Terry Co. Actually Has An Oil Well--Jacobson No. 1, N.W. Terry Has 750 Feet Oil in Hole

5 Seriously Injured In Auto Wreck

George Whisenhunt of West Terry and Mrs. Ratcliffe and three daughters of Yoakum county, were all seriously injured Tuesday morning early as they were going west on highway 380 at the Caliche hill near the home of Mr. Stewart a few miles east of Tokio. Mr. Whisenhunt and one of the girls may not recover, according to information given a reporter at the local hospital.

Sheriff Ches Gore said that apparently a front tire had blown out as they went down the hill, and that in turning over a rear tire also blew out. It is not known how long all five lay injured before one of the girls recovered consciousness enough to go for help. A Brownfield Funeral Home ambulance went after the injured party.

Mr. Whisenhunt seems to be badly injured internally, as well as one of the girls whose chances for recovery are slim. Mrs. Ratcliffe has a badly broken leg, and all are badly bruised. The three girls ranged in age from 14 to 18, according to Sheriff Gore.

Good Fruit Crop Still In Sight

If there are no more freezes, and it is getting rather late here for a killing freeze, and if there are not any widespread hails, and if there is not too much dry weather, Terry county stands a good shot of having the best fruit crop in several years, considering the number of orchards we have.

On a lot of farms that once had sizable orchards, the trees have been allowed to die without replacements, and we seriously doubt if there are more fruit trees here now than there was twenty years ago. At that time many had from 2 to 10 acres in orchard.

There is but one good peach crop here in every five years, though seedling stock will average some better. But there are not many years that there are no apples, and the harder varieties of plums are perhaps the surest crops of all; also grapes.

But even if there is not one crop in five years, generally speaking, a few acres in orchards will produce sufficient fruit that year to last the average family five years if put up in cans or evaporated.

Twenty-Nine Teachers Elected Monday Night

Twenty-nine of the Brownfield school faculty were re-elected at a meeting of the Board, Monday night, according to E. G. Akers, secretary of the Board. Some were not re-elected, and perhaps some of those who were will not accept, so there will be quite a few vacancies to fill. The following were re-elected:

Supt. Emmitt Smith, Vernon Brewer, Aubra Nooncaster, W. H. McBrayer, Vivian Murphy, Nolan Tipps, Johnny Bost, Marietta Montgomery, Phillip James, Mrs. Mary Alice McCook, Jewell Edwards, Lynn Daugherty, Elmo Cook, Thomas Neely, Ona Faye Tittle, Irene Adams, W. M. Vernon, Mrs. Alta Mae Smith, Mrs. Mozelle Fitzgerald, Mrs. Cora P. Bruce, Viola Maude Brown, Mrs. Francis Brewer, Mrs. Jewell Rentfro, Mrs. Wynona Newman, Mrs. J. B. Patterson, Mrs. Edna Mae Bost, Mrs. Corda Mae Cates, Mrs. Mary Josephine Lee, Mrs. B. C. Hackney, Elmer Brownlee.

To The Voters of the 106th Judicial District

In making a formal announcement for the office of District Attorney I believe the voters are entitled to know something of the personal history of one seeking this important office.

I was reared on a farm in Hopkins County, Texas, and will be 33 years of age August 3rd. Thus far I have fought my own battles, having worked my way through

high school and three years of college training at Texas Technological college. I have lived in the 106th Judicial District for more than 14 years, coming to Tahoka in 1925 where I finished High school. In 1934 the Supreme Court granted me a license to practise law. In 1936 the citizenship of Terry County elected me County Attorney, over two worthy opponents, without the necessity of a run-off, in which place I am now serving. I have taken advantage of the opportunities offered me in the office of County Attorney to prepare myself for the duties of the office I now seek.

The Duties of Your Dist. Attorney
He is to investigate and prosecute without fear or favor those who trample under their feet your personal and property rights in violation of the criminal laws of this state.

Qualifications of a Dist. Attorney
Honesty, ability, training, a real desire to enforce the law, courage to fight the criminal and his gang, and a sense of fairness that he may deal justly.

I invite you to make a thorough investigation of my character and ability.

I am not asking that you give me anything other than an opportunity to work and serve to the best of my ability, thereby earning advancement for myself and an honest living. If you believe that ambition and service should be rewarded by promotion when one has qualified himself for the job, then I believe you will vote for me on election day.

My only promise is to prosecute vigorously, be fair and just in all my dealings and to conduct the office in an economical manner.

Burton G. Hackney

Chevrolet Passes 700,000 1940 Model Cars

DETROIT, April 16.—Chevrolet's domestic production passed the 700,000 mark, it was announced here by M. E. Coyle, General Manager of Chevrolet Motor Division.

On March 21st, Chevrolet announced the completion of 600,000 units, and the latest hundred thousand of the 1940 model have been built in a period of less than one month.

"Production is merely keeping pace with sales," Mr. Coyle stated. "March domestic deliveries were 106,091 units which parallels closely our production for the same period."

"Retail sales of Chevrolet passenger cars and trucks since the announcement on October 14, 1939, have exceeded those of any corresponding period in the history of Chevrolet."

Miss Gertrude Rasco's mother of Memphis, Texas, came Monday evening to attend the recitals Miss Gertrude is having for her pupils.

Alexander Drug Installing Lunches—Short Orders

"Going modern", is the way to express the new features now being installed at the Alexander Drug Store. In fact, their plan of modernization is just about the most complete of any drug store in any town the size of Brownfield that we know. In this connection a new fountain of the very latest and sanitary models has been installed, which is 17 feet long, a beauty, and with as many spigots as a ritzy New York night club.

To start the day right you may obtain a full-sized breakfast of eggs, ham, sausage, toast, fruit, juices, cereals, or most any combination of them, and with your favorite drink of coffee, milk or tea. Then there is a full line of short orders, sandwiches, salads, etc., galore. This department will be under the direction of Frank (Pinky) Simpson, who has had a world of experience in this line of the business, as well as the fountain section.

In addition to this, you will be served any of your favorite fountain drinks, as well as ice cream any time you wish. However, they will feature sherbets, banana splits, frozen malt, Pangburn's Chocolates as well as Joan Mannings Chocolates. Be sure to drop in and see their new fixtures, which they hope to have installed by Saturday, Monday sure.

The Herald hereby congratulates, this, our oldest drug firm, on being the first to install this most modern of drug store accessories.

Big Spring Gets Next Bankers' Convention

A nice delegation of Brownfield bankers were in attendance Monday at the South Plains Bankers Convention at Lubbock. As their regular meeting date (San Jacinto Day) April 21, came on Sunday, Monday was taken as the holiday. The following from the two banks attended:

Brownfield State Bank: John S. Powell, Vice-President; J. O. Gillham, Vice-President; Leo Holmes, Cashier, and J. E. Gillham, Bruce Zorns and Sawyer Graham, assistant cashiers.

From the First National: R. M. Kendrick, President; W. R. McDuffie, Cashier, and Clovis and Spencer Kendrick, assistant cashiers.

A great program was reported, with some good talks from visiting bankers from other areas. C. A. Hollingsworth, Lamesa, was named president of the South Plains Bankers; J. O. Gillham, this city, Vice-President and W. R. Sewell, Levelland, Secretary-Treasurer. Big Spring will be host to the next convention, April 21, 1941.

Monahans School Band Coming Friday

According to information received this week from Prof. M. L. Baze, superintendent of the Monahans-Wickett school district at Monahans, Texas, the high school band of that city will parade the streets of Brownfield and give a concert at the high school auditorium at 11:00 a. m. From here they will go to Tahoka for a concert, and Lamesa for the opening game here of the Texas-New Mexico baseball league.

Mr. Baze stated that this band was judged the best high school band at the Sun Carnival at El Paso, in competition with 75 other bands. A former Brownfield boy, Roy Hurd, will be with the band. Mr. Baze was until this term, superintendent of the Brownfield schools.

Mrs. Gus Shi of Stratford, Oklahoma, who has been here the past week visiting her sister, Mrs. W. C. Smith, left for her home, Wednesday.

Co-Operative Farmers 28 Residences Now Have Annual Meeting Under Construction

The Farmers Co-Operative Society of Terry county, owning farms at Brownfield and Meadow, as well as filling stations, and now a locker plant here, met here Tuesday with one of the greatest crowds in the history of the society. It is believed that around 650 people attended, most of course from Terry county, but a number of out-of-county people attended.

The morning and afternoon sessions were held in the district court room. As the secretary, Wood E. Johnson was suddenly called to Fort Worth on account of the serious illness of a brother, a jumped up part of the program as regards local speakers had to be arranged. Vice-President J. O. Gillham of the State Bank was secured to make the address of welcome, and Roy Phillips assures us that it was a splendid address and highly appreciated by the Co-ops.

At the noon hour, a great barbecue, with all the trimmings, was served at the school gym and was said to be a feed par excellent. Offices that had to be filled were accomplished at the election in the afternoon, all being re-elected as follows: J. J. Gaston, Pres.; W. H. Black, Vice-President; Wood E. Johnson, Secretary; with Jess Smith as assistant, Hugh Hulise, B. M. Wade and Mon Telford were re-elected directors.

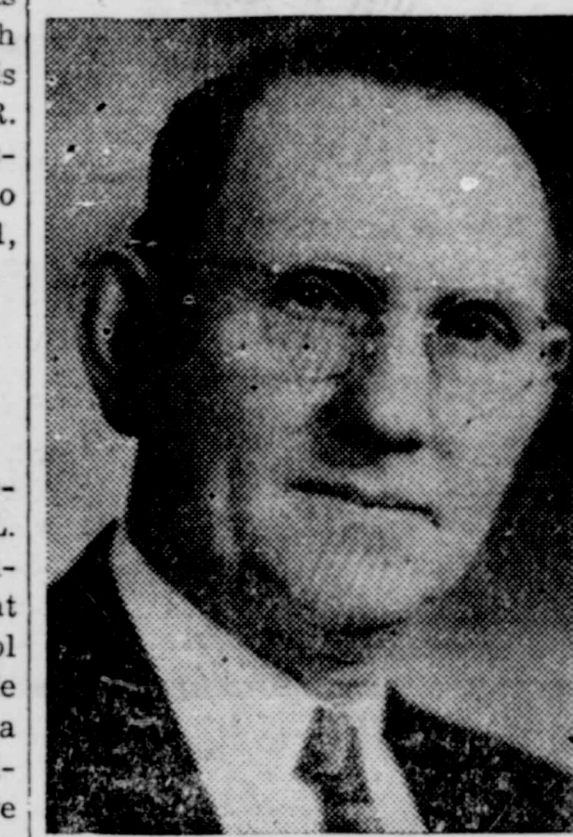

Among the prominent out-of-county speakers mentioned were Jim Baker, Amarillo; Wiley Lance, Amarillo, both officials of the co-operatives, and on the line of their work. State Representative A. B. Tarwater of Plainview, also connected with the society in that city and county, gave a fine address.

