Ensign O. D. Thomas An Honor Graduate

New Orleans, La., Oct. 18—Ensign O. D. Thomas of Brownfield, Texas, was among the honor graduates in last week's graduating class from the nation's only Naval College for Primary Flight Instructors at the Naval Air Station here.

He is the son of Mr. L. T. Thomas of Brownfield, where his wife also resides.

Ensign Thomas received his certificate as a Naval flight instructor from Commander Paul E. Gillespie, the station's commanding officer. The Navy pilot, picked from the cream of Naval airmen to undergo the special intensive training course here, was highly praised by Lieutenant Commander Hugh B. Jenkins, superintendent of the Navy's only Primary Flight Instructors' School.

"As an instructor-under-training here, he rated among the best. We need men of his caliber to turn out the best pilots in the world. I have every confidence he will meet the challenge," Mr. Jenkins asserted.

Ensign Thomas was formerly prominent in civic affairs in Brownfield and a member of the Junior Chamber of Commerce, the Business Men's Club and the Flying Club.

He will instruct at the U. S. Naval Air Station, Bunker Hill, Ind.

CADET JOHNSON BEGINS TRAINING AT SAN MARCOS

San Marcos, Tex., October 20—Twenty-one Texans have reported to the huge army air forces' navigation school at San Marcos, Texas, to begin 18 weeks of training in advanced aerial navigation leading to commissions as second lieutenants or appointments as flight officers in the army air forces.

Upon graduation in February, 1944, these men will wear silver wings of the air forces' navigators and will be ready for assignment as aerial navigators for America's mighty air fleets blasting the enemy on every battlefield. Among the names registered for the course is the name of Navigation Cadet Joe R. Johnson, 19, son of Mr. and Mrs. R. Johnson, Brownfield.

CADET BLACK FINISHING PRE-FLIGHT COURSE

Among cadets now stationed at the Army Air Forces Pre-Flight School for Pilots at the San Antonio Aviation Cadet Center, the nation's largest pool for fighting air crews, is aviation cadet Byron O. Black, son of Mr. and Mrs. B. O. Black of Rt. 2. When Cadet Black has completed his studies and training at the pre-flight school, he will be sent to a primary flying field. Still further training in basic and advanced flying school will prepare him to be a combat pilot.

TAKING A COURSE IN THE KENNEY METHOD

Lieut. Fern Green of Brooke General Hospital, Ft. Sam Houston, is taking a course in the Kenney method of treatment for infantile paralysis at the D. T. Watson School of Physical Therapy in Leetsdale, Pa.

After a month of study, Lieut. Green will return to San Antonio, where she is a member of the teaching staff in the school of physical therapy at Brooke General Hospital.

She is the daughter of Mr. and Mrs. L. C. Green of Union.

Private Embrey Hulse, son of Mr. and Mrs. Hugh Hulse of Route 3, is home from Camp Claiborne, La., for 15 days. He was a caller at the Herald office Saturday, and showed the effects of a hard siege of malaria fever he took in August.

Holleman Enjoying Herald Up North

We hardly got the Herald started to Cpl. Ovie Holleman at Champaign, Ill., until we had to change it to an army air field over in Indiana. We feel sure you will like northern people after you know them better, Ovie. All soldiers from the states have had to get used to the English, and like them better after they know their customs. But his letter:

Dear Editor: Am still getting my paper, but as it is late sometimes, will send a correct address. I really enjoy the Herald, and to hear what folks are doing back home. There are quite a number of Texas boys up here scattering dust in these Yankee's eyes. I sure would like to see some of that Texas dust go drifting by.

I just can't seem to get along with these people up here. They still seem to think this is the Civil War we are fighting. I hope to get home as soon as we show that little guy with the shoe brush moustache where he stands. So, you folks back home keep buying war bonds and the air force will keep bombing.

Cpl. Ovie L. Holleman

SGT. CORLEY TO READ THE HERALD

Sgt. Cecil O. Corley, located at the air base at Topeka, Kansas, will get the Herald from now on complimentary of the loved ones here at home. Cecil was a 1940 graduate of the Brownfield high school.

He trained at Sheppard Field, Texas, and has recently been assigned to the Topeka field. He gets along fine with northern boys, he says, and that the average is not as arrogant as Texas boys.

We stated last week that H. C. Horn was a technical sergeant. Our mistake; he is a staff sergeant.

Lieut. Harold Simms is visiting this week with his parents, Mr. and Mrs. Raymond Simms, while being delayed in his transfer from Clovis, N. M., to Blythe, Cal.

Johnny Winston, son of Mr. and Mrs. J. F. Winston, and brother of H. R. Winston, has almost recovered from a knee and ankle injury received while he was in training at a camp in Rhode Island. He is now stationed somewhere in the southwest Pacific, and is working in the censor's office. He has written that in his spare time, he makes rings out of plex-to-glas and sells them for \$10.00. He has an order for a \$100 walking cane which he will make in his leisure time.

Pvt. Grady Warren, who is stationed at Texas A. and M. College, spent Sunday through Thursday here visiting his parents, Mr. and Mrs. T. D. Warren and other relatives.

Pvt. Grady Warren, who is stationed at Texas A. and M. college, and T. D. Warren, Tom Warren, Jr., and James Warren visited Sgt. Ollie Warren at Alamogordo, N. M., Sunday.

Pfc. J. E. Patterson, who is stationed at Garden City, Kansas, is spending his 15-day furlough here visiting his wife and son.

Lieut. Burton Hackney, who is stationed at the Abilene Army Air Base, spent his five day furlough this week visiting Mrs. Hackney and baby son at Lubbock. Lieut. and Mrs. Hackney visited in Brownfield Wednesday. Mrs. Hackney and baby returned to Abilene with their husband and father and will make their home there.

Pfc. and Mrs. Clifton Decker and baby son, Rodney, returned to Wichita Falls Tuesday after spending two weeks here visiting her parents, Mr. and Mrs. T. G. Sexton, and his parents, Mr. and Mrs. R. H. Decker.

Pvt. Olen Evans of Lubbock army air field visited his parents, Mr. and Mrs. Elco Evans over the week end.

An Interesting Letter From John Dumas

Writing under date of October 11, from his camp at Daviesville, N. J., John F. Dumas, Seaman first class, gives us a very interesting letter, and one that most of us could read with profit.

The burden of his letter was that we seem to be in two wars; on the battle front and on the home front, and he referred of course to the much bickering and strife on the home front, that was hindering and holding up the battle front.

We can, he says, fight two fronts but it will be easier if the home front would declare a truce until this thing is over.

Amen, and thanks, John.

Sgt. E. D. Duncan, son of Mr. and Mrs. E. D. Duncan of Route 3, has recently been transferred to Pampa from Garden City, Kan. He volunteered for service on October 30, 1942, and received his basic training at the Lubbock army air field. Sgt. Duncan graduated from Wellman High school with the class of '41, and worked on his father's farm until he entered service.

Mrs. Robert L. Garrett, wife of Sgt. Garrett located at the army air field at Bryan, Texas, called this week to get the Herald started to her husband.

Sgt. and Mrs. David Mills, of Seminole were here over the week end, visiting her mother, Mrs. Nannie Hamilton. Sgt. Mills is located at the army air base at Hobbs, N. M.

Pfc. William M. Zachary's address has been changed recently to in care of postmaster, New York. Pretty good evidence that he is now across the pond.

Mr. E. S. Bandy and his daughter, Mrs. R. L. Gerrett of Wellman were visitors in Brownfield Monday. Mrs. Gerrett subscribed to the paper for her husband, Sgt. R. L. Gerrett, who is stationed at Bryan, Tex. They have a son and brother, Sgt. D. L. Bandy, who is stationed at Lubbock Army Air Field.

