Your Home Owned and Home Managed County Pa per — Where Farming, Ranching and Oil Fields Bring Prosperity to Terry County People

VOLUME THIRTY-EIGHT

BROWNFIELD, TERRY COUNTY, TEXAS, FRIDAY, AUGUST 7, 1942

NUMBER 1

Some Entertainment For Farmer's Families

The Herald has noted with interest that in a number of towns from which we get exchanges, the merchants use a number of ways to entertain the wives and children of farmers who come in Saturdays to buy their week's supply of groceries and other merchandise. One of the most popular is the free movie.

At the outset, let us take the typical farm mother and two or three children. Her husband can meet friend Dick, Tom or Harry and pass the time just splendidly. All have a new yarn; the crops are a lively subject, and saving the state and nation is another. Even the war is no mean subject. But the mother and her little brood have to hunt a shade with perhaps no seats, and make the best of a hot afternoon.

There is as usual heavy traffic in the streets, and like all mothers, this farm lady has to almost hobble and stake out the little offsprings for fear they will get killed in trying to cross the streets. It is a nerve racking worry for the long, hot afternoon. You have seen these mothers herding the kids and no doubt felt sorry for them.

Then why not do something, and not just be sorry? We have never broached the subject to Mrs. Ethel Jones, but knowing her as we do, we believe that some arrangement could be worked out whereby merchants could hand free tickets for these mothers and children to go to a cool show house and enjoy an hour or two of an interesting show, and relaxation.

It is none of our business to take a lead in this matter, but for a stipulated price, we believe these mothers and children could be admitted. Yep, it will take some money, but if some one can be persuaded to see the business men once a month and collect a donation from them, that would get the matter under way. Or collections might be arranged through the Board of Development that town folks are not eligible for these free tickets. All merchants will know whether or not a customer is a farm lady or not. When town people get tired and hot, they have nothing else to do but go home and rest. This is all out with farm folks unless they know some one that lives in town.

This is just a rough outline of our idea. A committee could draw up better plans and contact Mrs. Jones. Or they might have other ideas. After all, the town is dependent on the farm population of the area for a great lot of the prosperity we enjoy. They come here to spend their money. Why not show them we appreciate this? Something on this order does more than anything else to make farm families forget their mail order catalogues when they want something.

What is your idea about the matter? We would like to have some expressions from the business men. Not particularly something to print, but personal expressions. Also, we would like for farm mothers to express themselves. If you don't like the idea, say so, or if you do, what is your idea?

City Names Smith Personnel Head

M. M. Smith, city clerk, was named Superintendent of City Personnel at the regular bi-monthly meeting of Glendale council Tuesday night, at the same time voting him a raise in salary from \$2600 per year to \$3,000 plus necessary automobile expenses incurred in the performance of his duties.

A popular employee with all members of the council and city personnel, Smith, a native of Texas, has been City Clerk for seven years, an employee of the city eleven years. Capable, efficient, promotion did not come as a surprise to Glendale citizens who have long recognized his worth.—Glendale, (Ariz.) News.

M. M. (Mumford to most of us) is the eldest son of Mr. and Mrs. W. C. Smith of this city.

The Jones Theatres Signally Honored

This week the writer had the privilege of reading a letter from Henry Reeve, of the War Activities Committee of the motion picture industry for Texas, in which the Jones Theatres of this city, Mrs. Earl Jones, owner, was made "Issuing Agent" for the sale of War Bonds and Stamps. These will go on sale now at the Rialto, where customers may purchase them.

Mrs. Jones owns one group of three of the 560 independent theatres in Texas, and when you understand that her theatre was one of the 93 out of the 560 that was selected, one may begin to realize what this means to Mrs. Jones, and to her little city and fine community.

Actual bonds will be on sale, not just stamps to fill your book, after which you will be required to go some place to get your bond. You can purchase your bond right at the Rialto.

Mrs. Jones has always taken a leading part in all kinds of charitable work or community work in the city and county. Since the war began, her theatres have been foremost of the community enterprises, looking to the winning of the war. Even now, she is lending the force of her picture machines to the American Legion in their drive for old phonograph records, which will be gathered, melted down and new records made for the entertainment of our boys in the camps.

If anyone has ever gone to Mrs. Jones with any proposition for the civic betterment, charity or otherwise, that she didn't take on the matter without hesitation, we are unaware of it. In view of these facts, we join the other citizens of the town in congratulations to Mrs. Jones for the honor conferred on her by the Motion Picture Industry.

Aside from her help of all kinds of campaigns, we have seen Mrs. Jones buying bonds at the bank. She even had her colored maid alone to buy some.

Local School To Open September 1st

Supt. E. E. Hancock announced this week that there would be a conference of the teachers of the Brownfield Consolidated District at the school buildings on August 31st. This we suppose is to get the new faculty lined up and organized, and will include all teachers in the city schools as well as those of the Gomez and Tokio wards.

Next day, September 1, which will fall on Tuesday the schools will be opened for the admission of students, and as is usual, one to two days may be consumed in getting the classes properly organized and the students registered.

Supt. Hancock stated that the faculty had been completed with the exception of about three teachers, one of which is the band teacher. While he admitted that it was getting to be a real job to get teachers, he felt sure they would have a full corps on hand at opening date.

Despite the fact that a war is on, the people of the district anticipate a good school.

Bill Settle Thanks Voters

I want to thank the voters of Precinct 2 for the splendid support given men in the past election.

I feel that the vote given me is an endorsement of my work as commissioner. In the coming term I pledge you the same efficient service as in the past.

Signed:
Bill Settle.

Important Meeting Of All Farmers

Very, very important that all farmers of Terry county and adjoining counties be present. District Courtroom, Sautdry, August 8th, promptly at 3:00 P. M.

Bill Tilson.

Salvage Campaign To Relieve Steel Shortage

The War Production Board of the United States has issued an earnest plea to the people to gather up all the scrap on their premises and sell it—now.

We are faced with a serious shortage of steel scrap, rubber and other vital materials. This shortage must be filled.

By the end of 1942, we shall have the plants with which to make 92,000,000 tons of steel ingots a year. During this year we are actually producing 85,000,000 tons. In all her six years of preparation for this war, from 1933 to 1938, Germany used for all purposes, military and civil, Germany used only three million tons more than we shall produce this year alone.

Why, then, are we short of steel? Simply because we have a much larger task to complete than Germany did. We are trying to do overnight what Germany did over years, and it is a task which calls for more and more steel. We need ships, guns, ammunition. But, first, we need steel!

The 17,000,000 tons of scrap metal, which is estimated must be turned in between now and January 1, is available if we will but gather up the scrap iron and steel about our homes. It is estimated there is enough scrap on farms alone to make twice as many battleships as there are in the whole world today, or enough 2,000 pounds bombs to drop three per minute from big bombers incessantly for more than three years. If this scrap metal is available it is our duty to ourselves and our boys in the service, to make it accessible to the steel mills and the armament plants.

Sell your scrap metal . . . now! The National Salvage Campaign is under way, and it is the patriotic duty and privilege of

Meeting At Gomez Starts Tonight

ELDER JAMES F. BLACK

Elder James F. Black of Denver City, will start a meeting for the church of Christ of Gomez, tonight, to run over the 16th. This will make his fourth revival meeting for this congregation. All are cordially invited to hear this series of meetings.

Elder Black stated that he had closed his work with the Denver City congregation, and that he would move to Winters to work for the church there following the Gomez meeting.

Many people will miss this fine, optimistic citizen from this section of the state.

Mrs. Don Hill and children are here from Corpus Christi visiting her parents, Mr. and Mrs. E. Brown.

each person to take part in it.

The situation is serious although many do not realize it . . . but before victory can be ours, we must awaken to the problems of our country. Act now—beat the Axis at their own game with tons and tons of scrap iron and steel!—Littlefield Leader.

Merchants Must File Ceiling Prices

All retail merchants in Terry County were reminded today, that they must file with their local board by August 10 a list showing cost-of-living articles and their ceiling prices which the merchant has added to his stock since July 1.

"The filing of such lists by the tenth of each month is made mandatory by General Maximum Price Regulation No. 1" Mr. Kendrick pointed out.

He also called attention to the fact that many retail merchants still have not filed the initial listing of cost-of-living articles and their ceiling prices, which should have been in the hands of the rationing board not later than July 1.

"Failure to file that list is a violation of the General Maximum Price Regulation," Mr. Kendrick said, "and we have been advised that the state office of Price Administration staff is now making a field survey to determine how many merchants have not filed this list."

The results of this survey, he said, are to be turned over to the OPA compliance and investigation department, for immediate attention. Any merchant who has not obtained a copy of the General Maximum Price Regulation, or of Bulletin No. 2—"What Every Retail Merchant Should Know About the GMPR"—can get copies by applying to the office of the Terry County War Price and Rationing Board, Box 613, Brownfield.

Mr. Kendrick stressed that compliance with Price Control is an essential duty in winning the war "on the Home Front."

