## Sheila, Curtis Hunt Named 4-H Gold Star Winners

### Halloween Carnivals Saturday, Monday

Spooktime is right around the corner, and to celebrate the annual occurrence, not one, but two Halloween Carnivals are scheduled. The first is the Fine Arts Carnival, scheduled from 6:30-9 p.m. Saturday, October 29, in the Muleshoe High School bus barn. And the second, it's for the little ones, and is

### Three Way Homecoming This Weekend

Activities get underway Thursday, (today) for students, parents and teachers of the Three Way School system for their annual homecoming. School will be dismissed at 2:30 p.m., followed by the Halloween Carnival in the Three Way Cafeteria at 7:30-10 p.m.

No school will be conducted at Three Way tomorrow, Friday, as teachers will be meeting in Lubock.

On Saturday, Homecoming activities get underway at 2 p.m. when the Three Way Junior High football team will tangle with the Grady Junior High team. This will be followed by the Three Way High School-Grady game at 4 p.m.

After the football games, the seniors' barbecue supper will be held in the cafeteria.

Crowned during the afternoon will be the Homecoming Queen and King. Senior High School candidates are Lillie Nino, Mitzi Altman, Sandy Feagley and Kelly Foley for queen and James Simpson, Ernest Cantu, Ken Eubanks and Keith Layton for king.

Junior high school candidates are Brad Stegall, Rusty DeSpain and Timothy Roberts for king and Sheryl Waltrip, Michelle Parkman and Jan Simpson, for queen.

### School Board Met Wednesday For Resolution

Members of the Board of Trustees of the Muleshoe Independent School District met in special session at 7 a.m. Wednesday.

School Board President Ernest Ramm said the board would discuss Senate Bill 411, which is the Volunteer Fire Department Relief and Retirement Fund.

They were to consider the approval of a resolution pertaining to Senate Bill 411.

scheduled for 7-9 p.m. on Monday, October 31 in the Mary DeShazo Elementary School gymnasium.

Late Tuesday, Muleshoe Mayor Ken Henry signed a resolution proclaiming the Halloween celebrations for Muleshoe. He urged parents to take their children to one or both of the two upcoming Halloween Carnivals in lieu of trick or treating.

Although trick or treating has not been banned, Mayor Henry and city officials are of the opinion that the planned activities are adequate to provide entertainment for local youths during Halloween.

For 25 cents well spent, plan to attend the queen and princess coronation in the Muleshoe High School auditorium at 9:30 p.m. Saturday. The full-scale production will be under Mrs. Gil Lamb.

She said the Muleshoe High School Band will provide background music for the fall setting which will include foliage and flowers from local sources and the production is planned to please everyone.

The Fine Arts Booster Club said booths and activities for the Saturday carnival will be designed to please people of all ages, and everyone is invited to participate.

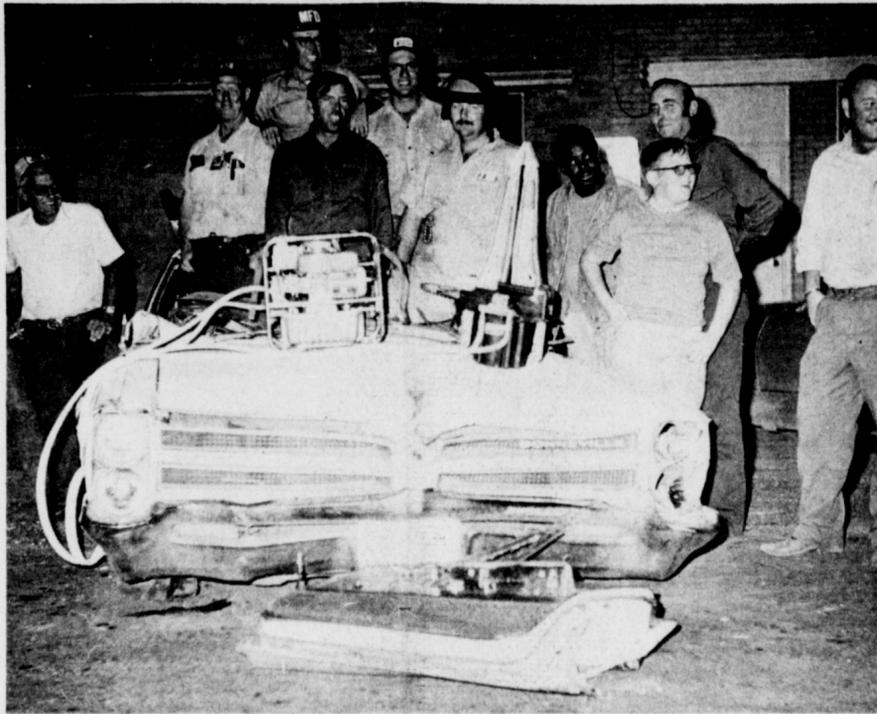

Tickets will be available at the door for the young people's carnival Monday night at Mary DeShazo. Tickets will be 10 cents each or 11 for \$1. A PTA spokeswoman said some booths may require more than one ticket.

At 6:30 p.m. in the gymnasium, the costume contest will be conducted. Divisions will be set up for preschool, and each elementary grade. Winners will be named for the spookiest and the most original costumes.

Saturday night, the Fine Arts Booster Club, along with various organizations, will have booths set up for the carnival.

Booths will include, bucking barrel, FFA; food booth, Delores Orozco; bean jar guess, Llano Estacado Civic Club; fortune telling and snacks, girls; Fine Arts Bingo; T-Model wheel, Muleshoe Lions; barrel pitch, Triangle CB Club; picture raffle, Art Club; food booth, Fine Arts Boosters; stage show and cake walk, Muleshoe Junior High Class; movie and ring toss, Muleshoe Sophomore class; candy apple and food, Rose Chapter, Muleshoe High School FFA; Jacket sale, DECA; hay

Con't. on page 3 col 1

**JAWS OF LIFE DEMONSTRATED**--In just over six minutes, a factory representative demonstrated Tuesday night that the car pictured above could be cut apart to remove trapped victims. Muleshoe Volunteer Fire Department received their Jaws of Life rescue tool Monday, and the first training session was conducted Tuesday night. The demonstration and training session was attended by firemen, police officers from the city, county and state.

**wrecker drivers and several members of the interested public.** At least two cars were used during the demonstrations and training sessions. All firemen will be trained in use of the proficient tool. Chief Reeder reminded that the Jaws of Life is not completely paid for and that contributions of any amount will be welcomed to complete payment of the rescue tool.

## Mules-Chieftains Slate Friday Night Tangle

"We're going to have to be real tough," said Muleshoe Athletic Director and head football coach, Don Cumpton. He was speaking of the upcoming Mules-Chieftain game scheduled for tomorrow (Friday) night.

When the Mules invade Friona Friday night, they will be there with seven straight wins this year under their belt, while Friona has a season record of 2-5 and are 1-1 in district play.

However, Coach Cumpton cautioned, "For this year, in every game but one, Friona was either tied or was ahead in the third quarter."

He warned that the Mules could not be over-confident for this game, which he termed the most important game of the season. If the Mules should lose this game, it could throw the

district into a four-way tie for district honors.

"Friona's players are big and strong, and we will have to work hard to move them out," he added. "You sure can't go by Friona's season record when you start to consider how tough they are."

At this time, Muleshoe has moved into the top position in the district with their seven straight wins, and their 2-0 district record going into the middle of district play.

Last week, Friona fell to Littlefield 21-0, but Coach Cumpton again warned about being too optimistic about the outcome.

He said Friona is well aware of Muleshoe's record and will be out to beat the Mules when they take to the field in Friona Friday night at 7:30.

In second place in the district is Dimmitt, who fell to Muleshoe 10-7 during the last game. Dimmitt now has a 4-3 record; Littlefield also has a 4-3 record; Olton is 2-5 and Morton is 0-7.

This week, another Muleshoe player was named the AA player of the week by the Amarillo Daily News. Curtis Carpenter, defensive back for the Mules, was tabbed for the top honors this week.

Kenneth W. Tidmore, sports writer for the Amarillo paper said, "Muleshoe's Curtis Carpenter is not widely known for his

impersonations. However, last Friday night, Carpenter did his imitation of a blanket expertly

covering the entire field as the Mules shortsheets Dimmitt, Con't. on page 3 col 2

## Local Youths Win State Fair Honors

Members of the Bailey County 4-H took eight steers and two

barrows to the fair. Their animals were shown Wednesday and Thursday.

Jay Gleason showed the heavyweight cross reserve champion and second place steer. His cross was the reserve champion earlier at the Panhandle-South Plains Fair late in September. It was a Maine-Anjou cross, weighing 1200 pounds.

Showing the 12th place cross was Jacinda Gleason.

Jerry Gleason showed the light heavyweight barrow for a first place, while Alan Harrison had fourth, Kelly Harrison, fifth and Belinda Wheeler, 10th place.

In the barrow light middleweight division, Kirk Lewis was second and Jimmy Gleason was eighth.

Bailey County Agent Spencer Tanksley said that all barrows are placed in one, two and three and are classed with either blue, red or white.

Jerry Gleason, Kelly Harrison and Kirk Lewis all showed in the breeder special, which is a breed all produced by one breeder, and all received a blue ribbon. The barrows were bred by Cal Miller of North Platte, Neb., who has produced a large number of show barrows for this part of the country, added Tanksley.

Also, Curtis Wheeler showed the second place light weight Chester and the 13th place heavy weight cross.

Muleshoe FFA youths who placed in the swine division included:

Blake Stevens, fourth in the 231-245 pound Berkshire Division and Tommy Wheeler, fifth and Brad Morrison, seventh in the 200-215 pound Berkshire division.

