to use ordinary feed produced on the average cotton farm, or any other farm, is to fatten a calf for beef for home consumption.

Pleasant Valley

The teachers and pupils in the school enjoyed a Valentine box on Valentine Day. Several visitors were present to help make the box a success. A guessing game, in which everyone present guessed at the number of candy hearts in a fruit jar, was won by Rowland Greathouse and Vona Lee O'Neal.

Mr. and Mrs. Cecil O'Neal and family visited Mr. and Mrs. Willie Horner of Seagraves, Sunday.

Mr. and Mrs. Ray Moore visited Mr. and Mrs. C. W. Drake of Lubbock, Sunday.

Mr. and Mrs. Tirry Wood and little daughter, and Mr. Kirby Wood and children visited in the Kirkpatrick home at Challis, Sunday.

Mr. and Mrs. W. P. Forbes and sons, Harrol and Carrol visited Mrs. N. R. Marchbanks of Challis, Sunday.

Mr. and Mrs. Rosamond and son, Frank, and Mrs. Rosamond's sister, who is here visiting from

New Mexico, visited another sister Mrs. Ammons of Brownfield, Sunday.

The Pleasant Valley junior boy's basketball team won second place in the county tournament at Wellman last week. They lost their final game to Johnson.

Several people from this community were present at the tournament during Friday and Saturday.

Mr. and Mrs. J. R. Garrison of the Wellman section were in Wednesday and carried out a large brooder to take care of a large purchase of baby chicks from the Chisholm Hatchery. The Herald acknowledges with thanks an invitation to come out to their place and eat friend chicken. Will be seeing you.

Ray Swindle and Morris Green were given a surprise birthday dinner by their wives. Present were, Mr. and Mrs. Melvin Ray and daughter, Mr. and Mrs. Morris Green and two sons, Mr. and Mrs. Ray Swindle.

TEXAS IS OIL INDUSTRY'S LAUGH STOCK — SADLER

AUSTIN, Feb. 17. — Because other great oil producing states do not practice oil proration, a house legislative committee today had agreed that Texas' oil proration laws should be extended for only two more years from next August 31 when they expire.

"If these other states continue without proration," Rail Commissioner Jerry Sadler told the committee, "I'll be the first one to come in here, asking for some sort of law that will put us on a competitive basis with them."

While Sadler thought conservation was fundamentally sound, he added that "Texas was the laughing stock of all the oil states. They say, 'Texas is throttled down, so we can go ahead and produce all we want to'."

SMALLPOX CAN BE ELIMINATED

AUSTIN, Texas, Jan. 30. — Smallpox can be eliminated as a cause of illness and death if every person would be vaccinated against his disease at least every five years, declared Dr. Geo. W. Cox, state Health Officer. There were over 600 cases of smallpox reported to the State Health Department in 1933.

Smallpox occurs most frequently among young children under 4 years of age. The incubation period averages from 8 to 14 days and the disease begins suddenly with a severe headache and a high fever. The severe headache and the intense pain in the loins, back and extremities are more characteristic of smallpox than of any other disease occurring in temperate climates. At the end of 4 days of these preliminary symptoms,

an eruption appears which, within a few hours becomes distinctly raised above the general level of the skin. With the appearance of the eruption the fever subsides and the patient becomes more comfortable. In contradistinction to chickenpox, the eruption does not occur in crops, but goes through its development in a characteristic fashion nearly simultaneously all over the body.

Every community is in a position to determine the amount of smallpox it wishes to have. Vaccination against the disease is economical, safe and sure and affords complete protection. Smallpox stands as one disease which science has brought completely within human control, and the state Health Department's advice is to be vaccinated immediately if you have not been vaccinated within the last five years.

TEXAS RANKS SIXTH IN NUMBER OF WILD GAME ANIMALS IN 1937

Texas with 303,000 game animals, ranked sixth in the United States in the number of wild game animals in 1937 according to a report issued by the U. S. Wild Life Big Game bureau of the biological survey.

Michigan with 878,000 animal heads the list. Other high rankings were Pennsylvania, 796,000; California, 482,000; Minnesota 345,000; Wisconsin, 326,000; Oregon, 210,000; Colorado, 204,000; Utah, 174,000; Idaho, 157,000; New York, 151,000; New Mexico 143,000; Montana, 143,000.