Alfred Smith Transferred To Florida

Alfred B. Smith, son of Mr. and Mrs. Lee Smith, is now on his way to Hollywood, Fla., where he will enter the Aviation Radio school, beginning with a course in gunnery. This course will probably last seven months. He enlisted in the Naval Reserve last February, and after training six weeks in San Diego, Calif., he was transferred to Naval Training School of Radio at the University of Wisconsin, at Madison.

Alfred was on the honor roll, having an average of over 85 for the past three months. There are three classes of code, beginners, average, and speed. He was in the speed class and one of the first to graduate, the exercises being held Sunday, July 25th. Because of his good marks and good health, he was chosen to enter aviation radio, a step higher. He had hoped to get a few days furlough between schools, but Uncle Sam said no, but he held a long distance telephone conversation with his mother.

His brother, Alvin Lee, was at home in May on furlough. Since then his parents have not heard from him. He is supposed to be in submarine duty somewhere in the west.

Wellman revival Now Going On

Members of the church of Christ worshipping at Wellman have requested the Herald to announce that their meeting is now in progress, and will continue another week. Visitors are always welcome.

Elder Mercer as holding their meeting, and is said to be a good speaker, and an authority on Bible subjects.

Judge Reed Has Been In Hospital

Judge Louis B. Reed, who was recently re-elected district judge of this district, sent in his thanks this week, and remarked that he was confined to the hospital at Fort Sill for some time, but was up now and on duty.

Judge Reed being a reserve officer, was called into military service early this year. He is a Lieutenant-Colonel.

• Herald Want Ads Get Results

Rep. Hop Halsey To Be Army Flier

REP. HOP HALSEY

Hop Halsey, local druggist and state representative of the 119th district which includes Lubbock and surrounding counties, will leave today for Nashville, Tenn., where he has been called into active service in the U. S. Army Air Corps.

A graduate of the primary flying course offered by the Civil Aeronautics authority, Halsey will become a flying cadet following his induction at Nashville.

Renominated July 25

Renominated for a second term as representative without opposition in the July 25 primary, Halsey said last night he expects to be able to attend the regular session of the legislature next January.

"However," he said, "if I am not able to attend the session, the district will not be without representation. Speaker Homer Leonard, of McAllen, a close personal friend, has promised me that he will see that our legislative affairs are taken care of." Leonard probably will be re-elected to a second term as speaker.

Schooled in Lubbock, Texas Tech and the University of Texas, Halsey has been a resident here for 20 years. He is married, has two children and resides at 3308 Twenty-first street.

His family will continue to live here until such a time as they may rejoin him.—Lubbock Avalanche.

Elvin Writes Parents From Ireland

In a recent letter received by Mr. and Mrs. E. L. Roberts from their son, Elvin, disclosed the fact that he had just landed at Londonderry in north Ireland, from what is said to have been the largest convoy to ever cross the Atlantic, or any other ocean, perhaps. This fact has been disclosed by the War Department recently. Elvin says he is feeling fine.

That makes three Terry county boys that we know of that are now in north Ireland, the others being Jack Shepherd and Byron Sandage. Also, one of the McLeroy boys is in Alaska, perhaps others. Soon the young men from Terry county will be scattered all over the universe.

Two colored boys left Monday by order of the local draft board for an induction camp.

WTCC May Postpone Regional Meetings

The West Texas Chamber of Commerce is now balloting the directors with the idea of discontinuing the regional meetings until after the war in order to conserve rubber. The meetings were changed from spring to fall last year, the fall meeting being held at Midland.

At that time, Waco, for the first time succeeded in landing the fall meeting this year, due to the fact that it is situated on the extreme edge of this district. However, Waco has agreed tentatively to forego the meeting provided the directors agree to hold the first meeting after the war at Waco.

To The Voters Of Terry County

I wish to express my sincere thanks for your splendid vote in

Hoping The Women Will Be Drafted

An Editorial

There are any number of ladies of this town that we have heard talk, and they seem to mean it, that want the United States government to draft all women as well as the men, and put them into war work, wherever the government thought best. It all comes about because some few absolutely refuse to do anything toward the war effort.

Those who have talked in our presence, have in most instances been leaders in all the drives here, such as Red Cross and USO. They too, have also spent one or more days a week up at the Scout Hall making garments. And some of these ladies live out in the country, some even have boys in the service. Talked with one this week that had two in the service, and another fixing up his papers this week, and an 18 year old that wanted to volunteer, but she and husband had not given their consent.

Now, these ladies, some of them living in town and some in the country, point to the fact that there are any number of women here in town that do nothing but play bridge and drink what cokes come to town, and if their merchant refuses to let them have a case of coke, they become insulted and threaten to quit their merchant so it has been reported to the Herald.

Now it may be just possible that these ladies don't know anything except play bridge and smoke and drink. It may be possible that they are wealthy enough to have all the house servants they want or need. But the fact they are wealthy, prosperous and stand high in social affairs is no excuse whatever not to help in war work.

Take for instance the first lady of the land, Eleanor Roosevelt. The Roosevelts and Delanos in their own rights are very wealthy, and their blue blood runs back for hundreds of years. Yet there is not a more enthusiastic war worker in the nation than Mrs. Roosevelt. There is not a better social worker among the underprivileged than the First Lady.

Taking a speculative slant on the matter, what will wealth and social standing amount to if Mr. Hitler takes over in America? Unless of course one aims at a job as a Quisling, and we can hardly feature a person living in this area that would like to live at the top of the pot while our former neighbors were being driven as slaves.

This editorial may seem a bit hard, but we are in a war up to our necks. It is going to take the efforts of all of us to win it, and we just can't have slackers and drones. There is no place for them just now, and personally if we kinder layed down on the job heretofore, we believe we'd open up and offer to do something worth while.

We are not against bridge or any other game for those who like to play. It is a fine recreation for some, but there is a time for play and a time for work at this stage of the game of keeping our freedom intact.

Another thing, we can't reason it any other way than that the mothers who are giving one of more boys to fight for our freedom, might not look with any degree of love or admiration on people that were too complacent to move a hand. Such an attitude might cause them to look with not too much favor on the business of friend husband when these boys comes marching home—that is some of them.

Let's all hit the ball and beat the dictators. They had years the start on us, but if we all do our best, we can down them. There is a place, and a work for all of us. Let's all be up and doing.

re-electing me as your District Judge. I regret that I do not know of the many acts of assistance rendered me. I hope to always have the courage, integrity and ability that will merit your respect and confidence.

LOUIS B. REED. 1tc.

Yes, we know that you got disgusted with the long, drawn out trial of the saboteurs, when our Supreme Court was called together to pass on whether or not they should be tried in civil courts. So did we, knowing as we do that a bunch of our people caught by the Nazis would have lasted just about as long as a snowball in Hell. All of us know what they came over here for, to kill and maim our people and destroy our factories and bridges. Our men over there would have been given a trial of about 20 minutes without aid of counsel, and taken out and shot. Sometimes we half agree with Old Hitler on one thing—democracies move too slow.

While in a way the WPB mid-year report is quite optimistic, there is some things connected with it that is rather sobering. While we are producing more ships, guns, planes and munitions than we even dreamed of a year ago, there appears to be prospects of bottlenecks. While our mills are turning out nearly as many tons of steel in one year as Germany did in nine, our huge production seems to be catching up with and overtaking the capacity of the mills, and there may be some heart-rending layoffs, just when we need everything in the way of fighting material we can get. But we must learn to take the bitter with the sweet.

Junk iron, steel and rubber are still something that the war production boards still stand greatly in need of. It is generally believed that there still exists a great lot of iron and steel as well as rubber around the towns and on the farms of America that should be sold to dealers, and transferred to steel mills, for that reason, beginning soon, the American Salvaging Committee will start an advertising campaign in the newspapers of the US for a continuous gathering of junk metals and rubber. This campaign is also to be co-sponsored by home people, and they are to sponsor at least one ad, showing that they are in the fight for scrap metal.

As stated above, there is no limit to the length this campaign will last. In other words, just so long as our government needs this scrap metal for war work, just so long will this campaign last, and that is when our armies and navies have caused the dictators to capitulate. Your local junk committee is composed of C. T. Edwards, Bob Bowers, and R. N. McClain, and anyone else they may ring in to help in the effort. These men stand ready to lend any kind of assistance in finding markets for what you may have to sell.

