BROWNFIELD, TERRY COUNTY, TEXAS, FRIDAY NOVEMBER 7, 1941

NUMBER 14

Ginnings Totals For Plains Area Drop

From Lubbock Evening Journal
South Plains cotton ginnings up to Oct. 18, according to the bureau of the census of the department of commerce, were approximately one fifth of those for the corresponding date in 1940, and show the lateness of the 1941 crop.

Neuces County In Lead

State totals of 1,211,303 bales compared with 2,144,454 bales for 1940. In only a comparatively few of the leading counties are the 1941 totals equal to or larger than those of the previous season at this time. Neuces, with 53,938 bales, leads the state; Ellis with 41,382 bales is second and San Patricio with 34,187 bales is third. Other counties with more than 25,000 bales reported are: Collin, 32,416; Jones, 32,141; Williamson, 28,195; Navarro, 27,058 and Hill 26,593.

Scurry county leads this area in ginnings, 8,310 bales; Dawson with 5,363 bales is second; Dickens with 2,534 bales is third; Lynn with 1,928 bales is fourth and Terry, with 1,064 bales is fifth. Last year the first five counties were, Lubbock, Hockley, Dawson, Lamb and Lynn.

Cotton Wet, Green

No ginning reports were available from Bailey, Castro and Hale counties.

Cotton received for ginning continues to be wet and green and ginner reports difficulty in separating the lint from the seed. According to ginner the cotton average low middling, with half of that received rough or gincut, due to snapping the seed cotton when damp and green.

Comparative figures on crops in South Plains counties for the census taken as of Oct. 18, with those of the corresponding date in 1940 were given as follows:

County	1941	1940
Briscoe	328	1,233
Cochran	166	2,790
Crosby	552	7,560
Dawson	5,363	15,151
Dickens	2,534	5,234
Gaines	305	534
Garza	394	1,512
Hockley	261	16,141
Lamb	125	11,381
Lubbock	597	20,522
Lynn	1,928	10,998
Motley	511	3,157
Scurry	8,310	9,256
TERRY	1,064	6,411

Terry County Gets \$5400 Health Benefits

Austin, Texas Nov. 3—Detailing some of the ways the State Department of Health is aiding each county in the prevention and control of communicable disease, Doctor, George W. Cox, State Health Officer, today revealed that the number of specimens examined and the amount of vaccines distributed free to Terry County in 1940 by the State Hygienic Laboratory would have cost \$5400 if purchased through private laboratories.

The service rendered to this county is but one of twelve organized services set up to help you, Doctor Cox added.

The other services maintained by the State Department of Health include vital statistics, Food and Drug Inspection, Venereal Disease Control, Public Health Education, Tuberculosis Control, Sanitary Engineering, Maternal and Child Health, Nursing Service, Local Health Service and Administration.

The assistance rendered this county in this one division of service will convey you to some idea of the scope of Texas' health program, Dr. Cox stated. The State Department of Health operates on a state appropriation of four cents per person, which amounts to \$446.40 for this county. When compared to the return from only one of the twelve divisions in the State Department of Health it is readily seen that Texans are getting much more health protection than they are paying for.

Cleo Chambers has started working for the Rialto Beauty Shoppe. Mrs. Ethyl Gayhart, who has been working there has moved to the state or Oregon.

Eight Brownfield Men Attend WTCC Convention

So far as we know, no one from Brownfield attended the West Texas Chamber of Commerce, Monday, as none of the officers of the organization live here, and Monday was devoted mostly to organization work, the beginning of the Home Town contest, registration, resolutions, etc., in fact the convention proper did not get underway until Tuesday. We might state in this connection that the time of the meeting has been changed from spring to fall, and the officers and directors were continued until next year, as they had served only about five months.

Tommy Black, secretary of the Terry County Board of Development got busy Monday afternoon and finally rounded up eight men, who agreed to go Tuesday, leaving here around six o'clock and reaching Midland quite some time before the start of sessions at 9 A. M. In Mr. Black's car were Homer Newman of the Brownfield Milling Co., C. L. Lincoln, County Judge and Vernon Brewer secretary of the Junior Chamber of Commerce. In the other car belonging to and driven by Pete Peterman, manager of West Texas Cotton Oil plant, were Bob Bowers, wholesale gulf dealer, L. Nicholson, insurance, and A. J. Stricklin of the Herald.

Let us state right here that in this time of stress and defense measure, that the WTCC has lost most of its glamour and fun making events. It was strictly business institution that was functioning this time. There were just two bands, the Odessa high school band which is the official band of the institution, and the Medland high school band. Each gave a short concert just before the opening period, and the Odessa band functioned at the opening period at the Yucca theatre.

Aside from usual business with very little speechmaking, the adoption of three resolutions, the most interesting thing in the forenoon, was the finals in My Home Town contest, the remaining seven being composed of three girls and four boys. Winters boy won first place, with the Floydada young lady as runner up. Personally, the Floydada young lady got our vote, and our second choice was the Winters youth. Here is the way we figured the matter. The larger towns with many attractions, such as lakes, mineral water, large hotels, parks, soldier's camps, etc., has a way the lead on small towns. And any boy or girl who can come from the small town and make you want to move to that place, should you move, get right down where you live.

The afternoon was pretty well filled with addresses, stressing Food for Defense, which is part of the obligation of west Texas as well as oil and cattle. Dr. T. O. Walton, president of the A. and M. College delivered a masterful address on "our agricultural production and home ownership responsibility." "The Public and Transportation Charges by RR Commissioner, Jerry Sadler, was not too well received, as it was read, was too long and too full of statistical matter. There were a number of others, one by the Mayor of New Orleans, now of Washington.

Last came the nominations for the next meeting place, which was easily won by Waco. That city, being on the eastern boundary of West Texas, had never entertained the WTCC convention. Really Waco was the only city that made a special bid for the convention. The Brownfield delegation did not stay for the "All Out" banquet or the president's ball at night.

Dr. and Mrs. Brumage, Bill Eason, and Miss Jessie Rinehart went to Corpus Christi, Texas to the Texas Public Health Workers Convention. They will return Monday.

