LAZBUDDIE GETS NEW TRUCK... The community of Lazbuddie received a new fire truck from the Texas Forrest Service and had the keys of the truck turned over to Fire Chief Don Richards Saturday, February 14 during a special dedication ceremony and barbecue dinner. The event was held at the Lazbuddie school cafeteria and the dinner was free. Representative Bill Clayton was present and handed over the keys to the truck. Shown with their new ton and a half truck are (l-r) Eddie Mathews, David Nelson, Leslie Copeland, Claude Gregory, Hoppy Jennings, Jerry Glover, Derrell Jennings, Don Richards, Curtis Burns and Jerry Thompson.

Lazbuddie Gets Fire Truck, Clayton Was Guest

Bill Clayton, Speaker of the House of Representatives, State of Texas presented the keys to a new fire truck to Fire Chief Don Richards of Lazbuddie Saturday, February 14 during a barbecue dinner and dedication ceremony held at the Lazbuddie cafeteria. The fire truck came from the

Texas Forrest Service and the community of Lazbuddie raised \$4,000 for the piece of equipment. Clayton, who spoke in Hereford earlier in the day during a meeting of Water Incorporated, said he would like to see the country and Texans get again, a little patriotism for their country. He pointed out the need for awareness as to what democracy is all about as well as the free enterprise system and how it works. He spoke of this nation's 200th birthday, stating that this country is not just a parcel of land, but a principal. He spoke of patriotism and of being loyal to the country. Clayton told of a recent visit he made to Israel where he saw a young nation which gave him

inspiration. The people there showed a natural sense of pride and spirit of cooperation. He said they wanted to do something and wanted to improve

and that 90 percent of the people turned out to vote during their elections while 50 percent or less in the United States turn

Committee Studying Textbooks

Neal B. Dillman, superintendent of Muleshoe Schools, announces the selection of the local textbook committee, approved by the local school board.

This committee along with all teachers has been studying and examining the following books: Spelling, Grade 1-6; and Math, Grades 1-6, since January. Samples of these books are in the Curriculum Director's office in the junior high building, and in each elementary principal's office, so that any interested person may come and evaluate these books before the final selections are made.

Members of the committee are Miss Mary Helen Gutierrez, Mrs. Everett Lambert, Mrs. A.C. Bryant, Mrs. E.J. Wilson. Cont. on Page 3, Col 5

Muleshoe Receives \$6,730.85

AUSTIN -- Comptroller Bob Bullock mailed monthly city sales tax rebate checks totaling \$11.3 million to 741 cities and towns Friday, bringing to \$22.7 million the amount rebated to cities so far this year. The City of Muleshoe received \$6,730.85. At the same time, Bullock issued a word of caution to the hundreds of organizations formed to celebrate the nation's bicentennial.

"Many of them don't realize that if they sell trinkets or souvenirs, they've got to have a sales tax permit and collect and remit the sales tax," he said. The Comptroller said the confusion may exist because the

Cotton Prices Mixed

Grower prices were \$2.50 per bale lower to \$1.00 higher during the week ending February 13, according to Paul R. Dickson in Charge of the Lubbock Cotton Classing Office. Farmers sold mixed lots of mostly grades 51, 42 and 52; staples 29 through 31; mikes 2.9 and lower for 42.25 to 43.25 cents per pound. Mixed lots of mostly grades 42 and 33; staples 30 through 32; mikes 2.7 through 3.2 brought 45.00 to 46.00 cents.

The USDA's Agricultural Marketing Service reported trading was moderate and growers offered new crop cotton in moderate volume, Dickson said. Demand was moderate. Prices paid growers for cottonseed ranged from 80-100 dollars per ton, mostly 80-90 dollars.

Grades 51, 42, 52 and 43 were the predominate grades classed this week in the Lubbock territory. Grade 51 accounted for 10 percent; grade 42, 33 percent; 52 was 17 percent and 43, 10 percent. Bark reductions were assigned to 40 percent of the samples classed. Staples 30, 31 and 32 were the predominate lengths. Staple 30 amounted to 35 percent; staple 31, 17 percent; and staple 32, 25 percent.

Mike group 3.3 through 3.4 accounted for one percent; 3.0 through 3.2 range one percent; mikes 2.7 through 2.9, 19 percent; and 2.6 and below 79 percent. Cont. on Page 3, Col 5

Smith One Of Six Chosen

Charles K. Smith of Muleshoe was one of six McMurry students in the delegation representing the college at the Model United Nations held at the University of Oklahoma. The McMurry six will represent Turkey at the UN negotiating sessions, according to Dr. Mike Al-Attache, McMurry political science chairman. He said major topics to be discussed will include world population growth, apartheid, disarmament, the oil embargo and the unification of Korea.

Chuck's parents are Mr. and Mrs. Charles L. Smith of 402 W. 9. The McMurry student is a 1973 graduate of Muleshoe High School. Chuck is a Senior majoring in Secondary Education.