Lewis & Jones, Phillips Service Station proprietors on Highway 51, announce they have discontinued their creamery business, in order to devote more time to their service station.

Among a gathering of ladies this week the conversation turned to pet peeves and chief among these were the lose paper that it put out to blow around and catch on the shrubbery and low fences. It would be such an easy matter to burn all your trash and it would help the looks of Brownfield to have clean yards. It not only makes the yards hard to keep but makes for one of the greatest fire hazards we have. Only last week a very serious fire was averted when trash was put to burn in the open, during one of the sandstorms. The burning trash blowing to other waste paper. Adequate trash burners should be provided so when the wind is too high to burn the refuse it can be taken care of in a way it will not be allowed to blow around on your neighbor.

MAIDS AND MATRONS CLUB

The Maids and Matrons Club met with Mrs. A. J. Stricklin, Tuesday, Feb. 21. The lesson was "Texas" and some instructive talks were made by Misses Gertrude Rasco, Jewel Edwards and Mrs. Joe J. McGowan.

The club was happy to have Mrs. Percy Spencer of Austin, Texas, a former club member as a guest. She gave a very interesting word picture of the Texas Federations of Clubs club house at Austin, also of the Elizabeth Ney Museum.

The hostess served a refreshment plate of salad, cherry pies and spiced tea to guests: Mrs. Percy Spencer, and Mrs. Bob Bowers and club members: Mesdames Brownfield, Bailey, Bell, McGowan, Jacobson, Moore, Perry, Price, Randal, Nicholson, Tarpley, Smith, Telford, Turner, Wingerd and Misses Fitzgerald, Sloan, Edwards and Rasco.

The club enjoyed group singing of familiar cowboy songs in keeping with the program "Texas," Mrs. Wingerd playing the accompaniment.

MUSIC CLUB

Motifs of St. Valentine's Day were in evidence in decorations and refreshment plates, when Mesdames Hendrix and Walker were hostesses to the Cen-Tex Harmony club, Tuesday at 4 p. m. in the entertaining rooms of the Methodist church.

Lovely pot plants added beauty and pleasure for the guests on this, the third birthday of the club.

Mrs. D. P. Carter led the delightful program as follows:

Story of Ligeance and his famous piano solo, "By the Waters of Minnetonka."

Story of Oley Speaks and his composition, "On the Road to Mandalay." Mrs. R. A. Brown.

Cadman's early life and his "At Dawning," Mesdames Jacobson and Tarpley.

The hostesses served delicious plates to Mesdames Basil Webb, E. D. Jones, W. H. Dallas, W. A. Bell, Redford Smith, Money Price, L. Nicholson, Mon Telford, M. G. Tarpley, M. E. Jacobson, Fred Seale, R. B. Parish, L. M. Wingerd, Robert Brown, D. P. Carter, and Misses Brown and Fields.

The South Plains Federated Music Clubs, of which Cen-Tex is a part, is being entertained by the Levelland musicians, March 4.

DISTRICT DOCTORS TO MEET IN BIG SPRING

The first spring meeting of District One Public Health Association will be held in Big Spring March 3rd, according to word just received from Doctor Geo. W. Cox, State Health Officer. The session will be held in the City Auditorium.

Speakers of State-wide prominence will be on the program and will discuss syphilis, undulant fever, tuberculosis, housing and other subjects of a public health nature. The public is urged to attend this meeting and are assured of a hearty welcome.

Some of those appearing on the program are—the State Health Officer, Austin; Doctor C. J. Koerth, San Antonio; Doctor T. D. Young, Roscoe; E. V. Spence, Big Spring; Mrs. R. O. Pearson, Haskell; Hon. Alvin R. Allison, Levelland, and Hon. C. L. Harris.

E. Arvayn of Arvayn Dry Goods has been in the Dallas markets the past week making extensive purchases for his store. New goods are already arriving.

American Boy Magazine Companion to Thousands

Hundreds of thousands of boys and young men read THE AMERICAN BOY Magazine every month and consider it more as a living companion than as a magazine.

"It's as much a buddy to me as my neighborhood chum," writes one high school senior. "THE AMERICAN BOY seems to understand a boy's problems and considers them in such a sympathetic and helpful way. It gives advice and entertaining reading on every subject in which a young fellow is interested. It is particularly helpful in sports. I made our school basketball team because of playing tips I read in THE AMERICAN BOY."

