MR. LEE FULTON, Chairman,  
TERRY-YOAKUM COUNTY RED CROSS:

When American Red Cross asked minimum War Relief Fund ten million dollars, no one could foresee that in two short weeks greatest tragedy in all history would be unfolded. Impossible to describe pitiful plight millions refugees in France. Sick, hungry and homeless, they cry out to us for help. Will need much more than ten million dollars, therefore quotas originally assigned should be regarded only as minimum immediate objectives. Chapters should then go on and where possible double their quotas. In fact only limitation should be the maximum generosity of American people.

We should complete this campaign within shortest possible time.  
Signed: Norman H. Davis

Miss Virginia Stroup, Brownfield Bathing Beauty Queen

### Palace Installs Latest Sterilizing Equipment

The Palace Drug Store, of this city, announces the installation of new equipment for their fountain department in line with their program of modernization. A hearty invitation is extended to all friends and patrons to come in and inspect the newly-installed "Liquid" Steril Ray Cabinet designed to furnish 100% sanitary protection for customers.

Glassware at the average fountain, it has been found, is apt to be hastily washed during peak-hour business, and it is possible, therefore, that it can serve as a means for transmitting many communicable diseases. Fountain operators have been making every effort to find a means of making their glassware 100% sanitary and germ-free. Manufacturers of fountain equipment enlisted in the search to solve this problem so that the fountain patrons would be assured of complete protection through the use of thoroughly-sanitized glassware.

One of the best solutions to the problem yet developed is the Steril-Ray Cabinet installed in the Palace Drug Store. The cabinet is equipped with four electrically-operated Sterilamps which utilize the powerful sanitizing and germicidal action of ultra-violet rays to cleanse glassware so thoroughly that it becomes sterile and free from bacteria.

The Steril-Ray itself is a development of the Westinghouse Electric Company after years of research into the field of ultra-violet ray. The Sterilamp is their latest achievement, and its beneficial actions have already been utilized by hospital, etc.

The beneficial use of ultra-violet rays is no longer confined to the laboratory or the hospital, however, but is now available for the fountain in sanitizing glassware. This modern genius is confined in an ivory-colored box—the "Liquid Steril-Ray Cabinet. Although it may appear harmless enough, it houses a death ray which deals instant death to germs that lurk on fountain glassware.

The Steril-Ray Cabinet operates without heat or chemicals. After glassware has been washed, dried and drained, it is placed on a tray, and loaded into the Steril-Ray.

Mr. and Mrs. A. M. Daugherty, Mrs. Luke Johnson, Miss Sallie Lou Johnson and Miss Hazel Clardy of Notasulga, Alabama, are here visiting Mrs. Weldon and Bernice. They are on their way to California and will return here for a few days visit in about two weeks.

### Soil Conservation Vote Carried 315 to 54

L. N. McClain, Terry County Agent, informed us Wednesday that he had just received the vote of Cochran county farmers and ranchmen in the three-county vote last Saturday. The vote of Terry and Yoakum was already at hand, and the total of the three counties was much over the two-thirds majority demanded by the Soil Conservation committee. The three counties voted as follows:

County	For	Against
Terry	144	25
Yoakum	64	19
Cochran	107	10
<b>Total</b>	<b>315</b>	<b>54</b>

Mr. McClain informed us that the Soil Conservation Board would meet in Temple, Texas, June 3rd, to consider whether this and other Texas districts that have voted lately will be permitted to form the districts. It is altogether up to them whether there was a representative vote or not. Mr. Mack believes that those who voted in Terry represent a considerable portion of both the farm and ranch acreage.

Yoakum county had considerably better vote than Terry, according to number of farms. Perhaps if Terry had pulled a beer election at the same time like they did, we would have gotten out a better vote—or would it?

Anyway, we hope the district is formed by the Board, and all means possible used to keep our farms as they are today or even better. This will or should be a good farming section long after all the oil is drained from underground.

### Will C. Brown Seeing Sights of the City

One of our local lodges used to have a side degree that was both ludicrous and funny, known as "Seeing the Sight of the City." Well, we have one of our country boys out at San Francisco seeing the sights. This is Will C. Brown, one of our very efficient mail clerks, together with his family. Of course they will take in the fair and other sights in the west.

The picture card that Will sent us, however, showed a number of real tall buildings, and we suppose Will's neck had a crick in it from looking up, for a card to another of the clerks disclosed the fact that he had been up in an airplane, supposedly to better see just how high those buildings were.

Anyway, we'll bet Will C. will come back to Brownfield well loaded with sights he's seen, if he can get the "War Talkers" attention long enough to tell them about his trip.

Miss Twilla Graham, who attends Lindwood College in St. Charles, Mo., is expected home early in June.

### Miss Brownfield of 1940 to Odessa

Beginning Friday of this week and continuing through Saturday, the Odessa Jaycees in conjunction with the Commissioners' Court of Ector County will dedicate the new \$75,000 Floyd Guinn Park and swimming pool. Acclaimed as the spot that will ultimately become the playground of West Texas and the Permian Basin, the Odessa Jaycees and the Ector County Commissioners' Court are bending every effort to make of the dedication ceremonies something of which all may justly boast.

In answering the call of the Odessa Jaycees, the Brownfield Jaycees—desirous of selecting representatives that will be a credit to Brownfield—appointed a committee to select a Miss Brownfield for 1940. Under the capable leadership of W. L. (Slick) Collins of Collins Dry Goods Co., Miss Virginia Stroup was selected as Miss Brownfield—Sweetheart of the Brownfield Jaycees. Three charming young ladies, Misses Mary Jean Lees, Betty Shelton, and Wanda Graham were selected as chaperons. Boy Tarpley, that suave, gentlemanly frontman of Latham's Dry Goods was chosen to escort Miss Stroup. Our representatives accompanied by Mmes. Ray Christopher and Slick Collins will leave Friday for Odessa. Saturday a Jaycee delegation consisting of Ray Christopher, Roy Herod and Vernon Brewer will join the chaperons' escorts for Odessa and the climaxing events.

### 764 Visitors See Housekeeping Aid

Mrs. Blackstock, who is in charge of the Housekeeping Aid section of the WPA project located in the Legion Hall, informed us this week that 764 people of Terry county registered as visitors to her department in the past week, from Monday to Saturday afternoon, and she presumed that practically the same number visited the sewing and cutting room in the same department, under supervision of Mrs. Anderson.

It seems to us that this is a good demonstration that the people of this section are for the retention of these essential departments for help of the needy, and instruction on housekeeping, preparation of proper foods for both the well and sick, as well as turning unused and discarded material into useful household articles.

Mrs. Blackstock expressed appreciation for publicity this and other mediums gave them.

Miss Beulah Phifer of Roswell, visited her cousin, Mrs. T. H. McIlroy, Sunday.

### A 5,500 Foot Test On Brownfield Ranch

The nearest deep oil test to the city will likely be started in the next 60 days, according to a dispatch from Midland to the Star-Telegram, Sunday. This test is to be put down by Ray A. Albaugh, who has drilled a number of wells in this section. Mr. Albaugh seems to have utmost confidence that there is a pool of oil in southeast Terry county. This well will be within four miles of town.

According to this dispatch, Mr. Albaugh has leased 9,700 acres, all blocked in the Brownfield ranch, belonging to the heirs of the late M. V. Brownfield. The site for the test which is to be put down 5,500 feet, is on the northwest quarter of section No. 49 of block T. It will be known as the Frances R. Graham No. 1, who was the youngest daughter of the pioneer ranchman. Consideration reported was \$2.00 per acre, which as stated above, obligates drilling within 60 days.

This location is supposed to lay on a northwest, southeast trend of the Cedar Lake pool of northeast Gaines county, and the Slaughter pool of Southwestern Hockley, in the latter of which is located the first Terry county oil well. An unconfirmed report is that the Slaughter pool is to have a pipe line in the near future to Midland, and another to Big Spring. Up to now, all the oil from this pool, as well as in Cochran county, has been hauled to refineries or tank farms.

We learned this week that no other wells are started, except an offset of the Livermore in northwest Terry, which is across the section line from the No. 1 Jacobson, east and slightly south. However, we understand that about all the preliminaries to the Wellborn well seven miles southwest of Brownfield are completed, and it is hoped that this well can be started by June 1, or soon thereafter.

### King Moving Auto Parts Store This Week

John A. King, who has stores as both Brownfield and Lubbock, is moving his store from the rear of the Webber-Bailey building, more generally known as the Holgate-Anderson building, to the new building on east Main, recently completed by Laddie Lynn Brownfield.

However, auto parts is rather a misnomer, as many other things, like bicycles, garden hose and tools are carried as well as auto parts. They have a much more advantageous location in the new building.

### Christopher Re-elected As Jaycee President

In a meeting that reflected the spirit in which the organization functioned throughout its first year, the Junior Chamber of Commerce chose Ray Christopher to again serve as its president during the coming year. The meeting was held at Hancock's Cafe.

Other officers elected were: Kyle Graves, first vice-president; and Lynn Nelson, second vice-president. Vernon Brewer and Spencer Kendrick were re-elected to the post of secretary and treasurer, respectively.

New directors are: Lynn Nelson, Slick Collins, Red Stewart and Herman Chesshir. Bruce Zorns, J. M. Telford, Clavis Kendrick and Emmitt Smith retired from the board of directors.

Following the meal, the meeting was temporarily adjourned until chairs could be re-arranged in the private dining room. The meeting was again called to order, and following a brief report of the state convention by the president, a novelty number was presented by Tom May, Gene Hurt, and Lorn Walters, the latter member of the trio being entirely unrehearsed.

Virginia Stroup, whom the organization is sponsoring at the bathing revue at Odessa was introduced, and following this, reports from the various committees were given. Election of officers came next, and after a speech of acceptance by the president, the meeting came to a close. Twenty-three were present at the affair.

The organization has shown a hearty growth. Starting with 70 members the membership, total is now 89. The Jaycees have undertaken several projects at various times during the past year and have already carried most of them to a successful conclusion. Projects now being discussed and likely to be undertaken this year include: Additional street lighting, continued community publicity, and purchase of a new camera, Juvenile recreation program, erection of street markers and goodwill tours.

According to Secretary Brewer, plans for a President's Inaugural Ball will soon be considered. Watch for announcement of date.

### Census Shows Growth Of Plains Towns

The following 1940 population figures, released this week by A. G. Bearden, district census supervisor, along with 1930 figures, offer a basis of comparison of the growth of six towns in the South Plains area during the past ten years.

Seminole led in percentage gains, a fact undoubtedly due to the recent spasmodic growth as a result of oil development in that immediate area.

Lamesa's steady growth during the same period places its percentage gain second on the list:

	1940	1930
O'Donnell	1,131	1,026
Tahoka	2,124	1,620
Lamesa	6,019	3,528
Post	2,039	1,668
Snyder	3,807	3,008
Seminole	1,760	760

### Roy Wingerd Moves Lumber Yard

Roy Wingerd has moved his lumber yard from a site on the Tahoka highway to a juncture of the Lubbock-Tahoka highways, on the north side of what is better known as Lubbock Avenue. The new location is just across the highway from the Moxley Lumber Co.

The new location is much better for the business than the old one, as it gives them access to two, instead of one throughfare.