City Adopts Mobile Home Ordinance

The Muleshoe City Council adopted a Mobile Home Ordinance pertaining to Mobile Homes outside a Mobile Home Park, during Tuesday morning's City Council meeting held at 8:30 a.m. at City Hall. A motion was also made to draw up two separate ordinances, one for Mobile Homes

outside a Mobile Home Park which the commission approved and another for Mobile Homes in a Mobile Home Park which is yet to be presented for the city dad's approval.

In other business, the Council approved a Resolution authorizing the withdrawal of securities held by First National Bank of Fort Worth. The Resolution was a request from Muleshoe State Bank for the withdrawal of these securities held by the Fort Worth bank under joint safekeeping.

The Council approved an order naming April 3, 1976 election

Arthritis Victory March Set

The Board of Directors of the Bailey County Branch of the Plains Division of the West Texas Chapter of the Arthritis Foundation met at the X.I.T. Steakhouse on February 12, 1976.

The purpose of the meeting was to plan the 1976 Victory March. Mrs. Doyce Turner was named chairman of the Bailey County March. The Victory March in Muleshoe is set for Cont. on Page 3, Col 5

Heart Group Needs Help

The Bailey County Unit of The American Heart Association needs help for Heart Radio Day, February 21.

Cakes, pies, potted plants or pot hangers or other hand craft items that can be sold at auction on the radio during this Heart Radio Day are needed. All money raised goes to the American Heart Association.

Anyone interested in helping is urged to contact Judy Wilbanks at 272-3571 or Sherry Embry at 272-4515.

'76 Easter Seal Appeal To Open

The 1976 Easter Seal Appeal will officially open in Bailey County on Monday, March 1, according to Jimmie Crawford, Muleshoe who serves as Easter Seal Representative for the county. Easter Seal Appeal letters will arrive at homes in the county beginning March 1.

The Easter Seal Representative is the person to contact to request services from the Easter Seal Society for Crippled Children and Adults of Texas. These services include physical and occupational therapy, speech and hearing programs and special information services to help solve the many problems faced by the families of handicapped children and adults.

Last year 10,768 handicapped people received help from the Texas Easter Seal Society and its statewide network of treatment centers and local volunteer programs. With the costs of providing expert professional care rising, more money than ever will be needed to assist more disabled Texans and remain ahead of inflation.

Funds help support professional treatment centers in Texas, where services are provided to those crippled children and adults who cannot provide for themselves and who do not

BILL CLAYTON Clayton Seeks Re-Election

Rep. Bill Clayton, the Springlake farmer named to the high office of Speaker of the Texas House of Representatives a year ago, has filed for re-election as state representative of the 74th District.

Clayton, in making the announcement for re-election as representative of Bailey, Castro, Cochran, Deaf Smith, Lamb, Oldham and Parmer counties, said it is his desire to continue serving the people of the 74th legislative district.

"They have shown their faith in me during the past years and I have always attempted to be their voice in state government," Clayton said.

As House Speaker, Clayton is presiding officer of the 150-member lawmaking body and is chosen by his peers. "The added duties as Speaker, I believe, have added immeasurability to my ability to serve the 74th legislative district. As Speaker, the welfare of the entire state must be considered, however, I will continue to maintain a solemn duty to the well being of my district," Clayton said.

The office of speaker, regarded as one of the three most important offices in state government, has gained influence under Clayton's leadership. During the 1975 legislative session, Clayton distinguished himself as a speaker dedicated to fiscal responsibility. Since the end of the session he has continued his policies of attempt-

Mr. and Mrs. Sam Damron of Muleshoe will play host to the Texas Pharmaceutical Board, in their home on Friday, February 20 at 7 p.m. for a social meeting. Damron, who is president of the Board, said the group will journey to Lubbock Saturday, February 21 for a dinner at the Hilton Inn to honor the outgoing members and all ex-living members. There are six members of the board who are all appointed by the Governor. Also expected at the Damron's are the Executive Secretary of the Board and the Attorney for the board.

Mrs. Irvin St. Clair was to undergo surgery at St. Mary's Hospital in Lubbock on Wednesday, February 18, to have the compression plate (a steel plate) removed from her leg. Dr. Harman, head of the Texas Tech Orthopedic School of Medicine, will do the surgery and will try a different procedure.

Mrs. St. Clair was injured in a car accident in July, 1968 and has had several operations on her leg, none of which have been successful. "She had surgery a year ago in March and it was thought that it had taken," said her son, Johnny, "but she recently stepped up on a curb in Harlingen, Texas and the plate in her leg broke, requiring her to once again undergo surgery."

A total of 304 students from Texas have been named to the dean's honor roll at Abilene Christian College for the 1975 fall semester, according to figures released by the ACC registrar's office.

Students qualify for the dean's honor roll by enrolling in at least 12 semester hours and having a grade-point average of more than 3.45 on a 4.0 scale.

Muleshoe student include: Rand Baker, son of Mr. and Mrs. Jacque Baker, 1716 Ave. G; and Karen Locker, daughter of Mr. and Mrs. Morgan Locker, Box 526.

From Sudan is Roger Swart, son of Mr. and Mrs. Wayne Swart, Rt. 1, Box 119, who made the dean's list.