The Herald had a birthday July 11, when it became 38 years of age, and has been under the present management since June 1, 1909, or a bit more than 33 years. Like the dilapidated nag that the fellow was trying to sell, "it's a dang good paper the shape it is in." This is the first time we have had a birthday in July in a long, long time, however. For the past several years it has been the first part of August when we finish a volume. Recently a north plains paper wanted to know why it was his paper was born in such and such a year, yet it lacked two or three years being as old as apparently it should be. For instance, the Herald was born at Gomez in December 1903, then called the Terry County Voice. Shortly after the plant was moved to Brownfield and the name changed to the Terry County Herald, the owners, the late Judge W. R. Spencer and nephew, Percy Spencer, lawyers, not printers, failed to get a hand, and the paper lost several issues. Also, in those days, no country editor ever thought of issuing Christmas week. It took he and the printers a week to sober up. And, as far as the Herald is concerned, we took the rap for four issues when we came down with the ful in 1919. So, with all these lost issues, the birthday now is in July or August instead of December, as it takes 32 issues to complete a volume of one year. During that time the Herald has had many beds, the first being an old George Washington hand press; the second a job press that printed one page at a time; the third was a country Campbell cylinder press; the fifth a small two-page Babcock-Cottrell, and the present an old four page Scott with attached folder. Yep, we've run all of 'em, but can't say we like it. Looks easier to watch the other fellow do the job. Didn't have much to say this week anyway, and just as well kill space with this nonsense.

Mr. and Mrs. Tom May spent the day in Lubbock Monday.

Constitutional Amendment

H. J. R. No. 23

A JOINT RESOLUTION

proposing an amendment to Article 3 of the Constitution of the State of Texas authorizing the lending of Two Million Dollars (\$2,000,000) of the Permanent School Fund for the construction of a State office building or buildings; providing for repayment to the Permanent School Fund; providing for the submission of this Amendment to the voters of this State; and providing for the necessary proclamation and expense of publication.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Article 3 of the Constitution of the State of Texas be amended by adding thereto a new section to be known as Section 49-b, which shall read as follows:

"Section 49-b. The Legislature may provide by law for the issuance of not more than Two Million Dollars (\$2,000,000) in bonds or obligations of the State of Texas to the Permanent School Fund for the construction in the City of Austin of a State building or buildings, and the State Board of Education is hereby directed to invest not more than Two Million Dollars (\$2,000,000) of the Permanent School Fund therein. Such bonds shall be executed on behalf of the State of Texas by the Governor and comptroller, and shall bear a rate of interest not to exceed three (3) per cent per annum, payable annually; they shall be of such denomination as may be prescribed by law, and shall be payable in not to exceed twenty five (25) equal installments beginning one (1) year from date of issuance; and the State Treasurer is hereby authorized and directed to set aside into a special fund annually at the beginning of each fiscal year until all of said bonds shall have been paid off and discharged, a sufficient amount of the first moneys coming into the Treasury for the use and benefit of the General Revenue Fund not otherwise heretofore obligated to the payment of bonds and interest, a sufficient amount to pay the interest becoming due and the bonds maturing during such fiscal year. From said fund, the Treasurer shall pay the interest on said bonds as it comes due, to the credit of the Available School Fund; and shall pay off said bonds as they become due and deposit the amounts so paid to the credit of the Permanent School fund. The power hereby granted to issue bonds is expressly limited to the amount stated and to five (5) years from and after the adoption of this grant by the people."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to the qualified voters of the State of Texas at an election to be held on the third day of November, 1942, at which election all voters favoring such proposed Amendments shall write or have printed on their ballots the words: "For the Amendment to the Constitution of the State of Texas authorizing the investment of not more than Two Million Dollars (\$2,000,000) of the Permanent School Fund in bonds of the State of Texas to be issued for the construction of a State office building or buildings and providing for the repayment of the said sum of money to the Permanent School Fund."

Those voters opposing said Amendment shall write or have printed on their ballots the words: "Against the amendment to the Constitution of the State of Texas authorizing the investment of not more than Two Million Dollars (\$2,000,000) of the Permanent School Fund in bonds of the State of Texas to be issued for the construction of a State office building or buildings and providing for the repayment of the said sum of money to the Permanent School Fund."

Sec. 3. The Governor of the State is hereby directed to issue the necessary proclamation for said election and have the same published as required by the Constitution and existing laws of the State.

Sec. 4. The sum of Eight Thousand Dollars (\$8,000) or so much thereof as may be necessary, is hereby appropriated out of any funds in the Treasury of the State not otherwise appropriated to pay the expenses of said publication and election.

W. P. Forbes, one of our most successful farmers of the Valley community, was in Monday with a grin that reached almost from ear to ear. Didn't have to ask him if he had a good crop.

Constitutional Amendment

H. J. R. No. 24

A JOINT RESOLUTION

proposing an Amendment to Article V of the Constitution of Texas as by providing that the Legislature shall have the power by local or general law, in counties having a population in excess of two hundred thousand (200,000) inhabitants to create other courts having exclusive jurisdiction or concurrent jurisdiction with the county court in civil, criminal or probate matters; fixing the time for an election therefor; prescribing the form of ballot; providing for a proclamation of such election and the advertisement thereof; and making an appropriation therefor.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. Article V of the Constitution of the State of Texas be amended by adding thereto a new section to be known as Section 22-a and reading as follows:

"Section 22-a. The Legislature shall have the power, by local or general law (without the necessity of advertising any such local law), in counties having a population in excess of two hundred thousand (200,000) inhabitants according to the then last Federal Census, to create other courts having either exclusive jurisdiction or concurrent jurisdiction with the county court in civil, criminal or probate matters."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to the qualified voters of the State of Texas at a special election to be held on the first Tuesday after the First Monday in November, 1942, at which time all voters favoring such proposed Amendment shall have written or printed on their ballots the following:

"For the Amendment to the Constitution, providing that the Legislature may in certain counties create other courts having either exclusive jurisdiction or concurrent jurisdiction with the county court in civil, criminal or probate matters."

Those voters opposed to such Amendment shall have written or printed on their ballots the following:

"Against the Amendment to the Constitution, providing that the Legislature may in certain counties create other courts having either exclusive jurisdiction or concurrent jurisdiction with the county court in civil, criminal or probate matters."

If it appears from the returns of said election that a majority of the votes cast is in favor of the Amendment, the same shall become part of the Constitution of the State of Texas.

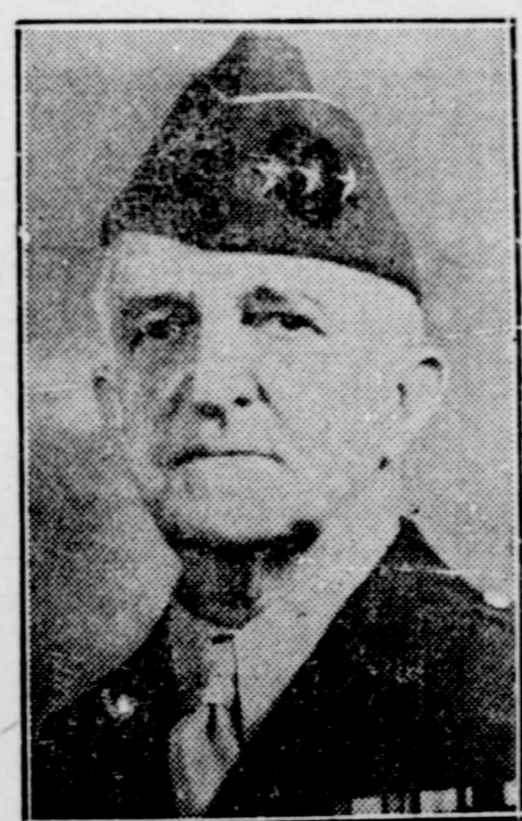

Sec. 3. The Governor of the State is hereby directed to issue the necessary proclamation for said election and to have it published as required by the Constitution and existing laws of this State.

Sec. 4. The sum of Ten Thousand Dollars (\$10,000) or so much thereof as may be necessary is hereby appropriated out of the State Treasury not otherwise appropriated to pay the expenses of said publication and election.

WRITES FOR DEWEY PENDERGRASS READ

Dewey Pendergrass, 40, and a citizen of Meadow section for the past 19 years, passed away Tuesday, July 28, following ill health for several months. He was manager of the eMadow telephone exchange.

Services were conducted by O. C. Dial, of Lubbock, at the Meadow church of Christ at 5 P. M. Wednesday. Burial in Meadow cemetery with a Lubbock funeral home in charge. He is survived by his wife and two children; his father, C. T. Pendergrass, and five brothers and three sisters.

Lt. Gen. Daniel Van Voortis

GET YOUR COMBINE READY FOR HARVEST

Now is the time to start getting your combine ready for the harvest while parts are still available. Due to the large acreage and the scarcity of new machines, it's important to get the old combines fixed now. We have a few completely rebuilt harvesters for sale.

KNIGHT MACHINERY

TEXAS DUE SWEEPING INSURANCE REDUCTIONS

AUSTIN—A sweeping, statewide reduction in fire insurance rates, announced today by Marvin Hall, State Fire Insurance Commissioner, will result in an estimated saving of \$3,200,000 to Texas policy holders during the next 12 months. The new rates involved in today's order by the Board of Insurance Commissioners, will become effective on fire insurance policies written after August 1, 1942.

The broad reduction affects many classes of insured property, and in the case of dwellings amounts to as much as 25 per cent in future fire insurance costs.

A few classes of property will receive increases in rates due to unusually heavy losses experienced in these classes during the past few years, Hall said.