### BROWNFIELD 16 SHORT OF 4,000

Mr. Frank Farmer, first assistant to the Census Director, Mr. Dearden, of Lamesa, was here Thursday, and disclosed the fact that Brownfield had a preliminary estimate of 3,984 people, and Terry county 11,006. Brownfield fell short of 4,000 by 16. Later reports Thursday evening find that number increased to 4,003.

With the above figures as basis, Brownfield showed a gain of 109 percent in ten years from 1,907 in 1930, and the county a growth of 24 percent from 8,883 in 1930.

The candidates for Tax-Assessor-Collector can now sleep in peace as the county has over 10,000 the amount necessary to separate those offices from the Sheriff's office in Texas counties.

### Kyle Gro. Putting On Anniversary Sale

One year ago, come Saturday, Kyle Graves purchased the interest of his partner, Clarence Hudgens in what was then the Hudgens Grocery Co. It was a rather big and daring undertaking, as there was an immense stock of groceries to buy and pay for. But Kyle knew that he had many friends in Terry county and this trade area, and it was not with any great amount of fear that he tied into the deal. Progress has been rapid toward a fine business.

In fact, there has not been a month since about the first two that the business has not shown a substantial increase that ran into thousands of dollars. Each month this year has shown a great increase over the same month in 1939. Kyle says he is not making a great deal of money, but his volume has increased, and instead of two to divide the dividends, there is only himself at present.

This store has always made a practice to see that small children sent by parents are given the same square deal as if they were accompanied by their parents. In fact, the little fellows get the advantage if anything. As a consequence, the customers' youngsters know and admire the big, tall fellow and his smiling clerks, and most of them do not hesitate to call him by his first name without the preliminaries of a handle.

In appreciation of this great volume of increase, Kyle has decided to make his anniversary sale a real bargain event for their many customers over the week end, and including Monday tradesday. Note his page ad on the page they regularly run on. In addition, there will be many welcome surprises for customers.

Some remodeling, including a new Red and White awning, instead of the present wooden awning, and a job of making the two stories pure white to the top, is a thing of the future, but that is another story.

### Copelands Buy Cleve Williams Hardware

A. M. Brownfield closed a deal with C. L. Williams last week for the Williams Hardware and Furniture stock on the north side of the square, including the building and lot. The lot is 25x140 feet and the building 25x100 feet. He was acting for his son-in-law and daughter, Mr. and Mrs. Lal Copeland.

It was stated to the writer that Mr. Copeland will be unable to come right over and take charge of the business and property as he is in the employment of the Higginbotham-Barlett Co., at Ralls and they wish to retain his services until they can replace him with another man.

As soon as he is released by the above company, he and wife will move to Brownfield to make this their future home.

T. L. Patterson announced Thursday afternoon that enough extra people were found to put Brownfield's population over the 4,000 mark.

### Doesn't Like Proposed Mural for Post Office

James H. Dallas, local P.M., and major Democrat, called us in last week to see a deep, dark secret. We didn't know whether he aimed to open a keg of nails or whether Mr. Farley had written him that his time was up with this four years. In fact, our curiosity was standing about 120 in the shade and no shade to speak of. But James just wanted to show us the pencil sketch of a mural (painting on a wall to us) that is proposed to go on the wall at our fine, new postoffice building.

To say the least, James H. did not hesitate to give the proposed painting a few panings, and we agreed. The scene is supposed to be three or four cowboys battling a prairie fire by dragging a steer through the blaze, while the billowing smoke and fire looked like distant mountains. Of course, the color, the thing might look better.

In the first place, the cowboys look more like they do south of the Rio Grande than Texans, and we have seen lots of Texas cowboys. Their stirrups, leather and trimmings almost dragged the ground, a whole of a contrast to the usual open Texas cowboy stirrup. And the hats looked more like sombreros than 10 gallon Stetsons. Last but not least, the carcass looked more like a fat porker than a steer.

But maybe the design is modernistic, in which case, James H. and the writer would be considered poor judges. P.M. Dallas, seems to have the right idea, however. He wants to consult with a number of people who have been here for some time, and agree on a subject matter that more nearly suits Terry, as is, than when the wild Comanches roamed the area.

Jan. H. is on the safe side, as he was named Monday by President Roosevelt for four more years.

### Red Cross Still Short of Quota

Information obtained from Lee Fulton chairman of the Terry-Yoakum county Red Cross this week was to the effect that \$225 had been collected here, of the \$360 needed. Let us say right here that many counties, not nearly in the financial condition of Terry, have long since gone over the top with their quotas.

At the time a Herald representative talked with Mr. Fulton, nothing had been heard from Yoakum county about their part of the quota. Mr. Fulton stated that a committee might have to visit that county, and line up some solicitors over there. We feel sure that the Yoakum county people will respond handsomely when the matter is presented to them, and given a chance to donate.

But they must have a leader or leaders and a petition. It is very likely that many of them do not know who to pay, or where. Terry county should within itself, raise much more than the \$360 allotted us.

Geo. W. Neill and family are entitled to a pass to the—

- FOR COMMISSIONER PRE. 1 T. D. (Tom) Warren, re-election
- FOR COMMISSIONER PRE. 2 H. C. (Red) Stephenson Geo. W. Henson, re-election. J. S. (Jess) Smith W. T. (Bill) Settle
- FOR COMMISSIONER PRE. 3 J. F. Malcolm, re-election. J. T. Pippin
- FOR COMMISSIONER PRE. 4 W. B. Martin, re-election. J. L. (Lee) Lyon
- FOR CONSTABLE PRE. 1 Luther Jones J. D. Stafford, re-election.
- FOR JUSTICE OF THE PEACE J. W. Oliver, re-election.

The Texas Motor Transportation Association has announced that they are ready for any emergency if and when Uncle Sam should need them, to move supplies or munitions from one point to another. They have already organized for an emergency should it arise. Texas is not alone in this, but we understand that it is national in scope. Texas has around the most trucks per capita of any state in the union, there being 1 truck for each 13 inhabitants.

A lady in Lubbock told us Sunday that a professional man in that city had been loading her on the great merits of Herr Hitler, and laid all the blame of this war, the invasion of neutrals, and the killing of unarmed men, women and children on the Allies. He informed her that Britain and France had "oppressed" the German nation. To our notion that guy belongs to the Fifth Column, and should be reported to the proper authorities in Lubbock to be watched. The lady had not been reading closely and thought the man was giving her straight dope.

Editor Forgy of the O'Donnell Press had us searching all over for the balance of his editorials under his "Sketches" last week, and search as we would, couldn't find them. Supposed to be continued on page four, but there was nothing but ads and Rollin McCord's announcement. Minded us of our school days when we'd get hold of a book belonging to someone else with a written message at the top of a page, which informed us "if we were looking for our fate, see page 88" and on page 120 you'll find the name of

**ULEE McPHERSON LEARNING ART OF PRINTING**

Ulee McPherson, son of Mr. and Mrs. Lester McPherson, joined the Herald force last week, and proposes to really learn the art of printing from A to Z. In fact, that is the only kind of hand worth a hoot in a small country shop. Specializing in ok for large city shops. Ulee has started in with an earnest desire to learn. He has just finished high school, which gives him sufficient "learning" to handle most any matter about a print shop. He doesn't mind a little work, and is patient to a degree.

**CATTLE SHIPMENTS SHOW A DECIDED DROP**

AUSIN, May 27.—Livestock shipments in Texas during April slumped 23.1 per cent below April, 1939, University of Texas Bureau of Business Research reports show.

The bureau's analysis was made on shipments from Texas ranches to other states and to Fort Worth Stockyards.

your enemy," etc. Don't do us that way anymore Mr. Forgy, it makes us madder to get fooled than when a kid.

Recently a lady was here from a nearby county seat town to get some prices on printing a year-book for her club. We gave her some prices, which we know were not suitable, as she never returned. We are not prepared to say what kind of prices were made her by other printing firms in town. But we'll bet a jill of buttermilk that before the season is over, that club will have called on their local publisher for many dollars worth of space, devoted to the upbuilding of their club. Another thing, we understood that her husband is in business in that town. We hope none of his customers shop around in other towns for wares that he carries. But, what is sauce for the goose is sauce for the gander.

It seems that some are bidding our old friend, Ed Shelton, former chamber of commerce secretary, adieu. But Ed is a long ways from leaving us. Ed dropped into Terry way back in 1917 the dryest year in modern times out here, and if Ed was easily run he'd a skeedaddled then. But he stuck. And there has not been a day or hardly an hour that he has not been boosting Terry since that time. Did you ever hear him knock the county? We haven't, and we've been pretty close to him. He has put in many hours boosting and working for the town and county when some of the less optimistic were asleep or perhaps knocking. Yes sir we expect Ed to be with us a long time yet, and although he is no longer the C. of C. secretary after today, you'll find him still working. And, by the way, he has done lots of work he did not take time to broadcast. The Herald takes this opportunity to thank Ed Shelton for the many favors extended to us, in helping to supply news about the chamber of commerce. At the same time we welcome his successor to the position, and we believe we are going to find Mr. Patterson a real worker, and not just a horn tooter. At least he has that appearance to us.

Congressman Lee E. Geyer of California "sont" us an article this week "not printed at government expense" in which he endorsed Senator Thomas' (Dem-Utah) bill proposing to do away with poll tax payments in eight southern states, Texas inclusive, "in order to have a more representative government in those states." We believe that Senators Morris Sheppard and Tom Connally, and Congressman George Mahon and 20 other congressmen from Texas, are just as able, smart and alert; just as representative of Texas as are the senators and congressmen of California and Utah. Many young people get their first vote free in Texas, and after reaching 60, they pay no more poll tax. The money derived from poll tax payments goes mostly to our school system, and is the only money contributed by a lot of people, and all should help to the best of their ability. Too, we believe that Texas, although a one party state, is just about as free from election scandals as most of the states. The \$1.75 may keep a few from voting who wish to vote, and perhaps a lot that are not qualified to cast an intelligent vote in some sections of the state, and the old south particularly. Until we get rid of a lot of illiteracy, let's retain the poll tax requirement.

**Platform of Alvin R. Allison**

Candidate for State Senate, 30th Senatorial District

Backed by my record in the Texas Legislature that shows I kept faith with the people, with vote and action, and pledging that my efforts to serve the 30th Senatorial District shall always be governed by the will of its citizens, I present this platform in support of my candidacy for State Senator.

I ask for a natural promotion from the House of Representatives to the State Senate, based on service, legislative experience and first-hand knowledge of the problems and needs of this district. I am 32 years old, married and have served four years as County Judge of Hockley County, Texas. I am past president of the West Texas County Judges and Commissioners' Association, and am now serving as State Rep-

resentative of the 119th district.

**Authored Hot Check Law**

As State Representative, I directed my efforts toward worthwhile services to the citizens whom I represented; and I DID NOT AND SHALL NOT BREAK FAITH WITH THE PEOPLE WHO ELECTED ME TO SERVE THEM. I believe that legislation should be constructive and of real benefit to the people. For example, the hot check law which I authored and sponsored. Today this law protects the average citizen of Texas from ruthless swindlers. When your State Senator, I shall continue to do all in my power to carry out the mandates of the people by supporting those measures needed and wanted by the citizens of the 30th Senatorial District.

**Sponsors Social Security**

Today, the aged people, the destitute and under-privileged children, the needy blind, and teachers' retirement obligations have not been taken care of. My record proves I voted and actively

supported all efforts in the last legislature for immediate payment of these social security obligations.