On February 16, 1976, Miss Lissa Brown, of Lazbuddie, daughter of Mrs. William S. Brown, of Lazbuddie, was elected to the office of Assistant Pledge Trainer, for Delta Delta Delta sorority, at Texas Christian University, in Fort Worth. Cont. on Page 3, Col 6

4-Hers Place In San Antonio

Several Bailey County 4-Hers attended the San Antonio Livestock Exposition held Saturday, February 14 and Monday, February 16.

Spencer Tanksley, Bailey County Agent said, "Even though we didn't have many champions, this is by far the best group of steers we've ever had in Bailey County. The quality is deeper and the placings were better at San Antonio than at any other show. We're very pleased."

Kelly Harrison, son of Mr. and Mrs. Ted Harrison, showed the Champion Shorthorn steer with his First Place Heavyweight. Jay Geason, son of Dr. and Mrs. Jerry Geason owned the Reserve Champion Red Angus steer with his First Place Middleweight.

Other placings by families include: Kelly Harrison, son of Mr. and Mrs. Ted Harrison took second with his Maine Anjou Lightweight and Alan Harrison took Sixth with his Heavyweight Simmental.

Jay Geason, son of Dr. and

Mrs. Jerry Geason, took third with his Lightweight Charolais; Jacinda Geason, second with a Lightweight Simmental and eighth with her Middleweight English Cross; Jimmy Geason, first with his Lightweight Angus and eighth with a Lightweight Chianina; Jerry Geason, second with a Middleweight Shorthorn, and fourth with a Middleweight Maine Anjou.

Bill Eubanks, son of Mr. and Mrs. W.C. Eubanks of Maple, placed sixth with a Lightweight Angus; and Ken Eubanks fifth with a Lightweight Limousin.

Eddie Black, son of Mr. and Mrs. Buddy Black, placed first with a Lightweight Simmental and second with a Lightweight Limousin; Carol Black, placed second with a Heavyweight English Cross.

Craig Kirby, son of Mr. and Mrs. Reuel Kirby of Maple placed first with his Lightweight Limousin. Stacey Kirby, first with a Lightweight Main Anjou, Cont. on Page 3, Col 5

Dan Ellis Wins All Around Saddle

Dan Ellis and Eddie Mardis together earned enough points to bring home the team trophy from the Lubbock Tri-State Rodeo on February 14, 15, Dan Ellis also won the All Around Cowboy Saddle with the highest points.

In the calf roping event, Dan Ellis won first place and Eddie Mardis won third. Dan and Eddie placed second in Team Roping and they both received trophy buckles in each of these events. Dan also placed fourth in Ribbon Roping.

Other contestants participating on the Muleshoe team were Dennis Hardesty and Karen and Kelly Mixon of Clovis, New Mexico.

Local Family Leader Of Tomorrow Named

Lana Wagon has been named Muleshoe High School's 1976 Betty Crocker Family Leader of Tomorrow. The student won the honor by scoring high in a written knowledge and attitude examination administered to high school seniors here and throughout the country December 2. The Family Leader will receive a certificate from General Mills, sponsor of the annual Betty Crocker Search for Leadership in Family Living and becomes eligible for state and national honors.

From the ranks of all school

winners in the state, a State Family Leader of Tomorrow is selected through judging centered on test performance and receives a \$1,500 college scholarship. The second-ranking student in the state will receive a \$500 scholarship. Encyclopedia Britannica Educational Corporation will present "The Annals of America," a 20-volume reference work, to the state winner's school.

Representing every state and the District of Columbia, the 51 Betty Crocker Family Leaders of Tomorrow, together with their

faculty advisors, will gather in Washington, D.C., in April for an expense-paid educational tour of the capital city. During the tour, personal observations and interviews are conducted to select the All-American Family Leader of Tomorrow, who receives a \$5,000 college scholarship. Second, third and fourth place national winners receive scholarships increased to \$4,000, \$3,000 and \$2,000, respectively.

The test, personal observations and interviews are all prepared and conducted by Science Research Associates of Chicago.

Jim Reese Guest Of Local Jaycees

Jim Reese of Odessa, candidate for U.S. Congressman for the 19th Congressional District was guest speaker at Monday's Jaycee meeting here in Muleshoe. Reese is past president of the Odessa Jaycees, former State Jaycee President, former National Jaycee vice-president and served three terms as Mayor of Odessa.

The congressional candidate told the local Jaycees that he feels this country needs to take a new direction, and that is why he decided to toss his hat in the political ring.

Reese pointed out that the most valuable commodity this nation has is the volunteer time of a free man. He stated that he learned more while he was a member of the Jaycees than he did while attending college. He said, "You can hire someone to do anything you want done, but getting a volunteer is something

else again." He explained that this country was built on the spirit of volunteerism and pointed out that the Jaycee Organization exemplifies it most.

Reese feels the country needs new direction because of the national indebtedness which he says will be around \$200 billion by next year. "I decided we couldn't keep going in that direction, so I decided to run as a conservative Republican," he stated.

The candidate told the Jaycees that it doesn't take a majority to get something done, just a dedicated few, who know what has to be done and how to go about it. "We need to change our direction and bring some of that decision making back to the local level. The government is the problem, and it's time we got it off our backs and their hand out of our pockets and let

Student Council Has Raffle

The Junior High Student Council is having a raffle for a box of Valentine Candy with 10 one dollar bills taped on it.