Also, Tommy Wheeler, fifth in the 200-215 Chester Whites division; Brad Morrison, seventh in the same division; and Sharla Morrison, second in the 200-215 Crossbred class.

Also, Brad Morrison was seventh in the 216-230 Crossbred class; and was fourth in the 200-215 Hampshire class.

## 4-H Awards Banquet Held Tuesday Night

In an appropriate Halloween setting, complete with ghosts, goblins, witches and black cats, along with a few ghosts, awards were presented to several county 4-H youths Tuesday night. Appropriate ghostly background sounds, with scolding cats, shostly laughter and wind blowing, provided accompaniment for the low hum of voices during the dinner.

Both Bailey County Agent Spencer Tanksley and Home Extension Agent Robin Taylor expressed their appreciation to the youths who worked so hard, adult leaders and Bailey County Electric Cooperative for sponsoring 4-H for the past 25 years in Bailey County.

A surprised duo found themselves named Gold Star Boy and Girl for the county 4-H clubs in Bailey County. The awards were made during the annual 4-H awards banquet Tuesday night in the fellowship hall of First United Methodist Church in Muleshoe.

This year's Gold Star Boy is Curtis Hunt, and to her surprise, Gold Star Girl is his sister, Sheila. They are the children of Mr. and Mrs. Robert Hunt.

Curtis is a freshman at Muleshoe High School and has been an active member in 4-H for five years. He has completed projects in swine, rifle, leathercraft, agriculture, sheep, photography, foods and nutrition and veterinary science.

He has been active in all phases of 4-H club work at the local and county level. He has been named champion junior boy exhibitor at the county 4-H fair. He has assisted his community in the youth department of the Texas Community Improvement Project and served on many committees in his local club.

In his 4-H record book, he states, "I am proud of 4-H and all of my accomplishments through the projects taught by interested leaders. I plan to continue for fun of 4-H and encourage others to join the fun and learn. Families doing things

together is our goal."

He resides in the West Camp community and is a member of the Progress 4-H Club.

Sheila has been involved in projects in swine, clothing, foods, leathercraft, teen leadership and lamb feeding. She has held the office of reporter and secretary in her club, which is the Progress 4-H Club.

She is an enthusiastic participant in all the 4-H activities, as well as the Community Improvement Project in her area. Sheila is a junior in high school in Muleshoe and active in school organizations and events. After graduation she plans to go to beauty school or secretarial school. Sheila said that she thinks 4-H is fun and that there are many activities for all age groups to enjoy and that the best part of 4-H is families doing things together for the homes, schools, churches and communities.

Mistress of ceremonies for the banquet was Prynness Parkman, with the invocation given by Curtis Hunt. Tamara Gilliland and Brenda Flowers gave the pledge with Delia Shaw leading the 4-H motto and pledge.

Introduction of guests were made by Greg Harrison and the county agents and Bailey County Judge Glen Williams made the presentation of the awards.

Other awards presented were in the following:

**CLOTHING**  
Prynness Parkman, Bailey County Project Group; Shelley Sain, Muleshoe Club; Krisit Henry, Progress Club; Kacy Henry, Progress Club; Michelle Parkman, Bailey County Project Group; Connie Puckett, Progress Club; Keava Roming, Progress Club; Stacy Kirby, Bailey County Project Group; and Susan Lunsford, Progress Club.

**SWINE**  
Brian Kirby, Bailey County Project Club; Tracy Tunnell, Muleshoe Club and Johnny Puckett, Progress Club.

**SHEEP**  
Curtis Hunt, Progress Club

Con't. on page 3 col 4

**GOLD STAR AWARD WINNERS**--In a rare presentatin, brother and sister, Sheila and Curtis Hunt were presented the Gold Star Awards during the annual 4-H awards banquet Tuesday night. They are the children of Mr. and Mrs. Robert Hunt of the West Camp community.

**CANDIDATE HONORED HERE**--Bob Simpson, left, was honored with a coffee Monday morning at the Muleshoe State Bank community Room. He is a candidate for the unexpired term of former State Senator Max Sherman. Here Simpson is talking with Bob Finney, second from left and Charles Flowers. Listening to the discussion, with her back to the camera is Simpson's wife. Several people stopped by the bank to meet the candidate. He also spoke to the Muleshoe Jaycees at noon Monday.

### Police Report

Burglars who broke into King Elevator sometime Friday night stole two trucks, but abandoned one truck approximately two blocks from the elevator.

Missing is a GMC grain truck. Also reported as missing in the break-in was 90 gallons of gas. James Kinard reported the loss of a \$5,000 dark brown bay horse, however, the horse was recovered several miles from where it was reported missing.

Also reported missing items was Lance Tucker. He said he is missing two mag wheels and tires, an AM FM stereo and chrome side pipes.

Arrests during the past several days include eight charged with being drunk; one driving while intoxicated and no driver's license; one for vagrancy; one for drunk and carrying prohibited weapon and one on an instanter ticket.

**Bula News**  
By  
**Mrs. J. Blackman**

Seven were in attendance when the WMU met Tuesday afternoon for their study of the church. This being the day for study from their Mission study book. A study of several old Testament characters were reviewed. Mrs. Richardson read the prayer calendar with Mrs. Pierce giving the opening prayer and prayer for the

missionaries. Mrs. Battles closed the study with prayer. Attending were Mrs. P.R. Pierce, Mrs. C.A. Williams, Mrs. J.R. Teaff, Mrs. Rowena Richardson, Miss Vina Tugman, Mrs. Margaret Black and Mrs. E.O. Battles.

Mrs. Cox served birthday cake and punch to all.

Mr. and Mrs. Gene Lowe of Muleshoe, visited Sunday afternoon with the Cecil Jones'.

Mr. V.C. Weaver was rushed to the Amherst Hospital Monday where he was confined until Thursday, when he was transferred to a Lubbock hospital, where he will be under the care of a heart specialist.

The Texas Department of Public Safety is in the midst of an intensive Recruiting Campaign for men and women interested in becoming uniformed troopers. The next Recruit Training School is scheduled to begin December 6, 1977. All employment applications must be in by November 7, 1977 to enable the Department to properly consider each applicant. For the convenience of those students who are currently enrolled in college, there is also a class tentatively scheduled to begin early in 1978.

Major C.W. Bell, Regional Commander of the Texas Department of Public Safety, said, "General qualifications for DPS troopers are: (1) Applicants must be 20 to 35 years of age (2) Good moral character (3) Excellent physical condition (4) Weight not less than 2 pounds, nor more than three and one-half pounds per inch of height (5) Vision no worse than 20/40 correctable to 20/20 (6) A citizen of the United States (7) A least 60 hours of college.

The student officer will participate in 850 hours of a variety of law enforcement subjects. The curriculum will consist of criminal law, traffic, law, human relations, techniques of accident investigation, boxing, judo, marksmanship and pursuit driving. Applicants selected as cadets will enter 18 weeks of training at the Homer Garrison Junior Law Enforcement Memorial Academy, one of the most modern police training facilities in the United States located in Austin.

While in Recruit School, the pay is \$848.00 a month and upon completion of the 18 weeks training, the commissioned officer will draw \$946.00 a month. Uniforms, firearms, insurance benefits and transportation are furnished by the Department for each officer.

Upon graduation, the trooper will be qualified to enter the following DPS Field Services: (1) Drivers License (2) Highway Patrol (3) Motor Vehicle Inspection (4) License & Weight. The graduate will be placed according to his aptitude, desires and the Department's needs.

For additional information concerning the position of trooper, training and/or benefits, contact the nearest DPS trooper or the DPS office in Lubbock, Amarillo, Wichita Falls, or Mineral Wells. You will receive complete information in regards to the application and employment procedures on becoming a DPS trooper.

The Texas Department of Public Safety is an Equal Opportunity Employer.

# Trojans To Defeat California

It's an understatement to say that California would like to de-rail the Southern Cal express that seems headed for still another Pac 8 Conference championship and Rose Bowl appearance. The Bears with one of the best teams they've had in many years, are in excellent position to pull off an upset since the Trojans are coming off a very disappointing road trip to South Bend. Southern Cal is returning to face the toughest part of its schedule, meeting California, Stanford, Washington, and U.C.L.A. on successive weekends. It should be close . . . the Trojans are favored by just two.

And how about those Kentucky Wildcats! Beaten only by Baylor in seven outings, the 'Cats are undefeated in the Southeast Conference and tied for the lead. They seem to get stronger with each game, destroying L.S.U. 33-13 two weeks ago, and whipping Georgia last week. This Saturday, Kentucky plays outside the conference, and they'll beat Virginia Tech by 24 points.

Still in the driver's seat in the Atlantic Coast Conference, the Tar Heels of North Carolina face a stiff test from Maryland, last year's ACC champion. The Terps have run into a few hard times this fall, losing three games, one of them in the conference. This could be another win for North Carolina, but the spread is only two points.

Texas Tech, last year's Southwest Conference co-champion, has lost only one game this season. Texas A & M was the villain. Saturday, the Red Raiders travel to Austin to do battle with the Longhorns of Texas. Last year, Tech beat Texas in a thriller, 31-28. Texas and Texas A & M are leading

the conference, so a Raider win would leave A & M alone at the top. However, the Longhorns appear to be too strong for Tech this year . . . our pick is Texas by 14 points.

Elsewhere, Alabama will remain undefeated in the Southeast Conference, beating Miss-

issippi State by 23. In a Western Athletic Conference contest, Brigham Young, getting help from an outstanding reserve quarterback, will dump Arizona by fifteen. And independent Pittsburgh is favored to whip Tulane by 18 points.

