## Slim In Famous Pvt. Hargrove Battery

Fort Bragg, N. C.  
July 15, 1943

### Editor and Staff:

Just a short line to let you know I received the much welcomed "home town" paper. That is really one thing I and every other soldier appreciates. Hearing about home and the folks because these are a few of the things we are fighting for.

As you have probably heard I am here at Fort Bragg, North Carolina which is pretty far from Texas. And in my opinion it doesn't come up with it. This is the largest Field Artillery camp in the world and it is really big. About 100 square miles. As for the looks, most of the trees are pine trees and look very nice against our white with red top barracks.

I am in a very good barracks in more ways than one. We got high score in range firing and this is the battery the well known Pvt. Hargrove was in while here. The book, "See Here Pvt Hargrove" is being made into a picture and part of it was taken here during the past few weeks. If you see it you will see what I mean when I writt this is a swell camp. Also about the barracks. The best one is given a big dance at the Service Club which is quite a place. The girls are brought in from Raleigh, North Carolina, the capital of the state. It should be very nice and we are the barracks it is going to be given for, this cycle.

Thanks again for sending the paper and you will hold up good old Brownfield, Texas there and I will keep it known here. My best regards to everyone.

Sincerely,

Pvt. A. W. (Slim) Schellinger  
ASN 38344355  
C-11-4 FA RTC  
Fort Bragg, N. C.

## AUX. ESTELLE CARRUTH TO FINISH AT ALPINE

FORT OGLETHORPE, GA., July 22—Auxiliary Estelle Carruth, of Meadow, Texas, has completed four weeks of basic training at the Third Training Center of the Women's Army Auxiliary Corps here, and has been selected for specialist training in administration at the Army Administration School, Alpine, Texas.

She will receive detailed instruction in preparation for taking over a behind-the-lines army job, releasing a soldier for combat duty.

There are now nearly 100 jobs in which WAACs replace soldiers. Among them are: bakers and cooks, camera technicians, chauffeurs, classification specialists, clerks, cooks, draftmen, librarians, machine record operators, stenographers, telephone operators, truck drivers, typists, and weather observers.

Auxiliary Carruth is the daughter of Mrs. Lizzie Jo Carruth of Meadow. She is a former teacher in the Ozona, Texas, schools. Two brothers, Sgts. C. M. and Elwood Carruth are in the service also.

## WARREN TO TAKE AIR FORCE INSTRUCTION

Colleges Station, Texas, July 22—Grady P. Warren of Brownfield, son of Mr. and Mrs. T. D. Warren, has arrived at Texas A. & M. college for a course of Army Air Force instruction lasting approximately five months prior to his appointment as an aviation cadet in the army air forces. During this period he will take numerous academic courses, as well as elementary flying training. Upon his completion of the course he will be classified as a pilot, navigator or bombardier and on to schools of the Flying Training Command for training in these specialties.

Elmer Hildreth of the Navy at San Diego, is furloughing at home this week.

## Lt. Carl A. Johnson Reported Missing

J. A. (Swede) Johnson, of Lou, was in town Monday and reported that he had received notice that his son, Lt. Carl A. Johnson, was missing in action, and presumed lost. Previous radio announcements were that the ship on which he was serving had been sunk in a recent battle in the southwest Pacific.

Carl had received rapid promotions for his excellent service. Johnson has two other sons in the navy, in the same waters, but on different boats.

John A. Dumas, who has been with the Navy in the Mediterranean Sea activities, when last heard from, surprised his many friends by appearing in Brownfield last Friday to spend a few days furlough with family John was with them in taking Pantelleria and other exciting actions in North Africa.

Sgt. Paul Davis, with the air corps at Bryan, spent the early part of this week with wife and friends.

Pvt. Harlith L. Kelly and wife of Sheppard Field, spent the weekend in Brownfield, as guests of the Ross Black family.

Sgt. and Mrs. Stewart Hawkins, of Lubbock, are guests in the Lee Pritchitt home. Mrs. Hawkins was formerly Miss Leavie Jane Tyler, and was a teacher in the West Ward school last year. Sgt. Hawkins is from Maryland, but is stationed in Lubbock where they were married on the 10th of July.

Major Darrell G. Welch, Army Air Corps, and wife, were visitors in the Orb Stice home last week. The Major has recently returned from the North African war zone, and has seen service in 26 engagements.

Sgt. Dan Davis of Bryan, was a Brownfield visitor this week.

Pvt. Clarence Earl Hildreth, Co. A, Reception Center, Ft. Sill, Okla., will be pleased to hear from his old friends. Earl is in the Military band there.

Lt. A. T. Fowler, of Three Rivers, N. C., was here this week visiting his parents, Mr. and Mrs. Arch Fowler. He is reporting to San Diego for foreign duty.

Pfc. Phillip Thompson is home on a 15 day furlough, from Fort Sill, Okla., visiting his parents, Mr. and Mrs. Ed Thompson of the Harmony community.

## Trained for Armorers Gun Mechanic

Fort Knox, Ky.—Trained to become armorers and gun mechanics for the lightning-fast, accurate-shooting divisions that make up the Armored Force, these men had been graduated today from the Gunnery department of the Armored Force School: Pfc. Mont Earl Hamm, son of Mr. and Mrs. L. D. Hamm, Box 13, Wellman.

The list of graduates was announced from the offices of Maj. Gen. Alvan C. Gillam, Jr., acting commanding general of the Armored Forces.

During their intensive course, these men learned repair and maintenance of all guns used in the Armored Force up to and including the big 75-mm cannon which are mounted on medium tanks and half-tracks. They are trained to know these weapons so well they can take them apart in the dark, remove and repair broken parts and reassemble them with a minimum loss of time.

Had a letter last week from Pfc. Byron Sandage, son of Mr. and Mrs. Jacob Sandage, from somewhere in North Africa, asking us to start his paper up again. He had stopped it when he left England.

S/lc. Floyd Perry was here visiting his father, R. B. Perry, this week. He left today for San Francisco, California.

## Press and Radio Military Analysts Discuss Invasion

Headed by the familiar "Voice" of The March of Time, Westbrook Van Voorhis, these nationally-known war correspondents weigh the factors for successful occupation of Europe in March of Time's film: "Invasion!" Left to right they are, Paul Schubert, naval expert; Westbrook Van Voorhis, March of Time; Hanson W. Baldwin, author and military analyst; and De Witt Mackenzie, foreign correspondent.

## Lt. Turner Makes It Hot for Heimies

While local people are proud of the exploits of Lt. Joseph W. Turner, Jr., he has never really lived in Terry county. His parents and the younger members of the family have lived at Meadow since 1940, where Mr. Turner is employed as engineer of the Farmers Gin. He has two younger brothers in the service, Sgt. Edwin Ray, at Camp Swift, Texas, and Private Charles Amos at Camp Barkley, Ill., home. She is at present visiting relatives in Texas.

Lt. Turner, after finishing most of his public school education at Sweetwater, where he was born 27 years ago, finished high school at Lubbock. Soon after that time, being very air minded, he was employed by the Aero Exploration Co., of Tulsa, Okla., where he worked himself up to vice-presidency of the company. With the exception of the three years he was with the above company, he has been in the army as a flier for the past ten years. His last building job was laying the Big Inch oil line from Longview, Texas to Illinois.

Lt. Turner trained at a number of fields in the U. S., including "Rattlesnake" at Pyote, before going to England last November. He has been in a number of engagements, being co-pilot on a Fortress named "Old Puss." In one particular engagement on May 2, this year, "Old Puss" got a hole puncture in a wing big enough for a man to crawl through. In this engagement, one man was wounded in the foot. Returning to their base, they transferred to another plane and tried to rejoin their formation, but clouds hindered vision, and they found themselves thousand of feet above their squadron, and being alone, were soon attacked by scores of Focke-Wulf's, but got two enemy planes. This engagement netted the AAF 78 planes, shot down. They lost 12. Another hot engagement was June 6th, when Lt. Turner was slightly wounded.

Lt. Turner has received the Air Medal and Purple Heart, and is now assistant squadron Captain.

## Special Notice to High School Band

All high school and post-high school graduates of Band, are urged to meet at the High School Monday, Thursday and Friday, at 8:00 P. M., to practice to take part in the Rodeo, next week end, July 31st and Aug. 1st.

Mr. Hardy E. Williams hopes to have all former players on hand at these meetings. Be there and get ready to put the band over in a big way, in leading the parade.

Mr. and Mrs. Walter Hoard and two sons were in Stamford Tuesday to attend the funeral of Mr. Hoard's aunt, Mrs. Annie Blaklenbecher.

