them and their cause, gotten up years, the government, such as it here by the enemies of the United was, was carried on mainly at the here by the enemies of the States, finds ready circulation in expense of the United States, even expense of the elections being paid the cost of the elections being paid frequently in your Tribune. The above statement contains contents the United States treated the above statement contains consequently, at the change of crument, the burden was ight several serious errors, which are circulated to mislead the people of the North about Texas affairs. But put

circulated to mislead the people of the North about Texas affairs. Your informants attribute the re-cent defeat "almost wholly to the appropularity of the State adminisunpopularity of the State adminis-tration which, whether justifiably burden, without immediate benefit or not, is so great, as to have disaffected thousands of Republicans. Now, the result of the election shows alearly that this impression is unfounded. The highest vote given at the election of 1880, (our list given for Governor Davis, 39,838, and taking that vote as a test, the Hepublicans have gained, in the recent election, 10,360 votes, as the total election is not considered as hopeless as it seems to be regarded at the North, ber not, is so great, as to have distaking that vote as a test, the Bepublicans have gained, in the recent election, 10,360 votes, as the total vote for the four Bepublican candidates for Congress (including returns rejected for cause as well as those counted by the State causes that contrary to your information, the Republicans in this election have not lost "thousands." The the Republicans in this election have not lost "thousands." The State administration is not known here to be unpopular, except with the Ku-Klux or their sympathizers. In the general election in this State in 1869, when our present State Government was chosen, there

State in 1869, when our present State Government was chosen, there were poiled in all for Governor only 79,358, viz: Davis (Republican) 30,-79.338, viz: Davis (Republican) 39, 40,000, of whom a very large pro-struct, (Democrat) 445. The total registered vote, at that time, was 135,552. So it seems that more registered vote, at that time, was allowed to be where the state of th 135,552. So it seems that must be 110. It is a seem than 56,000 qualified persons must ed for Democrats every vote returnation then failed to vote. At the ed for them, but the returns from a ed for them, but the returns from a

Actors, Texas, Nov. 13, 1871. ployment, and many instances have been reported since the election with the late Chairman of the Dem Gentlemen—In your paper of 24th where this threat has been executed occasic Central Committee of this Gentlemen—In your paper of 24th where this threat has been executed occasive Countries Committee of and the colored people driven from State and with other Democrats, in their homes. Democratic clubs a printed address to the people, counseling resistance to the collections. were found in almost every precipet, counseling resistance to the whose especial duty it was to visit tion of the school tax. To each white man and demand to bis advice as to the principles on know how he was going to vote. which to enter the canvass, would This was always done in a style not have been very wise. But it that left no doubt of the intention was apparent in any event, to make it disagreeable, should the such advice could not be foli voter show a disposition to be inde. The enemy made the school and popularity. Wherever voters were not lice and other legislation of the voter snow a disposition to be inde. The enemy made the school and popendent. Wherever voters were not lice and other legislation of the protected at the polls by a sufficient. State government the issues of the force of police, as was necessarily canvass, and those issues had to be the case in a number of counties, met.

the case in a number of counties, these Democratic atrikers boldly placed themselves at the polls, to comment on and scrutinize the votes of both white and black. The sympathy and assistance of our friends abroad, and that unfounded were in parts of the State where the difficulties we have here to end. the Republicans have protection of counter. You should not forget person, it yet requires considerable that Texas was the worst State of creased instability of life and opinion, sure to follow the Democratic triumph. A general officer, who has lived in the State since the surrender, and who has always been an active Republican, declares his intention of returning home, setfling up business and selling his property, resigning the appointment he ty, resigning the appointment he holds, and bringing his family here to live. He does not believe any part of the State will be safe for a man of his opinions for the next twelve months to come. This gen tiemen lived in Western Texas, could not afford perfect safe to voters. The Governor issued at of last year, characterized as filled with entit roats. It is the drawn of the opinions for the next twelve months to come. This gen tiemen lived in Western Texas orders. Owing to inadequacy of an incomplete record showed 928 orders. Owing to inadequacy of an incomplete record showed 92 force, this was in many counties inpossible, though without such pre-ventives, fully half the vote the tion of the present government in Republicans did receive, would not April of last year. Nery respt'y your ob't serv't,