# Texas Tech Appoints New Water Director

LUBBOCK-- The appointment of Dr. Robert W. Sweazy as director of the Water Resources Center at Texas Tech University was announced Tuesday by Dean John R. Bradford of the College of Engineering.

Sweazy succeeds Dr. Dan M. Wells who died Aug. 12.

Since 1970 Sweazy had been assistant director of the center and served as acting director for nine months in 1975 when Wells was on leave of absence. Sweazy also is an associate professor of civil engineering at Texas Tech.

Dean Bradford termed the appointment a "logical choice."

"Under the very capable leadership of Dan Wells," he said, "The Water Resource Center at Texas Tech University has achieved national prominence and has provided leadership throughout the state."

"Dr. Sweazy's appointment to this position will provide the necessary continuity of leadership and the initiative of continued development of the center's work."

"Dr. Sweazy was the logical choice for this position, with his varied background of experience in water quality, reuse and conservation," Dr. Bradford said.

A native of Chanute, Kan., Sweazy grew up in Ulysses. He received the bachelor's and master's degrees in biology and chemistry at Wichita State University. His doctoral degree in civil engineering, with a specialization in environmental engineering, was earned at the University of Oklahoma.

In addition to teaching he has been a research associate at the University of Missouri, a water chemist for the city of Wichita, Kan., and a consultant for the Northern Natural Gas Company.

In his professional and academic work he has served as a member of the Executive Board of the Universities Council on Water Resources; vice chairman of the Texas Section Environmental Group, American Society of Civil Engineers; chairman of the Basic Sciences Committee of the College of Engineering; vice chairman of the Water Resources Board for the city of Lubbock; vice chairman of the South Plains Association of Governments' Water Sewage and Drainage Committee; and chairman of the Civil Engineering Departmental Committee on Continuing Education.

# Corn Meeting Slated Here November 1

Clayton Hansel, manager of P-A-G's Hybrid Corn Research Center in Carrollton, Miss., will conduct a public symposium on corn production on Tuesday, November 1. The symposium will start at 7:30 p.m. at the Corral Restaurant in Muleshoe.

Hansel is in charge of P-A-G's corn breeding and is responsible for developing varieties adapted for the west and southwest portions of the corn belt. He will cover successful corn growing practices including: cultural practices, desired plant population, water requirements, spraying, fertilization and the pros and cons of long season corn versus short season corn.

Hansel, with thirty years experience in corn seed breeding and production, will answer questions about "What happened to the corn crop on the High Plains this year?" and he will tell you what to do to help assure a successful corn crop in 1978.

In addition, new corn and sorghum hybrids, especially developed for this area, will be introduced.

Homemade apple and cranberry jelly are fall favorites--but follow a recommended recipe, says Mary K. Sweeten, foods and nutrition specialist, the Texas Agricultural Extension Service, The Texas A & M University System.

"Use the right proportions of juice and sugar," says the specialist, "and don't double the recipe--it won't work."

# Treasurer Candidate Visits Here

Harry Ledbetter, candidate for State Treasurer, was in the Journal office early this week to visit and leave information about his candidacy for the state office.

Ledbetter, a West Texas native, said he would "use the same care and concern in managing the Treasurer's Office that responsible citizens use in managing their household finance, their family budgets and their businesses."

The Democratic candidate said the Treasurer must earn as much interest as possible on state deposits to keep taxes as low as possible. "Every dollar earned is one dollar less in taxes the people will be asked to pay -- and that's very important," he said.

An Austin financial and business consultant, Ledbetter added that the Treasurer's placement of state deposits can have an important role in providing available credit for consumer use for agricultural and business enterprises and stimulating the purchase of local government securities.

Ledbetter said the Treasurer's office is vital because the Treasurer is the public banker and all Texans are his stockholders.

"This office, possibly more than any other, demands the highest standards of ethical performance and conduct," he said. "I will earn the voter's trust by doing the job honestly, fairly and openly."

Ledbetter, 33, was born in Abilene and raised in Breckenridge. He received his master's degree in economics and business from Texas A&M, where he quarterbacked the 1965-66 football team.

The candidate said his education and nine years' experience in key state government finance jobs with the Legislative Budget Board, Lieutenant Governor's office and Comptroller's office fill the need for competence in the Treasurer's office.

**FIRE AT TEXAS HIGHWAY DEPARTMENT--**Firemen were called to the Texas Highway Department on West Highway 84 shortly before noon Tuesday to help extinguish a shop fire. Extensive damage was done a tractor, which apparently started the fire; the roof of the shop and considerable smoke damage was reported by local manager, Loyd Kilough. No one was injured in the blaze.

# Comptrollers Officer Will Mules...

State Comptroller Bob Bullock announced he is sending a representative from his Lubbock office to Muleshoe on Tues., Nov. 8, 1977 to assist local taxpayers and answer questions about the state of taxes.

Bullock said Enforcement Officer, Johnny Lawcell will meet with local taxpayers at the Muleshoe Court House from 2 p.m. to 4 p.m.

"If Muleshoe area merchants, or anyone else for that matter, have any questions about state taxes or need help in preparing tax forms, Mr. Lawcell will be there to assist them," Bullock said.

"We're trying to cut the red tape in this office and we believe these face-to-face sessions with taxpayers help do just that," Bullock added.

Bullock reminded those taxpayers who are unable to meet with his representative on November 8th that they can still get their questions answered quickly by calling his TOLL-FREE tax information number in Austin. That number is 1-800-252-5555.

The Lubbock office, headed by Donald F. Paxton, serves Lubbock and surrounding counties.

**NOVEMBER WEDDING PLANNED...** Mr. and Mrs. Allen Smith of Mineral Wells announce the engagement and approaching marriage of their daughter, Melinda Marie, to Benny Ross Floyd, son of Mr. and Mrs. Austin Floyd of Muleshoe. Miss Smith is a 1977 GED graduate of Clovis, N.M. Floyd is a 1974 graduate of Muleshoe High School. The couple will exchange vows in the Calvary Baptist Church of Muleshoe, Monday, November 14, at 7:30 p.m. They will make their home in Muleshoe.

## Mrs. Burley Roberts Honored With Shower

Mrs. Burley Roberts of Enochs was honored with a pink and blue shower Thursday afternoon, October 20, in the home of Mrs. Alma Altman. An ecru lace cloth covered the serving table. A bouquet of spring flowers was used as the centerpiece. Cake, cookies, punch and coffee were served by Mrs. Donald Williams. Special guests were Mrs. Pauline McDaniel of Lubbock,

mother of the honoree, and Mrs. Crockett, the honoree's grandmother. Hostess gifts were a diaper bag and booties.

Hostesses for the occasion were Mrs. Winnie Byars, Mrs. Donald Williams, Mrs. Barbara Autry, Mrs. Goldman Stroud, Mrs. Ralph Beasley, Mrs. Lorella Jones and Mrs. Dennis Turney.

## Special Children Need Special Parenting Too

COLLEGE STATION--Special children need special parenting, says Dorothy Taylor, family life education specialist, the Texas Agricultural Extension Service, The Texas A & M University System. Families of the handicapped sometimes carry heavy burdens--financial, emotional and physical.

or games that interest the child. Repeat them.

--Be ware of all restrictions caused by the handicap and gradually try to overcome the restrictions.

--Find a way to compensate for the handicap. Most children will experiment with new or alternate ways to accomplish a task. Learn from them!

--Learn how much a handicapped child can tolerate--in minutes or hours; in physical stamina; or before frustration takes over. A task must be rewarding; otherwise, a child will not repeat it.

--"Special" parents continue to be the best teachers and supporters for the handicapped. These "Special" people soon learn that a handicap is a place to start from in teaching a "special" child.

Paternal grandparents are Mr. and Mrs. Jacinto Bara of Muleshoe and maternal grandparents are Mr. and Mrs. Armando Acosta of Mercedes, Tex.

## Alpha Zeta Pi Honored By Xi Omicron Xi

Xi Omicron Xi chapter of Beta Sigma Phi hosted a chili supper and costume party for Alpha Zeta Pi chapter of Beta Sigma Phi, Tuesday evening, October 18, in the home of Mrs. Tom Jinks. Hostesses for the occasion were Mrs. Doyce Turner, Mrs. Kearney Scoggin, Mrs. Tommy Black and Mrs. Monty Dollar.

A Halloween theme was carried out in a costume contest. Mrs. Paul Wilbanks as "Dolly Parton" won Best and Most Original costume.

Following the chili supper, a scavenger hunt was held. Caramel apples, popcorn balls and pumpkin shaped cookies were served after the hunt.

Members of Alpha Zeta Pi attending were Mrs. Tommy Merritt, Mrs. Alec Schuster, Mrs. Mac Brown, Mrs. Gary Toombs, Mrs. Dave Marr, Mrs. Mark Gist, Mrs. Rick Hallford, Mrs. Paul Wilbanks, Mrs. Gary

MR. AND MRS. CASS STEGALL

## Muleshoe PTA To Sponsor Carnival

The Muleshoe PTA will sponsor an elementary school Halloween Carnival Monday, October 31, from 7:00 to 9:00 p.m. The carnival will be held in the Mary DeShazo gymnasium.

Tickets will be available at the door at ten cents each or 11 for \$1.00. Some booths may require more than one ticket.

Pre-school children will be able to enjoy the "go fishing", "duck pond" and "sand dig" booths. For the kindergarten through fifth grade children, there will be a basketball hoop booth, jewelry wheel, spook house, fortune teller, football throw, dart throw, ring toss and pumpkin toss.