I WILL NEVER quit the fight until justice has been done our needy aged, according to the overwhelming mandate of the people of Texas in 1935. As your State Senator, I shall continue to support ALL reasonable, adaptable and fair plans that will pay the social security bill.

If one man's vote could pay our Social Security debts—the old people, the needy blind, the destitute and underprivileged children and retired teachers would today be fully taken care of, as was reflected by my vote, when your State Representative in the last legislature.

Financing of the teacher retirement Act has my pledged support. I believe the state should make immediate provisions to match DOLLAR FOR DOLLAR the payments made by teachers into this fund; and I shall continue working and voting, so we may have a prompt solution of this problem. For Increased Truck Load Limit

I have always favored an increased truck load limit for Texas. The present 7000 pound load limit is discriminatory and inadequate; and prevents the small trucker from making an honest and decent living upon the money he has invested. The present law also hinders the best interests of our agricultural pursuits—such as the marketing of products by the farmer and rancher. I SHALL CONTINUE TO WORK and VOTE FOR AN INCREASED TRUCK LOAD LIMIT IN TEXAS, AS I HAVE ON EVERY OCCASION AS YOUR LEGISLATOR.

The citizens of Texas have long wanted to know just how and where their tax dollars are being spent. For that reason I am for a publication law requiring that

Alvin R. Allison

records, showing disposal of public funds in city, county and state offices, be published at regular intervals in the local newspapers; so the people may know how their tax dollar is being spent. Only dishonest public officials would dare oppose this bill.

As State Senator I will favor an occupation tax to protect our small towns against peddlers and fly-by-night businesses that drain money from our people without contributing one penny to the financial welfare of the community, its schools or institutions. This tax would not be levied against home town concerns but against the peddlers and "boomers" who are today taking unfair advantage of your home town and mine.

**Friend to Farmer**

No man should not be allowed to walk through the door to the Texas Senate Chamber who is not in harmony with, and working for the best interests of labor and agriculture. I favor legislation that sponsors, gives encouragement to, supports and fosters improvement in labor and agriculture.

Sound economy in government shall be my watch-word as your State Senator. Our State needs proper administration and men in the legislative halls with backbone enough to fight for the people's rights, without regard for their own personal interests or desires.

**Seeks Natural Promotion**

I seek a natural promotion whereby I can serve you in an even greater capacity as State Senator; and pledge that my efforts and actions will always be governed by the will, problems and needs of the citizens of my district.

**TEXAS TRUCKING INDUSTRY READY FOR EMERGENCY**

AUSTIN, May 27.—The Texas trucking industry is being carefully checked to make certain of quick mobilization of the state's trucks in the event of a national emergency, according to Lynn B. Shaw, manager of the Texas Motor Transportation Association.

In case of war, the trucking industry would play an important part in rapid movement of supplies, and the 336,000 trucks in Texas would have a major role, Shaw said. Plans for such mobilization have been worked out in detail by officials of the war department and American Trucking Association in line with a study of military transportation problems made two years ago.

**HOW TO BEAT A SKID**

Race drivers have three cardinal rules when their cars go into a skid and the rules might well be memorized by all motorists. They are: don't touch the brakes, leave the car in gear, turn with the skid not against it.

**Delegates Inspect Spreader Dams**

College Station, May 29.—Systematic spreading of water over a wide area of rangeland will be inspected by delegates to the National Range Conference in West Texas, June 24-28.

**I. W. DUGGAN**

On the George Jones ranch in Jeff Davis county, the ranchmen and AAA officials attending the conference will observe the effectiveness of a system of spreader dams which divert water which comes down from the hills and spread it over the ranch. The use

**R. M. EVANS**

of the dams enables Jones, who cooperates fully with the Range Conservation Program, to maintain good stands of grass where otherwise the coverage would be sparse.

**GROVER B. HILL**

In other counties, the delegates will view various practices adopted by ranchmen under the program, such as prickly pear eradication in Val Verde county, cedar eradication in Kimble county,

**100,000 Airplanes Can Be Readily Utilized**

Eddie Rickenbacker, America's leading war ace is of the opinion that President Roosevelt's aim of 50,000 airplanes a year is far too modest and he points out a way whereby 100,000 airplanes could be provided at no cost to the government or public. Here is his statement:

"The one feasible solution I have been able to think of is to have all first-class mail carried by air for distances more than 100 miles. In that way, the United States will be utilizing the one strategic factor it has that no other nation in the world can equal—its tremendous commerce, carrying on half the business of the earth.

"Consider what this would mean to us as a nation. It would be brought about at no extra cost for the government or the public. The aviation industry would jump at the chance to carry this mail at the existing 3c rate.

"It would increase our peacetime aviation industry 200 times—200 per cent, but 200 times.

**Maginot Line of the Air**  
 "It would give us twice as much as what President Roosevelt says we need. It would give us 100,000 planes and 200,000 men to fly them and 400,000 technicians to keep them in condition and, most important of all, the industrial plants to replace them.

"It would make aviation a mass industry that would have room to absorb the millions of young men who are hungry to get into it, but simply cannot nowadays. There would be our reservoir of flying manpower.

"I don't think it would take more than two years to carry out such a program. The 100,000 planes the industry will be commercial planes, but it is commercial planes that Germany is now using for bombing and transporting troops.

"I believe that with such a program no nation would dare come over here to attack us. We have bombing planes now that can fly to Europe and back with a full load and without refueling. If we built an air base in Maine, another in Florida, a third on the Texas Gulf, a fourth in Southern California, a fifth around Portland or Seattle and a sixth in Alaska, we shall have built a Maginot Line of our own in the air that no nation could break through in numbers to great for our own land forces to deal with."

Mrs. Gertrude Anderson, WPA Sewing Room Supervisor is spending the week in Ruidoso.

states will attend the conference which starts at Midland and ends at San Angelo where the business sessions will be held Friday, June 28.

Speakers at the conference will include R. M. Evans, national AAA administrator, Grover B. Hill, assistant secretary of agriculture, and I. W. Duggan, director of the southern region of the AAA. Delegates from Texas will include the members of the state AAA committee, composed of 12 farmers and ranchmen and Executive Director H. H.

**Almost Complete AAA Compliance This Year**

In conversation with T. L. Patterson, present assistant to the county agent, and incoming Chamber of Commerce secretary, he stated that he figured that fully 98 per cent of the farmers of Terry county had already intended to comply with AAA provisions this year. He stated that Terry complied 100 per cent last year, and he saw no reason at present for 2 per cent not to comply.

We were under the impression that they must sign up, but Mr. Patterson said that a farmer might comply at any time during the making of his crop, there being of course no provisions to not plant more acreage of certain crops than allotted on the farm. Some, who unintentionally have a bit more than allotted are not disqualified, he stated. But such excess acreage must not be harvested.

Despite the fight on AAA by big production men the farmers seem to think it a great thing, at least, a great majority of them. There may be some things about the matter that should be amended, and no doubt will, as at present most people believe that the largest farms get the most benefit.

We already have a mess of cotton on hand that a market must be found for, or new uses for which cotton can be used. In the meantime, there is no use to produce millions of other bales to depress the market. At least that is the way a half-wit country editor looks at the matter.

We regret to report that Mrs. H. G. Richards, wife of the Anton News editor, is ill at the Lubbock Sanitarium, but reported to be better. She is the mother of Afton of the Meadow Star and Edwin of the Denver City Post.

Attorney Smith of Denver City, had legal business here, Tuesday.

**Music As A Civic Asset**

By Emogene Fitzgerald

Music is one of the many ways an individual has of expressing his feelings and thoughts.

In our churches, music creates an interest and causes people to attend church. It serves us as an inspiration and makes better people. Good and well-attended churches make a better town.

Music in the schools not only helps the individual in many respects, but helps the town and its interests. It also creates a better and higher citizenship among the pupils. Public school music courses develop a better knowledge and a greater appreciation of music.

A good school not only adds to the knowledge of the pupil, but it is a great asset to the school and town. Better civic programs result from music taught in the schools. Music gives an individual a brighter outlook upon life as he looks into the future.

Music helps the recreation of a town because it creates more happiness in good, wholesome activities we participate in and creates an enthusiastic desire to compete or take part in the various activities of our town. It develops a greater satisfaction among the young and old in both homes and schools.

Music helps the cultural and moral standing of citizens in town. Clubs among the adults and classes in public schools cultivates greater culture as they study the lives of musicians. We learn of their interest in music and their desire for it to be continued and improved.

Today throughout the world, people are showing more interest and are taking part in the musical education which adds to the further development of more than just the musical side of life. Better programs are being given ev-

**Music As A Civic Asset**

By Eleanor Gillham, Senior 1940 Brownfield High School

Music is said to be a universal language because it expresses feelings that can be understood by all peoples. It speaks to people's hearts and can be felt by every person, no matter what their nationality or mother tongue may be.

Every race, even the most primitive, which has ever existed has some sort of music. In the modern community music plays an active part and has been a creator of and a service to many organizations.

Through the beautiful messages in song, our modern church services have become more sacred, interesting and attractive to the people of the world. Many non-Christian people have been converted by the sacred songs sung at the church services. People are inspired to be better citizens in their community.

Music exists in every walk of

everywhere, and are certainly beneficial not only for the entertainment viewpoint offered, but for the educational viewpoint in life. These programs, being given by the numerous music organizations, develops a greater appreciation for music. It creates a better morale among citizens, causing them to be happier and the desire to join the happy band of people which are adding much to the lives of everyone through music.

Music has a great value which the world has long recognized and is eager to learn more about.

Sacred music in our schools and churches has touched the hearts of many young people, causing them to be more interested in the movement of the church work and wanting their associates and organizations to be more Christianized, in order to make a better world in which to live.

**Healthful Sleep A Sweet Restorer**

By Berniece Weldon, D.C., Ph.C.

There has been much in song and story to celebrate the satisfaction of sleep. Shakespeare called it "sleep that knits up the ravel'd sleeve of care" and again, "Balm of hurt minds, great nature's second course, Chief nourisher in life's feast."

It is during sleep that the batteries of life are recharged, and vitality is raised to the point where there is once more power to perform.

But, if sleep refuses to come, then vitality begins to ebb. The mind is beset with worries, and the body with pain and exhaustion. The nerves seem to come to the surface, raw and irritable, instead of being "encased in contentment". There is no method that restores nerve ease and strength, that more quickly and naturally conquers sleeplessness than chiropractic spinal adjustments.

Deputy Sheriff Houston Hamilton and A. J. Stricklin Sr., of this city attended district court at Seminole, Wednesday as character witnesses in a case. Found that city growing nicely and Ed Arvay and Bill Stell and all the former Brownfieldites doing nicely. Very little rain fell there that day.

**Chamber of Commerce Items**

By J. E. Shelton

This is the last article that will appear under my name as secretary of the chamber of commerce, as Mr. T. L. Patterson, newly elected to the office will assume charge on June 1st and I bespeak for him, the cooperation and assistance of the entire citizenship of our county and town. In relinquishing the place to Mr. Patterson I still expect to retain an active interest in the growth and development of Brownfield and its trade territory as long as I am a resident of it, as I do not believe that any man who has his residence either in the city or county and is dependent upon its progress for his own well being, should shirk his responsibilities and leave it all up to "George" to see that the job is done. However, we have them here and they are in every town, but I don't propose to be pumbeared among them.