Pvt. and Mrs. Don King and little daughter, Donna, of Lubbock, spent Sunday as guests in the John B. King home. Pvt. King is stationed at Lubbock Army Air Field.

Mrs. Richard Ferguson came in this week to get the Herald started to her husband, Richard Lee Ferguson, Seaman 2/C, whose only address we are permitted to give is, San Francisco. Hope he gets a kick out of the old home paper.

Jake Flint, S 2/c, who now gets his mail in care of the Fleet Post Office at San Francisco, is a new reader of the Herald. Flint is the son of Mr. and Mrs. W. M. Flint of West Point, which is located in Lynn county. He has been in service about a year.

Pvt. Clarence Earl Hildreth, who is stationed with the Eighth Service Command at Ft. Sil, Okla., spent Sunday through Wednesday visiting his mother, Mrs. E. Dickerson. Hildreth was employed by J. C. Penny Co. at Clovis, N. M., when he entered service about three and one-half months ago.

WACS Recruiting In Brownfield

Lt. J. B. Timmons, Warrant Officer L. Babb, and Lt. Dedi N. Cook, and Sgt. Virginia Miller, of the Lubbock recruiting office were here Monday arranging for a rally to be held here about mid-November for recruiting WACS. They stated General Arnold, commander of the air forces, said he could use 600,000 WACS in his service, and other heads of war service departments are requesting the aid of hundreds of thousands more.

It is claimed that each WAC releases a man for combat duty. They have a booth at the Lions Carnival today and Saturday, where first-hand information may be obtained.

Subscription To Be Advanced After Oct.

As stated in these columns some weeks ago, the Herald will be advanced from \$1.50 to \$2.00 per year outside the Brownfield trade area, Nov. 1st. That area is defined by the whole of Terry and Yoakum counties and the county line postoffices of Seagraves, Loop, Welsh, the western routes of Tahoka, O'Donnell, Ropesville, and Sundown.

In the area indicated above, the price for the present will be by the whole of Terry and Yoakum at \$1.00 per year, strictly in advance, and the price of \$1.50 to men in the service will remain so for the duration. All others will be \$2.00 per year.

Subscribers living out of the area who wish to take advantage of the old \$1.50 rate may do so, and all letters whose postmark shows they were mailed in October, will be credited for one or as many years as they wish.

The Herald will have no bargain rates, as production of papers are getting increasingly higher, and materials harder to get. We have had to take a part order of newsprint the last two times we have ordered, the other part being reordered. That was very unusual before the war.

However, wholesale paper houses are doing all they can to keep a supply on hand sufficient to keep all papers printing.

Scout Executive To Locate Here

Murle Edwards of Lubbock, a field executive of the Boy Scouts of America, for several adjoining counties, is here this week to take over this and another district in scout work. He is to locate here and have headquarters out of here, if able to procure living quarters.

Mr. and Mrs. K. Martin Kirschner and two sons of Kanusa City, Mo., are new Brownfield residents. Kirschner is the son of Mr. and Mrs. Sam Kirschner.

Lions Carnival Opens For The Week End

Local Lions, and the amusement company, have installed their equipment, and are set for the carnival the rest of the week. They have all paraphernalia possible for the occasion though many of the trinkets usually to be had at carnivals could not be procured.

But, they are substituting, and expect to furnish entertainment for the expected large crowds to-night and Saturday. All proceeds to go to the Lions benevolent fund for worthy uses in this county.

Mr. and Mrs. Richard McAdoo and children, Leon and Frances Joann, of Penwell, spent Saturday through Wednesday visiting her mother, Mrs. L. O. Greenfield. Another visitor in the Greenfield home was Lieut. Keller P. Greenfield, who has completed his course in navigation at the Hondo army air field and spent several days here visiting before leaving Tuesday for Pratt, Kansas.

Sgt. J. E. (Buddy) Gillham has recently been transferred from Mexia, Tex., to San Antonio. Sgt. Gillham was stationed at War Prisoner Headquarters while at Mexia. Mrs. Gillham is with her husband.

SGT. RHYNE GETS 10 HERALDS AT ONE TIME

Mr. and Mrs. L. A. Rhyme have recently heard from their son, Sgt. R. L. (Leon) Rhyme. He wrote that he is now stationed somewhere in the southwest Pacific. He sent his parents several Japanese bills, but wrote that he did not know the value of the money. He stated that he could have gotten bundles of the money, but did not have any use for it, nor did the Japs that he got it from. Sgt. Rhyme wrote that he recently received ten Terry County Herald at one time and was enjoying reading them very much.

Grain Moving At Snail's Pace; Grain Everywhere

We tried to make the rounds of the grain buyers Monday and get a lineup if possible on just how much had been bought, but the jam in the movement of grain to the markets, and we found plenty. Figures were released at only two places, but taking their figures and guessing at the balance, it would be safe to say that the aggregate would run close to 30 million pounds this season, or possibly more.

We also learned that grain has come here this year from as far north as within six miles of Levelland, and as far east as Wilson, in the northeast corner of Lynn county, where grain matured before it did in this county. Also one elevator man stated that he was buying almost as much grain at Seagraves as at Brownfield. The Gore Grain elevator, the Ballard Grain company, and the Goodpasture elevator were visited. Also called at the Brownfield Milling company, but Mr. Newman was out at the time.

At one elevator, it was estimated that they had as much as three million pounds in the elevator and piled on the ground, and it was undoubtedly there. Very little maize, kaffir or any sorghum grain families are purchased in the head at present. At one elevator, we were informed that they shipped about four cars last year of unthreshed grain. At this place, we were informed that they were getting about four grain cars a week, when they needed from six to eight per day. Another elevator man stated that he was lining up with four mills at Plainview, where it was possible to get more Fort Worth & Denver railway cars than Santa Fe.

This grain is bringing around \$1.90 per hundred, the highest price ever paid for it here, and if cars can be had, it will be a profitable business to both the producer and buyer. Noting acres of threshed grain piled up at one place, we asked the manager if it did not stand a pretty good chance of spoilage if a long wet spell happened along. No, he said, if we keep the piles well drained, very little water will penetrate it, and the ground is dry. We'll dig trenches around the piles if it starts up a general rain.

LADY, HAVE YOU LOST A BLACK COAT?

The sheriff's department arrested a doper or drunk recently, who had in his possession a lady's black coat.

Deputy Mon Telford asks us to give this notice, that if you have lost such a coat, or know of anyone who has, to please call or get in touch with the sheriff's office.

MAN LOSES FINGER IN ACCIDENT

Bill Higdon is recovering from an accident which involved removal of the forefinger on his right hand, when he caught his finger in machinery last Wednesday, at Noel Tailors, where he is employed.

The finger was removed at the second joint at the local hospital.

NIGHT OFFICER CLIFF FITZGERALD ACQUITTED

In the trial of Cliff Fitzgerald, local night watchman, charged with the slaying of Ralph Lopez, a Mexican, on Nov. 28th, 1942, a district court jury, by instructions of the court, returned a verdict of not guilty last Friday.

The evidence indicated Fitzgerald was called to a camp just west of the railroad to quell a disorder aroused by two drunks, when the victim attacked the night watchman, and shot at him a time or two, when he had to fire in self defense.

Two previous grand juries had declined to indict, but the defendant requested the indictment that he may be legally vindicated.

Colored Child Shot to Death

Willie McArthur Wyatt, 8 month old son of Henry Wyatt, (colored) living in colored section north part of town, was fatally shot about noon Thursday, by his 5 year old brother Woodell Wyatt. An older brother, Ben D. Wyatt, who was holding the child at the time, also received serious wounds, but is not thought to be fatal.