The auditor's report was heard and approved, and it was found the dividends of the society were almost twice what it was last year, being around \$3.00 per bale on cotton, and with 4 per cent on stock, 5 per cent on old credits, feed and oil, ran considerably over \$3.00.

Revival Series Begins Next Sunday

A combined prophetic-evangelistic revival series will begin at the North Side Baptist church next Sunday, with the pastor, Rev. Jno. R. Denning, doing the preaching.

During this series, which will continue through Sunday, May 12th, the evangelist will give an exposition of the major prophecies of the Bible, promising an interpretation of the Scriptures and the Scriptures themselves, and

giving particular emphasis to the doctrine of the visible, bodily Second Coming of Jesus Christ to the earth, which he claims is the basic foundation of every fundamental of the Christian faith.

A large chart will be used during these lectures to assist his hearers in properly placing the order of world events as they are Divinely predicted, and all pastors, together with all persons interested in prophecy, world events and the Christian Fundamentals are invited to come and bring their Bibles. The entire series will be of a non-secretarian nature. These services will be held at night only, beginning at 8:15.
Rev. Jno. R. Denning

We knew there was quite a bit of building going on in the city, but we had no idea just how much, so Sunday afternoon we took the time to drive up and down the streets of the city, and in different section just to see what is really going on in the old burg. In making our count, we did not take into consideration those that have been finished and occupied in the past few weeks, or business buildings.

Nor did we count homes that are being remodeled with a room or rooms added and modernized otherwise, but only brand new homes built from the ground up. These included all homes that as much as had the foundation on, up to those in the finishing stage, and about ready for occupancy. We counted 28 and possibly missed some.

Now these homes are not all mansions by any means. Some of them are two or three room homes, but they are livable places with all modern plumbing and other conveniences. These on up to six or more room modern homes that cost up in the thousands of dollars.

Apparently there are no more residences under construction at the present time than there has been for the past several months with the exception of the three very cold months of December, January and February, which goes to show that there is no boom in Brownfield, but just a steady growth.

In fact, there has never been a boom here, but Brownfield has seen a steady growth right on through the depression years, when other towns in this section were apparently on the standstill or actually shrinking. Of course there were not many residences added in the years 1932 to 1935, but there was some steady growth even during that time.

Beginning in 1936, the growth has really been swift. At no time has the building here been of the mushroom variety, but good substantial buildings that may be used from here on out.

Yes, We Have Plenty Sulphur Water

It seems like the Tidewater No. 1 Buckner in South Terry is, as usual, a failure. It seems that the line of Terry county is the Jonah to oil stratas, and that as an oil field, Terry county sure has lots of sulphur water. Like the well drilled a few years ago, 1937, a few miles east of this one, the structures ran high, even higher in this one, but that seems to have meant nothing.

Drilling was stopped at 5005 feet at which time water was standing 2611 feet on a two-hour drill stem test. There was broken saturated lime from 4930 to 4965. Drill stemtest from 4865 showed 245 feet of gas cut drilling mud, whatever that means.

Later Report

We actually saw a bottle of crude oil from Jacobson No. 1, in northwest Terry, brought in by J. E. Shelton, who reports oil is standing 750 feet in the hole. It will be drilled a few more feet below the present 5018 feet and acidized.

Darned if we ain't determined to have an oil well in old Terry by some hook or crook.

Yoakum Man Caught Lifting Tires

The night force caught another tire thief this week. This time the man, a Plains citizen, was caught in the Jordan Motor Co. used car lots, taking tires. He was promptly carried to the cooler, and his car parked near the court house.

There were several tires and wheels in his car and those missing wheels and tires had to go over there Wednesday morning to try to identify their stuff. The prisoner would talk very little.

night only, beginning at 8:15.
Rev. Jno. R. Denning

Candidates Set Speaking Dates

About 15 candidates met in a call session at the Court house in Brownfield, Friday afternoon April 19, to make arrangements for the coming 1940 campaign meetings.

The candidates unanimously agreed on not having any more than one pie or box supper in any one community, and that they would not have box suppers on the regular speaking dates.

Monday and Thursday nights were agreed upon as speaking dates, beginning on the 20th day of June.

Tentative dates are as follows: Thursday, June 20, Needmore; Monday, June 24, Scudday; Thursday, June 27, Lahey; Monday, 1, Pool; Monday, July 8, Tokio; Thursday, July 11, Johnson; Monday, July 15, Gomez; Thursday, July 18, Union; Monday, July 22, Wellman; Wednesday, July 24, Meadow; Thursday, July 25, Brownfield.

It was decided to close the campaign in Brownfield on Thursday night rather than the usual Friday night before election to give the candidates for District offices an opportunity to be here on that night and in some other county on Friday night.

Scouts to Stage 'Biggest Show on Earth'

Fifteen hundred Boy Scouts from the 20 counties of the South Plains, will put on what is said to be the "biggest show on earth" at Tech stadium, Lubbock, tonight. These boys have been training for months for their particular performances in this show. Hundreds of Scout enthusiasts from all over this section will be there, possibly taking the capacity of the stadium.

The theme of the circus will be "The American Way", and there will be thrills for everyone who attends. Regular seats are to sell for 25c to 35c, but some of the box seat will go far as high as \$3.00.

Dr. S. H. Parish, master of Troop 49, says that his boys will do some fancy roping, while others will erect a camp in minimum time. Troop 45 will also participate, but we were unable to get the information we wished about this troop.

This will be like a big three-ring circus, and for one and one-half hours it will take both eyes wide open to see all that is going on.

Spring Rgistration Is Now In Progress

The local high school is conducting spring registration this week. All young people who intend to enroll in the Brownfield High School next fall are asked to register. All parents are urged to talk over the proposed courses with their children. All parents are welcome to confer with the school authorities either by telephone or in person concerning this matter of choice of subjects. Each prospective student will receive a form with all information on it, and will be asked to show it to his parents and get their signatures. Classes in the rural schools that intend to enroll here next fall will be visited by the superintendent of schools and given registration blanks.

Latham Reports A Splendid Spring Sale

Everett Latham, owner and manager of Latham Dry Goods Co., informed us this week that he had a real good sale over the week end, his store being crowded with buyers both Friday and Saturday.

This week, he says, has been real good for week days, and at the wind-up of the sale he hopes to have plenty of room for summer stock coming in by selling off strictly spring goods.

City to Have Good Rotary Delegation

Dr. John R. Turner and wife made a trip to Sweetwater, Sunday to engage rooms or camps for local Rotarians and Rotary-Anns who aim to attend the convention of the 127th district at Sweetwater, Sunday, Monday and Tuesday. Dr. Turner stated that Homer Winston was the official delegate, and that he was alternate, but that a number of families from here would attend.

A great program has been arranged, stressing Pan-Americanism. For souvenirs, the Rotarians will receive miniature Cuban flags, and the ladies maracas, whatever that is.

The Sunday night program will be addressed by Marcos Tollet, district governor of Finland, who has just been mustered out of the Finnish army. He saw active service during the Russian invasion of that unfortunate country. There will be a number of outdoor sessions, banquets, etc., as well as sessions in the municipal auditorium.

The famous Hardin-Simmons Cowboy band, McMurry College Chanters and Abilene Christian College girls' sextet will feature the musical part of the programs.

Back-to-School Night Well Attended

Approximately one thousand people attended the Back-to-School Night and Political Rally held in the Brownfield High School and West Ward buildings on the night of April 22. Candidates were well represented from the county, district, and state, and one candidate for national congressman attended.

Exhibits of work done in all departments were on display in the two buildings. The Industrial Arts Shop, Lunch Room, Vocation Agriculture Department, Typing Department, Library and Home Economics Department were open for the inspection of visitors. The Science Show held in the Science Department was an attraction that interested a great number of the guests.

Scudday-Union Rabbit Drive next Wednesday

Jack Harvey sent us word this week that the rabbit drive of all rabbit drives would take place in the Scudday-Union section next Wednesday, May 1. Hunters will meet at the school house at Scudday between 8 and 9 a. m., where the hunt will be organized and started. Plenty shotgun shells to be sold at cost.

Dinner will be served at noon at the Scudday school, and will be a fat barbecued yearling, with the usual accessories, as well as cakes and pies furnished by the ladies.

Candidates will be more than welcome to the drive, well fed, and no speeches expected.

Lions-Rotary Ladies Night Well Attended

The Lions, Lionesses, Rotarians and Rotary-Anns gathered in the local gymnasium for an annual joint Ladies' Night on the night of April 23. Burton G. Hackney acted as Master of Ceremonies, and the program was under the direction of Gene Hurt.

The highlight of the banquet came when two colored boys staged a slap-stick, dish-breaking act that brought the house down. As soon as the banquet was finished, the crowd adjourned to the auditorium. Miss Ona Faye Tittle presented "The Valiant" with her cast of Bobby Lewis, Edwin Helms, Earl Burnett, Harold Simms, and Mary Jean Lees.

BAND MOTHERS TO SERVE DINNER TO MONAHANS BAND

The Band Mothers club will be hostess to the visiting Monahans and Brownfield bands Friday, with a free dinner, after the band program Friday morning.

- FOR STATE LEGISLATURE Hop Halsey Jack Douglas
- FOR DISTRICT ATTORNEY Burton G. Hackney Alton T. Freeman Lawrence L. Barber Rollin McCord
- FOR COUNTY JUDGE W. A. Tittle Jesse D. Cox
- FOR COUNTY ATTORNEY H. B. Virgil Crawford E. S. Hurt
- FOR SHERIFF C. D. (Ches) Gore, re-election. Joe Price
- FOR ASSESSOR-COLLECTOR Sam C. White J. Virgil Burnett Jewell Bell G. M. (Mac) Thomason
- FOR COUNTY CLERK H. M. (Dube) Pyeat, re-election
- FOR DISTRICT CLERK Mrs. J. C. (Eldora A.) White, re-election.
- FOR COUNTY TREASURER Mrs. O. L. (Oscar) Jones, re-election.
- FOR COMMISSIONER PRE. 1 T. D. (Tom) Warren, re-election
- FOR COMMISSIONER PRE. 2 H. C. (Red) Stephenson Geo. W. Henson, re-election. J. S. (Jess) Smith W. T. (Bill) Settle
- FOR COMMISSIONER PRE. 3 J. F. Malcolm, re-election. J. T. Pippin
- FOR COMMISSIONER PRE. 4 W. B. Martin, re-election. J. L. (Lee) Lyon
- FOR CONSTABLE PRE. 1 Luther Jones J. D. Stafford, re-election.
- FOR JUSTICE OF THE PEACE J. W. Oliver, re-election.