Many famous athletes in all sports credit much of their success to helpful suggestions received from sports articles carried in THE AMERICAN BOY Magazine. Virtually every issue offers advice from a famous coach or player. Football, basketball, track, tennis, in fact every major sport is covered in fiction and fact articles.

Teachers, librarians, parents and leaders of boys clubs also recommend THE AMERICAN BOY enthusiastically. They have found that as a general rule regular readers of THE AMERICAN BOY advance more rapidly and develop more worthwhile characteristics than do boys who do not read it.

Trained writers and artists, famous coaches and athletes, explorers, scientists and men successful in business and industry join with an experienced staff to produce in THE AMERICAN BOY, the sort of reading matter boys like best.

THE AMERICAN BOY sells on most newsstands at 15c a copy. Subscription prices are \$1.50 for one year or \$3.00 for three years. Foreign rates 50c a year extra. To subscribe simply send your name, address and remittance direct to THE AMERICAN BOY, 7430 Second Blvd., Detroit, Michigan. 28tfc

SHOWER FOR RECENT BRIDE

A lovely miscellaneous shower in the form of a come and go tea was given Mrs. Paul Goodman at the home of Mrs. Clyde Cave, between the hours of 2 and 5 p. m., Tuesday, with Mrs. W. B. Downing and Mrs. Roy Herod co-hostesses with Mrs. Cave.

The Cave home was beautiful with its decorations of pink sweet peas, candy puff and fern.

Mrs. E. A. Lowe, mother of the bride greeted guests as they arrive, assisted in receiving by Misses Earlene and Evelyn Jones, Irma Smith and Jane Brownfield.

The tea table was lovely with its Normandie lace cover, floral centerpiece and lighted tapers. The handsome tea services at each end of the table were presided over by Mrs. E. B. Thomas and Mrs. R. M. Kendrick. An array of beautiful and useful gifts were received by the popular young honoree. Forty guests called during the afternoon.

MEDICAL SOCIETY AND AUXILIARY MET

The Tri-County Medical Society and Auxiliary met on Tuesday night, Feb. 14th, with dinner at the Wines Hotel.

Among those attending were Dr. Bradford, Dr. and Mrs. Davidson of Seagraves; Dr. and Mrs. Bennett of Lamesa; Dr. and Mrs. E. C. Davis, Dr. and Mrs. M. E. Jacobson, Dr. and Mrs. Jno. R. Turner, and Dr. Daniel of Brownfield.

LIEUTENANT BANKS VISITS HOME FOLKS

Lieutenant Wilson Banks visited the past week in the home of his parents, Mr. and Mrs. W. F. Banks.

Mr. Banks is a graduate of Kelley Field Aviation Corps., and has been made a Lieutenant, and will be stationed at Langley Field, Virginia. He left Sunday for Virginia.

Mr. and Mrs. Jack Bailey accompanied by Miss Bessie Thompson and Troy Noel of this city, and Miss Virginia Sanford of Tahoka, spent the week end in Midland, the guests of Ralph Bailey.

DOUBLE WEDDING

Rites were read in Lovington, N. M., on Saturday evening, Feb. 18, that united in marriage Miss Edna Bell Earnest and Mr. Rayburn Hudson; Miss Loraine Smith and Mr. Harold Stockton, all of the Gomez community. Mr. and Mrs. Rayburn Hudson both came of highly respected pioneer families, of this community, and received most of their education in the local schools.

Miss Loraine Smith is the charming daughter of Mr. and Mrs. John R. Smith, who moved from this community recently to the Harmony community. She is an ex-student of the local schools. Mr. Harold Stockton is the son of Mr. and Mrs. Maynard Stockton, of Riverside, Calif. However Harold has made this community his home the past several years.

Mr. and Mrs. Hudson will make their home in Plains, while Mr. and Mrs. Stockton will continue to reside in this community. We join with the entire community and their best friends in extending to these fine young couples best wishes for many years, chucked full of connubial happiness.—Reporter.

BIRTHDAY PARTY

Mrs. M. E. Jacobson honored her little daughters with a party on Monday afternoon, February 20, in honor of their birthdays which occur very close together. The little Misses, Eileen and Althea Jacobson, assisted their mother in receiving the guests, including: Ronnie Daniel, Sharleen Daniel, Bobby Latham, Major and Ronnie Graham, Jack Taylor Stricklin, Sandra Bailey, Frieda Ann Anthony, Frances Buchanan, Joan Cave, and Earl C. Davis. Gienna Fay Winston, Johnnie Winston, John and Betty Holmes.