The "clean-up" campaign which closed last Saturday, was far more successful than the one of the previous year and the city had full cooperation of all committees out of the various civic organizations and of probably 90 per cent of the residents of the town, but there were some who did not make any effort whatever to cooperate and as a consequence, clean-up week was not as successful as it could have been.

The Texas-New Mexico Pipe Line Company is expected to let the contract for construction of a pipe line out of the Hockley and Cochran County oil fields to Midland, Texas, within the next few days. The line will run about two miles east of our city limits.

From information received out of the offices of County Agent McClain about 75 per cent of our crops have been planted and about 15 per cent up and growing. It has been necessary to replant a considerable portion of the early plantings, but from all information available prospects of a crop are very much better than they were at this time last year.

Texas ranks fifth in the nation in numbers of new members in the American Shorthorn Breeders' Association, Chicago, Illinois, according to figures released recently by the Association. This is the highest ranking of any southern state.

**TEXAS RANKS HIGH IN SHORTHORN MEMBERSHIP**

In a banner year for Shorthorns, asserts Secretary H. J. Gramlich of the Shorthorn Association, the organization received 503 new members up to May 1, which is a 74 1/2 per cent increase over the same period last year. April business this year more than doubled that of April, 1939. In the 12 months of the last fiscal year there were a total of 740 new members.

An increasing number of Texas cattlemen, Gramlich states, are turning to Shorthorns, both for purebred purposes and for crossing on their range cattle. Most of the new members are comparatively young men whose herds have just reached a size to justify membership in the Association, which indicates a promising future for the Shorthorn breed, believes Gramlich.

Anybody can yell "More Mileage"... but

I dare to give you a close count... on your

# MILE-DIAL... FREE

YESTERDAY your gasoline choice might have been merely a notion. Today you can KNOW!

TODAY—ENTIRELY FREE—you can get your Conoco Mile-Dial at Your Mileage Merchant's Conoco station... And then as reliably as an accountant, this certified instrument accurately reports your own car's actual mileage from your Conoco Bronz-z-z gasoline.

BRONZ-Z-Z DARES to give you free this clean-cut way to check its mileage, straight in front of your eyes—on your smart, neat Mile-Dial that instantly goes on the dash. (No marring.)

NOW YOU CAN KEEP ON CHECKING all you please, and have lots of fun doing it—spared from endless scribbling and risky memory work. Small chance now, that you'll happen to give Bronz-z-z a "cinch"—on some easy country trip, or traveling more downhill than up, or running ahead of the wind, or rolling on concrete exclusively. For now you can check up on Bronz-z-z till you're sure you've "averaged in" plenty of the most congested driv-

ing, steepest climbs, strongest head-winds, and bounce-y roads that are hard on gasoline.

AFTER 100 or 200 or 500 MILES, your honest impartial Mile-Dial may show you so many miles per gallon of Conoco Bronz-z-z that you exclaim, "It seems impossible." So you'll feel like checking Bronz-z-z for another 1000 miles or more, on your handy labor-saving Mile-Dial, till you've absolutely sold your own self, right in the privacy of your own car.

INSTEAD OF JUST YELLING "More Mileage" the Conoco Mile-Dial is telling. It's telling the truth and nothing but the truth because it can't do anything else. That's the one way Your Mileage Merchant wants you to judge his Conoco Bronz-z-z gasoline. He's meeting the demand of consumers today, for solid buying information. He's banking on what your Mile-Dial shows you in figures—in mileage—in SAVINGS. Drive in to his Conoco station today, while you can still be sure of getting your trusty Mile-Dial—FREE. Continental Oil Co.

# CONOCO BRONZ-Z-Z

### ALBINOS MORE NUMEROUS

It is entirely possible albinos are not as rare as has been thought. A check of the fur dealers' plants in one state Game Warden's district disclosed the fact that fifteen fur-bearing animals were snow white, but it was impossible to determine whether they were true albinos. The true albino has pink eyes.

The animals included five opossum, noted in a fur house at Sherman, two skunk and one mink, also found at Sherman; one opossum at Bridgeport, two at Jacksboro; one mink at Sherman and one ringtail cat at San Saba.

A trio of white quail were also uncovered by the same warden at Chico, Texas.

### A CARUSO STORY

"No man is so well known as he thinks he is," once said Enrico Caruso, the late world-famed tenor. "While motoring in New York State," continued the great singer, "the automobile broke down and I sought refuge in a farm house while the car was being repaired. I became friendly with the farmer who asked me my name and I told him it was Caruso.

"The farmer leaped to his feet and seized me by the hand. 'Little did I think I would see a man like you in this humble kitchen, sir!' he exclaimed. 'Caruso. The great traveler, Robinson Caruso!'"

You haven't learned all there is to learn about driving carefully.

### To The Citizens of the 106th Judicial District Of Texas:

In making my formal announcement I trust that you will grant me this opportunity to acquaint you with my qualifications for an office which is vital to the happiness and safety to you, your loved ones, your homes, and your community. This important office is

that of District Attorney of this district, comprising of Garza, Terry, Lynn, Yoakum, Gaines and Dawson counties.

I am married, 36 years of age and have lived most of my life on a farm. I came from Baylor County, Texas to Lynn County in 1916. I attended the public schools of these counties and received my legal training in Southwestern University of California; there I earned my own way during the three years I attended that institution.

County honored me by electing me their County Attorney, the office I now hold; I was elected for a second term without opposition. During this time I have taken advantage of the opportunities which this office affords by continually studying and preparing myself for advancement. I have gained valuable experience in the trials of both civil and criminal cases in all our courts, having worked with each Grand Jury and assisted in the trial of Felony cases.

I deeply appreciate the confidence of my many good friends throughout this district and I trust that you whom I have not had the pleasure of meeting, will investigate my record as an honest citizen, as a practicing attorney and as a public official of this county. I sincerely believe I am qualified to perform the duties of the high office to which I aspire and know I am courageous enough to administer the duties thereof for the cause of right.

When serving as your District Attorney, it shall never be said of me that I persecuted the poor and defenseless in order to make a record for myself or the office for which I am asking. I pledge fairness to all who come before me, whether they be rich or poor, high or low; that the guilty shall be punished and the innocent go free.

Respectfully submitted, Rollin McCord of Lynn County, Texas

Mr. and Mrs. Claude Darden of Lubbock and Mrs. Annie Darden of Gurrard, visited in the L. R. Pounds home Sunday. Mrs. Annie Darden came to see her grandson, Tommy Hicks, whom she had not seen in several years.

Pedestrians aren't armored—In 1936 the good citizens of Lynn give them a chance.

## Stop at the DOUBLE DOT IN SNYDER

We invite all our friends in Terry County to call and see us at our place of business in Snyder, on the southeast corner of square, when you are visiting here or passing thro.

MR. AND MRS. HERMAN TRIGG  
SNYDER, TEXAS

John W. Carpenter  
Gen. John A. Hulen  
President Clifford B. Jones  
Ernest O. Thompson

### Tech College to Graduate 417 in June

LUBBOCK, May 28.—With 417 candidates for degrees at the annual commencement exercises on June 3, Texas Technological College will graduate the largest number ever to receive degrees at one time in its history. This number represents a twenty per cent increase over last year. Added to the total of 3939 already awarded degrees by the institution the total number will be swelled to 4,356 by the new graduates.

Graduation exercises will be held this year in the college stadium to take care of the expected large crowd. The gymnasium which has been used will seat only 2500. More than 600 persons will be in the academic procession. Services will be held Monday evening, June 3, at 8 o'clock. Fifteen graduating cadets will receive commissions as second lieutenants in the reserve of the United States Army during the graduation ceremony.

Honorary degrees of Doctor of Laws will be conferred on four prominent Texans at the exercises. Those so honored are Gen. John A. Hulen of Fort Worth, John W. Carpenter of Dallas, Col. Ernest O. Thompson of Amarillo, and President Clifford B. Jones.

Ralph Budd of Chicago, president of the Burlington railroad lines, will deliver the annual commencement address. Baccalaureate sermon will be given by Dr. Jack M. Lewis, pastor of the First Presbyterian church in Lubbock, Sunday evening, June 2.

### Hines For Stressing American Pledge

AUSTIN, May 27.—Texans are urged by Harry Hines, State Highway Commissioner and candidate for Governor to support the national defense program, oppose any subversive influences working against our American system of government or way of life, and

HARRY HINES

to stress "The American Pledge." Commissioner Hines said that "during these critical times facing the world every true Texan and citizen of our nation should make and keep this pledge, as

follows:

"The American Pledge.—For America, I will!

"This is MY Country. Here I have received my education and my training. Here I have built my home. Here I have reared my family. Here I have earned my livelihood. Here I have invested my money. Here I have made friends. Here I—and those I love—will live and work and play and die.

"Because this is MY Country, I mean to stand by it. I mean to support it in thought, in word, and in deed. I mean to give it the best that is in me. Its strength is my strength; its prosperity is my prosperity; its future is my future.

"My Country and I are one. Our interests are inseparable. We rise and fall together. Therefore, this is my pledge:

"I will be loyal to America and to American institutions.

"I will uphold its Constitution and its Government.

"I will be proud of its traditions and its ideals.

"I will defend its flag—wherever it may fly.

"I will conduct my business honestly and fairly.

"I will respect the right of other men.

"I will be patriotic, courageous, optimistic.

"For AMERICA, I WILL!"

After the wreck comes the reckoning.

### DEMON FIRE GUILTY AS CHARGED!

Fire—the great destroyer — is having a fine time this year. During the first three months of the year, it turned \$100,459,700 worth of property into ash and debris. It thus exceeded its record for the same period in 1939, when property valued at \$87,600,000 went up in smoke and flame. No data is available on the number of lives taken by fire in the first quarter, but, going by past precedents, it took more than 2,000. That many people met one of the most horrible of deaths. It's only human when we read figures like this, to shrug, shake our heads, say "Too bad!" and promptly forget them. And that human weakness is the main reason why fire is such a "glowing success." Fire waxes fat on human lethargy and laziness—even as it prospers on human forgetfulness and ignorance. Few men ever start a destructive fire deliberately—but it's a rare man who hasn't carelessly taken a chance or overlooked a hazard that made fire more probable.

And so it up to you whether fire continues its inexcusable ravages. Don't try to console yourself with the thought that fires are inevitable—less than two in ten fall into that category. And don't argue that fire prevention is the other fellow's business—it's your own personal business, and everybody else's too. The fact that fire destroys around \$400,000,000 worth of property and 10,000 lives each year in this country is a severe indictment of the American people. The only possible plea is "Guilty as charged!" Will we permit fire's ravages to continue?

### DEMOCRATIC BUSINESS

Life insurance is the one and only way that the average man can adequately provide for his family if he dies—and for his non-productive years if he lives. That's a sweeping statement, but it is easily proven. Nowadays it takes about \$100,000 of invested capital to produce a certain and safe income of \$200 a month. And the number of men who can save that much money or one-quarter as much, during their working years, is obviously extremely small. Yet a moderate monthly payment, started when a man is relatively young, will provide such an income in later years. Life insurance has been justly termed the most democratic of businesses—it offers security to the man of moderate income, as well as to the man of great means. The great bulk of policyholders are people with average incomes. It exists primarily for the masses, to provide a protection which all men desire.

Mrs. Eugene Barrett attended the Lamesa school graduation exercises, Friday night of last week.

Slow thinking and fast driving don't mix.