The raffle was started on February 2 and will go through February 16.

Any Junior High student who is not in Student Council can buy as many tickets as they wish for 25 cents each. The Student Council is having a separate raffle.

The drawing will be held on February 16 during the Pep Rally.

The Student Council member who sold the winning ticket will receive one dollar.

For every five tickets a Student Council member sells, he will get one free ticket in their raffle.

'A' Mullettes Beat

On February 5, the Mullettes played at Springlake-Earth. The Mullettes won by a score of 38-16. Scoring for the Mullettes were Shelly Dunham and JoRonda Rhodes each with 16 points, Becky Turner had six points. The Mullette guards did a good job of keeping the Springlake forwards from scoring very much.

Yearbook Completed

The Muleshoe Junior High Journalism Staff has finished the 1975-76 yearbook. They sent the last annual copy in on February 5. It will be completed and expected to be in around the last of April. The members of the Journalism Staff are Clifford Watson, Brad Poynor, Keva Roming, Shelli Hawkins, Debra

Stevens, Lorenza Martinez, Zeke Pecina, Shelly Dunham, Mike Northcutt, and Lauri Burgess. They have really enjoyed doing the annual for 1975-76.

 "The challenges are before us," said Clayton, "and they are so much greater than they were 200 years ago. It is our responsibility to see that we hand this country to our young people in better shape than when we received it... We can only do that by participating, which simply means communicating."
 The congressman said he feels

the failure to understand is because we fail to communicate. "In the election process, we need to involve ourselves, and take part in it," he pointed out. "The election process is where we give out consent - then it behooves each of us to continue communicating with those elected to public office." He explained that communication helped form and frame the type of government we have today and each citizen has their responsibility. "It takes communication and participation on up the ladder to make it happen,"

he commented. Clayton pointed out that community effort and a great program by the Texas Forrest Service, provided the new fire truck for the Lazbuddie Community. It was through the rural fire protection program which provides equipment and training for the protection of fires for all types of rural areas, that Lazbuddie was able to obtain the much needed equipment. There are many small communities in the State of Texas with no fire protection. A member of the Forrest Service presented the

keys of the new truck to Bill Clayton who in turn presented them to the Fire Chief. Don Richards, Fire Chief said there were presently 24 men making up the Lazbuddie Volunteer Fire Department, which was organized about four months ago. A free barbeque dinner was served beginning at 7:30 p.m. at the school cafeteria. At 8:30 the Fifth and Sixth Grade and the Seventh and Eighth Bands gave a concert. Both bands have only been in operation since September, 1975.

Master of ceremonies was Darrell Jennings and introduction of the guest speaker was made by Jimmy Briggs, Farmer County Commissioner. Donations were taken at the door for rescue masks for the Fire Department so that the firemen will be properly equipped when fighting fires.

 legislature exempted from the sales tax certain purchases made by Bicentennial groups. "No tax is due on items they buy and actually use themselves in commemorating the country's 200th birthday," Bullock said. "But the things they sell to other persons -- belt buckles and hats and flags, for example -- have got to be taxed."
 He said sales tax permits are easily obtained at any of the Comptroller's 36 district offices around the state.

 ting to reduce state spending. "As Speaker it is my position to crimp the spending spiral which has seen cost of state government increase greatly in past years. We can realize substantial savings with long-range planning," Clayton said. Clayton's years in state government have gained him the reputation as a strong supporter of water legislation. He has been actively involved in efforts to increase the South Plains water supply. He remains dedicated to seeking adequate water for his district.

Clayton and his wife, Delma, operate a farm near Springlake. PROGRESSIVE FARMER magazine recently named him Texas Farmer of the Year. In addition to his farming activities he is a businessman in several area communities.

THE TOP 3 CORN HYBRIDS FOR THE SOUTH PLAINS

Everyone knows the top corn hybrid for this area. PIONEER® brand 3369A is the most planted hybrid in Texas, Oklahoma and New Mexico. Not everyone realizes, however, that there are other PIONEER hybrids that do as well as this famous one... even beat it in some respects. You should consider them, too. They'll help you get exactly the right hybrid mix for whatever mother nature has in store for this season:

Number two in popularity with Southwestern farmers... 3306 is a hybrid with strong stalks and outstanding ear retention. Especially good in light soils, it has good drought and heat tolerance and is a good performer on irrigated or non-irrigated land.

new

An exciting new hybrid that has an even greater yield potential than 3369A. The added yield potential comes, in part, from a little later maturity while having the root and stalk strength to stand until harvest. It stays green later, too. This one can add significant profit to your corn crop.

new

Another new, good yielding hybrid. It's a little earlier than 3369A with exceptionally fast dry down. It has made from \$9 to \$12 more profit per acre than ordinary hybrids because of its fast dry down. It has long slender ears on small, hard cobs... really great for combining.