FOR CITY OFFICES
We are authorized to announce the following candidates for city offices of the City of Brownfield.
FOR MAYOR, City of Brownfield Clyde C. Coleman, re-election.

The Co-eds of T. C. U. have originated the nine codes of correct ethics for their boy friends, five of which are "boy friends shall not laugh at their best girl's hat." Reminds us of the story of the lady who persisted in saying scissors on threat of being drowned. She went down the last time criss-crossing her fingers.

And speaking of candidates making promises, many of which they cannot, and don't expect to keep, reminds us of the story of the candidate way back in the greenback party days, who after hearing some candidates announce for gold and silver and others for greenback, announced that he believed in all three, and in addition just a "leettle" counterfeit.

Speaking of counterfeit money, the Federal Bureau of Investigation and other enforcement bodies are soon to start a real campaign to educate people that handle considerable money, currency or coins, to readily detect counterfeit money. In this way, they hope soon to end this racket. Many persons caught on fake bills or coins, swallow their pride and refuse to let others know they've been stuck. This is a bad attitude for the people, but a good one for the counterfeiters.

The guys down Austin way who make a study of politics, are of the opinion that the entrance of

LAHEY

Rev. McGaw filled his appointment Sunday morning and Sunday night.

Those visiting in the Norvelle Hulse home Sunday were Winona Thomason, Gladys Webb, Prebble and Pauline Thomason, Ellawanda Webb, Maurine Ticer, Robbie Cravens, Marie Lewis, Mary Othel Fulton, Deward Lambeth, Marvin Smith, G. W. and Bill Rodney, Embree and Carroll Hulse, Fat Hodges, Spud Cox and Clarence Briscoe.

Lela Jo Ticer spent Sunday with Gaylia Thomas.

Thelma Ticer spent the week end at Pool with Mr. and Mrs. A. J. Ticer.

Mr. and Mrs. J. H. Mabry and baby spent the week end in Levelland with Mr. and Mrs. J. L. Nevill.

Several from here attended the Sing-Song at Pool, Sunday. Faye Gilmore spent Sunday with Juanita Green.

The Epworth League rally will be here Wednesday night. We have a fine program planned.

Wellman baseball teams, both boys and girls beat the Lahey teams, Sunday.

We are sorry to hear that Miss Christine Thomason is in the Brownfield hospital. We hope she will have a speedy recovery.

SCHOOL LUNCH ROOM MENUS APRIL 29-MAY 3

- MONDAY—Green Beans, Escalloped Potatoes, Plain Muffins, Cake with Chocolate Sauce.
- TUESDAY—Hamburger Chowder, Plain Muffins, Oatmeal Cookies.
- WEDNESDAY—Cream Peas, Mashed Potatoes, Stuffed Eggs, Cornbread Muffins.
- THURSDAY—Pinto Beans, Cole Slaw, Cornbread Muffins, Banana Pudding.
- FRIDAY—Spinach, Creamed Potatoes, Carrot Strips, Cornbread Muffins.

IT IS THE LAW

Be sure that you do not climb up into someone else's car while it is standing still and attempt to manipulate the lever, or you might be fined \$100 or go to jail for sixty days, for it is the law. Sam White, deputy tax assessor-collector submits the following taken from the Texas Laws Relating to Motor Vehicles:
"Article 1343 — Manipulating starter or lever of vehicle—Any person who shall without consent of the ownership or person in charge of the motor vehicle climb upon or in such vehicle, whether same be in motion or at rest, or shall while said vehicle is at rest and unattended attempt to manipulate any of the levers, starting or other devices or to set said vehicle in motion, shall be fined not to exceed one hundred dollars or be imprisoned in the county jail for sixty days or both."

Mrs. Dr. C. A. Copeland has returned home from an extended visit to Coolidge, Arizona. She was the guest of her daughter, Mrs. J. N. Campbell and Rev. Campbell.

Mr. and Mrs. Clark Kennedy visited relatives in Jal, N. M., this week.

The second annual farm Chemurgic Conference will be held Friday and Saturday of this week, at the North Texas Teachers college, Denton. The word chemurgic was heard little a few years ago, but as a great effort is put forth by the science departments of colleges and private chemists to find more uses for agricultural products, the word becomes more frequent. Possibly the only starch factory in the world using sweet potatoes to make the product, is located in Mississippi, and the president of the company will address the meeting, as well as other great agricultural dignitaries, including Victor Schoffelmayer, agricultural editor of the Dallas News.

the Fergusons in the race will weaken O'Daniel more than any other candidate, as both are for some sort of sales tax. Sadler also will get a lot of the votes of those who want a warm, "pour it on" campaign with plenty promises thrown in for good measure. The same source believes if Col. O. E. Thompson does not run, thus splitting the conservative vote with Hines, that the latter will be almost sure to be in the run-off—and there'll be a run-off this time, and everyone concedes that.

Mr. and Mrs. Ray Elliott, Miss Strawn and Mr. Ferrell visited in Silvester over the week end.

Mrs. V. L. Wheeler and children of Odessa and Mrs. E. S. Raymond of Roswell, will spend the week end with their parents, Mr. and Mrs. J. H. Morris.

Doyle Kenneth Criswell, Brownfield, spent last week with his grandmother, Mrs. Bettie Criswell.

We are glad to report that Mrs. Bert Bartlett is able to be back in school again after a two weeks illness.

Mrs. Dorsey McKee is on the sick list this week.

Mr. and Mrs. J. L. Cleveland of Canadian was visiting friends in Plains a few days last week.

Mrs. J. H. Morris spent a few days last week with her daughter in Roswell.

A large crowd enjoyed the play presented by the Junior class last Friday night.

AAA FARM COMPLIANCE CHECKING STARTS

College Station, April 23.—Starting in the Valley and working north, the AAA this week begins the tremendous task of checking the compliance with the farm program of more than 400,000 agricultural producers. The work will be completed by the last of August.

In each Extension Service district meetings of county commitment, ACA secretaries, and county performance supervisors will be held as the work moves northward, B. F. Vance, assistant state AAA administrator explained. Following the district meetings, sub-district and county meetings will be held for the training of county performance reporters.

All county performance reporters are local men employed by the local association, the administrator pointed out. In checking compliance on a farm, the reporter uses an aerial photograph, measuring all the fields on the farm, numbering them on the photo-

graph, and identifying all crops, land uses, and soil-building practices.

Checking of compliance on a farm is done only when the producer or his authorized representative is present, Vance declared, and in most cases the producer assists the reporter in his work.

Mrs. M. E. Jacobson is to take her little daughters, Eileen and Aletha to Levelland, this afternoon, where they will spend the week end with Mr. and Mrs. Boyd Hogue.

Has long been used for expelling round worms in children. Price 35c. Nelson-Primm Drug Co.

Highways Discussed By Judge Simms

Last week, one of the newspapers of the county carried an article representing my personal views in matters of further construction of our highways which we have designated as such but are not able to secure special grants from the Highway Department to rush this work of construction simply because the Highway Department does not have the funds with which to do the work. If you read my statement, you learned that I thought Terry county should vote the necessary bonds, let the highways be built and then get the State to take over the bonds. This I feel sure could and would be done by the state as all the counties of Texas have such bonds except 15 and if you care to check up on the vote taken on this Bond Assumption Bill the same being enacted into law in 1933 and re-enacted each two years thereafter, you will find there never has been a vote in either house cast against the bill. So it seems to me that if you could find a bill that would get the support of all representatives and senators through 4 regular sessions, you really should be easy in taking the risk that said Road Bond Assumption Bill will be re-enacted at the next session of the Legislature. Through all these years you and I and every one purchasing gasoline in Terry county have been paying for this service, the proceeds of course going to other counties who had the vision and nerve to vote bonds and build their state highways. In Terry county this one cent tax amounts to about \$15,000.00 per year.

This week I would like to deal with another part of our road situation, and express my personal views as I see the matter. That being important lateral roads. In the matter of voting bonds to building lateral roads, they are of course the continued obligation of the county and the same would have to be paid out of our tax money each year, while Highway construction, we feel, would be taken over by the state and relieve us of said payment. In locating the important lateral where paving would start, it seems to me that they should be built where they will carry the most travel and serve the greatest number of our own citizens possible. Many roads would qualify as important lateral roads in our county, but you know we would only be able to work on but one or two of these roads at this time and expand this road program throughout the county, which would of course take 15 or 20 years to complete such a road building program. It would simply mean that we would have to have a lot of cooperation from all our people and some of course would have to exercise a lot of patience in having to wait perhaps a number of years before they would receive the benefit of a paved road by their farm.

It seems to me that our greatest need and one that should have our first attention would be a road west from Meadow by way of Needmore and on west on same section line, the same being one mile north from Pool school house and then continue on to connect with the Hockley-Terry county line. This road would serve the communities of Meadow, Needmore and Pool and would connect with highway 137 and highway 51 at Meadow and Needmore as well as giving us a connection with the oil field now over in Hockley county and we hope and believe it will soon be in our county too. Then we need some (Page 4, Column 1)

Work on Highway 51 May Start Monday

W. P. Garrett, district engineer for the state highway commission, announced last week end that work will probably start Monday on the completion of highway 51. Plans for the present are to drain and grade the six miles north of Littlefield to the Spears Gin, and put on a caliche base.

Hot-topping of the road will be done sometime this summer, R. W. Tucker, resident engineer, reported.—Littlefield Leader.

MASONS TO CONFER MASTERS DEGREE

J. D. Miller, Secretary

HEARS THOMAS E. DEWEY SPEAK IN AMARILLO

Mr. and Mrs. J. H. Carpenter of Brownfield, went to Amarillo Thursday to hear Thomas E. Dewey, Republican presidential candidate speak.

Brownfield was well represented at the South Plains and western New Mexico Beauticians three day convention held in Lubbock, Monday, Tuesday and Wednesday. Shop owners and operators from here attended almost 100 per cent.

HEALTH FILMS TO BE SHOWN AT WELLMAN-UNION

The people of Union and Wellman communities will be interested in knowing that Dr. Wm. S. Brumage, physician director of the Five-County Health Unit, will be in Wellman on next Monday night, April 29, to show some films to those attending. He will be at Union on Tuesday night, April 30 to show the films.

Everyone in these communities is urged to attend and also people in nearby communities. These films are very educational and are worth seeing. Come and see what is being done by your local health office.