Officers investigating the case said it is claimed the boy had been quarreling with another boy, Alton Perry, some 12 years old about throwing cotton bolls in the field, near their home, when the boy went into the house, got the gun, and shot from their porch, hitting his own brothers instead.

Johnnie Haynes, who happened to come along soon after the shooting, rushed them to the hospital in his bakery wagon, where the child died two-hours later. The gun was a 12 gauge double barrel shot gun. Because of the age of the boy, no charges have been filed.

Man Under Arrest Dies In Courthouse

C. M. Davis, aged about 53, who had been employed by a construction company, operating here, collapsed while in custody of officers in the courthouse hall, Wednesday night, and died before physicians could arrive. They had apprehended him, believing him to be intoxicated and was escorting him to the Sheriff's office, when he collapsed.

The body was being held by the Brownfield Funeral Home, pending communication with relatives who are unknown. None had been located up to late Thursday afternoon.

Meadow Routes To Get Herald Fridays

Some weeks ago when the groceryman stopped quoting prices, to save some expense, we stopped paying to have a truck carry the Herald to Meadow Friday morning. Regular mails get to Meadow too late to catch the routes.

But, so much Old Billy has been raised with us that beginning this week, the Herald will resume having it carried to Meadow Friday mornings. As one lady puts it, to get the Herald on the Meadow routes Fridays, gives them a chance to learn of announcements and meetings to be held Saturdays.

Accident Victim Recovering Nicely

Flem C. McSpadden, electrician for the Arizona Chemical Company, is recovering satisfactorily in the West Texas hospital after suffering severe burns to one hand, as the result of an accident at the Arizona Chemical Company early Wednesday morning.

McSpadden, engaged in some emergency electrical repair work in the brine field, accidentally came in contact with a high voltage electric line. Arvil Hall, a chief operator witnessed the accident and rushed immediately to the plant, nearly a mile away from the scene of the accident, and pulled the switch, releasing McSpadden from the live wire. Joe Hardin, field employee, who also witnessed the accident, started artificial respiration immediately, and revived McSpadden, despite the fact that he had been in contact with the high voltage line, and unconscious, for several minutes.

E. L. Sturgis, superintendent of the Arizona Chemical Company, states that efforts are being made to secure Life-Saving Medals for Hardin and Hall, whose prompt and efficient action doubtless saved McSpadden's life. The medals are issued by the National Safety Council, in recognition of exercise of courage and judgment that results in the saving of a life.

Mrs. Bill Lane of Midland is expected to spend the week end in the Money Price home. The Lane's formerly resided here.

We Take A Squint At The Crops In North Terry

Mr. and Mrs. Ed Thompson of the Harmony community accompanied the Old He and wife on a drive through the rich agricultural section of north and northwest Terry last Sunday afternoon, which included the north part of the Harmony community and much of the western part of the Needmore community. What we got was an eye-filler in the way of grain and cotton, but neither crop has hardly been touched, top, side, nor bottom, when it comes to harvesting.

More Combine and Pullers Needed
Taking a long shot on estimating we would hazard that about one field in eight has either been bound into bundles or combined, and we saw much combined grain on the ground, awaiting transportation to town, and what a grain traffic-jam they will find when they get it to town? But we will try to tell that in another story.

That Section Favored This Year
With the exception of one or two small areas in the northern part of the Harmony area, we saw that had rather a terrific hail back just after planting time, the section visited was perhaps the most favored section of Terry county this year, so far as moisture was concerned. Of course they too suffered during all that hot day and night period of August and early in September, but having more moisture, the crops do not show the deterioration of other section with less rainfall. And, too, this section is the cream of Terry county as well as the world for that matter. There is no better land to be found in the universe, and that is no disparagement to other section of Terry county.

Cotton to Go Half Bale or Better
Jack Frost has kissed the leaves of the cotton fields, which with the sunshine of the past two weeks has caused rapid opening of bolls. We believe there is an average of a half bale to the acre in that area, and some of the fields will do three-quarters and better. The grown bolls are on there to do the trick—no guess work. And a large part of the cotton is open, and Oh! if hundreds of cotton pullers would just arrive on the scene, wouldn't there be some great rejoicing? As old and stiff as the Old He is, he could almost make a dollar a day and his dinner pulling bolls.

And at the feed and more feed. Over there is the bright red heads of the maize, mostly wheatland, but some goose-necked. On the other side of the well graded country road is the nearly whiteheads of the kaffir and higeria, and each seem to be striving to show that it is the master grain of the field. From a distance there doesn't appear to be any breathing space between the heads, just a field of waving white and red. This, with the blades in some places still green, gives just the contrast to make a rural scene fit for the artist, if he could but master it.

It is great to be an American; better still to be a Texan; best to be a Terryite.

Southwest Terry Getting Hot

As a result of a leak in the grapevine that considerable gas was found in a core test well, not too deep, in the southwest corner of Terry county some five miles north from Sagraves, considerable royalty buying and leasing was done in the vicinity this week.

No official confirmation has been had, and we cannot state to what extent the discovery is, but the rumors seem well founded.

FOOTBALL TEAM OFF TO PAMPA

Coach Bost, with the Fighting Cubs, left yesterday morning for Pampa, where they play their first conference game there tonight. They are expecting a hard game, as Pampa usually has a great team.

Maybe you have heard this one; we hadn't. It was told us by Mrs. Hobdy, of the highway grocery this week. The subject of rationing came up, when she related that a boy who was being awakened, stretched, yawned, and rubbed his eyes, and exclaimed: "Thank God, sleep is not rationed," and feel back on his pillow for another session with shuteye.

The Herald, along with all other Texas papers, perhaps, had a form letter from Nathan Adams, thanking the press for its part in putting over the third war loan drive in Texas, not only from the standpoint of an official, but as a Texan to a Texan. Mr. Adams asked us to convey to all workers and committees of Terry county, his thanks for the hours they spent in the drive, as well as all the business associates of the Herald, who underwrote a number of advertisements. Mr. Adams, who headed the drive in Texas, is also head of the largest bank in the state in point of resources. He wishes to reach all advertising sources through the press with his thanks for a job well done, and this will include radios, theatres and outdoor advertising agencies.

Will it take five more years to whip the Japs? This is a question discussed often by our leaders, and many of them would lead us to that conclusion, even if the Germans cave in, in the next few months. The Herald is not given to wishful thinking, but handicapped as we have been the past 22 months in getting ready, and aided mostly by Australia, who like us, have armies everywhere, have made wonderful progress against the Japs in the southwest Pacific, as well as the Aleutians. For the past year, the Chinese and British have held the Japs pretty well in tow on the mainland, and are getting set to give the Rats some serious trouble. With Germany eliminated, and a combined all-out sea and air effort, with many plane carriers at their service, the Jap fleet can and will either be destroyed or made impotent, and bombers and fighters in cuh hordes will fill the air over the Nips that they will destroy every dwelling and business on the main Jap islands in less than five years. We've stuck our neck out, but keep in mind what we have said, and check up in two years hence.

One of our nieces sends us the old home town paper from Boliver, Tennessee. We think we have too much crime at times, and do, and that we have too many divorces, and that Smith and Brown have too many suits that might be settled out of court. In checking the Circuit court records of recent date, which corresponds to our district court, we found that there was on docket, and tried or dismissed or carried over to next term, 35 divorce cases; 38 criminal and 15 civil. Hardeman county, Tennessee has about twice our population. On the other hand, they have out of their 23,000 population, perhaps 10,000 colored people, and in going over the names of the divorcees, we feel that we detected, through the given names, that a vast number are colored people. But, perhaps the criminal and civil docket, whites were in there with at least 50 percent or more of the cases. Among the cases we noted many for carrying concealed weapons and disturbing the peace or public worship. This often happened in our boyhood days, and even now, perhaps the Hardeman county boys get "teed" up on McNary county mountain dew, and with their 38 Iver Johnsons kinder toot 'em up in their community. Yet, as a whole, they are among the best people in the world. A stranger need not ever do without a meal or sleep out, among the people of that fine old county.