Miss Amanda St. Clair Feted At Baby Shower

Little Miss Amanda Marie St. Clair, infant daughter of Mr. and Mrs. Johnny St. Clair was guest of honor, Sunday afternoon, at a baby shower, in the home of Mrs. Charles Isaac. Special guests were her mother, and grandmothers, Mrs. Joe Pat Wagon and Mrs. Irving St. Clair. Since Amanda Marie was born during this bicentennial year, colors of red, white, and blue were used on the serving table. A blue cloth, made by her great-grandmother, the late Marie White, draped the table, which was accented with a white lace cloth. A silver candelabrum held an arrangement of tapers and flowers.

The hostess gift was a car seat. Assisting Mrs. Isaac as hostesses were Mrs. Jerry Harrison, Mrs. John Blackwell, Mrs. Steve Black, Miss Judy Lambert, Mrs. Richard Kimbrough, Mrs. Terry Hillin, and Mrs. Jack Reynolds.

Rainbows Sell Eggs Raid Pop Bottles

The Muleshoe Rainbow Girls are going to have an egg sale and a pop bottle raid on February 26. What is an egg sale and a pop bottle raid? In this type of egg sale and girls go to a house and ask the people to donate one egg to the Rainbow Girls. They then take the same egg and go to the next house and ask the people there how much money they will give them for the egg. They will of course be told that all of the money collected will go to the Rainbows. The girls continue this way all over town. A pop bottle raid is not quite so complicated. The girls go to

Miss Sowder Selected For Honors

Shannon Sowder, daughter of Mr. and Mrs. Mickey Sowder, of the Three-Way community was among those selected for honors at the Federation Tea, sponsored by the YM Study Club of Morton, last Sunday afternoon. Shannon was selected Student of the Year, from Three-Way High School and was sponsored by the Goodland Bible Study. She was the first student in Bailey County to receive high school credit for private study of the piano. Shannon is now working toward completion of Applied Music II, for a second one-half credit. Miss Sowder has been placed on the National Honor Roll for six years in National Piano Playing Auditions and will participate again in the spring. She has also scored highly for four years on music theory tests given through the Student Affiliate Association of the Texas Music Teacher's Association. Shannon is a student of Mrs. Sam Damron of Muleshoe.

Activities she has participated in are cheerleader for seven years, basketball, is a member of the girls track team and the volleyball team. Shannon will participate in the one-act play for the third time this year. She has served as officer in FHA and is currently serving as president of that organization. Shannon is also editor of the school yearbook, The Eagle. Miss Sowder was a member of the 1974 Government In-Action Youth Tour, to Washington, D.C. and attended the 1975 Farm Bureau Citizenship Seminar, at Baylor University. She is active in the youth group and Sunday School, at the First United Methodist Church, of Muleshoe. Shannon is a Senior at Three-Way and plans to attend Texas Tech in the fall. She is the granddaughter of Mrs. E.M. Sowder and Mrs. Cecil Cole, both of Muleshoe.

Valentine Social Held In West Camp Community

The monthly family night for the West Camp community was held Saturday night, February 14, with several families in attendance. There were some who had sickness and stock shows to attend, but the fun was in abundance for the ones there. A supper of various covered dishes and an assortment of desserts were brought and afterwards, table games were played. Each person wore a name tag in the shape of a red heart, and names were drawn for boxes of Valentine candy.

Mrs. Raymond Scott; Mr. and Mrs. Bill Shankles; Mr. and Mrs. Joe Simmacher; Mrs. Edna Bower, Mrs. G.E. Redwine and April Hoffield.

The next monthly family night will be held March 13. It is hoped that all who like visiting with neighbors and playing '42' or other games will plan to attend.

In the Book of Matthew, Jesus asked a question that we could all benefit from asking ourselves: "Is not life more than food and the body more than clothing?" For a true Christian, life means much more than simply physical life.

PTA Celebrates 49 Years

PTA is 49 years old in Muleshoe and the Muleshoe Elementary PTA celebrated this event on Monday, February 9. The meeting was called to order by President Mrs. Butch Vandiver. The PTA Prayer was given by Milton Oyler, Richland Hills Elementary principal.

In a short business meeting, a nominating committee was elected. Those officers in charge of 1976-77 are Mrs. Ronnie Holt, Mrs. Butch Duncan, and Mrs. Bob Finney. Room count was won by the following: Mrs. Wilma Smith of Mary DeShazo and Mrs. Obenhaus, and Mrs. Allen tied for Richland Hills.

Past presidents and Texas PTA Life Members were special guests.

The program chairman, Mrs. Robert Hunt began the program with a review of the first 27 years of PTA in Muleshoe. This included a letter written in 1964 by the first president, the late, Mrs. I.W. Haney. It reminded the group that Muleshoe has grown from approximately 300-400 people to the present size. The school system has changed from a rural schoolhouse graduating 15 Seniors in 1927, to an educational facility graduating about 100 seniors per year now.