Dr. and Mrs. Bill Brumage attended the funeral of G. W. Lackey, Director of Local Health Service in Austin, at Wolf City, Texas on Thursday of this week.

To The Farmers

By L. L. Brock

As 1941 is nearing its end, I am sure each of you are enjoying better prices this year over last year. Mr. Slaughter, Chairman of the Triple A, who makes several trips to Washington each year, tells us that the Farm Bureau Federation is responsible for our getting parity on cotton this year. We have no guarantee of it another year. We are asking for parity on cotton, also other commodities. Won't you please join hands with us and help to put it over?

Some may say they have conscientious scruples against joining a farm organization. If that be your case, then you should be just as scrupulous about taking money that a farm organization has secured for you, and you should turn back to the Red Cross or USO the difference between this year's prices and last year's prices.

There never was nor will be anything worthwhile accomplished that doesn't cost somebody some time and money. Only \$2.00 will line you up. In conversation with Dick McDuffie some time back he said, he did not see why the farmers did not organize. He said he would be glad to lend any of his customers the money if they did not have the \$2.00. Dick, together with others in the First National Bank are members. Also Mr. Gillham and others in the State Bank belong to the Farm Bureau.

Our state convention meets in Fort Worth around the 3rd of December, so let's send our delegates down with Terry County quote. Just step in and hand our County Agent, Mr. McClain the \$2.00, and do your part to hold up parity prices instead of doing as we farmers have always done—do nothing until the prices reach the bottom and then cuss every body from Roosevelt down. On my recent rounds I stopped at a filling station for some gas and on the wall hung this inscription: "God gave man two ends—one to think with, the other to sit on. His success depends on the one he used the most." It's heads you win, tails you lose.

Band And Guard Entertain At Game

All Brownfield was proud of the performance the band put on at the football game last week.

They started out in a six man line at the east goal but soon diminished to a four man line. Then they went through right and left pivots and then increased their line to six. They marched to the west goal where they counter marched and stopped in front of the stands. Taps were played as the stadium lights went out and red, white and blue flashlights came on spelling out U. S. A. In this formation the band played "Till Reville" with the Home Guard in a camp scene at the end of the field. The lights came on and the band maneuvered in front of the Brownfield Stands where the football Queen was crowned. They then marched off the field.

The band has a completely different performance planned for the Slaton game.

Zorns, Wilhite To Take Shriner's Degree

Tom May, 33rd, of this city, informed us this week that Bruce Zorns and C. A. Wilhite will be among the hundreds who will take the Shriner degree in Carlsbad Caverns, Saturday. May will carry the candidates over.

A number of special trains from New Mexico, Arizona and California will be run for the ceremonial, among them being movie stars and other notable characters. Imperial Potentate Thomas C. Law of Atlanta, Ga., will also be present.

A Full Program For Armistice Day Here

From what the Herald can learn next Tuesday, November 11th, the 23rd. annual Armistice Day, is going to be rather full. It is true that many go by train or by private conveyance to Slaton for the sight of seeing the Cubs tangle with the Tigers, this alone promises to be one of the best games in the section of class A football. The Cubs so far have not lost a game, and Slaton has won most of her conference games.

To start off the day, the American Legion will have their annual sun-rise breakfast over at the Legion hall, formerly the Venetian Auditorium. Not only Legion men are invited but all ex-service men, whether or not they belong to the Legion, are urged to attend.

Next in importance is the parade with the Legion and ex-service men, Texas Defense Guard the Brownfield school band and all other schools of the section, who may wish to participate. Those taking part in the parade, including the floats, are requested to assemble at the high school building grounds. The parade will be formed there and march down town and back to the school grounds.

The parade will be over in plenty of time for all who wish to go to Slaton on the Special to board it when or before it leaves the depot at 11 o'clock.

Captain C. T. Edwards of the Texas Defense Guard stated that he supposed that prizes would be awarded as usual for school floats but he was not sure of this arrangement.

Pep Rally Honors Exes

Friday morning at 10:00 the student body of the Brownfield High school met for a pep rally and to honor all Brownfield Ex-students. The band started every-one off with a warm school song, and at the end of it the pep-leaders gave a yell.

Mr. James Harley Dallas made a very inspiring talk about the progress of the school and his past high school football career in Brownfield high school.

Coaches Nooncaster and Barrett made some very inspiring talks that made you feel the warm school spirit, and that they have the interests of the school at heart.

The Ex'es were asked to stand and were recognized by a good yell from the student body. The Ex-Pep leaders were asked to help lead a yell.

The band concluded the Rally by playing the school song, "Hail Brownfield High". Everyone stood as the football boys left in a body.

If you want to hear some peppy yells and plenty of school spirit, attend one of these pep-rallies at the high school auditorium. It will do you good and will help the football boys more than you realize. We must keep our "Fighting Cubs" fighting.

Selected Men To Leave November 12

They following men have been selected and are to report to the local board at 7:30 A. M., November 12 whereupon they shall be sent to Ft. Bliss, Texas.

Lester Bud Duren, Ollie Fry Chapman, Grady Floyd Childress, Quincy George Moore, Fred Earnest Miller, Vernon Crawford Payne Argust Curtis, Raymond Wodrow Reece, Lewis Oran Newberry, Christy Morris Carruth, T. J. Hight, Roy Alvin Puryear.

FAUGHT IS NOW STATIONED AT FORT BENNING

A Lubbock lady informed us late last week that Z. O. Faught, of Terry county, is now stationed at Fort Benning, Ga. He has also been given a sergeant rating. He is supposed to be the first selectee to receive such a rating.

Our informant also stated that Faught and Miss Marjorie Weddie, of Lubbock were to be married next March when Faught is released from the army.

Pointers On Making Silage

Silage making is under full steam over Texas but is attended by problems of harvesting, and selection and treatment of the feed designed for storage in the pit containers on Texas farms.

Scanning a cross section of the problems, E. R. Eudaly, dairyman of the A. and M. College Extension service assures farmers that shocked grain sorghum stalks make good silage provided the feed is thoroughly wet as it is put into the silo. He suggests that the best way to add water is to run it into the cutter and let it pass out with the feed.