### SPRING TIME IS ALSO TYPHOID TIME

AUSTIN, April 15.—Now that spring is here, Dr. Geo. W. Cox, State Health Officer, advises out-of-door enthusiasts to include protection against typhoid fever among their preparations for their spring outings unless they have been immunized against typhoid within the last two or three years. The advice applies particularly to fishermen, hikers, boy and girl scouts, campfire girls, and any others who are looking forward to out-of-door activities.

"The danger from typhoid has been greatly reduced," Dr. Cox said, "through the protection of public water supplies from pollution; careful medical supervision of each case of the disease and painstaking investigation of the sources of infection; improved sanitation of milk production; the sanitary supervision of other food supplies; and through individual and community cooperation in the disposal of sewage. But there are still sources of infection to which individuals are exposed, for which vaccination affords the only protection.

"Some of the danger that persists after the means of public protection have been carefully observed is literally 'handed out' by people who are 'carriers' of the disease. A 'carrier' is a person who has had typhoid and continues to pass germs that cause the disease, in bodily discharges, long after he or she has recovered.

### GAME HOGS RESPONSIBLE

(From Alto Herald)

December 1 opened quail season in this section. Hunters in south Cherokee county, and outsiders who came also, found their activities considerably checked in this immediate territory, as about two-thirds of the land is posted against hunters and trespassers. Why?

The so-called expert hunters, who obey the state game laws only when a game warden is watching, are responsible for this condition more than anything else. The careless gun toter, also, may share some of this blame.

This condition can be traced directly to some violator of the game laws and the gun toter who closes his eyes and shoots, regardless of where he shoots. A cow or horse or two killed in some farmer's field has meant very little to him. He is sorry, of course, but not one in a thousand has been honest enough to go find the farmer and pay for the damage he has inflicted.

The hunters who travel in twos and threes, who have gone out in the past and cleaned out a farmer's field of birds, is also responsible for the penalty being imposed on all hunters. The fact never occurred to them that the landowner also, might want a mess of birds once in a while. They wouldn't be satisfied with what the law allowed them, but had to have dozens of birds in order that they might "boast" of their kill.

A good many years ago, buffalo roamed Texas like cattle do today. Hunters would kill one, take the hind quarters and leave the balance to the buzzards. Today there isn't a buffalo to be found, except in private collections or in museums.

### CITATION IN PROBATION

THE STATE OF TEXAS TO THE SHERIFF OR ANY CONSTABLE OF TERRY COUNTY, GREETING:

YOU ARE HEREBY COMMANDED to cause to be published once each week for a period of ten days before the return day hereof, in a newspaper of general circulation, which has been continuously and regularly published for a period of not less than one year in said Terry County, a copy of the following notice:

THE STATE OF TEXAS To all persons interested in the Estate of Leona LaBoid, Deceased, Edward J. Daehler and David Reisman have filed in the County Court of Terry County, an application for Letters to Probate the last will and testament, of Leona LaBoid, Deceased, and for letters testamentary which will be heard by said Court, on the Second Monday in June A. D. 1940, the same being the 10th day of June A. D. 1940 at the Court House thereof, in Brownfield, Texas, at which time all persons interested in said Estate may appear and contest said application, should they desire to do so.

HEREIN FAIL NOT, but have you this writ before the said Court at the time aforesaid, with your return thereon, showing how you have executed the same.

GIVEN under my hand and the seal of said Court, at office in Brownfield, this, the 22nd day of H. M. Pyeatt Clerk, May A. D. 1940. County Court, Terry County, Texas.

### ROOSEVELT AND DEWEY UNIVERSITY CHOICE

AUSTIN, May 7.—Put either Franklin D. Roosevelt or Thomas E. Dewey in the White House, college students of the nation say, splitting by only eight per cent margin as to which party, Democratic or Republican should be victorious in November's election.

In a nation-wide poll of collegians on approximately 100 campuses, Student Opinion Surveys of America, headquartered at the University of Texas here, asked: "Which party would you favor in the national elections next November?" Democrats, said 47 per cent; Republican, 39 per cent; other parties, 7; don't know, 7.

Tabulation of ballots for the voting students only showed a 51 cent leaning to the Democrats widened the split from the Republicans with their 34 per cent.

Answering a supplementary question: "Whom would you like to see nominated for president in that party?" the voting students registered 38.2 per cent for Roosevelt; 25 per cent for Dewey; 8.2 per cent for Hull.

Dewey was a 62.7 per cent favorite for the Republican students; Roosevelt a 67.8 per cent for Democratic students, the Surveys reported.

Paul V. McNutt, leader in a survey last May, ranked ninth in student choices; both he and Far-

ley ranked below Norman Thomas, socialist.

### NO. 1 CATTLE STATE

Texas is the nation's number one cattle State, annually producing 3,000,000 head more than any other state, according to Dr. F. A. Buechel, assistant director of the Bureau of Business Research at the University of Texas. In the last 20 years, however, the cattle census has dropped from 7,800,000 to 6,667,000 head. Texas is building up its dairy herds, Dr. Buechel reported. There are now 1,443,000 head of dairy cattle as compared with 500,000 head 20 years ago.

**SUNSHINE In a Bottle**

What other food can claim the Universal popularity of dairy products? What other food is so healthful, beneficial and good? What other food so inexpensive?

**Brownfield Dairy**

## Chevrolet Dealers Offer Used Car Bargains

Whether he knows it or not, the "man in the street" is getting direct and tangible benefits from a current business condition which at first glance might seem remote from his interests—the unusually large volume of Chevrolet car and truck sales this spring.

Messrs. Teague and Bailey, of the Teague-Bailey Co., Chevrolet Dealers, made the point during a statement in which they announced that, today is, from the standpoint of the buyer, the most favorable moment for used car purchasers in several years. The explanation is found in the fact that Chevrolet dealers, including the local organization, have priced their large stocks of used cars so low as to assure quick sale and keep the channels clear for continuance of new car business throughout the season.

"When new cars and trucks are being sold in large numbers, as they are today, and have been ever since the company's new 1940 models came out, dealers' stock of used cars invariably increase," he said. "The dealer has his choice between allowing them to accumulate and restrict his future new car volume by limiting the number of trades he can accept, or pricing them for quick movement, after reconditioning, and thus keeping in shape for further trades.

"Our firm has taken the second course. We have been helped by the fact that this year's used car stock is by far the finest we have ever had. It includes a wider variety of makes and models, because owners of other cars have turned in large numbers, to the 1940 Chevrolet. It also includes a larger proportion of very recent models, whose original owners intended, until they saw the 1940 Chevrolet, to drive them the rest of this year.

"Persons who have been getting along without cars of any sort, or who have been waiting for an opportunity to 'Trade-up' something better than they are now driving, are direct beneficiaries of the Chevrolet dealer's record-breaking new car sales, for they have a chance, today, to select from a wide assortment of used models, and offered at extremely low prices."

Mr. S. Durham and family, of Montague, visited with Mr. Durham and relatives of Brownfield, Saturday and Sunday.

Liman Blackstock, who has been on the Odessa school faculty, the past term, has returned here for the summer.

## POOL

Rev. L. C. Morrison filled his appointment Sunday morning.

The showers last week were appreciated by the ranchers and farmers.

Maurine Ticer spent the week end with Mr. and Mrs. A. J. Ticer.

Anna Redding visited friends at Tahoka over the week end.

Mr. and Mrs. Huddleston entertained the young people Friday night with a party. Quite a crowd attended and enjoyed the party very much.

Mr. and Mrs. Lloyd Chambliss and family of Brownfield, visited Mr. and Mrs. J. J. Gunter and family, Sunday.

The new Baptist Missionary will preach at Pool, Friday night through Sunday night. Everyone is invited to attend.

J. W. Chambliss is visiting his sister and family, Mrs. J. J. Gunter.

Geneva and Wanda Aldridge are ill with the measles.

D. W. Gunter is visiting his grandparents, Mr. and Mrs. L. D. Chambliss and attending the Bible school at the First Baptist church.

Mr. and Mrs. T. M. Key of Lamesa, were here Sunday to visit their daughter, Mrs. Gene Kessinger and Mr. Kessinger and also Mrs. G. S. Webber. Mrs. Key and Mrs. Webber are sisters.

Mrs. M. B. Morris returned home Tuesday after a two weeks visit with her mother in Thornton.

Mr. and Mrs. O. O. Covington of Lamesa, visited his sister, Mrs. M. G. Tarpley and Mr. Tarpley, Tuesday.

Born to Mr. and Mrs. W. M. Lansdowne, a 7 pound boy at their home near Gomez, Friday, May 24.

Mr. and Mrs. Truman Bishop and Mr. Bishop's mother, Mrs. J. L. Bishop, visited the sisters of Mrs. J. L. Bishop in Snyder and Sweetwater, over the week end.

Mrs. M. E. Brewer, Supt. of nurses of the Treadaway-Daniell hospital will leave Saturday to spend a week in Cleburne, visiting her husband.

## BAPTIST VACATION BIBLE SCHOOL

The Baptist Vacation Bible School, which started Monday at the church will be in session two weeks. There are forty members of the faculty and one hundred and seventy-five pupils.

Bible stories, Bible verse, drills, character stories, memory and hand work are part of the curriculum. All children are urged to attend.

Mr. and Mrs. Seaborn Collins of Ropesville, were guests of Dr. and Mrs. A. H. Daniell, Sunday.

Bill Knight of Tahoka, was the guest of his aunt, Mrs. Bill Ed Watson and Mr. Watson, this week.

Mr. and Mrs. B. F. Shoemaker returned to their home in Big Spring, Friday, after visiting their son, B. L. Shoemaker, and Mrs. Shoemaker.

Mr. and Mrs. Paul Lawlis of Levelland and their house guests, Mr. and Mrs. Vance Wells of Warren, Pa., called on Dr. and Mrs. E. C. Davis, Wednesday afternoon.

E. G. Moorhead, district attorney of Travis county and A. L. Moorhead, a member of the Austin police force for the past fourteen years, spent last week end here with their brother, R. M. Moorhead and their parents, Mr. and Mrs. J. D. Moorhead of Mead-dow.

## It Is Not 'Pin Money' Any More

College Station, May 27.—"Pin money" it used to be called, but since Texas women are supplementing the farm income to such a great extent, there ought to be a new name for the funds women get from the sale of products from the farm home.

This fact has been pointed out by Myrtle Murray, specialist in home industries for the Texas A. and M. College Extension Service, who says that funds earned by rural homemakers are used principally for providing home conveniences and advanced education for rural youths.

Home demonstration club women whose produce for markets usually decide when the farm operations are planned what cash crop they can direct or develop that will supplement the farm income and yet not take too much time from their regular duties. Women who produce high quality farm products generally find these outlets for their merchandise: individual customers and places of business, roadside markets, home-makers' markets, and the cooperative enterprises.

"At present there are several farm homemakers' markets in Texas which are patronized by an increasing group of satisfied customers," Miss Murray says. An example is the Potter County Market which recently celebrated its eighth birthday. One Potter County woman reports that proceeds from her market sales in recent years have provided a mechanical refrigerator, a new stove, a modern bathroom, and a month's vacation on the west coast for her family of three.

Among the standardized products which are popular in these markets are dressed fryers and hens, fresh vegetables in season, plu jelly and butter, canned cream and blackeyed peas, sauerkraut, butter, guaranteed infertile eggs, cakes and cookies, and various types of handicraft.