## Dr. Daniel Sends Partner Jap Head

Last Friday, Dr. T. L. Treadaway, over at the hospital, received a well worn, slick and dirty package that started its long trek from Australia some time in April. Evidently every mail handler opened and inspected the package in transit. In several letters, Dr. Alfred Daniell had stated he was going to send Dr. Lester, his partner, a Jap head.

Well, that is what it was. The flesh had been well removed from the skull, but several teeth were missing, perhaps in shipping, and the front teeth were really "buck" teeth for which the Japs are famous. Front and jaw teeth showed little wear, so it was supposed the victim was a young person.

A bit of shell fragment about as big square as your finger nail had knocked the Jap in the top of the head, cutting a square hole through the skull. No other marks were found, but this probably meant instant death. Dr. Daniell had carefully taped the piece of shell or steel fragment to the skull.

At present, Dr. Daniell and a dentist friend are vacationing from a long and grueling test in the south Pacific. Daniell has lost 40 pounds.

## Terry, Yoakum Boys Get Medals

Mrs. H. T. French of Tokio, who lives over in Yoakum county, was in this week and showed us a citation by Lt. William C. Lacey of Fort Bliss, of a number of lads in the service at Fort Bliss from all over the United States that had received a Good Conduct Medal.

Among these boys was her son, Sgt. Harold P. French, and Sgt. Price Nettles from Meadow. The citation stated the medals were for fidelity, faithful and exact performance to duty, and efficiency through capacity to produce results.

## Committees Prepare for Great Rodeo July 31st and August 1st; Four Big Performances

The Brownfield Roping club is preparing for one of the best rodeos in the history of the city, which will be held at the old golf club grounds, on the cemetery road, Saturday, July 31, and Sunday, August 1—two full days of thrills, fun and spills. To make the events more attractive, a full car of Brahma yearlings are being shipped in for roping purposes, as well as a lot of Brahma steers for the good bareback riders, on which to try their skill.

The high school band will lead the parade.

The big parade, headed by cowboys and cowgirls, will form Saturday at one o'clock at the school buildings, march downtown, and make a swing around the square. All that have horses, wagons or buggies, are invited to enter the parade. The idea is to make it just as old-fashioned western as possible.

The first rodeo performance starts promptly at 2:30 p.m. The evening performance will be under lights. There will be two big performances each day. There will be bronc riding, steer riding, wild cow milking, calf belting as well as roping. There will also be a horse race each afternoon.

Following the rodeo Saturday night, there will be a real old-fashioned cowboy dance. So come on to Brownfield and bring your partner for a "swing your partner and do-ce-do," as well as all the modern swing stuff.

Brownfield is expecting a big crowd. Don't disappoint us. Remember this is war times. We talk war while we work, eat, and almost while we sleep. Let's relax for two full days.

## State Guard Calls For More Men

Since a guard unit must at all times have a certain number of men on its rolls, and since company D, the local company, is dangerously near the minimum, a call is being sent out by the company to YOU, the citizens of Brownfield and Terry county, to help build the local Guard up to the desired strength.

### Excuses Given

Almost every time an individual is contacted about his entering the Guard, the inquiry is met by an amazing number of excuses, many of which are as unconvincing as they are varied. The most common ones are listed below:

1—"I am too busy"

This is the most frequently heard excuse. Possibly it is the truth in a very few instances, but to keep the record straight, look over a Company roster—there is one at the Legion Hall, at L. Nicholson's office and one at the Miller Service Station—and you will discover that the Guard is composed of the busiest men in town and the country. If you are busier than these men—at an essential work—then you should feel perfectly at ease for not being in the Guard, and no one has the right to question you.

2—"My health won't permit it"

Any normal person is physically able to do the work required by the local company, and all who enter the Guard must be able to pass a physical examination.

3—"I am afraid the army will get me."

This conclusion is often arrived at due to the large number of former Guardsmen now in the service. A check on this will reveal the reason for this and show unfair such a statement is. As a matter of fact, in a vast majority of the cases, the army or any other branch of the service, did not get the former Guardsmen. They saw that they were needed, and gladly volunteered into the armed services of our country. Others saw that they would soon be drafted, and joined the Guard in order to get all the military training possible before entering the service. These boys will tell you that this was a darn good idea, too.

4—"I live too far out"

One Guardsman lives over 20 miles from Brownfield. He attends nearly every drill.

5—"I am too old"

One of the most faithful members of the local Guard is well past 60. Several others are past 50 years.

If you are between 18 and 60, in normal health, and are interested in your community, the Guard needs you. And don't forget this: whether you know it or not, the community needs the Guard. And whether Brownfield keeps on having a Guard may depend on YOU. Keep your Guard up. We'll be looking for you next Tuesday night.

## Plains Child Electrocuted Wed.

The 14-month old daughter of Mr. and Mrs. Otis L. Lusk, of Plains, was instantly killed Wednesday morning when she touched a high voltage wire that had broken away from the post and was swinging near the ground. The child was playing in the back of the yard with other children when she was electrocuted. The insulation holding the high line had broken and let the line swing down making contact with the guy line.

The baby's mother and grandmother, Mrs. W. H. Hague, of Plains, brought the child to Brownfield, where all efforts were made to resuscitate it. The body was put in charge of the Brownfield Funeral Home. Funeral arrangements are pending the arrival of the father, who is in defense work in Arkansas.

Cpl. A. (Pete) Martin of Ft. Sill, Okla., is here visiting his parents, Mr. and Mrs. W. B. Martin.

W. H. Collins, of Collins Dry Goods company, is in St. Louis, Mo. this week for market.

## Agricultural Notes

By Looe Miller

Secretary Terry County ACA  
Status of 1941 and 1942  
Cotton Loans

The Commodity Credit Corporation has announced that they will acquire title to all 1941 Cotton which is not redeemed by September 15. Any cotton not redeemed will be pooled and sold by the Commodity Credit Corporation and the producer will receive what the cotton brings less the advances against the cotton. All 1942 Cotton Loans are extended indefinitely.

### Compliance

Apparently many farmers are of the opinion that because Marketing Quotas have been suspended for 1943 that it will not be necessary to make a report of performance. This information is erroneous. No farmers will receive an ACP check unless the cotton acreage on his farm is measured and the report of performance is made. This should be done by all farmers in this county as soon as practical.

A few farmers in this county have advised that they have found worms working in the cotton. We have been advised by those who are familiar with the habits of worms that farmers should watch their cotton very closely and when worms appear in small spots they should be poisoned and this will eliminate the spreading of worms over the whole field. The farmers who have not already done so should secure sufficient poison to poison their cotton at least once. We understand this poison is available now; therefore you should not wait until it is too late to secure the poison.

HERE ARE A FEW HIGHLIGHTS OF RATIONING AS FAR AS TEXAS FARMERS AND RANCHMEN ARE CONCERNED:

1. That farmers who buy or sell any livestock are required to keep simple but accurate records of sales and purchases.

2. That farmers who slaughter livestock for sale are required to obtain a slaughter permit from their county USDA war board.

3. That farmers are not permitted to sell a larger quantity of slaughtered meat this year than they sold in 1941.

4. That all dressed meat sold by a farmer to packers, wholesalers or retailers must be stamped with the farmer's slaughter permit number. Any meat sold direct to consumers must be tagged with a permit number.

5. That if a farmer sells meat or butter direct to consumers, he must collect ration stamps and turn them into his local War Price and Ration Board each month.

## Boy Scouts Inspecting the Town

Wednesday companies of Boy Scouts were inspecting yards and out-premises of the city, and calling attention of the owners, to unsanitary places where flies and mosquitoes might accumulate. They report most of the yards and premises in good clean condition, but found a few spots needing attention.

The boys were very courteous, and seemed to know their job, and are to be congratulated for their efficient service. Most of the citizens are readily complying and aiding in cleaning up.

With the extreme heat of summer on, recent rains, and an epidemic of infantile paralysis apparently around the corner, it is hoped the people, for their own, as well as neighbors' health, will take that "stitch in time," and use that "Ounce of prevention," and ward off this fatal malady, that has such a start in other parts of the State.

## SCHOLASTIC CENSUS TRANSFERS:

County Superintendent Lee Fulton warns those desiring to transfer their children to some other school, than were enumerated in the scholastic census, should file their request with his office before August 1, the last day fixed by law for same.

Mrs. Edna Dumas is a new reader of the Herald.

To show the enormous changes that have been made in population shifts in the past few years, during the war emergency, the Bethlehem Steel Co. lists 60 occupations from which their personnel came to work in their steel mills or ship yards. Many of these people came from the strictly agricultural sections, and that is one reason that less policy holders are dropping their insurance.

Many have perhaps wondered why some nations, particularly the Axis and Japs, have so many shells that are duds, while few American shells fail to explode. Sea water is said to be particularly hard on explosives, but Uncle Sam has learned to wrap them in a "suit of armor" made of paper—but no ordinary paper. This wrapper is so sturdy that a 30-pound shell may be dropped ten feet to an concrete floor, or submerged in water 48 hours without harm to the projectile.