Smutty redtop can heads will not ruin silage for cattle, but he advises against feeding it to horses.

It is not necessary to add molasses in making silage out of Johnson and sudan grasses, Eudaly says, if the grasses are headed out and the seed is in the dough stage. But if the grasses were cut before the seed was in the dough stage it would be best to sprinkle each ton with a mixture of five gallons of molasses to 15 gallons of water. Molasses should be added when making silage out of alfalfa, clover, cowpeas, soybeans, peanuts, green cotton stalks, sunflowers, bermuda and other similar grasses.

Eudaly recommends two methods of handling feed which is not likely to mature before frost. One means is to cut it and allow it to lie on the ground, a bundle to the place, for a week, provided the ground is dry, and then put it in the silo thoroughly wetting it in the process. The other method is to let the frost kill the feed, then cut and put in the silo with the necessary water added. But he suggests delaying the cutting until two or three days after the frost.

Sweet potato vines make good silage if they are cut and allowed to dry 12 to 24 hours, or are run through a cutter along with dry grain sorghum bundles, cane bundles, Johnson grass or some other dry feed. It is not necessary to add molasses. At present feed prices sweet potato vine ensilage is worth about \$4 a ton. Failure to save the vines would represent a loss of \$12 an acre.

Poppies To Be Here November 7-8

The Poppy has increased meaning to us this year. It re-awakens memories of the sacrifices made in America's service in 1917 and 1918 and reminds us that freedom is ours because Americans have been willing to give their lives for the nation. With new dangers facing our country, we need inspiration of unselfish service which the poppy brings.

The memorial flowers which the local auxiliary women will distribute are being made at Legion hospital under the sponsorship of the Auxiliary. Employment for many disabled veterans has been provided here by the poppy work. Every poppy offered by the Auxiliary will be veteran made.

Members of the Auxiliary units will form a poppy army of women who will go into action on a nation wide front the morning of Nov. 7 and Nov. 8, distributing poppies on the streets. All will serve as unpaid volunteers, permitting every penny of the contributions made for the poppies to go to the welfare fund of the Legion and Auxiliary.

These funds work throughout the year, bringing relief and aid to disabled veterans and needy children of veterans. The bulk of local contributions will remain in the community to finance welfare activities. Only the cost of material and making the poppies and Brownfield's quota of ten dollars for Christmas boxes for hospitalized veterans leave the community.

Among the ex-students attending the Home-Coming game Friday night were: Vondae Lewis, Beth and Chock Hamilton, Grace Tarpley, J. E. Smith, Jimmy Green, Joe Pete May and Louie McClannahan.

Dressed Turkey Show At Plainview Nov. 3

The eighth annual Southwestern Dressed Turkey Show will open here on Wednesday, December 3, for a two day exposition of prize birds from flocks in several states.

The show will be officially opened at 10 A. M. and the judging of dressed birds will begin thirty minutes later. During the two days there will be demonstrations on latest turkey dishes, as well as the traditional serving; a banquet for growers, special program for breeders and the show will close with the annual auction of dressed birds.

In addition to the dressed show there will be an exhibit of live birds. Prize money for the two exhibits totals \$400 and entries are eligible from anywhere in the United States.

Miss Lucille Shultz, Hale County home demonstration agent, with assistance of club women will contribute to the show program with an exhibit "Starring Turkey", showing how the bird is transformed from turkey in the straw to turkey on the table, Miss Shultz said. The first demonstration will show a bird properly dressed, the next the fowl stuffed and skewered and the final step will show the turkey baked and ready to serve.

W. A. Painter, president of the Hi-Plains Turkey Improvement Association which, with the Plainview Board of City Development, sponsors the turkey show, said fewer turkeys would be marketed on the Plains this fall, but that the crop was of higher quality and a large per cent of flocks would top the market this year than in the past.

The Baby Beef turkey, developed in the Plains during the past several years, is the rule among flocks of this section and will be displayed in all his form and pride in the dressed and live divisions.

COMPANY D BULLETIN BOARD

Gene Hurt, who recently received his discharge from the regular Army, led the Company in its physical drill last Tuesday night in the absence of Sgt. Black, who is usually in charge.

Guardsmen who missed last Tuesday night's drill really missed a treat, as movies of the Company, taken on its recent trip to Morton were shown at this time.

The Company will guests of the American Legion at the latter's Annual Sunrise Breakfast and will later go through a short drill immediately before the parade in which it will also take part.

Scout Roll Call And Inventory Week

All over the south Plains Council, 20 counties of West Texas, Boy Scouts in 81 troops and Cubs in 51 Packs are planning for the annual Roll Call and Inventory Week, November 10 to 14, during which period all units will be inspected by Boy Scout and Cub leaders.

K. N. Clapp, Council commissioner, is appointing a staff of men, and all his commissioners in the council number nearly 45 men and several other persons to handle the inspections. These Scouts will make a date with their Troops and Packs this week and formally inspect for uniforms, records, equipment and make the formal roll call of all Scouts, Cubs and leaders. Purpose of the activity is to strengthen the unit so that all boys available for community service be known to leaders.

Those men named as Roll Call officers in this area are: Seagraves K. D. Adams; Denver City, Amos Floyd; Plains, Willie Light; Sundown, Bon Graham; Allied, L. G. Aldredge; Seminole, Dewey Davis and Brownfield, W. Graham Smith.

Exhibits At Fair May Be Changed

From Friday's Lubbock Morning Avalanche.

Commendation likely will be general of officials of the Panhandle-South Plains fair association if they act—as now indicated—on friendly, constructive criticisms offered by A. J. Stricklin, sr., editor of the Terry County Herald published in Brownfield, in connection with county agricultural exhibits in the annual exposition here.

Mr. Stricklin called attention to the fact that in the past several fairs, county exhibits here have been judged on a competitive point basis. Anyone who inspected them can confirm his statement that, although the exhibits may have been very excellent, they were pretty much alike and that they were lacking in eye-appeal to most people.