Visitors in Lubbock Tuesday were Mesdames Wilson Collins, W. H. Collins and W. R. McDuffie.

Miss Dorothy Nell Eicke, who is employed at the Clovis Army Air Base, spent the week end here visiting her parents, Mr. and Mrs. E. N. Eicke.

Mrs. Ray Ross returned to her home in Bowie, Friday, after spending several days visiting her sister, Mrs. W. E. Latham and Mr. Latham.

Mrs. Nora Adams, wife of the late O. E. Adams, former pioneer residents of this county, but who lives at Brownwood, attended the funeral of her brother-in-law, E. Hunter, and visited her husband's brother, W. M. Adams, and other relatives here this week.

FUNERAL SERVICES HELD FOR CHARLES ORVILLE HUNT

Funeral services were held at two-thirty o'clock Wednesday afternoon at the Foursquare church, for Chas. Orville Hunt, who passed away Tuesday morning at 4:05 o'clock at his home following a long illness.

Services were conducted by Rev. Floyd Dawson of the Lubbock Foursquare church. He was assisted by Rev. Jack Watkins, pastor of the Hale Center Foursquare church. Interment was in Terry County Memorial cemetery.

Pall bearers were Cleburne Norris, Cecil H. Vest, Sam Hill, Tom Carter, Euell Bryant and Bob Gage. Ladies assisting with the flowers were Mesdames Cecil Vest, Allie Baton, Tom Carter, Elbert Bradley, T. B. Wood and Miss Nona Lee Carver.

He is survived by his wife, Rev. Viola Hunt, who is pastor of the Brownfield Foursquare Church, one brother, John Hixon Hunt, Jr., of Columbus, Ohio; two sisters, Mrs. Otto Maltot, Columbus, Ohio; and Mrs. Ann Sage of Shawnee, Okla., and two daughters by a previous marriage, Mrs. J. C. Griener of Toledo, O., and Mrs. Homer Veon, Jr., of Salem, Ohio. They were unable to attend.

Guests of Mrs. Daniel Davis and Mrs. Spencer Kendrick Tuesday were Mr. and Mrs. J. A. Woosley of Brady. Mr. Woosley is a brother of Mrs. Davis and Mrs. Kendrick.

Mr. and Mrs. H. M. Brock and Willard were shopping in Lubbock, Saturday.

A guest in the C. J. Smith home is their daughter, Mrs. John J. Kendrick, who arrived here Thursday from Waycross, Ga., where she has been with her husband, Lieut. Kendrick, who is stationed there.

Guests in the Roy Jenkins home Sunday were Mr. and Mrs. D. H. Coldiron, Mr. and Mrs. W. S. Crow and baby daughter, Joy, and Mrs. Georgia Nell Coldiron, all of Friona.

Mr. and Mrs. A. R. Baldwin of Lubbock were guests in the Flen McSpadden home Sunday.

WORN PARTS

... Can Be ...

RE-BUILT

... if brought in before they are worn too badly ... don't count on getting new parts for machinery every time you need them, as parts are hard to get. If parts cannot be fixed, we will do our best to get them, but the best thing for you to do is to let us repair old parts while they can be fixed.

THE WAR PROGRAM is needing, and are using more and more ...

VITAL METALS

... and factory representatives tell us parts will be scarcer until the time the government agencies have more than they can use.

Let us help you conserve what you have until VICTORY.

J. B. KNIGHT FARM MACHINERY

Dr. and Mrs. R. B. Parish and children of Hobbs, N. M., spent Friday as guests in the home of Dr. and Mrs. John R. Turner.

Miss La Verne Collier of Hobbs, N. M., spent the week end here visiting her parents, Mr. and Mrs. Roy Collier.

Other renewals this week were Mrs. Mabel Treadaway, Earl McCullough, T. A. Chrestman, Roy Phillips Gin., Brownfield; and on the routes; L. R. Riney, Wellman. The new ones were: O. H. Murray, Rt. 4; Mrs. E. W. Liles, Rt. 1, Meadow; Alton Stovall, Ashmore; T. A. Chrestman, Rt. 3, city; S. J. Murry, Rt. 4, city; and Mrs. O. D. Kennedy, Rt. 1, Seagraves. This does not include many going out in single wrappers, far away from home.

IN MEMORIAM

In sweet memory of our darling boy and brother, Luther Ray Newsom, who passed away four years ago today, Oct. 22, 1939.

When we're all alone and silent, we breathe with deep regret, for you were ours and we remember should all the world forget. What would we give to clasp your hand, your smiling face to see; to hear your voice and see your smile, that ment so much to us.

Though we shed a tear that is silent, and breathe a sigh of regret for you were our own to remember, if the rest of the world forget.

Sadly missed by Mother, Daddy, Sisters and Brothers.

Bluford Adams and wife, merchants of Brownwood, attended the funeral of E. Hunter Monday, and visited his brother, W. M. Adams, and sisters; Mesdames McPherson and Hamilton.

Tommy Bandy, son of Mr. and Mrs. R. L. Bandy, of Dallas, returned to his home Sunday, after spending a week visiting his grand-parents, Mr. and Mrs. W. L. Bandy.

Remember Me?

I'M THE GUY who looked at you from a USO poster a little over a year ago.

I'm the guy you forked over \$34,000,000 for - so that, through the USO, you could let me and all my buddies know that someone home still thought about us - still cared enough not to want us to miss out on any of the things we were in uniform fighting for.

A hot cup of coffee for example, when you come in all grimy and tuckered out from a little "business" trip...

A club house with easy chairs to melt into and desks to sit at and write home and a

dance floor and some decent girls to r'ye us out here a little reminder of what it's still like back there.

You remember, don't you?

You probably dug deep for a lot of other things that year, too...for British War Relief, United China Relief, and so on. Well, this year it's going to be simpler for you. Because this year, seventeen war relief agencies have banded together into one great big campaign - the National War Fund. This time you are only asked to give once for all seventeen.

And take it from me, as one who ought to know, that contribution you're going to make

is one of the greatest things you can do to bring about victory. Not just because part of it's going to USO to do wonders for the morale of the fellows under arms, but because a good deal of it is going to help relieve distress at home through local agencies - as well as abroad, to help keep our allies in the fight.

So when you're asked to give to the united campaign of the National War Fund and our community's own war fund this month, remember me. Every dollar you give helps me out in countless ways, and does its bit to bring me home sooner.

Give in a big way, will ya?

One Job Well Done Begets Another

There's no satisfaction in all the world like the feeling of having done a job well—of being able to see the results of your work. This is one thing that all producers of useful things have in common.

And those of us whose job is production—whether of goods on farms and in factories, or of services in stores and banks and utilities—can best see the results of our work in the high standard of living which we have helped to create in America. For this standard is built on our ability to produce more per person than any other nation on earth. And the people of every country, who are looking hopefully to us for food and weapons, can count on America because it has this great productive might.

After the war is over? Many people are talking about a richer life for all of us then. And they're right! For that richer life will be brought about, not by promises, but by hard work on the part of America's producers. And they—those who grow and make and do things—can do this post-war job better if they work together and understand each other. *General Electric Co., Schenectady, N. Y.*

FFA NEWS

The Brownfield FFA Chapter, under the direction of Thomas Neely, has gotten off to a good start this year with 63 members enrolled.