Things to come: A plastic weather-strip tape, which sticks wherever it is put and because it is plastic, its maker says it "can be removed at the end of the season, used again next Fall." . . . An automatic code ringer, which eliminates the necessity for rural telephone users to ring "2 longs, 3 shorts", or "1 long, 1 short, 2 longs." . . . Plastic heads and driv-

**H. A. Dean Receives Pin from A&M College**

H. A. Dean, son of Mr. and Mrs. Sewell Dean, of Wellman, has been awarded the A & M College contest pin. H. A. received the award for his outstanding 4-H club activities, which included the feeding and exhibition of beef calves, and the development of a beef cattle breeding program.

H. A. now has four Hereford heifers which he plans to keep as foundation stock, from which to develop his beef cattle herd. He also plans to continue his feeding operations with beef steers. This year he will have entries in the annual Terry county boys' club calf show, which will be held next April under the sponsorship of the Junior Chamber of Commerce

**DAUGHTER BORN TO KENNETH MOORES**

Word has been received that Mr. and Mrs. Kenneth Moore are the proud parents of a baby girl, born July 11, at the Root Memorial hospital, in Colorado City. The baby weighed eight pounds and two ounces at birth and has been named Donna Faye.

The baby's mother is the former Miss Irene Evans, daughter of Mr. and Mrs. Carl Evans, of Colorado City. Mr. Moore is a gunner's mate, second class, in the U. S. navy.

His address is Ship company advanced military training in M. C. T. C., Camp Peary, Williamsburg, Va.

Mr. and Mrs. Charlie Moore of this city are the proud grandparents of Donna Faye.

ing mechanisms for sewing machines. . . Frozen egg bars, packed like candy. . . Dehydrated orange juice.

**Don't Let Your Daily Subscription Expire**

If you are a mail subscriber to a daily, better watch your expiration date, as the Star-Telegram or the Dallas News are taking on new subscribers, on account of the scarcity of print paper, on which their quota has been cut again. They will take renewals, however, but it is evident from the tone of the letters the Herald has received that there will be no more "bargain" rates for the duration.

Our advise is to watch your step and keep up with the expiration date on your paper, and renew it in plenty of time before it expires. And don't feel sure that you will always be able to get a copy from the newsstand, for they, too, are being limited on the number of papers they get per day.

Miami Chief readers were told last week that the Chief is now aged 45, and still going strong. For the past 17, the Chief has been under the capable management of Editor Bob Haynes, and while we know little about Miami, having been there only once, the Chief seems to hold unusual reader interest. And we might add that while there are many larger papers in larger towns, we'll wager you that Bob and Mrs. Haynes have made more clear money with their small paper in a small town than dozens of large papers in larger towns.

**Goat Milk Makes Sears Have "Kiddish" Notions**

Roswell, N. M., July 14.—Dear Editor of the Terry County Herald: Will write you a few lines to let you know am still hanging on the bush. In answer to a lot of cards and letters from dear friends of that city and county, will say, nobody knows how much I appreciate them. Also had a nice letter from Herman Trigg and Sallie T. Those kids will always have a warm place in my heart. Also had a nice card from Uncle Jimmie Green. He is always been nice to me. He was county clerk when I came to Brownfield 24 years ago.

And if I live to get back there, Uncle Jimmie and I are going to make a race for office, and when we announce, I look for Jimmie Allred to resign from the Federal Bank to enter the race, and come by Waco to get Dan Moody to split the vote. Then I'll have to withdraw from the race. A one horse cotton farmer can't do any good running against a gang like that. Then I look for the Old He to get in the race, and everybody knows that will be a Tom-cat race.

Mr. Jack, you hve herd of people having the big-head. I am different; I have the big-foot with rheumatism in my hands and feet. They think I am improving; seems slow to me. They are using electricity on my bones and feeding me goat milk. I drink so much goat milk that when I get outside, I get on a fence or try climbing a tree. I managed to walk two blocks

**Cooling Desserts For Summer Meals**

Preparing delicious, cool desserts is no problem when you've plenty of pure ice on hand! And, after they're prepared they'll keep longer, "put 'em on ice." Have our route man deliver your supply of ice. Call 300.

**Brownfield Ice Co.**

the last two days without my crutch. Uncle Jack, I had a birthday yesterday. I was 71 yesterday morning at 3 o'clock. Was born in a log house about 1000 from here, down in the long leaf pine area, 40 miles from the Louisiana line. When I first began to crawl and pull upon the chairs, the first thing I saw was the Texas flag that my dad shed his blood for in 1863. Now I have two sons and four grandsons fighting for the same liberty.

I hope that no one will get sore at my little joke. I had rather die with a little joke on my lip than to die talking about somebody, or with a snarl and belly-aching about something. So will bid everybody good bye till I see them again. I hope to be back home some of these days, but don't know when. If this letter goes to press, when I come home, will tell you the rest.

Love to all,  
 C. Sears,  
 Brownfield, Texas.

I am 71 years old and saw the worst sight of my life about six this morning, when they brought me out on the lawn. A truck load of German prisoners came by, with officers guarding them with machine guns. They were as thick in the truck as they could stand. — S.

Mr. and Mrs. Fred Youree of Lubbock, spent the week end in Ruidoso. Their two children, Frederick and Maurine, stayed with Mr. and Mrs. Dick McDuffie. Frederick returned to Lubbock with his parents, but Maurine will remain a week visiting.

Mrs. Bill Martin and children, of San Antonio, are visiting her brother, Mr. Clarence Taylor. Mrs. Martin and children and Mr. and Mrs. Taylor spent Monday and Tuesday in Carlsbad, going through the Caverns.

Mr. and Mrs. R. S. Swindle and son spent last week visiting in Dallas.

"Manpower at home is essential to support fighting-power overseas" ... E. G. Grace, president, Bethlehem Steel

# Manpower on the Home Front

Thousands of men arriving for work in a Bethlehem shipyard. Down this yard's busy shipways slide many of the nation's cruisers, destroyers and aircraft carriers. Bethlehem repeatedly has made records for delivering vessels well ahead of schedule.

This is the story of manpower in Bethlehem steel mills and shipyards, of men and women who have come by the thousands from all walks of life to do a job in backing up our fighting forces with a continuous flood of materials. These men and women are vital to the battle of production.

### NUMBER OF BETHLEHEM EMPLOYEES

Poland invaded, September 1939	100,000
Fall of France, summer 1940	120,000
Pearl Harbor, December 1941	190,000
Tunisia, May 1943	290,000

### Facts About Bethlehem Workers

Manpower is the heart of Bethlehem's current production of a ship a day. Manpower makes possible the meeting of its large commitments for ordnance and other war-steel products. All other problems such as materials and supplies are secondary — the essential dependence is on manpower.

Thousands of men from non-essential trades are joining Bethlehem war-work armies. More than 13,000 women are employed at Bethlehem plants and shipyards, and the number is constantly increasing.

Veteran employees are zealously teaching the newcomers, so that they can quickly handle their appointed tasks.

New employees earn while they learn, in special training classes and in on-the-job training. Sympathetic study of each person's abilities puts "square pegs in square holes."

Wages are the highest in the history of shipbuilding and steel, and in the top group of all industries.

Promotion is rapid, as opportunity to advance comes far more swiftly than under normal conditions.

Bethlehem employees are friendly, high-grade people. The great majority have education in the high school grades, and thousands are graduates of colleges, crafts and professions.

More than 50,000 Bethlehem employees are now serving in the armed forces, a fact which gives added seriousness of purpose to those working to produce the supplies.

To work in Bethlehem shipyards and plants is to be in the front line of industry, doing a real job to help win the war.

### SOME NEW BETHLEHEM EMPLOYEES FROM VARIOUS OCCUPATIONS

From leatherworker, to machine operator. From driller on jewelry, to burner. From autosalesman, to materials inspector. From plumber, to meter repairman. From office clerk, to ship draftsman. From delivery man, to furnace loader.

Employment in Bethlehem's shipbuilding and ship repair yards alone has grown from 15,000 in 1939, to nearly 180,000.

The enlistment in our manpower army continues from week to week and from month to month. The total of Bethlehem employees will exceed 300,000 by the end of the year. To reach this total force, and provide for replacements of those going into the armed services and others, many thousands more men and women will be hired.

### FROM ALL OCCUPATIONS

Bethlehem workers come from virtually every walk of life to serve in these war-work armies. Here are 60 instances of former occupations of men and women who are now producing ships and combat materials.