The Brownfield editor expressed the hope that if Terry county is represented in future fairs—and he sincerely hope it will be—that it will not be for competitive prizes. Instead Mr. Stricklin urges his county should have the most attractive, most striking exhibit that it is possible to arrange. His contention is that the advertising value of an exhibit like he favors would be far greater to Terry county than the winning of first prize in competitions like those of the past several fairs.

To the credit of officials of the fair association, they are possessed of the open minds which has caused them to seize upon Mr. Stricklin's suggestion. The probabilities now seem very strong that changes will be put into effect in the next Panhandle-South Plains fair. While details must be worked out, the probabilities are that a plan somewhat similar to that in operation for the State Fair in Dallas will be put into effect.

That plan works something like this:

The county exhibits are educational and non-competitive; each county with an acceptable exhibit is paid a guaranteed premium—at the State Fair it is \$100; booth space is provided without cost; and each county is free to arrange its own exhibit to whatever its representatives may judge to be the best advantage.

Quite obviously such a plan should mean an increase in the number of county exhibits here; certainly it should mean exhibits that would be more attractive; and, since the rules doubtless would require that each county limit its exhibits to its own products, it is difficult to see why the quality of the displays would suffer.

Incidentally, if such a plan should be adopted for our own fair, it would mean that Lubbock is getting back to the practice of what it has preached with most convincing effectiveness, because this county carries a large degree of the credit, or responsibility, for having brought about the system now used at the State Fair.

Years ago, county exhibits in the State Fair were judged on a point basis similar to that used in the past several exhibitions here. On one occasion, Lubbock's objections to the plan were so strenuous that the arrival time of this county's exhibit was delayed beyond the deadline. Lubbock county wasn't eligible for a prize at Dallas, so those competing for the prizes did not object to its setting up its own choice of display. Of course, it won no money but it was perhaps the most discussed exhibit in the county department at the State Fair. The advertising value was worth much more to Lubbock county than any prize that possibly might have been won there. The fact that the county department at the Dallas Fair is now "educational and non-competitive" is the best possible evidence that the officials there thought well of it.

There seems every reason to believe that the agricultural department of the fair here would benefit from the adoption of that plan here. Obviously, anything that improves the agricultural department will help the fair.

Meanwhile, let's hope for a lot more of the constructive criticism of the kind that Mr. Stricklin has offered in this particular.

NO RABBITS IN HATS IN RETAIL PRICES

The OPM consumer relation section has received a number of letters protesting at rising retail prices, and accusing the retail industry of profiteering at the public's expense. That is evidence of misunderstanding on the part of the public.

It can be said categorically that retail merchandising in all fields, including both chain and independent stores, has generally done its utmost to hold prices down. It has done this in various ways: By voluntarily accepting smaller profits; by further increasing overhead efficiency and lowering costs by educating the consumer to use suitable articles; by fighting scare buying, etc.

According to government figures, retail food prices are still 18.4 per cent below 1929 levels. That is true of most other commodities as well.

So, don't blame the stores when prices rise. They can't perform

miracles. Higher wages, higher taxes and higher manufacturing and wholesale costs must be reflected in retail prices. The retailers are doing the finest work in their history in cutting overhead and serving the public today.

OUT OF PLACE

A group of Dallas business men made up of former country boys were telling stories of their early experiences. Once I was in Fort Worth about twenty-five years ago, said a leading attorney of the city, and asked a policeman how to get to North Fort Worth. After giving me instructions he leaned over interested like and said, "How'd you come in, afoot?"

Which reminds me, said a banker, of an Easterner who came into our town in west Texas further back than twenty-five years ago. The Easterner went into a saloon and had hardly reached the bar before a cowboy rode in on a rather spirited horse. The stranger seeing an opportunity, leaned over the bar and asked the barkeep,

"Would you mind asking that fellow to get off his horse? Without turning from the work he was doing, the bartender said, 'How'd you happen to come in here afoot, anyhow?' —Caps and lower case.

Beware The Ignorant Tree Pruner

So-called tree pruners are already at work in McLean. One place has some trees ruined by an ignorant pruner, we are told. It is never safe to allow an itinerant to prune, paint or spray the tree. Shade trees are not like fruit trees; the only pruning they ever need is to take off limbs that are too low, dead and rubbing limbs, and maybe limbs that tend to grow out of shape.

A good question to ask the man who wants to whitewash or spray trees is: "What are you doctoring them for?" The ignorant usually stammers and says: "Well for disease and insects; you know, it is good for them". Your family doctor does not prescribe a shotgun medicine good for any and everything and no tree surgeon who knows his business would be caught doing it. If you are not sure that the tree butcher knows no more than you do, betted say no.

This business of obtaining birth certificates is very important, and the county clerk attaches want you to see about the matter as soon as possible, for almost every person is going to need one sooner or later. The line, for the present is forming in Billingsley's waiting room. Coffee and doughnuts for late arrivals can be obtained, at nominal cost, at several convenient places. —Scurry County Times.

OUTSIDE HIS LIMITS

Few of us can comprehend the size of the defense effort. Beyond a certain small amount, figures lose all significance.

One evening, early in July, Caps attended a purchasing agents meeting where representatives of the nation's biggest corporations spoke more or less off the record. They told of new defense units being built in less than a year that required more power than is consumed by the entire city of Dallas. A plant to go up in an adjoining state, with the site not yet definitely located, is scheduled for completion in April, 1942. It will use more power than the cities of Shreveport, Little Rock and Dallas combined.

TAX ASSESSING PROBLEM A KNotty ONE

Austin, Texas, Oct. 22—Peculiarities developing from separate assessment by city and county tax boards were pointed out to Texas tax assessors during their recent meeting at the University of Texas by Aldro Jenks, acting director of the University's Bureau of Municipal Research.

To illustrate his point Jenks pointed out that Austin city values are \$12,000,000 more than values for Travis County, while Houston values are \$20,000,000 higher than those assessed for all of Harris County.

One of the knottiest problems uncovered in Texas was that of Brazoria County, officials of which are wondering if they can legally tax the British government.