VOCATIONAL AGRICULTURE BANQUET

The Meadow chapter held their annual Father and Son Banquet Friday night in the High school gym, which was elaborately decorated with purple and gold streamers—canopy fashion.

After the spring ceremonies, an interesting talk was given by Burton G. Hackney. Following was an educational film presented by the Five-County Health Unit.

In conclusion the large crowd was served a delicious feast by the Home Economics department.

Ches Gore and Dennis Lilly were guests from Brownfield.

Frank Jordan Sr. and Jr. attended the Dodge-Plymouth sales convention at Fort Worth, Tuesday. They stayed over for the night baseball game and saw the Cats beat Shreveport.

Tickets on Sale for Boy Scout Circus

LUBBOCK—Boy Scouts and Cubs, 1,000 of them, have begun a push which will sell 25-cent tickets to the third Boy Scout Circus, to be staged at Texas Tech stadium, in Lubbock, Friday night, May 3.

Advance sale of the tickets will be 25 cents but the box office sale will be 35 cents, Powell McWhirter, chairman, said. Several box tickets, reserved, will be sold at 50 cents. Cost of the Circus runs into such figures that selling of the tickets is necessary.

Fifteen acts will be staged the night of May 3, with Scouts and Cubs from 20 counties participating. The opening event will be a prologue of dictator youth movements while the grand entry (march) of all Scouts and Cubs will be next. The "American Way" is the theme of the Circus and will show the public Scouting and Cubbing in an excellent way. Other main events are whip-cracking, first aid, pioneering, camping, chariot races, signaling, clowning, flint and steel firemaking, Cubbing, Indian scenes and dancing.

Scouts and Cubs will receive commission on all sales made and the money will be credited to their treasuries.

Deadlines for ticket sales have been set and all leaders are urged to watch the dates for checking in money.

Sunday 100 Scouters and their wives ate barbeque at Camp Post in a "kickoff" enthusiasm meeting for the Circus.

Geo. Lane Appointed City Meat Inspector

George Lane, son of Mr. and Mrs. S. F. Lane, and who was mostly reared in Terry county, has been appointed by the city council of Brownfield as meat inspector. George is already on the job and has our congratulations.

George has had considerable experience in this line of work, as he held a job for quite some time in the vicinity of Houston, and for three years in New Jersey with the U. S. Agricultural Department, meat inspection department.

SKIN T. B. TEST FOR CHILDREN NOT INFALLIBLE

It is possible for a child to have tuberculosis and react negatively to the tuberculin skin test, according to Dr. J. B. McKnight, superintendent of the 1,000-bed State Tuberculosis Sanatorium, seventeen miles northwest of San Angelo.

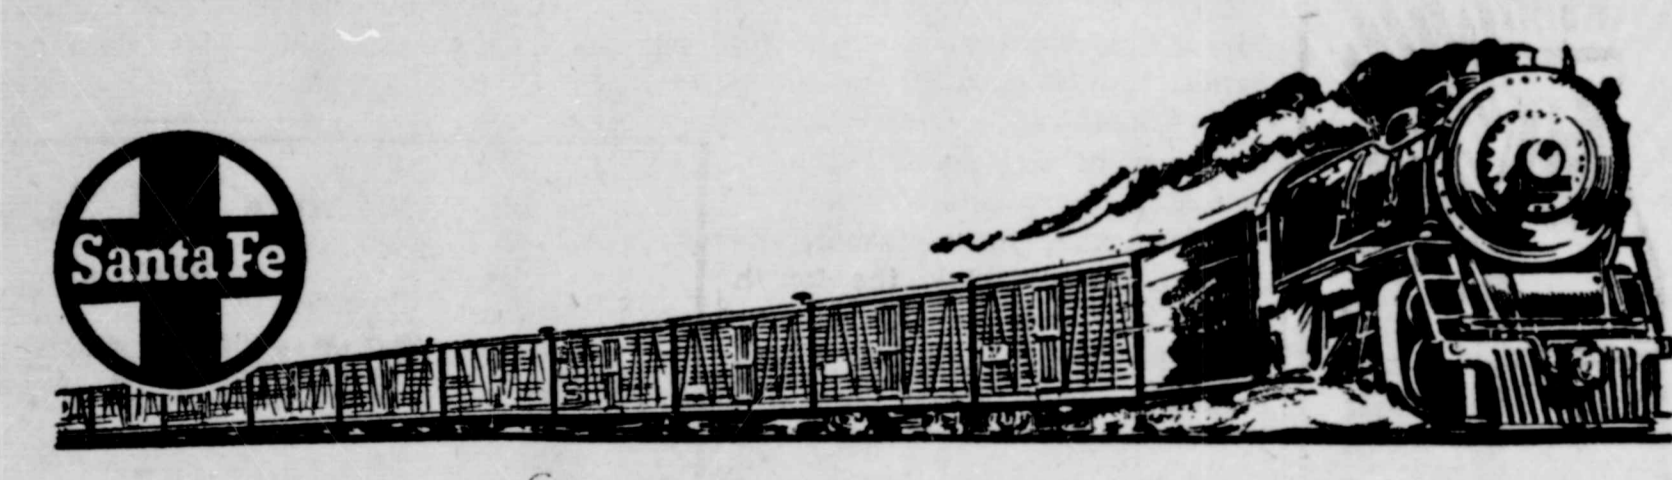

Dr. McKnight explained that most infected children would react in a positive manner, but occasionally a child will have a negative reading. "Like other tests, the tuberculin skin test is not infallible and children associated with advanced cases of pulmonary tuberculosis almost invariably receive the infection. Many of these children are in need of preventive treatment."

Dr. McKnight declared the tuberculin skin test is the best method for finding children infected with tuberculosis, and urged that tuberculin skin testing programs be conducted by school throughout Texas. Positive reactors and children known to be closely associated with tuberculous adults should be separated immediately from the source of their infection, Dr. McKnight believes.

Mrs. M. M. Smith left for her home in Glendale, Arizona last Saturday after a seven weeks visit with her daughter, Mrs. Sawyer Graham. Mrs. Graham and small son Mumford Austin, accompanied her home for an indefinite visit.

SCHOOL BUS DRIVERS WARNED BY MARION HALL

AUSTIN—Texas school bus drivers have been cautioned by Marvin Hall, state fire insurance commissioner, against the practice of having their equipment serviced while fully loaded.

"Drivers should remember that they are responsible for the safety of the children riding in their buses," the commissioner declared, "and never let themselves throw caution to the wind in an effort to save a few minutes."

He also suggested that officials in rural school districts check rear door bus exits to make certain that they are in proper working order. Some cases have been found where handles were removed to prevent children from entering and leaving the buses without permission. Such thoughtlessness merely increases danger.

Other recommendations included approved types of fire extinguishers, fire drills, and a rule against smoking in or near the buses. No attempt should be made to load the buses beyond their normal capacity, he said.

Editor Hale of the Yoakum County Review, Plains, was a visitor here Saturday afternoon.

Mrs. Arnett Bynum and mother, Mrs. T. L. Treadaway Sr., were Lubbock visitors Monday, when Mrs. Bynum went up to consult an eye specialist.

Mrs. E. H. Smith, Mrs. Jack Rutledge and Miss Wanda Graham went to Lubbock, Monday afternoon where they spent the evening with Mrs. C. P. Smith.

Mrs. Roy Herod and Sonny Mack are visiting Mr. Herod's brothers at Denton and Arp, also other relatives at Grapeland.

Mrs. Dick McDuffie went to Lubbock, Tuesday to see an uncle, Babe Anderson, of Ennis, who was the guest for the day in the home of Mrs. Fred Youree, a sister of Mrs. McDuffie.

A. M. Brownfield and Grady Terry were business visitors in Canyon and Hereford, Monday.

Dr. Argust Curtis had Dr. H. O. Ryan, chiropractor from Snyder, as a visitor in his office, Sunday. Research work at the Texas Chiropractic Research Society was discussed, and Dr. Ryan attended church with Dr. Curtis while in Brownfield.

W. E. Humphries of the firm, Davis & Humphries of Lubbock, and their business manager, C. T. Williams, were down Tuesday. Mr. Humphries informed the writer that their Denver City Piggly Wiggly store had a fine opening, Saturday.

THREE-WAY ROMANCE

At the moment Alice Faye is bestowing her best smile on Richard Greene, but Fred MacMurray looks pretty optimistic in this scene from Darryl F. Zanuck's production of "Little Old New York." 20th Century-Fox presents the film, which also features Brenda Joyce, at the Rialto Theatre Saturday Preview, Sun.-Mon.

HIGHWAYS—
(Cont'd From Page 2)

connection with the newly discovered oil field around Cedar Lake. It would be just a little early to state where this road should take off from to give us this connection as the extent of the field is not very clearly disclosed but all in all we would probably need about 12 miles of pavement to make the connection.

The two road projects would perhaps be a total length of about 30 miles and would cost about \$150,000.00. The thing uppermost in the minds of all our taxpayers is how could these bonds be financed without a heavy burden on all our people. It seems to me that we could take care of this situation by raising our tax rate from 95c to \$1.00. This could be done by a tax levy of 20c for lateral road bond purposes; paying of the bond issue in 20 years at 3 per cent interest, and by the Commissioners' Court leaving off the special road and bridge tax levy of 15c now levied each year.

If the road program as outlined in last week's paper together with this lateral road program in this issue be realized no one could foretell the benefit it would be to this county and I sincerely believe it could be had with a raise of only 5c of our tax rate should the people but give their consent in the matter. I have now had my say in the matter and the next move is up to you.

Raymond Simms
County Judge

Mrs. Glen Akers and little Antonette, left Sunday for Yuba City, California, to visit with Mrs. Akers' mother, Mrs. Rich Bennett.

Mrs. J. M. Teague was a visitor to Lubbock, Wednesday.

IT PAYS TO ADVERTISE

Bascom Giles, Commissioner of the General Land Office, announced at the conclusion of the first advertised sale of timber in four East Texas counties that he was highly pleased with the unusually high bids received, and he attributed a large part of the success to advertisements in weekly newspapers located in the counties where the timber was for sale.

Commissioner Giles stated that he had been offered \$1,500 in private sales for the same amount of timber which brought five times that amount of money to the State as a result of newspaper advertising and competitive bidding.

This policy of advertising the sale of State lands has been actively pushed by Commissioner Giles as a part of his plan to place the management of the State's land on a business-like basis.

Mr. and Mrs. D. E. Barrett had as their guests Sunday, Mr. Barrett's parents, Mr. and Mrs. D. E. Barrett and his brother, Mr. and Mrs. Ernest Barrett and their twin daughters, Ernestine and Geraldine, of Lamesa.