There will be bingo games throughout the evening for the

adults. There will be concessions available with hot dogs, cokes and brownies.

A costume contest will be held in the gymnasium at 6:30 p.m. There will be divisions for pre-school and each elementary grade. Winners will be chosen for the "spookies" and for the Most Original costume in each division.

Women should probably marry younger than men. At present, reports Debby Johnson, family life education specialist with the Texas Agricultural Extension Service, The Texas A & M University System, life expectancy of women exceeds that of men by almost eight years.

**ENGAGEMENT ANNOUNCED...** Mr. and Mrs. Perry Lynsky of Three Way announce the engagement and approaching marriage of their daughter, Sheryl, to Stephen Vaughn, son of Mr. and Mrs. Gordon Vaughn of Childress. The couple plans to be married on Friday, December 2. Miss Lynsky is a 1977 graduate of Three Way High School. A graduate of Brownfield High School, the prospective bridegroom is self-employed trim carpenter.

children, Mr. and Mrs. Frank Stegall, Jr., of Goodland. Co-hosting were Mrs. Clarence Albus of Baytown, the couple's niece, and Mrs. Tommy Galt of Goodland, the couple's sister.

The former Frances Gaddy and Cass Stegall were married October 28, 1927, in Silverton, Tex. At one time the only pupil at the Figure Two school and a farmers daughter, Frances and Cass, a rancher, pioneered south of the sandhills of Bailey County.

The Stegalls farmed until his retirement. They have two children, LaVon, of the home and Frank. They have two grandsons, Brad and Brett, all of Goodland.

Since retirement, the Stegalls are building a cabin on the river at Ruidoso near the intersection of Sudderth and Meacham Drives.

Out-of-town guests were from Dumas, Plainview, Lubbock, Levelland, Muleshoe, Morton and Ruidoso, N.M.

Fluorescent lighting is three to four times more efficient than incandescent lighting, reports Sue Young, housing and home furnishings specialist with the Texas Agricultural Extension Service, The Texas A & M University System.

## Consumer Food News

COLLEGE STATION--Expect fairly stable supermarket prices for the rest of the year, says Gwendolyn Clyatt, consumer marketing information specialist with the Texas Agricultural Extension Service, The Texas A & M University System. Pork is trending down, along with adequate supplies of fresh seasonal vegetables and a number of fresh fruits--with apples in the lead.

Pork--as the supply increases--costs slightly less: Boston butt and loin-end roasts, shoulder steaks, quarter-loin cut into chops, liver and roll sausage. In beef, aside from ground beef, features are chuck roasts and steaks, round steaks and beef liver.

In poultry and dairy products: egg supplies are ample--at least until holiday baking time, currently Grade A large eggs are the best buy. Prices on fryers are reasonable, and turkey parts are low priced in some markets. Also, some dairy departments feature yogurt, sour cream and a variety of cheeses.

In produce, dry onions--now in good supply--cost less, along with new-crop cabbage and potatoes in 5.8 and/or 15 pound bags. Broccoli, cooking greens, sweet potatoes and hard and soft shell squash are good buys. Also carrots, cauliflower and pumpkins. And in canned vegetables, features are corn and all tomato products.

Apples are the main attraction at most fruit counters. Cranberries--of excellent quality--are priced about the same as last year, and Texas grapefruit is increasing in supply and in sugar content. Oranges are generally best priced by-the-bag; red grapes are in good supply and have attractive price tags.

**CONSUMER WATCHWORDS:** Here are some "apple figures": one bushel equals 42 pounds one bushel equals 96 to 144 medium size apples one pound equals 2 large, 3 medium or 4 small apples 6 to 8 medium size apples equal one 9 inch pie or 3 cups sauce

MISS DEBBIE HUNTER

## Bridal Shower Feted Miss Debbie Hunter

A bridal shower feted Miss Debbie Hunter, bride-elect of Kenny Kittrell, Sunday afternoon, October 23, in the home of Mrs. Mac Brown.

The serving table was laid with an antique white cutwork cloth over peach. A fall arrangement of peach silk flowers with dried flowers in a silver vase was used as the centerpiece. Thumbprint cookies and punch were served from silver and crystal appointments.

Special guest of the honoree was Mrs. H.D. Hunter, her mother. Attending the registrar was

Miss Shirley Burris of Muleshoe, cousin of the honoree. Hostess gifts were an amber table lamp and a swag lamp.

Hostesses for the occasion were Mrs. Gertrude Allen, Mrs. M.C. Street, Mrs. Henry Malone, Mrs. David Bray, Mrs. Willie James, Mrs. Loyd Garlington, Mrs. George Williams, Mrs. Polly Birdsong, Miss Judy Lambert, Mrs. Clayton Myers, Mrs. Olan Burrows, Mrs. M.E. Meyers, Mrs. Don Seals, Mrs. Arnold Prater, Mrs. Vinnie Purcell, Mrs. Dean Spraberry, Mrs. W.T. Watson, Mrs. Mac Brown and Mrs. Hugh Young.

## ABOUT YOUR HOME

By April Rhodes

Order nursery stock now for fall planting--shrubs, fruit trees, shade trees, etc.

To have flowering bulbs indoors, it's time to make plans for potting bulbs. Tulips, daffodils, hyacinths and paper white narcissus are choice bulbs--each type bulb requires a different period of time to produce blooms. Check with local garden shops.

For company beef stew, prepare as usual. Add 1/2 cup dry red wine and 1/2 pound sliced mushrooms during the last half hour of cooking.

Keep dirt and leaves from blowing under an overhead garage door, while closed, by cementing a strip of carpeting along the bottom of the door's inner edge.

A philosopher is a man giving people advice about troubles he hasn't had.

**Preserving Pumpkin-- For Magic In Fall Menu's**

**COLEGE STATION** -- Make the pumpkin last this Halloween--preserve it, suggests Mrs. Mary K. Sweeten, foods and nutrition specialist with the Texas Agricultural Extension Service, The Texas A & M University System. Pumpkin is a low acid vegetable, so it must be processed in a pressure canner, or it can be preserved by freezing.

Begin with the right pumpkin; choose one with rich yellow color with no green showing on the rind. The best pumpkins for cooking are usually 10 to 12 inches in diameter, sound, heavy for size and bright colored.

**TO CAN PUMPKIN--CUBED STRAINED**  
Cubed: Wash and peel the pumpkin and either discard the seeds or set them aside to roast later. Cut the pumpkin into 1-inch cubes. Top hot--jack it into jars, cover the cubes with water and bring to a boil. Pack to within 1/2 inch from the jar top.

Cover with hot cooking liquid, leaving a half-inch space at the jar top. Close and process at 10 pounds pressure in a pressure canner 55 minutes for pint jars and 90 minutes for quart jars. Remove containers from the pressure canner or pressure saucpan and cool.

**STRAINED:** Prepare the pumpkin by washing, removing the seeds and paring the pumpkin. Cut into 1-inch cubes. Steam until heated throughout, stirring to keep it from sticking to the pan.

Pack according to the hot pack method. Prepare pumpkin and pack hot pumpkin to within 1/8 inch from top of jar, adding no liquid or salt. Close and process at 10 pounds pressure in a pressure canner 65 minutes for pint jars and 80 minutes for quart jars. Remove containers from pressure canner or pressure saucpan and cool.

**TO FREEZE PUMPKIN**  
Wash pumpkin, cut into small pieces, remove the seeds and peel it. Cook in boiling water, pressure cooker, or oven until it is soft.

Mash the pulp or put it through a sieve. Cool by placing pan containing pumpkin over chopped ice and stir pumpkin occasionally. Package and freeze immediately.

Pumpkin, rich in vitamin A, goes well in many deserts--such as pumpkin pie or cake, pumpkin conserve, bread or muffins, and it adds a bit of magic to Fall menus.

**PUMPKIN PIE**  
Set aside a 9-inch pie crust with flaky pastry, chilled.

In a bowl, mix: 1 1/2 cups cooked pumpkin 2 tablespoons melted butter 1 teaspoon ginger 1 teaspoon cinnamon 1/2 teaspoon mace 1/2 teaspoon ground cloves

In another bowl, beat 2 eggs thoroughly, and then add: 1/2 cup granulated sugar 2/3 cup brown sugar, firmly

packed 2 tablespoons flour 1 pinch salt 1/2 cup evaporated milk 2 cup heavy cream  
Fold the egg mixture into the pumpkin mixture. Pour into pie shell. Bake the pie in a very hot oven (450 degrees F.) for 15 minutes. Reduce the heat to moderately hot (375 degrees F.) and bake the pie for 45 minutes longer--or until a knife inserted into the center comes out clean. Serve warm or cold, plain or with whipped cream and cinnamon sprinkled over the top.

**PUMPKIN CAKE**  
Preheat oven to 350 degrees F.

In a bowl, cream: 1/2 cup shortening 1 cup sugar 1 egg  
In a separate bowl, sift: 2 cups cake flour 2 1/2 teaspoons baking powder 3/4 teaspoon cinnamon 1/4 teaspoon nutmeg 1/8 teaspoon cloves 1/4 teaspoon salt

Stir the dry ingredients into the egg mixture alternately with 3/4 cup milk. Pour the batter into a well-oiled and floured loaf pan. Bake in moderate oven (350 degrees F.) for 1 hour--or use two 9-inch cake pans and bake at 350 degrees F. for 30-40 minutes or until cake tests done. Let cake stand 15 minutes outside oven after baking, and remove from pan. Dust with powdered sugar, or ice with cream cheese frosting.