Actor	Domestic	Minister
Antique Dealer	Druggist	Motion Picture Operator
Architect	Dry Cleaner	Osteopath
Artist	Electrician	Plumber
Automobile Race Driver	Elevator Operator	Printer
Baker	Farmer	Radio Commentator
Banker	Fireman	Real Estate Dealer

Dentist	Linoleum Layer	Watch Maker
Die Maker	Magazine Editor	
	Mail Carrier	

WHERE BETHLEHEM WAR-WORK ARMIES ARE LOCATED  
Bethlehem shipyards, steel plants, fabricating and manufacturing plants, are located at or near: Boston, Mass.; Buffalo, N. Y.; New York City; Wilmington, Del.; Bethlehem, Coatesville, and Williamsport, Pa.; Lebanon, Johnston, Md.; Chicago, Ill.; Harrisburg, Penna.; Baltimore, Md.; San Francisco, Calif.; Tulsa, Okla.; Seattle, Wash.; San Antonio, Tex.; Alameda, Los Angeles and San Pedro, Calif.

## BETHLEHEM STEEL

### Valuable Information About Pickling

For the benefit of many housewives wanting pickling recipes, Miss Myrlene Cannon, Associate FSA Supervisor, gave us the following. If there is any canning or pickling recipes you would like, drop us a card and we will give it for publication.

#### Bread And Butter Pickles

- 25 to 30 medium size cucumbers
- 2 large sweet peppers
- 5 cups cider vinegar
- 2 T mustard seed
- 1/2 t cloves
- 8 large white onions
- 1/2 cup salt
- 55 cups sugar
- 1 t turmeric

Wash cucumbers and slice as thin as possible. Chop onions and pepper; combine vinegar with cucumbers and salt; let stand 3 hours; and drain. Combine vinegar, sugar, and spices in large preserving bottle, bring to boil. Add drained cucumbers; heat thoroughly but do not boil. Rack while hot into sterilized jars and seal.

#### Sour Pickles

- Medium size cucumbers
- 1 gal. cider vinegar
- 1 qt. water
- 1 cup salt
- 1 cup sugar
- 1 cup white mustard seed

Wash medium size cucumbers and pack them into sterilized jars. Mix the vinegar, water, salt, and mustard seed and bring to the boiling point. Pour the hot solution over the cucumbers in the jars and seal at once.

#### Sweet Pickles (14 Days)

Into a clean stone jar put 2 gallons of cucumbers, washed and sliced lengthwise. Dissolve 2 cups of salt in one gallon of boiling water and pour while hot over the pickles. Then cover and weight down pickles and let stand for 1 week. On the eighth day, drain, then pour one gallon of boiling water over them and let stand 24 hours. On the ninth day drain and pour 1 gallon of boiling water with 1 tablespoon of powdered alum over the pickles and let stand 24 hours. On the following day or tenth day, drain again, pour 1 gallon boiling water over them, let stand 24 hours, then drain.

For the pickling mixture, combine 5 pints of vinegar boiling hot, 6 cups sugar, 1/2 ounce celery seed, 1 ounce cinnamon stick. Pour this over the pickles, drain off for 3 mornings, reheating it and adding 1 cup of sugar each morning. With third and last heating, pack pickles into sterilized Keer pars, pour hot liquid over them and seal.

### HOSPITAL NOTES

J. R. Trout, of Tokio, is a surgical patient this week.

These having appendectomies this week are: LaVerne Perry, of Brownfield; Gertrude Chancellor, of Brownfield; and Veldon Reed of Brownfield.

Little Charles H. Goza, Brownfield, had a tonsillectomy. Medical patients are: Eldon Warren of Brownfield, Baby Karr, daughter of Mr. and Mrs. Grady Karr, of Brownfield; E. J. Hubbard, Brownfield; Gaston Bonds, Tatum, N. M.; Mr. and Mrs. G. R. Bradshaw of Brownfield, have a baby boy, named James Curtis, born the 19th, and weighing 8 lbs., 6 ozs.

Mr. and Mrs. Ed McCullough have an 8-pound boy, born the 21st. Mr. and Mrs. Lionel Decuir are the parents of baby boy, born the 19th, and weighing 8 lbs., 4 ozs. Mr. and Mrs. D. Beasley, of Meadow, have a baby girl, born the 21st and weighing 7 lbs., 3 ozs.

### MANY SHOOTING STARS TO BE SEEN SOON

Schenectady, N. Y.—In a few weeks many "shooting stars" will be seen in the sky, according to James Stokely of General Electric's research laboratory.

Mr. Stokely, former director of the Fels Planetarium, says that "we will cross the path of the Pesraid meteors about August 12. Around that date as many as 50 to 100 meteors an hour should be seen after midnight".

Meteors are commonly called shooting stars, but are actually small bits of celestial dust, which vanish in a flash of light when they encounter the friction of the earth's atmosphere.

Mr. and Mrs. Roy Herrod and Billy Mack are spending a 10-day vacation in Ruidoso.

Mr. and Mrs. Lee O. Allen have returned from vacationing in Ruidoso.

Pvt. Paul Bagley of Camp Swift, Austin, is here visiting his parents, Mr. and Mrs. Core Bagley for a few days.

### Plains News

Mrs. Jim Graves of Amarillo is here visiting her brother, Warner Hayhurst and family.

Mr. and Mrs. S. S. Jobs and son were in Lubbock Saturday.

Mr. and Mrs. Red Whisenant and family of Lovington were visiting in Plains over the week end.

Cpl. and Mrs. A. E. McGinty of Indian Gap, Penn., are here for a 10 day furlough.

Grandmother Lynn of Guthrie, returned to her home Friday after a two weeks visit here with Mrs. J. H. Lynn.

Mrs. Bob McDonnell and children are visiting her parents at Lubbock this week.

### WOMAN POWER SURVEY COMPLETED IN AMARILLO

Workers from the Amarillo office of civilian defense last week completed a survey of woman-power in the Amarillo area. This survey was the first to be conducted in West Texas and was in cooperation with the West Texas recruiting and induction district under the command of Lieut. Col. Marvin B. Durette.

Of the 7,296 women listed during the survey, 3,296 were found eligible for uniform service. Women of 20 to 50 years of age, inclusive, were listed in the survey.

It was pointed out by army officials that each woman who now joins the Women's Army Auxiliary Corps, or one of the other uniform services, saves a father from being drafted for the armed forces. By enrolling, a woman can release a man for the fighting front or save a father to carry on to help produce the implements of war and the food without which this war can not be won.

It is thought that other surveys will be conducted in other parts of the state in the near future.

A recruiting drive is under way, following the survey, in Amarillo and army officials state that excellent results are being obtained. Many women are enrolling in the Women's Army Auxiliary Corps.

Women desiring information concerning enrollment in the W.A.A.C should contact the nearest U.S. army recruiting station.

# BRING US YOUR— TRACTOR REPAIR WORK

We are equipped to do your Tractor Repair Work regardless of make. We have one of the best toolled and machined shops on the South Plains and our shop is staffed with expert mechanics with years of training and experience. On the performance of your farm machinery depends whether we and our allies are fed—it's up to you to get the best out of what you have and ...

## YOU CAN DEPEND ON US

... to keep your tractors and other farm machinery in tip-top shape. Save the life of it by having us give it a complete going over, repairing worn parts and replacing parts needed. You MUST take care of what you have for the duration; LET US HELP YOU.

# Harris Motor

## BE SURE TO COME TO—

... and make our store your headquarters for its duration.

ROPE IN some of those Food Bargains; items specially appropriate for a quick bite, or a picnic lunch, while you are idle between the four big performances.

AND YOU, Mrs. Housewife, call 77, and we'll deliver your order on our next truck out.

GROCERIES - FRUITS  
VEGETABLES - MEATS

# KYLE GRO.

Phone 77

We Deliver

Mesdames Gene Gunn, Terry Redford and John Davidson spent Monday afternoon in Lubbock. Diana Ruth McIlroy is spending the week in Lubbock.

Mrs. Frank Weir went to Buffalo Gap, last Friday, to bring back a group of the young people that attended the Presbyterian conference there.

## GIFTS THEY CAN USE FULLER BRUSHES

THE PRICES HAVE FAMILY SUPPER

Mr. and Mrs. Lence Price gave a fine supper to the Price connections, at their home, last Friday evening, to honor the presence of his daughter, Orvalene, and her husband, J. A. Rhader, from Camp Roberts, Calif., who were here. They will also visit his parents in east Texas.

His mother, Mrs. T. J. Price, and all of his brothers and sisters and families, except Sam P. Price, a brother, who is in a distant military service, were present. Needless to say, a banquet, given by this versatile farmer and his industrious wife, was sumptuous.

B. M. U.

All circles of the Baptist Missionary Union met together at the church Monday afternoon. Mrs. K. W. Howell, as leader, conducted the Royal Service program, which was on missions.