## In This Corner

There need be no lack of variety in the salads you serve these days, what with the market full of tempting new vegetables fairly begging to be combined with some delectable piquant dressing and included on your menus.

### MACEDOINE OF VEGETABLE SALAD

1 can lima beans French Dressing  
1 cup cooked, Lettuce Beets  
diced carrots 4 hard-cooked  
1 cup celery cut eggs

Drain beets and carrots. Clean and cut celery. Toss together with French dressing. Chill. Arrange on crisp lettuce leaves just before serving and garnish with sliced beets and quartered hard-cooked eggs. Pass a bowl of mayonnaise with the salad.

### CAULIFLOWER AND TOMATO SALAD

This salad dressing consists of cauliflower separated into flowerets and sliced very, very thin. Tomatoes are cut in thin edges and the two tossed together with a sharply flavored French dressing.

### FRENCH DRESSING

1 garlic clove 3 tbsp. vinegar  
1/2 cup salad or lemon juice  
olive oil Few frs. pepper  
1/2 tsp. salt 1/2 tsp. paprika

Add all ingredients and stir vigorously with fork. Remove garlic and beat dressing before serving.

Quite a bit of comment of women working these days, especially married women. Some seem to think if the men went back to making the living and the woman take her place in the home, everything would be back to normal in a short while. Seems the slogan should be instead of a woman being a "help-mate," it should be "help EAT."

For those who have never seen pine cones growing, you will find some of those lovely pines at the court house. We believe this is the first crop of cones on any trees in Terry county. The cones are about half grown and are very pretty in clusters of from three to five. Show them to your children.

We miss Cliff Fitzgerald's Thursday night visits to the Herald office, since he has been put on the night patrol duty. He was always a welcome visitor around twelve and two or three o'clock when he would call in to see how the Herald was progressing. He was always smiling and never once seemed out of sorts.

Mrs. M. G. Tarpley told us that if we ever have anyone to say that they doubt newspaper advertising pays, to refer them to her. We recently asked any readers who might have castor bean seeds to spare to contact Mrs. Tarpley as she had been unable to buy any here. In a short time she was offered all she could use and gets daily telephone calls, with the offer of more.

Miss Ola Belle Brown went to Lubbock, Wednesday afternoon, to attend a party given for R. E. Willes, Tech student of Muleshoe, Texas, who will spend the summer months in St. Louis. The party was given in the home of Miss Coyla Prosser, who has the news stand in the post office at Lubbock. There will be in attendance several blind, or partly so. These young folks have a real get-together often and the guests come from Amarillo, Shamrock and other places.

Roy Collier has returned from Fort Worth, where he attended the 54th annual convention of the Funeral Directors and Embalmers. This profession, like the surgical, is making great strides in their line of work. Time was when so many funerals in epidemics were private, but now you hardly ever hear of one that is not public, in fact a well-known medico said a first class funeral director and embalmers saved more lives than doctors, in that they knew how to prepare bodies of those that died of contagions in a way that

### MILDRED ADAMS TO EDIT BAYLOR'S LARIAT

WACO, May 24.—Mildred Adams, senior from Brownfield, has been named editor of Baylor University's summer Lariat, campus newspaper published weekly during the summer terms. Miss Adams will be managing editor of the Daily Lariat for 1940-41, served as society editor and is a member of the Board of Publications.

Miss Adams named George Bevel, Fort Worth, as managing editor. Others named to the staff include Mary Brinkerhoff, Waco, Dick Sleeper, Waco, and Dick Knowles, Troy.

This will be the second summer that the Lariat has been published, being edited last summer by Roy Crouch and Sammie Draper, both from Waco, as managing editor.

### MISS LASATER IS MARRIED TO MR. CLEVELAND

Miss Annette Lasater, daughter of Mr. and Mrs. L. L. Lasater of Pauls Valley, Oklahoma, became the bride of Mr. G. W. Cleveland, Jr., son of Mr. and Mrs. George Cleveland of Plains, Sunday at the First Baptist Church. Rev. Anderson read the ceremony before an improvised altar of spring flowers.

As a prenuptial solo, Mrs. Jessie Criswell sang "I Love You Truly," accompanied by Mrs. Odie Lusk, who played the Wedding Marches and "Liebstraum" as Rev. Anderson performed the ceremony.

Travis Bean of Plains was best man and Miss Ruth Harriet, of Pauls Valley, was bridesmaid.

The bride wore a dusty pink model with black accessories. She carried a bouquet of roses.

The couple is at home southwest of Plains on the Ed S. Smith ranch.

### H. AN H. CLUB ENTER-TAINED AT BALLARD HOME

Miss Mary Ballard was hostess to the H. and H. Club, Tuesday afternoon at her home.

Pottery vases were cut prizes and went to Miss Evelyn Jones and Mrs. Paul Jones. Perfume was given Miss Wanda Graham for high score and Miss Kathleen Nelson received stationary for second high.

The refreshment plate consisted of chicken sandwiches, potato chips, brown bean salad, openface sandwiches, olives and chocolate ice box cake.

Other guests were Mmes. Richard Ferguson, John Kendrick and Misses Betty Shelton, Ethelda May and Jackie Holt.

### BROWNFIELD GIRL AMONG NTST COLLEGE GRADUATES

DENTON, Texas, May 28.—Miss Ellamae Davis of Brownfield, student in North Texas State Teachers College will participate in the graduation ceremonies for 321 candidates in the main auditorium of the College June 3 with President W. J. McConnell as principal speaker.

Miss Davis will receive the Bachelor of Science degree.

The June 3 commencement is the climax to the school's fiftieth anniversary celebration this year as the largest June graduation class in the history of the school receives its degree.

### PLEASURE CLUB MEETS WITH MRS. STEWART

Mrs. Ed Stewart was hostess to members of the Pleasure Club and several guests Thursday of last week at her home. Table cuts went to Mmes. Parnell, Primm and Miss Louise Adams.

Mrs. R. L. Bandy scored high and received pyrex ovenware. Mrs. Parnell was given a door knocker for low.

A salad course, cherry tarts and lemonade were served to Mmes. Roy Ballard, J. L. Cruce, James Parker Davis, R. L. Bandy, Jack Hamilton, Bill Ed Watson, Roy Parnell, C. C. Primm, and Misses Queenelle Sawyer, Wanda Graham Louise Adams and Virginia May.

The club presented Miss May with three pieces of aluminum-ware, as a bridal gift.

Dr. and Mrs. John Dubaney of O'Donnell visited Dr. and Mrs. E. C. Davis, Friday evening.

it was not dangerous for anyone to attend the funerals. They by no means sit around and wait for folks to die, they do their utmost to safeguard public health.

### FORMAL TEA COMPLIMENTS MAIDS AND MATRONS

Members of the Maids and Matrons club were honored with a formal reception Thursday evening at the A. J. Stricklin home, when the Junior Maids and Matrons were hostesses. Mmes. Lynn Nelson, Arlie Lowrimore, Bill Ed Watson and Miss Mable Whitney were in charge of the arrangements.

Roses, sweet peas, larkspur and other spring flowers were attractively arranged through the house. The dinner table was spread with blue satin and a crystal bowl filled with pink and white sweet peas were used as a centerpiece. White candles burned in crystal holders.

Mrs. A. J. Stricklin presided at the punch bowl. Mrs. Bill Ed Watson gave the welcome toast, and Mrs. Ruth Moore president of the Sr. Maids and Matrons gave the response.

Mmes. J. J. McGowan and J. M. Telford sang a duet, accompanied at the piano by Mrs. Roy Herod.

Mrs. Lynn Nelson read the history of the Junior club and presented the honored club with a check, to be used in their building fund.

The club collect was given by Mrs. Arlie Lowrimore and the program was closed by the group singing "Blessed Be the Tie that Binds."

A refreshment plate with pineapple lemonade was served. There were 37 present.

### BUSINESS AND PROFESSIONAL WOMEN ELECT OFFICERS

All the present officers of the Business and Professional Club were reelected Wednesday night with the exception of Secretary Jewel Edwards, who will be out of town for the next few months. Elizabeth Travis was elected to fill the vacancy.

The Charter was presented by Beryl Chesney, club president. The award breakfast will be held Sunday June 16th, 8 a. m. at the Wines Hotel, at which time awards will be to friends or outstanding club members who have done most for the club or caused the most democratic thinking.

Each member is urged to attend this breakfast and you may bring a friend if you wish.

### NEILL FAMILY RE-UNION

Mr. and Mrs. Geo. W. Neill and Mrs. Jennie Stewart enjoyed a near re-union of the Neill family at their home the last week end. The guests were Mrs. Minnie Smith of Big Spring, Annie Jo McFarland of Dallas, their sisters, and Mrs. Florrie Neill and son of Big Spring, sister-in-law, Mr. and Mrs. Golladay of Midland, and Mrs. Thelma Aires of Odessa, nieces, and Mr. and Mrs. Romie C. Stewart of Fort Worth, son of Mrs. Jennie Stewart, and who were joined by the other members of the family living here.

### POPULAR COUPLE HONORED WITH DINNER PARTY, DANCE

Mrs. A. A. Sawyer and daughter, Miss Queenelle, complimented Miss Virginia May and Mr. Bruce Zorns, who are to be married June 4, with a formal dinner at their country home, Thursday evening of last week. Guests were members of the bridal party.

Following the dinner the group went to a dance given in their honor by Miss Ethelda May and Miss Louise Adams at the Venetian Auditorium. Approximately 125 were in attendance.

### BIRTHDAY PARTY

Mrs. Mitchell Flache entertained with a party for her son, Robert Ame, Saturday afternoon at their home in the Union community, to celebrate his third birthday which fell on that date.

Games were played and refreshments were served. Guests were Joe Ed Stewart, Robert Heath, Sandra Smith, Lannie Smith, and Mmes. H. F. Heath, Ed Stewart, Pete Smith, Mrs. Will Fitzgerald and Mrs. Elsie Treadaway were also present.

### 1937 QUILTING CLUB

Mrs. B. L. McPherson entertained the 1937 Quilting club at her home Wednesday afternoon. A quilt was finished and a social hour enjoyed.

Refreshments of sandwiches, potato chips, olives, ice cream and cake were served.

### MMES. KING, BROWNFIELD ENTERTAIN FOR MISS MAY

Mrs. John King and Mrs. Ray Brownfield entertained Saturday morning at Hancock's cafe with a breakfast to honor Miss Virginia May.

Each guest was presented with a rose and baby breath corsage. The table was centered with an arrangement of sweet peas and baby breath and huge baskets of roses were placed in the room.

Following the breakfast, a visiting hour was enjoyed and the hostesses presented the honoree with a pair of crystal candle holders.

Guests were the honoree, Mesdames W. A. Bell, W. B. Toone, L. M. Wingerd, J. J. McGowan, Tom May, M. B. Sawyer, Roy Ballard, R. L. Bowers, J. O. Gillham, C. C. Coleman, W. R. McDuffie, James King and Misses Ethelda May, Ona Faye Tittle, Wanda Graham, Louise Adams and Queenelle Sawyer.

### PLA-MOR CLUB

Mrs. Mike Blair was hostess to members of the Pla-Mor Club Wednesday of last week at her home.

Mrs. Bill Gregurich scored high and Mrs. Ed Mayfield second. Mrs. Crawford Burrus was high for the guests.