**CREAM CHEESE FROSTING**  
Cream: 1/8-ounce package cream cheese (Cheese should be room temperature) 1 stick margarine

Add: 1 pound powdered sugar 2 tablespoons milk 1 teaspoon vanilla 1 cup nuts (optional) 1/2 cup raisins (optional)

**PUMPKIN BREAD**  
1 1/2 cups flour 1/4 teaspoon baking powder 1 teaspoon soda 3/4 teaspoon salt 1/2 teaspoon cinnamon 1/4 teaspoon cloves 1/3 cup chopped dates 1 1/2 cups sugar 1/3 cup salad oil 2 eggs 1 cup canned pumpkin 1/3 cup water 1/3 cup chopped pecans

Sift and measure flour. Add baking powder, soda, salt and spices; sift together two times. Toss nuts and fruit lightly in flour mixture. Beat sugar and oil in mixer at slow speed. Add eggs one at a time. Add pumpkin. Add flour mixture and water alternately. Beat until thoroughly mixed. Pour into a greased and floured loaf pan, 10 x 5 inches. Bake in 350 degrees F. oven for 1 hour. Makes one loaf or about 15 slices.

**PUMPKIN MUFFINS**  
Follow recipe above for Pumpkin Bread--except pour into greased and floured muffin tins. Bake at 350 degrees F. for 20 minutes.

**PUMPKIN CONSERVE**  
In a saucepan, combine: 3 cups cooked pumpkin 2 1/2 cups sugar 1/2 pound dried apricots, coarsely chopped 1/2 pound dried raisins

2 tablespoons chopped crystallized ginger juice of one lemon 1 tablespoon grated lemon rind  
Cook the mixture over low heat, stirring frequently for 45 minutes or until thick. Pour the conserve into hot sterilized jars and seal. Process in boiling water bath for 5 minutes. Allow to cool on a rack.

**Hobby Club Host To Senior Citizens**

The Senior Citizens met Monday, October 24, in the Fellowship Hall of the United Methodist Church. 40 members were present. Bill Moore was in charge of the meeting.

The "Lords Prayer" was repeated by all members in memory of Arthur Graves. He was a charter member of the Senior citizens.

Minutes of the previous meeting were read by Mrs. Eva Ashford. The birthday song was sung to Mrs. Alva Shofner. Zed Robertson accompanied on the piano.

Attending the meeting were the members of Muleshoe Hobby Club. They displayed several articles that they have made. Refreshments were also served by the Hobby Club members.

Three members of the Senior Citizens are in the hospital. Mrs. Lester Howard is in Methodist Hospital in Lubbock, Mrs. Gertrude Allen and Mrs. Lottie Bickel are in West Plains Medical Center.

The next meeting will be held on Monday, November 21. A covered dish luncheon will be served. A committee will be the new year.

**Arthritis?**

Medical science's battle against arthritis continues with no breakthrough but several new drugs offer millions of arthritis sufferers new hope to alleviate pain and swelling.

Like ibuprofen, introduced more than a year ago by Upjohn (Motrin), these new drugs are about as effective as aspirin, but they don't produce the corrosive effect on the stomach lining sometimes the case with aspirin.

The new drugs are fenoprofen calcium (Nalfon, Dista), naproxen (Naprosyn, Syntex) and tolmetin sodium (Tolectin, McNeil). Since the most common form of arthritis affects most Americans, at least occasionally, by the time they're sixty, these new drugs are of major importance.

**Rich and Poor**  
Golf is no longer a rich man's game. There are millions of poor players. -Tribune, Chicago.

**Lazbuddie News**  
By Judy Lust

The 1977 Halloween Cornation and Carnival will be held next Saturday night, Oct. 29. The Cornation will be at 7:30 in the Auditorium and the Carnival will be held immediately afterwards in the Gym. Such activities as a cake walk, bingo, dart throw, fishing booth and ring toss are just a few of the things that will be taking place at the Carnival.

Candidates for the King and Queen's Contest are: From Kindergarten--Beth Windham and Scott Hicks, 1st grade--Jamie Rodgers and Brian Glover, 2nd grade--Amy Daniels and Scotty Mitchell, 3rd grade--Clint Russell and Kristine Miller, 4th grade--Melissa Sanchez and Paul Gonzales, 5th grade--Chandra Engelking and Paul Stanley, 6th grade--Jane Rodgers, Sean Mason, 7th grade--Casey McBroom and Tina Collins, 8th grade--Jana Briggs and Shaive Vincent, 9th grade--Sherril Seaton and Todd Gregory, 10th grade--Jalayne Collins and Rodney Crim, 11th grade--Sabrena Vincent and Keith Hicks, and 12th grade--Elaine Cargile and Mark Foster.

Mrs. Helen Collum and Miss Barbara Bolkin from Colorado Springs spent the past week with the Jim Collums. Odell Culp, from Petersburg, visited with them Saturday night, and Sunday they all went to Lovington and spent the time visiting with friends and relatives.

The Lazbuddie Young Homemakers next meeting will be Thurs. Nov. 3, at 1:30 in the Lazbuddie Home Ec. Room. The Lubbock Electric Company will be giving a program on Holiday foods and ideas, and the public is invited to attend.

J.T. Mayfield slipped and fell on the concrete floor of his barn last Thursday and broke his arm.

Joe Dan Tarter broke his arm during the Jr. High Football game last Thursday and his mother Mrs. Paula Tarter is hospitalized with a knee injury.

Mrs. Jimmy Briggs will be a delegate to the TSTA Convention in Amarillo on Nov. 3rd and 4th.

**ONE MINUTE SPORTS QUIZ**

- Who won the men's singles U.S. Open Tennis Championship?
- Name the winner of the B. C. Open Golf Tournament.
- Who won the National Jewish Hospital LPGA Open?
- Woody Hayes coaches what college football team?
- How many times has Chris Evert won the U.S. Open Women's Singles Tennis Championship?

**Answers to Sports Quiz**

- Guillermo Vilas over Jimmy Connors.
- Gil Morgan.
- Jo Anne Carner.
- Ohio State.
- Three times.

**ROCK EXPERT...** Clarence Kube of Muleshoe is shown with several giant Geodes from Mexico. The Geodes form in volcanic rock cavities. These cavities are filled with solutions that grow crystals. The minerals in the background were collected from several states. Kube also collects Indian artifacts. He sands and grinds these rocks to finish jewelry. As a silversmith, he also repairs Indian jewelry. He gives studies on minerals and basic rock demonstrations to science classes at schools.

**Dr. Plourde Speaker To Gem And Mineral Club**

The Clovis Gem and Mineral Club met Monday evening, October 24, in Clovis, N.M. Clarence Kube acted as president in the absence of Ralph Essex.

Kube introduced Dr. A.R. Plourde, an optometrist at Clovis. He told of a trip to Chihuahua, Mexico, to several of his mines. He showed slides of mineral specimens from these mines. He showed slides of mineral specimens from these mines. Accompanying Dr. Plourde on this trip from his shop were Bob Sena, goldsmith, Billy Bryant, silversmith, and T. Jones, photographer.

He presented each member of olvilen mineral and a small

crystal from the Cave of Candles, near Neca Village, south of Chihuahua, Mexico. The club received a letter from Eastern New Mexico University stating that Karen Moore was given the scholarship fund. The money was raised during the July Rock Show.

Plans were tentively set for the Christmas party for Friday, December 9, at the Kingswood Methodist Church.

Space is still available for the Wildcat Craft Show and Bazaar, November 12 and 13. This is a good opportunity to sell crafts for Christmas. To reserve space, call 806-272-4686 or 806-925-6676. The space proceeds to the Book Scholarship Fund.

Brighten children's clothing for darker days, recommends Claudia Kerbel, consumer information specialist with the Texas Agricultural Extension Service, The Texas A & M University System. When the nation goes off Daylight Saving Time, reflective tape on clothing--or bright or light-colored jackets--help prevent accidents, Mrs. Kerbel says.

Sweaters once guarded warriors from the rough leather of their armor, reports Marlene Odle-Kemp, clothing specialist with the Texas Agricultural Extension Service, The Texas A&M University System. "Sweater" originally meant "one who sweats," the specialist says.

**LOUISA'S LETTER**

Dear Louisa,  
What are the courts of our country thinking about and what is going to become of us?

There are people who abuse and exploit young children and yet, have the nerve to talk about freedom of the press!

A man who kidnaps and abuses hostages should be treated like a mad dog--they should be put out of the way. And that doesn't mean on parole after a few years.

A few death penalties for such crimes and I am sure that some of our repeaters would learn to control themselves--if not they should be put away for good.

Dismayed--N.Y.  
Answer: The rash of sexual crimes

in our country is truly appalling. A great deal of blame can be laid to the entertainment media which depicts immorality as acceptable and delightful in their stories and articles.

Two stories recently, highly praised by critics, depicted a delightful time with two men and their mistresses on holidays while the wife of one was unaware of what was going on and the children of the other were heaven's knows where.

Even the family magazines are obsessed with the sexual act and devote pages to it.

It really is time for decent people to do something to save our children from being degraded or abused in the coming years.

Speech Names Candidate For Coronation

This past two weeks at Speech, Band, and Art classes have been electing and collecting money for the Halloween Prince & Princess. They all pitch in and help raise money for all the candidates. The Speech candidates are Kelly Bayless, She is the daughter of Mrs. Billie Bayless, they live at the residents of 922 West Ave. E. Kelly is 13 years of age and in the 7th grade. She is working very hard to raise enough

money for Speech. The candidate for Prince is Johnny Maddox, he is 13 and in the 7th grade also and is the son of Mr. and Mrs. John Maddox, they live at 1910 West Ave. H. Every student in speech is cooperating in this event. The students carry jars all around the school, and put them in stores, if you happen to see any of the jars, the speech class would really appreciate your pennies!!!! We would like to congratulate Kelly and Johnny for being the speech candidates. Good Luck with the Halloween Prince & Princess!!!!