The Straw Votes Begin to Arrive

The "Capitol Column" by Jan Anderson, Austin, is about the first to reach the Herald with a straw vote on the standing of candidates for governor of Texas. This first vote shows the percentage of McCraw, but since the former attorney general has never formally announced, his name will be left out from now on. The following is the percentage to date:

O'Daniel	29%
Hines	21%
Ferguson	15%
Sadler	15%
McCraw	14%
Write-ins & non-votes	05%

In line with the above, the vote to date on natural resource tax or sales tax stands 71 per cent for natural resource tax against 13 per cent for the sales tax. We handed out four cards to voters here whom we consider a representation of the general run of voters in Terry county. One was a groceryman, one a farmer, another a lawyer while the fourth was a lady cafe owner.

By the way, the only one to express himself to us was the farmer, who said he was bitterly opposed to a sales tax, but for O'Daniel. Now you harmonize that if you wish.

Mr. and Mrs. R. M. Kendrick had as guests over the week end Mrs. Kendrick's sister, Mrs. John Scudday and Mr. Scudday of Forsan, also Mr. and Mrs. Woodrow Scudday and son ElRay and Mrs. M. M. Hines of Forsan, visited in the Clovis and Spencer Kendrick homes.

Mr. and Mrs. James Harley Dallas and little Carol returned last Saturday from South Texas where Mrs. Dallas spent the month visiting relatives.

Mr. Walter Bond spent the week end with his mother, Mrs. J. C. Bond.

CARD OF THANKS

We wish to take this method of expressing our heart-felt thanks to all those who in any way assisted during the illness and death of our darling husband, father and grandfather.

We are especially thankful for each loving word and deed, the messages of condolence and floral offerings.

May Gods blessings be upon each of you and in the time of your sorrow and grief may we be as true a friend to you.

Mrs. L. G. Caudle and family.

HIGHWAY TOLL IS TERRIFIC

AUSTIN—Ten Armadillos, 182 rabbits, 15 house cats, 15 lambs, 6 ewes, 4 cows, 8 dogs, 5 skunks, 2 hogs. No that isn't the inventory of a strange butcher shop, but a list of the number of animals killed on the state highways in Brown County, Texas, during one month and observed by a state highway foreman at the request of a State Game Department Warden. In addition, there were so many dead chickens that no count was kept of them due to the fact that many of them were probably thrown out of trucks after dying while being taken to market.

Occasional checks like the one above show the motor car takes a terrific toll of wildlife. No check was made in this instance of the game, song or insectivorous birds. The animals listed above totaled 232. Multiply that by 254, the number of counties in Texas, and you can see how many animals perish on Texas highways monthly.

Mr. and Mrs. Dennis Lilly were business visitors to Plains, last Tuesday afternoon.

A pie supper will be put on at Needmore next Thursday night, at which all candidates are invited.

George Alexander was attacked by one of his old saddle horses Thursday morning, that pawed him down and broke George's thigh. No reason can be assigned for the sudden change in temperament of the animal.

Mahon Works for Low Farm Interest Rate

WASHINGTON—Early enactment of a bill continuing for a five-year period the reduction in interest rates on Federal Land Bank and Land Bank Commissioner loans to farmers was predicted this week by Congressman George Mahon in Washington. Legislation providing for a reduction of interest rates on such loans for one-year periods was passed each year from 1935 to 1938. The 1938 Act provided a legal interest rate of 3½% for a period of two years on Land Bank loans and 4% on Commissioner loans, instead of the contract rate of 4% or more on Land Bank loans and 5 per cent on Commissioner loans. The reduction provided for in the 1938 Act expires July 1, 1940.

The present bill would set the interest rate at 3½% for both Federal Land Bank and Land Bank Commissioner loans until June 30, 1945. This measure passed the House on March 18th and is now pending before the Senate. Congressman Mahon, who was instrumental in the passage of this measure and the previous measures reducing interest rates to farmers, said that he felt confident the Senate would act favorably on the present bill within the next few weeks.

The 3½% rate would mean a substantial saving in interest payments to approximately 12,000 Federal Land Bank and Land Bank Commissioner borrowers in the 25 counties of the 19th Congressional District.

HARRY HINES for Governor A Doer—Not a Promiser

This advertisement contributed by friends of Harry Hines

Mrs. Harvey Gage and Mr. Gage had as their guests Sunday, Mrs. Gage's mother, Mrs. H. C. Billing and family and sister, Mrs. Earl Chester and family, Whitharrell.

James Youngblood of Seminole, was a business visitor here Monday.

Emily Post is nothing but a name to Bing Crosby and his two new film pals, Dorothy Lamour and Bob Hope, as they tear into chicken barbecue, South Pacific style. The unconventional scene comes

from their first starring vehicle together, Paramount's comedy with song, "Road to Singapore" which opens tonight at the Rialto Theatre.

A BREAK FOR THE CANDIDATES

In the April number of the Panhandle Publisher, official publication of the Panhandle Press Association, the following item appeared which should be of interest to candidates:

"Newspapers which spring up in election years to 'put pressure' on Texas candidates for political advertising are a thing of the past. Governor O'Daniel let a bill pass to become a law without his signature. The bill provides that to accept advertising for more than one political candidate, a paper must have been published and generally distributed for at least 12 months prior to the acceptance of the advertising. The provision allowing one candidate to advertise was in order that candidates might be free to publish their own newspapers.

"Chances are that some of the political sheets may be started in the Panhandle this year in spite of the law Publishers should be on the lookout for their appearance and immediately report their existence to local authorities."

Myron Blalock, former State Democratic chairman, and the ablest politician in the Texas Garner camp, is gallantly carrying on with his efforts to secure an instruction for the Vice President from the May State Democratic convention, but the effort resembles the resistance of the Finns to the Russian invasion. The Roosevelt forces, after crushing victories in Wisconsin, Illinois, New York and elsewhere, haven't left Blalock much to battle for in Texas, except a complimentary "favorite son" instruction to the Texas delegation. Regardless of whether you like it or not, the strength of the Roosevelt forces throughout the country is overwhelming, and the Garner boom simply hasn't caught on.—Julian Capers.

PEDDLED DUCKS TO WARDEN

An Arkansas resident who is now awaiting trial under a half dozen charges got into trouble because he tried to peddle canned duck to a game warden.

It is alleged the Arkansas man killed fifteen Mallard ducks out of season picked them, put them in fruit jars and traveled to Atlanta, Texas. The first person he attempted to sell the ducks to was a free service game warden. He, of course bought some of the ducks and placed the man under arrest. The Federal authorities stepped in and the Arkansas resident is now charged with, among other things, transporting game across a state line, selling game, exceeding the bag limit, and killing game out of season.

HOW MUCH IS \$18,000,000.000

TAKE
All the oil of Okla. and Texas.
All the gold of California.
All the silver of Nevada.
All the copper of Montana.
All the Wheat of Kansas and the Dakotas.
All the Corn of Iowa.
All the manufacturing of Kansas City and St. Louis.
All the Aluminum Bauxite of Arkansas.
All the Dairying of Minnesota.
All the hard Toil of the Nebraskans.
All the Coal of Colorado.
All the Potatoes of Idaho.
All the Ranches of Wyoming.

YOU CAN'T PLAY AROUND WITH CANCER
AUSTIN, April 9.—There is still too much "behind closed doors" talk about cancer, Dr. Geo. W. Cox, State Health Officer, declared today in urging Texans to make the most of educational opportunities which will be offered during April, proclaimed by Gov. W. Lee O'Daniel as Cancer Control Month.

"We cannot fight cancer successfully by hiding it. On the other hand, by overcoming fear and lack of knowledge, the campaign against this disease will be half won," Dr. Cox said.

Reliance upon lightning warfare will not defeat cancer. It is only a relentless crusade carried on over a period of years that will succeed in wearing down the death rate from this disease. Such a crusade requires more courage and wide-spread knowledge than our people possess at this time.

Vital Statistics records of the State Health Department show that cancer mortality is steadily increasing. The Texas cancer death total in 1938 was 4593 as compared with 3863 in 1933. Whether or not this increase in mortality will continue depends upon the effort of every man, woman and child will put forth to learn more about cancer, its symptoms and its cure.

Free educational literature on cancer may be obtained by writing the State Health Department, Austin, co-sponsor of the Cancer Control drive in Texas during the month of April.

Lee Walker of the Meadow section was down to have his leg dressed Tuesday, and informed us that he hoped to be able to throw his crutches away in the next few weeks.

In This Corner

An approaching wedding of wide interest to Brownfield and territory is that of Miss Jessie Chisholm to Mr. L. B. Williams, a young business man of Seagraves. The wedding will take place the 2nd of May.

Miss Jessie is the daughter of Mr. and Mrs. Geo. W. Chisholm and has been quite active in business circles since her school days in A. C. C., having kept books for the Chisholm Grocery, Collins Dry Goods Co., and at present employed by the West Texas Gas Company. Everybody loves Jessie for her own sweet unselfish nature and happy smile. We join with hundreds of others in wishing her much happiness.

The busiest women these days are the mothers of the graduates... seeing about new evening dresses for their lovely daughters... son's new suit and Junior High school grads problems... the Junior-Senior banquet next Tuesday night and on and on until the last day of school wondering if they will all pass their finals.

"Look here Daddy, I have it", was the proud exclamation that Edgar Self greeted his father with on last Tuesday when he came rushing into Collins Dry Goods to show the precious slip of paper that was his first driver's license. No wonder he was so proud, for his parents are sporting a brand new maroon colored car and we will venture that it will have a "good pick-up" with good-looking Edgar driving.

Girls, if leap year passes you by just apply for a bookkeeping job at Herman Heath's West Texas Gas Company office. Every girl who has worked there has married—there was one man in the bunch, Graham Smith, he married. Then the girls, Louise and Bessie Chisholm, LaEula Head, Bessie Thompson, and now the present Jessie Chisholm, who is to marry the 2nd of May. Miss Ona Faye Title is Jessie's successor—just watch This Corner. If we were Herman Heath we would sell the job to the highest bidder.

NOTICE TO HARDIN-SIMMONS ALUMNI

Mrs. L. J. Dunn Sr., has been appointed Publicity and Membership chairman for this district and she asks that all ex-students get in touch with her between now and Saturday night and plan a get-together.

W.R. McDUFFIE'S ENTERTAIN WITH DINNER PARTY

Outstanding among social events of the season was a beautifully appointed buffet dinner given last Friday evening by Mr. and Mrs. Dick McDuffie at their lovely home, a center of hospitality.