A new aluminum plant being built in that county is being partially financed by the British, partly by the United States and partly by private capital. Just who's going to pay the tax bill—and how much each is to pay—is the problem assessing boards in Brazoria County are worrying over.

LICKING HELL OUT OF HITLER

J. Frank Norris, much publicized Baptist minister, is still a Man with a Mission. He has saved a lot of people from a great many menaces of varying kinds, and just now he is trying to save Great Britain from the Nazis.

In an open-air speech at Fort Worth the other night he advocated the manufacture and delivery to England of great quantities of war supplies, so Britain "can lick the hell out of Hitler". For once is his career, he has a message which can be endorsed by a great majority of the people, although not all would use such vigorous language. Licking Hitler, seems, just now to be about the most important job any body in the United State can undertake although the church and its ministers still have unfinished business the old, old task of licking the Devil.

Maybe licking Hitler is a necessary step in that direction.—Brownwood Banner.

BRITISH COUNTESS IS HERE TO THANK US FOR WAR AID

The Countess of Limerick, president of the London County branch of the British Red Cross, is scheduled to begin a limited tour of American Red Cross Chapters late this month to tell women volunteer workers how she has observed the distribution and use of the thirty million dollars worth of American Red Cross relief supplies in the British Isles.

Lady Limerick, who served as a nurse during the first world war, is a member of the executive committee of the British Red Cross society, a member of the London County Council, and of the Women's Consultative Committee of the British Ministry of Labor.

Truck load limits in the 48 states vary from 14,000 in Louisiana to 120,000 in Rhode Island.

HITLER'S MAKING US CANNING CONSCIOUS

Grocers and hardware people in many states say that they haven't seen so much canning in years. There seems to have been a general urge to put up fruit jellies and vegetables, evidenced by the heavy run on fruit jars, metal jar tops and other requirements for canning. In some communities it has been hard to get enough equipment to fill the demand.

As a result, millions of American homes are going to be well enough supplied with canned goods of their own to insure a pleasant and thrifty winter. And all those canned goods, if you take the owners' word for it, will be superior to any they can buy in stores. They may be right, too. Perhaps there is some magic about it, but certainly Mother's canned peaches and pears and jellies and so on have a flavor that is mighty hard to match anywhere else.

And those dozens of glasses and jars standing on their shelves, neatly labeled! Just to look at them rouses a jaded spirit and restores a lost appetite. The normal instinct of American womanhood is "put up" things for winter.—Amarillo Times.

The Lynn County News: It is our suspicion that if Senator Taft and senator Nye, and senator Johnson and Representative Tinkham and Nazi-decorated Lindbergh and other Republican non-interventionists, isolationists, and grouches keep on helping Hitler they will just about finish wrecking the Republican party by the time the next presidential election rolls around. The Wheelers and the Bennett Clarks among the Democrats would be just half as bad if there were enough of them. But they are not as numerous as they are noisy. Like little toad frogs after a rain, a dozen of them can make a noise that sounds like a thousand.

BAPTIST CHURCH NEWS

Increased attendance last Sunday brought 414 into the Bible study with good congregations for the other services of the day. The teachers and officers seem to be taking their work more seriously and have named Friday evening of each week as visitation period for their absences especially but there is no doubt much other visitation which should be done as new people come into our community and church having left their friends elsewhere and are hungry for some one to call on them and we have lost much by neglecting such people, and we urge members of our church to make such visitations each week, if possible, in the name of the church.

It is a busy time but many should attend the State Convention at Abilene, next Monday as it is much closer than usual and every church should have some of their members present and have a part in the work of the convention, as the more we know about our work the greater loyalty we will have for it.

The task of the meeting the needs of Texas and the World as a mission field is ours and Texas churches alone are putting many workers and a million dollars in money to pay the bill for the year just closing outside their own local church expense, all because Jesus commanded that His Word be carried to those who do not have it.

No doubt a hundred Baptist farmers will read this who can furnish a large quantity of grain to feed the hogs at Buckner Orphanage their crop having failed this year, but they will do it. They will if their pastors will present it.

Visitors are always welcome here but they should not remain visitors if they live among us.

MARRIAGE OF MISS SAWYER AND MR. FLACHE TO BE PERFORMED SATURDAY

Highlighting social events in Brownfield this fall will be the marriage of Miss Queenelle Sawyer, daughter of Mr. and Mrs. Arthur Sawyer, to Mr. Tuett W. Flache of Mount Pleasant, which is scheduled for 7 o'clock Saturday night at the First Baptist Church. Mr. Flache is the son of Mr. and Mrs. Ame Flache.

Rev. J. A. Dennis, pastor of the local First Christian Church, assisted by Rev. Avery Rogers, will perform the ceremony.

Mrs. Queenelle King will attend Miss Sawyer as matron of honor. Bridesmaids will be Miss Gerry Youngblood of Blackwell, Miss Ruby Nell Smith of Brownfield and Tahoka, Miss Janice Thompson of Plainview and Mrs. Bruce Zorns.

Mr. Mitchell Flache, brother to the groom, will be best man and the groomsmen will be Lt. Bun D. Hale of Fort Bliss, Texas, Lt. William G. McNeill, of Fort Bliss E. Logan Redford of Lubbock and James R. Burnett of Burkburnett.

The rehearsal dinner was cancelled due to the late arrival of some of the members of the wedding party.

The bride-elect has been honored with numerous pre-nuptial parties here and in Lubbock since her engagement was announced by her mother, October 25, at their country home west of town.

Miss Geraldine Key became the bride of Mr. Oscar Nelson, Saturday November 1. They were married in Lovington, N. M. and left for a short wedding trip to Snyder, Texas where his people live.

Mrs. McGowan has been to Quanah, Texas to visit her father, Dr. Radford.

PRIMARY SCHOOL IS OBSERVING AMERICAN EDUCATION WEEK

The Primary school is observing American Education Week, November 9-15, 1941. Education for a strong America is the theme for the twenty first annual observance. This subject is more vital at the present time than at any other period in the history of America.