Two birthday cakes centered the dining table, one white with tiny pink flowers and candles, the other pink with blue candles.

Dainty cakes and dice cream was served, and the little guests departed wishing both little girls many happy returns.

BIRTHDAY PARTY

Little Jack Taylor Stricklin was the tiny host to a large group of little friends on the afternoon of February 14, at the home of his grandparents, Mr. and Mrs. A. J. Stricklin, Sr.

Many lovely gifts were presented the little honoree. Youthful games occupied the afternoon and at serving time a beautiful birthday cake was cut and served with ice cream to the following little guests: Billie Mac Herod, Sandra Bailey, Robert Heath, Gloria Smith, Herby Kendrick, Earl C. Davis, Jr., Ronnie Daniel, Graves Nelson, Frieda Ann Anthony, Vance Glover, James Dell Eicke, Janie Mason.

First Lady Speaks at H-SU On March 10

Mrs. Franklin D. Roosevelt, America's First Lady, is coming to Texas on her spring lecture tour, proceeds from which she devotes to favorite charities. On March 10, at the Hardin-Simmons University auditorium, in Abilene, Mrs. Roosevelt will tell of "A Day at the White House."

TERRY COUNTY PEOPLE ATTEND LUBBOCK MEETING

Miss Edgar Ellen Wilson, Second Assistant State Superintendent in charge of elementary education in Texas spoke to the teachers, members of district boards and county boards in the auditorium of the engineering building of Texas Tech at Lubbock, Tuesday night. Miss Wilson gave a resume of legislative concerning schools and then discussed the subject of standardized schools thoroughly.

Those who helped her were made to realize the value of a standardized school and if they had a standardized school already they were caused to place a much greater value on it than before.

There are eight standardized schools in Terry county and five of the eight were represented at the meeting. Those attending besides County Supt. Lee Fulton and Mrs. Fulton were Emmett Smith and Mrs. Smith and J. O. Wheatley of the County Board of Trustees.

From Tokio, Mr. Paul Peacock of the teaching staff and J. A. Parks, Vernon Barret, Roy Taylor and E. S. Bandy of the local board of trustees. From Harmony, Mr. C. A. Wilhite and Mrs. Wilhite and Miss Velma McManis and John Garner, T. G. Sexton and L. M. Long of their local board. From Foster, Mr. E. E. Pierce of the teaching staff and E. V. George, C. W. Sanders and Otis Lewis of their local board. From Gomez, Mr. X. R. Banks of the teaching staff and W. H. Key represented their board of trustees.

Billy Tabor of the teaching force at Johnson represented them.

FIRST PRESBYTERIAN CHURCH

Fred A. Walker, Pastor

Sunday School, 10:00 o'clock. Morning Worship, 11:00 o'clock. Senior C. E., 6:30 o'clock. Night Service, 7:30 o'clock.

A special effort is being made to increase attendance at Sunday School. Eight new pupils were present last Sunday. Let every one be in his place next Sunday so that we may have the largest number present so far this year.

At the morning worship hour the pastor will preach on, "The Question of the Ages," Job 14:14. The topic for the night service is, "Paul and the Storms of Life," based on the 27th chapter of Acts. You are invited to worship with us.

TECH JOURNALISM STUDENTS TO APPEAR AT PRESS MEET

LUBBOCK, Texas, Feb. 21 — Two journalism students from Texas Tech will appear on the program of the Panhandle Press association meeting in Amarillo April 14 and 15, as a part of the Youth section Saturday morning. Earl Braly of Eastland will speak on "What the Cub Sees in Selling Advertising," and Jack Henly of Lubbock will tell "What the Cub Gets from Journalism Courses." Henly is editor of The Toreador college semi-weekly newspaper.

Invitation to appear on the program of the thirtieth annual convention came from Clyde W. Warwick, secretary of the association and editor of the Canyon News.

Rev. W. R. Mann of Midland was a visitor in Brownfield last Tuesday. Mr. Mann formerly preached at the First Presbyterian church here, supplying once each month, and a large number of friends were glad to see him again.