In the dining room a silver basket filled with pink and white snapdragons centered the table on which was used blue candles in crystal holders. A white linen cloth covered the table and throughout the lovely entertaining suite tulips, bridal wreath and carnations were used.

The menu consisted of fried chicken, cream gravy, peas, corn, creamed potatoes, stuffed celery, vegetable salad, angel food cake, iced tea and praline candies.

Those enjoying this lovely dinner and games afterward were: Messrs. and Mmes. Spencer and Clovis Kendrick, Jack Stricklin Jr., Everett Latham, Orb Stice, Guthrie Allen, Jim Graves, Dudley Repp and Mr. and Mrs. Fred Youree and Mr. and Mrs. Don Jordan of Lubbock.

VISITORS HERE FROM MISSISSIPPI

Mrs. H. E. Smith of Philadelphia, Miss., accompanied by her friend, Mrs. Jack Rutledge of Morton, Miss., came in Friday evening to visit Mrs. Smith's parents, Mr. and Mrs. C. B. Quante. Her small son James Dell Duke will return home with her for the summer.

Mrs. J. M. Williamson was a pleasant caller at the Herald office Wednesday afternoon.

JUNIOR MAIDS AND MATRONS MEET WITH MRS TOM MAY

The Junior Maids and Matrons Club met on Tuesday afternoon in the home of Mrs. Tom May with Rebecca Ballard as hostess.

Business of the club was discussed and the new program committee nominated by the President, Mrs. Pat Patterson as follows:

Chairman, Mrs. P. R. Cates, and Mrs. Bill Ed Watson and Mrs. Sturgess are to assist Mrs. Cates. They will have the program and yearbooks ready to present to the first meeting next September for the following year.

Miss Irene Adams gave a very interesting review of the book, "Miss Susie Slagle's" by August Tucker. Mrs. Arlie Lowmire gave the historical and geographical background of the book, and the life history of the author.

A delicious refreshment plate of sandwiches, potato chips, cocoa and mints were served to the 18 members present, by the hostess.

The next meeting will be in the home of Irene Adams.

HOME ECONOMICS WINNERS GO TO DALLAS

Miss Vivian Murphy left Wednesday morning with the four winners of her Home Economics class in the sewing division. They will attend the State rally in Dallas, Thursday until Saturday noon, when their work will compete with others from over the state.

Girls going were Mary Martin, First in 3rd year; Emma Jean Coleman, First in 2nd year and Mary Ray Simms, First in 1st year. Lois Chambliss went as representative of the Home Economics club.

TAHOKA COUPLE WED HERE

Mr. Alvin Cain and Miss Evelyn Morgan, Tahoka, were married by Elder James F. Black at the Church of Christ parsonage, Wednesday afternoon.

BUEN AMIGAS CLUB

Mrs. Jack Stricklin Jr. was a most gracious hostess on Thursday afternoon when she entertained members and guests of the Buen Amigas club at the home of Mr. and Mrs. Jack Stricklin Sr.

The entertaining suite was made lovely with cut flowers, making a pretty setting for the three tables of bridge players.

High scorers for the afternoon were Mrs. Dick McDuffie and Mrs. Wilson Collins, receiving a crystal sugar and creamer and a crystal hat flower vase.

The hostess served a plate of congealed salad, chicken sandwiches, pickles, olives and pecan pie to the guests, Mesdames Dick McDuffie, Wilson Collins, Spencer and Clovis Kendrick, Earl Anthony, Orb Stice, Grady Terry, Troy Noel, Vance Glover, Brumage, and Welborn.

O'NEAL-LARNER

At 6:30 o'clock Saturday evening, April 20, Miss Belma O'Neal became the bride of Wade Lerner at the Methodist parsonage, with Rev. Hanks officiating in a single ring ceremony. They were attended by Miss Linnie Wilburn of Meadow and the bride's mother.

Mrs. Lerner is the daughter of Mrs. B. G. Chaney of Brownfield. Mr. Lerner is the son of N. W. Lerner of Stephenville, Texas, and is employed as a carpenter.

They are at home in the Downing Apts.

GROUP ATTENDS SOUTH PLAINS FEDERATED MUSIC MEET

The Levelland Music club was host at the home of Mrs. Hester, last Saturday afternoon when they entertained a group from Brownfield and Lubbock. Three counties comprise the district, and Brownfield and Lubbock furnished the program.

The next meeting will be the 11th of May in Lubbock, when the Treble Clef club puts on their spring cantata.

Members of the Cen-Tex Harmony Music club from here in attendance were Mmes. Jacobson, Turner, Teague, Nicholson, and Misses Dona Huff, Mattie Jo Fields, Viola Brown and John S. Powell.

Herald Ads Get Results

THE SOUTH PLAINS FEDERATED CLUB

The South Plains Federated Club met at the home of Mrs. R. H. Hester in Levelland on April 20th. The meeting was opened by Miss Nancy Jo Haymes of Levelland introducing Mrs. Robertson, President of the South Plains Federated Music Club. The minutes were read and approved. Mrs. J. M. Teague of Brownfield requested that the Cen-Tex Harmony Club of Brownfield be released from the South Plains Federated Club, which includes Lubbock, Levelland and Brownfield. A motion was made that withdrawal be accepted and the motion carried. Electing a nominating committee was postponed until the next meeting. Mrs. Atkinson, president of the Lubbock club, extended an invitation to members of the Levelland and Brownfield clubs to attend a flower suite on May 11th in Lubbock, the exact meeting place to be announced later. Mrs. Robertson appointed Mesdames Wood, Marshall and Cole of Lubbock to contact the Littlefield music club in regard to filling the vacancy left by the Brownfield club's withdrawal.

The program for the afternoon followed:

1st—Piano Solo—"Waters of Minnetanka" (Lieurance) Miss Donna Huff, Brownfield.

2nd—Solo—"Je-Suis-Titoniv" from Mignon (Thomas) Mrs. F. C. Stanley, Mrs. M. R. Smith, accompanist, Lubbock.

3rd—Violin Solo—"The Rosary" (Nevin) by Mr. John Powell. Mrs. John R. Turner, accompanist, Brownfield.

4th—Double Duet—"Can't you Hear Me Calling Caroline" (Cara Roma) by Misses Fields, Brown, and Huff and Mrs. Teague, Brownfield. Mrs. M. E. Jacobson, accompanist.

5th—Duet—"Hungarian Dance" No. 4 (Brahms) Mesdames W. D. Benson and Mrs. Fern Porter Cone, Lubbock.

6th—Trio—1st, Sweethearts. 2nd Moonbeams (Victor Herbert) by Mrs. Elliott, Miss Lois Mangum and Miss Mildred Rylander, Lubbock. Mrs. Smith accompanist.

Refreshments were served to 15 members from Lubbock, 9 from Brownfield and 10 from Levelland, after which adjournment followed.

Mrs. Lawton Nicholson, Sec.

BIRTHDAY PARTY

Gaiety reigned supreme Monday night when Patsy Frank Ballard and Sammie Jones entertained at the home of Mrs. Ethel Jones, with a joint birthday celebration. It being Patsy's thirteenth and Sammie's twelfth.

Ice cream was served with the two huge candle-topped cakes to the guests.

Mesdames Frank Ballard and James King visited in Levelland, last Friday, the guests of Mrs. O. G. Cheek and Mrs. Rayborn Knott.

FEDERATED M. S.

Meets with Presbyterian church Monday, April 29 at 3:30 o'clock in the home of Mrs. Roy Wingerd.

Theme for Year: Problems of Christian Family of Today. Devotional, Mrs. Avery Roers. Special Music: Arranged by Mrs. Longbrake.

Discussion: Maintaining a Home Democracy, Mrs. Hanks. Piano Solo: Minnie Lee Walton. Closing Prayer: Mrs. Jesse Cox.

METHODIST M. S.

Mrs. Judson Cook led the lesson, "Songs of Zion" from the study book, last Monday, when the ladies of the Methodist church met in their regular meeting. Mrs. G. R. Arnett held the business meeting. There were ten ladies present.

1937 QUILTING CLUB

Members and guests of the 1937 Quilting club had a very pleasant afternoon on Wednesday last week when they met at the hospitable home of Mrs. C. Hogue. When their work was finished they had quilted one quilt.

The hostess served a salad plate to Mesdames W. L. Bandy, E. L. Redford, F. H. Daugherty, L. A. Ryhne, D. P. Carter, J. E. Aken, and J. W. Hogue.

The next meeting will be Wednesday, May 1, at the home of Mrs. J. W. Hogue.

MRS. DALLAS STATE OFFICER IN FEDERATED MUSIC CLUBS

Mrs. W. H. Dallas, of our city, after having served as State Board Member for 3 years, was made State Officer, at the Annual Music Clubs' Convention, Waco, when the Federation convened April 17-20. Of the eight incoming officers elected at this Silver Anniversary, Mrs. Dallas was one of the four, receiving the entire vote of the State.

Music Clubs of Waco, hostesses, presented many notables, men of letters, musicians, artists. Among these was the honorable Pat Neff. The local Music Club, Cen-Tex Harmony club, was one of the three clubs in the state with a rating of 100 per cent.

Seventh District of Federated Music leads Texas in Senior Extensions, and Texas leads the nation!

Mrs. O. T. Williams of Lubbock is to take the place of Vice-President of the 7th District, when Mrs. Dallas will be Fourth Vice President of the State and Endowment chairman. All officers assume duties June 1st.

Mrs. M. E. Patterson, Seagraves musician, a graduate of Kidd-Key Conservatory represented the Seagraves music club as delegate at the convention. She and Miss Jones, Levelland, accompanied the other delegates to Waco.

BUSINESS AND PROFESSIONAL WOMEN'S CLUB

Guest speakers for the Business and Professional Women's club for Saturday evening, April 27, will be Clara Lee Shewmaker, District Director of District No. 1, Pampa and Hattulu White, State Corresponding Secretary, Amarillo, Texas.

Each club member is urged to be present at the Wines Hotel promptly at 7:30. The ladies will speak on the workings of the club and the aims. After the talks Miss Shewmaker will lead a round table discussion in which she urges everyone to take part.

JUNIOR-SENIOR BANQUET

The annual Junior-Senior banquet will be held at Cocanougher's Cafe, Tuesday evening, April 30th.

There are 147 students in the two classes and there will be 23 teachers in attendance.

Miss Jewel Edwards and Mr. Phillip James are co-sponsors. This affair promises to be the very nicest ever.

CEN-TEX HARMONY CLUB

The Cen-Tex Harmony Club met Tuesday afternoon in the home of Mrs. Grady Goen with Mesdames Culver and Crawford as co-hostesses. Mrs. W. H. Dallas, president, gave a very interesting talk on the State Convention which she attended as delegate at Waco, last week.