Stacy Elder Band Choice For Princess

The MSJH Band candidate for this year's Halloween princess is Stacy Elder. She is the daughter of Mr. and Mrs. Bill Wimberly and James Elder. She is a 7th grader at MJHS. She is active in Speech, Band, and most other school activities. She picked her escort as Monty Hysinger. Monty is the son of Mr. and Mrs. Jack Hysinger. He is an 8th grader at MJHS. He is active in Athletics, Band, and most other school activities. We want to wish both of them GOOD LUCK!!!!

The best way to keep up with the news is to read a good newspaper regularly.

It's a courageous legislator who ignores the lobbyists and the pressure groups.

8th Mules In Defence Tilt With Dimmitt

Last Thursday night October 20 the 8th grade Mules played the Dimmitt Bobcats at the Benny Douglass Stadium. The Mules had trouble getting their offense untracked against the 8th grade Bobcats and struggled to a 0-0 tie in an old-fashioned defensive type struggle. Defensively, Muleshoe did an outstanding job as the Mules turned back three late Dimmitt threats within their twenty yard line. The game became a real stomach-churner for the coaches, players and fans, as Dimmitt attempted to score from Muleshoe's five yard line with one second remaining on the clock. The threat was silenced by a hard-charging Mule defense that trapped the Dimmitt Quarterback ten yards

behind the line of scrimmage to end the game with a 0-0 deadlock on the scoreboard. Muleshoe's seventh and eighth grade squads travel to Friona next Thursday evening. Let's continue to back the Mules on to victory at all levels.

Player Of The Week

The 8th grade player of the week is Cindy Turner. Cindy has been doing a tremendous job in practice of really putting her mind to the game and getting after it. She is spending a lot of extra time at home practicing and it has been showing in her shooting improvement. Her jump shot is getting better and especially her free shot percentage. The coaches are very impressed with her attitude and desire, and the team can look for

CINDY TURNER

A lot of support from Cindy in the coming season. The Journalism Staff would like to say "CONGRATULATIONS Cindy!"

KELLY BAYLESS

JOHNNY MADDOX

Art Chooses Candidates For '77 Queen

Starla Black is the Art Candidate for Halloween Princess. Her escort is Tyrri Vandiver. Starla is the daughter of Mr. and Mrs. Ronnie Black. She is active in Athletics, Art, and she is a Jr. High Cheerleader. Her escort, Tyrri Vandiver, is the son of Mr. and Mrs. Butch Vandiver. He plays Football for the 7th grade, and is active in Art. The votes will be counted as a penny per vote. So if you would like to support the Art Candidates you can find jars all around town and its a penny per vote. We would like to wish the Art Candidates good luck in the contest.

### Dimmitt 7th Downs Mules To 18-14 Loss

Dimmitt's seventh grade footballers outlasted their Muleshoe counterparts 18-14 Thursday night in a well played contest. The lead changed hands often during the contest. It was the best outing of the year for the Muleshoe seventh grade players, who for the first time resembled the type of team they

### Happy Birthday

We would like to wish the following students a happy birthday.  
October 27-Eva Rejino  
October 28-Robin Burgess, Sandra Speck  
November 2-Ella Graves, Sherry Ellis  
HAPPY BIRTHDAY!!!

are capable of becoming. The Mules scored on runs of eighty yards by Chris Kirvin on a kick-off return, and a forty yard run by punter Alex Navejar on a high snapped ball on fourth and long situation. Congratulations to the seventh graders on a strong effort and their improvement.

Carter will pay for trips on Atlanta bank plane.

Now that school is in full swing again, teachers are once again improving their education.

The average woman doesn't care where the styles come from or where they go.

The individualist is one who thinks for himself and, when necessary, by himself.

### Lazbuddie Longhorn Stampede

By Judy Lust

The Lazbuddie Longhorns played the Sudan Hornets last Friday night at Sudan. Sudan won the game by a score of 35-6. The Hornets played real well the first half and the game wasn't nearly as one sided as the score indicated. Lazbuddie had some players out because of injuries and several more playing with minor injuries. Sudan's speed and experience played a major roll in their victory over the

Horns. The Hornets scored their first touchdown with 8:50 left in the first half and kicked the extra point to make the score 7-0. They scored again right before the half was over but the PAT attempt was blocked, making the score at half 13-0. Sudan scored again with 6:43 left in the 3rd quarter to make the score 21-0.

The Longhorns scored their only touchdown on a 9-yard run by quarterback Charleson Steinbock with 4:53 left in the 3rd quarter. The PAT attempt was blocked.

Sudan scored once again in the 3rd quarter and once in the 4th quarter. Both point attempts were good, making the final score of 35-6.

The district title is now in a 3-way tie between Motley Co., Sudan, and Valley. The Longhorns play Valley on Thursday, Nov. 3, at 7:30 at Valley.

Next week Lazbuddie plays Silverton at home at 7:30 and this will be the last home game

of the season. Everyone is urged to come and support the Horns.

The Lazbuddie Lettermans Club is sponsoring a chili supper before and after the football game Friday night the 28th of Oct. The supper will start at 5:30 and go until 7:00 and then will also be held after the ballgame. The Lettermans Club has purchased new basketball and track warmup suits and are raising money to help pay for them. This will be the last home football game of the season and everyone is urged to come out and support the Horns.

The girls basketball team will play their first game next Tues. Nov. 1. They play Whiteface at Whiteface, with the J.V. girls starting at 6:30 and the Varsity playing immediately afterwards. Those on the girls Basketball teams this year are: Seniors-Candy Moore, Tammie Smith, Gina Elliott, Diane McGuire, and Judy Lust; Juniors-Darshan Jennings, Sabrina Vincent, Lydia Gonzales, nita Gonzales.

Esmeralda Buentello; Sophomores-Angela Matthews, Terri Clark, Lisa Menefee, Earlene Burton, Michelle Vincent, and Jalayne Collins, Freshmen-Sherri Seaton, Joe Hargett, Barbie Ivy, Kathy Menefee, Jeanette Collins, and Angie Jesko.

The J.V. will be playing 5-man basketball the year while the varsity will still play 6-man ball. The girls are looking real good and everyone expects to have a great season.

Lazbuddie Jr. High played Sudan Jr. High last Thursday at Lazbuddie and won the game by a score of 24-0. The Jr. High team has shown a lot of improvement since the beginning of the season. Johnny Gonzales scored all of the Lazbuddie touchdowns behind the combined effort of the entire Longhorn team. The Jr. High team will play Silverton this Thursday (today) at 5:30 at Silverton.

### The Speaker Reports

by Bill Clayton

AUSTIN--Recently, a study on declining college entrance examination scores throughout the country was completed by an advisory panel composed of educators and laymen. This study was developed through extensive investigation of the public school curriculum, social and family trends, the examinations themselves, and other related factors. The findings of this study do not provide any easy answers to the question of what can be done to reverse

the trend of declining test scores. However, the conclusions reached by the panel provide an insight into the topic and can help decision makers to understand the complexities involved.

Some of the reasons for dropping scores include: changes in the students taking the exams; less emphasis on "basic" courses in schools and more on elective courses; grade inflation; more absenteeism; a reduction in homework; an increase in television; less parental involvement in education; worldwide social and political problems; a reduction in student motivation; and other less easily definable factors.

The panel aptly pointed out that there is no single cause for drops in scores. Minor changes in the educational system will not be enough to create a substantial reversal in the trend; social changes will also be necessary.

It seems that measures to increase value gained will have to be developed with the schools to impact the situation. More emphasis on basic education is one approach. A more active interest in student needs by teachers would be helpful. Higher grading standards should also be instituted.

Beyond these educational changes, hopefully, social improvements will result in heightened student interest. This one factor would most positively affect the problem in my opinion. Although such a change will take time and a concentrated effort by educators, families, and state/local leaders, I believe that it is possible. The results of the study can help everyone in attempting to reach a goal of better education for our young people.

Syria rejects U.S.-endorsed plan for pre-Geneva meet.

Most compliments are untruths and that makes them even more enjoyable.

How to get away from it before it gets away from you.

Everybody wants to get away. Trouble is your get-up-and-go money probably got up and went faster than you could save it.

Okay, outsmart your spending habit. Sign up to buy U.S. Savings Bonds through the Payroll Savings Plan.

When you sign up for the plan, you agree to have a little money set aside before you ever see your paycheck.

A little this payday. A little next payday.

You won't miss it, but the money buys Bonds and the Bonds earn interest and pretty soon, bon voyage!

So buy U.S. Savings Bonds. They're a great way to make sure you get away before your money gets away from you.

Series E Bonds pay 6% interest when held to maturity of 5 years (4 1/2% the first year). Interest is not subject to state or local income taxes, and federal tax may be deferred until redemption.

Take stock in America.

**Junior High Beats Wellman**

The Three Way Junior High football team won its first game of the season Thursday afternoon by beating Wellman 7-6. Wellman scored first on the opening play of the game with a 50 yard run. Three way came back in the second quarter on a 1 yard run by Tim Roberts and an extra point run by Luis Banda. Both defenses played well the remainder of the contest and the 7-6 score at halftime remained throughout the game. The young Eagles are to be complimented on their victory. "Nice Going Gang."

Who can tell us if the sun is south of the equator in this hemisphere at this time?