"The revision of rates in today's order," Commissioner Hall added, "has resulted from an exhaustive study of loss experience in other classes with a view of determining whether other reductions may be justified. In addition, the Board the subject of broadening the coverage of insurance policies to give the policy holder added protection."

"Recently the Board urged companies to reduce their operating costs in order that this saving also might be passed on to the public. Cooperation of both companies and agents to this end has been splendid. The agents, as a whole, are due particular credit in the unselfish attitude displayed in a willingness to see all savings possible passed on to the insurance buyers."

The greatest saving in any class will apply to dwellings. This benefit, estimated to exceed \$2,625,000 within the next 12 months, will reach more individual property owners than any other class. Premiums on insured dwellings last year accounted for approximately 40 per cent of the fire insurance business written in Texas.

Savings to insurance buyers in Texas as a result of today's order, coupled with reductions during the past six years, reach an approximate total of \$10,000,000, Hall said.

Lt. Gen. Delos C. Emmons

A HOME FRONT PROBLEM

The rubber problem is simply not another problem for the government to solve. It is your problem. It is not just another inconvenience of war—it is a serious casualty.

Solve your little part of the problem yourself, and then make sure that the other fellow does his part.

We are all volunteers in the HOME FRONT army, and it as behooves us to protect us to preserve our weapons and material, as it does the soldier in the front lines to protect his gun and equipment.

Take good care of everything you own that contains rubber—that's Uncle Sam's answer to your question: "What can I do?"

Follow closely the following 12 suggestions. Keep yourself on wheels.

- Save Tires**
1. Drive slowly.
 2. No sudden stops.
 3. Don't skid around corners.
 4. Use brakes gently but firmly.
 5. Shift your tires and spare from wheel to wheel.
 6. Keep wheels in perfect alignment and balance.
 7. Avoid over-inflation and under-inflation. Check regularly. Proper inflation lengthens tire life.
 8. Start gently, don't spin your wheels.
 9. Don't bump over curbs, or run over rocks and stones.
 10. Slow up on bumpy roads with chug holes.
 11. Remember, too, that tires wear out twice as fast in the summer as they do in the winter.
 12. They wear four times as rapidly at 70 as they do at 35.

IT'S THE LAST STRETCH THAT COUNTS.

Pool your cars—swap rides!

A. L. Baker was up Monday from his fine farm near Wellman to visit his son, Claude, who was operated on last Thursday. A. L. usually has about the earliest roasting ears, so we asked about them. Said he: "Went to the corn field one day last week to see if I could get a mess, and blamed if some of them were too hard." Saysee: "Thought about bringing you a mess, but it was too hot and I was too lazy." Now ain't dat sumphin!

HAVE YOUR HARVESTING EQUIPMENT Repaired NOW!

Materials to replace worn parts on your Tractor, Binder, Row Binder and Combine will be hard to get later on.

To be sure of keeping your harvesting equipment in shape, let our expert mechanics make all necessary repairs and replace all worn parts NOW.

CHISHOLM HARDWARE

Baptist Church News

We had a good day last Sunday with better attendance at all the services and 345 registering in the Bible study which was a big gain.

It will take work to keep up the attendance in the services and new people must be enlisted in the classes as we estimate now that our congregation has provided at least fifty people who are doing war work in camps and more than thirty men who are now in the service.

We must keep the home fires burning as these people doing war work will be returning to us before the year is over, and we will be glad to see them in the services again.

Our men in the army will be going to the battlefields from now on and when they may be able to return we do not know but we are sure it will be when victory has been attained without compromise.

We will have more to say next week about the revival beginning the 16th of this month in our church and hope that our people will not overlook this date and will arrange to give the meeting their full support and pray that a great revival of religion may sweep from our church and the

entire community of which we are a part.

Dr. I. L. Yearby of El Paso who is a great pastor there has consented to preach for this series of services and if he, a very busy pastor, can take the time from his own great work to be with us, certainly we can aid the meeting by our presence and prayers.

The teachers of the Bible should urge the members of their classes to visit those who should be in attendance and do it now that they may be reached for the meeting.

Visitors are always welcome in our congregation.

The Presbyterian Women's Service Guild met at the Church Monday with Mrs. Tory Griffin, leader. The lesson was the third of a series of Old Testament study and Mrs. Griffin reviewed the books of Isaiah and Jeremiah. Following members were present: Mesdames John King James King, Troy Griffin, Jimmy German, Mills Roberts, H. W. McSpadden, C. M. Chapman, Fred Walker, E. O. McIver and Albert Swanson.

Charles Malcolm Cleveland, of route 3 this city, joined the navy this week, according to recruiting officer Walker, who called at the Herald office, Tuesday.

The beautiful, new French actress, Michele Morgan, turns out one of the most exciting, and romantic films of the year in her first American movie, "Joan of Paris." Miss Morgan has just arrived from France to play in this drama-packed film of the struggles and heartbreaks of the French.

"Joan of Paris" is coming to the Rialto Friday.

POOL

The Methodist meeting closed last Sunday morning. There were three conversions and three new members. Rev. L. C. Morrison of Robison did the preaching.

The Baptist meeting will begin Thursday, August 6, with Rev. Gail of Meadow doing the preaching.

Miss Geneva Aldridge of Weatherford spent Sunday with Leola Trussell.

Mr. and Mrs. Freeman Rowe of Happy, Texas, and Mr. and Mrs. Herman Rowe of Sundown, spent the weekend with Mr. and Mrs. J. P. Rowe.

Mrs. Albert Hartman and family of San Angelo have been visiting with Mrs. Hartman's sister, Mrs. Redding and family. They returned to their home Sunday and Miss Annie Lee Redding went with them.

Mr. and Mrs. Jack Brown are entertaining a new son, whose name is Reeves.

Those attending the Terry County H. D. Picnic were Mrs. L. M. Waters, Mrs. Lois Wright, Mrs. S. V. Newsom, Mrs. R. H. Huddleston, and Mrs. J. J. Gunter.

Mrs. J. P. Rowe is visiting a son, Henry Rowe and family at Hereford. They have a new daughter whose name is Patricia Lynn.

JESTER OPENS HIS CAMPAIGN FRIDAY NIGHT

CORSICANA—Opening his run-off battle for the State Railroad Commission, Beauford Jester will discuss the importance of his campaign in a radio speech to a statewide audience from his home town, Corsicana, Friday, August 7th. The talk will be carried over a fifteen station network.

"Texas oil and transportation are vitally important to our war effort," Mr. Jester said. "Most of the oil that will fly our planes, power our mechanized divisions, and fuel the ships of America and her allies will come from Texas. There must be no bottlenecks in Texas' oil production and transportation facilities.

The people of Texas need a war veteran and a fully qualified Railroad Commissioner who will see to it that every industry regulated by the commission can and does function at its maximum in our war effort," Mr. Jester declared.

A native of Corsicana, Jester is a graduate of Texas University and served from 1932 to 1935 as chairman of the university's board of regents. He interrupted his law studies to go overseas in 1917 as an infantry captain in the 90th Division. He saw action in the St. Mihiel and Meuse-Argonne offensives. Returning to the law after the Armistice, he completed his studies and has practiced in Corsicana ever since. He has taught a Sunday school class in his Methodist church since 1924, and since 1935 has been a member of the State Advisory Board of the National Youth Administration.

Our old friend C. L. Polk of Clarendon sent in his dollar fifty renewal last week, and stated that he hoped we would not feel mad at him because he got a bit in arrears. Not in the least. If all our reads kept their subscription as up to date as Mr. Polk, running a paper would be simply grand.

Tom May, Agent

CARE OF FARM IMPLEMENTS SUBJECT OF L.F.C.A.

Roy Fitzgerald of Plains, director of the Lubbock Production Credit Association, spent two days (Monday and Tuesday) in Lubbock at a conference attended by directors of six associations which serve forty-nine Texas counties. Keynote of the sessions was need for care on the part of farmers and ranchmen in taking on debts and the use of commercial credit where financing is needed, he said.

The conference recommended a seven-point program for farmers and stockmen to follow under war-time conditions: 1. Produce what America-at-war needs most and the things you are best qualified to handle successfully. 2. Plan your work so you won't have to use so much hired help—it will be scarce and high. 3. Don't spread too much—you may get hurt if prices suddenly revert to 1937 levels or worse. 4. Conserve by protecting and repairing machinery, by producing your own living at home, by stopping waste of food, feed and supplies. 5. Pay debts while prices are good. 6. Keep the income tax in mind as part of your expenses; you are accruing a liability for 1942 taxes before you pay for 1941. Just figure that you have two year's taxes to pay out of this year's income. 7. Use credit wisely—make it help you pay debts and build a reserve for the future.

The Lubbock Production Credit Association supplied more than \$1,171,000.00 of operating money to some 700 members during 1941, Mr. Fitzgerald said. Loans so far are ahead of last year. Texas farmers and stockmen are repaying too, for 1942 cash repayments

are showing a substantial increase. The Lubbock association is making a special effort to save both time and tires for farmers and ranchmen, Fitzgerald said, and to make its service available "so that food production will not be limited by lack of sound, economical credit."