A report was given of the meeting held at Levelland by the South Plains Federated Clubs at which nine members of the Cen-Tex Club attended.

The annual dinner given the outgoing officers will be held at Cocanougher's Cafe on the evening of May 10.

Program rendered: Piano and violin "The Rosary" (Nevin) Jno. Powell, Mrs. John R. Turner, accompanist.

Group singing led by Miss Huff "Have You Ever Been to Texas in the Spring?"

Voice—A Memory (Paak) Mrs. Arnett Bynum, Mrs. Jacobson, accompanist.

Federation Hymn—Assembly. There were 15 members present.

MISS SHERMAN TO BE PRESENTED BY MRS. DALLAS

Miss Doris Sherman, daughter of Mr. and Mrs. P. Z. Sherman, 1940 High school graduate, will be presented by Mrs. W. H. Dallas, teacher in Senior Piano Recital May 5, at the M. E. church auditorium, 3:00 o'clock.

She will be assisted by her sister Miss Laurine and Misses Vivian and Evelyn Seale, in voice numbers and readings.

Cordial invitation to all. Bill Allison, chemist at the Arizona Chemical plant southeast of town, has been transferred to O'Donnell.

Mrs. Homer Craig left for her home in Seminole, Monday night. She had been visiting her parents, Mr. and Mrs. Lester McPherson

Brownfield Girl to Attend Iowa Meet

LUBBOCK, April 23.—Five Texas Tech coeds and faculty sponsor will leave Saturday for the regional conference of Intercollegiate Association of Women students, which meets at the University of Iowa, Ames, April 22, 23, and 24. Tech AWS will be host to the national convention next spring.

Marilynn Fry of Floydada, senior student at Tech, will lead a discussion group at the Ames meeting. She and Marie Shook of Sweetwater are members of the regional committee to reorganize the regional constitution. Others who will attend are Jane Hill of Dallas, incoming president of the Tech organization, Nettie Belle Batton of Littlefield, and Vondee Lewis of Brownfield. Mrs. Johnnie G. Langford, head professor of Physical Education for women, will accompany the group.

RECITAL

Wednesday afternoon Gertrude Rasco presented three six-year-old pupils in Piano Recital at the Venetian auditorium. Deenie Ballard, who wore a white taffeta dress with shaded ribbon blue, played the following numbers:

I'm the Kitchen Clock, Showers, Cookoo, Echo, Little Moth, and Organ Grinder Man, all by Jesse. Too Bad, Sawyer; First Daffodils of Spring, Richter; Climbing, MacLachlan; Squirrels in Sunshine, Benson.

Scharlyn Daniell, daintily dressed in green organdy, played the following numbers: Hippety Hop, Naughty Woodpecker, Tramp! Tramp! Tramp!, Busy Mill Wheel, I Like to Dance, Parade, Squirrels in Sunshine, Hungry Pussy, Sunny Gardens, Sky Rockets.

Cynthia Tankersley, wearing a pink net over pink taffeta played the following numbers:

March of the Wee Folk, Butterfly Chase, Clown Dance, Fairyland Music, Airy Fairies, Buy a Broom, Fox and Goose, From Olden Days.

All played the trio, Rock-a-bye by Sabastian.

Mrs. McGowan, dressed in a lovely black dress, presided at the table, which was covered with lace spread over pink and decorated with lovely sweet peas.

The hostesses, Mrs. Roy Ballard, Mrs. A. H. Daniell, and Mrs. Cye Tankersley served punch and angel food squares.

After the program, which was attended by a large group of friends, pictures were made of the three tiny tots.

HELPS EDIT CLEBURNE, TEXAS NEWSPAPER

WACO, April 23.—Mildred Adams of Brownfield was one of 10 Baylor University journalism students who edited the Sunday edition of the Cleburne Times-Review.

Miss Adams was society editor of the Cleburne paper for the day. She is society editor of the Daily Lariat, campus newspaper, and a member of the Board of Publications.

H. AND H. CLUB

Miss Evelyn Jones very delightfully entertained members and guests of the H. and H. Club on Wednesday afternoon. Miss Irmagene Smith scored high and Mrs. Richard Ferguson second. High table cuts went to Mrs. Richard Ferguson and Miss Irmagene Smith.

Delicious chicken salad open-face sandwiches, pickles, stuffed celery, date loaf cake topped with whipped cream and iced tea were served to the guests.

CHURCH OF CHRIST LADIES

Twenty ladies of the Bible class of the Church of Christ met at the church Monday afternoon for the study of part of the 11th chapter of Hebrews. The lesson will be continued at the next regular meeting, April 29.

A basket of groceries was collected for a needy family in South Brownfield.

Mrs. John Dumas and children were here for the week end visiting her mother, Mrs. Ates and sister, Mrs. Iva Jones and other relatives.

Mr. and Mrs. Maury Lewis were in Big Spring, this week.

BAPTIST CHURCH

Some less attendance in the school last Sunday than the Sunday before and we hope to have a full attendance of the teachers and officers next Sunday morning as plans are under way to occupy the new building as soon as it is ready as the people are anxious to get back in their own church home.

Progress is being made in finishing the building but it is possible that it may not be ready in another week but announcement will be made in this column next week.

Funds to finish up the building are coming in slow and unless a concerted move is made to raise about four thousand dollars more cash considerable portions of the work will remain unfinished, as the church feels that fifteen thousand dollars is enough money to owe.

The pews for the auditorium are expected to arrive next week for installation and the tile roof is being put on this week.

The church is going to take a religious census of the town and every religious group is invited to assist in that work and to share in the information gathered and if people call at your home for this information you will greatly assist by giving all assistance possible and it is especially desired to have this census reveal the religious preference of all the new people who have moved into the community in the last two years.

It is already known that the census will reveal a great many people who have previously been active in religious work but having moved into a strange commun-

ity have dropped out of the work greatly to their detriment and that of their children as well as those of this community seeking to teach God's Word and honor Christ.

Members of the W.M.U. are expected to meet with the federated meeting next Monday evening.

Just now is a time for every member of this church to show their loyalty and love for the church by their full support in finishing the new building in a worthy way and members not giving their support at this time betray the fact that they are not only fair weather friends, but cannot be depended upon in an emergency.

Mr. and Mrs. Homer Lively and two sons of Pampa, spent the week end with Mr. and Mrs. J. O. Gillham. Mr. Lively and his two boys and Dorothy Gillham went to Carlsbad Caverns, Sunday, and Mrs. Gillham and Mrs. Lively took Mrs. Gillham's mother, Mrs. S. J. Upton, to Canyon, where she took the train for Phoenix, Arizona. After visiting there awhile she will go on to California. Mr. Lively is Mr. Gillham's cousin.

Mr. and Mrs. Guy Travis of Brownwood, were visitors here for a short time Thursday. Mrs. Travis is the former Jewel Towns and was employed at the Collins Dry Goods store.

Mr. and Mrs. M. B. Tarpley and Grace Lenore and Larry Tarpley, and Mrs. Bill Gore, of their return Monday from Wichita Falls, visited Mr. Tarpley's brother in Truscott and a sister in Vernon.

SENIOR CLASS GOES TO CARLSBAD

The following members of the Senior Class of Brownfield High school and their sponsors and chaperon met in front of the High school building Friday morning, April 19, about 4:30 to go to Carlsbad, New Mexico. Mr. McBrayer and Mr. Tipps, class sponsors and Mrs. Arthur Sawyer, chaperon, Eddie Helms, Mary Ballard, Joy Sawyer, Beth Hamilton, Louise Leonard, Eleanor Gillham, Harold Simms, Elizabeth Smith, Tommy Hicks, La Vern Collier, Jackie Holt, Tom Rowden, Emogene Fitzgerald, Rosavene Jenkins, Francis Kee, and Roy Harris, Earl Burnett, Dorothy Sexton, Barbara Garrett, Doris Sherman, Virgella Dunn, Evelyn Jones, Odell Spear, Claudie Gore.

They boarded the bus about 4:45 and were on their way, taking the route by Roswell.

Breakfast was eaten in Roswell about 7:00 and the party arrived in Carlsbad at 9:30.

Arrangements had been made early in the week to stay at Hotel Crawford in Carlsbad. After the luggage was taken off the bus, we went to the Cavern, this being the first time a few members of the party had visited the Cavern.

Returning to the hotel about 4:30 the remaining hours of the afternoon were spent in resting and dressing for dinner. A number of students, in fact almost everyone in our group rented bicycles for one hour. The rest of the evening was spent with different groups enjoying various things.

About 9:30 Saturday morning everyone rode the bus out to the beach. We found interesting and enjoyable things for our amusement, swimming and motorboats.

Staying there a short time we went to Black River Village. We returned to Carlsbad and had lunch. After lunch several went swimming at the beach and others went boat riding.

We checked out of the hotel about 5:30. When our dinner was over several rode bicycles for almost an hour. Some spent their time in the Curio shops.

Just a little later a few others, including Mr. Tipps went bicycling to the beach, being about 12 or 14 blocks from the hotel. There we had the thrills of a long motorboat ride. This was the first experience of this kind for some of us.

Riding into town about 10:30 our bicycles were checked in, the things put on the bus, and at 11:30 we were ready to say good-bye to the place where we probably spent our last time together as a class and with happy thoughts of this event which will always linger in our school day memories.

Making one stop coming home, that being Roswell, we drove into Brownfield at 5:30 Sunday morning.

FFA CONTESTS HELD

A meeting of the different chapters around Brownfield was held Saturday, April 20. There were several contests held which included news writing, public speaking, one-act play, debate and a leadership contest. These contests were very educational to some boys. The public speaking contest was won by James Ragan, one of the local members. Ropes also put on an interesting one-act play, Plains, Ropes, Tahoka, Meadow, and Brownfield were represented at these contests.

Mr. Neely sponsored the contests, and Mr. Smith, Mr. Brewer and Misses Fields and Tittie assisted in judging the contests.

EXHIBIT ARTICLES TAKEN

Will the person, child or children please return the small Mexican handmade serape and the two Mexican dollies that were taken from room 201 Monday night? They were exhibited on the desk among other Spanish exhibits and were valuable to the owner, who got them in Mexico. The owner will appreciate them being returned to the high school office as soon as possible.

F. F. A. BEAUTIFIES STADIUM GROUNDS

For the last two weeks the F. F. A. members have been working on our local stadium grounds. The sod has been turned up and trees have been planted. These trees have been planted three feet apart on the east, west, and north sides of the field. The purpose is chiefly to break the wind while trying to get the playing field grassed down. There have been 500 trees planted. We are trying very hard to cooperate in giving Brownfield a beautiful stadium field, and the school wishes the cooperation of all too.