Refreshments of cream cheese sandwiches, potato chips, olives, ice box cake and tea were served to Mmes. Ed Mayfield, Bill Gregurich, Buck Andress, Marshall Loyd, Wayne Brown, Martin Line, and Crawford Burrus.

### MRS. FORBES HONORED WITH FAREWELL PARTY

Mrs. Fred Lowe and Mrs. Herman Chesshir entertained with a farewell party Thursday afternoon at the I. A. Lowe home to honor Mrs. L. B. Forbes, who is moving to Lamesa. Spring flowers were decorations.

A gift shower was presented the honoree and refreshments of wafers and punch served to the 35 guests.

### CLYDE BOND, JR. HONORED ON BIRTHDAY

Mrs. Clyde Bond entertained Friday evening with a picnic and lawn party at the Clyde Cave home, to honor her son, Clyde Jr., on his 15th birthday.

Games were enjoyed and the honoree received a shower of many attractive and useful gifts.

Guests were Christine McDuffie, Patsy Ruth Carter, Patsy Frank Ballard, Ida May, Dorothy Nell Eickie, Robert Lee Craig, Marion Bowers, Leon Lewis, Billy Greenfield, Mon Telford Jr., and Larry Tarpley.

### FOSTER CLUB MEETS

Foster Blue Bonnet Club met at Mrs. J. W. Baldwin's, May 22. Had a pink and blue shower for Mrs. B. D. Seaton. Two quilts were finished for Mrs. Baldwin. Nineteen members were present and two visitors, Mrs. O. M. Edwards and daughter Thelma. Refreshments were served by Mrs. W. C. Chenault and Mrs. J. G. Cabe. Next meeting will be held in the home of Mrs. W. C. Chenault, June 5th.

### METHODIST M. S.

Fifteen ladies were present Monday afternoon when Mrs. Andrew Loyd led a Bible lesson on the first chapter of Kings. Next Tuesday both circles will meet at one o'clock at the church for a covered dish luncheon. A social hour will be held and "Sunshine" friends will be revealed.

### FOURSQUARE CHURCH

Services as follows:  
Friday, 8:15. Regular service. Also it is expected that the pastor will be in the service at that time, as well as Miss Ruby Musgrove of Los Angeles, California, who is coming to help in the work this summer. Sister Willbanks and husband have been in charge of the church during the pastor's illness.

Sunday, 10:00 a. m. Classes for all. Sunday 11:00 a. m. Morning worship. Sunday 7:30 p. m. Young people's service. Sunday 8:15 p. m. Evangelistic service.

I am sure you will want to attend each of these services, where the blessings of God are being felt. Welcome one and all.

Pastor, Rev. Irene Lee

### HOMEMAKERS' CLASS

The Homemakers' Class of the Baptist church had a business meeting at the home of Mrs. Mosier, Thursday of last week. At the close of the business meeting a social hour was enjoyed. All members of this class are urged to be present at all meetings.

Teacher, Mrs. Auburg.

Roy Bennett and son Roy Jr., enjoyed a fishing trip to Red Bluff last week end. They report catching 13 bass.

Virginia Weidler  
As co-starred with Mickey Rooney in "Young Tom Edison" at the Rialto, Sun.-Mon.

## Contributions to New Baptist Church

All services of the church were well attended last Sunday with Baptismal services in the evening.

We are glad to acknowledge the following gifts for the building of the new church, from firms and individuals, none of whose immediate family are members of this church.

We are making no public acknowledgement here of any gifts made by members of this church but we desire that our entire membership may know just who have shown themselves friends in this achievement of building and equipping a plant, the cost of which is nearly fifty thousand dollars with an expected loan of twenty thousand which will be payable monthly:

Mrs. W. E. Pool, 150.00; A. M. Brownfield, 100.00; S. E. Stradley, 5.00; St. Clair Variety Store, 25.00; Shamburger Lbr. Co., 100.00; Hi-Way Grocery, 2.00; J. D. Miller, 10.00; Cecil Smith, 10.00; Bradley Laundry, 5.00; Mrs. J. E. Shelton, 1.00; J. B. Knight, 100.00; Martia Laundry, 15.00; Tom May, 100.00; A. J. Stricklin, 10.00; Dr. M. E. Jacobson, 10.00; Cicero Smith Lbr. Co., 75.00; L. B. Blackstock, 50.00; Homer Winston, 50.00.

Dr. A. F. Schofield, 10.00; E. D. Ballard, 300.00; Farmers Cooperative Society, 50.00; West Texas Gin Co., 25.00; Lee Hulse, 70.00; Roy Harris, 13.00; Jesse D. Cox, 5.00; J. E. Eaken, 25.00; J. L. Lyon, 5.00; John S. Powell, 2.50; O. E. Pollock, 1.25; Mrs. J. T. Gainer, 2.00; Rev. S. K. McCulloch, 1.00; Z. O. Faugn, 10.00; J. W. Fitzgerald, 15.00; Mrs. C. A. Copeland, 15.00; Kyle Graves, 25.00; Rowena Hulse, 15.00; Mrs. Lois Wingerd, 10.00; Jim Graves, 250.00; V. L. Patterson, 50.00; Lee Fulton, 25.00; Mr. and Mrs. Earl Jones, 25.00; Johnson Baptist Church, 120.00.

R. A. Simms, 25.00; Dr. T. L. Treadaway, 50.00; Higginbotham Bartlett Lbr. Co., 75.00; C. T. Edwards, 60.00; Roy Moreman, 15.00; O. V. Newton, 35.00; Brownfield State Bank, 100.00.

Making a grand total of \$2157.75 contributed outside our own membership.

Business firms gave approximately \$500.00 of this amount and Baptists outside our membership gave \$700.00. Methodist people gave \$240.50. Church of Christ members gave \$110.00 and people of no church affiliation gave the remainder.

Permit us in behalf of our entire membership to thank you every one for this act of kindness shown us and may God's richest blessings rest upon you.

We suggest that you cut this out and save it for future reference, as we have offered to replace each dollar contributed by other religious groups when they need it.

We extend an invitation that you visit and worship with us. The Vacation Bible School will continue next week end all children are welcome.

## Fiesta Pottery

## News of the Home Economics Dept.

The summer classes are progressing nicely these days with thirty girls enrolled. The three groups meeting at the school building on Monday, Tuesday and Thursday, have been doing several things at their meetings and in their own homes. Last week they all went through the exhibit at the WPA work rooms. This proved to be very enjoyable and the girls received some good ideas for their own projects. New curtains have been planned and material bought to be made for the clothing lab at school. The girls have also been working on a rag rug for the department, using some old curtains and scraps that were on hand.

The group in the Gomez community met last week at the home of Ida Leach for their first meeting. They spent the afternoon working on towels for the foods lab at school and discussing their own work and projects at home. Refreshments were served to club members, visitors and sponsor. The next meeting will be at the home of Edna Lois Paschal the following Wednesday.

The Pleasant Valley Homemaking group met at the home of Elfeldia Greathouse last Friday afternoon. These girls worked on a rag rug and discussed their own projects at home. Refreshments were served to club members, visitors and sponsor. The next meeting will be at the home of Vona Lee O'Neal the following Friday.

The ribbons and certificate awards that the Brownfield girls won at the State Rally in Dallas in April were mailed this week to the Home Economics Dept. There were four places won. These will be placed on display at the school to help serve as a goal to be attained in years to come.

Permit us in behalf of our entire membership to thank you every one for this act of kindness shown us and may God's richest blessings rest upon you.

We suggest that you cut this out and save it for future reference, as we have offered to replace each dollar contributed by other religious groups when they need it.

We extend an invitation that you visit and worship with us. The Vacation Bible School will continue next week end all children are welcome.

## REVIVAL TIME

At the Assembly of God church Corner N. 5 and Ripley streets.  
R. W. Boyd and Helen McSpadden of Mangum, Okla., are doing the preaching.

If you like good Gospel singing and preaching you may have it each evening promptly at 8 o'clock. All Christians are invited to join us in this battle against the Devil in behalf of lost souls. You will enjoy the special singing.

## ENJOY TRIP TO MEXICO

Rudolph Lewis, Dewey Murphy, Jr., Foster Henson and Buster Holder spent last week end seeing the sights in Jaurez. They report a good time.

## NORTHSIDE BAPTIST CHURCH

Rev. Jno. R. Denning was back in his pulpit at the North Side Baptist church, last Sunday, after a two weeks' absence in South Texas.

It is urged that next Sunday every member of the church, together with all visitors to the Sunday School, be present at ten o'clock sharp, when we shall endeavor to pass all previous Sunday School record marks for attendance. The subject for study in all classes will be Peter's Denial of Christ, as recorded in Matthew 26.

The morning sermon subject will be: "The Christian's Coronation Day," while at the night service, the pastor will bring a message on "The Light That Failed."

The Ladies' Bible Class meets at the church each Tuesday at 2:30 p. m.

Mid-week Prayer Service and Teacher's meeting on Wednesday night at 8:30.

If you have not as yet paid us a visit, we shall be waiting for you with a cordial handshake next Sunday. Come and see.

Mr. and Mrs. J. C. Wilson of Lubbock, spent Sunday with their grandson, Earl Lewis Wilson, who is in the Treadaway-Daniell hospital following surgery on his leg, Thursday of last week. An aunt and uncle, Mr. and Mrs. Elbert Wilson of Slaton visited him Sunday.

Mr. and Mrs. Arlie Lowrimore went to Buchanan Lake; near Austin last week end on an outing and fishing trip. They report fine luck; brought back over a hundred pounds of fish.

Mr. and Mrs. L. E. McClish and daughter Martha, plan to leave Saturday for Seely, California, to visit their daughter and sister, Mrs. Robert Little and Mr. Little. They also plan to attend the fair in San Francisco and visit many places of interest. They will be gone two or three weeks.

## Dine at the W-I-N-E-S

Delicious and appetizing meals served in a home-like atmosphere.

You are always welcome.  
MRS. J. E. SHELTON, Prop.

**Hospital Notes**

Earl Lewis Wilson, son of Mr. and Mrs. Earl Wilson, underwent surgery on his leg Thursday and is getting along nicely.

Mrs. M. E. Payne, who underwent surgery following a ruptured appendix was able to go home Wednesday.

L. C. Ward had an appendicitis operation Friday 24.

Mr. Glenn Williams, who entered the hospital Saturday night, is getting along nicely.

Miss Velda Bullock had an appendix operation Saturday 25.

Mrs. Fred Smith, who has been quite ill, is improving.

Born to Mr. and Mrs. J. B. Hucklebee a 7 pound, 1 oz. son, Wednesday morning at 2:10.

Mr. and Mrs. H. E. Brooks, a daughter, weighing 8 pounds and 5 ounces, Friday 24.

Mr. and Mrs. J. W. McPherson, a girl, weighing 8 pounds, 1 oz., Wednesday May 29 at 3:50 a. m.

**BROWNFIELD MAN'S MOTHER PASSES AWAY**

Mrs. Bowman, mother of A. E. Bowman of Brownfield, passed away at her home in Estelline, Tuesday evening at 6:20 o'clock. Mr. and Mrs. Bowman were at her bedside. J. T., son of Mr. and Mrs. Bowman and Tobe Power left here late Tuesday to attend the funeral.

James and Don King were Dimmitt visitors, Sunday.

**BARN BURNED**

Wednesday, May 8, Mr. and Mrs. Clay Henson, living on the farm owned by Mr. and Mrs. O. P. Gaymon of Canal Winchester, Ohio, had the misfortune of having their barn burn.