Sixty feeder calves, and numerous feeder pigs and registered gilts are included in the boys' project program for this school year. Also, plans are being made for several crop projects for next year and many of the boys are finishing this year's crop project.

While school is turning out half a day, the boys have been a great help to their fathers in harvesting the crops.

This shows that the FFA boys are going all-out in producing food and other material vital for winning a speedy victory.

THREE PIONEERS PASS AWAY FRIDAY AND SATURDAY

Mrs. M. E. Spear

Mary E. Spear, wife of J. W. (Grandpa) Spear, aged 86, passed away at their home in Brownfield at noon Friday, following a short illness. Rev. H. W. Hanks of the Methodist church conducted the funeral at 4 p.m., Saturday, and interment followed at the Brownfield Memorial cemetery.

Mrs. Spear was a native Texan, moved with her husband and family from Parker county to the Tokio vicinity in 1908, residing here since. She left surviving her husband, aged 87; three sons, John and Oscar Spear of Snyder, and M. E. (Ed) Spear of Arizona, who could not attend because of sickness, and three daughters: Mrs. John Bennett, Mrs. J. C. Wright and Mrs. R. C. Harris, all of Brownfield. Two daughters died several years ago, Mrs. Ad Cox and Mrs. Sam Sullivan. Also two sisters, aged 88 and 84, living at Killeen and Azle, but obviously could not attend the funeral. One brother, living at Fort Worth. Her father was killed during the Civil war.

She leaves 50 descendants; 21 grand children, including Mrs. W. O. Helms of Brownfield, and Mrs. Charles Jones of Tokio, and 20 great, and three great, great grand

children. Of these, three grandsons and one grand-daughter, and two great grandsons are in military service, and five of her granddaughters are registered nurses.

J. D. McCullough

At 5 o'clock Friday evening, J. D. McCullough, aged 74, passed away at his home in Brownfield, suddenly. He had suffered a stroke last May disabling him for several months, but had apparently recovered and was about the place an hour before death came. He moved from Haskell county to the Tokio vicinity in 1917, after his wife died some two years before, and later married Mrs. R. K. Benton, then a neighbor, and moved to Brownfield some 15 years ago.

He is survived by his wife, and seven daughters: Mrs. R. H. Castleberry of Meadow; Mrs. Ottilie Ross of Marshall; Mrs. Roy Taylor of Tokio; Mrs. W. G. McDonald of Brownfield; Mrs. J. T. Sheridan of Plano; Mrs. W. E. Johns of Dallas; and Mrs. Pauline Marshall, who was reared here, but now resides in Kentucky, her husband being in the army. Another daughter, Mrs. J. A. Criswell, and a son, W. H. McCullough, died several years ago. Also two sons, E. B. of Brownfield, and J. C. of Seagraves. Also Jack and William Benton, and Mrs. E. B. McCullough step-children. He left 27 grandchildren, and three great grandchildren. Five brothers, four being present: Harvey McCullough, of Itasca; A. N. McCullough, of Longview; W. L. McCullough, of Purden, Texas; and Lucien McCullough of Hillsboro; and two sisters: Mrs. Wiley Tedlock, of Wilson; and Mrs. Will Putman, of O'Donnell, who attended the funeral.

Rev. A. J. Franks, pastor of the Northside Baptist church, assisted by Rev. Henson, of Stamford, conducted funeral services at 4 o'clock Sunday evening. Interment in Brownfield cemetery.

Enoch Hunter

Enoch Hunter, aged 70, died suddenly at his home late Saturday evening. He had just come in from work, and entered his home, when he crumpled to the floor, dying before help could be summoned. He had been afflicted with heart trouble for some time. Funeral services were conducted by Rev. Avery Rogers at the First Baptist church, and interment in the Brownfield cemetery, Monday at 11 a.m.