Education is challenged. It is necessary that we impress upon the public the importance of the types of learning experiences which lead to the formation of good habits, good attitudes and the emotional stability which make for pleasant peaceful living with others, both near and far.

A strong impregnable America depends upon the teachers, parents, pastors and citizens of our nation. We must all cooperate and work together to preserve the effectiveness of our schools and defense of our country.

The Primary school is having an assembly program on Thursday November 13th at ten o'clock at the high school auditorium. This includes a brief patriotic number which will be directed by a member of the American Legion, and a talk on nutrition as an aid for physical fitness.

Pastors of the churches are cooperating by discussing various factors which make for peace and world order, the practice of the Golden Rule is the only way to a peaceful and secure world.

NELL MARIE ECKERT IN GIRLS ENSEMBLE

Abilene, Oct. 31. —Nell Marie Eckert, Brownfield, student of McMurry college, Abilene, Texas, is a second violinist in the Girl's Ensemble, newly formed musical organization on the campus. Mrs. Harold L. Thomas is the director. With a full year anticipated for the Ensemble, rehearsals are in the final stages for the first concert. Following the initial appearance, they will play at Camp Barkley and in surrounding towns.

Miss Eckert is the daughter of Mr. and Mrs. J. B. Eckert.

MRS. JACOBSON ENTERTAINS MAIDS AND MATRONS

The Senior Maids and Matrons met with Mrs. Jacobson on Tuesday evening, November 4.

Mrs. Jim Moore was Chairman of the Program. The Program theme was Comparative Economic Systems and Mrs. L. Nicholson gave Compare American Economic Systems with that of Collectivism. Mrs. Turner gave Future in America, and Women in Business and Industry, was given by Mrs. Heath. The final number, Makers of the Flag was given by Mrs. Grady Goin.

One good move among newspaper we have noted of late was the consolidation of the O'Donnell Index and the Press. O'Donnell is just too small for two papers.

DOROTHY THOMPSON'S BOOK REVIEWED AT P-TA MEETING

Mrs. L. M. Winger reviewed "Political Guide" by Dorothy Thompson at the Nov. 6 meeting of the west ward Parent-Teachers Association.

A few of the highlights of the book, as brought out by Mrs. Winger, can be included here. The terms totalitarianism, Fascism, Socialism, Communism and Democracy need to be understood by the American citizen.

We in a democracy need to keep before us the twin ideas of freedom and responsibility in order to insure a desire to give service to our country for the privileges it affords us.

Too few average American citizens are afraid to shoulder the responsibility of rearing children. These children are the rightful heirs of our civilization.

A large number of members and friends of the organization were present for the review and for the social hour which followed the meeting.

"COME AS YOU ARE PARTY" GIVEN BY MESDAMES HEROD AND ZORNS

Tuesday morning, Mrs. Roy Herod and Mrs. Bruce Zorns gave a very unique breakfast honoring Miss Queenelle Sawyer, calling everyone and having them come as they were dressed to Mrs. Herod's country home. Some tried to back out but finally came on as they were.

Brookfield sausage and scrambled eggs, bran muffins and coffee were served to the following guests: Mesdames W. B. Toone, W. A. Bell, W. C. Smith, Queenelle King, Bea Allen, Dick McDuffie, Aggie Thornton, Ame Flache, M. B. Sawyer, Tom May, Roy Ballard, Troy Noel, A. A. Sawyer, W. B. Downing, M. E. Jacobson, and the honoree, Miss Queenelle Sawyer.

After breakfast each guest embroidered her name on a cur towel and these were given to Mrs. Sawyer.

LADIES AID MEETS MRS. C. A. VEASEY

The Ladies Aid Society of the First Christian Church met Monday evening November 3 in the home of Mrs. V. A. Veasey.

The Devotional was given by Mrs. Bob Hamm.

The study, a review of the books of Matthew and Mark, was led by Mrs. J. A. Dennis.

Members present were: Mesdames Bob Hamm, F. E. Walters, Dick McDuffie, J. A. Dennis, Crawford, and the hostess Mrs. C. A. Veasey.

Next meeting will be Monday November 10, at Mrs. F. E. Walters.

Mrs. Lou Strain of Crane, Texas, and her son Logan Strain of Brownwood visited Mrs. L. A. Brannan, daughter of the former.

PARTY GIVEN IN MISS SAWYER'S HONOR

To honor Miss Queenelle Sawyer, who is to be married to Tuett Flache November 8, Mrs. Tom May, Queenelle King, Mrs. A. R. Brownfield, and Ethelda May entertained Friday with a bridge party in the home of Mrs. Tom May.

A Hallowe'en theme accentuated the party. Hallowe'en tallies and napkins were used, and pumpkin score pads were on each table. Guests were given false faces as they entered the living room and these were worn thru out the party. One never knew who they were playing for the "huge noses" or "long ugly wrinkles and big ears". The house was decorated with dahlias and pom-pom marigolds.

Chicken salad with salted wafers, shoe - string potatoes, ginger bread topped with whipped cream, and spiced tea were served to the following guests. Mesdames Spencer Kendrick, Earl Jones, Sue Christopher, Clovis Kendrick, Pete Tierman, Troy Noel, Sue Parish, Herman Heath, Treadaway, Mon Telford, Marguerite Graham, Hamilton, E. A. Graham, Marie Dallas, John Kendrick, Lal Copeland, Irene Sawyer, Roy Ballard, Roy Parnell, Tom Neely, Bob Bowers, Lee O. Allen, Walter Hord, Slick Collins, Slim Schillinger, W. H. Collins, Gladys Stice, Roy Herod, Ned Self, L. Nicholson and the honoree Miss Queenelle Sawyer.

Tea guests were Mesdames Larue Tankersly, Toone, M. V. Brownfield, Ame Flache, and Bruce Zorns.

Mrs. Lee O. Allen won high and was given a beautiful satin gown. Mrs. Jack Hamilton won the traveling prize which was tube cologne.

The honoree was presented a beautiful bedroom electric clock. It is rose mirror with the clock set in the center.

