ANOTHER FIRE.-Mr. Sweeny, living or Pressa street, was considerably alarmed yesterday by being sent for in haste. His hay stack was on fire, supposed to have been set on fire. Police, attention to this.

ROTTEN BEEF.-Mr. Bergstren, a butch er, was arraigned Monday for bringing to the city diseased beef. The butcher attempted to secrete a portion of the meat, but was detected. The watchman at the main market made the discovery.

THE DRUG STORE .- Mr. Lawis comme ed repairing his burned up establishment but thinking the city should pay him a round sum for increasing his sidewalk, he has suspended. Now, every citizen sympath izes with Mr. Lewis, and all the victims of the late fire, but he should take into conration the ingreased value of his house with a decent sidewalk. It benefits his property fully as much as it does the public.

THEATRE.-To-night for the first time here, Sheridan's famous play of the Death of Rolls. Mrs. W. H. Crisp in the characters of Core and Elvira. Mr. W. H. Crisp in his celebrated character of Rolla, the Peruviau Leader. Messrs. Houston and songs by Mr. Ed. Bohan, (hope he will sing Robinson Cruso). After piece, Leap year, all the ladies ought to come out and see this played.

TRIAL POSTPONED .- The trial of Anna McBright, for infanticide; was postponed until this afternoon at 3 o'clock, in order that the defense may ascertain more fully whether or not African blood flowed in the child's veins. Drs. Wiesselberg and Herff, the examining Physicians, in their tes timony could not siste positively whether African blood did flow in the child's veins, as they did not make a thorough examination.

PROFESSOR DELLING'S OPENING PARTY. -The opening party at Dryden's Hall on Monday evening was very pleasant and so able. The Professor has made a decided Colt's Army and Navy Size Pistols, school in operation. His scholars learn the art of tripping lightly and gracefully the art of tripping lightly and grant part of the bewildering over the floor to the time of the bewildering music, which is a qualification, indeed, to planer and Kayser's Sewing Machines.

PREUSS.

We noticed last Monday evening that long dresses and trails were entirely dis-carded, and that short dresses were the order of the ficeting and happy hours. In our judgment the ladies could not have looked awester and more graceful. The Furwarding and Commission Merchants dancing was not marred by treading on And Dealers in Hardesers trails, and the " Lancers" was done to perfection. We think you, ladies, for this act of kindness. Short dresses always in a

The neck of this quarter had been neatly trimmed. Not knowing whysit was done, and being an impudent fellow, inquired of Benneck. He informed us that Bergstrom was in the habit of making an appropriate the same was a first and the same was the same was a first and the same was a s