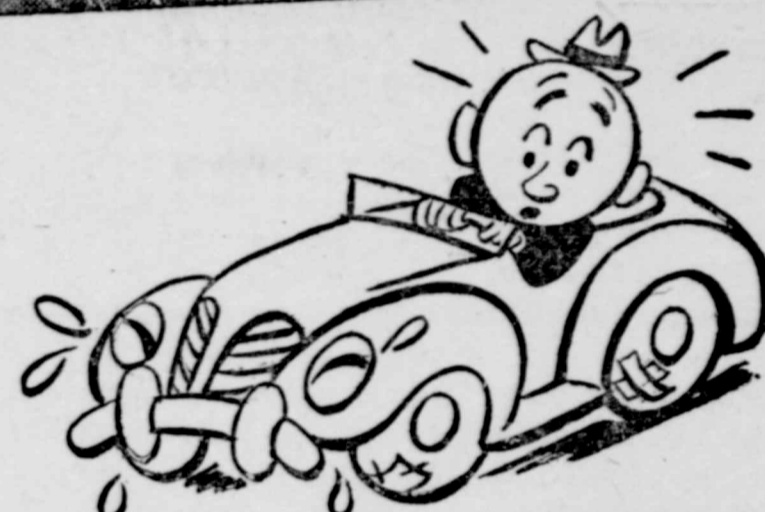

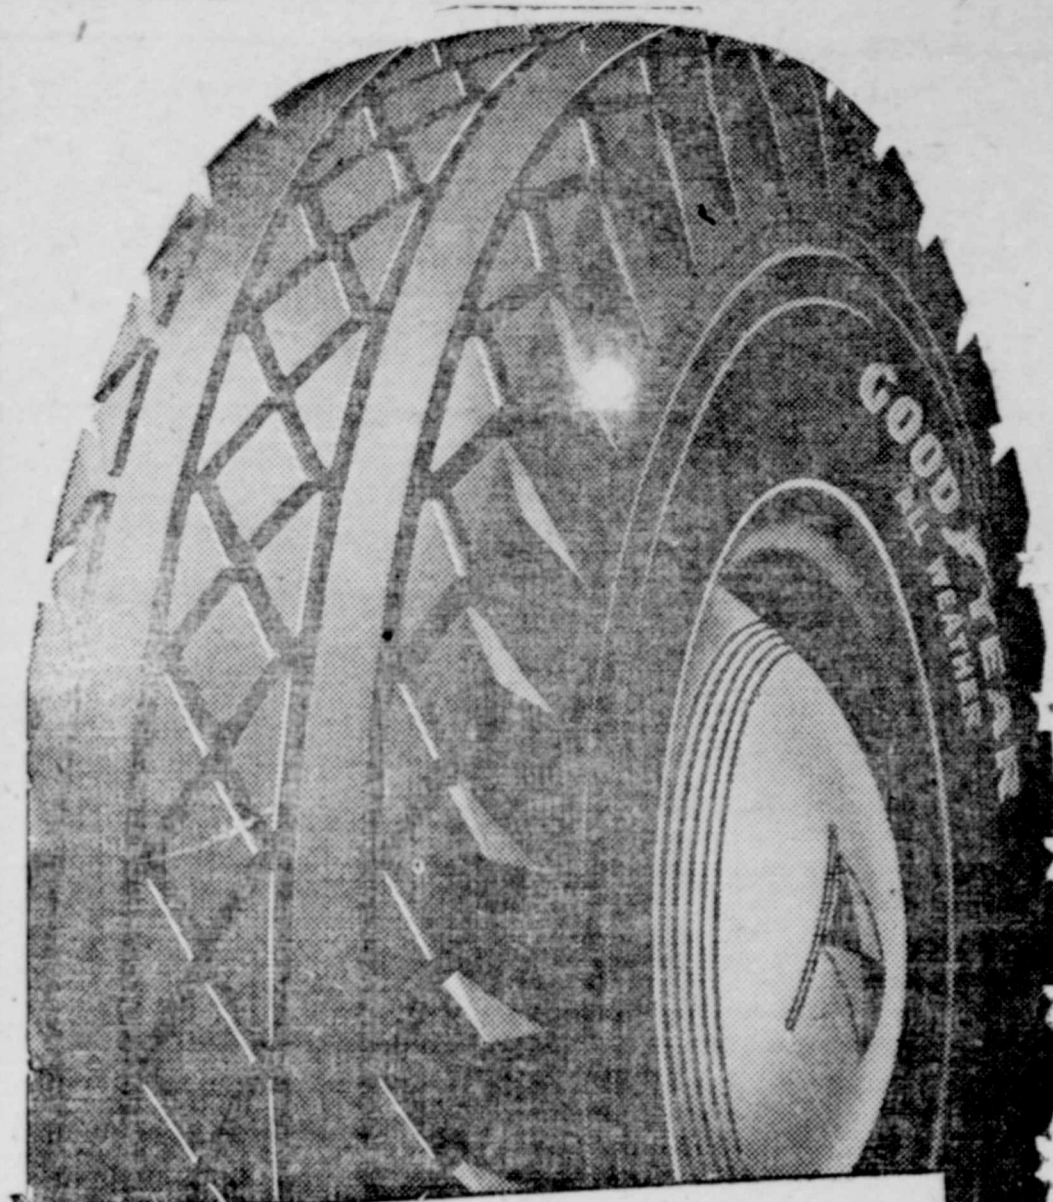

He left surviving, his wife, Mrs. Etna Hunter, who is a sister to W. M. Adams and Mrs. Lester McPherson and Mrs. Charles Hamilton of this city, and four daughters: Mrs. R. A. Simms and Mrs. Frank Jordan of this city; Mrs. Jim Black, of Carlsbad; and Mrs. Pelham Cruger, of Santa Anna, Texas, who could not attend the funeral because of illness, but her husband and two daughters attended. Two sons, Roy and Bluford Hunter both of Amarillo, all of whom were present at the funeral. One sister, Mrs. H. L. Lowe, of Lubbock, who attended the services, and five other sisters, and three brothers of Coleman county, who could not attend.

He came to this county from Coleman county in 1915, after residing several years on a farm near Gomez, moved to Brownfield.

M. G. Tarpley, who is employed by J. B. Knight Implement Co., attended the Allis-Chalmers meeting in Amarillo last week.

Mrs. Val Garner and little daughter of Needmore community were visitors here Wednesday.

Mrs. Sam Counts of Del Rio spent Saturday as a guest of Mrs. Ted Hardy.

Men of Mercy...

THESE were great Americans. They are gone...but through you their power is still great. You have some of these portraits in your purse or in your billfold. They hold the power to spread compassion and comfort throughout the world.

There are children to be clothed in Russia...broken spirits to be mended in Greece...prisoners to be cheered and comforted in barbed-wire enclosures.

There are needy neighbors right here at home to be helped—many of them indirect casualties of this war.

There are torpedoed seamen to be warmed and fed on the docks.

There are wounded lying on the plains of China who need medical supplies.

Take some of these bills from your pocket now. Then

send as many of them as you can afford on an errand of great mercy...for war relief through the National War Fund.

When you give this month, to our community's war fund, you also give to the National War Fund. You give ONCE for ALL these agencies listed below. Your gift is divided in many ways...in proportion to the need! Some will go to the needy here in your own town. Some will go to relieve distress and sustain the morale of our allies. Some will go to provide the comforts and pleasures of home for our own troops, through the USO.

Look at the names of the agencies below. You have given to many of them before...small gifts perhaps when your heart was touched. Add up what you gave before...then double it. You cannot give too much. The need is so great.

WELLMAN HD CLUB MEETS WITH MRS. HEAFNER

The Wellman Home Demonstration club met Tuesday, Oct. 12th, in the home of Mrs. Clyde Heafner.

Mrs. Sewell Dean gave an interesting demonstration on upholstering a chair that was greatly appreciated by all present.

Election of officers was held at this meeting. Officers elected were as follows:

President: Mrs. Sewell Dean; Vice-President: Mrs. Elmer Edwards; secretary: Mrs. Sam Oliver; treasurer: Mrs. H. C. Beavers; council delegate: Mrs. L. R. Riney; reporter: Mrs. Clyde Heafner.

The club decided to sponsor a community party on the night of October 26th, at the school auditorium. Every body is invited.

They will also have an auction sale at that time. Donations of any kind for this auction will be appreciated.

After the business meeting the hostess announced: "As the Halloween cat was on its way to the club it met with an accident, the remains will now be passed around under the sheet." This caused lots of screams and laughter.

Refreshments were served to 12 members and one visitor.

The next meeting will be in the home of Mrs. Miller Rich on Oct. 26th.

Everybody come and get acquainted with our new home demonstration agent. —Reporter.

Baptist Church News

Attendance at the church school is improving some with 306 present in time to be counted last Sunday morning. Superintendent Horton Howell is urging that all elected teachers be regular in attendance and have their classes look after their absentees as well as enlist others in the study of the Bible and enroll them as members.

This church is looking forward to a period when for a short time at least they will be without a pastor and such periods in the life of a church call for a spirit of loyalty in attendance and it is highly important that there be no decline in the work of the church before the coming of a new pastor.

Pastor Avery Rogers will be leaving in a few weeks and you should avail yourself of this opportunity to hear his remaining sermons before going from among us to serve another church at Victoria, Texas.

Baptists are a great people but the lesson they need to learn most is that of pulling together not in their local church alone but also in the missionary and benevolent work of their great Southern Convention which directs the work and aim of thirty thousand churches of the Southland.

Our own Dr. W. R. White said recently in the Commission: "This is the hour for all members of Missionary Baptist churches to be Missionary Baptists. They have impoverished themselves and the world long enough. Can anyone imagine the results if Southern Baptists were to move together at one time? God is overruling the blunders of men to prepare the world on an unprecedented scale for a great missionary ministry."

We extend an invitation to all Baptists believing in the Great Commission as proclaimed by the Saviour himself to come along with us.

Ration-Time RECIPES

You needn't worry about the meat shortage if you utilize leftovers in Thrifty Meat Pinwheels. They're tops in eye and appetite appeal and they're easy to make with light, flaky margarine biscuit dough.

THRIFTY MEAT PINWHEELS

- 1 tablespoon finely chopped onion
- 1 tablespoon margarine
- 2 cups ground cooked beef, ham, or pork
- 2 teaspoons prepared mustard
- 2 teaspoons pickle relish, if desired
- 3 tablespoons water or gravy
- Salt and pepper to taste
- 2 cups sifted flour
- 3 teaspoons baking powder
- 1 teaspoon salt
- 1/4 cup margarine
- 2/3 cup milk (about)

Sauté onion in margarine until lightly browned. Add to meat. Add water or gravy, mustard, and pickle relish, if desired. Mix well. Season to taste. Sift flour. Measure. Add baking powder and salt and sift into a bowl. Cut in margarine. Add milk all at once, stirring until flour is dampened. Turn out on lightly floured board; knead 30 seconds. Roll into rectangular shape 1/4 inch thick. Spread meat mixture on dough. Roll up like a jelly roll. Cut into about 10 slices and place cut-side up on greased baking sheet. Bake in hot oven (450° F) about 25 minutes or until done. Serves about 5.

NOTICE to our Stockholders and Customers of Terry County and surrounding territory

Don't be misled by some one telling you that you will not get your meal, cake and hulls right here at the gins. We will have these products right here for your benefit, and you will receive all coming to you. One hundred percent of all the cottonseed that you leave here at the Co-Operative Gins, comes right back to Brownfield for the farmers of this territory, and surrounding territory.