HITCH-HIKER SIGN HAS NEW MEANING

AUSTIN—The old familiar hitch-hiker sign—four fingers closed and thumb up—may have a new meaning when the educational campaign for drivers just launched by Texas Motor Transportation Association gets under way.

Instead of indicating that he wants you to slow down and give him a lift, a passing motorist who leans out of his car and gives you this signal will be warning you that you are driving on a partially flat tire.

Following suggestions of conservation-conscious members who have been giving thought to every angle of tire-salvage, the association has endorsed this plan and hopes to make the custom universal, not only for the duration, but for peacetime as well. Roughly speaking, the procedure is for all motorists to keep a weather eye out for tires on the vehicle just ahead—whether it be a truck or passenger car—and if there is an indication of a partially flat tire, make it a point to pass such a car when it can be safely done, giving three short blasts on the horn to attract attention, followed by the "hitch-hiker" signal which will inform him of impending puncture or, worse still, a possible blow-out. Automobile associations and

other transportation organizations throughout the country will be asked to cooperate in the movement with the hope of contributing, by this means, to the tire-saving program of the Office of Defense Transportation and other Defense Agencies.

Mr. and Mrs. Leo Holmes and family are leaving on their vacation for Paris, Texas, this weekend.

Mrs. Vina Price and Mrs. Gill Davis left Thursday for Ruidoso, N. M. They will join Mrs. Roy Wingerd who is a visitor there.

The Santa Fe carloadings last week were 36,017, compared to 31,023 for the same week of 1942.

Miss Jo Pete May, who is attending the summer session at Tech, visited in the home of her parents, Mr. and Mrs. Tom May this last week-end.

Mrs. Bob Spear left Monday for San Francisco to visit her husband who is in the Navy.

Miss Loulla McCreight is visiting her sister, Mrs. C. E. Ross this week end. Miss McCreight is from Beaumont.

American Legion WANTS SCRAP METAL

**Needed
for
WAR**

Despite the fine salvage efforts already put forth by American people, the need for this material is still acute, according to government authorities. Americans once more are asked to bow their necks in an extra-effort scrap metal salvage campaign.

The Legion Post at Brownfield is redoubling its efforts and has organized an intensified scrap metal salvage campaign. The people of Terry County are urgently requested to look their places over again and bring in every ounce and pound of scrap metal in order that war materials will keep going to our boys in increasing quantities. The gins of the County and Chris Quante at Continental Oil Co., Brownfield, have been selected as receiving stations and will weigh the materials and issue tickets cashable at the Brownfield State Bank at the ceiling price rate of \$8 per ton. The Legion requests that all scrap metal except car bodies, fenders barrels and other bulky items be turned in at once.

ANY DONATIONS OF SCRAP METALS WILL BE HIGHLY APPRECIATED BY THE LEGION AND THE MONEY WILL BE USED FOR A WORTHY CAUSE.

Rev. Ed Tharp, pastor of the Methodist church Ralls and one time pastor here, was over this week looking after his farms, one east and one west of town. Both had good crops he stated.

Betty Jo Savage of Lubbock spent the week-end with her grandparents, Mr. and Mrs. J. C. Green. Betty is leaving Thursday for Des Moines for officers training in the WAAC.

Mr. and Mrs. Jim Lewis was in this week to get the Herald started to her son, James C. (Carl to you) who is with the engineering department of the U. S. A. at Camp Edwards, Mass.

Mr. and Mrs. Ike Bailey and daughter Sandra left Tuesday for a vacation at Corpus Christi.

Mrs. Walter Breedlove and children spent Monday in Lubbock shopping.

Rev. M. D. Baker is filling the pulpit at the North Side Baptist church in the absence of the pastor, Rev. Arness Franks.

Mrs. Wilson Lanious from Bisbee, Ariz., is visiting her parents, Mr. and Mrs. E. L. Cave.

Sammy and Bobby Jones left Tuesday to visit Mr. Douglas Jones of Amarillo.

Cpl. R. L. Chapman, who is stationed at Fort Sill, Oklahoma, and Mr. and Mrs. Eldon Warren and son from Post visited with their parents in Brownfield this last week.

P. G. Stanford of Plains was over Wed. He was recently elected county attorney of Yoakum county with a majority of 103.

Mr. E. N. Cain returned Monday from a week's visit in Dallas and Ft. Worth.

Mr. and Mrs. Buck Andress and son are vacationing in Hamlin this week.

Mr. and Mrs. Byrch Telford of Raton, N. M., visited the Mon Telfords this last week.

Mrs. Clifford Horn left Thursday for South Dakota, to be with her husband who is stationed there.

Staff Sgt. Gene C. Jones of the Roswell Air Base was over this week visiting his brother Paul and family.

Mesdames Daniel Davis and Spencer Kendrick spent the day in Lubbock last week and Mr. Davis, who is stationed at the Lubbock Air Base, returned with them for a short visit.

Asked a guy this week where John Chisholm was to be located. "Out chopping his cotton," says he. Being a bit of a doubting Thomas, the fellow stated that he saw John's cotton two weeks ago, and that if it held what it had on it then, it would make a bale to the acre. So we guess John was chopping the weeds out of his cotton, really and truly.

Pvt. R. N. Lowe of Fort Bliss, spent last week with his parents, Mr. and Mrs. T. L. Lowe.

Bill McGowan has been notified that he is to begin training in the army air corps the 13th of August.

Miss Beverly Balfanz left Wednesday for Abilene, where she will visit her sister.

DEPENDENTS OF NAVY MEN GET ALLOTMENTS

Applicants for enlistments in the U. S. Navy are no longer required to secure a waiver of dependency affidavits from their dependents, L. H. Didout, Jr., Officer in Charge of the Navy recruiting district of North Texas announced today.

"Since the recent enactment by congress of the bill providing for allowances for support of the servicemen's dependents, men may now be enlisted in any navy rating without the necessity of dependents executing such waivers."

Navy beginning base pay ranges from \$50.00 to \$126.00 a month depending on qualifications of applicants. Married men in pay rating of \$78.00 a month or less receive under the new pay bill \$28.00 a month allowance for wives, \$12.00 for first child and \$10.00 a month for each additional child. Men in pay rating of \$96.00 a month or above receive \$34.50 a month for dependents. Other men who have dependents receive similar allowances," Lieutenant Ridout, Jr., said.

Age limits for naval service are 17 to 50 years. Many petty officers ratings are now open for qualified men. Navy recruiting stations are located at Abilene, Amarillo, Big Spring, Dallas, Fort Worth, Longview, Lubbock, Paris, San Angelo, Sherman, Tyler, Waco and Wichita Falls.

WAIT! ODDS ARE 13,000,000 TO 1

ABILENE, Aug. 1.—Te editor of the Abilene Reporter News has figured out that a fellow who dashes across a street against a red light is making a gamble of 13,000 to one.

The fellow may have an earning career of 25 years ahead of him. That makes 13,148,640 minutes. He dashes across the street. If he wins, he saves a minute. If he doesn't he may lose 13,000,000 minutes.

Mr. and Mrs. Dick McDuffie visited Mrs. B. S. Cooksey in Seagraves, Monday.

Mrs. Edwin Hamm and daughters Donna Lynn and Dolores, who were the visitors of Mr. and Mrs. R. L. Hamm of Brownfield, left Monday for their home in San Diego, California.

Mr. and Mrs. Dick McDuffie and family spent last week-end in Ruidoso.

Sterling City News-Record—"An exchange asks: 'Will O'Daniel run on his record in the Senate?' Whatinell does Lee O' want with a record as long as he has a medicine show?"

Mesdames Clyde Edwards, J. L. Cruce, W. H. Dallas, W. A. Tittle and Mrs. E. L. Roberts, were Lubbock visitors Monday.

Mrs. W. D. Lane, former Brownfield resident, is visiting here this week. Mrs. Lane now lives in Midland.

NEW STUDENT'S FRIEND

Solving the problems of new students at Texas State College for Women is the job of Seniors

JEANNE GOIN HOSTESS AT SUB-DEB MEETING

Miss Jeanne Goin was hostess to a called meeting of the Sub-Deb Club Wednesday. The members and pledges discussed plans for initiation and presentation of the pledges. Initiation of the pledges takes place Thursday and Friday. The formal presentation will be August 14.

Members present were: Jean Knight, Helen Gillham, Beverly Balfanz, Betty Jane Hughes, Em-Jean Coleman, Vyrin Patrick Wanda Turner, Patsy Lewis and hostess Jean Goin. Pledges were: Charley Mae Harrold, Wanda Mae Zachary, Janette Edwards, Glynola Murphy, Nita Chaffin and Gloaria Hughes.

MISS DUNN HONORED WITH SHOWER

Mesdames Cobb, Howard Swan, Mabel Treadaway, and Charles Hamilton honored Miss Virgella Nann Dunn, bride-to-be, with a miscellaneous shower at the home of Mrs. Treadaway from 5 to 8 o'clock Thursday evening.