Rev. F. A. Walker was a visitor in Abilene last Friday where he attended a meeting of the Presbytery of Abilene, which is the governing body for the Presbyterian churches in this section of West Texas.

TECH FOURTH IN FLOWER JUDGING

LUBBOCK, Texas, Feb. 21 — Texas Tech's flower judging team placed fourth in a contest at the National Flower show in Houston early this week. Standing of entrants is as follows: Ohio State college, first; Louisiana State college and Cornell university, tied for second; University of Illinois, third; Texas Tech, fourth; University of Mississippi, fifth; University of Oklahoma, sixth; and University of Pennsylvania, 7th.

Members of the Tech team are: Virginia Westbrook of Cleburne; Fred Day of Plainview; Herman Reeves of Munday; and Jack Jones of Newcastle. O. B. Howell, horticulture professor, coaches the team.

Mrs. Joe Patterson spent the week end in Denison, Prosper and Ryan, Okla. She was accompanied by her mother, Mrs. A. K. Cocanougher of Sudan and sisters, Mrs. Gene West and baby of Levelland, Mrs. J. C. Turner of Idalou and sister-in-law, Mrs. John Cocanougher of Crosbyton.

Dr. A. H. Daniel attended a medical meeting in Big Spring Saturday night. He was accompanied by James Harley Dallas, Dudley Repp and Dick McDuffie.

Mrs. Fred Youree and daughter of Monahans, Texas, are here the guests of her sister, Mrs. Dick McDuffie.

PAPER MADE FROM EAST TEXAS PINE IS FED INTO PRESSES

DALLAS, Feb. 17. — Paper made from East Texas pine was fed into the presses of the Dallas Morning News last night—a forerunner of the Texas newsprint industry.

The East Texas pine paper takes print well, has a good tear—the printers test for strength—and is whiter than the west coast Canadian pulp on which all the News was printed except 2,500 special pages.

The paper came from a car-load of loblolly and slash pine from the forest that will feed the Texas newsprint plant at Lufkin. Shipped east to the Herty Foundation laboratories at Savannah, it was subject to a series of laboratory tests.

Mr. and Mrs. Gordon Alexander came in this week from Longview, Texas, after their household goods. Mr. Alexander is a former employee of Collins dry goods and Mrs. Alexander of Cave's variety store. Their many friends wish them happiness in their new home.

Mr. and Mrs. D. P. Carter, accompanied by their son, Ralph, are in Fort Worth this week on business.

Billie Joe McGowan was able to re-enter Tech this week after a three weeks absence following appendectomy.

ASK YOUR DOCTOR!

He'll tell you that it is most important that you take his prescription to a druggist whose main business is prescriptions and drugs. Only in this way can you be absolutely sure that his instructions have been followed accurately, skillfully, quickly.

Professional accuracy in compounding prescriptions is just as vital as the doctor's conscientious work.

NOBODY'S BUSINESS

By Julian Capers, Jr.

AUSTIN — A quick funeral, with few mourners, was being prepared this week for the O'Daniel transaction tax scheme, as the House committee on taxation and revenue, finished with its public hearings on the Townsend-inspired plan submitted by the Governor, prepared to take up sales tax and natural resources bills, in the order named.

By common consent, it was agreed the transaction tax got nowhere at the hearings. Its only backers were a motley crew of men, women and children, numbering about 200, who were herded together by professional pension advocates, and marched to the capitol carrying banners. Half a dozen Townsendite professional organizers, and promoters of rival pension organizations, appeared and endorsed the O'Daniel bill. Most of them admitted they had never read it.

Meanwhile, under way in both houses was a movement by conservative leaders, to get at the social security program sensibly, by enacting legislation liberalizing the pension law somewhat, and defining "need" in definite

terms. Then, accurate estimates will be made to determine the cost of pensions and other phases of social security. The next step will be, if the plan of this group works out, to attack the problem of raising whatever additional revenue is needed, but with definite knowledge of how much. Efforts also were scheduled to combine the social security program with a better governmental set up. Some leaders were hopeful of divorcing specific functions, such as pensions, from a certain individual tax sources, and getting all but the constitutional allocations of income into a general fund, from which appropriations would be made to each governmental department or function. That is an ambitious program, but one on which the governor and many legislators are thoroughly agreed. So there is some hope of achievement.