The profit of these two gins, feed store and filling station is divided back to each of our customers, and is to stay right here in Terry county and its surrounding territory. Gin your cotton with your own Co-Operative and we will take care of your needs in anything in our line. Remember last season we put out around 20,000 bags of cottonseed meal, right here in Terry county, and could have put out twice that amount if we could have obtained it.

All you have to do is to gin here, and we will take care of your needs in these lines. You have built these gins and the rest of the business with your patronage, and don't let anyone mislead you about YOUR OWN BUSINESS. The more you patronize your own business, the larger you make it. Let US serve YOU.

Gov. Stevenson To 'Take A Texan's Part'

AUSTIN—"I am sure of the generosity of Texans on the home front as I am of the bravery of the Texans on the battlefield," Governor Coke R. Stevenson said here Sunday night in opening the county war fund campaigns of the United War Chest of Texas with an appeal over more than fifty radio stations.

Governor Stevenson, honorary chairman of the state war chest, and George A. Butler, president and campaign chairman, called on the people of Texas to subscribe nearly \$5,000,000 to USO, United Seaman's Service, War Prisoners Aid and the fourteen other agencies of the National War Fund.

"Texans men are on every war front today," Governor Stevenson said. "The Texas spirit is being appraised the world around. It's a fighting spirit and a generous spirit. Texans know how to fight for what they believe in and how to give when the cause is just.

"Texans at home are no less a part of the struggle than the men who have gone out from Texas to fight, and the best way to share in the victory to come is by doing the job that keeps our fighting men supplied with the tools of war."

"Texans," the governor said, "will meet this necessary goal of the United War Chest of Texas. They will join me in saying 'Sure I'll Take A Texan's Share!'"

Crude-Oil Supply Won't Fail, Says Petroleum Expert

Will the earth's petroleum supply stand the enormous drain of global warfare? Will it meet the needs of post-war years—which will add many new items to the list of 2,000 products now being made from crude oil?

The answer is Yes, says Gustav Egloff, president of the American Institute of Chemists and research director of the Universal Oil Products Co., writing in a recent issue of the Rotarian magazine.

Oil is probably being produced by Nature faster than it is being consumed by man, Dr. Egloff maintains. There are doubtless millions of acres of oil-producing territory in the western hemisphere not yet discovered or developed, and many other parts of the earth should prove to be not less rich.

But in addition to its 375,000 producing wells, the United States has billions of barrels available from other crude-oil sources, he contends. Investigations have brought to light facts regarding earth processes which convince us that oil is constantly being formed, Dr. Egloff asserts, citing the diatoms found in closed basins of the North American continental shelf, particularly along the west coast of California. Diatoms (brown, one-celled plants, growing in jelly-like masses in both fresh and salt water) are constantly depositing in the deeper waters of the Pacific coast, and their organic content is constantly increasing.

Dr. Egloff estimates that the diatoms in the Monterey shale of the Santa Maria, California, oil fields would alone produce two billion barrels of oil by an ether-process extraction—and these represent only one limited area

where diatoms are plentiful.

From the foregoing we may conclude that Nature is producing oil at a faster rate than gas pressure or pump strokes can bring it to earth's surface, writes Dr. Egloff, so we may take heart for the future.

Be Quick To Treat Bronchitis

Chronic bronchitis may develop if your cough, chest cold, or acute bronchitis is not treated and you cannot afford to take a chance with any medicine less potent than Creomulsion which goes right to the seat of the trouble to help loosen and expel germ laden phlegm and aid nature to soothe and heal raw, tender, inflamed bronchial mucous membranes.

Creomulsion blends beechwood creosote by special process with other time tested medicines for coughs. It contains no narcotics.

No matter how many medicines you have tried, tell your druggist to sell you a bottle of Creomulsion with the understanding you must like the way it quickly allays the cough, permitting rest and sleep, or you are to have your money back. (Adv.)

HERE'S HOW THAT SERVICE FLAG FIRST CAME INTO GENERAL USE

Who first thought of the blue-starred (or gold-starred) re-bordered rectangle of cloth that tells its proud story in millions of American windows today?

The answer is to be found in the current issue of the Rotarian magazine, which reveals that the service flag was originated back in 1917 by R. L. Queisser, then a captain in the Fifth Regiment, Ohio Infantry. A Cleveland resident, he designed the emblem for use by families having members in the armed forces.

Captain Queisser's idea caught the popular fancy at once, finding official sanction as the city of Cleveland and many other municipalities declared in favor of its use, while the state of Ohio shortly followed suit. A one-time member of Cleveland's Rotary club, the originator of the service flag died several years ago.

Ration Time RECIPES

Grated lemon rind and a dash of mace give zest to these Lemon Shortcakes, made with double-decker margarine biscuits. Any seasonable fruit, fresh or canned, can be spread between decks and piled on top. A fluff of hard sauce adds a tasty finish:

- LEMON SHORTCAKES**
- 2 cups sifted flour
 - 3 teaspoons baking powder
 - 2 tablespoons sugar
 - 1 teaspoon salt
 - 1 1/2 teaspoon grated lemon rind
 - Dash of mace, if desired
 - 6 tablespoons margarine
 - 2/3 cup milk (about)
 - 1 tablespoon melted margarine
 - Fresh or canned fruit
- Sift flour. Measure. Add baking powder, sugar, and salt and sift again into a bowl. Add grated lemon rind and mace, if desired. Cut in margarine with a pastry blender or two knives, blending until mixture resembles coarse corn meal. Add milk, stirring until flour is dampened. Turn out on lightly floured board; knead 30 seconds. Roll dough about 1/4 inch thick; cut with large biscuit cutter or floured knife. Put half of shortcakes on greased baking sheet. Brush tops with melted margarine. Place remaining shortcakes on top; brush with margarine. Bake in hot oven (450° F) 12 to 15 minutes. Split and serve with any fresh or canned fruit and cream, if desired. Makes about 8 shortcakes.

WCS MEETS AT METHODIST CHURCH

Mrs. Glen Harris was chairman for a program taken from the current study book when members of the Women's Society of Christian Service met at the Methodist church. Mrs. G. S. Webber assisted her. The devotional, taken from the 46th chapter of Psalms, was read by Mrs. W. B. Downing.

Women will meet at the church Monday afternoon for a one o'clock covered dish luncheon and will begin their three day week of prayer. They will meet Tuesday and Wednesday afternoon at three o'clock in Fellowship Hall, for their week of prayer programs.

A rummage sale will be held on the Court House lawn Saturday by the Methodist women. Any woman having good unused clothing is requested to wash and mend it and call Mrs. H. W. Hanks, Mrs. Harry Longbrake or Mrs. G. S. Webber, or bring it by the church. Members present for the meeting were Mesdames Lula Gaincer, Roy Herod, J. H. Carpenter, H. A. Stroup, Symes, Bill Culver, Mitchell Flache, J. L. Lee, A. J. Lloyd, Harry Longbrake, Judson Cook, Glenn Harris, Henson and G. S. Webber.

MRS. CUNNINGHAM ENDORSES FARMERS UNION

Amarillo, Oct. 20.—Mrs. Minnie Fisher Cunningham recently attracted national attention by denouncing the Triple A "gag rule" and resigning from the U. S. Department of Agriculture to return to her farm at New Waverly, Texas to fight for a decent farm program for farmers.

Now, Mrs. Cunningham has come out with an endorsement of the fight National Farmers' Union is making for the rights of working farmers, Frank Overturn, secretary of the Texas Farmers' Union said here today. She thereby broke the silence she has maintained since making her now famous statement to Director M. L. Wilson of the federal extension service: "This thing (gagging AAA committeemen) is wrong and we will not stand for it."