Miss Beth Hamilton poured punch and Mrs. Jackie Horn presided at the bride's book.

The living and dining rooms were patriotically decorated in red, white and blue flowers, with the V for Victory sign. A huge wedding cake stood on the dining room table with "Virgella and Kelton" in red, white, and blue.

Cake and punch were served to approximately 30 guests who called.

"CUT-RATE RELIGION" DENOUNCED AT CHRISTIAN CHURCH

Next Sunday morning at the First Christian Church the minister will speak on the subject of "Cut-Rate Religion." In this day of bargain hunting, of seeking cheap imitations, it is not surprising that we often seek religion at a cut-rate, one that promises much and costs little.

An imitation may look like the real article but will not stand up when put to the test. Nothing less than genuine Christianity will stand up in time of stress. Jesus paid a high price to give it to the world and demands a high price in return for it.

True Christianity may cost a high price, but it is priceless. Nothing less can save the world. We welcome you to come and hear the Gospel of Jesus Christ, undiluted, not marked down, not changed to suit your fancy or your prejudice, but "the same, yesterday, and today, and forever."

Mrs. Parker Ward and daughter Doyle, are visiting Mrs. J. C. White.

Rev. and Mrs. Arnes Franks and family are spending three weeks in Louis. La. Rev. Franks will conduct a revival while there, and visit friends and relatives.

Clifford Barr, Gwynn and "Cornie Elliott from Cross Plains, Texas, were visiting La Verne Collier last Tuesday.

Social Events of the Week

Chambliss Off For Colorado Springs

J. W. Chambliss, son of Mrs. L. D. Chambliss, who had his primary military training at Fort Bliss, came by last week on a short furlough with home folks, before moving on to Colorado Springs, where he will do advance work.

J. W. dropped into the Herald office to get the Herald pointed in that direction before he left. We found him looking well and seemingly enthused with his work. In fact, it seems to us if the home front would just measure up to the service front in morale, we'd be settin' jake.

MRS. SAWYER IS HOSTESS TO LADIES AID SOCIETY

The Ladies Aid Society of the First Christian Church met Monday, Aug. 3, with Mrs. Arthur Sawyer. The members exchanged Sunshine Gifts.

Refreshments of cookies and lemonade were served to Mesdames Walters, Dennis, S. P. Veasey, T. W. Bruton, Crawford Burrow, Bedford Caldwell, Bob Hamm, Pickett, W. R. McDuffie, Queenelle King, and the hostess.

BUSINESS GIRLS ENJOY PICNIC

The Business girls Sunday school class at the Baptist church attended a picnic Friday night at the home of Mrs. A. W. Turner.

Those attending were: Irene, Mildred, and M. N. Adams, Faye Hogue, Inez Chandler, Margaret Travis, Ruth Huckabee, Marie Carter, Alta Mae Steen, and Patricia Mae Steen.

JOHN V. GOLDSTON MARRIES EL PASO GIRL

Mrs. W. M. Goldston was in this week from the farm and informed us that her son, Cpl. John V. Goldston, who until recently was located at Fort Bliss, had married Miss Ann Manley, daughter of Mr. and Mrs. Earl Warren Manley, of El Paso. Before her marriage, Mrs. Goldston was employed by an El Paso drug store. The ceremony was performed July 4th, at the Free Methodist church in El Paso, with Mr. and Mrs. J. T. Tucker of Lubbock acting attendants. The bride wore a street length dress of white uncrushable linen and a picture hat. A picture of the bride appeared in a Colorado Springs, Colo. paper, where the couple now live, and we can vouch for the fact that John got a mighty pretty bride.

Cpl. Goldston is stationed at Camp Carson, but they reside at 124 E. Williamette St., Colorado Springs. John expects to be made Sergeant soon.

"THE CONCRETE CHRIST" TO BE SUBJECT FOR HENRY'S FIRST REGULAR SERVICE HERE

Rev. Warren A. Henry, former church of Christ minister at Monahans, begins his regular work at the main Street church of Christ Sunday, August 8. Rev. Henry's subject for Sunday will be "The Concrete Christ." Sunday night, his subject will be "My Creed, or What I Believe and Why I Believe It."

Mrs. Laura Copeland is visiting in Artesia, New Mexico this week.

Around The Block

Now that August is really here, the younger thoughts turn back to school . . . and we've heard that the new opening of the Brownfield schools for August 31 will be quite welcome to a number of the younger set.

Nearly all the small boys are becoming air-minded, they're making model airplanes.

Speaking of those that are air-minded, Eddie Helms leaves soon to be in the Navy Air Corps. Eddie will be stationed in Georgia. Here's hoping that Eddie meets some of those gorgeous Georgia blondes. . . Don't you think that vivacious Juanita Sullivan, of the Palace Drug, would make a good advertisement for the new energy-building Vitamin B-1?

We admire Jim Graves' friendliness.

Some young folks were celebrating a wedding by the groom pushing the bride down sidewalks in a wheel-barrow—might be Nelson-Primm could tell you who they were.

Wouldn't it have been a funny sight to have seen Ted White's face when he walked in from the swimming pool in his bathing trunks to be confronted by a houseful of guests singing "Happy Birthday."

"Tis a pity all pretty girls don't come in pairs, like the Bechtel twins.

Charles Endersen is in town. We hear his new nickname, "Cass" is the short version of Cassanova. Have you seen that classy Air Corps bracelet Lauretta Goin has been wearing.

Saw La Verne Collier the other night with boy-friend "Cornie" Elliott. They say he came from 'way down Brownwood way to see her!

Virginia Stroup is on her vacation. We miss seeing her around. We think that Mary Alice Tidwell has the friendliest smile in town . . . Have you seen that little Austin being driven around town? Wouldn't it be nice if all cars were that size? At least it would save on rubber.

The three H's, Bobby Lewis, Tommy Hart, and Charles Endersen, have picked the nick-names of Hopeless, Helpless, and Hungry, but maybe they meant Helpful, Hand, and Ho-kay! We hear the Campfire girls tied strings to the trees in order to find their way back from a hike in "that thar woody" country.

'Tis told that "Doc" Davis bought another plane—a three-passenger cruiser.

Have you ever noticed Jeanne Goin's resemblance to Rita Hayworth, and her favorite star is Victor Mature, too! Mrs. Grady Goin is in Corpus Christi where her sister-in-law is gravely ill. We sincerely hope she recovers shortly.

They tell us Bobby Lewis is expecting his girl friend from East Texas this week-end.

The Phi Beta Craesus girls are being highly commended for the wonderful amount of bonds they have sold . . . The Sub-Debs have launched a drive to sell an ever-increasing number of bonds. We hear Mrs. Joe McGowan and

PRESBYTERIAN CHURCH NEWS

Sunday School will begin at ten o'clock. Morning Worship Service is at eleven with the Pastor preaching. He returned Monday after holding a meeting at the Presbyterian Church at Snyder.

The young people will leave Monday for a week of Bible study and wholesome recreation at Buffalo Gap. The Presbyterian Encampment Grounds is owned by the churches of this district and is comprised of twenty acres of beautiful giant oaks, a large outdoor swimming pool, a number of camp cottages, and other facilities. It is hoped that several will attend from here. The Pastor and his wife are on the faculty. Young people of high school age and older are eligible to go regardless of church membership.

We are still in need of funds to carry our building program forward and those who have made pledges or can give at this time are asked to do so if possible. We appreciate the cooperation we have had.

MRS. LEWIS IS HONORED WITH TEA

Mrs. Mary E. Lewis was honored with a tea Friday on her 90th birthday. Mrs. Lewis' daughters and granddaughters helped pour who they were.

A beautiful centerpiece of red roses decorated the table, a large birthday cake stood in the center. Roses and gladiolas decorated the living and dining rooms.

Cake and punch were served to approximately one hundred and four guests who called from three to nine in the evening.

Mr. and Mrs. Dube Pyeatt have as their guests this week, her parents, Mr. and Mrs. B. Lewis, and her sister, Mrs. Otho Scott. The ladies went to Lubbock Monday.

Mrs. Clovis Kendrick are learning how to make bandages at Lubbock, in order to teach everyone here.

Mrs. Lee Balfanz has a new grandson; she says she plans to go see him soon.

Don't you think Christine McDuffie makes a keen saleswoman for Defense Stamps?

We have heard that Juanda Turner's two small charges are her cousins that are visiting her.

Although the Ross sisters do not resemble each other too closely, they are identical in their sweet dispositions. They say that Nell Marie Eckart's tall, dark, and handsome boy friend will soon be in the Navy.

With Coach Noncaster and Quarterback Deverle Lewis at the coaching school in Abilene this week, Brownfield begins to get that "ole football spirit."

Have you seen pretty Joyce Dungan's hair since it has been cut? If good-looking Victory bobs will help win the war, we're sure Joyce is doing more than her share!

Perhaps some of you have seen the industrious threesome, Glynna Ross, Mary Raye Simms, and Carolyn Harris out in the country hoeing cotton. That's the new American motto, "Down to Earth!" . . . Eh, girls?