EASTERN STAR HAS MEETING

The Eastern Star met November 4 and was called to order by the worthy Matron Mrs. Ida Bruton. Reports were given concerning the instituting of the Plains and Denver City chapters. Mrs. Allie Cox reported on the Plains chapter and Molly Goodpasture on the Denver City Chapter.

Mrs. Ida Bruton went as a delegate to the Grand Chapter at Amarillo last week and gave a very interesting report on the meeting.

To the 23 members present was served Cocoa and cake, cheese, mints and coffee. Mr. and Mrs. F. M. Ellington and Mrs. Chester Gore served them.

LOCAL LADIES ATTEND FRATERNITY MEET

Mrs. Lee Fulton, Mrs. W. F. Fitzgerald of Brownfield and Mrs. Sadie Hazelwood of Gomez went to Lubbock Saturday to attend the Regional meeting of Delta Kappa Gamma which was held in the Hilton Hotel.

The morning program was a panel discussion on Requirements on Entrance to Teacher Training. The afternoon was spent in initiation of candidates and later the dinner was served.

MRS. J. E. HARROD OF UNION PASSES AWAY

Funeral services were held Monday evening at 3 P. M. for Mrs. J. E. Harrod of Union. She had been in the hospital for a short while and died Saturday night at 11:45.

Survivors are, Mr. J. E. Harrod, two sons, Tom and Gene, and one daughter, Mrs. Pat Dumas of Brownfield.

Services were held in the Methodist church at Brownfield with Rev. H. W. Hanks officiating. Interment was made in the Union cemetery.

MRS. FULTON ENTERTAINS LOCAL TEACHERS

On Wednesday night, October 29, Mrs. Lee Fulton entertained the teachers, their husbands' and escorts at Hancock's cafe.

Miscellaneous games were played, including forty-two, rummy and Chinese checkers.

The twenty-three present were served pumpkin pie with whipped cream, and coffee.

Others present were Marietta Montgomery, Marcille Burleson and J. B. Patterson.

MILK FUND GROWING

At the Thursday meeting of the West Ward Parent-Teachers unit, Mrs. Cates, Chairman of the Milk Fund, reported that \$76.40 was received from the sale of tags on Tag Day. The room mothers were active in this campaign and their work is appreciated by the school and the parent-teachers organization. All donations to the fund are also appreciated.

Cold milk is now available for all children who wish to buy it for mid-morning or noon lunch. Milk is distributed to needy children by the teachers in charge.

TOKIO H. D. CLUB

The Home Demonstration club met on October 28, with Mrs. Reginald Martin.

Miss Blanton was present and gave an interesting demonstration on Holiday Tables.

Mrs. Reginald Martin the bedroom demonstrator, showed what she had done to improve her bedroom.

The next meeting will be at Mrs. G. C. Perry's on November 11.

ROOM MOTHERS ENTERTAIN PUPILS

A very pretty and enjoyable party was held in Mrs. Emmitt Smith's school room by the Room Mothers.

The children played games and were served punch and cookies.

Freddy Lowe was dressed as a Witch and met the children, who were also in costume, at the door of the school room and admitted them.

The Room Mothers are Mesdames Fred Lowe, Smith, Walter Hord, Herman Heath and Forbus.

VANITA GALE WALTERS AND GWYNETH GLOVER ENTERTAIN

Vanita Gale Walters and Gwyneth Glover gave a Hallowe'en party Friday night, October 31, at the Walters residence.

Everyone attending the party came in false faces. They brought their own noise makers and made plenty of noise.

Popcorn balls were served after which the guests went "Spooking." At eleven-thirty, they went to the midnight show.

Guests were: Jean Craig, Eleanor Miller, Cheesy McSpadden, Dolores Gillham, Judy Griffen, Patsy Joe Ferguson and Billy Faye Finney.

PRESBYTERIAN WOMEN'S SERVICE GUILD MEETS

The Presbyterian Women's Service Guild met on Monday November 3, at the church. Mrs. G. F. Winston spoke on "Is My Religion Organic or Organized?" This was the main talk. During the business session, Mrs. John King was elected official pianist. After punch and cookies were enjoyed by all, the ladies made curtains for the Sunday School.

FOUR AUNTS HONOR MISS SAWYER WITH A DINNER

Tuesday night in the home of Mrs. M. B. Sawyer a dinner was given in honor of the Miss Queenelle Sawyer.

The table was set with a beautiful pea-green cloth and centering the table was a mirrored, crystal tree with baby pink and on the limbs. On either end of the table were white crocheted baskets containing ping and lavender mums and an exact replica, in miniature, of these baskets were at each plate bearing a corsage for each guest. Between the baskets and the centerpiece were rows of pink tapers nestled in pink candy roses.

Two candelabrum bearing three blue tapers each were on the buffet and these and the tapers on the table lighted the dining room while the guests ate.

A three course dinner was served consisting of individual salad with a miniature bride and groom on the saucer, fruit cocktail, turkey and dressing, congealed salad, asparagus tips, cranberry sauce, green beans, and angel food cake with pink and white brick ice cream and coffee.

After the guests dined Mrs. M. B. Sawyer, grandmother to Miss Sawyer, carried them to the show.

Those attending the dinner were Ruby Nell Smith, Warren Nobles, Clayton Simmons, Twilla Graham, Messrs. and Mesdames Arthur Sawyer, Roy Parnell, Sawyer Graham, Tom Neely, and the honoree Miss Queenelle Sawyer and Tuett Flache.

Mesdames Clyde Lewis, Ima Lewis, E. A. Graham and Larue Tankersly were those honoring Miss Sawyer.

The honoree was presented with a hand hammered aluminum tray.

POOL

The rain the past week hindered the gathering of crops. Rev. L. C. Morrison filled his regular appointment Sunday evening. That is his last appointment before annual conference. The Pool H D club entertained the Harmony H D Club Friday afternoon. But we failed to get a report from the entertainment. Dorothy Dean Newsom and Nita Harber spent Sunday with Lela Joe Ticer.

Rev L. C. Morrison and family visited in the home of Mr. and Mrs. J. J. Gunter Saturday eve. Several people in the community attended the Hockley County Singing convention at Sundown, Sunday.