Progress Is Being Made

Despite disagreement between the solons and the governor over appointments, evidenced when six East Texas Senators spent a morning rapping vigorously the nomination of J. C. Hunter of Abilene, as highway commissioner, and other minor issues, both houses are showing a willingness to work with the Governor on constructive matters, and virtually every such suggestion made by O'Daniel has received ready cooperation in the Legislative halls. Evidences are O'Daniel's recommendation for a better budgetary system, for an auditor controlled by the Legislature, for elimination of the Tax Commissioners' office, and similar recommendations.

Led by Will Pace, spokesman for the East Texas group, six senators voiced their opposition to naming Hunter or any other West Texan to the Highway Commission. They included Joe Hill, Clay Cotten, John Redditt, Allen Shivers and Gordon Burns. Confirmation of Hunter—not because of any question of his integrity or ability, but because the East Texas group seeks to preserve the geographical division of the commission which has been in effect ever since it was created—seemed doubtful at the week end. Pace and Redditt related a hotel conference to which they were asked by Carr P. Collins, rejected highway commission nominee, a few days previous to the nomination of Hunter. They declared Collins urged them to reconsider his own nomination, and threatened that if they did not, "they would get a man from West Texas." The Senate fiercely resents any attempt by an outsider to dictate to or intimidate its members, and Collins' threat may

cause rejection of Hunter.

Diversion Grab Rapped

The scheme of some County Judges to divert gasoline tax money to pay off millions of "dead horse" county lateral road bonds, scheduled for a showdown this week, was given a severe setback when Thomas E. McDonald, chief of the U. S. Bureau of Good Roads, wired Alfred Petsch, opponent of the bill that the diversion contemplated by the bill would draw a penalty of \$4,000,000 which would be withheld from the State's federal highway allocation of about \$12,250,000 annually. The bill is being actively opposed by the Texas Good Roads Association, headed by Lowry Martin, Corsicana publishers, and the Federal ruling was regarded as its probable death knell, as numerous members of both houses expressed an unwillingness to do anything that would jeopardize the State's allocation of Federal road-building money.

Lobby gossip in Austin credited certain bond speculators as being the real behind-the-scenes backers of the measure. It was asserted they have bought up millions of dollars of depreciated county bonds, well in advance of the session, and that they already have made substantial profits as prices of many county bonds have gone up on the prospect of the State's credit backing them, as provided in the bill. Unfair distribution of the benefits, is shown by an analysis proving that 28 counties would get 56 per cent of the benefit, while ten counties would receive none at all and all of the remaining 216 counties only 44 per cent.

Mexican Oil Seizure Rapped

Charging that the Mexican government is threatening the Texas oil market by bartering oil from seized American and British wells to Germany and Italy, and by shipping oil into Texas, a resolution by Rep. Travis Dean, urging the Federal Government to insist upon fair and prompt payment of the seized oil properties, quickly passed the House this week. Dean also is author of a bill to tax all oil imported into Texas from other states or foreign countries, where a severance tax of less than that charged in Texas, has been paid at the point of origin. This bill also is intended to halt the flow of Mexican oil into Texas, where much of it has been processed and re-exported in recent months.

Thompson Gets Praise

Editorial and personal commendation for Col. Ernest Thompson, Rail Commissioner, for his statesmanlike address on "Freedom of the Press" before the recent meeting of the Texas Press Association continued to reach Austin this week. Thompson pro-

tested "one-sided presentation of public questions" over the radio. Meanwhile, he has gone East to aid numerous Texas commercial and civic groups who are waging a battle there to equalize freight rates and remove discrimination against the Southwest in present rate structures. Both House and Senate have passed resolutions, calling upon the Federal government to give Texas relief from discriminatory freight rates.

We received a card from L. B. Brazelton, who is taking treatment at Sweetwater, states that he is doing nicely, and getting better each day.

Arrangements are being made to pay practically all depositors one hundred per cent on the dollar by the liquidators of the Merkel State Bank, which closed its door Feb. 3, this year. This is the 15th bank in Texas to close since the guarantee law went into effect.

Mr. H. P. French, Jr., of the Tokio community has entered Draughon's Business College, Abilene, for a course in Secretarial Training.

Those boys that are clinging to the tower and reservoir 100 feet and more from the ground, are welcome to the job, so far as we are concerned.