We hear that Deverle Lewis came back from Abilene Wednesday only long enough to give Beverly Balfanz a ring of rubies and diamonds, and see that she would start for Abilene that evening.

BROWNFIELD COUPLE TO WED AUGUST 16

Mr. and Mrs. I. O. Shield of Brownfield, are announcing the engagement and approaching wedding of their daughter, Norma Norene, to Elbert Glenn Bradley, son of Mr. and Mrs. Glenn Bradley, also of Brownfield.

The wedding is to take place at half after nine o'clock, on Sunday evening, the sixteenth of August, at the Brownfield Foursquare Church. Rev. Viola Hunt will officiate.

"Here Comes The Bride" is the subject Rev. Hunt has chosen for that evening's message.

Mrs. Ed Soears will play a prelude of piano selections, including the "Bridal Chorus," from Lohengren.

Miss Ramona Carver will sing "I Love You Truly" from seven songs as unpretentious as "The Wild Rose."

The bride's gown will be of white sheer, the veil will be held in place with a wreath of orange blossoms, and lily of the valley! She will wear a shoulder corsage and carry a lovely white Bible instead of the arm bouquet.

The bride is to be given in marriage by her father.

Attendants are to be dressed in pastel shades of the Foursquare colors: Miss Alvis Bradley, Maid of Honor, wearing a gown of shell pink; Miss Nona Lee Carver, dress in lemon yellow; Miss Tressie Bryan, groomed in pale blue; and Mrs. T. B. Wood will wear a dress of delicate orchid, with contrasting accessories. Bouquets of summer flowers will be carried by each.

Other attendants will be Messrs. Tom Carter, T. B. Wood, Cecil Vest and Delbert Norris, while Charles O. Hunt will serve as best man.

Little Miss Imogene Elliott will serve as flower girl, and Rudolph Jones, a cousin of the bride, will be the ring bearer.

TED WHITE HONORED WITH SURPRISE BIRTHDAY PARTY

Mrs. J. C. White entertained with a surprise birthday party for her son, Ted, Monday, Aug. 3. The guests danced, and were served cakes and cookies.

Guests were Gail Lilly, Marian Bowers, Winona Thompson, Glynola Akers, Leon Lewis, Myron Harris, Janelle Turner, Nita Jean Worsham, James Evans, Barbara Taylor, Edgar Self, Wayne Brown, Mon Telford, Jr., Glynna Faye Ross, Dick Ferguson, Wayne Rogers, Jean Knight, Carolyn Harris, Wanda Hahn, Ida May May, Alfred Mangum, Jackie Horn, Robert Lee Craig, Robert Ferguson, Sammy Jones, Joyce Dungan, Bobby Jones, Mary Raye Simms, Charles Britton, Herman Clemans, Eldora Lewis, Larry Tarpley, Minnie Lee Walton, Lorene Haynes, and Helen Gillham, also his sister, Leola Ward, and niece, Doyle Bond, from Houston.

MISS GYLNNA FAYE ROSS IS HOSTESS TO PHI BETA CRAESUS

The Phi Beta Craesus met at the home of Miss Glynna Faye Ross Tuesday afternoon. The club already well known for the outstanding number of defense bonds they have sold, discussed work will work, and their club work in the future. They have resolved to raise their bond quota to double their past efforts.

Refreshments of cheese crisps and punch were served to Misses Joyce Dungan, Wanda Finney, Ida Mae May, Carolyn Harris, Peggy Lewis, Patsy Ballard, Nita Jean Worsham, Janelle Turner, Mary Raye Simms, Barbara Taylor, Wanda Hahn and Frances Rambo. Special guest was Mary Jo Jones of Nashville, Arkansas.

The next meeting will be a called meeting Thursday at the home of Mary Raye Simms to discuss decorations for a dance.

GA'S HAVE HOBO PARTY

The Intermediate GA's of the First Baptist Church had a hobo party last Friday night at 7:30. The GA's had refreshments and played at the home of Margaret Howell. Those attending were: Marvline Powell, Jereldine Powell, Neva Pears Baker, Joyce Reynolds, Dessa Mae Johnson, Theda Jobe, Gloria Swan, Jane Jobe, Pauline Mullins, Glenna Faye Ross, Helen Ruth Watson, Margaret Howell.

Mr. and Mrs. T. W. White from El Centro, California, are visiting Loranne Haynes and Mrs. J. C. White.

Mr. and Mrs. Gail Killis and daughter, Reba Gail, from Monahans are visiting their parents, Mr. and Mrs. George Warren.

DRUG Specials

FOR HOME FRONT NEEDS

For the duration, in spite of the constant rise in prices, we intend to bring you from time to time the drugs you will need at reduced prices. Items such as those listed below should be kept on your medicine shelves at all times so that your family will be well cared for.

WAR BONDS FOR SALE

We have been named issuing agency for War Bonds and Stamps. For the convenience of the public, they will be on sale in the lobby of the Rialto, all the time, when the theatre is open.

Buy your War Bonds and Stamps from the Rialto, where it is convenient to all.

Mrs. Earl Jones,
Issuing Agency

J. T. BOWMAN AT SAN LUIS OBISPO

J. T. Bowman is at San Luis Obispo and really likes his work and the California country. Incidentally, he helps count out the money for the boys stationed at that place and he wrote his parents it was some thrill helping transport more than a million dollars with guards thick all around. Said it would have taken a good sized army to have captured and taken the cars with the money.

REGISTERED AT STATLER IN ST. LOUIS

Mrs. Sam Kirschner, of this city, registered at the Statler Hotel, St. Louis, July 23, where she was a guest during her buying tour for fall goods.

Mrs. Kirschner had already visited the markets in Dallas and Kansas City, and returned home from St. Louis.

Deverelle Lewis is attending the coaching school in Abilene this week.

MRS. FURR ENTERTAINS GOMEZ H. D. CLUB

Wednesday afternoon the Gomez Home Demonstration Club met in the home of Mrs. Kenneth Furr, in the regular 4th Wednesday meeting.

Mrs. Wes Key presided. The meeting was started by reading of pledge and prayer which was led by Mrs. Hap Hudson. Mrs. Denver Kelly called the roll. Each one answering with some emergency, and how they met it.

Mrs. Furr gave a report of last council meeting. She also read the program for the County-Wide Club Picnic, which will be at Johnson school house Thursday July 30.

Mrs. A. B. Buchanan had charge of the program. The subject was Common Ailments and Emergencies. Mrs. Buchanan rendered a very good program. She gave several ailments and symptoms and emergencies and accidents that could happen in any home any time. She told how to give treatment and render first aid which would probably save a life in lots of cases.

Those present were: Mesdames Wes Key, Hap Hudson, W. G. Swain, A. B. Buchanan, Denver Kelly, H. B. Grant, and the hostess.

Our next meeting will be at Mrs. Odis Kelly's home the 2nd Wednesday, August 12th. We urge every member to be present and bring some one with you. We have a good subject for the day, "Drying Fruits and Other Methods of Preservation," with a demonstration by Miss Blanton. Let's make a good club better, by being present.

Club Reporter.

Mrs. G. B. Mayfield and daughter, Darlene, of Lamesa, visited in the E. L. Roberts home Saturday.

TIRE MANUFACTURING INDUSTRY PRESENTS PLAN ON CIVILIAN TIRES

Washington, July 21—Based upon the reduction of all automobile driving to a maximum of 40 miles per hour and car mileage to 40 per cent below the 1941 level on a national average, a plan to cope with the civilian tire problem was presented to officials of the government by the tire manufacturing industry here today.

If the materials that would be required can be made available without handicapping the war program, the plan would keep all mechanically usable passenger cars operating for the next two years.

The blueprint was outlined in a report of the Committee of the directors of the Rubber Manufacturers Association for passenger car transportation, and was presented visually in a display at the Hotel Willard of materials and data involved in the plan.

The display, based on the facts that 89 per cent of the world's crude rubber sources are lost to the United Nations, and 7 per cent more threatened by the Japanese, was set up to show what could be done to make the best of an admittedly bad situation, it was explained.

"This is a blueprint only," a spokesman for the committee said. "It must be understood that only those agencies officially concerned with supplying military needs, the details of which are known only to the government, are in a position to judge whether the materials called for in this plan can be made available."

Invitations to view the exhibit today have been extended to President Roosevelt, Vice-President Wallace, Secretary of Commerce Jesse Jones, Secretary of the Interior Harold Ickes, and other members of the Cabinet, members of Congress, WPB Director Donald Nelson, OPA Administrator Leon Henderson, Rubber Administrator Arthur Newhall, and other prominent government officials.

HEALTH IMPORTANT WAR FACTOR

AUSTIN—"Not steel, money, rubber, sugar, gasoline, nor any other material equipment can win this war without manpower," declared Dr. George W. Cox, State Health Officer.

The backbone of the entire civilian war program is the health and physical stamina of the men and women behind the machines, who mold the steel, who conserve the rationed articles, who volunteer for defense activities, who earn the money that buys the war bonds, who work the farms and ranches that feed the fighters and who look after the homes and families that the military men are fighting for.