Mr. and Mrs. J. J. Gunter and family spent Sunday visiting Mrs. Gunter's mother, Mrs. L. D. Chambliss and family of Brownfield.

There will be a sock supper and cake walk at Pool Nov. 21. The public is invited and the money will go into the League Treasury.

SHE MISSED HER HUBBY BY 8,000 MILES

Mrs. Stricklin will miss seeing one of her sisters while visiting in California. Just before she left Brownfield, her sisters sailed for Honolulu, T. H., to see her husband, who is in the United States navy. Since Mrs. Stricklin has been away, a letter came in from her sister stating that when she got to Honolulu, she found that her husband was somewhere about the Phillipine Islands.

Well, that is a jump of some 8,000 miles, and her husband's ship is supposed to be in convoy duty, but she stated in her card that she would remain till her husband came back to the Islands.

MEADOW HOME DEMONSTRATION CLUB NEWS

(Delayed) The Meadow Home Demonstration club met Tuesday afternoon in the home of Mrs. J. T. Fulford which looked spooky, being decorated for Hallowe'en.

After roll call, Mrs. Moss guessed the nearest to the weight of a pumpkin and the number of beans in a jar.

A report in the Extension Service meeting was given by Mrs. Locke which was held at Brownfield last Friday the 17th.

The club is going to have a Christmas party. Names were drawn. Mesdames Pendergrass, Doak and Richards were chosen to serve on the party committee.

The club will put on the play "The Path Across the Hill, Friday night, November 7.

Miss Blanton was with us and demonstrated very pretty holiday tables. She also gave a talk on vitamins, pictures white rats were shown and the effect the lack of certain vitamins had upon them.

Refreshments with Hallowe'en plate favors were served to fifteen members and a guest and Miss Blanton.

METHODIST CHURCH

Bishop Ivan Lee Holt of Dallas will preach here at the Methodist church next Monday morning at ten o'clock.

Brownfield is indeed fortunate to have a man like Bishop Holt come this way. He is a world citizen. For twenty years he was pastor of one of the largest churches in St. Louis Mo., for four years he was president of the World's Alliance of Christian churches. In June 1938 he was elected bishop of our Methodist church. He has been around the world several times. He, perhaps, knows the world situation as few men know it. So take advantage of this opportunity of a lifetime to hear this wonderful speaker and Christian gentleman.

The public is invited and welcomed to this service. There will be no collection.

H. W. Hanks, Pastor Methodist church.

ON GUARD AMERICA BUY UNITED STATES DEFENSE BONDS & STAMPS

1918 - 1941

Defenders of America, we salute you on this Armistice Day, twenty-three years after! The cause of liberty, freedom, tolerance — in short, the cause of Democracy which is all those other things — will be well served by you today, as it was by the soldiers who victoriously laid down their arms in 1918.

FIRST NATIONAL BANK

There goes the grocer's son; and the bank teller who's always had a friendly word. Remember the Smith boy who was away at college until this year? That's he in the middle of the third row of marching men. How fine they all look in their spanking-new uniforms. How firmly their shoulders are set to carry their guns . . . and see the Color Guard, so tall, so straight! How proud we are of our town's boys, marching off to the training camps of America, where they'll learn every means of national defense.

They are the trustees of every liberty which Americans have fought to defend since the glorious days of '76. They are the youth, unflinching in their faith in freedom's worth, who will safeguard our Democracy. Good Luck wishes were never more heartfelt than they are today, as we wave a cheering send-off to the boys from our homes, from our neighbor's homes . . . the boys of our town, the defenders of our nation and all nations to whom Democracy is life's highest hope!

Can Save on Tickets If Purchased Early

Roy Herod of the local athletic council informed the Herald Thursday that tickets for the Slaton-Brownfield football game, which is to be staged in the former city on Armistice Day, is now on sale at all drug stores and at the high school building.

Mr. Herod stated that until 4:00 o'clock Saturday afternoon, adult tickets will sell at 75c and children's tickets for 25c. After the above time, all tickets, child or adult, will be priced at \$1.00 per each.

The Herald urges everybody thinking of taking in the game to take advantage of this saving as we believe you will enjoy the game a lot more if you do this rather than waiting until you get to Slaton and then have to pay out that kind of money. One adult ticket wouldn't make a lot of difference, but it could be quite a lick to a person buying several tickets, especially children's tickets.

Those present were Mrs. John Collins and Ada Nan, Mrs. Art Mills, Mrs. Bob Wright and Dona Sue, Mrs. Jim Williams, Mrs. J. P. Whitley and Mrs. John Blair.

Refreshments of pumpkin pie and coffee were served.

TOKIO QUILTING CLUB

Mrs. E. S. Bandy entertained the Tokio quilting club for her daughter, Mrs. R. L. Garrett Oct. 30.

The weather was so bad we had only six members present. One quilt was quilted.

Refreshments of cocoa and cookies were served.

The next meeting will be with Mrs. Homer Johnson.

R. W. Tunnell, one of our south-east Terry readers, who gets his mail on an O'Donnell route, was in to renew recently. No, he didn't like the weather either.

Speaking of weather, that has been a leading item of conversation of late, it has actually been clear or nearly so since last Saturday. No rain at all. What a record!

The Herald was started this week to Mrs. Sam Branch who has moved to Salem, Ore.

Miss Annie Armstrong was in

recently from the ranch over in the Silgo section of Yoakum county, and while in town, called to pay for her Herald another year. On one occasion Miss Annie threatened to stop her paper if we ever put her name in there with two provisions, 1st if she died and 2nd. if she was sent to jail. This time she released us, and said we could quote her as saying "if this dry (?) weather persisted, we are likely to have a dust bowl all of our own."

The State highway department has let the contract for the finishing of highway 137 in Dawson county to connect with the one from Brownfield to the Dawson county line. When this is finished it will be only about 38 miles to Lamesa.

Another 1500 barrel well was brought in this week in north-west Terry. There are some 20 producing wells in that section of Terry county.

Jim Wiman, of Wellman is a new reader of the Herald and Star Telegram.