PHI BETA CRAESUS

Members of the Phi Beta Craesus club met in the home of Diana Ruth McIlroy last Thursday afternoon. The meeting was devoted entirely to business.

Smacks, potato chips, cookies and punch were served to Dorothy Henderson, Glenna Faye Winston, Joyce Rambo, Joyce Dungan, and Jean Redford.

THIRTY-TWO ATTEND BIRTHDAY DINNER

Mrs. J. W. Young was honored with a birthday dinner, July 17th, at the home of her daughter, Mrs. Clarence Hester. Those present included: Mr. and Mrs. Jessie Young, Draw, Mr. and Mrs. Roy Young of Pool; Mr. and Mrs. B. W. Young and children, and Larall Marchman, also of Pool.

Mr. and Mrs. T. J. Alexander, daughter and grand-daughter, of Iraan; Mrs. A. M. Jones and children, Sundown; Mr. and Mrs. Frank Waters and son, R. B., Meadow; Mrs. Dollie Duncan, Pool; Mrs. M. M. Harris, Lubbock; Mrs. May Bell, son and grand-daughter, of Lubbock; and Mrs. Maudie Coats, Hagerman, Texas.

Those unable to attend were: Pvt. Edward J. Alexander, who is overseas; August Jones of Sundown; and Elmo McDugal, Iraan, Texas.

MISSIONARY MEETS

The Methodist Women's Society of Christian Service met at the church, Monday afternoon, at 3, for a program on "Spiritual Life". Mrs. Hanks was leader, with Mrs. Andrew Lloyd assisting her. Those present were: Mesdames Weber, Lee, Gainer, Harris, Carpenter, Downing, and Lloyd.

Next week Mesdames Judson Cook and Culver will be hostesses for the covered dish luncheon. After lunch the members will visit those that are ill and the newcomers.

TONI ACKERS CELEBRATES BIRTHDAY

Mrs. E. G. Akers entertained Wednesday, from 5 to 7, in honor of her daughter, Toni. The party was in celebration of Toni's sixth birthday. Several games were planned and contests arranged. Prizes were given to the winners of the various contests.

Birthday cake, ice cream and punch were served as refreshments. Invited guests were Patsy Teague, Carol Dallas, Donna Sue Christopher, Maureen Webb, Jonelda Edwards, Mary Ann and John Holmes, Mary Jane Brownfield, Joe Ann Zant, Paralee Nelson, Patsy Stice, Shelia Kay Primm, Diana Tierman, Charlotte Smith, Diana Graham, Nancy Sue King, Sammie Kendrick, Kenneth Lee Kendrick, Ronnie Daniell, Don Tankersley, Don and Norma Joe Boyd, and Jerry Don Huckabee.

MRS. ED MAYFIELD IS CLUB HOSTESS

Members of the Delta Hand bridge club met in the home of Mrs. Ed Mayfield Thursday night of last week. At the conclusion of the games Mesdames Alfred Mangum and Marshall Lloyd received prizes.

A salad plate was served to Mesdames Wayne Brown, Jack Denton, Alfred Mangum, Byrl Hahn, Mike Blair, Joe Shelton, Buck Adress and Marshall Lloyd.

SHIRLEY SUMMERHILL HAS BIRTHDAY PARTY

Shirley Summerhill celebrated her 12th birthday last Friday night, with a party in the home of her parents, Mr. and Mrs. G. B. Summerhill. Games were enjoyed for awhile, especially one. The guests pinned tails on the donkey, and Nancy Weir won the prize for getting closest while Robert Montgomery won the booby prize. After refreshments were served, dancing was enjoyed.

Birthday cake, which was decorated in yellow and green with "Happy Birthday" on it, was served with ice cream to Nancy Weir, Norma Cary, Robert Bowers, Robert Montgomery, Marian Cargill, Dolores Gillham and the hostess.

MR. AND MRS. JOHNNY HAYNES HOSTS

Mr. and Mrs. Johnny Haynes were hosts to a group of their friends Wednesday night, when they entertained at their home with a tacky party and buffet supper. Prizes were given to the couple with the tackiest costume. After eating, various games and contests were enjoyed.

Those invited to enjoy their hospitality were Mr. and Mrs. Kyle Graves, Mrs. Slim Schillinger, Dr. and Mrs. McIlroy, Dr. and Mrs. E. C. Davis, Mr. and Mrs. J. E. Mathews, Mr. and Mrs. Marshall Lloyd, Mr. and Mrs. Ed Mayfield, Mr. and Mrs. Mike Blair, Mr. and Mrs. Bascom Morris, Mr. and Mrs. Ted Harby, Mr. and Mrs. Harvey Gage, Mr. and Mrs. Ray Smith, Mr. and Mrs. Harold Wood of Hobbs, N. M., Mr. and Mrs. Ralph Carter, Mr. and Mrs. Terry Redford, Mr. and Mrs. Buck Andrews, Mr. and Mrs. Earl Anthony, and Mr. and Mrs. Roy Jenkins.

MRS. McLAUGHLIN CLUE HOSTESS

The Pleasure club met in the home of Mrs. Jack McLaughlin, Wednesday night. High, low, and Bingo prizes were given at the conclusion of the games.

Cokes and sandwiches were served to Mesdames Joe Shelton, John L. Cruce, C. C. Primm, Jack Hamilton, Lee Brownfield, Mike Barrett, C. A. McLaughlin and Miss Gertrude Jones.

NEIGHBORS GET TOGETHER

A group of neighbors and friends enjoyed an old-fashioned sing song Monday night, in the home of Mr. and Mrs. T. A. Wartes. Billy Ruth Wartes played the piano, and old, familiar songs, as well as the newer ones were sung.

Later ice cream was served on the lawn, by Mrs. Ray Powers and Jim Quinton. Those enjoying the get-together were Mr. and Mrs. J. B. Worsham and Jerry, Mr. and Mrs. Jim Quinton, Mr. and Mrs. Tyler Martin, Mr. and Mrs. Sam Houchins, Mr. and Mrs. Terrill Knight, Mr. Dennis Lilly and Gail, Mr. and Mrs. Ray Halley, Janie and Gene Mason, Malcolm Thomason, and Mr. and Mrs. Ray Powers and Frankie.

CHURCH OF CHRIST

Members of the Women's Bible class met at the Church of Christ Tuesday afternoon at 3:30 for their Bible study. The 14th and 15th chapters of Proverbs were studied. 12 members were present. The next work day will be held the second Friday in August at the home of Mrs. Hargrove.

HOLLEMAN AND PATTON MARRIAGE

Announcement is made of the marriage of Miss Olene Holleman daughter of Mr. and Mrs. H. L. Holleman of Brownfield to Sgt. Curtis R. Patton, son of Mrs. W. T. Patton, also of Brownfield, which took place Saturday evening, July 17th, at 7:00 in Lubbock, with Rev. R. E. Moser officiating. The single ring ceremony was used.

The bride wore a rose suit with blue and white accessories. Mrs. Patton is a graduate of Wellman high school.

Sgt. Patton is a graduate of Brownfield High School and worked on his farm in the Johnson community before entering the Army. The couple will make their home in Abilene, where Sgt. Patton is stationed.

Terry County H. D. Picnic at Wellman

The Terry County H. D. Picnic was held at Wellman about 11:00 o'clock, Wednesday morning, July 14. We first had congregational singing, some quartettes and then lunch—it was great. We ate in the home economics room and there were no flies. We had a bountiful meal. Then we took up again at 2:00 o'clock; we first had our bonnet and smock contest. Mrs. Fulford, from Meadow, won the bonnet contest and Mrs. Jones from Johnson, won the smock contest. Then we had our games and stunts. All enjoyed a reading about "Our Club" from Mrs. Herman Edwards from Forrester.

Then we had our auction sale, from which we made \$23.25. We have enough now to send two delegates to the convention. Thanks to Wellman for such a good picnic.

Mrs. R. D. Jones, Reporter.

EASTERN STAR

The Eastern Star held a regular meeting Tuesday night, in the Masonic Hall, at eight o'clock. A new candidate was initiated. Refreshments were served to 20 members and 1 visitor.

The Worthy Matron called a special meeting for next Tuesday, July 27th, at 6:00 P. M., for the purpose of studying. Each member is asked to bring a covered dish for supper. The husbands are invited for the meal. At 7:30 Eastern Star members will have their study period.

The next regular meeting will be August 3rd, at 8 P. M.

Cumilla McSpadden, Chloe Marian Schmidt, Cheezey McSpadden, Judy Griffin, Christova Akers, Francis Jane Weir, Lois June Foster, and Yvonne Forbus, were the intermediaries attending the Presbyterian conference at Buffalo Gap. Seniors were Ima Gertrude Akers, Gloria Hughes, Joan Alexander, Leonard Ellington and Dean Alexander. The Seniors return today.