Mrs. Haney said they organized in 1927 for the purpose of meeting any need they saw for the welfare of the children. PTA is continuing that purpose in Muleshoe today. Past Presidents of the organization include: Mrs. I.W. Haney, Mrs. R.A. Thompson, Mrs. W.B. McAdams, Mrs. F.S. Reynolds, Mrs. S.C. Beavers, Mrs. Ray Griffiths, Mrs. J.J. DeShazo, Mrs. A.W. Coker, Mrs. J.C. Taylor, Mrs. J.L. Taylor (lud), Mrs. Henry Schuster, Mrs. D.D. Lancaster, Mrs. Cecil Tate, Mrs. Bland Dennis, Mrs. Eddie Lane, Mrs. Morris Childers, Mrs. Jack Lenderson, Mrs. R.E. Herrington, Mrs. Leon Smith, Mrs. Lloyd Roberts, Mrs. D.L. Morrison and Mrs. Bill Millen.

Reports for their terms were heard by Mrs. Jack Lenderson, who served 1948-49. She reported that they raised some money, mostly by elementary students, and parents, that in turn it was needed to buy high school band uniforms. That is possibly how the organization changed to become an Elementary PTA, because they felt that if they raised the money it should be spent on something for the grade school, and that high school should raise their own money for their needs.

Mrs. Dorothy Green reported for Mrs. Lloyd Roberts term 1951-52. She stated they raised money by having a rummage sale at Littlefield as best she remembered. They had approximately 75-100 members that year.

Mrs. Bill Millen reported on her term 1953-54. She had the second largest membership on record, with 300 members. They had a float in the Will Rogers Memorial Parade, and won second place. They had a Chuck wagon supper for a fund raising activity, and sponsored a Halloween carnival. They were truly a busy group.

In 1960 the PTA was re-organized into two units. The Richland Hills PTA and the Mary DeShazo PTA. Serving as presidents for the Richland Hills unit were the following: Mrs. Eugene Black - 1960-61, Mrs. Ray Daniel, Mrs. Roland McCormick, Mrs. Owen Jones, Mrs. Clarence Mason, Mrs. Allen Haley, Mrs. Bobby G. Free, Mrs. James Macha, Mrs. Royce Turner, Mrs. W.T. Watson and Mrs. Glenn Harlin.

An outstanding note about Mrs. Roland McCormick's term 1962-63 was given by Mrs. Neal Dillman. The unit had 310 members, the largest membership on record. And Mrs. W.T. Watson reported on her term 1969-70 when Muleshoe PTA's hosted the 14 District Spring Conference, with some 350 people in Muleshoe for the meeting.

Serving as presidents for the Mary DeShazo unit were the following: Mrs. Frank Ellis - 1960-61, Mrs. Carl Bamert, Mrs. Ed Edmiston, Mrs. L.I. St. Clair, Mrs. Jack Schuster, Mrs. Clifford Mardis, Glen Williams, Mrs. Don Harmon, Mrs. Walter Bartholf, Mrs. Creston Faver and Mrs. Kenneth Stice.

Mrs. Frank Ellis reported on her term 1960-61, stating that they had a chili supper for a fund raising activity, with 173 members that year. They also sponsored a very worthwhile First Aid Course, with eight persons receiving certificates. They gave a PTA Life membership to Mrs. Lula Gorrell. Mrs. Clifford Mardis, who served during 1965-66, reported that they had 112 members, sponsored a modern math course for all who were interested, and PTA took a public stand against Pornography on radio and TV.

Mrs. Don Harmon reported on her term, 1967-68. They had 92 members, sponsored a hamburger supper, and planned new

playground equipment for the grade school. She reminded the group that through PTA is where the hot lunch program in the schools came from. Mrs. Walter Bartholf, reported on her term 1968-69. They had 96 members who sponsored the leadership and parliamentary courses for their members. They furnished the teachers lounge with new furniture and honored Mrs. Elizabeth Watson with a Texas Life Membership.

Mrs. Kenneth Stice reported that during her term, they grew to 104 members. They sponsored a Rubella Inoculation Clinic, and the usual get-acquainted coffees for parents and teachers were held.

On April 19, 1971 the two units were disbanded and one unit for Muleshoe was organized. It was named the Muleshoe Elementary PTA. This was brought about due to the consolidation of the two grade schools. Serving as presidents for this organization were: Mrs. Robert Hunt - 1971-72, Mrs. Herb Ramage, Mrs. Jimmy White, and Mrs. John Harris. Mrs. Butch Vandiver is the current president.

Mrs. Hunt reported that during her term 1971-72, they had 166 charter members. They sponsored two fund raising suppers before football games, purchased PE equipment for Richland Hills students, and erected a stage in the Mary DeShazo gym. Mrs. Herb Ramage, who served 1972-73 said they had 94 members, sponsored a BBQ Supper, and that the grade leveling program was begun at Richland Hills. They sponsored Cub Scout Pack 620, which PTA has done for several years, and sponsored the Safety Patrol.

Mrs. John Harris reported that during her term 1974-75, the highlight was the training that members took to train them to screen children's eyes, for the problem of Amblyopia (Lazy Eye).

(Eye). Mrs. Butch Vandiver brought up the reports that a very successful Halloween Carnival was held in October for all children - pre-school through Fifth grade age. She stated that to conclude her term, they will host the South Plains Area Council meeting here in Muleshoe in May.