They had gone to Brownfield to wash their weekly washing, when the building, from an unknown origin became on fire. They lost all of their feed, pigs and one calf and some fences.

Neighbors who saw the fire rushed in and were able to save the chicken house and other buildings. There was no insurance.

**Woodmen Celebrating 50th Anniversary**

The Woodmen of the World are this month celebrating their Golden Anniversary, the order having come into existence 50 years ago at Omaha, Nebraska. The official publication, Sovereign Visitor, came to our desk this month in golden covers.

Starting 50 years ago, with but a few members and a small capital and asset, the order now has a round a million members and assets of some \$129,000,000. Also, a fine office building in Omaha, and a Memorial veterans hospital at San Antonio, second to none in the world.

Mrs. E. L. Sturgis attended a tea given by Mrs. W. L. Spaulding in Lubbock, Monday afternoon.

**PLAINS**

Mr. and Mrs. O. T. McDonnell and children of New Mexico and Mrs. Bob McDonnell and children visited in Stonewall county, last week.

Miss Ivadell Claunch of Brownfield, is here visiting in the home of Mrs. Ralph McClellan.

Mrs. Eunice White of Brownfield spent Friday night with Mr. and Mrs. W. H. Hogue.

Mr. and Mrs. Hilbren Smith of Lubbock, spent last Sunday with his mother, Mrs. Francis Smith.

Albert O'Neal of Seminole, is here visiting his brother J. V. O'Neal and family.

Mr. and Mrs. Hayer are off fishing. We failed to learn the place.

Wanda Lee Marvin is spending the week with Mr. and Mrs. Marvin.

Mr. and Mrs. Olan Cox were Lubbock visitors Tuesday.

Mr. and Mrs. Joe Webb and son of Slaton, were in Plains, Friday, visiting Supt. and Mrs. Roy Elliott. Mr. Webb delivered the address to the graduation class Friday night.

Mr. and Mrs. Willie Anderson and children left Sunday for Detroit to purchase a new car.

Mrs. Eva Harben left Sunday for her home in McKinney, Texas.

Everybody is welcome to the Bible school that's being held this week at the Baptist church.

Mrs. W. H. Hague and Mrs. Dock Camp were shopping in Brownfield, Saturday.

Pete Bryson of Plains and Genett Smith of Denver City surprised their many friends by getting married. We wish them a long and happy married life.

Mr. and Mrs. Ray Elliott, Frank Elliott and Johnnie Robertson spent the week end in Sylvester. Mrs. Elliott and Johnnie returned Monday. Mr. Elliott will remain for a week.

Editor and Mrs. Hale attended services at the Methodist church in Denver City, Sunday.

Mrs. Mollie Smith, May June, and Fray Smith, Mrs. Anderson and R. C. Anderson went to Lubbock, Monday, on business.

J. H. Jenkins, with the Brownfield Ice Co., had the misfortune of losing his mother last Friday. Mr. Grigg of the ice plant carried her and family to Quanah. Burial was not until Monday as they were awaiting the arrival of two other sons from California.

President Roosevelt confirmed and sent to the U. S. Senate three postmasters on the South Plains, all in Mahon's congressional district. They were Jas. H. Dallas, this city; Llanos M. Lair, Lorenzo, and Elmer Rice of Wilson. We believe all were re-appointments.

Mrs. D. B. Cox of Big Spring, visited with her sister, Mrs. Jim Jackson, here Saturday and Sunday.

Mr. and Mrs. Wilson Collins spent Sunday with his parents in Lamesa.

**FERGUSONS ASK: "IS THE LEGISLATURE TO BLAME?"**

Our present governor has shed tears as big as a biscuit over inmates of our eleemosynary institutions and has shouted through the microphone about his betrayal by the legislature which refused to back his efforts to help these poor unfortunates.

In the first issue of his private newspaper, dated April 8th, in announcing for reelection the governor states: "I have found our eleemosynary institutions wholly inadequate to take care of the insane, the blind, and the feeble-minded, and many of these unfortunate people housed in firetraps and languishing in jail." In the April 29th issue of his paper a screaming headline on the front page informs us that 800 insane are now confined in jails for lack of room in State hospitals.

It is not a pleasant task to be forced to call a four-flusher's hand or to expose stark hypocrisy in public office, but taxpayers are entitled to facts.

The governor has repeatedly boasted of vetoing five million dollars in the appropriation bill but has remained strangely silent about the individual items. Of the five million dollars which he cut out, \$1,821,325 was money which the legislature had appropriated for the support of eleemosynary institutions. Included in this amount was \$1,524,674 which was to be distributed between the 10 State hospitals for the insane which would have gone a long way toward remedying the condition which is now rending the Governor's heart.

Other items vetoed by the governor included: \$138,000 for two of our State tubercular hospitals; \$70,131 for two of our State Orphans' homes; \$50,520 for the Texas School for the Blind; \$38,000 for the two institutions for wayward girls and boys.

Let's see if the governor can hang this on the legislature.

The Fergusons have never vetoed one dollar appropriated for our eleemosynary institutions in the past and will not do so in future. (Paid political advertisement by Miriam A. Ferguson.)

**LAHEY**

The Busy Bee club meeting was held in the home of Mrs. Briscoe, Tuesday. Everyone had a nice time.

We wish to express our thanks to all candidates and other visitors who attended the pie supper Wednesday night. There was good speaking and the pies brought a good price. The rain we received during the past week has given most everyone something to do. Some are planting and some have started hoeing.

Mr. Malcolm Tomason and family spent Sunday in Denver City at the Singing Convention.

Misses Prebble Thomason and Gladys Webb will represent Lahey at the Summer Assembly in Abilene.

There was fair attendance at Sunday school and church, with Rev. L. C. Morrison filling his appointment.

On the sick list this week we are sorry to have Mrs. Nickson. She has pneumonia but is doing fine. There is also sickness in the Briscoe home, but we do not know which one at the writing. We sincerely hope they have a very speedy recovery.

Maureen Ticer spent the week end at Pool with Mr. and Mrs. A. J. Ticer.

**COSTLY FUN?**

It's fun to follow the fire engines. It's always a thrill to see the great red trucks hurtling past, with their sirens screaming. And it's fun to watch a fire. There is a primitive excitement in the sight of flames and smoke, and the sound of crackling wood.

But, if we go beyond the superficial sensory pleasures and start to think about what fire means, the fun is spoiled immediately. For fire is the grimest of disasters.

Fire kills 10,000 Americans each year. These people meet the most horrible of deaths—and every one of them die in vain.

Directly and indirectly, America's fire bill runs close to \$2,000,000 each year. That money would build 400,000 excellent homes. It would buy three million good new automobiles. It would supply 2,000,000 people with jobs at over \$80 per month each. It would provide 4,000,000 families with subsistence relief.

To the individual, fire may be the most ghastly of experiences. It may mean death and injury. It may mean the loss of a job. It may mean burning of irreplaceable possessions. It may mean ruin and despair and privation. For fire has no mitigating circumstances—it has no silver lining. It represents destruction, pure and complete.

Consider this the next time the fire engines scream by. Consider this next time you see smoke and flame and feel the angry heat of a burning building. And then it will seem more fun to help prevent a fire than to watch one!

Mr. and Mrs. J. O. Gillham and Mr. and Mrs. Leo Holmes attended the Panhandle Banker's Convention in Amarillo, Wednesday and Thursday of this week. Miss Eleanor, Helen and Delores Gillham visited relatives and friends in Pampa during the convention. Miss Helen remained for a longer visit.

Miss Rheidell Stephens spent the week end with friends in San Angelo.

**Think**

By Capt. Chas. Lindsay Texas Safety Council

Vacation time is about on us. Let's be sure that what starts out to be a happy trip with the family in the car and trailer will not wind up as a tragedy in the morgue.

Our highways are much more heavily travelled during the summer months. The cars contain many more women and children than during other months.

This situation calls for added caution upon the part of every motorist. It becomes of the utmost importance that every rule of the road be observed. All intersections should be closely watched. You never know when a vacation tourist will dart from a side road.

Texas in recent months has erected many historical monuments throughout the State. What is more natural than that vacationists and tourists will stop at these to read the inscriptions and ascertain their historical significance.

Therefore, it is of great importance that we keep an eye open at all times for cars halted along the highway.

And while we are talking of vacationists, let's not forget the tourists. Texas has been bidding for tourists for a long time. The drive is bringing results. Every year more and more tourists come into our State to view our wonderful scenery and our many historical attractions.

These tourists, in the absence of uniform traffic codes throughout the Nation are likely ignorant of our traffic laws. What is legal in their home State may if done in Texas, result in a serious accident.

It then becomes the double duty of we Texans to watch closely for these tourist cars from the other States and give them the benefit of every doubt in traffic. When they ask us for information let's be courteous. When we are driving on the highways let's be courteous to them. Let's live up to the Texas record for genuine hospitality and at the same time save numerous lives.

**Clean-Up Report**

By Dr. W. S. Brumage

A survey of the entire city was made Friday afternoon by members of the Health Department and Tom May, general chairman of the clean-up committee. The survey included a check-up of all the complaints handed in by the clean-up committee members. Clean-up and correction were obtained where possible and the other cases were turned over to the city authorities for further action. As a whole the town was found to have very good sanitary conditions, and only a few real insanitary hazards were found. The only criticism the Health Department found was that in a few places, insanitary outdoor toilets existed which should be eliminated and sewer connections made.

The people as a whole cooperated with the clean-up campaign and a lot of good was accomplished.

**DENVER CITY RESIDENT'S BURIAL HERE SUNDAY**

Claude Goodpasture, age 60, of Denver City, passed away the 24th in the local hospital where he had entered a few days previous. Funeral services were conducted at the Methodist church with Rev. L. C. Morrison in charge of the services, and Brownfield Funeral Home in charge of the arrangements. Burial was in the Brownfield cemetery.

Mr. and Mrs. Ray Goodpasture of Webb City, Oklahoma, brother of the deceased, were here for the service.

Mrs. Annie Jo McFarland of Dallas, who once lived and went to school here, and will be remembered by many of our old timers, as Judge Neill's baby sister, was visiting here last week. Judge says she is the one that visited here soon after our first trains began operation, and when she saw the mixed train come in, said "Oh, there comes a duplex."

Otis Gatewood, Church of Christ Missionary of Salt Lake City, filled the pulpit at the Church of Christ, Monday evening, when he preached to a large crowd. Mr. and Mrs. Gatewood were en route home after visiting in Texas.

**FARMERS TO HAVE MARKET FOR PEAS**

Farmers of this section will have a home market for all the black eyed and cream peas that they will harvest this fall, according to Jay W. Moore, of Wilson, who states that he handled more peas the past season than any other dealer in the state. Mr. Moore is putting in a curing plant at Tahoka that will treat the peas here on the Plains and clean them. He already has a market for every pea that could possibly be grown in the section and will have local buyers to pay top prices to local farmers. Peas form the only crop that may be grown and harvested on government acreage.

**AN AIRPLANE FACTORY AT FORT WORTH**

The manufacture of airplanes is to be started in Fort Worth next week. The Bennett Aircraft Corporation is to manufacture a newly perfected, all bakelite plywood, bimotored monoplane at the rate of one each day until later when two planes a day will be manufactured.

Walter Bond of El Paso, spent the week end here with his mother, Mrs. J. C. Bond.