Mrs. Lewis H. Bates sent the Hub a very pretty bouquet of sweet peas last week, that looked pretty for several days. The Bates' have not only produced a very fine Victory garden this year, but they also have many pretty flowers about the premises.

CHRISTINE HAMILTON BECOMES BRIDE OF SGT. MILLS

Miss Christine Hamilton, daughter of Mrs. R. E. Hamilton of Brownfield, and Sgt. David L. Mills, Jr., of Great Falls, Montana, were married July 12th at 8:30, in Raton, New Mexico. The single ring ceremony was read by Rev. L. L. Thurston in the Methodist parsonage.

The bride wore a two piece dress of beige with brown accessories. Her corsage was a white orchid.

Mrs. Mills graduated from West Texas State Teachers College, Canyon, in 1941. While there, she participated in campus activities and was a member of Kappa Phau Phi sorority and the Phidius Art Club. For the past two years she has taught school in Seminole.

Sgt. Mills, son of Mr. and Mrs. David Mills, of Great Falls, Montana, graduated from high school in Casper, Wyoming, and later attended the University of Montana, where he studied petroleum engineering. He was associated with his father in the oil business when he entered the Air Corps, in 1941. For the past seven months, he has been stationed at the Hobbs Air Base.

The couple spent a few days visiting the points of interest in northern New Mexico, before returning to Brownfield for a short visit.

FAMILY GATHERING

Weekend guests at the S. F. Lane home, were Mrs. Dora Bussey, Mr. Lane's sister, of Albuquerque, N. M.; John D. Lane, a brother and his wife; his son and daughter; Miss Bernice Slaton, and Bryan of Riverside, Calif.; also Mr. and Mrs. Earl Scudday, of Lubbock. Mrs. Lane and Mr. Scudday are brother and sister.

Bryan left Sunday evening to return to his work, the balance leaving later that evening, except Mrs. Bussey, who is spending the week here.

Baptist Church Notes

In company with other regular Baptist churches our church is making an offering for world relief, the principal portion of which will go to the suffering and starving children of China and our Southern Convention guarantees that every dollar so contributed shall go to these suffering people without the deduction of a penny for any expense which is borne by the convention.

Our missionaries are in these fields preaching Christ to the people but how can they hear our preachers if we fail to feed them when they are hungry and when their babies need milk and we fail or refuse to furnish it. Here is an opportunity for every one who reads this to contribute to this fund and if your church is not offering such support to the needy, why not send a check to this church, marked "World Relief," and it will be forwarded with the contribution of the church. This cause is worthy of your support if you have a feeling for suffering humanity and China has had a lot of sympathy but very little help since the beginning of this inhuman war made on them by Japan, and our own country shares the blame for several years we stood aloof and furnished food and supplies to Japan. This offering will be held open over next Sunday so you can share in it.

We regret to announce that the Baptist church at Harmony has disbanded due somewhat to the scarcity of preachers but it is always with regret that we record the passing of these country churches but we shall be glad to welcome these friends into our church here until such time as they may desire to resume their worship there again, but as our own church is composed of country people some of whom have moved to town, we think they will feel at home with us. Our own opinion is that there should be enough Christian people in every school community of the county to have a school for Bible study each Sunday and the people of the community should support it with their presence and their influence as there are many children who do not have transportation to the church intown.

We are Baptist without Apology but becoming a Christian should come first with every individual and we are convinced there are many of them in all religious groups. We invite you to this church.—D. P. Carter, Reporter.

Troop I met at the home of Janet Davis last Wednesday afternoon. Mrs. Frank Weir discussed the different proficiency badges, and told the girls what they must do in order to become a first class scout.

Troop III met at the home of Mrs. Ralph Ferguson Friday afternoon. After the girls arrived they were divided into two groups, the first group started laying a trail by tying white cloths to various objects to indicate the trail. After they were out of sight, the second group started following the trail. The trail led back to Mrs. Ferguson's house, where punch and cookies were served.

Revival Meeting At Liberty

Mr. J. A. Dennis, pastor of the First Christian church at Brownfield and Plains, will conduct a revival meeting at the Liberty School House, northwest of Tokio, beginning Sunday, July 25th, at the morning service, and ending Sunday, August 1, with an all afternoon meeting.

Mr. Dennis is at present attending a conference in California, and will return Friday, July 23.

The following are the subjects on which Mr. Dennis will preach. 1. Sunday morning, 11:00 o'clock: "Jesus The Man" (Men are especially invited).

2. Monday: "What Makes a Christian." 3. Tuesday: "Why Be Baptized?" 4. Wednesday: "What is Conversion?" 5. Thursday: "Cut Rate Religion." 6. Friday: "Are You Honest?" 7. Saturday: "The Cross." 8. Sunday morning services at Plains. Sunday afternoon at Liberty. Sunday school at 3:00. Preaching at 4:00. "Anchors Until the Dawn". Baptizing Sunday afternoon.

There will be supper spread at the school house Sunday evening. Everyone is invited to attend all services!

Terry County Well Represented at LAAF

Lubbock Army Air Field, July 26—From Brownfield, the heart of a ranking agricultural county of the plains, a number of men are stationed at this twin-engine air field and are helping to "keep 'em flying" in various ways.

Keeping the planes flying as mechanics are Pvt. Olen E. Evans, son of Mr. and Mrs. Elco Evans of route 1, former farmer; and Pvt. Raymond H. Harris, an auto mechanic prior to entering the Air Forces. He is the son of Clyde G. Harris. Instrument man on the planes is Cpl. George L. Nelson, a former jeweler. Engaged in field lighting (for night flying) and field maintenance are Pvt. Alvin F. Herron, son of Mr. and Mrs. B. F. Herron of route 2; Sgt. Delbert Bandy, son of Mr. and Mrs. E. S. Bandy of route 3 and Pvt. Don D. King, son of Mr. and Mrs. John B. King. He was formerly with the U. S. Department of Agriculture in the Soil Conservation Service. Hundreds of trees have been put out on the base under the direction of King.

Very Popular Very popular with the men is Pvt. Lennie R. Warren, a cook in civilian life and a cook now in a thousand man mess hall. Pvt. Chester Lambeth, son of Mr. and Mrs. W. O. Lambeth is a mess attendant. Warren is the son of Mr. and Mrs. C. W. Warren of Route 3.

Keeping the men neatly trimmed is Roy L. Baggett, a barber, who is a barber now. Formerly engaged in surveying, Pvt. G. G. Grawunder, is in tech supply room and is the son of Hilda Grawunder of route 1.

Pfc. W. W. Teer is from Dallas and his wife is now residing in Brownfield. He is a clerk in his squadron orderly room.

All of them are married with the exception of Evans and Herron. Three, Teer, Lambeth and Warren have brothers in service and Cpl. Nelson has a half-sister in the WACS.

WELCOME all you COWGIRLS and COWBOYS to the ROPING CLUB RODEO Saturday, July 31st - Aug 1st FOR GOOD EATS come to THE GRILL CAFE Burdette Auberg, Owner Mr. and Mrs. Bill Lowe, Mgrs.

### Boys Preparing For Coming Rodeo

According to T. J. Lamar, one of the active members of the Roping Club, they are looking forward to a big rodeo here July 31st and Aug. 1st. Twenty-five brahma steers already are arranged for, and the members will meet at the grounds next Tuesday night, to complete final arrangements, and organize committees to carry out the various features.

Mrs. Andy Williams of east of Seagraves was brought here Monday, in the Joe H. Webb ambulance, suffering from a broken arm.

### CARD OF THANKS

We thank you, our friends, for your tender words of sympathy, acts of kindness, beautiful floral offerings, and the many other ways in which your love and friendship was shown for us, at the death of our beloved husband, father and brother.  
Mrs. R. B. Holmes  
Mr. and Mrs. Leo Holmes  
and family  
Mrs. Edna Jones.

Miss Ruth Warren, one of Brownfield's 1943 High School graduates, has gone to Lubbock, where she has enrolled in a business college for a complete stenographic course. Ruth is the daughter of Mr. and Mrs. T. D. Warren of this city.

### CARD OF THANKS

We wish to take this opportunity to express our sincere thanks and appreciation to each and every neighbor and friend who was so kind to help during the illness and death of our wife and mother, also for their words of sympathy and beautiful floral offerings.  
May God's richest blessings abide with you always, is our prayer.  
J. W. Strickland and children  
Mr. and Mrs. Lee Bartlett  
Mr. and Mrs. Alvie Strickland  
Cpl. and Mrs. Marvin Sanders.

Young Labord Searcy, of Eldorado, Okla., is spending the week with his sister, Mrs. Boyd Wilson.