A FINE OLD CITIZEN GONE

In the passing of E. L. Duke, February 16th, the county and city loses a fine citizen, and the children a loving and indulgent father. Mr. Duke who was 84 years of age at his death, had been in poor health for the past several years, being almost blind. His wife died last year. Mr. Duke came to Terry county with his family 30 years ago, and have made their home almost continuously since. He served the county as commissioner back in the teens, as well as Justice of the Peace. If he ever had an enemy, we never heard of it. The Duke home was always open for visiting friends and they were always welcome.

Mr. Duke organized the first Baptist Sunday School in Brownfield.

Funeral services were conducted last Friday at 2:30 p. m. at the Baptist church, the pastor, Rev. Avery Rodgers officiating. The body was then taken in charge by the Masonic fraternity, and burial was had according to their ritual. The body rests beside that of his loving wife in the Brownfield cemetery. Brownfield Funeral Home in charge of arrangements.

Survivors are, Walter Duke, of Lubbock; Alvin of California; Dewey of Datil, N. M.; Mrs. Jake Johnston, of Mobina, Calif.; Mrs. Arch Fowler, city; Mrs. Henry Pulliam, Tahoka, and Mrs. Scott Walker of the Meadow section.

Inter'lactic. League Dates Are Set

In a meeting of the Executive Committee of the Interscholastic League in the County Judges office on Wednesday evening, February 15, dates for the League events were designated as follows:

March 18, Classes A and tennis, and class C track, tennis. All division to be held at Meadow.

March 25, Class C tennis and classes A and B track events.

March 31 and April 1, all literary events, beginning on Friday evening of March 31st, and continuing through Saturday, April 1st.

April 8th, Playground ball, all divisions.

The foregoing mention dates were designated as being tentative if conflicts arise. With Director General, X. R. Banks being delegated the authority to change any or all of the original named dates if necessary, and thus to notify all concerned of any changes that he sees fit to make.

It was voted to finance the Interscholastic League this year by assessing each school of the county 3c per scholastic enumerated—the net census including transfers. It was left to the option of the individual schools as to how this apportionment or assessment will be raised, but the money must be in the hands of the League on or prior to March 15, 1939.

Director General, X. R. Banks was delegated the authority to contact Mr. Earl Jones, proprietor of the theatres, and to arrange for picture shows with a percentage of the proceeds going to the schools that care to avail themselves of the opportunity to raise a part or all of their assessment by seeing a good movie.

It was, also, voted to make awards in the Interscholastic League events as follows: First, second and third place. Winners in single events be given ribbons; pennants be given all first place winners in team events, and for singles in tennis.

It was further voted to change the dead line date for making entries in all events dated January 15th in the "Constitution and Rules," to March 1st, provided that Meadow does not object. Meadow being the only school in the county having her entries in by the time as set forth in the "Constitution and Rules."

Mrs. J. A. Nelson is doing nicely following surgery at the local hospital last week.

Still Coughing?

No matter how many medicines you have tried for your common cough, chest cold, or bronchial irritation, you may get relief now with Creomulsion. Serious trouble may be brewing and you cannot afford to take a chance with any remedy less potent than Creomulsion, which goes right to the seat of the trouble and aids nature to soothe and heal the inflamed mucous membranes and to loosen and expel germ-laden phlegm.

Even if other remedies have failed, don't be discouraged, try Creomulsion. Your druggist is authorized to refund your money if you are not thoroughly satisfied with the benefits obtained. Creomulsion is one word, ask for it plainly, see that the name on the bottle is Creomulsion, and you'll get the genuine product and the relief you want. (Adv.)

Mr. and Mrs. Aaron Morris, Perk Marshal and Donald Bookout attended the show in Brownfield, Sunday night.

Mrs. Bert Bartlett and her father visited home folks in Canyon last week end.

"Behind the Scenes In American Business"

NEW YORK, Feb. 20 — BUSINESS — Retail merchants handling general merchandise in rural areas during January achieved a sales volume which the Department of Commerce said was the highest ever recorded for that month. Undoubtedly the increase from December in cash income of farmers was a contributing factor, as was the less-than-seasonal decline in factory employment and payrolls. With industry decentralizing away from big cities, purchasing power of factory workers has a stronger influence on rural retail business. Looking ahead, observers of the economic scene foresee a slight decline in retail prices and other tobacco products a year from now. Having voted last fall for removal of compulsory crop restrictions, planters already are preparing more acreage for tobacco.