**Eagle Report**

Wellman eked out a hard-earned victory over the Three Way Eagles that will eventually decide the 3 North Zone championship Friday Night.  
 The Eagles owned the first half as they piled up a 22-6 half-time lead that included a tremendous goal line stand from the 1 yard line.  
 The Wildcats took the lead on a blocked punt that they recovered on the Eagle 1 yard line, where they punched across the goal line. The PAT was no good and Wellman lead 6-0. The Eagles retaliated on a 41 yard jaunt by Al Rand but the PAT was no good and the score was

GLENDAN ANN FINE

**Senior Spotlight**

Glenda Ann Fine was born on December 17, 1959 at Muleshoe, Texas. Her proud parents are Frankie and Jeanette Fine. Glenda's favorite subject is Home and Family Living because she is learning about things that will really come in handy in the future. Her favorite color is baby blue and favorite food is spaghetti.

Glenda enjoys horseback riding, motor cycles, reading and cooking.

Glenda's senior activities include FHA and annual staff. When asked what she looked forward to a Senior Glenda said, "I look forward to graduating, the Senior trip, Jr. Senior Banquet, working on the annual and graduation night. Glenda plans on working after graduation.

... tied at the end of the first period. The second quarter belonged to Three Way. Following an exchange of punts the Eagles tallied from 37 yards out on a pass from James Simpson to Jerry Waltrip and Donny Young kicked the PAT and Three Way lead 14-6. With 4 seconds left in the half Three Way again scored on a 40 yard pass from Donny Young to Jerry Waltrip. Young kicked the PAT and Three Way had a 22-y le. 1 at halftime.

The third quarter belonged to the Wellman Wildcats. They took the opening kick-off and drove 60 yards for the score. Three Way still led 22-14. Wellman then executed 3 consecutive on side kicks and scored on each recovery as they controlled the ball for 13 minutes before the Eagles got the ball. At the end of the third quarter Wellman led 36-22. The eagles finally got their claws on the ball and scored on the third play as Albert Rand rolled in from the 4 yard line. Donny Young kicked the PAT and the score stood 36-30. The game ended with Three Way on the Wildcat 12 yard line where they ran out of downs trying to score.  
 BEAT GRADY BIG GREEN

**Super Sophs**

Sophomore class is looking forward to the last week-end in October when we have our school carnival and Homecoming. The carnival will be the 27th of October in the school cafeteria. The Sophomores invite you to the softball throw and the gum count. We will be

giving away a huge stuffed toy and a fry-baby as well as gum, popcorn balls, and carnal apples.

Homecoming will be Saturday evening the 29th of October at 2:00 p.m. Mitzi Altman and James Simpson were chosen from our class to be in the coronation. We hope they will be King and Queen.

Cordell Hale from our Sophomore class will be moving away soon. Our community is honoring

the Howard Hale family with a going away party on Sunday afternoon, October 30, in the Home Economics Department from 2:30 to 4:30 p.m. All friends are invited to attend.

Our Sophomore class took an Armed Forces Abilities Test on Wednesday and we took Comprehensive Tests on Thursday.

**THEY'RE ALL EAGLES**--Members of the Three Way Eagles took time out to pose before going on to practice up for their homecoming game this Saturday. They will be playing a team from Grady, which is said to be in the Big Spring vicinity. Three Way is 5-3 for the season to date.

**MANSFIELD ON JAPAN**

TOKYO--U.S. Ambassador Mike Mansfield has accused Americans "of trying to avoid any kind of sacrifice" to ease the energy crisis and blamed this alleged attitude for the \$6 billion U.S. trade deficit with Japan.

**Jimmy Carter, President,**

on gas pipeline: "This is a dramatic breakthrough thanks to you (Trudeau) and the Canadian government."

\*\*\*\* The end of the world will catch some people getting ready to do some good works.

**Jazzy Juniors**

The Junior class will be having the concession stand and football throw at the carnival. We will also be raffling off a three foot stuffed dog for \$.75 a ticket.

**JUNIOR HIGH HOMECOMING**--Albert Rand, the last Junior High School Homecoming King (1973) will crown the junior high queen Saturday at Three Way. Candidates include from left, Sheryl Waltrip, seventh; Jan Simpson, eighth and Michelle Parkman, sixth grade.

**KING CANDIDATES**--Candidates for Homecoming King at Three Way High School to be crowned Saturday are from left, James Simpson, 10th grade; Ernest Cantu, twelfth grade; Ken Eubanks, eleventh and Keith Layton, ninth.

**First Grade Frolics**

The first graders are looking forward to the Halloween Carnival on Thursday night and vacation from school on Friday.

**Tales Of Third Grade**

Third Grade Tales Last week we finished out Basic Skills tests. Melissa Johnson's mother visited and we sang several Halloween songs, that we had learned for her.

This week we will be studying maps and map symbols.

PANSY BELCHER

**Teacher Feature**

Pansy Belcher teaches the fifth grade at Three Way Elementary. She is married to Richard Belcher and they farm at Rogers, New Mexico.

Pansy and Dick have four children. Wendell, who is 17, Stephanie 15, Greg, 13 and Matt is six. Pansy was born in Curry County Grady, New Mexico. She has taught at Anthony, New Mexico, Causey, New Mexico, and Elk Mountain, Wyo. and has been at Three Way for 11 years. She has taught a total of 17 years.

Pansy's favorite color is pink and her favorite food is steak. Her hobby is sewing.

**Snazzy Seventh**

The Seventh Grade met recently to discuss their booth for the Halloween Carnival. They voted to have the dart throw. Staci Kirby has volunteered an afghan which will be selling tickets for soon.

Class favorites for the Seventh Grade are Chrisite Feagley and Bobby Marines.

Monday was a red-letter day for the first grade. They got to read the first story in their "Pug" book. Everyone was able to read about Pug running away.

All the students have been busy making and decorating their room for Halloween with black cats, Jack O'lantern, witches, spiders, skeletons, and ghosts. The project they liked best was making skeletons from straws they saved from their lunches.

We were happy that Jerrod Sowder got a good report when he went to the Scottish Rite Hospital for his check up recently.

**Kindergarten Kut-Ups**

Sheila's mother, Mrs. Tucker, ate lunch with us and read *Tweety Bird and Dumbo, the Elephant* to us.

We made chocolate pudding for snack one day. Everyone took a turn pouring, measuring or stirring.

We welcomed Elisa Felix to our class on Friday.

Starting at Nap Time were: Russell Autry, Sammy Belez, Janell Cavazos, Mario Guillen, Heather Hutton, Chris Locke, Debra Locke, Kristi Risinger, Scott Terrell and Melinda Turney.

LILLIE NINO

**Cheerleader Outline**

The Senior Cheerleader of the Mighty Eagles is Lillie Nino. She is the daughter of Ralph and

**HOMECOMING QUEEN CANDIDATES**--Tabbed as candidates for Homecoming Queen at Three Way High School are from left, Lillie Nino, grade twelve, Sandy Feagley, ninth; Mitzi Altman, tenth and Kelly Foley, eleventh.

**JUNIOR HIGH KING CANDIDATES**--Three Way Junior High will play Grady during Homecoming festivities at Three Way Saturday. Candidates for Junior High homcoming King are from left, Brad Stegall, sixth; Timothy Roberts, seventh and Rusty DeSpain, eighth grade.

Your money won't do much good when you are dead. Put it to work now.

The idea that the world is evil explains much of what we read and hear.

There's no law against courtesy, even at home and at the wheel of a motor car.

It's all right to wait until the last minute to do something that you can do at the last minute.

**Cattle Feed Outlook Improving**

The cattle feeding picture is brightening somewhat due to an improved fed cattle market and declining grain prices, says a livestock marketing specialist for the Texas Agricultural Extension Service.

"Thus, cow-calf producers might want to consider feeding their calves or yearlings this year," says Dr. Ed Uvacek. "If they do, they need to remember to carefully price the feeders at current market prices, instead of at their actual cost."

Due to reduced calf supplies, producers will likely be paying higher prices for light-weight feeders. However, Uvacek cautions producers not to overpay.

"A 400-pound animal bought for \$4 more per hundredweight than a 600-pound animal has a higher break-even cost when finished if the cost per pound of gain is about the same. At current feeder prices, if the cost per pound of gain is more than 38 cents, even a \$2 premium for the lighter weight animal might

mean a higher break-even price," emphasized Uvacek.

For comparison, Uvacek offers some break-even figures for producers interested in feeding calves. The break-even price of a 400-pound feeder bought at \$40 per hundredweight would

be \$37.39 if the cost of gain was 36 cents, \$38.70 if the cost of gain was 38 cents, and \$40 if the cost of gain was 40 cents. For the same weight feeder bought at \$44, the break-even price at the three different cost of gain would be \$38.78, \$40.09 and \$41.39, respectively.

The Seventh Grade met recently to discuss their booth for the Halloween Carnival. They voted to have the dart throw. Staci Kirby has volunteered an afghan which will be selling tickets for soon.

Class favorites for the Seventh Grade are Chrisite Feagley and Bobby Marines.

*One time only!*

You are invited to get it straight from the man responsible for P-A-G hybrid corn development on the High Plains.

**CLAYTON HANSEL** has thirty years experience and is currently manager of P-A-G's Hybrid Corn Research Center in Carrollton, Missouri with responsibility of hybrid corn adaptation for this area. Mr. Hansel will conduct a meeting on

**Successful Corn Growing Methods for the Muleshoe Area**

**TUESDAY, NOVEMBER 1st ONLY!**

7:30 P.M. at the Corral Restaurant in Muleshoe -- refreshments will be served

Areas of successful corn production to be covered include: cultural practices, desired plant population, water requirements, spraying fertilization and the pros and cons of long season corn versus short season corn.

In addition, P-A-G's new corn and sorghum hybrids especially developed for this area will be introduced.