PTA is an organization to meet the needs of the children through the cooperation of parents and teachers. It is a worthwhile organization and if anyone has missed being a member, it is not too late. The

meetings are held on the second Monday of each month, September through April.

Also special guests at the meeting were all Texas Life Members. Those who have received memberships in the PTA in Muleshoe include: W.C. Cox, Miss Margie Moore, Mrs. Jack Lenderson, Mrs. R.E. Herrington, Mrs. J.C. Taylor, Mrs. J.J. DeShazo, Jerry Kirk, 1959; Mrs. Ed Johnson, 1959; Mrs. B.R. Putman, 1959; Mrs. Bernard Phelps, 1960; Mrs. Lula Gorrell, Mrs. Ray Daniel, Mrs. Robert Sanders, Mrs. L.D. St. Clair, Mrs. Clarence Mason, Mrs. Allen Haley, and Mrs. Carl Bamert. Bill Taylor, Mrs. Elizabeth Watson, Mrs. George Mitchell, Mrs. Robert Hunt, Mrs. Herb Ramage, Mrs. Gordon Wilson, Mrs. Eugene Black and Frank Ford.

Neal Dillman is a National Life Member and Texas Life Member. The other life members are as follows: Mrs. Roland McCormick, Mrs. Owen Jones, Milton Oyler, Owen Jones, Mrs. Bobby G. Free, Mrs. James Macha, Mrs. W.L. Middlebrooks, Mrs. Royce Turner, Mrs. W.T. Watson and Mrs. Glenn Harlin.

Mrs. Charles Bratcher received a Texas Life Membership at the meeting on Monday by Life Membership chairman, Mrs. Mary B. Obenhaus. Those Life Members that attended the meeting Monday are Mrs. Jack Lenderson, Mrs. Ed Johnson, Mrs. Lula Gorrell, Mrs. Robert Sanders, Bill Taylor, Mrs. George Mitchell, Mrs. Robert Hunt, Mrs. Herb Ramage, Mrs. Gordon Wilson, Neal Dillman, Mrs. Owen Jones, Milton Oyler, Mrs. W.L. Middlebrooks and Mrs. W.T. Watson.

The program was closed by all Life members standing in a semi-circle. Mrs. Mary B. Obenhaus, Life Membership chairman, presented a Texas Life Membership to Mrs. Charles Bratcher in recognition for all of her concern and interest in schools, churches and homes in the community.

Hospitality time was held afterward with punch and cookies.

Gardening With Heavy Clay Soils

COLLEGE STATION -- Gardening can still be successful in areas having heavy clay soils, says the Texas Agricultural Extension Service.

Seed germination in heavy clay soils can be improved by providing a substitute for the clay soil immediately around the seed. Seedlings will germinate quicker and grow better, and consequently you will be harvesting fresh produce earlier.

It is suggested to cover seed with compost, potting soil, peat moss or vermiculite instead of using the garden soil. Dig a small seed trench about one-half to one inch wide and fill it with the soil substitute. Then place the seed on top of the soil substitute, press it in gently, and cover it lightly with more of the moist soil substitute. Providing a better "seedbed" for small seed such as carrots, lettuce and cabbage will greatly improve germination.

This practice is especially desirable in a small garden and can mean the difference between success and failure.

ON TOXIC BUILDUP

WASHINGTON--Low, repeated doses of such commonplace pollutants as fumes in the air and chemicals in drinking water are increasing risks of cancer, heart disease and genetic mutations, according to a Library of Congress report.

Holland's Story One Of Success

Jasper L. Holland, son of Mr. and Mrs. E.E. Holland of Muleshoe, who started out on "a shoe string", had made good. Leaving high school with only two credits left in order to graduate, he soon joined the Marine Corps. After his discharge, he went to work for Consolidated in Fort Worth, married his wife Bessie and they had two children. It was then that he decided that he would go back to high school and receive his diploma.

Since he felt the need to further his education, he went on to college and received his B.A. degree in Geology, from Texas Christian University, in 1950. Even with a college diploma he found that work was not an easy thing to find and went back to college to earn his Masters in Geology in 1954. During this time he and his wife collected bottles and sold them to help make ends meet.

Jasper was employed as an Engineering Geologist by the U.S. Soil Conservation Service and has been working for them up to the present time. He is presently Regional Geologist for 13 Western States and a certified Engineering Geologist in California.

At the present time, Holland is president of the Association of Engineering Geologists, over 27 countries. He was installed as president on November 6, 1975 at Lake Tahoe.

This honor fell on the heels of his participation at the White House Conference on Geology, and moves him into one of the 18 key posts in the American Geological Institute. He is a 25 year veteran as an Engineering Geologist.

He and wife wife, Bessie, are Texas natives but have lived in Portland, Oregon for 20 years. They have six children; four girls and two boys.

Students Replace Funds

NEW YORK -- More than 150,000 Texas students representing 300 elementary, junior and high schools in the state are conducting community-wide campaigns to raise funds to help pay for books, audio-visual equipment and school trips no longer underwritten by school budgets.

The students are from the largest cities and some of the smallest towns in Texas, and they are giving daily evidence that the youth of America cares about its education institutions and is sufficiently enterprising to help fulfill the needs of their schools.