### Judge Says:

Just a few more Federal employees and we'll have a government run "by the people".

Our boys in Sicily are still doing their part in sending us more farm laborers.

The Japs are worried, not so much over our attack on Munda, but followed every other day of the week.

Since Congress adjourned, there will be less static in Washington, but the welkin will ring thruout the country.

No wonder Mussolini is sick at the tummy. They blasted his Naples again.

When in Rome do as the Romans do—Duck!

### IOOF LODGE INSTALLS OFFICERS

The members of IOOF Lodge 530, met Tuesday night, for the installation of new officers. Mr. H. G. Lambiartch of Lubbock, who is District Deputy Grand Master, was in charge of the installation. Herbert Chesshir was installed as Noble Grand, and N. T. House as Vice Grand.  
Following a business meeting, refreshments were served to 20 members and 8 Lubbock visitors.

Mrs. Cy Tankersley and Mrs. M. B. Sawyer were in Lubbock Friday.

The Saonta Fe railway system have 8,000 employees in the service. Thousands of women have been recruited to take the place of these employees, and officials of the system say these women work shoulder to shoulder with the men employees and neither ask nor seek favoritism.

Pvt. Herman Claudie Gore has been moved from Ft. Knox to Camp Campbell, Ky., which is about 100 miles from Fort Knox, according to his mother, Mrs. Ches Gore, who was in to have Claudie's paper changed.

### The Herald Not Delivered On Time

This is a complaint we get, especially from a distance. Seems as lots of people can't realize we are fighting a world war on several fronts—that thousands of well trained help has been taken from all places of business, including the postoffice department, and replaced by green, inexperienced hands.

Trains and buses are late, according to the amount of passengers and soldiers they have to handle. Sometimes our Star-Telegram, of say Monday, gets here on Wednesday. Before you complain, think a bit. We start the Herald to you every week, but we just can't personally deliver each copy.

**Don't Let the Service Man's Paper Expire**

In going over our list this week, we found that a number of boys in the service are now on our delinquent list. Some of the boys take and pay for their own paper, while some have it sent them by their folks. We can't always be sure which, and who to send statements too, the boy or his folks.

We find that some of these service men readers' papers expired back in June. We hate like the mischief to stop their papers, but the postal department says we must. Besides, we have so many service men on our list right now that it would be a financial burden on us to carry them.

Remember, that most of you, when you subscribed, did so for only three months, stating you did not know where he would be by the end of that time. And three months rolls around before you realize it.

So, if you are in town within the next few days, be sure to drop around and check up on the paper going to your boy, your husband, or sweetheart.

In the meantime, the Herald will keep 'er going to them until you have time to drop around, if you are not too long about the matter.

• Try Herald Want Ads

**ASSISTANCE CHECKS FOR JULY HELD UP**

Austin, —July 16—Federal funds for payments to old age assistance recipients, needy blind, and dependent children were received today by the state treasury. Officials of the department of public welfare stated that as many checks will be placed in the mails each day as can be handled by the post office and the treasury department. Ordinarily it takes at least six days to handle the 183,220 old age checks, the 4,485 checks for the blind, and the 11,908 checks for dependent children. "The welfare department will place the checks in the mail just as fast as they can be handled by the postal authorities and the treasury department."

The checks for old age assistance, needy blind, and dependent children were held up because of the delay in the receipt of federal funds. The federal money was not received because of the recent hold-up in many federal appropriations and the fact that the federal fiscal year began on July 1st.

Mrs. Ruth Huckabee and Grace Tarpley, are spending a few days in Ruidoso this week.

Dorothy Jean Powers, of Amarillo, spent the weekend in Brownfield, visiting Daphne Huckabee.

**1943 Home Canning Hints Worth Remembering**

**Blanching In Steam**

Recent tests definitely prove that blanching vegetables in steam saves more essential vitamins than blanching in boiling water. Mrs. Julia Kiene, Director of Westinghouse Home Economics Institute reports. Blanching in steam is a comparatively simple process: Put about one inch of water in the bottom of a deep utensil and bring to a brisk boil. Place vegetable to be blanched in a wire basket or colander. Place that in the utensil containing the rapidly boiling water, cover tightly and steam. Steam for five minutes when canning or preparing vegetables for a quick freeze locker; when dehydrating or brining, steam until vegetable feels soft but isn't completely cooked.

**Don't Forget To Salt Vegetables**

Salt should be added to all canned vegetables—one teaspoon each pint. Make a habit of putting salt in the jar first where you can see it. Otherwise, as Westinghouse home economists say, you may either forget it or salt the vegetables twice.

**No Chemicals In Canning**

Chemical preservatives should never be used in canning, warns Mrs. Julia Kiene, Director of Westinghouse Home Economics Institute. None of them is wholesome or necessary and some might be harmful.

**Safety First**

All home-preserved vegetables, except tomatoes, must be cooked after processing.

Don't ever invert jars after processing—it's an outdated practice, say Westinghouse home economists. Set hot jars upright on several thicknesses of cloth or newspaper. Avoid drafts. Don't handle jars for at least 24 hours—it takes that long to complete the seal. Screw bands may then be removed and re-used.

**Don't Fill Jars Too Full**

How much headroom to leave at the top of each jar depends on what you're canning. Westinghouse home economists explain that fruits and such leafy vegetables as spinach and chard expand very little and require only one-half inch of head space; starchy vegetables such as string beans, limas, peas, corn and soybeans expand more when canned and need a full inch of head space. Regardless of whether the liquid used for filling jars is boiling water or syrup, it must only just cover the food. The only exception to this rule is when canning by the open kettle method, and then jars should be filled to overflowing with boiling hot fruit.

**DOCTORS GET PRAISE FROM A GENERAL**

Lt. General Leslie James McNair, commander of Ground Troops in the United States, wounded while visiting the African front, had this to say of American doctors in the scene of action: "The medical service was superb. I know at firsthand the speed and efficiency with which they worked. I was wounded at 2:30 in the afternoon. Within ten minutes they had me at a Battalion Aid Station. There two medical officers put a tourniquet on my shoulder to stop the bleeding, bandaged me, fixed me up so I could be taken to the rear. I went there in a jeep to the Division Clearing station, where they gave me blood plasma and checked my dressing. They put me on a litter in an ambulance and started me to the rear. At 5:30, only three hours later, I was in a field hospital, had been treated twice, had X-rays taken, and was ready to be operated on. That evening I came to in a warm bed, with no after effects from the operation. . . I didn't get this kind of treatment because I was a general officer. Buck privates were getting the same care."

The medical men who attended General McNair in Africa were merely civilian doctors not many months ago following routine medical practices at home. The service which they are now rendering to the troops—general and private alike — they were then rendering to civilians. On the military front, these medical men know only one kind of service—the best possible. That is the tradition in which they have been trained.—Clarendon News.

Mrs. Joe McGowan was hostess to the Night Bridge Club, Thursday night at her home.

Mrs. Dennis Lilly is spending this week in Abilene, visiting relatives.

Mr. and Mrs. L. D. Hamm left this week for San Diego, Calif., to join their son, who has been out there for some time. They rented their home, furnished, here.

Mr. and Mrs. Fred Lowe were called to Spearman Sunday, because of illness in the family.

Mrs. J. T. Bowman left Sunday for Dallas and Ft. Worth, to attend market.

Mr. and Mrs. Everett Latham were in the Dallas markets this week.

Ready—aim—fire! Here's a rootin' tootin' Rodeo, with thrills for old and young every quarter-hour! Come on along—on horseback, on donkey, or in your little jalopy. You're all welcome—you'll all find interest galore at this all-American show!

**Every Day Food Hints**

1. In cooking fruits do not peel and leave standing in water before cooking. Do not put through sieve while still hot.
2. Eggs should be cooked at a low temperature, otherwise protein is toughened.
3. Low temperature meat roasting is recommended to maintain maximum juices and vitamin content; protein is not overcooked and shrinkage is reduced.
4. Frozen foods should be started cooking while still frozen.
5. When possible, use broiling instead of frying.

**JAMES WARREN GULF SERVICE STATION**

GARDEN INSECT POWDER

For the benefit of our readers who have made inquiries about insecticides to kill squash bugs, cucumber lice and cabbage insects, we called Miss Myrienne Cannon, associate F.S.A. supervisor, and she was kind enough to give us the following, which her office recommends.

- 1. 1% Rotone and Sulphur dust on mustard greens and english peas. (Sulphur for rust).
2. Use Rotenone for lice.
3. Use pyrocyde for insects: on squash, cabbage, and cucumbers.
So far the local drugist have not been able to obtain rotenone or straight pyrocyde, but they are still trying.