There can be no doubt that the protection and promotion of the health of these people, then, is as important to the outcome of the war as it is to the lives and peace-time welfare of the people themselves.

It is the state and local health department's duty to help them choose foods necessary for building strong bones and sturdy resistance to disease, to tell them about immunization against certain diseases, to urge periodic health check-ups, protect water and milk supplies, and tell them how to prevent illness and accidents.

"There are many other services that health departments can and are doing in their everyday work," said Dr. Cox, and he urges that the public make use of the advice given them by the health authorities.

SOVING THE RUBBER PROBLEM

"The tightest, grimmest war shortage facing the U. S. is rubber," says Time. "It need not have been. For five months after Pearl Harbor the U. S. Government did practically nothing to get a synthetic rubber industry to fill the gap caused by Japan's conquests. That failure is the worst scandal in the U. S. war effort."

There has been an enormous waste of time in coming to grips with the rubber problem. There has been endless confusion, and excessive division of responsibility. At last, however, it looks as if something definite and constructive is about to be done.

On July 17, Donald Nelson announced that he had assumed personal direction of the government's rubber program. On the same day, the 4th Corps Area Quartermaster Headquarters said that tires made of buna, a petroleum derivative, will be used as replacements on all army vehicles throughout the nation. And on July 15, President W. S. Farris of the Standard Oil Company of New Jersey, gave a House subcommittee some exceedingly interesting information on the progress that is being made.

New and faster processes, said Mr. Farish, will produce, before the end of 1943, 34,000,000 more automobile tires than were expected. Further, synthetic rubber will be better on the whole than natural rubber, and its cost will not be materially greater.

This does not mean that the motorist can afford to "burn up" his rubber, on the theory that replacements will soon be available. Military needs will absorb most and perhaps all the synthetic rubber produced for a long time to come. Rigid conservation of rubber, as a result, remains an absolute necessity. Private industry is doing everything in its power to produce and adequate supply of synthetic rubber in the shortest possible time. There are, at last, grounds for believing that government rubber red-tape is cut, and that there can be action, not continued political talk, in dealing with the rubber problem.—Industrial News Review.

Corporal Dallas Urwin, Corporal Roy Sollers from the Lubbock Air Base, Miss Norma Marcom and Miss Louise Leonard from the Nurses school at West Texas Hospital visited in the home of Mr. and Mrs. Charles Leonard the past week-end.

SAY IT WITH FLOWERS...
But apparently he said it the wrong way. Bert Lahr, playing a comedy secretarial role in the gala M-G-M musical, "Ship Ahoy," tries to ingratiate himself with Virginia O'Brien. Miss O'Brien is famous for her "dead pan" roles. The film is coming to the Rialto Sunday.

WELLMAN

Mrs. J. V. Roberts, Martha Jo, Royland, Lena and James of Vernon are visiting Mrs. Roberts' parents, Mr. and Mrs. J. E. Spears Sr. They plan to visit the Carlsbad Caverns and stay a few days in O'Donnell. Mrs. Roberts was re-elected District Clerk of Wilbarger County. They are also visiting Mr. and Mrs. Clyde Spears of Hobbs, N. Mex.

Mrs. Wilson Roberts has received word from her brother, Jack Todd, who is in the Marines, that the ship he was on sank. All the crew of 128 were rescued and are on Key West. He is in the Marine hospital.

G. C. Cross, who is with the U. S. Navy, has been sent from San Diego to a diesel school in Chicago.

Mrs. Garland Parker has returned from Silverton. She reports her father slightly improved and crops are looking fine.

Miss Rose Schroeder has returned from Dallas and Fort Worth where she made an extended visit.

Mrs. Viola Bridges Tibbitt and family spent the week-end with Mrs. Alvie Christopher. She was en route to Roswell, N. Mex.

Mr. and Mrs. Cross had as their guests, her brother and family of New Mexico for the week-end.

Mr. and Mrs. T. A. Wartes and family spent the week-end in Ruidoso. They were moving to Brownfield Monday.

Mr. and Mrs. J. A. Carouth and daughter visited Mr. and Mrs. Jeff Holland and family of Forrester Sunday. Mr. Holland's aged mother is visiting him from Comanche.

Mr. and Mrs. Redgie Bagly, formerly of this community now reside in California. They report a fine son.

The Home Demonstration Club is sponsoring gift boxes for our soldier boys in service from this community. Everyone is urged to bring cookies, candy, peanuts, cigarettes, or anything that will ship easily. The day set for this is Tuesday, August 11, at the school house.

Mr. and Mrs. Jim Parks of the Tokio section were in Tuesday, shopping. Mrs. Parks stated that her aged mother who lives near Springtown is very ill, and she is expecting to be called to her bedside at any time.

Dr. M. C. Bell is here from Odessa, bringing his daughter and granddaughter. The latter, 15 years of age, will undergo an operation at the local hospital.

Mr. and Mrs. W. E. Winn of Gomez, were among the shoppers here Tuesday.

Noah Bell was in Tuesday to tell us about the wife's and his golden wedding celebration last Tuesday. Said he would have invited us, but he was in the dark himself until the affair was well under way. Many more returns of the day, old friends!

J. M. Williamson, another old standby, dropped in this week to set his date up to August 8, 1943.

PLAINS

Mr. and Mrs. Warner Hayhurst and family have returned home after a week's visit in Oklahoma and other points.

Mr. and Mrs. Duane Dumas and children and Mr. and Mrs. Woodrow Houston and daughter spent a few days last week in Ruidoso, N. M.

J. D. McKee and Bryant Meyers returned to Camp Young in Indio, Calif., Monday, after a 10-day furlough with home folks. Mr. and Mrs. Rudolph Houston and family of Assan, N. M., spent Monday night with her sister, Mrs. Clyde Perry and family.

Mrs. O. D. Oden and children of Paris is there visiting her mother, Mrs. W. H. Hague.

Mrs. J. H. Lynn, Mrs. L. McLaren, Leslie Jr., and Mrs. Jim Storey are visiting in Guthrie. Miss Othella Harben left Sunday for a three weeks visit with home folks in McKinney.

Mr. and Mrs. Charles Scott of Rotan spent a few days last week with Mr. and Mrs. Roy Elliot.

Pvt. Richard Chisholm has been located at Camp Lee, Va. Dick says he gets lonesome away from his family, but added, so does all the rest. Address Pvt Richard Chisholm, Co. E, 7th AMTR, USA, Barracks 458, Camp Lee, Va. Drop Dick a line.

Miss Maureta Bell, beauty shop operator of Meadow, was down this week attending the bedside of her niece, who underwent an operation.

Mrs. Lee O. Allen is visiting her mother in Lorenzo this week, while Mr. Allen is in Austin on business.

Miss Christene Hamilton returned home Saturday from summer school at the University of New Mexico.

STUDENT IS PRESIDENT OF RELIGIOUS COUNCIL

With Miss Ruby Guthrie, Kaufman senior, as president, the student council of religious activities at Texas State College for Women sponsors early-morning meditation services each Sunday in the Little-Chapel-in-the-Woods. The council, inter-denominational and campus-wide, also has charge of vesper services each Friday night in the 24 residential halls and promotes activities of the Denton churches.

Mrs. Moss Durnam of route 2, was in this week to renew. Although her son, R. D. Durham lives close to his mother, he decided to be wanted the paper too, and became a new reader.

Mrs. J. D. Bailey called us up this week to let us know she was not getting her Herald. That's right. Let us know if we have made a mistake.

Mrs. Ivy Savage and daughter, Betty, of Lubbock, visited Mrs. Savage's parents, Mr. and Mrs. J. C. Green this past week.

Paint Supplies Diminished

College Station— Before long, paints of many types are going to become scarce.

Mrs. Bernice Claytor, specialist in home improvement for the A. and M. College Extension Service, says shortages will be felt especially in paints, varnishes, and enamels for interiors. The reason is, these require natural or synthetic resins. For some time synthetic resins have been earmarked for exclusive war use, and lately the War Production Board has ordered a 50 per cent cut in the amount of natural resins manufactured for civilian purposes.

Here are some of the specialist's suggestions for choosing and using interior paints to the best advantage.

Semi-gloss paint, which washes well and is not too harsh in appearance, is suitable for kitchens and bathrooms. Flat paint gives a "soft" appearance and is best suited for large areas such as walls and ceilings. It soils less quickly than gloss paint, but it will not stand up as well under washing.

Calcimine is the cheapest wall paint available. Though it cannot be cleaned, it can be washed off entirely and a new coat applied. The specialist cautions: "Don't use calcimine on smooth wood-work or on walls which have been covered with oil paint." The coating eventually will chip off and make later re-painting far harder. Enamel should be used only on very smooth surfaces, for it makes holes, chips, and scars more noticeable. Homemakers who want to avoid the trouble of sandpapering and planing uneven surfaces should use a gloss or semi-gloss paint instead of enamel.