Mrs. Cunningham today said, "It is time to recognize that a branch of National Farmers' Union of great power is in process of development in Texas."

"This movement deserves the support of all farmers on the land whether they be owners, renters, share-croppers, or wage earners," she continued in typically determined words reflecting her "organize and win" policy. She added: "This will mean not only that farmers must organize but it will also mean that liberal leadership in religious, educational, and professional groups will have to unite their influence with farmers if the American farm family as well as our democracy is preserved."

Tokio

Mrs. Weston Powell, of Lubbock, spent the week-end here with her parents, Mr. and Mrs. Mobley and her sister, Mrs. Paul Cobb.

Mr. and Mrs. Charles Trout returned Thursday night from an extended visit with Mrs. Trout's father and other relatives, of Young County.

Mr. and Mrs. John Sam Cox, Mrs. Fred Cox of Lovington, N. M., and Mrs. Glen Carter, of Plains, visited in the home of Mr. and Mrs. Grover Perry, last Thursday.

Mr. Noel Clanahan and Mr. Earl Bond made a trip to Dallas last week after cotton pickers.

Mrs. Preston Murphy, Sr., has been on the sick list, but is up and about again.

A large majority of the people of the community attended the funeral services at Brownfield, Sunday, of Mr. J. D. McCullough. The McCulloughs are old timers of this part of the country. He was a man of very high standing and had many friends here.

Mr. and Mrs. Don Martin and infant son, Mr. and Mrs. Raymond Green and son of Muleshoe, and Mr. and Mrs. Forbes of Ropes, visited in the B. Martin home, Sunday.

Mr. and Mrs. J. M. Teague are business visitors in Dallas this week.

THURSDAY BARGAIN DAY

Vance N. Sibley, a former resident of this city, but now of Odessa, with the Stanolind Oil Co., was attending to business here this week.

The Moon is Down...

THERE are dark nights in Norway. Nights when Nazi sentries feel uneasy at their posts.

It is not what they hear that disturbs them. It is what they do not hear. The deep silence behind a bush. The stealthy quiet around the corner of a house. The terrible hush in the blackness all around them.

For the Norwegians lost their country without ever surrendering themselves. They wait now in the night to strike back at their oppressors.

If they ever had really given in, there would be no need of the thousands of Nazi troops now in Norway. They could have been

sent to the Russian front. Or Tunisia. But they couldn't be spared.

They can't be spared in Holland either. Or Poland or France or Yugoslavia or Belgium. In China, tens of thousands of Jap troops must also remain. And Axis troops will have to remain in countless countries so long as the "conquered" people have the stamina to resist.

You can help support this army already in Europe—by your contribution to the National War Fund, which you make through our community's own war fund.

For this year, the agencies that can do this job have banded together to make the collec-

tion and distribution of funds simpler, cheaper and more effective. Their job is threefold. To keep our fighting allies in the fight. To provide friendly help for our men in the armed services. And to relieve distress where it is found here on the home front.

Because all these agencies are now banded together, you are being asked to contribute only once for all of them. Because you are being asked to give only once, you are also being asked to give generously. Add up all you would have given to each of these agencies throughout the year, and then double the total! It is one of the most important contributions you can make to victory!

**HOW TO BUY YOUR
BABY CHICKS**

Rush business that hatcheries had last season will probably be repeated this coming season, reported Thomas Neely, agriculture teacher. To avoid difficulty in securing the number and quality of chicks desired, the poultryman should make his order as far ahead of delivery as possible.

Before making an order, a few precautions that may largely determine the success of a proposed poultry enterprise should be observed carefully, said Neely.

First, buy chicks as close to home as possible. If the kind or breed of chicks wanted cannot be secured in this locality, try not to go outside the state to make the purchase. The kind of poultry that will do the best on the farm in this area can be found in Texas, continued Neely.

Some causes for baby chick losses can be completely eliminated by proper buying. For example, no chicks should be lost from pullorum disease. Chicks should be bought from flocks that have been properly tested for this disease under an effective private testing program or under the national poultry improvement plan.

Most hatcheries have strict minimum qualifications that they meet before chicks are sold. Nevertheless, a buyer should check his source of chicks close-

CARD OF THANKKS

ly in order to insure the delivery of quality birds. If a buyer has no means of making a check on the sources that provide the particular kind of fowl he wants, he might want to order from hatcheries that are in the poultry improvement plan program since these businesses are regularly checked by a state inspector.

The items for which a hatchery or breeder should be checked, states Neely, include the freedom from pullorum disease, the production of the flock, the weight of the eggs, size of the hens, breeding characteristics of the hens, and if possible, the performance of some birds previously bought from that source.

**How many boys from
BROWNFIELD
won't come back?**

NOBODY knows the exact number. Nobody. But—

The number who do come back—on their own two feet instead of in a flag-draped box—will be in exact proportion to the job we do here at home.

For every minute that we can help shorten the war will mean more lives saved. (213 Americans were killed in the final day of the last war, and 1,114 were wounded before the 11:00 o'clock Armistice took effect.)

Now one way all of us can help shorten the war is to tighten our belts and buy more War Bonds. Yes, still more. And . . .

If you think you're buying all the War Bonds you are able to, imagine—for a minute—that it's after the war . . .

. . . you're standing at the station . . . a bunch of home-town boys, still in uniform, climb off the train . . . one of them kisses his wife and grabs his kid in his arms . . .

. . . and then he turns to a young woman beside them, a girl who looks like his wife's sister, and you overhear him say . . .

"Catherine, I don't know how to tell you how sorry I am . . . it's such a shame about Joe . . . it makes me sick all over when I think how he'd be here today if the war had only ended a week sooner."

Think it over. Can't you buy a few more War Bonds to help end the war that week or month sooner? Sure, it may mean giving up something, but what's that compared to what they're giving up? And remember, always—The money you "can't spare" may spare a soldier's life!

Ten Hour Wartime Sales Training Courses Completed

Fifty-eight local high school students and housewives attended a part or all of the Replacement and Variety Store Selling Classes, with forty-four receiving certificates, who had 80 per cent attendance record.

These individuals can work full or part time, and are much interested in helping the local merchants and community.

The classes were conducted by Miss Gertrude Prince, who is employed by the University of Texas and the Division of Extension and the State Board for Vocational Education.

Miss Prince will be in Dallas next week attending the Southwestern Regional Conference of the National Retail Dry Goods Association, October 19 and 20, followed by a two days' Teacher-Training Conference in which the Distributive Education Division will take a twelve hour course in "How to Supervise Employees," a new course which has recently been completed.

DISTRICT COURT IN SESSION THIS WEEK

Judge J. M. Garland and T. E. Burton, court reporter, held a session of court here Wednesday, disposing of several cases. The grand jury returned two felony indictments; one for theft and one for drunken driving.

Chiropractic News

In the State of Texas we have never had a Chiropractic Law. Every time Legislature has met in the past 25 years the chiropractors of Texas have spent their time and money trying to get a law in order that they would be recognized as "Doctors of Chiropractic". This year the Chiropractic law was passed and this week we are taking our State Board Examinations. All chiropractors are required to take this examination in order to practice chiropractic legally in the State of Texas. I will be away all week taking this examination and want to thank all of you who helped with telegrams and letters to legislature asking them to pass a law giving the chiropractors of Texas the right to take care of the sick people of our state.

I've enjoyed my work with you and you have certainly been nice to me through the nineteen years I've been working with you. If you have not had an adjustment, you have missed an opportunity you should have taken for your health's sake.

I plan on passing the examination and shall continue to be here to take care of your aches and pains.

Thanking you, I am yours for health,
Bernice Weldon,
Dr. of Chiropractic. —Adv.