HONESTY

Executive (interviewing applicant for responsible position): "Are you absolutely honest, straightforward, and trustworthy?"

"Yes, indeed, I am decidedly just that, sir!"

"If you should enter this office tomorrow and find a wallet containing \$100,000, what would you do?"

A AND B FOOTBALL FOR PART TIME COACH

AUSTIN, Texas, July 15—Part-time coaches for interscholastic league athletic teams may be employed during the war by schools in Conference A and B, school officials voted in a recent poll, University of Texas League authorities here have announced. Conference AA schools voted against the change in rules.

Mrs. Ben Hilyard of Dallas wrote in this week to get us to give their "number" on their paper. Some braintruster has at last discovered that if large cities are given numbers in certain areas, they can find it better than just a mere street address. Wonder they didn't use a few letters of the alphabet instead. Anyway, the Hilyards are ok except hot weather. You're telling us.

Mr. and Mrs. Harry Sybrant of Peoria, Ill., left Tuesday for home, after a three weeks visit with Mr. and Mrs. Harry Longbrake. The ladies are sisters.

"What would I do? I'd do nothing and live on my income."

Shall The AAA Die?

The hint, from the offices of Food Administrator Chester Davis in Washington, that crop restrictions might be abandoned entirely in 1944, and that benefit payments generally might be stopped, may be more than appears on the surface; may be more than an effort toward increasing all-around farm production — it may be that official Washington is sensing that farmers are getting sick and tired of being told what, when and how to plant; of running to a county agent's office a dozen or more times a year; of meetings, elections, restraints, dictation that have benefitted him little or nothing in the long run, but have benefitted the big land owners much.

The fact that Davis went out of office and Marvin Jones went in this week may, but probably had nothing to do with the former's pronouncement about removing restrictions.

They have seen their neighbors forced off of farms which they have rented for years, and from an over-abundance of food for man and beast, they have seen the

picture change until now they hear the cry of food shortage, and pay double prices for the food they now buy.

AAA as originally set up was to have been a temporary thing, to tide over period of emergency. The emergency ended, but the AAA got bigger. In our own county it now takes two or three times as many helpers as the office employed a few years back. The same probably holds true in every county.

If the purpose was to make jobs it has succeeded admirably.—The County Wide News, Littlefield.

Robert Craig, Edgar Self, Glenna Faye Ross and Ted White spent Sunday afternoon and Monday in Lubbock.

La Verne Perry, employed at the Palace Drug, was operated on last week for appendicitis.

Dolores Gillham, Aurelia Ann Cobb, Billy Faye Finney, Betty Jean Holmes, Marian Wingerd and Francis Weir, left Sunday, by train for Amarillo, where they will spend a week in Camp Kiwanis, the Girl Scout camp there.

MARRIAGE LICENSES ISSUED

Miss Artie Mae Robinson and Lynn H. Jones, issued July 7th.

Miss Glenna Faye Moore and David E. Golden, issued July 12. Curtis R. Patton and Miss Deloris Olene Holleman, issued July 17th.

Miss Nina Rose and Lee Roy DePoyster, issued July 17th.

Mr. and Mrs. Bill Stell of Seminole, were here Sunday, visiting in the Dait Plummer home. Both men are St. Clair Variety Store managers. Mr. Stell left Sunday evening for the Dallas markets.

Mr. and Mrs. Albert Thompson, of Dallas, are visiting his brother, Ed and family in the Harmony community.

Patricia Crowe, of Seagraves, is spending a few days in Brownfield, visiting Mr. and Mrs. Jack Stricklin Jr.

Mr. and Mrs. Walter Breedlove and children spent a weeks vacation in Ruidoso. Mr. Breedlove is with the Five-County Health Unit.

WELCOME to RODEO

We're a-calling you pardner, to the thrillingest, eye-fillingest Rodeo of all time. Get all spruced up in your Sunday go-to-meetin' clothes, take your best gal by the hand, and come on along for the time of your life. Plenty of prize contests—plenty of cats, drinks, music and hi-jinks!

July 31 :- August 1st

## R. S. Tudor Died Wednesday Morning

R. S. (Dad) Tudor, aged 84, died early Wednesday morning in a local hospital. He had been in failing health for several years, but had been able to be about, when a few days ago grew worse. He is survived by three sons and one daughter: R. H. Tudor, gin man of north Terry; Fred Tudor, business man of Slaton, and W. B. (Red) Tudor, prominent business man of Brownfield, with whom Dad principally made his home, and Mrs. Lucy Cantrell, of Amherst. His wife preceded him in death several years ago.

Dad was born at Tiptonville, Miss., Nov. 23, 1859. Spent several years in Oklahoma and middle Texas, moving to this county in 1921. He was widely known in this section.

Funeral services were held at the First Baptist church with Rev. Avery Rogers officiating. Interment Thursday afternoon in the Brownfield Memorial Cemetery. All the children attended.

## Heavenly Sluice Gates Opened Here

Those who were in Brownfield Saturday afternoon, are witness to the fact that we had one of the heaviest rains since May 22, 1941, when all the lakes around here were running over and seven motor boats were running on the one in north Brownfield. The rain, Saturday evening, while lasting only about one and one-half hours, was a trash and chunk mover. There was 3.34 inches in the U. S. Weather Bureau gauge at the end of the deluge.

From what we can gather from those who were here (we happened to be out of town) the cloud, heavily laden with electricity, first approached from the northwest, then doubled back from the northeast. Many fields, especially of young stuff just coming up, was badly damaged by being washed, around the city, while further out, there was just a good rain in places. The rain in the Meadow section was reported to be a bit lighter; west, heavier if anything.

While there has been no rain since, the weather has been very dry and sultry, and crops should be growing like nobody's business. Crops in the south end of Terry are late, generally speaking, but where cotton was blown out, it is generally replanted to grain crops that are known to make in about 70 days.

## NOTICE TO THE PUBLIC

When you have Real Estate to sell, please list it with Real Estate people who have license to deal in Real Estate then I will have a chance to protect you from any kind of fraud. It is a violation of the Law for anyone to deal in Real Estate without first procuring a license. Please help me to enforce the law, and at the same time protect you against unscrupulous dealers.

It is also my duty to protect you against unscrupulous promoters that might defraud you out of your money or property. Please report any fraudulent practices to me.

Ben F. Cathey, Investigator for the Surety Commissioner 200 Leader Building Lubbock, Texas. 1tp

## Don't Look For Prisoners For Farm Labor

There has been considerable talk and conjecture about officials being able to obtain prisoners of war to aid in cotton chopping, during the current season. However, according to A. L. Hartzog, county agent, and M. W. Waldron, U. S. Employment Service representative, there is little hope held that military authorities might send prison labor here in time to be of any help, during the chopping season.

There might be some possibility of obtaining badly needed workers from this source at gathering time, it was indicated. Generally speaking, the labor situation in Terry county is very acute, and the county agent urges that every man, woman and child, capable of doing farm labor, make themselves available for hire as farm workers, during the next few weeks.

Those registering at the county agent's office, in the basement of the postoffice building, will be given placement as quickly as possible. Many farmers will be given a placement as quickly as possible. Many farmers will provide transportation and reasonable wages for all the workers they can obtain, Hartzog stated. "The situation is very critical, and farmers need your help at once."

## Gospel Meeting July 28 To August 8

The church of Christ will begin a Gospel meeting, Wednesday night, July 28th, to continue through August 8th. Evangelist W. S. Boyett, of Twin Falls, Idaho.

Evangelist W. S. Boyett

will do the preaching in the meeting. Bro. Boyett is a good Bible scholar, and a capable Gospel preacher. He was a former minister of the local congregation.

Sermons each day at 10 A. M. and 9:00 P. M., except Sundays when the morning sermon will be at 11:00 A. M. We extend you a cordial invitation to attend this series of meetings, and hear the Gospel preached in truth and simplicity.

Services will be held at the church, corner Main and Third streets.

## WATKINS INSECT DUST For Your Victory Garden

"Food will win the war and write the peace." Produce more! Grow more and kill the pests that ruin gardens and crops. Insects destroy millions of dollars worth of crops every year according to government statistics. Use Watkins insect Dust to protect your Victory Garden. It's just the thing for beans and plants with edible tops. CONTAINS NO ARSENIC, LEAD OR FLUORINE.

### How Watkins Dust Affects Insects

Insect feeding is either by biting, chewing and swallowing (like cabbage worms, etc.) or by sucking (aphids, etc.) Chewing insects can be killed by poisons that act either through the stomach or through the skin. Sucking insects can only be killed by "skin poisons" (contact action). Rotenone and rotenoids are unique because they kill both by contact with the skin and from the stomach when swallowed. The aliphatic thiocyanate is a contact poison. Watkins Insect Dust, therefore, affects both chewing and sucking insects.
