ALONE. BY R. A. WIGGIN.

Alone in this great world of life, Alone to battle in the strife, Alone to conquer or to die, Alone my mortal life to try.

No heart of love enfoldeth me, No hand of friend upholdeth me, No tender eye of sympathy, No refuge but the grave I see.

Upon my head the storm doth beat, With aching brow and weary feet, Alone, O God! I walk alone, Beneath the shadow of Thy throne.

So lonely, desolate, and dead, My pulses of joy forever dead, Alone! alone! in want and woe, Where can the onlooker woe me?

So dreary is my life of sin, So full of torture all within, 'Tis hard that I alone should wear The thorny crown he should share.

Alone! and once I'd wealth of love— A father's, mother's, brother's love— All these I bartered for his sake, The angel-faith in human shape.

Alone! A woman that to hope, In outer darkness dread to grope, Alone I walk, with sin-cursed feet, The pavement of the gloomy street.

He walks in light with laughing eye To win by his soft minstrelsy Another maiden, sweet and pure, By belliah art to sin's allure.

Alone I live! Alone to die! Forsaken save by God on high, Alone! yet not alone, oh Friend! In Thee I trust, Deliverance send!

Alone! Oh no; not quite alone, For such as I Christ left His throne, Alone! alone! I'm not alone, He loves me still who did atone.

For sin like mine upon the cross, For this I call the world but dross, Alone! yet not alone; I flee Dear cross of Christ, to thee? to thee!

Ayer's Hair Vigor, For restoring Gray Hair to its natural Vitality and Color.

A crossing which at once agreeable, healthy, and effective for preserving the hair. Fedal viging hair is soon restored to its original color, with the gloss and freshness of youth.

Thin hair is thickened, falling hair checked, and baldness often, though not always, cured by its use.

Nothing can restore the hair where the follicles are destroyed, or the glands atrophied and decayed. But such a condition can be averted, or usefulness by this application.

Instead of fouling the hair with a pasty ointment, it will keep it clean and vigorous. Its occasional use will prevent the hair from turning gray or falling off, and consequently prevent baldness.

From those deleterious substances which make some preparations dangerous and injurious to the hair, the Vigor can only benefit but not harm it. It is wanted merely for a HAIR DRESSING.

nothing else can be found so desirable. Containing neither oil nor dye, it does not soil white cambric, and yet lasts long on the hair, giving it a rich, glossy luster and a grateful perfume.

Governor Davis.

We are proud of Gov. Davis; he is exactly the right man in the right place.

The old rebel element is rampant, it does not take the trouble to attempt to hide its horns and horns; as of old, they are murdering their political opponents, they scorn the new departure, the country is in danger, our Governor might remain in comfortable ease at home, as many republicans are doing, who ought to be fighting in the field. But Gov. Davis is not that sort of a man, he knows what republicans may expect from the democrats, he has had a rope around his own neck since he knows that defeat means banishment or death, and knowing this he sets on it. He has preached the republican crusade, like Peter the Hermit. He has been lauded, his life has been attempted, he has had the cold shoulder given him by sickly republicans, but it has not stopped him from warning the people of coming danger and the people have rallied to him with enthusiasm.

He has been received with demonstrations of honor and affection where heretofore it was supposed there were no republicans. The people know that he is honest, that he is brave and they are for themselves that he is in earnest, and the Democrats are compelled to respect him whether they want to or not.

The people know that they have a man between them and rebel cut-throats.

That is the reason why he is popular; let all republicans and particularly those who live off the party, imitate the Governor and they will be popular too, otherwise both parties will despise them.

We hope he will be induced to visit us during the coming fall, that the republicans may have an opportunity of receiving him in a worthy manner.

The Herald of the 1st inst. publishes a letter from Uvalde, complaining that Mr. G. F. Green ventured to mis-represent Uvalde County in the late Republican Convention at New Braunfels.

All we have to say in regard to the matter is this: that neither the Convention nor any single delegate was supposed to represent the people at large of any County, they merely represented Republicans.

Now if said Republican convention chose to admit as delegates of Counties, men who did not reside in them, it is a matter certainly that does not concern Democrats. If there was but one Republican in Uvalde County, if that one Republican commissioned any one to represent him in the Convention, and if the person so commissioned was admitted as a delegate, so one, in our humble opinion, certainly no Democrat, should complain.

As to Mr. Green, we happen to know that he was commissioned by the Republicans of Uvalde County, by they many or few, he did not either accept of the commission "to contribute aid to the venal herds now in possession of our public treasury," as the Herald says, but in order merely to secure the republican nomination, of a man, whom, from his past services, he honestly believes would, if elected to Congress, labor more faithfully, for the interests of our section, than any of the other candidates, be they Republican or conservative.

Mr. T. J. Holland has something to say to house-keepers. He offers to make the feathers or moss of old mattresses as good as new, he cleans the material of all kind &c., that may have accumulated, he does this by a steam apparatus and warrants satisfaction or no pay. He takes the mattresses, renovates the material with which they are filled and returns them the same day, increased in bulk and perfectly clean. His testimonials are unexceptional.

ROBERT TOOMBS said, in a recent speech, that he would prefer to vote for Grant than any "New Departure."

Doesn't that look rather phlegm coming from the South.

THE Victoria Advocate can outblackguard the Lampasas Dispatch. We did not believe it possible.

THE Democratic papers can't praise Hancock to save their lives. It is a case of actual distress with them.

Johnny Hancock was one of the committee appointed by the Philadelphia arm-and-arm Democratic committee, to proceed to Washington and offer congratulations to Andy Johnson for giving the country the benefit of his reconstruction "policy," which excluded the colored man from all participation in governmental affairs, and denied him protection and equality in law, as Mr. Johnson's proclamation ordering an election for a convention in North Carolina, to reconstruct that State, dated May 29 1865, will fully attest. This fair dove-tails beautifully with Johnnie's mule speech at San Antonio.—State Journal.

Some people say that dark-haired women marry sooner. We differ; it is the light-headed ones.

The great field trials at Sedalia, Mo., and  
at Xenia, Ohio, in the Summer of 1869—  
where "The Clipper" met some 40 competi-  
tors including all the leading machines  
built, and was awarded the First Premium  
and Gold Medal—proves that the proprietors  
have been able to sustain in the field their  
claims of superiority for The Clipper Machine  
over all others. Its extraordinary lightness  
of draft takes one-third of the labor of the  
team. The adjustability of the finger-bar,  
to cut high or low without stopping the team  
is worth \$25 on any machine. It is the only  
mower that has the true center draft in ac-  
cordance with correct mechanical principles.  
In short, it is the highest, the most durable,  
the least complicated, the most perfectly  
constructed, the most symmetrical in design,  
of any implement of the class. Farmers  
and CLIPPERS are the Horse's Friends, and you  
cannot afford to ignore their welfare. Send  
for pamphlet—investigate. See or write to  
some one who has used THE CLIPPER. See  
the Machine yourself—before you buy any  
other.
