SPECIAL DISPATCHES TO THE EXPRESS,  
FROM NEW ORLEANS, JAN. 29.  
Steamship Agents from Philadelphia  
ran into and sunk the iron boat Sunflower  
this morning. No lives lost.  
The legislature introduced a resolution,  
demanding, whether Article 13 of the consti-  
tution, relating to the equality of citi-  
zens on steamboats, steamships and places  
of public resort, has been complied with.  
Adopted.

**Key West, January 29.**  
Gonzales Castañon, editor of the *Voce de*  
*Cuba* arrived here from Havana this morn-  
ing. It is reported that he comes here to  
fight a duel with the editor of *Key West*  
Republican.

**Washington, January 29.**  
Devoted to debate, during which Wil-  
kinson said that in his judgement Con-  
gress had power to take charge of rail-  
roads in States which formed the Great  
Commercial links. The power he said he  
believed was vested under that clause of  
the constitution, which declared that Con-  
gress should regulate commerce between  
the States.

**Mr. Bird, of New Jersey,** inquired  
whether the gentleman believed that Con-  
gress could take, for instance, the railroad  
running through New Jersey and control  
its freight and other charges, and regu-  
late them.

**Mr. Wilkinson had not the least doubt,**  
that Congress had a right to do the thing,  
but that it was the duty to do it as a re-  
sult to New Jersey, for favoring this mo-  
nopoly.

**Mr. Wilkinson hoped that Congress** take  
speedy action upon this subject, and he  
gave notice that he would himself intro-  
duce a bill looking to the policy of Congress  
on the subject.

**Mr. Wilkinson had not the least doubt,**  
that Congress had a right to do the thing,  
but that it was the duty to do it as a re-  
sult to New Jersey, for favoring this mo-  
nopoly.

**Mr. Wilkinson had not the least doubt,**  
that Congress had a right to do the thing,  
but that it was the duty to do it as a re-  
sult to New Jersey, for favoring this mo-  
nopoly.

**There are three things which can**  
in no wise be used for good—malice,  
envy, and folly; and there are three  
things that can by no means be em-  
ployed for evil—humility, content-  
ment and liberality.

**Editors.—** We hear of divers new  
owners settling in this county. Come  
one, come all (that are good) and  
they will find room and good lands  
abundant. Williamson county is  
large, fertile and salubrious, and ca-  
pable of sustaining ten to twenty fold  
its present population.—George-  
town Watchman.

The Waters' Pianos are known as among  
the very best - N. Y. Evangelist.  
We can speak of the merits of the Waters'  
Pianos from personal knowledge as being of  
the very best quality - Christian Intelligence.  
The Waters' Pianos are built of the best  
and most thoroughly seasoned material.  
Advocate and Journal.  
Our friends will find at Mr. Waters' store  
the very best assortment of Pianos, Melodions  
and Organs to be found in the United  
States - Graham's Magazine.  
Musical Digest - Since Mr. Waters gave  
up publishing sheet music, he has devoted  
his whole capital and attention to the man-  
ufacture and sale of Pianos and Melodions.  
He has just issued a catalogue of his new  
instruments, giving a new scale of prices,  
which shows a marked reduction from former  
rates, and his Pianos have recently been  
awarded the First Premium at several Fairs.  
Many people of the present day, who are  
sensible, if not scientific, with the highest  
advantages of a good piano, probably overlook the modest manufacturer like  
Mr. Waters; but do happen to know that  
his instruments are of a good reputation  
long before Exposition and "honors"  
conferred thereon, were even thought of.  
Indeed, we have one of Mr. Waters' Pianos  
for sale now in our residence (where it has  
stood for years), of which any manufacturer  
in the world might well be proud. We have  
always been delighted with it as a sweet  
toned and powerful instrument, and there is  
no doubt of its durability - more than this,  
some of the best amateur players in the city,  
as well as several celebrated pianists, have  
performed on the same piano, and all pro-  
nounce it a superior and first-class instrument.  
Stronger endorsement we could not give.