# BACK THE MULES Football CONTEST

**WEEKLY PRIZES!**

**WIN FIRST PRIZE \$5**

**WIN SECOND PRIZE \$3**

**WIN THIRD PRIZE \$2**

**Read the rules... Start Winning**

**RULES OF THE CONTEST:**

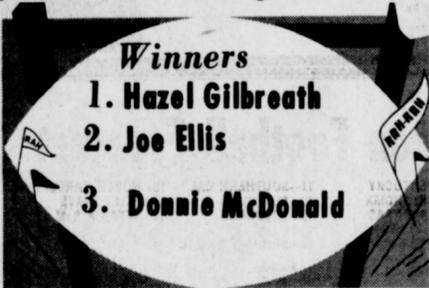

1. The contestant must be 12 years or older.
2. Only one entry per person may be made for any one contest.
3. Weekly contests are open to everyone except employees and families of this newspaper; bring or mail your entries to the Journal office.
4. Mailed entries must be postmarked not later than 5:30 p.m. Friday; winners names will be published in this newspaper each Thursday following the close of the weekly contest.
5. Check the team you think will win; 10 points for 1st place, 6 points for 2nd place and 4 points for 3rd place determines the Grand Prize winner.
6. The tie-breakers will count as one of the games picked, the predicted scores will be used to determine the top three places in that week's contest, if necessary, and cash prizes and points will be divided between winners in event of ties. Please write FOOTBALL CONTEST on envelope of mailed entry. Decision of the Journal's scoring judges will be final.

**You Have Until 5:30 p.m. Friday To Enter**

Please write FOOTBALL CONTEST Muleshoe Publishing Company Box 449, Muleshoe, Texas on envelope of mailed entry.

**'BACK THE MULES'**  
**GRAND PRIZE \$50**  
For expenses and two tickets to the Cotton Bowl at Dallas, Texas. There will also be a contest and prizes for the Bowl games!

THE FOLLOWING FIRMS URGE YOU TO BACK THE MULES AND ATTEND ALL GAMES

**Clayton New Chairman Of Organization**

Texas Speaker of the House Bill Clayton Saturday (Oct. 22) was selected as chairman of the Council of State Governments during election of officers from among delegates to the nation wide organization's annual meeting in Indianapolis, Indiana.

The Council is a joint agency of all the 50 state governments--created, supported and directed by them. It conducts research on state programs and problems; maintains an information service available to state agencies, officials and legislators; issues a variety of publications; assists in state-federal liaison; promotes regional and state-local cooperation and provides staff for affiliated organizations.

As chairman, Clayton will take the lead in providing direction for the organization which maintains offices in New York, Chicago, Atlanta, San Francisco, Washington and is headquartered in Lexington, Kentucky. Clayton has been active in the Council for several years. During the past year he served as vice chairman and served on the executive committee. He is past chairman of the Southern Legislative Council and the Southern States Speakers Conference, both affiliates of the Council.

**View From The Plain**  
by J.D. Peer  
I & E Field Officer

**LUBBOCK** -- Reports from Texas Parks and Wildlife Department personnel in the Panhandle and South Plains indicate a large number of ducks, a few geese and an increasing number of sandhill cranes are located on area lakes and they should furnish plenty of shooting for waterfowl hunters when the season opens Nov. 1.

The duck, goose and crane season (zone A) all open Nov. 1 with the duck-goose season continuing through Jan. 22, 1978 and the crane season through Jan. 31, 1978. Crane season in Zone B will not open until Dec. 5 to allow the safe passage of the whooping crane from Canada to reach the Texas coast.

The daily bag limit for ducks is reached when the point value of any bird taken reaches or exceeds 100 points. The number of ducks could vary from one to ten in the aggregate based on the following point system; 100-point ducks - gadwalls, pintails, scaups, shovelers, and all species of teal (blue-winged, cinnamon, and green-winged); 20-point ducks - all other species of ducks not listed above which include the popular greenhead mallards, widgeon and ring-necked ducks.

**WEST POINT CHANGES**

WEST POINT, N. Y. -- The U.S. Military Academy softened the rules of cadet life at the start of the 1977-78 school year by reducing class time and discarding numerical rankings in an effort to ease the pressures that helped create last year's cheating scandal.

**Enochs News**  
By Mrs. J.D. Bayless

Mr. and Mrs. Carl Coffman of Lamesa, visited in the home of his sister, the J.D. Bayless Monday afternoon. Mr. and Mrs. Zeb Robinson of Muleshoe visited in their home Tuesday afternoon.

Mary Richardson of Levelland has been spending a few days with her sister, Mrs. Dean McBee.

Mrs. J.W. Layton attended the memorial service of Stanley Jones at the Sanders Funeral Chapel in Lubbock.

Michael Phillips of Lubbock stayed a few days with his aunt, Mr. and Mrs. D.M. McBee.

Lee Olan Chick of Borger, a nephew of Mr. and Mrs. J.W. Layton, came Wednesday to stay for a while.

Mr. and Mrs. Ray Cunningham of Slide and Mrs. Gracy Swanner of Lubbock were dinner guests in the home of Mr. and Mrs. J.D. Bayless Friday.

Company in the home of Mrs. Josie Vanlandingham was her son, Woodrow Vanlandingham and his grandchildren, Kelly and Britt from Denver, Colo.

Robert and Ronnie Hardaway of Littlefield are spending the weekend with their grandmother, Mrs. Winnie Byars.

The daily bag limit for geese in West Texas is five per day not to include more than one Ross' goose nor more than two Canada or white-fronted geese combined.

The daily bag limit for sandhill cranes is three with a possession limit of six.

A free permit is required for hunting sandhill cranes which can be obtained from John Roberson, Texas Parks and Wildlife Department, 4200 Smith School Road, Austin, Texas 78744. Please give name, address and county of residence for each permit requested.

A federal migratory waterfowl stamp must be purchased at U.S. post offices prior to hunting ducks and geese. This federal stamp is not required to hunt sandhill cranes.

One fully-feathered wing must remain attached to these dressed migratory game birds while being transported between the place taken and the person adobe of the possessor. Any freshly killed migratory game bird given to another person must have a tag attached signed by the hunter who took the birds stating his name, address, total number of birds of each species and the date birds were taken.

Shooting hours for ducks, geese and sandhill cranes is one-half hour before sunrise to sunset daily. Only shotguns plugged to a three-shot capacity are legal.

The new 1977-78 Migratory Game Birds hunting regulations are available at all license vendors and all P&WD offices across Texas. The regular Texas Hunting Guide does not contain information concerning waterfowl hunting for 1977-78.

Plans and specifications are available at the offices of the Architects, Whitaker and Hall Architects, 233 50th Street Lubbock, Texas. A \$50 refundable deposit is required for each set of plans. 43s-4tc

## Texas Food and Fiber

by Reagan V. Brown, Commissioner  
Texas Department of Agriculture

This year's drought has made all of us aware that the great American food machine could not continue to operate without irrigation. Research scientists are turning to every possible source for water, and the promise of the use of sea water for agricultural production is becoming more of a reality every day.

After more than five years of work, researchers at the University of California at Davis have had encouraging results in growing both barley and tomatoes using sea water. By 1978 they will be experimenting with wheat production. Certain crop strains with total sea-water tolerance may be on the market within ten years.

This is welcome news, especially to those in Texas who have long viewed the Gulf of Mexico and the vast quantities of brackish water in West Texas and the Gulf as possible sources of irrigation water. Salt water could have vast importance for the result of the world as well.

The salt-tolerant crops made all of us aware that the great American food machine could not continue to operate without irrigation. Research scientists are turning to every possible source for water, and the promise of the use of sea water for agricultural production is becoming more of a reality every day.

There are limitations, however. Such irrigation ideally should be employed only below altitudes of 100 feet to avoid high pumping costs. The crops also must be grown in sand. In normal soil, sodium and other salt compounds would eventually build up, preventing water from reaching the plant roots.

By studying the characteristics of a plant that make it salt-tolerant, researchers hope to breed these characteristics into crop strains for use on inland farms in an effort to guard against salinity problems.

We in Texas hope that research continues. It could well help Texas solve, at least partially, its agricultural water problems.

## On Wall Street By Bob Hill

There's a new kind of retail store, located in an unlikely place - a museum. With Christmas coming soon, the museum stores are pushing merchandise through special tie-ins with department stores, through catalogs and media advertising. It's a big market A 1975 poll pointed out that 78 million Americans age 16 and over has visited a museum at least once a year, up from 68 million in 1973. The impetus behind the museum retail stores is the soaring operating costs of museums. The retail store outlet in the museum is a way to defray those costs, once paid by the wealthy patrons. So, the once "sales desk", selling cards and guide books, has expanded into full-fledged retail operations, selling everything from T-shirts to tote bags.

The museums are twitchoy about the retail store operations and the Internal Revenue Service. The IRS has ruled that profits from the retail store operations can be taxed as unrelated business income unless the goods are artistic or educational. The two retail stores in the Museum of Modern Art in New York sell Italian-designed toilet brushes and ice cream scoops. The Smithsonian Institution in Washington has eight retail shops and catalog sales totaling of \$5 1/2 million with items ranging from neckties to lightweight metallic luggage.

The pioneering effort in museum retail stores began with the Metropolitan Museum of Art in New York. The first retail store in the museum opened in 1970 and last year the Met's retail shop and mail-order division grossed over \$10 million, over one-third of the museum's total income.

## Card Of Thanks

We wish to take this opportunity to thank all our friends for their flowers, their cards, their prayers and their expressions of sympathy during the illness and death of our son and brother.