Carl Griffith of the Wellman section was in Saturday and informed us that they had just about all their new land broken.

NEW TECH DORMITORY DISCUSSED BY BOARD

FORT WORTH, April 6.—Proposals for construction of a new \$375,000 womens dormitory at Texas Technological college, Lubbock, were considered at a called meeting here today, but action on the matter was deferred.

The dormitory is "badly needed," President Clifford B. Jones said, pointing out that the college has a "long waiting list" of young women desiring admittance. The college has three dormitories, two for boys and one for girls, and an enrollment of 4,246.

Each and everyone who made the trip fully enjoyed every moment of the time and regretted that we could not stay longer.

The bus driver, hotel, and chaperon, Mrs. Arthur Sawyer, congratulated us on our good behavior.

'Know Texas' Pupils To Come By Here

According to the Sunday Dallas News, 40 student winners over the state in the "Know Texas Contest," being sponsored by the Dallas Morning News, Farm News, Dallas News Almanac and Industrial guide, will pass through Brownfield sometime after the 10th of next month, as they will leave Dallas in buses at that time.

Even though some will be from West Texas, the start will be made from, and end in Dallas. The itinerary includes Wichita Falls, Vernon, and a stop at Lubbock to visit Texas Tech. The next places mentioned are Odessa and Pecos, so they will almost necessarily have to pass through Brownfield.

They will visit the Big Bend section and down the Rio Grande, including a trip across the border, ending with the South Texas gulf coast and East Texas oil fields.

PORTRAIT OF MAN WHO CAN CURE FARMERS' ILLS

"Dewey is pleasant to talk with. He makes expressive gestures with his neatly manicured hands... His large brown eyes are his most prominent features. Then his cleft chin, his straight nose, and his curly, almost black hair. He is a dandy dresser. Today's ensemble was brown."—Inez Robb in N. Y. Journal and American.

POOL

There was a large crowd at the Terry County Singing convention held at Pool Sunday. Everyone seemed to enjoy the fine singing.

Mr. and Mrs. S. V. Newsom entertained the young people last Friday night. A nice crowd was present and all enjoyed the party very much. Refreshments of lemonade and angel food cake were served.

Mr. and Mrs. Sam Chambliss and Olin of Brownfield, visited in the Gunter home, Thursday.

Mr. and Mrs. Homer Dunn and family spent the week end with Mrs. Dunn's parents, Mr. and Mrs. Jackson of O'Donnell.

HEALTH REPORT OF BROWNFIELD SCHOOLS

Report of Immunizations and Diseases for 591 Students. Report made by the Five-County Health Unit.

IMMUNIZATIONS: Smallpox 159, Diphtheria 296, Typhoid Fever 156, Whooping Cough 106.

DISEASES: (Children have had) Measles 506, Smallpox 25, Scarlet Fever 82, Typhoid Fever 15, Diphtheria 42, Whooping Cough 510.

Of the 591 students, a total of 444 births have been registered.

About Various and Sundry Things

By J. E. Shelton

The writer had intended to write another article relative to the proposed road bond issue for Terry county, which must be put over if we are to receive any further lateral roads or highway improvements at any time in the near future, but as Judge Simms has written an article covering lateral road situation which will appear in the papers of this week, we will content ourselves with a rambling article on various subjects that are of concern to our county and city.

Holes in Sidewalk

First, in circulating over our streets I notice that there is numerous holes in some of our sidewalks and have wondered why the property owners did not make a few shovels of cement and repair them before some person fell and injured himself on account of them. However, I was of the opinion that the property owner would be responsible for any damages suffered but I recently noticed an article in a newspaper where the city of Big Spring had been sued for \$3,500 to cover damages for injuries suffered by a lady, caused by a fall upon a faulty sidewalk of that city, so it would appear from this that the property owner is not liable after all.

Gas Rates

The cities of Memphis, Wellington and Childress have been in a controversy with the United Gas Corporation for the past two years over the rates that were charged by the company for service and have just recently reached a compromise, but the rates are still very much higher than those we pay to the West Texas Gas Co. and we are indeed fortunate in being included in the territory that is served by them as they have never been forced to or been requested to reduce their rates but have always taken the initiative in the reduction of rates and only recently granted substantial reductions and the territory served by them has a much lower rate than any number of the larger cities over the state, aside from this, they are among the leaders in civic development and always pay their proportion of the cost of any activity that is expected to result in benefit to our section.

Rural Electrification

The Terry county division of the Lyn-Te-Gar Rural Electric Corporation has completed its distribution lines and a number of farm homes have been connected and others wired for connection and it is reported that they still have mileage available for further extension. So as the Union community is interested, several of the farmers of that section have asked the Chamber of Commerce to contact the officials of the company and undertake to reach an agreement for an extension of the line into that section. It is hoped that

Auction Sales Again?

During the last week, representatives of an auction sales company have been undertaking to interest our business men in a free auction sales day and according to their opinion it would result in a very considerable extension of our trade territory, which of course is to be desired, but our past experience with sales of this nature, do not lead us to believe that a venture into it would be successful, as several years ago the Chamber of Commerce sponsored an auction sales day which "fizzled" out within a few weeks on account of a lack of interest. It was afterwards taken up by the Lions club as a part of their activities but was discontinued, for possibly the same reason. However if the business men and farmers desire it, the writer is of the opinion that the directors of the Chamber of Commerce would sponsor it, but there would be considerable cost attached in the way of publicity and auctioneer charges which would have to be borne by participating merchants.

We would be glad to have the viewpoint of both farmers and business men as to their desires concerning it.

That Oil Well
We are hearing reports on the Oran Buckner well which is being drilled in the south portion of the county, as on Tuesday it was reported as a dry hole and the next day it was reported as having a good showing of oil. The Jacobson well in the northwest part of the county is reported as showing oil, with a few feet to go in order to determine the extent of it.

Miss Irmagene Smith and John Kendrick attended the bankers convention and dance in Lubbock, Monday.

Geo. S. Link, of Spur, and prominent West Texas business man, was a visitor here Monday.

Mr. and Mrs. Joe J. McGowan came in Monday from Austin, where they visited their son Bill, University of Texas student.

Terry county had 52 students in Tech college this year.

BROWNFIELD FRIDAY-SATURDAY TEXAS

Miss Queenelle Sawyer is spending the week at Cross Roads, N. M., the guest of her uncle, Ulysess Sawyer and family.

C. L. Brown of Hickman, N. M. came in last week to visit his daughters, Mesdames Wilson Collins, Denison Cook, and son Buster, who had been quite ill in the local hospital from an infection following a tooth extraction.

Marlin Hayhurst of McCamey was here over the week end greeting old friends and visiting his sister, Mrs. Jim Graves.

Dr. and Mrs. Brumage visited the Cecil Barrows in Lubbock over the week end.

Mr. and Mrs. Flem McSpadden and Cheezy McSpadden returned home Sunday from Austin, where they visited their daughter and sister, Mrs. Jim Slavin and Mr. Slavin.

Mr. and Mrs. W. H. McSpadden left Monday for Hot Springs, N. M., where they will take the baths.

The ability to do the most damage doesn't decide the Right of Way.

Mesdames J. O. Gillham and Leo Holmes were visitors in Lubbock, Monday while their husbands attended the bankers convention.

Mr. and Mrs. James Harley Dallas had as guests Sunday, Mrs. Dallas' sister, Ruth Taylor and boy friend Mr. Shewmake, of Lubbock.

Miss Ruby Nell Smith of Texas Tech, spent the week end with her parents, Mr. and Mrs. Jess Smith and sister Mrs. Guthrie Allen and Mr. Allen.

Mr. and Mrs. L. E. McClish spent the week end at her sister's, Mrs. and Mr. H. E. Whitmire's ranch home in New Mexico.

Mrs. O. D. Huckabee, who has been quite seriously ill in the local hospital for the past 2 months, was moved to her home this week.

Miss Janet Youngblood is visiting in Bronte, Texas, where she will attend the wedding of her cousin, Miss Virginia Youngblood, on April 28th.

Mr. and Mrs. A. J. Mullens of Tahoka, were here Sunday visiting in the home of Mrs. Mullens' sister, Mrs. Gladys Green and Mr. Green.

Mr. and Mrs. Randall Alexander, manager of the Alexander Drug store in Levelland, were here Sunday, visiting Gladys Green and family of Alexanders.

Mr. and Mrs. Jack Knighton and Mr. and Mrs. Don A. Peachee spent Sunday in Odessa.

Mr. and Mrs. B. C. Johnson of Erick, Oklahoma, are visiting their daughter and son, Mrs. Claude Cotter.

County Attorney Burton Hackney is ready for a hot campaign as he has his loudspeaking wagon fixed up.

Atty. Rollin McCord, of Tahoka, candidate for district attorney, was in our city and county this week looking after his political fences. He was a pleasant caller at the Herald office.

Mr. and Mrs. J. T. Auburg and two sons and daughters, Mrs. Bob Brown and Mr. Brown attended the funeral of Mr. Auburg's mother in Estilline, last Thursday. She was 94 years old.

Announcements were received this week that Miss Kathleen Hardin, daughter of Mr. and Mrs. W. G. Hardin, will receive her diploma from Lubbock Sanitarium, as registered nurse.

Mr. and Mrs. J. M. Welborn are expected home this week from Ft. Worth, where they went Friday of last week.

Mr. and Mrs. Ame Flache were carried to Vincent in Howard county Sunday, by their son-in-law and daughter, Dr. and Mrs. S. H. Parish, to visit another daughter, Mrs. Bynnie White and family. They were to leave Monday for San Antonio to visit another daughter, Mrs. J. M. Hill, Jr., and family.

Mrs. Bill Taylor and Son, Roy D. Greer of the Gomez section, were very pleasant callers at the Herald office, Tuesday.

 SHIELD EXPERT HERE
H. M. SHEVNAN, widely known expert of Chicago, will personally be at the Hilton Hotel, Lubbock, Thursday, only, May 2, from 9 a. m. to 6 p. m.

Mr. Shevnan says: The Zoetic Shield is a tremendous improvement over all former methods, effecting immediate results. It will not only hold the rupture perfectly but increase the circulation, strengthens the weakened parts, thereby closing the opening in ten days on the average case, regardless of heavy lifting, straining or any position the body may assume no matter what the size or location. A nationally known scientific method. No under straps or cumbersome arrangements and absolutely no medicines or medical treatments.

Mr. Shevnan will be glad to demonstrate without charge.

Add. 6641 N. RICHMOND ST., Chicago. Large Incisional Hernia or rupture following surgical operation especially solicited.