The fund-raising campaign is being underwritten by the Colgate-Palmolive Company which four years ago introduced its School Action Plan in eight states. The Plan has become so successful that it has now expanded into 26 states with over 4,000 schools enrolled representing 2 million school children. Texas is becoming one of the leading states in terms of schools enrolled in the Plan.

The way the School Action Plan works is simple enough. The students, under the supervision of a teacher or parent, organize into marketing teams to collect labels and boxtops of 12 Colgate products, each of which has a specific value. There is no limit to the number of labels and boxtops they may collect, and, therefore, no restrictions on the amount of cash that Colgate will pay out.

However, each school must set

a goal, such as a specific piece of equipment or project that can be bought with the cash. The students collect the labels and boxtops by actually campaigning for them. For example, they persuade supermarket managers and drug store owners in their communities to set up School Action Plan collection centers in their stores. They seek newspaper support from education editors, design their own posters, and also conduct door-to-door campaigns asking housewives to save the eligible Colgate labels and boxtops as they represent money to the school. In many cities and towns, municipal administrations are behind the program and set up collection centers in city halls and libraries.

The results in Texas schools are typical of what students are doing in the 26 states where the Plan is active. The children of Holy Rosary in San Antonio are raising funds to repaint their school, and St. John Bosco, in

the same city, plans to use the cash to help pay for new glee club uniforms. They Wayside Middle School, Saginaw, has set as its goal much needed gymnastic equipment, whereas Vidor Junior High School will apply the cash they earn to purchase new library books, and the Roosevelt Elementary School in Mission plans to purchase a movie projector and laminator. The James Bowie School, Midland, will invest in the resurfacing of its playground area.

The 12 Colgate products in the School Action Plan are: COLD POWER LAUNDRY DETERGENT, AJAX ALL PURPOSE CLEANER, AJAX FOR DISHES, HANDI-WIPES, PALMOLIVE CRYSTAL CLEAR AUTOMATIC DISHWASHER DETERGENT, WASH 'N DRI IRISH SPRING DEODORANT SOAP, DYNAMO LAUNDRY DETERGENT, CURAD PLASTIC BANDAGES, BAGGIES, AXION LAUNDRY PRE-SOAK AND DETERGENT BOOSTER.

Public Child Care Hearings Slated

Public hearings on Texas' new child care licensing standards will be conducted in other cities in addition to Austin, Raymond W. Vowell, state welfare commissioner said Friday.

The state legislature last year passed a new child care law and

mandated the State Department of Public Welfare to establish revised standards for homes, schools, nurseries, and shelters which provide child care.

"Because of high interest and concern by parents and operators of child care facilities, we

are sending essentially the same team from the Austin hearings across the state so that all citizens who have a concern about child care conveniently can comment on the standards," Vowell said.

The Austin hearings begin Tuesday, February 17, and continued daily for four days through Friday. These meetings will be conducted by Deputy Commissioner, Jerome Chap-

man, and DPW licensing staff. Tentative plans are the Chapman will head a hearing team for public meetings in Lubbock, Houston, Dallas-Fort Worth, San Antonio, and Alice. Dates, times and places of the meetings will be announced as arrangements are completed. It is hoped to conduct afternoon and evening hearings to accommodate working parents.

Vowell stressed that public testimony will be weighed carefully since the standards are not yet in final form and remain subject to review until public comment on them is assessed.

The new legislation applies to both day care and 24-hour care provided for Texas children. It is designed to extend and clarify provisions guarding the health and safety of children placed in care of someone other than their parents.

If interest remains high, additional public hearings may be held in other areas, including the Rio Grande valley and locations in west and east Texas.

County, District Clerks To Parley

COLLEGE STATION -- County and district clerks play a key management role in local government. And to assist them in this role, the Texas Agricultural Extension Service has instituted an annual seminar, the fourth of which will be held March 2-4 at Texas A&M University.

"The Clerk: Serving Present and Future Generations" will be the theme of the seminar, announces Charles Lawrence, county officials program specialist for the Extension Service and general chairman of the event.

The official program will begin at 10 a.m. March 3 with Nueces County District Clerk Oscar Soliz, president of the County and District Clerks Association of Texas, presiding. Joe Rothe, assistant director and state agent for the Extension Service, will give the "welcome."

The keynote address will be by Reagan Brown, special assistant to Governor Dolph Briscoe, who will give a "Bicentennial Salute to America." Also speaking at the opening session will be Ralph Collins with the Texas

Department of Public Safety, who will discuss the "Texas Security and Privacy Plan."

Separate sessions will be held for the county and district clerks during the remainder of the seminar, notes Lawrence. The session for county clerks will deal with such topics as probate management, a bar-related title insurance company, public records problems, the Uniform Commercial Code, strengthening and improving county government, the Voting Rights Act and laws of the 64th Legislature

as they affect counties. District clerks will hear discussions on the civil appeal record, uniform cost assessment, information management systems, professional responsibility, public relations, post judgment remedies, and adoption, divorce and child custody problems under the Family Code.

Lawrence expects some 300 county and district clerks from throughout Texas to attend the seminar.