RETAIL NEWS — More persons make a living in retailing than in any other business and when a court decision on a retail question comes along, it creates a great deal of talk and speculation on the part of both shopkeepers and their customers. Such a wave of conversation is now sweeping the East following the decision a few days ago by the N. J. Supreme Court recognizing the right of consumers in legislation which affects the market basket and tends to increase the cost of living. The court ruled as illegal taxes imposed on self-service markets by seven N. J. municipalities. Attorneys and merchants view the decision as probably setting a precedent upon which courts in other states will act in settling similar cases, and in cases involving discriminatory taxes on chain stores.

On the other hand, customers—and especially the women—are taking note of the fact that from the time the taxes were enacted until they were ruled out by the court, the brunt of a wide-spread public campaign against them was carried on by embattled housewives, who, to oppose them, banded together to form Emergency Consumer Tax Councils in 328 communities. Their war cry that taxes on retail stores impose an unbearable burden upon consumers was substantiated in the court's opinion which said that a "community may not require its residents to forego any economy they can wisely exercise. A municipality cannot confiscate the property of one merchant because he offers his merchandise for sale in one manner rather than another," adding that freedom of enterprise produces consumers' benefits, and low price merchandising increases sales, thus aiding production and employment.

CARD OF THANKS

We wish to thank our many friends and neighbors for their kind deeds and comforting words extended us during the illness and death of our dear father, E. L. Duke. May God bless each of you.

Rev. J. E. Anderson, of Plains, was a visitor in Brownfield, Monday. He tells us the oil wells are getting closer to Plains.

Cub Pack to Begin

Cub Pack number 45, the junior program of the Boy Scouts of America, will get under way on Tuesday, Feb. 28th at 4 o'clock at the high school.

All boys who are nine, ten, or eleven years of age are eligible to become members and enjoy the fun and activities of this boy's group. All boys who want to join are urged to be present and all mothers of such boys are also urged to come to this first meeting and see how the group meetings are conducted.

Sen. Connally Moves To Adjust Rates

WASHINGTON, D. C., Feb. 20.— "I have today introduced in the Senate a bill seeking to correct the inequalities and discriminations in freight rates in Texas and the Southwestern territory," United States Senator Tom Connally of Texas announced here this afternoon.

Explaining the action, Senator Connally said: "The act seeks to remove the differentials which operate to increase the rates in that territory. 'The bill makes it unlawful for any carrier to make any unreasonable preference or advantage to any shipper or to any transit point, region, territory, sub-region or sub-territory, or to subject any particular shipper or region or territory to any undue or unreasonable prejudice or disadvantage in any respect whatever. It also provides that the Interstate Commerce Commission shall investigate and determine the inequalities in freight rates between different sections of the United States where different freight rate levels have heretofore prevailed and shall remove such inequalities, and the Commission shall further investigate to determine the extent to which free movement of the traffic involved in such investigation will be promoted or encouraged by removing such inequalities between interterritorial rates and rates upon the same classes of traffic in a lower rate territory. It further provides that the Commission shall readjust the rates so as to eliminate any inequalities which may be found to exist."

"The purpose of the bill," Senator Connally said, "is to remove the gross discriminations and inequalities in the matter of rates which burden freight and commerce in the Southwest and in some other areas. The Committee on Interstate Commerce of the Senate will begin hearings on February 27th on a number of similar bills, all having in mind the same objective. It is our purpose to thoroughly examine all of these measures and endeavor to work out one upon which all can unite and make a concerted drive for its enactment."

Another very cold northeast barged down on us Monday, sending old mercury to the floor for the count. Personally, however, if we can manage to keep connected with the gas line, we'd rather see cold weather in winter than to have it in late spring.

SUNDAY and MONDAY
Ken Murray, Johnny Downs and Eddie Quillan
"Swing Sister, Swing"

NOTE: Next week your monthly Rialto Calendars for March will be out. It will be to your interest to keep one handy and to know what is showing each day. If you are called and can tell us what is showing, it will mean a pass to you.

on the gain shown by each group. The farm is located three miles south of town.

Mr. and Mrs. Cam Sears were in Saturday shopping. Cam is still as pretty as ever.
