An automobile belonging to J. Monday night, was recovered by the sheriff's department near Seagraves a few hours later, and Robert Hinchley, a 'teen aged youth, was taken into custody by the officers, who lodged him in the Brownfield jail, and will be charged with theft.

Officers stated he confessed, also, to taking a car at Levelland Saturday, and one at Tahoka Sunday. He would driive them until he ran out of gas and then take another car. Officers of the counties where the thefts were alleged to have been made are investigating. Little is known of the youth, nor reasons, if any, for such actions. He was not a resident of this county. Officers stated that conversations indicated he had been around a bit.

TO THE CITIZENS OF TERRY **COUNTY:**

Your County's War Bond Quota Is

UNITED STATES TREASURY WAR FINANCE COMMITTEE OF TEXAS

December 31, 1943

Mr. L. Nicholson, Chairman Terry County War Finance Committee P.O. Box 1066 Brownfield, Texas

Dear Mr. Nicholson:

I wish to advise you that the over-all quota for Terry County for the Fourth War Loan drive is \$445,000, of which \$141,000 is assigned to you for the sale of Series E War Bonds.

The Fourth War Loan drive is a challenge to all of us, since it is directed primarily to individual investors, and accordingly our state quota on sales to individulas has been increased 10 per cent.

You will find enclosed a memorandum covering details of issues, credit allocations and reports. I am sure this will be of immediate interest to you.

I must look to you for leadership in your community to make the Fourth War Loan drive an outstanding success in Texas, and I kno wI can count on your wholehearted support.

With all good wishes for your succes, I am

Sincerely Yours,

Nathan Adams State Chairman.

Value of the year's program equivalent to 1,000 Liberty ships.

ship A DAY," with a number to spare, was the record production delivered by Bethlehem in 1943 to the United States Navy, the British Navy and the U. S. Maritime Commission. This program was the greatest in magnitude and diversity ever accomplished by a private builder in the world's history. It marked the fulfillment of a promise made by Bethlehem a year ago to build in 1943 an average of "a ship a day" of major fighting and cargo craft.

The list of ships includes aircraft carriers, cruisers, destroyers, virtually every type of fighting craft, as well as a large number of Liberty ships and other cargo vessels. In addition, Bethlehem ship repair yards converted, repaired, and serviced over 7,000 vessels, a vital contribution toward keeping the Allied fleets in fighting trim.

Measuring the program by Liberty ships, a battleship is equal to forty Liberty ships; and the value of the year's work in Bethlehem's shipbuilding division was the equivalent of eyer 1,000 Liberty ships.

Part of National Program - Bethlehem is permitted to publish these facts as part of our country's total program. Led by the U. S. Navy and the U. S. Maritime Commission, America's shipbuilding in 1943 has been a national triumph of production.

We salute our fellow shipbuilders and their distinguished records.

We thank our thousands of suppliers whose efforts have been essential to our contribution.

We congratulate the men and women in the Bethlehem organization, in shipyards, steel plants, factories, mines, and in every division, all of whom have had a part in this effort.

Harder Task Ahead - The year's work in Bethlehem's shipyards, steel mills and other departments has been done by 300,000 men and women. More will be needed. Already a larger shipbuilding task has been assigned to us for 1944. We shall undertake that job with the knowledge that it must be done, at maximum pace, to hasten the day of Victory.

* 38 TYPES OF SHIPS * Program 70% Fighting Craft;

30% Cargo Bethlehem's total wartime shipbuilding program includes approximately 1,000 fighting

and cargo ships, 70% of the program being in fighting craft, and 30% in cargo. These are of 38 different types including the following: FIGHTING CRAFT

D ways to make your gas water heater save gas

- Repair dripping hot water faucets.
- Avoid letting hot water run while washing hands, dishes, or shaving.
- Insulate hot water tanks and pipes to avoid waste.
- Turn off non-automatic water heater when enough water is heated.
- Check thermostat setting on automatic water heater. (120 to 140 degrees should be sufficient for normal use.)

A VITAL MESSAGE TO EVERY NATURAL GAS USER:

With the increased use of natural gas by the many war production centers and military camps that have been an outgrowth of the war, there is now a need for everybody to cut down as much as possible on their use of this vital fuel. Because of the shortage of equipment, material, and manpower, the facilities for providing the natural gas cannot be enlarged. For this reason the Office of War Utilities has asked every gas user, whether in the home, office, or plant, to "Use what you must, but save all you can!"

CITATION BY PUBLICATION THE STATE OF TEXAS TO: Willard Toliver

GREETING: You are commanded to appear and answer the plaintiff's petition at or before 10 o'clock A. M. of the first Monday after the expiration of 42 days from the date of issuance of this Citation. the same being Monday, the 21 day of February, A. D., 1944, at or before 10 o'clock A. M. before the Honorable District Court of Terry county, at the Court House in Brownfield, Texas.

Said plaintiff's petition was filed on the 27 day of November, 1943. The file number of said suit being No. 2898.

The names of the parties in said suit are:

Roberta Toliver as Plaintiff, and Willard Toliver as Defendant. The nature of said suit being

substantially as follows, to wit: Suit for Divorce. Plaintiff alleges that she is a bona fide inhabitant of the State of Texas for 12 month prior to filing suit. That the defendant abandoned Plaintiff about January 1, 1938, and they have not lived together since. Plaintiff prays for a divorce on the

grounds of abandonment. Issued this the 10th day of January, 1944. Given under my hand and seal of said Court, at office in Brownfield, Texas, this the 10th day of January, A. D., 1944.

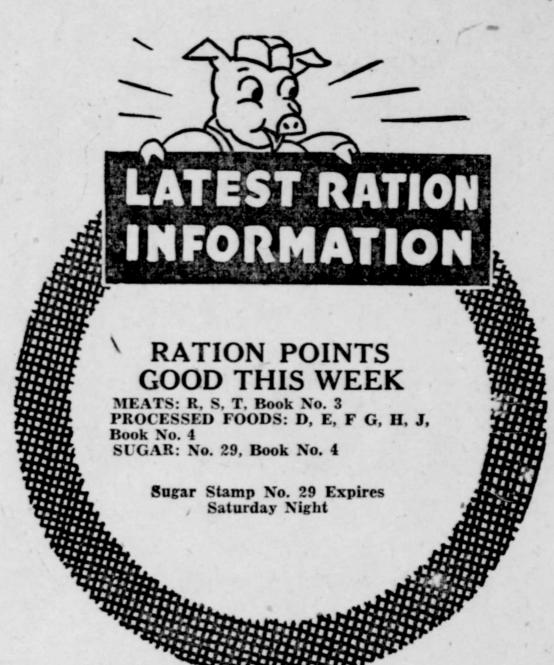

Eldora A. White, Clerk, District Court, Terry County, Texas

FARMERS ELATED OVER GOOD PROSPECTS

With the snows and rains over the past two weeks, farmers report excellent moisture season in the ground, suitable for winter plowing, and many have already started listing and breaking, preparing for the coming crops. Farmers with several years experience here encourage early listing of the land, especially where sandy, pointing out it prevents wind erosion, so prevalent in early spring as well as conserving moisture from light rains before planting
